Chapter 1971: 413: he ziteng recovered and Tore Xu Yao and Mi Chen apart (21st watch!)5

“Ye Zao said concisely, “It’s not a matter of distance.” ”

“If it’s not a matter of distance, then what is it? ”

It seemed that Mi Chen was right.

He ziteng most likely died on the operating table.

“Otherwise, ye Zao would not have stopped him from seeing he ziteng. ”

“Thinking of this, Xu Yao’s lips curled up. ”

“He ziteng, this idiot, was finally dead! ”

“Mother he continued, “Then can you shoot a video for us to see?” ”

Ye Zao nodded slightly. “I’ll get my assistant to arrange it later.”

“”Alright, Alright.”Mother he said, “Thank you, Miss Ye. We will remember your great kindness in our hearts.” ”

“”Mrs. He, don’t be in a hurry to thank me first.”Ye Zao’s tone was clear and shallow. “We’ll talk about everything in a week’s time.” ”

“Hearing that, mother he remembered what the director had said. ”

The director had said that he ziteng would only be truly safe after a week had passed.

“Ye Zhuo glanced at mother he and continued, “Mrs. He, you can go back with MR. He first. I’ll have my assistant inform you in a week’s time.” ”

It was useless for the he family’s parents to be in the hospital now.

“”Miss Ye, can you really not let me take a look at Ziteng before leaving?”Mother he asked. ”

“As a mother, she really could not let go of He ziteng. ”

“”I’m sorry, I can’t.” ”

“Mother he wanted to say something else, but Xu Yao continued, “Auntie, don’t make things difficult for Miss Ye. Let’s go back and wait for a week. I believe that Ziteng will definitely turn the situation around.” ”

Mother he nodded.

“After saying a few words to mother he, Ye Zhuo left the hospital with Cen Shaoqing. ”

“She had not eaten anything for almost a day. At this moment, she just wanted to sit in the dining room and feast. ”

“Knowing that she was hungry, Cen Shaoqing had booked the dining room before coming to the hospital. ”

“At this moment, she was sitting there eating. ”

He sat opposite her and looked at her.

“The bright crystal light shone on the side of her face, covering it with a layer of gauze. ”

It was exceptionally beautiful.

“Cen Shaoqing leaned back in his chair, holding a string of bright red Buddha beads in his hand. ”

“The steak today is not bad.”Ye Zhuo raised his eyes slightly and handed the steak to his mouth. “Try it.”

Cen Shaoqing opened his mouth and took it.

“It was delicate and soft. The meat was fresh, tender, and juicy. The taste was indeed not bad. Even Cen Shaoqing, who had never touched meat, thought it was not bad. ”

“Is it good?”Ye Zhuo asked.

Cen Shaoqing nodded slightly. “It’s very good.”

“Then you want a piece too?”Ye Zhuo asked.

“”I’m not hungry,”Cen Shaoqing said. ”

Ye Zhuo quickly finished a piece of steak. “You only eat a little grass every day. There’s no oil at all. Are you really not hungry?”

Cen Shaoqing ate more vegetarian food than people who lost weight.

“Three meals a day were vegetable salad. Ye Zhuo could not eat a single bite, but Cen Shaoqing ate with relish. ”

“I’m used to it.”

“People who ate vegetarian food all year round would feel nauseous when they smelled meat. When Cen Shaoqing went out to attend the banquet, the organizers would change all the main dishes of the banquet to vegetarian food. ”

“When those partners ate with CEN Shaoqing, they did not dare to order meat dishes because they were afraid of causing Cen Shaoqing to feel uncomfortable. ”

“In the past, who would dare to feed Cen Shaoqing Steak? ”

““What a strange person,”ye Zao said. ”

“On the other side, mother he received a video message from Little Shen’s assistant. ”

“In the video, he ziteng was lying on the hospital bed with his eyes closed. His face was pale and no signs of life could be seen. ”

“In Xu Yao’s eyes, he ziteng was no different from a dead person. ”

“After seeing he ziteng’s video, mother he heaved a sigh of relief. She packed up her things and went home with Father He. ”

“Yaoyao.”Mother he looked at Xu Yao.

““What’s wrong, Auntie?”Xu Yao asked. ”

“Mother he continued, “Come back with us.” ”

“Xu Yao hesitated for a moment before saying, “I want to wait for Ziteng to come back from the apartment.” ”

“Mother he said, “Come back with us. You’re a person with two bodies now, so it’s inconvenient for you to do anything. If you stay with me and your uncle, at least we can take care of you.” ”

“Speaking up to this point, mother he continued, “Don’t worry, we won’t mistreat you in terms of status. We’ll let you stay at home as Ziteng’s fiancée.” ”

“Hearing this, Xu Yao was extremely pleased with herself. ”

“Three months ago, mother he still despised her and felt that she wasn’t worthy of he ziteng. ”

“Three months later, when she stepped into the he family’s door again, she would be the future mistress! ”

This feeling of smacking her in the face was really great!

“Although Xu Yao was very proud in her heart, she did not show it on her face. Instead, she said hesitantly, “This... This isn’t good, Auntie.” ”

Chapter 1972: 413: he ziteng recovered and Tore Xu Yao and Mi Chen apart (21st watch!)6

“There’s nothing bad about it.”Mother he grabbed Xu Yao’s wrist. “It’s settled then! We’ll be more at ease if you stay with us.”

He ziteng was not around. They would only be at ease if Xu Yao stayed with them.

“Mother he insisted that she stay with the he family, so Xu Yao could only ‘reluctantly’ agree.”

“Half an hour later, Xu Yao and the He family’s parents moved into the he family’s manor.”

“Mother he brought Xu Yao to He Ziteng’s room, “Yaoyao, you can stay in Ziteng’s room. If there’s anything you’re not used to, remember to tell your uncle and me. Don’t make yourself feel wronged. Just treat this place as your own home.” ”

“”Okay, I understand, Auntie.”Xu Yao nodded. “Don’t worry, I’ll definitely treat this place as my own home.” ”

“Good child.”

“After staying in the hospital for more than ten days, father he went back to his busy work.”

