

Almighty D 1941

Chapter 1941: 391: I'm willing to give up everything for her! 4

"CEN yueying said, "That's right, that's right. We're all family!" "

""Oh right, searing, this is a scarf that I knitted myself when I was bored at home. Try It on and see if you like it. If you like it, I'll give it to you!"Cen Yuying said as she took out the scarf and handed it to Cen Shaoqing, "Try it on searing." "

"Okay."Cen Shaoqing took the scarf and bent down to wrap it around ye Zao.

"Black was originally a very dull color, but when it was wrapped around her body, it looked very nice. Her skin was originally white, and now it was as delicate as jade. "

"Does it look good?"Ye Zao looked up at Cen Shaoqing.

"Cen Shaoqing nodded slightly. "Yes, it suits you very well." "

"Ye Zao turned his eyes to Cen Yuying and said with a smile, "Then thank you, Big Sister." "

"Cen Yuying walked over and helped ye Zao Tidy up his scarf. She said with a smile, "Your second sister just said that you don't need to be polite with us. Now You're being polite with me again!" "

"Not long after, the three little guys came over and wanted to give ye Zao gifts. "

Ye Zao slightly bent down and accepted the gifts from the little guys. He took out the gifts that he had prepared for the little guys.

“This is the world’s smartest robot that Tian Tian wants. This is Wang Zi’s air-conditioned clothes. This is the laser toy gun that William Wants. And this...”

“The three little ones were overjoyed and thanked her politely. “Thank you, future aunt!” ”

“On the first day of the New Year, there were more than just a few older sisters in the Cen family. There were also Old Madam Cen’s older sisters and the family that was on good terms with the CEN family. ”

“”Elder sister, is that person in the Red Coat your future granddaughter-in-law?”Old Lady Wang asked. ”

“Old Lady Cen nodded and said, “Yes, yes, yes, the one who is wearing the wine-red coat and standing next to Shaoqing!” ”

“Hearing this, Old Lady Wang smiled and said, “Your granddaughter-in-law is really beautiful! It’s just like the one in the painting!” ”

“Old Lady Cen raised her chin proudly, “Of course, how can my granddaughter-in-law not be good-looking? “Let me tell you, not only is my granddaughter-in-law good-looking, she is also very filial. Look at the air-conditioned clothes I am wearing, and the jewelry I am wearing, especially the emperor green bracelet. They are all gifts from my granddaughter-in-law!” ”

“Old Lady Wang said with a face full of envy, “Your granddaughter-in-law is really good. She is not like the few in my family who only know how to give me money all day long! I already said that I have enough money to spend, but they insisted on giving it to me! Do you think I, an old man, need so much money for what? It’s not like I don’t have money myself!” ”

“The housekeeper at the side said, “It’s all Versailles this round!”! ”

“Soon, it was time to eat. ”

“After eating, Ye Zhuo and Cen Shaoqing came to the tea room on the third floor. ”

“Seeing the tea set on the coffee table, ye Zhuo could not help but itch. He continued, “Let me make you a cup of tea.” ”

“”If you want to drink tea, I’ll make it for you,”Cen Shaoqing said. ”

“No need. I want to make it myself.”

Cen Shaoqing nodded slightly. “Then I’ll play music for you.”

“Play music?”Ye Zhuo raised his eyebrows.

Cen Shaoqing smiled slightly and pointed to the wall. “Look over there.”

Ye Zhuo turned his eyes and saw a phoenix-tailed guqin on the mahogany shelf.

“You know how to play this?”

“Yes.”Cen Shaoqing nodded slightly.

Ye Zao smiled. “I really didn’t expect this.”

“CEN Shaoqing said, “There are many things that you didn’t expect.” ”

“After a while, cen shaoqing walked to the zither and sat down cross-legged. He tested the tone and then said, “What do you want to hear?” ”

“”You can improvise,”ye Zao said. ”

“”Okay.”Cen Shaoqing placed his fingers on the zither string. Before long, pleasant music flowed out from between his fingers. ”

Ding Ding Dong Dong.

Three days of circling the beam.

“Ye Zao sat on the short table and brewed tea. His slender and fair hands constantly shuttled between the green tea sets. Smoke rose in spirals, making his peerlessly beautiful face faintly visible. ”

It was especially mysterious.

“In front of him was the beautiful scenery of the human world, and his ears were filled with the music of Immortals. Life was like this, what more could one ask for. ”

The beautiful music of the zither reached downstairs through the window.

Cen Yuying looked up in surprise. “The sound of the zither came from the tea room on the third floor?”

“Old Granny Cen nodded. “From the sound, it should be played by the fifth girl.” ”

““Grandma, you still dare to call Shaoqing the fifth girl?”Cen Yuya asked with a smile. ”

Cen Shaoqing had a strange temper. Even his family members would not give him face!

The nickname ‘Fifth Girl’ was only used when he was young.

“Ever since he grew up, the Cen family rarely called him by this nickname. ”

It was not that they did not call him by it.

They were afraid that Cen Shaoqing would be angry.

“Old madam CEN said, “With my granddaughter-in-law around, why wouldn’t I Dare?” ”

“Cen Yueya smiled and said, “Speaking of which, I haven’t heard our fifth girl play the zither for more than ten years.” ”

Chapter 1942: 391: willing to give up everything for her! 5

Cen Yuying nodded. “It’s been thirteen years.”

“Ever since that incident, Cen Shaoqing had never touched the zither again. ”

“Listening to the zither music coming from upstairs, the three sisters felt a lot. ”

Cen Shaoqing loved ye Zhuo more than they had imagined.

“Half an hour later, ye Zhuo finished boiling a pot of tea and brought eight cups to Cen Shaoqing. “Thank you for your hard work, master. have some tea.” ”

Cen Shaoqing picked up a cup of tea and took a sip.

“How is it?”Ye Zhuo asked.

“The taste is slightly bitter but sweet. The fragrance is fragrant and refreshing.”Cen Shaoqing picked up the cup again and took another sip. “Good tea! The tea maker’s craftsmanship is even better!”

“Ye Zhuo smiled and said, “Really?” ”

“Try it yourself?” Cen Shaoqing said.

“Ye Zao put the tray on the coffee table, picked up a cup of tea, and tasted it. Then he said, “Well, not bad. I didn’t lose my craftsmanship.” ”

“After a moment, ye Zao put down the cup and said, “Cen Shaoqing, since the sun is nice today and I’m in a good mood, let’s do another hypnosis.” ”

Ye Zao wanted to clear up the chaotic memories in his mind as soon as possible.

“Okay.” Cen Shaoqing nodded slightly and stood up. “I’ll go to the hypnosis tool.”

“Okay.”

“Before long, Cen Shaoqing came back with a box.”

All the hypnosis tools were in the box.

“Cen Shaoqing lit up the incense. Soon, the room was filled with a fragrant smell.”

Ye Zhuo also slowly fell asleep.

...

On the other side.

Today was the first day of the New Year. He ziteng wanted to bring Xu Yao back to pay new year’s greetings and let his parents meet Xu Yao at the same time.

“His relationship with Xu Yao was now very stable. More importantly, they had done what they should and shouldn’t have done. They should have brought Xu Yao back to meet their parents a long time ago!”

Wasn’t there a saying?

An ugly daughter-in-law always had to meet her in-laws.

“Moreover, Xu Yao was not ugly!”

“Although his parents had previously said that they would absolutely not accept Xu Yao, he ziteng believed that if he really brought Xu Yao back, his parents would definitely fall in love with Xu Yao when they saw how obedient and sensible she was.”

“While they were having lunch, he ziteng opened his mouth to speak.”

““Father and mother, I want to discuss something with you.””

“Mother he put down her chopsticks and continued, “Speak.””

“He ziteng continued, “I’ve got a girlfriend and I want to bring her back for you to see.””

““This is a good thing!” Father he smiled and said, “There’s no need to discuss. Just bring her back directly.””

“As parents, didn’t they want their children to become successful and have a family?”

Mother he rolled her eyes at father he and turned to look at He ziteng. “How is the woman? Where does she come from?”

“Knowing that his parents had a thing for Xu Yao, he ziteng did not directly mention Xu Yao. He smiled and said, “Father and mother, don’t worry. She will definitely not let you down!” ”

“Which family’s Girl?”Mother he continued to ask.

“”Which family’s girl temporarily keeps it a secret!”He ziteng smiled and said, “Mom, don’t tell me that you still have opinions about family status?” ”

He did not have opinions about family status.

Mother he was just afraid that he ziteng would be deceived.

“As the saying goes, the marriage takes care of three generations. ”

She had to figure out the situation of the girl’s family.

“”Okay, when do you plan to bring it back?”Mother he continued to ask. ”

“He ziteng said, “We’ll go out to watch a movie in the afternoon. Why Don’t you bring her back for dinner tonight?” ”

“Hearing this, mother he frowned slightly and continued, “Who brings their girlfriend back on the first night of the first month?” ”

“”If you can’t bring her back at night, when can you?”He ziteng asked. ”

“”Why don’t we do it tomorrow morning, or the fourth day of the first month in the morning.”Good things came in pairs. Now that it was the first month of the first month, the wealthy families still attached more importance to this. Usually, it didn’t matter. ”

The first month usually gave a good omen.

“He ziteng continued, “How About Tomorrow Morning?” ”

Mother he nodded and turned to look at father he. “Are you free tomorrow morning?”

“Father he smiled and said, “It’s the first month of the Lunar New Year now. I’m not busy.” ”

“”That’s good.” After a pause, mother he continued, “Ziteng, there’s something I want to make clear to you in advance.” ”

“”Go Ahead,” he ziteng said. ”

“Mother he said, “It’s okay to bring your girlfriend back, but don’t bring those random people back.” ”

“”I know, I know.” He ziteng nodded. “Don’t worry, mother! I definitely won’t bring those random people back.” ”

Mother he didn’t say anything else.

