Chapter 2061: 428: she is Miss Ye! 1

“From the beginning of Ye Zhuo’s memory, she was a child without a home. ”

“Standing on the busy street, she also longed for her parents to take her little hand and bring her home.
”

Her wish was very simple.

She had a small home.

“A small home did not need to be luxurious, it could hide from the wind and rain. ”

She really did not want to continue wandering.

God knows how much she envied those children who had a home to return to.

“One day, she saw a child of the same age standing on the street and arguing with her mother because of an interstellar car. At that time, she thought that if one day, she also had parents., she would definitely not quarrel with her parents. ”

She would be a good girl.

“That kind of feeling, perhaps only children who did not have a home would understand. ”

“Because of these experiences, ye Zhuo was much more mature than other children her age. ”

“Every day, she hoped that her parents would find her and bring her back. ”

Because the feeling of wandering was too unbearable.

“To be precise, the feeling of starving was really unbearable. ”

She did not want to continue wandering.

But this wish could only be realized in a dream.

When she woke up from her sleep.

She was still the wild child that no one wanted.

“But after a very long time, she did not wait for her parents. ”

Later.

“When she was older, she began to hate her parents. ”

She hated them for abandoning her.

She hated them for turning her into a street child.

What kind of parents were they if they did not raise her?

“She secretly swore that even if her parents found her, she would no longer recognize them. ”

Until she met her grandmother.

“She was not related to her grandmother at all, but her grandmother treated her better than her own granddaughter.”

Her grandmother gave her her name.

She gave her her household registration.

She went from a little orphan that no one wanted to become a child with a name.

Her name was ye Zao.

“When a peach is young, it burns its splendor.”

Her grandmother told her that burning represented hope and represented the revival of all things. She hoped that ye Zao would blossom into his best self in his best years and live up to his youth and the people who loved her.

“In order to be able to reunite with her parents as soon as possible and to repay Grandma’s kindness in raising her, ye Zao forced herself to become stronger. She began to learn medical skills, learn ancient martial arts, and enter a research institute...”

“Unfortunately, such a warm life did not last long.”

Grandma soon passed away.

“When Grandma passed away, she held her hand and told her not to hold grudges against her parents.”

There was no parent in this world who did not love their children.

Her parents must have their own difficulties and did not deliberately abandon her.

“Perhaps, her parents were also looking for her in a corner of changyue. ”

“Therefore, after becoming famous, the first thing ye Zhuo did was to look for her parents. ”

She wanted her parents to see the best of her.

“At that time, it was not difficult for her to find out her background. ”

“She originally thought that from then on, she could gather with her parents and family and feel the warmth of home. ”

“However, the results of the investigation disappointed her greatly. ”

“It turned out that not every child was welcomed by their parents, and not every child could become the heart and soul of their parents. ”

Some children’s birth was a sin.

“From then on, Ye Zhuo buried this matter in the bottom of her heart forever. ”

Beauty alone was the most beautiful.

Ye Zhuo was that ye Zhuo.

The Ye Zhuo who had been wandering around since young and had no parents.

Until...

She had her own parents on Earth and an older brother.

Her whole body began to feel warm.

“Thinking of life on Earth, Ye Zhuo’s brows and eyes curved, and her whole person became distinct. ”

“Zhao Dan was somewhat unable to guess ye Zhuo’s intentions. People said that mother and daughter were linked in heart, but she and Ye Zhuo didn’t even have the slightest bit of tacit understanding. ”

“Perhaps, Ye Zhuo really wasn’t a full moon. ”

“But if she wasn’t a full moon, then who was a full moon? ”

There had never been a person who could give her such a shocking feeling.

“Zhao Dan looked at ye Zhuo and continued, “Miss Ye, what are you saying? You are the role model of all women. If that pitiful child of mine could be half as good as Miss Ye, then I would be satisfied.” ”

Ye Zhuo’s tone was indifferent. “Madam thinks too highly of Ye Zhuo.”

“”Sister.”At this moment, ye Han walked in from the other side. ”

“Oh?”Ye Zhuo looked back slightly.

“Ye Han continued, “There’s a meeting here that needs you to preside over.” ”

“”Okay, I’ll be there right away.”Ye Zhuo nodded slightly. ”

“After saying that, Ye Zhuo looked at Zhao Dan. “Sorry, excuse me.” ”

“Ye Han seemed to have just seen Zhao Dan as he walked over and said, “Madam.” ”

“Zhao Dan looked at Ye Han and sized him up. After all, he was not related to Ye Zhuo by blood. Although his surname was also ye, the two of them did not look like each other at all. He did not know what ye Zhuo was thinking to actually keep such a person by his side, if it was not for Ye Han, the Ye clan’s base would not have suffered such a calamity. ”

Chapter 2062: 428: She’s actually Miss Ye! 2

Zhao Dan nodded. “Mr. Xiao Ye.”

“Ye Han continued, “Madam, please take a seat first. I’ll accompany my sister to the meeting.” ”

““Mr. Xiao Ye, go and get busy,”Zhao Dan said. ”

Ye Han turned around and followed ye Zhuo’s footsteps.

The two of them walked in the direction of the meeting room.

“When they reached the meeting room, Ye Zhuo realized that the meeting room was actually empty. ”

“Ye Zhuo looked at Ye Han, his beautiful phoenix eyes filled with doubt. ”

“Ye Han smiled and said, “I knew that you were annoyed with that Zhao Dan, so I casually found an excuse to bring you out.” ”

“Ye Zhuo smiled slightly and continued, “Coincidentally, I also have something to tell you.” ”

“What is it?”Ye Han asked.

“Ye Zhuo said, “You sit down first.” ”

Ye Han sat on the chair.

“Ye Zhuo sat opposite ye Han. He turned on the communicator and connected to his assistant. “Xiao Fen, bring me the documents on my desk in my office.” ”

“”Yes, Miss Ye.”The assistant replied very quickly. ”

“Ye Han asked curiously, “Sister, what do you want to tell me?” ”

“”Something very important,”ye Zhuo said. ”

Something very important?

Then what was it?

Ye Han was a little curious.

