

Almighty D 1901

Chapter 1901: 383: it's actually Fifth Master Cen! 4

“Ai Ru’s heart was beating faster and faster, almost jumping out of her chest.”

Cen Shaoqing frowned slightly and looked back at his assistant who was hiding beside him.

“The assistant immediately understood and walked in front of Ai Ru, making a ‘please’ gesture. “I’m sorry, Madam, please leave immediately.” ”

“Hearing this, the smile on Ai Ru’s face froze on the corner of Jiang Jiang’s mouth.”

Leave.

Cen Shaoqing wanted her to leave?

Could it be that CEN Shaoqing didn’t remember her at all?

That shouldn’t be!

Ai Ru frowned. She was so famous in school back then. How could CEN Shaoqing not remember her at all.

Cen Shaoqing turned to look at Ye Zhuo. “Let’s go over there.”

“Okay.”Ye Zhuo nodded slightly.

There was a long street behind the ancestral hall.

On both sides of the street were vagabonds selling goods and grassland specialties.

“As Ye Zao walked, he said, “Why didn’t you say hello to your classmate just now?” ”

““I’m not familiar with him,”Cen Shaoqing said concisely. ”

He never had much to say to people he was not familiar with.

“Most importantly, he hated having too much contact with girls other than ye Zao. ”

“Before he met ye Zao, this situation was even more serious. ”

“Ye Zao’s gaze was attracted by the handmade items on the side. He picked up a handmade wallet and said, “This is so beautiful. Shall we buy one for Grandma?” ”

“Okay.”Cen Shaoqing nodded slightly.

Ye Zao bought a small wallet and some other souvenirs.

On the other side.

“Ai Ru stood where she was, feeling a little upset. ”

Li Shuyi was immediately stunned.

She had never expected that the one living in Li Yueyue’s house was actually fifth master Cen.

“Thinking of how she had ignored Ai ru a few days ago, Li Shuyi wished she could slap that stupid herself to death.”

“If she had known that that person was fifth master Cen, Li Shuyi would definitely not have done that.”

It was too late to say anything now.

“No, she couldn’t.”

She couldn’t give up so quickly.

Li Shuyi narrowed her eyes and ignored Ai ru. She walked straight to the other side.

“Very soon, she came to Linda’s side.”

“Li Shuyi told Linda about what had happened just now. Hearing this, Linda’s expression was also quite interesting. “What! Fifth Master Cen!” ”

“Yes.” Li Shuyi nodded.

“Are you sure?” Linda asked.

She was the same as Li Shuyi. She did not believe that the Li family would know a nobleman like fifth master Cen.

Birds of a feather flock together. They were not on the same level at all.

“Li Shuyi said, “Ai ru personally greeted him. How could I have seen wrongly!” ”

“Linda narrowed her eyes. “No Wonder Fang yinyue was unwilling to let Li Yueyue marry your cousin. It turns out that she has other motives.” Although the Jones family was a noble family in country C, there was still a gap between them and fifth master Cen. ”

Fang Yueyin’s chess game was really big.

“”Mom, you mean...” ”

“Mm.”Linda nodded.

“Thinking of this, Li Shuyi’s face was full of unwillingness. ”

Why!

“Li Yueyue was just a little village girl who was inferior to her in everything. Why was Li Yueyue able to marry Fifth Master Cen? She was a hundred times, a thousand times better than Li Yueyue! ”

“Linda glanced at Li Shuyi. The two of them were mother and daughter. Of course, she knew what Li Shuyi was thinking. ”

“”Let’s go back first,”Linda suddenly said. ”

“Okay.”Li Shuyi nodded.

“After a while, the two returned to their residence. ”

Li Sanzhu sat in the living room and watched TV.

“Although the heaven worship ceremony was being held outside and all the descendants of the Li family had to attend, he was no longer a member of the Li family. ”

“He married and had children abroad, and his family was also abroad. He had nothing to do with China.”

“Why are you back so early?” Li Erzhu looked at the mother and son curiously.

“Linda said, “You go and pack up. We’ll go to your brother’s house for the New Year at night.” ”

“Go to Sanzhu’s house for the New Year?” Li Erzhu looked at Linda with surprise. “Did I hear wrong?”

“Linda didn’t directly answer Li Erzhu’s words, but continued, “Where’s the wine you brought back from C Country?” Li Erzhu was a wine addict, and he liked to collect all kinds of good wine, including a bottle of good wine worth six figures, he had brought back this time, but he couldn’t bear to drink it. ”

“What do you want the wine for?” Li Erzhu looked at Linda vigilantly.

“Linda continued, “Don’t you Chinese people pay attention to reciprocity? We’re going to your brother’s house for New Year’s Eve dinner. Are we going to go there empty-handed?” ”

“Seeing that she didn’t seem to be joking, Li Erzhu continued, “Are you really going to Sanzhu’s house for New Year’s Eve Dinner?” ”

“Yes.” Linda nodded. “Go and get the wine.”

Chapter 1902: 383: it’s actually fifth Cen! 5

““What’s going on?” Li Erzhu asked curiously, “Why are you suddenly going to Sanzhu’s house to celebrate the New Year?” One had to know that Linda didn’t agree when Li Sanzhu invited them to celebrate the new year. What was going on today? ”

He actually took the initiative to celebrate the New Year and even brought gifts!

Something seemed wrong.

Did he still know Linda?

“Tell me, what’s Going On?” Li Erzhu asked. ”

“Nothing, I just want to go to your brother’s house to celebrate the New Year. Why, Don’t you agree?”

”

“I don’t disagree, I just feel that it’s a little strange.” Li Erzhu continued, “Is it third brother who came to invite us?” ”

“I asked you to get the wine, why do you talk so much nonsense!” Linda said. ”

“Li Erzhu touched his head and continued, “You don’t have to use that bottle of maotai! I spent a lot of effort to get it back!” ”

“The maotai collected by Li Erzhu was no longer produced. He bought it ten years ago, and now the price had increased several times. ”

“Are you going or not?” Linda narrowed her eyes.

