Chapter 2011: 421: the person who cleaned the house! 2

“If it wasn’t for her, would ye Zao’s name spread across the country?”

Dream On!

“At that time, when she was looking for her biological parents, it was fine if ye Zao didn’t help, but he still wanted to interfere.”

Deliberately.

Ye Zao did it on purpose.

“Ye Zao was an orphan that no one wanted, so she felt unbalanced and was jealous that she had biological parents!”

“If ye Zao did not stop her from doing so, she would have long recognized her biological parents.”

This was all ye Zao’s fault.

“As long as she recalled those past events, ye Lan wished that she could kill ye Lan with her own hands.”

There was no special expression on ye Zao’s face.

So that was how it was.

The protection that she thought was given to others was just jealousy.

“Ye Zao said faintly, “So, you still hold a grudge because of this?” ”

“Shouldn’t I hold a grudge?”Ye Lan asked.

“I won’t kill you today.”Ye Zao put away his gun. “But I want to warn you that Miss Ye hasn’t let you down in any way. You should take care of yourself.”

“After saying this, ye Zao turned around slightly and faced everyone. “All of you, if you’re willing to continue following Miss Ye, please follow me.” ”

“With Li Zi Yue as the leader, most of the people in the room followed ye Zao’s footsteps. ”

Even though she wasn’t ye Zao yet.

But she had something similar to ye Zao on her.

“Although ye Lan was very unwilling, she could only let them go. ”

Where did this ugly woman come from!

“If it wasn’t for her, all these people would have been silenced by now. ”

“At that moment, ye Lan didn’t dare to change the plaque anymore. She immediately went to the Qiu residence and reported everything that happened here to Qiu Di. ”

“Hearing this, Qiu di frowned slightly. ”

“Who is that woman?”

“The question she was most worried about now was not who that woman was, but whether that woman would affect her position! ”

Ye Lan shook her head. “I’ve never seen her before.”

“”Could it be...”Zhou Qing, who was at the side, said hesitantly, “Could it really be ye Zao who came back?” ”

“Impossible! The one who came is just an ugly woman! She is definitely not ye Zao!”Ye Lan directly denied.

Ye Zao had already died!

How could she have come back!

“”Show me the video,”Qiu di continued. ”

“Okay.”Ye Lan nodded and turned on the portable video.

“Soon, a transparent screen appeared in the air. On the screen was the image of ye Zao holding the gun against Ye Lan. ”

“Zhou Qing said in surprise, “This speed is too fast!” ”

“Before she could even see how ye Zhuo had made his move, Ye Zhuo had already put the gun against Ye Lan’s head. ”

Qiu Di snorted coldly. “It’s just a small trick.”

“At this speed, she could even close her eyes!”

An ugly girl. She felt dirty just by looking at her.

It was fortunate that ye Lan was so frightened.

“Xiao Ya!” Qiu Di continued.

““Yes, miss.” Xiao Ya immediately walked over from the side.”

“Qiu di continued, “Investigate this ugly woman’s background.” ”

“Yes.”

Xiao Ya nodded respectfully. She took the scanner and quickly locked onto the facial features of the person on the screen.

“Soon, a line of information appeared on the scanner — ”

Name: Joey.

Gender: Female.

Age: 21.

“Seeing this, Qiu Di’s face was full of disdain.”

Joey?

A nobody that she had never heard of.

“Most importantly, before ye Zao had pacified the state of Chang Yue, Qiao was the lowest surname in the state of Chang Yue.”

She was not even qualified to be a servant for a rich family.

“When she saw this information, ye Lan suddenly thought of something, then she said, “Oh, I remember! This Joey was ye Zhuo’s little sidekick! He followed ye Zhuo every day and blew rainbow farts! I thought who it was! So it was her!” ”

“If she had known that it was Joey, she would not have let them go back then.”

Ye Lan was very regretful now!

“After thinking for a while, ye LAN continued, “Eldest miss, please give me some time. I promise that within three days, I will capture Joey and personally kowtow to you to confess your crimes!” ”

“There’s no need.”The corners of autumn flute’s mouth curled up.

“Hearing this, Ye Lan was stunned.”

There was no need.

“Autumn flute continued, “Compared to kowtowing to plead guilty, I prefer to watch them bite each other’s fur.” ”

“Now That Ye Zhuo was dead, there was only a group of small fries left. Wouldn’t it be dog biting dog fur in the future?”

Autumn flute was looking forward to the scene that followed.

Killing each other.

It would definitely be very good to watch.

Ye Lan also understood autumn flute's intentions instantly. Her eyes flashed with ridicule.

“Alright, you can go back first.” Autumn flute continued to speak. ”

Ye Lan nodded.

“Wait a moment.” Autumn flute seemed to have thought of something and called out to Ye Lan.

Chapter 2012: 421: the person who cleans the doors! 3

“Young miss, do you have any other orders?” Ye Lan turned to look at Qiu Di. ”

“Qiu Di held a pen in his hand and continued, “Do you want to hurry and change the name of the Ye family's base?” ”

Ye Lan looked at Qiu Di in surprise.

This...

It didn't seem like Qiu Di's style.

“Or, was Qiu di blaming her for not doing her job well? ”

“Qiu Di continued, “Haste makes waste. Right now, the hearts of the people of the Ye family base are with ye Zao. Some Things will backfire if done too far!” ”

Qiu Di wasn't a fool.

“The most important thing for her now was to immediately ascend to the position of the female sovereign and guide the country, leading the country of Chang Yue to the next peak. ”

“Currently, she had the password to the information on the star-crossing case, and she also had the full support of the sixth elder, Ye Lan, and the others. was she afraid that those people would object? ”

“Not to mention the sixth elder, Just Ye Lan's support was enough. ”

Who Was Ye Lan?

“Ye Zhuo's sister, the leader of the Ye family base. ”

“Therefore, the most important thing for her now was to hold ye Lan and the sixth elder tightly. ”

“Qiu Di nodded. “I understand, eldest miss.” ”

“Go.”Qiu Di waved his hand.

Ye Lan turned around and walked out.

