Chapter 201: 089: Lin Jincheng's secret, brother Ze who dug up the trap, domineering online! 7"

Lin Jincheng hurriedly opened the safe and took out the diary with trembling hands.

The thick notebook was full of those past events.

Lin Jincheng flipped through the pages one by one.

"Secretary Zhang saw this and quietly left the office. In the huge office, Lin Jincheng was alone in an instant."

Ye Shu was his first love.

That year.

Ye Shu was eighteen.

He was nineteen.

"Lin Jincheng never thought that when ye Shu was with him, she was with another man at the same time."

Why?

Why did she treat him like this?

No.

She wouldn't.

Ye Shu was so kind. Why would she treat him like this?

This must be a misunderstanding.

It was a misunderstanding!

Ye Shu was a good girl.

She wouldn't do this.

She couldn't do such a thing.

“When Lin Jincheng faced the phantom limb pain, he didn't shed a single tear. But now, he couldn't hold it in anymore, and his tears began to burst.”

He wanted to find ye Shu and ask her about it.

But he was afraid to face reality.

1

“Right now, he was dragging a broken body, and he didn't have enough courage to face these things.”

The air was oppressive and cramped.

...

At the CEN residence.

“Today, Cen Shaoqing was also at home.”

“At the dining table, old Mrs. Cen suddenly said, “Xiang Xiang.” ”

““What’s wrong, Mom?”Zhou Xiang looked up at Old Mrs. Cen.”

“Old Mrs. Cen continued, “Didn’t we arrange for Yezi to go hiking with us tomorrow? Remember to call Ze Yan. Ze Yan is a very good child.” ”

““The three of us are going hiking. Why Do We Need Ze Yan?”Zhou Xiang asked, puzzled.”

“Old Mrs. Cen smiled and said, “Don’t you think that Yezi and Ze Yan are a good match?” ”

“Zhou Xiang was even more puzzled. She turned to look at CEN Shaoqing and said, “Haven’t you been trying to match up burning and Shaoqing?” ”

This old lady was really full of ideas.

““That Brat doesn’t like Yezi, so I can only fix up Yezi and Zeyan.”Cen sighed and pretended to be regretful.”

Zhou Xiang nodded and picked up the phone to call Zhou Zeyan.

“Cen Shaoqing frowned slightly. After Zhou Xiang finished the call, he put down his chopsticks and said gently, “Grandma, Mom, I’ll go with you tomorrow.” ”

Zhou Xiang looked at Cen Shaoqing strangely.

Could it be that the sun had risen from the west today?

Cen Shaoqing was actually going to climb the mountain with them!

“Normally, Cen Shaoqing would rather sit at home and chant scriptures than accompany them for a walk.”

It had been a long time!

“Old Mrs. Cen said with a look of disgust, “Why are you following us when we’re going to climb the mountain? It’s fine as long as Zeyan is here. Are you going to be a third wheel?” ”

“After saying that, old MRS. CEN said again, “If you want to go, you can go with us! But you have to remember one thing, Don’t Disturb Yezi and Ze Yan’s relationship!” ”

Cen Shaoqing’s expression did not change. He picked up a tissue and wiped his face. “I’m full. I’ll go back to my room first.”

“Seeing Cen Shaoqing’s back disappear outside the door, old Mrs. Cen was so happy that she laughed out loud.”

She was really too smart!

She had subdued this little rascal with one move.

“Zhou xiang frowned and said, “Mom, what are you up to?” ”

“Old Mrs. Cen waved at Zhou Xiang. “Come here, I’ll tell you.” ”

Zhou Xiang curiously leaned her head over.

Old Mrs. Cen told Zhou Xiang her plan in full detail.

“When she heard this, Zhou Xiang was overjoyed. “Mom, you’re really too good! Why didn’t I think of this move of yours?” ”

She wondered what was wrong with Cen Shaoqing.

So he was jealous.

“Old Mrs. Cen raised her head proudly. “That’s right. Otherwise, how could I be your mother! Remember to act according to the plan tomorrow!” ”

Zhou Xiang nodded in agreement.

The next day soon arrived.

The few of them agreed to meet at the foot of the mountain.

Ye Zhuo arrived at the appointed place on time.

“Old Mrs. Cen, Zhou Xiang, and Cen Shaoqing had all arrived. ”

“In the crowd, Cen Shaoqing, who was dressed in a plain robe, was particularly eye-catching. He was holding a string of Buddhist beads in his hand. ”

It was as if he would ascend to immortality at any moment.

“Grandma Cen, Aunt Xiang.”Ye Zhuo jogged over. “Mr. Cen.” ”

“Old Mrs. Cen smiled and said, “What Mr. ? Everyone is so familiar with each other! Shaoqing is twelve years older than you. You can just call him Big Brother.” ”

1

“In Korean dramas, weren’t all brothers brothers? ”

It was definitely right to call him brother.

“I’m the fifth brother at home,”Cen Shaoqing answered calmly. ”

Ye Zhuo understood the hidden meaning of this sentence. “Fifth brother Cen.”

“Old Mrs. Cen looked at the road leading down the mountain and frowned. “Why isn’t Zeyan Here Yet? Xiangxiang, call him and ask.” ”

It was a coincidence.

Zhou Xiang had just taken out her phone when it rang.

It was a call from Zhou Ze Yan.

“On the phone, Zhou Ze Yan said that he couldn’t come because of something. ”

“Last night, after Zhou Ze Yan received a call from Zhou Xiang, he was so excited that he didn’t sleep for the whole night. When he set off this morning, he even specially sprayed perfume on his body. ”

He was extremely flirtatious.

“Unexpectedly, on the way here, the counselor suddenly called him and asked him to go to school.”

It was the kind of question that he had to go to.

“Helpless, Zhou Zeyan could only turn around and go to school. He was extremely depressed.”

“After hanging up the phone, Zhou Xiang said, “Zeyan can’t come because he has something to do. Let’s go first.” ”

“Old Madam Cen’s gaze secretly glanced at Cen Shaoqing. “What a pity! Why did he say that he won’t come? ! Since Zeyan can’t come because he has something to do, then let’s Go First!” ”

She wouldn’t believe that Zhou Zeyan’s sudden visit had nothing to do with Cen Shaoqing.

What a good boy.

He hid himself well.

The four of them walked into the mountains.

“It was April in the human world, and the scenery in the mountains was very beautiful. ”

“There was greenery everywhere, which made people feel better. ”

“Halfway up the mountain, Old Mrs. Cen couldn’t walk anymore. She turned to look at ye Zao and said, “Yezi, let’s Rest for a while! I’m too tired.” ”

““Yeah, I happen to be tired as well.”Ye Zhuo nodded. ”

Ye Zhuo did not try to be pretentious. He directly sat on the ground and leaned against a pine tree.

“At this moment, old Mrs. Cen suddenly gave Zhou Xiang a look.”