“After dinner, he ziteng went to the Xu family’s house to pick up Xu Yao to watch a movie. ”

“When he ziteng first came to the Xu family’s house, he was quite nervous. Now that he had visited so many times, he was not nervous at all. After all, he had met the parents before! ”

“Moreover, the Xu family’s parents were very warm to him. They were even closer to him than their own son! ”

“”Uncle, Auntie, is Yaoyao Alright?” ”

“Father Xu hurriedly brought a cup of tea for he ziteng. “She’ll be done soon. Little He, wait a little longer.” ”

“The words fell, turned to look at mother Xu, “You go to urge, don’t let little he wait anxiously!” ”

Chapter 1943: 392: one trick is better than one trick

“Hearing that, he ziteng immediately said, “Uncle, I’m not in a hurry at all. There’s no need to rush him. I’ll wait.” ”

“Father Xu smiled and said, “How can that be! Don’t delay the movie. Yaoyao’s mother, hurry up and rush him. This child has no sense of time at all.” ”

““Okay, I’ll go right away.”Mother Xu nodded and walked upstairs. ”

“Father Xu looked at He ziteng and smiled. “Yaoyao should be coming down soon. Come, let the two of us sit down and have some tea.” ”

“No matter how father Xu looked at he ziteng now, he felt comfortable.”

“In his heart, he was also lamenting that Xu Yao was a capable person. She actually managed to subdue he ziteng!”

He Ziteng was a walking noble!

“Most importantly, he ziteng was the only son of the He family.”

“As long as Xu Yao married into the He family, she would be the mistress of the He family.”

“At that time, she would be able to call the wind and summon the rain. She could have anything she wanted! ”

“When he thought of that scene, father Xu’s eyes were filled with pride. ”

Although he did nothing in his life and relied on his sister to live.

But his daughter had a promising future.

Xu Yao merely hooked her little finger and he ziteng was able to ride on her back.

Mother Xu walked upstairs.

“Xu Yao sat in front of the mirror, dabbing and dabbing. She was extremely relaxed, as if she did not know that he ziteng had already arrived. ”

“Yaoyao.”

“Mm.” Xu Yao turned to look at Mother Xu.

“Mother Xu continued, “Yaoyao, hurry up. Little he has already arrived. Don’t let him wait for too long.” ”

“Xu Yao picked up two lipsticks and tested the color on the back of her hands. She then said, “What’s wrong with waiting? Go Down and ask him. Does he dare to have any complaints?” ”

“After spending some time with him, Xu Yao realized that he ziteng was a despicable person. ”

He didn't like women who were obedient to him. He had to like women who were a little too pretentious.

"However, he couldn't be too pretentious. "

"When he was acting, he had to be considerate. "

He had to know his limits.

"Mother Xu smiled and said, "My daughter is really capable! But you can't keep her waiting for too long. I heard from little he that he seems to want to bring you back to meet his parents." "

This matter was within Xu Yao's expectations. "I know."

"Did he tell you?" Mother Xu asked.

"Xu Yao continued, "I guessed." "

"Mother Xu said, "Have you thought about what to bring when you go to meet her parents? Do you want your father and I to go with you?" "

"That's nothing. I don't need you and father to accompany me for the time being. I'll go with He ziteng."

""That's fine too." Mother Xu nodded, then, she said, "I heard that he ziteng's mother was born into a prestigious family. She's a real daughter of a rich family. She has a strange personality and is very difficult to get along with. You have to be careful. Although mother-in-law and daughter-in-law have been natural enemies since ancient times, you can't make her unhappy on the first day!" "

"Xu Yao curled the corners of her lips. "Don't worry, Mom. You Don't have to worry about such things. I know what to do." "

“She could even subdue a rich young master like he ziteng, let alone he ziteng’s mother. ”

So what if mother he was born into a prestigious family?

“In the end, she was just a housewife now. ”

What was so great about being a housewife?

“With just a little trick, she could make the he family’s parents want her as their daughter-in-law! ”

“Xu Yao did not have other abilities, but she still had this bit of confidence. ”

“Otherwise, he ziteng would not be so loyal to her. ”

“Although Xu Yao said so, mother Xu was still a little worried, she continued, “Yaoyao, you can’t let your guard down on this kind of thing. He ziteng’s mother is different from me. Moreover, this first impression is very important. It directly affects whether you can directly enter the he family’s Gate!” ”

“Xu Yao was a little speechless as she said, “Mom, don’t worry too much!” ”

Chapter 1944: 393: Remember Everything (First Watch)1

“To Xu Yao, her mother was worrying over nothing. ”

She was annoyed by her nagging.

“Mother Xu smiled and said, “Okay, okay, okay. As long as you know what you’re doing.” Maybe she was really worrying over nothing. After all, Xu Yao was so capable. ”

“Now, who in her family didn’t Envy Xu Yao? ”

They were all counting on Xu Yao to build a bridge and pave the way for their sisters after she married into a wealthy family!

“After saying that, mother Xu continued, “Come down after you’re done applying your lipstick. I’ll go down first.” ”

“Okay.” Xu Yao nodded.

“Soon, mother Xu came downstairs. ”

“”Little he, Yaoyao is still changing. Please wait for a while and chat with your uncle. Don’t be anxious.” ”

“He ziteng smiled and said, “Aunty, you’re too polite. You said it wasn’t troublesome. I’m Yaoyao’s boyfriend. These are all things that I should do.” ”

“Mother Xu said, “Little He, you’re really a good child. Our Yaoyao has finally found the right person.” ”

He ziteng felt a little embarrassed after being praised.

“At this moment, footsteps sounded outside the door. Following that, the voice of a servant was heard, “Eldest miss.” ”

“In this family, the person who was called eldest miss was naturally Xu Chaonan. ”

“As expected, the next second, Xu Chaonan walked in from outside the door. ”

“When he saw Xu Chaonan, he ziteng immediately stood up from the sofa and greeted politely, “Aunt.”
”

“Xu Chaonan did not have much expression on his face, nor was he as attentive as his brother and sister-in-law. He only nodded at he ziteng and then strode upstairs. ”

“When she saw this scene, mother Xu frowned. ”

This Xu Chaonan was really too much!

She was clearly throwing a tantrum for he ziteng to see.

She was jealous that Xu Yao found such a good boyfriend and wanted to ruin this good marriage.

It was really too disgusting!

How could there be such an aunt in the world?

Mother Xu was very angry and wanted to rush up and give he chaonan a slap.

Father Xu was also a little angry.

He ziteng was the future son-in-law of the Xu family after all. What did Xu Chaonan mean by this?

Should he be more enthusiastic towards he ziteng?

He really didn't act like an aunt at all.

“Father Xu poured a cup of tea for he ziteng and said with a smile, “Little He, don't mind her. My Sister, Yaoyao's aunt, has always been like this. She treats everyone like this. She's not targeting you.” ”

""I know, Uncle."He ziteng nodded. "

Xu Chaonan walked all the way upstairs and happened to bump into Xu Yao who was walking downstairs.

"Xu Yao had always been a sweet-talker. When she saw Xu Chaonan, she immediately smiled and said, "Auntie is back." "

""Mm."Xu Chaonan nodded. He didn't want to say anything, but after thinking for a while, he still said, "Yaoyao." "

""What's wrong, Auntie?"Xu Yao turned to look at Xu Chaonan. "

"Xu Chaonan continued, "I'm your Auntie, and you're my biological niece. So, I'm going to ask one more question today. Are you and he ziteng serious?" "

"Yes."Xu Yao nodded.

"Xu Chaonan looked at Xu Yao and continued, "Since it's serious, I hope you can treat this relationship well. Love is most afraid of lies and deceit." "

There were some things that could not be said.

Xu Yao understood what she meant.

"In this relationship, Xu Chaonan only saw Xu Yao's schemes against he ziteng. "

"There was no love, nor did she like him. "

But paper could not contain fire.

A marriage that relied on schemes would never be happy.

“As an aunt, Xu Chaonan did not want to see his niece regret. ”

“Xu Yao looked at Xu Chaonan and smiled, “Aunt, don’t worry. I understand what you’re saying.” ”

“Actually, Xu Yao could see through Xu Chaonan’s thoughts. ”

His mother was right.

Xu Chaonan was jealous of her.

He was jealous that she could marry he ziteng.

“Once she married he ziteng, the Xu family’s status would rise like bamboo shoots after a rain. As for Xu Chaonan, he would naturally become an unimportant person. ”

How could Xu Chaonan not be worried?

“If it wasn’t for the fact that the Xu family couldn’t leave Xu Chaonan’s help for the time being, she would have torn off Xu Chaonan’s mask with her own hands long ago. ”

Unfortunately.

She couldn’t do it now.

“Xu Chaonan nodded and patted Xu Yao on the shoulder, then said, “It’s good that you know what to do.” ”

“Xu Yao continued, “Aunt, I’ll be going down first. I’m going to watch a movie with Ziteng later.” ”

“”You go ahead,”Xu Chaonan said. ”

Xu Yao turned around and went downstairs.

“Seeing Xu Yao leave, Xu Chaonan narrowed his eyes. ”

Xu Yao went downstairs. “Ziteng.”

“Yaoyao.”He ziteng stood up.

“Xu Yao looked at her parents. “Dad, Mom, the movie is about to start. We’ll be leaving first.” ”

“”Okay, you guys go ahead. Little He, drive slowly on the road.” ”

“He ziteng nodded. “I know, uncle and Auntie.” ”

Xu Yao followed he ziteng to the parking lot.

“After getting into the passenger seat, Xu Yao turned to look at he ziteng. “Do you know why I made you wait for so long?” ”

“Why?”He ziteng asked.

“Xu Yao said, “Because I’m testing you.” ”

This was the point of 'doing'. Xu Yao directly told he ziteng her purpose. The effect was much better than he ziteng's own guess.

"Test what?" He ziteng asked.

"Xu Yao smiled and said, "Of course it's to test your patience! If you don't even have the patience to wait for your girlfriend to put on makeup and go out, then why would I keep you as my boyfriend? To celebrate the New Year?" "

"He ziteng laughed out loud. "You're right. So, have I passed my test?" "

Xu Yao's guess was very right.

He ziteng really liked Xu Yao who would occasionally 'Act'.