“Li Erzhu immediately said, “I’ll go, I’ll go now.” He was not afraid of anything except his wife. After all, it was Linda who made him! ”

“If it were not for Linda, he would still be a small herdsman. ”

“Not long after, Li Erzhu took out the Maotai from the house, his face full of reluctance. ”

“He had treasured the wine for ten years, and now he was going to sell it to someone else. This made Li Erzhu a little uncomfortable. Ten years ago, he could buy a set of wine with tens of thousands of yuan, but now it was out of print.”

“Linda said, “Come with me to third brother’s house.” After saying that, she looked at Li Shuyi. “You go with me! Do you know what to do?” ”

“I know.” Li Shuyi nodded.

“Soon, the family of three arrived at the Li family’s door.”

“Li Sanzhu and Fang yinyue had just returned from the ceremony. When they saw Linda carrying something over, they asked curiously, “Second brother, second sister-in-law, Shuyi, why are you here?” ”

“Linda smiled and said, “We’re here to have New Year’s Eve dinner with you. Why? Aren’t you welcoming us?” ”

To have New Year’s Eve dinner together?

Of course not!

“But before Fang yinyue could say anything, Li Sanzhu said, “Welcome, welcome, of course! Second Brother, second sister-in-law, come in quickly.” ”

“Linda handed the wine to Li Sanzhu. “Third brother, your second brother specially brought this wine for you.” ”

Li Sanzhu took the wine and was stunned.

It was a limited edition Maotai from ten years ago!

“Now, even if one had money, they could not buy it.”

This second sister-in-law of his had always been stingy. To think that she would give him such a good wine.

Something must be wrong.

Something was wrong.

Something was very wrong.

“Li sanzhu smiled and said, “Second sister-in-law, you’re too polite! I can’t accept this wine! You and second brother are friends, not outsiders!” ”

“Hearing this, Li Sanzhu heaved a sigh of relief. He was really afraid that Li Sanzhu would accept it directly.”

“Linda smiled and said, “Third brother, just accept it. Your second brother, Xia na, rarely drinks anymore. It would be a waste to leave this wine at home.” ”

Li Sanzhu still refused.

“Fang Yueyin, who was at the side, was also somewhat incredulous.”

The couple’s behavior was too abnormal.

“Before Fang Yueyin could react, Linda walked over and said, “Third sister-in-law, you haven’t cooked yet, right? What do you want to Eat Tonight? I’ll Help You Cook!” ”

“Although the Li family had servants, Fang Yueyin would cook the New Year’s Eve dinner every year. ”

““Second sister-in-law, there’s no need for you to cook. I can do it myself,”Fang Yueyin said. ”

““How can that be! We can’t just let the three of US eat and let you Cook by yourself.”Linda insisted on helping Fang Yueyin Cook, so Fang Yueyin could only agree helplessly. ”

Linda helped Fang Yueyin Cook.

“Soon, it was past five in the evening. ”

“It was almost time for the New Year’s Eve dinner. Li Yueyue also came back at this time. When she saw Linda cooking in the kitchen, Li Yueyue was also very surprised. ”

What kind of wind blew today?

“Seeing Li Yueyue, Linda said warmly, “Yueyue is back! You must be hungry. Let’s eat immediately.” ”

“Li Yueyue nodded uncomfortably. She walked to her mother’s side and asked in a low voice, “Mom, what’s Going On?” ”

Fang yinyue shook her head. “Serve the dishes first.”

“Okay.”Li Yueyue nodded.

“Today, Li Shuyi became extra diligent and helped to serve the dishes. ”

“However, after working for a long time, she still didn’t see Cen Shaoqing. ”

“Even when she sat at the table to eat, Cen Shaoqing still did not show up. ”

“This time, Linda could not sit still and said with a smile, “Third brother and third sister-in-law, aren’t you going to ask the guests to come down to eat together?” ”

The guests at home...

Fang yinyue suddenly realized that Linda was coming for Cen Shaoqing.

No wonder.

“Fang yinyue continued, “Second sister-in-law, are you talking about Cen Fifth Master?” ”

“Yes Yes Yes!”Linda hurriedly nodded.

“Chapter 1903: 385: trash abuse begins, Jumping Clown 1”

“Seeing Linda like this, Fang yinyue had an idea and continued, “Second sister-in-law, that’s really unfortunate.” ”

“What’s the matter?”Linda asked hurriedly.

“Fang yinyue continued, “Fifth Master and Miss ye are not at home for dinner today.” ”

What!

Cen Shaoqing was not at home today!

“Hearing this, Linda’s face turned pale. ”

“Cen Shaoqing wasn’t here, so wouldn’t all the work she had been doing for the past few hours have been in vain? ”

“If she had known that Cen Shaoqing wasn’t here, she wouldn’t have suffered so much! ”

“Although she didn’t help much, it was still very tiring to help in the kitchen. ”

“Linda’s body was delicate and expensive, and she had more than a dozen servants at home. When had she ever done such a thing. ”

That wasn’t right.

Fang yinyue must be lying to her.

Linda narrowed her eyes.

“Cen Shaoqing had been staying at Fang yinyue’s place for more than a week, so how could he suddenly not be here? ”

There must be a problem.

“Linda continued, “Third sister-in-law, is fifth Cen really not here?” ”

“”He’s really not here. Second Sister-in-law, why would I lie to You?”Fang yinyue knew why Linda had come over this time. She continued, “Fifth Cen went to New Year’s with his girlfriend, Miss Ye.” ”

Girlfriend?

Fifth Master Cen has a girlfriend?

How is this possible!

“Hearing this, Linda was shocked again. ”

Fang yinyue clearly wanted to introduce Li Yueyue to fifth master Cen and let Li Yueyue Soar to the sky!

How could fifth Master Cen have a girlfriend?

He must be lying to her!

“After all, Li Shuyi was more beautiful than Li Yueyue, her figure was better than Li Yueyue, and her educational background was higher than Li Yueyue. ”

“In front of Li Shuyi, Li Yueyue was nothing? ”

“As long as Li Shuyi made a move, Li Yueyue would still have a chance? ”

Fang yinyue was really scheming. She was actually still wary of her.

Did she really think she was a fool?

Could she be deceived by her?

“Linda put on a fake smile and continued, “Who is fifth master’s girlfriend?” ”

““It’s Miss Ye,”fang yinyue continued, “Shuyi should have seen it when she came last time.” ”

“Actually, Fang yinyue’s words were also a reminder to Linda not to have any thoughts that she shouldn’t have. After all, CEN Shaoqing already had a girlfriend!”

