

Almighty D 2071

Chapter 2071: 430: Great Burning Design! 1

Man Jiangshan was really angry.

“No matter what, Ye Zao was his daughter.”

He was the one who gave ye Zao his life.

“Although they had given up on ye Zao before, they had no choice. They did not really want to give up on Ye Zao. If they really did not want to acknowledge ye Zao as their daughter, they would not want to acknowledge ye Zao back now.”

But what about ye Zao?

“As a junior, it was fine if they did not understand their parents, but now, they still did such an embarrassing thing.”

“Chang Yue country should have the surname man. Ye Zao should have left that position to man Xing. After all, man Xing was her biological sister. Leaving it to Ye Han, what was going on with Ye Han?”

Did Ye Han have any relationship with the man family?

Wouldn't that be a joke?

No.

She definitely couldn't let the things in the man family be taken away by outsiders.

“Nick!” Man Jiangshan suppressed the anger in his heart and raised his head to call for his assistant.

“Very soon, his assistant walked in from outside the door. “Mr. President.” ”

“Connect me to Ye Zhuo.”Man Jiangshan pressed his temples.

Ye Zhuo?

“The assistant was stunned for a moment before man Jiangshan continued, “It’s miss ye from Chang Yue!” ”

“Yes.”The assistant nodded and immediately contacted the Chang Yue country.

“Very soon, the call was connected. ”

“”Hello, I’m Nick, the assistant of the Manxing country’s president. Please pick up your Miss Ye.” ”

“”I’m sorry, Miss Ye is no longer living in the Rain Pavilion. Can Our new king, Mr. Ye Han, pick her up?” ”

“Hearing this, Nick looked at man Jiangshan. ”

Man Jiangshan frowned slightly.

Ye Zhuo was no longer living in thoughtful rain pavilion!

Her actions were too fast!

“Just as the announcement was made, she moved out of thoughtful rain pavilion. ”

It seemed that this matter was already set in stone.

“Nick had been following man Jiangshan for a long time. He could see what man Jiangshan was thinking at a glance and continued, “Okay, thank you, since...” ”

“Before Nick could finish his sentence, man Jiangshan took the microphone from him. “I am man Jiangshan.” ”

“”Hello, Mr. President.”A respectful voice came from the other side. ”

“Man Jiangshan continued, “Give my regards to your Miss Ye. Congratulations to Mr. Ye Han for achieving great success.” ”

“After saying that, man Jiangshan cut off the connection. He pressed his temples and looked at Nick. “You can go out first.” ”

“Yes.”Nick bowed and walked out of the door

Man Jiangshan looked at Nick’s back and frowned slightly.

On the other side.

Ye Zhuo looked at Ye Han. “Go and tell Zhao Dan that I’m willing to go back with her.”

Ye Han was stunned. “What? Why?”

“Man Xing country came because of ye Zhuo’s power. Now, Ye Zhuo was actually willing to go back with Zhao Dan! ”

“Ye Zhuo’s expression did not change. “There are some things that need to be resolved, and they have to be resolved.” ”

“Ye Han nodded. “Alright, I’ll go now.” ”

Zhao Dan was waiting for Ye Zhuo outside.

“When he saw ye Han come out, he immediately stood up and said, “Mr. Xiao Ye.” ”

“Ye Han looked at Zhao Dan. “Madam, my sister asked me to pass on a message to you. She said that she’s willing to go back with you. When can we set off?” ”

“Hearing this, Zhao Dan thought that he was hearing things! ”

Ye Zhuo was actually willing to go back with her!

“Really?”

Ye Han nodded. “Yes.”

“”Good, good, good. I knew it. Your sister is a good child,”Zhao Dan said excitedly. “As long as she’s willing, we can set off immediately.” ”

“After saying this, Zhao Dan continued to ask, “Oh right, why did your sister suddenly agree to it!” ”

“To Zhao Dan, this was like a bolt from the blue. ”

“Ye Han relayed ye Zhuo’s words to Zhao Dan and continued, “She said that after so many years, she’s already tired.” ”

Tired?

“Zhao Dan did not have time to think too much. He smiled and said, “Mr. Xiao Ye, thank you. Then I’ll go back and make some preparations. I’ll come back tomorrow to pick up the full moon.” ”

“Okay.”Ye Han nodded.

“After Zhao Dan returned to his temporary residence, he immediately contacted man Jiangshan.
“Jiangshan, Jiangshan! I have good news for You!” ”

Man Jiangshan was currently worrying about Ye Zhuo. “What Good News?”

“Ye Zhuo! Ye Zhuo is willing to come back! Do you think it’s Good News?”

Man Jiangshan was stunned.

“At this juncture, why would ye Zhuo suddenly want to come back? ”

Didn’t she already hand changyue over to Ye Han?

Man Jiangshan frowned. “Return? What did she tell you?”

“Zhao dan continued, “I didn’t see ye Zhuo in person. I saw Ye Han. Ye Han told me that after so many years, she was already tired! Thinking about it, it made sense. After all, man Xing country was her real home. which child wouldn’t be willing to go home when they were tired?” ”

Chapter 2072: 430: Great Burning Design! 2

Man Jiangshan narrowed his eyes.

What did ye Zhuo Mean Now? A discerning person could figure it out with his toes!

“From the looks of it, Ye Zhuo and ye Han must have fallen out with each other. Ye Han had plotted to usurp the throne, and Ye Zhuo had nowhere to go. That was why he had agreed to come back. ”

“In Ye Zhuo’s eyes, what was the Manxing Kingdom? ”

“When she was the monarch of Changyue kingdom, she had ignored Zhao Dan and showed her displeasure to Zhao Dan. Once she was schemed against, Ye Zhuo had thought of the Manxing Kingdom? ”

“Since that was the case, then don’t blame him for being impolite. ”

“From then on, he no longer had a daughter like ye Zhuo. ”

“Go and tell her that it’s too late for her to come back now!” Man Jiangshan continued, “I only have two children, man Xing and Man Wen! Don’t even think about other imposters pretending to be my full moon!” ”

“Ah?”

“Seeing man Jiangshan like this, Zhao Dan was stunned for a moment. “What’s wrong? Why did this happen all of a sudden? Didn’t you say that you wanted to recognize her back? Why are you suddenly refusing to recognize her again?” ”

“Man Jiangshan continued, “Didn’t you see the changyue country’s announcement today?” ”

“What announcement?” Zhao Dan asked as he opened his browser and logged into the changyue country’s official website.