“Although he ziteng was in trouble, his life still had to go on.”

Mother he was also a little busy.

“Hence, Xu Yao was the only one left in this huge manor.”

“Xu Yao was lonely, so she invited Mi Chen over.”

“In the midst of intense love, Mi Chen hugged Xu Yao and fell onto he ziteng’s bed.”

“Xu Yao frowned slightly and asked worriedly, “Child, Will the Child Be Alright?” ”

Mi Chen blew into her ear. “I’m a doctor. I know what I’m doing. Don’t worry.”

“Okay.”Xu Yao nodded slightly.

“About half an hour later, Xu Yao lay in Mi Chen’s arms with a red face. “Do you think he ziteng is really dead? I Had a dream last night and he came back to life in the dream. It really scared me to death!” ”

“”Silly, dreams are reversed.”Mi Chen hugged Xu Yao tightly. “Don’t worry. Even if he ziteng isn’t dead now, he won’t be able to live! Next, it will be the two old guys’Turn!” ”

“Speaking up to this point, Mi Chen’s eyes flashed with a vicious light. ”

“Xu Yao continued, “Have you dealt with He ziteng’s car accident?”Xu Yao didn’t want anything to happen when her life was really sweet. ”

“”Don’t worry, baby.”Mi Chen lowered her head and kissed Xu Yao. “From now on, the He family will be ours.” ”

The corners of Xu Yao’s mouth curled up.

“At this moment, there was a sound from downstairs. ”

“From the sound, it seemed that the he family’s parents had returned. ”

“Xu Yao immediately sat up from the bed. “The old thing is back! Quick, quickly put on your clothes!” ”

Mi Chen was also quite frightened. She immediately found some clothes to put on.

“If the He family’s parents found out about their affair at this time, then all of their efforts would be wasted! ”

“After putting on her clothes, Xu Yao opened the window to let the air in. She turned around and looked at Mi Chen. “Come down with me later. Tell them that I’m not feeling well, so you came over to see me.” ”

“Okay.” Mi Chen nodded.

Xu Yao adjusted her expression and went downstairs.

“Downstairs, the He family’s parents had returned.”

“Xu Yao smiled and said, “Uncle, Auntie, you’re back.” ”

“Mi Chen followed behind and called for them. “Uncle, Auntie.” ”

“Doctor Mi is here too!” Mother he said with a smile.

“Xu Yao nodded and said, “I’m not feeling well. I was afraid that you’d be worried, so I didn’t go to the hospital. Let doctor mi come over to see me.” ”

“When they heard that Xu Yao was feeling unwell, the he family’s parents immediately became nervous.

“Yaoyao, are you alright? Where are you feeling unwell?” ”

““Uncle, Auntie, don’t worry,” Mi Chen said at this moment. “It’s not a big problem. Just rest and rest more.” ”

““That’s good.” The he family’s parents heaved a sigh of relief and continued, “Doctor Mi, you and our family’s ziteng have always been good friends. If you have time, you can come and accompany Yaoyao more often.” ”

““Okay.” Mi chen nodded and continued, “Xu Yao’s foundation isn’t good to begin with. In addition, Ziteng’s condition has been affected, so his pregnancy is still a little unstable. You have to pay more attention to rest and replenish your nutrition.” ”

“Hearing this, mother he immediately nodded. “Don’t worry, doctor Mi. I know.” In the past few days, she had instructed the servants to make bird’s nest for Xu Yao every day.” ”

“However, Xu Yao’s appetite was too small. She could only eat a small bowl at a time. ”

“”I still have some matters to attend to, so I’ll be leaving first. Goodbye, uncle and Auntie,”Mi Chen said gently. ”

“”Take care, doctor mi.”The He family’s parents sent doctor mi out of the door. ”

“After Mi Chen left, mother he sighed. “This doctor mi is really a good person.” ”

Xu Yao’s lips curled up slightly.

“In the blink of an eye, a week had passed. ”

Today was the day of the results.

“Ever since midnight, the He family’s parents had entered a period of insomnia. No matter how hard they tried, they could not fall asleep. They were looking forward to ye Zhuo’s call. ”

Chapter 1973: 413: he ziteng recovered and Tore Xu Yao and Mi Chen apart (21st watch!)7

It was not until 10:30 in the morning that the he family’s parents received a call from their assistant.

“When they received the call, mother he was so emotional that tears welled up in her eyes. “Thank you, assistant Xiao Shen. Thank you!” ”

“”You’re welcome. If you want to thank someone, go thank Miss Ye. All of this is thanks to Miss Ye. It has nothing to do with me.” ”

“That’s right. I want to thank Miss Ye. Thank Miss Ye!”

“Father he was beside them. After mother he hung up, father he asked impatiently, “Is Ziteng Alright?” ”

““Yes, yes...”mother he nodded. She was so excited that she could not speak. ”

“Father he continued, “Then quickly go up and tell Yaoyao about this.” ”

“Pregnant women were all lethargic. Now that Xu Yao was still sleeping, it was definitely not suitable for him to go up. ”

Mother he nodded and immediately ran upstairs.

“When she went up, Xu Yao was just about to open the door and go down. After all, today was he ziteng’s Big Day. As an infatuated girlfriend, Xu Yao naturally could not sleep in. ”

“The moment Xu Yao opened the door, she saw mother he, who was crying her eyes out. ”

“Seeing this, Xu Yao’s lips curled up without a trace. However, in the blink of an eye, her expression changed to one of sadness. “What’s wrong, Auntie? Did something happen to Ziteng?” ”

“With his mother crying like this, it was obvious that something must have happened to he ziteng. ”

““It’s Alright, ziteng has woken up.”His mother hugged Xu Yao excitedly. “Yaoyao, Ziteng is alright! Ziteng is Alright!” ”

What?

He ziteng is alright?

How did this happen?

What's going on?

Why Is He Ziteng Alright?