“After taking a few steps, ye Lan seemed to have thought of something. She turned around and looked at Qiu Di. After hesitating for a while, she said, “Eldest miss.” ”

“”If you have something to say, just say it.”Qiu Di took a sip of tea. “I'm different from ye Zao.” ”

“Hearing this, the nervousness on ye Lan’s face disappeared completely. She looked up at Qiu di with a smile and continued, “Young miss, has there been any news... about my parents?” ”

This was the most important reason for ye Lan to seek refuge with Qiu Di.

Qiu Di had promised ye Lan that she would definitely help ye Lan find her biological parents.

“”En.”Qiu Di nodded, then, she said, “If you hadn’t said it, I would have forgotten. I’ve already asked Skynet to look into it. According to the information they sent back, it’s very likely that you’re the Manxing Kingdom’s ruler and mother who lost her first wife in the early years.” ”

First wife Princess!

Manxing Kingdom!

She didn’t expect that she actually had the royal bloodline.

“In that case, she would inherit the Manxing Kingdom’s throne in the future! ”

“Hearing this, Ye Lan’s face was full of shock. ”

“”Eldest miss, is this, is this true?” ”

“”Of course it’s true.”Qiu Di walked over and smiled as he held ye Lan’s hand, “Sister Ye Lan, if one day you are recognized by the Manxing Kingdom, don’t forget about me as your elder sister. When that time comes, our changyue kingdom and the Manxing Kingdom will join hands. Even the insect race will fear us!” ”

“Of course!”Ye Lan held Qiu Di’s hand. She was so excited that she didn’t know how to say it. “Sister treats me better than her own sister. I will definitely repay you!”

“Okay.” Qiu Di nodded.

Ye Lan was extremely grateful to Qiu Di.

She wanted to kneel down and kowtow to Qiu Di.

“After a while, ye LAN continued, “Young miss, when will this matter be settled?” ”

She had been separated from her parents for so many years. She had long wanted to return to their side and reunite with her family!

““We are still investigating. Don’t be anxious. There are still some matters that have not been settled. After all, we are of the royal bloodline. We can not be so careless!” Qiu Di patted ye Lan’s hand, she continued, “Don’t worry. I am not the same type of person as ye Zao. I will definitely not be like ye Zao and stop you from finding your biological parents. As soon as the results are out, I will inform you immediately!” ”

“The subtext of this sentence was that ye Zao had clearly found out ye Lan’s true identity back then, but he had kept it a secret. It was clearly intentional. ”

“Without batting an eyelid, he had once again stirred up the feelings between ye Lan and ye Zao. ”

“Ye Lan was so moved that her eyes were red. “Eldest miss, thank you! You’re really a good person!” ”

Qiu Di was indeed different from ye Zao.

“If it was ye Zao, he would definitely not treat her like this. ”

Ye Lan was very regretful now.

She regretted not knowing Qiu di earlier.

“Why are you still saying thank you to me?” Qiu Di helped Ye Lan Wipe away her tears.

“Ye Lan, who was immersed in her own world, did not notice that Qiu Di’s eyes were filled with sarcasm.”

Idiot.

He was simply the biggest idiot!

“Without a princess’s life, she would only dream of being a princess.”

This kind of person was the most disgusting!

“Even on the way back, Ye Lan was floating in the air.”

It turned out that she actually had the bloodline of the royal family.

Ye Zhuo had always thought of ways to prevent her from finding her biological parents.

“If she was found by her biological parents, she would definitely inherit the throne in the future. In the future, wouldn’t she be on equal footing with Ye Zhuo?”

“In the end, Ye Zao was still jealous of her.”

How Shameless!

Chapter 2013: 421: The One who cleans the house! 4

“Fortunately, she woke up in time and followed Qiu Di. ”

“Qiu Di was simply the greatest benefactor in her life, her second-born parents! ”

“In fact, ye Lan already knew that she was not an ordinary person. ”

“When she was very young, she often dreamed at night, she was the daughter of a rich and powerful family who got lost. ”

In the dream.

“After she got lost, her family was very sad. ”

She desperately wanted to be reunited with her family.

“But in the dream, she was like a transparent person. No matter how much she shouted, her parents could not see her. ”

“After she woke up from the dream, she sat on the street and cried. ”

That kind of day still makes me feel sad when I think about it.

“At that time, she only knew that she was not an ordinary person, but she never thought that her status would be so noble! ”

She was actually the Manxing Kingdom’s direct princess!

It was not surprising that ye Zao would be jealous of her.

She was already a princess!

Only ye Zao was that pitiful little orphan girl that no one wanted!

She was a princess!

How could ye Zao compare to her!

“On this side, looking in the direction where ye Lan left, Zhou Qing turned his head to look at Qiu di and asked doubtfully, “Eldest miss, is ye Lan really the Manxing Kingdom’s Missing Direct Princess?” ”

“Just her?” Qiu Di snorted coldly. “Is she even worthy?”

She didn’t even have the right to carry shoes for the Manxing Kingdom’s direct princess.

Daydreaming!

“Then you?” Zhou Qing looked at Qiu di with some confusion.

“Qiu Di narrowed his eyes. “Did I say that she was the Manxing Kingdom’s direct princess? All of this is just a guess!” Besides, it was also true that the Manxing Kingdom had lost a princess! ”

“Zhou Qing nodded and said worriedly, “Paper can not hide fire. What if ye Lan finds out one day?” ”

This kind of thing could not be hidden forever.

“Don’t worry about this problem.” Qiu Di did not care at all.

“By the time ye Lan found out the truth, she would already be the female monarch of Changyue Kingdom!”

“At that time, what could ye Lan Do with her?”

Zhou Qing nodded.

“Then, do we really not need to worry about Joey?” Zhou Qing was a little worried.

She always felt that this Joey did not come with good intentions. It was not that simple.

“How many days do you think a grasshopper can survive after autumn?” Qiu Di raised his head to look at Zhou Qing.

Wasn't it fun to watch them kill each other?

“Zhou Qing gave a thumbs up. “High! High! Young Miss, this move of yours is really too high!” ”

The corners of Qiu Di's lips curled up.

