Chapter 1961: 410: he ziteng finally came to his senses and was filled with regret! (18th watch)¹

“Mi Chen did not answer father he directly. Instead, she said, “Mr. HE, there is a medical term called miracle. I believe that Ziteng will definitely create a miracle.” ”

Create a miracle?

How could that be possible!

Unless the sun came out from the west.

“If not, he ziteng would never be able to create a miracle. ”

He had seen it just now.

“He ziteng’s liver, liver, spleen, and lungs were all severely injured. At the same time, there was also a very serious internal bleeding. ”

“If he ziteng did not die, he would only be a paralyzed vegetable on the bed forever. ”

“Hearing this, father he smiled and said, “Then I’ll rely on your good words, doctor Mi!” ”

“Old Mr. He is too polite.”

“Hearing what Mi Chen said, he ziteng was also full of confidence in himself. ”

He felt that he would definitely wake up.

“After all, he was now very clear-headed.”

“How many people could be like him, lying in bed after such a serious car accident and still maintaining such a clear-headed state of mind.”

A miracle!

They were waiting for him!

“The next second, Xu Yao walked in from outside.”

“Uncle.”

“Father he turned to look at Xu Yao and said, “Yaoyao, let me introduce you to doctor Mi Chen.” ”

“Xu Yao said, “Uncle, there’s no need to introduce him. I know Doctor Mi.” ”

“How did you two meet?” Father he asked in surprise.

“Xu Yao smiled and said, “Doctor Mi was the one who bandaged my hand previously. Moreover, Ziteng and doctor mi are very good friends. Doctor mi often goes to the house with Ziteng as a guest!” ”

“Is that so?” Father he asked.

“”Yes.” Xu Yao nodded and continued, “Where’s Auntie?” ”

“Father he continued, “She has something to do when she goes back. I have to go back in a while too. I’ll have to trouble you to take care of Ziteng here.” ”

““It’s not hard,” Xu Yao said gently. “I’m Ziteng’s girlfriend. It’s my responsibility to take care of ziteng.” ”

Father he glanced at Xu Yao and was very grateful to her.

“During this period of time, it was all thanks to Xu Yao taking care of He ziteng. ”

“It could be seen that when Xu Yao took care of He ziteng, she was more responsible than their parents.
”

Xu Yao would definitely be a good wife and daughter-in-law in the future.

Mi Chen began to apply medicine to he ziteng.

““Xu Yao, come over and help,” mi Chen said. ”

“Okay.” Xu Yao immediately went over.

“Father he looked at the time. It was almost time. He continued, “Yaoyao, doctor mi, I’ll be out for a while. I’ll be back soon.” ”

Xu Yao nodded. “You can go and do your work.”

Father he walked out of the ward.

The ward returned to silence.

The two of them spoke.

“After a while, Xu Yao went to lock the door of the ward. She walked behind Mi Chen and said in a low voice, “Do you know that I Miss You?” ”

“”Me too,”Mi Chen replied. ”

“Both of their voices were very soft. Although he ziteng was still conscious, his eyes were closed. He couldn’t tell what they were doing. He also didn’t expect that his trusted doctor mi., had already gotten together with her girlfriend. ”

“A moment later, the sound of a kiss seemed to come from the air. ”

Did he hear it wrong?

He ziteng was a little suspicious of his ears.

He must have heard it wrong!

There was no one else in the room other than Xu Yao and Mi Chen. How could there be the sound of a Kiss?

He must have heard it wrong!

“”Yaoyao, do you love me?”At this moment, Mi Chen suddenly said. ”

“At this moment, he ziteng thought he was hearing things. ”

Was this really Mi Chen’s voice?

“”Are you crazy?”Xu Yao whispered, “Aren’t you afraid that he ziteng will hear you?” ”

“Seeing how careful she was, he ziteng smiled and said, “Don’t worry. He ziteng will forever be a cripple. No matter what we do, he won’t be able to hear us.” ”

“Are you sure?” Xu Yao asked tentatively.

“Of course.”

“That’s good.” Xu Yao heaved a sigh of relief. She was really afraid that he ziteng would hear them.

“Seeing her like this, Mi Chen smiled and said, “Baby, what are you afraid of? So what if he can hear us? Can he still get up?” ”

“Xu Yao continued, “How are he ziteng’s injuries? Can they still be healed?” ”

“Mi Chen curled her lips and hugged Xu Yao as she sat down by the bed. “Baby, don’t worry. He ziteng is destined to be a cripple for the rest of his life!” ”

“Really?” Xu Yao asked.

“You don’t believe me?” Mi Chen reached out to pick up Xu Yao’s lower body and kissed it.

He ziteng was completely dumbfounded.

He didn’t know what was going on with him.

How could he have heard such words!

Did he really not hear wrongly?

What was going on between Mi Chen and Xu Yao?

When did the two of them get together?

“Hearing the ambiguous voices in the air, he ziteng wanted nothing more than to wake up immediately and personally tear the faces of this adulterous couple apart.”

Never in his wildest dreams did he expect that his most beloved girlfriend and his most trusted brother would betray him.

Why on Earth was this?

How did things turn out like this?

He could hardly believe that this was real.

But the voices in his ears kept reminding him that this was real!

This was real!

“After an unknown amount of time, the two people who were entangled with each other finally let go of each other.”

“Xu Yao’s face was very red. “Oh right, Mi Chen, there’s one more thing.” ”

““Speak,” Mi Chen said.”

“Xu Yao continued, “I heard from the He family’s parents that there’s a Miss ye who has exceptional medical skills that might be able to cure he ziteng. What do you think we should do if that ye guy really cures he ziteng?” ”

Cure Him?

How could that be possible!

“Upon hearing this, Mi Chen laughed out loud. ”

“What are you laughing at?” Xu Yao asked.

Mi Chen reached out and hugged Xu Yao’s arm. “I’m laughing at how naive you are!”

Xu Yao frowned.

“Mi Chen continued, “Let me put it this way. In a situation like he ziteng’s, even if Hua Tuo were alive, he wouldn’t be able to cure him! Not to mention, he’s just an amateur!” ”

What Miss Ye? He had never even heard of her. How could she possibly cure he ziteng?

It was impossible!

“Mi Chen was also an excellent doctor. Hearing what Mi Chen said, Xu Yao immediately heaved a sigh of relief. ”

“Mi Chen hugged Xu Yao and kissed her. “Don’t worry. After I get rid of those two old men, no one will be able to disturb our private time!” ”

What!

Mi Chen wanted to make a move on her parents.

“When he heard this, he ziteng became anxious. ”

No.

Absolutely not.

He had already become like this. His parents couldn't have any more accidents.

"When she heard this, Xu Yao's face turned pale. "You still want to make a move? !" "

Still want?

Why did Xu Yao say that she still wanted to make a move?

Could it be.

His car accident...

Was also man-made.

Or could it be that Mi Chen and Xu Yao were the ones who caused his car accident?

He ziteng's heart chilled to the extreme.

He had never known that he had two ingrates by his side.

""Don't worry, not now," mi chen continued, "We'll carry out this plan after the bastard child in your stomach is born." "

“After the child in Xu Yao’s stomach was born, the He family would definitely carry out the plan wantonly.”

“At that time, once the two old men in the He family were in trouble, Xu Yao and the child would become the only heirs.”

Mi Chen had planned everything out.