“Soon, he saw the first announcement on the top page. ”

“After reading the entire announcement, Zhao Dan’s face was a little pale. ”

Ye Zhuo had actually given up the changyue country to Ye Han.

“In other words, from today onwards, Ye Zhuo was an ordinary citizen and was no longer the ruler of the changyue country. ”

“If ye Zhuo wanted to give up, he should have given up this position to the full stars. ”

What was the meaning of giving up this position to Ye Han?

Ye Han and ye Zhuo were not related by blood at all. was he worthy?

“”How could this be!”Zhao dan frowned, “Why did she give up the feeling of being the ruler of the Changyue Kingdom to Ye Han?” ”

“Man Jiangshan continued, “Now you know why she suddenly changed her mind and agreed to come back!” ”

“At this point, man Jiangshan said with a face full of anger, “She has nowhere to go! As long as she has a way to go, she won’t think of coming back! What does she think of our Manxing Kingdom? She thinks of it as her sanctuary! She can come and go as she pleases! Why didn’t she think of coming back when she was at her peak!” ”

“Ye Zao had a high position and power. It was very easy for her to find out about her background. In fact, she already knew about her background. ”

“In order to prevent Manxing Kingdom from finding out about her, she even hid her appearance from the public. ”

“Other than the core personnel of Changyue Kingdom, who else had seen ye Zhuo’s appearance before?
”

No one had ever seen her before!

“When she was still a female monarch, she had never thought of repaying her parents. Now that she was down and out, she wanted to return home to seek refuge?”

In her dreams!

“She was just a wild child that no one wanted, just like Manxing Kingdom”

“With that said, Zhao Dan also understood the reasoning behind it, and came to a sudden realization. “I was wondering! Why did she suddenly change her personality! So that’s how it is! Alright, I know what to do!” ”

“Speaking up to this point, Zhao Dan sighed and said, “Sometimes, I even wonder if she is really my biological flesh and blood. Look at how understanding Xing ‘ER is. What about her? She can’t even compare to half of Xing ‘er!” ”

“If this matter was handled by Manxing, she would definitely not hand over the changyue kingdom to Ye Han. ”

Ye Zhuo simply had no conscience at all.

“Although Manwen did not do much and was a profligate silkpants, he at least had Manxing in his heart. He had parents like them. ”

What did ye Zhuo have in his heart?

Only herself!

Zhao Dan had just cut off contact when ye Han came looking for her.

“Madam, are you ready? My sister asked me to rush you. When will you bring her back?” ”

Rush?

Ye Zhuo had nowhere to go and now he knew to rush her?

“When she went to beg ye Zhuo, where was Ye Zhuo?”

“Your sister? Who is your sister?”Zhao Dan raised his head to look at Ye Han.

“Ye Han was stunned, he smiled and said, “Madam, aren’t you asking the obvious? Of course my sister is your Manxing Kingdom’s missing full moon princess for many years! Didn’t you just say that you were going to bring her back? How did you forget in the blink of an eye?” ”

“Full moon? My Full Moon died a long time ago! Do you really think that any Tom, Dick, or Harry can pretend to be my full moon!”Zhao Dan looked at Ye Han, then, he said, “Your Sister Is Ye Zhuo, right? She is the female monarch of Changyue Kingdom! We are not worthy of her!” ”

“Madam, you are wrong to say that! At that time, you were the one who came looking for me and said that my sister is a full moon! Now You don’t admit it!”Ye Han’s face was full of anger, “What do you mean by that? Do you really think that we siblings are easy to bully?” ”

“Nothing much, I just mistook her for someone else! Ye Zhuo has nothing to do with our Manxing Kingdom! Please tell your sister to stop daydreaming!” Zhao Dan made a ‘please’gesture. “Mr. Xiao Ye, Please!” ”

Chapter 2073: 430: Great Burning Design! 3

Ye Han could not contain his anger and turned around to leave.

“Looking at Ye Han’s back, Zhao Dan snorted coldly. ”

“At this time, Ye Zhuo still had delusions of returning to Manxing country. ”

Was she qualified?

“Ye Han returned to thoughtful rain pavilion and said with a smile, “Sister! You’re really godly! The words that Zhao Dan said to me, and the words that you said to me, were exactly the same!” ”

“If he hadn’t experienced it personally, ye Han wouldn’t have believed that Zhao Dan had said it himself. ”

“He had thought that Zhao Dan’s conscience had realized that he had come to acknowledge ye Zhuo, but he had never thought that Zhao Dan had other intentions. ”

“Now, after seeing the announcement, he had immediately cut ties with Ye Zhuo. ”

It was simply ridiculous!

Ye Zhuo’s expression didn’t change. “Has she left now?”

““Yes, she has already left!”Ye Han nodded. ”

““That’s good.”Ye Zao continued, “Then let’s make preparations too. We’ll go back tomorrow.” ”

“Return to Earth?”Ye Han asked.

“Yes.”Ye Zao nodded slightly.

On the other side.

“After ye Han left, Zhao Dan did not stay in changyue any longer. He immediately flew back.”

“When he learned that Zhao Dan had returned, man Xing was very excited. He stood at the door with his assistant and waited for Zhao Dan.”

“During this time, he looked at his assistant nervously. “Wen Xi, do you think I can do this now? Can I leave a good impression on elder sister?” ”

“The assistant nodded and smiled. “Young miss, you’re so beautiful. You look good in everything!” ”

“”In this family, only elder sister is the young miss. From now on, you can call me second young miss,” man Xing said.”

“The assistant was stunned for a moment before saying, “Okay.” ”

“Soon, an aircraft appeared in the horizon.”

Man Xing lowered his head and tidied up his clothes. The corners of his mouth curled up in a beautiful arc. He stood there in the best state of mind to welcome his mother and eldest sister.

The aircraft had just stopped when man Xing went up to welcome them.

Zhao Dan walked out from inside.

“Mom.”

“Seeing his outstanding daughter, Zhao Dan could not help but smile. “Xing ‘er.” ”

“Man Xing held Zhao Dan’s arm and looked inside. She did not see ye Zhuo and asked curiously, “Where’s elder sister?” ”

“Fortunately, man Xing still remembered ye Zhuo and called him elder sister. ”

Had Ye Zhuo ever thought of man Xing?

