Chapter 2021: 423: Ye Han regains his memory! 2

“Seeing that autumn flute was silent, the great witch doctor continued, “You haven’t found him yet?” ”

“Yes.” Autumn flute nodded.

He hadn’t found him yet...

“The Great Witch Doctor narrowed his eyes and continued, “Did anything strange happen these past few days?” ”

“”Nothing Strange,” autumn flute continued, “However, there is one unexpected thing.” ”

“”Speak,” the Great Witch Doctor said. ”

Autumn flute told him about Joey.

“Joey?” The Great Witch Doctor frowned.

“Ye Lan was raised by Ye Zao. In terms of combat power, autumn flute was not a match for ye Lan. This Joey was actually able to take away those people from the Ye family base from ye Lan. ”

“Autumn flute immediately handed over Joey’s information and said, “Great Witch Doctor, look. This is Joey’s information.” ”

The Great Witch Doctor stretched out his hand to receive it.

This Joey didn’t look simple at all.

“Originally, the Great Witch Doctor didn’t need to care about these people. However, it was going to be the day of the general election soon. No matter what, he couldn’t allow any problems to appear at this critical juncture.”

“After a moment, he put down the information and said, “Bring Joey to me before ten o’clock tomorrow morning.” ”

“Yes.” Autumn flute nodded.

“After the Great Witch Doctor left, Qiu di immediately called Zhou Qing.”

“Bring Joey to the Great Witch Doctor.”

““Yes, miss. .” ”

“In order to find Joey, Zhou Qing opened the tracer and located Joey’s residence.”

On the other side.

Joey’s residence.

Li Ziyue led a few people and hid around the house.

““Quick, quick, quick! You guys hide well! Don’t let that traitor Zhou Qing find out!” ”

“Remember what sister Qiao said.”

““Only success, no failure.” ”

““Don’t worry, brother Li! We definitely won’t let sister Qiao Down.” ”

“Li Ziyue took out his binoculars and looked at the horizon. Soon, a ray of light appeared in the lens.”

“Seeing this, Li Ziyue immediately put away his binoculars and turned back to the people behind him.  
“Quick, quick, quick! Hide well! Zhou Qing is here!” ”

“Hearing this, everyone immediately went into hiding.”

“Soon, a flying machine stopped on the lawn in front of the door.”

The door of the flying machine opened.

Zhou Qing and four assistants walked out from inside.

“Once they got off the flying machine, Zhou Qing frowned. She felt that something was not right, but she could not tell what was wrong.”

““You two go over there and take a look.”Zhou Qing commanded the four assistants behind her, “You two go over there.” ”

“Yes.”

The four of them split up and entered the building on their left and right.

Zhou Qing followed closely behind.

“Li Zi Yue, who was hiding in a corner, narrowed his eyes and looked at his brothers beside him.”

“At this moment, silence was better than sound.”

The two of them understood the meaning behind each other's eyes.

"Li Zi Yue took out a machine gun and activated silent mode, followed by anti-detection mode."

"Currently, there weren't any high-tech machine guns in the state of Changyue."

This machine gun was given to Li Ziyue by Joey.

Li Ziyue held onto the machine gun. Joey's face and her style of doing things appeared in front of his eyes once again.

"Once again, he felt that she was similar to Ye Zao."

And not just a little bit.

Other than that face.

"Most importantly, such a perverted gun didn't even exist in the Federation's General Alliance. Where did Joey come from?"

"Seeing that Zhou Qing was about to disappear in front of him, Li Ziyue did not have time to think too much. He immediately closed one of his eyes and aimed at Zhou Qing's head."

"Three, two, one!"

Now was the time to pull the trigger.

A transparent laser shot out at the speed of light.

“Zhou Qing’s pupils dilated in an instant. Just as she was about to fall to the ground, one come, two go, who were lying in ambush nearby, immediately rushed over to catch Zhou Qing and dragged her into the aircraft not far away. ”

Li Ziyue also immediately ran over.

““Brother Li, it’s Done!”The two brothers closed the cabin door of the aircraft and looked at Li Ziyue. ”

Li Ziyue kicked Zhou Qing who was lying on the ground. “Where’s Xiao Qian?”

“I’m here.”Sun Xiao Qian walked out from inside.

“Li Ziyue looked at his watch and continued, “Quickly change your clothes with her. Don’t ruin sister Qiao’s plan.” ”

“Okay.”Sun Xiaolu nodded. She pulled Zhou Qing’s arm and dragged her into the cubicle.

“A few minutes later, Sun Xiaolu came out of the cubicle. At this time, she had changed into Zhou Qing’s clothes. ”

““F \* ck! F \* ck!”Yi Lai said in surprise, “Except for your face, Xiaolu, your height and figure are exactly the same as Zhou Qing’s.” ”

“If one looked from the back, it would be Zhou Qing himself. ”

“It seems that sister Qiao has good taste.”Two of them touched his chin and continued.

Chapter 2022: 423: Ye Han regains his memory! 3

“At this moment, Yi Lai seemed to have thought of something. “Sister Qiao, have you seen Xiao Fu before? Why is she so familiar with Xiao Fu?” ”

“When he said this, Yi Lai also felt that something was wrong. ”

Could it be...

“At this moment, Li Zi Yue continued to speak, interrupting their train of thought. “Xiao Fu, put on the human skin mask first.” ”

““Okay.”Sun Xiao Qian nodded, took out the human skin mask from her pocket, and put it on her face. ”

“However, in the blink of an eye, Sun Xiao Qian became Zhou Qing. ”

The two brothers were extremely surprised. “Oh my God! Sister Qiao is too amazing! She’s practically alone!”

Sun Xiao Qian was a little worried. She touched her face. “But can this really pass the detector?”

Every door had face recognition.

“If she was found to be a fake Zhou Qing, the consequences would be unimaginable. ”

“After all, a fake was a fake. ”

A face detector was not something that could be fooled by wearing a human skin mask.

“This is for you.”Li Ziyue took out a bottle of blue potion from his pocket and threw it to Sun Xiaoqian.

“Sun Xiaoqian took it with both hands and asked curiously, “What is this?” ”

““Stabilizer.” Li Ziyue continued, “This thing is very precious. There’s only one bottle. You should use it sparingly.” ”

“It can help me recognize faces?”

“Yes.” Li Ziyue nodded.

“It was also given by Sister Qiao?” Sun Xiaoqian asked.

Li Ziyue nodded.