“Xu Yao was not very brave. Ever since he ziteng’s accident, she had been worried that the police would find out something, she held Mi Chen’s arm and said, “Take it easy. He ziteng’s matter isn’t over yet! What if the police find out something? “Oh right, did you clean up the traffic recorder when you tampered with the car?” ”

““Don’t worry, you don’t have to remind me of that.”Mi Chen continued, “If the police had really found something, I wouldn’t be standing here and talking to you.” ”

“Xu Yao continued, “No matter what, you have to be careful. After all, you are involved in this matter. If the police found out, you would be finished!” ”

“Mi Chen did not take these words to heart. She smiled and said, “Baby, are you concerned about me?” ”

“Nonsense!”Xu Yao said.

He ziteng listened to every single word.

It really was!

It was really them.

“The original name of the brake failure was not an accident, but a premeditated plan.”

When did this pair of dog and woman get together?

Why didn't he feel anything at all!

He ziteng was very angry now. He wanted to get out of bed immediately and kill this pair of dog lovers.

"But now, he could do nothing. "

He couldn't even move a finger.

He ziteng started to panic.

He was really panicking!

"If he continued like this, what would his parents do? "

His parents were still kept in the dark by Xu Yao!

He had let his parents down. He should have listened to their advice at that time. He should not have continued to listen to their opinions.

He ziteng wanted to kneel in front of his parents and repent.

"After an unknown amount of time, he ziteng's consciousness became blurry and clear again. Finally, he heard his parents'voices. "

""Yaoyao, it's been hard on you to take care of ziteng for one day. This is the chicken soup that I specially asked the chef at home to make for you." "

"Xu Yao said gently, "Thank you, Auntie. It's not hard at all for me. Please sit down." "

“Mother he looked around and continued, “Where’s doctor Mi?” ”

Chapter 1962: 411: he’s a complete idiot! (19th watch)1

“Xu Yao said, “After giving Ziteng medicine, Mi Chen went back. ”

Xu Yao’s words didn’t sound suspicious at all.

“Mother he nodded and continued, “Doctor Mi is a very good young man. I don’t know if Ziteng told you that he saved me before.” ”

“”I heard from Ziteng.”Xu Yao continued, “Actually, I’m quite close to Mi Chen. Previously, Ziteng often invited doctor mi over to our house to play.” ”

Mother he nodded.

“Father he continued, “I’ve told Doctor Zhu that he and Mi Chen will help Ziteng prepare medicine together in the future.” ”

“Mother he said, “Mmm, with doctor mi around, it will make people feel more at ease.” ”

“At that moment, he ziteng only wanted to open his eyes immediately and tell his parents in person about Xu Yao and Mi Chen’s true colors. ”

They were a pair of adulterous couples.

He ziteng felt very uncomfortable and began to understand his parents' feelings of not letting him be with Xu Yao at that time.

"When he thought of his mother's heartache at that time, he ziteng felt even more uncomfortable."

He regretted it.

He really regretted it.

He regretted why he did that.

He regretted that he was blind.

At the same time.

He also prayed in his heart.

He prayed that ye Zao would come back soon.

Ye Zao would definitely have a way to save her.

He could not stand Xu Yao acting in front of his parents in front of him to gain their trust.

"At this moment, mother he seemed to have thought of something. She took out a piece of clothing from her bag. "Yaoyao." "

"What is it, Auntie?" Xu Yao looked at mother he. "

“Mother he continued, “Yaoyao, this is the radiation-proof clothing I bought for you. I heard that the radiation is very serious now, especially in the hospital. This is very bad for the baby. Quickly take it and try it out to see if it fits.” ”

“”Thank you, Auntie.”Xu Yao took the clothes with both hands and smiled. “The clothes that Auntie bought with her own hands will definitely fit.” ”

“”Go and try them on first,” mother he said. ”

Xu Yao nodded and took the clothes to the bathroom to change.

“Seeing Xu Yao’s figure disappear in the direction of the bathroom, mother he sighed, “When Ziteng was fine, I always opposed him and Yaoyao. I don’t know why, but at that time, I had such a deep prejudice against yaoyao! “If I had agreed to let them be together at that time, perhaps this wouldn’t have happened.” ”

“When she said the last sentence, his mother’s words were already filled with a heavy sobbing tone. ”

She was very regretful.

She regretted not fulfilling this pair of bitter lovers earlier.

“But things had come to this point, what was the use of regretting? ”

“Hearing these words, he ziteng was extremely anxious. ”

No.

No.

This wasn’t his mother’s fault.

All of this had nothing to do with his mother.

This was all his own fault. He did not see through Xu Yao's false feelings and malicious heart.

"From the beginning, when his mother said that Xu Yao was dishonest, he should have seen through something."

"But, he did not."

He did not see anything.

He was like a fool.

A fool.

"Now that he thought about it, Xu Yao at that time was simply full of doubts."

"If she really knew how to make pastries, why would she hurt her palm?"

There was clearly something wrong with this!

"Father Xu patted mother Xu on the shoulder, "Xunfang, this has nothing to do with you. Everyone makes mistakes. "It's not just you. I didn't agree to let them be together either. Maybe this is our Ziteng's fate. Don't think too much. Even if Ziteng really doesn't wake up in the future, don't we still have Yaoyao and the unborn child?" "

"Speaking up to this point, father xu paused before continuing, "From now on, Yaoyao will be our biological daughter." "

“Yes.” Mother he nodded.

She had the same thoughts as father he.

If he ziteng really didn’t wake up.

“From now on, Xu Yao would be their biological daughter. ”

Biological Daughter?

“Did their parents want to treat Xu Yao, this poisonous snake, as their biological daughter? ”

No.

No!

Xu Yao would kill her parents.

“He ziteng tried hard to open his mouth, ”

but he just couldn’t.

“Mother he continued, “For the sake of our family, Yaoyao has caused such a ruckus with her parents. I hope that after the baby is born, Yaoyao’s parents will forgive her.” ”

“Father he patted mother he’s hand and sighed. “They will, they definitely will. Yaoyao is so good, and her parents aren’t unreasonable people. They will definitely forgive Yaoyao.” ”

“At that moment, Xu Yao came out of the bathroom. She had already changed into a white radiation-proof maternity outfit and walked around in front of the He family’s parents. “Uncle, Auntie, do you think this maternity outfit Will Fit Me?” ”

Xu Yao was only two and a half months pregnant. It was not suitable at all.

“Mother he smiled and said, “It’s suitable, it’s very suitable. Not only is it suitable, but it’s also very beautiful.” ”

“Xu Yao said, “This is all because of Auntie’s good taste.” ”

“Mother he held Xu Yao’s hand. “Yaoyao, the months in the future will become more and more difficult. Do you really not regret it?” ”

Xu Yao nodded firmly. “I don’t regret it. I will never regret it.”

““Good child. Thank you,” mother he said emotionally. ”

“Xu Yao smiled slightly, “Auntie, you don’t have to thank me. I’m Ziteng’s girlfriend. I said that I would advance and retreat together with Ziteng. Now that Ziteng is in trouble, if I listen to my parents and ignore ziteng, then I’m no different from an animal!” ”

Pretending!

Xu Yao was too good at pretending.

“If he hadn’t heard the conversation between Xu Yao and Mi Chen, he ziteng would have been deceived by Xu Yao now.”

He had never known that Xu Yao was so good at acting.

Her words touched his heart.