“Xu Yao tried hard to control her emotions and pretended to be very happy. “Really? Auntie, don't lie to me. Is Ziteng Really Alright?” ”

““Yes, Ziteng is Alright!”Mother he held Xu Yao's hand. “Let's go, yaoyao. Let's hurry to the hospital to see Ziteng.” ”

““Okay!”Xu Yao nodded and smiled with tears in her eyes. “I have to inform doctor mi of this good news immediately. After doctor Mi hears it, he will definitely be very happy!” ”

““Okay, quickly inform Doctor Mi!” ”

“Upon hearing Xu Yao's call, Mi Chen's face was also filled with disbelief. ”

He was fine!

He ziteng was actually fine!

How was this possible?

“Ye Zhuo had not even figured out the true cause of he ziteng's illness, so how could he have cured he ziteng! ! ”

It was impossible!

He had to go to the hospital immediately to figure out the situation.

Mi Chen put down her phone and immediately rushed to the hospital.

“Half an hour later, the He family’s parents and Xu Yao arrived at the hospital.”

“Assistant Xiao Shen was already waiting at the entrance of the hospital. “Mr. and Mrs. He, you’re here. Quickly follow me.” ”

“Mother he said in disbelief, “Assistant Xiao Shen, is ziteng really alright?” ”

“Assistant Xiao Shen smiled and said, “He’s really alright. Do you think I would joke with you about something like this?” ”

“”That’s good, that’s Good!”Mother he cried with joy.” ”

Xu Yao followed behind and narrowed her eyes.

“Very soon, assistant Xiao Shen brought the few of them to a ward. “Worker he is inside. You guys should hurry in.” ”

He’s mother gulped and looked at the tightly shut door. She suddenly lost the courage to push the door open.

He’s father raised his hand and pushed the door open.

Bang.

The door was pushed open.

A tall figure stood in front of the window with his back facing them.

He's parents immediately recognized he ziteng's figure and rushed over crying.

"Ziteng!"

The two of them hugged he ziteng and cried out loud.

"During this period of time, they were already prepared to lose he ziteng. They did not expect that God would bring them such a surprise again. "

"Seeing this scene, Xu Yao was stunned and took a few steps back. "

Why did this happen?

Why didn't He Ziteng Die?

"Not only did he ziteng not die, he even stood up. "

Why did he ziteng recover so quickly?

What exactly happened?

"Xu Yao held the door frame tightly with both hands. Because she used too much strength, her knuckles had already turned slightly white. "

"At this moment, a hand gently patted Xu Yao's shoulder. Xu Yao looked up and saw Mi Chen's face. "

Xu Yao heaved a sigh of relief.

So what if he ziteng woke up?

“For a fool like he ziteng, if Mi Chen could kill him once, she could also kill him a second time.”

“In any case, he ziteng didn’t know about her and Mi Chen.”

“Xu Yao walked in with a smile and hugged he ziteng. “Ziteng, ziteng, you’re finally awake! You have no idea how worried I’ve been about you these past few days!” ”

“When he heard Xu Yao’s voice again, he ziteng felt nauseous.”

How could he be with such a person!

He ziteng lowered his head and looked at Xu Yao who was hugging him. His gaze was very cold.
“Worried about me? Worried about when I’ll die?”

“When he said this, not only was Xu Yao stunned, but even the He family’s parents were stunned.”

Xu Yao’s face instantly turned pale.

Could it be...

He Ziteng knew something?

How could it be!

She clearly did not give herself away by he ziteng’s side.

What a joke.

He ziteng must be joking with her.

“Xu Yao suppressed the panic in her heart and pretended as if nothing had happened. She continued, “Ziteng, what kind of joke are you making! I’m really worried about you!” ”

“At this moment, mi Chen said, “Ziteng, if you don’t die, you’ll get rich later. These days, Xu Yao hasn’t eaten or slept well because of you. She’s a woman with two bodies now, so she can’t stand your jokes.” ”

“”Adulterer and adulterer!”He ziteng directly shook off Xu Yao who was hugging him. “Xu Yao, stop pretending! I know everything!” ”

Chapter 1974: 414: The Conspiracy has been exposed and she is going straight to jail! 1

Xu Yao was caught off guard and was thrown to the ground by he ziteng. Intense pain came from her knees and hands.

What was going on.

What the hell was going on?

Did He ziteng find out about her and Mi Chen?

“Otherwise, why would he ziteng say these words? ”

But how did he ziteng find out?

It was only for a moment. Xu Yao's face turned extremely pale.

"If these things were exposed, what would she do?"

"Not to mention Xu Yao, even the He family's parents were stunned. Mother he immediately helped Xu Yao up. "Yaoyao, are you okay?" "

"I'm fine." Xu Yao shook her head and turned to look at he ziteng. "Ziteng, what's Wrong?" "

"He ziteng sneered. "What's wrong with me? Xu Yao, you and Mi Chen, don't you know what you've done together? You still have the face to ask me what's Wrong!" "

He ziteng only wanted to kill Xu Yao now.

This woman was the greatest humiliation in his life!

"What did I do?" Xu Yao looked at he ziteng with red eyes. "Between me and Mi Chen, we're innocent. What's wrong with us? You, on the other hand, just woke up and you're accusing me and Mi Chen so indiscriminately!" "

"Speaking up to this point, Xu Yao's tone softened a little as she said with tears in her eyes, "Ziteng, what's wrong with you? Are you feeling unwell somewhere? Can you tell me?" "

"Pretending! You're still pretending! Xu Yao, why didn't I realize that you were so good at acting before?" Now that he thought about it, he felt that it was ironic. "

He ziteng used to think that Xu Yao was the best girl in the world.

"Not only was she beautiful, but she was also understanding. "

It was his fortune to be able to find a girlfriend like Xu Yao.

He never dreamed that Xu Yao would betray him.

“Perhaps, from the moment he met Xu Yao, all of this was a trap. ”

Mi Chen narrowed her eyes and watched this scene.

He had to think of a way to resolve all of this as soon as possible.

“Otherwise, all of his previous efforts would have been in vain! ”

“Xu Yao shook her head and said very sadly, “Ziteng, I didn’t! I really didn’t. What’s wrong with you? Why are you treating me like this? Are you still the He ziteng that I know?” ”

“Hearing this, mother he frowned slightly. “Ziteng! What’s going on? What do you mean by these words? Are you talking nonsense?” ”

The He family’s parents were a little dumbfounded.

