

## **Almighty D 2081**

“Chapter 2081: 432: The Secret has been revealed, Cen Haifeng is still alive! 1”

The big shots from all sides wanted to find Dongli before the main alliance country.

It was easier to do things with more people.

Who Didn't want to climb up to the future big shots of the main alliance country?

Including master Cao.

Master Cao mainly wanted to pave the way for full stars.

Unfortunately.

“Other than the people within the main alliance country, no one knew where the young master of Dongli was training.”

“Hearing this, master Cao shook his head. “There's no news at the moment.” ”

“MAN XING continued, “Master, you didn't get someone to keep an eye on the Duanmu Family?” ”

““The Duanmu Family?”Master Cao frowned slightly, not understanding what man Xing meant. ”

“Man Xing explained, “The daughter of the Duanmu family has always married the future monarch of the General Alliance. How Can Duanmu Feng sit still at a time like this?” ”

“Upon hearing this, master Cao's eyes instantly lit up. ”

“Yes, yes, yes, it’s like this!”

Man Xing was indeed a natural king. She was always able to think of things that others would not think of at the first moment.

“But Master,” man Xing continued, “The Duanmu family is, after all, a member of the alliance. There are some things that should not be overdone.”

“If the Duanmu family were to find out something small, it would not look good.”

Master Cao nodded. “I know that.”

...

On the other side.

Lin family.

“In order to celebrate the addition of new members to the family, the Lin family held a welcoming banquet to announce ye Han as their adopted son.”

Ye Han wasn’t used to it.

He thought that following ye Zhuo back to Earth was just a formality. He didn’t expect that he would be treated as the main character.

“However, it could also be seen from this that the Lin family valued ye Zhuo.”

A House of love can reach the crow.

“Why are you sitting here alone?”

“At this moment, a pleasant voice suddenly appeared in the air. ”

“Hearing this, Ye Han immediately stood up. “Brother.” ”

Lin Ze patted ye Han’s shoulder. “Are you not used to the living environment on Earth?”

Ye Han was stunned.

Did Ye Zao tell them everything?

“To the Earthlings, he was an alien. ”

“If this secret was exposed, the balance between the s galaxy and the Milky Way galaxy for thousands of years would be broken. ”

“Lin Ze smiled and said, “Don’t Worry, Zao didn’t say anything. I guessed it myself. From the first time I saw Zao, I knew that my sister was not an ordinary person.” ”

Ye Han was stunned again.

He recalled ye Zao’s description of Lin Ze.

He and ye Zao were siblings from the same mother. Lin Ze had grown up by his grandmother’s side. He was a bit of a loner and didn’t talk much. He studied psychology and was good at Reading People’s minds.

It seemed that this brother wasn’t an ordinary person.

“If he had only studied psychology, he wouldn’t have guessed that he was from an alien planet. ”

““Since you’ve guessed it, I Won’t hide it from you,”ye Han continued, “I am indeed from another planet, but I will tell you the details.” ”

“Lin ze nodded and continued, “Brother Ye Han, don’t worry. Zhuluo is my biological sister and my parents’ biological daughter. We are all her family and will not bully her. You are welcome to come home anytime.” ”

““Thank you,”ye Han said. ”

Lin Ze smiled faintly and looked up at the horizon. “Didn’t uncle say that we are all family? There’s no need to thank me.”

Ye Han nodded.

“Lin Ze stood up, he continued, “The banquet in the front hall has already started. Let’s go. I’ll bring you down to identify the person. “We have many relatives in our family. I reckon that you probably haven’t experienced this at your place. In a while, you can just follow behind me and call me whatever I call you! “You don’t have to be nervous. Our relatives are all very friendly and easy to get along with. You Don’t have to worry about other problems.” ”

“For some reason, when Lin ze said the word ‘our family’, his heart felt very warm. ”

“Okay.”

