Chapter 1921: 387: Burning Sect's conduct 4

“Just wait and see,” said Li Sanzhu. ”

Over here.

Old Madam Li came all the way to Li Erzhu's residence. She was so angry that her lungs were about to explode.

“Seeing her return, Li Erzhu and his wife immediately went up to her. “Mom, you're back. How did it go?” ”

“Old Madam Li's eyes were red as she repeated what had happened, “This son was raised in vain... he actually joined with outsiders to bully this old mother of mine. Was it easy for me to raise him after putting in so much effort? This is how he treats me!” ”

“The more old madam Li thought about it, the sadder she became. She cried so hard that she could not help herself. ”

She had raised a total of three sons in her lifetime.

“The eldest son had sacrificed his life for the country. Not even a complete corpse was left behind. The youngest son was the same as if he did not have one. He completely did not put her, this mother, in his eyes. ”

“The only one left was the filial and obedient second son, but something had happened to Li Shuyi again! ”

Why was her life so miserable!

Why couldn't the heavens treat her better?

“Mom, don't be sad.” Li Erzhu continued, “The three pillars and the couple are not willing to help Shuyi. What about Shuyi? We can't really let Shuyi go to jail!” ”

“Linda followed, “Yes, Mom. Please think of a way for us!” ”

Think of a way? Think of a way?

“Old Mrs. Li frowned. After a moment, she seemed to have thought of something and said, “Right, where is fifth Cen Now?” ”

“Linda said, “He should still be at the third house. Mom, what do you want to Do?” ”

“Old Mrs. Li wiped the tears off her face and said, “I'll go find him personally!” ”

“No matter what, she was still an elder. Fifth Cen would definitely give her face. ”

“After all, fifth master Cen was still living in the Li family. ”

“Linda narrowed her eyes and thought the same thing as Old Mrs. Li, she smiled and said, “Mom, you're right. I heard that fifth master Cen especially respects the elderly. You're also Yueyue's biological grandmother. The Master of our old Li family will definitely give you face!” ”

“Li Erzhu felt that this matter was a little unreliable. “Is, is this really okay?” ”

“Although he said so, he was still Cen Wuye. ”

““Why Not!” Linda said, “Mom is already so old. Can Cen Wuye not give mom face?” ”

“Old Mrs. Li stood up from the sofa and continued, “This kind of thing should be done sooner rather than later. I’ll go now.” ”

“After saying that, old Mrs. Li turned around and left. ”

“Seeing his mother return, Li Sanzhu turned to look at Fang yinyue. “What did I say? Look, she’s Here!” ”

Fang yinyue covered the smile on her face. “She really is.”

“Old Lady Li walked all the way to the living room. From the way she looked, she seemed to have forgotten the words that she had just said about severing ties. “Let me ask you, where does fifth Cen Live?” ”

“Why are you asking this?”Li Sanzhu asked.

“Old Lady Li said, “If you’re not willing to plead for Shuyi, then I’ll go myself!” ”

“”Mom, can you stop fooling around?”Li Sanzhu said in great distress. ”

“At this moment, Fang yinyue stood up from the sofa and continued, “Mom, Fifth Master Cen and Miss Ye’s flight is at three in the afternoon. You’re just in time. If you come a little later, you won’t be able to see them.” ”

“After saying this, Fang yinyue turned to look at the housekeeper. “Housekeeper, bring old madam to Cen Wuye and Miss Ye’s courtyard.” ”

“”Okay.”The housekeeper stood up. “Old Madam, Please!” ”

Old Madam Li followed the housekeeper’s footsteps.

“After the two figures disappeared outside the door, Li Sanzhu said, “Yinyue, how can you let the housekeeper bring mother to Cen Wuye’s Place! Come, let’s quickly follow and take a look!” ”

““There’s no need to go,” Fang yinyue said unhurriedly. “Someone like your mother should let Miss ye teach her a good lesson! Otherwise, she will take advantage of her seniority and look down on others!” ”

““This, this...” Li Sanzhu frowned slightly. “Will this work?” ”

““Don’t worry, it’ll be fine.” ”

“The housekeeper brought old madam Li to the plum garden. “Old Madam, this is where Cen Wuye and Miss Ye Live.” ”

““Alright, I understand.” Old Madam Li nodded. She tidied up her clothes and walked forward. ”

The door was closed. Old Madam Li reached out and knocked on the door.

“A moment later, a cold voice came from inside the room. “Come in.” ”

Old Madam Li pushed the door open and entered.

“The moment she entered, she saw a young man and woman playing chess on the couch by the window. ”

“The girl was wearing a white one-piece dress. She was sitting cross-legged there. Her face was exquisite, and she exuded an immortal aura. ”

“The man was dressed in a black, retro robe with a black chess piece in one hand and a string of bright red Buddhist beads in the other. ”

Chapter 1922: 387: teaching people to behave

Sandalwood incense burned in the air.

“Green smoke curled up, making the two of them look like celestial beings.”

““Old Lady, who are you?” Seeing Old Lady Li come in, Ye Zhuo put down the chess piece in his hand and looked back.”

“Old Lady Li Smiled. “Miss Ye, right? I’m Yueyue’s grandmother.” ”

“Ye Zhuo had never been resistant to old people. He got down from the couch and said, “Old Lady, please take a seat.” ”

“Thank you.” Old Madam Li sat at the table.

“Ye Zao poured her a cup of tea. “Old Madam, I should be the one to visit you. Instead, I let you come to my place.” ”

Old Madam Li took the tea that ye Zao handed over and narrowed her eyes slightly.

She had thought that Miss Ye was very powerful!

“Now, it seemed that other than her face that could still be seen, she was completely useless! ”

“But thinking about it, she was a guest. To Ye Zhuo, she was now the one living under someone else’s roof. In front of her master, couldn’t she be a little disrespectful? ”

“Thinking of this, old madam Li became more confident. She raised her chin and looked at Ye Zhuo.
“Miss Ye, to be honest, I came here to discuss something with you.” ”

“Please speak.”Ye Zhuo drank a mouthful of tea.

“Old madam Li continued, “Shuyi is my eldest granddaughter. That child is still young and has no rules in her actions. Miss Ye, why do you have to lower yourself to the level of a child?” ”

“Is being young a reason to be Shameless?”Ye Zao raised his eyes slightly.