“A moment later, there was a knock on the door. ”

“Ye Zao said slowly, “Come in.” ”

“His assistant, Xiao Fen, pushed the door open and came in. She handed the document to Ye Zao. “Miss Ye, can you take a look at this document?” ”

“Ye Zao took the document, flipped through two pages, and nodded slightly. “It’s this.”. ”

“The assistant continued, “Then I’ll go out first, Miss Ye.” ”

““Okay, you can go out,”ye Zhuo said. ”

“The assistant turned around and left, closing the meeting room door. ”

Ye Zhuo handed the document to Ye Han. “Take a look at this.”

“Ye Han took the document and flipped through it. Two minutes later, the document was placed on the table like a hot potato. “Sister, what are you doing?” ”

“To be more precise, this was a letter of abdication. ”

“Ye Zhuo handed over the management rights, military power, and all of it to Ye Han. ”

Ye Han would be the next monarch.

“I’m too tired.”Ye Zhuo looked at Ye Han. “Can’t you let your sister experience the joy of retirement?”

““No!”Ye Han continued, “You are the pillar of the Chang Yue Kingdom. I Can’t do it! Why are you handing over the power to me now?” ”

““I believe you. You can do it.”Ye Zhuo looked at ye Han seriously and continued, “Ye Han, you are my only younger brother. If you don’t help me, no one can help me.” ”

““Sister, can’t you stay in Changyue?”Ye Han looked at ye Zhuo, “It’s not easy for us siblings to reunite. You want to leave already?” ”

“Ye Zao smiled and said, “It’s not like I’m not coming back. Don’t worry, I’ll often bring your brother-in-law and your parents to visit you. Oh right, I have a twin brother on Earth.” ”

“Ye Han was happy for ye Zao to have a family again, but it was true that he couldn’t bear to part with them.”

“In changyue, Ye Zao was his only sister.”

“Elder sister...”Ye Han looked at Ye Zhuo. “Why don’t you bring them to the S Galaxy?”

Ye Zhuo shook his head slightly. “They were born on Earth and grew up on Earth. They won’t be able to adapt to the living environment here.”

The S galaxy was very different from Earth.

Ye Han frowned and didn’t say anything else.

“Ye Zhuo continued, “Ye Han, I know you have this ability. You’ll definitely be able to lead changyue to a better tomorrow.” ”

“”Sister...”ye Han said worriedly, “Earth is so far away from the s galaxy. You Don’t have anything there. What if you get bullied? In short, I don’t agree. You will always be the female monarch of Changyue!” ”

“Although ye Zhuo was very powerful, she was still a girl.”

“Moreover, people were born with weaknesses.”

“What if one day, Ye Zhuo was bullied? ”

It would be different in changyue.

““Don’t worry, no one will bully me.”Ye Zhuo patted ye Han’s shoulder. “I’ll take care of things and return to Earth the day after tomorrow. You should come back with me to take a look.” ”

“Ye Han hesitated for a moment, then nodded. ”

Over here.

Zhao Dan sat in the conference room and drank two cups of tea in a row. Ye Zhuo didn’t come again.

“Not only did ye Zao not come, there was not even a servant. ”

Zhao Dan’s expression did not look too good.

“She was the first lady of Manxing Country, and this was how ye Zao treated her? ”

Zhao Dan stood up and paced around the room.

“Time passed by minute by minute, until two hours later, there was no movement from ye Zao’s side. ”

“Seeing that the sky was about to turn dark, Zhao Dan could not sit still anymore. He stood up and walked out. ”

“Just as he walked out, he ran into ye Zhuo’s assistant, Xiao Fen. ”

Chapter 2063: 428: She’s actually Miss Ye! 3

“Zhao Dan immediately walked forward and asked, “Hello, May I ask if Miss Ye is still in a meeting?” ”

“Xiao Fen said, “Yes, Madam. Is there something urgent you need to speak to miss ye about?” ”

““There’s nothing urgent,”Zhao Dan continued, “May I ask when Miss Ye will be able to finish her work?” ”

The assistant smiled and shook his head. “I’m not too sure about that either.”

“With that, the assistant continued, “Madam, if you have something urgent, I can help you pass on the message to Miss Ye.” ”

““It’s fine. There’s no need to trouble yourself,”Zhao Dan said. ”

“The assistant nodded and continued, “Madam, if there’s nothing else, I’ll go over to do my work first.” ”

““En, you go ahead,”Zhao Dan continued. ”

The assistant turned around and walked out of the door.

“Zhao Dan looked at the back of his assistant, his expression a little ugly. ”

What kind of meeting was it that required such a long time? It was clearly because ye Zhuo did not want to see her.

No upbringing meant no upbringing.

“Even if she was standing at the top of changyue, she still could not change her habits. She could not compare to her star. ”

“Zhao Dan suppressed the anger in his heart and walked out. When he reached the door, he saw ye Han.”

“Ye Han walked over. “Madam, are you leaving?” ”

“There was not a trace of anger on Zhao Dan’s face. Instead, it was filled with a smile. He continued, “Miss ye is really a busy person. I Won’t disturb her. I’ll visit her another day!” ”

“I’ll send madam off.”Ye Han followed Zhao Dan’s footsteps.

“Zhao Dan said, “Mr. Xiao Ye, you don’t have to be so polite.” ”

“”Madam is an honored guest. It’s only right for me to send her off.”Ye Han continued, “My sister is really too busy to get away. Otherwise, she should have been the one to send you off.” ”

“”Mr. Xiao Ye, you’re too kind,”Zhao Dan said. ”

“After sending Zhao Dan onto the aircraft, ye Han continued, “I hope madam can forgive me for my inconsiderate hospitality.” ”

“”Miss, sir, what are you talking about!”Zhao dan smiled and said, “Help me to tell Miss ye that I left without saying goodbye today. Tell her not to take offense and come back another day.” ”

“Ye Han nodded. “Alright, I’ll definitely bring Madam’s words.” ”

“Watching as the aircraft gradually moved away from his sight, ye Han retracted his gaze and walked back. ”

“Inside the aircraft, Zhao Dan was a little angry and immediately contacted man Jiangshan. ”

“When he heard this, man Jiangshan smiled and said, “What’s there to be angry about with your own daughter? Besides, it’s normal for her to be angry. After all, we’ve lost her for so many years.” ”

“Even a clay figurine had a third of a temper, let alone a human? ”

“When he heard this, Zhao Dan’s anger subsided a little and he continued, “I understand this logic too, but she should never, never, never, never, never, never, never have any manners! If it were Xing ‘er, she definitely wouldn’t be like this!” ”

“Man Xing had been raised well since she was young, and she had grown up even more beautifully. ”

What did it mean to be both talented and beautiful?