“Seeing the two of them come down, Ye Zhuo walked over with his hands in his hands. “Brother, where did you take ye Han?” ”

““The two of us brothers chatted for a while.”Lin Ze continued, “Where are dad and mom?” ”

“Ye Zhuo said, “They’re over there chatting with uncle, aunt, and the others. Quickly bring ye Han over.” ”

“After learning that Lin Jincheng and ye Shu had adopted a foster son, the Lin family’s brothers also attached great importance to him.”

They all wanted to see what ye Han looked like.

Lin Ze nodded. “Okay.”

“After saying that, Lin Ze turned to look at Ye Han. “Let’s go over there.” ”

“Okay.”Ye Han followed in Lin Ze’s footsteps.

“Ye Han was originally a very arrogant young man, but in front of Lin Ze and the Lin family, he had an inexplicable sense of familiarity. He subconsciously wanted to get close to them and become one with them.”

“Lin Ze brought ye Han over and politely greeted everyone. “Dad, Mom, first uncle, second uncle, third uncle, and fourth uncle.” ”

“Chapter 2082: 432: The Secret has been revealed, Cen Haifeng is still alive! 2”

“Then, he turned to look at Ye Han and continued to introduce, “This is first uncle, this is second uncle, this is third uncle and second uncle.” ”

“Ye Han faced everyone and greeted them politely, “First uncle, second uncle, third uncle, fourth uncle, seniors, Hello. I Am Ye Han, Mu Ye, cold and cold.” ”

“The four brothers of the Lin family looked at Ye Han, their eyes full of sizing him up. ”

“After a moment, Lin Qingxuan smiled and said, “Ye Han, how old are you this year?” ”

““Fourth uncle, I am nineteen this year,”ye Han replied. ”

“If it was in the past, Lin Qingxuan would definitely have lamented that ye Han had such an aura at such a young age. ”

“But now, ever since he saw the perverts of Ye Zhuo and Lin Ze, he was no longer surprised. ”

“After all, those who followed ye Zhuo were all ordinary people. ”

The Lin brothers were very amiable and gave ye Han red packets each.

“That night, ye Hanguang received red packets and his hands went soft. ”

Life on Earth was completely different from what he had imagined.

“In his impression, earth was no different from purgatory. Only after experiencing it personally did he realize that life on Earth was far more interesting than life in the s galaxy, Changyue. ”

Just the human touch alone was more than enough for Changyue.

“Perhaps it was because the technological civilization was developing too quickly, or perhaps it was because the changyue country was so vast that the people of Changyue got along with each other very coldly. ”

“On Earth, he saw a warmth that he had never seen before. ”

“After receiving the red packets, Lin Ze stuffed a few more red packets to Ye Han. “Take this. It will be useful in a while.” ”

“”What’s the use?”Ye Han asked, puzzled. ”

“Lin Ze continued, “In a while, a few grandsons of uncles and uncles will come over. There are six of them in total. You still have to give them red packets.” ”

“Okay.”Ye Han nodded.

“Lin Ze added, “According to the backup, they should call you uncle fourteen.” ”

“Uncle?”Ye Han was stunned. He did not expect ye Zhuo to have such a high seniority in the family.

“Lin Ze nodded and said with a smile, “Doesn’t uncle’s grandson have to call you uncle? Our father is the youngest in our family. The eldest grandson of the eldest uncle’s family is almost twenty years old. However, he is studying abroad and is not here today.” ”

“Ye Han was still unable to react. He continued, “Does that mean that if the eldest grandson of the eldest uncle’s family has a child, he has to call me uncle and grandfather?” ”

“This child is worth teaching.”Lin Ze nodded.

Their seniority in the Lin family was neither too big nor too small.

“As expected, the six children quickly arrived. They scrambled to greet ye Han. “Hello, Uncle Fourteen!” ”

“Uncle Fourteen is really handsome!”

“In the Lin family, Ye Zhuo was ranked twelfth while an Lizi was thirteenth. Naturally, Ye Han became Uncle Fourteen.”

Ye Han’s face was slightly red from being praised. He patted the heads of the little guys one by one and then gave them red packets.