Sun Xiaoqian rubbed his chin. “I feel more and more that sister Qiao was disguised by Miss Ye.”

“I think so too!” Two to go said excitedly.

“One to two to go, these two brothers’ lives were saved by ye Zao from a level three armored beast. ”

“Therefore, when they heard that ye Zao was Qiao Yi, the two of them were abnormally excited. They could not wait to put the hammer down right away. ”

They could not believe that such a good miss ye was gone just like that.

“Sun Xiaoqian said, “Don’t think too much about it. How are we going to deal with the one inside?” ”

The one inside naturally referred to the unconscious Zhou Qing.

“Li Ziyue continued, “Have you changed the clothes that sister Qiao gave her?” ”

“Yes.” Sun Xiaoqian nodded.

“Get it out,” Li Ziyue continued. ”

“Okay.”

Sun Xiaoqian walked to the cubicle and dragged Zhou Qing out.

Zhou Qing was wearing Joey’s clothes.

“As if she had realized something, she raised her head and said, “I know! Brother Li, you also want to put a piece of sister Qiao’s human skin mask on Zhou Qing’s face, don’t you?” ”

“Li Ziyue was a little speechless and said, “Do you think that a human skin mask is a piece of waste paper? Can Everyone Have One?” ”

“Then what do you want to Do?” First, he scratched his head. He did not know what Li Ziyue’s intention was. ”

“Second, he also felt that it was a little strange. ”

Even Sun Xiaoqian thought that Li Ziyue wanted to take out a human skin mask and make Zhou Qing look like Joey.

“After all, Zhou Qing’s clothes were all changed. ”

Li Ziyue took out a small box from his pocket slowly.

“When he opened the box, there was a small white bug lying inside. ”

“The bug was not big, but it was chubby and looked quite cute.”

“What is this?” Sun Xiaoqian stretched out a little finger and poked it.

“Seeing this, Li Ziyue was shocked and immediately took Sun Xiaoqian’s hand away. “Little aunt! This thing can’t be touched!” ”

“What is this?” Sun Xiao Fu asked.

“Without waiting for Li Zi Yue to answer, he said, “Did sister Qiao give it to you?” ”

““Yes.” Li Zi Yue nodded, “This thing is called a Gu worm on earth, it can help us solve our current predicament.” ”

““Gu Worm?” Sun Xiao Fu continued, “What is a Gu worm? Is it that precious? You Can’t even touch it?” ”

“Li Zi Yue did not explain, he turned around and said: “Open Zhou Qing’s mouth.” ”

““OH.” He nodded and immediately grabbed Zhou Qing’s jaw, forcing her to open her mouth.”

“Li Zi Yue half squatted down, tilting the box containing the Gu worm towards Zhou Qing’s mouth.”

“Just as the three of them were not sure what Li Zi Yue was doing, they saw a white gu worm crawling into Zhou Qing’s mouth.”

“This scene made first come, second go and Sun Xiao Qian speechless!”

“Brother Li! What are you trying to do!” Second go could not help but ask.

“Li Zi Yue stretched out his index finger to his lips, “Shh.” ”

“What is it?” First come asked.

Li Zi Yue did not say anything.

“Right at this moment, first come looked at Zhou Qing’s face, his pupils dilated. ”

“Zhou Qing’s face is slowly twisted, the expression of pain, but a few seconds, Zhou Qing’s facial features have become another person’s facial features. ”

Chapter 2023: 423: Ye Han regains his memory! 4

This is...

Joey!

“Li Zi Yue narrowed his eyes. It seemed that his guess was right, Joey was ye Zhuo. ”

“Otherwise, there was no way to explain everything. ”

“”Brother Li! Brother Li! Look, she has turned into sister Qiao!” Second brother shook Li Zi Yue’s arm, “What is going on? How did Zhou Qing turn into sister Qiao!” ”

“Li Zi Yue’s expression remained the same, “This is the power of Gu Worms.” ”

Sun Xiao Qian said: "Oh! I understand! It was the Gu worms that changed Zhou Qing's appearance!"

"Li Zi Yue narrowed his eyes, "The GU worms did not just change Zhou Qiang's appearance!" "

"Then what else?" Er Guo immediately asked.

Li Zi Yue said: "Wake Her Up!"

"How?" Ergo asked.

Li Ziyue slapped Ergo's head. "I'm choking her."

"OH." Ergo immediately followed.

"A moment later, Zhou Qing slowly woke up. She opened her eyes and looked at the few of them with a blank expression. "

"Who are you?" Li Ziyue asked.

""Who am I?" Zhou Qing scratched her hair and thought for a long time before saying, "I'm Joey!" "

"Then who is she?" Li Ziyue pointed at Sun Xiaoqian.

"Seeing Sun Xiaoqian, Zhou Qing's eyes suddenly changed. She immediately stood up from the ground. "Zhou Qing! Why did you betray Miss Ye!" "

"Sun Xiaoqian Chopped Zhou Qing unconscious with a hand knife. She turned to Li Ziyue and asked, "How long can she last like this?" "

Li Ziyue stretched out two fingers.

“Two years?” Sun Xiao Fu asked.

Li Zi Yue shook his head.

“Two months?”

Li Zi Yue still shook his head.

“Sun Xiao Fu frowned and said somewhat speechlessly, “It can’t be two days, right?” ”

““Yes, it is two days.” Li Zi Yue continued, “Sister Qiao said that everything will end on the day of the election. Therefore, these two days are also the most crucial two days. After you go back, you must keep in contact with us at all times and quickly investigate the betrayers hiding in the dark!” ”

“En.” Sun Xiao Qian nodded.

“ER guo continued: “Since this Gu worm thing is so useful, each of us brothers will have one, and we will all disguise ourselves as members of the Qiu clan. Wouldn’t it be more efficient to directly infiltrate the enemy’s inner circle?” ”

Li Zi Yue slapped er Guo’s head: “Do you think sister Qiao wouldn’t have thought of such a simple reason?”

““What’s Wrong?” Er Qu was stunned, “Since she thought of it, why didn’t she do it?” ”

“Li Zi Yue continued, “This disguise gu worm lives in the host’s body, when the time comes, the host will be sucked dry of blood and die.” ”

“F \* ck! So Scary!” Er Qu gulped.

“What do you think?” Li Zi Yue turned to look at Sun Xiao Fu, saying: “There is no time, quickly take Zhou Qing and leave!” ”

“Okay.” Sun Xiaoqian nodded.

