

Almighty D 2001

Chapter 2001: 420: successfully rescue Yi Ling! 2

The originally dark and dusty fur also regained its luster at this time.

It became oily and shiny.

Da Da da —

“At this time, the sound of footsteps came from outside the confinement room.”

“Ye Zao narrowed his eyes, put Yi Ling into the bag behind him, pressed down the hat on his head, jumped, stepped on the wall, and jumped to the ceiling.”

He was like a light swallow.

The gravity of Planet E-TY889 was different from that of Earth.

“In addition, Ye Zao had a foundation in ancient martial arts, so on Planet E-TY889, he could jump farther and higher than Earth.”

“A few seconds later, ye Zao used the tools he brought with him to break the defense net on the ceiling and left the detention room.”

“When the guards at the door walked in, the detention room was empty!”

“In an instant, sirens sounded everywhere.”

“Yi Ling is missing! Quickly report to miss!”

“Seal all the exits immediately!”

“The Qiu family guards were also very fast. In just a few minutes, they had sealed all the exits. Not even a fly could fly out, let alone a person. ”

Unfortunately...

The person they met was ye Zao.

Qiu Di was soaking in a rose bath in the spacious bathroom.

The entire Chang Yue country was the descendant of the people of Earth.

This was the disadvantage of the people of Earth.

“No matter how advanced the technology was, the skin of the body had to be taken care of. If one was not careful, the skin would become very dry and age rapidly, especially after the humans moved to Planet E-TY889, because she was not used to the environment on Planet E-TY889, the skin problem was even more obvious. ”

“Up until now, thousands of years had passed, but this problem was still there. ”

“The election was coming soon, and she had to face the election in her best state of mind! ”

“She wanted all the people of changyue to know that not only was her ability not inferior to ye Zao, but her looks were also not inferior to ye Zao. ”

She did not know how many times more outstanding she was compared to ye Zao!

Ye Zao was already in the past!

“Now, she was the ruler of this era! ”

“Thinking of this, the corners of Qiu Di’s lips curled up, her eyes were filled with a proud arc. ”

It was a pity.

Ye Zao was already dead.

“Otherwise, she really wanted to let ye Zao see this prosperous era that she ruled ”

“At this moment, there was a knock on the door from outside the bathroom. ”

“Miss.”

“What’s Wrong?”Qiu di frowned slightly.

She hated it the most when someone came to disturb her while she was bathing in peace.

Skin needed time to sleep.

“Just like humans, when someone was suddenly awakened by an external force while they were sleeping, their mental state would also deteriorate, and their skin would also be the same. ”

Being interrupted like this.

Her rose bath was considered to be a waste.

“The person said through a curtain, “Not good, miss. . Yi, Yi Ling is missing!” ”

“”What!”Hearing this, autumn flute directly stood up from the bathtub. ”

Splash!

The sound of water was heard.

“The person outside had a troubled look on his face, so he could only repeat what he had just said. ”

“When did this happen?”Autumn flute asked.

She had clearly just returned from the isolation room.

“When she had gone, the clothes spirit was still half dead. In just half an hour, how could the clothes spirit suddenly disappear? ”

Autumn flute picked up the clothes on the side and quickly put them on.

“Hearing this, the person outside the curtain continued, “Just ten minutes ago.” ”

Whoosh.

“At this moment, autumn flute put on her clothes, opened the curtain, and walked out. ”

“Have you searched every corner of the detention room?”Qiu Di asked as he walked. “That little bastard is sinister and cunning. Don’t be fooled by his trick of luring the tiger away from the mountain!”

“Guard Zhang has searched everywhere, but he hasn’t found any trace of Yi Ling!” ”

“Where’s Wu Han?” Qiu Di asked.

“Captain Wu has gone to the blue-red mountain. He hasn’t returned yet.”

The day of the general election was about to arrive. Wu Han had gone to the red and Blue Mountains to attack the Grade-3 armor. He was going to use it when Qiu Di was trying to win over the hearts of the people.

Qiu di frowned. “Immediately inform Wu Han to come back immediately.”

“Yes.”

“Before long, the two of them walked into the isolation room. ”

“At this moment, the isolation room was already heavily guarded. ”

“Seeing Qiu Di, guard Zhang, who was in charge of the security of the isolation room, immediately walked over. “Young miss.” ”

PA!

Qiu Di raised her hand and slapped guard ke Zhang’s face.

Guard Zhang’s left face immediately had a red and swollen palm print.

“Looking at it this way, it was a little terrifying. ”

“Trash!” Qiu Di Glared at guard Zhang. “You can’t even watch over a little bastard. What are you still living in this world for?”

“Guard Zhang’s waist was bent very low, and he didn’t even dare to make a sound. ”

He was also very wronged.

“After discovering that there was something unusual in the confinement room, he immediately rushed over. Who knew that the moment he pushed open the door, Yi Ling would disappear. ”

Chapter 2002: 420: successfully rescue Yi Ling! 3

He had come to patrol ten minutes ago.

““What are you doing here?” Qiu Di was so angry that his whole body was trembling. He kicked guard Zhang to the ground. “Hurry up and find him! If you can’t find that Little Bastard, you don’t have to come back!” ”

““Yes, yes, yes! Your subordinate will go and find him now!” Guard Zhang was so scared that he rolled and crawled away. ”

Autumn flute looked in the direction where guard Zhang had disappeared and frowned.

““Di’er!” At this moment, autumn town’s voice sounded in the air. ”

The disappearance of Yi Ling was not a small matter.

“After hearing this news, autumn town did not even have time to comfort the beautiful concubines. They immediately rushed to the detention room. ”

“Father.” Autumn flute looked at autumn town.

“Autumn town continued, “What exactly is going on?” ”

Autumn flute was also feeling distraught. “The spirit of clothes has escaped from prison.”

Prison Break!

“How is this possible!” Autumn town continued, “When Wu Han left, he placed a confinement in the confinement room. Not to mention the spirit of clothes, even I don’t have the ability to do so!” ”

What Autumn Town said was the truth.

“This level five confinement room already had a very high defense, and now with Ye Han’s intervention, it was impossible for a mere spirit of clothes to escape from prison. ”

Qiu Di narrowed his eyes. He also felt that things were not simple.

Could it be that someone came to save the cloaked spirit?

But who could have such great ability?

