Chapter 1931: 389: Some people die just because they write! 4

“The next day, Li Ziyu finally returned home after going through a lot. ”

“When Li Ziyu left home, he was 27 years old. Now, he was 30 years old. Standing in front of Li Sanzhu and Fang yinyue, if he didn’t call his parents, they wouldn’t recognize him. ”

“He became darker, more mature, and more stable. ”

“Ziyu!” Fang yinyue hugged Li Ziyu. “You’re finally back!”

“”Mom.” Compared to three years ago, his mother didn’t seem to have changed much, but it seemed like she had changed a lot. Time had changed. ”

“After a while, the mother and Son released each other. Li Ziyu turned to look at Li Sanzhu. “Dad.” ”

“It’s good that you’re back.” Li Sanzhu patted Li Ziyu’s shoulder.

Li Ziyu looked around. “Where’s Yueyue?”

“”She should be at the back.” Fang yinyue wiped away her tears and said to the butler, “Butler, go get the young lady.” ”

“Okay.” The butler nodded.

“At this moment, Li Yueyue’s voice sounded in the air. “Brother!” ”

Li Ziyu turned around and saw Li Yueyue rushing over. "Yueyue."

"Before Li Ziyu could react, Li Yueyue jumped onto Li Ziyu's body. "

Li Ziyu hugged his sister.

"Tears filled the eyes of the siblings. They had not seen each other for three years, and all their words were in tears. "

"After a while, Li Sanzhu said, "That's enough, Ziyu. Let's talk about it tonight. Come with me to see your grandmother now." "

"Okay." Li Ziyu nodded and followed his father's footsteps.

...

"After ye Zhuo and Cen Shaoqing returned to the capital, they distributed the specialties they brought back from the grasslands to their relatives at home. "

"Then, Ye Zhuo made another trip to the base. "

"Just as he arrived at the base, Yu Zifei arrived. "

"After resting for two months, Yu Zifei's mental state was extremely good. "Miss Ye." "

"When he saw Yu Zifei, Ye Zhuo looked up in surprise. "Team leader Yu, why are you here?" "

There was only one month left on the three-month holiday. Yu Zifei should not have appeared at the base at this time.

“Yu Zifei looked at ye Zhuo and continued, “Miss Ye, I request to come back to work after the New Year and officially enter work mode.” ”

“Come back to work after the New Year?”Ye Zhuo glanced at him. “But you still have one month left on your holiday. Are you sure you want to come back to work?”

“The annual leave started on the afternoon of the 30th of the New Year and continued until the 8th of the first lunar month. Even if Yu Zifei came back to work after the new year, he still had nearly one month left on his holiday. ”

““Yes, I’m sure.”Yu Zifei nodded very seriously. ”

“Ye Zhuo continued, “Have you discussed it with your family?” ”

“Yes.”

““That’s fine.”Ye Zhuo flipped through the documents. “After the New Year, I’ll arrange for you to work in the defense team. Coincidentally, the defense team lacks a team leader.” ”

““Defense team?”Yu Zifei frowned slightly. “Miss Ye, I don’t want to go to the defense team. I want to go to Mars! I want to continue my previous work!” ”

The defense team was in charge of weapons. There wasn’t much space for exploration. It was no different from retirement.

““But there’s danger on Mars. You’ve already been attacked once,”ye Zhuo said. ”

““No, I’m not afraid!”Yu Zifei said. “Miss Ye, I’m willing to go to Mars. Don’t worry. If anything happens, my family will definitely not find trouble with you!” ”

“But...”Ye Zhuo was still a little hesitant.

“Yu Zifei continued, “Miss Ye, I know that there are dangers on Mars, but I’m not afraid. If everyone recoils from danger, then the OASIS project can be canceled! “Miss Ye, I want to advance and retreat together with you!” ”

“Hearing this, Ye Zhuo nodded slightly and said with a smile, “Team leader Yu, are you sure you’ve thought it through?” ”

“Yu Zifei nodded firmly. “Yes, I’m sure.” ”

““Alright then,”ye Zhuo continued, “Then from the New Year onwards, you can continue to come back to work.” ”

““Thank you, Miss Ye.”Yu Zifei was very excited. ”

Ye Zhuo had a smile on his face. “I should be the one thanking you.”

Thank God for arranging a group of people to trust her!

“Over here, Yu Zifei had just walked out of the door when she ran into her little assistant, Li Xiang. ”

“Team leader Yu.”Li Xiang was a little surprised to see Yu Zifei.

“Li Xiang.”Yu Zifei nodded.

“Li Xiang continued, “Team leader Yu, are you also here to look for Miss Ye?” ”

“Yes.”

““I’m also here to look for Miss Ye,”Li Xiang said. “These days at home are really too boring! I think I’ll come back to work after the New Year!” ”

“Yu Zifei smiled and said, “Hurry up and go.” ”

“Then I’ll go in first.”

“With that, Yu Zifei seemed to have thought of something and continued, “Oh right, Li Xiang.” ”

Chapter 1932: 389: Some people die just because they write! 5

“What happened to Team Leader Yu?” Li Xiang turned around.

“Yu Zifei continued, “Did you manage to get through your parents’ work?” ”

“Li Xiang was an only child. When Li Xiang was in trouble, Li Xiang’s parents were close to breaking down. ”

“At that time, Li Xiang’s mother had said that she wanted Li Xiang to resign. Now, Li Xiang had requested to return to work. If his parents did not agree, it would not end well. ”

““Don’t worry, it’s done.” Li Xiang continued, “My parents are very supportive of me now and understand me.” ”

“That’s good.” Yu Zifei nodded.

“A moment later, Li Xiang knocked on the door and entered ye Zhuo’s office. ”

“After returning from the base, it was already past three o’clock in the afternoon. ”

Today was the New Year's Eve.

The people who were out on the run had all returned home for the New Year. There were not many people on the road.

"As soon as they returned home, they felt a strong sense of the new year."

Red Lanterns were hung everywhere inside and outside the Lin family. Red couplets were pasted on the doors.

"Zhuozhuo is back!" Ye Langhua came out to welcome her.

"Ever since she met Ye Shu, ye Langhua had spent the new year with Ye Shu every year."