“Li Ziyue continued, “Be careful.” ”

“I know.” Sun Xiaoqian tied Zhou Qing up and took her out of the aircraft.

On the other side.

“When Yi Ling woke up, Ye Zao was gone. ”

“Yi Ling rubbed her eyes and shouted, “Great burning.” ”

There was no response in the air.

Was He in the laboratory?

Yi Ling flew to the laboratory.

The laboratory was empty.

Where did ye Zao Go?

“At this moment, Yi Ling found the note that ye Zao left on the table. ”

“After reading the contents of the note, Yi Ling’s expression changed. ”

Eternal Glacier!

She knew that ye Zao would not give up so easily.

What should she do now?

“Yi Ling was extremely anxious, she wanted to go to the Eternal Glacier to look for ye Zao.”

But Ye Zao left the Gu worm behind.

This gu worm was used to deal with the Great Witch Doctor.

“If it left, what would happen to the Gu Worm?”

The immemorial glacier.

“After flying for two hours, the aircraft landed at the peak of the glacier.”

“This place was covered in white snow all year round and the temperature was extremely low. Even if ye Zao was wearing an air-conditioning suit that could adjust the temperature, under such extreme temperature, he still felt a bone-piercing cold.”

“This kind of coldness was close to the depths of one’s soul, and there was nowhere to hide.”

Ye Zao closed his black coat and walked forward.

“According to the medical books, the purple-leaf flower grew between the cliffs.”

It bloomed in the snow.

“Its entire body was dark green, and its stems and leaves were oval-shaped. The buds were white, but the flowers in full bloom were purple-red.”

They were colorless and tasteless.

“As a result, it was very difficult for anyone to find the purple-leaf flower.”

“Two hours later, a layer of white frost condensed on Ye Zao’s eyelashes.”

“She had walked through three cliffs in total, but she did not see any traces of the purple-leafed flower.”

Ye Zao came to a big rock to shelter from the wind. She took out the kettle in her backpack and drank a big mouthful of water.

Chapter 2024: 423: Ye Han regains his memory! 5

“The warm water entered his throat, and he felt his entire body warm up.”

“After drinking the water, Ye Zao continued to look for the purple leaf flower.”

“In the blink of an eye, another two hours passed.”

“Just as ye Zao thought that he would return disappointed this time, she suddenly saw a bright purple in the white snow.”

Purple leaf flower!

Ye Zao narrowed his eyes and immediately walked over.

“As described in the book, purple leaf flower grew on the dangerous cliff. ”

It was not an easy task to successfully pick the purple leaf flower.

The cold here was not suitable for flying aircraft.

She could only take the risk.

“Ye Zao took out a black rubber band from her pocket and tied her black hair into a bun, revealing her snow-white neck. ”

“Then, she walked to the edge of the cliff. ”

She climbed slowly.

“Fortunately, ye Zao’s arm strength was not bad, and soon, she climbed to the edge of the purple leaf flower. ”

Ye Zao’s lips curved slightly. There was a beautiful curve at the corner of his mouth as he reached out to pick the purple leaf flower.

Boom!

“At this moment, a snow-white giant beast suddenly jumped out from the edge of the purple leaf flower and bit ye Zao’s wrist. ”

Fresh blood dripped from the snow monster’s mouth.

Cold Sweat broke out on Ye Zao's head almost instantly.

The pain was unbearable and his face was pale.

The legend of the ancient glacier snow monster suddenly sounded.

"It turned out that the snow monster was not a legend, but like the purple-leafed flower, it was real."

The reason why she did not meet the snow monster along the way was that the snow monster was born to protect the purple-leafed flower.

What should she do now?

The Snow Monsters' goal was obviously to make her release the purple leaf flower.

No.

No.

The purple leaf flower was ye Han's only hope.

"No matter what, she would not let go."

"Ye Zao held the purple leaf flower tightly, and the snow monsters also tightened their grip, as if they could bite off that slender wrist at any time."

"Ye Zao endured the pain and finally took out a dagger from his waist, stabbing it into the Snow Monsters' head."

“Roar!”

The Snow Monster let out an angry roar and opened its mouth to let go of Ye Zao.

Ye Zao’s entire body fell straight down.

“There was a bottomless abyss below. If he fell, he would definitely die.”

“Ye Zao held the purple leaf flower in his hand tightly. Suddenly, he seemed to have thought of something and reached for the button on his waist.”

“Bang!”

A white umbrella opened above her head.

“Fortunately, she was prepared and equipped with a parachute at her waist. Otherwise, she would have lost her life here today.”

“Ye Zao put the purple leaf flower into her backpack, took out the emergency medicine bag, and simply bandaged her wrist. Then, she operated the parachute and flew towards the aircraft.”

An hour later.

The parachute arrived near the aircraft.

Ye Zao jumped down from the parachute.

She piloted the aircraft and left.

“Just as she set up the route of the aircraft, her vision turned black and she fainted.”

“Great Burning! Great Burning! Woo Woo, great burning, are you okay?” While she was unconscious, ye Zao heard Yi Ling’s voice. It seemed that some liquid had landed on her face. ”

“Ye Zao wanted to open her eyes, but her eyelids seemed to be glued together. She could not open them no matter how hard she tried. ”

“Da Zao! Don’t die...”

“After an unknown amount of time, ye Zao slowly opened his eyes. ”

“Seeing that she had finally woken up, Yi Ling was extremely excited. “Da Zao! You’re awake! Are You Okay?” ”

“... I’m fine.” The moment she opened her mouth, Ye Zao realized that her voice was already hoarse. ”

“Yi Ling continued, “Do you want some water?” ”

Ye Zao shook his head slightly and sat up on the bed with his left hand. “Go get my medical kit.”

“While she was unconscious, Yi Ling had already bandaged her injured right hand. ”

But that was not enough.

“The injury on her right hand was not just a bite. If she guessed correctly, the snow monster’s saliva contained poison. ”

“Okay.” Yi Ling immediately flew over to get the medical kit.

“Very soon, she came over with the medical kit. ”

“Ye Zao opened the medical kit with one hand, took out a syringe, and injected himself with one hand.”