That was because all the girlfriends he had met before were overly gentle and considerate.

"Whatever he said was true. They had never had their own thoughts, just like a tool person. "

Xu Yao was very different from them.

"Xu Yao had her own thoughts, and she would not give in to her. She would eat whatever she wanted to eat, and she would not hide anything from herself. "

He ziteng liked Xu Yao very much.

""Just barely," Xu Yao continued, "It would be even better if my mom did not rush me upstairs." "

"He ziteng held the steering wheel with both hands. "I'm Innocent! I did not let Auntie go up. I even stopped Auntie, but Auntie insisted on rushing you. It has nothing to do with me." "

"Is that so?" Xu Yao asked.

""Of course it is." He ziteng continued, "By the way, does your aunt not approve of me?" "

"Every time he ziteng went to the Xu family's house, Xu Chaonan would act the same. "

"Xu Yao said, "My aunt is like that. You Don't have to worry about her." "

""Yes." He ziteng nodded. "By the way, I have something to tell you." "

""Go ahead," Xu Yao said. "

"He ziteng continued, "Are you free tomorrow morning?" "

Go Up Tomorrow?

He ziteng asked if she was free...

What did he ziteng mean?

Was he taking her home to meet her parents?

"Xu Yao narrowed her eyes and continued, "There seems to be a class reunion. Why?" "

"There's a class reunion?" He ziteng frowned.

""Yes." Xu Yao nodded and continued, "Do you have anything else?" "

“He ziteng continued, “I originally wanted to bring you home to meet my parents. After all, we’ve been together for such a long time. I’ve already met your parents!” ”

“”Oh, that’s what you’re talking about. Then I’ll go home with you tomorrow morning to meet my parents,”Xu Yao said. ”

“He ziteng turned to look at Xu Yao and continued, “But don’t you have a class reunion tomorrow?” ”

“Xu Yao said, “Meeting my parents is a big deal. How can I miss the opportunity to wish uncle and Auntie a happy new year just for the sake of a class reunion? This is a form of disrespect to uncle.” ”

Xu Yao’s words were grand and dignified. He ziteng was also very satisfied. He did not see Xu Yao’s impatience at all.

“He ziteng had always liked Xu Yao. At this moment, he felt that Xu Yao understood the bigger picture and was a good girl. ”

“At this moment, Xu Yao’s worried voice sounded, “Ziteng, will uncle and Auntie not like me?” ”

“”They won’t.”He ziteng smiled and said, “My parents are very easy to get along with. You are so gentle, kind, and understanding. My parents will definitely like you very much!” ”

“Hearing this, Xu Yao’s face flushed red. She said somewhat embarrassedly, “Really?” ”

“Of course it’s true!”He ziteng nodded.

“Xu Yao continued, “By the way, I still don’t know what uncle and Auntie like. I’m going to wish them a happy new year tomorrow. What should I bring?” ”

“He ziteng said, “You don’t have to bring anything. As long as you go, my parents will be very happy.” ”

""That's not good, right?" Xu Yao asked. "

"He ziteng smiled and said, "I'm serious. My parents have long wanted to have grandchildren. If you go, the two of them will definitely be very happy!" "

On the other side.

At the Cen family manor.

Ye Zhuo woke up from his sleep with a very tired look on his face.

Cen Shaoqing immediately handed him a glass of water. "How is it? Did you see anything this time?"

Ye Zhuo took the water and took a sip. The look in his eyes gradually returned to clarity. "I saw it."

She saw a lot of memories of the past.

"However, it was mixed up with the memories of the present and was a little messy. She needed time to sort it out. "

"After a while, Ye Zhuo slightly raised his eyes and looked at Cen Shaoqing, then he said, "The world I used to live in was called Changyue Country." "

Chapter 1945: 394: Mother Xu needs to see through the truth (second watch)1

Changyue country.

"Planet E-TY889, located outside the Milky Way. "

It was several million light years away from Earth.

“Through this hypnosis, Ye Zhuo recalled many things. ”

“”Changyue Country?”Cen Shaoqing frowned slightly. subconsciously, he felt that this name was somewhat familiar. He continued, “Is it planet E-TY889?” ”

“”Yes.”Ye Zhuo nodded slightly and said with some surprise, “You also know planet E-TY889?” ”

“Cen Shaoqing nodded slightly. “A little. When we were in space, we used the Halley Telescope to observe Planet E-TY889.”However, because planet E-TY889 was too far away from Earth., therefore, Cen Shaoqing knew very little about that place. ”

He didn’t expect Ye Zhuo to come from planet E-TY889.

“After a while, Cen Shaoqing turned to look at Ye Zhuo and opened his thin lips. “So, you’re an Alien?” ”

“”Not really.”Ye Zhuo shook his head slightly, “Even though Chang Yue is on planet E-TY889, their ancestors were born and raised on Earth. Their space civilization reached level 3 several thousand years ago. Later, the leader suggested moving to another planet, but the humans on earth were overloaded, so there was a survival of the fittest.” ”

“However, the humans who went to Planet E-TY889 didn’t expect that the human civilization on Earth would develop so quickly. ”

“That year, after the group of humans boarded the spaceship, they destroyed all the advanced inventions left on Earth. ”

They restored Earth to the appearance of the dinosaurs.

That was why there were later cavemen who drilled wood to make fire...

Cen Shaoqing frowned slightly. "Do you remember anything else?"

"Ye Zhuo continued, "The other rooms are not much different from my memories. The only difference is that I have a younger brother, his name is Ye Han. "However, ever since my accident, Ye Han has disappeared. I wonder how ye Han is now!" "

""Oh right, there's also a battle armor elf named Yi Ling,"Ye Zao continued. "

"It was fine if he couldn't remember it before, but now that he remembered it, ye Zao couldn't wait to go back and take a look. "

"Cen Shaoqing turned to look out of the window and continued, "Zao Zao, do you want to go back and take a look?" "

""Yes."Ye Zao nodded slightly and continued, "However, Planet E-TY889 is too far away from Earth." "

"Although she had the most advanced technology, the energy on Earth was limited. She could not find a way to go back in such a short time. "

Cen Shaoqing narrowed his phoenix-like eyes. The depths of his deep eyes were pitch black. No one could see clearly what he was thinking.

...

The next day.

"Early in the morning, he ziteng drove over to pick up Xu Yao. "

"Unlike last night, Xu Yao was already familiar with her appearance and was waiting for him at the entrance of the villa. "

“He ziteng smiled and said, “Why? Aren’t you going to test me today?” ”

“Xu Yao said, “I originally wanted to test you, but I decided to let you off at the last minute.” ”

“Then should I thank you?”He ziteng turned to look at Xu Yao.

“Xu Yao fastened her seatbelt and continued, “There’s no need for that. After all, I didn’t test you because of uncle and Auntie! If you want to thank me, go thank uncle and Auntie!” ”

This sentence was also an indirect expression. She was not the kind of girl who did not know her place.

“Although she was ‘acting’, she had her own set of circumstances. ”

“It was fine for a couple to watch a movie together, but seeing their parents was a big deal, they could not act anymore. ”

He ziteng felt that Xu Yao was more sensible.

“If it were other girls, they would definitely not be half as sensible as Xu Yao. ”

“Xu Yao continued, “Oh right, I brought some snacks that I personally made for uncle and Auntie. I don’t know if they will like it.” ”

A big family like the He family did not like any nutritional or luxury items at all.

What they valued was the sincerity.

“Gifts were light, but affection was heavy. ”

“Hence, Xu Yao prepared the handmade snacks. ”

“Although she did not personally make them, the chefs at home did. ”

They were all handmade pastries. What else could the he family’s parents possibly know?

He ziteng smiled and nodded. “They like it. They’ll definitely like it very much.”

“Xu Yao said, “Really?” ”

“”Yes, of course it’s true.”He ziteng nodded. ”

“For a kind-hearted girl like Xu Yao, unless the he family’s parents were blind, they wouldn’t like her. ”

On the other side.

The He family.

The He family’s parents were also quite nervous.

“He ziteng had had a girlfriend before, but this was the first time he had brought one back. ”

“From this, it could be seen that he ziteng was serious this time. ”

Especially father he. He buttoned his shirt again and again and turned to look at mother he. “Do you think I can do this?”

“”Sure, no problem.”Mother he was a little speechless. “It’s your son who brought his girlfriend back, not you. What are you nervous about?” ”

“Father he said, “I’m not nervous. I’m not nervous at all. What’s there to be nervous about?” ”

Mother he saw through it and did not say anything.

“At that moment, the sound of a car engine came from outside the door. ”

Father he immediately reacted. “They’re here! They’re here! Ziteng and the others are back!”

“Hearing that, mother he was also a little nervous. She looked at father he and said, “Do you think I’m so appropriate today?” ”

“”Proper, very proper!” Father he nodded and said with a smile, “Didn’t you just say that you weren’t nervous?” ”

Mother he rolled her eyes at him. “How am I Nervous?”

“At this moment, the sound of footsteps gradually approached. ”

“Mother he continued, “Let’s go out and take a look.” ”

Father he nodded and followed mother he’s footsteps.

The two of them came to the door.

They saw he ziteng walking in with a young girl.

“The girl was about twenty-one or twenty-two years old. She was wearing a white one-piece dress, a black down jacket, and a pair of beige knee-high boots. ”

She looked young and beautiful.

“But for some reason, when mother he saw her for the first time, she subconsciously resisted. She didn’t like it and frowned slightly.”

“Although she was a little unhappy, mother he didn’t show it. She smiled and greeted, “You’re back!” ”

“”Yes.” He ziteng nodded and continued, “Father and mother, let me introduce you. This is my girlfriend, Xu Yao. Yaoyao, this is my parents.” ”

“Xu Yao said very politely, “Hello, uncle and Auntie. I’m Xu Yao. You Can Call Me Yaoyao.” ”

“Father he was about to speak when mother xu interrupted him, “Hello, Miss Xu.” ”

Miss Xu?

“When she heard this, Xu Yao’s expression froze for a moment before disappearing.”

Mother he was resisting her?

