

Almighty D 2051

“Chapter 2051: 427: Nirvana of the Phoenix, return of the fire of Desire! 1”

Ye Zhuo.

These two words were very clear and cold.

“The voice was not loud, but it was loud and clear. ”

“Hearing this, everyone looked towards the source of the sound. ”

They saw a slender figure slowly walking towards them.

Against the light.

“She wore a black cap on her head, and it was hard to see her face clearly. As she walked, a powerful aura erupted from her body, causing people to not dare to look directly at her. ”

“The six clan leaders looked at the person who came, and cold sweat broke out on their foreheads. They took a few steps back in disbelief. ”

“Who, who was that? ”

Ye Zao?

No!

It couldn't be!

Ye Zao was already dead.

That wasn't Ye Zao.

It definitely wasn't Ye Zao.

"The six clan leaders tried their best to calm themselves down. Although they tried to persuade themselves to calm down, the cold sweat on their foreheads couldn't be stopped, and their hands and feet were trembling."

Qiu di frowned slightly.

"Ye Zao's body had been frozen in the liquid nitrogen room for several months. Not only had he disappeared a few days ago, how could the dead be revived in this world?"

It was simply absurd.

Qiu Di narrowed his eyes. It was obvious that this was Li Zi Yue's trick.

So he had found an imposter who looked like ye Zao to scare her.

"If she wanted to find someone who looked like her, she should find someone who didn't even dare to show her face. What was going on?"

It was one thing to lie to clan leader six with such a small trick.

She wanted to lie to her?

It was impossible!

Did she really think that she was made of paper?

Qiu Di curled her lips.

“She was an idiot, and she thought that she was an idiot?”

She was extremely stupid.

“Qiu Di turned to clan leader six and comforted him in a low voice, “Don’t panic, Ye Zhuo is already dead.” ”

“That... that...”the sixth clan leader stammered.

“That’s a fake.”Qiu Di said.

“”But, but...”the sixth clan leader looked at the person who came, “But she looks too similar! Could it be that ye Zhuo really came back?” ”

“The more he spoke, the more anxious the sixth clan leader became. His voice couldn’t help but tremble.”

“She doesn’t even dare to show her face. What are you afraid of?”Qiu Di said.

“If she really was ye Zhuo, would she not even dare to show her face?”

It was very obvious.

The person who came was not ye Zhuo at all.

He did not know what the sixth chief was panicking about!

He had lived for so many years in vain.

He did not even have a single opinion when he encountered matters.

“Hearing Autumn Flute’s analysis, the sixth chief calmed down a little.”

Right.

That was a fake who did not dare to show her face.

There was nothing to be afraid of at all.

The six clan leaders took a deep breath.

Seeing this.

The people below the stage were all stunned.

They looked at the figure walking up the stage.

His gaze was fervent.

“Miss Ye!”

“It’s Miss Ye Who’s Back!”

“The eyes of the first clan leader instantly turned red. Looking at the person who had come, he was unable to speak for a long time. The faith that had disappeared from his heart instantly returned.”

The other six clan leaders were also very excited.

He was back!

Ye Zhuo had finally returned.

“Other than being excited, the second patriarch was also a little puzzled. They had clearly seen ye Zhuo’s remains...”

“At this moment, why would ye Zhuo appear here again?”

“The second patriarch looked at the first patriarch and continued, “Big Brother, do you think this is Miss Ye?” ”

The first patriarch was stunned. “What do you mean?”

““Others may not know, but don’t we brothers know?”The second patriarch continued, “Miss Ye has already left for several months. How, how could...” ”

The rest of the words were already self-evident.

It was also at this time that the first patriarch recalled what happened a few months ago.

Indeed.

“At that time, they had already seen ye Zhuo’s remains.”

“The second patriarch continued, “I also hope that Miss Ye can return, but this matter is really too inconceivable.” ”

“”I dare to confirm that it’s Miss Ye!”The fifth patriarch spoke at this time. “Even though I can’t explain what exactly happened, i absolutely won’t mistake Miss Ye!” ”

“The seventh patriarch said, “I support fifth! That’s Miss Ye!” ”

“”But Miss Ye has already left!”The second patriarch continued, “What if someone with ulterior motives is impersonating Miss Ye?” ”

He also wanted ye Zhuo to come back to life.

But the facts were the facts.

It couldn’t be said that ye Zhuo had come back from the dead!

“If someone was impersonating ye Zhuo, the consequences would be unimaginable! ”

“”It can’t be! We must have made a mistake! Miss Ye isn’t dead at all!”The seventh patriarch continued, “That’s Miss Ye!” ”

“The fifth patriarch said, “Old Qi is right! Miss Ye isn’t dead at all!” ”

“The second patriarch sighed, “Fifth, seventh, I can understand your feelings. I’m the same as you. I also hope that Miss Ye isn’t dead and that Miss Ye can continue to be our leader, but...”the following words., the second patriarch couldn’t say it no matter what. ”

“Chapter 2052: 427: Phoenix Nirvana, returning from lust! 2”

“But the truth was the truth. Even if they didn’t want to face it, they had to face it! ”

The head chief didn’t say anything.

“The second Chief, the fifth Chief, and the seventh chief each had their own reasons. ”

“After a moment, the head chief turned to look at the other two chiefs, “Third and fourth, what do you think?” ”

“The third chief, the fourth Chief, and the eighth chief were silent for a moment. Then, the third chief spoke, “The world is so big, anything is possible. Let’s not jump to conclusions so early. Let’s wait until the end. What if it really is Miss Ye?” ”

The first clan leader nodded. The three clan leaders’ words were reasonable.

Anything was possible.

“Ye Zhuo’s life could not be replicated. If the person who came was fake and could not withstand the test, it would naturally fall apart. ”

What they needed to do now was to wait.

“The second clan leader, fifth clan leader, and seventh clan leader, who had been arguing non-stop, did not say anything after hearing these words. ”

“Qiu Di looked up at the person who came and said sternly, “Who exactly are you? What is the purpose of impersonating Miss Ye!” ”

Impersonation!

“Hearing these words, everyone below the stage was stunned. ”

Could it be that the person in front of them who looked very much like ye Zao was an impersonator?

