“Chapter 2031: 425: Torture a piece of trash, Ye Lan was immediately stunned! 2”

She wanted to unveil the sheepskin on ye Zao’s body in front of everyone and show the ugliest and most disgusting side of ye Zao in front of everyone.

As for regret?

She really regretted it now.

She regretted not cooperating with the six clan leaders earlier.

She regretted not killing ye Zao earlier.

“All these years, she had always taken into account the sisterhood between her and Ye Zhuo. She had never thought that she would be worse than a dog at ye Zhuo’s side. ”

“”Mom.”Fei Yu walked over from the side and continued, “Forget it. From the looks of Ye Lan, she is determined not to turn back.” ”

Grandma Fei’s face was full of tears.

She had already said everything that needed to be said.

“She had originally wanted to pull ye Lan back, but who knew that ye Lan would actually sink deeper and deeper. ”

“Now that things had come to this, she was helpless. ”

“Seeing that her mother had not said anything, Fei Yu continued, “Mother, do you think that Ye Lan is really a descendant of the Manxing Kingdom?” ”

“She saw that ye Lan was so confident, as if it was really true! ”

“”It’s fine if she’s daydreaming, but you’re also daydreaming!”Fei Fei’s grandmother wiped away her tears, then, she said, “The Manxing kingdom found the corpse of the full moon princess in the second year after she was lost! I don’t know if ye Lan’s eyes were covered by a ghost or not, but she actually believed such words!” ”

“If Ye Lan was really a descendant of the royal family, the Manxing Kingdom would have come over to acknowledge her as their relative with great fanfare long ago! ”

Would they have waited until now?

“Then why hasn’t the Manxing Kingdom announced this matter to the public?”Fei Yu continued to ask.

“Up until now, the official description of the princess was ‘missing...’ ”

Grandma Fei shook her head. “I’m not very clear about the specific situation either. It’s probably... to hide something.”

“The matters of the imperial family were very complicated to begin with. If one was not involved, who would be able to uncover the truth layer by layer! ”

“”Oh,”fei yu asked, “Mother, then you said just now that you’ve found ye Lan’s biological parents and want to bring her for an appraisal. is that true or are you lying to her?” ”

“”It’s true.”Grandma Fei nodded. “As early as three years ago, miss ye had already found ye Lan’s biological parents.” ”

“Hearing this, Fei Yu frowned strangely. “Since you’ve already found ye Lan’s parents, then why did Miss Ye Keep It a secret all this while?” ”

““Ye Lan’s self-esteem has been strong ever since she was young. She has always insisted on finding her parents because she believes that her parents are not ordinary people. She was born extraordinary,” said Fei Yu, granny Fei paused for a moment, “If she finds out that her mother was forced to death by her father, that her father was an alcoholic, and that her sister was sold into the Little Red Mansion, how will she be able to bear this blow? “Moreover, if ye Lan’s father really finds her and is pestered by such a father, how will ye Lan continue to live her life in the future? “Therefore, I came up with an idea to have burning flame keep this matter a secret for now... ..”

“Ye Lan’s father was called Zuo Shunguo. He was a complete drunkard and had been drinking for a long time. For the sake of alcohol, he had already sold off one of his daughters. ”

“If ye Lan and Zuo Shunguo were to acknowledge each other, ye Lan’s life would be over! ”

“Grandmother Fei pitied ye Lan’s background and did not want ye Lan to be pestered by such a father. Who would have thought that in the end, Ye Lan would instead hold a grudge against ye searing because of this matter. ”

“If she had known this would happen, she would not have come up with such an idea in the first place! ”

“Fei Yu frowned tightly, “So there were so many things in the middle! I say, why would miss ye Stop Ye Lan from finding her biological parents! Then what should we do now? Autumn flute was clearly setting up a trap for ye Lan. Ye Lan was also not clear-headed and actually really believed that she was a princess!” ”

““Let her be.” Grandma Fei massaged her temples and recalled the words that ye Zao often said. She continued, “People have to pay for their own actions!” ”

“Fei Yu said, “Mom, is Miss Ye Not Dead?” ”

““I don’t know,” Grandma Fei said. ”

“Fei Yu continued, “I know that you definitely know. You just don’t want to tell me! Seriously, you can’t even trust your own daughter!” ”

“It wasn’t that Granny Fei didn’t trust Fei Yu, but she knew Fei Yu too well. ”

“Fei Yu had always been carefree since she was young, and she couldn’t hide anything in her heart. If she knew the secret of her family, it would become everyone’s secret in less than three days. ”

“”Go back, go back!”Granny Fei turned around and walked back. ”

“Fei Yu followed her footsteps, muttering along the way, “Mom, just tell me! I swear, I won’t tell a single word... am I still your biological daughter...” ”

Chapter 2032: 425: torture a piece of trash. Ye Lan was immediately stunned! 3

Over here.

Ye Lan arrived at the Qiu residence.

Qiu Changzhen warmly received ye Lan.

“”Chief Ye, please wait for a moment. I’ll send someone to urge Di’er.” ”

“Ye Lan smiled and said, “Chief Qiu, you’re too polite! It’s fine if I wait for a moment.” ”

Qiu Changzhen instructed the servants to urge Qiu Di.

“Ten minutes later, Qiu di finally arrived late. “Sister Ye Lan, I’m really sorry. I just had a small matter on hand. Sorry to have kept you waiting.” ”

“”Eldest miss, you’re being too polite,”ye Lan said with a smile. ”

“Qiu di said, “Sit down quickly.” ”

Ye Lan sat down on the chair.

“After a while, ye Lan took out her seal and the documents from the notary office. “Eldest miss, you just need to sign these two documents.” ”

“Qiu Di picked up the documents and hid the smug look in her eyes. She looked at ye Lan and continued, “Sister Ye Lan, have you really considered it? Once I sign it, you won’t have any room for regret!” ”

“At this point, Qiu di paused and continued, “After all, the Ye family base is a territory that you and Miss Ye have jointly conquered. I hope that you can seriously consider it.” ”

Qiu Di was really too kind!

“Things had come to this point, and she still advised herself to carefully consider it. ”

“If it was someone else, would they be able to do what Qiu di did? ”

“”There’s no need to consider it.”Ye Lan looked at Qiu di and said, “Miss Ye, I know that you’re doing this for my good. Don’t worry, I won’t regret it.” ”

“Using the Ye family base to exchange for the identity of a full-star princess, this business was simply too worth it! ”

Why would she regret it?