Didn’t like her?

Why?

She didn’t do anything that mother Xu disliked...

“Father he patted mother Xu’s arm without leaving a trace. “Ziteng, quickly bring Miss Xu in.” ”

“Quickly come in.”

The few of them walked into the house.

“Xu Yao took out a beautifully wrapped handmade snack and continued, “Uncle and aunt, the first thing I did was to come over. I don’t know what you two like to eat. This is a pastry that I personally made. Please try it and see if it suits your appetite.” ”

“Father he said in surprise, “Miss Xu, you can also make pastries?” ”

Xu Yao nodded. “I’m just making them for fun. As long as uncle doesn’t mind.”

““Don’t mind, don’t mind.”Father he picked up two pastries and handed one to mother he. “Xunfang, have a taste too.” ”

“Mother he smiled and said, “My teeth have been hurting recently, so I can’t eat anything too sweet.” ”

“He ziteng frowned slightly. He knew that his mother was deliberately making things difficult for Xu Yao, so he continued, “Mom, I remember that you don’t have a toothache problem.” ”

Mother he glanced at he ziteng. “Aren’t all kinds of problems when you’re Old?”

“Xu Yao smiled and said, “Auntie, you’re not old at all. You look much younger than my mother.” ”

Mother he smiled and did not reply.

She had only disliked Xu Yao a little.

“After these few sentences, she looked down on Xu Yao even more.”

Because Xu Yao’s words were full of deliberate flattery.

Other than deliberate.

Xu Yao was also a little hypocritical.

“This pastry was obviously made by the pastry chef, but she insisted that it was made by herself.”

Did she really think that she couldn't see through it?

Only He ziteng was foolishly deceived by her.

“Mother he was born into a wealthy family. In all these years, she had seen all kinds of people who had traveled far and wide?”

She could tell at a glance who Xu Yao was.

“This was only the first time they had met. If Xu Yao lied to them like this, what would happen if she really married into the He family in the future?”

He ziteng felt that his mother had gone too far.

“Xu Yao was such a good girl, but his mother had actually made things difficult for her.”

“If it were anyone else, they would have been angry long ago. However, not only was Xu Yao not angry, she was smiling at him instead.”

“Father he tasted a piece of pastry and continued, “This taste is really not bad. It's even better than the ones I bought. Miss Xu, you're really amazing!” ”

""Uncle, I'm sorry. If you like it, I'll often make it for you in the future. It's a pity that Auntie can't eat anything too sweet."After saying that, Xu Yao looked at mother he, then she said, "Auntie, if there's a chance next time, I'll make it sugar-free for you." "

"Mother he smiled slightly and looked up at Xu Yao. She said unhurriedly, "It's better to choose today. Why don't we do it today? I Can't wait to try Miss Xu's cooking." "

Chapter 1946: 395: Who Are you putting on an act for? (third watch)1

Didn't Xu Yao say that she made these pastries herself?

Mother he wanted to see how Xu Yao would make these pastries.

"When she said this, Xu Yao was stunned. "

It seemed that she wasn't hallucinating.

Mother he really didn't like her.

"Otherwise, she wouldn't have made things so difficult for her. "

Xu Yao narrowed her eyes without a trace. She really couldn't figure out how she had offended mother he.

It seemed that mother he didn't like her from the start.

Why was that?

Could it be that mother-in-law and daughter-in-law were really natural enemies?

No.

She had to think of a way to make mother he treat her as her biological daughter.

“Hearing this, father he immediately said, “Xunfang, what are you talking about! There’s no reason for the guests to do anything! If you want to eat sugar-free higher food, just let the pastry chef do it.” ”

“After saying that, father he looked at Xu Yao and said somewhat embarrassedly, “Miss Xu, I’m sorry. Your aunt is joking with you. She loves to joke!” ”

“At the end of his sentence, father he and father he laughed a few times to resolve the awkwardness. ”

“Mother he smiled and said, “I’m not joking with Miss Xu. I just don’t know if I have the honor to eat the pastry that Miss Xu personally made?” ”

“”Look at what you’re saying, Auntie. It should be my honor to personally make pastries for you.”Xu Yao looked into he ziteng’s eyes and continued, “Ziteng, where’s your family’s pastry shop?” ”

“Of course, he ziteng wouldn’t really let Xu Yao go to the pastry shop. ”

“Xu Yao was here as a guest today, not to make pastries. “Yaoyao, my mother is just joking with you! Just Sit Down.” ”

Mother is really too much!

It was also because of Xu Yao’s good character that she had endured until now.

“Mother he looked at Xu Yao, her beautiful eyes slightly narrowed. Xu Yao was more scheming than she had imagined. ”

"These pastries were obviously not made by her, but she was so calm. "

"Her face was not red, and her heart was not beating. "

"If it was not for her good eyesight, she might have really been deceived by Xu Yao. "

""Ziteng, do you think your mother is the kind of person who likes to joke around?"Mother he looked at he ziteng and continued, "Miss Xu, since Ziteng isn't willing to bring you, I'll bring you. You come with me." "

A dark light flashed in Xu Yao's eyes.

"Ouyang Xunfang, this old B * Tch! "

How had she offended her? !

"Mother!"He ziteng stood up as well.

"Mother he smiled and said, "If you want to come, you can come too. You can learn how to make pastries from Miss Xu. You've grown so big, you probably don't even know how to make flour, right?" "

He Ziteng didn't say anything and pulled Xu Yao's arm.

"Xu Yao looked up at He ziteng and said in a low voice, "I'm fine." "

"Seeing Xu Yao like this, he ziteng sighed and said, "I'll go with you." "

"Okay."

“Soon, they arrived at the pastry shop. ”

“When the pastry chef saw that the family of three had arrived, he said in confusion, “Sir, Madam, Young Master.” ”

“Mother he nodded and said, “Master Zhu, you go and rest first. Leave the pastry shop to Miss Xu.” ”

Master Zhu nodded.

“Standing in front of the pastry shop, Xu Yao frowned. She was already regretting in her heart. Why did she say that she made the pastry herself. ”

She did not expect that mother Xu would let her make pastries on the spot!

What should she do now?

She did not know how to make pastries at all.

Wouldn't she be exposed later?

“She had always had a good girl image in front of He ziteng. If he ziteng knew that she actually lied, he ziteng's impression of her would definitely worsen. ”

“No, no. ”

She could not let such a thing happen.

Xu Yao clenched her fists.

“Mother he saw the change in Xu Yao's expression, and the corners of mother he's lips curled up. ”

Just you wait.

Xu Yao's Fox tail was about to be exposed.

She wanted to see how Xu Yao would end up.

"Mother he continued, "Miss Xu, all the tools in the pastry shop are very complete. If you need anything, just let us know." "

"After saying that, mother he looked at he ziteng again. "Ziteng, take a good look at how Miss Xu's pastry is made!" "

"Got it," he ziteng said reluctantly. "

"Father he tugged at mother he's sleeve without a trace and said in a low voice, "Xunfang! Enough is enough!" "

"Today was the first time miss he came to the house, so why make things difficult for her?" "

"Mother he lowered her eyes slightly and said in a voice that only the two of them could hear, "Go and check this need. See if she is Xu Chao's niece." "

"Father he was a little speechless and said, "Is it because this girl's surname is Xu that you want to make things difficult for her?" "

"Mother he could not be bothered to explain anything to father he. "If I tell you to go and check, then go and check!" "

"OH." Father he was like a little daughter-in-law who had been bullied. He lowered his head and walked out.

“Mother he looked at Xu Yao and said, “Miss Xu, you can start now.” ”

“Okay.” Xu Yao nodded. She put on the pastry chef’s clothes and the white dust-proof hat. She stood in front of the pastry counter and pretended to do the preparations.

“Xu Yao looked very shocked, but she was actually very panicked. ”

What should she do?

What method should she use to resolve this?

“If this continued, she would really be exposed! ”

“At this moment, Xu Yao’s eyes lit up as if she had thought of something. ”

“He ziteng stood at the side and watched Xu Yao busy herself. He felt very reluctant and continued, “Yaoyao, do you need my help?” ”

“Xu Yao smiled and looked up. She continued, “No need, I can do it myself. Don’t get your clothes dirty.” ”

“He ziteng nodded. “If you need my help, just let me know.” ”

““Okay,” Xu Yao said. ”

“Xu Yao finished patching up the flour and was about to get the mold. When she passed by mother he, she slipped and fell to the ground. ”

Bang!

Even mother he was shocked.

Who would have thought that Xu Yao would suddenly do this.

“However, thinking about it carefully, it was actually within his expectations. After all, Xu Yao didn’t know how to make pastries. If she didn’t create some accidents, how could she avoid this? ”

“However, Xu Yao was even more terrifying than mother he had imagined. ”

She was too cruel to herself!

An ordinary person wouldn’t be able to do it.

“Seeing Xu Yao fall to the ground, he ziteng’s heart ached terribly. He immediately ran over to help Xu Yao up. “Yaoyao, are you alright?” ”

“Mother he continued, “From the looks of it, I shouldn’t be able to make pastries anymore. Miss Xu, I wonder if I’m right?” ”

The meaning behind her words was very obvious.

Xu Yao bit her lip and didn’t say anything. Her face was full of grievance.

I can’t help but feel sorry for her.

“”Mother, what do you mean?”He ziteng was speechless. “Do you mean that Yaoyao fell on purpose?”He ziteng really didn’t understand why his mother would go against Xu Yao! ”

“They were both women, why would a woman make things difficult for a woman! ”

"Hearing that, Xu Yao immediately said, "It's okay, I'm fine. Don't worry, Auntie, I can still continue to make pastries." "

"What can you do!" He ziteng said angrily, "Your Hand is bleeding!" "

"After saying that, he ziteng grabbed Xu Yao's hand and said, "Mom, take a look for yourself!" "

"Xu Yao's hand was pressed against the metal plate on the side. Because the penetration force was too strong, it caused a deep cut on her hand. "

"After a while, her entire hand was dyed red with blood. "

He ziteng's heart ached terribly. He wished that he could directly replace Xu Yao and suffer this pain!