“It was clearly a very simple sentence, but it was loud and clear. ”

Old Madam Li did not expect that ye Zao would suddenly throw a tantrum like a spring breeze a second ago. Old Madam Li’s heart trembled.

“No matter how bad Li Sanzhu said it, it was just that he did not know how to behave. Yet, ye Zao directly said that he did not know shame! ”

Wasn’t this saying a little bad?

“Old Madam Li tried her best to maintain the smile on her face, “Miss Ye, what you said is a little wrong. There are some things that can not be answered with one slap. If we did not receive any instructions, I think our Shuyi would not have rushed to CEN fifth master’s room.” ”

Perhaps fifth master Cen had sent Li Shuyi to his room.

“In this way, fifth master Cen would still have to be responsible for Li Shuyi! ”

PA!

“Ye Zhuo gently placed the cup on the table. His red lips parted slightly, and his clear and shallow tone carried a hint of coldness and awe.”

“”I respect you as Yueyue’s grandmother, so I let you off a little. I didn’t expect you to take an inch and take a mile. You Don’t know what’s good for you. “With a shameless granddaughter like Li Shuyi, if it were someone else’s grandmother, she wouldn’t have the face to meet people. How are you, Old Lady? Not only are you not ashamed, you’re even proud of it!” ”

“Old Lady Li’s hand that was holding the cup of water was trembling. She looked at Ye Zhuo in disbelief, and her entire face turned pale.”

She had never dreamed that ye Zhuo would speak like this!

Why did ye Zhuo not give her any face at all?

“”Old Madam, as a grandmother, you have to act like a grandmother,”ye Zhuo continued. “You have to set a good example for the younger generation! If the upper beam is not upright, the lower beam is crooked. Li Shuyi is the best example.” ”

“After saying that, Ye Zhuo looked outside the door and said in a clear and shallow tone, “Feng Yue, send the guest out.” ”

“Feng Yue walked in from outside. “Please, Old Madam!” ”

Old Madam Li was completely dumbfounded!

She had always been the Li family’s high and Mighty Old Madam. When had anyone ever dared to treat her like this.

“Moreover, this was the Li family. How could ye Zhuo not give her any face at all.”

“No matter what, she was someone who had lived half her life.”

How Old Was Ye Zhuo?

Old Madam Li stood where she was and was unwilling to leave.

“Ye Zhuo stood up. “Old Madam Li, I’m giving you a way out, but you won’t budge. Then don’t blame me for not giving you any face.” ”

Old Madam Li was so frightened that her face turned pale. She immediately followed Feng Yue’s footsteps.

“All the way to the door, old madam Li’s legs were shaking.”

Too Powerful!

Ye Zao was simply too powerful!

She originally thought that ye Zao was a soft persimmon. She did not expect that ye Zao would kill without spilling blood.

What should she do now?

“On this side, old madam Li had just left when Li Yueyue arrived. “Da Zao Zao, did my grandmother come to look for you just now? What did she tell you? Are You Alright?” ”

“I’m fine.”Ye Zhuozhu raised his eyebrows slightly. “But I don’t know if your grandmother is okay.”

Chapter 1923: 388: I brought this upon myself. I regret it endlessly! 1

Old Lady Li had everything she wanted in the Li family. She had never been wronged before. This was the first time.

“Moreover, the other party was only a little girl about the same age as Li Yueyue.”

How could this feel good?

“Hearing this, Li Yueyue smiled and said, “Zhuoluo, you’re the best. That person, my grandmother, even my mother has to give in to her!” ”

“Fang yinyue was not a soft person, but in front of old madam Li, she had always suppressed her temper.”

“Hearing that old madam Li had suffered a loss at ye Zhuozhuo, Li Yueyue felt very happy.”

““I can see that,”ye Zhuozhuo continued, “Your grandmother’s temper should have been spoiled by your family.” ”

A mother was kind and filial to her son.

“The premise was that a mother was kind and loving, and only children would be filial to her. People like old madam Li could not be spoiled.”

“Li Yueyue nodded, she lowered her voice and said, “My father is very traditional. He thinks that there are no parents in the world who aren’t parents. In the past, he would nod his head no matter what my grandmother said. He never said the word ‘no’, but he’s much better now.” ”

“After saying that, Li Yueyue continued, “By the way, Zhonghua, your flight is at three in the afternoon, right?” ”

“Yes.”Ye Zouzhuo nodded slightly.

“Li Yueyue continued, “Then I’ll send you guys off in the afternoon.” ”

“Okay.”Ye Zouyue changed the topic. “We’re playing chess in the house. Do you want to come in and play a game?”

“”No, no, no. I don’t know how to play chess. My mom is still waiting for me. I’ll go back and take a look first.”The young couple was playing chess in the house. What was she going to do by following them? Be a third wheel? ”

“Moreover, Li Yueyue was also pestering Cen Shaoqing. ”

“It was a very strange feeling. Cen Shaoqing clearly didn’t do anything, but Li Yueyue was subconsciously afraid. ”

“As long as Cen Shaoqing was there, Li Yueyue didn’t even dare to speak loudly. ”

Ye Zhuo nodded slightly. “Then take care on the road.”

“It was a 500-meter journey from the plum garden to the main hall. In addition, the weather had been bad for the past two days. There was a thick layer of ice on the road. If one wasn’t careful, it was very easy to slip. ”

“”Yes, I know.”Li Yueyue returned to the main hall. ”

“The moment she returned, Fang yinyue stood up and asked, “How was it? What did Miss Ye Say?” ”

“Li Yueyue smiled and said, “I heard that she was quite angry.” ”

“Who was quite angry? Your Grandmother?”Fang yinyue asked.

“Yes.” Li Yueyue nodded.

Fang yinyue heaved a sigh of relief. “Your grandmother finally met a big shot this time!” Fang yinyue was very much looking forward to Old Lady Li’s defeated look.

“Li Yueyue said worriedly, “Mom, do you think my grandmother will make a scene when the time comes?” ”

“Make a scene? How?” Fang yinyue asked.

“Li Yueyue continued, “She will make a scene at searing fire.” Old Lady Li was not someone who would suffer a loss. If she really made a scene at ye searing’s place, there would be no end to it. ”

“Fang yinyue smiled and said, “Don’t worry, she wouldn’t dare.” ”

“Is that so?” Li Yueyue asked.