Mother he hugged Xu Yao with great emotion.

On the other side.

At the Xu family home.

“Because of he ziteng’s accident, the Xu family’s parents were very happy during this period of time. ”

Especially after they learned that he ziteng would never wake up.

“Before Xu Chaonan entered the door, he heard laughter from inside. He lifted his feet and walked in. It was rare that Father Xu did not go out to play mahjong today. ”

“Thinking of the news about the he corporation, Xu Chaonan stopped in his tracks and looked at Father Xu. “Brother.” ”

“What’s Wrong?” Father Xu turned to look at Xu Chaonan.

“Xu Chaonan continued, “I heard that he ziteng got into a car accident. Is that true?” ”

“It’s true.” Father Xu nodded.

“Xu Chaonan asked, “Then is it true that Yaoyao is pregnant?” ”

“When he heard the news, Xu Chaonan naturally did not believe it. ”

Because Xu Yao was not the kind of girl who got pregnant before marriage.

She knew how to protect herself.

But now.

“After seeing her brother and sister-in-law like this, she was not so confident anymore. ”

Father Xu continued to nod. “It’s also true.”

PA!

The document in Xu Chaonan’s hand fell to the ground.

“Being pregnant out of wedlock might not be a big deal in modern society, but to Xu Chaonan, it was intolerable. ”

That was because she was a very conservative woman.

“She had never had sex with anyone, so naturally, she could not tolerate her niece being so self-deprecating. ”

“More importantly, he ziteng was very likely to become a vegetable in the future. ”

Xu Yao being pregnant at this juncture was also extremely irresponsible to herself!

She was still young.

Was she going to carry the child and live a widow’s life in the future?

“Seeing Xu Chaonan like this, father Xu curled the corners of his lips and continued, “Chaonan, it’s a good thing that your niece is pregnant. This means that our old xu family is going to have an additional child soon.” ”

“Yaoyao is going to give birth to that child?” Xu Chaonan frowned slightly.

“Yes.” Father Xu nodded.

“Ridiculous!”

“Mother Xu sneered and said sarcastically, “Some people don’t know how to give birth, but they still want to stop others from giving birth. How Ridiculous!” ”

How could there be such an aunt in the world!

“Fortunately, Xu Yao did her best. Otherwise, she would have to live under Xu Chaonan’s control for the rest of her life. ”

“Xu Chaonan tried his best to control his temper. He turned to look at mother Xu and continued, “Sister-in-law, this child really can’t be given birth! Yaoyao is still young. This child will ruin her life!” ”

Raising a child was not like raising a small pet.

You have to be responsible for him!

“His mother said, “Yaoyao can decide whether she wants this child or not. After all, she is already an adult now.” ”

“Although his mother did not say it explicitly, her words were clearly mocking Xu Chaonan for meddling in other people’s business. ”

Their parents had not objected yet.

How could Xu Chaonan have the right to speak!

“Xu Chaonan wasn’t a fool. Naturally, he could understand the hidden sarcasm in her words and didn’t continue speaking.”

“Brother and sister-in-law had always been like this, putting interests first in everything.”

“Now that he ziteng was in trouble, and Xu Yao was pregnant with the only child of the He family, as long as Xu Yao gave birth to the child, she would be able to inherit the he family’s inheritance in the future.”

She had to personally find Xu Yao to explain it to her.

“As an aunt, Xu Yao was the one who had watched the child grow up. She really could not watch Xu Yao sink deeper and deeper!”

Xu Chaonan went straight to the hospital.

“After getting the room number of He ziteng’s ward from the nurse, he knocked on the door.”

“Very quickly, the door opened from the inside.”

The person who opened the door was Xu Yao.

“When she saw Xu Chaonan, Xu Yao was stunned. “Auntie.” ”

Xu Chaonan nodded.

“Xu Yao continued, “Auntie, please come in.” ”

“Xu Chaonan followed her in. Xu Yao introduced her to the He family’s parents in the room. “Uncle, Auntie, this is my aunt, Xu Chaonan.” ”

Chapter 1963: 412: I’ll Burn You to pieces! (20th watch)1

“Hearing this, the He family’s parents in the ward immediately stood up. “Aunt Yaoyao.” ”

“Xu Chaonan politely said, “Mr. he and Mrs. He.” ”

“Mother he said, “Aunt Yaoyao, please sit down. I’ll pour you some tea.” ”

Xu Chaonan directly rejected him. “No need. I’m here to talk to Yaoyao.”

“After saying that, Xu Chaonan looked at Xu Yao. “Yaoyao, come with me.” ”

Xu Yao hesitated for a moment before following Xu Chaonan’s footsteps.

The He family’s parents looked at each other. They could see the worry and worry in each other’s eyes.

What was Xu Chaonan doing at this juncture?

What did she want to say to Xu Yao?

Xu Yao followed Xu Chaonan to the corridor outside the hospital.

“This was the VIP Ward area, so there weren’t many people here. Compared to the normal ward area, it was much quieter. ”

“Xu Yao looked at Xu Chaonan. “Auntie, what do you have to say to me?” ”

Xu Chaonan looked at Xu Yao’s stomach. “How many months has it been?”

““Two and a half months,”Xu Yao replied. ”

““Abort it,”Xu Chaonan continued. ”

“Hearing this, Xu Yao raised her head in surprise. ”

She didn’t expect Xu Chaonan to come here to talk about this.

“Unlike the Xu Parents’acting, Xu Chaonan’s eyes were filled with seriousness. ”

She really came here to ask Xu Yao to abort it.

“Xu Chaonan continued, “Yaoyao, you’re still young. You Don’t know what raising a child means to you! A child is not an object, not a toy, not even a pet.” ”

““As long as you choose to give birth to him, you have to be responsible for him.” ”

“Xu Yao had not even grown up, how could she raise a child? ”

“Of course, Xu Yao could not reveal her true motive to Xu Chaonan. Xu Chaonan was a good prude! ”

“If she knew her true motive, Xu Chaonan would definitely criticize her harshly. ”

He might even interrupt her plan.

“Xu Yao raised her head to look at Xu Chaonan and said seriously, “Auntie, I know what I’m saying. I also know that a child can not be raised with just words. Don’t worry, I will be responsible for my own child.” ”

What she meant was that she would not let outsiders worry about her.

Xu Chaonan had no right to criticize her!

“Xu Chaonan frowned slightly. “Yaoyao, you’re too impulsive!” ”

“”Aunty, I’m not impulsive. I’ve thought about this for a long time. I want to give birth to this child.”Xu Yao noticed the faint footsteps in the air, she continued, “Ziteng is lying on the bed now. Even though I’m hoping for a miracle to happen every day, I know in my heart that a miracle can never happen! Ziteng can only lie on the bed for the rest of his life!” ”

“At this point, Xu Yao paused and continued: ”

“”If anything happens to ziteng, then the child in my stomach is uncle and Auntie’s only hope. One can not be so selfish. I can not take away uncle and Auntie’s only hope!” ”

The person listening from the corner not far away was none other than mother he.

It was mother he.

“Hearing this, mother he’s eyes turned red again. ”

She was not wrong about Xu Yao.

Mother he wiped her tears and turned around to walk towards the ward.

“When he saw mother he return, father he immediately stood up from the sofa. “How was it? What did Xu Chaonan say to Yaoyao?” ”

Mother he told father he what she had heard.