“Who are you saying is an imposter?”A pleasant male voice came from the entrance.

Qiu Di looked up.

So it was Li Ziyue.

She knew that all of this was definitely Li Ziyue’s doing.

“Just Li Ziyue alone, what kind of Fame could he achieve? ”

“”Li Ziyue!”Qiu Di looked at Li Ziyue and continued, “Half a month ago, you betrayed the Ye family base, betrayed Miss Ye, and now you still have the face to appear here! Don’t you feel ashamed?” ”

“The people present only knew that Li Zi Yue had left the Ye clan base, but they did not know why Li Zi Yue had left the base. ”

“When Qiu di said this, everyone’s expressions changed again and again. ”

“Li Zi Yue turned his head to look at the six clan leaders by the side and continued, “Six clan leaders, tell me, who exactly betrayed Miss Ye?” ”

Inexplicably.

The six clan leaders were a little flustered.

Especially when there was a person standing on his face who had a similar figure and temperament to Ye Zhuo.

“The person who betrayed Miss Ye is you!” The sixth clan leader tried his best to calm his emotions, then, he said, “Li Zi Yue, Miss Ye treated you quite well when she was alive! Why did you betray her? The heavens are watching. Let me tell you, sooner or later, you will get your retribution!” ”

“Speaking up to this point, the sixth clan leader seemed to have thought of something and opened his mouth, “Oh! I understand now. This fake was created by you! Li Zi Yue, when Miss Ye was around, you were already ambitious and wholeheartedly wanted to replace Miss Ye’s position. Not long after Miss Ye left, you left the Ye clan base and betrayed Miss Ye! You must have been waiting for this day! You want this marionette to replace Miss Ye? Let me tell you! “As long as there are people like us, no one can think of replacing Miss Ye! “Although Miss Ye is no longer here, she will forever live in our hearts!” ”

The sixth Patriarch’s words could be considered to have resonated with everyone.

Ye Zhuo was indeed Ye Zhuo.

“Sixth Patriarch is right! Although Miss Ye is no longer here, Miss Ye will forever live in our hearts! Not just anyone can casually replace Miss Ye!” ”

“Li Zi Yue, get lost!” ”

“Seeing everyone’s reaction, the sixth patriarch’s heart calmed down quite a bit. ”

Right.

Just like that.

“Li Zi Yue turned around and faced everyone. He gently raised his hands and continued, “Everyone, please listen to me. Six months ago, Miss Ye did indeed have an accident during an experiment and died on the spot...” ”

“Hearing the words ‘died on the spot’, the corners of autumn flute’s lips curled up without a trace. ”

She knew it.

A dead person was a dead person.

A dead person still wanted to fight with a living person?

Ridiculous.

“Li Ziyue paused for a moment, then changed the topic, he continued, “Although Miss Ye died on the spot, fortunately, she was only in a state of suspended animation. In order to investigate the truth behind this accident, Miss ye pretended to be real and hid until now. Until today, all the foxes have revealed their tails ”

“”First of all, Miss Ye has nothing to do with Qiu Di. Back then, Miss Ye did not have the experience of staying in the Qiu family as a servant, nor did Qiu di Owe Miss Ye a favor. Everything was a lie by Qiu Di, the Great Witch Doctor, and the Six clan leaders! “And Miss Ye’s accident was also caused by them! “Their goal was to seize power and usurp the throne, covering the sky with one hand in changyue!” ”

“As soon as these words were said, chaos instantly broke out in the audience. ”

Everyone was discussing animatedly.

Especially the seven clan leaders.

“”This, this, this, how is this possible! How can sixth brother be a traitor! It Can’t be!” ”

“Chapter 2053: 427: Nirvana of the Phoenix, return of the fire of Desire! 3”

“The six clan leaders were usually cautious and conscientious, wholeheartedly thinking of the Chang Yue country. Most importantly, after learning of Ye Zao’s accident, the six clan leaders fainted because of it. How could he possibly betray ye Zao? ”

“The five clan leaders raised their heads and looked at the stage, frowning slightly. ”

“If things were really as Li Ziyue had said, then the wisdom of the eight great clans would all be ruined by the six clan leaders. ”

“Didn’t the Great Witch Doctor Die Long Ago?”

“”I didn’t expect that the sixth patriarch, who usually looks like a dog, would actually be such a person in the hinterland!” ”

“”If the sixth patriarch really betrayed Miss Ye, then the Great Patriarch wouldn’t be able to get away with it either!” ”

Everyone immediately pointed their spears at the sixth patriarch.

“The sixth patriarch wasn’t someone to be trifled with. Seeing that the imposter beside Li Zi Yue didn’t dare to take off his hat, his courage also grew, then, they said, “Li Zi Yue, all of this is your conspiracy, right? ! You’re here to Bewitch People’s hearts, but are all of the people here fools? “Miss Ye is a benefactor to our eight great clans. If it weren’t for Miss Ye, there wouldn’t be our eight great clans. Without the eight great clans, there wouldn’t be the current me! “Why should I be grateful to miss ye? Why should I betray her?” ”

“”That’s a good question.”Li Zi Yue nodded. He turned his head slightly and continued, “Guang Xing, come in.” ”

Guang Xing!

The sixth clan leader’s pupils dilated.

Why was Guang Xing Here!

“In the next second, Guang Xing walked in from outside. ”

“Looking at Guang Xing who seemed to have changed into a different person, the sixth clan leader almost didn’t dare to recognize him. ”

“Li Zi Yue continued, “Guang Xing, Tell everyone why your father betrayed Miss Ye.” ”

“”He’s not my father!”Guangxing’s gaze was very cold, “Why would my father do something like killing my mother! ?”! Five years ago, because I witnessed Guang Youdao killing my mother, I became mentally deranged and delirious. Guang Youdao was afraid that others would find out that the Guang family had a mentally deranged son, so he locked me in the basement. This lock lasted for five years! During these five years, he announced to the public that I had joined the army... .. ”

“When these words were said, the people below the stage started discussing. ”

“My God! This sixth clan leader really couldn’t tell!”

“”He’s already like this towards his own son. Now, I don’t doubt that he will betray Miss Ye.” ”

“Guangxing is so pitiful.”