“Qiu Di put down her pen. “Sister Ye Lan, are you sure you don’t need to reconsider?” ”

“”No need.”Ye Lan smiled and said, “Eldest miss, please sign it quickly!” ”

“”Alright, Alright, Alright.”Qiu Di laughed softly. “If that’s the case, I’ll respectfully accept your request.” ”

“After saying that, Qiu di signed her name on the official document. ”

From today onwards.

The Ye family base had officially changed owners!

“Ye Lan handed the seal to Qiu Di. “Young miss, this is the base’s seal. Please keep it well.” ”

Qiu Di reached out and took the seal.

“”Thank you for sister Ye Lan’s Trust.”Qiu Di looked at ye Lan and continued, “Sister Ye Lan, don’t worry. I will definitely not betray your trust in me!” ”

“Ye Lan said, “Young miss, I believe in You.” ”

“After saying this, ye LAN continued, “Oh right, eldest miss, Skynet...” ”

Ye Lan’s biggest concern now was when the Manxing Kingdom would come to take her back.

She could not wait to announce her identity to everyone!

“Qiu di smiled and said, “Sister Ye Lan, I know that you are anxious to reunite with your family. Don’t worry, the Manxing Kingdom is already making arrangements. You just need to wait at home for the good news from the Manxing Kingdom!” ”

“”Alright.”Ye Zhuo nodded and bowed to Qiu Di. “Young miss, thank you.” ”

“”There’s no need to be so polite with me.”Qiu di continued, “I’ve said it before, as long as you don’t forget me in the future.” ”

“”Young miss, you are my benefactor. I’ve said it before, I won’t forget you even if I forget someone.” ”

Qiu Chang Zhen was a little stunned by this scene.

Manxing Kingdom?

Could it be that ye Lan’s background had some connection with the Manxing Kingdom?

“After ye Lan left, autumn town asked the question in his heart, “Di-er, what is Ye Lan’s identity?” ”

“Autumn town was originally worried about ye Lan’s stance. Now that this had happened, it made autumn town even more confused.”

“”Could it be...”autumn town seemed to have thought of something and said in disbelief, “Could it be that ye Lan is the first princess of the Manxing Kingdom who disappeared in the early years?” ”

“Hearing this, Qiu di sneered. ”

“First princess? She is worthy!”

“Qiu Changzhen frowned slightly and said, “Then what do you mean by what you said just now?” ”

“Qiu di continued, “If I didn’t say that she was the first princess, would she obediently hand over the management rights of the Ye family’s base to me?” ”

Of course not!

“”High, high!” Qiu Changzhen gave Qiu di a thumbs up. “Di’er, your move is really too high!” ”

“As expected, the younger waves of the Yangtze River were stronger than the earlier waves. Each wave was stronger than the previous! ”

“Now that Qiu di held the real power of the Ye family’s base, who else could overthrow her when the time came? ”

“Eldest miss.”

“At this moment, the sound of footsteps came from outside the door again. ”

Qiu Di raised her head. It was ye Han.

“Compared to last night, Ye Han had hardly changed. ”

“I’m here.”

“Ye Han nodded and continued, “Eldest miss, is there anything you need from me?” ”

Qiu Di smiled. “I want you to meet an old friend.”

“An old friend?”Ye Lan asked.

“”Yes, an old friend.”Qiu di clapped his hands. ”

“Chapter 2033: 425: Trash, Ye Lan was stunned! 4”

“The next second, ‘Zhou Qing’ and a guard walked out with the heavily injured ‘Joey’. ”

“Do you know her?”Qiu Di asked.

Ye Han looked at Joey and shook his head.

Qiu Di handed ye Han a gun. “Finish her.”

“Ye Han took the gun and walked over, pressing it against Joey’s head. ”

Sun Xiao Qian’s expression did not change.

It seemed that ye Han had not recovered his consciousness.

“Otherwise, when he saw ‘Joey,’ he would not have such an expression. ”

The next second.

Bang!

A bloody hole suddenly appeared on Joey’s head.

“Looking at it like that, it was very shocking! ”

Ye Han did not hesitate at all and directly fired the gun.

It was as simple as slaughtering a chicken.

He raised his gun and fired.

Qiu Di was very satisfied with Ye Han's performance.

"Qiu Chang Zhen, who was at the side, also heaved a sigh of relief. "

"In Ye Han's eyes, he did not see the slightest problem. "

This meant that Ye Han was still the same ye Han from before.

""Bring him out,"Qiu di said. "

""Yes."Sun Xiao Fu nodded and walked out with the guards, carrying Joey. "

"Ye Han continued, "Eldest miss, do you have any other orders?" "

""You can leave too,"autumn flute said slowly. "

PA —

"At this moment, a tearing pain came from ye Han's head. "

His expression was absent-minded.

“But very quickly, this pain disappeared. ”

Ye Han pressed his temples. He didn't think too much and continued to walk out.

“Looking at Ye Han's back, Qiu di turned to look at Qiu Chang Zhen, “Father, how is it?” ”

“Qiu Chang Zhen nodded, “It seems that the Great Witch Doctor's Gu Worms are indeed very powerful!” ”

“If it was the Qiu Han from before, even if he was acting, he would not have really killed Joey. ”

But the current ye Han did not have any reaction at all!

“Saying this, Qiu Chang Zhen asked worriedly, “How are you going to explain things to Ye Lan?” ”

“Explain what?” Qiu Di asked.

“Qiu Changzhen said, “Ye Lan hasn't been able to receive a reply from Manxing Kingdom. She will definitely be suspicious! How are you going to resolve this matter?” ”

“Qiu di said indifferently, “The ye family's base is already surnamed Qiu. Can Ye Lan still stir up trouble?” ”

“Aren't you afraid that she will expose you?” Qiu Changzhen asked.

““Expose me?” Qiu Di's face was full of disdain. “Father, who do you think will believe the words of a crazy woman?” ”

Only a crazy woman would say that she was the Manxing Kingdom's Princess!

Qiu Changzhen nodded.

“After ye Lan returned, she gathered everyone in the base and announced this news.”

““From now on, Miss Qiu is the base’s top management!” ”

““Chief Ye, What About You?” A technician asked, “Where are you going?” ”

“Ye Lan smiled and said, “As for me, I’ll keep it a secret for now. Everyone will see it in a few days.” ”

“At that time, she would be the Glorious Full Moon Princess! ”

She would make everyone’s eyes light up!

““Chief Ye, are you leaving the base?” ”

Ye Lan nodded.

“Hearing this, everyone discussed animatedly, guessing where Ye Lan was going.”

“Seeing this, Ye Lan’s lips curled up slightly.”

Probably no one would have thought that she would be the princess of the Manxing Kingdom.

...

“Ye Zhuo stood in front of the experiment table. At this moment, Yi Ling flew in from outside the window.”