They couldn’t believe that what he ziteng said was true.

“After spending the past few days together, mother he had completely accepted Xu Yao. Xu Yao was sensible and obedient. Now that she saw Xu Yao being wronged, how could mother he accept it? ”

“Furthermore, Mi Chen was her savior. If it wasn’t for Mi Chen, she would have already died. ”

“Most importantly, Xu Yao and Mi Chen didn’t know each other at all. ”

“After all, he ziteng had just woken up, so it was normal for him to be a little confused. ”

“”Mom, Dad, we’ve been tricked! We’ve all been tricked!”He ziteng turned to look at his parents, “Mi Chen and Xu Yao have known each other for a long time. They’ve been hooking up in the dark! “The bastard in Xu Yao’s stomach isn’t mine at all! “The two of them are here for the He family’s property. “Their plan is to get rid of me first, then use the bastard in Xu Yao’s stomach to inherit the he family’s property! “After everything goes according to plan, they’ll design a plan to get rid of you and dad as well! “At that time, this adulterous couple will be able to be together legally!” ”

Mi Chen and Xu Yao had been together for a long time.

“Therefore, the bastard in Xu Yao’s stomach was definitely Mi Chen’s! ”

He ziteng controlled his desire to kill.

He had to pay with his life.

It was not worth it for such an adulterous couple.

“What are you saying?”Mother he was stunned when she heard these words.

Father he was also stunned.

The expression on Xu Yao’s face was very panicked.

What should she do?

What should she do now?

He ziteng really heard everything.

“After all, Mi Chen had indeed told her these words. ”

“Mi Chen looked in Xu Yao’s direction and gave her a look without leaving a trace, indicating that everything should be handed over to him. ”

“Whether it was creating a car accident or being with Xu Yao, he had cleaned up his tail very thoroughly. ”

Did He ziteng have evidence?

“If he didn’t have any evidence, it would be called framing! ”

Xu Yao tried her best to calm herself down after receiving mi Chen’s gaze.

“At this moment, she couldn’t panic. ”

“The next second, Mi Chen laughed out loud. ”

“Laughter suddenly appeared in the quiet space, causing everyone to shift their gazes to him. ”

“Mi Chen looked at he ziteng and said, “Ziteng, are you sure you’re not dreaming? “Even the traffic police said that you were in a traffic accident, but you said that I was the one who caused your accident. I’m just a doctor, how can I be so capable! “What I can’t understand the most is that you actually said that I want to get rid of you and then get rid of uncle and aunt. Ziteng, it’s already a society ruled by law. Do you really think that the police station is run by my family? I don’t have to go to jail for doing bad things?” ”

Chapter 1975: 414: The Conspiracy has been exposed and you’re going straight to jail! 2

“After that., mi Chen continued, “Ziteng! You can eat whatever you want, but you can’t say whatever you want! I didn’t say anything because you’re a patient. It doesn’t matter what you say about me! “But Xu Yao isn’t just your girlfriend. She’s also pregnant. Have you thought about how she feels when you talk about her like that?” ”

Mi Chen’s words were focused on two words.

Patient.

“He ziteng was a patient. When he got into a car accident, he injured his brain. How could he believe his words so easily? ”

“After hearing what Mi Chen said, the expressions of the he family’s parents changed. ”

“Actually, what Mi Chen said made sense. ”

“After all, he had just recovered. It was normal for him to be a little confused. ”

Mi Chen was just a doctor. How could she be so capable to kill someone and cause a car accident?

The He family’s parents felt that he ziteng was talking in his sleep.

“He ziteng looked at Mi Chen. “Mi Chen, how dare you say that you didn’t cause my car accident? How dare you say that you have nothing to do with Xu Yao?” ”

““The more you say it, the more ridiculous it gets!”A look of anger gradually appeared on Mi Chen’s gentle face, she continued, “You have to be responsible for everything you say. You said that I was the one who caused the car accident and that I had a relationship with Xu Yao. You even said that the child in Xu Yao’s stomach was mine. Do you have any evidence? “Where is your evidence?” ”

Could the court convict him based on just one sentence from he ziteng?

Impossible!

“Therefore, no matter how much he ziteng said, it was just slander.”

“He ziteng continued, “Mi Chen, I heard everything! When I was unconscious, the words you said to Xu Yao were the best evidence!” ”

“”Ziteng, don’t be too excited. Your condition has just improved. If you are too emotional, it won’t do you any good!” Mi Chen tried her best to speak in a calm tone, “Nothing happened between Xu Yao and me. You said that you heard me talking to Xu Yao while you were unconscious! “Ziteng, even you yourself said that you were in a coma at that time. That was just your imagination! “I have nothing to do with Xu Yao’s Innocence!” ”

Mi Chen was calm now.

It was as if he was really innocent with Xu Yao.

“At that time, he ziteng was in a coma. Even the Doctor said that there was no hope for he ziteng to wake up at that time.”

“Even if it wasn’t a figment of his imagination, it was just a dream that he ziteng had.”

What could a dream mean?

“He ziteng narrowed his eyes, “You can understand that it was all my imagination, but how do you explain Xu Yao’s stomach? “Mi Chen, my parents treated you well. I didn’t expect you to be an ingrate! “Not only did you want to harm me, but you also wanted to lay your hands on my parents after I was killed! “Are you even human? !” ”

He ziteng was extremely heartbroken!

“If he hadn’t heard it with his own ears, he wouldn’t have believed that Mi Chen and Xu Yao would betray him.”

“Luckily, there was still Xu Yao’s belly.”

“Xu Yao had been in cahoots with Mi Chen for so long, so the evil child in her belly was definitely Mi Chen’s!”

How could mi chen really make Xu Yao pregnant with his child.

The reason why Mi Chen was so ruthless to him was because of Xu Yao’s belly.

He was afraid that he would see through something after the child was born.