"Although her hand was injured, Xu Yao did not cry out in pain. Instead, she said with a smile, "Ziteng, I'm really fine. You Don't have to be so nervous. You just need to bandage it up." "

"He ziteng frowned. "It's already like this, and you still say it's fine!" "

Then what was considered fine?

Mother he looked at this scene coldly. The sarcasm in her eyes could be clearly seen.

Xu Yao's acting was really too clumsy.

"From the beginning, she knew that Xu Yao would definitely do something. "

"After all, she did not know how to make pastries at all. "

“Ziteng, take Miss Xu to bandage her wounds first,” mother he said. ”

A person would only grow after experiencing it.

“Perhaps this was the path that he ziteng had to take, as long as she could see Xu Yao’s true face clearly.
”

“He ziteng glanced at his mother, then pulled Xu Yao out. “Yaoyao, let’s go.” ”

“Xu Yao was pulled away by He ziteng. Before she left, she didn’t forget to tell mother he, “Auntie, I’ll be leaving first.” ”

“Not long after the two of them left, father he ran over breathlessly. “Xunfang, Xunfang.” ”

Mother he turned to look at father he. “How is it? What did you find out?”

“Father he continued, “You guessed right. Xu Yao is Xu Chaonan’s niece.” ”

Mother he nodded. “No wonder. No wonder my first impression of her was not good.”

“Then what should we do now?” Father he said worriedly, “From the looks of it, Ziteng seems to love her very much.” ”

“Just Xu Yao? Is she worthy of our Ziteng’s Love?” Mother he continued to ask, “Do you know why I brought Xu Yao to the pastry shop to let her make pastries?” ”

Father he shook his head. He was more honest and did not have as much foresight as mother he.

“Mother he continued, “I just want to let Ziteng see how hypocritical his girlfriend is. Those pastries were clearly not made by her, and she even said that she made them herself!” ”

Chapter 1947: 396: Start Living Together (fourth watch)1

"Hearing this, father he said in surprise, "Xunfang, are you saying that she didn't make those pastries herself? !" "

He really couldn't tell.

He had always thought that these pastries were really made by Xu Yao herself.

"Mother he glanced at him. "You two father and son, you're simply more pampered than the other!" "

He ziteng was exactly the same as father he.

He did not have a brain at all.

"Father he scratched his head, then, he said, "No wonder she was injured the moment she entered the pastry shop! So it's because of this! I can see that her wound is not shallow. She's really cruel to herself! This kind of girl really can't be taken! It's too scary!" "

"Looking at father he, mother he shook her head helplessly. "

"On the other side, in the study. "

He ziteng called the family doctor over to dress Xu Yao's wound.

"The family doctor pinched Xu Yao's hand. "Miss Xu is really lucky. She was just a little bit away from severing her meridians. When that time comes, she'll have to undergo surgery!" "

“Hearing this, he ziteng felt a lingering fear. “Fortunately, I’m Fine!” Otherwise, he would never forgive himself for his entire life. ”

“The family doctor continued, “However, although the meridians were not injured, the wound is considered quite deep. It’ll need a few stitches to heal.” ”

“The moment he heard about the stitches, he ziteng became even more worried. ”

“Xu Yao smiled and said, “It’s alright, don’t worry. It’s just two stitches, right? What are you afraid of If I’m not afraid?” ”

““Yaoyao, I’m sorry,”he ziteng said guiltily. ”

He was the one who had let Xu Yao down. He did not protect her well.

“Xu Yao said gently, “It’s alright. I’m really alright. It doesn’t hurt at all. I Can’t blame anyone for this. I can only blame myself for being careless.” ”

“If there was anyone to blame, it was actually someone else. ”

“If mother he didn’t insist on Xu Yao making pastries, Xu Yao wouldn’t have fallen. If Xu Yao didn’t fall, she wouldn’t have cut her hand. ”

“He ziteng continued, “My mother is usually quite nice. I don’t know why she suddenly became like this. Yaoyao, I...” ”

“Xu Yao interrupted he ziteng’s unfinished sentence, “Ziteng, what are you talking about! ! What does this have to do with Auntie? It was all my own carelessness. If I want to blame someone, I can only blame myself for not preparing well. I should have prepared a sugar-free pastry for auntie so that this wouldn’t happen!” ”

“At the end of her sentence, Xu Yao’s voice was filled with self-blame.”

It was all her fault.

“The more Xu Yao acted like this, the more he ziteng’s heart ached. “Yaoyao, don’t worry. I will try my best to convince my mother to accept you! I will definitely not let you suffer in vain.” ”

Xu Yao looked at He Ziteng and curled her lips slightly.

He ziteng was an idiot!

“A moment later.., xu Yao continued, “Ziteng, I’m an outsider after all. It’s normal for Auntie to not be able to accept me for a while. If it were me, I wouldn’t be happy to have my son, who I’ve raised for more than 20 years, suddenly bring back an unfamiliar girl. So, I can understand Auntie.” ”

“Speaking up to this point, Xu Yao looked at he ziteng. “Ziteng, I don’t wish for your relationship with Aunty to become so strained because of me.” ”

Xu Yao’s words were reasonable and reasonable. There wasn’t a single mistake that could be picked out. He ziteng was extremely touched.

““Yaoyao, thank you.” ”

“Xu Yao smiled and said, “Are you stupid? Why are you thanking me?” ”

“At this moment, the family doctor came over with a bottle of medicine. “Miss Xu, it’s time to prepare for the stitches.” ”

“He ziteng asked nervously, “Will it hurt?” ”

"The family doctor smiled and said, "It will definitely hurt. Of course, you can also apply anesthetics. However, because it's on your hand, applying anesthetics may affect your movements for the next two days. In addition, Miss Xu's injury is on her right hand." "

"There's no need to apply anesthetics." Xu Yao looked at the Doctor. "I can do it."

""Do it, do it, do it! You have to do it! How can you stand it if you don't use anesthetic!" He ziteng could not bear to see Xu Yao suffer that kind of physical pain! "

"Xu Yao looked at he ziteng and continued, "But anesthetic will affect the operation for two days." "

"Xu Yao did not dare to directly stitch without anesthetic. The reason why she said that was because she knew that he ziteng would definitely speak up to stop her. When that time came, she could officially make a request. "

Just like now.

"She followed the family doctor's words and said that the anesthetic would affect her actions for two days. Next, he ziteng would definitely say that he could be her hand. "

"As expected, he ziteng's next sentence was, "I can be your hand. In the next two days, if you have any problems, just call me directly." "

"Really?" Xu Yao raised her head and looked at he ziteng in surprise.

"He ziteng nodded. "Of course, it's true." "

"After he said that, he ziteng turned to look at the family doctor. "Doctor Mi, give me the anesthetic." "

""Okay." Doctor mi nodded. He took out the anesthetic, drew it into the syringe, and injected it into Xu Yao's arm. "

“Xu Yao grabbed he ziteng’s hand with her left hand and said with her eyes closed, “I’m afraid of Pain.” ”

“”Don’t worry, it doesn’t hurt.”He ziteng continued, “You said it didn’t hurt when your hand was cut, so why are you afraid of this?” ”

“Xu Yao said, “That’s different. I’ve been afraid of needles since I was young.” ”

He ziteng felt that the girl who was afraid of needles was very cute.

“Doctor mi said, “I’m going to start the anesthesia.” ”

He ziteng covered Xu Yao’s eyes with one hand.

“When he ziteng could not see, Xu Yao curled the corner of her lips, and her eyes were full of pride. ”

“Soon, the anesthesia was done. ”

The doctor began to stitch Xu Yao up.

“Because the wound was relatively large, a total of more than ten stitches were stitched up. ”

The doctor told them some things to take note of.

“He ziteng stood up and said, “I’ll send you back.” ”

Xu Yao nodded. “Then let’s go to uncle and aunt’s place to say Hello First.”

“His mother had caused Xu Yao to be in this state, but she had not said a word until now. He ziteng did not want Xu Yao to go and say hello to them. ”

Too Much!

This was too much!

““There’s no need to greet them,”he ziteng said. ”

“Since his parents did not treat Xu Yao as a guest, Xu Yao did not need to respect them. ”

“Xu Yao smiled and said, “Ziteng, when did your temper become so bad? We’re all family. Why do you have to make things so awkward? Besides, you’re the only son of your parents. If you ignore them, they will definitely be very sad.” ”

“He ziteng looked at Xu Yao and sighed. “Yaoyao, you’re too kind!”Sometimes, being overly kind was not a good thing. ”

“If Xu Yao could be a little stronger, she wouldn’t have been bullied by mother he. ”

It was all his fault.

He didn’t take good care of Xu Yao.

He ziteng blamed himself.

“Let’s go.”Xu Yao pulled he ziteng. “Let’s go see uncle and aunt and greet them.”

“Xu Yao insisted on going, so he ziteng had no choice but to go with her. ”

“When they arrived at the He family’s parents’ room, Xu Yao smiled and said, “Uncle and aunt, sorry for making a fool of myself today. I’ll go back first.” ”

""Okay." Father he nodded and said, "Take it easy on the road. I'll get the driver to send you back." "

"Before Xu Yao could say anything, he ziteng said, "No need to trouble uncle Wang. I'll send Yaoyao back." "

Mother he looked up at He ziteng. "You stay here. I have something to tell you."

""If you have something to say, we'll talk when we get back." After saying that, he ziteng held Xu Yao's hand and turned to leave. "Let's Go!" "

Xu Yao followed he ziteng's footsteps.

"Looking at He Ziteng's back, mother he's expression was very bad. "

How could she have given birth to such a stupid son!

She couldn't even tell that Xu Yao was putting on an Act!

He ziteng held Xu Yao's hand as they walked out of the door and got into the car.

"Because Xu Yao's hand was inconvenient, he ziteng was the one who helped to fasten the seatbelt. "

"Xu Yao hesitated for a moment before saying, "Ziteng, I want to discuss something with you." "

""What is it? There's no need to discuss. Just tell me directly," he ziteng said. "

"Xu Yao continued, "I want to stay at your place for a few days." "

He ziteng was stunned. He did not understand Xu Yao's intention.