“Fang yinyue said, “She’s not stupid. If she dares to stir up trouble over at Miss Ye’s place, what’s the difference from bringing humiliation upon herself?” Who Was Ye Zao? ”

Would she coddle Old Lady Li?

“Even if Old Lady Li was given 120 guts, she would not dare to go over to Ye Zao’s place to cause trouble again. ”

“Just as they were talking, footsteps sounded outside the house. ”

Fang yinyue immediately shut up and looked outside.

Li Yueyue also looked up.

She saw old madam Li walking over with her walking stick.

Li Yueyue immediately went up to greet her. "Grandma."

Old Madam Li's face was gloomy and she did not say anything.

"Li Shuyi was already locked up, but Li Yueyue was completely fine. "

Sisters!

Was there such a sister in the world?

She had no conscience at all.

To think that Li Shuyi was usually so good to Li Yueyue!

Being good to Li Yueyue was better than being good to a dog!

Old Madam Li's heart was filled with an evil aura.

"Fang yinyue said, "Mother, you went to look for Miss Ye. What did she say?" "

Asking despite knowing the answer!

Fang yinyue was asking despite knowing the answer.

"The mother and daughter were exactly the same. Not only did they not care about Li Shuyi, they even gloated over her misfortune. "

Old Madam Li was even angrier.

What kind of sin had she committed in her past life to meet such a troublemaker's daughter-in-law in this life.

She had stirred up trouble for the entire family.

"If it were not for Fang yinyue stirring up trouble inside, Li Shuyi would never have been locked up in the detention center. "

"As long as she thought of the anger she had just received from ye Zhuo, Old Lady Li wished she could strangle Li Shuyi to death. "

B * Tch!

People were dying every day in this world. Why didn't she die?

"It was true that good people didn't live long, but evil lingered for a thousand years! "

"Old Lady Li raised her head to look at Fang yinyue and angrily questioned, "Let me ask you, do you really treat Shuyi as your niece? !" "

"Chapter 1924: 388: I brought this upon myself, and I'm filled with regret! 2"

"Fang yinyue smiled and said, "Mom, look at what you're saying. Although Shuyi's actions are a little inappropriate, she is my niece after all, Yueyue's cousin. How can I not treat her as my own niece?" "

“At this point, Fang yinyue paused, then, she said, “Shuyi’s matter has happened. As an aunt, I’m also very sad, but it has already happened! The other party is Cen Wu Ye. What can an ordinary commoner like us do? “Mother, don’t be anxious. Our children and grandchildren will have their own blessings. I believe that Shuyi will definitely be fine.” ”

Fang yinyue’s words made Old Lady Lin Speechless.

“What about Sanzhu?” Old Lady Li asked.

““He has something to do,” Fang yinyue replied. ”

Busy?

“It was the new year, what was there for him to be busy with! ”

He was hiding on purpose and didn’t dare to see her!

“Where did he go to be busy?” Old Lady Li asked.

Fang yinyue shook her head. “I’m not too sure.”

“Old Lady Li frowned slightly and didn’t say anything more. She continued, “I’ll go back to second brother’s place first. When Sanzhu comes back, tell him to go to second brother’s place.” ”

“Okay.” Fang yinyue nodded.

Old Lady Li Glanced at Fang yinyue and turned to leave.

“Seeing Old Lady Li’s back outside the door, Li Yueyue heaved a sigh of relief. She lowered her voice and said, “Mom, where did dad go?” ”

“Fang yinyue smiled and said, “He’s in the house.” ”

““In the house?” Li Yueyue asked doubtfully, “Then you just said that he wasn’t Here?” ”

“Fang yinyue said, “If I didn’t say that, would your grandmother be able to leave? ?” She wasn’t Ye Zhuo, so she could directly make old madam Li doubt her life! ”

Li Yueyue sighed.

She didn’t know when this matter would pass.

“Old Madam Li had just returned when Li Erzhu asked, “Mom, how is it? What did fifth Master Cen Say?” ”

Old Mrs. Li’s expression was very bad. She pursed her lips and did not say anything.

“Seeing this, Linda frowned and said, “Mom, can’t you go in person? Fifth Cen didn’t even give you face?” ”

“Old Mrs. Li said, “Don’t worry, you two. Don’t worry. I will definitely handle it.” ”

“The matter was between Li Sanzhu and his wife. If the husband and wife appeared, they would definitely be able to settle it! ”

Perhaps the way ye Zhuo treated her was Fang yinyue’s fault.

“Otherwise, she was already so old, so ye Zhuo wouldn’t have disrespected her so much! ”

“How are you going to handle it?” Li Erzhu asked.

“Don’t worry about it.” Old madam Li continued, “In any case, I definitely can’t let Shuyi go to jail!” Even if Fang yinyue and Li Yueyue were to go to jail, she couldn’t let Li Shuyi go. ”

Who Was Li Shuyi?

The hope of the entire Li family!

“Seeing old madam Li like this, Li Erzhu heaved a sigh of relief. “Okay, mom, I understand.” ”

Time passed very quickly.

“At two o’clock in the afternoon, Ye Zhuo and Cen Shaoqing set out to return to the capital. ”

“Li Sanzhu, Fang yinyue, and Li Yueyue’s family of three sent them to the airport. ”

“Li Sanzhu said, “Fifth master, Miss Ye, if the two of you didn’t treat us well during this trip, please bear with us!” ”

“Ye Zhuo smiled and said, “Uncle, you’re too polite. You and Auntie are welcome to visit the capital anytime. When the time comes, I’ll be the host.” ”

““Okay, okay, okay. We’ll definitely go,” Li Sanzhu said. ”

“Fang yinyue got someone to prepare two suitcases and then said, “Miss Ye, these two suitcases are filled with the local specialties of our grassland. Fifth Master, please take them back and share them with your relatives.” ”

““Thank you, Auntie. Then we won’t stand on ceremony,” ye Zao said. ”

“Fang yinyue smiled and said, “It’s just a small token of our appreciation. There’s no need to stand on ceremony! As long as you don’t mind it, it’s fine. You must come and play often in the future.” ”

“Okay.”Ye Zao nodded slightly.

