“Chapter 2041: 426: too late to regret, Election Day! 5”

“In less than 10 minutes, they arrived at Grandma Fei’s house. ”

Ye Lan got off the aircraft and pressed the doorbell frantically.

Grandma Fei opened the door.

She was not very surprised to see ye Lan with tears streaming down her face.

Ye Lan had trapped herself in a cocoon and refused to listen to advice. She had long known that she would end up like this.

“”Why are you still kneeling here?”Grandma Fei looked at ye Lan and continued, “Who has the guts to actually make the Manxing kingdom’s princess kneel?” ”

“When she heard the words ‘princess’ again, Ye Lan felt that it was very ironic. ”

It was also a little disgusting.

“Ye Lan sniffed and said with red eyes, “Grandma Fei, I’m not the Princess of the Manxing Kingdom, I’m Ye Lan!” ”

“”Let me ask you, where is the management rights of the base?”Grandma Fei continued to ask. ”

Ye Lan did not say anything.

“Grandma Fei frowned and said, “You gave the base to Qiu Di?” ”

“Yes.”

“Hearing this, Grandma Fei was so angry that she almost died from anger. ”

“Just yesterday, she had tried to persuade Ye Lan. She did not expect that ye LAN would still give the management rights of the base to Qiu Di. ”

She was as stupid as a pig!

The Ye family base was ye Zao’s blood and sweat.

Ye Lan did this to kill ye Zao’s heart.

“Grandma Fei covered her heart and said angrily, “You gave the ye family base to someone. Why are you still kneeling here? Are you deliberately disgusting people?” ”

She wondered why ye Lan was kneeling here.

So there was no way out.

“”Grandma Fei! Grandma Fei!”Ye Lan grabbed Grandma Fei’s hand and knelt on the ground. “Grandma Fei, I was wrong. I know I was wrong! Please forgive me, Okay?” ”

“”You weren’t wrong.”Grandma Fei pulled her hand back and said expressionlessly, “I was wrong.” ”

She was wrong to have any expectations for ye Lan.

She was wrong to think that ye Lan still had a shred of conscience.

“Grandma Fei, please don’t do this.”Ye Lan cried bitterly, “I really know I was wrong. I know that elder sister was doing this for my own good. I was the one who bit Lu Dongbin and didn’t know how to appreciate the kindness of others! “I was wrong. Grandma Fei, please forgive me for once on account of my young age. I swear! “I swear there won’t be a next time!” ”

“As long as she was given another chance, she would never be as ignorant and stupid as before! ”

She wanted revenge!

She wanted to stomp the autumn flute under her feet ruthlessly.

“Late-comers admit their mistakes more lowly than grass!”Grandma Fei looked at Ye Lan like this. “Ye Lan, there are some mistakes that can not be made up for even if you repent!” ”

“I can make it up! I can make it up!”Ye Lan said.

A prodigal son can never be changed.

She swore that she would be a good person in the future and would never repeat the same mistake.

“Grandma Fei continued, “Can you let those people who died because of you come back to life?” ”

“Hearing this, Ye Lan was stunned. ”

Her tears dripped onto the floor one drop at a time.

“Grandma Fei Sighed, then she said, “If it weren’t for you, nothing would have happened to Luoluo. If nothing had happened to Luoluo, Ye Han would not have become like this! The Ye family’s base wouldn’t have been easy either! Those innocent people wouldn’t have disappeared either! Ye Lan, do you still think you can make up for it now?” ”

Ye Lan wasn't regretting her mistakes.

She was desperate. admitting her mistakes was the only way she could choose.

"As long as she had a last way out, she wouldn't come and admit her mistakes. "

"After yesterday's incident, grandmother Fei had completely recognized ye Lan. "

"Hearing these words..,"

ye Lan's hands hung down weakly. All the strength in her body was sucked away in that instant.

It was unbearable.

She seemed to have a ball of pent-up anger in her heart and couldn't get out no matter how hard she tried.

Why was everyone unwilling to forgive her?

No.

Grandma Fei had to forgive her.

If Grandma Fei didn't forgive her... She really had no way out!

""Grandma Fei,"Ye Lan raised her head and looked at Grandma Fei, "You treated me like your own granddaughter since I was young. I have always treated you like my own grandmother. If I were your own granddaughter and had the same blood as you, would you still be so cruel to me today?" "

“Your own grandmother?” Grandma Fei found it funny, then she said, “When you thought you were the princess of the Manxing Kingdom, why didn’t you think of me as your own grandmother? “You ran to me because you had nowhere else to go and shed a few crocodile tears! “Ye Lan, do you still have a conscience?” ”

“Grandma Fei, please forgive me!” Ye LAN continued, “It’s not my fault that I caused the consequences today. Do you think that I alone can kill sister?” ”

“Sister?” Grandma Fei looked at Ye Lan, her eyes full of sarcasm. “Who are you calling sister? Who is your sister?” ”

“Chapter 2042: 426: too late to regret, the day of the election! 6”

Ye Lan did not say a word.

“Grandma Fei continued, “Ever since you betrayed searing, you have no right to call her sister! She doesn’t have a sister like you, and you are even more unworthy of the surname Ye! Your surname is Zuo, and your name is Zuo Huayi!” ”

“No, my surname is not Zuo,” ye Lan cried, “My surname is Ye! My Name Is Ye Lan! Grandma Fei, please don’t treat me like this!” ”

She had nothing now. Was Grandma Fei going to cancel her right to have her surname Ye?

“Zuo Huayi, you can go!” Grandma Fei continued, “From now on, we will return to the bridge, and the road will return to the road. We have nothing to do with each other anymore!” ”

“After saying this, Grandma Fei closed the door. ”

“Ye Lan looked at the closed door, her eyes filled with despair. ”

“She didn’t expect Grandma Zuo to be so resolute, and she didn’t expect herself to end up in this state.”

She couldn’t give up.

“Ye Lan said loudly, “Grandma Fei, if you don’t forgive me, I will kneel at your door for a long time.” ”

She was a child that Grandma Fei had watched grow up with her own eyes. She believed that Grandma Fei wouldn’t be able to watch her like this.

Ye Lan knelt there just like that.

...

On the other side.

Yi Ling was curled up on the sofa. Guang Xing was holding a hair dryer to blow its fur.

““Here, here a little. Yes, yes, yes, that’s it!”Yi Ling was directing him to blow in that direction. ”

“Guang Xing, who had been washed up, seemed to have changed into a different person. ”

He was full of vitality.

“If one did not see it with their own eyes, who would believe that this was the same person as the unkempt youth from before. ”

“Moreover, Guangxing’s adaptability was very fast. He could learn many high-tech products as long as he was told once. ”

“After drying the fur on his body, Yi Ling sat there like an old man and said, “Guangxing, bring me a strawberry-flavored nutrient solution.” ”

“Before this, the nutrient solution of Changyue had the same taste.”