“Xing ‘er...”the sixth clan leader looked at Guangxing and choked on his words. He didn’t know what to say.

“Guang Xing looked at the sixth clan leader, “Don’t shed crocodile tears like this at my side!”! There were two reasons why Guang Youdao would betray Miss Ye. First, he wanted to use Miss Ye’s clothes to cure my mental illness! Second, he wanted to cover the sky with one hand in the Chang Yue Kingdom! Although Guang Youdao looked like he didn’t fight for it on the surface, he was actually secretly dissatisfied with the great clan leader! That was why he wanted to overthrow Miss Ye... “...” ”

""Xing 'er! What nonsense are you talking about!"The sixth chief roared angrily, directly interrupting Guang Xing's unfinished words. "

"He never expected that one day, his own son would expose his true colors. "

They were father and Son!

Did Guang Xing still have any humanity!

This unfilial son!

Wasn't he afraid of being struck by lightning when he did this?

The chief and the others were stunned.

"None of them had expected that their brother, who was with them day and night, would be like this. "

"If he could lock his own son in the basement, what else could he not do? "

Could it be...

That the sixth chief was really a traitor?

""I'm talking nonsense? Are you feeling guilty?"Guangxing looked at the sixth chief, "Good will be rewarded with good and evil will be rewarded with evil. Just like the way, your retribution is coming!" "

"Seeing this scene, Zhao Dan narrowed her eyes. "

She had originally come to participate in the changyue country's general election.

She did not expect so many things to happen in succession.

Could it be...

Ye Zhuo really did not die?

"Thinking of this, Zhao Dan raised his head to look at the figure standing there. "

"The girl was wearing a cap. The brim of the cap was pressed very low, just enough to cover her eyebrows and eyes. "

Her waist was very straight.

"She was clearly a little girl, but people could see a breathtaking aura that even a man did not have. "

"Zhao Dan looked at the secretary-general of the General Alliance who was sitting next to her. He leaned slightly and said in a low voice, "Secretary-general, what do you think of this matter?" "

"The secretary-general looked at the autumn flute and then said, "The autumn flute can indeed ascend to the level of elegance." "

"Before he came to Chang Yue, he had supported many rumors about the autumn flute. "

One of them even said that the autumn flute was the second ye Zao.

"At that time, he was very curious about this autumn flute that he had never seen before. "

Until he saw the real person.

“Chapter 2054: 427: Phoenix Nirvana, Return of lust! 4”

Only then did the secretary-general know.

“The greater the hope, the greater the disappointment. ”

“Hearing this, Zhao Dan frowned slightly and continued, “I don’t think so. Actually, this child, Qiu Di, has quite a good aptitude. As long as he experiences a little, he won’t be much worse than miss ye from before.” ”

“Perhaps because of ye Lan, Zhao Dan’s impression of Qiu Di was quite good. ”

“”Madam, if you put it that way, the difference is too great.”The secretary-general smiled and continued, “Madam must not have seen miss ye before, right?” ”

Zhao Dan nodded. “Indeed not.”

“”That’s right,”the secretary-general said. ”

“Hearing the secretary-general’s words, Zhao Dan was a little curious. ”

“What kind of person was this miss ye, to actually be able to make the secretary-general of the Allied countries have such a high evaluation? ”

“As he finished speaking, the secretary-general turned his head to look at the figure standing there. When he saw this figure, he was also a little excited. ”

This figure.

Was really too similar.

Could it be...

That it was really ye Zhuo who had returned?

Over here.

“Seeing that the situation was slowly turning against him., qiu Di stood out and said, “How can you believe the words of a mentally ill person! ! Guangxing himself had also said that there was something wrong with his mental state! Everyone has witnessed the six clan leaders’loyalty to Miss Ye. I think everyone should be very clear about what kind of person he is!” ”

The words of a mentally ill person indeed did not have much credibility.

But the matter of Guangxing being locked in the basement was true.

And the matter of Guangyoudao killing his first wife was also true.

“Li Zi Yue smiled and said, “Qiu Di, you’re already at the end of your life now. Are you still stubborn? Miss ye is standing by your side. I want to see how you’re going to twist black and white!” ”

“”Li Zi Yue, who’s twisting the truth now?”Qiu di continued, “You keep saying that she’s Miss Ye. Then why doesn’t she even dare to show her face?” ”

“After ye Zao died, Qiu Di was also worried that she was faking her death, so she confirmed it several times. ”

“So, this definitely wasn’t ye Zao! ”

Li Zi Yue didn't say anything

"At this moment, a clear and shallow voice appeared in the air. "You're saying that no one dares to show their face?" "

"With that, a hand slowly removed the cap on her head. "

A face that was like a painting appeared in the air.

"She just stood there and did not say anything, but it already made people feel a sense of oppression, making them not dare to look directly at her. This aura that looked down on the world was something that no one could imitate. "

It was exactly the same.

It was exactly the same.

It was her!

She was back!

"Miss Ye! Miss Ye!"

Everyone immediately cheered. "That's great! Miss ye is finally back!"!

"Bai changhu immediately stood up from his chair. "Miss Ye! I knew that you were blessed by the heavens. You Won't be harmed by evil people! Now that you're back, those who harmed you can finally get their retribution!" "

Liu Zhengting was also very excited.

“It was said that a man shouldn’t cry easily, but at this moment, those seven-foot-tall men could hardly control their emotions in the face of this scene. Tears streamed down their faces. ”

The scene was especially moving.

This kind of feeling could only be experienced by those who had experienced it.

“Seeing ye Zao standing in front of her, Qiu di panicked. ”

How could this be?

Ye Zao was clearly already dead.

What was going on?

No.

She was not ye Zao!

“You are not Miss Ye!” Qiu Di looked at Ye Zao. “You are a fake! The real ye Zao died long ago!”

“Ye Zao curled his lips slightly and the corners of his mouth curled up. “Thanks to you, I did almost die. Unfortunately, I was still a little short. I, Ye Zao, Am Back!” ”

Qiu Di could not help but step back.