“Great Burning!”

Ye Zhuo took off his mask. “What’s Wrong?”

“Yi Ling continued, “I found a secret passage in the sixth clan leader’s home.” ”

“Secret Passage?” Ye Zao’s beautiful eyes narrowed.

“”Yes.” Yi Ling continued, “In any case, it’s quite strange. Do you want to go and take a look? It just so happens that the sixth clan leader isn’t at home right now.” ”

“Ye Zao took off his gloves, “Okay.” ”

“Very soon, ye Zao and Yi Ling arrived at the sixth clan leader’s house. ”

“Ye Zao took out his portable computer, and his ten fingers rapidly operated on the CD. In less than five minutes, he changed the monitoring system and defense system of the entire house. ”

“Can we go in now?” Yi Ling asked.

“Wait a little longer.” Ye Zao pressed the pause button. “There is also a hidden monitor.”

Yi Ling frowned slightly. “This sixth clan leader is really guilty of doing too many things!” Who would install so many monitors in the house for no reason?

Wasn’t he afraid of radiation?

“Three minutes later, ye Zao put away his laptop and stood up. “We can go now.” ”

Yi Ling immediately flew into ye Zao’s backpack.

Ye Zao avoided one servant after another and came to the place where Yi Ling discovered the secret passage.

What surprised ye Zao was that this was actually the office of the six clan leaders.

Ye Zao had also come here twice.

“But the previous two times, ye Zao did not find anything wrong.”

“As expected, the most dangerous place was the safest place. Who would have thought that there would be an unknown secret passage in the office!”

Chapter 2034: 425: What a piece of trash! Ye Lan was stunned! 5

“The mechanism is here.” Yi Ling flew to a book and stopped.

Ye Zhuo picked up the book and turned it.

Rumble —

The two rows of bookshelves filled with books immediately separated.

“Looking at it this way, the secret passage was about 100 meters long and the inside was as bright as day.”

Ye Zhuo walked in.

“As soon as he walked in, the two rows of bookshelves behind him automatically merged. ”

“Yi Ling immediately stuck her little head out of her backpack. “Holy Sh \* t, the bookshelves are closed! What if they lock us inside and we can’t Get Out?” ”

““They won’t,”ye Zao said. ”

“With ye Zao’s words, Yi Ling felt much more at ease. She continued, “Oh right, Great Zao, there shouldn’t be any surveillance and defense systems inside, right?” ”

“Ye Zao raised his right hand lightly, and the watch on his wrist immediately turned into a small scanner. ”

Di Di di di —

“A moment later, ye Zao put away the scanner. “Don’t worry, there aren’t any.” ”

“Hearing that, Yi Ling immediately flew out of her pocket. ”

“The deeper they went, the brighter the light, but the brighter the light, the more eerie it made people feel. ”

They shuddered without feeling cold.

“All the hair on Yi Ling’s body stood up and curled up on Ye Zao’s shoulder. “Great Zao, this place is so strange!” ”

“It is indeed a little strange.”Ye Zao observed the environment in the secret passage without batting an eyelid.

“Boom Boom Boom —”

“At this moment, a strange sound came from the depths of the secret passage. ”

It was like the sound of iron chains knocking on an iron door.

“F \* ck! There can’t be some man-eating monster hiding in Here!” Yi Ling was so scared that she hid her head in her fur.

“The deeper she went, the louder the sound became. ”

“In the end, there was even a scream of a human. ”

“Ah!”

“Da, da searing, why, why don’t we go back! Don’t go in!” Yi Ling was so scared that her voice was trembling. “I, I’m a little scared!” ”

The fear of the unknown was more frightening than the fear of the known!

Because no one knew what kind of monster was hiding in the deepest part of the secret passage.

“Don’t panic.” Ye Zao’s tone was shallow. “I’m here.”

Yi Ling shrank into Ye Zao’s shoulder again.

There was a turn ahead.

“If her guess was correct, the foreign object that made the sound was hiding there! ”

“Yi Ling stuck out her small head, wanting to see what was at the turn, but she was a little afraid. As soon as she stuck out her head, she covered her eyes with her wings! ”

“”Da Zhuolao, are you afraid?”Yi Ling asked. ”

“I’m not afraid.”Ye Zhuolao’s tone was as usual.

“I’m not afraid either!”Yi Ling said.

“Ye Zhuolao smiled and said, “Take the wings off your eyes first before you say this.” ”

Yi Ling swallowed her throat. “I’m not afraid at all when I put the wings on my eyes. It’s because I like it this way!”

Ye Zhuolao did not point it out and continued walking inside.

“At the corner, there was a room that occupied more than twenty square meters. In the middle of the room was a huge iron cage! ”

The thing that made the noise was the thing that was locked in the iron cage.

“To be precise, the thing that was locked in the iron cage was a person. ”

The youth was about twenty years old.

His clothes were shabby.

His body was covered in dirt.

“Both his hands and feet were locked in iron chains. His eyes were dull, like a star that had lost its luster.”

“It was as if the person locked in the cage was not a person, but an animal. It was even worse than an animal.”

“Looking at it like this, it was unbearable.”

“Seeing that ye Zhuo did not move for a long time, Yi Ling asked curiously, “Great Burning, have we arrived? Are the monsters scary?” ”

“There are no monsters. Open your eyes.”

There are no monsters!

“Hearing this, Yi Ling carefully removed her wings.”

“Although there was no monster, seeing the scene in front of her, Yi Ling was still shocked.”

A person!

How could it be a person!

There was actually a person locked in the iron cage.

““Who, who is he?”Yi Ling continued, “Why is he locked up here?” ”

“Ye Zhuo looked at the youth. After a while, his red lips opened slightly, “If I’m not wrong, this person should be the only son of the six clan leaders, Guangxing.” ”

“Guangxing?” Yi Ling asked.

It was true that the sixth clan leader had a son.

“However, his son had already entered the military academy and was currently training at the Military Academy. He was an outstanding military officer. ”

The person in front of him did not even have the slightest bit of connection with Guangxing.

“”There’s been a mistake, there’s been a mistake!” Yi Ling said, “Great Burning, you must have made a mistake! How can he be Guangxing? Guangxing hasn’t graduated yet!” ”

“He is Guangxing.” Ye Zhuolao then took out his laptop and entered the Changyue State database to investigate Guangxing’s information.

The information recorded everything that happened before Guangxing was 15 years old.

“Chapter 2035: 425: What a piece of trash, Ye Lan was stunned! 6”

And she kept a photo of him from 1 to 15 years old.

One photo every year.