“Great Zao Zao, How Do You Feel Now?” Yi Ling asked anxiously. ”

“Don’t worry, I’m fine.” Ye Zao stretched out his left hand and patted Yi Ling’s head. ”

“Yi Ling’s eyes were red as she said, “You keep saying that you’re fine, and you even lied to me that you wouldn’t go to the Eternal Glacier! You’re a big liar!” ”

“If I don’t go, What About Ye Han?” ”

“Is there no other way to save Ye Xiaohan?” Yi Ling asked.

Ye Zhuo shook his head slightly. “There’s no other way.”

“Yi ling cried and said, “Then what about you? Why do you always think of others!” ”

“Don’t Cry, I’m really fine.” Ye Zhuo patted Yi Ling’s small head. “Get Ready, we’ll go look for ye Han in a while.” ”

“Yi Ling first nodded, then said worriedly, “Don’t you need to rest?” ”

“Ye Zao smiled and said, “I said I’m fine.” ”

On the other side.

The Qiu family.

Ye Han came back from the red and Blue Mountain with blood stones.

“Young miss, this is all of my harvest.” ”

Qiu Di took the Red Stones. “Why is it only so little?”

“The amount of red stones ye Han brought back this time was limited, so he could only pave a narrow path.”

Shabby.

It was simply too shabby!

“Ye Han bent his back and continued, “The number of grade three armored beasts on the red and Blue Mountains is limited. If all of them are killed, those grade three armored beasts will probably become extinct.” ”

Autumn flute frowned tightly.

“Young miss, atone for your sins.”Ye Han immediately knelt on one knee. ”

“Go kneel in the Rain!”Autumn flute said coldly, “Don’t be an eyesore here!” ”

Ye Han stood up and walked outside.

Qiu Di looked at his back and the corners of his mouth curled up.

He really wanted ye Zhuo to see ye Han’s appearance at this moment.

The group leader ye whom everyone admired had become her lapdog!

Strong acid rain was raining outside.

Ye Han did not hesitate and directly knelt in the rain.

“Through the rain, Qiu Chang Zhen frowned slightly and turned to look at Qiu Di. “Di’er, actually, you don’t have to treat ye Han like this. Aren’t you afraid that he will suddenly recover his memory under the stimulation of the strong acid rain?” ”

“Qiu Di’s eyes were filled with sarcasm. “Don’t worry, father. Ye Han won’t be able to live for long.” ”

“Once she ascended to the position of female sovereign, Ye Han would lose his value. ”

This was what ye Zhuo saw when he appeared at the Qiu Residence with Yi Ling.

Yi Ling came out from the backpack behind ye Zhuo. “I’ve asked around. That bad woman Qiu di often tortures ye Xiao Han like this and often hits and scolds him. She doesn’t even treat ye Xiao Han as a human!”

Chapter 2025: 424: The Truth revealed! 1

“Ye Zhuo looked at this scene, and her eyes were a little sore. Her left hand was clenched into a fist, and her clear face was hidden in the darkness of the night. No one could see her expression clearly. ”

“In her memory, Ye Han was a wanton and unrestrained person. ”

When had he ever been humiliated like this?

“A scholar could be killed, but not humiliated!”

““This autumn flute is simply too detestable!” Yi Ling said angrily. “One day, I will let her taste the taste of being humiliated by others!” ”

““There will be such a day.” Ye Zhuo’s tone was very faint, almost unable to detect the hidden emotions in his voice. ”

“After saying this, ye Zhuo continued: “Go and attract ye Han over there.” ”

““Alright.” Yi Ling nodded, flying out in the night. ”

“Although ye Han was kneeling in the rain, there were Gu worms in his body, but his sensitivity was still there, not the slightest bit inferior to before. ”

“Almost as soon as Yi Ling flew over, he noticed it. ”

“Ye Han narrowed his eyes, his slender fingers touching the emei spike at his waist. ”

Xiu —

An Emei Spike flew over.

Under the moonlight.

“The emei spike shone with a cold and gloomy light, making it hard for people to open their eyes. ”

“Yi Han nimbly dodged, dodging the emei spike that flew over. ”

So close!

She was almost hit by the Emei Spike.

Yi Ling let out a long breath.

“Just as Yi Ling let out a sigh of relief, ye Han caught sight of Yi Ling’s figure in the darkness. He immediately stood up from the rain and chased after her. ”

“Yi Ling! Stop!”

Yi Ling quickly flew in ye Zao’s direction.

“Soon, Ye Han’s figure disappeared outside the courtyard. ”

“In the office, Qiu Changzhen also saw this scene and stood up. “Di’er, look over there!” ”

“Qiu Di looked out of the window. “What’s wrong, Father?” ”

Qiu Changzhen frowned. “Ye Han is gone!”

He was clearly still there just now.

It was almost in an instant.

“From this, it could be seen how terrifying ye Han’s ability was! ”

“Don’t worry about him.”Qiu Di narrowed his eyes.

“Should we send someone out to look for him?”Qiu Chang Zhen asked.

Qiu Di shook his head.

Ye Han was just a marionette. could he turn the sky upside down?

What was there to look for?

“Qiu Chang Zhen was a little worried. “Di’er, I heard that the strong acid rain is very stimulating. Do you think ye Han will be stimulated by the strong acid rain and think of something?” ”

“If ye Han had any problems at this critical moment, then it would really be a futile effort. ”

“Anyone could have problems, but not ye Han! ”

“Autumn town chuckled. “Father, don’t worry too much.” ”

Autumn town frowned.

“Do you know why ye Han has become like this?”Autumn town looked at autumn town and asked.

“Autumn town continued, “Great Witch Doctor.” ”

“If not for the Great Witch Doctor Changing Ye Han’s memories, Ye Han would not have become like this. ”

““Great Witch Doctor? Do you think the Great Witch Doctor really has the ability to change memories?”Autumn flute continued, “To be precise, it is a gu worm raised by the Great Witch Doctor.” ”

“Although the Great Witch Doctor was powerful, he was not that powerful. ”

“Otherwise, he would not have been defeated by ye Zao back then.”

“At this point, autumn flute looked out of the window, “The current ye Han is a puppet that has been controlled. The Gu worms have already invaded his limbs and bones. Not to mention being drenched in strong acid rain, even if he was pressed into a strong acid rain swimming pool and soaked for a few days, he would not be able to become the ye Han of the past.” ”

Gu Worm?

Qiu Chang Zhen was stunned.

He knew a bit about the legend of Gu Worms.

Gu worms originated from a very evil sorcery on earth.

“The Great Witch Doctor had always walked an evil path, so it was not uncommon for him to have a relationship with Gu Worms.”