It was also after she met her daughter that ye Langhua felt the joy of the New Year.

"Usually at this time, she would sit at home and cry silently."

"Grandma."

"Ye langhua smiled and said, "Just now, your mother was talking about you! What do you want to eat for the New Year's Eve Dinner?" "

"Ye Zhuo thought for a moment and said three dishes, "Boiled cabbage, Yangzhou lion head, and spicy and sour radishes." "

"Okay, I'll go tell your mother right away," ye Langhua said. "

"Where's My Brother?" Ye Zhuo continued to ask.

“Ye Langhua said, “He’s helping your mother in the kitchen.” ”

“I’ll go and take a look too.”

“Lin Ze was not a boy who worked in the kitchen, but as long as ye Shu went to the kitchen, he would go and help her. ”

He cherished every second he spent with his mother.

“On the eve of the Lunar New Year, Ye Shu discussed with Lin Jincheng and gave the servants and chefs a break to go back and reunite with their families. ”

“In the kitchen, Ye Shu and Lin Ze were busy. ”

““Dad, Mom, Brother!”Ye Zao rolled up his sleeves and walked over. “I’m here to help you.” ”

“Go back and rest. I don’t need your help here. Your brother and Dad are enough!”

“Lin Jincheng said, “Your mom is right. The kitchen is smoky. Go out quickly.” ”

“Lin Ze was rolling the skin of the dumplings. “Zao Zao, just tell me what kind of fillings you want to eat.” ”

“Ye Zao smiled and said, “I want to eat shrimp fillings. Remember to add more shrimp.” ”

““Sure, no problem.” ”

The whole family worked hard for the whole afternoon before they finished making a table full of dishes.

“When it was time for New Year’s Eve dinner, Ye Sen hadn’t come over yet, so ye Shu asked ye Zao to give him a call. ”

“Ye Zao smiled and said, “I just contacted uncle. Uncle said that he will come back soon after discussing a collaboration.” ”

“Hearing that, Ye Shu said with some disdain, “What time is it? You’re still busy discussing a collaboration! No wonder you’re still single!” ”

Ye Shu thought that ye Sen would definitely be able to get together with Gu Dening. She did not expect that the two of them had not made any progress until now.

“Because of this, Ye Shu was extremely anxious! ”

“Seeing that another year had passed and Ye Sen had aged another year, what was the meaning of this delay? ”

“Half an hour later, Ye Sen came with a bunch of New Year’s goods. ”

“Ye Shu said, “You brought so many things back to your own home! Do you have too much money to spend?” ”

“”I bought them for the children,”ye sen continued, “Sister, did you know that the ban on setting off fireworks has been lifted in our city?” ”

“Hearing this, Ye Shu was also a little surprised, “Really?” ”

“Ye Sen nodded. “Of course it’s true! The higher-ups just issued a notice. My goodness, when I went to buy firecrackers and fireworks, there were more than one person! I almost didn’t manage to buy them!” ”

...

On the other side.

Changyue country.

“Qiu Di stood in the detention room and looked at Yi Ling who was locked in the sealed space. Her gaze was sinister as she said, “Yi Ling, do you have to go against me?” After such a long time, she had tried every method, but Yi Ling was still unwilling to acknowledge her as her master! ”

“Seeing that the day of the general election was getting closer and closer, how could Qiu di continue to wait! ”

She had to take the initiative to attack and Make Yi Ling acknowledge her master!

“”Bad Woman! You’ve finally revealed your Fox Tail? Why aren’t you pretending anymore?” After a long period of torture, Yi Ling looked very weak. “Let me tell you, I will never betray Miss Ye!” ”

Qiu Di narrowed her eyes. “A wise man submits to circumstances. Don’t regret it! Don’t think that I really can’t deal with you!”

“Chapter 1933: 390, why ask for trouble! 1”

Qiu Di no longer had any patience.

She only wanted to make Yi Ling submit to her immediately!

“”Bad Woman! If you have any tricks, just use them! Let me tell you, I’m not afraid of your ancestors!” Yi Ling looked at Qiu di like this. ”

“Outwardly fierce, but inwardly weak.”

“In front of such a bad woman, she must not lose her aura.”

“Qiu Di held in her breath and raised a fake smile. She continued, “Yi Ling, Ye Zao is no longer here. Why do you have to go against me for a dead person? Sign a contract with me. I promise that I will do better than ye Zao!” ”

“Compared to her, what was ye Zao?”

Ye Zao could not even compare to her hair!

“”Bah! You’re a bad woman! Do you think I’ll believe you?”Yi Ling said angrily. “Qiu Di, just based on you, do you think you’re worthy to compare to miss ye? You’re not even worthy to carry Miss Ye’s shoes! You’re a bad woman, a B * Tch! You’ll die a horrible death!” ”

“Although the spirit had been unconscious for a long time, it did not have any evidence to prove that this had anything to do with Qiu Di, but it had grown a brain!”

“It was ye Zao’s spirit, and it knew ye Zao very well.”

“If Qiu Di had once saved Ye Zao, Ye Zao would not have kept it a secret.”

All of this was clearly Qiu di’s scam.

The spirit only wanted to escape immediately and tell the chief and the others what had happened here.

But it was locked in this confinement room and its energy had been completely sealed!

There was nothing it could do!

Qiu Di was extremely angry. She directly slapped the spirit with her palm and slammed her heavily against the wall. "Little Bastard! Say That Again!"

The most annoying thing Qiu di had heard in her life was comparing her to Ye Zao.

How could ye Zao compare to her!

Ye Zao was just an orphan that no one wanted.

And she was the eldest daughter of the Qiu family.

"If it wasn't for her kindness in the past, ye Zao would only be her little servant now."

The real person who wasn't even worthy of carrying her shoes should be ye Zao!

"Qiu Di clenched her fists tightly, and her entire body was trembling."

"Yi Ling only felt intense pain all over her body. She vomited a mouthful of bright red blood, dyeing her white fur red. "Bad Woman! You're A Bad Woman!" "

Autumn flute looked down at her. "I'll give you one last chance. Think carefully whether you want to sign a contract with me or Not!"