"Xu Yao immediately explained, "My hand was injured. When I go back, my parents will definitely ask me what happened at Your House today! "My parents already felt that there was a huge gap between us. They felt that I was not good enough for you. If they saw that my hand was injured, they would definitely disagree with this matter even more." "

"At this point, Xu Yao continued, "I'm the only child in my family, so my parents will be a little nervous. Ziteng, don't mind me. If it's really inconvenient for you there, you can just send me to a hotel." "

"Actually, Xu Yao's real intention was to stay with he ziteng and get pregnant with he ziteng's child as soon as possible. "

"The first time she and he ziteng got pregnant, it didn't go smoothly. "

"She thought that she could get pregnant without being married, but after meeting the he family's parents today, she realized how important it was to get pregnant without being married! "

She had to get pregnant with he ziteng's child. Only then would she be able to sit firmly in the position of the He family's matriarch!

"Hearing this, he ziteng smiled and said, "I can't wait for you to stay at my place every day!" "

Chapter 1948: 397: Mother He: she's a scheming woman! (fifth watch)1

"Hearing this, Xu Yao smiled and said, "Really?" "

He ziteng held the steering wheel with one hand and held Xu Yao's arm with the other. "Of course it's true. Do you know that I've been dreaming of Marrying You Back?"

Xu Yao slapped his hand back. "Drive well."

"Yes." He ziteng immediately sat up straight.

A glimmer flashed across Xu Yao's eyes.

The speed of the car was neither fast nor slow. They arrived at He Ziteng's residence about 15 minutes later.

He ziteng lived in a high-end apartment.

"It was not Xu Yao's first time here, so the moment she entered the apartment, she looked up at He ziteng. "Ziteng, you should go back first. Auntie is still waiting for you at home!" "

He ziteng was a little worried. "Then can you do it alone?"

""Yes, no problem." Xu Yao smiled and said, "I'm not a child anymore, what's wrong with that? Go quickly! Don't make Auntie Wait for You!" "

He ziteng nodded. "Then I'll be back soon."

""Okay." Xu Yao sent he ziteng out of the door and then reminded him, "After you go home, don't quarrel with uncle and Auntie. Harmony makes money. Moreover, you're a junior." "

"He ziteng sighed with emotion at Xu Yao's kindness and nodded, "Okay, I understand. Yaoyao, don't worry, I know what to do! But this matter, I will not let it go just like that. I will ask my mother to give you an explanation." "

"Xu Yao smiled and said, "Ziteng, I am already very satisfied that you have such a heart. I believe in You and know that you are not some MAMA's boy. You Don't have to explain anything to me. I really don't blame anyone for everything that happened today." "

He ziteng reached out and hugged her

“Seeing that he ziteng’s car had disappeared outside the door, Xu Yao picked up her phone and sent a wechat message to her parents, telling them about the situation here.”

The Xu parents were naturally willing to let Xu Yao and he ziteng live in the same room.

“After all, if that was the case, it would be easier for Xu Yao to conceive he ziteng’s child.”

“Once Xu Yao was pregnant with He Ziteng’s child, would she need to look down on others in the future?”

On the other side.

He ziteng returned home.

“Waiting for him was mother he, whose face was filled with anger.”

“Mother he was angry, and he ziteng was even angrier than her.”

“But when he thought of Xu Yao’s instructions, he ziteng still calmly said, “Dad, Mom.” ”

“Mother he looked at he ziteng and said, “Have a seat.” ”

He Ziteng sat opposite his mother.

““Xu Yao is not suitable for you,”mother he said.”

He ziteng regarded Xu Yao as the love of his heart. He would not marry her unless it was her. How could he stand such words.

""Mother, Xu Yao is a kind-hearted and good girl. Other than her family background, she has everything she wants. Why isn't she suitable for me?" "

"He ziteng's mother continued, "Based on her hypocrisy, she lied to her parents on her first visit. She's not suitable for you." "

"Hypocrisy? Lies?"He ziteng frowned slightly. "When has Yaoyao ever done such a Thing?"

Xu Yao was a good girl who never lied!

"If the person in front of him was not his biological mother, he ziteng would have fallen out with her long ago. "

This was too much!

How could she treat Xu Yao like this?

""You don't really think that Xu Yao made those pastries herself, do you?"Mother he looked at He ziteng. "

"He ziteng asked in return, "If she didn't do it, could it be that you did it? Mother, one has to have a conscience. In order to make the pastries for you, yaoyao had her hands sewn up 10 times! But she didn't complain at all to you. She even blamed herself for all the mistakes!" "

"Mother he was a person who couldn't show her emotions. Usually, no matter how angry she was, she could still maintain a smile. But today, her anger was ignited by he ziteng, "He ziteng! Is it because I have no conscience or because you have no brain!" "

""Mom,"he ziteng felt that his mother was making trouble in the house, "I don't understand what you're trying to do! When I didn't bring my girlfriend back, you and dad urged me every day. Now that I've brought my girlfriend back, you're acting like this again! "Mom, I'm not some Mommy's baby boy that you can control at will!" "

Xu Yao was right. His mother wanted to raise him into a mommy's baby boy.

A Mommy's baby boy who had no opinions and listened to his mother in everything!

"Mother he was really angered to death. Her hands were on the table, and her entire body was trembling. "W-what did you say?" "

"She had never had too much restraint on he ziteng, but he ziteng said such words. "

It was outrageous!

It was simply outrageous!

"He ziteng continued, "Mother, I'm officially informing you now. Whether you agree or not, I want to be with Xu Yao! I want to marry and have children with Xu Yao! Unless I never marry in the future, otherwise, my future wife will definitely be Xu Yao!" "

"After saying this, he ziteng was extremely determined. "

Mother he looked at he ziteng like this. "What if I don't agree?"

"He ziteng said, "I've said it before, I'm not some Mama's boy. Regardless of whether you agree or not, I want to be with Xu Yao!" "

"Father he quickly said, "Ziteng! What nonsense are you talking about! Quickly apologize to your mother. Your Mother is doing this for your own good. She's afraid that you'll regret it in the future! Xu Yao is not your lover!" "

"Doing this for my own good?" He ziteng pointed at himself, his face full of ridicule. "Other than using the phrase 'doing this for my own good' to carry out the kidnapping of love, what else can you say? !" "

How many parents would kidnap their children in the name of 'for the sake of their children'? !

"He ziteng never expected that one day, he would become one of them. "

Ridiculous.

This was too ridiculous!

Mother he looked at he ziteng without any expression on her face. She never knew that this was the image of herself in he ziteng's heart.

""Ziteng, do you really think so?"Mother he looked at He ziteng, then she said, "Think about it carefully. All these years, when have I ever forced you? Who Is Xu Yao? She is a scheming woman who is full of lies. You have never known her! What she has shown in front of you is a fake side!" "

A fake side?

He didn't believe it!

He ziteng would never believe that it was real.

Xu Yao was a rare good girl. She would never lie!

He ziteng had been with Xu Yao for so long. He knew Xu Yao very well.

"He Ziteng knew that his mother was in a rage right now. No matter what she said, his mother wouldn't listen. Thinking that Xu Yao was still waiting for him at home, he ziteng continued, "Mom, calm down first. I'm leaving." "

“Ziteng! Where are you going?” Father he caught up with He ziteng’s footsteps.

“He ziteng stopped in his tracks and turned to look at his father. He continued, “I’m going out to stay for a few days. You stay at home and take good care of Mom.” ”

“”Ziteng!” Father he wanted to say something more, but he had already gone far away with Ziteng. ”

“Father he walked to his mother’s side and continued, “Xunfang, don’t be angry. What’s there to be angry about with your own child!” ”

“Did you hear what he said just now?” Mother he asked.

“Father he nodded. “I did, but those were all angry words. You Don’t have to take it to heart.” ”

Angry Words?

Was what he ziteng said just now Angry Words?

“As a mother, no one knew her son better than she did. ”

Mother he knew clearly that what he ziteng said just now was not angry words. He really wanted to marry Xu Yao.

“However, was she worthy of such a scheming woman like Xu Yao? ”

She was not worthy!

She was not worthy of He Ziteng’s deep love at all!

“Father he continued, “Oh right, just now Ziteng mentioned Mama Baby Boy. What does Mama Baby Boy Mean?” ”

Mother he frowned.

It was obvious that Xu Yao had told he ziteng these words.

“Otherwise, he ziteng would never have said the words ‘Mama Baby Boy’. ”

“Mother he said, “If you don’t know, Go look it up on Baidu!” ”

Father he scratched his head gloomily. “Can’t you just tell me directly? Why are you making it so troublesome?”

“Scram!”Mother he couldn’t take it anymore.

Father he immediately scurried away.

“On the other side, he ziteng returned to the apartment. ”

“Xu Yao was busy working in the kitchen with one hand. When she saw this scene, he immediately trotted over. “Yaoyao, what are you doing? Don’t you know that you’ve just been injured?” ”

“Xu Yao smiled and said, “It’s just a superficial injury. It’s not a big deal. By the way, you didn’t argue with uncle and Auntie when you went back, right?” ”

“He ziteng shook his head. “Don’t worry, I didn’t.” ”

“That’s good.”

“Looking at Xu Yao like this, he ziteng felt his heart ache. ”

“Mother he had slandered Xu Yao in all sorts of ways, but Xu Yao still treated mother he the same. ”

Where could she find such a good daughter-in-law?

But mother he did not know how to cherish her.

“He ziteng took the spatula from Xu Yao’s hand and continued, “I’ll Cook whatever you want to eat.” ”

“Xu Yao smiled and said, “Do you know how to Cook? I’ll do it. You’ll be my assistant.” ”

“That’s fine too.”He ziteng nodded and acted as Xu Yao’s right hand.

“Two hours later, Xu Yao finished cooking three dishes and a soup. The two of them ate at the dining table. ”

“As they ate, the atmosphere became a little weird. Unknowingly, the two of them had become entangled. ”

From the living room to the bedroom.