“Her face did not have the slightest bit of color. She wanted to say something, but she could not even open her mouth. It was as if there was an invisible hand that tightly pinched her mouth, and her back was covered with layers of cold sweat. ”

“After saying that, ye Zao turned around to face the crowd and bent down to bow, “Ye Zao is here to thank everyone for their great love. He survived the disaster and let me see the faces of many people clearly. The situation is just as Guangxing and Li Ziyue said, a traitor has appeared in Chang Yue Country...” ”

““I’m not a traitor! I’m Not!”The six clan leaders roared hysterically, “You Imposter, what are you trying to do! Don’t think that just because you look like Miss Ye, you can muddle through in front of everyone!” ”

“The six clan leaders are righteous. They colluded with the enemy and betrayed the country. They tortured and killed their own children and were sentenced to death!”

Every word was spoken with great force.

“As soon as these words were spoken, guards walked onto the stage. One on the left and one on the right, they escorted the six clan leaders down the stage. ”

“Chapter 2055: 427: Phoenix Nirvana, returning from the fire of Desire! 5”

The death penalty was the death penalty.

“There were very few criminals in changyue who were sentenced to death. Once they were sentenced to death, they would commit a serious crime. It was as if the death was extremely tragic and inhumane. ”

He couldn’t die!

He couldn't die!

"The sixth clan leader never thought that things would turn out like this, he shouted, "I'm innocent! I'm Innocent! She's not Miss Ye! Miss Ye died a long time ago, Miss Ye is already dead! Everyone, believe me! She's a liar! Everyone, don't be deceived by her!" "

"However, everyone present acted as if they did not hear what the six clan leaders said. "

"Ye Zao turned his gaze unhurriedly towards Qiu Di. Before he could say anything, Qiu di had already collapsed to the ground. "

The six clan leaders had been sentenced to death. Her ending would definitely not be too good.

"However, she was still so young! "

"After a moment, ye Zao's red lips opened slightly, "Qiu Di, Qiu Chang Town, and the remaining members of the Qiu clan have colluded with the Great Witch Doctor. They collaborated from the inside and outside to kill the Emperor and master. They caused an experimental accident, causing the deaths of more than twenty people. They were sentenced to death!" "

"Qiu Changzhen, Qiu Di, and the Qiu family's gang were also controlled by the guards. "

All the strength in Qiu Changzhen's body was not taken away in that instant.

"He had originally hoped that Qiu di would be able to let the Qiu family take the national surname, and from then on, bring glory to their ancestors... "

He had never thought that...

What should he do now?

The members of the Qiu family repeatedly cried out their grievances.

“Qiu Di’s eyes were lifeless. Compared to the arrogant look he had a few days ago, he was like a completely different person, allowing the guards to drag him around. ”

“The Great Witch Doctor saw that the situation was not right, so she quietly stood up and walked out of the door. ”

It was never too late for a gentleman to take revenge.

“Although he had lost this battle, he still had plenty of opportunities in the future! ”

Ye Zhuo’s insight was extremely strong. He had to leave this place as soon as possible before she noticed anything unusual.

Pa..

“Right at this moment, a bullet shot out from the barrel of the gun. It was dyed with a terrifying chill as it flew over at lightning speed. ”

“In the next second, the bullet directly penetrated the great witch doctor’s leg. ”

Bang.

“Before the great witch doctor could react, his left leg instinctively knelt on the ground. ”

Everyone looked in the direction of the Great Witch Doctor.

“Because the great witch doctor had disguised himself as another person, everyone did not understand what ye Zao meant. ”

“At this moment, ye Zao continued, “Xiao Lin, the show has not ended yet. Why are you in such a hurry to Leave?” ”

Xiao Lin was the great witch doctor’s name.

“Hearing this, the Great Witch Doctor raised his head to look at ye Zao, pretending to not understand. “Miss Ye, you’ve got the wrong person. I’m Dugu Cheng.” ”

“”Is that so?”Ye Zao turned the gun in his hand. In the next second, a bullet quickly flew towards the Great Witch Doctor’s face. By the time the Great Witch Doctor reacted, he was already too late to dodge. He was shocked, ye Zao’s skills had actually improved so much in just a few short months! Where had she gone during this period of time? ”

“In the next second, the bullet directly brushed past the Great Witch Doctor’s face, leaving a bloody scar on the Great Witch Doctor’s face. At the same time, a human skin mask fell to the ground, revealing the great witch doctor’s original appearance. ”

“So it really is the Great Witch Doctor!”

“Miss Ye is so amazing! She discovered this traitor at a glance!”

“That’s right! How Can Miss Ye Not Be Amazing?”

“ ... ”

“Ye Zhuo continued, “The Great Witch Doctor, Xiao Lin, is to be executed!” ”

Executed.

Executed!

“The Great Witch Doctor was so sorrowful that he laughed. How could he have imagined that after scheming for so long, he would actually get these two words in return. ”

““Ye Zao, I lost! But I refuse to accept it!”The Great Witch Doctor looked at Ye Zao, his gaze filled with malice. “Ye Zao, you were clearly already dead!” ”

He refused to accept it!

He really refused to accept it!

How did a person who had already died come back to life?

The Great Witch Doctor still could not understand this logic!

“Unfortunately, the great witch doctor did not receive this answer because he was dragged away by the guards. It was as if he was dragging a dead dog. There was no dignity to speak of. ”

““Miss Ye, Congratulations. The Phoenix has risen from the Ashes, and the fire of desire has returned.”The secretary general stood up and walked to ye Zao’s side, extending his right hand to ye Zao. ”

“Using the words ‘The Phoenix has risen from the Ashes, and the fire of desire has returned’to describe the current ye Zao could not be more appropriate. ”

““Thank you, Secretary General Fan.”Ye Zao shook his hand. ”

““You’re welcome.”Secretary General Fan Li looked at Zhao Dan and continued, “Madam, haven’t you been regretting not being able to see Miss Ye’s elegant demeanor? This is Miss Ye.” ”

“Ye Zhuo turned his eyes slightly and opened his red lips slightly. “Hello, Madam. I’m Ye Zhuo.” ”

Zhao Dan looked at Ye Zhuo and was slightly stunned.

This... This Is Ye Zhuo?