Man Xing was truly talented and beautiful.

“As for Ye Zhuo, he could only look at that face. He had no upbringing at all. ”

“Zhao Dan was originally filled with guilt towards her eldest daughter. After all, it was their parents who had let down this daughter. However, after today, she no longer felt any guilt towards ye Zhuo. ”

This was because ye Zao simply did not deserve her guilt.

“She originally thought that her eldest daughter was like Manxing, obedient, sensible, and understanding. However, things were not like this at all. ”

Zhao Dan was even starting to wonder how ye Zao had gotten to that position.

Was it a shortcut?

“In short, if it was Manxing, she would definitely welcome her warmly today. ”

“After all, they did not intentionally lose her back then. ”

“As a parent, who would watch their child become a vagrant? ”

“However, when Zhao Dan saw the five-year-old little full moon from the remote monitor, she cried her eyes out. After all, that was her daughter who had been pregnant for ten months! ”

She wanted to rush over and pick up the child.

But she couldn't.

She had to be responsible for the people of Manxing.

“From then on, Zhao Dan cut off all contact with the little full moon. ”

“Because she was afraid that if she took one more look, her heart would soften. ”

“Therefore, during the ten years of service, she had never seen the full moon again until this election. ”

She even thought that the full moon had died.

“Who would have thought that not only did she not die, but she was also alive and well, and had become the ruler of changyue. ”

“But thinking about it, it made sense. ”

“After all, she was the daughter of her and man Jiangshan. ”

“Like father, like son. ”

It was all because of their good genes.

“Man Jiangshan continued, “No one is perfect. Not everyone is like our Xing ‘er.” ”

“”You’re right.”Zhao Dan sighed. “Indeed, not everyone can be compared to our Xing ‘er.” ”

Chapter 2064: 428: She’s actually Miss Ye! 4

“Man Jiangshan looked at Zhao Dan and continued, “Ye Zhuo knows her identity?” ”

“Zhao Dan shook his head, “I didn’t say it out loud. She didn’t say it out loud either. I don’t know if she knows yet. I just feel that her attitude isn’t right. You weren’t at the scene today. If you were at the scene, you would have been angered to death!”As the mother of a nation, Zhao Dan.., no matter where she went, she would always be high and mighty. When had she ever been ignored like this! ”

“Moreover, the other party was only a little girl! ”

Man Jiangshan narrowed his eyes. “Could it be that she already knows?”

“Otherwise, ye Zhuo would not treat Zhao Dan that way. ”

“Zhao dan continued, “Why don’t I Come Back First?” ”

“”No.”Man Jiangshan shook his head and continued, “You can’t come back for the time being.” ”

“Why?”Zhao Dan asked.

“Man Jiangshan continued, “This matter can not be delayed any longer! It must be dealt with immediately. You Should First Test ye Zhuo’s words and see if she knows her identity. If she doesn’t, you should tell her.” ”

“”What if she knows?”Zhao Dan said, “From her attitude, it seems that she looks down on me as her mother!” ”

“”If she knows, you should think of a way to ask for her forgiveness. After all, we were the ones who let her down back then!”Man Jiangshan continued, “She has been alone for so many years. She must be longing for family ties...” ”

“Hearing this, Zhao Dan seemed to have thought of something and continued, “Oh right, Jiangshan! Today, she told me that she has found her biological parents! Who Do you think is impersonating us?” ”

“Man Jiangshan smiled and said, “There’s no need to pay attention to this matter.” ”

“Ah?”Zhao Dan was stunned.

“Man Jiangshan continued, “It’s obvious that she is trying to trick you! However, it can be seen from here that this child really lacks love. How about this, you go over again tomorrow. If it really doesn’t work, I will go over too. The two of us will beg for her forgiveness together.” ”

“”Beg Her? Why do you need to beg!”Zhao Dan frowned slightly and continued, “She should be the one begging us!” ”

“”A woman’s opinion!”Man Jiangshan said, “Master Cao said that if Xing ‘er wants to achieve great things, she must borrow her power!” ”

“No matter what, Ye Zhuo was the ruler of Chang Yue country. ”

“The people of Chang Yue country were outstanding, and they were in the most advantageous geographical position in the S galaxy. If man Xing had ye Zhuo’s support, it would indeed be able to achieve twice the result with half the effort. ”

“Most importantly, if ye Zao were to recognize them, then in the future, Ye Zao would be their daughter. Changyue would also become a vassal state of Manxing. When the two countries became one, then.., even the General Alliance would be afraid of their entire family. ”

“Did master Cao say this personally?”Zhao Dan asked.

Man Jiangshan nodded.

“Hearing this, Zhao Dan sighed and continued, “Since it was master Cao who said it, then I will do it! Don’t worry, I will definitely not drag Xing ‘er down!” ”

“For the sake of man Xing, she would do anything. ”

“Seeing that Zhao Dan was still able to understand the bigger picture, man Jiangshan also heaved a sigh of relief. “Alright, that’s all for now.” ”

Zhao Dan nodded.

“Man Jiangshan seemed to have thought of something, then, he added, “She’s our biological daughter after all. As a parent, why bother with her own child! “If there’s anything wrong with her, just bear with it for now. After we recognize her back, we’ll let her change it bit by bit. “With Xing ‘er as an example, I believe that she won’t be too bad either.” ”

Manxing was simply a role model for all the girls in Manxing.