Zhou Xiang immediately understood and stood up to stretch his arms. “The air on this mountain is really good. The birds sing and the flowers are fragrant.”

“Old Mrs. Cen also stood up. “Yes! If we have time, we should come out more often.” ”

“At this moment, Zhou Xiang suddenly said with a horrified expression, “Snake! There’s a snake!” ”

““Shaoqing, kill it!”Old Mrs. Cen was also terrified. ”

Cen Shaoqing looked up and saw ye Zao leaning against a tree trunk. There was a snake coiled with its tongue.

“Just as Cen Shaoqing was about to make a move, Ye Zao was one step ahead of him. He directly pinched the snake’s seven inches and held it in his hand. There was not even a ripple on his handsome face. He was extremely calm. ”

“He smiled at Old Mrs. Cen and Zhou Xiang. “Grandma Cen, Aunt Xiang, don’t be afraid. It’s just a cauliflower snake. It’s not poisonous.” ”

Old Mrs. Cen:” ...”

Zhou Xiang:” ...”

They had arranged for the snake in advance because all girls were afraid of snakes.

“Thinking about it, ye Zao must be afraid of snakes as well. ”

They had wanted Cen Shaoqing to be a hero and save the damsel in distress.

But they were saved by ye Zao instead.

There seemed to be something wrong with the plot.

“Chapter 202: 090: a piece of trash, brother Ze’s trick! 1”

“Ye Zao held the snake in her hand, its tail tightly wrapped around ye Zao’s arm, black and white.”

It looked a little scary.

But there was no fear on her face. She was so calm that it was unbelievable. It was as if she was holding a rope instead of a snake.

““Yezi, you’re really amazing!” Old Lady Cen gave ye Zao a thumbs up. As expected of the granddaughter-in-law she had chosen!”

How many people could compare to her courage and skill?

Not to mention Mu Yourong!

Even a hundred mu yourong could not compare to a single finger of her granddaughter-in-law.

“When she thought of the regretful look on Mu Yourong’s face in the future, Old Lady Cen felt very happy.”

She wished she could immediately announce to the world that ye Zao was her granddaughter-in-law.

What a pity.

Now was not the time.

She still had to wait.

Zhou Xiang was also stunned. Her eyes were filled with worship as she looked at ye Zao.

She had never expected that ye Zao was not even afraid of snakes!

“Originally, Old Madam Cen had arranged for other heroic acts to save the damsel in distress, but now it seemed that they were no longer needed.”

This was because ye Zao did not need to be protected at all!

“Ye Zao smiled and said, “Actually, there’s nothing to be afraid of about snakes. As the saying goes, if you hit a snake at its seven inches, as long as you pinch its seven inches, it won’t be able to bite you.” ”

“Where is the seven inches?” Zhou Xiang asked curiously.

“Ye Zao pinched the snake and walked to Zhou Xiang’s side. “Aunt Xiang, look, this is the seven inches of a snake. try pinching it.” ”

““I, I don’t dare...” Zhou Xiang was so scared that she quickly hid behind old madam Cen. ”

Snakes were the most terrifying.

“Not only were their bodies covered in scales, but their bodies were also ice-cold, making one’s scalp go numb.”

“Don’t be afraid! Isn’t it just a snake? What’s there to be afraid of?” Old Madam Cen’s expression was calm, but she was actually panicking in her heart. She was so scared that her legs went soft.”

“But in front of her daughter-in-law and granddaughter-in-law, she had to do a good job of showing her face.”

She could not lose her dignity!

Ye Zhuo smiled and said, “Grandma Cen is right. Actually, snakes are not scary at all. Aunt Xiang, why don’t you give it a try?”

“I... I think I’ll pass.” Zhou Xiang had goosebumps all over her body.

Cen Shaoqing stood at the side, holding a Buddhist bead in his hand. His expression was still the same. Perhaps even he himself had realized that a faint smile had unknowingly appeared in his eyes.”

He had met many people in his life.

But someone like Ye Zhuo.

This was really the first time he had met someone like her.

She seemed to be fearless.

She knew how to fight.

She knew how to catch snakes.

She knew how to treat illnesses.

She knew how to play chess.

And she was also a big shot in technology.

She was like a mysterious treasure. No one knew what kind of surprises were hidden in her body!

“Not only was the cauliflower snake not poisonous, but it was also the natural enemy of rats. Therefore, Ye Zhuo set it free on the spot, “Let’s go quickly. Don’t scare people casually in the future. You’re lucky to have met me today. Otherwise, you would have turned into snake soup.” ”

The cauliflower snake had just been placed on the ground when it quickly crawled away.

Ye Zao clapped his hands and stood up.

“Zhou Xiang handed ye Zao a bottle of mineral water. “Zao Zao, drink some water.” ”

““Thank you, Aunt Xiang.” ”

“After resting for a while, the four of them continued to walk up the mountain. ”

“In order to create a separate space for ye Zhuo and Cen Shaoqing to spend time with each other, when they were going down the mountain, old Mrs. Cen said, “Shaoqing, there’s a temple over there. Your mother and I are going to fulfill our wish. You and Yezi should go down the mountain first.” ”

“Zhou Xiang nodded. “Yes, you guys go down first.” ”

Cen Shaoqing nodded slightly.

“Old Mrs. Cen turned to look at Ye Zhuo. “Yezi, you’re so amazing. On the way down the mountain, our Shaoqing will have to rely on you to take care of him.” ”

“Ye Zao was not modest either. He smiled and said, “Sure, no problem!” ”

Cen Shaoqing:” ...” does he look like someone who needs to be taken care of?

“Thus, on the way down the mountain, the four-person line turned into a two-person line. ”

Cen Shaoqing and ye Zao walked one after the other.

“One was dressed in plain clothes, while the other was dressed in black and white pants. ”

It was a blend of classical and modern.

“Not only did it not seem out of place, it was also exceptionally eye-catching. ”

He did not go down the mountain by the same route.

The scenery is also different.

“Walking, ye Zao actually found Wild Raspberries in a bush. ”

This kind of raspberry is also known as Thorn bubble in the folk.

It tastes sour and sweet.

“At the time when ye Zao lived, because of the rapid development of science and technology, resulting in serious environmental pollution, many animals and plants have been on the verge of extinction.”

Ye Zao once saw a raspberry when he was very young.

Then it was completely extinct.

Not to mention wild raspberries.

Usually even eating a strawberry is a luxury.

People’s daily meals are also replaced by tasteless nutrient solution.

“Chapter 203: 090: Beat the crap out of me, brother Ze’s style! 2”

“Ye Zao’s eyes lit up when he saw the red wild raspberries. “Brother Five, wait for me here for a moment.” ”

“Although Cen Shaoqing was a little confused, he still nodded slightly and waited for ye Zao.”

“Ye Zao picked two large leaves and wove them into a small pocket. He placed the raspberries inside and soon, he picked a pocket full of them.”