The little guys who received the red packets were even sweeter.

One of the little guys even directly said that he wanted to introduce a girlfriend to Ye Han.

“Lele continued, “It just so happens that Aunt Lizi doesn’t have a boyfriend either. Why don’t we introduce Aunt Lizi to uncle 14th!” ”

““No, no.”Duan Duan immediately waved his small hands and said, “My grandmother said that relatives and relatives are not allowed to get married!” ”

“Lele pouted and asked in puzzlement, “Why Duck?” ”

“Duan Duan was only eight years old this year. How would he know why? He slapped his younger brother on the head and said, “Mom said that adults say that children are not allowed to interfere in matters! Where did you get so many WHYS!” ”

“OH.”Lele nodded reluctantly.

“Ye Han and Lin Ze stood up. At that moment, Xia Xiaoman walked over with little Lin Zhi in her arms. ”

“Lin Ze smiled and greeted, “Fourth aunt.” ”

“Ye Han also greeted, “Hello, fourth aunt.” ”

“Xia Xiaoman said, “Little Zhi, quickly call me big brother. There are two big brothers here. One is Big Brother ZE, and the other is Big Brother Han.” ”

Big Brother?

“Ye Han was stunned again. He was just an uncle, but he had become a big brother so quickly... ”

And the other party was such a young child.

“This seniority was like a roller coaster, up and down. ”

“So Big that he had to be a grandfather, and so small that he was still a big brother... .. ”

“Ye Han was only stunned for a moment, but he quickly reacted. He took out a red packet from his pocket and handed it to Lin Zhi. “This is a greeting gift for your little brother.” ”

“Xia Xiaoman smiled and said, “Xiao Han, you’re too polite! Xiao Zhi, quickly thank your older brother.” ”

“Xiao Lin Zhi was only a little over a year old. He was still in the teething stage and would not say anything too complicated for the time being. At the moment, he would only call her elder sister. Therefore, when Xia Xiaoman asked him to say thank you, he was also talking about elder sister. ”

“Chapter 2083: 432: The Secret has been revealed, Cen Haifeng is still alive! 3”

A few children at the side were attracted by Yi Ling who was flying beside Ye Zao.

“Oh my God! This little thing is too cute! What kind of duck is this?”

“So cute, so cute!” ”

“Is it a little bird?”

“Ye Zao smiled and explained, “This is the latest robot.” ”

“Yi ling very cooperatively said, “Hello Everyone, I am the 17th generation robot in the galaxy. My Name Is Yi Ling. It’s a pleasure to meet all of you!” ”

“Duan Duan was about to jump up and excitedly said, “Aunt, aunt! Yi Ling is really too cute. Can I touch it?” ”

Yi Ling immediately flew in front of Duan Duan. “Of course you can!”

“I want to touch it too!”

“Me Too!”

“And me!”

“Seeing everyone like this, Duan Duan said with some dissatisfaction, “Aunt, look at them all learning from me. When I don’t touch Yi Ling, they don’t touch it. But when I touch it, they all come! I really hate them to death!” ”

“Yi Ling continued, “We’re all good brothers. Don’t be so stingy! Good things must be shared! Come, come, don’t be anxious. Line up and touch it one by one. Duan Duan is number one!” ”

“Ye Zhuo could not help but laugh. “Yi Ling is right, you can line up.” ”

“Hearing this, the six children lined up and touched Yi Ling one by one. ”

“Being plucked by the children, Yi Ling’s expression was one of immersion.”

This was probably the most glorious moment in its bird life.

“In changyue, the children had all kinds of high-end pets, but it had never been so popular.”

“Duan Duan looked up at ye Zhuo and said, “Aunt, can you make me a robot that looks exactly like Yi Ling?” ”

““This might not work,”ye Zhuo said in a shallow tone. ”

“Why?”Duan Duan tilted his cute little head.