To be able to save someone so quietly in the Qiu family’s confinement room.

Something was wrong.

This was very wrong!

“Qiu Changzhen looked at Qiu Di and continued, “I heard that ye Zhuo’s body disappeared, is that true?”

”

“It’s true.” Autumn flute nodded.

“Hearing this, autumn town’s face turned pale. ”

“First, Ye Zao’s body disappeared, and now, his clothes spirit disappeared! ”

Could it be that ye Zao really came back?

“”Is it, is it...” autumn town looked at autumn flute, swallowed his throat, and said with difficulty, “Di’er, did ye Zao Come Back?” ”

“”He won’t!” Autumn flute directly denied, “Ye Zao is already dead.” ”

How could a person who had already died come back to life?

Wasn’t this the biggest joke in the world?

“”If ye Zao didn’t come back to life, how would you explain all this?” Autumn town continued, “Who do you think can take Yi Ling away from here?” ”

“Could it be the sixth clan leader?” Autumn flute asked.

“After all, the only person who knew that she had Yi Ling was the sixth chief. ”

“Moreover, the sixth chief wanted Yi Ling so badly. ”

“If it was the sixth chief, then all this could be explained. ”

“It shouldn’t be.” Qiu Changzhen shook his head, “If the sixth chief could take Yi Ling away so easily, then he wouldn’t have gone through so much trouble to use the password to open the trans-star case to exchange with you.” ”

“Hearing this, Qiu di narrowed his eyes. What Qiu Changzhen said made sense. This was indeed not the style of the six clan leaders.”

“But if it wasn’t the six clan leaders, who else could it be? ”

Who had such a great ability?

“Men!” Qiu Di continued to speak.

“Eldest miss.” The assistant immediately walked over.

“Qiu di continued, “Pass down the order. If anyone dares to reveal anything about tonight’s matter, they will never see the Sun Tomorrow Morning!” ”

The disappearance of the clothes spirit was no small matter. They had to immediately seal off the news.

Especially not letting the six clan leaders know about it.

“If the six clan leaders knew about it, then on the day of the election, she would really have no hope at all.”

“With the six clan leaders around, she would be able to stabilize the other seven clan leaders.”

“Moreover, on that day, she could directly open the information on the trans-star case. Even if she did not wear that battle armor, everyone would still support it.”

“Yes.”The assistant bowed.

“Qiu Changzhen’s brows were deeply furrowed, he continued, “Di’er, this matter can not be solved by sealing the news! The most important thing now is to find out who took Yi Ling! Does that person pose a threat to us? ! Why don’t we go to the Great Witch Doctor’s Place? !” ”

The Great Witch Doctor was very resourceful. He would definitely be able to find out who had taken Yi Ling away.

“In fact, autumn town was even more worried about whether ye Zao had resurrected.”

“After all, in changyue, the person who posed the greatest threat to autumn flute was ye Zao. ”

Autumn flute nodded.

The father and daughter rushed to the Great Witch Doctor’s residence overnight.

“The Great Witch Doctor was experimenting on the snow rats on the snow mountain. When he heard this, his hands paused. “Is there such a strange thing?” ”

Ye Zao’s body was gone.

Then his spirit clothes were also gone...

“Autumn town said, “Great Witch Doctor, these two things are really strange together. Do you think that ye Zao and ye Zao have been resurrected again?” ”

Chapter 2003: 420: successfully rescue Yi Ling! 4

Although he did not want to admit that ye Zao had been resurrected.

The truth was right before his eyes.

“Other than ye Zao, who else would have the ability to do so ”

“Ha...”hearing this, the great witch doctor laughed out loud. ”

“Autumn flute and autumn town, the father and daughter, looked at each other. No one understood what the Great Witch Doctor meant. ”

“After a while, the great witch doctor raised his eyes and looked at the father and daughter. His eyes were filled with viciousness. “Ye Zao wants to be reborn? In Your Next Life!” ”

“In this life, ye Zao could only be treated as a dead person. ”

“Qiu Chang Zhen immediately said, “You mean, ye Zao did not come back to life?” ”

“Old Mister Qiu, Don’t you think your idea is ridiculous?”The Great Witch Doctor asked. ”

“Qiu Changzhen said, “Then could it be that ye Zao was faking his own death?” ”

“If ye Zao had faked his own death in the beginning, then all of this could be explained. ”

“Impossible!”When ye Zao died, the great witch doctor had specially injected a lethal poison into ye Zao’s body just in case. ”

Ye Zao could not have survived!

“Then what happened?” Qiu Changzhen continued, “Great Witch Doctor, who do you think has the ability to steal ye Zao’s corpse, and who could take away the clothes spirit from the Qiu family’s confinement room? “Don’t you think that when these two things are linked together, it’s very suspicious?” ”

“What about that ye Han?” The Great Witch Doctor placed the snow rat into a cup of unknown liquid.

“As soon as it was placed in, the snow rat fused with the liquid inside. ”

“Qiu Changzhen’s scalp was slightly numb as he watched, and he continued, “Ye Han is currently at red-blue Mountain.” ”

“Red-blue Mountain?” The great witch doctor frowned and turned on the equipment at the side. Instantly, a transparent screen appeared in the air. What appeared on the transparent screen was not any other scene, it was the image of Ye Han fighting a level three armored beast with all his might. ”

The background of the image was red and Blue Mountain.

This meant that this matter had nothing to do with Ye Han.

“Great Witch Doctor, what do you think we should do now?” Autumn town continued to speak. ”

“If the enemy doesn’t move, I Won’t move,” the Great Witch Doctor continued to speak. “It’s just a few remnants of Ye Zhuo. There’s nothing to be afraid of.” ”

Not many people knew the truth of this matter.

Some of them were silenced by the Great Witch Doctor.

It was normal for there to be a few random bugs that slipped through the net occasionally.

These random bugs could only do small things in the dark and could not threaten them at all.

“Moreover, so what if ye Zao was really resurrected?”

“Back then, since he could quietly make ye Zao disappear from that experiment, this time, he could also kill ye Zao!”

Killing ye Zao would be as easy as making an ant?

“Moreover, there was no medicine in this world that could bring people back to life.”

“Is it really not ye Zao who has been resurrected?” Qiu Changzhen asked worriedly.

“Old Mister Qiu, do you really want to know whether a dead person can be resurrected?” The Great Witch Doctor looked at Qiu Changzhen.