“Looking at these red raspberries, Ye Zao was filled with a sense of accomplishment. He pinched a raspberry and tasted it.”

It was much better than what he had imagined.

It was sweet.

It was slightly sour.

It was the taste of his memories.

“In an instant, he returned to the past.”

““Fifth brother, do you want to try it?”Ye Zao handed the raspberries to Cen Shaoqing.”

Cen Shaoqing hesitated.

He had always been a neat freak.

“Not only had the fruit not been washed, it also looked a little strange...”

“There was everything in the mountain, and he didn’t know if it had been crawled by snakes.”

Could it really be eaten?

“However, Cen Shaoqing couldn’t refuse ye Zhuo in the end. His slender jade-like fingers picked up a raspberry and tried hard to forget his neat freak. He put it into his mouth, chewed it a few times, and quickly swallowed it.”

““If you like it, I’ll give you all of these.”Seeing Cen Shaoqing eat so quickly, ye Zao handed the raspberry in his hand and the bag of leaves to Cen Shaoqing.”

“It was obvious that this person had never eaten such delicious food. Otherwise, how could he swallow it so quickly!”

1

Cen Shaoqing was stunned. "You're not eating?"

"Ye Zao continued, "I see a forest of wild tea ahead. I'll go check if there are tea bubbles later." "

"Cen Shaoqing felt that the wild raspberries in his hand were heavy. He then asked, "What's Tea?" "

Ye Zhuo looked at Cen Shaoqing in surprise. "You don't even know about tea?"

Cen Shaoqing shook his head.

He really didn't know.

This was the first time he had seen this wild raspberry.

"Before this, no one had ever dared to make him eat such strange things. "

"Ye Zao explained, "The tea bubble is a kind of mutated camellia fruit on the camellia oleifera tree. It tastes very good. You'll know it after you taste it." "

"OH." Cen Shaoqing nodded slightly.

The two walked into the wild tea forest.

"There were a lot of tea bubbles at this time of the year. Not long after, ye Zao found the tea bubble on a tea tree. "Brother Five, come and take a look. This is the tea bubble." "

The shape of the tea brewing looked very strange.

It looked like a leaf.

“However, it was much thicker than a normal leaf. It was also a little red, as if it had been injected with hormones.”

Cen Shaoqing frowned without leaving a trace. “Can this be eaten?” was there really no bacteria? Was there really no need to disinfect it?

“It can be eaten.” As he spoke, ye Zao took off the tea brewing and ate it in one bite. ”

“It was crisp, sweet, and had a hint of tea fragrance.”

“You want to try it too?” Ye Zhuo took a piece of tea bubble and handed it to Cen Shaoqing.

“Cen Shaoqing really wanted to refuse, but his hand still took it very honestly and put it into his mouth.”

“How does it taste?”

“It’s not bad.” Cen Shaoqing liked tea, and the tea bubble had a faint tea fragrance.”

It was indeed more suited to his taste.

“Of course, it would be even better if the tea had been washed!”

1

“After picking the tea, the two continued to walk down the mountain.”

Cen Shaoqing walked behind.

Ye Zao walked in front.

“Her figure was light as she shuttled through the forest. In a short while, a bunch of flowers appeared in her hand. She was like an elf dancing among the flowers. The Breeze was like a Buddha. The faint fragrance of the flowers lingered at the tip of her nose.”

Cen Shaoqing watched her back as she walked away. He stroked the Buddha beads in his hand and the expression on his face softened.

“If others saw this scene, they would definitely be shocked!”

Who Was Fifth Master Cen?

He had his own business empire at the age of eighteen and had a mysterious force behind him.

“No matter who saw him, they had to respectfully call him fifth master Cen.”

“In the past thirty-one years, there had never been a member of the opposite sex around Fifth Master Cen. Even his assistants and secretaries were men.”

“But now, the dignified fifth master Cen was following behind a little girl, and he had to act according to her orders!”

This was too unbelievable!

“This is for you.” Cen Shaoqing had just finished dealing with the leaf raspberries when Ye Zhuo handed him a handful of red fruits.

“CEN Shaoqing asked, “What’s This?” ”

“Goat milk fruit.” Ye Zhuo continued, “You haven’t eaten goat milk fruit before, right?” ”

Cen Shaoqing shook his head slightly and picked up the goat milk fruit to taste.

Sour.

Extremely Sour.

But Cen Shaoqing still controlled the expression on his face.

“What do you think of the taste?” Ye Zhuo continued to ask.

“Very good.”

Ye Zhuo stuffed all the remaining goat milk fruits in his hands into Cen Shaoqing’s hands. “These are all for you. I can’t eat anything too sour.”

2

“Chapter 204: 090: Trash, brother Ze’s trick! 3”

Cen Shaoqing:” ...” Ye Zao was really good to him.

“Be careful!” At this moment, ye Zao suddenly grabbed Cen Shaoqing’s wrist. ”

“Even though there was a layer of cloth between them, Cen Shaoqing could still feel the warmth coming from the other party’s hand.”

It was as if he had been electrocuted.

Cen Shaoqing stopped in his tracks and lowered his eyes in confusion.

The two of them.

One was 1.71 meters.

The other was nearly 1.9 meters.

There was still a slight difference in height.

“From Cen Shaoqing’s angle, he could just see the exquisite contours of this person’s face. Looking down, he could see the beautifully curved collarbone. She was wearing a white shirt today. At this moment, due to her slightly bent back., her collar was slightly open.”

One could vaguely see the softness hidden in the white fabric. ... was soft.

“Realizing what it was, Cen Shaoqing’s face turned red and he immediately looked away.”

Amitabha.

Don’t look at indecent things!

“At this moment, ye Zao’s voice came again. “There’s a puddle in front of you. Don’t you watch where you’re Going?” ”

Cen Shaoqing then realized that his feet had almost stepped into the puddle.

“Fortunately, ye Zao stopped him in time.”

“I didn’t pay attention just now. Thank you for the Reminder.” In just a moment, CEN Shaoqing’s expression returned to normal. He twirled the Buddhist beads in his hand and walked forward.”

He looked calm.

“In fact, his heartbeat had already lost its rhythm.”

“Soon, the two of them arrived at the foot of the mountain.”

Cen Shaoqing came by car. “I’ll send you back first.”

“Don’t you need to wait for Grandma Cen and Aunt Xiang?” Ye Zhuo asked.

“No need.” Cen Shaoqing reached out and opened the car door. “A driver will come to pick them up.”

“Alright then.” Ye Zhuo nodded slightly and leaned into the car.

“About an hour later, the car stopped at the downstairs of the Ye family’s unit.”

Ye Zhuo got out of the car to thank him.

“It’s my pleasure.” Cen Shaoqing got out of the car as well.

“Ye Zhuo continued, “It’s still early. Do you want to go to my house to have a cup of tea?” ”

“Sure.”