"In Your Dreams!"The spirit stubbornly turned her head.

Autumn flute reached out and lifted her neck.

"The spirit just looked at autumn flute. There was no fear in her eyes. She only said, "Autumn flute, kill me." "

“Kill You?” Qiu Di narrowed her eyes. “Do you really think I won’t Dare?”

Little Bastard!

She really didn’t know what was so good about ye Zao that this little bastard wouldn’t betray her even if he died!

“Yi Ling smiled. “I know you dare, but I’m not afraid.” ”

“Qiu Di’s anger came from her heart. She tightened the strength in her hands, wanting to crush Yi Ling to death. ”

“Meanwhile, Yi Ling was prepared to die. She slowly closed her eyes. ”

“At this moment, not only was it not afraid of death, but it was also looking forward to it. ”

“Once it died, it would be able to see ye Zao. ”

“In a trance, the spirit seemed to see ye Zao’s silhouette in the air. ”

“She smiled and waved at it. “Doggie, come here.” ”

“A warm light appeared in the spirit’s eyes. “Da, da Zao!” ”

“At this moment, there was a ‘bang’in the air. ”

“Autumn town broke through the door and said angrily, “Di’er! What are you doing!” ”

“Hearing Autumn Town’s voice, autumn flute released the clothes spirit and turned to look. “Father,” ”

“The clothes spirit, who had fallen to the ground, clutched her chest and coughed. ”

“Autumn town looked at the clothes spirit on the ground and said, “Come out with me for a moment.” ”

Autumn flute followed autumn town’s footsteps.

The father and daughter came to the door.

“Qiu Changzhen said with a straight face, “What were you doing just now! Do you know that you almost made a big mistake!” ”

“Qiu di said, “Isn’t she just a little bastard? Is it worth father being so angry?” ”

“Qiu Changzhen continued, “We told the public that ye Zhuo passed the position of the Queen to you, but you can’t even subdue the clothes spirit, so how can you convince the public!” ”

“The female sovereign would not only have to face the eight great clans, but also the people of Chang Yue! ”

“Qiu Di also knew this logic, and continued, “That little bastard is invulnerable, what can I do? When the time comes, we can say to the public that it was overly worried and followed ye Zao Away!” ”

“If it wasn’t for the fact that it had already thought of an excuse, Qiu di would have directly killed him! ”

“Qiu Changzhen narrowed his eyes, “Di’er, you are still young! Yi Ling is loyal to Ye Zao, if it was ye Zao’s last words, how could Yi Ling have misspoken!” ”

“Chapter 1934: 390, why ask for trouble! 2”

“Hearing this, Qiu Di was stunned. ”

“Indeed, she was not thoughtful enough. ”

Then what should they do now?

“Qiu Changzhen continued, “Go and look for the Great Witch Doctor. Since the Great Witch Doctor Can Change and erase Ye Han’s memory, it must also be able to change Yi Ling’s memory!” ”

“”Okay.”Qiu di nodded, “Then I’ll go and look for the Great Witch Doctor First.” ”

The Great Witch Doctor lived in a mysterious cave.

“Ever since he lost to Ye Zhuo three years ago, he had been living a life of anonymity. He had even released the news of his death in order to make ye Zhuo lower his guard and wait for an opportunity to strike! ”

“”Great Witch Doctor.”No matter how arrogant Qiu Di was in front of others, she truly respected the great witch doctor! ”

“After all, the Great Witch Doctor was her military advisor! ”

“In a camp, anyone could be missing, but military advisors could not be missing. ”

“Just like Zhuge Kongming in the Three Kingdoms period, if Kongming did not die, the Shu kingdom would not be destroyed! ”

The Great Witch Doctor looked to be at most thirty-five or thirty-six years old.

He was handsome.

“He wore a long black robe and held two dark green medicine bottles in his hands. When he heard this, he said faintly, “What is it?” ”

Autumn flute told the great witch doctor about the spirit of clothes.

“Hearing this, the Great Witch Doctor put down the medicine bottle and turned to look at autumn flute. “The spirit of clothes is different from humans. It belongs to a four-dimensional creature. I Can’t change its memory. If I want the spirit of clothes to submit, I have to outsmart it.” ”

Autumn flute frowned. “Is there no other way?”

The Great Witch Doctor shook his head.

“A moment later, the great witch doctor continued, “I heard that a person who looks like a duplicate of ye Zao appeared on Earth? And he has successfully landed on Mars?” ”

“Speaking of this, Qiu di said without a care, “Great Witch Doctor, I have already sent people to investigate everything you said! He is just a small low-level person, there is nothing to be afraid of!” ”

“The great witch doctor continued, “I am not afraid of ten thousand, but I am afraid of just one chance.” ”

“Qiu di continued, “I have already sent people to Mars to scout and attack two low-level people. Ever since that incident, that group of low-level people has left Mars!” ”

“Is that so?”The Great Witch Doctor asked.

““Yes.”Qiu Di nodded and took out the monitor. “If you don’t believe me, take a look at the monitor.” ”

“On the monitor, there was nothing special about Mars.”

“The Great Witch Doctor took a look and continued, “Could it be that ye Zhuo blocked our Mars Monitor?” ”

“Hearing that, Qiu di laughed. ”

Blocked the monitor?

Just a bunch of lowly Earthlings?

Impossible!

““Great Witch Doctor, you think too highly of that ye Zao,” Qiu di continued, “Don’t worry, the real ye Zao is already dead. A bunch of lowly Earthlings will not be able to cause any trouble!” ”

The space civilization of Chang Yue was more than a few streets ahead of earth!

“If the Earthlings were really that powerful, they wouldn’t have been stuck on Earth for so many years. The space civilization was only level 1! ”

They could crush the Earthlings as easily as crushing an ant.

“If not for the sake of the alliance, she would have destroyed Earth long ago! ”

The one from the Alliance was born on Earth and had special feelings for Earth.

“The Great Witch Doctor combined two bottles of medicine into one bottle and said, “We must not let our guard down at any time!” ”

“Qiu Di nodded. “Don’t worry, Great Witch Doctor, I know.” ”

“Has there been any movement on young master’s side?”The Great Witch Doctor asked.