“When he heard this, father he was very touched. ”

“Yaoyao is really a good girl. Our Ziteng’s judgment is not wrong.”

Mother he nodded.

“He ziteng, who was on the hospital bed, was very sad. ”

He was shouting silently.

“”Dad, Mom, don’t be fooled by Xu Yao! She’s acting! Acting!” ”

“Unfortunately, his parents couldn’t hear this kind of silent shouting at all. ”

“In the past few days, he ziteng had to endure the torment of Xu Yao and Mi Chen, this pair of dog lovers. ”

The feeling of being helpless was too unbearable.

“Through their conversation, he ziteng knew that Xu Yao and Mi Chen were high school classmates. They were each other’s first love. ”

“When Xu Yao was with him, she was no longer a virgin. ”

She only went over to make up for it once.

“He ziteng was now looking forward to Ye Zao’s experiment as soon as possible. As long as ye Zao’s experiment ended, he would be able to regain his freedom.”

He wanted to personally tear apart the true colors of Xu Yao and Mi Chen!

He wanted to make the two of them pay the price they deserved!

Outside.

“Xu Chaonan spoke a lot of heartfelt words, but Xu Yao did not listen to a single word he said.”

She still insisted on giving birth to this child.

“”Yaoyao, you will regret it.”Xu Chaonan looked at Xu Yao.”

Chapter 1964: 412: I’ll burn you to pieces! (20th watch)2

“Xu Yao shook her head. “No, I won’t regret it.” ”

She would never regret it.

“Then let’s leave it at that.”Xu Chaonan sighed. “I still have a meeting in the afternoon. I’ll be leaving first.”

“Since things had already come to this, no matter how much she said, it would be useless.”

She could see it in Xu Yao’s eyes.

She had to give birth to this child.

“No matter what happened, she would not change her mind.”

She was still too young.

She did not know the consequences of this matter.

“Xu Yao continued, “Auntie, drive slowly on the road.” ”

Xu Chaonan nodded.

“After returning to the company, the more Xu Chaonan thought about it, the more he felt that something was wrong.”

“If Xu Yao really loved he ziteng, it would be fine.”

But she didn’t love he ziteng at all.

“She didn’t even love he ziteng, so how could she be willing to give birth to a child for he ziteng?”

Could it be...

It was also because of money?

“But if that was the case, then this matter would be huge. ”

It was said that he ziteng got into a car accident on the way to buy milk tea for Xu Yao.

“Coincidentally, after the car accident happened, Xu Yao was found to be pregnant again. ”

Was all of this really so coincidental?

Xu Chaonan pinched the space between his eyebrows.

“Xu Yao, this child, was completely spoiled by her brother and sister-in-law. If she had known earlier, she would have taught him everything back then. ”

Xu Chaonan was very regretful now.

She regretted being busy with her career and neglecting to discipline Xu Yao.

“If not, Xu Yao would definitely not be like this. ”

On the other side.

Mars.

“Ye Zhuo put down the document and yawned. Because he had not slept for two days and two nights in a row, a faint tired expression appeared on his face. ”

One-third of the experiment was about to be completed.

The time for her to go to the state of Changyue was getting closer and closer!

Ye Zhuo's eyes were curved.

"Because she did not need to personally watch the remaining segment, Ye Zhuo stood up and planned to go to the rest cabin to have a good sleep. After replenishing his energy, he would return to Earth."

Ye Zhuo had just walked out of the laboratory when Tang Mi came up to him.

"Miss Ye."

"What's the matter?" Ye Zhuo looked back.

"Seeing the weariness in ye Zhuo's eyes, Tang Mi couldn't bear to talk about he ziteng. She wanted ye Zhuo to have a good sleep."

This experiment had been conducted for a total of seven days.

Ye Zhuo hadn't slept well for seven days.

"Seeing Tang Mi's hesitant expression, ye zhuo continued, "If you have something to say, just say it. Why Are You Stuttering?" "

Tang mi still didn't know how to say it.

"Ye Zhuo smiled and said, "Team leader Tang Mi, stuttering isn't your style. Hurry up and say it." "

"Tang mi raised her head to look at ye Zhuo and continued, "Miss Ye, he gong, something happened to he gong." "

He ziteng?

“What happened?”Ye Zhuo asked.

“Tang mi said, “He gong had a very serious car accident and is still in a coma. The doctor diagnosed that he will become a vegetable in the future.” ”

“When did it happen?”Ye Zhuo asked.

““Seven days ago,”tang mi continued, “That afternoon, the He family’s parents asked assistant Shen to contact you, but you were in the laboratory at that time, so they couldn’t contact you.” ”

Ye Zhuo pressed his temples.

“He ziteng was a young man whom she had high hopes for. Now that he ziteng had such a serious car accident, ye Zhuo naturally couldn’t sit idly by. ”

““Get Ready. We’ll return to Earth right away.”In just a moment, the fatigue on ye Zao’s face disappeared completely, as if he had never felt tired before. ”

““Miss Ye, why don’t you take a rest first before you leave?”Tang mi said. ”

“No need.”Ye Zao said concisely.

Tang mi immediately went to prepare to return to Earth.

“When mother he received a call from assistant Xiao Shen, she said excitedly, “Good, good, good! Thank you, assistant Xiao Shen!” ”

“After hanging up, father he asked curiously, “Who’s calling? Why Are You So Happy?” ”

“Mother he said, “It’s assistant Xiao Shen. Assistant Xiao Shen said that Miss ye will be coming to the hospital to see Ziteng soon!” ”

“When father he heard Miss Ye’s words, he immediately stood up from his chair. “Really?” ”

“”It’s true.”Mother he nodded and smiled with tears in her eyes. “We’re saved. This time, our Ziteng is really saved.” ”

Xu Yao stood up as well. “That’s Great!”

“Mi Chen, who was changing he ziteng’s dressing, also smiled and said yes, but she was sneering in her heart. ”

The He family’s parents were too whimsical!

“After all, he ziteng was no different from a good-for-nothing now. ”

“Not to mention Miss Ye, even if there were ten of them, they wouldn’t be able to save he ziteng. ”

He really wanted to see who this miss ye was.

Chapter 1965: 412: I’ll Beat You to a pulp! (20th watch)3

“An hour later, ye Zhuo returned to the CEN base and drove to the hospital. ”

The assistant drove very fast.

“Ten minutes later, he arrived at the hospital. ”

“The assistant went to the front desk of the hospital and asked he ziteng’s room number. Then, he went over with Ye Zhuo. ”

“In the ward, ever since they learned that ye Zhuo was coming over, the He family’s parents had been looking forward to it. ”

“Very soon, the sound of footsteps could be heard from outside the ward. “Hello.” ”

This voice.

It must be Miss Ye.

“Because other than Miss Ye, no one else would come at this time. ”

The He family’s parents immediately looked up.

Mi Chen and Xu Yao also looked up.

In the next second.

Mi Chen almost laughed out loud.

He had thought that the legendary miss ye was some kind of God.

So it turned out that she was just a big fatty who weighed 300 to 400 pounds.

It was simply disgusting.

The He family's parents still looked very respectful. "May I ask if you're Miss Ye?"

The person who came was stunned. "Miss Ye? Who's Miss Ye?"

"After saying that, the person looked around the ward and seemed to have discovered something. He continued, "I'm sorry, I've entered the Wrong Room! Sorry to disturb you!" "

So he had entered the wrong room.