Ye Zhuo was stunned.

She was just being polite. She did not expect this person to agree.

1

“Come with me.”

Cen Shaoqing followed her footsteps.

“Ye Zhuoyuan thought that Cen Shaoqing was used to high-rise buildings and that he would more or less not be used to such a small space. After all, the Cen family’s living room was as big as their three-bedroom.”

“However, Cen Shaoqing did not show any strange expression on his face.”

“Ye Zhuoyuan brought the tea over. “Be careful, it’s hot.” ”

“Thank you.”Cen Shaoqing stood up and took the Teacup with both hands. He took a sip and a surprised look appeared in his eyes.

It was a very authentic golden melon tribute tea.

The temperature of the water was controlled just right.

“There was a faint aftertaste in the mouth. It was slightly bitter with some sweetness, soft and mellow.”

“From this, it could be seen that ye Zhuo was also someone who knew tea.”

“After finishing a cup of tea, Cen Shaoqing proposed to leave.”

Ye Zhuo sent him out.

The two of them had just walked out of the unit building when they ran into Ye Sen who had just returned from the company.

“Zhuozhuo!”

““Uncle.”Ye Zhuo then introduced ye Sen to Cen Shaoqing. “Fifth brother, this is my uncle. Uncle, this is my friend Cen Shaoqing.” ”

“Hello.”Cen Shaoqing nodded slightly.

“Ye Sen looked Cen Shaoqing up and down. He was very tall, very handsome, and very good-looking. With that extraordinary temperament around him, one could tell at a glance that he was a dragon and Phoenix among men! ”

“However, the more outstanding a man’s appearance was, the more likely he was to lie. ”

Especially a man like Cen Shaoqing.

He definitely did not lack women by his side!

He could not let ye Zao be deceived by a big pig’s Trotter! Let her follow ye Shu’s old path.

“Thinking of this, Ye Sen looked at Cen Shaoqing as if he was looking at [ a big fat pig is taking advantage of his family’s beautiful cabbage ] ! ”

“Ye Sen casually dealt with Cen Shaoqing and then held ye Zao’s hand. “Zao, let’s go home quickly.” ”

Ye Zao did not even have the time to greet CEN Shaoqing before he was dragged into the house by Ye Sen.

Cen Shaoqing was left standing on the spot with a slight frown.

He felt that ye Sen did not like him very much.

Was it an illusion?

In the house.

““Uncle, what’s wrong? Is there an urgent matter for you to drag me back?” ”

““It’s nothing. I’m just afraid that you’ve been deceived by someone. Back then, your mother...” . ... forget it ! It’s fine if you don’t say it ! Anyway, you must remember that some men may look bright and beautiful on the outside, but they are actually perverts dressed in sheep’s clothing ! They specifically lie to ignorant girls like you.” ”

“Ye Zao smiled and said, “I admit to being a young girl, but I won’t admit to being ignorant! Uncle, don’t worry. Cen Shaoqing is not the kind of person you are talking about. Moreover, we are just ordinary friends. Don’t worry, I know what to do.” ”

“Thinking of Ye Zao’s ability, Ye Sen heaved a sigh of relief, but he still instructed, “In any case, you must be careful. Don’t be deceived by those human-faced, beast-hearted, and well-dressed pig trotters.” ”

“Chapter 205: 090: Beat the crap out of him, brother Ze’s way of doing things! 4”

Ye Zhuo nodded. "I know."

"Ye Sen continued, "I'm going to talk about a collaboration tomorrow. I might be back late at night." "

"Okay."

...

The next day.

"Ye Sen first went to the company. After settling the company's matters, he drove to the coffee shop that he had arranged to meet. "

"Because they were talking about cooperation, Ye Sen drove the company's car. "

A Black Mercedes-benz.

"After a while, he arrived at the agreed restaurant, opened the door and got out. "

"To show his sincerity, ye Sen specially came 30 minutes earlier. When he arrived, the person in charge of the other company had not arrived yet. "

"Ye Sen ordered a cup of coffee. As he drank the coffee, he looked at the scenery outside the window. "

"Ye Sen didn't realize that his ex-girlfriend and her current boyfriend, Wang Chenglei, were sitting not far from his table! Although he didn't notice them, Li Yiyi noticed ye Sen immediately. "

"Why is he here?" Li Yiyi looked in ye Sen's direction and frowned in disgust.

It was obvious that ye Sen must be here because of her.

“Ye Sen was too tasteless. They had already broken up for so many days, yet he still refused to let go!”

Was this interesting?

It was really disgusting!

“Baby, who are you talking about?” Wang Chenglei turned to look at Li Yiyi. ”

“Li Yiyi lifted her chin. “Brother Wang, Look over there!” ”

“When he saw Ye Sen, Wang Chenglei immediately frowned. “Why is this poor guy haunting me! Doesn’t he know that you’re My Woman Now?” ”

“Li Yiyi pouted and continued, “Brother Wang, don’t be angry! I’ll go and explain it to him right now!” ”

Wang Chenglei’s expression was very ugly. “You Go! What a Downer!”

Li Yiyi walked over to Ye Sen’s side.

“Hearing the footsteps, Ye Sen thought that the person who came was the person in charge of the company. When he looked up, he saw that the person was a woman with heavy makeup. ”

This is...

“Ye Sen thought for a long time before he remembered that this was his ex-girlfriend, Li Yiyi! ”

“What’s the matter?” Ye Sen asked.

“Li Yiyi looked at Ye Sen with a mocking look in her eyes. “Stop pretending! Ye Sen, do you think I don’t know what you mean? Let me tell you, it’s impossible between us! Can you please stop pestering me?” ”

Ye Sen’s face darkened. “You misunderstood.”

“”I misunderstood?”Li Yiyi snorted, “If I misunderstood, can you follow me here? You’re a man, why don’t you have any dignity? You’re so thick-skinned! No wonder you can only be a poor person for the rest of your life!” ”

“Ye Sen was not made of mud, but now in the coffee shop, he had to pay attention to his image. He could not lose his gentlemanly demeanor and shout loudly at a shrew. ”

“”Li Yiyi, listen well! I’m not here for you! You’re not some fairy from the nine heavens. You’re not worth me thinking about until now!” ”

“Tch!”Li Yiyi’s face was full of disdain. “Stop pretending! Don’t think that I don’t know what you’re thinking!”

Ye Sen had loved her so much before. How could he forget her so easily?

“So, Ye Sen’s current state was definitely an Act! ”

“Li Yiyi’s heart was filled with a sense of superiority. “I’m warning you one last time. Don’t follow me anymore. Otherwise, my boyfriend won’t let you off!” ”

“At this moment, Ye Sen saw the person-in-charge of the other company walk in from the door. He couldn’t be bothered with Li Yiyi anymore. He immediately stood up and greeted her, “CEO Qian.” ”

“”CEO Ye, Nice to meet you.” ”

“Ye Sen continued, “It’s not convenient to talk about the cooperation in the hall. Let’s go to the private room. Waiter, do you have a private room here?” ”

“Yes, we do. Gentlemen, please follow me.”