“Li Yueyue held ye Zao’s hand reluctantly. “Da Zao Zao, then we can only see each other at the beginning of school!” ”

“”Okay, see you when school starts.”Ye Zao leaned forward and hugged Li Yueyue. ”

“Seeing the two of them walk to the boarding gate, Li Sanzhu and Fang yinyue, the family of three, finally left the airport. ”

“Forty minutes later, the family of three returned to the villa. ”

“The butler said, “Sir, the old lady has already asked someone to rush them twice.” ”

“Hearing this, Li Sanzhu felt his scalp go numb, but he could not avoid this kind of thing. “Okay, I got it.” ”

“After saying that, Li Sanzhu turned to look at Fang yinyue. “Then I’ll go over first.” ”

“You go ahead.”Fang yinyue nodded.

“Li Yueyue said, “Dad, be careful.” ”

“Okay.”

“Soon, Li Sanzhu came to Li Erzhu’s side. ”

Chapter 1925: 388: I brought this upon myself. I regret it so much! 3

“Li Erzhu said, “You’re finally here! Mom has been waiting for you for hours!” ”

“”I was busy with something just now,”said Li Sanzhu. ”

“Come with me quickly.”

Li Erzhu followed Li Sanzhu’s footsteps.

The two of them came to the study.

Old Lady Li was sitting on a chair in front of the desk.

“”Mom, Sanzhu is here,”said Li Erzhu. ”

“Hearing Li Erzhu’s voice, old lady li raised her eyelids. “Sit there.” ”

Li Sanzhu sat opposite Old Lady Li.

“Li Erzhu said, “Mom, I’ll go out first.” ”

“Go.”Old Lady Li nodded.

“But in the blink of an eye, only Old Lady Li and Li Sanzhu were left in the study room. ”

The air was a little quiet.

“Li Sanzhu gulped and then said, “Mom, why did you call me here this time?” ”

“What is it? Don’t you know in Your Heart?”Old Mrs. Li asked back.

Li Sanzhu didn’t say anything.

“Old Mrs. Li continued, “Sanzhu, you have been obedient and filial since you were young. I remember one winter when I said I wanted to eat fish, you didn’t say anything and went to the river to fish. When you came back, you were half frozen to death, but I don’t know when you changed! Ask yourself, do you still have me as your mother in Your Eyes Now?” ”

“Hearing these words, Li Sanzhu felt a little uncomfortable in his heart. ”

“At that time, Old Mrs. Li was still a good mother. ”

“At some point, the old lady had changed. ”

She had become so unfamiliar.

“Li Sanzhu said, “Mom, you’ve always been my mother. Don’t worry. No matter what, I’ll return to your retirement!” ”

“Is that what I want?”Old Mrs. Li asked.

“Li Sanzhu looked at Old Mrs. Li and said, “Mom, if you want to talk about Shuyi, then let me tell you, this is impossible!” ”

Li Shuyi’s matter was already set in stone!

The person she offended was fifth master cen.

“Not to mention that he wouldn’t say anything, even if he did say something, fifth master Cen wouldn’t let Li Shuyi off.”

“”Why not? Why Not?”Old Lady Li glared at Li Sanzhu. “Shuyi is your niece, and the only daughter of your brother and sister-in-law! Can you bear to see your brother and sister-in-law sad at home?” ”

“Li Sanzhu sighed. “Mom, how many times do you want me to tell you? I really can’t do anything about this!” ”

“”It was Fang yinyue’s idea, right?”Old Lady Li asked. ”

“”What does this have to do with yinyue?”Li Sanzhu was a little speechless. “Could it be that yinyue pressed Shuyi’s head and asked her to go to Fifth Master Cen’s room? “Mom, have you ever thought about how this matter would end up like what Shuyi thought? “Miss Ye is Yueyue’s classmate, and Shuyi is Yueyue’s cousin. When that time comes, how will yueyue explain to Miss Ye?” ”

Li Sanzhu was very glad that Li Shuyi did not succeed at that time.

“If Li Shuyi succeeded, then Li Yueyue really would not have the face to see ye Zao! ”

“Old Madam Li snorted coldly. “Now I can see that you no longer have me as your mother in your eyes! Even if Fang yinyue did not press Shuyi’s head to do this, it has something to do with Fang yinyue!” ”

“At this point, old lady li continued, “Don’t think that I don’t know what Fang yinyue is thinking. Isn’t she just trying to get her daughter to take over? My poor Shuyi has become someone else’s stepping stone just like that!” ”

What did Old Lady Li Mean by this?

Li Sanzhu was so angry that his face alternated between red and white.

He couldn't understand why old Lady Li would be so biased toward her granddaughter!

"For Li Shuyi, she even insulted Li Yueyue. "

This was too much!

"Mom, what are you talking about? Let me tell you, our Yueyue has never had such dirty thoughts!" "

Dirty?

Who Was Li Sanzhu calling dirty?

Li Shuyi?

PA!

Old Lady Li raised her hand and slammed it on the table.

"Shut up! I'm still here, and you dare to Bully Shuyi. If I leave, your family of four will shit on Shuyi's head, won't They?" "

"Old Lady Li usually treated Li Shuyi like her eyeballs were hurting. In addition, Li Shuyi was raised by her. How could she tolerate Li Sanzhu insulting Li Shuyi like this? "

"Li Sanzhu looked at Old Lady Li with a mocking look in his eyes. "Mom, who is bullying who now?" "

"Looking at her son who was going against her, Old Lady Li only felt that her life was too bitter! "

“Chapter 1926: 388: she had brought it upon herself, and she was filled with regret! 4”

“Her husband had left early, and she had painstakingly raised her child by herself. Now that she was at an age where she should be enjoying her life, her son had treated her like this! ”

How could there be such a son in the world?

Fang yinyue!

This was all Fang yinyue’s fault!

“Old Madam Li continued, “Now, I’ll give you two choices. Either divorce Fang yinyue, or go to Cen Wuye and explain this matter clearly! It’s your choice!” ”

“Seeing that his mother was going overboard with her words, Li Sanzhu stood up from his chair. “Since you’ve already said so, I’ll tell you the truth! Li Shuyi brought this upon herself! She’s going to jail for sure!” ”

“Hearing this, old madam Li almost couldn’t catch her breath. ”

Unfilial Son!