On the other side.

“Ye Zao successfully brought everyone out of the base. After giving a few instructions, he turned around to leave ”

“Sister, please wait a moment.” Li Zi Yue walked forward. ”

Ye Zao looked back slightly. “Is there anything else?”

“First of all, thank you for saving us all today.” Li Zi Yue bowed to Ye Zao. ”

“If it wasn’t for her, they might really have been silenced by Ye Lan today. ”

“At this point, Ye Lan was capable of doing anything! ”

Ye Zhuo reached out to help him up. “Miss Ye has done me a favor. This is what I should do.”

The current her could not reveal her true appearance to others.

She still had to wait.

“When the time was right, she would definitely give them an explanation. ”

“Li Zi Yue looked at Ye Zhuo and felt that she was very familiar, especially that pair of eyes. However, upon closer inspection, he felt that she did not look like anyone else ”

Why did she give him such a strange feeling

“If it was not for the fact that his face was not right, Li Ziyue would even feel that the person in front of him was Ye Zao. ”

“Little girl,” at this moment, the weak old dai said, “You saved all of us today. May I ask, can you tell us your name?” ”

“My name is Joey,” Ye Zao said. ”

“Old Dai continued, “Is it joy of Big Qiao and Little Qiao?” ”

“Yes.” Ye Zhuo nodded slightly.

“Joy...”old Dai repeated it in his heart before turning to look at Ye Zhuo. “Is it joy of Joy?”

“”Yes,”ye Zhuo answered. ”

“Upon hearing this, Old Dai seemed to have thought of something and continued, “Miss Qiao, I seem to have seen you by Miss Ye’s side before.” ”

Ye Zhuo nodded slightly. “Yes.”

“Old Dai said, “No wonder, no wonder!”He couldn’t believe how familiar they were. ”

“Ye Zhuo glanced at old dai and continued, “Old man, pay attention to your rest during this period of time. The medicine I gave you, three times a day, forbidden spicy food.” ”

“”Okay.”Old Dai nodded. “Thank you, Miss Qiao.” ”

“”I should be the one thanking you.”Ye Zhuo continued, “Thank you for your trust in Miss Ye. I believe that Miss Ye will not disappoint you.” ”

“Hearing this, Li Zi Yue immediately raised his head to look at Ye Zhuo. ”

“”Sister Qiao, do you know where Miss Ye is?” ”

Ye Zhuo shook his head slightly. “I’m not sure either.”

Chapter 2014: 421: the person who cleans the door! 5

“Then...” Li Zi Yue looked at Ye Zhuo and continued, “Then Miss Ye will definitely come back, right?” ”

Ye Zhuo nodded. “Yes.”

“She will. She will definitely come back.”

“Really?” Li Zi Yue’s eyes were filled with hope once again.

Ye Zhuo nodded again.

“Then is there anything that we can help with?” Li Zi Yue asked.

Ye Zhuo looked at Li Zi Yue as if he suddenly remembered something. “There is indeed something.”

“Sister Qiao, go ahead,” said Li Zi Yue. ”

Ye Zhuo whispered something into his ear.

“Hearing this, Li Zi Yue nodded. “Sister Qiao, don’t worry. I will definitely do a good job for you.” ”

“Okay.” Ye Zhuo continued, “I have other matters to attend to. I’ll be leaving first.” ”

“Li Ziyue immediately made way. “Take care, sister Qiao.” ”

Ye Zao walked forward.

“Only when Ye Zao’s figure disappeared in front of him did Li Ziyue remember something. He patted his forehead and said, “I forgot to leave her contact information!” ”

“Old Dai smiled and said, “Since Miss Qiao can follow Miss Ye, it means that she’s not an ordinary person. As long as she wants to, she’ll definitely have a way to contact you.” ”

Li Zi Yue nodded. “That’s true.”

“After all, looking at Qiao Yi’s skills, he knew that she was not a simple person. ”

Ye Zao walked all the way to the worn-out aircraft before stopping.

Yi Ling flew out from the backpack behind her. “Great Zao Zao.”

“En.”Ye Zao opened the door of the aircraft with one hand.

““Ye Lan is really too inhuman!”Yi Ling said very angrily. “Back then, you were so good to her and helped her shoulder everything. But what about her! ?”! She judged a gentleman’s heart with a villain’s heart. She felt that you didn’t let her find her biological parents because you were jealous! What on Earth is she thinking! ! Has she grown a brain?” ”

Did Ye Zao need to be jealous of her?

“If one thought about it with their toes, they should know that there was definitely an inside story behind this. ”

But ye LAN seemed to have no brain.

“Yi Ling continued to say, “Da Zao Zao, why didn’t you let me say everything just now! ?”! ”

“If ye Zao had not stopped it, it would have rushed out and said everything! ”

““There are some words that have no meaning anymore,”ye Zao said faintly. ”

Her sisterly relationship with Ye Lan had come to an end.

Ye Zao could tolerate anything except betrayal.

Yi Ling looked at ye Zao and did not know how to speak. Her eyes were slightly red. She flapped her wings and flew up to hug ye Zao. "Great burning."

"Ye Zao reached out and patted its back. His eyes were curved. "Doggie, I'm fine." "

Yi Ling understood ye Zao too well.

"She looked strong and did not care about anything. In fact, she was weak in her heart. "

She wished more than anyone that she could have a home and someone to lean on.

"No matter how strong a person was, they all had weaknesses. "

Family ties were probably ye Zao's biggest weakness.

"Because ye Zao had experienced it all the way, she knew how difficult it was to be an orphan. "

But now.

"Her younger sister, who had been raised by him, had betrayed her, and her younger brother, who was even closer to her than her own brother, had also betrayed her. "

Yi Ling only felt her heart ache.

“She yearned for family ties so much, but family ties had betrayed her time and time again.”

How terrible must she feel now!

“As she thought about it, Yi Ling actually cried out loud.”

““Don’t Cry Anymore,”ye Zhuo continued, “I’m really fine. There’s something I forgot to tell you. On Earth, I found my own family. They treat me very well...” ”

“Perhaps, this was the so-called loss and gain.”