Why did she have the illusion that this girl was very familiar?

Something exploded in Zhao Dan's mind with a bang.

Chapter 2056: 427: Ye Zao is the full moon! 1

"At this moment, Zhao Dan could not hear or see anything. "

His mind was blank.

His eyes were a little hot.

"When the assistant saw this, he immediately walked forward. "Are you not feeling well?" "

"The assistant's voice pulled Zhao Dan's thoughts back to reality. Zhao Dan grabbed the assistant's hand and steadied himself. "No, it's fine." "

"After saying that, Zhao Dan looked at ye Zhuo and continued, "Miss Ye, I'm sorry. I lost my composure." "

""Madam, you're too kind."Ye Zhuo's tone was slow as he continued, "I saw that you didn't look too good. Are you not used to the Environment?" "

""Yes." Zhao Dan nodded. "Miss Ye, Congratulations on your return from the fire. I, I'll go back first." "

"Ye Zhuo nodded slightly. "Alright, be careful." "

Zhao Dan tightly held his assistant's hand and walked down the stage in a hurry.

"Ye Zhuo frowned slightly. She felt that Zhao Dan was a little strange. However, she did not think too much about it. She walked to Ye Han's side and fed him a pill. "

It was a black pill. It was very small and melted in the mouth.

"Ye Han had just eaten the pill when he frowned slightly. Then, he opened his eyes. "

"The moment he opened his eyes, he saw ye Zhuo standing in front of him. "

"Ye Han."

Ye Han's eyes reddened instantly. He hugged ye Zhuo excitedly. "Sister!"

"Ye Zhuo's brows were filled with a smile as he patted ye Han's back. "A man should be a man, why are you crying!" "

""Sister, you're really back! Sister!" Hearing Ye Zhuo's voice, Ye Han cried even more sorrowfully. "

He thought that ye Zao would never come back.

"I came back late."

""No, SIS, I'm Sorry!"Ye Han blamed himself very much now. He had always said that he would protect ye Zao Well, but at the most critical moment, he was controlled by someone and almost fell into an abyss..." "

"If he was strong enough, things would never have turned out like this! "

""Ye Han, this is not your fault,"ye Zao's tone was clear and shallow. "I know that you've done your best." "

"Sister!"

""Ye Xiaohan, why are you crying? You're such a Big Boy, aren't you afraid of shame!"Yi Ling flew over from not far away. "

"Hearing Yi Ling's voice, ye Han immediately looked up. "Yi Ling! You're okay!" "

"Yi Ling landed on Ye Han's head. "How could a handsome and handsome person like me be okay! Besides, I haven't even ridden on your head to take a shit yet!" "

"Ye Han hugged the clothes spirit and tossed it into the air. Then, he reached out to catch it and repeated it several times. "

"Hahahaha..."

The air was filled with the laughter of the clothes spirit and Ye Han.

"The head patriarch, the eight clan leaders, and the other seven clan leaders walked up to Ye Zhuo. "

""Miss Ye, i..."The head patriarch looked at Ye Zhuo and didn't know what to say. His face was full of shame. He never thought that a traitor would appear in the eight great clans, and even more so, that this traitor was the sixth clan leader... ! ... they, they almost caused ye Zhuo's death! "

""Miss Ye, don't worry. We will immediately remove the Guang clan from the eight great clans. From now on, there will be no Guang clan in Changyue Kingdom!" "

"No need."Ye Zhuo's red lips opened slightly.

No need?

The head of the clan was stunned. He didn't quite understand what ye Zhuo meant.

Could it be that the sixth clan head had betrayed ye Zhuo and ye Zhuo still had to forgive him?

""Miss Ye, you?" "

"Ye Zao smiled but did not say anything. He turned to look at the other side. "Guangxing, come over here for a moment." "

"Grandma!"Guangxing ran over with a smile.

Grandma?

The head of the clan could not understand this scene even more!

When did ye Zao become Guangxing's Grandma?

"Ye Zao continued, "Head of the clan, from now on, Guangxing will take over the Guang family. The clan leaders are all the elders of Guangxing. If there is anything that the children have done badly, I hope that you can help them and forgive them." "

"After saying that, Ye Zhuo looked down at guangxing. "Hurry up and greet your uncles." "

“Guangxing faced everyone and said politely, “Uncle Shangguan, Uncle Zeng, Uncle Lin, Uncle Zhao, uncle Wu, Uncle Zhou, Uncle Ma, Hello, I Am Guangxing!” ”

“Thinking about Guangxing’s experience, the great clan leader felt a little sad. He nodded and said, “Good child, you have suffered!” ”

“”I’m fine, Uncle Shangguan.”Guangxing continued, “It’s all in the past.” ”

The head chief nodded and said a few more words to guangxing.

“The second chief stepped forward, “Miss Ye, can we have a word?” ”

Ye Zhuo nodded slightly.

The second chief followed ye Zhuo’s footsteps.

“The two walked to the side and the second chief continued, “Miss Ye, are you really going to let Guangxing take over the Guang Family?” ”

“Yes.”Ye Zhuo nodded slightly.

“The second clan leader pointed at his own head, “But, but isn’t there a problem here? Have you really decided?” ”

Chapter 2057: 427: Ye Zhuo is the full moon! 2

To let a person with mental illness become the head of the Guang family was somewhat worrisome.

“Furthermore, Guang Xing had been locked in the basement for five years. Did he really have the ability to do so?”

“Ye Zhuo knew what the second patriarch meant and continued, “Don’t worry. Although Guang Xing was previously stimulated, his ability is definitely not a problem. Now that he has returned to normal, you don’t have to worry about this problem.” ”

“Hearing what ye Zhuo said, the second clan leader let out a sigh of relief: “Alright Miss Ye, I understand.” ”

“Ye Zhuo continued: “But Guang Xing is still young after all, there are some places that you clan leaders still need to take care of. Although he and Guang Youdao are father and son, they are definitely not the same type of people.” ”

“”You don’t have to worry about this.”The second clan leader nodded, “We will definitely not confuse him with Guang Youdao.” ”

“Mm.”Ye Zhuo nodded slightly.

...

On the other side.