Qiu Changzhen nodded.

“He didn’t want to know, but he was worried and afraid.”

“It wasn’t easy for the Qiu family to get to where they were today. If ye Zao was resurrected, then everything would be for naught.”

“Not only would it be for naught, but the QIU family might also disappear from this world.”

Therefore.

Ye Zao must not be resurrected!

“The Great Witch Doctor picked up a syringe and squeezed out the excess air in it. Then he said, “It just so happens that I’ve been studying the secrets of the dead for the past few days. Why don’t Old Mister Qiu be experimented on as a sacrifice? What if you were resurrected?” ”

“At the end of his sentence, the great witch doctor walked towards Qiu Changzhen. ”

Qiu Changzhen was so frightened that he kept backing away.

“”No, no, no. Great Witch Doctor, don’t joke about me.”The Great Witch Doctor was a sinister person. He would do anything to achieve his goal. Qiu Changzhen’s face turned pale. “A person’s death is like the extinguishing of a lamp. How could he come back to life?” ”

He did not want to risk his life in order to verify whether ye Zao had really come back to life.

He had yet to see Qiu di take up the position of female sovereign.

“Most importantly, he had yet to see the Qiu family being crowned with the country’s surname. ”

“In short, he could not afford to have anything happen to him right now! ”

“”Since Old Mister Qiu understands this logic, what are you still worried about?”The great witch doctor retorted. ”

“Hearing this, Qiu Changzhen was stunned. ”

What the Great Witch Doctor said seemed to make sense.

“If it really was ye Zao who had returned, based on Ye Zao’s personality, he would have long returned to take revenge. Why wait until now? ”

“Therefore, that person was definitely not ye Zao! ”

“Qiu Changzhen immediately said, “The Great Witch Doctor’s words really woke up the person in the dream. Don’t worry, I know what to do now!” ”

Chapter 2004: 420: successfully rescue Yi Ling! 5

““It’s good that you know.”The Great Witch Doctor placed the injection on the table, his face full of displeasure, “There are still a few days before the election. Get Miss Qiu Ready. She’s about to become a female sovereign. Remember to use your brain when you’re in trouble!” ”

““Yes, yes, yes, you’re right!”Qiu Changzhen nodded repeatedly. “If there’s nothing else, Great Witch Doctor, we’ll be leaving first.” ”

The Great Witch Doctor waved his hand impatiently.

Qiu Changzhen immediately left with Qiu Di.

“After leaving, Qiu di looked at Qiu Changzhen. “You can be at ease now, right?” ”

““Yes.”Qiu Changzhen nodded and continued, “I can be at ease, but I still feel a little strange. Who are the people who took Yi Ling and stole ye Zao’s corpse! What are their motives!” ”

It was going to be the day of the general election soon. Qiu Changzhen was worried that there would be problems during the general election.

“Didn’t the Great Witch Doctor Say It? They are just the remnants of ye Zao. They are just a bunch of small fries. They are nothing to be afraid of.”Qiu Di said.

Qiu Changzhen nodded.

“Qiu di continued, “Father, the most important thing now is to not let this matter spread to the ears of the six clan leaders!” ”

“If the six clan leaders knew that Yi Ling had been rescued, he would definitely turn against them. ”

“Yes.”

On the other side.

Yi Ling slowly opened her eyes.

Before her eyes was a vast expanse of whiteness.

Where was she?

She seemed to have had a dream.

“In the dream, Ye Zhuo had come back to save her. ”

Was it just a dream?

“At this moment, a clear and shallow voice rang in her ears, “You’re awake? Quickly eat something.” ”

“At the same time, the fragrance of the hundred spirit fruit drifted into the air. ”

“Yi Ling suddenly sat up from the bed. When she saw the person beside the bed, she jumped up excitedly and hugged her, “Da Zhuozhuo! That’s great, I’m Not Dreaming!” ”

“Ye Zhuo patted its small head and said, “Don’t worry, this isn’t a dream.” ”

““Da Zhuozhuo, quickly hit me,”Yi Ling continued. ”

“Ye Zhuo smiled and said, “Quickly eat something. Otherwise, you’ll really starve to death.” ”

“Yi Ling immediately pounced on the hundred spirit fruit and started munching on it. “Great, I’ve finally eaten the hundred spirit fruit!” ”

Only God knew how much it wanted to eat the hundred spirit fruit these days.

“After eating the entire hundred spirit fruit, Yi Ling still didn’t feel full. It picked up another one and munched on it, then the third, fourth, fifth... ”

“When she picked up the seventh one, Ye Zhuo reached out to stop her. ”

““Dog, you can’t eat anymore.” ”

“Under normal circumstances, Yi Ling’s appetite was three at a time, and four was already her limit. ”

“Yi Ling raised her head to look at Ye Zhuo and sat on her feet. Her eyes suddenly reddened. “Da Zao Zao, am I Really Not Dreaming?” ”

““No.”Ye Zhuo picked her up and continued, “Did you just say that Ye Han betrayed us?” ”

““Yes.”Yi Ling nodded, “Not only has ye Han defected, he is now Qiu Di’s Lackey! He even changed his surname! His name is Wu Han now. What’s even more ridiculous is that he even said that Qiu di is his benefactor! “Oh right, there’s also that wicked woman, Qiu Di. She is the most shameless! “She told everyone that you were already dead. She even said that you handed over the position of crown prince to her before the accident! “What’s even more ridiculous is that she said that she was your Savior!” ”

“At this point, Yi Ling paused, then, she continued, “Many people have been deceived by Qiu Di! Especially the eight great families. They even gave Qiu di the information on the inter-star case! “It’s a good thing that you’re back. Otherwise, the Changyue Kingdom would really be overshadowed by this wicked woman, Qiu Di!” ”

Ye Zao frowned slightly.

“”Great Zao! Quickly go and kill the shameless father and daughter of Qiu Chang Town and Qiu Di! It’s all because of them. If something happened to you in the experiment, it must be their doing too!” ”

“”No,”ye Zao continued, “Just based on Qiu Chang Town and Qiu Di, they don’t have such abilities. There must be more than one person behind this.” ”

“Upon hearing this, Yi Ling seemed to remember something and continued, “Oh right, Great Zao, the Great Witch Doctor doesn’t seem to be dead.” ”

“Ye Zao was not surprised. “I know. Other than him, there are other people.” ”

“Are you saying that a traitor has appeared in the Ye family base?”Yi Ling asked.