“What didn’t exist in changyue, on Earth, she had it all.”

“Family, friendship, love...”

“Hearing this, Yi Ling stopped crying and looked up at Ye Zhuo. “Really?” ”

“Of course it’s true.”Ye Zhuo rubbed Yi Ling’s little head. “So I have to quickly settle things here. They’re still waiting for me there.”

“Are you going back?”Yi Ling asked.

Ye Zhuo nodded slightly.

“Then will you come back?”

Ye Zao hesitated for a moment.

She really had not thought about this.

“Seeing that she did not speak, Yi Ling continued, “Then can I go back with you?” ”

It wanted to see ye Zao’s family.

“Yes.”Ye Zao nodded slightly.

“Oh Yeah! That’s Great!”Yi Ling hugged ye Zao excitedly and kissed her.

“At this moment, ye Zao’s communicator lit up. ”

Ye Zao picked up the communicator and narrowed her beautiful eyes.

“”Da Zao Zao, What’s Wrong?”Noticing that her expression was not right, Yi Ling asked. ”

Chapter 2015: 422: The Truth of that year! 1

“A moment later, ye Zao put away his communication device. ”

“”It’s nothing.”After saying that, he continued, “Let’s go first.” ”

“”Okay.”Yi Ling nodded and said with some worry, “What about Li Zi Yue and the others? If ye Lan makes trouble again...” ”

Anyone with discerning eyes could see that ye Lan really had the intention to kill.

“If ye Lan had not arrived in time, Li Zi Yue and the others would have already been silenced. ”

What if ye Lan were to cause trouble for Li Zi Yue after Ye Zhuo left?

“Don’t worry. With Qiu di around, Ye Lan wouldn’t dare.” Ye Zhuo’s tone was indifferent. ”

“Qiu Di?” Yi Ling did not quite understand the meaning of these words. “Could it be that Qiu Di isn’t with Ye Lan and the others?”

Would autumn flute read for Li Zi?

“No matter how she looked at it, it seemed impossible. ”

Ye Zao sat in the driver’s seat. “Autumn flute wants to watch us kill each other.”

Ye Zao’s real enemy was never autumn flute.

It was the person standing behind autumn flute.

“Autumn flute thought that she could sit in the position of the female sovereign. In fact, she was just a pawn in the hands of the Great Witch Doctor and the others. ”

“If ye Zao’s opponent was only Qiu Di, she wouldn’t have to go through so much trouble. ”

She did this to find out who was hiding behind Qiu Di.

Yi Ling understood very well and nodded. “Then where are we going now?”

“We’re going to Grandma Fei’s place,” ye Zao answered. ”

“OH.”

“The flying machine was very fast. In about ten minutes, the flying machine stopped in front of a building.”

An old man with white hair was sitting on a recliner in front of the balcony.

“A chubby kitten was lying in her arms. Hearing the footsteps, the kitten stretched and meowed. It looked at the person curiously.”

“Grandma Fei.”Ye Zhuo walked over.

“Hearing this, Grandma Fei opened her eyes. “Who’s Here?” ”

“It’s me.”Ye Zhuo put the pastries on the coffee table. “Joey.”

“”Joey?”Grandma Fei Thought for a moment, and then seemed to have thought of something. She smiled and said, “I know you! You are the little girl that followed Zao Zao, right?” ”

“Yes.”Ye Zao nodded. “I came to see you.”

“Grandma Fei stood up and looked left and right at Ye Zao. Finally, she said, “Where is Zao Zao? Didn’t he come with you?” ”

Everyone in Chang Yue knew that ye Zao had died.

But this kind-looking old lady seemed to know nothing about this matter.

“Ye Zao continued, “She has been very busy recently, so she asked me to come and see you.” ”

“OH.” Grandmother Fei nodded and smiled. “That child is good in everything, but she’s too busy! We don’t see her many times a year.” ”

Grandma Fei and the Grandma who adopted ye Zao were biological sisters.

Unfortunately.

Grandma Ye was not as lucky as Grandma Fei.

Grandma ye passed away when Ye Zao was fifteen.

“Although Grandma Fei had her own children, ye Zao still treated Grandma Fei as his own grandmother. He gave Grandma Fei and her family the best life and let her spend her old age peacefully.”

“Grandma Fei stood up from the chair and grabbed ye Zhuo’s hand. “Little Miss Joey, it’s so hard for you to come to see an old woman like me!” ”

“It’s my duty,” ye Zhuo said. ”

“Grandma Fei sighed and continued, “Unfortunately, my older sister left early. I’m enjoying her blessings now. If she were here, sigh, let’s not talk about it...” ”

“After saying that, grandma FEI said again, “Oh right, why haven’t I Seen Ye Han?” ”

“Although ye Zhuo didn’t come often, ye Han would come to visit Grandma Fei whenever he was free.”

It had been a long time since ye Han came to visit Grandma Fei!

Ye Zhuo’s expression didn’t change. “There’s something wrong with Ye Han’s body.”

“Grandma Fei frowned, “Is Ye Han Okay?”? “I don’t know who was the one who made up that something happened to Zao Zao the last time, but it scared little ye Han quite a bit! “I’ve never seen Little Ye Han Like That! “At that time, I told him that Zao Zao was so powerful, so how could anything happen to her! “But little ye Han didn’t believe me! “He ran away before I could finish my words! “Young people are fickle and impetuous. They don’t know how to learn from Zao Zao!” ”

““Don’t worry, Ye Han is fine.”Ye Zao held Grandma Fei’s hand. “After everything has settled down, Miss Ye will bring him to see you.” ”

““Okay.”Grandma Fei nodded with a smile. “I like Little Ye Han the most. Oh right, Little Ye Han doesn’t have a girlfriend yet, right?” ”

““No,”ye Zao said. ”

“Grandma Fei said, “Then I’ll introduce him to a girlfriend. He’s already so big, how can he not have a girlfriend!” ”

Chapter 2016: 422: The Truth of that year! 2

“Yes.”Ye Zao nodded slightly.