The He family's parents' faces were filled with disappointment.

When would the real miss ye arrive.

An hour had already passed.

"Seeing the anxiety in the He family's parents' eyes, Xu Yao passed them two cups of water. "Uncle, Auntie, don't be too anxious. Miss ye is already on her way. She should be arriving soon." "

"Okay." Father and mother he received the water from Xu Yao and nodded.

Mi Chen looked in the direction of the door and narrowed her eyes.

Over here.

"Not long after, Ye Zhuo and assistant Xiao Shen walked to he ziteng's ward. "

The door to the ward was open.

"However, the assistant still knocked on the door politely and asked, "Excuse me, is this he Gong's ward?" "

“Hearing that, the He family’s parents immediately stood up in excitement. “Yes, yes, yes! We’re He Ziteng’s parents!” ”

It seemed that this was the legendary Miss Ye.

Mi Chen raised her head and looked at the person in front of her very seriously.

“She was about 1.6 meters tall and her looks were average. She couldn’t be said to be ugly, but she couldn’t be said to be good-looking either. At most, she could only make up the numbers. Her skin was a little yellow, and there was a pimple on her chin.”

“Mi Chen had originally been filled with anticipation for the legendary Miss Ye, but in the end... ”

That was it?

Xu Yao glanced at the person who had come and didn’t look at him again.

“Usually, she would hear about miss ye from he ziteng’s mouth.”

She had thought that Miss Ye was very beautiful.

She didn’t expect her looks to be so average.

It wasn’t even one-tenth as good-looking as her.

“”Hello, Mr. and Mrs. He. My surname is Shen, and I’m Miss Ye’s assistant.”As soon as she finished speaking, assistant Xiao Shen took a step back and continued, “This is Miss Ye.” ”

Ye Zhuo walked in from outside the door.

“She was in a hurry and did not change her clothes. She was wearing a black knee-length woolen coat and a pair of Martin boots of the same color. Her facial features were as exquisite as jade, her eyes were bright and her teeth were white. She was devastatingly beautiful.”

It made people want to use the most beautiful words in the world on her.

Because she was really too beautiful!

“Black was originally a very dark color. If the skin was slightly darker, it would be made dull by the black.”

“When Black was worn on her body, not only was it bright and moving, but it was also full of aura.”

Even the professional models on the runway were inferior by more than three times.

For a moment.

Everyone was stunned.

Especially Mi Chen.

He originally thought that ye Zhuo was a very ordinary person.

He did not expect that the person who came would be so stunning.

“Even Xu Yao, this woman, was stunned.”

A moment later.

Xu Yao felt that ye Zao's face was somewhat familiar.

"The next second, she recalled the scene of someone throwing cold water on her head. Although it was a long time ago, when she thought about it now, her face was still burning hot. "

Because it was too embarrassing!

Xu Yao did not expect that Miss ye would be like her. She immediately lowered her head.

"Back then, the matter between her and ye Zao had blown up so much. Ye Zao must still have an impression of her. "

"Fortunately, ye Zao did not look at her. He walked directly to the he family's parents and said in a clear and shallow tone, "Hello, I'm Ye Zao." "

Her aura was really too strong. It shocked the he family's parents so much that they could not speak for a long time.

He ziteng was originally in a daze.

"When he heard ye Zao's voice, he immediately woke up. "

Ye Zao.

It was ye Zao.

Ye Zao had finally arrived.

He was saved!

“In a moment, he ziteng’s parents reacted. “Miss Ye, I’m He Ziteng’s mother. This is his father! Ziteng is our only child. You must save her.” ”

Even though ye Zao looked very young.

Chapter 1966: 412: I’ll Beat You to a pulp! (20th watch)4

“However, the He family’s parents did not doubt her medical skills at all. ”

Ye Zao nodded slightly. “I’ll do my best.”

“After saying that, she sat by the bed and began to check he ziteng’s pulse. ”

He ziteng’s condition was indeed very serious.

It was still a little tricky.

“Seeing that ye Zao had not noticed her, Xu Yao slowly became bold. She raised her head to look at Ye Zao, her eyes filled with sarcasm. ”

What was ye Zao doing?

Checking his pulse?

It was simply ridiculous.

“Even if she wanted to act pretentious, it was not like that. ”

“What era was it now, and he still came to check his pulse. ”

Who Did ye Zao think he was?

The Godly Doctor Hua Tuo?

“In a moment, ye Zao released he ziteng’s wrist. ”

“Mother he immediately walked forward and asked, “Miss Ye, how is Ziteng?” ”

Ye Zao raised his eyes slightly and opened his red lips slightly. “The situation is not very optimistic. He needs to be operated on immediately.”

“”Okay, okay, okay! Then we’ll listen to you, Miss Ye. We’ll operate immediately,”father he immediately replied. ”

“Ye Zao glanced at the two of them and continued, “But I only have a fifty percent chance that he ziteng might die on the operating table.”She never beat around the bush, and her words were very straightforward. ”

The He family’s parents were stunned.

Die on the operating table...

“”He ziteng’s condition is already very bad now. Please make a decision as soon as possible,”ye Zhuo continued. ”

“Mother he looked up at Ye Zhuo. “Miss Ye, Please! No matter what the final outcome is, my husband and I will accept it.” ”

He ziteng was already in this state.

It was better to let ye Zhuo try.

“Xu Yao said at this time, “Uncle and Auntie, do you want to reconsider? Miss Ye...” ”

50% confidence?

She saw that ye Zao did not even have a 5% confidence.

“If he ziteng died on the operating table, the He family’s parents would definitely blame her for not stopping him! ”

“Hearing this, ye Zao lowered his eyes slightly. When he saw Xu Yao’s face, he frowned. ”

Why was this person so familiar?

“Seeing the confusion on her face, mother he immediately said, “Miss Ye, this is Ziteng’s girlfriend, Xu Yao.” ”

Xu Yao.

Ye Zao suddenly remembered Xu Yao.

When did he ziteng have such bad taste?

He actually found such a person to be his girlfriend.

He was really not picky about food.

Ye Zao did not have a good impression of Xu Yao at all.

“Although ye Zao only glanced at her and did not say anything, Xu Yao still felt panic.”

She swallowed her throat.

“Ye Zao, could it be that he had thought of something?”

“”Have the two of you decided?”Ye Zao looked at the He family’s parents again. “There’s not much time left for you. If you hesitate for a second, he ziteng will be in danger for another second.” ”

“”I’ve decided. Miss Ye, please operate on Ziteng immediately.” ”

“Okay.”Ye Zao nodded slightly and turned to look at his assistant. “Go and inform the hospital to prepare the operating theater.”

“Alright.”The assistant nodded.

“At this moment.., mi Chen stood up and said, “Miss Ye, my surname is mi, and I’m also a doctor. “Coincidentally, I’m quite familiar with the hospital’s director. I’ll go and inform the director to arrange the best operating theater for Miss Ye, and then I’ll help Miss Ye.” ”

“There’s no need.”Ye Zao directly refused. “I never let people with evil intentions help me.”

Good and evil were written all over his face.

It was obvious that Xu Yao and Mi Chen were wearing the same pants.

Ye Zao naturally would not let such a person into the operating theater.

Evil intentions?

What did ye Zao Mean by this?

Looking down on him?

The smile on Mi Chen's face froze at the corner of her mouth.