“”There hasn’t been any movement for the time being,”Qiu di said in a low voice. “I heard that the Chief Witch Doctor is also looking for young master Dongli.” ”

“The great witch doctor frowned slightly. “Alright, you can go back first! If there’s anything, use wireless communication.” ”

“He had lived in seclusion in this cave for more than a year and no one usually stepped into it. If autumn flute stayed here for too long, it would definitely attract the attention of others. ”

“Okay.”Autumn flute nodded.

“After autumn flute returned, autumn town couldn’t wait to ask, “How is it? What did the Great Witch Doctor Say?” ”

“Autumn flute shook his head, “The Great Witch Doctor said that the spirit coat is a four-dimensional creature and can not directly change its memories.” ”

“”Then what should we do?”Hearing this, autumn town frowned. ”

“Autumn flute continued, “Father, can we really not directly kill it?” ”

“From Autumn Flute’s point of view, rather than wasting time like this, it was better to directly kill it. ”

“”No!”Autumn town directly rejected, “If you want to sit firmly in that position, you must get the support of the spirit coat.” ”

Autumn flute sighed. "Then what should we do?"

"Autumn town continued, "Take it slow!" "

"En."

"After saying that, autumn town continued, "Why don't we let ye Han go and see the spirit of clothes? After all, the two of them have been friends of life and death. With Ye Han persuading it, it might be twice the result with half the effort!" "

"Chapter 1935: 390, why ask for trouble! 3"

"Now I can only try this method."

"After ye Han received this order, he immediately went to the detention room. "

"Seeing ye Han, Yi Ling's eyes quickly lit up with hope. "Ye Han, you came to save me, right?" "

It knew that ye Han would not betray ye Zao.

"In this world, no one was more loyal than ye Han, so how could ye Han betray him? "

"My Name Is Wu Han."Ye Han looked at Yi Ling with a cold expression. "Ye Zhuo is already dead, so why are you asking for trouble?" "

"Hearing this, the light of hope in Yi Ling's eyes instantly disappeared. "

It had misjudged the person.

Ye Han was a traitor!

“Traitor!”

“Ye Han continued, “Miss Qiu is a wise monarch. To be able to belong to her, you should feel honored.” ”

Honored!

Honored!

Heh.

“Yi Ling sneered and raised her head to look at Ye Han. “Ye Han, Miss Ye’s corpse isn’t even cold yet. How did you say these words? Are you still the Ye Han I know?” ”

“Speaking up to this point, Yi Ling’s face was full of self-mockery. “No, you’re no longer the Ye Han I know! You’re now Qiu Di’s Lackey! You’re indeed unworthy of the surname Ye! You’ve insulted the ye surname!” ”

“Up until now, Yi Ling still didn’t believe that Ye Han had betrayed ye Zao. ”

“But the truth told her that not only had Ye Han betrayed ye Zao, he had also betrayed her thoroughly. ”

““Yi Ling, a wise man submits to circumstances.”Ye Han frowned coldly. “You’re not doing yourself any good like this! Eldest miss said that as long as you submit to her, she can let bygones be bygones!” ”

““Bah! That wicked woman, Qiu Di, is she worthy?”Yi Ling said disdainfully. ”

Wicked Woman?

“When he caught these three words, Ye Han’s expression instantly changed, becoming incomparably sinister.”

“At this moment, Yi Ling seemed to have seen the ye Han of the past.”

At that time.

“In order to protect ye Zao, Ye Han nearly injured a life.”

“But in the next second, Ye Han grabbed its neck.”

“Ye Han looked at it coldly. “Eldest miss told me not to take your life. If there’s a next time, I’ll make your life worse than death!” ”

The clothes spirit smiled.

“In a moment, ye Han released it and turned to leave.”

The clothes spirit fell to the ground and vomited a large mouthful of blood.

“Other than the pain, it was mostly hungry.”

Very Hungry.

It had not eaten for two days.

One had to know that it used to be very gluttonous.

“Yi Ling looked at the wall of the detention room and her eyes suddenly turned red. she cried in grievance, “Sear Sear sear, Sear Sear Sear, when are you going to come and pick me up!” ”

It was so hungry.

It was so painful.

It really wanted to go back!

“Looking at Yi Ling through the monitor, the corners of autumn flute’s mouth curled up. She continued, “From today onwards, you are not allowed to give it food. Let it starve like this.” ”

The assistant was stunned. “What if she dies from hunger?”

“Hang her with the nutrient solution.” A sinister glint flashed in Autumn Flute’s eyes. “Let her neither starve to death nor be full! Let her starve until her mouth turns soft!”

This method was too cruel!

She might as well give her a quick death.

“The assistant sighed in her heart and continued, “Yes, miss. .” ”

...

Beijing.

“After the New Year’s Eve dinner, Ye Zao and his family flew kites in the courtyard. ”

“The thick snow reflected the color of the fireworks, which looked especially beautiful. ”

“Before this, Beijing had already banned fireworks for ten years. ”

“Now that the ban was suddenly lifted, the sky was extremely lively with colorful fireworks. ”

“Not only did ye Sen buy big fireworks, but he also bought a lot of fairy sticks and small fireworks. ”

Ye Zao and Little White were having a great time in the snow.

Lin Ze was in charge of lighting the fire behind the two of them.

There was also a dog jumping behind them.

“It was strange. Normal dogs were more afraid of the sound of fireworks and the sound of thunder and lightning. However, Rollie was not afraid. Instead, when he heard these sounds, he was exceptionally excited! ”

Just like now.

“After setting off the firecrackers and fireworks, little white looked at ye Zao with her chin in her hands.
“Big Burning.” ”

“Yeah.”

“Little White continued, “I feel that you earthlings are really strange.” ”

“How is it strange?”Ye Zao asked.

“Little White looked at the fireworks in the sky and said somewhat speechlessly, “Isn’t the so-called New Year just a year of the Earth circling the sun? What’s there to celebrate?” ”

Little White really did not understand what the meaning of the new year was.

“Ye Zhuo smiled and said, “Then let me ask you, do you think the New Year is fun? Are You Happy?” ”

“Yes! Happy!”Whitey nodded.