“Good! Since uncle and aunt are both here today, let’s do an appraisal together and let science tell you who the child is! Let reality tell you whether this is your imagination or not!” Mi Chen continued, “But ziteng, I also want to tell you that the human heart will turn cold! Doing a bone piercing appraisal will also affect the child. You’d better think it through!”

“Are you feeling guilty?” He ziteng looked at Mi Chen.

It must be Mi Chen who was feeling guilty!

“Otherwise, he wouldn’t have stopped him from doing the appraisal.”

“Alright, I understand what you mean.” Mi Chen nodded and looked at Xu Yao. “You are the child’s mother. What do you think?”

“Xu Yao bit her lip and looked at he ziteng with a pitiful look, “Ziteng, do you really not believe me? Just because of a dream and a fantasy, you think I betrayed you, and you suspect our baby? Is Our relationship so fragile?”

“Xu Yao, what time is it? You are still acting!” He ziteng clenched his fists. His eyes were full of anger. He wanted to crush Xu Yao to death.”

“However, his rationality told him that he couldn’t.”

He couldn’t.

“Xu Yao immediately raised three fingers, “Ziteng, I can swear to the heavens that I have never been betrayed by you. I am carrying our baby! “If you don’t believe me, can you wait for the baby to be born before doing the appraisal? “I heard that many people miscarried because of the wrong amnio! This is our first child, ziteng, are you really willing to give it up?” ”

Chapter 1976: 414: The Conspiracy has been exposed and you are going straight to jail! 3

“After saying that, Xu Yao turned to look at the he family’s parents. “Uncle and Auntie, you have to believe me. I really haven’t done anything to betray ziteng!” ”

“He ziteng was, after all, the He family’s parents’ biological son. The bloodline issue was not a small issue. At this moment, they would definitely stand on he ziteng’s side.”

The appraisal had to be done.

“Father he deliberated over the words in his heart and continued, “Why don’t you do an appraisal? This way, you can clear your name. Yaoyao, this is actually a good thing for you!” ”

Mother he nodded in agreement. “Your uncle is right. A righteous person is not afraid of a slanted shadow. It’s not a big deal to do an appraisal.”

“Xu Yao smiled bitterly. “Alright, I got it.” ”

“After saying that, Xu Yao looked at he ziteng. “I didn’t expect that I would be so unbearable in your heart!” ”

“”Xu Yao, is there any point in doing this?”He ziteng continued, “You’ll only make me feel even more disgusted with you!” ”

Xu Yao’s face was covered in tears.

The few of them came to the appraisal department together.

They took samples for testing.

“Just as they were taking samples, Mi Chen looked at he ziteng. “Ziteng, have you really thought it through? Once you do the amniocentesis, there’s No Room for regret!” ”

“Why would I regret it? Are you feeling guilty?”He ziteng looked at Mi Chen.

“Mi Chen sighed. “Since you’ve already made up your mind, I won’t say anything else. I don’t want you to be suspicious.” ”

“As she finished speaking, Mi Chen walked out and happened to see the he family’s parents. ”

“Uncle and Auntie.”Mi Chen walked over.

The He family’s parents looked at Mi Chen with a complicated expression.

They had known Mi Chen for more than three years.

“In their eyes, Mi Chen had always been a kind, ambitious, and good child. ”

But now...

Something like this had happened.

“He ziteng was their biological son. As parents, they knew his character very well. ”

“If Mi Chen and Xu Yao were really innocent, he ziteng wouldn’t have made any groundless accusations and wouldn’t have wronged them. ”

Unless...

“Under the current circumstances, they could only do an appraisal. Only then would their parents feel at ease. ”

“Mi Chen narrowed her eyes and walked in front of the He family’s parents without batting an eyelid, she continued, “I’ve already taken a sample, but I still hope that the two of you can stop ziteng. I really don’t have any improper relationship with Xu Yao. Xu Yao’s current month is small, and her fetus is already unstable. If we forcefully do an amniocentesis, it will definitely affect the fetus.” ”

“At this point, mi Chen continued, “I know that uncle and Auntie will definitely think that I’m guilty, but I can vouch for you with my character. I’ve never done anything to let the two elders down or ziteng down!” ”

Mi Chen’s words also had a hidden meaning.

“If he really wanted to harm the he family’s parents, he wouldn’t have saved mother he back then. ”

“Saving people and harming them, wasn’t that unnecessary? ”

And he would even implicate himself in jail!

“Father he looked at Mi Chen, then he said, “Doctor Mi, you saved your aunt. If it weren’t for you back then, your aunt wouldn’t be in her current state. But you know Zi Teng’s character well. If you don’t investigate thoroughly, he won’t stop. So, it’s been hard on You!” ”

“Father he was also a businessman, so he naturally knew what Mi Chen meant by her words. ”

“Mi Chen nodded, she continued, “I don’t mind. The one who has been wronged is Xu Yao. “Uncle, aunt, when Ziteng was in the car accident, he hit his head. What he heard was just a figment of his imagination. He can’t humiliate Xu Yao just because of a figment of his imagination. Xu Yao is a girl!” ”

“Mother he spoke at the right time, “Doctor Mi, I know what you mean. Don’t worry. If there’s no problem with the results of the test, the two of US will definitely make it up to Xu Yao.” ”

Mother he’s address of Xu Yao had changed from Yaoyao to Xu Yao. This was enough to prove her attitude.

“Mi Chen narrowed her eyes without a trace. “Since uncle and Auntie have made up their minds, there’s no use for me to say anything. As long as uncle and Auntie Don’t blame me for not warning the two of you!” ”

“Right at this moment, Xu Yao finished her amniocentesis. ”

Her face was deathly pale.

“Sitting on the blue plastic chair in the waiting area, it made one’s heart ache. ”

“Mother he immediately walked over. “Xu Yao, Are You Alright?” ”

“Xu Yao immediately sensed that something was wrong with mother he. She smiled and shook her head. “I’m fine, Auntie.” ”

That Old Ouyang Xunfang.

Just you wait.

Chapter 1977: 414: The Conspiracy has been exposed and she's going to jail! 4

"One day, she will make this old thing pay. "

Two hours later.