“Ye Zhuo explained with a smile, “Because Yi Ling is a limited-edition robot, and there is only one in the world.” ”

““Auntie, you’re so amazing. Can’t you even make it?”Duan Duan Duan asked. ”

“In his eyes, Ye Zao was the most amazing person. He could not be any more amazing than her!”

Ye Zao shook his head. “I can’t.”

“Hearing this, Duan Duan Duan said in disappointment, “Fine!” ”

“Old Madam Cen had also arrived. At this moment, she was playing mahjong with the three sisters-in-law of the Lin family.”

The old lady’s Luck was not bad. She had won several rounds in a row that night.

“However, the old lady was an old lady after all. After playing for a while, she felt her back ache.”

Old Mrs. Cen turned to look at Zhou Xiang. “Xiang Xiang!”

“Mom.” Zhou Xiang immediately trotted over.

“Old Mrs. Cen continued, “Xiang Xiang, help me play for a while! I’m going out for a walk. If you win, it’s on me. If you lose, it’s on You!” ”

“Okay.” Zhou Xiang smiled and nodded.

“”Xiangxiang, come and sit.” ”

“Zhou Xiang was a very nice person. In addition, the Lin family’s several sister-in-laws were easy to get along with, so they got along very well.”

“Wu Mei smiled and said, “Xiangxiang, you and your old lady are like mother and daughter.” ”

“Zhou Xiang nodded. “Yes, our old lady is very nice.” ”

“”I also envy such a mother-in-law-in-law relationship the most,” Yang Wenyin said in a low voice. “It’s a pity that our old lady has always been a demon, but she’s much better now!” ”

“Ever since the incident with Feng Xianxian, Old Lady Lin had been shut in. She believed in Buddhism and was a vegetarian, repenting for the past.”

“At first, the few of them did not believe that Old Lady Lin could really change, but only now did they believe it.”

“After giving the seat to Zhou Xiang, the old lady hummed a tune as she walked to the bathroom. “We commoners are really happy today...” ”

“When she reached the corner, she saw Xiao Bai sitting there. ”

“Old Lady Cen walked over and half-squatted down. She looked at Xiao Bai and said, “Xiao Bai Bai, what’s wrong? Why are you sitting here as a robot?” ”

““Grandma, Can’t you tell?”Xiao Bai asked. ”

Old Mrs. Cen shook her head. “I can’t Tell!”

“Xiao Bai said aggrievedly, “I’m angry with the Duck! I’m so angry!” ”

“Old Mrs. Cen smiled and asked, “Who gave our universe’s number one, the number one cute Xiao Bai, a hard time? Tell Grandma, Grandma will take revenge for You!” ”

““It’s all because of that cloaking spirit! HMPH! She’s so ugly! Not cute at all!”Little White said angrily, “She’s so ugly that my eyes hurt!” ”

Old Mrs. Cen couldn’t help but laugh.

“Little White continued, “Ever since ugly spirit came, the children don’t like me anymore!” ”

“Old Mrs. Cen smiled and said, “They don’t like that I like them! You will always be the number one cutest and most powerful little white in Grandma’s Heart!” ”

“Chapter 2084: 432: The Secret has been revealed, Cen Haifeng is still alive! 4”

“Hearing this, Xiao Baibai said excitedly, “Good duck, good duck! I knew Grandma Loves Me the most!” ”

Granny Cen patted Xiao Baibai's head. "Quickly go back and charge it! Your Battery is about to run out."

"Yes, yes!" Xiao Baibai nodded. "Grandma, I'll go and charge it then!" "

Old Mrs. Cen watched little white leave.

"When Little White's figure could not be seen, old Mrs. Cen stood up and went to the bathroom. "

Cen Shaoqing came to the main banquet hall.

"He was wearing a plain white long gown with knotted buttons. As he walked in the crowd of all sorts of people, he looked exceptionally eye-catching. His demeanor was extremely noble. "

"Leader." Cen Shaoqing walked to ye Zao's side and took out a lipstick to pass to Ye Zao. "Here."

Ye Zao was stunned. "Why are you giving this to me?"