“She had set up her own research lab when she was 12 years old. When she was 15 years old, she had been accepted by the International Military Academy. She had always been the biggest pride in Manjiangshan’s heart. ”

“Whenever he thought of his daughter, Manjiangshan’s eyes were filled with smiles. ”

“”Okay, I got it.” ”

“After cutting off his contact information, man Jiangshan leaned back on his chair and took a drag on his cigarette. ”

“At this moment, the sound of the door being knocked could be heard from outside. ”

Man Jiangshan sat up straight and put out the cigarette butt in the Ashtray. “Come in.”

The door was pushed open and the sound of light footsteps could be heard from outside.

“Dad.”

“It was a very pleasant sound, like the collision of jade and stone. ”

“Xing ‘er.”Man Jiangshan turned to look at man Xing.

“Man Xing smiled as he walked behind man Jiangshan and reached out to massage his shoulder. “Dad, MOM has been in Changyue for quite some time. When will she be back?” ”

“Man Jiangshan said, “Your mom still has some matters to settle in Manxing. She might have to wait for a few more days.” ”

“”OH.”MAN XING nodded and continued, “Is mom not back because of elder sister’s matter?” ”

Chapter 2065: 428: She’s actually Miss Ye! 5

Man Xing was a very cultured girl.

“She had always been very respectful towards the full moon whom she had never met before. Every time she opened her mouth and shut her mouth, it was her eldest sister. ”

“You Know About It?” Man Jiangshan looked at man Xing in surprise.

“Man Xing nodded, “A little. Actually, you should have brought my eldest sister back long ago! What Natural Disaster Star? It’s all fake. Dad, you should believe in the power of science, not theology!” ”

“Speaking up to this point, man Xing’s eyes were slightly red. “My eldest sister has been through a lot these years.” ”

“Hearing this, man Jiangshan sighed. “Xing ‘er, I know that you have been a kind and good child since you were young. If your eldest sister was half as sensible as you, I would be satisfied.” ”

“All these years, man Xing had been thinking about his eldest sister. ”

What about Ye Zhuo?

“Not to mention that she was thinking about man Xing, even when Zhao Dan went over, she still showed her face to Zhao Dan. ”

“No matter what, Zhao Dan was still ye Zhuo’s mother. ”

“It was not surprising that Zhao Dan was very angry. Ye Zhuo’s actions were indeed rude. If it were him, his reaction might be even greater than Zhao Dan’s. ”

Because this already involved the issue of etiquette.

“Firstly, Zhao Dan was an elder in front of ye Zhuo, and secondly, his mother.”

How could a junior treat an elder like that?

“”What’s wrong with elder sister?”MAN XING continued, “Did mom find elder sister?” ”

“Man Jiangshan said, “I think so, but your elder sister, she...”the rest was self-evident.”

“Man Xing saw through man Jiangshan’s worries. “Dad, is elder sister angry?” ”

“Yes.”Man Jiangshan nodded.

“MAN XING continued, “Actually, it’s not entirely elder sister’s fault. From elder sister’s point of view, it’s normal for her to be angry. After all, she has been wandering outside for so many years! “Dad, please don’t be angry with elder sister. Let Mom bring elder sister back as soon as possible so that we can reunite as a family.” ”

Man Jiangshan looked at man Xing and felt very gratified.

Man Xing was really too sensible!

“Not only was man Xing a good daughter, she was also a good sister and a good elder sister.”

“”Xing ‘er, don’t worry. Your mom is already handling this matter,”said man Jiangshan.”

“Man Xing nodded, then he said, “Then can mother handle it by herself? Why Don’t I go and persuade elder sister as well. “Although I’m not very clear about the past, I know that you and mother must have their own difficulties. With one more person to persuade elder sister, elder sister can be more open-minded.” ”

“No need. It’s fine as long as you have the heart. Your mother and I will handle this matter.”

Man Jiangshan could not bear to let man Xing suffer this injustice.

Who knew how ye Zao would make things difficult for them.

“MAN XING continued, “Oh right, elder sister must be very good-looking, right? Is she also a very talented girl?” ”

“”I have a photo here. Take a look,”man Jiangshan said. ”

“Okay.”Man Xing nodded.

Man Jiangshan adjusted the photo.

“Looking at the photo that appeared in the air, man Xing’s eyes were filled with amazement. ”

The girl in the photo.

“Her features were like a painting, and her temperament was extraordinary. Every frown and smile was full of charm. ”

Man Xing had never seen such a beautiful girl.

“She had never thought that her eldest sister, who was wandering outside, would be so beautiful. If she had been raised by her parents, wouldn’t that be terrible? ”

“Is... is this my eldest sister?”Man Jiangshan asked.

Man Jiangshan nodded.

“MAN XING smiled and said, “My eldest sister is so beautiful! After seeing my eldest sister, I feel embarrassed to look in the mirror again.” ”

“”Both of you have your own merits,”man Jiangshan smiled and said, “Both of you are my daughters. How Bad Can You Be?” ”

Man Xing was indeed very good-looking.

“She had a standard oval face and exquisite Phoenix eyes. Her skin was as white as snow, and she was tall and graceful. In the past two years, many suitors had stepped through the door.”

“However, man Xing had rejected them one by one. ”

“She wanted to be as strong as a woman, and a woman was even better. ”

The rumored Miss Ye was her idol.

She wanted to be an existence that surpassed miss ye!

“Man Jiangshan continued, “Is eldest sister living in changyue right now?” ”

“Yes.”Man Jiangshan nodded.

“”Then isn’t she very outstanding in Changyue?”From the Way Ye Zhuo was dressed, one could tell that she had long left her original wandering life. ”

“Man Jiangshan said, “Your eldest sister is now called Ye Zhuo.” ”

Ye Zhuo.

Man Xing was stunned.

“After a moment, he reacted and said, “You Mean Miss Ye? The Miss Ye of Changyue?” ”

“Yes.” Man Jiangshan nodded. “It’s that Miss Ye.”

Man Xing’s eyes were filled with disbelief. Never in her dreams would she have thought that her sister was actually the famous miss ye from Chang Yue!

This was too unbelievable!

“Eldest sister is really amazing!”

Chapter 2066: 429: Pet Sister Crazy Devil Is Online! 1

Man Xing had never admired anyone in his life.