It was bitter and astringent.

This fruit-flavored nutrient solution was ye Zhuo’s new product and had not been promoted yet.

“Okay.”Guang Xing nodded and turned around to get the nutrient solution.

“After taking a few steps, Guang Xing stopped and looked at Ye Zhuo. “Grandma, do you want it?” ”

Grandma?

“Although she had been called ‘Grandma’by Guang Xing for almost a day, ye Zhuo was still not used to it. She gulped and turned to look at Guang Xing. “You should call me sister.” ”

She was only twenty-one years old...

How did she become a Grandma?

““Yes,”Yi Ling followed. “Just call me sister Zao.” ”

““No,”Guangxing’s eyes were very determined. “You Are My Grandma.” ”

Ye Zao:” ...”

“Yi Ling covered her mouth and snickered. “Big Zao, this great grandson of mine fell from the sky. Don’t give him up for nothing.” ”

“Ye Zao said somewhat helplessly, “Alright, you can call him whatever you want.” ”

“The corners of Guang Xing’s mouth curled up into a smile. “Grandma, what flavor of nutrient solution do you want?” ”

“”En.”At this moment, Ye Zao was indeed a little hungry. After hesitating for a moment, he continued, “White Peach Flavor.” ”

“Okay.”

“Very soon, Guang Xing brought two different flavors of nutrient solution over. ”

“Ye Zao drank a small mouthful of nutrient solution. When it entered his mouth, a burst of peach blossom fragrance assailed his nostrils, followed by a thick peach flesh and fruit fragrance. It was as if he was really eating peaches. ”

She really missed the delicacies on earth.

“In the days since she came to changyue, ye Zhuo had been relying on these nutrient solutions to prolong her life. ”

“She didn’t think much of it in the past. After all, the people of Changyue ate nutrient solutions. But now, it was different. She had eaten so many delicious foods, and her stomach had long been spoiled. ”

“”It’s really too delicious!”Yi ling sighed, “Da Zhuo Zhuo, are the strawberries on earth really that delicious?” ”

“”En.”Ye Zhuo nodded slightly and continued, “The delicious things on Earth are far more than these fruits!” ”

“Then what else is there?”Yi Ling asked.

“Ye Zhuo thought for a moment and continued, “Something that tastes ten times, a hundred times better than the strawberry nutrient solution!” ”

“Really?”

“”En.”Ye Zhuo continued, “After I finish the things on hand, I’ll bring you to Earth to see the world.” ”

“Upon hearing this, stars almost appeared in Yi Ling’s eyes. She jumped up and said, “Okay, okay! Long live the Burning Sun!” ”

“After finishing the nutrient solution, ye Zhuo noticed that Guangxing’s hand was empty. It was lunchtime now. Was Guangxing not hungry? ”

“Why don’t you take a nutrient solution?”Ye Zhuo asked.

Guangxing shook his head. “I’m not hungry.”

“”It’s been six hours since breakfast. You’re not an Iron Man, so how can you not be hungry?”Ye Zhuo continued, “Guangxing, in the future, treat this place as your home. You can do whatever you want to eat.” ”

“Chapter 2043: 426: too late to regret, Election Day! 7”

“Okay.”Guangxing nodded.

“After saying that, Guangxing looked at ye Zhuo and asked carefully, “Grandma, can I really treat this place as my home?” ”

“Yes.” Ye Zhuo said very seriously, “If you don’t treat this place as your home, I will be angry!” ”

“Upon hearing this, Guangxing’s expression immediately changed. He immediately said, “Grandma, don’t be angry. I will treat this place as my own home from now on!” ”

“After saying that, he quickly ran over to get the nutrient solution. ”

“Yi ling smiled and said, “This Guangxing, why is he like a Child?” ”

“Ye Zhuo said, “He was just a child to begin with.” ”

“When he was locked in the basement, Guangxing was only 15 years old. ”

“Although five years had passed, to Guang Xing, these five years were no different from a pause. ”

Wasn’t 15 years old just a child?

“Yi Ling continued: “Oh right, Da Zao Zao, why hasn’t ye Xiao Han come to look for you?” ”

“Ye Han had taken the antidote for quite some time, logically speaking, he should have recovered his memories by now. ”

“There was no movement at all, making Yi Ling worried. ”

“Ye Zhuo’s expression was indifferent, “Don’t worry, we will be able to see the sun soon.” ”

“Great burning, is ye Xiao Han really alright?” Yi Ling asked. ”

“Ye Zhuo said, “Don’t worry, he will be fine.” ”

“Seeing ye Zhuo’s calmness, Yi Ling did not say anything else.”

Ye Zhuo’s time was peaceful.

But the sixth clan leader’s side wasn’t so peaceful.

“When the sixth clan leader stepped into the basement and saw the empty iron cage, he even thought that he was hallucinating.”

Where was Guang Xing!

Where did Guang Xing Go!

“Xing ‘er! Xing ‘er!”The sixth clan leader shouted, “Xing ‘er, where are you!” ”

Only the echo in the basement responded to him.

“However, the six clan leaders still couldn’t speak. He announced to the public that Guang Xing had entered the military academy. If he were to search for Guang Xing in such a high-profile manner, wouldn’t that be a disguised admission that Guang Xing didn’t go to the military academy at all and that the Guang family had gone crazy?”

“Therefore, he could only keep this matter to himself and secretly search for him. He absolutely couldn’t let anyone discover any clues.”

“The Guang family was already a prominent family. Who knew how many families were waiting for him to make a mistake outside, waiting to see them become a laughingstock!”

“The sixth clan leader immediately contacted his trusted aide, Li Rongfa.”

“Very soon, Li Rongfa arrived at the basement. ”

“”Sixth clan leader, what important matter do you have for me?” ”

“The sixth clan leader frowned, “Xing ‘er, Xing ‘er has disappeared.” ”

“Hearing this, Li Rongfa raised his head in shock, “Little Young Master has disappeared? When did this happen?” ”

“The sixth clan leader shook his head, “I came to see him five days ago.”By the time he came back, the basement was already in this state. ”

“Li RONGFA continued, “Have you checked the surveillance cameras?” ”

“The surveillance cameras did not capture any meaningful scenes.”The sixth clan leader said.

“Li Rongfa scratched his head, “Sixth clan leader, don’t be anxious. I will immediately arrange for people to look for him. I believe that we will definitely find the young master.” ”

“The sixth patriarch nodded and continued, “If we find him, then...”speaking up to this point, the sixth patriarch made a ‘slit his throat’gesture. ”

“Rather than letting Guang Xing go out and embarrass himself, it would be better to just let him disappear from this world.”