Zhao Dan walked all the way to the aircraft’s lounge.

“Seeing him like this, the assistant asked worriedly, “Madam, are you alright?” ”

“Zhao Dan pressed his temples and shook his head, “I’m fine.” ”

“I’ll go make a cup of tea for you to drink.”The assistant said.

“Alright.” Zhao Dan said.

“In manxing country, only Zhao Dan had the habit of drinking tea.”

“This tea was brought back from Earth and successfully cultivated in Manxing country. Although the taste was much worse than on Earth, it was better than nothing.”

“Soon, the assistant made a cup of tea.”

Zhao Dan drank a mouthful of tea.

It was very bitter.

“If it were any other time, she would definitely eat a candy immediately. But today, she seemed to have lost her sense of taste and could not feel the bitterness of the tea at all.”

She could not even react to the scalding heat of the tea.

The assistant was a little stunned by this scene.

“A moment later, Zhao Dan put down the Teacup, looked at her assistant, and said, “You can go out first.” ”

“The assistant looked at Zhao Dan and asked worriedly, “Are you really alright?” ”

““I’m really alright,” Zhao Dan said. “You should go out quickly.” ”

“Alright.” The assistant nodded and walked out.

“Zhao Dan sat there, thinking about something. Her mind was in a daze. In a moment, she turned on her communication device and connected to Manjiang Mountain. ”

Manjiang mountain was the president of Manxing country.

“After a long time, the transparent screen in the air showed the figures of Manjiang Mountain. ”

“What’s Wrong?”Manjiang mountain looked at Zhao Dan.

“Zhao Dan was still in shock. “Jiangshan, I, I...”He couldn’t say the rest of his words. ”

“”I’m very busy now. If you don’t have anything else to do, let’s do this first. I’ll talk about it after I finish what I’m doing,”said man Jiangshan. ”

“”I have something to do. I have something very important to do! Don’t Hang Up!”Zhao Dan swallowed his throat and looked at man Jiangshan. “Jiangshan, do you know who I saw today?” ”

“”Who you saw, what does it have to do with me?”Man Jiangshan continued, “Is the matter of Changyue settled?” ”

“”No.”Zhao Dan shook his head and continued, “Ye, Ye Zhuo has returned.” ”

“Hearing this, man Jiangshan frowned slightly, “Didn’t you say he was dead?” ”

“Although the news of ye Zhuo’s death had not been made public, man Xing country still knew some news. ”

“When they heard that ye Zao was alive again, man Jiangshan was still a little surprised. ”

But he was only surprised!

“Zhao Dan said, “She said she was dead before, but now she’s Back!” ”

“Man Jiangshan frowned slightly. “So, you contacted me because of this?” ”

What did it have to do with him whether ye Zao was alive or dead?

“Have you seen ye Zao?”Zhao Dan asked.

““Can you just tell me directly if you have something to say?”Man Jiangshan said impatiently, “I don’t have time to beat around the bush with you here.” ”

“Zhao Dan immediately opened his AI’s memory. “Look, this is ye Zao.” ”

“As soon as he said that, Ye Zao’s photo appeared on the screen. ”

“In the photo, ye Zao smiled and extended his hand to Zhao Dan. ”

“The girl’s eyebrows were as clear as a painting, her eyes were bright and her teeth were white. Her facial features were beautiful and alluring, graceful and graceful. ”

“When he saw the photo, man Jiangshan was stunned. ”

Because the girl in the photo reminded him of his daughter who had been missing for many years.

“After a long while, man Jiangshan finally calmed himself down and asked,”... who do you think this is?” ”

““Ye Zhuo,”Zhao Dan answered. ”

Ye Zhuo...

“Man Jiangshan narrowed his eyes. Three years ago, Ye Zhuo was famous throughout the s galaxy, and he had single-handedly pacified changyue. ”

“In the past, when the Chang Yue country was bombarded with artillery, the small countries around the s galaxy all wanted a piece of the pie until ye Zao appeared. ”

“Man Jiangshan had always been very curious about this miss ye whom he had never met before. When the news of ye Zao’s death spread through the Chang Yue country, he had felt quite regretful. He had never thought that ye Zao would look like this. ”

Chapter 2058: 427: Ye Zhuo is a full moon! 3

“”What should we do now?”Zhao Dan’s eyes were slightly red. “All these years, I haven’t been able to let go of her. In the end, it’s all our fault. I...” ”

“You what? !”Man Jiangshan interrupted Zhao Dan. “Our Full Moon died long ago! This person has nothing to do with us!”

“But...”

“”Shut up!”Man Jiangshan frowned, “I’m asking you what do you mean now? Do you want to see our country fall? ! Xing ‘er has just stabilized her feet. I’m asking you, what do you want to Do? Do you want to make Xing ‘er sad?”? ”

“Zhao Dan didn’t say anything more, but his eyes were red. ”

“First of all, she was a mother. ”

“Second, she was the mother of the country. ”

“On the day their eldest daughter was born, there was a natural phenomenon. All the plants within a radius of tens of miles died. In the following year, Manxing encountered an unprecedented natural disaster. ”

“At this moment, a feng shui master stood out and divined the full moon. ”

The result of the divination was...

“The full moon would not only harm the father, mother, and sister, but it would also bring about the destruction of the nation. ”

“Man Jiangshan and Zhao Dan naturally did not believe that this was their biological daughter. One day, the full moon mysteriously disappeared. ”

“On the third day of the Full Moon’s disappearance, the disaster situation in Manxing country lessened. Later on, it gradually returned to normal and the country was peaceful. ”

“River, clear sea, Yan. ”

“In the second year of the Full Moon’s disappearance, man Jiangshan and Zhao Dan’s second daughter, Manlian City, was born. Different from the full moon, Manlian City was like a blessed star, bringing infinite good fortune to Manxing country. ”

“Later, man Jiangshan changed his second daughter’s name from man Liancheng to man Xing. ”

“Therefore, man Xing became the couple’s favorite daughter. ”

“Actually, from the name man Xing, it could be seen how much the man Jiangshan couple loved their daughter. ”

“Man Xing, man Xing kingdom, it was obvious that they would inherit the throne from man Jiangshan in the future. ”

“Man Jiangshan looked at Zhao Dan and said, “Be careful. Don’t let anyone notice anything unusual. The Full Moon died a long time ago! Xing ‘er is our only daughter now!” ”

“Zhao Dan’s eyes were red and her voice was a little hoarse, “Jiangshan, I don’t have anyone by my side. Is there anything that we, husband and wife, can not talk about? It has been so many years. Have you never thought about the full moon? When she left us, she was so young, she couldn’t speak... .” ”

He was a little over a year old when the full moon went missing.