““What, what did you say! Say It Again!”Old Madam Li pointed at Li Sanzhu and asked. ”

“Li Sanzhu said, “I’ve said what I should say. Let’s leave it at that!” ”

“After saying that, Li Sanzhu turned around and left. ”

“Looking at Li Sanzhu’s back, Old Lady Li’s eyes were filled with disbelief. She had never thought that Li Sanzhu would treat her, his mother, so disrespectfully.”

The previous Li Sanzhu was not like this!

Old Lady Li was so angry that she almost vomited blood. “Li Sanzhu! Stop right there!”

Li Sanzhu acted as if he didn’t hear her.

““Li Sanzhu, if you don’t stop right there today, you’ll have to wait to collect your mother’s corpse!” ”

“After these harsh words were released, Li Sanzhu still didn’t stop.”

Old Madam Li looked at Li Sanzhu’s back and her legs were unsteady. She fell onto the chair behind her and panted heavily.

Li Sanzhu walked all the way home.

“Seeing his angry face, Fang yinyue didn’t ask any more questions. Instead, she poured Li Sanzhu a glass of water. “Calm down. No matter what, she’s your mother and an elder. There’s no need to lower yourself to her level.” ”

Li Sanzhu turned to look at Fang yinyue. “Do you know what she just said to Me?”

“What did she say?”Fang yinyue asked.

“Li Sanzhu told Fang yinyue what had happened. He thought that Fang yinyue would be very angry, but unexpectedly, not only was Fang yinyue not angry, she was smiling instead.”

“Li Sanzhu was furious. Seeing Fang yinyue like this, he said gloomily, “Aren’t you angry at all?” ”

“If I knew your mother was such a person, why would I be angry?” Fang yinyue continued, “If I were like you, I would have been angry to death long ago!” ”

The disgusting things that Old Lady Li had done were not just these.

“Hearing this, Li Sanzhu’s eyes were filled with guilt. “I’m sorry, yinyue. I’ve let you suffer all these years.” ”

“Previously, Fang yinyue had also mentioned the matter of Old Lady Li beside him, but at that time, he had not taken it to heart. He had thought that the conflict between mother-in-law and daughter-in-law could not be avoided. He had only asked Fang yinyue to give way! ”

It was only until today that Li Sanzhu truly understood Fang yinyue’s situation.

“At that time, Fang yinyue must have been even angrier than he was now! ”

“There’s nothing to be wronged. It’s all in the past anyway.” As long as Li Sanzhu remembered how good she was, it was fine. Fang yinyue was not the kind of person who would not give up without reason. ”

Li Sanzhu sighed. “My mother was clearly not like this in the past.”

“People change,” Fang yinyue said. ”

“After saying that, Fang yinyue continued, “Your mother has a good temper to begin with. This time, she said some harsh words to you. Why Don’t you go over and take a look? Otherwise, she might really do something!” ”

“She’s making trouble without reason. What can I Do? !” Li Sanzhu continued, “If something really happens to her, at most, I’ll just rest for a few more days and take care of the important matter! “She’s looking for death herself. What does that have to do with me?” ”

“If she were to follow Old Lady Li’s orders, Old Lady Li would definitely push her luck in the future!”

“Seeing Li Sanzhu like this, Fang yinyue shook her head helplessly.”

“At this moment, the phone rang in the living room.”

“The maid walked over to pick up the phone. “Sir, it’s for you.” ”

Li Sanzhu walked over to pick up the phone.

“Very soon, Li Erzhu’s voice came from the other end of the phone. “Sanzhu, it’s bad! Mom Can’t take it anymore and is trying to hang herself. Quickly come over and apologize to mom and ask her to forgive you!” ”

“As Li Erzhu spoke, he turned to look at Linda and Old Madam Li, hinting for the two of them to make some noise.”

“Seeing this, Linda immediately cried, “Mom, Mom, don’t Be Like This! If anything happens to you, what should we do?” ”

“”You let me die! Let Me Die! Anyway, there’s no point for me to live in this world!” ”

“Chapter 1927: 388: You Brought This on yourself, you regret it endlessly! 5”

Li Erzhu made a ‘thumbs up’gesture to the two of them.

“When he heard the noise on the other end of the phone, Li Sanzhu frowned.”

“One cry, two fuss, and three hang themselves! ”

Was this interesting?

““Second Brother, help me persuade Mom. Anyway, I’ve already said what I should say. I’m busy right now, so I won’t come over!”After saying that, Li Sanzhu directly hung up the phone. ”

“Looking at the phone that was hung up, Li Erzhu’s face was full of confusion. ”

He had made it!

This third brother of his had really made it!

He actually dared to treat him like this.

“Seeing Li Erzhu like this, Linda asked, “How is it? is your brother scared out of his mind?” ”

“Li Erzhu’s expression was a little complicated. “He said that he didn’t have time to come over, and then he directly hung up the phone.” ”

““He didn’t have time to come over?”Linda said in disbelief, “Something is going to happen to Mom, but he didn’t have time to come over! Does he even put mom in his eyes?” ”

There was actually such a bastard son in the world!

Why wasn’t he struck to death by lightning?

“Not only was he not struck to death by lightning, but everything went smoothly. He even became the richest man on the prairie. God was really unfair! ”

“Old Mrs. Li was also dumbfounded when she heard this. She thought that Li Erzhu would definitely be scared half to death when he heard this, but she did not expect that Li Sanzhu did not take it to heart at all.”

What should she do now?

This was her last resort!

“Old Mrs. Li narrowed her eyes and continued, “Go and get a bottle of pesticide?” ”

“Poison?” Linda asked.

“Yes.” Old Mrs. Li nodded. “Go get it quickly.”

Linda got up and went to get the poison.

“Soon, she came back with the poison. ”

“Old Mrs. Li held the poison in one hand and the scissors in the other. After getting ready, she said to Li Erzhu, “Get ready to shoot a video and send it to that unfilial son!” ”

“Li Sanzhu nodded. “Okay, Mom.” ”

“Thus, twenty minutes later, Li Erzhu received another video message. ”

Li Erzhu directly blocked Li Erzhu.

“When Li Erzhu sent another video message, the dialog box showed: ‘The other party rejected your message.’ ”

Li Erzhu was extremely angry.