“After the age of 15, it was recorded in the information that Guangxing was admitted to the International Military Academy and had to enter secret training, so there were no photos. ”

“The facial features of a 15-year-old child had gradually taken shape, especially a small heart-shaped birthmark on the left side of Guangxing’s forehead. ”

“Yi Ling looked at the photo, then looked at the youth locked in the iron cage, and then carefully compared the birthmark on his forehead. Only then did she confirm that he was Guangxing. ”

“After learning this conclusion, Yi Ling was very confused. ”

A vicious tiger would not eat its own son.

Why did the sixth clan leader lock Guangxing in the Iron Cage?

This was his own son!

“If it was not for the careful comparison, Yi Ling would never have believed that this was true! ”

“Why did the sixth clan leader do this?” Yi Ling asked.

“Ye Zhuo narrowed his eyes and did not directly answer Yi Ling. He continued, “Go and open the lock on the Iron Cage.” ”

“Alright.” Yi Ling immediately flew over and unlocked the lock on the cage.

“However, when she unlocked the lock on the youth’s hand, she was unable to unlock it no matter how hard she tried. Helpless, Yi Ling could only ask Ye Zhuo for help, “Great burning, this lock can not be unlocked!” ”

“Ye Zao walked forward, took off the black hair clip on his head, inserted it into the lock hole, and gently pulled it. ”

“Padah —”

The lock core was removed just like that.

“The chain was very thick, leaving deep marks on the young man’s wrist. ”

“After undoing one side of the lock, Ye Zao went to undo the lock on the other hand of the young man, followed by the anklet. ”

“Throughout the entire process, the young man just looked at Ye Zao. ”

“Even after unlocking all the chains, the young man still maintained his previous state. He did not look at ye Zao at all, as if he had been frozen. ”

“Are You Guangxing?”Ye Zao said calmly.

“Her words seemed to have turned on some switch. The young man hugged her and cried, “Grandma! Grandma! I knew Grandma would definitely come to save Xing ‘er...” ”

Grandma?

Ye Zhuo was stunned.

When did she have such a grandson! !

Yi Ling was also stunned.

No one had expected guangxing to do this.

Ye Zhuo pushed him away gently. “You’ve got the wrong person. I’m not your grandma.”

""You're Grandma! You're Grandma!"The youth's face was full of tears, he looked at Ye Zhuo, he said aggrievedly, "Grandma, did Xing 'er do something wrong! You Can't not want Xing 'er! Grandma, are you blaming Xing 'er for not avenging mother? Grandma, don't worry, I'll definitely kill that murderer!" "

"At this point, the youth was agitated. His eyes turned red as if he could go berserk at any time. "

"To temporarily calm his emotions, ye Zao said, "I won't leave if you listen to me." "

""Listen, Xing 'er, listen."The youth gripped the corner of ye Zao's clothes tightly. His eyes were filled with vigilance, afraid that ye Zao would run away in the next second. "Grandma, Xing 'er will listen obediently. Grandma, don't go!" "

"Ye Zao continued, "Give me your hand." "

The youth immediately extended his hand.

"Ye Zao placed his hand on his pulse and focused slightly. According to his pulse, ye Zao could tell that the youth had gone insane due to the stimulation, resulting in his current appearance. "

"A moment later, ye Zao retracted his hand and took out a pill from his bag. "Take this pill." "

The youth took the pill and swallowed it without thinking.

""Grandma, are you here to bring Xing 'er back?" "

"Yes."Ye Zao nodded slightly.

"That's great! Xing 'er can finally leave this godforsaken place!"The youth cheered.

""Shh!"Yi Ling stretched out her wings and made a 'hush'gesture. "Be quiet, don't be discovered!" "

The youth nodded.

“Yi Ling looked at ye Zao and continued, “Da Zao Zao, he calls you grandma. According to seniority, what should he call me?” ”

“Ye Zao was a little speechless as he said, “What are you thinking about?” ”

“”Should I call you great-aunt? Yes, it should be great-aunt!”Saying this, Yi Ling turned to look at the youth. “Kid, quickly call me great-aunt!” ”

“”I don’t have great-aunt.”The youth said very seriously, “And our species are different, don’t even think about taking advantage of me!” ”

“Yi Ling’s eyes widened, “You’re Not Stupid?” ”

The youth glanced at Yi Ling and did not say anything.

Yi Ling: I’ve been insulted!

“Ye Zhuo looked at his watch and continued, “The six clan leaders will be back in ten minutes, let’s leave this place first.” ”

“Alright.”Yi Ling immediately went into ye Zhuo’s backpack.

“Ye Zhuo looked at the youth, “Follow behind me.” ”

“The youth nodded and continued, “Grandma, I know an exit that leads directly to the outside of the courtyard.” ”

Chapter 2036: 425: Trash! Ye Lan was stunned! 7

“Really?” Ye Zhuo asked.

“Yes.” The youth nodded.

“Ye Zhuo continued, “Then you lead the way.” ”

“Okay.” The youth nodded and walked to the front to lead the way.

Yi Ling came out of the bag. “Wait!”

“What’s Wrong?” Ye Zhuo looked back slightly.

“Yi Ling continued, “What if this bad boy tries to trick us!” ”

“Hearing this, the youth was so anxious that his face turned red. “No! I didn’t! I would never lie to Grandma! Grandma, you have to believe me!” ”

“Lead the way.” Ye Zao’s tone was indifferent.

“”Thank you, Grandma!” The youth walked forward quickly. ”

“Yi Ling jumped onto ye Zao’s shoulder and said with some worry, “Da Zao Zao, do you trust him that much! I keep feeling that this Guangxing is a little strange!” ”

“”Don’t worry, he didn’t lie to us,” ye Zao said. ”

"How do you know?" Yi Ling asked.

Ye Zao followed the youth's footsteps quickly. "I can see it in his eyes."

"Yi Ling nodded. "However, we can't be careless. Da Zao, it's not wrong for us to be more cautious." "

"Okay."

"Soon, the youth brought ye Zao to a door. "

"The youth pressed the switch on the wall, and the hidden door opened. "

Rumble!

Outside the door was the blue sky and white clouds.

"Looking at the scene, this was the back door of the Guang family residence. "

""Grandma, Let's go quickly."The youth turned to look at Ye Zao. "

Ye Zao nodded slightly and followed.

"The two walked out of the secret passage, and the door behind them closed. "

No one could tell that there was a secret door here.

Ye Zhuo brought Guang Xing onto the flying machine.

“On the way, the clothes spirit circled around Guang Xing. ”

“Guang Xing’s Head was a little dizzy from the shaking, so he closed his eyes and didn’t look at it. ”

“The clothes spirit narrowed her eyes, “Why don’t you dare to look at me? Are you feeling guilty?” ”

“”No,” Guang Xing said. ”

“Then why do you have to close your eyes?”The clothes spirit asked.