“Zhao Dan patted man Xing’s hand. “From now on, you don’t have elder sister.” ”

Man Xing stared at Zhao Dan with wide eyes. Her beautiful eyes were filled with doubt.

“Mom?”

“Zhao dan continued, “Don’t ask why.” ”

“At this point, Zhao Dan sighed. Her eyes were slightly red. “Your eldest sister is a pitiful child. When she was young, it was your father and I who didn’t fulfill our responsibilities as parents. Otherwise, we wouldn’t have given the thief an opportunity!” ”

“Every time she thought of this, Zhao Dan felt extremely uncomfortable and guilty. ”

She had never done anything guilty in her life except for this.

But she had no choice.

She could only blame the full moon for not having a mother-daughter relationship with her.

As for Ye Zhuo...

She refused to admit it.

“After all, Ye Zhuo was ye Zhuo, and the full moon was the full moon. Zhao Dan’s guilt was only towards the full moon. ”

“”Mom, what’s Going On?”Man Xing didn’t understand what his mother meant. “Didn’t you say that Miss Ye is your eldest sister? Then why didn’t she come back with you? Did you see what happened?” ”

“Zhao Dan said, “This child, who told you that Miss Ye is your eldest sister’s? Your eldest sister was killed nineteen years ago.” ”

“Man Xing frowned slightly and continued, “Mom, what exactly happened?” ”

“Let’s go back to the house and talk.”Zhao Dan patted man Xing’s hand. “Where’s your father?”

“”He’s in the house,”man Xing said. ”

“Then let’s go back first.”

“Since they couldn’t get any answers, the full moon could only follow Zhao Dan back. ”

The two of them walked into the house.

“After sending away all the servants, Manxing asked, “Mom, why didn’t eldest sister come back with you?” ”

“Zhao Dan took off the lady hat that shielded the sun. “Xing ‘er, we’ve mistaken you for someone else. Ye Zhuo has nothing to do with your eldest sister. Don’t think about her in the future.” ”

“”Wrong person? How can that be!”MAN XING said, “Dad already said that no matter who you get the wrong person, you won’t get the wrong person for your daughter! Mom, is eldest sister still angry?” ”

“She doesn’t have the right to be your eldest sister. Don’t mention this again in the future!”

“Hearing this, man Xing was very confused. “Why, Mom! Does Dad know about this? Why didn’t you bring eldest sister back? Eldest sister’s childhood experience was already pitiful enough!” ”

“At this moment, a voice from man Jiangshan suddenly came from the air. “Your mom is right. Ye Zhuo doesn’t have the right to be your elder sister. Don’t mention this again in the future!” ”

“Dad? !”Man Xing turned to look at man Jiangshan.

Chapter 2074: 430: Great Burning Design! 4

“Man Jiangshan continued, “No qualification means no qualification. Your mother just came back and the journey was tiring. Let her rest for a while.” ”

“Man Xing wanted to ask more, but at that moment, man Wen crossed his arms and limped in from outside the door. ”

Ye Han did not show any mercy at all.

“Seeing Man Wen like this, man Xing immediately ran over and said with concern, “Man Wen, what happened to you? Who bullied you!” ”

“No one bullied me. You Don’t have to care about this!”Man Wen impatiently waved man Xing’s hand away.

“Man Xing was almost thrown to the ground by man Wen’s wave. Fortunately, Zhao Dan caught her in time. “Xing ‘er, are you okay?” ”

“Man Xing shook her head. “Mom, I’m fine. Man Wen seems to be injured! Do you want to go up and take a look...” ”

“”He must have gone to fight with someone else again! Don’t worry about him!”Zhao Dan said indifferently, “He’s already 19 years old. He’s always so random. As long as he’s half as sensible as you, he wouldn’t be like this now!” ”

“Hearing that, man Wen’s feet paused on the stairs, but he quickly recovered and continued to walk upstairs. ”

He was indeed just a playboy.

It was very normal for his mother to have such a reaction.

“MAN XING said, “Mom, don’t talk about him like that in front of Man Wen! He’s a boy and has pride. He won’t be able to stand it if you talk about him like that.” ”

“At this point, man xing paused and continued, “Boys need encouragement and comfort. Moreover, Man Wen’s character is different from other boys...” ”

“”If he knew that he couldn’t take it, he should have restrained himself! Look at him now!”At this point, Zhao Dan sighed, “Your father and I can only rely on you for the rest of Our Lives!” ”

“As for Manwen, it was already good enough that he could protect himself! ”

Zhao Dan’s words had touched the hearts of the entire country!

“From the beginning to the end, he did not expect Manwen to have any great abilities. ”

“However, it was enough for him to have such an outstanding daughter like the full moon in his life! ”

“Manxing said a little embarrassedly, “Father and mother, actually, Manwen is not worse than me. He just has a child’s temper and likes to play! When he is older, he will be better once he has a family.” ”

“A family? Who would be willing to marry his daughter to him? Wouldn’t that be harming the little girl?”Zhao Dan said.

“MAN XING said gently, “Actually, as long as the woman has a good character, she doesn’t have to be of the same social status...” ”

“”Let’s not talk about him, let’s not talk about him.”Zhao Dan waved his hand repeatedly. “When I talk about him, I’m full of anger!” ”

“MAN XING nodded and continued, “Then elder sister...” ”

“”You won’t have an eldest sister in the future!”Man Jiangshan continued, “That kind of heartless ingrate, even if you really acknowledge her back, you won’t be able to raise her well! It’s better to not acknowledge her! In my entire life, I, Man Jiangshan, only have you as my daughter!” ”

“Hearing this, man xing frowned and said, “But why?” ”

“Man Jiangshan saw that man Xing was determined to get a result, so he could only tell man Xing what happened. ”

“”Ye Zao never thought of us as family. It’s fine if he doesn’t want such a daughter!”Man Jiangshan continued, “Xing ‘er, I know that you’re a good child and a good sister, but ye Zao is not a good sister! She never thought of you, and she never thought of our family. Forget it! It’s not sweet to force things. Since she doesn’t want to Know Us, then we don’t have to force her!” ”

“MAN XING said, “Dad, actually, I quite understand elder sister. After all, she hasn’t lived with us since she was young. “Even though you and mom gave her life, you didn’t fulfill your responsibility of raising her... “... Even though elder sister’s actions were a little inappropriate, she is your daughter after all. She is the elder sister of Me and Man Wen. You are her parents, while I am her younger brother and sister. Naturally, I won’t bother with her about this ”

“Silly child, I know that you won’t bother with her about this, but reason isn’t this reason! “If she dares to ignore you now, what will happen in the future?”Zhao dan continued, “In any case, in the future, the full moon will be the full moon, and Ye Zhuo will be ye Zhuo. Xing ‘er, you just have to remember that your elder sister is already dead!” ”

Man Xing sighed.