““What about Zao Zao?”Grandma Fei asked, “Does Zao Zao have a boyfriend?” ”

““Yes,”ye Zao said. ”

“Really?”Grandma Fei said in surprise.

““Yes,”ye Zao continued, “Grandma Fei, don’t worry. When spring comes, Miss Ye will bring them to visit you.” ”

“Good! Good!” Grandma Fei nodded continuously. “I wonder whose kid is so lucky to be able to chase after our Zao Zao! Now, only Little Ye Han is left!” ”

It was already past four in the afternoon when they returned from Grandma Fei’s side.

The Sun was setting in the West Mountains.

Grandma Fei looked in the direction where ye Zao had disappeared and a smile blossomed on her lips. “I knew that this girl was blessed with great fortune. She will definitely be fine!”

“Actually, Grandma Fei had recognized ye Zao as well, but she didn’t expose her. ”

“At this moment, the sound of footsteps came from the room, followed by a voice, “Mom, did anyone from our family come just now?” ”

Grandma Fei turned around. “No one.”

“Fei Yu asked curiously, “Who brought the pastries on the table?” ”

“I bought them,” Grandma Fei said. ”

“Ye Zao had hidden himself so that no one would find out about her. At a time like this, Grandma Fei naturally wouldn’t give her any trouble. ”

Even if the other party was her own daughter.

“OH.” Fei Yu did not suspect anything. She sat on the sofa and said, “Mother, the election is the day after tomorrow. Can You Guess Who the eight great clans are supporting this time?” ”

“Who?” Grandmother Fei asked.

“It’s autumn flute.” Fei Yu continued, “It’s the daughter of autumn town, autumn flute. Speaking of which, autumn flute’s methods are really amazing. She has even caused the eight great clans to defect!”

“Hearing this, Fei Yu’s grandmother furrowed her brows. “This person is someone that the eight great clans can support just because they want to? Can she pass the Ye family’s base?” ”

“She wanted to step on ye Zhuo to rise to the top, but she didn’t even look at whose ye family’s base was!”

“Fei Yu opened the pastry and picked one up. As she ate, she said, “Mother, you don’t know about this, right? That Ye Lan has long betrayed Miss Ye! I heard that she almost killed the people who supported miss ye that morning!” ”

“What? !” Grandma Fei’s face was filled with disbelief. “Who did you say betrayed her?”

“Ye Lan!” Fei Yu continued, “Anyway, Miss Ye is gone now! The Ye family base is no longer the same base as before!” ”

“Fei Yu had a good friend who was a member of the Ye family base. Therefore, she was relatively clear about what happened in the Ye family base. ”

“After saying that, Fei Yu sighed, then, she said, “However, Ye Lan’s betrayal is also Miss Ye’s own fault! “If it wasn’t for Miss Ye stopping ye Lan from finding her biological parents, Ye Lan would definitely not have betrayed Miss Ye! “Mother, I heard that ye Lan seems to be of royal descent. Miss Ye was jealous of Ye Lan’s birth, so she deliberately prevented ye Lan from finding her biological parents!” ”

“Bullsh \* T!” Grandma Fei slapped the table and stood up, her face red with anger. ”

“Fei Yu jumped in fright. “Mother! What are you doing! You Scared Me! I didn’t say this, I heard it from somewhere else! Besides, there’s no smoke without fire, if...” ”

“Shut up!” Grandma Fei slapped Fei Yu directly. “Let me tell you, anyone can gossip behind your back, but our family can’t! Have you forgotten how your luxurious life came about?” ”

“If it wasn’t for ye Zao, would the Fei family have the life they have now? ”

It was impossible!

Fei Yu was stunned by her mother’s slap. Her eyes were red and she did not speak.

“Grandma Fei continued, “Let me tell you, burning is not that kind of person! Not only did she shoulder all the bad things in the past, she is now being blamed and betrayed by others! Ye Lan! Where Is Ye Lan Now?” ”

“In the base,” said Fei Yu. ”

Grandma Fei picked up her coat and put it on. “I’m going to Ye Lan’s ungrateful person now! Wait for me at home!”

“... Okay.”

Grandma Fei sat on the aircraft and rushed to the base without stopping.

“Just as she was about to enter, she was stopped by the guards. ”

“Grandma Fei said, “My name is Fei Susu. I’m looking for ye Lan.” ”

“Looking for our chief?” The guards sized up Grandma Fei.

Chief?

Grandma Fei snorted coldly.

“Ye Lan, this SH \* t who sold herself for Glory, deserved to be the chief! ”

How disgusting!

“Just as the guards were about to say something, Zhou Qing walked over from the side and said with a smile, “Ah! Isn’t this Grandma Fei? Please come in!” ”

“After saying that, Zhou Qing looked at the guards and reprimanded, “You guys are blind! You Don’t even recognize Miss Ye’s grandmother!” ”

Chapter 2017: 422: The Truth of that year! 3

“Now was the important moment of the autumn flute election. If they were to have a dispute with Granny Fei at this time, the impact would definitely be bad! ”

They still had to do the superficial work.

“Hearing this, the guards immediately apologized, “Old lady, it’s our fault. I’m sorry...” ”

“I want to see Ye Lan.”Granny Fei raised her head to look at Zhou Qing.

“Zhou Qing smiled and said, “Come with me.” ”

Granny Fei immediately followed Zhou Qing’s footsteps.

The two of them arrived at Ye Lan’s office.

Zhou Qing knocked on the door. "Miss Ye!"

"Miss Ye?" Granny Fei looked at Zhou Qing. "What kind of Miss Ye is she!"

"Zhou Qing immediately changed his words. "Yes, yes, yes. Old Lady, I was wrong! It should be second Miss Ye!" "

Only then was Grandma Fei satisfied.

"In a moment, the door came from the inside. "

It was Ye Lan who opened the door.

"Seeing the person standing outside the door, Ye Lan was stunned. "Zhou Qing, why are you..." "

"Before Ye Lan could finish her sentence, Grandma Fei interrupted her. "You go out first. I have something to say to her." "

"Okay." Zhou Qing nodded and turned to walk out of the door.