“As a mother, she dreams of finding her daughter. ”

“The whole country sighed, “Zhao Dan, you think I don’t feel bad? You think I don’t want to find our daughter! But she’s dead! In a place like the eternal glacier, not even an adult can survive, let alone a child!” ”

“At this point, man Jiangshan’s tone softened a little, “Don’t think so much. Ye Zhuo is ye Zhuo. She has nothing to do with us or Xing ‘er! Or do you want to ruin Xing ‘Er’s political career? Don’t forget what master Cao Said!” ”

The upper part detested the parents and the lower part detested the younger siblings.

“Hearing this, Zhao Dan immediately stopped crying. He wiped his tears and continued, “I understand.” ”

Master Cao had also divined for Manxing.

“Manxing had a Phoenix’s life. In the future, not only would she take over Manxing, she would even have higher achievements. ”

“As a mother, Zhao Dan naturally could not drag down her youngest daughter. ”

“After all, she had already lost a daughter. ”

“She could not let her daughter get hurt again. For the rest of her life, she would protect Manxing well. ”

“”It’s good that you know,” manjiangshan continued, “If there’s nothing else on the other side, you should come back as soon as possible so that people won’t notice anything.” ”

“Okay.” Zhao Dan nodded. “I got it.”

“After cutting off the connection, Zhao Dan felt a little better. ”

“On the other side, man Jiangshan lit a cigarette and sat on the chair, puffing out smoke. ”

He was alive.

“After nineteen years, why was the full moon, who had already been confirmed dead, alive again? ”

That wasn’t right.

It definitely wasn’t right.

Then it definitely wasn’t the full moon.

Dong Dong Dong —

“At this moment, there was a knock on the door. ”

“Come in.”

Man Jiangshan also put out his cigarette in the Ashtray.

“Mr. President.”

“Master Cao.” Man Jiangshan stood up from his chair. “Please take a seat.”

It was none other than the person who had divined the full moon nineteen years ago.

“Ever since the full moon went missing, Manxing country had been getting better and better. From this, man Jiangshan concluded that master Cao was indeed powerful and kept master Cao by his side. ”

“The corners of master Cao’s mouth curled up into a smile. “I observed the weather at night and discovered that something had changed on the Phoenix Throne Star, so I gave the Princess of the Manxing kingdom a divination.” ”

Chapter 2059: 427: Ye Zhuo is the full moon! 4

“Hearing this, man Jiangshan immediately turned around and asked, “What did the divination say?” ”

Master Cao smiled and did not say anything. He used his hand to write a word on the table.

Moon.

“Seeing this, man Jiangshan was shocked. ”

“”Master Cao, this...” ”

“Master Cao smiled and shook his head. He continued, “You don’t need to be anxious. The Sun, Moon, and stars, the Sun and Moon are in front, and the stars are behind. If the Princess of man Xing wants to achieve great things, she has to borrow the power of her elder sister.” ”

“What do you mean?” Man Jiangshan asked.

“”Miss Ye is the ruler of Changyue. If we recognize her, the two countries will become one. For the Princess of Manxing and the Princess of Manxing, it is definitely not a bad thing,” master Cao said. ”

“Hearing this, man Jiangshan frowned slightly. “But you also said that the full moon is born to restrain her parents and younger sister...” ”

“”It’s okay,” master Cao continued, “Firstly, her surname is Ye. Secondly, she can follow the method of resolving the problem nineteen years ago. “Secondly, she is your biological daughter after all. The two of you share the same blood. Do you really have the heart to let her wander outside?” ”

“Are you sure you want to do this?” Man Jiangshan asked.

“Master Cao said, “Whether you want to do it or not depends on your choice.” ”

Man Jiangshan narrowed his eyes.

“Master Cao stood up from his chair. “I still have something to do. I’ll be leaving first. Mr. President, please consider it carefully.” ”

Man Jiangshan nodded.

“After master Cao left, man Jiangshan pondered for a long time before finally deciding to listen to master Cao’s advice. ”

“The next morning, he contacted Zhao Dan. ”

“Zhao Dan did not sleep the entire night. When he received man Jiangshan’s video call, he still looked a little tired. ”

“”If you have nothing else to do, go and walk around with Miss ye more. Don’t come back in a hurry,”said man Jiangshan. ”

“Hearing this, Zhao Dan thought he was hearing things. “W-what did you say?” ”

“Man Jiangshan repeated what he had just said, “I’ve thought about it. After all, the full moon is our eldest daughter. It’s our parents’ fault to lose her. Now that we’ve finally found her, we naturally want to reunite as a family. Xing ‘er and Wen ‘er are all waiting for her sister to come back.” ”

“In just one night, the entire country seemed to have changed into a different person. ”

“After saying that, the entire country continued, “All these years, it’s our parents who have mistreated her. In the future, let her stay by our side. The four of us will have a good time together as a family.” ”

“But...”Zhao Dan still didn’t understand what was going on. “But what about Xing ‘er?”

The daughter who had sacrificed herself had already been sacrificed. She couldn’t possibly affect a daughter with a limitless future!

“”The full moon is also our daughter, and she’s our eldest daughter,”man Jiangshan said righteously. “As parents, we can’t be biased against each other! This isn’t fair to the child! Don’t ask so many questions. Just do as I say!” ”

“”Okay, I got it.”Zhao Dan nodded. ”

“She had been married to man Jiangshan for so many years, and she knew that man Jiangshan would not make a decision for no reason. He must have his reasons for doing so. ”

“Thinking of this, Zhao Dan recovered a little. He went to the bathroom to familiarize himself with it. After getting dressed, he drank a bottle of top-notch nutrient solution and then took an aircraft to Siyu Pavilion.”