He didn’t want to make things ugly.

But Linda didn’t listen to him. She just thought that Fang yinyue was trying to trick her.

Taking a step back.

So what if CEN Shaoqing really had a girlfriend?

“Li Shuyi was so good-looking, why would she be afraid that CEN fifth master would not fall in love with her?”

That was impossible!

Linda’s expression did not change as she helped to bring all the dishes to the table.

Li Erzhu and Li Sanzhu were already sitting at the dining table.

Li Shuyi and Li Yueyue were chatting.

Li Yueyue was really not used to Li Shuyi’s sudden enthusiasm.

One had to know that this cousin of hers usually held her head higher than a swan when she saw her.

“It was as if Li Yueyue was her little servant, shouting and shouting.”

“Li Shuyi took out a treasured bracelet. “Yueyue, your skin is white. You’ll definitely look very good wearing this bracelet. I’ll give this bracelet to you.” ”

“Li Yueyue said, “Cousin, you’re too polite. No matter how white my skin is, I’m not as good-looking as you. It’s such a waste to wear such a good bracelet!” ”

Li Shuyi felt refreshed when she heard this.

At least Li Yueyue knew her place.

“She had an international appearance. Not to mention half, Li Yueyue was not even one-tenth as good-looking as her, so how could she wear her bracelet? ”

“But now that she wanted to please Li Yueyue, Li Shuyi continued, “Yueyue, you’re also very good-looking! I think this bracelet suits you the best!” ”

“”No, no, no, cousin, I really don’t deserve it.”Li Yueyue refused repeatedly. ”

“The saying goes, ‘eat the honey and take the honey.’. ”

“For Li Shuyi to suddenly become so enthusiastic, there must be a conspiracy. ”

“Although the bracelet was very beautiful and was a collector’s edition, it could not be bought on the market at present. Li Yueyue also liked it very much, but she could not accept it. ”

“Once she accepted the bracelet, the nature would change. ”

Li Shuyi was still very happy that Li Yueyue insisted on not accepting her bracelet.

This meant that Li Yueyue knew how much weight she weighed.

“Li Shuyi kept the bracelet and said with a smile, “Yueyue, since you don’t want it, then cousin will not force you.” ”

“Li Yueyue said, “I have received cousin’s goodwill.” ”

“Li Shuyi kept the bracelet in satisfaction and looked around the room before saying, “By the way, yueyue, where are your guests?” ”

Guests?

Li Yueyue was stunned. “What guests?”

“Li Shuyi continued, “Didn’t your family have guests a few days ago?” Why are you pretending to be confused? ! ”

Only then did Li Yueyue react. “They went out for the New Year.”

“Chapter 1904: 385: the beginning of the torture, Clown 2”

Went out for the New Year?

Li Shuyi immediately stood up from the sofa.

“If CEN fifth master went out for the New Year, what would she do? ”

“In order to leave a good impression on CEN fifth master, Li Shuyi specially put on makeup and changed into a certain brand’s Gao Ding. ”

“In the end, CEN fifth master wasn’t around! ”

What was this?

“After a while, Li Shuyi continued to ask, “Why didn’t you go with him?” ”

“Li Yueyue said, “They’re dating each other. Why would I go? To be a third wheel?” ”

Li Yueyue was a person who knew her limits.

She would never be a third wheel!

She didn’t even add her best friend’s boyfriend’s wechat or QQ.

Boyfriend and girlfriend dating each other?

Li Shuyi was stunned again and couldn’t react in time.

Li Yueyue also looked at Li Shuyi strangely.

Why did Li Shuyi ask all these questions out of the blue?

Li Shuyi wanted to cry now!

“She had meticulously prepared everything, but now, fifth master Cen wasn’t here. ”

What was this?

But Li Shuyi still maintained her smile.

It didn't matter.

"Fifth Master Cen was living in the Li family now, so she still had a chance."

"Li Shuyi nodded and continued, "I see! Then they should be attending the bonfire banquet later, right?" "

"Coming to the prairie to celebrate the new year, they would usually not miss the bonfire banquet."

"I think so." Li Yueyue nodded.

"Li Shuyi held onto Li Yueyue's arm. "Yueyue, let's go to the Bonfire Banquet Tonight as well!" "

"Li Yueyue wanted to reject Li Shuyi, but she was embarrassed and could only bite the bullet and nod. "Okay." "

"Then let's go and eat. We'll go after we finish eating."

"At the dining table, Li Shuyi started to praise Fang yinyue's cooking skills again."

"The mother and daughter pair were singing along, causing Li Sanzhu to be a little dumbfounded."

The situation didn't seem right.

"Finding an opportunity, Li Sanzhu whispered to Fang yinyue, "Yinyue, what's going on with second brother and second sister-in-law today? Something doesn't seem right to me!" "

"As a younger brother, Li Sanzhu knew Li Erzhu's character very well."

“If it weren’t for the sake of their brothers and sisters, Li Sanzhu would have long stopped interacting with Li Erzhu’s family.”

But there was no other way.

A brother was a brother.

“Fang yinyue glanced in the direction of the living room and then said, “Can’t you see it?” ”

“See what?” Li Sanzhu asked.

“Fang yinyue said, “Who did the family of three come for? Can’t you see it?” ”

Li Sanzhu shook his head.

He really couldn’t tell.

Li Sanzhu was a standard big man from the north. His mind was not that meticulous. He ate meat and drank wine.

“Fang yinyue continued, “Don’t you realize that when they eat, they are always talking about Cen Wu?” ”

“Li Sanzhu was just a little careless. He was not stupid. He immediately recognized the hidden meaning in Fang yinyue’s words. “Yinyue, you can’t say such things!” ”

““You’ll know if it’s nonsense.” Fang yinyue continued, “You know better than me what kind of people your second brother and second sister-in-law’s family are. Why would they treat US so well for no reason?” ”

This was simply a dream!

“Li Sanzhu was silent for a moment before he continued, “Then this is not a good thing!” ”

Who Was Cen Wu Ye?

He had power both at home and abroad!

Even the big shots from abroad had to give him some face when they saw him.