"As soon as Zhou Qing left, Granny Fei closed the office door. "

"Ye Lan smiled and said, "Granny Fei, do you have something to say to me?" "

"Granny Fei looked at Ye Lan. "Ye Lan, you're considered a child that I've watched grow up. How did you become like this?" Granny Fei was heartbroken! Heartbroken! "

Ye Lan was so obedient and sensible when she was young.

And Now?

“If she didn’t see it with her own eyes, Grandma Fei wouldn’t even dare to believe it was true.”

“What did I do?”Ye Lan looked at Grandma Fei. “What did I do? Why are you blaming me like this!”

“If Grandma Fei hadn’t helped her when she was young, she would have kicked this old thing out long ago!”

“Grandma Fei said, “Let me ask you, why did you betray burning! Burning was your sister! She was so good to you! Why did you betray her! What’s the difference between what you did and being an ingrate?” ”

Good?

“When everyone judged her relationship with Ye Zao, they would say, ‘Ye Zao was so good to you!’didn’t ye Zao have the current you?’ ”

But was ye Zao really good to her?

Ye Zao was just using her!

““Good?”Ye Lan looked at Grandma Fei with tears in her eyes, “Every one of you said that! Every one of you will only blame me! Do you know what ye Zao did to me? She stopped me from recognizing my biological parents! She is simply a wicked woman with a wicked heart!” ”

“You! What are you talking about!”Grandma Fei was so angry that her whole body was shaking. “Zao is even closer to you than his own sister! This is how you treat her!”

““My own sister?”Ye Lan asked back, “If she really treated me as her own sister, would I be like this now? Do you think I want to do this! I just want to reunite with my family!” ”

“Reunite with your family?” Grandma Fei continued, “Do you know what kind of people your family is? Your father, Zuo Shunguo, was a chronic alcoholic who sold his daughter for Glory. Your Mother, Sun Manyi, was subjected to domestic violence all year round. When you were three years old, she could not bear it anymore and took you away from home! Who knew that an accident would happen along the way? Your mother met with a tragic accident and died tragically. Before she died, she entrusted you to a fellow countryman. After your mother died, the fellow countryman took away what little money your mother had left and left! From then on, you became a homeless orphan girl! If you had not met burning when you were 12 years old, you would still be a homeless orphan girl! Oh, you might also be like that second sister of yours. Your father would find you and sell you into the Little Red Mansion! From then on, you would sell yourself for a living!”

What kind of place was the Little Red Mansion?

It was a paradise for men to enjoy themselves.

A hell for Women!

“No! Impossible! My father is not some drunkard who sells women for Glory!” Ye Lan looked at Granny Fei, “You’re talking nonsense! Don’t think I don’t know! You just want to clear ye Zhuo’s name!”

Did she really think she was a fool!

She was clearly the princess of Manxing Kingdom!

“Granny Fei looked at Ye Lan, “I’m not talking nonsense. Your father is Zuo Shunguo. Your real name is Zuo Sisi. The reason why burning didn’t tell you all this was because he didn’t want you to feel pressured and burdened. He also didn’t want your identity to be publicly criticized! “When you were investigating your identity, your father also found you. In order to prevent you from repeating your sister’s fate, burning helped you solve this problem! “Burning blocked everything for you alone, but you actually repaid kindness with enmity! Ye Lan! You in the end have no conscience!”

Chapter 2018: 422: the truth of those years! 4

“Grandma Fei, I know you’ve always been biased, but I didn’t expect you to be so biased.”Ye Lan looked at Grandma Fei with a mocking look in her eyes, “For ye Zao, you can actually reverse the truth and insult my parents like this! “Do you really think I don’t know my own background? “Let me tell you, I’ve found out everything! “I’m very likely to be the first-born princess of Manxing Kingdom that was lost in the early years! “Wasn’t Ye Zhuo just jealous of my birth? That’s why he made my parents look so terrible!” ”

How Shameless!

Ye Zhuo was already shameless enough. He didn’t expect this old woman to be so shameless as to actually make up such a lie.

“What did you say?”Grandma Fei felt that Ye Lan was suffering from paranoia. “The first-born Princess of Manxing Kingdom? Ye Lan, are you daydreaming?” ”

A princess of the Manxing Kingdom like her!

“She really had a brain that was filled with water, but a small brain that raised fish! ”

“I’m Daydreaming? Who is the one who is jealous of me! You hid my birth from others!”Ye Lan looked at Grandma Fei. “Do you really think that everyone else is a fool? That they can be controlled by others!”

“Grandma Fei laughed out loud, “If you really are the lost princess of the Manxing Kingdom, do you think that searing can hide it? “If you really are the princess of the Manxing Kingdom, then why didn’t the Manxing Kingdom send people to bring you back? “Ye Lan, don’t you think that you are dreaming too much? “Even if you are dreaming, you have to dream something reliable!” ”

“You don’t need to know the reason behind this,”ye LAN continued, “You only need to know that from now on, I will not be deceived by ye burning anymore!” ”

“Seeing ye Lan like this, Grandma Fei was a little speechless and said, “Don’t tell me you really think you’re the Manxing Kingdom’s direct princess?” ”

“Are you panicking?”Ye Lan glanced at Grandma Fei.

“In Ye Lan’s view, Grandma Fei was feeling guilty right now. ”

“Grandma Fei said, “Ye Lan, wake up! You’re not a princess, and you don’t have the life of a princess. Hurry up and wake up. Don’t let others see you as a joke!” ”

““Who is the one who should wake up?”Ye Lan looked at Grandma Fei, the corners of her mouth curling up slightly, “Grandma Fei, I don’t want to lower myself to your level because you’re already old. After all, you’ve raised me before. You Can Leave Now!” ”

““Ye Lan! I know that your nature isn’t bad, and you’re not a bad child either! Wake up and rein in your horses at the Precipice! Perhaps burning can still forgive you! Don’t make mistakes again and again!”Grandma Fei had watched Ye Lan grow up, she really did not want to see ye Lan fall into the abyss. ”

““It’s already so late, and you’re still here acting with me?”Ye Lan said speechlessly, “Don’t think that I don’t know what you’re thinking! Ye searing is already dead, and from now on, Chang Yue will belong to Miss Qiu!” ”

“And she would also smoothly return to her position, reunite with her parents, and inherit the throne in the future! ”

The old thing wanted to lie to her?