“”I Feel Dizzy,” Guang Xing said. ”

“Yi Ling landed on his shoulder and continued, “Aren’t you the biological son of the sixth clan leader?” ”

“I don’t know.”

“Why did the sixth clan leader Lock You in an iron cage?”Yi Ling asked.

“”Maybe he felt that I embarrassed him.”The corner of the youth’s mouth revealed a bitter smile, “He is the high and mighty sixth clan leader. How can he tolerate a son with mental problems? In this world, only Grandma and mother don’t dislike me!” ”

“”You...”at this point, the spirit pointed at its own head, “You have a problem here?” ”

“The youth was silent for a moment. He didn’t say anything. After a moment, he nodded. ”

The spirit was stunned.

“To be honest, other than calling ye Zhuo grandmother, it really couldn’t see what was wrong with Guangxing. ”

“After a while, the spirit continued, “Then how long have you been locked up?” ”

“The youth shook his head slightly and continued, “I only know that I was 15 years old when I was locked up.” ”

“After that, he led a dark life. ”

He did not even know whether it was day or night.

“Yi Ling widened her eyes in disbelief. “So, you’ve been locked up for five years! You Don’t even know what year it is?” ”

The youth continued to shake his head.

He actually didn’t even know what year it was.

“Hearing this, Yi Ling’s eyes instantly turned red. “Sob sob sob sob sob... you’re too pitiful! A tiger doesn’t eat its cubs, how can the sixth clan leader Be Like This!”Even if Guang Xing’s mental state was really problematic., the sixth clan leader shouldn’t have locked him up! ”

“The youth continued, “Then it’s the year 10026, right?” ”

““Yes.”Yi ling nodded and continued, “Poor child, don’t worry. Follow da Zhuozhuo, no one will dare to lock you up in that large iron cage in the future!” ”

“Da Zhuozhuo?”The youth frowned slightly.

“Yi Ling said, “AH, it’s your grandmother!” ”

"OH."The youth nodded.

"Soon, the aircraft stopped in front of a building. "

"Ye Zhuo stood up and said, "Let's go down first." "

The youth immediately stood up as well.

"Entering the house, Ye Zhuo brought him into the bathroom. "Take a shower first. I'll Get Yi Ling to bring the clothes in for you later." "

"Okay."

"Ye Zhuo continued, "Do you know how to use all the things you take a shower with?" "

The youth shook his head.

""I'll teach you."Ye Zao did it in front of him once. Fortunately, the youth had a good memory and quickly memorized it. "

Ye Zao closed the bathroom door.

"Soon, the sound of running water came from the bathroom. "

"Yi Ling brought a bag of clothes. "Then, open the door! I'll send you clothes!" "

"The next second, the bathroom door was opened and a slender hand stretched out from inside. "

"The skin was very white, a very unhealthy kind of pale. "

“Yi Ling placed the bag on his hand and continued, “Oh right, did great burning teach you how to cut hair just now?” ”

““Yes,” the youth said. ”

“Then cut your hair a little. Your hair is too long!”

“Mm.”

“After saying this, Yi Ling flew to Ye Zao’s laboratory. “Great burning.” ”

“HM?” Ye Zao looked back slightly.

““I feel that Guangxing is so miserable! How can there be a father like the sixth clan leader!” Yi Ling continued, “What kind of stimulation did Guangxing suffer before he went crazy?” ”

Ye Zao picked up the glasses on the table and put them on. “It should be related to Guangxing’s mother.”

“Once she put on the glasses, she seemed to have changed into a different person. ”

The smell of books filled the air.

“Isn’t Guangxing’s mother missing?” Yi Ling asked.

“Ye Zhuo flipped open the books on the table, then he said, “I just checked. Guangxing’s mother is not missing. She should have been killed by the sixth chief by accident. The fifteen-year-old Guangxing hid outside the door and saw everything, so he was provoked!” ”

Yi Ling frowned. "I really didn't see that the sixth chief is such a person! I used to think he was quite good!"

"He also has a motive for getting close to you." Ye Zhuo's tone was indifferent.

"What motive?" Yi Ling immediately asked.

"Ye Zhuo said, "Your body contains a special medicine. As long as you are used as a medicinal lure, Guangxing will be able to return to normal." "

"The sixth clan leader was a person who valued reputation above everything else. He could not bring Guangxing to the hospital, so he set his gaze on Yi Ling. "

""F \* ck!" Hearing this, Yi Ling could not remain calm, "I was wondering why he was so good to me! So there was a conspiracy!" "

"After saying this, Yi Ling continued, "Great Burning, don't tell me you're also going to use me as a medicinal lure for your eldest grandson?" "

"Ye Zhuo laughed lightly, "You Guess?" "

""I guess it definitely won't be!" His collar fell on Ye Zhuo's shoulder, "Great burning is the best for me!" "

On the other side.

There was still one more day before the Changyue Kingdom's general election.

The next day.

The first lady of the mother of the Manxing Kingdom personally came to the Changyue kingdom to congratulate Qiu di.

Ye Lan was very excited when she heard the news.

She was here to pick her up!

Her mother had finally come to pick her up!

Ye Lan washed up and dressed up before arriving at the Qiu residence.

“The First Lady of the Manxing Kingdom was surnamed Zhao, and her single name was Dan.”

“The moment she saw Zhao Dan, four words appeared in front of Ye Lan’s eyes.”

The mother of the world.

This unique temperament of the mother of the nation was something that ordinary people could not imitate.

“”Mom!”After so many years, ye Lan finally saw her mother, and her eyes instantly turned red.”

Mom?

“Zhao Dan frowned slightly and turned to look at Qiu Di. “Miss Qiu, this is?” ”

“Just as Qiu Di was about to speak, ye Lan said, “Mother! I’m your daughter, Full Moon!” ”

She wanted to tell her mother personally that she was not dead and that she was still alive!

Full Moon.

“Upon hearing this name, Zhao Dan’s expression turned extremely ugly. “Where did this crazy woman come from!” ”

“Qiu Di immediately smiled and said, “Madam, she is indeed mentally ill. Don’t lower yourself to her level.” ”

“After saying this, Qiu di turned to look at his assistant. “Zhou Qing! Hurry up and chase this deranged woman out!” ”

“Hearing this, Ye Lan was immediately stunned. ”

“Chapter 2037: 426: too late to regret, Election Day! 1”

“At this moment, Ye Lan thought she was hearing things. ”

What was Qiu di saying?

“Qiu Di said that she was a deranged woman, and he wanted to chase her out? ”

She heard it wrong.