“Yes.”Ye Zao nodded slightly. “I came back this time to find out the truth.”

“”Great Zao, where have you been these days? Also, how did you become like this?”Yi Ling asked immediately. ”

This kind of thing could not be explained clearly in a few words.

“Ye Zao said concisely, “I have been on Earth these days. As for the rest of the matters, I will explain them to you slowly after I have settled the matters in front of me.” ”

“Alright.”

“Ye Zhuo continued, “Oh right, I heard that the general election is coming soon?” ”

“Yes.” Yi Ling nodded. “There are three more days until the general election.”

“Ye Zhuo looked out of the window and continued, “You rest well here. I’ll go out for a while.” ”

There were three more days until the general election. She still had more important things to do.

“Yi Ling immediately hugged ye Zhuo’s neck. “Da Zhuozhuo, I’ll go with you.” ”

She was afraid that ye Zao would go away and never come back.

“Chapter 2005: 420: Trash! Miss ye will always be here, believing in more than one thing! 1”

“Ye Zhuo saw through Yi Ling’s worries at a glance and reached out to pat its head. “Don’t worry, I Won’t leave you behind.” ”

““No, I want to go with you.” Yi Ling hugged ye Zhuo’s neck and refused to let go. ”

It did not want to experience those hellish days a second time.

It was too terrifying.

“Now, as long as Yi Ling closed her eyes, those experiences would appear in front of her eyes. ”

Only by staying by ye Zao’s side would she feel at ease.

“Okay.”Ye Zao opened his backpack. “Then come in!”

“Yay! Long live burning!”Yi Ling excitedly kissed ye Zao’s face and then went into the bag.

This bag was made of special materials and could shrink at will.

Ye Zao carried the bag on his back and his slender figure disappeared into the thick darkness of the night.

He walked until he stopped in front of an aircraft.

This was an abandoned aircraft.

“Yi Ling stuck her head out of the bag and said with a frown, “Da Zao Zao, you don’t want to fly this aircraft, do you?” ”

“Yes.”Ye Zao nodded slightly.

“”This, this, this is okay?”This aircraft seemed to have been abandoned for at least ten years. ”

Ye Zao took out his tools. “It can still be used after modification.”

“Yi Ling continued, “Why don’t you use Imperial Wind?” ”

Imperial Wind was ye Zao’s special aircraft.

“Ever since ye Zao’s accident, Imperial Wind had been in an unmanned state. ”

That was because no one in changyue could control imperial wind.

“I can’t use it yet,” ye Zao said. ”

“She had just returned and had not investigated everything clearly. If she used imperial wind rashly, she would definitely alert the enemy. ”

This was also the reason why ye Zao had been using a mask to show off.

“At this time, Yi Ling also understood ye Zao’s intentions. She continued, “Great Zao Zao, let me help you!” ”

“Although Yi Ling was only a battle suit, it had the talent of repairing an aircraft. ”

“No need. You Go back and rest. I will be fine by myself.”

Yi Ling flew out of her bag and was mercilessly slapped back by Ye Zao. “Stay in your bag and be obedient.”

“Okay.”Yi Ling retracted her head again.

Yi Ling was really too tired during this period of time. She did not stay in her bag for long before falling asleep.

“During this period of time, ye Zao had been repairing the aircraft. ”

He did not know how much time had passed.

“Yi Ling stretched out her cute little head and looked at ye Zao. “Great burning, has the aircraft been repaired?” ”

“Yes.”Ye Zao brushed the hair on his forehead to the back of his head. “It’s almost done.”

“Yi Ling flew out of her bag and looked at the worn-out aircraft. She frowned and said, “Great Zao, are you sure this thing can fly?” ”

Why did it feel that it was a little risky?

“This aircraft was probably given to scavengers, and scavengers would not even want it. ”

“It can definitely fly.”Ye Zao pressed the Start button.

— the aircraft has been successfully activated.

— please set the target landing location.

Ye Zao entered the target location.

“The next second, the aircraft flew out like an arrow that had left the bowstring. ”

“Holy shit! It really works!”Yi Ling said in surprise.

“After saying that, Yi Ling said a little worriedly, “It won’t crash, right?” ”

“Can’t you say something auspicious?”Ye Zao looked back at Yi Ling.

“Yi Ling said, “I’m just a little worried! Oh right, Great Zao, let me ask you something.” ”

“Huh?”Ye Zao operated the aircraft with one hand and pressed the accelerator with the other. There was no extra expression on his handsome face.

“Where are we going?” Yi Ling continued to ask.

“Ye Zao said, “Red and Blue Mountain.” ”

““Red and Blue Mountain?” Yi Ling asked curiously, “Why are we going to red and Blue Mountain?” ”

“To fight monsters.” Ye Zao’s tone was indifferent. “To level up.”

To fight monsters and level up?

What did he mean?

Could it be that ye Zao was preparing for the election?

The most important thing now was to tell the people at the Ye family base that Ye Zao was not dead?

“Once ye Zao appeared, Qiu Di would not be able to sit in that position. ”

“However, ye Zao did not seem to have any intention of showing up. ”

What did ye Zao Want?

“Yi Ling nodded her head, not fully understanding. ”

The weather in Changyue was not very good. The aircraft had not flown in the clouds for long before a strong acid rain fell.

“After the rain, a gorgeous rainbow appeared in the clouds. ”

It was not quite the same as the rainbow on Earth.

“The rainbow in Changyue was very dazzling, as if it was inlaid with gemstones. When the sunlight shone on the rainbow, it refracted seven-colored rays of light, making it difficult for people to open their eyes.”

“About half an hour later, the aircraft stopped on the red and blue mountain range.”

Ye Zhuo opened the cabin door and walked out.

““Great burning, are we here?” Yi Ling jumped out of her bag.”

“Chapter 2006: 420: Trash! Miss ye will always be here, believing in more than one thing! 2”

“En.” Ye Zao nodded slightly. “There’s a lot of poisonous miasma in the red and Blue Mountains. Put on your gas mask.”

“Where’s the mask?” Yi Ling asked.

““It’s in my bag,” ye Zao said.”

Yi Ling retracted her little head and rummaged through it. “Ah! Found it! Is This It?”