The sixth patriarch was already beginning to regret why he did not kill Guang Xing at that time.

“If he could have hardened his heart five years ago, things would not have become like this. ”

“Thinking of this, the sixth clan leader sighed. ”

“Seeing this, Li Rongfa hesitated for a moment before continuing, “Sixth clan leader, the young master is your only son after all, you...” ”

“The sixth clan leader’s face was full of pain, “How could I not know that he is my only son? Do you think that my heart is not uncomfortable at all? But things have already come to this point, in order to protect the Guang family’s reputation, I can only use this last resort!” ”

“He was already so old. He did not want to experience the pain of losing his only son. But now, he had no other choice.”

But he had to do it!

“After Li Rongfa dealt with Guang Xing, he would immediately issue an obituary saying that Guang Xing had died on the battlefield.”

“This way, not only could he protect the Guang family’s reputation, but he could also explain Guang Xing’s death. It was killing two birds with one stone.”

“Li Rong fa sighed, “Alright, since you’ve already decided, sixth clan leader, I’ll be leaving first.” ”

Sixth clan leader nodded.

Li Rong Fa turned around and left.

“Just as Li Rong FA was about to leave the basement, sixth clan leader suddenly spoke, “Wait a moment.” ”

“Do you have any other orders?” Li Rong Fa stopped in his tracks and turned to look at sixth clan leader.

“The sixth clan leader continued: “No matter what, Xing ‘er and I are father and son. You, you leave his corpse intact and let him leave with dignity.” ”

This was the last thing the sixth clan leader could give to Guangxing as a father.

“He hoped that in the next life, Guangxing would be a normal person and not have to suffer like this again.”

““Yes.” Li RONGFA nodded, “Don’t worry, I will give young master dignity.” ”

“You go.” The sixth clan leader waved his hand.

Li Rong Fa turned around and left.

“The sixth clan leader stood on the spot, covering his face and crying bitterly, “Xing ‘er! Xing ‘er! It’s Daddy who has let you down! If you want to blame, blame daddy! I hope that you can be a healthy person in your next life, and we can still be father and Son!” ”

The sealed basement was filled with the cries of the sixth clan leader.

This voice made people somewhat moved.

“Li Rongfa’s footsteps also slowed down, but soon, he returned to his normal speed.”

Time passed very quickly.

“In the blink of an eye, it was the day of the general election ”

“All the ruling families of Changyue were gathered on the first floor, guessing who the new female monarch of Changyue was.”

“I heard that the female monarch chosen by the eight great clans is Qiu Di!”

“Qiu Di?” A white-bearded old man frowned slightly. “How come I’ve never heard of this name before?”

“Hearing this, that person said, “Don’t say that you’ve never heard of it! I’ve never heard of it either! But since it’s chosen by the eight great clans, there shouldn’t be any problems.” ”

The eight great clans were the most loyal subordinates of Ye Zhuo.

The female monarch chosen by them together couldn’t be wrong.

“At this moment, another person at the side slowly spoke, “Didn’t a prophet predict three hundred years ago that a person with the surname Qiu would not be able to become the country’s ruler? Now that the eight great clans have chosen autumn flute, aren’t they afraid of facing the calamity of extermination?” ”

“When these words were said, everyone looked at each other in dismay. They could see the puzzlement in each other’s eyes. ”

““If I had to say, this matriarch should be the successor. Miss ye should be the one to personally announce it! What’s with the inexplicable change of person?” ”

“Other than the insiders, no one else knew about the news of ye Zhuo’s accident. When the eight great clans announced the news to the public, they announced that Ye Zhuo was going to retire and hand over the position of female sovereign to Qiu Di. ”

““Brother Yu, what you said makes sense! None of us are willing to submit to Miss Ye! What’s with this inexplicable person surnamed Qiu?” ”

“Hearing this, the others nodded. ”

“The white-bearded elder continued, “I don’t know if you’ve heard the news, but it says that miss ye has already died.” ”

“Chapter 2044: 426: Ye Zao appearing in the election, Qiu Di and the rest were dumbfounded! 1”

Dead?

What did ‘dead’ mean?

‘dead’ and ‘dead’ meant ‘agreed’.

‘Ye Zao died! ??’

How was this possible! !

“Hearing this, the few people at the side stood up almost at the same time. “What nonsense are you spouting! What Death? How did Miss Ye Die! Don’t you know that such words can not be casually said?” ”

“The white-bearded elder immediately said, “Calm down! Calm down! Everyone, calm down. I didn’t say this. I’m just hearsay.” ”

““Even if it’s hearsay, you can’t say such things.” Yu Zhenfei loosened his collar, looking like he was about to fight, “Miss Ye usually treats us quite well, especially you, Bai changhu. Ask yourself, have you received any less favor from Miss Ye?” ”

“Hearing this, the others at the side all nodded, feeling that Yu Zhenfei’s words were very reasonable. ”

“Apart from life and death, there were no major matters. ”

Bai changhu should not joke about this matter!

“Brother Yu, and everyone, listen to me. I saw that we are all not outsiders, so I spoke about this matter today.”The white-bearded elder stroked his beard, “I don’t wish for anything to happen to miss ye either, but now, such rumors are spreading. There’s no smoke without fire. I don’t have any other intentions. I’m just afraid that something has really happened to Miss Ye!” ”

“At this point, Bai changhu lowered his voice, “Miss Ye hasn’t appeared in front of all of us for several months. Now, she suddenly announced her retirement and even wants to pass on the position of female sovereign to Qiu Di. Don’t you all feel that there’s something strange about this matter? I suspect that Miss Ye has been controlled by someone!” ”

Strange.

“Of course, it was strange. ”

“After all, before ye Zao announced his retirement, there were no signs. ”

“Even when he announced the new female sovereign, she did not appear. ”

“Hearing this, Yu Zhenfei’s expression calmed down a little. ”

“Controlled?”Liu Zhengting frowned slightly. “Miss Ye is so powerful. Who can control her?”

“It’s easy to dodge an open spear but hard to guard against an arrow in the dark,”Bai changhu said. “I’m afraid that Miss Ye has been plotted against!” ”

“Hearing this, the others looked at each other and didn’t say anything. ”

“Those who can plot against Miss ye are definitely not outsiders.”Yu Zhenfei looked outside. “There must be a traitor among the eight great clans!”

“Brother Yu is right.” Bai changhu nodded. “Apart from the eight great clans, I see that Ye Lan and ye Han are also revealing something strange everywhere!” ”

“These eight great clans are really something else! If it wasn’t for Miss Ye back then, the eight great clans would be what they are now!” ”

“As soon as he finished speaking, Liu Zhengting slammed the table and stood up. His face was filled with anger.”

“Because the commotion was too loud, the surrounding people all looked over.”

The atmosphere also became strange at this time.