Siyu Pavilion was ye Zao’s residence.

“The construction was not as prosperous as he had imagined. On the contrary, it was very simple.”

“”Miss Ye.”Zhao Dan walked to ye Zao’s side, his face full of a kind smile.”

“Looking at Ye Zao, she seemed to see her daughter when she was young.”

“The full moon when she was young was exceptionally intelligent, lively and cute...”

“In the blink of an eye, nineteen years had passed.”

“”Madam.”Ye Zhuo walked over, his tone clear and shallow.”

“Zhao Dan held ye Zhuo’s hand and said gently, “I don’t know what’s going on. I just feel very familiar when I see Miss Ye. It’s as if we’ve met somewhere before.” ”

“Ye Zhuo smiled slightly and pulled his hand out. “Madam, please take a seat.” ”

“After saying that, he turned to the butler beside him and said, “Pour tea for Madam.” ”

“Yes.”The butler nodded.

“Upon hearing that, Zhao Dan said in surprise, “So Miss ye also likes to drink tea?” ”

“Yes.”Ye Zhuo nodded slightly.

“Zhao dan smiled and said, “Then the two of us are really fated. I also like to drink tea very much.” ”

“Ye Zhuo did not reply and said with a smile, “Why did madam come to look for me?” ”

““It’s not a big deal.”Zhao dan continued, “It’s just that I suddenly felt a little uncomfortable in the assembly hall yesterday, so I went back early and specially came to apologize to Miss Ye.” ”

““Madam, you’re too kind,”ye Zhuo replied indifferently. ”

“Zhao Dan looked at ye Zhuo and continued, “I heard that Miss Ye grew up in an orphanage. I wonder if Miss Ye has thought of looking for her parents all these years?” ”

Chapter 2060: 427: Ye Zhuo is the full moon! 5

““Thanks to Madam, I’ve already found my parents and brother,”ye Zhuo continued. ”

Found Them!

Zhao Dan was stunned.

How could ye Zhuo have found his parents!

She must have been deceived.

“Zhao Dan said without batting an eyelid, “Then congratulations to Miss Ye. I wonder if I have the honor to meet your father and your mother? To be able to give birth to such an outstanding daughter like Miss Ye, your father and your mother must not be an ordinary person!” ”

She really wanted to see who it was that actually dared to impersonate her!

What audacity!

“It might be a little inconvenient,” ye Zhuo rejected tactfully. ”

“Zhao Dan said, “It’s also because I was too abrupt.” ”

“After saying that, Zhao Dan said again, “Miss Ye, don’t take it to heart. I just saw that you felt that it was too cordial, so i...” ”

“Speaking up to this point, Zhao Dan sighed, he continued, “Miss Ye, you should know that I have an elder daughter called Full Moon. Unfortunately, this child is blessed. When she was almost two years old, she was kidnapped! Her father and I searched for her for a few years, but we were unable to find her... .. All these years, I’ve been thinking about her in my heart. Everyone says that she’s dead, but I don’t believe it”

“At the end, Zhao Dan’s face was already covered in tears, and he was sobbing uncontrollably. ”

“Ye Zhuo turned to look at Zhao Dan and continued, “Don’t be too sad. Perhaps you don’t have a mother-daughter relationship with her.” ”

“Hearing this, Zhao Dan was stunned. ”

She felt that ye Zhuo’s words had two meanings.

Could it be...

Ye Zhuo had discovered something?

No.

Definitely not.

Even she was not sure if ye Zhuo was a full moon or not.

How could ye Zhuo possibly suspect anything!

“Moreover, they had never met before. ”

“Zhao Dan said with red eyes, “But she is, after all, a piece of flesh that fell from my own body. As a parent, it would be a lie to say that I’m not sad or that I don’t feel anything at all! “Ever since the full moon disappeared, I haven’t had a good sleep in the past 19 years. As long as I fall asleep, I think of her... “... “..”

Ye Zhuo took a sip of tea and said nothing.

“Zhao dan then said: “Even if there is a star and Wen Er, I still can not forget my eldest daughter, I really miss her...” . Miss Ye, perhaps you can’t understand my feelings now. When you have children and become a parent, you will understand my feelings now. Do you know what it’s like not to have a good night’s sleep for nineteen years ”

“Ye Zhuo turned his eyes slightly and opened his red lips slightly. “I see that your skin is so good. You must have taken regular care of it, right?” ”

Care?

Zhao Dan was stunned. She was talking about the full moon. Why would ye Zhuo suddenly mention care?

“Ye Zhuo smiled and said, “My mother is about the same age as you. Because she has suffered a lot before, her skin is much worse than yours.” ”

Zhao Dan was naturally not a fool to be able to sit in the position of the mother of the nation. She instantly understood the hidden meaning behind ye Zhuo's words and an awkward expression flashed across her face.

Ye Zhuo's words were clearly questioning her.

"She said that she had not slept well for nineteen years, but why did her skin take such good care of itself! "

She was really sharp-tongued!

She did not give her any face at all.

Would her daughter be so insensible?

"Manxing was much gentler than her. If ye Zhuo was really a full moon, his personality should be similar to Manxing's. After all, they were two sisters. "

"Not to mention that she was an elder in front of ye Zao, she was also the First Lady of man Xing country. "

Ye Zao contradicted her like that. It was obvious that he did not take her seriously.

He did not have any manners at all.

"Zhao dan continued, "Then your mother must be very beautiful." "

Ye Zao nodded slightly. "My mother is naturally the most beautiful mother in the world."

“Zhao dan smiled and echoed, “No wonder you can raise such a beautiful daughter. I really envy your mother.” ”

“”Princess Manxing is also very good,”ye Zao said. ”

“At the mention of Manxing, the smile in Zhao Dan’s eyes could not be hidden at all, “If her sister was still in her full moon state, she would definitely be more outstanding than her! Miss Ye, if I’m not mistaken, the moment I saw you, I immediately thought of my full moon. If the full moon was still around, she would definitely be as outstanding as Miss Ye.” ”

Ye Zao smiled slightly. “Ye Zao’s luck is thin. I don’t dare to compare myself to the full moon Princess.”