“”According to what you said, Ye Han should still be kneeling there. Why did he suddenly disappear?”Qiu Chang Zhen asked.”

There must be something fishy going on.

Autumn town was worried that ye Han would betray autumn flute.

“Autumn flute took a sip of tea. “If I’m not wrong, Ye Han should have been attracted away by some strange movement. To be precise, an outsider should have been here just now.” ”

“After all, protecting her was ye Han’s only mission at the moment.”

“Seeing someone barge into the courtyard, ye Han naturally would not sit still and wait for death.”

“Even if he had to sacrifice that dog life of his, he would still protect himself!”

“Thinking of this, the corners of autumn flute’s lips curled up.”

“Ye Zhuo probably wouldn’t even dream that one day, Ye Han would sacrifice his life in order to protect her.”

““The person who just arrived must be Li Zi Yue!”Qiu Chang Zhen narrowed his eyes and continued, “The day of the general election is about to arrive. Li Zi Yue and the others want to awaken ye Han’s memories! Then they will join forces with Ye Han to deal with you!””

Chapter 2026: 424: The Truth is revealed! 2

The Great Witch Doctor had just captured Joey.

“At this time, the only hope of Li Ziyue and the others was ye Han.”

“As long as they could wake ye Han up, the plan would be half successful.”

“Thinking of this, Qiu Changzhen’s heart skipped a beat.”

No.

They must not let Li Ziyue succeed.

““Right.”Qiu Di nodded. “Father, you’re right. The person who just arrived is most likely Li Ziyue.””

“Then why aren’t you chasing after him!” Qiu Chang Zhen frowned. “What if they succeed?”

“Succeed?” Qiu di smiled at Qiu Chang Zhen. “It seems that father still doesn’t understand what Gu worms represent.”

“I know that Gu Worms are very powerful!” “But you have to know that even the most powerful gu worms have an antidote!” Qiu Chang Zhen continued. “That Joey is very strange!” “What if her fake will was captured by Zhou Qing to dispel our doubts?”

“As the saying goes, the older the wiser. ”

“Autumn town was after all autumn flute’s father, so he naturally had more questions to consider than autumn flute. ”

“If Joey was hiding his strength, the consequences would be unimaginable! ”

“Not to mention that Joey has already been captured by the Great Witch Doctor, just talk about the Gu in ye Han.” Autumn flute looked at autumn town and continued, “Then do you know what is needed to remove the GU in ye Han’s body?” ”

“What?” Autumn town asked.

“I need the purple leaf flower.” Autumn flute said.

“Autumn town narrowed his eyes, “Purple leaf flower?” ”

“Yes.” Autumn flute nodded.

“Autumn town asked, “Is it the purple leaf flower from the immemorial glacier?” ”

Autumn flute nodded.

“Hearing this, autumn town heaved a sigh of relief.”

The purple leaf flower was a legendary herb.

“In other words, even if there was one, no one could pick it.”

“According to the records, the purple night flower bloomed for a thousand years and bore fruit for ten thousand years. Beside each purple night flower, there was an unusually fierce snow monster protecting it.”

“After so many years, autumn town had only seen the purple night flower in ancient books.”

““So, father, do you still need to worry about whether ye Han will recover his memory?”Autumn flute turned to look at autumn town.”

“Autumn town smiled and said, “Indeed, I am worrying too much.” ”

“Autumn flute put down the cup and continued, “When a dog is desperate, it will jump over the wall. Li Zi Yue and the others have no other choice, which is why they have come to this point! Just wait and see, they will pay the price for their stupidity.” ”

“Autumn town nodded, feeling that what autumn flute said was very reasonable.”

“Ye Han’s poison was incurable, so naturally, he would not recognize his own family.”

“When the time came, would Li Zi Yue’s little life be saved?”

Dream On!

“At this moment, someone knocked on the door. ”

““Come in,” Qiu di said. ”

“A moment later, the assistant pushed the door open and entered. “Eldest miss, chief ye is here.” ”

Chief Ye?

“Hearing this name, Qiu Changzhen was stunned for a moment before he realized that the chief ye that the assistant mentioned should be ye Lan. ”

He did not know what method Qiu di used to make ye Lan so loyal.

“Logically speaking, ye Lan should not have betrayed ye Zao. ”

“After all, Ye Zao was extremely indebted to Ye Lan. ”

“Qiu Chang Zhen narrowed his eyes, and a bright light flashed in his eyes. ”

This ye Lan...

Was she waiting for an opportunity to take revenge?

Qiu Di nodded. “Let her in.”

“Okay.”The assistant nodded and walked out to let ye Lan in.

““Young miss.”In front of Qiu Di, Ye Lan was very respectful, afraid that she would accidentally offend Qiu Di. ”

“After all, Qiu Di was helping her investigate her background. ”

“Thinking that she would soon be the princess of Manxing Kingdom who was below one person and above ten thousand people, the curve on ye Lan’s face became even more obvious. ”

“Sister Ye Lan.”Qiu Di smiled and called her very intimately.

“But in her heart, she was mocking ye Lan for being an idiot. ”

She couldn’t even differentiate between acting and acting.

What Qiu Di didn’t expect was that ye Lan actually believed the lie that she was the princess of Manxing Kingdom.

Ye Lan didn’t even look at her own weight

Just Her?

A legitimate princess?

She wasn’t even fit to carry the princess’s shoes.

She simply didn’t have a brain.

She was the ultimate idiot among idiots!

Ye Lan looked at autumn town. “Commander Qiu.”

Autumn town nodded and didn't say anything.

"Autumn flute continued, "Father, you can go out first. I'll have a chat with sister ye Lan." "

"Okay." Autumn town turned around and left.

Qiu Di personally poured a cup of water for ye Lan.

"Sister Ye Lan, drink some water." "

"Thank you, young miss." Ye Lan received the cup of water with both hands, feeling a little flattered. "

"You're welcome." Qiu di continued, "Take a seat." "

"Ye Lan did not sit down. She continued, "Young miss, I came here because I have something to personally give you." "

"You can just get someone to bring it over." Qiu di smiled and said, "It's worth you coming all the way here." "

Chapter 2027: 424: The Truth revealed! 3

"This thing really needs to be delivered by me personally before I can rest assured," ye Lan said. "

"Hearing this, autumn flute smiled and said, "What is it?" "

"You'll know once you see it," ye Lan said. "

“With that said, autumn flute was a little curious. He looked at Ye Lan, but did not see any suspicious items in ye Lan’s hands. ”

Ye Lan raised her hand and high-fived.