“Yu Zhenfei immediately stood up and smiled at everyone. “I’m sorry, everyone. His mind is a little muddled today...” ”

Only then did Liu Zhengting realize that he had lost his composure and returned to his chair.

“Bai changhu continued, “Mr. Liu, don’t be too agitated. These are just our guesses. Miss Ye has done the eight great families a favor. I believe that they won’t easily betray Miss Ye. “Before we get the evidence, we can’t directly convict the eight great families.” ”

Yu Zhenfei nodded. “Let’s first look at the situation and the eight great clans’arguments.”

“Although the eight great clans had a high status in the Chang Yue Kingdom, people like them who were loyal to ye Zhuo were not to be trifled with.”

“Sun Bing, who had not spoken all this while, nodded. “Old Yu’s words make sense. Perhaps this is Miss Ye’s arrangement.” ”

Liu Zhengting slowly calmed down.

“As more and more people gathered, the main hall became noisy.”

“At this moment, the noisy atmosphere suddenly quieted down.”

Bai changhu looked outside.

“He saw that with the head chief, Shangguan Jue, as the leader, the eight heads of the eight great clans were all walking over.”

“Bai changhu continued, “Brother Yu, you guys wait here. I’m going to take advantage of my seniority.” ”

Yu Zhenfei nodded.

Bai changhu tidied up his sleeves and went over to greet him.

““Head chief, and the other seven clan heads. Long time no see.” ”

“The head chief, Shangguan Jue, smiled and shook hands with Bai changhu. “Old Mister Bai.” ”

“Bai changhu smiled and said, “I wonder if Miss Ye will come for today’s election?” ”

“The smile on Shangguan Jue’s face did not change. He continued, “I might have to disappoint old Mister Bai. Miss ye has already delegated full authority to our eight great clans for today’s election. She might not come.” ”

““If Miss Ye doesn’t come, what election is this?” Bai changhu’s words were neither light nor heavy. It was as if he was questioning the head chief, but also as if he was joking. ”

“Chapter 2045: 426: Ye Zhuo appearing in the election, Qiu Di and the others were dumbfounded! 2”

There was a few seconds of silence in the air.

Shangguan Jue did not say anything.

“Sixth Elder walked forward and said, “Elder Bai, in a while during the election, we will announce another piece of news. At that time, we will naturally explain to everyone why Miss Ye was absent from the election.” ”

Another piece of news?

“Bai changhu nodded. “Alright, then I’ll wait for this explanation. Goodbye.” ”

“After saying that, Bai changhu turned around and left. ”

Bai changhu returned to his seat.

“Liu zhengting said impatiently, “How is it? What did Shangguan Jue tell you just now?” ”

“Bai changhu said, “They said that Miss Ye will not appear tonight. Apart from the election, they will announce another piece of news.” ”

“Another piece of news?” Yu Zhenfei narrowed his eyes. “What’s the other piece of News?”

Bai changhu shook his head. “But the glory sect said that this piece of news will explain to everyone why Miss Ye will be absent from the general election.”

“Liu zhengting continued, “Then let’s wait for the eight great clans to give us an explanation! I’d like to see what kind of explanation they can give!” ”

“At this moment, another commotion came from the entrance.”

The few of them turned their heads to look.

They saw a middle-aged woman with an aura of jewels and a myriad of manners walking in.

There were two bodyguards behind the woman.

“Isn’t that Manxing country’s first lady, Zhao Dan?” Yu Zhenfei recognized the noble woman who was walking in with a glance.

“Why is Zhao Dan Here?” Someone asked from the side.

“Yu zhenfei continued, “At this juncture, he must be here to attend the ceremony.” ”

Bai changhu narrowed his eyes. “It seems that this election is a foregone conclusion!”

“Otherwise, the first lady of the Manxing Kingdom wouldn’t have come to attend the ceremony.”

“I don’t understand. What is so special about this autumn flute?” Liu Zhengting frowned slightly, “Three hundred years ago, a prophet predicted that there must not be a ruler with the surname Qiu in Changyue. Otherwise, the country will be destroyed. What are the eight families thinking?” ”

Yu Zhenfei sighed and didn’t say anything.

Time passed very quickly.

The Countdown to the general election was about to begin.

“After the host said a few words, the chief chief, Shangguan Jue, came up to the stage and spoke. ”

“Shangguan Jue stood at the head of the rostrum with his hands on the rostrum. He looked at the people below the rostrum and slowly said, “First of all, thank you for taking time out of your busy schedule to participate in our changyue country’s general election.” ”

“As soon as he finished speaking, there was a warm applause below the rostrum. ”

“”Next, I would like to introduce a few distinguished guests. First of all, the representative from Manxing country, Ms. Zhao Dan!” ”

“Zhao Dan stood up and smiled at everyone. “Good morning, everyone. I’m Zhao Dan. It’s a pleasure to meet you all here. It’s also an honor to meet you all.” ”

“After saying this, Zhao Dan sat down. ”

“After the applause, Shangguan jue continued, “Next is the secretary-general of the General Alliance, Mr. Lin Zheng.” ”

“Lin Zheng was the secretary-general of the General Alliance. He was 45 years old this year, and his hair was a little gray. Looking at him like this, he looked very kind. ”

“After introducing the distinguished guests, Shangguan Jue looked at the audience below the stage, he said, “Next, it’s the segment we are looking forward to the most, and the main character of tonight. She is the next female monarch of Changyue. Let’s welcome Miss Qiu Di!” ”

It was very awkward.

“This time, not only did the audience not clap, but everyone was talking about it. ”

“In changyue, there was a general election held every three years. ”

A monarch who gained the people's approval could continue to be elected.

"If they did not gain the people's approval, they could only vote for a reelection."

This was the first time everyone had seen someone like this who directly announced the next female monarch.

What was this?

"The next female monarch! Why is it the next female monarch! Miss ye is our eternal female monarch!"

"Who's Qiu Di?"

"Where's Miss Ye?"

"Why would she suddenly change female monarchs? Don't try to trick us with the retirement tactic. We won't believe it until we hear Miss ye announce her retirement!"

Someone stood up from his seat. "We only admire miss ye! Let Miss Ye come out!"

"Right! Let Miss Ye come out! We want to see Miss Ye."

"Qiu Di, who was wearing a phoenix robe and standing backstage, frowned deeply when she heard this."
"

A group of unruly people!

How Long had Ye Zhuo been dead? They were still thinking about ye Zhuo!

Just wait.

“After she took office, she would make all of these people pay the price!”

“Everyone’s reaction was within the Great Patriarch’s expectations. After all, Ye Zhuo’s influence on the Chang Yue kingdom was not just for show.”