The two of them followed the waiter to the private room.

Li Yiyi was left standing on the spot with a look of surprise.

What was going on?

“If she didn’t hear wrongly, the man just now was called Ye Senye?”

Could it be that Ye Sen had become rich?

“Li Yiyi swallowed her throat and then remembered that the suit ye Sen was wearing was also a brand. It couldn’t be bought without 18,000 yuan.”

Wang Chenglei also had a suit that looked exactly the same. He usually treasured it so much that he couldn’t bear to wear it!

Li Yiyi didn’t know how she walked back to her seat.

“Baby, you’re here.” Wang Chenglei didn’t see the scene just now. He reached out and hugged Li Yiyi’s waist.

“Looking at Wang Chenglei’s fat hands and thinking of Ye Sen who was wearing a suit just now, Li Yiyi suddenly felt nauseous.”

“She left ye Sen because Ye Sen was too poor. Now That Ye Sen was President Ye, of course she had to go back to Ye Sen’s side!”

“Chapter 206: 090: Trash, brother Ze’s style! 5”

“But she wasn’t sure if ye Sen was acting for her, so she couldn’t fall out with Wang Chenglei yet. ”

“Thinking of this, Li Yiyi smiled at Wang Chenglei. “Brother Wang, I have an appointment with my best friend. We’re going to buy clothes later. Why Don’t you go back first? I’ll Meet You At Your Place Tonight!” ”

“Wang chenglei said, “Why are you going back? I’ll go with you guys!” ”

“”No, no, no!”Li Yiyi began to act coquettishly. “Brother Wang, if we two little girls get together and buy some lingerie or something, I’ll be fine. With You by my side, my best friend will definitely be embarrassed.” ”

No man could resist a woman’s coquetry.

“Wang Chenglei was very happy to be coaxed. He stood up and said, “I’ll wait for you at home tonight.” ”

“Okay.”Li Yiyi kissed Wang Chenglei on the face.

“After Wang Chenglei left, Li Yiyi sat in the coffee shop until ye Sen and CEO Qian walked out of the private room. ”

The cooperation was discussed very smoothly. Ye Sen’s face was full of smiles as he sent CEO Qian out of the coffee shop.

Li Yiyi quickly stood up and followed him outside.

“Then, she saw Ye Sen get into a Mercedes-benz! ”

The latest mercedes-benz!

It was impossible to get it without three million.

“Li Yiyi held back the excitement in her heart. She didn’t go to Ye Sen right away. Instead, she hailed a taxi from the roadside and quietly followed ye Sen’s car. ”

“After all, luxury cars could be rented. ”

Who knew if ye Sen rented it!

“Soon, Ye Sen’s car stopped at the headquarters of Shengdong Express Company. ”

Li Yiyi frowned.

“After all this, Ye Sen was still a lousy courier! ”

She really thought ye Sen had made a fortune!

So he was pretending!

“At this moment, Li Yiyi suddenly saw two people who looked like assistants respectfully walk to Ye Sen’s side and take the briefcase from him. ”

What was going on?

She watched as the three of them disappeared into the company entrance.

Li Yiyi's frown deepened.

"In order to figure out what was going on, Li Yiyi pushed open the car door and got out of the car. She also came to the company."

The hall was decorated very luxuriously.

"The moment Li Yiyi entered, a receptionist came over to receive her. "Madam, May I help you?" "

"Li Yiyi looked around the hall and continued, "Is Ye Sen an employee here?" "

"You mean CEO Ye?" The receptionist smiled and said, "CEO ye is the boss of our company." "

What?

Ye Sen is the boss of this express delivery company?

Li Yiyi was completely dumbfounded!

"You, you, you aren't joking with me, right?" Li Yiyi continued to ask. "

"Madam, why would I joke with you about something like this! Right, are you looking for our CEO Ye?" The receptionist continued to ask. "

Li Yiyi quickly nodded.

She wanted to see ye Sen immediately!

She wanted to get back together with Ye Sen!

“Ye Sen was the boss of this express delivery company, so she would be the lady boss in the future.”

“Thinking of this, Li Yiyi was ecstatic.”

She would be a member of the upper class in the future!

That’s great!

“The receptionist continued, “Do you have an appointment?” ”

Appointment?

“As a boss, she was indeed different. She even had to make an appointment for a meeting.”

“Li yiyi frowned and said, “An outsider wants to make an appointment. Do I have to make an appointment too? Hurry up and bring me to see ye Sen. Otherwise, I’ll get him to fire you!” ”

“The receptionist frowned and said, “I’m sorry, Madam, who are you?” ”

“Li Yiyi raised her chin high and said, “I’m Ye Sen’s girlfriend! Your Future Boss’s wife!” ”

Ye Sen’s girlfriend?

The receptionist looked Li Yiyi up and down.

“She felt that this person’s image, temperament, and conversation were not worthy of Ye Sen.”

He was too common!

“Moreover, they had worked in the company for so long, but they had never heard of Ye Sen having a girlfriend.”

Could it be that he was here to offer himself to her?

There were too many shameless people nowadays.

“The receptionist smiled apologetically. “I’m sorry, Ma’am. Without an appointment, I can’t bring you to meet our CEO Ye.” ”

Li Yiyi did not expect the receptionist to not have the foresight at all. “Just you wait! I’ll let you take your bag and leave immediately!”

““Ma’am, can you please leave?”The receptionist made a ‘please’gesture. ”

“Of course, Li Yiyi refused to leave. ”

She was the person that Ye Sen loved the most!

Ye Sen would definitely help her vent her anger!

“Helpless, the receptionist could only call for security. ”

“Li Yiyi was dragged out in the end, “How dare you! You’re really too daring! Do you know who I am? I’m the person that your boss Ye Sen loves the most! Let me tell you! You’re all finished! I’ll let ye Sen fire all of you one by one!” ”

“Chapter 207: 090: Beat the crap out of him, brother Ze’s way of doing things! 6”

A watchdog is a watchdog!

You Don't even have eyes!

You even dare to offend the Lady Boss!

They're finished!

"Li Yiyi quickly found ye Sen's phone number and called him, asking him to come down personally to pick her up and help her vent her anger."

But she had already deleted ye Sen's phone number.

She also deleted wechat.

"At this time, she could not contact ye Sen, so Li Yiyi could only stand at the door and wait for him. In order to give ye Sen a surprise, she even took out a mirror and lipstick from her bag and began to touch up her makeup."

"When Ye Sen got off work and found her waiting for him, he would definitely be very happy."

"After all, Ye Sen loved her so much."

"Perhaps ye Sen deliberately went to that restaurant today so that she could see him. All men wanted face. He could not bring himself to beg her, so he deliberately went to the restaurant to meet her."