“Linda said, “I can finally see that third brother doesn’t want to acknowledge you as his mother.” ”

Old Mrs. Li was so angry that tears streamed down her face.

“Li Sanzhu was her youngest son whom she loved the most, but now, Li Sanzhu was actually treating her like this! ”

How could old Mrs. Li Not Be Angry?

“After a moment, Linda narrowed her eyes and said, “Mom, do you think third brother feels that you don’t dare to really drink these drugs, so he dares to treat you with displeasure?” ”

“Hearing this, Li Erzhu nodded and echoed, “I think so too, Mom. Why Don’t you drink some drugs to scare them!” ”

Drink Medicine?

Old Lady Li stared at Li Erzhu with her eyes wide open. “What if something happens after drinking it?”

“Li Erzhu smiled and said, “Mom, don’t worry! It’s okay to just drink a little. I didn’t ask you to drink all of it!” ”

““What if something happens?”Old Lady Li was very worried. After all, she was old and her bodily functions could not keep up with the young people. If something happened, wouldn’t it be like shooting yourself in the foot? ”

No!

No!

Old Mrs. Li did not want to die.

She still wanted to stay in the world and enjoy her life.

“Li Erzhu looked at Old Mrs. Li and said, “Mom, I promise you that nothing will happen! Third Brother is too hard-hearted. If you don’t scare him, then Shuyi will really die. She can’t just watch Shuyi Die! “Mom, you’re Shuyi’s biological grandmother!” ”

“Hearing Li Shuyi, old madam Li frowned. ”

“Li Erzhu was right. If she didn’t help, then Li Shuyi really wouldn’t have a way out. ”

“Thinking of this, old madam Li made up her mind and said, “Alright, then we’ll do as you say. But second brother, we have to make a deal in advance. We have to control the dosage well. We can’t...” ”

“Li Erzhu smiled and said, “Don’t worry, I know what to do.” ”

He didn’t want anything to happen to old madam Li. He just wanted to scare Li Sanzhu.

“After all, with old madam Li around, they would have a chance to save Li Shuyi. ”

“If old madam Li died, then Li Shuyi would really have no hope. ”

“Not long after, Li Erzhu brought over another bottle of poison, “Mom, drink this. I mixed water in it and asked Doctor Xu. Doctor Xu said that just one sip would definitely not kill anyone! At most, it would only cause a coma and wash the stomach!” ”

“Old Madam Li took the bottle and asked worriedly, “Really, really?” ”

“Of course it’s true!” Li Erzhu nodded. “Would doctor Xu be lying? Don’t Worry!”

“Hearing this, old madam Li heaved a sigh of relief. Since doctor Xu had said so, it should be true. ”

“Old madam Li continued, “Then I’ll drink it.” ”

“After saying that, old madam Li raised her head and drank the medicine. It was different from ordinary medicine. This medicine was actually sweet, just like a drink. Old Madam Li accidentally drank one more sip. ”

“After drinking it, she came to her senses and immediately put down the bottle. She looked at Li Erzhu and said nervously, “I drank one more sip just now. I should be fine, right?” ”

“Li Erzhu shook his head. “I’m fine, I’m fine. It’s not some lethal poison. But even though I’m fine, you still have to pretend that you’re fine!” ”

Old Mrs. Li nodded.

“Linda came to her senses at this moment and said loudly, “Mom, Mom, how could you do such a stupid thing? Hurry up and call 120!” ”

120 ambulance arrived very quickly. The sirens were deafening.

“Old Madam Li’s face was very pale, and her expression was one of pain. ”

Li Erzhu looked at Linda. “Look at how well our mother is acting.”

“Linda smiled and said, “That’s right. By the way, have you informed Li Sanzhu’s Family?” ”

“No, I’ll inform them immediately.” ”

“When Li Sanzhu received Li Erzhu’s call, he was not surprised at all. He knew that old madam was faking it! ”

“He originally did not want to go to the hospital, but Fang yinyue advised him to go to the hospital to have a look, so he came with Fang yinyue. ”

“When Li Sanzhu arrived at the hospital, Li Erzhu and Linda were sitting at the entrance of the emergency room. They looked anxious. “Third brother and third sister-in-law, you’re finally here!” ”

“Is Mom Okay?”Fang yinyue asked.

“Linda said, “I don’t know either. The Doctor hasn’t come out yet.” ”

“At this moment, the door of the ward was opened, and two people in white coats walked out. ”

“Li Erzhu immediately walked up and asked, “Doctor, is My mom okay?” ”

“Li Erzhu knew this doctor. As he spoke, Li Erzhu winked at him, hinting that the doctor had said something serious. ”

“The Doctor’s face was full of regret. “I’m sorry. When the patient was sent here, her condition was already very serious. In addition, she was quite old, so we didn’t snatch her from the hands of the Grim Reaper. Please have mercy on your family.” ”

Mercy?

Li Erzhu was completely dumbfounded!

Chapter 1928: 389: Some people die just because they write! 1

What did doctor Liu Mean by this?

“He only asked Doctor Liu to speak more seriously, and did not ask him to directly say that old Mrs. Li was dead!”

“Doctor Liu said that old Mrs. Li was dead, so how could the future continue?”

Could it be...

That something really happened to old Mrs. Li?

“Thinking of this, Li Erzhu’s face turned pale.”

Old Lady Li was strong and strong. How could she be dead!

“Moreover, he had asked Doctor Xu before. Doctor Xu said that it was okay to drink a little.”

It wouldn’t happen.

Old Lady Li wouldn’t die!

Li Erzhu looked at doctor Liu and blinked his eyes hard.

“Doctor Liu adjusted his glasses and continued, “Mr. Li Erzhu, I know that you might not be able to accept this reality for a while, but your father has really left! Your family members should quickly go in and see her one last time.” ”

“Seeing that doctor Liu did not look like he was joking, Li Er Zhu froze on the spot.”

The color on his face instantly disappeared.

He was extremely pale.

“He was not like this because he could not bear to part with his mother, Old Lady Li.”

It was because of Li Shuyi.

“With Old Lady Li as his trump card, he at least had a way to control Li San Zhu’s family.”

“Now that old Mrs. Li was dead, what about Li Shuyi?”

Was Li Shuyi really going to jail?

No.

No.

Li Shuyi was their family’s only hope. She could not go to jail.

Li Erzhu tightly grabbed the hem of his suit.