“Chapter 2046: 426: Ye Zhuo appears in the election, and Qiu Di and the others are dumbfounded! 3”

“Shangguan Jue gently raised his hands and said in a gentle tone, “Everyone, please listen to me.” ”

“Silence did not return to the air immediately, but his voice was much softer than before.”

“Shangguan Jue continued, “Miss Ye is a wise monarch. Not only do you miss her, but we also miss her. However, some things can not be stopped just because we can’t bear to part with her! “Autumn flute is a female monarch that Miss Ye has personally chosen. It has also gone through the assessment of our eight great clans. Please rest assured that our eight great clans are wholeheartedly thinking of the prosperity of Changyue state and will absolutely not deceive you.” ”

“At this point, Shangguan Jue paused and said, “Please believe in Miss Ye and also believe in our eight great clans.” ”

“With that, Shangguan Jue bowed to the crowd.”

The crowd below the stage discussed animatedly.

The new female sovereign was personally chosen by Ye Zhuo?

How was that possible!

“Head patriarch,” Bai Changhu stood up. “I have something to say.” ”

“The head patriarch looked up and nodded. “Old Mister Bai, please speak.” ”

“Bai changhu continued, “Since you said that the new female sovereign’s autumn flute was personally chosen by Miss Ye, then please ask Miss Ye to come over. We all want to hear Miss ye personally announce this news.” ”

“As soon as these words were said, everyone immediately echoed, “Old Mister Bai is right! We should let Miss ye personally announce this news.” ”

“Miss Ye!”

“Miss Ye!”

“Before ye Zao appeared, Changyue was no different from a plate of loose sand. ”

“After ye Zao appeared, Changyue became more like a country. ”

Prosperous and prosperous.

River Clear Sea Yan.

“Moreover, Ye Zhuo never felt that she was a female sovereign, never putting on any airs of a female sovereign. Therefore, everyone always addressed her as Miss Ye. ”

“When the head chief saw this scene, his eyes were slightly red. He held the microphone and said, “I understand everyone’s feelings. Actually, I’m the same as everyone else. I also really hope that Miss Ye can return. Unfortunately, Miss Ye can’t return...” ”

Can’t return.

The Chang Yue Kingdom could no longer be the same as before.

“The head chief knew that once this news was announced, the Chang Yue Kingdom would fall into deep trouble.”

“However, some things could be hidden for a while, but could not be hidden forever.”

“No matter what, this news had to be announced.”

“Moreover, now that the news of ye Zhuomo’s death had spread...”

“Why can’t Miss Ye Come Back? What happened exactly?”

“Hearing this, Bai Changhu’s heart thumped.”

“Yu Zhenfei, who was by the side, also felt that things were not good.”

He suddenly recalled that rumor.

Could it be...

Ye Zao was really gone?

No.

Impossible.

Ye Zao was invincible in every battle. She was the most legendary woman in Changyue. How could she say that she was gone?

Yu Zhenfei comforted himself in his heart.

“The head chief choked and could not speak. After a while, he suppressed the sadness in his heart and continued, “Now, I want to announce a piece of news to everyone. Everyone will understand why Miss Ye has not shown up yet.” ”

“Hearing this, the venue fell into silence.”

Everyone was waiting for the head chief to speak.

“The head chief held the microphone and organized his words in his mind. He had already thought of his words before he went on stage, but when he stood on the stage and wanted to announce this news, the head chief could not say a single word.”

It was very uncomfortable.

It was as if a stone had been stuck in his heart.

It was as if he had instantly returned to the month that Ye Zao had met with an accident.

“At that time, the seven of them did not believe that Ye Zao had really met with an accident. They took turns to guard Ye Zao day and night, hoping that she would wake up.”

They even used the forbidden technique of the state of Chang Yue.

Unfortunately.

It was useless.

“Thinking of those days and nights, and thinking of the days when he fought side by side with Ye Zao, the head of the clan could not stop his tears, “Miss Ye sacrificed herself for scientific research in the year 10061 at 19:26 p.m. ... she was only twenty-one years old...” ”

Sacrificed herself for scientific research?

How could this be!

It was very quiet below the stage.

Very quiet.

It was almost so quiet that it was strange.

Zhao Dan and the secretary-general of the General Alliance were still fine.

“After all, they had long known about this news. ”

“However, Zhao Dan still felt a little regretful. ”

“Ye Zhuo had only been in office for two years, yet he had already allowed the changyue kingdom to stand shoulder to shoulder with the bug clan and Manxing Kingdom. It was enough to show that ye Zhuo was a rare and strange woman. ”

Such an extraordinary woman losing her life in scientific research was a loss to the Chang Yue Country!

Zhao Dan sighed lightly.

“If she had known this would happen, she would have met ye Zao once before. ”

“Ye Zao had been in office for two years, but Zhao Dan had never seen her in person.”

“In addition, Ye Zao was a low-profile person. She had never even seen a picture of ye Zao.”

“Chapter 2047: 426: Ye Zao appears in the general election, Qiu Di and the others are dumbfounded! 4”

What a pity.

I will never see such a girl again.

“However, Qiu Di will definitely not disappoint the people of changyue.”

“After all, Qiu Di was handpicked by Ye Zao.”

“No matter what, the person chosen by ye Zao definitely won’t be too bad.”

Bai changhu almost lost his balance. He simply didn’t believe that this was true.

How could an accident happen to Ye Zhuo in the laboratory?

No.

It couldn’t be.

“After a long while, Bai changhu finally reacted. He raised his head and looked at the head chief, “Head Chief, how could you joke about such a thing!” ”

““Yes, yes, yes, joke. The head chief must be joking with us.”Everyone heaved a sigh of relief. ”

“For a moment, the atmosphere seemed to have returned to a relaxed state. ”

“Everyone tried their best to maintain the smile on their lips, trying their best to act as if nothing had happened just now. ”

“The head chief looked at everyone, he then said, “Everyone, I’m really sorry. I didn’t have the time to issue an obituary before to inform everyone. Firstly, it’s because the current situation is unstable. Secondly, I was afraid that everyone wouldn’t be able to accept this reality, so I’ve been dragging it out until now... ..” ”

The crowd below the stage could not accept this news no matter what.

The chief faced the crowd and bowed deeply.” ... I’m sorry.”

“At this moment, a figure rushed forward quickly. Fortunately, there were bodyguards who stopped him. ”

“The person who rushed over was a young man who looked to be in his mid-twenties. At this moment, his furious facial features had already been twisted into a ball, he pointed at Shangguan Jue on the stage and said, “I’m sorry! What’s the use of being sorry? Can being sorry make miss ye come back to life? Let me tell you, that autumn flute, we don’t recognize it!” ”

““Right, we don’t recognize it! We Only Want Miss Ye to come back!” ”

“Ye Zhuo’s influence was not just for show. At this moment, the venue had already turned into a pot of porridge. ”

“But fortunately, the head patriarch and the others had long been prepared and quickly suppressed the situation that had gone out of control. ”

“I know that it’s very difficult for everyone to accept this matter. I’m the same as everyone else. I can’t accept it either. I can’t accept Miss Ye leaving us just like that. But things have already happened. It’s not something that we can avoid just by running away! Running away will only make us even weaker!”