He wanted her to see all of this.

“After all, she and Ye Sen had been together for so many years.”

How could they break up just like that?

“The more Li Yiyi thought about it, the happier she became. She was extremely excited. While she was waiting for Ye Sen, she added all the big-brand bags that she had taken a fancy to into the shopping cart. Ye Sen loved her so much, so he would definitely empty the shopping cart for her.”

“Oh, right.”

She still had to get ye Sen to buy her a car.

It was not until 12 o'clock in the afternoon that Li Yiyi saw ye Sen walk out of the company with a briefcase.

Li Yiyi's eyes lit up and she quickly pounced on him. “Sen!”

“When they were in love, she had always called ye Sen that.”

Ye Sen frowned slightly and nimbly avoided Li Yiyi.

“Li Yiyi did not pounce on ye Sen. She directly fell to the ground and looked at Ye Sen aggrievedly, “Sen! It's me! I'm Yiyi! It was my fault. You loved me so much! I shouldn't have treated you like that! “Actually, I didn't have a choice. It was all Wang Chenglei. If Wang Chenglei hadn't threatened me, I wouldn't have been with that fat pig!” ”

Ye Sen took out his phone from his pocket. “What do you think Wang Chenglei is?”

“Hearing that, Li Yiyi's eyes lit up. She knew that Ye Sen still loved her deeply, she hurriedly said, “It's fat pig! Wang Chenglei is a fat pig! He doesn't deserve me at all! Sen, let's make up! I love you. I will love

you forever! Even when I was forced to be with fat pig, I always thought of you in my heart! Sen, you still love me, right?" "

Yesen felt like vomiting.

"Before this, he had never known that the woman he had loved for three years was actually like this. "

It was absolutely disgusting!

How could his taste be so bad in the past?

"Yesen put his phone into his pocket, his expression very calm. "

"Li Yiyi got up from the ground and held Yesen's arm, she said coquettishly, "Sen, I knew you still loved me! Just now, I suffered a great grievance. Those employees of your company acted as if they had no eyes and actually chased me out of the door! "And they even said I was shameless! "Sen, you have to stand up for them!" "

""They are right. You Are Shameless!"Ye Sen flung Li Yiyi's hand away. "Li Yiyi, you are a B \* Tch who is greedy for money! Do you think I will still be with you? Wishful Thinking!" "

Li Yiyi was thrown to the ground. Her face was filled with disbelief.

What did she hear?

"In the past, Ye Sen would never talk to her like that. "

What was going on?

"No! Sen! You still love me! You must still love me!"Li Yiyi hugged ye Sen's leg.

“Ye Sen kicked Li Yiyi away and looked at her, “Li Yiyi, if you don’t accompany me at sunset, who are you? Get lost! Don’t humiliate yourself anymore!” ”

“After saying this, Ye Sen opened the car door and started the engine to leave. ”

Li Yiyi couldn’t believe it was true.

Ye Sen loved her so much.

He even said that he had to have her.

Why would he treat her like this now?

During Zhengzhi’s lunch break.

Many employees came out to watch the show.

““Some women! They’re really despicable! Our CEO ye has already said so, yet she’s still so shameless! I’m embarrassed for her!” ”

““That’s right, that’s right!” ”

““In the past, when our CEO ye was a deliveryman, she kicked CEO Ye. Now, when she saw CEO Ye’s meteoric rise, she shamelessly came up to him! If I were her, I would directly find a hole to hide in!” ”

“She should be unwilling. She could have become the boss’s wife! Now? It’s all for nothing!”

“Gold digger! serves her right!”

“These sarcastic words were like knives, cutting Li Yiyi’s body one by one. ”

“Chapter 208: 090: What a piece of trash, brother Ze’s style! 7”

“At this time, she was very regretful, even her intestines were green with regret! ”

She regretted why she broke up with Yesen.

She should have accompanied Yesen down the road.

“If she had accompanied Yesen down the road, she would be the wife of the boss now, how could she have the right to speak to these people! ”

But it was useless to regret now.

...

At the same time.

Beijing.

Lin Ze’s bedroom.

“The door was half-closed. Standing outside, one could vaguely see the inside of the room. ”

Inside.

“Lin Ze sat in front of his desk, holding a piece of chewing gum-like wrapping paper. He placed it on the tip of his nose and sniffed it gently. His expression was one of enjoyment.”

Beside him was a bag of white powder-like objects.

“Aunt Zhang stood outside the door, looking at the scene inside. The corners of her mouth curled into a proud smile.”

Lin Ze would never be able to get up this time!

“Once Old Mrs. Lin lost hope in Lin Ze, she would definitely think of a way to make Feng Qianhua pregnant with Lin Jincheng’s child.”

The reason why Old Mrs. Lin had been hesitating was because Lin Ze was here.

“If she used those underhanded methods, Lin Ze would definitely hold a grudge against her as a grandmother.”

“But if Lin Ze was already crippled, then old Mrs. Lin wouldn’t have to care about Lin ze anymore.”

“Auntie Zhang quietly turned around and left, afraid of alerting the people inside.”

Feng Qianhua came on time to deliver the health soup to Old Mrs. Lin. She had just walked into the Lin family with Feng Xianxian when she saw Auntie Zhang walking down from upstairs.

“Auntie Zhang.”

““Miss Qianhua, Xianxian, you’re here.””

“Feng Qianhua nodded. “Mrs Zhang.” After saying that, she turned to look at Feng Xianxian beside her. “Xianxian, quickly call Grandma Zhang.””

Feng Xianxian's face was filled with displeasure.

Asking her to call a servant Grandma?

On what basis?

"Xianxian!" Feng Qianhua frowned.

"Mrs Zhang smiled and said, "Why are you arguing with the child! Right, old madam is in the backyard admiring the flowers. I'll call someone for you." "

"We'll go with you." Feng Qianhua led Feng Qianxian to follow Aunt Zhang's footsteps.

They walked all the way to the backyard but did not encounter a single servant.

"When they passed by the rockery, Aunt Zhang turned to look at Feng Qianhua and said, "It's not convenient to talk here. Let's Talk Over There?" "

"Feng Qianhua nodded. "Qianxian, wait for us here." "

Feng Qianxian nodded.

Feng Qianhua followed in Aunt Zhang's footsteps.

The two of them arrived at the rockery.

Aunt Zhang whispered a few words into Feng Qianhua's ear.

“Upon hearing this, Feng Qianhua’s face was filled with shock. “Are you sure you didn’t see wrongly?” ”

“”I saw it for real!” Aunt Zhang continued, “I’ve been observing him for a few days. It’s almost the same time every day, about an hour at a time. If you bring the old lady over, you’ll definitely catch him in his true form!” ”

Feng Qianhua nodded.

The two of them came out of the rockery. Feng Qianhua already had a plan in mind and lowered her head to say a few words to Feng Xianxian.