Miss Ye was the first.

Miss ye was famous in Changyue alone. Man Xing had thought that Miss Ye was born into a big family and was a noble daughter raised by a noble family. He did not expect that Miss Ye had been a wandering orphan since she was young.

“When he learned that Miss Ye was the eldest sister who had been wandering outside since young, man Xing’s face was full of disbelief. He continued, “Father, has this matter been confirmed? Is Miss Ye really the eldest sister?” ”

““Basically, it has been confirmed.” Man Jiangshan nodded. “She is your eldest sister.” ”

“In this world, no parent would mistake their own child. ”

“Just like Zhao Dan, it was almost the first time that man Jiangshan saw ye Zhuo. He could confirm that she was the full moon who had disappeared for many years. ”

“MAN XING continued, “Then when will you and mother bring your eldest sister back?” ”

Man Jiangshan looked out of the window. “Your elder sister is still angry. We don’t know when she will come back.”

“”Elder sister has been wandering outside for so many years. It’s normal for her to be angry.”Man Xing gave man Jiangshan a vigorous massage. “Dad, I think we should all go to changyue to invite elder sister.” ”

All of them?

It was true that ye Zhuo was the ruler of Chang Yue.

“But no matter how powerful she was, she was still the daughter of Man Jiangshan, the descendant of their entire family. ”

“If it was really the whole family, ye Zhuo would think that she was very powerful! ”

She must not develop such an arrogant character for her before she recognized ye Zhuo.

“Man Jiangshan said, “You and Wen Er just stay at home. Leave the rest to your mother. As for the matter of the full moon, you don’t have to worry about it.” ”

“”Okay.”Man Xing nodded, “Dad, if anything happens to eldest sister, please remember to tell me. Eldest sister grew up in a different environment from me and Man Wen. We have to consider many things from her point of view.” ”

Man Wen was man Xing's younger brother.

"Man Jiangshan turned to look at man Xing, his eyes filled with satisfaction. He had a total of three children in his life, and only man Xing suited him the most. "

"Man Xing was not only sensible, beautiful, and talented. He was a lucky star. Man Jiangshan had always believed that it was all man Xing's fault that man Xing had developed to this point! "

"If it were not for man Xing, man Xing would have perished a long time ago. "

Man Xing simply had no flaws.

"Man Jiangshan sighed, "If your eldest sister was half as sensible as you, your mother and I wouldn't have to worry so much." "

""Dad, please don't say that," man Xing continued, "If eldest sister heard what you said, she would definitely be sad. "She received a completely different education from me when she was young, and her family environment is also different. No one is perfect. If I had the life experience of my eldest sister, I'm afraid I would have been defeated by reality." "

Ye Zhuo had been starving since she was young. The people and things she saw were all at the lowest level.

"Meanwhile, she was well-fed, receiving the highest level of education, and her friends were all nobles. "

"Naturally, these two people could not be compared "

"If it were anyone else, they would not have ye Zhuo's achievements. "

"However, man Jiangshan did not think so. He smiled and said, "Xing 'er, I'm not bragging. If you were her, you would only be more outstanding than her." "

Man Xing was the daughter of Man Jiangshan. No one knew man Xing better than his father.

“After coming out of man Jiangshan’s office, man Xing returned to the study room. ”

“Sister!”

Man Xing looked up at the youth outside the door. “What’s Wrong?”

“Give me money.”The youth walked in and looked at man Xing like a master.

“You want money again?”Man Xing frowned slightly. “Didn’t I just give you a card a few days ago? You Can’t go on like this! A man is a man. Money is all he talks about. How can he support his family in the future?”

“”Don’t I Still Have You?”Man Wen sprawled on the chair. “Besides, without my good-for-nothing, how can you show Off Your Excellence?” ”

“Man Wen! You’re already nineteen years old this year!”Man Xing said.

“In manxing country, a 16-year-old would be an adult. ”

Man Wen was already nineteen years old!

A 19-year-old person didn’t have any character at all. He only knew how to play with women and hang out with his friends. He was simply a good-for-nothing.

“Even Manxing, his biological sister, was a little disappointed. ”

“”So what if he’s 19?”Manwen said speechlessly, “He’s not your younger brother at 19?” ”

“How much does it cost?” Manxing asked.

Chapter 2067: 429: Pet Sister Crazy Online! 2

“Man Wen didn’t say anything. He stood up and saw the card on man Xing’s desk. He picked it up and asked, “What’s the password?” ”

“It’s my birthday.” Man Xing pressed his temples.

Man Wen put the card into his pocket with satisfaction. “Let’s go.”

“Looking at man Wen’s back, man Xing sighed helplessly. ”

“On the other side, Zhao Dan contacted man Xing as soon as man Wen left. ”

“Xing ‘er.”

“Man Xing looked at his mother in the video and said with a smile, “Mom, have you seen elder sister?” ”

“Hearing this, Zhao Dan was stunned. “Xing ‘er, you know?” ”

“Man Xing nodded. “This is a good thing. After 19 years, I thought I would never see elder sister again.” ”

“Looking at the sensible man Xing and thinking about the wall that he had met with Ye Zhuo today, Zhao Dan’s face darkened a little, he continued, “Your eldest sister wasn’t raised by my side after all. She might not be as intimate as you think. Don’t have too much hope for her.” ”

“MAN XING smiled and said, “Blood is thicker than water. No matter what eldest sister is like now, I believe that one day, eldest sister will understand you and father.” ”

“”En.”Zhao dan nodded and continued, “Oh right, did Wen er come to you to ask for money? If he comes to you to ask for money, you must not give it to him! That child is getting more and more insensible!” ”

“...”man Xing’s expression was a little ugly. “That man Wen has already taken my card.”

“This child!”Zhao Dan sighed.