“If Li Erzhu’s family angered him, the consequences would be unimaginable. ”

“Fang yinyue sighed. “I really don’t know what your second brother and sister-in-law are thinking! They even dare to have such an idea! Fortunately, fifth master Huo and Miss Ye will be leaving tomorrow. Otherwise, there would really be some trouble.” ”

Li Sanzhu nodded.

“After eating, Li Shuyi pulled Li Yueyue along to attend the bonfire dinner. ”

“As the name suggested, Bonfire dinner was a huge bonfire in the snow. The men and women on the grassland held hands and danced around the bonfire to sing. ”

Unmarried men and women could also sing to each other to attract the attention of their loved ones.

“On New Year’s Eve, everyone would come out to attend the bonfire dinner. ”

“At this moment, the bonfire dinner had not officially started yet. The staff responsible for burning the bonfire was adding firewood to the bonfire to ensure that the bonfire could burn even brighter! ”

The Bonfire Dinner started at 8 o’clock sharp. The Bonfire had to burn until 8 o’clock the next morning.

“The brighter the bonfire burned, the brighter the new year would be. ”

“If the bonfire was extinguished midway, it would be a very bad omen. ”

“Therefore, before the start of the bonfire dinner, they had to carry out a strict inspection to ensure that the bonfire dinner could start and end smoothly. ”

No one wants to leave any bad omens in the New Year’s Eve.

“The flames are all over the sky, and before we go in, we feel the heat wave rolling. ”

“Chapter 1905: 385: Start the torture, Clown 3”

“If it weren’t for the fact that the entire grassland was covered in thick snow, it would easily cause a fire.
”

Ye Zhuo and Cen Shaoqing were sitting southwest of the bonfire.

“The light from the fire reflected on her eyebrows, making her already exquisite eyebrows appear even more alluring. ”

Ye Zhuo leaned on his shoulder and looked up at the sky. “I suddenly found that the starry sky on the grassland is so beautiful.”

“Different from the noisy city, the starry sky on the prairie was even clearer and brighter. ”

It made one instantly return to the night of the 70s and 80s.

Cen Shaoqing slightly raised his eyes.

“The stars in the sky were bright, and in the dark night, mysterious lights flickered.”

It was very different from observing the stars at a close distance on an aircraft carrier.

“At this moment, with a loved one by his side, even the stars seemed to have become beautiful!”

“Do you know which is Altair Star and Vega Star?”Cen Shaoqing asked.

“I know.”Ye Zao’s Red Lips parted slightly. “Those three stars are Altair and their children. The star across the Milky Way is Vega.”

“At this moment, Li Yueyue’s voice sounded in the air. “Zao Zao, CEN Fifth Master.” ”

“Ye Zao turned around and saw Li Yueyue. “Yueyue, you’re here.” ”

“Li Yueyue nodded and continued, “Zao Zao, let me introduce you. This is my cousin, Li Shuyi. Cousin, this is Miss Ye. This is Miss Ye’s boyfriend, Fifth Master Cen.” ”

“Ye Zao greeted politely, “Miss Li.” ”

Miss Li?

Ye Zao actually addressed her as Miss Li!

“Ye Zao and Li Yueyue were classmates, and she was Li Yueyue’s cousin. According to seniority, Ye Zao should also address her as cousin.”

He was really too unruly.

He lacked family education!

She wondered how fifth master Cen had taken a fancy to such a girl.

“Li Shuyi smiled and said gently, “Hello, Miss Ye. Hello, Fifth Master Cen.” ”

“After saying that, she extended her hand to the two of them. “I’m Li Shuyi. My mother is from C Nation, and my father is from China. I grew up in C Nation. The two of you can call me by my English name, Ashley. It’s nice to meet you both.” ”

Ye Zhuo reached out to shake her hand.

Li Shuyi extended her hand towards Cen Shaoqing. “CEN Fifth Master.”

“Cen Shaoqing frowned slightly and glanced at Li Shuyi, his expression unmoving. ”

“Li Shuyi’s hand froze in mid-air, feeling a little awkward. ”

“A moment later, Cen Shaoqing’s thin lips parted slightly. “I have mysophobia.” ”

Mysophobia!

“These four words were light and airy, but it was more uncomfortable than directly giving them to Li Shuyi. ”

She was not trash!

“Cen Shaoqing was obsessed with cleanliness, what did it have to do with shaking hands? ”

“Li Shuyi’s face alternated between red and white, and she was very uncomfortable. ”

Li Yueyue almost laughed out loud.

But she still tried very hard to hold it in.

“Ever since she met Li Shuyi, Li Shuyi had always had a condescending attitude, as if no one was better than her. ”

“This time, she was finally defeated. ”

Li Yueyue could not wait to set off firecrackers to celebrate.

Li Shuyi retracted her hand awkwardly. “I’m sorry.”

“She was a mixed-race beauty, and there were at least a hundred suitors around her. When had she ever been looked down upon by a man? ”

Yes.

She admitted that Ye Zao beside Cen Shaoqing was indeed very beautiful.

But she was a mixed-race beauty after all.

Did Ye Zao have mixed-race blood?

Did Ye Zao Have Blue Eyes?

No!

Ye Zao didn't have any of these.

"After a while, Li Shuyi continued, "Miss Ye, tonight is the new year on our grassland. You two must play to your heart's content." "

"Definitely." Ye Zao nodded slightly.

"Li Shuyi took out her phone and continued, "Miss Ye, shall we add her on wechat?" "

"Her phone is out of battery," Cen Shaoqing said. "

Her phone was out of battery?

"Hearing this, Li Yueyue felt embarrassed for Li Shuyi. "

"If she were Li Shuyi, she would just find a hole to hide in. "

"Initially, when Fang yinyue told her about Li Shuyi's intentions, Li Yueyue was still in disbelief. "

"This was because although the Li Shuyi she knew was arrogant and a little arrogant, she was definitely not the kind of person who had no bottom line. "

Looking at it now.

It was all because she did not know Li Shuyi well enough.

"Cen Shaoqing had already rejected her, but she still stuck to him like this. It was embarrassing. "

Embarrassing!

“Li Yueyue continued, “By the way, cousin, I remember that second aunt told you to go back and get your things. Let’s go back first.” ”

Li Shuyi was stunned for a moment.

“Li Yueyue looked at ye Zao and continued, “Zao Zao, I wish you and fifth master a good time. My cousin and I will go back first.” ”

“Okay.”Ye Zao nodded slightly.