“The head patriarch pressed his temples, then he said, “What did miss ye say when she was around?
“No matter what, we must believe in light and hope. Although Miss Ye is no longer around, we still have Miss Qiu. Miss Qiu is Miss Ye’s personally chosen successor, the new female monarch. Could it be that everyone is doubting Miss Ye’s judgment?” ”

Zhao Dan stood up at the right time. “The head chief is right. I believe that Miss Qiu di is a very good leader. She will definitely be able to lead Chang Yue nation towards a new tomorrow!”

Zhao Dan was the mother of the Manxing Nation and the first lady. Her words naturally carried a certain weight.

“As the First Lady of the Manxing Nation, it was not easy for Qiu di to gain her recognition. Unless Qiu di really had something extraordinary. ”

““Unless you let Miss ye stand on the stage to announce this news personally, otherwise, we won’t believe anyone’s words!” Liu Zhengting stood up and said. ”

“Right! President Liu is right! We need to hear Miss Ye personally announce this news!”

“Miss Ye!”

Qiu Di stood behind the stage and looked at the people below the stage who stood up to oppose her.

She wanted to firmly remember the faces of these people.

“When the time came, she would make each and every one of them pay the price! ”

“Thinking of this, Qiu di narrowed her eyes and turned to look at the assistant beside her. “Come over.” ”

The assistant took a step forward.

Qiu Di lowered his head and whispered a few words to the assistant.

“Hearing this, the assistant nodded and walked forward.”

“The assistant walked all the way to the rostrum and stood beside Shangguan Jue. He said in a low voice, “Head chief, the eldest miss asked me to tell you to leave this place to her. She will take care of it.” ”

“The head chief nodded. “Okay, I got it. You can go down first.” ”

The assistant walked back.

“The chief looked at the crowd, then he said, “Everyone, everyone, please be quiet.”. Shangguan Jue understood everyone’s feelings very well, because at this moment, Shangguan Jue’s feelings were the same as everyone else’s. However, what had happened had already happened. No matter what we do now, it could not be salvaged! “The road is under our feet. We still have to keep moving forward. We can not stop moving forward.” ”

“At this point, the head of the clan paused for a moment before continuing, “Next, I would like to invite Miss Qiu di Qiu to come out and meet everyone. Everyone, give her a round of applause.” ”

“After he finished speaking, the entire venue was filled with scattered applause. Looking around, there were only a few people from the eight great clans clapping.”

“Chapter 2048: 426: Ye Zao appearing in the election, Qiu Di and the others were dumbfounded! 5”

The chief was a little embarrassed.

“He originally thought that everyone would gladly accept Qiu Di. After all, Qiu Di was personally chosen by Ye Zao.”

Who knew that everyone would actually not pay the bill at all.

He hoped that Qiu di would be able to easily deal with these people and not disappoint ye Zao’s expectations.

“In an instant, the beaded curtain behind the rostrum slowly rose and a figure appeared behind the beaded curtain.”

“Qiu Di wore a bright phoenix robe, and on her head was a glittering crown. She was graceful and graceful, walking step by step in the middle of the red carpet.”

She had a myriad of noble auras.

“But this noble aura was a fake noble aura, and it all came from the Phoenix Robe on her body. If she didn’t have that Phoenix Robe, she would be an ordinary person who couldn’t be found even if she fell into the crowd.”

“When they saw this phoenix robe, everyone was discussing animatedly.”

“Phoenix Robe! It’s a phoenix robe! How did Miss Ye’s phoenix robe appear on her body? !”

“Could it be that she stole it?”

“”Even if she wore a dragon robe, she wouldn’t look like the Crown Prince!” ”

“She wants to replace Miss Ye’s position? She’s overestimating herself!”

“...”

Everyone’s discussion fell into autumn flute’s ears word for word.

Autumn flute didn’t feel awkward at all.

The corners of her lips curled up.

“Just wait and see. How much they looked down on her today, how much they would regret it in the future!”

“Although autumn flute was very proud in her heart, she didn’t show it on her face at all. Autumn flute walked all the way to the rostrum, bowed to everyone, and then said, “Hello Everyone, I am autumn flute. Autumn in autumn, flute in music.” ”

“After saying that, no one gave any reply.”

There was only very scattered applause.

““The master is wandering, the clown is in the Hall!”Someone threw a smoke bomb, but it was blocked by the defense system. “Hurry up and get off the stage! You’re embarrassing yourself!” ”

“Autumn flute maintained his smile, then he said, “I know that everyone doesn’t recognize me now and have doubts about me. Actually, to tell you the truth, a few months ago, I was just like everyone else. I was extremely unconfident in myself. I didn’t even understand why Miss Ye would hand everything over to me! “I’m afraid that I’ll let Miss Ye Down, and I’m even more afraid that I won’t receive everyone’s approval. If I hadn’t been prepared, Qiu Di might not have had the courage to step onto this rostrum today.” ”

“At this point, Qiu Di’s eyes turned slightly red.”

Her words had two meanings.

“The first meaning was not that she wanted to sit on the position of the female monarch, but that she was entrusted by Ye Zhuo. She was just being entrusted by someone to be loyal.”

The second layer of meaning was that she was only a girl. How could she have the guts to cheat? Why did everyone have to make things difficult for a girl like her? It was more or less an unfair victory.

“When these words were said, everyone’s discussion became a little quieter.”

“Bai changhu continued, “Miss Qiu Di, right? May I ask what evidence do you have to prove that miss ye has indeed given the position of successor to you?” ”

“Qiu Di looked at everyone with slightly red eyes. “Old Mister Bai thinks that if I did not obtain Miss Ye’s approval, how do you think I put on this Phoenix Robe? I believe that all of you are not unfamiliar with this phoenix robe, right?” ”

“With these words, Bai changhu finally noticed the phoenix robe on Qiu Di and narrowed his eyes, he continued, “According to what you mean, as long as I can wear this phoenix robe, I can ascend to the position of female sovereign? Miss Qiu Di, Don’t you think that your words are ridiculous?” ”

“Bai changhu paused at this point and continued, “Regardless of the origin of this phoenix robe, whoever wore it, it’s just a dead object! Unless you can make it speak and admit it personally.” ”

“”Elder Bai is right. Let the Phoenix Robe Speak!”Someone below the stage said, “Who knows if your Phoenix Robe was stolen!” ”

“”Right, right, right! I think it’s most likely stolen!” ”

“Hearing this, autumn flute’s eyes turned even redder. She looked at the crowd and continued to speak, “Please rest assured, everyone. Although autumn flute is not the daughter of a big family, she knows how to write the words ‘etiquette, justice, integrity, and Shame’! I can use my personality to guarantee that the Phoenix Robe was definitely not stolen!” ”

“Personality?” A mocking laugh came from the crowd. “For a person like you, do you still have a personality?” ”

“Do you know what a personality is?”