She really did not know what ye Zao had to be proud of!

Wasn't he just a little good-looking?

He wanted to see how ye Zao would be able to borrow the operating theater and doctors from the hospital without his help.

"Without the cooperation of other doctors and operating theaters, would it work? "

"He was good friends with the director. As long as he asked, the director would cooperate with him. "

Ye Zao?

Ye Zao was nothing.

Just wait.

"In less than ten minutes, when that little assistant ran into a wall, ye Zao would personally ask him for help. "

The He family's parents were also a little confused.

Why would ye Zao say that about Mi Chen? Had Mi Chen ever offended ye Zao?

“Soon, the little assistant came back and said with a troubled expression, “Miss Ye, the hospital said that they can’t provide an operating theater...” ”

“Hearing this, Mi Chen curled her lips. He knew this would happen. ”

“Ye Zao’s expression did not change. He took out his phone from his pocket and made a call. “I, Ye Zao, Room 3106.” ”

“After saying that, she hung up the phone. ”

“Seeing how she hung up the phone without saying a word, Mi Chen’s eyes were filled with ridicule. ”

She was quite good at pretending.

He wanted to see how ye Zao would end up.

“When the time came, the scene would definitely be very interesting. ”

“Mother he immediately asked, “Miss Ye, how is it?” ”

Ye Zao’s tone was indifferent. “Don’t worry. The hospital will arrange for people to come over immediately.”

Immediately arrange for people to come over?

Who Did ye Zao think she was?

She was too arrogant and arrogant.

“A few minutes later, there was no movement in the ward, and no one from the hospital came over either. ”

“Mi chen smiled and said, “I wonder how many minutes Miss Ye is talking about! Miss Ye, if you really can’t borrow the operating theater, just say the word. I can contact my friend...” ”

“No matter what, Ye Zao had to beg him today. ”

“Thinking of this, a smug look flashed across Mi Chen’s eyes. ”

“At this moment, a group of people walked in from outside. ”

They were travel-worn.

The leader was a middle-aged man in his fifties. He wore glasses and his hair was already a little gray.

The doctor walking beside him was slightly younger.

“This was the hospital’s deputy director, Gu Haitao. ”

Gu Haitao had a very deep relationship with him.

“Seeing this, Mi Chen was very excited. She didn’t expect Gu Haitao to come personally to see him. Just as she was about to go up and greet him, she saw the middle-aged man walking in front of Gu Haitao walk directly to ye Zao, he said with incomparable respect, “Hello, Miss Ye. I’m the President of the Third People’s Hospital, Yun Jianguo. I didn’t know that Miss Ye had come to welcome you. Please forgive me!” ”

“Chapter 1967: 413: he ziteng recovers, shredding Xu Yao and Mi Chen (21st watch!)1”

“Seeing this scene, Mi Chen thought she was hallucinating. ”

Why was the director so respectful to Ye Ziteng?

That’s right.

“Ye Ziteng was pretty and had a great temperament. However, no matter how pretty she was or how great her temperament was, she was just a woman. ”

“Yun Jianguo was the director of the Third People’s Hospital. He was a high-ranking official with a powerful background. Usually, some nobles would not be able to curry favor with him even if they wanted to. ”

But now...

“Before Mi Chen could react, ye Zao said calmly, “Director Yun, arrange an operating room for me. I want to operate on he ziteng immediately.” ”

“”Sure.”Yun Jianguo nodded and continued, “I’ll arrange it right away.” ”

“Can you do it in fifteen minutes?”Ye Zao asked.

“No problem.”

“Ye Zhuo nodded slightly. “Then I’ll leave everything to you, director Yun.” ”

“”Of course,”Yun Jianguo said with some trepidation. ”

“The director sent someone to arrange the surgery, while Ye Zhuo began to prepare for the pre-operation work. ”

“This surgery only had a 50% success rate. There was a high possibility that he ziteng would die on the operating table, so the he family’s parents had to sign the consent form. ”

Only with their consent could the surgery be carried out.

Seeing that all the work was being carried out nervously.

“Xu Yao pinched her fingers, feeling a little anxious. ”

“She did not know why, but she had a bad feeling in her heart. She felt that ye Zhuo could cure he ziteng. ”

What if he ziteng really recovered?

No.

She could not let such a thing happen.

“Seeing that the he family’s parents were about to sign the consent form, Xu Yao said, “You can’t Sign It!” ”

“Hearing Xu Yao’s voice, he ziteng, who was lying on the bed, wanted nothing more than to get up immediately and tear her face apart. ”

What was this B * Tch trying to do?

Was she trying to stop ye Zao from performing the surgery on him? !

That was true.

“As long as he died, Xu Yao could use her stomach to enter the house. ”

Xu Yao wished that she was dead right away.

Why would she let ye Zhuo save him?

What should they do now?

He ziteng was very anxious.

He hoped that his parents would be able to see through Xu Yao’s true colors as soon as possible.

“Hearing this, father he’s hand that was signing the papers stopped. He turned around and looked at Xu Yao. “What’s wrong, Yaoyao?” ”

“Xu Yao sorted out the expression on her face and continued, “Uncle and Auntie, come out for a moment. I have something to tell you.” ”

““I’ll sign the papers first,”father he said. ”

““No, wait until I’m done talking to you. You can consider whether you want to sign it or not.” ”

“The He family’s parents looked at each other and saw the doubt in each other’s eyes. Then, they followed Xu Yao out of the door. ”

““Yaoyao, what do you want to tell us?”Mother he asked. ”

“Xu Yao continued, “Uncle and Auntie, don’t you think that Miss Ye is too young?” ”

“Mother he nodded. “Miss ye is indeed very young. However, although she is young, she has the ability. The mother of our country’s first aircraft carrier is Miss Ye!” ”

Age did not equate to strength.

Xu Yao narrowed her eyes.

She had only heard of the name Miss ye from he ziteng. She did not know that ye Zao’s background was so great!

“This way, she could not let ye Zao perform the surgery on he ziteng! ”

Because ye Zao was too powerful.

“Xu Yao continued to speak, “Miss Ye is a scientific researcher. Scientific Research and medical skills are two completely unrelated professions. Moreover, Miss Ye has also said that she only has a 50% chance of success. What if the surgery fails?” ”

“Hearing this, mother he was stunned. ”

“Father he continued to speak, “If we let miss ye try, there’s at least a 50% chance of success. But if we don’t let Miss Ye Try, then there’s no chance at all! “Do we have to watch helplessly as Ziteng lies on the bed for the rest of his life and can’t Do Anything?” ”

“As parents, they could not bear to see their son like this. ”

“Even if there was only a 1% chance, they had to save him. ”

“Xu Yao frowned slightly, “Uncle, Auntie, you guys are thinking too simply about this! If the surgery fails, we will never be able to see Ziteng again! Now, we can at least see Ziteng every day and guard him! No matter what, it’s better to be alive than dead!” ”

“Hearing this, mother he was stunned. ”

“Actually, what Xu Yao said was not unreasonable. ”

“Father he said, “Yaoyao, I understand your feelings, but I have to give it a try now. Take a gamble! What if Ziteng recovers? Are you sure the surgery will fail?” ”

Xu Yao shook her head. “I didn’t mean that. I’m just worried about Ziteng!”