Clap Clap Clap —

“No More, no less, just three times. ”

“Just as the applause ended, two assistants carrying boxes walked in from outside the door. “Chief Ye.” ”

“”Put it there,”ye Lan said. ”

“Okay.”The assistant nodded and carefully placed the box on the ground.

The dark red box looked a little old.

“What is this?”Qiu Di asked curiously.

“”You’ll know when you open it,”ye Lan said. ”

Open it and see?

Autumn flute raised his eyebrows slightly. He really couldn’t understand what ye Lan was up to.

“Ye Lan smiled and pulled Autumn Flute’s hand. “Young miss, open it.” ”

Autumn flute was pulled by ye Lan to the front of the box. She reached out and opened it.

“In an instant, the light was boundless.”

It was that kind of blinding light.

What was this?

The autumn flute covered the confusion in her eyes and looked inside.

“In the next second, she saw a golden robe embroidered with a phoenix pattern lying in the chest.”

“In the Chang Yue country, only the sovereign had the right to wear clothes embroidered with a phoenix pattern.”

“If the autumn flute could wear this robe on the day of the election, how glorious would it be!”

The most important thing was.

Ye Zao had worn this dress once before when he took office.

“If Qiu Di could wear it again, it also meant that ye Zao approved of her.”

“At that time, would she still be afraid that Qiu di would not be able to win over the hearts of the people?”

“Looking at this phoenix robe, a light flashed in Qiu Di’s eyes.”

“She was originally thinking about how to get this phoenix robe, but unexpectedly, in the blink of an eye, Ye Lan had given it to her with both hands!”

“The corners of Qiu Di’s mouth curled up, his eyes filled with pride.”

“Ye Lan had not been able to successfully change the Ye clan’s base into the Qiu clan’s base. She had always felt that she had let down Qiu Di’s great love, so she had thought of a way to crack the password and take out this robe from the national treasury.”

“Looking at the smile on Qiu Di’s face, she knew that her decision was not wrong!”

Qiu Di should be very satisfied now.

“Ye Lan looked at Qiu Di and continued, “This Phoenix Robe is a little gift from me, young miss. Please accept it.” ”

““Sister Ye Lan, how can I thank you?”Qiu Di looked at Ye Lan.”

“Ye Lan smiled and said, “Young Miss, you shouldn’t have said that. After all, this is something that belongs to you.” ”

Qiu Di felt very comfortable when he heard this.

Ye Lan was right.

This phoenix robe should belong to her in the first place!

Could it be that a dead person like ye Zhuo wanted to compete with her?

““No matter what, I still have to thank you.”Qiu Di held ye Lan’s hand, “Sister Ye Lan, to tell you the truth, you have solved a big problem for me. Miss ye only promised verbally to hand over everything in changyue to me. With this phoenix robe, I can give everyone a better explanation.” ”

“Ye Lan said, “Ye Zhuo is that kind of hypocrite! She deliberately wanted to see you as a joke!” ”

“No, no, no,” Qiu Di immediately said, “I believe that Miss Ye is not that kind of person. Although she has hidden something from your background, I believe that there must be other reasons. “No matter what, the dead are already dead. Those of us who are still alive should give her face.” ”

Qiu Di’s words were too beautiful. It made Ye Lan feel that Qiu Di was the daughter of an aristocratic family who did not have any heart.

“What face does a person like her need?” Ye Lan continued, “Oh right, young miss, how is the investigation of my parents coming along?” ”

“The smile on Qiu Di’s face did not change. He continued, “Sister Ye Lan, regarding your background, Skynet is already going through the final procedures. I reckon that the Manxing Kingdom will send people over before the general election.” ”

They would send people over on the day of the election!

“In that case, she would be able to regain her status as the first princess immediately. ”

“Really?” Ye Lan asked in surprise.

“Yes.” Qiu Di nodded. “Just yesterday, Skynet took a sample of you.” ”

“Ye Lan was so excited that she knelt down to Qiu Di. “Eldest miss, you, you are practically my second parent!” ”

“At the end of her sentence, Ye Lan was already sobbing uncontrollably. ”

She was really very excited.

She had thought that she would never be able to find her parents in this lifetime and would never be able to reunite with them again.

It was Qiu di who had helped her!

It was not wrong at all to say that Qiu Di was her second parent.

“Qiu Di immediately walked over and helped Ye Lan Up. “Sister Ye Lan, this is just a simple task. You Don’t have to do this. I believe that if it were anyone else, they would definitely not be able to turn a blind eye.” ”

Chapter 2028: 424: The Truth is revealed! 4

Others would definitely turn a blind eye to it.

Not everyone was like autumn flute.

And not everyone had such a good heart like autumn flute.

Ye Zhuo was a good example.

“Back then, she was clearly about to reunite with her parents’family, but it was ye Zhuo who forcefully broke them up.”

So the way ye Zhuo became now was completely retribution!

It was all retribution!

““Young miss,”ye Lan looked at Qiu Di. “No matter what, I have to thank you properly.” ”

“Qiu Di smiled gently. “Actually, there’s really no need. I didn’t help much either. Skynet was the one checking. Oh right, you’re going back to Manxing Kingdom soon. Have you thought about who will take over the base in the future?” ”

“Hearing this, Ye Lan was stunned. ”

She really hadn’t thought about this.

“Before this, she didn’t know her background, nor did she know that she was the princess of Manxing Kingdom. So, she didn’t think about leaving the base. ”

“After a moment, ye Lan turned to look at Qiu Di. “Young miss, who do you think is suitable to take over?” ”

“In any case, she would be the princess of Manxing Kingdom in the future. who was the manager of the base had nothing to do with her. ”

She might as well hand this matter over to Qiu Di.

“At the same time, she would return a favor to Qiu Di. ”

Qiu di frowned slightly. “You are the person in charge of the base. You should be in charge of this matter.”

“”No, no, no.”Ye Lan continued, “Miss, in my opinion, no one is more suitable than you to select the next manager.” ”

“”I am an outsider after all.”Qiu di continued, “The base was founded by you and Miss Ye. If it were me, it would be a little unfair.” ”

“Actually, Qiu Di had done so much for the Ye family’s base’s management rights. ”

“Otherwise, even if ye Lan changed the ye family’s base into Qiu Di’s base, what could she do?”