“Hurry up and take off what belongs to Miss Ye.”

“Thief!”

The situation became more and more intense.

“Fortunately, all of this was within Qiu Di’s expectations. She had long known that this group of people would definitely turn into demons. ”

“The corners of Qiu Di’s mouth curled up into a self-deprecating smile, she continued, “Actually, I’m not surprised at all by everyone’s attitude. When Miss ye entrusted this heavy responsibility to me, I told her that the words of the Qiu di people were light, and that I’m afraid they wouldn’t be able to convince the masses. But Miss ye told me that everything depends on human actions. No one is born to be strong. Everything is difficult at the beginning. “Actually, I shouldn’t have cried today. I should have been happy. I should have been happy that after Miss Ye left this world, there was still such a group of people who missed her. I thank you all on behalf of Miss Ye.” ”

Chapter 2049: 426: Ye Zhuo appearing in the election. Qiu Di and the others were dumbfounded! 6

“At the end of her speech, Qiu Di faced everyone and bowed. ”

“Thank you for never giving up on Miss Ye. I believe that Miss Ye will definitely be very happy in heaven.”

Qiu Di's attitude made people a little confused. They didn't know what she wanted to do.

"Furthermore, she was a lady."

"Qiu di discreetly sized up everyone below the stage, then, she said, "Actually, I've always been very envious of Miss Ye. When Miss Ye was my age, she was already well-established. "As for me, I'm still ordinary. If it wasn't for the fact that I was fated to meet Miss ye more than ten years ago, I'm afraid I would still be an ordinary person up until now." "

"More than ten years ago?"

Someone in the audience raised a question. "What happened more than ten years ago?"

These were all people who had been arranged in advance by Qiu Di.

"Today, she was determined to make everyone submit to her and kowtow to her three times. "

"Qiu di continued, "More than ten years ago, Miss Ye was still a wandering orphan. By chance, she was brought to my home. At that time, my father saw that she was the same age as me and felt sorry for her, so he bought her to be my companion... .. looking at Miss Ye who was the same age as me, I really couldn't bear to use her as a servant, so I addressed her as Miss Ye's sister. I saw that Miss Ye really yearned for freedom, so three days later, I gave Miss Ye a sum of money to let her regain her freedom "... although I only spent a few days with Miss Ye, that period of time was the happiest time in my life. Until now, I still miss that period of time very much. Unfortunately, I can't go back." "

"Hearing this, the audience began to discuss animatedly. "

Everyone was very clear about ye Zao's background.

"But they did not know that ye Zao had actually worked as a servant for Qiu Di. If that was the case, Qiu Di was also ye Zao's servant. "

“It had happened more than ten years ago. Now That Ye Zao was no longer around, they had no way of verifying the authenticity of these words.”

“Qiu Di was very satisfied with everyone’s performance, she continued, “It was already twelve years later when I met Miss ye again. At that time, Miss Ye was already famous throughout the world, Miss Ye. “And I was still the same me from back then. However, Miss Ye did not have the slightest intention of looking down on me. She still addressed me as a sister and even said that she wanted to repay the favor from twelve years ago... “But to me, what happened twelve years ago was just a piece of cake. How could I possibly ask Miss Ye to repay the favor? Moreover, I had never thought of asking Miss ye to repay the favor”

“”Until one night, Miss Ye suddenly came to me. She said that she was about to start a very important experiment. If this experiment was successful, it would benefit the entire S galaxy! “But at the same time, this experiment was also very dangerous. I tried to persuade Miss Ye to stop this plan, but Miss Ye was a research maniac. Her heart was set on making the s galaxy have a better tomorrow. No matter how I tried to persuade her, she was unmoved. The night before the start of the experiment, miss ye called me into her room and told me about the failure of the experiment.” ”

“At this point, Qiu Di’s face was covered in tears. She looked as if she and ye Zao were really good sisters.”

Tears were the easiest to infect people.

“Seeing her like this, the people below the stage couldn’t help but have red eyes and sniffles.”

“Qiu Di choked with sobs, then she said, “That night, Miss ye handed over the management rights of the Ye family’s base to me, and also handed over the heavy responsibility of managing the state of Chang Yue to me. Afraid that I would be unable to convince the crowd, she even gave me this phoenix robe! If everyone doesn’t believe me, you can take a look. This is the seal of the Ye family’s base, and this is the power of attorney.” ”

“After she finished speaking, an assistant came up to the stage with two items.”

“”Oh right, Ye Han can also clear my name.” ”

“Ye Han?” Yu Zhenfei stood up and said, “As far as I know, Team Leader Ye has already changed his name to Wu Han! Since Miss Qiu Di and Miss Ye Are Sisters, why did you change team leader Ye’s name?” ”

“I didn’t change ye Han’s name,” Qiu di continued, “To be precise, it was miss ye who changed it.” ”

“Yu zhenfei frowned and said, “Miss Ye changed it! How is that possible! Autumn flute! Do you really take US people as Fools? !” ”

Why did ye Zhuo Change Ye Han’s name out of the Blue?

“Autumn flute said, “Miss ye changed not only ye Han’s name, but also ye Han’s memories.” ”

“Speaking up to this point., autumn flute continued, “Miss Ye and ye Han have a deep brother-sister relationship. She was afraid that after she left, Ye Han would be unable to accept this reality, so she changed ye Han’s memories and changed ye Han’s name to Wu Han. Miss ye put in a lot of effort just to not make ye Han too sad! “If you don’t believe me, you can ask ye Han to come over now. Everyone can try and see if ye Han has lost his memory!” ”

Chapter 2050: 426: Ye Zhuo appearing in the election. Qiu Di and the others were dumbfounded! 7

“These words made sense. After all, Ye Zhuo and ye Han were indeed close siblings in the past. ”

“After saying that, Qiu di looked at his assistant. “Go and call Wu Han over.” ”

“Yes.”The assistant nodded.

“Very soon, Ye Han arrived. ”

“Facing Qiu Di, Ye Han was still extremely loyal. “Eldest miss.” ”

“Autumn flute looked at ye Han and continued, “Tell them if what I said just now is true.” ”

“Ye Han was just about to respond, but at this moment, a fierce pain came from his left head. ”

“In an instant, his face turned white.”

“His body was unstable, and cold sweat appeared on his forehead almost within a few seconds.”