Dream On!

Did she think that she was that little girl who didn’t know anything?

““Ye Lan!”Grandma Fei Sighed. “Listen to me, I really didn’t lie to you, and I didn’t Act! I can swear to the heavens that if I tell a lie, I’ll be struck by lightning!” ”

“Someone!”Ye Lan shouted.

“Chief.”The assistant immediately came in.

“Ye Lan frowned and said, “Please go out, Grandma Fei.” ”

“Yes.”The assistant nodded and made a ‘please’gesture.

“Grandma Fei raised her head and looked at ye Lan, frowning deeply. “Ye Lan, don’t make a wrong step! I have never lied to you, neither has burning!” ”

“Ye Lan’s back was facing Grandma Fei, and she did not say anything. ”

The assistant forcefully invited Grandma Fei out.

“Walking out of the door, Grandma Fei turned to look at Ye Lan. “Ye Lan, you’ll regret it!” ”

Regret?

What did she regret?

“Right now, she only regretted not killing ye Zhuo earlier. ”

“If she had killed ye Zhuo earlier, she would have been able to reunite with her family earlier! ”

It would not have taken so many years.

“Yes, I do regret it very much.” Ye Lan looked at Grandma Fei. “I regret why I only saw ye Zao’s true face now! If it weren’t for her, I would have been reunited with my family long ago!”

“Grandma Fei’s brows were deeply furrowed. In a split second, she lifted her feet and walked forward.”

“When she walked out of the base, Grandma Fei let out a long sigh.”

“Ye Lan had become like this. She felt very uncomfortable just looking at her, not to mention ye Zao, her elder sister.”

Ye Zhuo had done so much for ye Lan.

“In the end, he ended up with the reputation of a villain.”

“One day, ye Lan would regret it.”

“But on that day, everything would be too late!”

Chapter 2019: 422: The Truth of that year! 5

...

On the other side.

“Yi Ling came out from the backpack behind ye Zao, “Da Zao Zao, why did you say that you would bring ye Han back to see Grandma Fei in the future? Ye Han has betrayed you! Don’t you hate betrayal the most?” It was the same as ye Zao, it hated betrayal very much.”

“Ye Han didn’t betray me,”Ye Zhuo said. ”

“He changed his name, but he still didn’t betray you!”Yi Ling looked at her in disbelief. ”

“If this wasn’t betrayal, what was betrayal. ”

“Ye Zhuo continued, “He was poisoned by a Gu.” ”

“Gu?”Yi ling frowned, “What is a Gu?” ”

“Gu is a mysterious witchcraft on Earth,”ye Zhuo explained, “Many kinds of extremely poisonous insects are placed in a body and sealed. There is no food or water. In this way, they will kill each other. You eat me, I eat you. After one face, there is only one poisonous insect left. This is called Gu. “After a poisonous worm becomes a Gu, its body, shape, and color will all change. If the Gu is planted in a human’s body, the Gu will take root and germinate in the human body, controlling the host’s consciousness, and changing the host’s memories.” ”

“This was also the reason why the last time ye Zhuoyuan looked at Ye Han from afar, Ye Han was like a marionette controlled by someone. ”

“Under normal circumstances, with Ye Han’s skills, it was impossible for a great wizard to plant a Gu on ye Han’s body. ”

“Thinking about it, they must have used the explosion in the laboratory to take advantage of the situation and plant a Gu on ye Han. ”

“Hearing this., yi Ling said angrily: “This is too terrifying! How could there be such a vicious method in this world! Oh My God! Ye Xiao Han is really too pitiful... .. We have to quickly think of a way to save ye Xiao Han ! Let’s go, great burning, we have to find ye Xiao Han now ! Save Him!” ”

“We can’t do it now,”ye Zhuo said softly. ”

“Why?” Yi Ling asked.

Ye Zhuo continued: “The most important thing now is to think of a way to remove the Gu from ye Han. Only by removing the GU can we solve the problem.”

The current ye Han was like a chess piece to autumn flute.

“Even if ye Zhuo brought him out from autumn flute’s side, he would still become ye Zhuo’s enemy!”

Yi Ling asked: “Then how do we undo this Gu?”

“This was also the question that ye Zhuo was most worried about: “The GU that the great witch doctor planted on Ye Han is not an ordinary Gu. If we want to undo the Gu, we must find the purple leaf flower on the Eternal Glacier.” ”

“Purple Leaf Flower?” Yi ling frowned, “But isn’t the purple leaf flower a legend?” ”

“Ye Zhuo looked into the distance, his red lips pursed tightly. After a moment, he slowly opened his mouth, “The purple leaf flower isn’t a legend. It really exists. However, it blooms for a thousand years and bears fruit for ten thousand years. It’s rarer. That’s why people think that it’s a legendary flower.” ”

“Yi Ling frowned, “But even if the purple leaf flower really exists, we might not be able to find it! What kind of place is the Eternal Glacier? It’s so scorching. Let’s think of another way! Perhaps the purple leaf flower isn’t the only one that can detoxify it?” ”

The Eternal Glacier was a living hell.

“Although it was called a glacier, it was actually the combination of an iceberg and a volcano.”

“One side of the glacier had a temperature of -200 degrees Celsius, while the other side of the glacier had a temperature of over 300 degrees Celsius!”

“Because the conditions were too harsh, there was no life on the Eternal Glacier, even the coldest birds of Changyue could not fly on it.”

“For thousands of years, the Eternal Glacier was silent.”

“No,” ye Zhuo continued: “I checked, this Gu can only be solved by the purple leaf flower.” ”

This was also the real reason why ye Zhuo did not look for ye Han after so many days.

“You are not really thinking of going to the Eternal Glacier to look for the purple leaf flower, are you?” Yi Ling asked.”

“Yes.” Ye Zhuo nodded slightly.