...

On the other side.

Man Wen sat on the bed and lowered his head to sterilize his wound.

Bang!

“Suddenly, a figure jumped in from the window. ”

Man Wen was not very surprised. He did not even raise his head.

“Fan Mu stood up and looked at man Wen. She said in surprise, “Who beat you up like this?” ”

“I accidentally fell,”man Wen said. ”

Fan Mu was immediately amused. “Then you are really amazing! To be able to fall like this!”

Chapter 2075: 430: scorching design! 5

Man Wen couldn’t be bothered with him.

“Fan Mu continued, “I heard it from outside the window just now! TSK TSK, that sister of yours is really too good to you! You’re only nineteen years old, and she’s already looking for a partner for you! She even said that being of equal status isn’t important. She’s clearly trying to stuff someone into you!” ”

“Man Wen continued applying the medicine, grimacing in pain. ”

This Ye Han was too ruthless.

Wait for it.

He had to find an opportunity to take revenge.

“After saying that, fan mu continued to ask, “Right, your eldest sister isn’t coming back?” ”

“How many times do you want me to say it?”Man Wen raised his head to look at Fan Mu. “She’s not my eldest sister! She has nothing to do with me! Man Xing is my only sister!”

“The smile on Fan Mu’s face did not change, he continued, “Actually, it’s good that she’s not coming back! Your family’s waters are really too deep. She’s as free and easy as she can be in the Chang Yue Kingdom. She’s the Miss ye that everyone admires. Why would she come back to get involved in this muddy water?”Wasn’t this looking for trouble for him? ”

“The entire family looked simple, but in reality, none of them were simple. ”

“Otherwise, man Wen would not be in this state. ”

“After chatting for a while, Fan Mu’s gaze shifted to the direction of the door. He picked up his cup and drank some water, changing the topic, he asked, “Oh right, I heard that there’s another group of extremely beautiful and hot chicks at the dance venue. Do you want to Go Tonight?” ”

“Hearing that, man Wen put down the medicine in his hand excitedly. “Yes! Of course! When? is the news reliable? How many chicks are there?” ”

“Fan Mu smiled and said, “You’re so mentally handicapped! You’re already like this, yet you still want to go pick up chicks!” ”

“The next second, there was a knock on the door. ”

“Who is it?”Man Wen said impatiently.

“It’s me.”Man Xing’s gentle voice came from outside the door.

“Man Wen said, “Come in.” ”

“Man Xing pushed the door open and came in. “Man Wen, I brought you the medicine.” ”

“When he saw man Xing, fan mu immediately stood up from the bed. She was so nervous that she did not know where to put her hands. “Sis! Hello, Sis!” ”

“MAN XING smiled and said, “We are all of the same age. There’s no need to be so nervous.” ”

“Fan Mu nodded and continued, “Sis, I didn’t say anything to man Wen just now. I’ll be leaving First!”After saying that, she ran away in a flash. ”

Man Xing looked at his back and shook his head helplessly.

Fan Mu ran all the way to the door of the man’s house and then let out a deep breath.

In the house.

“Man Xing looked at man Wen, “I heard the conversation between you and Fan Mu just now. Don’t worry, I won’t tell my parents. “But man Wen, you’re not young anymore. You Can’t keep going on like this. You’re a boy. A man should be able to hold up the sky and the Earth.” ”

“Man Xing’s words were sincere and sincere, and she spoke with great principles. Unfortunately, Man Wen didn’t listen to her and said impatiently, “Are you bored? is menopause here?” ”

“Man Xing shook her head helplessly and continued, “This medicine is very useful for treating injuries. Remember to apply it. I’m leaving First!” ”

“After saying that, man Xing turned around and left. ”

“Just as man Xing reached the door, man Wen called out to her, “Sister.” ”

Man Xing smiled and looked back. “What’s Wrong?”

“Man Wen continued, “You will always be my sister. Apart from you, I will never acknowledge anyone else!” ”

“Hearing this, man Xing was touched and nodded. “Okay.” ”

On the other side.

At the CEN residence.

Today was the twenty-fifth day after ye Zao left.

“Cen Shaoqing maintained his previous habit of going to bed early and waking up early every day. He ate vegetarian and prayed to Buddha, and his life became colder and colder. ”

“In the past, when Ye Zao was by his side, he could at least see a little bit of popularity on him.”

Now...

There was not even the slightest hint of fireworks.

“Old Mrs. Cen sat at the dining table and said worriedly, “Xiangxiang, have you noticed that things have been a little strange recently?” ”

““What’s wrong, Mom?”Zhou Xiang asked. ”

“Old Mrs. Cen continued, “I haven’t seen Yezi for a long time. Also, fifth girl hasn’t been coming downstairs for breakfast recently!” ”

“Zhou Xiang also felt a little strange when she heard that. She looked at the servant beside her and said, “Go upstairs and see Fifth Master.” ”

““Yes, Madam.” ”

The servant walked upstairs.

Cen Shaoqing was lifting a barbell in the gym when the servant knocked on the door.

“Come in.”A low voice came from inside the door.

“The servant pushed the door open and went in. “Fifth Master, Madam asked me to call you downstairs for breakfast.” ”

Cen Shaoqing did not say anything and nodded slightly.

“The servant continued, “If there’s nothing else, I’ll go downstairs first.” ”

“Okay.”

“The servant turned around and left. At that moment, Cen Shaoqing narrowed his phoenix-like eyes and kicked the kettle bell on the ground.”

Bang.

The kettle bell directly hit the servant’s back.

“The servant fell to the ground. Her expression changed and she struggled to get up from the ground. However, Cen Shaoqing stepped on her back. “Say, who sent you?” ”

Chapter 2076: 431: Return to Earth! 1

“From the moment the servant pushed open the door, Cen Shaoqing sensed that something was wrong ”

The servant was also speechless. He had only been undercover in the CEN family for one day.