Only by holding real power in her hands could people feel at ease.

“If Qiu Di did not lie to ye Lan that she was the Manxing Kingdom’s princess, would she so readily hand over all the management rights of the base to her? Damn”

It was simply impossible!

“At first, Qiu Di was still worried that ye Lan would suspect that she was lying.”

“Who would have thought that ye Lan, this idiot, would not have thought of this at all!”

“Her heart was as high as the sky, and her life was as thin as paper.”

“Ye Lan smiled and said, “Who said that you are an outsider! If it were not for you stopping me, the Ye family base would already be the Qiu Family Base Now! Tomorrow, Tomorrow I will hand over all the management rights and seals of the base to you. Who is the next manager, it is also up to you to decide!””

Tomorrow!

It seemed that she was getting closer and closer to her goal.

The corners of Qiu Di’s lips curled up without leaving a trace.

““Since you trust me so much, then I will respectfully comply.”Qiu di smiled and said, “Sister Ye Lan, I will still say the same thing. After you arrive in Manxing Country, don’t forget about me as your elder sister.””

“Ye Lan smiled and said, “Don’t worry, I will forget about you no matter who I forget.””

“Qiu Di patted ye Lan’s hand. “Sister Ye Lan...”at this point, she seemed to have thought of something and immediately changed her words. “AH no, I should call you full moon sister from now on.” ”

Full Moon was the surname of the Manxing Kingdom.

Full Moon was the name of the first princess.

“Hearing this, Ye Lan’s face was full of smiles. ”

Full Moon.

Her name was full moon.

““Eldest miss, you should call me by my current name.”Ye LAN continued, “My parents haven’t come over yet, so I don’t want to attract attention for the time being.” ”

Full Moon was too loud a name.

“If her enemies in Manxing Kingdom knew that she was the lost princess, they would definitely send people to assassinate her. ”

“Okay.”Qiu Di nodded.

“Ye Lan looked at Qiu di and said, “Young miss, then I’ll see you tomorrow. I’ll go back first.” ”

“Okay.”Qiu Di sent Ye Lan out.

“Ye Lan smiled and turned around. “Young miss, there’s no need to send me off. I can leave by myself.” ”

“Qiu di said, “Sister Ye Lan, you’re the Manxing Kingdom’s princess. It’s my honor to be able to send you out.” ”

“Perhaps it was because she had suffered too much when she was young, ye Lan really liked the title of Princess of Manxing Kingdom. ”

““Eldest miss, please don’t make fun of me.”Ye Lan said somewhat embarrassedly, “The reason why I was able to find my biological parents and restore my identity is all thanks to you. If it wasn’t for you, I would still be kept in the dark!” ”

““You should also thank yourself.”Qiu di continued, “As a person, it is still very important to judge the situation.” ”

“Yes.”Ye Lan nodded.

She was very glad that she had made the choice in the beginning.

“Don’t send me off. Go back quickly.”

Chapter 2029: 424: The Truth is revealed! 5

“Autumn flute instructed, “Your vision isn’t good at night. Be careful.” ”

“Okay.”Ye Lan walked onto the aircraft.

Autumn flute watched the aircraft disappear into the night sky before walking back.

Autumn flute had just walked to the door of the office when autumn town walked out from the side. “What’s up with that ye Lan? Is she waiting for an opportunity to take revenge?”

“Just her?” Qiu Di sneered. “Does she have that kind of brain?”

“If ye Lan had half a brain, she wouldn’t be so gullible. ”

“What do you mean?” Qiu Changzhen frowned slightly. He felt that Qiu Di was a bit hasty.

Qiu Di picked up the Phoenix Robe in the box. “What do you think this is?”

“Qiu Changzhen said incredulously, “A hundred birds pay homage to the Phoenix! Isn’t this the phoenix robe that ye Zao wore when he took over?” ”

“Yes.” Qiu Di nodded.

“Qiu Changzhen said in disbelief, “Did ye Lan just send this over?” ”

““Yes.” Qiu di continued, “Father, you don’t have to worry about other things. Next, you just have to focus on how your daughter, I, managed to get to that position step by step!” ”

“Qiu Changzhen nodded. “Di’er, as long as you know everything in your heart! I Won’t say anything more.” ”

On the other side.

Ye Zhuo was the person who understood ye Han the most.

“After Yi Ling lured Ye Han out, she used knockout incense to knock him out and modified the surveillance system on his body. ”

“It was best that after all this, Ye Zhuo took out the antidote made from the purple leaf flower and fed it into ye Han’s mouth.”

“Yi Ling looked at ye Zhuo from the side. “Great burning, is this really okay?” ”

“En.”Ye Zao nodded slightly.

“Then why is Ye Xiaohan still not awake?”Yi Ling asked curiously.

“We still have to wait a little longer. Let’s go back first.”Ye Zao stood up from the ground.

“Yi Ling asked curiously, “Where are we going? What about Ye Xiaohan?” ”

“We still have other matters to attend to. Ye Han won’t be able to recover in a short period of time. It’s useless to wait here.”Ye Zao’s tone was indifferent.

“Then when will he wake up?”Yi Ling was very concerned about Ye Han.

She couldn’t wait for Ye Han to wake up immediately and dismember that autumn flute into pieces!

“That woman, autumn flute, was really too bad! ”

“”It mainly depends on willpower. It Won’t be more than three days at the latest,”ye Zao said. ”

“Hearing this, Yi Ling widened her eyes in surprise. “Three days! Does that mean that ye Xiaohan has to sleep here for three days before he wakes up?” ”

“Ye Zhuo explained, “Ye Han will wake up soon, but it will take some time for him to regain consciousness. So we have to leave before ye Han and Xi Lu arrive.” ”

“OH.” Yi Ling nodded and followed Ye Zhuo’s footsteps.

“Just as Ye Zhuo stepped onto the aircraft, he received a message.”

It was from Sun Xiaoqian.

“Seeing this, Ye Zhuo frowned slightly.”

Sixth Elder.

She did not expect that the seemingly aloof sixth elder was actually one of them.

“Seeing that her expression was not right, Yi Ling asked, “Big Zao, What’s Wrong? Has Sun Xiaoqian found out who the traitor is?” ”

“Yes.” Ye Zao nodded slightly.

“Who is it?” Yi Ling asked.

“Sixth Elder.”