The doctor came out with the results.

"He ziteng immediately rushed over and asked, "Doctor Yang, how is it?" "

"Doctor Yang looked at the results and said, "Mr. HE, according to the results, you are indeed the biological father of Miss Xu's Child!" "

What?

Biological Father!

He ziteng was stunned.

No.

Impossible.

Xu Yao and Mi Chen clearly had an improper relationship. How could he be the biological father of that bastard child!

It couldn't be.

"When she heard this, a glint flashed across Xu Yao's lowered eyes. "

He ziteng had never expected that she was carrying his biological child.

"Fortunately, she was careful. "

Otherwise...

"At this moment, Mi Chen stepped forward. "Ziteng, the truth is right in front of you. Do you still think that the child in Xu Yao's stomach is mine?" "

He ziteng was stunned on the spot. He felt as if the world was spinning.

How did things turn out like this?

"When they heard this, the He family's parents walked to Xu Yao's side and said with guilt on their faces, "Yaoyao, I'm sorry. We misunderstood you and Doctor Mi." "

Xu Yao's eyes were red and she didn't say anything.

"After saying that, the He family's parents looked at Mi Chen. "Doctor Mi, I'm sorry." "

"Mi Chen said with a clear conscience, "Uncle and Auntie, I've said long ago that it's unnecessary to do the test. I'm fine. You guys should care more about Xu Yao! I think she's in a very bad state right now!" "

“After saying that, Mi Chen turned to look at he ziteng and continued, “Ziteng, you’ve just woken up. The most important thing now is to cultivate properly. As for what you’ve heard, it’s really just a figment of your imagination!” ”

“”Dad, Mom, don’t be fooled by them!”He ziteng reacted at that moment, “I really don’t have a figment of my imagination. That’s Not a dream! “Mi Chen and Xu Yao really knew each other a long time ago. Mi Chen was the one who caused my car accident! “Oh right, I remember now. When Xu Yao went to the hospital for a pregnancy test, Mi Chen was the one who drove us there. Mi Chen must have done something to the car at that time! “I also heard him tell Xu Yao that once the car’s speed reaches 210 or above, the brakes will fail!” ”

He ziteng was very anxious now.

He did not understand why his parents did not believe him.

He was even more confused as to why the child in Xu Yao’s stomach would be his.

The He parents only thought that he ziteng was hallucinating.

“Father he walked to he ziteng’s side and continued, “Ziteng, doctor mi is right. You have just woken up and you still need to rest well. Please don’t say too much!” ”

“After he said that, father he looked at Mi Chen. “Doctor Mi, I’m sorry.” ”

“Mi Chen said, “Uncle, don’t worry. I Won’t argue with a patient.” ”

Patient!

“When he saw Mi Chen’s smug face, he ziteng finally couldn’t hold it in any longer. He rushed over and grabbed mi chen by her collar. His eyes widened and his face was filled with anger. “Mi Chen! You Bastard!” ”

“At that moment, he ziteng even wanted to perish together with Mi Chen.”

He really couldn't stand the people who had harmed him. They pretended to be innocent in front of his parents.

“Mi Chen looked at he ziteng and said, “Ziteng, you've really misunderstood! I really didn't do those things!” ”

Bang!

He ziteng raised his hand and punched Mi Chen.

“In an instant, a bruise appeared on Mi Chen's left eye.”

“Seeing this, the He family's parents immediately went forward and grabbed he ziteng. “Ziteng! What are you doing!” After saying that, they apologized to Mi Chen. “Doctor Mi, I'm sorry! Ziteng isn't in his right mind right now. He didn't do it on purpose!” ”

““Dad, Mom, let go of me. I want to kill that bastard!” ”

“Mi Chen took off her broken eye, “He ziteng, don't think that you can do whatever you want just because you're sick! You said that I did those things that were not true. Do you have evidence? If you don't have evidence, I can sue you for slander!” ”

““Who said that he doesn't have evidence?” In the next second, the door of the ward was pushed open. ”

A slender figure walked in from outside the door.

“The person who came was tall and slender. She wore a dark green linen shirt and white leggings. She was clearly dressed very plainly, but an aura of nobility that could not be replicated erupted from her body.”

This was...

Ye Zao?

“Seeing ye Zao, he ziteng’s eyes instantly lit up.”

Goddess!

His goddess had finally arrived.

“No matter what time it was, as long as ye Zao was here, it would make people feel at ease.”

Ye Zhuo also followed behind a few uniformed police officers.

Chapter 1978: 414: The Conspiracy has been exposed and you are going straight to jail! 5

“Take them away.”Ye Zao opened his red lips.

The few police officers immediately took control of Mi Chen and Xu Yao.

Xu Yao had just had her amniocentesis and was very weak now. How could she have the strength to resist.

“Mi Chen did not struggle. She raised her head and said, “What’s wrong with the police? Can the police arrest people without any reason? What’s Your Police Officer’s identity? I’m going to Sue You!” ”

“Ye Zao curled his lips slightly. “You want evidence, right? I’ll satisfy you!” ”

“After he said that, ye Zao pressed the watch on his wrist. ”

Beep.

A transparent screen immediately appeared in the air.

The transparent screen showed the video of the car recording device.

Mi Chen was sitting in he ziteng’s car.

“He took out a pair of pliers and a tool knife, lowered his head, and did something to the car. In a moment, he went around to the front of the car and opened the front cover. ”

“After he had done everything, Mi Chen sat back in the car. ”

The corners of his mouth curled up into a sinister smile.

“When he saw this video, Mi Chen was immediately stunned. ”

What was going on?

He had clearly deleted the video on the car recording device. Why was there still one? !

“But very quickly, mi chen calmed herself down, she continued, “What can a mere video represent? That’s right. That day, I moved Ziteng’s car. That was because Ziteng’s car had a malfunction. I was just helping him fix it!” ”

That’s right.

He was just fixing his car.

“Don’t be in such a hurry to defend yourself. There’s also this.”

Ye Zhuo switched to another video.