Li Yueyue pulled Li Shuyi back.

“A few minutes later, Li Shuyi felt that something was wrong. “Yueyue, did you remember wrongly? My mother didn’t let me go back!” ”

“Chapter 1906: 385: trash abuse begins, Jumping Clown 4”

“Li Yueyue said, “Second aunt didn’t let you go back.” ”

“Then why did you pull me back?”Li Shuyi was a little displeased.

She hadn’t even had a moment alone with fifth master Cen yet!

Li Yueyue was really too blind.

“Li Yueyue’s expression also didn’t look too good. “Fifth master and searing flames are a couple. When a couple chats together, what’s the point of US following behind?” ”

“Li Shuyi wanted to scold Li Yueyue angrily, but she held back. She held onto Li Yueyue’s arm and said, “Yueyue, you’re right. I really didn’t think it through.” ”

“After saying that, Li Shuyi continued to ask, “Right, what’s the relationship between Fifth Master Cen and Your Family? Why is he staying at Your House?” ”

“For so many years, Li Shuyi had never known that Li Sanzhu actually knew such a great Buddha like fifth master Cen. ”

No wonder Li Sanzhu’s business was getting better and better.

“Li Yueyue said, “Zhuoluo is my classmate.” ”

“Hearing that, Li Shuyi narrowed her eyes. ”

So Li Yueyue and ye Zhuoluo were classmates.

“Li Shuyi immediately asked, “Then how is their relationship usually? Is it good? How did that classmate of yours manage to woo Fifth Master Cen?” ”

Li Yueyue was speechless!

Why did she have such a cousin?

““Cousin, what are you talking about! Of course, Fifth Master Cen was the one who chased after zhongruo first. Moreover, Fifth Master Cen is still in his internship period! Zhongruo is so beautiful, how could he chase after someone else!” ”

What!

It was actually Cen Shaoqing who took the initiative to chase after Ye Zhongruo?

How was that possible!

“Although ye Zhongruo was indeed somewhat beautiful, it was not to the extent that Cen Shaoqing would personally chase after him! ”

“Li Shuyi felt very uncomfortable when she thought of Cen Shaoqing, an outstanding man, taking the initiative to chase after Ye Zao. Moreover, he was still in the trial period. ”

It was impossible!

Li Yueyue must be lying to her.

““It shouldn’t be, right?”Li Shuyi said. ”

““How could it not be! Don’t tell me I’m lying to you?”Li Yueyue continued, “Cousin, let me tell you, CEN fifth master really likes Zao. By the way, do you know Qing Zao Dessert House?” ”

“Yes.”Li Shuyi nodded.

“Two years ago, a dessert house called Qing searing hot dessert house quickly became popular in China. Now, the chain stores had already opened overseas. ”

Li Shuyi also liked to go to the Qing searing hot dessert house for a short while. She could be considered a loyal fan of the Dessert House.

“Li Yueyue said, “Qing searing hot dessert house was given to searing hot by fifth master on the day he confessed to searing hot. Qing searing hot dessert house is the meaning of Cen Shaoqing’s adoration for ye Zao. Fifth Master wants the whole world to know that he and searing hot are a couple.” ”

What!

Li Shuyi’s eyes were filled with disbelief and confusion.

She had never expected Cen Shaoqing to be so affectionate towards ye Zao.

“She had thought that ye Zao had taken the initiative to chase after Cen Shaoqing. This way, she would have a chance to take advantage of him. ”

Who knew...

“Li Shuyi instantly became very dejected. She said dejectedly, “Yueyue, I’m going back first.” ”

“Li Yueyue said, “Cousin, aren’t you going to attend the bonfire banquet?” ”

“At this time, how could Li Shuyi still have the mood to attend the bonfire banquet? ”

““I suddenly feel a little uncomfortable,”Li Shuyi said. ”

“Then should I accompany you back?”Li Yueyue said.

“No need.”Li Shuyi waved her hand. “I can go back by myself.”

“After saying that, Li Shuyi turned around and walked back. ”

“Seeing that she had returned so quickly, Linda frowned slightly. “Didn’t you see Fifth Master Cen?” ”

“I did,” Li Shuyi said. ”

“Linda asked doubtfully, “Why did you come back so early after seeing him?” ”

Li Shuyi told Linda what had happened.

“Hearing that, Linda didn’t show any other expression on her face. Instead, she smiled and said, “My silly child, you fell for it!” ”

“Fooled? How So?” Li Shuyi asked.

“Linda continued, “Li Yueyue said all this to scare you. After all, you’re her most powerful competitor now! Of course, she has to think of a way to trick you away! As long as you leave, won’t her chance come?” ”

“That was Cen Wuye. As long as she could get close to him, she could soar to the sky. ”

“In this world, how many girls were unwilling to marry Cen Shaoqing? ”

“Hearing this, Li Shuyi suddenly came to a realization. ”

So that was it!

Mother was right!

“Then I’ll go find them now.” Li Shuyi immediately turned around and walked back.

“Wait,” Linda suddenly said. ”

“”Mom, What’s Wrong?”Li Shuyi turned around and asked. ”

“Linda narrowed her eyes. “Since we’re going to do it, let’s do something different. Let’s directly hit a home run.” ”

“Home run?”Li Shuyi looked at Linda with some confusion.

“Chapter 1907: 385: starting from the beginning, Jumping Clown 5”

Linda nodded and whispered a few words into Li Shuyi’s ear.

“After listening to Linda’s plan, Li Shuyi frowned slightly and said, “This, will this really work?”If it didn’t work, then she would be the one who would be embarrassed. ”

Li Shuyi was very nervous.

“”It will definitely work,”Linda said, “If you want to do something big, how can you not have some courage? I’ve already asked around. CEN fifth master and that ye Zao don’t sleep in the same room at all.” ”

What did not sleeping in the same room mean?

It meant that fifth master Cen did not like ye Zao at all.

He and ye Zao only had a superficial relationship.

Li Yueyue deliberately reversed black and white to make Li Shuyi retreat. Perhaps she wanted to do this.

What a pity.

Li Yueyue was still a little inexperienced.

Want to fight with her?

No Way!

“Really?” Li Shuyi asked.

“Of course it’s true.” Linda continued, “In short, you have to seize this opportunity. I’ve prepared everything for you.”