She must have heard it wrong!

Why would Qiu di treat her like this.

“She must have been too happy, so she was hearing things wrong.”

Ye Lan raised her head to look at autumn flute.”... eldest miss.”

“Autumn flute ignored ye Lan’s gaze and turned to look at Zhou Qing beside her. His gaze was ruthless as he said, “What are you still standing there for! Quickly get this lunatic out of Here!” ”

Lunatic!

“This time, ye Lan really heard this term.”

Autumn flute actually called her a lunatic.

How could this be?

“Ye Lan looked at autumn flute. At this moment, her eyes widened.”

There were thousands of reasons why she had to say it.

““Yes, eldest miss.” ”

“Sun Xiaoqian, who was disguised as Zhou Qing, sneered in his heart.”

“Finally, he saw ye Lan suffer retribution! ”

How satisfying!

“In a moment, Sun Xiaoqian walked to Ye Lan’s side, grabbed her wrist, and pulled her out.”

“Autumn flute slowly curved his lips and said in a gentle tone, “Madam, let’s go this way. Don’t let a crazy person ruin our elegant mood.” ”

Zhao Dan glanced at ye Lan and nodded. “Okay.”

Madman!

Qiu Di actually called her a madman.

Ye Lan thought of Granny Fei’s words.

Could it be.

This was all a trap set up by Qiu Di from the start?

No.

It wouldn’t be.

“She was the Princess of the Full Moon Kingdom. The graceful and elegant woman in front of her, who was like a Phoenix, was her mother! ”

“Thinking of this, Ye Lan suddenly broke free from Sun Xiaolu’s confinement and ran to Zhao Dan. She cried, “Mom! Mom! I’m really a full moon! Mom, you’re here to pick me up, right? Mom!” ”

“Looking at the crazy woman kneeling at his feet, Zhao Dan frowned. Then, he lifted his foot and directly threw ye Lan out. ”

Bang!

“Ye Lan was thrown to the ground, blood dripping from the corner of her mouth.”

Ye Lan was also stunned.

Why?

Why did things turn out like this?

Could it be that Qiu Di was lying to her?

Why did Qiu di lie to her?

Because of the management rights of the Ye family base?

Ye Lan’s eyes were filled with disbelief.

““What’s wrong with this crazy woman?”Zhao Dan looked at Qiu Di, his eyes filled with displeasure.”

“Qiu Di immediately lowered his brows and apologized, “Madam, I’m really sorry! I’ll get someone to get her out immediately! You’re the mother of the world, why bother with her?” ”

“Zhao Dan tidied his clothes. He felt that what Qiu di said was reasonable, so he did not say anything.”

It was indeed beneath his dignity to be calculative with a madman.

“Qiu Di raised his voice and said, “Zhou Qing! Zhou Qing! get her out of Here!” ”

“Sun Xiaolu immediately ran over, wanting to grab ye Lan.”

“Ye Lan was after all someone that ye Zhuo had raised, so her skills were naturally much stronger than ordinary people. She directly shook off Sun Xiaolu’s hand and rushed in front of Qiu Di, grabbing onto Qiu di’s collar, “Qiu di! You B \* Tch! You Lied to me! Didn’t you say that I’m the full moon Princess of the Manxing Kingdom? Didn’t you say that the ruler and mother of the Manxing Kingdom are my parents?” ”

“”When did I say something like that! Ye Lan! Why Don’t you look at yourself in the mirror and see how much you weigh!”Qiu di frowned coldly. “Even in your dreams, you dare to dream about being a princess of the Manxing Kingdom! This is simply unreasonable!” ”

“Ye Lan just looked at Qiu di like that, and her eyes could not tell what kind of expression she had. ”

She only felt that she was so stupid.

So stupid that she was pitiful!

Kill her.

She wanted to kill the autumn flute.

Ye Lan narrowed her eyes and reached out to pinch the autumn flute’s neck.

Xiu.

“At this moment, a emei spike flew over quickly. Just as it was about to pierce ye Lan’s temple, Ye Lan released the autumn flute and dodged, avoiding the flying emei spike. ”

“In the next second, Ye Han appeared in front of the autumn flute. He reached out to catch the Emei Spike and turned to look at the autumn flute. “Eldest miss, Are You Alright?” ”

“I’m fine.”Qiu Di cleared his throat.

Ye Lan rushed over again. "Qiu di! I'm going to kill you!"

Killing Qiu Di was the only way to vent his anger.

Ye Han immediately went up and fought with Ye Lan.

Qiu Di looked at the two of them and curled his lips.

Ye Han and Ye Lan were originally siblings.

"Now, it was a dog-eat-dog situation. "

This big show was simply too good to watch.

Unfortunately...

Ye Zhuo would never be able to see it again.

The smug look in autumn flute's eyes became more and more obvious.

"Ye Lan and Ye Han were both taught by Ye Zhuo, but ye Han wanted ye Lan's skills to be much better. In less than three moves, he subdued ye Lan. "

"Although she was subdued by Ye Han, Ye Lan was still unconvinced. She raised her head to look at autumn flute, "Autumn flute! Why did you lie to me! Why did you lie to me! You Slut! Madam, I'm not a lunatic! All of this was Qiu Di's scheme. She lied to me and said that I was your daughter who went missing in the early years, the full moon! Otherwise, I wouldn't have lost my composure in front of you! Madam! Please believe me!" "

Chapter 2038: 426: it's too late to regret. It's the day of the election! 2

“Take him away!” Autumn flute said coldly.

“Ye Han said, “Yes!” ”

““Wait a moment,” Zhao Dan who was standing there said softly. ”

Ye Han continued to walk forward.

“Wait a moment!” Zhao Dan frowned slightly and spoke again.

Ye Han turned a deaf ear.

““Wu Han, didn’t you hear what Madam Said?” Autumn flute followed up. ”

“Only then did ye Han pause. “Eldest miss, do you have any other orders?” ”

“Zhao Dan narrowed her eyes. Could it be that with her status and status, she couldn’t move one of Qiu Di’s followers? ”

“Qiu Di turned to look at Zhao Dan, “I’m really sorry, Madam. Wu Han used to be a follower of Miss Ye, so he’s quite stubborn. When Miss Ye was around, he only listened to miss ye. Now that Miss Ye has left, he only listens to me.” ”

“Hearing this, the anger in Zhao Dan’s eyes disappeared a little. “So that’s how it is.” ”

“After saying that, Zhao Dan seemed to have thought of something and continued, “But I remember. was his surname Ye before?” ”

“Qiu Di nodded. “You really have a good memory. But it’s a long story. I’ll explain it to you when I have time in the future. Oh right, why did you ask him to stop?” ”

Zhao Dan turned the ring on his finger and pointed at Ye Lan. “Let her continue.”