“Hearing this, Feng Xianxian’s face turned pale. “Mom, Really?” ”

“”It can’t be wrong.” Feng Qianhua continued, “Xianxian, in front of your Grandma Lin later, do you know what to say?” ”

Feng Xianxian nodded.

“That’s good.” A satisfied smile appeared on Feng Qianhua’s lips.

“Feng Qianhua was looking for old Mrs. Lin, and Old Mrs. Lin was looking for Feng Qianhua. ”

Nothing else.

It was because Feng Qianhua came to deliver the health-preserving soup to her at this time every day.

She could not leave this health-preserving soup for a day now.

“As long as she forgot to drink it, she would not be able to lift her spirits and would even cough up blood. ”

“Moreover, Feng Qianhua was filial and considerate. Old Mrs. Lin was also willing to talk to her.”

“Qianhua.” Old Mrs. Lin had just turned a corner when she saw Feng Qianhua and Aunt Zhang walking over.

“Grandma Lin!” Feng Xianxian pounced over and pretended to like old Mrs. Lin very much. She hugged old Mrs. Lin, but in fact, she was extremely disgusted.”

If it wasn't for the fact that she wanted to become the Lin family's granddaughter...

She wouldn't have to be so mean to herself.

Old Lady Lin was overjoyed. “Xianxian is here too! Grandma's good granddaughter. I haven't seen you for a few days. I really miss grandma to Death!”

“Grandma, I Miss You Too! But the college entrance exam is coming up soon, so I've been studying at home for the past few days!” Feng Xianxian hugged Old Lady Lin's arm.”

“Old Lady Lin smiled and said, “Yes, yes, yes, the college entrance exam is more important. Qianxian is so smart, she will definitely be able to get into a good university!” ”

“Aunt Lin.” Feng Qianhua walked over with a smile. “Qianxian, stop pestering your grandma Lin. Go away.” ”

“It's okay, it's okay. I treat Qianxian like my own granddaughter.” Old Lady Lin waved her hand.”

“After that, old lady lin continued, “Qianhua! It's really hard for you to still think of sending soup to an old woman like me every day! If it weren't for you, I'm afraid I would have gone to Hell Long Ago!” ”

Feng Qianhua quickly spat a few times. "Aunt Lin! Don't spout nonsense! You want to live a long life!"

"Feng xianxian echoed, "My mother is right, Grandma Lin. You will definitely live a long life." "

Old Mrs. Lin was very happy to be coaxed by the mother and daughter.

The few of them walked to the main hall.

"Feng Qianhua took out the health soup from the insulated box and said unintentionally, "Aunt Lin, isn't it Sunday today? Why aren't you seeing Ah Ze?" "

"Old Lady Lin said, "I don't know what happened to that child these past few days! He's so mysterious! He hasn't been seen all day." "

"Hearing that, Feng Xianxian continued, "Grandma Lin, I have a classmate who is good friends with brother Ah Ze. I heard... I heard..." "

" "Heard what?" Seeing Feng Xianxian like this, Old Lady Lin looked up nervously. "

" "I, I, I don't dare to say..." Feng Xianxian bit her lip. "

"Old Mrs. Lin continued, "Did something happen to Ah Ze?" "

"I don't dare to say..." Feng Xianxian was about to cry.

"Feng qianhua frowned and said, "You child, what can't you tell your Grandma Lin? Tell me quickly! Do you want to worry your Grandma Lin to Death?" "

“Old Mrs. Lin held Feng Xianxian’s hand and said extremely kindly, “Good child, don’t be afraid. Tell Grandma, what exactly is going on?” ”

“Feng Xianxian said hesitantly, “I, my classmate told me that brother Ah Ze has been acting very strange these few days. There are always white bags of powder and long pieces of paper in his school bag...” ”

Old Lady Lin’s expression changed.

“Aunt Zhang continued, “Hearing Xianxian say this, it reminds me of something. When I passed by the young master’s room just now, I saw a few bags of powder on the table in the young master’s Room!” ”

“”B \* Stard! This B \* Stard! I think his good days are over!”Old Lady Lin slammed the table and stood up, her face full of anger. ”

Chapter 209: 091: A GREAT VICTORY! 1

Old Mrs. Lin had a younger sister.

She was ten years younger than her and had a happy family.

It was a pity.

“Her younger sister was infected with Du twenty years ago. After she was infected, she led her brother-in-law to the depths of despair. In the end, she overdosed and had hallucinations. She set fire to the house where she lived, and they were a good family, they were broken up just like that. ”

The family was broken up and the person was dead.

“Therefore, old Mrs. Lin hated people who sucked du the most in her life! ”

“Even if this person was her favorite grandson, it wouldn’t do. ”

Lin Ze wanted to destroy this family!

Destroy her grandmother.

Old Mrs. Lin was so angry that her entire body was trembling. She was about to faint.

“Seeing this, Feng Qianhua quickly walked over to hold old Mrs. Lin and gently explained for Lin Ze, “Aunt Lin, don’t be angry. What if it’s a misunderstanding! Ah Ze is a good child and so obedient. He definitely won’t do such a heinous thing!” ”

“At this moment, Feng Qianhua might as well not explain. ”

“The more she spoke up for Lin Ze, the more she confirmed the fact that Lin Ze was absorbing DU. ”

She was adding fuel to the fire and increasing old Mrs. Lin’s anger!

““Qianhua, don’t speak up for him anymore! He’s so rebellious! I was wondering why he’s been acting so mysterious these past few days! So he’s hiding at home doing something shameful!”Old Lady Lin clutched her chest and started coughing violently. ”

““Grandma Lin, don’t be angry. It’s all my fault. I shouldn’t have said anything...”Feng Qianqian helped Old Lady Lin with her back and said guiltily. ”

Feng Qianhua looked at Feng Qianqian with a satisfied look in her eyes.

It was fleeting.

This daughter of hers was really becoming more and more like her. She would definitely be able to do great things in the future.

“Old Lady Lin turned to look at Feng Qianqian. “Good child, this isn’t your fault! It’s that bastard who doesn’t want to be good!” ”

It was really like a dragon giving birth to a phoenix.

“Feng Qianqian was Feng Qianhua’s daughter, so she had been sensible since she was young. ”

“Lin Ze had crawled out from that slut ye Shu’s stomach. Even if he had the Lin family’s blood flowing in his body, he still had a bad nature deep down in his bones! ”

Old Mrs. Lin felt that it was a pity that Feng Qianqian was not Lin Jincheng’s biological daughter.

“Feng Qianhua continued, “Aunt Lin, please calm down first and clarify the matter. None of us saw Ah Ze do that with our own eyes. It’s not good to wrongly accuse the child like this!” ”

“Aunt Zhang continued, “Miss Qianhua is right! But, old lady, I saw him sucking in young master’s room just now... Let’s go up and see if it’s true...” ”

“Let’s Go!” Old Lady Lin stood up angrily.