“In the video, Mi Chen was hugging Xu Yao as they sat on the big bed in He Ziteng’s room. ”

“”Mi Chen, have you really settled the matter of He Ziteng’s car accident? The police won’t find out about it, right?” ”

“”Don’t worry, I’ve long deleted the video in the car recording device. How can those idiots find out about it? In your dreams!”Mi Chen’s face revealed a disdainful look at the end of her sentence. ”

“”Just you wait. It’s going to be those two old guys’turn soon! After I kill those two old guys, the He family will be ours!” ”

Mi Chen’s face was pale and cold sweat was dripping down her forehead.

He had never expected that there would be surveillance cameras in he ziteng’s room.

“Under normal circumstances, who would install surveillance cameras in their room? ”

“Of course, Mi Chen wouldn’t know. ”

“Ever since ye Zao found out about he ziteng’s injuries, he felt that there was something very wrong with Mi Chen and Xu Yao. Hence, he secretly investigated he ziteng’s car accident. He didn’t expect that she would actually find out the problem. ”

“After learning that Mi Chen had tampered with the car, ye Zao had someone secretly put an invisible surveillance camera in he ziteng’s bedroom.”

The He family’s parents took a few steps back in disbelief.

“None of them had expected that this was not he ziteng’s imagination, nor was he ziteng dreaming.”

Xu Yao and Mi Chen were actually in cahoots.

“Seeing this scene, mother he finally could not hold it in any longer. She walked up to Xu Yao and gave her a hard slap. “B * Tch, you B * Tch! My son treated you so well in vain! You are simply a snake with a scorpion’s heart!” ”

“Xu Yao was jolted awake by this slap, she cried out, “Auntie! I was wronged! It was all his fault! It was all because of Mi Chen who forced me, Auntie! It was all because of that B * Tch Mi Chen who forced me! Auntie, I’m pregnant with Zi Teng’s biological child and your biological grandson. Please forgive me this once! I promise that I won’t dare to do it again... “ ... “...” ”

“No matter what, she couldn’t go to jail.”

She couldn’t be sentenced.

The child.

Yes.

She still had a child.

The He family definitely wouldn’t just stand by and watch the child turn a blind eye.

“He’s mother couldn’t take it anymore, so she rushed over and gave mi chen a slap. “Adulterers and adulterers!” ”

“Very soon, Mi Chen and Xu Yao were brought to the police car. ”

“Looking at the police car that was far away, the He family’s parents walked up to Ye Zao. “Miss Ye, you’re the benefactor of our he family. The three of us don’t know how to thank you anymore. We... We’ll kowtow to You!” ”

“As they spoke, the three of them knelt down towards ye Zao. ”

They were truly grateful towards ye Zao.

“If ye Zao hadn’t brought out the evidence in time, at this moment, their entire family would have been deceived by the adulterous couple, Mi Chen and Xu Yao! ”

What would happen next would be unimaginable.

“According to Mi Chen’s methods, he would really exterminate the he family. ”

“Ye Zao quickly helped the three of them up and continued, “Mr. He and Mrs. He, you’re too polite. He ziteng is not only a member of the base, he’s also a good friend of Shao Qing. Based on our two layers of relationship, I won’t just stand by and watch.” ”

“After saying that, Ye Zhuo looked at he ziteng. “Everyone makes mistakes. Let bygones be bygones. In the future, when you find a girlfriend, listen to your parents’opinions.” ”

Chapter 1979: 414: the plot was exposed and she was sent to jail! 6

“If he ziteng had listened to his parents earlier, things would not have turned out this way.”

“He ziteng nodded. “I understand, sister-in-law.” ”

...

“On the other side, after Xu Yao was brought to the detention center, she had a miscarriage due to her amniocentesis and was rushed to the hospital. ”

“Initially, Xu Yao had hoped to escape with her pregnancy. ”

But now...

The child was gone and so was her trump card.

What should she do now?

No.

She had to escape immediately.

“Hence, when the police officers were not paying attention, Xu Yao quietly slipped away. ”

Xu Yao came all the way to Xu Chaonan’s office building and quietly ran to Xu Chaonan’s office.

“Auntie!”

“When he saw Xu Yao, Xu Chaonan was shocked. ”

“Yaoyao, you... Why are you here?” ”

“Xu Yao cried and knelt down to Xu Chaonan. “Auntie, you have to save me! Only you can save me now!” ”

“Did you escape from the detention center?” Xu Chaonan frowned.

“From the beginning, Xu Chaonan knew that Xu Yao would not have a good ending. ”

She had advised Xu Yao not to go down this path more than once.

But Xu Yao had turned a deaf ear to it.

“Initially, Xu Chaonan thought that Xu Yao would at most be dumped by HE ziteng. He did not expect that she would actually throw herself into it! ”

“Xu Yao’s future was originally bright, but now it was dark. ”

“Xu Chaonan held Xu Yao’s hand, “Quickly follow me to the detention center and take the initiative to admit your mistake. According to your current crime, you are at most an accomplice. You will be able to get out after a few years of rehabilitation. If you escape, then it won’t be a matter of years!” ”

“Xu Yao cried and shook her head, “I don’t want to go, I don’t want to. Aunt, please find some connections to send me overseas! I beg you, you only have me as your niece. Do you have the heart to watch me go to jail?” ”

“Xu Chao Nan frowned and hesitated for a moment before continuing, “Go to the resting room to wash your face and rest well. I will arrange the rest.” ”

“Hearing this, Xu Yao immediately wiped her tears and smiled, “Thank you, Auntie. Thank you, Auntie!” ”

She knew that Xu Chaonan would definitely save her.

“After all, she was Xu Chaonan’s only niece.”

Xu Chaonan brought Xu Yao to the resting room to rest.

“After washing her face, Xu Yao looked at Xu Chaonan and said, “Auntie, I’m a little hungry.” ”

““What do you want to eat? I’ll give you some,”Xu Chaonan said.”

“The detention center was not a place for people to stay. Every day, it was just boiled cabbage and potatoes. Xu Yao ordered a lot of food in one go.”

“Half an hour later, Xu Chaonan brought the food that Xu Yao ordered to the lounge.”