Yi Ling took out a miniature mask and handed it to Ye Zao.

The mask was small and looked a little cute.

“It’s this.” Ye Zao nodded slightly. As he spoke, he took out a black mask of the same style and put it on.
”

“Her skin was very white. The black mask on her face made her look black and white. In addition, she was wearing black clothes today. ”

It gave people a strong sense of abstinence.

Yi Ling also put on the mask.

“The red and Blue Mountain was more than 20,000 meters above sea level, which was about twice as high as the first peak on Earth. ”

“However, standing on the red and Blue Mountain, there was no need to worry about plateau reaction at all. ”

“Because the Changyue people had moved to planet E-TY889 for thousands of years, they had long been used to the environment of Planet E-TY889. ”

“Da Zhuoluo, what monster are you here to fight?” Yi Ling followed behind ye Zhuoluo and asked curiously. ”

“Without waiting for ye Zhuoluo to answer, Yi ling screamed, “Ah!” ”

“What’s Wrong?” Ye Zhuoluo asked.

“Isn’t That Ye Han in front?” Yi Ling continued, “Da Zhuoluo, you’re not here to look for him, right?” ”

“Ye Zhuoluo slightly raised his eyes. As expected, not far ahead, he saw a tall and familiar figure among a group of level three armored beasts. ”

Level three armored beasts were the most ferocious exotic beasts on Planet E-TY889.

“They were also the native exotic beasts of Planet E-TY889. Their average lifespan was over 500 years, similar to that of the Turtles on Earth.”

Qiu Di wanted to sit on the seat of the female sovereign. It seemed that she wanted to use level three armored beasts to pave the way.

Each level three armored beast had dozens of very bright blood beads in their bodies.

“It was rumored that if the female monarch could walk on the path paved with blood pearls to the throne on the day of inheriting the throne, she would be blessed for ten thousand years and be immortal forever.”

“Looking at the blood path that appeared behind ye Han, he had already killed nearly half of the level three armored beasts on the red and blue scales.”

Ye Zhuo frowned slightly.

“Yi Ling flapped her wings and said angrily, “Ye Han, this traitor! Great Burning, just you wait, I’ll go and call him over right now!” ”

“Wait!”Ye Zhuo reached out and grabbed the back of Yi Ling’s neck.

“What’s Wrong?”Yi Ling turned to look at Ye Zhuo.

“Ye Zhuo continued, “Someone installed a surveillance chip on him.” ”

“If Yi Ling went over now, it was no different from revealing her whereabouts.”

“”Great Burning, you’re back now. Are you still afraid of revealing your whereabouts?”Yi Ling frowned.”

“Ye Zhuo continued, “Before the mole is caught, I can’t reveal my whereabouts.” ”

“”Other than ye Han, who else is the mole?”Yi Ling asked. ”

Ye Zao looked in Ye Han’s direction and narrowed his beautiful eyes. “The feeling that ye Han gives me is more like he’s being controlled by someone.”

The current ye Han was like a marionette.

Someone else was pulling the strings.

“”Controlled by someone?”Yi Ling flapped her wings and continued, “Now that you mention it, I also feel that Ye Han is a little strange. He actually changed his surname! Do you think the Great Magus is behind this?” ”

“”Other than him, there should be someone else,”ye Zao said. ”

How could the Great Wizard Doctor alone have such abilities?

“Who else?”Yi Ling looked at Ye Zao. “Ye Lan?”

Ye Lan was the most important person in the Ye family base and was in charge of the core work of the Ye family base.

“After ye Zao’s accident, Ye Lan immediately defected to autumn flute and handed over the power of the Ye family base to autumn flute. There was no need to probe such a betrayal. ”

“Until now, there were still many people in the Ye family’s base who were unconvinced of ye Lan and autumn flute. ”

But they were all suppressed by Ye Lan.

“Ye Lan had followed behind ye Zao for so long, so she still had some tricks up her sleeve.”

“It’s not just ye Lan,” ye Zao said. ”

“Then who else is there?” Yi Ling asked curiously.

“The eight great families,” ye Zao answered. ”

“Hearing this, Yi Ling’s face was full of shock, she said angrily, “Those eight old fellows are too inhuman! They forgot about what happened back then so quickly! If it wasn’t for you back then, the eight great clans would have long ceased to exist! It’s fine if they don’t know how to be grateful. Instead, they repay kindness with enmity!” ”

“If it wasn’t for ye Zao back then, how could the eight great clans have existed back then? ”

“They, on the other hand, forgot about what happened back then in the blink of an eye! ”

They were truly unscrupulous!

“If you knew this would happen, you shouldn’t have saved them! Just let them die!” Yi Ling was so angry that her face was distorted. ”

“Chapter 2007: 420: Trash! Miss ye will always be here, and her faith will never end! 3”

“It had followed ye Zao all the way here, and it knew how difficult ye Zao’s life was. ”

“People only knew that the 18-year-old miss ye was famous all over the world, but they did not know the sadness behind this name.”

“It’s also my fault.”Ye Zao looked into the distance.

“”What?”Yi Ling looked at Ye Zao, her eyes full of confusion. ”

She did not understand why ye Zao would say something to blame her.

Ye Zao pursed his lips and did not speak.

The eighteen-year-old ye Zao was too confident in himself.

She thought that there would never be a traitor by her side.

Little did she know.

The people closest to her actually wished for her to die every day.

“Yi Ling continued, “Da Zao Zao, since you know that the eight great families betrayed you, why haven’t you killed them?” ”

“With ye Zhuo’s ability, killing the people of the eight great clans was as easy as crushing an ant. ”

“I haven’t found out who the mole is.”Ye Zhuo only suspected that there was a mole in the eight great clans.

“Yi ling narrowed her eyes, “Great burning, you mean that the eight great clans didn’t all betray you?” ”

“”To be precise, it should be one of the eight clan leaders.”Ye burning said. ”

“If the eight great clans had all betrayed her, then the current situation would not be like this!”

“Then who is he? The second clan leader?” Yi Ling said, “Among the eight clan leaders, he is the most stingy. He is so stingy that he can’t even bear to give me a hundred spirit fruit! It must be him!”

“Before we find conclusive evidence, every single one of them is a suspect.” Ye Zao said.

Yi Ling said angrily, “When we find that traitor, we must cut him into pieces! Tear him into pieces!”

“Let’s go.” Ye Zao turned his eyes slightly.