“Mother he smiled and said, “Yaoyao, I know you didn’t mean that. Ziteng used to trust miss ye very much. I believe that if ziteng were sober now, he would definitely agree to let miss ye treat him.” ”

Chapter 1968: 413: he ziteng recovered and Tore Xu Yao and Mi Chen apart (21st watch!)2

“At this point, mother he held Xu Yao’s hand. “Yaoyao, let’s wait for a miracle together!” ”

“Xu Yao was very anxious. Just as she was about to say something, she looked up and saw Mi Chen’s eyes. ”

“Although Mi Chen didn’t say anything and only gave her a look, she still understood the meaning in Mi Chen’s eyes and found her backbone in an instant, she then said, “Alright then. Since uncle and uncle have already decided, I’ll respect your wishes!” ”

The He family’s parents nodded and turned around to walk into the ward.

“Xu Yao said, “Uncle and Auntie, I’ll go out to relax.” ”

“”En, you should go. You’ve worked hard during this period of time,”mother he said. ”

Xu Yao walked out.

Mi Chen was waiting at the corner.

“Why didn’t you stop this?”Xu Yao looked at Mi Chen and asked.

“Mi Chen’s lips curled into a smile. “Don’t worry, Ye Zao won’t be able to cure he ziteng.” ”

“”Are you that sure?”Xu Yao continued, “What if he’s cured? Do you know who ye Zao is? She’s the number one person on the aircraft carrier!” ”

A person who could go down in history!

He ziteng was also lucky to know ye Zao.

“Upon hearing this, Mi Chen said with disdain, “Even if she’s a god, she can’t cure he ziteng!” ”

“What do you mean?”Xu Yao looked at Mi Chen.

“Mi Chen continued, “Yaoyao, to tell you the truth, not only did I cause a car accident, I also poisoned he ziteng’s body! In less than a month, he ziteng will die from sudden death!” ”

“As long as he ziteng was alive, he was a threat to him. ”

“Therefore, Mi Chen decided not to do anything and just used the poison! ”

“What! Are You Crazy!” Xu Yao was shocked. “What if someone finds out that he ziteng was poisoned?”

“Mi chen smiled and said, “If they could find out, they wouldn’t have to wait until now. And that Ye Zhuo, didn’t she say that she was very powerful? When she checked his pulse, why didn’t she see that he ziteng was poisoned?” ”

“With that said, Xu Yao heaved a sigh of relief. ”

Mi Chen was right.

“If ye Zao was really that powerful, he should have been diagnosed. ”

This meant that ye Zao was just a facade.

“Mi Chen continued, “Don’t worry, nothing will happen. He Ziteng will definitely die! A person who is about to die will not be able to turn the sky upside down!” ”

Xu Yao nodded.

“In the ward, the He family’s parents handed the signed consent form to ye Zao. ”

“Ye Zao had already changed into a white lab coat. With a mask on, she could only see a pair of delicate phoenix eyes that were slightly raised. “Mr. and Mrs. He, is Xu Yao Pregnant?” ”

““Yes.” Mother he nodded. “Miss Ye, you really have good eyesight. You can actually tell with one glance.” ”

“Ye Zao’s expression did not change. He continued, “Xu Yao and Mi Chen are not trustworthy people. Please be careful.” ”

“Hearing this, the He family’s parents were stunned. ”

“He ziteng, who was lying on the hospital bed, was very excited. ”

“As expected, Ye Zao was still ye Zao. ”

He could actually tell at a glance that Mi Chen and Xu Yao were not good people.

“However, the He family’s parents were somewhat suspicious. ”

After all.

They were the children of He ziteng. They would rather sever their relationship with their parents to give birth to the child. One of them had saved mother he’s life.

Could it be that... Ye Ziteng was mistaken.

“Father he quickly reacted and said with a smile, “Miss Ye, did you misunderstand something? Doctor Mi and Yaoyao are both very good children.” ”

Ye Ziteng’s expression did not change and his tone was light. “One must be wary of others.”

Father he nodded.

“At this moment, assistant Xiao Shen ran over and said, “Miss Ye, the operating theater is ready!” ”

“Okay.”Ye Zhuo nodded slightly.

He ziteng was pushed into the operating theater.

The bright operating theater lit up.

The atmosphere gradually became tense.

The two anesthetists began to administer anesthetics to he ziteng.

Ye Zhuo slowly put on a pair of rubber gloves.

“He Ziteng’s consciousness went from clear-headed to blurry. In the end, he fell into a deep sleep.”

“Outside the operating theater, the He family’s parents and Xu Yao were waiting outside.”

“Xu Yao comforted them. “Uncle, Auntie, don’t be anxious. Ziteng will definitely be fine!” ”

They were not anxious.

How could they not be anxious at a time like this?

“In the blink of an eye, five hours had passed.”

From 11 a.m. to 4 p.m. in the afternoon.

Mother he looked at the operating theater. “It’s already been five hours. Why is there still no movement at all?”

Xu Yao’s lips curled up without leaving a trace.

It was better to have a longer operating period.

A longer operating period meant that the situation was very troublesome.

"Some major surgeries can last more than ten hours. It's only been five hours. Sit down first." Father he pinched his temple. "Sit down first. You're Shaking My Head!"

Chapter 1969: 413: he ziteng recovered and Tore Xu Yao and Mi Chen apart (21st watch!)3

He was also anxious.

"However, he was still a man, a husband, and a father. Even if he was anxious, he could only keep it in his heart. "

Mother he sat down.

"At this moment, Mi Chen came over with food. "Ziteng hasn't come out yet?" "

"No." Mother he shook her head.

"Mi Chen continued, "Uncle, Auntie, Xu Yao, you've been waiting here for the whole afternoon. Eat something first. Don't let your son, ziteng, be fine in a while and you guys fall down First!" "

"The He family's parents took the food. "Doctor Mi, you're too kind." "

""Uncle, Auntie, you're too polite." Mi Chen said, "It's just a small matter. It's not a big deal." "

"Xu Yao's eyes were red as she said, "I can't eat now." "

“Mother he handed Xu Yao a bowl of porridge. “Even if it’s for the baby in your stomach, you have to eat a little.” ”

“Hearing that, Mi Chen said, “Auntie is right. You’re at the most critical moment right now. Moreover, you had a miscarriage not long ago. If the nutrition can’t keep up, it will be very troublesome later on.” ”

“With that said, Xu Yao was willing to take the porridge. ”

“Time passed by minute by minute, and in the blink of an eye, another two hours had passed. ”

It had been seven hours since he ziteng had entered the operating theater!

“Mother he paced back and forth anxiously, her heart burning with anxiety. ”

“Mi Chen stood up and said, “Auntie, why don’t I help you ask around?” ”

““Okay, okay!”Mother he hurriedly nodded. “Then I’ll have to trouble you, Doctor Mi.” ”

“It’s no trouble at all.”

“Mi Chen went to the office of the Vice President, Gu Haitao. ”

“Gu Haitao was working inside. When he saw Mi Chen come in, he immediately stood up and said, “Old MI, why are you here?” ”

“Mi Chen passed a cigarette to Gu Haitao and continued, “How’s The Operating Theater?” ”

“Gu Haitao lit the cigarette. The expression on his face was a little complicated, “The situation isn’t good. I just sent someone in to take a look. There’s a high chance that he ziteng won’t be able to get off the operating table! “Even if he gets off the operating table, I’m afraid he won’t be able to hold on for

long! “I heard that Miss Ye doesn’t know any medical skills at all. Many of the medicines were used wrongly!” ”

“Speaking up to this point, Gu Haitao paused for a moment before continuing, “But you mustn’t spread these words. I heard that this miss ye has quite a powerful background. She can’t even offend the director!” ”

“”Don’t worry, I know.”Mi Chen nodded. ”

“In fact, he had long noticed that ye Zao did not know any medical skills at all. ”

“Otherwise, she would not have been unable to diagnose that he had poisoned he ziteng. ”

“Gu Haitao continued, “Even the news of he ziteng’s marriage can not be leaked!” ”

“Okay.”