They went to Lin Ze’s room on the third floor.

The door was half open.

Lin Ze’s figure could be seen from the outside.

“Lin Ze’s back was facing the crowd, so it was hard to see what he was doing. However, one could vaguely see a bag of white powder on the table. ”

There were also a few pieces of paper.

“If this wasn’t sucking du, what was he doing? ”

“Seeing this scene, old Mrs. Lin’s eyes were full of anger. ”

UNFILIAL grandson!

This unfilial grandson!

He was really too lawless!

Feng Qianhua and Feng Xianxian looked at each other and saw a smug look in each other’s eyes.

“No matter how much Lin Ze tried to sweet-talk her this time, she would probably never forgive him again! ”

“From now on, the Lin family’s assets would no longer have anything to do with Lin Ze. ”

At that time.

“Feng Xianxian would officially become the only daughter of the Lin family, and Feng Qianhua’s child would directly replace Lin Ze’s identity as the heir! ”

“Bastard!”

Old Mrs. Lin couldn't take it anymore and kicked open the half-closed door.

"Lin Ze was startled by the sudden voice inside and quickly hid the things in his hands into the drawer. He turned around in a panic, "Grandma, Grandma, Why are you here?" "

"What are you doing?" Old Mrs. Lin glared at Lin Ze as if she was going to eat him.

"Lin Ze avoided old Mrs. Lin's gaze and said guiltily, "Nothing, nothing much..." "

"Feng Qianhua stepped forward and said softly, "Ah Ze, you're still a good kid. We saw what you were doing outside just now! Just admit it! Apologize to your grandmother. You're your father's only child. As long as you repent, your grandmother will definitely forgive you!" "

Feng Qianhua especially emphasized the words 'you are your father's only child'.

She said this especially for Old Lady Lin.

It was precisely because Lin ze was Lin Jincheng's only child and the heir of the Lin family that Lin Ze could not make a single mistake.

Chapter 210: 091: to turn the tables and win the hearts of the people! 2

"What's more, it was to suck du. "

"Once one encountered Du, there was no possibility of quitting. It was the same as walking towards the end of one's life. "

And a drug addict was not qualified to be a descendant of the Lin Family!

“This sentence was not to help Lin ze, but to destroy him with one sentence!”

“Lin Ze looked up at Feng Qianhua. “Auntie Feng, I don’t understand what you’re saying! I didn’t do anything wrong, why should I apologize to my grandmother? May I know what you’re Thinking?” ”

“As he said that., lin Ze continued, “I know that you’ve always wanted to marry my father, because I’ve never allowed you to marry into our family. So, you’ve hated me and tried to sow discord in front of my grandmother! You’ve tried every possible way to drive me out of the house! The heavens are watching. Aren’t you afraid of retribution?” ”

Lin Ze’s every sentence was harsh.

“In front of Old Lady Lin, he exposed Feng Qianhua’s ugliest side. ”

But Feng Qianhua was not flustered at all. The corners of her mouth curled up into a proud smile.

“At this time, Lin Ze was still struggling at the brink of death. ”

He would only make old Madam Lin hate him even more!

“Feng Qianhua’s eyes instantly turned red, she said aggrievedly, “Ah Ze, YOU’VE MISUNDERSTOOD ME! I admit that I like your father because we were once engaged! All these years, I never had the delusion of marrying your father. I only wish to be by his side...” ”

Lin Ze’s expression remained the same. “Stop pretending. Do you think I don’t know what you’re Thinking?”

“Feng Qianhua’s face turned pale as she explained, “I didn’t. Ah Ze, you’ve really misunderstood me...” ”

“Brother Ah Ze! You’ve gone too far! My mother spoke up for you out of goodwill, and you actually wronged her!” Feng Xianxian stood up and said loudly, “I think you’ve sucked so much that your brain is damaged! Now you can’t even differentiate between good and bad!” ”

“You think you can be my sister? In Your Next Life!”

Feng Xianxian held back her tears and pretended to be strong as she looked at Old Mrs. Lin. “Grandma Lin...”

Seeing Feng Qianhua and her daughter being so wronged.

“Old Mrs. Lin’s heart ached terribly. She raised her hand and slapped Lin Ze’s face. “B \* Stard! You Didn’t live up to your expectations! You still have to blame others! Get lost! From now on, you’re no longer my grandson!” ”

Lin Ze just stood there with a swollen palm print on his face.

It was very painful.

“But even though his face was in pain, it was no match for the pain in his heart. ”

“Seeing this, Feng Qianhua, Feng Xianxian, and the mother-daughter pair had smug looks on their faces. ”

That’s great!

Old Mrs. Lin was finally going to chase Lin ze out.

They had finally waited for this day.

“Lin Ze looked at Old Mrs. Lin. “Grandma, I didn’t take any DU.” ”

“The truth is right in front of you, and you still want to deny it?” Old Mrs. Lin was furious. ”

“You don’t believe me?” Lin Ze looked at Old Mrs. Lin with disappointment in his eyes.

Old Mrs. Lin had never seen Lin ze like this before.

It was very strange.

She was stunned.

“Ever since she was young, this was the first time she had hit Lin Ze. ”

Lin Ze was a very cute child when he was young.

The first words that came out of the mouths of other children were either father or mother.

Only Lin Ze called her grandmother.

“Plus, he was sensible, so out of all the grandchildren, Old Mrs. Lin liked Lin ze the most. ”

But now.

Lin Ze had really disappointed her.

Suck du!

He actually sucked du!

Old Mrs. Lin could tolerate anything except for juniors sucking du.

“Get lost!” Old Mrs. Lin pointed at the door and said.

“Young master, this is the oven that you asked me to bring...” at this moment, the housekeeper brought in an oven. When he saw this scene, he was stunned on the spot. ”

Lin Ze looked at Old Mrs. Lin and did not explain. He picked up the backpack on the desk and turned to leave.

“Young Master!” The housekeeper shouted anxiously.

“Housekeeper, don’t call him! Tell him to get lost!” Old Mrs. Lin continued, “This bastard is too bold now. He even dares to touch the poison! In the future, our Lin family will not have such unfilial descendants!” ”

“The housekeeper quickly placed the oven on the ground, “Old Mrs. Lin! You’ve wronged young master. He’s not that kind of person!” ”

“Feng Xianxian walked over and opened the drawer, “Grandpa Housekeeper, it’s not Grandma Lin’s fault this time. It’s brother Ah Ze who went too far! The poison powder is hidden in the drawer. Please don’t excuse him!” ”

There were several bags of white powder-like objects in the drawer.

Two small bags.

And three big bags.

Feng Qianhua looked at this scene in surprise. She didn’t expect Lin Ze to buy so much!

He was too bold!

Old Madam Lin was trembling with anger.

How long had he been using so much poison powder?