Yi Ling immediately flapped her wings and followed Ye Zao.

On the other side.

Ye clan base.

Ye Lan had been preparing for the day of the general election these few days.

She had gathered everyone from the Ye family’s base together.

“Ever since Ye Zao’s accident, this was the first time Ye Lan had gathered everyone together for a meeting.”

Everyone was discussing animatedly. They did not know what Ye Lan wanted to do.

“Ye Lan stood on the rostrum and looked at the noisy crowd below the stage. She raised her hands lightly and said, “Everyone, quiet down.””

Most of the people below the stage were ye Zao's old subordinates.

They were very loyal to ye Zao.

"Although everyone was quite unconvinced of Ye Lan, at this moment, they could only quiet down and look at Ye Lan on the stage."

Ye Lan looked at the people below the stage who had quieted down. Her eyes were filled with satisfaction.

"Next, I want to announce something to everyone. From today onwards, our Ye clan base will officially be renamed as the Qiu Clan Base!" "

"As soon as she finished speaking, someone immediately carried in a majestic plaque from outside the door."

On the plaque were four large words:

Qiu family base.

The day of the general election was about to arrive. She had to let Qiu di see the heart of her city.

Changing the ye family base into the Qiu family base was only her first step.

Qiu family base!

"As soon as these words were said, the audience instantly went into chaos."

"The Ye clan's base was painstakingly established by Miss Ye. Although Miss Ye is no longer here, the Ye clan's base is also Miss Ye's! Ye Lan, don't you think that you're going too far by doing this?" "

“Ye Lan! You have no right to change the name of the base!”

Who the hell was Qiu Di?

What right did she have to occupy ye Zao’s base?

“In order to rise to a higher position, ye Lan actually used ye Zao’s territory to curry favor with Qiu Di. It was simply too disgusting!”

“I don’t agree!”

Some people were so angry that their eyes were red.

They didn’t understand why ye Zao left just like that!

“If ye Zao was here, would ye Lan Dare to be so arrogant?”

“An old man with white hair stood out from the crowd, he pointed at Ye Lan and said in a pained manner, “Ye Lan, I’ve always thought that you’re a good child with a conscience! But who knew that I was actually blind to see the wrong person! ! Ask yourself, do you still have a conscience ! If it weren’t for Miss Ye back then, you would still be a homeless orphan until now ! Yet, you treat miss ye like this in the blink of an eye ! Aren’t you afraid that Miss Ye will be disappointed?” ”

Perhaps even ye Zao himself did not expect that the person she regarded as her younger sister would betray her!

Not to mention ye Zao.

“No one present had expected that one day, ye Lan would become like this. ”

“Hearing these words, Ye LAN’s expression changed. Her proud expression was replaced by a look of shame, “Dai Sheng! Don’t take advantage of your old age to flaunt your seniority here! So what if I’m a homeless orphan? There’s no need for you to remind me here that I’m a homeless orphan. A homeless orphan. Today, I still stand here and become a guide for people like you who have a good family!” ”

“Chapter 2008: 420: Trash! Miss ye will always be there, believing in more than one thing! 4”

“In other words, you people who come from good families still can’t compare to this little orphan girl! ”

Yes.

Ye Lan was indeed an orphan.

“Back then, when ye Zhuo brought her back from the roadside, she was the same age as ye Han. ”

“From then on, she was the same as ye Han, always calling ye zhuo “Sister”. ”

“Everyone praised ye Zao for being a kind-hearted person, nurturing a homeless orphan into an indispensable talent in the Ye family base. ”

But who could see her efforts?

“Ever since the day she followed ye Zao, everyone looked at her with sympathy and pity... ”

Just like now.

“She was sitting on a chair in the Ye family base, but someone still reminded her that she was once a homeless orphan. ”

What's wrong with an orphan?

What's wrong with being pitiful?

An orphan wants to be a dwarf?

An orphan needs to accept the strange looks from others?

Wasn't Ye Zao also a homeless orphan?

Why didn't anyone say anything about ye Zao?

It was as if everyone had a problem with her!

She couldn't stand it.

"She had earned everything she had, but people always subconsciously attributed all of this to Ye Zao."

They ignored her efforts.

"It was like, if it were not for ye Zao, she would not have gotten everything she had today?"

All of her achievements today were given to her by Ye Zao?

It was all because of her own hard work!

Ye Zao was the most hypocritical person in the world.

Why did ye Zao adopt her back then and give her the best education? He even let her go to the Ye family's base!

It was all because of her high talent!

"From the moment ye Zao took her in, he knew that she would definitely make a difference in the future."

"Ye Lan believed that if she did not have ye Zao, her life would be better."

"Therefore, she had to prove it to everyone."

"She, Ye Lan, could also hold up the sky."

"Dai Sheng raised his head to look at the ceiling and said loudly, "Miss Ye! Miss Ye! If there is a spirit in the sky, please open your eyes and take a look! This is your adopted good sister!" "

His voice was sorrowful and helpless.

Ye Zao was no longer here.

The Ye clan's base became a pile of loose sand.

"Now, Ye Lan actually still wanted to change the Ye clan's base into the Qiu clan's base."

This was simply ungrateful!

Ye Zao had only left for how long? It had only been a few months.

"So fast, and he was already gone?"

“Miss Ye has already left,” ye Lan said without hiding anything. “Old Fellow, look carefully. The person standing in front of you now is ye Lan! That Ye Lan you looked down on from the start!” ”

“No matter how powerful ye Zhuo was, it was only in the past! ”

“Men!”Ye Lan said.

“Here.”Immediately, a guard team came forward. ”

“When Ye Zhuo was still here, he trusted ye Lan very much and handed over all the matters of the base to Ye Lan to manage. ”

Ye Lan also took this opportunity to cultivate her own power in the Ye family base.

“Tear down that plaque on it!”Autumn flute pointed at the plaque hanging in the middle of the hall and said.

“Yes!”

“Let’s see who dares to touch it!”Dai Sheng stood in the middle of the road. “Whoever dares to touch it will step over my corpse today!”

“Even if he had to die, he had to protect ye Zao. ”

Although ye Zao was no longer there.

The faith in his heart was still there.

“No matter when, he would never forget that there was an era called ‘Miss Ye!’ ”

“Old Man! Do you really want to go against me?” Ye Lan looked at Dai Sheng. “Do you really think I won’t dare to Touch You!”