“Zhou Xiang and old Mrs. Cen downstairs did not discover anything, but Cen Shaoqing also discovered it! ”

As expected.

Cen Shaoqing was Cen Shaoqing.

“Cen Shaoqing stepped on the servant’s back and tried hard to calm himself down. “Fifth Master, you misunderstood. I, I was not sent by anyone.” ”

“You’re not going to say it?”Cen Shaoqing increased the strength of his foot.

The servant’s face instantly turned pale.

“”I, I’ll say... I’ll say anything...” ”

Cen Shaoqing did not reduce the strength of his foot.

“”Yes, yes...”before the servant could finish his sentence, his vision went black and he fainted. ”

“The next second, Cen Shaoqing’s foot was empty. The person who was originally alive suddenly disappeared without a trace, leaving only a chip on the ground. ”

Cen Shaoqing frowned slightly and picked up the chip on the ground.

S galaxy.

The alliance.

What was their purpose?

“Cen Shaoqing put away the chip and went to the bathroom to take a shower. When he came out of the bathroom again, he had already changed into his usual long gown. ”

“His temperament was refined, and his thin lips, which were pursed into a line, looked a little cold. ”

Cen Shaoqing came to the study and inserted the chip into the USB.

“At this moment, Old Mrs. Cen’s voice came from outside the door, “Five, Shaoqing!” ”

““Grandma,”Cen Shaoqing answered. ”

“Old Mrs. Cen pressed on the door handle and found that it could not be opened. She said somewhat speechlessly, “It’s broad daylight, and leaf is not here. Why did you lock the door?” ”

It was like taking off his pants and farting. It was unnecessary.

Cen Shaoqing operated the computer to open the door.

“The next second, the door was opened. ”

Old Mrs. Cen walked in from outside. “What are you doing? Why aren’t you going down to eat?”

““I’m not hungry,”Cen Shaoqing said concisely. ”

““Not hungry? Are you going to become an immortal?”Old Mrs. Cen said in disdain, “You don’t have much meat on you to begin with. If you don’t eat, be careful that Yezi doesn’t divorce you.” ”

Cen Shaoqing touched his nose and didn’t say anything.

“Old Mrs. Cen continued, “Oh right, why haven’t I seen Yezi in the past few days?” ”

““She’s busy,”Cen Shaoqing said. ”

“Have you contacted her?”Old Mrs. Cen asked.

Cen Shaoqing shook his head slightly.

“Ever since ye Zao left, he had started counting with his fingers to see when ye Zao would return.”

“In the blink of an eye, more than twenty days had passed. There was no news from the s galaxy at all. Although Cen Shaoqing looked calm and collected, he still ate vegetarian and prayed to Buddha every day. He also worked out on time, but in reality, he had already become an ant on a hot pan.”

“If ye Zhuo still did not come back, he could only venture into the s galaxy alone.”

“Old Mrs. Cen said, “Aren’t you afraid that Ye Zi will meet someone better than you? “However, Ye Zi is not the kind of person who leaves you three or four years ago. Even if ye Zi really dumped you, it would definitely be your problem! “Who asked you to not cherish a girlfriend as good as Ye Zi!” ”

“At this point, old Mrs. Cen looked at Cen Shaoqing with disdain. “Look at your dumb face!” ”

Cen Shaoqing was like this.

“Other than in front of ye Zhuo, otherwise, he would not speak if he could. It was as if saying one more word was a waste of his life.”

“Old Mrs. Cen continued, “When Will Yezi come back?” ”

“It should be in these few days.”Cen Shaoqing’s thin lips opened slightly as he twirled the Buddhist beads.

“Old Mrs. Cen said, “Which days are these next few days? Is there no definite letter?” ”

Cen Shaoqing shook his head slightly.

“Forget it, forget it. I Can’t be bothered to ask you.” Old Mrs. Cen turned around and walked downstairs. “Remember to come downstairs to eat.” ”

“CEN Shaoqing continued, “Grandma, you guys eat first. I still have something to do.” ”

“Old Mrs. Cen couldn’t be bothered with Cen Shaoqing anymore. She turned around and walked downstairs. As she walked, Old Mrs. Cen seemed to have suddenly thought of something and continued, “Oh right. Did Little Wang come up to call you just now? where is he?” ”

““He went downstairs,” Cen Shaoqing said. ”

“Old Mrs. Cen rubbed her head and said in puzzlement, “Did he go downstairs? Why didn’t I See Him?” ”

“However, although she was puzzled, she didn’t think too much about it. ”

“After Old Mrs. Cen left, Cen Shaoqing continued to study the chip. ”

It was not until three o’clock in the afternoon that Cen Shaoqing came downstairs.

“When the housekeeper saw him go downstairs, he immediately arranged for the kitchen to cook. ”

“Actually, it was easy to cook for Cen Shaoqing. He just needed to cut two pieces of green leafy vegetables and mix them with a salad. ”

“Unfortunately, Cen Shaoqing had high requirements. He had to eat vegetables that were in season and he had to eat vegetables that had just been picked from the fields. Therefore, behind the Cen Manor, there was a huge farm. Other than some fruit trees on the farm, there were all kinds of vegetables that were in season. ”

“Halfway through the meal, a message suddenly came from Cen Shaoqing’s phone.”

It was from ye Zhuo.

“Cen Shaoqing immediately put down his chopsticks, picked up his phone, and looked at the message.”

It was a very short five-word message.

Return in three days.

“In fact, Ye Zhuo and ye Han had already set off, but it would take three days to cross the Milky Way from the s galaxy to Earth.”

“After receiving ye Zhuo’s message, Cen Shaoqing waited for the Moon and stars until the last day.”

“Cen Shaoqing came to the base, sat in his office, and kept flipping through his phone.”

“At this moment, a light suddenly appeared on the interstellar map.”

The light was getting brighter and faster.

It was the interstellar shuttle!

“Cen Xiaoqing immediately stood up and walked out of the office, all the way to the room where the interstellar shuttle was placed.”

The interstellar shuttle roamed the quantum realm. Humans could not see it with their naked eyes. Cen Shaoqing could only determine their exact location through the map on his phone.