“Sixth Elder!” Obviously, Yi Ling also did not expect that it would be sixth elder. Her eyes were filled with disbelief. “How, how could it be him!” ”

“In Yi Ling’s impression, the sixth elder had always been a very kind and amiable little old man. When he had nothing to do, he always liked to bring it good food.”

It was hard for her to accept the sudden news.

How could it be the sixth elder!

“I’m also very curious.”Ye Zhuo’s face was expressionless. “What made him walk this path?”

“He was also poisoned by a Gu?”Yi Ling asked.

Ye Zhuo shook his head slightly.

“She had already met the eight great elders in secret, but they showed no signs of being poisoned by a Gu. ”

...

The next morning.

“Ye Lan brought the seal and other documents to the Qiu residence, intending to officially hand over the Ye clan’s base to Qiu Di. ”

She had just walked out of the base’s entrance when she was stopped by someone.

“Ye Lan! You Can’t Leave!”

The person who stopped her was none other than Granny Fei.

Ye Lan frowned slightly. “I don’t want to make things difficult for you since you’ve raised me before. Please look at your own identity. Don’t embarrass yourself again and again!”

“Ye Lan, are you going to look for Qiu Di? Are you going to hand over the management rights of the base to her?”Granny Fei asked. ”

“This has nothing to do with you!”Said ye Lan.

“Granny Fei looked at Ye Lan, she said bitterly, “You’ve been deceived! Ye Lan, you’ve really been deceived by Qiu Di! You’re not some direct princess of Manxing Kingdom at all! Can’t you see that? Her purpose in doing this is to obtain the management rights of the base!” ”

The corners of Ye Lan’s mouth curled up slightly. “Do you think I’ll still believe you now that things have come to this?”

Chapter 2030: 425: a piece of trash. Ye Lan was stunned! 1

This old woman really thought she was a fool!

“It was not enough to lie to her once, but she had to lie to her twice? ”

“She would not be the same as before, foolishly fooled by them. ”

Three years ago.

“Just as Ye Lan was about to succeed in the DNA comparison, Grandma Fei colluded with Ye Zao and secretly changed the information. In the end, she even came forward to stop her from looking for her parents. ”

“Helpless, she could only put the plan of looking for her biological parents on hold. ”

“Grandma Fei looked at Ye Lan, “Lan Lan, I really didn’t lie to you. Qiu Di didn’t have any good intentions. If you don’t believe me, you can come with me. I’ll bring you to your biological father’s place. You guys can go and do an appraisal. If I say even half a lie, I’ll be struck by lightning!” ”

No one could lie in front of an appraisal report.

“Hearing this, a dark light flashed in ye Lan’s eyes, and the corners of her mouth were filled with ridicule.”

“She was clearly the Manxing kingdom’s direct princess, but these people actually wanted to turn her into the daughter of a drunkard who had a history of domestic violence.”

This was simply unreasonable!

“After saying this, grandma FEI continued, “Qiu di has always said that you’re the Manxing Kingdom’s direct princess. Then, has she given you an appraisal report?” ”

““Stop talking,”ye Lan said. “I am an adult. I know what I am doing. I am not a puppet in your hands that can be manipulated by others.” ”

No one could stop her from recognizing her biological parents.

““Burning saw you as her biological sister, so she handed over the management rights of the base to you,”Grandma Fei Sighed, “If she really saw you as a puppet, would she be so good to you? Would she hand over the management rights of the base to you? Think about it carefully. All these years, did burning ever mistreat you?” ”

“Hearing this, Ye Lan’s eyes were full of sarcasm.”

Why would ye Zhuo hand over the management rights of the base to her?

It was all because of her outstanding ability!

All of this was earned through her own hard work.

“Ye Zhuo had adopted her, that’s right.”

But Ye Zhuo had also obtained a good reputation at the same time.

Who in the Changyue Kingdom did not know that Miss Ye was a philanthropist and a Bodhisattva with low eyebrows.

“Not only did ye zhuo obtain a good reputation, but she also obtained free labor. She was a rare talent in the scientific research world. How many problems had she helped ye Zhuo solve over the years? Perhaps even ye Zao could not compare to her. Otherwise, why would ye Zao put her in an important position?”

Ye Zao could be said to have both fame and fortune!

Who knew the pain she had suffered all these years?

“She had been living under people’s strange gazes, separating from her biological parents.”

This was all caused by ye Zao!

“Compared to Qiu Di, Ye Zao was a demon.”

Qiu Di could restore her identity as a princess and allow her to recognize her parents. Could Ye Zao?

“Other than being jealous of her identity as a princess, what else could ye Zao Do?”

Ye Zao was a wolf in sheep’s clothing.

Hypocrite.

“Disgusting, sinister and cunning.”

Ye Lan wished she could add all the dark words in the world to ye Zao.

“Thinking of this, Ye Lan looked up at Grandma Fei and continued, “I know very well who ye Zao is. Don’t stand here and disgust people! You are not only disgusting me, but also yourself!” ”

“”Lan Lan! What are you thinking? !” Besides anger, there was also sadness in Grandma Fei’s eyes. “You’ve lived with Zao Zao for so many years. If she was really a bad person, would you still be alive today?” ”

“The corner of Ye Lan’s mouth was full of sarcasm. “Did I beg ye Zao to adopt me back then? If she didn’t adopt me, I would definitely be living a better life than I am now!” ”

“If it wasn’t for ye Zao, she would have been recognized by her biological parents long ago! ”

Grandma Fei frowned tightly.

“She didn’t expect that ye Zao didn’t do ye Lan any favors when he raised her. Instead, ye Lan bore a grudge against him. ”

“Sure enough, there was always a seedling. ”

Ye Lan’s father was a scumbag. Ye Lan didn’t inherit any good genes either.

It was her expectations of ye Lan that were too high!

“”Lan Lan!” Grandma Fei looked at Ye Lan, her eyes filled with pain. ”

“”You should leave quickly! I don’t want to make things difficult for you,” ye LAN continued, “Don’t make things difficult for yourself. You’re already so old, you can throw everything away, but you still have to care about your face. Even if you don’t care about yourself, you still have to care about the younger generation!” ”

“After saying this, Ye Lan turned around and left. ”

“Ye Lan! You’ll regret it! You’ll definitely regret it!”Grandma Fei looked at her back and shouted.

Ye Lan?

Ye Lan narrowed her eyes.

“One day, she would let everyone know that she was not ye Lan. ”

She was a full moon!

She was the full moon of the Manxing Kingdom’s successor.