““As long as you’re happy,”ye Zhuo continued, “Humans have worked hard for a year. If we don’t find a holiday to have fun and rest, isn’t it too hard?”? “Moreover, the new year is a traditional holiday left behind by our ancestors. It represents family reunion. For children, they can wear new clothes, eat delicious food, play with fireworks, and don’t have to do their homework. For adults, the new year can temporarily forget their worries and return home to reunite with their parents, wives, and children. In short, the New Year is a very important holiday. If you have to define it by the earth circling the star, it is not impossible. After all, you are not a human being.” ”

Chapter 1936: Why ask for trouble! 4

Different Heights lead to different understanding of things.

“Although Whitey had its own four-dimensional, it was a robot after all. ”

Its considerations were very different from that of humans.

“For example, in daily life, humans were most concerned about food, clothing, shelter, and transportation. ”

Whitey was most worried about whether the electricity would be used or not.

“If ye Zhuo had desserts, he would be able to settle everything.”

“If Little White had electricity, he would be able to settle everything.”

“When he heard the last sentence, little white became anxious. “If you speak, then speak. Why are you still scolding people!” ”

“When did I scold you?”Ye Zhuo was stunned.

“Little White said, “Just now, you scolded me for Not Being Human!” ”

Ye Zhuo chuckled. “Then are you human?”

““I, I...”Little White sighed. “Alright, I am indeed not human.” ”

“Ye Zhuo patted Little White’s head. “Alright, Doggy, don’t think too much. You just have to remember that the new year will bring you happiness and happiness.” ”

“Okay.”Little White nodded.

“On the first day of the new year, as usual, Ye Zhuo and Cen Shaoqing went to a nearby temple to burn incense and pray to Buddha. ”

There were many people who came to burn incense and pray to Buddha.

“Dressed in a wine-red coat, she stood out particularly among the crowd. Her every frown and smile was like a painting as she walked over. ”

The man standing next to her was equally eye-catching.

“He was dressed in a moon-white long gown with a string of bright red Buddhist beads in his hand, which happened to match the color of her clothes.”

These two people made passersby cast sidelong glances at them.

““Miss Ye.”At this moment, a pleasant male voice sounded behind her. ”

Ye Zao looked back slightly and saw a handsome face. Ye Zao was stunned for a moment before he remembered that this person was... .. Jin Ruyu.

“Long time no see.”

“Jin Ruyu nodded. “Long time no see. Miss Ye, let me introduce you. This is my wife, Ming Yao.” ”

“In the past two years, Jin Ruyu had already married Ming Yao. ”

“Hearing this news, ye Zao was a little surprised. ”

“After all, Jin Ruyu had loved Zhao Xueyin to the death back then, unable to extricate herself. ”

“Ming Yao gracefully extended her hand to ye Zao. “Hello, Miss Ye.” ”

“Hello.”Ye Zao shook her hand.

“After seeing Ming Yao, the wariness in Cen Shaoqing’s eyes disappeared a little. ”

“Ye Zhuo smiled and said, “This is my boyfriend, Cen Shaoqing.” ”

“Jin Ruyu shook hands with Cen Shaoqing. “CEN fifth master, I’ve heard a lot about you.” ”

“Nice to meet you,” Cen Shaoqing said concisely. ”

“Jin ruyu continued, “Miss Ye, take your time with CEN fifth master. We’ll go over there. Let’s meet again when we have time.” ”

“Okay.” Ye Zhuo nodded slightly.

Jin Ruyu held Ming Yao’s hand and walked to the other side.

A few minutes later.

“Ming Yao let go of Jin Ruyu’s hand and continued, “Was that chief ye from Shunxi Financial Group just now?” ”

“Yes.” Jin Ruyu nodded.

Ming Yao turned around and looked in the direction where ye Zao had disappeared. “She’s really beautiful! You’re also blind. Why did you have to go to that Zhao Guy when there’s such a beauty in front of you!”

“Ming Yao was a rare beauty, but in front of ye Zao, she still felt inferior, ”

because ye Zao was really too good-looking!

“Don’t talk nonsense. He has a boyfriend,” Jin Ruyu said. ”

“Ming Yao smiled and said, “I was just saying.” ”

“After saying that, Ming Yao continued, “By the way, since Zhao Xueyin, have you not liked anyone else?” ”

“”No,” Jin Ruyu said. ”

“Ming Yao Glanced at Jin Ruyu and said, “It’s okay even if you like them. After all, we’re just a contract marriage. We agreed that we wouldn’t interfere with each other.” ”

That’s right.

The two of them were only getting married for the sake of getting married. They had signed a contract before they got married.

“Jin ruyu said, “So, do you think I’ve ever bothered you?” ”

“”The point is that I’ve never done anything unfaithful,” Ming Yao continued, “Jin Ruyu, actually, you’re quite good-looking too. Why don’t we fake it and do it for real! “It just so happens that your father and my parents are both urging us to have children.” ”

Ming Yao had been so annoyed recently.

Jin Ruyu’s father was still alright.

“Especially her parents, who had been urging her to have children. ”

“Jin Ruyu was stunned for a moment, as though she didn’t expect Ming Yao to say this. ”

“Before he could answer, Ming Yao burst out laughing and said, “I was joking with you! You actually took it seriously!” ”

“Jin Ruyu looked at her. “Three years, three years later, if you still haven’t met your true love, let’s have a child.” ”

“This time, it was Ming Yao’s turn to be stunned. ”

“After a long while, Ming Yao finally reacted. “What... What did you say?” ”

Chapter 1937: 390. Why ask for trouble! 5

Jin Ruyu repeated what she had just said.

“Ming Yao gulped and continued, “Are you... Are You Serious?” ”

“Yes.” Jin Ruyu nodded very seriously.

“Ming Yao Thought for a while and said, “Alright. In case they rush us!” ”

“Jin ruyu said, “It’s a deal.” ”

Ming Yao smiled and nodded. “It’s a deal.”

“On the other side, after ye Zao entered the temple, he took the money for the incense oil and burned the incense. ”

“The two of them followed like shadows, like a celestial couple. ”

This scene fell into the line of sight of a figure not far away.