“Smelling the fragrance in the air, Xu Yao swallowed her saliva. Before Xu Chaonan could put down the lunchbox, she could not wait to snatch the lunchbox from Xu Chaonan’s hands and start wolfing down the food.”

“Xu Chaonan saw this and felt pain in his heart. No matter what, Xu Yao was a child that she had watched grow up.”

“Xu Yao had been pampered since she was young, so she had never experienced such hardship.”

“Seeing Xu Yao like this, Xu Chaonan said, “Eat slowly. No one is going to snatch it from you.” ”

“Although Xu Yao nodded, she didn’t slow down.”

“After eating and drinking her fill, Xu Yao fell asleep on the bed.”

This was the first good sleep she had in so many days.

She did not want to go back to the detention center.

“Xu Chaonan quietly walked out of the lounge and walked to the floor-to-ceiling window of the office. He looked down at the traffic on the road. Finally, he took out his phone and made a call, “Hello, is this the Public Security Bureau? I am Xu Yao’s aunt, Xu Chaonan. You Don’t have to look for me. Xu Yao is with me now. The address is 1024 MENGHAI road, building A. I will arrange for my secretary to meet you downstairs.” ”

Chapter 1980: 415: Return to the state of Changyue! 1

“After finishing his sentence, Xu Chaonan hung up the phone. ”

“Xu Yao had done something wrong, so she should pay the price. ”

“Maybe Xu Yao would hate her temporarily, but in the future, Xu Yao would definitely be grateful to her. ”

“No matter what, she could not let Xu Yao make mistakes again and again. ”

Xu Chaonan looked at the clouds in the sky and sighed deeply.

“At this moment, the sound of sirens came from downstairs. ”

Xu Chaonan looked in the direction of the lounge.

The soundproofing of the lounge was very good. Xu Yao did not hear any sound.

“Soon, she was awakened by the sound of the door opening.”

Xu Yao woke up from her sleep. She looked up and saw several police officers and Xu Chaonan who was standing behind the police officers.

Xu Yao looked at this scene in disbelief.

What was going on?

What the hell is going on?

“Auntie!”

“Xu Chaonan looked at Xu Yao, he said earnestly, “Yaoyao, it’s not scary for people to do wrong. What’s scary is to refuse to admit your mistakes. I’ve already made a deal with the police officers. As long as you cooperate with them and work hard in prison, not only will they not pursue your responsibility, but you’ll also get a chance to reduce your sentence in the future!” ”

Wasn’t her heart aching to personally hand her niece over to the police officers?

She wished that she could directly take Xu Yao’s place in prison.

But the law would not allow it!

Xu Yao looked at Xu Chaonan and wished that she could bite him to death.

She was already starting to regret it.

“She should not have come to seek refuge with Xu Chaonan. In the eyes of people like Xu Chaonan, there was no kinship at all. ”

Disgusting!

It was simply disgusting!

“Xu Yao roared hysterically, “You are not my aunt! Xu Chaonan! My mother is right, you have never treated me as your niece! Xu Chaonan! I will never forgive you!” ”

“Looking at Xu Yao like this, Xu Chaonan’s eyes were slightly red. The image of Xu Yao when she was young kept appearing in her mind. ”

She didn’t understand.

She didn’t understand why such a cute little girl would become like this.

It was all her fault.

“If she hadn’t been busy with her career and neglected to discipline Xu Yao, Xu Yao wouldn’t have gotten to where she was today. ”

Xu Chaonan was very regretful now as he pinched his temples.

““Xu Chaonan, don’t be so hypocritical! You’re just like a cat crying over a mouse!” Even when the police officer put her in the police car, Xu Yao was still cursing. ”

Xu Yao regretted it.

She really regretted it.

She shouldn't have been so obsessed back then. Why did she go to Mi Chen's appointment.

"If she didn't go to the appointment, she wouldn't have been tempted by Mi Chen and got into her trap."
"

It was all caused by Mi Chen!

"Originally, she just wanted to marry he ziteng in peace and be the mistress of the He family."

"But later, somehow, things turned out that she wanted to kill he ziteng..."

Xu Yao used her handcuffed hands to hug her head and cry bitterly.

"The policeman at the side said coldly, "If you knew this would happen, why did you do it in the first place!" "

To the policeman.

These were the tears of a crocodile.

"If Xu Yao had not been caught red-handed, then the person who was crying now would be the victim."

Such a person was not worthy of sympathy at all.

On the other side.

Father and mother Xu were directly chased out of the villa.

“Xu Chaonan stood in front of them. “In the future, I won’t have brothers and sisters like you and you won’t have a sister like me. Let’s cut all ties and never see each other again!” ”

“If they continued to cut ties, they would only end up in a mess. ”

“If it were not for the indulgence of her brother and sister-in-law, Xu Yao would not have ended up like this. ”

““Chaonan, I’m your biological brother!”Father Xu looked at Xu Chaonan. “It’s fine that you didn’t save Yaoyao, but do you still have to treat your biological brother and sister-in-law like this?” ”

“Father Xu never thought that one day, they would be chased out of the house by Xu Chaonan. ”

“All along, Xu Chaonan had been a sister who didn’t mind working hard. ”

“Even if the Xu family’s parents interfered in her finding a boyfriend, she didn’t discover anything. ”

“To the Xu family’s parents, Xu Chaonan was just a marionette, a tool to earn money. ”

“But now, this marionette suddenly had its own thoughts and broke away from their control. How could they accept this? ”

No.

No.

“They could not be chased out of the house by Xu Chaonan. If they were chased out, how would they survive in the future. ”

Mother Xu was so scared that her face turned pale.

“All these years, she had been used to being a rich lady. Every day, she would be with those rich ladies. She would have afternoon tea, play cards, and brag at the same time. Her life was very carefree. ”

“If she was kicked out, would she still be able to live like this? ”

““Superman, you are of the same lineage as your brother. Even if your bones are broken, your tendons are still attached. You Can't be so heartless!” Mother Xu continued, “We are not leaving! We are not leaving! This is the Xu family. Even if we die, your brother and I will die here!” ”