“Among her son and daughter, she was most satisfied with man Xing. Other than ye Zhuo, she was most dissatisfied with man Wen. ”

“Man Wen was just a boy, but he did not have any sense of responsibility. He did not do his proper job all day and could not even compare to half of man Xing. ”

“Seeing his mother like this.., MAN XING smiled and said, “Mom, you don’t have to worry. Man Wen is still a child. When he’s older and has a family, he’ll know how hard you’ve worked! “He’s not a bad person by nature. It’s just that he’s too young now and doesn’t see much of him. He’s a little immature in all aspects. Isn’t there a saying, ‘only when you raise a child will you know how kind your parents are’?” ”

“Seeing man Xing like this, Zhao Dan sighed in her heart. ”

“Indeed, there were nine sons born from dragons, each with their own differences. ”

“They were both children born from her womb, yet man Xing was so sensible. As for man Wen and Ye Zhuo, they were simply... ”

“Man Wen was still alright. At the very least, he was still quite respectful to his mother, but what about Ye Zhuo? ”

He had no respect for his elders!

“Thinking about the experience in the afternoon, Zhao Dan was still a little angry.”

What the hell!

He really didn't put her in his eyes at all.

“MAN XING smiled and said, “Mom, you and dad are both so outstanding. It's said that a tiger father does not have a dog son. Please believe me. Man Wen is just a little immature for the time being. In time, he will definitely shine in everyone's eyes.” ”

Man Wen did not study hard in school either. He had not even graduated from high school before he was expelled by his teacher. These words were just used to comfort Zhao Dan.

How could such a person have any great prospects?

“However, Zhao Dan did not think so.”

“Man Xing was a very outstanding person in her eyes. He had a very good eye. Since man Xing had said so, then man Wen would definitely not be too bad. After all, they were siblings of the same mother.”

Just like Ye Zhuo.

“Although ye Zhuo did not have much upbringing, the genes in her bones were still there. Even though she had been wandering since she was young, she was still very outstanding. Otherwise, how could a girl become the ruler of Changyue?”

It was simply impossible!

Zhao Dan smiled and nodded. “Yes.”

“After saying that., zhao dan continued, “Xing ‘er, although you are Wen ‘er’s elder sister, you are not much older than him. In the future, you don’t have to spoil him, nor do you have to secretly give him money to spend! “He is a boy. How can you ask for money from your family all day long! “If we can support him for a while, can we support him for a Lifetime?” ”

“Other families were all mothers who spoiled their sons. When it came to their families, they had become older sisters who spoiled their younger brothers. ”

Man Xing really doted on Man Wen.

She would practically give him whatever he asked for.

“When he was young, if man Wen failed his exams or was reprimanded at school, Man Xing would help him out. In addition, man Xing was sensible and obedient, and her grades were good. The teachers were willing to give her face. ”

Manxing nodded. “I know.”

“Zhao dan continued, “Then that’s all for now. Xing ‘er, mom isn’t by your side. Take good care of yourself.” ”

““Yes, Mom, take good care of yourself too. Bring elder sister home early.” ”

“Okay.”

“Although Zhao Dan did not like Ye Zhuo, Ye Zhuo was her child after all. Even if she did not think for Zhao Dan, she had to think for Manxing. To become a manxing, she had to borrow ye Zhuo’s power.”

“After cutting off the connection, Manxing stood up and lit a stick of incense in the study. ”

“Perhaps it was because of the constant burning of incense, Manxing always had a pleasant smell on his body. Therefore, Manxing had another nickname in the market, Princess Manxiang. ”

“It was said that when Manxing was born, the room was filled with a strange fragrance, and auspicious things fell from the sky. Princess Manxiang was Manxing Kingdom’s Lucky Star, and she would protect Manxing Kingdom’s prosperity and immortality. ”

“After lighting the incense, Manxing set up the chessboard and began to study the chess game. ”

“Everyone said that Earth’s civilization was too low-class, but she felt that there were many redeeming features on earth. ”

“If Earth was really that low-class, the Alliance of the past alliance countries would not have originated from Earth. ”

This meant that there were still redeeming features on earth.

Over here.

“Not long after Manwen left, he heard about ye Zhuo from his childhood friend Fan Mu. ”

“You said that Miss Ye is my eldest sister?”Man Wen’s face was filled with disbelief.

“Fan Mu nodded, and her voice sounded as if she was watching a good show. “Something happened this time. Your sister was originally the most legendary woman in the entire Manxing nation. If your eldest sister were to return, your sister’s position would be in jeopardy.” ”

“Ever since Manxing was born, it had always carried its own halo, causing people to admire it endlessly. ”

“To suddenly have an elder sister, especially since this elder sister’s environment was not even as good as hers. She had been a vagabond since she was young, but she was better than her in every way. If it was anyone else, they would probably feel a drop in their hearts.”

“Man Wen frowned and said, “Why did she come back! I only have one elder sister, Manxing! I don’t even acknowledge other elder sisters! What right does she have to come back!” ”

“I didn’t realize that you have such deep feelings for your sister?”Fan Mu looked at man Wen.

Man Wen rolled his eyes at him. “What do you know!”

“Fan Mu continued, “Right, didn’t you idolize Miss Ye the most in the past? Now that Miss Ye is your eldest sister, you should be happy! How can you not let her come back?” ”

“Man Wen said, “Who said I idolized her! This young master has never idolized anyone in my entire life!” ”

“With that, man Wen looked at Fan Mu. “Has the news been confirmed? Ye... is she really my eldest sister?” ”

“Fan Mu said casually, “Even if I say it, he doesn’t count. You have to ask your father for the details.” ”

Man Wen put down the wine that he had stolen from Earth and turned around to walk back.

Man Wen walked all the way to man Jiangshan’s office. “Father!”

“When he saw man Wen, who reeked of alcohol, man Jiangshan felt a headache coming on. “Why are you drinking again!” ”

Alcohol was the most inferior liquid in Manxing country.

Most of them were poor people who could not afford to drink nutrient fluids and secretly went to earth to carry them back. This was originally the work of poor people. Who would have thought that the son of a dignified leader would also do such a thing.

It was embarrassing to say it out loud!

“Dad, is Miss Ye really a full moon?” Man Wen went straight to the point. ”

“Hearing that, man Jiangshan said with a straight face, “What full moon! You have no manners at all. That’s your elder sister! Can you call her a full moon?” ”

He was simply being rude.