“Dai Sheng stood where he was, his face full of determination. ”

Ye Lan directly picked up a gun and aimed it at Dai Sheng’s temple.

“Dai Sheng closed his eyes and shouted, “Everyone has to die. Some are heavier than Mount Tai, and some are lighter than a feather. Using it will lead to a different outcome! Miss Ye, I, Old Dai, have come to look for you today!” ”

Bang!

Ye Lan pulled the trigger.

A shockwave passed.

Dai Sheng fell to the ground.

This shot hit old Dai’s left chest.

Blood instantly spread to the entire ground.

“Ye Lan blew on the muzzle of the gun, walked to Old Dai’s side, and kicked him, “Just one millimeter more. If I move another millimeter to the right, your dog life will be gone! “I want you to keep this dog life and watch how I hang this plaque! “And how did Miss Qiu get that position!” ”

“Although Old Dai had lost a lot of blood, his consciousness was still very clear. He clenched his fists tightly. “Ye Lan! You’re not human! You Don’t deserve to have the surname Ye! Miss Ye will not let you off!” ”

“Do you think I want to have the surname Ye?”Ye Lan looked up at the sky and laughed.

“Chapter 2009: 420: Trash! Miss ye will always be here, and her faith will never end! 5”

The ‘Ye’surname was a disgrace to her!

It reminded her all the time that she was a homeless orphan!

“If ye Zao really wanted her well-being, he should have helped her find her family and restore her surname. ”

But Ye Zao did not!

Ye Zao was a selfish and selfish villain!

“Hang it Up!”Ye Lan said angrily.

“Yes!”

“Immediately, an assistant brought a ladder and climbed up to pick the plaque. ”

“Those old subordinates who had followed ye Zao from the beginning all clenched their fists tightly, their eyes full of unwillingness. ”

“Wait!”Ye Lan said at this time.

“Chief.”The assistant walked to Ye Lan’s side respectfully.

“Ye Lan pointed at the nameplate beside her and said, “Pass this out and have each of them wear it properly.” ”

“Yes.”

“The assistant nodded, picked up the nameplate, and walked down the stage. ”

“When the crowd saw the nameplate, their already furious expressions became even more unsightly at this moment. ”

They saw that the new nameplate was designed with the surname ‘Qiu’.

“Qiu Yi he and fire were combined. The word ‘fire’was extended to a very long stroke, and everyone’s name was written on that stroke. ”

“”Everyone, from now on, all of you will be under Miss Qiu’s control. Hurry up and change your old nameplate! As a person, the most important thing is to judge the situation! “Everyone is an elite of the base. There are some things that I don’t need to say too much about, right?”Speaking up to this point., ye Lan paused, then, she said, “The past is the past after all. As a person, you can’t always look back. You have to learn to look forward! “With all of your qualifications and abilities, after Lady Qiu takes the position of the female sovereign, she will definitely not treat all of you unfairly! “All of you still have a bright future ahead of you! “I can’t guarantee anything else, but I, Ye Lan, can guarantee that Lady Qiu will treat all of you better than ye Zao!” ”

What was ye Zao in front of Qiu Di?

These words caused everyone’s expressions to change.

Were they really going to betray ye Zao?

No!

No!

They couldn't betray ye Zao.

"But if they didn't betray ye Zao, were they going to leave the base?"

"Qiu Di was going to be the female monarch of Chang Yue. If they really left the base, it would be the same as going against Qiu Di. In a while, would there still be a place for them to live in Chang Yue?"

"Ye Lan was right. No matter how powerful ye Zao was, it was only the past."

One had to learn to look forward.

Ye Zao's era was no longer there. The current era belonged to Ye Zao.

"He couldn't destroy his own life for the sake of his so-called belief, right?"

Zuo Xiao Shan hesitated for a long time before finally choosing to pin the nameplate with 'Qiu' on her chest.

"As for the old nameplate, he directly threw it on the ground."

"There was always a first, there would always be a second, and then a third..."

Seeing everyone compromise one after another...

"Old Dai, who was lying on the ground, almost cried like rain."

Miss Ye!

Miss Ye!

Quickly open your eyes and take a look.

“Bah!”

“At this moment, one of the youths directly picked up the nameplate and fiercely smashed it onto the ground, “Who does the autumn flute count as! ! What right does the autumn flute have to take over Miss Ye’s base! ! Ye Lan, let me tell you, there’s rain in the sky and goods in the people! The Heavenly Dao has reincarnation. Just Wait, you and the autumn flute will get your retribution sooner or later!” ”

The Crystal nameplate was smashed into pieces on the ground.

“Zi Yue! Good job!” Old Dai lay on the ground and said loudly.

“Ye Lan narrowed her eyes and looked at the youth. “Good! You have backbone! Li Zi Yue, you really have backbone! Let me tell you, you better not regret it!” ”

“Regret?” Li Zi Yue smiled at Ye Lan. “This young master has never known regret in my entire life!”

Only betraying ye Zhuo would make him regret it!

“After saying that, Li Zi Yue walked to Old Dai’s side and helped him up. “Uncle Dai, are you alright?” ”

“I won’t Die!” Old Dai waved his hand. “I haven’t seen the person who betrayed Miss Ye get retribution! How can I be in the lead? !”

Li Ziyue took out a black pill from the first-aid kit and fed it to his head.

“F * ck! I’m not doing it anymore!” At this moment, a middle-aged man with a strong build also threw away the nameplate in his hand. “I’ve long disliked that little girl, Qiu Di! What right does she have to stand here and Shout! It’s disgusting!” ”

PA —

“In the crowd, more and more people threw the new nameplate on the ground. ”

“Li Zi Yue took the opportunity to stand in front of the crowd and shouted, “Everyone, listen to me! Miss ye will definitely not be easily killed by others! She will definitely come back! Miss ye will always be here, and her faith will never end.” ”

“With these words, everyone became even more excited. They raised their right hands high. “Miss Ye will always be here, and her faith will never end!” ”

The entire scene could not be controlled for a moment.

Their blood boiled.

Ye Lan looked at these people coldly.

Just wait.

They would regret it soon.

Miss Ye will always be here?

Hur!

In your dreams!

“At this point in time, you still expect ye Zao to save them?”

Ye Zao had long become a pile of dirt.

Pathetic.