“Looking at he ziteng who was lying beside her, Xu Yao’s lips curled up. ”

“This time, she must be pregnant with he ziteng’s child! ”

“Chapter 1949: 398: the Cen family’s past, a bigger conspiracy (6th watch)1”

“In the darkness, Xu Yao narrowed her eyes. ”

Her eyes were filled with scheming expressions.

“He ziteng, who was sleeping at the side, did not expect that he had already walked into Xu Yao’s trap. ”

“In a moment, Xu Yao gently lifted the blanket, walked out of the door, and opened her phone. ”

“In the inbox, there was an unfamiliar text message. ”

“[Yaoyao, long time no see.] ”

“Although the person who came did not mention his name, Xu Yao suddenly thought of him. ”

Her eyes were slightly red.

“After a long while, Xu Yao slowly pressed the delete button. ”

“The next second, a new text message came in. ”

It was still an unfamiliar number.

“[Yaoyao, I still love you.] ”

“[tomorrow at 3:30 p.m. , let’s meet at the coffee shop on the road.] ”

“After browsing through it, Xu Yao pressed the delete button again. ”

“In the room, he ziteng was still sleeping soundly. ”

On the other side.

At the CEN residence.

Cen Shaoqing’s office.

“His assistant was standing by the side. “Master five, this is all the information I can find on Planet E-TY889.” ”

“Okay.”Cen Shaoqing nodded slightly.

“The room was burning with sandalwood incense. Green smoke curled up, making his handsome face faintly visible. ”

“The assistant placed the documents on the desk and said, “Fifth master, if there’s nothing else, I’ll be leaving first.” ”

Cen Shaoqing slowly raised his hand.

The assistant left the office.

“In a moment, CEN Shaoqing picked up the documents on the desk. ”

He narrowed his eyes slightly.

“Half an hour later, Cen Shaoqing left the office and returned to the Cen family home. ”

“Old Madam Cen was waiting for Cen Shaoqing at the door. When she saw him return, she immediately went forward and greeted, “Shaoqing.” ”

“Grandma.”

Old Mrs. Cen wasn't smiling as usual. “Quickly go and see your mother.”

Cen Shaoqing looked up at the electronic calendar on the wall.

It was the third day of the first month.

“On this day of the year, Zhou Xiang would either travel or sit in the bedroom without saying a word. ”

“This was because today was the anniversary of Cen Shaoqing's father, Cen Haifeng's death. ”

Zhou Xiang married Cen Haifeng at the age of 18.

“After five years of marriage, she had five children. ”

Cen Haifeng died unexpectedly when Cen Shaoqing was 16.

“Cen Shaoqing, who was only 16 years old, took the lead and gradually developed the CEN family into what it is now. ”

No one in China could compare.

“When Cen Haifeng died, Zhou Xiang was only 39 years old. ”

“Cen's old lady was not the kind of unenlightened mother-in-law. The second year after Cen Haifeng's death, she advised Zhou Xiang to marry another. ”

“After all, Zhou Xiang was still young. ”

She could not let her waste a lot of her youth in the CEN family.

But Zhou Xiang refused.

“Later, the Cen Old Lady proposed to take Zhou Xiang as a daughter and asked Zhou Xiang to recruit someone back. ”

But Zhou Xiang still refused.

“At that time, people in the circle were laughing at Zhou Xiang’s prudishness, and some people said that Zhou Xiang would not be able to keep it for long. ”

“Unexpectedly, Zhou Xiang kept it for 17 years. ”

“In these 17 years, Zhou Xiang had never done anything out of the ordinary, nor had she left any evidence for outsiders to use against her. ”

This was also the most important reason why old Mrs. Cen liked Zhou Xiang.

“Is my mother upstairs?”Cen Shaoqing asked.

“Yes.”Old Mrs. Cen nodded slightly.

Cen Shaoqing turned around and walked upstairs.

“The door was open. From Afar, one could see Zhou Xiang sitting on the sofa, staring blankly at the photo on the coffee table. ”

The Man in the photo was young and handsome. The corners of his lips curled up slightly. It was the kind of man who could make a little girl scream when he walked out.

“”Mom,”Cen Shaoqing said faintly. ”

“Shaoqing.”Zhou Xiang raised her head to look at Cen Shaoqing.

“Her eyes were not red, and there were no traces of crying. However, people could see endless sadness from her body. ”

“Cen Shaoqing walked over and sat down. “Mom, you’re thinking of my dad again?” ”

“”Yes.”Zhou xiang nodded and continued, “I dreamed about him last night. He’s still the same as before, he hasn’t changed at all...” ”

“”A lot of times, I wonder if nothing happened to your dad. He was just joking around with us.” ”

Cen Haifeng died in a shipwreck.

“There were more than 1,300 people on the ship. All of them sank into the Atlantic Ocean. Even their bodies were not found. ”

“In the Cen family cemetery, there was only a cenotaph. ”

“In the years after Cen Haifeng’s death, Zhou Xiang often dreamed that Cen Haifeng was not dead at all. Cen Haifeng was just joking with her. ”

“In the dream, Zhou Xiang was ecstatic. She wanted to share the good news with everyone. ”

“Outside the door, Zhou Xiang was heartbroken.”

“”Mom, Dad has been gone for 17 years.”Cen Shaoqing’s thin lips parted. “You should have let go of the past long ago.” ”

Let Go.

“Zhou Xiang raised her head to look out of the window and continued, “But why do I feel like all of this just happened yesterday?” ”

It had clearly been 17 years.

But she felt that it had only been for a moment.

“After saying that, Zhou Xiang continued, “Shaoqing, do you think that your father didn’t die? He was just taken away by aliens.” ”

“How could a large ship with more than 1,300 people not find any wreckage? ”

“However, the rescue team searched for more than three years in the vicinity of the accident, but they did not find anything. ”

“In the end, they could only give up on the search and rescue. ”

“All these years, Zhou Xiang had always thought that Cen Haifeng was fine, but she could not find any evidence. ”

“”Mom, don’t let your imagination run wild. Let bygones be bygones! Dad is in heaven, and he doesn’t want to see you like this.” ”

Zhou Xiang sighed.

"After a while, she turned to Cen Shaoqing. "There's one more thing that your grandmother and I haven't told you." "

"What is it?"Cen Shaoqing asked.

""It's about your four sisters,"Zhou Xiang said. "

"Cen Shaoqing seemed to know what Zhou Xiang wanted to say. "Mom, you don't have to say anything. They're my biological sisters." "

"Although Zhou Xiang and old Mrs. Cen hadn't said anything, Cen Shaoqing could tell that the four sisters weren't Zhou Xiang and Cen Haifeng's biological daughters. "

Because the CEN family was not a family that valued sons over daughters!

"When Zhou Xiang gave birth to Cen Shaoqing, she was only 23 years old. It was impossible for her to give birth to four daughters before she was 23 years old. Most importantly, their ages did not match. "

This was the CEN family's biggest secret.

Cen Shaoqing's four sisters were all the children of Cen Haifeng's comrades.

This was also the reason why Zhou Xiang had secretly helped Cen Yuyan after she had done something wrong.

It was because they were all the daughters of Heroes.

"Zhou xiang continued, "No matter what happens, no matter when, Yuying, Yueya, Yuying, Yuyan, they are all your biological sisters." "

Cen Shaoqing nodded slightly.

"After a moment, Zhou Xiang stood up and said, "Alright Shaoqing, go do your work. I'm fine now." "

"Are you really fine?"Cen Shaoqing asked.

""I'm really fine."Zhou xiang smiled and said, "It's been so many years. What could have happened to me?" "

Time could dilute everything.

The families that were in trouble back then had long returned to their normal lives.

Everything was peaceful.

"Seeing his mother like this, Cen Shaoqing did not say anything else and turned to leave. "

"Seeing him come down, Old Mrs. Cen immediately went up to him and asked, "How's Your Mother?" "

""You don't have to worry. She's fine,"Cen Shaoqing replied. "

"That's good."Old Mrs. Cen nodded and heaved a sigh of relief.

"After saying that, old Mrs. Cen continued, "Your mother is a good mother and a good daughter-in-law. Unfortunately, your father's life is short and he couldn't let her enjoy her life." "

"When Cen Haifeng left, he left behind five children, all of whom were still in school. "

"Zhou Xiang, 39, lost her husband overnight, her five children lost their father overnight, and old Mrs. Cen lost her son overnight. "

“To outsiders, this might have been just an accident. ”

“But to them, it was a disaster. ”

“After Cen Haifeng left, many families who said the Cen family had good relations changed their minds faster than flipping a book. ”

“An orphan, a widowed mother, and an old lady. ”

“During that period of time, the Cen family’s life was not easy. ”

“Almost every day, people came to collect debts. ”

“During the most difficult period, the CEN old lady proposed to let Zhou Xiang remarry, but Zhou Xiang refused. ”

“At that time, the Cen Old Lady knew that this daughter-in-law was not married to the wrong person. ”

Fortunately.

“Fortunately, the only man in the family, Cen Shaoqing, was able to support himself at this time. ”

“After the Cen family’s life improved, the Cen Old Lady proposed to let Zhou Xiang recruit a man. She thought that Zhou Xiang would agree this time. After all, she was still young. ”

But Zhou Xiang still refused.

“All these years, the CEN old lady had always felt that the Cen family had let Zhou Xiang down. ”

“As a daughter-in-law, it was really not easy for Zhou Xiang to be able to be so inseparable. ”

“As for old Mrs. Cen, she had long treated Zhou Xiang as her own daughter. ”

“Old Mrs. Cen continued, “I heard that you have been investigating planet E-TY889 recently?” ”

Cen Shaoqing was stunned. “How did you know?”

“Old Mrs. Cen said, “Don’t worry about how I know. Let me tell you, that stupid planet has a lot of bullshit. Don’t investigate it if you can!” ”

Cen Shaoqing nodded slightly.

“”Where’s Yezi?”Old Mrs. Cen continued to ask, “Is she still coming today?” ”

“”She went to south city with uncle and aunt,”Cen Shaoqing said. ”

“To her second uncle’s Place?”Old Mrs. Cen asked.