“As a younger brother, why couldn’t he learn from man Xing? ”

“Who said she’s my elder sister! I don’t have an elder sister! My only elder sister is man Xing! I only acknowledge man Xing as my elder sister! Other than man Xing, I don’t acknowledge anyone else!” ”

“Man Jiangshan was originally very angry, but when he heard that man Wen was so protective of Manxing, most of the anger in his heart dissipated. At the very least, man Wen still had Manxing as his elder sister. ”

“As long as the siblings were harmonious, it would be fine. ”

“Man Jiangshan could see that man Wen did not have much success in his life. In the future, he could only rely on Manxing to live. ”

“Ye Zhuo is also your elder sister. She will return in a few days. When that time comes, you can’t be so rude!” Man Jiangshan said with a straight face. ”

“Man Wen said, “Anyway, I won’t acknowledge her as my sister!” ”

“You have to acknowledge her even if you don’t! Do you think this is something that you can decide?” Man Jiangshan said angrily.

Man Wen snorted and walked out.

“Little Bastard!” Man Jiangshan grabbed an antique and threw it at man Wen’s back.

“However, man Wen walked quickly and was not hit at all. ”

Thud!

Pieces of antiques fell all over the floor.

Man Jiangshan was furious.

Man Wen came to man Xing’s study and pushed the door open without even knocking. “Sister!”

Man Xing was studying the chess game and was shocked by him. “What’s Wrong?”

“Man Wen looked at man Xing and said, “Sister, don’t worry. I will never let anyone threaten your position. You will always be my only sister!” ”

“”Manwen, what are you saying?” Manxing was still a little confused and didn’t understand what Manwen meant. ”

“Sister, don’t worry, I’ll definitely make her back down!” After saying this, man Wen turned around and left. ”

Man Xing chased after him. “Man Wen!”

“Man Wen ran very fast, and man Xing couldn’t catch up at all. Helpless, man Xing could only stop chasing and pick up the communicator to contact man Wen, “Man Wen, stop fooling around! Miss Ye is our elder sister, we should respect her and welcome her home. If you do this, you’ll make her sad!” ”

Man Wen did not listen to man Xing at all and directly cut off the connection.

Man Xing sighed and turned to look at his assistant. “My father must not know about this!”

“If man Jiangshan knew about this, man Wen would not be able to get out of bed for another half a month. ”

“Okay.” The assistant nodded and sighed in his heart. This pair of siblings really had a good relationship.

“Although Man Wen was a little profligate, he really didn’t have any objections to man Xing. ”

“However, it was also because man Xing was a good sister. ”

“From a young age, man xing had cleaned up countless messes for man Wen. ”

They had seen all of this.

Man Wen piloted the aircraft all the way to Chang Yue country.

“Chang Yue country was different from man Xing country. The streets were very lively because of the melon essence brought back by Ye Zhuo from Earth. After the cultivation was successful, the vendors

were all scrambling to recommend the pineapple-flavored nutrient solution, the nutrient solution with the flavor of cantaloupe and the nutrient solution with the flavor of Kiwi. ”

The nutrient solution had a taste?

“Man Wen was a little curious. He went over and asked, “Boss, give me a dozen of each flavor of the nutrient solution.” ”

Give me a dozen!

What a rich young master!

“Under normal circumstances, everyone would buy the nutrient solution one by one. It was really rare to see people buy a dozen of them! ”

““Okay! Sir, Please Wait a moment! It will be ready soon!” ”

“Soon, the boss put all kinds of nutrient fluids into the storage box and handed it to man Wen. “Sir, I don’t think you are from our country of changyue. Just give me 10 star dollars!” ”

Star dollars were the universal currency of the S Galaxy.

Man Wen naturally didn’t care about this little money. He immediately took out the money from his pocket. “Keep the change!”

“The boss took a look and saw that it was Ho! What a huge sum, a total of 50 star dollars. He quickly picked up the other nutrient fluids at the side and said, “Sir, sir, take this as a gift from me to you! “Come and take care of the store’s business in the future!” ”

Man Wen was too lazy to accept the gift and turned around to leave.

“The boss sighed and said, “As expected of a rich man. He doesn’t even like so many nutrient fluids!” ”

“As Man Wen walked, he took out a grape-flavored nutrient fluid and drank it. It was as if he had opened the door to a new world. ”

He had never known that nutrient fluids could be so delicious!

“Man Wen drank three bottles in a row. When he drank the fourth bottle, he finally felt that something was wrong. There was a child dressed in shabby clothes who kept staring at him. He kept swallowing his throat. It was obvious that he was hungry. ”

“Looking at his clothes, he should have escaped from another planet. ”

“Man Wen said with a face full of disdain, “What are you looking at! A wild child that no one wants! Only you deserve to drink nutrient fluids!” ”

The little boy looked at man Wen. His big eyes were full of desire. “Brother... I have been hungry for three days. Can you give me one? Just one!”

“Man Wen didn’t seem to have any sympathy at all. He said with a bad attitude, “You piece of trash. It’s a waste of resources to live. You might as well die!” ”

“Hearing that, the Little Boy’s eyes turned slightly red, and tears kept rolling in his eyes. ”

Man Wen turned around and left.

“Just as he turned around, the storage box on his body fell to the ground, and all kinds of nutrient fluids fell to the ground. Man Wen didn’t notice this scene. ”

“The little boy immediately walked forward and picked up the nutrient fluids that fell to the ground and put them back into the container. He caught up with man wen, “Big Brother, Big Brother, wait! You dropped something!” ”

“Man Wen turned around and frowned, “Things that have been touched by trash are also trash! I Don’t want the things anymore, so get lost right now!” ”

“The little boy immediately bent down and thanked man wen, “Thank You, Big Brother! Thank you, Big Brother! Big Brother, you’re really a good person!” ”

“”Scram, scram, scram! Get as far away from here as you can! Who’s your brother! Disgusting Thing!”Man Wen’s face was filled with disgust as he strode away. ”

“The little boy carried a box of nutrient solution with a smile on his face. He immediately turned around and ran away. As he ran, he said, “Grandma! Grandma! We have something to eat! We don’t have to die anymore!” ”

“In this era where the strong preyed on the weak, it was common for people to die. Now, they were finally able to keep their lives for the time being and did not have to die. ”

Chapter 2070: 429: Pet Sister Crazy Devil Online! 5

Man Wen went straight to Siyu Pavilion.