“At this moment, a small black dot landed on the ground. ”

“The small black dot grew bigger and bigger. In the end, it actually transformed into the appearance of an interstellar shuttle! ”

“Cen Shaoqing immediately stood up. His slender fingers touched the door handle of the shuttle. Very quickly, the door was pulled open. ”

“In the next second, Cen Shaoqing was hugged by someone. A familiar fragrance assaulted him. ”

It was especially nice.

It had been a long time since they last met. Cen Shaoqing was a little nervous and did not know where to put his hands.

“Ye Zao put his hands around his waist and tiptoed. He whispered in his ear, “Mr. Cen, long time no see.” ”

“The corners of Cen Shaoqing’s lips curled up slightly. He hooked his hands around her slender waist and opened his thin lips. “Miss Ye, welcome back.” ”

“As he finished speaking, ye Zhuo pressed his red lips onto his thin lips. ”

His aura became subtle.

Ye Han walked to the entrance of the aircraft. What he saw was a scene that was unsuitable for children. Ye Han immediately turned around and returned.

Don’t look when it’s indecent.

Don't look when it's indecent!

"A few minutes later, Ye Zhuo released Cen Shaoqing and continued, "Oh right, I'll introduce you to someone." "

Cen Shaoqing slowly tidied up his sleeves and slowly raised his eyes.

"Ye Zhuo looked at the shuttle. "Ye Han, come out." "

"Hearing Ye Zhuo's voice, Ye Han walked out of the shuttle. "

He was about eighteen or nineteen years old.

"He was handsome, sunny, and handsome. When he walked on the street, he was the type that could make a bunch of girls scream. "

"Ye Zhuo continued, "My brother, Ye Han." "

"Cen Shaoqing nodded slightly and extended his right hand to Ye Han. "Hello, I'm your sister's boyfriend, Cen Shaoqing." "

"The residents of Changyue were originally humans, so they still kept the habit of shaking hands. Ye Han extended his hand to hold Cen Shaoqing's hand, "Mr. Cen, my sister is the number one female monarch of Changyue. Her body is delicate and precious. If I find out that you bullied her, no matter where you are, even if you chase her to the ends of the Earth, I will definitely make you pay the price!" "

"When he said the last sentence, Ye Han increased the strength of his hand. "

"Cen Shaoqing acted as if he did not feel anything. His face maintained a polite arc. "Don't worry, I will never let her down." "

Ye Han was stunned.

He originally thought that Cen Shaoqing was just an ordinary human. He did not expect that Cen Shaoqing could actually withstand his imprisonment.

One had to know that his hand strength was one of the best in Changyue.

Ye Han sized him up.

“Cen Shaoqing’s expression did not change. He was as steady as Mount Tai, as if nothing had happened just now.”

“A moment later, Ye Han let go of Cen Shaoqing’s hand and said meaningfully, “Mr. Cen’s skills are not bad.” ”

“Cen Shaoqing held the Buddha bead in his left hand. “Little brother, you are also not bad.” ”

As expected of Ye Zhuo’s little brother.

“If it was anyone else, they would not be able to withstand his counterattack.”

“Ye Han’s gaze turned to Cen Shaoqing’s left hand and continued, “Do you believe in Buddhism?” ”

“Yes.” Cen Shaoqing nodded slightly.

“Ye Han frowned and said, “If you believe in Buddhism, why are you still dating my sister? You won’t let my sister become a widow for you, right?” ”

“Ye Zao was shocked by Ye Han’s words. He turned his head to look at Ye Han, shock written all over his face.”

“When he looked at Cen Shaoqing again, he was very calm. His thin lips parted slightly. “Brother, don’t worry. I’m doing fine. I’ll give your sister happiness.” ”

“When Ye Han came, he was still worried that ye Zao’s boyfriend would be unreliable. Now that he saw Cen Shaoqing, he was completely at ease. ”

Because no one was more reliable than Cen Shaoqing.

“In the country of changyue, the height of men was around 185. Cen Shaoqing’s height was estimated to be 1.9 meters. He was handsome and had an extraordinary temperament. With just a glance, one could tell that he was a dragon and Phoenix among men! ”

“Moreover, his skills were not bad and he was on par with ye Zao. This way, there was no need to worry that ye Zao would have no one to protect him in the future ”

Chapter 2078: 431: Return to Earth! 3

“Cen Shaoqing turned to look at ye Zao and continued, “Leader, you and your brother must be tired from the long journey. Come with me. Let’s eat something first and then have a good rest, okay?” ”

“Okay.”Ye Zao nodded slightly.

Cen Shaoqing led the two out of the base.

“When the base’s workers saw ye Zao, they all greeted him politely, “Hello, fifth master, Hello, Miss Ye!” ”

““Miss Ye, you’re finally back!” ”

“Miss Ye!”

“Ye Han followed behind, feeling a little shocked. He didn’t expect ye Zhuo to be so popular on Earth. ”

“But thinking about it, it made sense. ”

“No matter where an outstanding person ended up, no matter how terrible the surrounding environment was, she could still shine. ”

“Ye Zhuo greeted people while introducing ye Han to everyone, “This is my younger brother, Ye Han.” ”

“”Hello, Little Brother Ye.” ”

“Hello to all of you.”

“Ye Han leaned against ye Zhuo’s side and said in a low voice, “Sister, they’re so passionate!” ”

“Zuo gong smiled and teased, “Miss Ye, I wonder if little brother Ye has a girlfriend. If he doesn’t, I’ll introduce him to someone!” ”

Ye Zhuo smiled slightly. “You’ll have to ask him about that.”

Zuo Gong looked at Ye Han.

“Ye Han’s face was slightly red. “Thank you for your kind intentions, but I don’t want to think about personal matters for the time being.” ”

“Zuo Gong nodded. “Of course, of course. Establish a business first before starting a family! When you want to find a girlfriend, come and look for me again!” ”

“Okay.”Ye Han nodded.

“Very soon, they arrived at the base’s cafeteria. ”

“Although it was called a cafeteria, it was not a large pot of rice in the traditional sense. The Cen family base’s cafeteria gathered all kinds of Chinese and western delicacies, and there were even five-star chefs. ”

“Because he had received ye Zao’s message in advance, Cen Shaoqing had already arranged for food. ”

“Half of the desserts on the table, and half of the dishes that ye Zao liked to eat. ”

“Ye Zao had not eaten desserts for a month. When he saw the desserts on the table, his eyes immediately lit up. He immediately sat down, picked up a dessert, and said as he ate, “Ye Han, you eat quickly too!” ”

Ye Han still could not get used to the food on Earth. He silently took out a nutrient solution from his bag. “I’ll drink this.”