Li Shuyi was still a little hesitant.

“At this moment, Li Erzhu walked in from outside the door. “Wealth and honor come from risks. I heard that Fifth Master CEN is leaving the Prairie Tomorrow Morning. If you miss this opportunity, you won’t have such a good opportunity in the future.”

“Hearing this, Li Shuyi immediately asked, “Dad, how did you know that they would be leaving tomorrow morning?”

“Your uncle said so,” Li Erzhu said. ”

“Linda narrowed her eyes. “Shuyi, don’t think about it and follow my plan! If you miss this village, you won’t have this shop!”

Li Shuyi thought for a moment and then nodded.

“Seeing this, Linda smiled and said, “This is Mom’s good daughter.”

The Bonfire banquet on the grassland was very interesting.

Ye Zhuo held Cen Shaoqing's hand and danced with everyone.

The red light reflected everyone's smiling faces.

The crowd danced and sang in Tibetan.

"After listening to it a few times, ye Zhuo memorized the tune and lyrics and sang along with them."

"Her voice was unique, clear and melodious, like a clear spring. Ding Ding Dong, flowing through the forest. Although the voices were noisy, they could still be clearly distinguished."

"Cen Shaoqing looked at her from the side, his eyes filled with warmth."

"At this moment, ye Zhuo looked back slightly and met his gaze. "You should sing along too." "

"I don't know how," Cen Shaoqing said. "

"Ye Zhuo mocked, "How can you be so stupid!" "

It was not until twelve o'clock that ye Zhuo and Cen Shaoqing went back to rest.

"After saying goodnight to each other, the two returned to their own room."

"As soon as they stepped into the room, Cen Shaoqing frowned slightly and sniffed lightly."

The smell was not right.

Someone had been in the room.

“At this moment, CEN Shaoqing’s gaze fell on the incense burner in front of the desk.”

“If he had not guessed wrongly, the incense burning in the incense burner had an aphrodisiac component.”

“Cen Shaoqing used the hand holding the Buddha bead to cover his nose, then turned his head to look in the direction of the bedroom. He took a few steps forward, entered the bathroom, and turned on the tap in the bathroom.”

“Suddenly, the sound of water splashing could be heard from inside.”

“Li Shuyi, who was in the bedroom, heard the sound and her heart raced.”

“Thump, thump — ”

It was as if she could jump out of her chest at any time.

“Listening to the sound, Cen Shaoqing should have entered the bathroom.”

It must be the effect of the incense outside.

“This kind of incense was specially used by the royal family of country C. as long as one smelled it lightly, it would make one unable to stop.”

“As she thought about what she was going to say next, the corners of Li Shuyi’s lips curled up.”

“Fang yinyue and Li Yueyue, this mother and daughter pair, had schemed and plotted against each other, but in the end, they were still defeated by her.”

Cen Shaoqing came to the outside of the house. He composed himself and turned to look at his assistant. “Call the police.”

“It was a very simple word, but for some reason, it made his entire body tremble.”

“The assistant was stunned. “Call, call the police?” ”

There had to be a reason to call the police!

“Cen Shaoqing looked around the room. “Someone is suspected of selling yin inside, do you understand?” ”

“The assistant nodded nervously. “I understand, I understand.” ”

Why would someone do such a thing in Cen Shaoqing’s room?

“But it was Cen Shaoqing’s order after all, so the assistant did not dare to ask too much.”

“Although it was the prairie, the police arrived very quickly.”

Sirens sounded everywhere.

“Because they were too loud, they immediately woke Li Sanzhu up.”

“When Li Sanzhu and Fang yinyue arrived, Cen Shaoqing was standing at the door. He was tall and slender, holding a string of Buddhist beads in his hand. Although his posture was casual, he emitted a powerful aura.”

“Li Sanzhu swallowed nervously and walked to Cen Shaoqing’s side. He asked carefully, “Fifth master, you, you called the police?” ”

“Seeing this, the assistant immediately walked to Li Sanzhu and told him the whole process. ”

“Hearing this, Li Sanzhu was also surprised. ”

He sold the Yin Girl into the wrong house?

How could it be!

“But Cen Shaoqing said this, so how could he dare to object! ”

“At this moment, two uniformed police officers rushed over. “May I ask who called the police?” ”

“Me.”The assistant raised his hand.

“Where is she?”The police officer asked.

““She’s, she’s in the room,”the assistant answered. ”

The two police officers looked at each other and walked inside.

“Hearing the footsteps outside, Li Shuyi was very excited and quickly took off her shirt. ”

Chapter 1908: 386: Eat Your Own Medicine! 1

“In just a few seconds, Li Yueyue was completely naked.”

“Because she inhaled the incense, her face became ruddy and her breathing became rapid. When she thought that fifth master Cen would come in soon, she felt her heart beating rapidly.”

“Fifth Master Cen was not only a legend in the Chinese business world, but also a legend in C Nation. If she could become Madam Cen in one leap, then she would become the most honorable person in C Nation.”

“At that time, she could also save the Jones family from danger.”

“Although the new emperor was unkind, the other party was, after all, fifth master Cen.”

“No matter what, the new emperor had to give face to fifth master Cen.”

“The footsteps were getting closer and closer, and Li Shuyi was holding her breath.”

“At the same time, outside the door.”

“Hearing the commotion, Fang yinyue and Li Yueyue rushed over.”

“Fang yinyue looked at the butler and asked in a low voice, “What’s going on? who called the Police?” ”

“The Butler looked at Cen Shaoqing and said in a low voice, “CEN fifth master’s assistant called the police.” ”

“Hearing that Cen Shaoqing called the police, Fang yinyue asked nervously, “Why did he call the police?” ”

“The butler continued, “It’s, it’s said that the street girl entered the wrong room.” ”

The Streetwalker entered the wrong room!

Fang yinyue frowned slightly.

“In this family, who was most likely to be called a Streetwalker? ”

“Of course, it was Li Sanzhu! ”

“She and Li Sanzhu had been married for so many years, but she had never known that Li Sanzhu was actually such a person. ”

“Hearing the housekeeper’s words, Li Yueyue was also a little surprised. ”

Streetwalker!

She even entered the wrong room.

Cen Shaoqing definitely wouldn’t do such a thing.