Ridiculous.

Pathetic.

““Leng Ye,”ye Lan turned around and looked at the people beside her.”

““Yes,”Leng ye said.”

Ye Lan narrowed her eyes. “Close the door. Don’t leave anyone alive!”

Those who betrayed the autumn flute didn’t have the right to live in this world.

The person who would be in charge of the Changyue kingdom was the autumn flute. Who would care about the life and death of these people?

Bang Bang Bang Bang

All the doors were closed at this moment.

“However, Leng Ye was still standing beside Ye Lan.”

Ye Lan frowned.

What's going on?

Leng ye clearly didn't move. How did this door close?

Someone came in!

Who Was It?

It seemed like they didn't come with good intentions!

Could it be ye Zao's old subordinates?

Leng ye also entered a state of vigilance.

The others at the side looked at each other and saw confusion in each other's eyes.

"Who are you?" Leng ye narrowed his eyes. "How dare you act so presumptuously in front of Chief Ye!"

A chuckle came from the air. "Chief Ye?"

"Hearing this, everyone looked toward the source of the voice. "

They saw a slim and tall figure walking toward them step by step.

The person was dressed in black and wore black pants. He was wearing a pair of black military boots that reached his knees. He had a cap on his head that covered his eyes and eyebrows. His face was a little hard to see. A powerful and intimidating aura erupted from his body.

She shuddered!

“Although her face could not be seen, this figure was extremely familiar to ye Lan.”

“Ye Lan’s pupils constricted abruptly. Her eyes were filled with horror, and her back was drenched in cold sweat.”

It was her!

She was back!

“Ye Lan’s footsteps were unsteady, and she took a few steps back. Her face was as white as paper.”

She walked step by step to the chief stage. The crowd below the stage automatically made way for her.

“Miss Ye!” Someone shouted in the crowd.

Chapter 2010: 421: the person who cleans the door! 1

The moment this was said.

The entire room was silent.

Everyone knew that Miss Ye was already dead.

“But now, Miss Ye had actually returned!”

No.

It wasn't Ye Zao.

Ye Zao was already dead.

How could a person who was already dead suddenly come back to life?

Looking at the figure that was gradually approaching her.

“Ye Lan kept retreating, her face becoming extremely pale.”

Everyone just looked at her like this.

Their expressions were all different.

Was this person really miss ye.

“Li Ziyue looked at her silhouette, and his pupils instantly became extremely large.”

It was Miss Ye!

She was Miss Ye!

“Although he couldn't see her face clearly, he recognized her temperament at once.”

“At this moment, Li Ziyue’s eyes were slightly red.”

Ye Zhuo had returned.

So was his hope.

“At this moment, she walked to Li Zi Yue’s side, bent down slightly, and placed her hand on old Dai’s pulse.”

Old Dai opened his eyes weakly. “Miss... Miss Ye.”

She did not speak.

“In a moment, she took out a pill and let old Dai take it.”

“Who are you?!” Ye Lan looked down at her. She was very nervous, but her voice could not be heard.”

“No matter what, she could not lose her footing now.”

She did not believe that a person who had already died could still stand out and stir up trouble.

“Hearing this, the person who came stood up unhurriedly and looked at Ye Lan.”

“Someone who came to clean up Miss Ye’s house.”

A very cold voice.

It made people’s hair stand on end.

“After saying this, she unhurriedly took off the cap on her head and met Ye Lan’s gaze. ”

A face was exposed to the air.

This face was very ordinary.

“It was not just ordinary, it was also somewhat ugly. ”

“A round face. Although the eyes were not small, the skin was a little dark, and there were obvious freckles on both sides of the nose. ”

There was an unsightly birthmark on the right side of the face.

All in all.

This figure and Aura could not support this face.

Fortunately.

It was not ye Zao.

“As long as it was not ye Zao, she did not need to panic. ”

She knew that ye Zao was already dead.

It was just a dead person. There was nothing to be afraid of.

Ye Lan heaved a sigh of relief. She held the table behind her tightly and tried her best to calm herself down.

“When the others saw this face, the expression in their eyes also changed. ”

“No, it was not ye Zao? ”

How could this be?

“Especially Li Ziyue, the disappointment on his face was almost overflowing. ”

He had thought that he was going to see hope.

He did not expect that the person who came was not ye Zhuo at all.

“Clean up the house?”Ye Lan curled the corners of her lips, her eyes full of sarcasm. “Your tone is not small. I just don’t know if you have the life to come, or if you have the life to go back!” ”

“Today, not a single person here could think of escaping! ”

“Leng Ye.”Ye Lan looked at Leng ye beside her.

“Yes.”Leng ye nodded.

“On this side, Leng ye had yet to make a move. In the next second, a gun was already pressed against Ye Lan’s head. ”

“Ye Zhuo held the gun slowly and said in a very faint tone, “Miss ye treats you as her biological sister. Is this how you treat her? HMM?” ”

Ye Zhuo had always treated ye LAN sincerely.

She did not expect that ye Lan would betray her one day.

She never thought that ye Lan would hold a grudge against her.

When she first met Ye Lan.

Ye Zhuo felt as if she had met her old self.

“The eight-year-old ye Lan was homeless on the streets and had no one to rely on. Every day, she had to undergo the baptism of strong acid rain.”

“Every day, she hoped that her family would be able to find her.”

“Or, it would be good for someone to help her.”

Until that old Granny appeared in her life.

“Therefore, the first time ye Zhuo met ye Lan, she felt that she had met her long-lost relatives.”

She brought her home.

She gave her luxurious living conditions and the best education...

“She did not expect that in the end, she actually raised an ingrate.”

Ye Zhuo could not tell what kind of feeling it was.

It was because she was too conceited when she was young.

“She thought that she had arranged the best ending for everyone, but it was not the case.”

What she thought was good was not good at all in the eyes of others.

““She treats me as her biological sister?”Ye Lan sneered, “If she really treats me as her biological sister, why doesn’t she help me find my family! She knows it. She clearly knows that I want to find them even in my dreams! But what about her? How did she do it? To her, I’m just a chess piece! She just wants to use me! If it wasn’t for me, how could she show her good side!” ”

“Everyone said that ye Zao had the heart of a Bodhisattva, treating an orphan girl who wasn’t related by blood as if she was his own sister. ”

Ye Zao’s good name was all set off by her.