“After all, he was the son of Man Jiangshan, and Zhao Dan was currently a VIP of Chang Yue country. No one could stop him, so man Wen went all the way to Ye Zhuo’s office. ”

“”Excuse me, Are You Miss Ye?” ”

“Ye Zhuo was sorting out documents. When he heard that, he looked up. “You are?” ”

“Man Wen straightened his back and said, “I’m man Wen, and I’m also man Xing’s only younger brother! Let me tell you! Man Xing is my only elder sister. Apart from her, I don’t recognize anyone else. Don’t even think about joining our family, and don’t even think about becoming our elder sister!” ”

“Ye Zhuo stood up with a smile on his face. “Don’t worry, no one wants to be your elder sister. I’m Ye Zhuo, born and raised in Changyue. It has nothing to do with man Xing.” ”

“”Alright! You are the one who said that!”Man Wen nodded, then, he said, “Do you dare to swear? If you return to Manxing, you are not a human! This young master will say it here today. If anyone dares to threaten my elder sister’s position, I will teach them a lesson! Don’t think that this young master is trying to scare you!” ”

Man Wen’s face was filled with unwelcome and disapproval. The way he looked at Ye Zao was as if he was looking at an enemy.

“Ye Zao did not answer him. Instead, he said, “If there’s nothing else, please leave.” ”

“”I asked you if you heard me!”Man Wen glared at Ye Zao. “I won’t allow anyone to steal my sister’s things! I Don’t care who you are, Miss Ye or Miss Shu!” ”

“Ye Zao tapped his fingers on the desk. He was not angry at man Wen’s words. His face was calm. “Are you done, Mr. Man?” ”

Man Wen was stunned.

“He did not expect ye Zao’s reaction to be so calm. He puffed out his chest and said, “So what if I’m done? So what if I’m not done?” ”

“Ye Zao continued, “Mr. Little Man, don’t worry. I’m not interested in your family’s matters. Ye Zao is ye Zao. He will always be ye Zao.” ”

“”You better remember what you said today! If you dare to go back on your words, I will kill you!”Man Wen waved his fist at ye Zao ”

Ye Zhuo didn't say anything and made a 'please' gesture.

Man Wen turned around and walked out.

"When he reached the door, he turned back to look at ye Zhuo and warned, "If you're sensible, you'd better behave yourself, Miss Ye! Manxing country isn't a place you can go just because you want to! It's also not a place where you can get a share!" "

Only after saying this did man Wen really turn around and leave.

"Just as man Wen left, Ye Han chased after him. "

"Ye Han!" Ye Zhuo called out to Ye Han.

"Sister!" Ye Han turned back.

"What are you going to do?" Ye Zhuo asked.

"Ye Han said, "I'm going to teach that kid a lesson! If I don't teach him a lesson, he'll think that only Manxing has a younger brother!" "

Did he think that his younger brother was dead? He dared to openly bully his sister?

"Ye Zhuo smiled and said, "Forget it, don't lower yourself to his level. Actually, from a certain point of view, he's a very good little brother." "

""Forget it, I can't forget it!" Ye Han rolled up his sleeves. "Sister, don't bother about this matter! I'll be back right away!" "

“Ye Zhuo couldn’t stop ye Han, so he could only let him go. ”

“This was man Wen’s first time coming to Chang Yue country. He was filled with curiosity about everything in Chang Yue country, so he naturally didn’t want to go back. Just when he was having fun, a violent pain came from the back of his head, and then his vision went black, he fainted just like that. ”

Ye Han dragged man Wen to a blind spot in the surveillance camera and splashed a basin of cold water on him to wake him up.

“The Moment Man Wen opened his eyes, he found himself tied to a pillar. At first, he thought it was raining, but then he realized that the man standing in front of him was holding a basin in his hand. ”

“”Who are you! What do you want! You Dare to kidnap me! Do you know who I am?”Man Wen struggled angrily. “I’m warning you, quickly release me! Otherwise, my father won’t Let You Go!” ”

“”Now You’re Scared?”Ye Han directly punched man Wen. “When you were flaunting your power in front of my sister, you didn’t think about this? What, are you bullying me because I don’t have a brother?” ”

Man Wen was stunned!

His sister?

Who was his sister?

“”Are you F * cking sick! Did you find the wrong person! Release me quickly, or I’ll make your life worse than death!” ”

“”Do you believe that I’ll Make Your Life a Living Hell Now?”Ye Han gave man Wen a few more punches, but before he could even hit his face, the punches landed on an invisible area. It was extremely painful. ”

“Man Wen was in so much pain that his facial features were twisted together. “It hurts, it hurts, it hurts! Who Are You? ! No, who is your sister? Have I ever offended her?” ”

““Ye Zao! Your Sister Is Ye Zao, Right?”At this moment, man Wen suddenly remembered something. ”

““Do you really think that my sister wants to go to your Manxing Kingdom? A family of disgusting things! If you dare to appear in front of my sister again in the future, I will directly cripple you!”As soon as he finished speaking, Ye Han directly gave man Wen the last punch. ”

“The power of this last punch was too great, directly knocking man Wen unconscious. ”

“After ye Han finished his work, he brushed his clothes, blew on his fist, and turned around to board the aircraft. ”

On the other side.

“After ye Zhuo had finished preparing the document for the Zen, he immediately issued an announcement. ”

“The moment this announcement was issued, the entire country was in an uproar. ”

“No one had expected that ye Zhuo, who had finally returned to the public’s sight after much difficulty, would leave again at this time. ”

Manxing country.

“Before Manjiangshan could finish reading this announcement, he directly threw the cup on the ground and smashed it into pieces. “Vile daughter! Vile daughter!” ”

Ye Zhuo actually handed over the changyue kingdom to Ye Han without saying a word. Where did she place this father of hers? !

“The changyue kingdom should be surnamed man. No matter what, it was not ye’s turn to be in charge.”