Continue?

“Qiu di continued, “Madam, she’s just a poor person with a mental disorder. You Don’t have to listen to her nonsense.” ”

“”I’m talking nonsense!”! Qiu Di! Who is talking nonsense! Ye Lan said angrily, “Qiu Di, you were the one who set me up from the beginning to the end. You were the one who told me that I was the Manxing Kingdom’s princess... ... “If you hadn’t set me up and Lied to me, would I have thought that I was a Princess?” ”

“Now that she thought about it, ye Lan felt that she was too stupid. ”

Why did she believe Qiu Di’s nonsense?

Why did she believe Qiu Di!

“Qiu Di interrupted ye Lan’s unfinished words, “Shut up! Would I say such nonsense to you? “Ye Lan, I know that ever since Miss Ye’s accident, your mental state hasn’t been very good. I didn’t want to argue with you, but you’re getting more and more ridiculous! “Princess of the Manxing Kingdom, you really know how to Dream!” ”

“After saying this, Qiu di looked at Zhao Dan again, then he said, “Madam, her name is Ye Lan. She is Miss Ye’s foster sister and also the former chief of the Ye family base. Ever since Miss Ye’s accident, she has become like this. I implore you to spare her this once on account of Miss Ye’s face.” ”

""Pretending! You're still pretending! Autumn flute, don't you think you're disgusting?"Ye Lan pointed at autumn flute and said, "Autumn flute, the Heavenly Dao has a cycle of reincarnation and retribution isn't pleasant, you..." "

"Autumn flute directly interrupted ye Lan's unfinished words and said to ye Han, "Ye Han, hurry up and get her out! If you disturb Madam's esteemed presence, who will be responsible!" "

Ye Lan was just about to say something when ye Han used a piece of cloth to cover her mouth and walked out of the door.

"Looking at Ye Lan's back, Zhao Dan frowned slightly and looked at Qiu Di. "That girl is Miss Ye's foster sister?" "

""Yes, her name is Ye Lan. She is Miss Ye's younger sister who was raised by Miss Ye."Qiu Di nodded, then, he said, "Her background is complicated. Because she had a abusive and alcoholic father, her mother brought her out when she was three years old. Unexpectedly, her mother died tragically in front of her on the way. From then on, she became a homeless orphan. "Also, because she didn't have a perfect family since she was young, ye Lan longed to have parents who loved her from a young age. She wanted to be born noble... "... "... " "

"At this point, Qiu di paused. "I just didn't expect that she actually imagined herself as a full moon princess. It seems that ye Lan's condition is getting worse!" "

Qiu Di sighed deeply. No one could tell that Qiu Di was acting.

"After listening to the whole process, Zhao Dan also sighed. She was also a mother who had lost her child, so she knew what it was like to have a child separated from her. "

"Although she had another son and daughter after her eldest daughter went missing, she could not make up for the emptiness in her heart. "

"The eldest daughter was the eldest daughter. No matter how many children she raised later, she could not replace the position of the eldest daughter. "

“What about her father?” Zhao Dan asked.

“Qiu di continued, “That father of his doesn’t deserve to be a father at all. Not only did he abuse alcohol and domestic violence, but he also sold ye Lan’s only elder sister into the Little Red Mansion. It was also because of this reason that miss ye directly cut off all contact between Ye Lan and her father. Think about it, if ye Lan is pestered by such a father, how will she live in the future?” ”

“Chapter 2039: 426: too late to regret, Election Day! 3”

“”In that case, Ye Lan is also a pitiful child.” Zhao Dan’s eyes were slightly red. “Miss Qiu, don’t make things difficult for her.” ”

“Qiu Di nodded and said in a gentle tone, “Madam, don’t worry. Miss Ye and I are old friends. Ye Lan is Miss Ye’s foster sister, so she is my sister. Why would I make things difficult for my own sister?” ”

“His words were kind and understanding, gentle and generous. No one would have thought that the instigator of this matter was her. ”

“Zhao Dan smiled at Qiu Di and continued, “Miss Qiu is indeed a bodhisattva.” ”

“”Madam, you must be joking.” Qiu di continued, “Don’t talk about me. If it were anyone else, they wouldn’t make things difficult for ye Lan either.” ”

Zhao Dan nodded. He was even more satisfied with Qiu Di.

“If the full moon wasn’t dead, it would be the same size as Qiu Di. When he thought of this, a loving look appeared in Zhao Dan’s eyes. ”

Her daughter would definitely be as gentle and beautiful as Qiu Di.

“Qiu Di was a little embarrassed as he touched his hair. “Why are you looking at me, Madam? Is there anything wrong with Qiu Di’s appearance?” ”

“”No.”Zhao Dan shook his head and continued, “I just suddenly remembered that if the full moon was still around, it would be the same size as you. If she was still around...” ”

“Qiu di smiled and said, “Madam, if you don’t mind, you can treat me as a full moon princess. It’s my honor to be the same age as a full moon princess.” ”

“Zhao Dan’s face was full of smiles, but the smile did not reach his eyes. ”

“Although Qiu Di was good, it could not replace the position of her eldest daughter in her heart. ”

...

Ye Lan was thrown out of the door by Ye Han.

Ye Lan sat on the ground and looked at Ye Han. “Ye Han! Do you think you haven’t seen Qiu Di’s true face? She is not ye Zao’s Savior at all! All of this is her trap!”

Ye Han looked at Qiu di without any expression on his face and did not say anything.

“”Ye Han, wake up!”Ye LAN continued, “If you don’t wake up, you’ll end up worse than me!” ”

“In the past, ye Lan thought that autumn flute was a good person and truly planned for them. ”

But now it seemed.

Ye Lan was a scheming woman from the beginning to the end!

""When autumn flute takes this position, she won't let you off! Ye Han, let's Join Hands!" "

"Saying this, Ye Lan's eyes were filled with light. "

Join hands.

"Once she joined hands with Ye Han, she would definitely see Hope! "

""I am Wu Han,"ye Han said in a cold tone. "

""No! You Are Ye Han! Don't listen to that Slut Qiu di's nonsense! You Are Ye Han!"Ye Lan looked at Ye Han, she tried to awaken his memories. "Ye Han, have you forgotten ye Zao? If it wasn't for ye Zao back then, you would have died! You said that you would protect ye Zao for the rest of Your Life!" "

"Hearing this, Ye Han suddenly felt a violent pain in his head. There seemed to be a white light flashing in his mind, but when he looked carefully, he could not see anything. It was as if the scene just now was an illusion. "

"Slut! Qiu Di is a slut!"