Could it be...

Her father?

No Way.

“In Li Yueyue’s impression, her parents’ relationship had always been particularly good and stable. Her father should not have done such a thing. ”

Fang yinyue turned to look at Li Sanzhu.

Li Yueyue also turned to look at Li Sanzhu.

“Feeling the gaze of the mother and daughter, Li Sanzhu shuddered and stammered, “W-why are you looking at me?” ”

“Fang yinyue narrowed her eyes. “Tell me, who called the Streetwalker?” ”

“How would I know?”Li Sanzhu said.

“Who would know if you don’t know?”Fang yinyue asked.

“”Why would I know? I didn’t call her.”At this point, Li Sanzhu sensed that something was wrong. He looked at Fang yinyue and said incredulously, “Yinyue, don’t tell me you think I called that Streetwalker?” ”

“”What else?”Fang yinyue continued, “Could it be Cen Wuye?” ”

“”Of course it’s not me! And it’s not Cen Wuye!”Li Sanzhu was so anxious that his face was red. “Yinyue, I’ve been married to you for so many years. Don’t you know who I am? Would I do such a Thing?” ”

Li Sanzhu didn’t have any good qualities. The only thing he had was loyalty.

And it was absolute loyalty!

“Not to mention street girls, he would not even spare a glance at a pure university student. ”

“Over the years, many bosses had sent people to his side, but he had never been tempted. ”

“Li sanzhu continued, “Yinyue, it’s really not me! You have to believe me!” ”

Fang yinyue did not say anything.

“Seeing her father like this, Li Yueyue continued, “Dad, don’t worry. Fake can’t be real, real can’t be fake. For things you haven’t done, no one can accuse you wrongly!” ”

“”Right, right, right! Yueyue is right. The fake can’t be real, and the real can’t be fake either.” ”

Fang yinyue narrowed her eyes.

“She had been with Li Sanzhu for so many years, so of course she knew Li Sanzhu’s character. ”

“Even if Li Sanzhu had the heart to be a thief, he wouldn’t have the guts to be a thief. ”

“However, if it wasn’t Li Sanzhu, then who was this person? ”

Cen Wuye?

Was he calling for a thief to catch a thief?

Fang yinyue tugged on Li Yueyue’s sleeve.

“”What’s wrong, Mom?” Li Yueyue looked down at Fang yinyue. ”

“Fang yinyue raised her head and asked softly, “Where’s Miss Ye?” ”

“I don’t know.” Li Yueyue looked at the door next door. “She should be busy inside.”

“Once ye Zao worked, he would be fully immersed in his work. ”

“There was such a big commotion, but there was no sound from ye Zao’s side. Then she should be busy.
”

“Fang yinyue continued, “Tell me, do you think it’s fifth master Cen calling out to catch the thief?” ”

“”No!”Li Yueyue directly rejected. “Mom, you don’t know how much fifth master loves Zao. Besides, Zao is so pretty. How could he still be cheating outside? Don’t think about it!” ”

“Although Li Yueyue did not know Cen Shaoqing very well, she could tell that Cen Shaoqing was definitely not that kind of person. ”

His love with Ye Zhuo would not be so fragile.

“On this side, the moment the two police officers stepped into the room, they felt that there was something wrong with the incense in the room. ”

Chapter 1909: 386: you reap what you sow! 2

“It was originally a very fragrant smell, but when he breathed, he smelled a sweet and sickly feeling. ”

That feeling was as if it was placed in the clouds.

“At the same time, there was an inexplicable heat burning in his body. ”

It was very strange.

“Officer Wang turned to look at officer Yin and said in a low voice, “Do you feel that the smell here is a little strange?” ”

“Officer Yin nodded. “Yes, I can smell it.” ”

“Officer Yin seemed to have thought of something and continued, “Quickly cover your nose. There is an aphrodisiac component in this incense.” ”

Officer Yin had handled many cases of selling yin. The common tactic of these street girls was to use aphrodisiacs to keep the customers.

The young people were fine.

Many of the older people were affected because of this. They lost their integrity in front of the street girls and brought shame to their children.

“Hearing this, officer Wang immediately covered his mouth and nose. ”

The two continued to walk inside.

“When they reached a room, the door was ajar. ”

“Officer Wang and officer Yin looked at each other for a moment. Then, Officer Yin kicked open the door. ”

Bang!

The force was so strong that the ground shook.

“Li Shuyi, who was inside, was also stunned. ”

It seemed that Cen Wuyue’s medicine had already taken effect!

Linda had said that this drug effect was very strong.

Even a 500-pound strong man could still be knocked down and lose his mind in a daze.

There were no other women in this room.

When the time came...

“Thinking of that scene, and thinking of Cen Shaoqing’s eyes and brows, Li Shuyi’s face became even redder. ”

“If she could conceive fifth master Cen’s child in one go, that would be even better! ”

“Once she was pregnant with fifth master Cen’s child, she would be the Cen family’s mistress without a doubt. ”

As for Ye Zhuo.

Where did he come from? !

Not everyone could compare to her.

“Li Shuyi could not wait any longer. She walked out barefooted and greeted, “Fifth Master.” ”

“Her speed was extremely fast. Due to inhaling the incense, she did not pay attention to her surroundings and almost hugged officer Wang. ”

Li Shuyi was not wearing anything. She was white. Officer Wang dodged and avoided Li Shuyi's hug.

"Police!"

"When she saw the person standing in front of her, Li Shuyi was stunned! "

It was not Cen Wuye!

"Not only was it not Cen Wuye, but it was a police officer in uniform. "

What was going on?

"At this moment, Li Shuyi almost thought she was hallucinating. "

Who called the police?

Why did the police appear here?

What happened!

"Ah!" Li Shuyi screamed as she reacted. She covered her body with her hands and ran inside. In a panic, she wrapped the blanket around her body and hid by the bed. "Get Out! Hurry up and get out! Ah!" "

"When she thought about how she had been seen naked by the two police officers just now, Li Shuyi felt extremely uncomfortable. A sense of humiliation overwhelmed her. "

Officer Wang and officer Yin immediately ran over. They took out the handcuffs on their waists and cuffed Li Shuyi. "Don't move! Police!"

“What right do you have to arrest me?”

“Don’t tell me the police can just randomly arrest people?”