“”Actually, the food is much better than the nutrient solution.”Ye Zhuo picked up a goose leg and placed it into Ye Han’s bowl. “If you don’t believe me, Try This goose leg.” ”

“Ye Han shook his head, his face full of rejection. ”

“Seeing that he didn’t eat the goose leg, ye Zhuo continued, “Then drink some drinks. There are all kinds of lactic acid drinks here, as well as milk, fruit tea, and freshly squeezed juice. Do you want to try it?” ”

Ye Han still shook his head.

“Halfway through eating, Ye Zhuo suddenly thought of something and looked at Cen Shaoqing. “Cen Shaoqing.” ”

“HMM?” Cen Shaoqing looked up at her.

“Ye Zhuo continued, “Go and bring over a small backpack on the interstellar shuttle.” ”

“Okay.” Cen Shaoqing nodded and stood up to get something.

Ye Zhuo continued to eat.

“She first ate dessert, then drank a drink, then ate the food and ate heartily. Seeing this, Ye Han was a little confused. was this food really that delicious? ”

““Sis,” ye Han could not help but speak. ”

“HMM?” Ye Zhuo turned to look at him. “Do you want to eat too?”

““No, no, no!” Ye Han waved his hand repeatedly. “I just want to tell you to eat slowly. Don’t choke!” ”

““Don’t worry,” ye Zhuo said. ”

“Soon, CEN Shaoqing came over with his bag. He looked at ye Zhuo and said, “What’s in the bag? It’s quite heavy!” ”

“You’ll know in a while.” Ye Zhuo reached out to take the bag.

“Ye Zhuo unzipped it, and in an instant, a big white fluffy ball appeared. ”

It looked very much like a fluffy toy.

“Ye Zao patted it. “Doggie, Get Up!” ”

“The next second, the ‘fluffy toy’ actually jumped out of the backpack. It rubbed its eyes with its wings and looked at ye Zao. “Big Zao, are we here?” ”

“Yes.”Ye Zao nodded slightly.

“Really! ?”Yi Ling asked excitedly.

“Really.”

“Yi Ling flapped her small wings and flew into the air. She looked around and finally flew in front of Cen Shaoqing. She asked curiously, “Who are you?” ”

“Without waiting for Cen Shaoqing to answer, Yi Ling turned to look at Ye Zao. “Da Zao Zao, is he your family on Earth?” ”

Ye Zao nodded slightly.

“CEN Shaoqing continued, “I am ye Zao’s boyfriend, Cen Shaoqing.” ”

“Ye Zao looked at Cen Shaoqing and continued, “He is a type of bird in the S galaxy, Chang Yue country. The battle suit he lives in is also the Yi Ling of the battle suit. You can just call him Yi Ling.” ”

“En.”Cen Shaoqing nodded slightly.

“”What is a boyfriend?”The spirit of the battle suit flapped its small wings and continued, “Oh! I understand! A boyfriend is someone who wants to have children together in the future!” ”

Chapter 2079: 431: Return to Earth! 4

“Hearing this, ye Zao almost choked to death. ”

He choked until his face turned red.

Cen Shaoqing’s heart ached. He immediately stood up and patted her back. “Eat Slowly.”

“Then, he gave ye Zao a cup of warm water. “Drink some water.” ”

Ye Zao took the cup and drank more than half of the water. Only then did he feel better.

“Seeing her like this, Yi Ling asked in puzzlement, “Am I wrong? If boyfriends aren’t the ones who give birth together, then who is?” ”

Cen Shaoqing raised his eyes slightly. “You’re not wrong.”

“Yi Ling said, “Since I’m not wrong, why would big Zao do that?” ”

““She’s thin-skinned,” Cen Shaoqing said. ”

““OH.” Yi Ling nodded, half understanding, and then said, “By the way, are you a human?” ”

Cen Shaoqing nodded slightly. “Yes.”

“Upon hearing this, Yi Ling looked at Cen Shaoqing very seriously and continued, “I don’t think you’re an ordinary human! An excellent gene like yours should be passed down more often. Remember to have more children with big searing...” ”

“To prevent Yi Ling from talking nonsense, ye searing reached out to grab Yi Ling and continued, “Doggie, haven’t you always been clamoring to eat the delicious food on earth? Come, these are all of them!” ”

“Seeing the delicious food, Yi Ling’s eyes immediately lit up. She transformed into a Shredder and opened her mouth so wide that it was bigger than a plate. One mouthful could fit three large chicken drumsticks, as she ate, she said incoherently, “So substandard! So substandard! So substandard! I love Earth! I love China!” ”

“Ye Han swallowed his throat. To be honest, if he had not seen it with his own eyes, he would never have believed that Yi Ling’s mouth was so big. ”

Amazing!

“One Man and one bird. In less than an hour, they finished a table full of dishes. ”

“In the end, Yi Ling’s stomach directly became more than twice its usual size. She slumped on the table and didn’t move at all. ”

“Looking at ye Zao again, not only did he not feel full, he even ordered a plate of fruits after dinner. ”

Ye Han even suspected that there was a shredder in ye Zao’s stomach!

“After eating and resting for a while, Cen Shaoqing drove ye Zao back. ”

“Because he had told them beforehand, Ye Shu, Lin Jincheng, and Lin Ze were all waiting at home. ”

“When they got home, they realized that Ye Sen was also there. ”

“Zao Zao is back!”

“Zao Zao!”

“Dad, Mom, uncle, and brother!” Ye Zao walked over and gave the four of them a big hug. ”

“Lin Jincheng sized ye Zao up and down, his eyes slightly red. “You’ve lost weight, you’ve lost weight!” ”

“Although it had only been a month since they last met, Lin Jincheng felt as if they were separated by a century. ”

“When ye Zao had left home, he had still been wearing a sweater in the capital. Now, even wearing a short-sleeved shirt felt hot. ”

“Moreover, ye Zao had clearly said that he would be back in half a month, and it had already been a month. ”

“You’ve indeed lost weight,” ye Sen said. “Eldest niece, the food in your base isn’t good! Especially for technical personnel like you, how can you not keep up with the nutrition!” ”

“Seeing this scene, Ye Han’s eyes turned slightly red. ”

No Wonder Ye Zao had always wanted to return to Earth.