“The man wore a black suit and stood in the crowd. He had a black hat on his head. The wide brim of the hat covered his eyes, leaving only his beautiful lips and his thin chin. ”

“Although the man didn’t say or do anything, he exuded a sense of sadness. ”

People didn’t dare to approach him.

“After a long time, when ye Zhuo and Cen Shaoqing were no longer in the crowd, the man turned around slightly and walked back. ”

There weren’t many people walking down the mountain. The man looked even more lonely.

At the foot of the mountain.

“Bai Jiayu was leaning against the car door with a cigarette in his mouth, looking casual. ”

“He was handsome and ruffled, attracting a lot of young girls to come and ask for wechat. ”

“Bai Jiayu didn’t reject any of them and added all of them, making his good buddies by his side envious.
“I say, you brat, what kind of luck are you having!” ”

“A total of seven or eight young girls came, all of them came for Bai Jiayu. ”

“Bai Jiayu blew on the smoke and said narcissistically, “This is charm! Mouse, you’re still a little lacking!”
”

“Tian Zihao was a little speechless and said, “Tch!” ”

“As he said that, tian zihao said again, “By the way, when did third brother start to believe in Buddha?” ”

“In his impression, Song Shiyu did not believe in Buddha, did not believe in people, and only believed in himself.”

“However, he did not know when it began, but Song Shiyu began to burn incense and pray to Buddha.”

“Furthermore, he came to the temple to burn incense on the first morning of every year.”

Bai Jiayu shook his head. “I’m not too sure either.”

“Song Shiyu had always hidden himself well. Even though he was his good brother, he did not know much about his private life.”

Bai Jiayu was also very curious about this matter.

“Tian Zihao continued, “By the way, let me ask you something.””

““Speak,” Bai Jiayu said.”

“Tian Zihao continued, “Didn’t third brother keep looking for someone? Have you found him yet?””

“Who are you asking for?” Bai Jiayu looked at Tian Zihao.

““Who else could it be? Of course it’s that infatuated cousin of mine!” Tian Zihao continued, “Siyao has waited for third brother for so many years. I wonder what third brother can do to give her a reply.””

Bai Jiayu took out another cigarette from the pack. “Go back and persuade Siyao to stop waiting. She won’t get the result! Third Brother doesn’t have a heart!”

“Even if he did have a heart, it didn’t belong to Chen Siyao.”

“Tian zihao sighed. “We’ve tried to persuade her and scolded her. She’s always been like that, so there’s nothing we can do! You’re so close to third brother. Can you help find out if there’s someone in third brother’s Heart?” ”

“He doesn’t even have a heart. How could there be someone?” Bai Jiayu asked.

There was a period of time when Bai Jiayu suspected that song Shiyu had someone in his heart.

But he dispelled this doubt later.

“Because song Shiyu was never someone who wronged himself. If there was someone in his heart, he would definitely take it by force. He wouldn’t stop until he achieved his goal. ”

“However, until now, song Shiyu still did not make any movements. This was clearly abnormal. ”

“Tian zihao continued, “Then this matter will be easy to handle! Third Brother will not be a bachelor for the rest of his life! Sooner or later, he will have to get married and have children to carry on the family line. Anyway, he will marry whoever he wants. He might as well marry my cousin back. My cousin is so infatuated with him, and the two families know each other very well. What’s wrong with that?” ”

“You’re thinking too much.” Bai Jiayu flicked the ash off his cigarette. “Third brother isn’t the kind of person who would marry and have children just to carry on the family line.”

“In other words, if song Shiyu needed to marry and have children, he wouldn’t have waited until now. ”

Chapter 1938: 391: I’m willing to give up everything for her! 1

“In Bai Jiayu’s opinion, although song Shiyu did not see through the mortal world, it was no different from seeing through the mortal world. ”

He had no heart and would not fall in love with anyone.

He was also eccentric and had a temper disorder.

“Although song Shiyu had never said that he would not marry and have children, it could be seen that he would not do such a thing. ”

It seemed that there was no such thing as ‘Desire’ in him.

“No matter how crazy the people around him played, he could still remain calm. ”

“Sometimes, Bai Jiayu even doubted whether song Shiyu could do it. ”

“Hearing this, Tian zihao frowned and said, “You’re not third brother. How do you know that third brother isn’t the kind of person who would marry and have children just to carry on the family line?” ”

“You don’t believe me?” Bai Jiayu asked.

““I don’t believe you,” Tian Zihao said. ”

“He was born as a human being. As long as there were conditions, it was impossible for him to not have physical needs. It was impossible for him not to marry and have children unless he wanted to watch his family clan walk towards extinction. ”

“Bai Jiayu continued, “If you don’t believe me, Let’s Make a bet?” ”

““Okay, let’s make a bet.” Tian zihao continued, “What’s the bet?” ”

““A million,” Bai Jiayu said. ”

““Okay, no problem.”Tian zihao nodded. ”

“To these young masters, a million was just a small amount of money. ”

“Tian zihao continued, “Jiayu, when you were in junior high school, did you have a crush on the class Belle?” ”

“Bai Jiayu said, “I had a crush on a female classmate in our class, but she wasn’t the class Belle.” ”

“What happened after that?”Tian Zihao asked curiously.

“According to Bai Jiayu’s personality, he couldn’t keep his hands off her. ”

“Under normal circumstances, as long as Bai Jiayu took a fancy to her, there was nothing he couldn’t get. ”

“Bai Jiayu said, “After that, she transferred to another school.” ”

““After that, there was no after that?”Tian Zihao asked with his eyes wide open. ”

“Bai Jiayu was a little speechless and said, “What else do you want after that?”In fact, there was after that. After graduation, he would occasionally dream about this female student in the middle of the night, hence, he asked someone to find out the whereabouts of this female classmate, but the result was that the female classmate had already gotten married and had children. ”

“From then on, Bai Jiayu never mentioned this female classmate again and kept this beauty in his heart. ”

“Tian zihao continued, “When I was in junior high school, I also had a crush on a female classmate in my class. You said that we all had a crush on someone, but it’s impossible that third brother doesn’t have one! I’m really curious what the person third brother has a crush on looks like!” ”

Very curious!