Ye Han frowned slightly and rushed over. His right hand grabbed ye Lan's neck. "Who are you calling a slut?"

Ye Han would not allow anyone to insult the autumn flute.

"Ye Lan's eyes were red from being pinched. "Ye Han, let go of me quickly! I was wrong, let go of me!" "

""Say it again, my name is Wu Han." "

""Wu Han! Wu Han!"Ye Lan immediately changed her words. "Let go of me first, I swear I won't dare." "

“Only then did ye Han let go of Ye Lan’s neck. He clapped his hands and stood up, looking at ye Lan just like that. His gaze was full of warning. “If I hear you insult the eldest miss again, I’ll make this day next year become your death anniversary.” ”

“Ye Lan hugged her neck, breathing in large mouthfuls of fresh air. ”

Just now.

She almost thought that she was going to die.

“Ye Han looked at Ye Lan as if he was looking at an ant. In a moment, he turned around and left. ”

“Looking at Ye Han’s back that was about to disappear from her sight, ye Lan raised her voice and shouted, “Ye Han! Ye Han!” ”

But Ye Han did not even turn his head.

“Ye Lan sat on the spot, almost crying her eyes out. ”

She regretted it.

She really regretted it.

“She regretted being in cahoots with Qiu Di, and even more regretted listening to Qiu Di’s slander and giving up the management rights of the Ye family base to her. ”

What should she do now?

What should she do?

Nothing.

She had nothing now.

Her only hope was to find her biological parents.

“After a long time, ye Lan realized. ”

She still had her parents to rely on.

Right.

She needed to find her biological parents right away.

“Even if her biological parents were ordinary people, she would accept it. ”

“Chapter 2040: 426: too late to regret, Election Day! 4”

“At most, she could live a normal life from now on. ”

Ye Lan got up from the ground and walked towards the aircraft.

“Although she was no longer the chief of the ye base, her connections were still there. ”

Ye Lan adjusted her emotions and went to the population bureau to input the DNA into the database.

"The staff looked at Ye Lan. "Ms. Ye Lan, please wait for a while. We will inform you when the report is out." "

"How much longer do you need to wait?"Ye Lan asked.

""About two hours,"the staff member replied. "

Ye Lan was stunned. "So Soon?"

She had also come to the Census Bureau to check before.

"But at that time, the staff member's reply to her was always unsearchable "

It was all ye Zao's fault.

It was all ye Zao's fault.

"If ye Zao had not stopped her from looking for her parents, she would not have been deceived by Qiu Di. "

"Ye Zao could not find her biological parents, but he still had to stop her from looking for her parents! "

How could there be such a disgusting person in the world?

""Because your information was previously encrypted, it is in an unsearchable state."The staff member continued, "Today is a rest day. If it was a working day, it would be even faster." "

Ye Lan nodded.

The process of waiting was very torturous.

“But when she thought about how she would be able to meet her parents soon, even if her family was not that prominent, ye Lan felt very satisfied. ”

“In fact, there was nothing bad about the life of an ordinary person. ”

She liked the life of an ordinary person.

“Time passed by minute by minute, and soon, two hours had passed. ”

The staff member walked over with the information.

“”Hello, Ms. Ye Lan.” ”

“Hello.”Ye Lan immediately stood up from her chair.

“The staff member passed the information to ye Lan and said, “This is all the information about your family. Please take a look. I hope you can untie the knot in your heart and reunite with your family as soon as possible.” ”

“Thank you.”Ye Lan took the information.

“She did not open it immediately. Instead, she brought the information back to her residence. After burning incense and cleaning her hands, she opened it. ”

The first page was her father’s information.

Zuo Shunguo.

Male.

50 years old.

“Seeing this, Ye Lan frowned slightly. ”

Zuo Shunguo?

Why did she feel that this name was a little familiar.

It seemed that the scumbag that Grandma Fei had mentioned was called Zuo Shunguo.

Could it be...

Things were really as Grandma Fei had said.

“Her father was a scumbag who sold his daughter for Glory. Her mother was dead, and her sister had been sold? ”

No.

It wouldn't be like that.

It definitely wouldn't be like this.

Ye Lan comforted herself in her heart and tried her best to calm herself down. She continued to read.

“Changyue country, Donglin country, native place, full. ”

“Zuo Shunguo had a long-term alcoholism and a violent personality. He had two daughters with his wife. His eldest daughter, Zuo Shiqing, lived in a small red house and sold her arts. His youngest daughter, Zuo Huayi, was taken out by her mother at a young age. Her whereabouts were unknown. ”

“Ye Lan’s fingertips were trembling from the beating, but she still turned to the second page. ”

Murong Qi.

Female.

50 years old.

A native of Changyue and Donglin. She was born in Manchuria.

“In 10042, because she could not stand her husband’s domestic violence, she ran away from home with her youngest daughter. After that, she died in an accident. ”

Zuo Shiqing.

Female.

22 years old.

A native of Changyue and Donglin. She was born in Manchuria.

“In 10058, she was sold into the little red mansion by her father. ”

“Seeing this, Ye Lan couldn’t help but burst into tears. ”

Why.

Why did fate play such a joke on her.

“How could she have such a father, such a mother, and such a sister! ”

She just wanted to have a family.

“Even if there was only one in the family, she would accept it. ”

“But now, reality had played such a joke on her. ”

“Even in her dreams, ye Lan did not expect that everything that Grandma Fei told her was true. ”

Everything was true!

“”Sister, sister, I’m Sorry!”Ye Lan shouted, “I’m Sorry!” ”

“If she had known earlier, she would not have betrayed ye Zhuo no matter what. ”

This was all her fault!

“If it were not for her betrayal, ye Zao would not have died. ”

“Ye Zao had treated her so well and given so much for her, but she had repaid kindness with enmity. ”

Regret.

“Ye Lan was really regretful, so regretful that even her intestines turned green. ”

“Thinking of her previous foolish self, Ye Lan could not stop crying. ”

Now...

Did she still have a chance to redeem herself?

“Right at this moment, ye Lan seemed to have thought of something. She immediately stood up from the chair, wiped the tears off her face, and walked out of the door. ”

She was going to look for Grandma Fei.

“Grandma Fei treated her better than her own granddaughter. If she made a mistake and repeatedly came to persuade her, Grandma Fei would definitely forgive her. ”

“Ye Zhuo and Grandma Fei were like blood-related grandchildren. As long as Grandma Fei forgave her, Ye Zhuo would definitely forgive her too. ”

“Thinking of this, Ye Lan felt much better. ”

The flying machine was very fast.