“Li shuyi shouted angrily, “Let go of me! I’m going to sue you for breaking and entering!” ”

Who Was It?

It had to be Li Yueyue!

“Li Yueyue knew of her plan and was jealous of her, so she called the police. ”

“Otherwise, why would the police come here for no reason? ”

B * Tch!

Li Yueyue was a B * Tch!

“Officer Wang said, “Someone reported that someone sold yin here. Please come with US for investigation!” ”

Sold Yin?

Li Yueyue’s face turned pale. The burning desire in her heart was extinguished in an instant.

How dare Li Yueyue frame her like this.

Where is Cen Wuye!

Where is Cen Wuye?

Cen Wuye quickly came to save her.

“After subduing Li Shuyi, officer Li called two assistants to collect evidence at the scene.”

Li Yueyue prepared a lot of tools.

“There were whips, Viagra, and uniforms. These were the tools that Li Yueyue wanted to use in bed, but now they were all evidence of her selling yin and sexual harassment.”

“Seeing her assistant collect all the things, Li Shuyi was flustered.”

““It’s a misunderstanding, officers. This is a misunderstanding! How can I be a streetwalker! “I’m the girlfriend of the owner of this room. I’m just waiting for my boyfriend to come back! “Is it illegal to wait for my boyfriend to come back in his room?” ”

“After saying that, Li Shuyi continued, “Officers, please believe me. I’m really not lying!” ”

“Although she was not Cen Shaoqing’s girlfriend yet, she would become CEN Shaoqing’s girlfriend one day.”

Chapter 1910: 386: reap what you sow! 3

“Moreover, Cen Shaoqing was Li Sanzhu’s guest. On account of Li Sanzhu, Cen Shaoqing did not deny it!
”

Would Cen Shaoqing just watch as she was wrongly accused of being a prostitute?

No Way!

“No matter what kind of man, he had a tender heart. ”

“She was so beautiful, Cen Shaoqing might even notice her. ”

“Thinking of this, Li Shuyi heaved a sigh of relief. ”

“Hearing this, officer Wang and officer Yin looked at each other and saw doubt in each other’s eyes. ”

Could it really be that they were mistaken?

“The police also paid attention to evidence when handling cases. The public reported that someone was selling yin here, and they had collected a lot of evidence at the scene. They could not let Li Shuyi go just because of her one-sided words. ”

““Don’t worry. We, the People’s police, will not malign a good person, and we will not let a bad person go. We will verify with the owner of this room. If the investigation is clear and it is indeed a misunderstanding, we will definitely let you go.” ”

“Hearing this, Li Shuyi was about to cry. ”

She was only wearing a blanket and was being detained by the police.

“Since she was young, when had she ever lost her face like this! ”

“Walking outside the house, Li Shuyi wished she could find a hole to hide in. ”

“She saw Li Yueyue, Li Sanzhu, Fang yinyue, the butler, and some servants standing outside the house to watch the show.”

Their eyes were like knives.

One knife after another!

Li Shuyi was very uncomfortable.

“She was caught in the act of seducing someone, and now she was called to the police...”

She had lost all her face!

What should she do now?

“Looking at the extremely disheveled Li Shuyi, Li Sanzhu, Fang yinyue, and Li Yueyue, the three of them, were a little confused.”

Didn't they say that the Streetwalker went to the wrong room?

Why was the person they brought out Li Shuyi?

“Most importantly, Li Shuyi wasn't dressed properly. She looked like she was wrapped in a blanket.”

Why would Li Shuyi appear in Cen Shaoqing's room dressed like this.

Could it be that she...

Fang yinyue narrowed her eyes and immediately figured out the whole story.

“In fact, she had already seen through the thoughts of the mother and daughter during the day. However, she had not expected that Li Shuyi would be so bold as to dare to provoke CEN fifth master. ”

She would be in big trouble this time.

It was a disgrace.

Li Sanzhu was even more furious.

Stupid!

It was simply too stupid.

He had always thought that his niece was just a little proud. He did not expect her to do such a thing.

Cen Shaoqing was his honored guest.

“Li Shuyi did this not only to embarrass herself, but also to prevent her from seeing Cen Shaoqing and Ye Zhuo. ”

“After all, he was Li Shuyi’s elder. ”

Li Sanzhu frowned tightly.

“His second brother and second sister-in-law were not stupid people, how could they let Li Shuyi do such a thing! ”

“Quickly go and call my second brother and second sister-in-law over.”Li Sanzhu looked at the servant beside him.

“After such a thing happened, as parents, Li Erzhu and Linda could not be cowards. ”

They had to stand up.

““Okay.”The servant nodded. “Please Wait a moment, I’ll go now.” ”

The maid immediately ran to Li Erzhu’s residence.

Officer Wang took a step forward and looked at the crowd. “Which one of you is staying in this room?”

“Our Master Five.”The assistant stepped forward to answer.

“Officer Wang had received a message before he went to the police station, so he naturally knew Cen Shaoqing’s identity. He immediately walked over and said, “This lady claims to be Master Five’s girlfriend. May I ask if the matter is as she said?” ”

“If Li Shuyi was really Cen Shaoqing’s girlfriend, then the matter would be a little difficult to handle. ”

CEN fifth master’s girlfriend was mistaken for a streetwalker and was even handcuffed. The result was obvious.

“Hearing this, Li Yueyue was stunned. ”

She did not expect that Li Shuyi could actually say such a thing.

Girlfriend?

How could she have the face to say such a thing?

This was too shameless!

It simply refreshed her worldview.

Li Yueyue had never known that Li Shuyi had such a side to her.

“If she had not seen it with her own eyes, she would never have believed it.”

Li Shuyi looked at Cen Shaoqing with anticipation and affection.

Cen Shaoqing had been facing ye Zhuo’s face the entire time. He might have gotten sick of it long ago!

“Therefore, Cen Shaoqing would definitely continue to listen to her.”

She was his girlfriend!

Cen Shaoqing lowered his eyes slightly and looked at officer Wang. His deep voice was filled with coldness. “Is she worthy?”

“It was a very simple word, but it was so powerful that it made one’s heart tremble.”

She was a beautiful flower that bloomed in the dust. She had been looking forward to Cen Shaoqing

Li Shuyi’s hopeful eyes instantly turned gloomy.