“Bai Jiayu took a puff of his cigarette. “Don’t be curious. Third Brother is different from US ordinary people. He won’t like anyone, and he won’t have a crush on anyone.” ”

A Crush?

It didn’t exist!

“If Song Shiyu liked someone, he could just snatch it away! ”

““You’re not a worm in Third Brother’s stomach!” Tian Zihao continued, “Do you still remember Fifth Master Cen? Back then, Fifth Cen had also said that he would never marry, and that he would eat vegetarian and pray to Buddha. He had caused a bigger commotion than Third Brother, and in the end, he still ended up with a beauty in his arms ”

This was called performing for everyone and slapping himself in the face.

“Bai Jiayu said, “Third Brother’s situation is different from his.” ”

“At this moment, Bai Jiayu glanced over and saw a familiar figure. He immediately threw away the cigarette butt and stood up straight. “Quick, throw away the cigarette. Third Brother Is Here!” ”

Tian Zihao didn’t react for a moment. “Why are you throwing the cigarette away?”

“Bai Jiayu snatched the cigarette from Tian Zihao’s hand and threw it away. Then, he said, “Third Brother has been hating other people smoking recently.” ”

“Doesn’t he smoke himself?” Tian Zihao said.

“He quit a long time ago.”

“Quit?” Tian Zihao widened his eyes in disbelief.

Bai Jiayu took the opportunity to stuff another piece of gum into Tian Zihao’s mouth. “Third brother has been in a bad mood recently. Watch what you say.”

“Got it.” Tian zihao nodded.

“Seeing that song Shiyu was getting closer and closer, Bai Jiayu immediately went up to him. “Third brother.” ”

Song Shiyu nodded slightly.

Tian Zihao also walked over. “Third brother.”

“Song Shiyu continued, “Is there anything else?” ”

“No.” The two of them shook their heads.

“Song Shiyu said, “If there’s nothing else, go back.” ”

“Okay.” Tian Zihao immediately opened the car door.

Bai Jiayu sat in the front driving while Tian Zihao sat in the passenger seat while song Shiyu sat alone in the back seat.

This year’s pop music was playing in the car.

Song Shiyu frowned slightly. “Change the song.”

“Bai Jiayu was stunned. “Third brother, what did you say?” ”

Tian Zihao was also slightly stunned.

“Song Shiyu immediately said, “I said change the song.” ”

““Oh, okay.”Tian Zihao immediately clicked to switch the music. ”

Chapter 1939: 391: I’m willing to give up everything for her! 2

“Soon, the music in the carriage changed to another one with a dramatic tone. ”

“Song Shiyu continued, “I want to listen to all the songs between the mountains and the water, as well as all the songs of this singer.” ”

““Between the mountains and the water?”Tian Zihao didn’t expect song Shiyu to suddenly order a song. He asked, “Third brother, is it the mountains and water painting?” ”

“Yes.”Song Shiyu nodded slightly.

“Is it sung by Xu Hao?”Tian Zihao asked again.

“Song Shiyu leaned against the back of the chair and said, “Then it’s sung by song, not Hao.” ”

Tian Zihao’s face turned red and he was a little embarrassed.

He was careless.

He was careless.

“Soon, the carriage was filled with lyrics between the mountains and rivers.”

“Tian Zihao specifically went online to search for information about this singer, he then said, “Third brother, this singer is quite amazing. He composed all the lyrics and songs by himself. Moreover, a song called ‘Thousand Baidu’ has been selected into the university textbook.” ”

“He originally thought that song Shiyu would talk freely because of this, but he did not expect song Shiyu to just acknowledge him and not speak anymore.”

Tian zihao frowned slightly.

“Could it be that he misunderstood? Song Shiyu did not like this singer, but simply liked listening to his songs?”

Don’t guess what the Big Boss is thinking!

“Tian zihao glanced at Bai Jiayu, who was beside him. Bai Jiayu was also a little confused.”

He didn’t realize before that song Shiyu liked listening to songs.

“Soon, the car arrived at song Shiyu’s apartment.”

“Chen Siyao was already waiting at the apartment. When she saw the three of them return, she immediately greeted them with a smile. “Shiyu, you’re back. I made you your favorite ginger and brown sugar water.” ”

“Okay.” Song Shiyu acknowledged.

“Although it was just a simple word, it made Chen Siyao very excited because at least Song Shiyu wasn’t ignoring her. ”

““I’ll go get it for you,” Chen Siyao continued. ”

“Seeing Chen Siyao like this, Tian Zihao was a little speechless. “My cousin is like this. As long as she sees third brother, she can’t see anyone else. She doesn’t even say she’ll get us something.” ”

Bai Jiayu shrugged. “I’m already used to it anyway.”

Chen Siyao was always like this.

“No matter how Song Shiyu treated her, she would always smile in response. ”

“Very soon, Chen Siyao came over with ginger brown sugar water. ”

But only Bai Jiayu and Tian Zihao were sitting in the living room.

Chen Siyao frowned slightly. “Where’s Shiyu?”

“Bai Jiayu said, “He went upstairs.” ”

“At that moment, Song Shiyu changed into a new set of home clothes and walked down from upstairs. In his arms... .. was a chubby cat. ”

A cat?

Chen Siyao even thought that her eyes were playing tricks on her.

Song Shiyu was actually carrying a cat?

“Chen Siyao had been bitten by a cat when she was young and was allergic to cat fur, so she had always been afraid of cats. Seeing this, she took a few steps back.”

“Bai Jiayu had seen this cat before, so he wasn’t very curious. However, he still asked in surprise, “This cat isn’t Dead Yet?” Song Shiyu had never raised a cat before, and he had a bad temper, cats were the kind of animals that were especially good at acting coquettishly and needed someone to take care of them. Bai Jiayu thought that this cat had died a long time ago!”

“He didn’t expect that not only did it not die, but it had even become fatter.”

“Don’t worry.” Song Shiyu raised his head and looked at Bai Jiayu. “It won’t die even if you die.”

“Hearing that, Bai Jiayu smiled and said, “Third brother, I’m your best brother. You actually said that about me because of a cat.””