Countless memory fragments flashed through ye Han’s mind.

““Sister, Happy Birthday!” ”

““You don’t have a home, and I don’t have a home either. In the future, you’ll follow me, and we’ll form a family.” ”

“What’s Your Name?”

“I don’t have a name.”

“Then you’ll be called Ye Han from now on.”

“Yeah! I have a name! My Name Is Ye Han!”

“Ye Han pressed his head, trying his best not to faint on the ground. He remembered, he remembered everything.”

“He remembered, his name was not Wu Han, he was ye Han.”

His sister was Ye Zhuo.

“Seeing that ye Han did not speak for a long time, Qiu di frowned slightly and continued, “Wu Han.” ”

Wu Han?

“Along with this voice, Ye Han also remembered his experiences during this period of time. ”

Qiu Di.

The Great Witch Doctor.

The six clan leaders.

And Ye Lan.

These people all betrayed ye Zhuo.

He couldn't forget the last scene when he saw ye Zao.

““Autumn Flute!”Ye Han directly took out the emei thorn from his waist and stabbed towards the direction of the autumn flute, “Return my sister's Life!” ”

Autumn flute was directly stunned.

Ye Han.

What was going on with Ye Han?

He remembered?

Impossible!

This was impossible!

“Looking at Ye Han rushing over, autumn flute lost its reaction and just stood there. ”

This scene also stunned everyone below the stage.

What kind of situation was this?

Bang!

“Right at this moment, ye Han’s Emei Thorn was hit to the ground, making a crisp sound. ”

“The sixth elder appeared out of nowhere and blocked in front of Qiu di, “Ye Han! Are You Crazy!” ”

““Traitor!”Ye Han had just regained consciousness, and his physical strength had not completely recovered. His head was still a little dizzy, “Just by being righteous, this day next year will be the anniversary of your death. I want you to pay Miss Ye back with your life!” ”

“The sixth tribe leader narrowed his eyes. It looked like ye Han had already regained consciousness. In the next second, he directly attacked and fought with Ye Han. ”

The Great Witch Doctor was also hiding in the middle of the crowd.

“Seeing this scene, he turned the ring on his finger. ”

This change was outside of his expectations.

He did not expect that ye Han would suddenly regain consciousness.

Could it be that the Gu worm in ye Han's body had already been removed?

No.

Impossible!

This kind of extremely yin gu worm could only be removed by the purple leaf flower.

"Without the purple leaf flower, even if ye Zhuo was resurrected, he would not be able to remove it."

Resurrected?

"Thinking of this term, the great witch doctor's expression changed again."

Could it be...

That Ye Zhuo had resurrected?

"However, now was not the time for him to think too much."

He had to first stabilize the current situation.

The Great Witch Doctor took out a small medicine bottle from his pocket and poured out a black insect from the bottle.

“After coming into contact with the air, the insect mutated and quickly grew a pair of transparent wings from its back.”

The Great Witch Doctor flicked his finger.

The insect flew out.

“In a moment, the great witch doctor pressed the communicator on his waist.”

Autumn flute received the great witch doctor’s signal and looked up. He saw the great witch doctor who was as calm as usual.

“Seeing the great witch doctor being so calm, autumn flute also heaved a sigh of relief.”

“At this moment, the little bug landed beside ye Han’s ear and bit him.”

“Ye Han’s vision went black, and his attack slowed down.”

“Taking advantage of this opportunity, the six clan leaders directly controlled ye Han”

“Ye Han opened his eyes once again. He couldn’t see or hear anything in front of him, as if he was in a state of chaos.”

“When autumn flute received the Great Witch Doctor’s message, she took a few steps forward and continued, “I’m sorry to have frightened all of you just now! This is the aftereffect of Miss ye changing ye Han’s memories. He has relapsed twice a month now...” ”

“”Nonsense! It’s clearly you guys who controlled ye Han!” Bai changhu continued, “Just now, team leader Ye said that all of you are traitors!” ”

“Autumn Flute’s eyes were red, and she tried her best not to let her tears fall, as if she had been wronged, “I don’t need to say anything about ye Han’s ability, and all of you are very clear about it. Please think carefully. Other than Miss Ye, who else can control ye Han? Who Can Change Ye Han’s memories?” ”

These words made sense.

“In the entire Chang Yue country, other than ye Zhuo, there was probably no other person who could subdue ye Han. ”

“If it wasn’t for Ye Zhuo taking the initiative to make a move, who else could it be? ”

“Who said there wasn’t a second person!” Liu Zhengting seemed to have suddenly recalled something. “The Great Witch Doctor was able to change team leader Ye’s memories! Who knows if you and the Great Witch Doctor were in cahoots!”

“When these words were said, everyone nodded in agreement. ”

“Qiu di continued, “The Great Witch Doctor died long ago! “Mr. Liu, I know that you can’t acknowledge me, and I know that I’m inferior to miss ye, but I will earnestly complete the task that Miss Ye has given me. I will be worthy of the heavens, worthy of the earth, worthy of everyone.” ”

“The six clan leaders said, “Mr. Liu, I’m the same as you. At the beginning, I was also unable to accept Miss Qiu. “As time passes, one can see the hearts of the people. As time passes, you will discover that Miss Qiu is an extremely outstanding person. Her excellence is absolutely not inferior to miss ye! She just lacks the stage to perform! If she really doesn’t have any expertise, do you think that Miss Ye will hand the heavy responsibility to her and hand over the information of the star-crossing case to her as well?” ”

“Speaking up to this point, the six clan leaders lowered their heads to look at the crowd and continued, “As everyone knows, other than the eight great clans and Miss Ye, no one else can open the information of the star-crossing case, but Miss Qiu Can!” ”

“What! Autumn flute can open the information of the star transference case?”

“It can’t be!”

“The crowd below the stage discussed animatedly. The first patriarch frowned slightly, not understanding why the sixth patriarch said this.”

“After all, they were the ones who gave autumn flute the password to the information of the star transference case.”

How did it become that autumn flute had the ability to do so when it came to the sixth patriarch?

“The first patriarch was just about to open his mouth to say something when the third patriarch pulled him back. “Big Brother, this is old six’s delaying tactic. If you open your mouth to explain at this time, isn’t it equivalent to adding fuel to the fire?” ”

“Words have no basis. Ask Autumn Flute to open the information on the star-crossing table in public!”

The sixth clan leader immediately got someone to bring over the information on the star-crossing table.

Autumn flute opened it in front of everyone.

Everyone looked at each other. They could see the shock in each other’s eyes.

Could it be...

Autumn flute was really chosen by ye Zao?

Clap Clap Clap —

“At this moment, clapping sounds suddenly appeared in the quiet air.”

It was a little strange.

The six clan leaders narrowed their eyes. "Who?"

"Ye Zhuo."