If it were him...

He would also be reluctant to part with these cute family members.

“At this moment, ye Zao continued, “Father, mother, uncle, brother, I’ll introduce you to someone.” ”

“After saying that, ye Zao pulled ye Han to his side. “This is our new member, Ye Han. Ye Han, this is father, this is mother, this is brother, and this is uncle.” ”

“Regarding ye Han’s matter, Ye Zhuo had video-recorded it with his family. Otherwise, Ye Sen would not have come all the way back. ”

He had come back to welcome ye Han.

“Ye Han had originally thought that he would be very uncomfortable facing ye Zhuo’s family on Earth for the first time, but he had not expected that he would adapt very quickly. That feeling was very strange, as if, in the unseen world.., he had long been a family member. “Father, mother, brother, Uncle.” ”

“”Good, good!”Lin Jincheng held ye Han’s hand. “Child, this is a little gift from us. Please accept it.” ”

“And uncle’s.”

“This is brother’s.”

“However, in the blink of an eye, three big red packets were stuffed into ye Han’s hands. ”

Ye Han was a little confused. He turned his head to look at Ye Zao.

“In the Chang Yue Country, Ye Han had never experienced such a thing. ”

“Ye Zhuo smiled and said, “Father, mother, uncle, and brother gave you a greeting gift. Just accept it! This is our custom here.” ”

“Hearing what ye Zhuo said, Ye Han accepted them one by one and bowed to everyone. “Thank you, father, mother, thank you, uncle, thank you, Brother.” ”

“”You’re welcome.”Ye Sen smiled and said, “Second nephew, from now on, we are a family. There’s no need to say thank you between families.” ”

Chapter 2080: 431: Return to Earth! 5

Ye Han nodded.

“Ye Shu continued, “Let’s not stand here any longer. Let’s quickly enter the house and talk inside.” ”

“Before the summer solstice arrived, the flowers and plants in the small courtyard were all blooming with all kinds of colors. Not only was it pleasing to the eye, but it also smelled good and made one feel refreshed. ”

The group of people entered the house.

On the other side.

S galaxy.

Manxing country.

Manxing was practicing calligraphy in the study when a knock on the door was heard.

Manxing immediately put down his pen and went to open the door himself.

“Master.”

“The person who came was Manxing’s master, Master Cao. ”

“Master Cao had been in Manxing country for many years, and all the sources of trouble and fortune came from him. In addition, he was really capable and treated Manxing very well, therefore, man Jiangshan and Zhao Dan made man Xing acknowledge master Cao as his teacher. ”

“Therefore, master Cao was well-loved in Manxing country. ”

Master Cao nodded and walked inside.

“MAN XING was also very respectful to master Cao, and immediately went to pour tea for him. ”

The tea here was not quite the same as the Tea Zhao Dan drank.

It was a grade three purple clove leaf that grew on Mount Yunwu.

“It was of the same class as the purple clove flower, but its effects were different. However, they were of the same class after all, so it was extremely precious. Ordinary people really couldn’t drink it. ”

“”Master, Drink your tea.”Man Xing passed the two mountains of tea that had been brewed to master Cao. ”

“Master Cao stretched out his hand and took a sip. He then said, “What have you been busy with these days?” ”

“Without waiting for man Xing to answer, master Cao Glanced at man Xing, he continued, “Xing ‘er, you are different from the other women in the world. You Are Talented. There is no need to put your thoughts in the courtyard. A Phoenix spreads its wings for three thousand miles. Why are you afraid of Ants?” ”

Master Cao had never seen a woman like man Xing.

She and the full moon were two extremes.

The full moon was the ultimate disaster.

The full moon was the ultimate blessing. It was born to be a king.

“Therefore, over the years, master Cao was willing to gather all his talent and focus on nurturing the full moon. He did not ask for anything, only for the full moon to rule the world. He wanted everyone to know his name.”

“However, there was one thing that master Cao had never expected.”

“That was, the full moon had actually become ye Zhuo, and even became the famous miss ye of Chang Yue.”

“A calamity star, how could she have the orders of the monarch?”

“One had to know that before this, the Chang Yue kingdom was just a pile of loose sand. Because of its advantageous terrain, the flames of war had been raging all year round. Just because of ye Zao, the flames of war had disappeared. Master Cao had always felt that it was very inconceivable.”

“Therefore, master Cao had suggested that man Jiangshan take back ye Zao.”

“Who knew that at this critical juncture, ye Zao had actually given up the position of monarch.”

All of this was beyond master Cao’s expectations.

“Man Xing nodded and said gently, “Don’t worry, master. I know.””

“Master Cao’s thoughts were pulled back by man Xing. He continued, “What do you think about ye Zao’s Zen Throne?””

“MAN XING continued, “Elder sister treats ye Han like a younger brother. She must have thought about the sudden Zen throne for a long time, but...”man Xing paused. ”

“But what?”Master Cao immediately asked.

“”However, we can’t rule out that elder sister was schemed against. She thought that Ye Han was a dog that didn’t bite people, but she didn’t know that Ye Han was a fierce wolf.”MAN XING continued, “Master, I sent people to inquire about elder sister. After the Zen, elder sister disappeared.” ”

“At this point, man Xing sighed, and his eyes were slightly red. “I originally wanted to secretly bring elder sister back to reunite the family, but who knew...” ”

“Master Cao Glanced at man Xing and continued, “Ye Han was the one who set up ye Zao?” ”

“Man Xing nodded. “One day, I will definitely avenge my eldest sister!” ”

“Master Cao looked at man Xing and said earnestly, “You and ye Zao are two extremes, one disaster and one blessing. They are mutually reinforcing and counter each other. If you get too close to her, it won’t do you any good.” ”

“MAN XING continued, “But she is my elder sister after all. She has the same blood as me.” ”

“Seeing this, master Cao Sighed. ”

“Man Xing was a good child, but she was too soft-hearted. The full moon had no friendship with her, but she couldn’t let go of the full moon. She even wanted to take revenge for the full moon. ”

“It had been so many years, and nothing had changed. ”

“”Oh right, master.”Man Xing looked at master Cao and asked, “Has there been any news from the young master of Dongli?” ”

“The Old Master of the General Alliance was about to abdicate, and now all forces were looking for the young master of Dongli everywhere.”