“No! You Can’t go!” Yi Ling continued, “The Eternal Glacier is too dangerous!” ”

“Ever since the Changyue Kingdom was established, no one had ever set foot on the Eternal Glacier!”

“Previously, there were also people who didn’t believe it and issued a gimmick to challenge the eternal glacier in order to attract attention. In the end, they died before they could succeed and paid for their ignorance.”

What Ye Zhuo did was really too risky!

“It’s fine.” Ye Zao’s eyes were indifferent. “You don’t have to worry.”

“Yi Ling flew out and hugged ye Zao’s neck tightly. “In any case, you can’t go!” ”

“Ye Zao smiled and said, “Alright, Alright, I won’t go.” ”

“Really?” Yi Ling asked in disbelief.

“Yes.” Ye Zao nodded slightly.

“Yi Ling continued, “Let’s think of other ways. We can definitely save ye Xiaohan.” ”

Chapter 2020: 423: Ye Han regains his memory! 1

“En.” Ye Zao nodded slightly.

“Yi Ling looked at Ye Zao. “Da Zao Zao, you really promised me?” ”

“It kept feeling that ye Zao was lying to it, but it had no evidence. ”

“With Ye Zao’s personality, she wouldn’t compromise so easily. ”

“Ye Zao smiled and said, “Of course it’s true! When have I ever lied to You?” ”

“Thinking about it carefully, ye Zao had never lied to her. ”

Only then did Yi Ling relax.

“Soon, the flying machine flew to a building and stopped. ”

This was where ye Zao was staying.

Ye Zao walked out of the Flying Machine.

“Yi Ling followed behind ye Zao and flew out, asking curiously: “Da Zao Zao, what is that Gu? Does it only exist on earth? What does it look like?” ”

“”En.”Ye Zao nodded slightly, “Currently, the GU only exists on Earth.” ”

The climate of Changyue was not suitable for the GU poison to reproduce.

It was just like how mules and mules could not reproduce.

“Even if the Gu survived on Planet E-TY889, it could not reproduce. ”

“Then how did it come to Planet E-TY889?”Yi Ling asked.

“Ye Zhuo continued, “This matter has something to do with the Great Witch Doctor. I’ve observed that the Gu poison that lives in ye Han’s body is the evolved form of the Gu Poison on Earth.” ”

“”Evolved form?”Yi Ling asked, “Does that mean it’s even more powerful than the GU on earth?” ”

“Yes.”Ye Zhuo nodded slightly.

“Not only was it powerful, it was more than ten times more powerful. ”

That was why the purple leaf flower was needed to detoxify the poison.

Ordinary gu poison could be detoxified with the Gu detoxification grass.

“But where did the Great Witch Doctor Get This Gu from?”Yi Ling asked.

“Ye Zhuo said, “The Great Witch Doctor is good at using evil doctors. Before he was 10 years old, he had experienced on earth, so it’s not uncommon for him to know Gu Poison.” ”

“Compared to Planet E-TY889, the conditions on Earth were harsh and the technology was backward. It was comparable to primitive tribes. Therefore, in order to train the survival ability of their children, some families would send their newborn children to Earth. ”

“Yi ling nodded, “So that’s how it is!” ”

“Ye Zhuo walked to the research table and stopped, “Dog, come here.” ”

“What’s Wrong?”Yi Ling flew over.

“Ye Zhuo continued, “Didn’t you want to know what a Gu looks like?” ”

“After saying this, Ye Zhuo opened the lid of the round porcelain on the table. ”

“Inside the round porcelain, a black worm was squirming at the bottom. ”

The tail was dragging an unknown brown-green liquid.

“Looking at it like this, it was very disgusting. ”

It was hard to imagine what it felt like for such a worm to live in a person’s body.

Yi Ling covered her nose with her wings. “Oh my God! It’s so disgusting! Is this a Gu?”

“En.”Ye Zao nodded slightly.

“Yi Ling continued, “Da Zao Zao, why are you studying this for no reason?” ”

Ye Zao cut his finger and dripped a drop of blood into it. "Give him a taste of his own medicine."

"As soon as the blood dripped into the bottom of the porcelain, green smoke immediately rose. "

She was using her blood to nourish the GU worm.

"Give him a taste of his own medicine." Yi Ling seemed to have thought of something. "Oh! I know! You want the Great Witch Doctor to taste the taste of the Gu Worm?"

"Yes." Ye Zhuo continued, "There are poisonous insects that feed gu here. Remember to feed them in the morning, in the afternoon, and at night. "

"Ah?" Yi Ling was stunned. "Great Burning, where are you going?" "

"I'm not going anywhere. I'm just afraid that I'll forget to feed them occasionally." Ye Zhuo said.

"OH." Yi Ling nodded. "I know."

Ye Zhuo picked up the incense beside him and lit it up.

It smelled good.

PA —

"The next second, Yi Ling fell from the sky onto the table and fell into a deep sleep. "

Ye Zhuo picked up the blanket beside him and covered it.

“Then, Ye Zhuo picked up a pen and wrote a line on the paper: ”

“I am in the Eternal Glacier, take care of myself and the Gu Worms.”

Do not look for them.

“Ye Zhuo, stay.”

“After doing all this, Ye Zhuo boarded the flying ball and flew towards the Eternal Glacier, looking for the purple leaf flower.”

On the other side.

The Great Witch doctor arrived at the Qiu family home.

“He came under the cover of night, but no one noticed him.”

“There are only two days left until the election. Are You Ready?”The Great Witch Doctor looked at Qiu Di.

“Qiu Di nodded. “Don’t worry, everything is ready.” ”

She now had the password to open the files of the inter-planetary case.

The support of the eight great families.

Ye Lan’s defection.

What was there to be afraid of?

The Great Witch Doctor nodded. "You must not make any mistakes at such a critical moment."

"Don't worry," Qiu di said. "

The Great Witch Doctor turned the two night pearls in his palm. "Where's Yi Ling?"

Yi Ling?

Qiu Di was stunned.

What did the Great Witch Doctor Mean?

Didn't the Great Witch Doctor Know That Yi Ling was missing?

Why would he ask again?