Chapter 1950: 399: a child that belongs to them (7th watch)1

“Yes.”Cen Shaoqing nodded.

“”You silly boy, you don’t even know how to follow us!”Old Mrs. Cen glanced at CEN Shaoqing and said with disdain, “With you like this, sooner or later, Yezi will be cheated by other Big Hoof Hoof Hoof Hoof Hoof Hoof Hoof Hoof Hoof Hoof!” ”

“Cen Shaoqing pinched the Buddha bead. “Grandma, you’re worrying too much.” ”

Old Mrs. Cen snorted. "I'm nothing."

"On the other side, Ye Zhuo, Lin Ze, and Lin Jincheng, Ye Shu, came to south city together. "

The family of four came by special plane.

The person who arranged the special plane was none other than Cen Shaoqing.

South city was a city with four distinct seasons.

"On the third day of the first lunar month, the warm sun shone brightly. "

"The temperature reached 15 degrees, neither too hot nor too cold. Walking under the warm sun, it was very lively. "

"As soon as they got off the plane, Lin Qingyun and his wife came up to welcome them. They smiled and said, "Jin city, sister-in-law, Ah Ze Zhuozhu, your family of four has finally arrived." "

Ye Zhuozhu and Lin Ze greeted them politely.

"Ye Shu smiled and said, "Second sister-in-law, the weather here is really good. No wonder you're getting younger and younger." "

"South city was now 15 degrees Celsius, and the capital city was minus 15 degrees Celsius. "

It was impossible to raise a flower outdoors.

"Zhang Zhenzhen smiled and said, "Only you know how to laugh at Me! You're even getting younger as you live! You're already an old woman!" "

The two sisters-in-law joked as they walked.

Lin Jincheng and Lin Qingyun were also discussing something in a low voice.

Ye Zhuo and Lin Ze walked at the back.

This family was very handsome. Walking in the airport made many people look back at them.

They were full of admiration.

What kind of immortal family was this.

“Lin Qingyun turned to look at Ye Zao. “Zao Zao, why didn’t you let Shaoqing come over to play for a few days?” ”

“Ye Zao said, “Second uncle, he happened to have something on, so he didn’t come.” ”

“Lin Qingyun nodded and continued, “If you have time, you must let Shaoqing come over to play too.” ”

“Okay.”Ye Zao nodded slightly.

“Zhang Zhenzhen looked at ye Shu and said, “What are fourth brother and sister-in-law busy with? Ask them to come. They said that they won’t be free for a while and that it will be in March.” ”

Fourth brother and sister-in-law were referring to Lin Qingxuan and Xia Xiaoman.

“Ye Shu smiled and said, “The four of them have gone abroad for the New Year and haven’t come back yet.” ”

“”I say,”Zhang Zhenzhen said, “The two of them are really in love.” ”

“Lin Qingxuan and Xia Xiaoman had been married for a long time, but they had never had any arguments.”

It was said that it was not good for a couple to be separated halfway through their marriage. It seemed that it was not the case.

Ye Shu nodded. “Yes.”

An extended rolls-royce was parked outside the airport.

Lin Qingyun’s home was on a nearby mountain.

It was a big manor near the mountain.

A few children lived on the side.

It was also a lively and large family.

“There were many fruit trees and plants planted on the mountain. At this time, the red plums were in full bloom. Looking from afar, the entire mountain was a bright red color.”

It was especially beautiful!

“Zhang Zhenzhen smiled and said to her eldest daughter-in-law, “Shuangshuang, bring little twelve and the children to pick strawberries. In the afternoon, we can go to the sun room to have a barbecue. This way, young people won’t be bored sitting together with us old people.” ”

“On the other side of the manor, an acre of strawberries was planted. Usually, there were people who specialized in taking care of it, and there were all kinds of strawberries.”

""Okay, Mom." "

"Hearing the mention of picking strawberries, the children were so happy that they almost jumped up. They held ye Zhuo's hand and said, "Aunt, I've wanted to pick strawberries for a long time, but my grandmother has never let me. She said that she will only pick them when you come!" "

""Aunt, our milk strawberries are very sweet! A hundred times sweeter than the ones sold outside!" "

"Ye Zao originally did not have much interest in picking strawberries, but when he heard that the strawberries were a hundred times sweeter than the ones sold outside, his eyes immediately lit up and his eyebrows curved. "Then let's go pick them now!" "

"Okay!"

"Third Cousin's wife smiled and said, "Little Twelve, don't be anxious. Let's change into something lighter first." "

"The sun was warm outside, and the temperature inside the strawberry shed was at least 25 degrees Celsius. "

"Okay!"Ye Zao nodded slightly.

The few of them changed their clothes and went into battle lightly.

"The One Mu of strawberry shed looked very big, and there was a bright red patch inside. There were also white snow-white strawberries, as well as the expensive zhangji strawberries, Hongyan strawberries, Yuxiang strawberries, and so on. "

"Looking at the bright red large strawberries, ye Zao could not help but swallow his throat. He took a bite, and instantly, the juice flowed in all directions. It was very sweet! "

The taste was very good.

It was also very sweet!

“Perhaps it was because he picked it himself, ye Zao felt that he had never eaten such delicious strawberries.”

He ate one after another.

...

On the other side.

“The morning sunlight shone in from the window. Looking at the sleeping girl beside him, he ziteng’s lips curled up slightly.”

What was happiness?

“In the past, he thought that happiness was earning a lot of money.”

“Now, for him, happiness was waking up with the person he loved by his side.”

Just like now.

In a flash.

“He ziteng gently got off the ground, went to the kitchen, and began to make breakfast.”

Little did he know.

“Just as he got up, Xu Yao opened her eyes on the bed. ”

Her eyes were full of pride.

“Who would have thought that the he family’s eldest young master, who had always been high and mighty, would personally make breakfast for her? ”

“In this world, who else could have such an ability other than her? ”

To directly subdue he ziteng?

“The pride in Xu Yao’s eyes grew even stronger. At this moment, she seemed to have thought of something. She took out her phone and looked at it. A few seconds later, she put the phone back in its original place. ”

“Not long after, a fragrance drifted from the kitchen. ”

“When he ziteng walked into the bedroom again, Xu Yao was already changing her clothes. ”

“Seeing he ziteng suddenly come in, Xu Yao’s face turned red. “Why didn’t you knock when you came in! Hurry up and get out, I want to change my clothes!” ”

“He ziteng smiled and said, “We’re already an old married couple, why are you still shy?” ”

“Who’s an old married couple with you?”Xu Yao threw a pillow over.

“He ziteng was a little confused. They had already done this a few times, why was Xu Yao still so thin-skinned. ”

It was simply unbelievable.

“However, he really liked the pure Xu Yao.”

Little did he know that Xu Yao was faking it all.

“He ziteng continued, “Alright, Alright, Alright. I’ll turn around. Quickly change your clothes. Breakfast is ready.” ”

“Okay.” Xu Yao nodded.

“Xu Yao quickly changed her clothes, brushed her teeth, washed her face, and applied skin care products.”

“Twenty minutes later, when she sat at the dining table, she seemed to have thought of something. She looked at he ziteng and said, “Ziteng, we seem to have forgotten last night, forgotten...” ”

“At the end of her sentence, her face was flushed red. She could not continue what she wanted to say.”

“Forgotten what?” He ziteng asked in confusion.

“”That, that...” Xu Yao stuttered like a little wife who had just entered the house.”

“He ziteng came to his senses at this moment and said with a smile, “I know what you want to say! You want to say that we didn’t take any measures, right?” ”

“Yes.” Xu Yao nodded.

“He ziteng smiled and said, “I did it on purpose.” ”

“Xu Yao pretended to be surprised and said, “Why?” ”

He Ziteng didn't say anything and his face was full of smiles.

“Xu Yao continued, “What If I get pregnant? You're too ridiculous!” ”

“Hearing this, the smile on he ziteng's face froze. “Yaoyao, don't you want to have a child that belongs to us?” ”

“Xu Yao shook her head first, then nodded, he ziteng continued, “It's not that I don't want to have a child that belongs to us, but I haven't received uncle and aunt's approval yet. If I get pregnant at this time, uncle and aunt will definitely think that I'm a frivolous girl.” ”

““I know what kind of girl you are the best.”He ziteng scooped a bowl of porridge for Xu Yao. “Yaoyao, stay with me. You Don't have to do anything to please anyone!” ”

“After what happened yesterday, he ziteng didn't want Xu Yao to feel wronged anymore. ”

“Xu Yao was his girlfriend. No matter what his parents said, he had to marry Xu Yao. ”

“Hearing this, Xu Yao was very touched. She looked at he ziteng with red eyes and said, “Ziteng, thank you.” ”

“He ziteng smiled and said, “Silly Girl, why are you thanking me?” ”

“Xu Yao continued, “Ziteng, I'm saying what if, what if uncle and aunt never approve of me? After all, my family background is indeed not as good as yours. Our families are not of the same level.” ”

Xu Yao knew he ziteng too well. She knew how to say something that would arouse he ziteng's sympathy and affection.

“For example, now. ”

He ziteng must have loved her to death.

“Reality proved that Xu Yao’s guess was right. He ziteng indeed loved Xu Yao to death. His gaze was firm as he said, “Yaoyao, don’t worry. No matter what happens, I will always be with you, forever and Ever!” ”

“Xu Yao nodded and said emotionally, “Ziteng, me too! No matter what happens, I will always be with you.” ”

“Seeing Xu Yao like this, he ziteng hugged her in his arms and kissed the top of her head. ”

“After breakfast., he ziteng continued, “I might be a little busy today. Fifth Brother and fifth sister-in-law are not around. I still have a meeting at night. If you have anything to do during the day, just let the servants do it. I will try my best to come back before nine o’clock at night.” ”

Only be back before 9 pm?

Xu Yao narrowed her eyes.

Wasn’t this exactly what she wanted?

“Xu Yao stood up and said considerately, “Work is more important. You Go and do your work. I can stay at home by myself. You Don’t have to worry.” ”