Song Shiyu looked at him with a cold gaze and did not say anything.

Bai Jiayu immediately shut up and changed the topic. “This cat is so cute. What’s its name?”

““Mimi,” song Shiyu replied.”

Bai Jiayu was a little speechless. “You call that a name?”

““Mimi song,” song Shiyu replied.”

““Alright, I’ll just call it a name, but the chances of having the same name are too high!” Bai Jiayu looked at Chen Siyao and smiled. “Siyao, why are you standing so far away? Cats aren’t Tigers!””

A stiff smile appeared on Chen Siyao’s face. “It’s nothing.”

“Tian zihao said, “My cousin has been afraid since she was young...” ”

“Before he could finish his sentence, Chen Siyao interrupted him. “Cousin, aren’t you going back? Auntie was already urging you!” ”

Tian Zihao knew Chen Siyao’s intentions and glanced at her helplessly.

Silly Girl!

“In his eyes, Chen Siyao was a silly girl from head to toe. Was it really worth it to do this for someone who would never fall in love with him? ”

““Then I’ll go back first.”Tian Zihao stood up from the sofa. “Third brother, Jiayu, I’ll go back first.” ”

“Okay.”Song Shiyu nodded slightly.

Bai Jiayu stood up to send Tian Zihao off.

Chapter 1940: 391: willing to give up everything for her! 3

“In the blink of an eye, only Chen Siyao and song Shiyu were left in the living room. ”

“Chen Siyao gulped and steadied herself. She took a few bold steps forward and placed the brown sugar ginger water on the coffee table. “Shiyu, drink it while it’s hot.” ”

“Seeing the fear in Chen Siyao’s eyes, song Shiyu looked down at the cat in his arms and continued, “Are you afraid of it?” ”

“Hearing this, Chen Siyao was delighted.”

She noticed.

Song Shiyu actually noticed the change in her expression.

Would song Shiyu abandon it just because I’m afraid of cats? Or would he send it to a pet shop?

“Chen Siyao suppressed the excitement in her heart and said, “No, no.” ”

““Since you’re afraid of cats, stay away from it. I’m also afraid that you’ll hurt it,”said song Shiyu indifferently, as if he was talking to a stranger. ”

“Chen Siyao was also stunned. She thought that song Shiyu would throw the cat away because of her, but he actually told her to stay away from the cat. ”

“Although she was a little surprised, Chen Siyao wasn’t sad. ”

“After all, the cat was song Shiyu’s pet, so it was normal for song Shiyu to Love Cats. ”

“Chen siyao smiled and continued, “Shiyu, you misunderstood. I’m not afraid of it. I’m not afraid at all.” ”

Song Shiyu didn’t expose Chen Siyao. He just looked at her and didn’t say anything else.

“Bai Jiayu, who was walking into the house, heard their conversation and shook his head helplessly. ”

“Although he had experienced love before, he still didn’t understand Chen Siyao’s love for Song Shiyu. ”

“For Love, Chen Siyao could give up everything.”

Including pride and self-esteem.

This was something Bai Jiayu couldn't do.

“Seeing Bai Jiayu come in, Chen Siyao smiled and looked up. “Jiayu, what do you want to eat for lunch? I'll make it for you.” ”

“Bai Jiayu smiled and said, “I can eat whatever I want.” ”

““Okay then,” chen siyao continued, “Then I'll just do whatever I want.” ”

“Okay.” Bai Jiayu nodded.

Chen Siyao turned around and walked into the kitchen.

Bai Jiayu looked at song Shiyu. “Third brother.”

““Mm,” song Shiyu replied. ”

“Bai Jiayu continued, “Third brother, will you marry and have children in the future?” ”

““No,” song Shiyu said. ”

“Bai Jiayu peeled a piece of gum and put it in his mouth, then he said, “If, I mean if, if one day you want to get married and have children, you must give priority to siyao. I think Siyao is really a good wife and mother. Most importantly, she still likes you so much!” ”

“Chen Siyao didn’t go far. When she heard this, she paused and listened carefully to song Shiyu’s answer.”

She was looking forward to it.

She was looking forward to song Shiyu’s answer.

“A moment later, song Shiyu said softly, “No, I will never get married and have children. Even if I do get married and have children one day, it won’t be with Chen Siyao.” ”

“Even if he was particular, he wouldn’t choose Chen Siyao.”

“Hearing this, Bai Jiayu was stunned. Chen siyao, who was standing not too far away, was also stunned.”

Her face was deathly pale.

She didn’t expect song Shiyu to say such a thing.

She even began to wonder why she had persisted for so many years.

“Bai Jiayu frowned slightly. “No Way, third brother. Siyao loves you so much. Aren’t you being a little too heartless to her? !” ”

““Unrequited love doesn’t have no result.”Song Shiyu looked at Bai Jiayu and continued, “And love isn’t charity.” ”

Love was never charity.

“Because she was in the game, song Shiyu said those words.”

“Outside the door, Chen Siyao was already in tears.”

“In a moment, she wiped her tears and continued to walk to the kitchen.”

“From the start, she had never planned to marry Song Shiyu. She only wanted to protect Song Shiyu. Now that she heard such an answer, what was the Big Deal? She was already mentally prepared, right?”

“From the moment she fell in love with Song Shiyu, she had lost. What was the big deal about what she was going through now?”

Chen Siyao came to the kitchen and began to cut and cook as if nothing had happened.

...

“After burning incense and worshipping Buddha from the temple, Ye Zhuo did not go home. Instead, he followed Cen Shaoqing to the Cen family manor to pay New Year’s greetings.”

“On the first day of the New Year, other than Cen Yuyan, Cen Shaoqing’s other older sisters had all returned.”

The living room was very lively.

“Seeing Ye Zhuo return, the older sisters scrambled to give Ye Zhuo red packets and gifts.”

“Ye Zhuo could not reject their hospitality, so he could only accept them one by one. “Thank you, Big Sisters, Second Sisters, and third sisters. I wish the three of you a prosperous new year and all the best in the four seasons.” ”

“Cen Yueya smiled and said, “We’re all family, there’s no need to be so polite!” ”