Li Sanzhu and his wife were also stunned. They thought that old Mrs. Li was just fooling around. They did not expect that she was really gone!

“No matter what, she was the mother who had given birth to him and raised him. No matter what his mother had done, she had already left!”

It would be a lie to say that she did not feel anything at all.

“Doctor, what did you say?” Li Sanzhu looked at the doctor, his eyes slightly red. “My mother, what happened to her?”

“The doctor sighed. “Old Lady is almost eighty years old this year, and all the organs in her body have already reached the point of failure. Although she did not ingest much poison, it was a fatal blow to her!”

“Hearing this, Li Sanzhu staggered and lost his balance. He took a few steps back. Fortunately, Fang yinyue was standing behind him and supporting him in time.”

“Otherwise, he would have already fallen.”

“Sanzhu.”

“I’m fine.” Li Sanzhu held back his tears. “Let’s go in and see Mom.”

“Okay.” Fang yinyue helped Li Sanzhu in.

“Li Erzhu also reacted at this time. He held doctor Liu’s hand tightly. “Doctor Liu! Doctor Liu, I beg you, please save my mom! As long as you can save him, no matter how much money you give, we have it!”

“Although he didn’t have much money, Li Sanzhu did.”

Li Sanzhu was the richest man on the Prairie!

“Doctor Liu said, “Mr. Li Erzhu, I know you can’t accept this reality for a while, but the old lady has gone!”

“One million. As long as you can save my mother, I can give you one million!” ”

“Doctor Liu said helplessly, “This is not a matter of money.” ”

“Five million!” Li Er Zhu said.

“No matter what, Old Lady Li could not die.”

She could not die.

Li Shuyi was still in the detention center!

“Doctor Liu shook his head regretfully. “I’m really sorry, Mr. Li. I’ve really tried my best!” ”

“Doctor Liu, I’m begging you. Please save my mother! You should know my third brother. He’s the richest man on the prairie. As long as you can save my mother, not to mention five million, even if it’s ten million, he will give it to you!” ”

“Doctor Liu only said, “Mr. Li Er, I’m sorry for your loss.” ”

Li Er Zhu was stunned on the spot.

In the operating theater.

Old Lady Li was lying on the cold operating bed. There was no longer any aura on her body.

Even the old lady herself did not expect that she would court death herself.

She was originally the most afraid of death.

She had yet to enjoy the blessings of Li Shuyi.

“When her life was at its final moment, other than regret, she was actually more unwilling. ”

She was unwilling to die just like that!

She held the doctor’s hand tightly and begged the doctor to save her.

“But in exchange, she could only say two weak words. ”

““I’m sorry, Old Lady.” ”

“We’ve tried our best!”

“Old Lady Li’s eyes widened. In the end, she could only watch as death slowly eroded her body. ”

““Mom! Mom!”Li Sanzhu held Old Lady Li’s already cold hand, and his face was filled with tears. ”

“Seeing this scene, Fang yinyue could not help but have her eyes turn red. ”

“A moment later, Fang yinyue turned slightly and walked to a quiet place to call Li Yueyue, informing her to come to the hospital to see Old Lady Li one last time. ”

Chapter 1929: 389: Some people die just because they write! 2

“When Li Yueyue received the call again, she thought that her mother was joking with her. “Mom, it’s the New Year. It’s not good for you to joke like this!” ”

“Fang yinyue said, “I’m not joking with you. Your grandmother really left.” ”

“From her mother’s tone, it seemed that she was not joking. Li Yueyue said incredulously, “How is that possible! My grandmother is so afraid of death and her body is so good. How can she really die!” ”

Old Lady Li’s body was really good!

“Usually, she also had all kinds of nutrition and health supplements. ”

“When she walked, she could even kick a big rock. How could such a person die so easily?”

“Fang yinyue continued, “She drank the medicine.” ”

“She really drank it?”Li Yueyue asked.

“Yes.”Fang yinyue cut to the chase. “Come to the hospital quickly. Your father is suffering now. Come to the hospital to persuade him.”

“”Okay.”Li Yueyue nodded. After a moment, she seemed to have thought of something and continued, “Do I need to inform my brother?” ”

Yes.

“Li Yueyue also had an older brother, Li Ziyu. ”

“Li Ziyu was 30 years old this year. He received training in the secret army and was in a closed mode. Unless there was an emergency, his family would not be able to contact him normally. ”

“Ever since they received closed training, Li Sanzhu and Fang yinyue had not seen their son for more than two years.”

“If Li Yueyue did not mention it, Fang yinyue had forgotten about it.”

“No matter how much Old Lady Li had gone overboard, she was still the grandmother of two children. There was no need for the living to argue with the dead. Moreover, the dead were the most important.”

“As the eldest grandson, if he did not attend his grandmother’s funeral, it was inevitable that he would be criticized.”

“I will inform your brother. Come to the hospital quickly,” Fang yinyue said concisely.

“Okay, I’ll be there right away.”

“After hanging up the phone, Li Yueyue took a car to the hospital.”

The operating theater was already in a mess of crying.

“What made Li Yueyue dumbfounded was that Li Erzhu sat on the ground without any image, crying and singing at the same time.”

“In her impression, only the older generation would be like this when they were extremely sad. She didn’t expect Li Erzhu to be like this.”

“Linda was a foreigner, so she was indifferent to life and death. But when she thought of the old lady’s death, Li Shuyi was completely hopeless. She was so sad that she lay on Old Lady Li’s body., “Mom, how could you bear to leave us behind! Mom, Wake Up! Mom!” ”

Li Erzhu was very regretful now.

He regretted why he let the old lady drink the medicine.

“If the old lady didn’t drink the medicine, such a thing wouldn’t have happened!”

“Unfortunately, there were all kinds of medicine in this world, but there was no medicine for regret.”

“At this time, Old Lady Li had already gone west. No matter how regretful Li Erzhu was, it was all in vain.”

Li Sanzhu was calling his relatives and friends.

“Seeing Old Mrs. Li lying lifelessly on the operating bed with a pale face, Li Yueyue’s mood suddenly became very depressed.”

“This was the first time she faced death so directly, and the target was her grandmother.”

She used to think that old Mrs. Li would at least live to be 90 years old.

This accident came too suddenly.