“After leaving Gu Haitao’s place, Mi Chen arrived at the entrance of the operating theater. ”

“How’s Doctor Mi?”The He family’s parents immediately stood up and looked at Mi Chen.

“Mi Chen said, “I heard that the surgery went quite smoothly. Uncle, Auntie, don’t be anxious. Just wait for the time to come.” ”

“After hearing what Mi Chen said, the he family’s parents heaved a sigh of relief. ”

As long as the surgery went smoothly!

“Xu Yao looked at Mi Chen. “Doctor mi, did the surgery really go very smoothly?” ”

“Mi Chen nodded. “Yes, it went very smoothly.” ”

Xu Yao immediately understood what Mi Chen meant and heaved a sigh of relief.

Another four hours passed.

It was already 10:30 pm at night. It was almost 11 pm!

It had been 11 hours since he ziteng had entered the operating theater!

“Although they had Mi Chen’s consolation, the He family’s parents, who had initially calmed down, were now worried again.”

Eleven hours.

Would he ziteng be a corpse that couldn’t speak when they saw him again?

Xu Yao also pretended to be very anxious.

She didn’t even eat much for dinner.

“Mother he was worried about he ziteng, but she was also worried about Xu Yao. “Yaoyao, you can’t do this. You have to eat more!” ”

“Xu Yao shook her head. “Auntie, I’m not hungry.” ”

Mother he sighed. “You haven’t eaten much all day. How Can You Not Be Hungry?”

“”I’m really not hungry.”Xu Yao continued, “Auntie, you don’t have to worry about me. If I’m hungry, I’ll eat.” ”

Mother he looked into the operating room. "I don't know when Ziteng will come out."

"Xu Yao held mother he's hand. "Auntie, don't worry. Ziteng will definitely come out safely." "

""Okay." Mother he nodded and tried her best to control her emotions so that she wouldn't cry.
"Definitely, definitely!" "

Da Da —

"At this moment, the sound of footsteps suddenly came from the silent corridor. "

"Although they only heard the sound and didn't see the person, it made them feel an inexplicable pressure. "

The sound of footsteps gradually approached.

Chapter 1970: 413: he ziteng recovered and Tore Xu Yao and Mi Chen apart (21st watch!)4

The He family's parents looked up.

"They saw a tall figure walking over. He was wearing a retro-styled long robe and had a jade-like face. His pair of cold phoenix eyes contained an infinite pressure. There was a small red mole at the corner of his eye, which added a bit of coldness. "

"He held a string of bright red Buddhist beads in his hand, which formed a sharp contrast with his skin color. "

“Although he didn’t do anything, just walking over here made people feel extremely pressured.”

Who was this person?

“In a flash, father he reacted and immediately stood up to greet him. “Master Five.” ”

Master five!

Could this person be...

Master five CEN!

“Thinking of this, Xu Yao’s eyes widened and looked in the direction of Cen Shaoqing. After knowing he ziteng for so long, this was the first time she had seen the legendary master five CEN.”

“At this moment, there were only two words in Xu Yao’s mind.”

Amazing!

Cen Shaoqing nodded slightly and lowered his eyes. “The surgery hasn’t ended yet?”

““Not yet,”father he said.”

“How long has it been?”Cen Shaoqing continued to ask.

“Father he replied, “Nearly twelve hours.” ”

Twelve hours?

Cen Shaoqing frowned slightly.

“After Cen Shaoqing came, the already tense atmosphere became even more tense.”

“Cen Shaoqing was not a talkative person to begin with. If he did not speak, the others would not dare to take the initiative to speak. It was rumored that CEN fifth master’s personality was unpredictable. What if he offended this master?”

“Fortunately, the lights in the operating theater were extinguished not long after.”

PA —

“At this moment, the He family’s parents looked in the direction of the operating theater.”

“Soon, the door of the operating theater was pushed open.”

A group of people wearing white coats walked out from inside.

“Although they were all wearing white coats and masks, Cen Shaoqing still recognized ye Zhuo at a glance.”

“The He family’s parents immediately ran over. “Doctor, Miss Ye, how was the surgery?” ”

“The director pulled down his mask and smiled. “Don’t worry. The surgery went very smoothly, but you won’t be able to see Mr. He for the time being.” ”

For the time being?

“Why?”Mother he asked.

“The director explained, “Mr. He’s current situation is special, and he needs professional care.” ”

“Then how long will it take for us to see him?”

“”About a week later.”The director added, “Although the surgery was successful, during this one week, the condition of the injury may worsen. Your family members should also be mentally prepared.” ”

“When she heard this statement a week later, Mi Chen’s eyes were full of sarcasm. ”

A week was just an excuse.

Perhaps he ziteng was already dead.

“Otherwise, the hospital would not have refused to let anyone see him, and there was no need to give the he family’s parents precautionary shots in advance so that they could be prepared in advance. ”

“Mi Chen quietly touched Xu Yao’s hand, giving her a reassuring look. ”

Xu Yao and Mi Chen looked at each other and felt relieved.

“When the he family’s parents heard what he said, their hearts were in turmoil. ”

What should they do?

What if he ziteng could not make it through this week? What should they do?

“Xu Yao looked at the he family’s parents and comforted them, “Uncle and Auntie, don’t worry. Since the surgery has ended successfully, ziteng will definitely be able to make it through this.” ”

Mother he nodded with reddened eyes.

Cen Shaoqing walked to Ye Zhuo's side. "Leader."

"Seeing Cen Shaoqing, Ye Zhuo looked up in surprise. "When did you come?" "

"Cen Shaoqing had been very busy recently, and Ye Zhuo had not seen him for almost half a month. "

"I just arrived." Cen Shaoqing took the white coat that Ye Zhuo took off and continued, "Are you hungry? Eat a piece of chocolate first. We'll go out for dinner later." "

"Okay." Ye Zhuo nodded slightly and began to peel the chocolate.

"The two of them stood together, a handsome man and a beautiful woman. The scene was extremely harmonious. "

"Seeing this scene, Xu Yao frowned slightly. "

What was the relationship between the two of them?

Boyfriend and girlfriend?

"On this side, Ye Zhuo had just put the chocolate in his mouth when the family's parents walked over. "

"Miss Ye."

Ye Zhuo lowered his eyes slightly. "Mr. He and Mrs. He."

"Mother he looked at Ye Zao and said, "Miss Ye, can we meet with her?" "

Ye Zao swallowed the remaining chocolate. "Maybe not now."

"Miss Ye, let's just meet once. Just once is enough." Mother he was very worried now. She wanted to take a look at he ziteng to confirm whether he ziteng was safe or not. "

"Now that they had not seen he ziteng, the He family's parents were very worried. "

Ye Zhuo shook his head slightly. "We might not be able to do it now."

"Can't we just meet once from afar?" Xu Yao followed up with a question.