“But if she cried, Li Yueyue really couldn’t cry.”

Because Old Mrs. Li had never given her any love since she was young.

“Even when Li Shuyi was caught, old Mrs. Li still asked why she wasn’t the one caught.”

“In Old Mrs. Li’s heart, only Li Shuyi was her biological granddaughter.”

“Although she couldn’t cry, Li Yueyue still tried hard to squeeze out two drops of Tears. “Grandma...” ”

“At this moment, Linda suddenly stood up and pointed at Li Sanzhu, she complained, “It’s all your fault! Mom died because of you! If you guys were willing to go to Cen Wuye earlier to plead with Shuyi, mom wouldn’t have taken it too hard and drank the medicine! Li Sanzhu, you’re Mom’s youngest son, do you think you can do this to Mom? Return Mom’s Life!” ”

“Li Erzhu, who was sitting on the ground and crying bitterly, also reacted at this time, he immediately stood up and said, “Yes, it’s all because of you! Since Young, mother has treated you like her precious eyeballs. I never thought that in the end, mother would actually die in your hands! Do you still have a little conscience?” ”

The husband and wife echoed each other and pushed all the questions onto Li Erzhu.

Old Mrs. Li was already dead.

They had to use old Mrs. Li’s death to make a good story and make Li Sanzhu Compromise.

“Otherwise, old Mrs. Li’s death would have been in vain! ”

“Li Sanzhu was already very sad and sad when his mother suddenly had an accident. At this time, it should be the time for the two brothers to unite, but not only did second brother and second sister-in-law not realize their mistake, they even pointed the blame at him! ”

Chapter 1930: 389: Some people die just because they write! 3

Did they really think that he was easy to bully?

“Li Sanzhu raised his head to look at Li Erzhu and his wife, “Who exactly did mom die because of? If it wasn’t for Li Shuyi doing something shameful, would mom have used the medicine to threaten me? Mom was killed because of you!” ”

“Linda said, “Li Sanzhu, do you still have a conscience? Mom is already dead! In front of her, you actually framed our Shuyi! who exactly did mom die because of?” ”

“After saying that, Linda rushed to old Mrs. Li’s body and burst into tears, “Mom, Mom, Please Open Your Eyes and help us! You just left, and Li Sanzhu is bullying us like this! Didn’t he just bully me and Erzhu without a son? Unfortunately, our Shuyi is a girl. If our Shuyi were a boy, she wouldn’t be bullied like this! Mom, Please Wake Up!” ”

The operating theater was in chaos.

“There were even many people standing outside the operating theater, watching the commotion and whispering to each other. ”

“Li Yueyue pinched her temples and listened to Linda’s unreasonable pestering. She couldn’t help but feel angry from the bottom of her heart. “Enough! All of you, shut up!” ”

“Li Yueyue had never lost her temper before. At this moment, her sudden outburst successfully shocked everyone. The ward instantly became quiet and everyone looked at Li Yueyue. ”

Li Yueyue looked at them like that. “Grandma has already left. Can’t you guys be a little quieter? Do you have to make a fool out of yourselves? Do you guys think it’s honorable to let everyone know about Li Shuyi’s trivial matter?”

Don’t you know that you can’t Reveal Your Dirty Laundry?

“When they heard this, Li Erzhu and Linda were stunned. ”

The two of them looked at each other. Neither of them said anything.

Indeed.

Li Yueyue was quite right.

“What Li Shuyi had done was very disgraceful. If everyone knew about it, they would be the ones who would lose face.”

“Li Sanzhu looked at Li Yueyue and suddenly felt that his precious daughter had grown up. “Yinyue, go to the hospital to go through the procedures. We’ll bring her home first.” ”

Fang yinyue nodded.

“According to the rules of the prairie, after the death of an elder, they had to stay at home for three days. After the relatives and friends paid their respects, they would send her to the top of the mountain for a celestial burial. ”

Yes.

“There was no cremation or burial on the grassland, only a heaven’s burial. ”

“Although a heaven’s burial was somewhat unacceptable, it was still a rule left behind by the ancestors, and their descendants could only follow it. ”

“The procedures went smoothly. After the procedures were completed, Fang yinyue informed the butler to set up a mourning hall at home. ”

“Li Sanzhu was, after all, a big shot on the grassland. The funeral could not be too simple, and he had to invite famous archmages. ”

“That afternoon, many people came to pay their respects. ”

“Other than family and friends, there were more people who had business dealings with Li Sanzhu. ”

At night.

The family sat at a table and ate.

“Li Erzhu looked at Li Sanzhu, he said calmly, “Sanzhu, MOM has already left. No matter what, he left because of the matter with Shuyi. Shuyi is also your biological niece. Before mom died, all she thought about was Shuyi. If you don’t Save Shuyi, then Shuyi’s life will be ruined!” ”

“If he couldn’t do it the hard way, then Li Erzhu could only do it the soft way. ”

He hoped that the family love token could work on Li Sanzhu.

“Hearing this, Linda immediately nodded and echoed, “His third uncle, Shuyi has always respected you. She doesn’t care about the monk’s face, but the Buddha’s face. Shuyi is the only child between your second brother and me. I beg you to help her!” ”

“After saying this, Linda turned to look at Li Yueyue, with a sobbing voice, she said, “Yueyue, I know that you have never liked your cousin very much. Treating you as your cousin is really treating you as a younger sister. Yueyue, now that your cousin is in trouble, as a younger sister, you can’t just stand by and do nothing!” ”

Li Yueyue couldn’t respond to this.

“Li Sanzhu put down his chopsticks, “Second sister-in-law, don’t make things difficult for Yueyue.”. Although Yueyue had some friendship with Miss Ye, it was not enough to make Miss Ye and fifth master Cen change their minds. “It’s not that we don’t want to help you, it’s that we really can’t do anything!” ”

““Sanzhu, I know you guys have a way,”Linda continued, “You...” ”

“Li Sanzhu interrupted Linda, “Second sister-in-law, that’s it. Mom has already left. I don’t want to argue with you guys in front of Mom’s Memorial Hall.” ”

“According to the rules of the grassland, after the people left, the descendants had to eat three meals a day in front of the funeral hall. Not only that, but they also had to leave a place for the undead.”

Until the funeral.

“Hearing this, Linda didn’t say anything more.”