"She seldom wore makeup. Other than very formal occasions, she did not wear makeup most of the time. "

"CEN Shaoqing continued, "I bought a white shirt." "

"White shirt?" Ye Zao still could not react in time. What did a white shirt have to do with lipstick?

Cen Shaoqing took out his phone slowly and took out a screenshot of his chat history to give to Ye Zao.

"Song Ziyi: Brother Five, I've found a girlfriend. "

Cen Shaoqing: Congratulations.

Song Ziyi: [ photo jpg. ]

“In the photo, there was a selfie of a man wearing a white shirt, but it did not capture his face. It was only below the collarbone.”

Next was the voice chat history.

Ye Zhuo was a little confused. “What did you want me to see?”

Wasn’t this a very normal recording of the conversation?

“CEN Shaoqing continued, “Look at the right collarbone of his white shirt.” ”

Ye Zhuo narrowed his eyes and looked at it carefully.

“A moment later, he finally realized that something was wrong. “There’s a stamp here, right? Do you want to buy the same shirt?” ”

“CEN Shaoqing continued, “That’s a lip print. It’s his girlfriend’s.” ”

“As he finished speaking, Cen Shaoqing’s thin lips parted slightly. “I want to have it too.” ”

“”Alright, I’ll satisfy you.”Ye Zhuo took the lipstick and continued, “I bought you a suit the last time I went shopping. I didn’t get the chance to give it to you before. Do you want to change it now?” ”

“Cen Shaoqing’s lips curled up slightly. “Since you want me to change it so badly, I’ll reluctantly change it.” ”

“Follow me.”

Cen Shaoqing immediately followed ye Zhuo’s footsteps.

“Soon, they reached the bedroom. ”

Ye Zhuo opened the door of the changing room and took out a suit from the wardrobe.

“This was a high-end model from HK brand. When Ye Zhuo first saw it, he thought it was Cen Shaoqing, so he bought it back. ”

“You change inside. I’ll wait for you in the room.”

“Okay.”Cen Shaoqing nodded slightly.

“Ye Zhuo walked out and closed the door of the changing room. Soon, CEN Shaoqing was the only one left in the changing room. ”

Cen Shaoqing picked up his clothes and slowly changed.

Ye Zhuo sat on the sofa and played with his phone.

“About five minutes later, the door of the changing room was opened. ”

Ye Zhuo looked up.

“When he saw this, he was slightly stunned. ”

“Perhaps he was used to seeing this person in plain clothes and long clothes, but now that Cen Shaoqing had changed into a suit, he gave people an amazing feeling. ”

His figure proportions were very good.

“He was 1.93 meters tall, and his long and slender legs were wrapped in black suit pants, making him look extremely abstinent. Looking up from this leg, one would see a well-tailored handmade white shirt. White was a very otherworldly color, it was very difficult for someone to control white so well, but he did it.”

“If Cen Shaoqing was a refined and noble noble young master from the Republic of China before, then the current Cen Shaoqing was the abstinent and cold overbearing CEO!”

He was practically the boss.

“Cen Shaoqing rarely wore a suit and was not used to it. “Leader, how is it?” ”

““Very good.”Ye Zhuo continued, “I’ll take a photo for you.” ”

“Stamp it first.”Cen Shaoqing’s tone was slow.

Stamp it?

Ye Zhuo was stunned for a moment before he reacted. He picked up the lipstick and the mirror and carefully applied the lipstick.

It was a very pure retro red.

“This kind of red was very picky. If the skin was a little darker, it would be dimmed by the red.”

“However, ye Zao’s skin was whiter than snow. His eyebrows and eyes were like paintings, and he could not compare with the gorgeous red.”

This gorgeous red seemed to be born for her.

“After putting on the lipstick, Ye Zao admired himself in the mirror. He could not help but sigh, “Why do I Look So Good!” ”

“Are you done?” Cen Shaoqing walked over and asked.

“Yes.” Ye Zao put the small mirror back into his pocket.

The mirror was ye Zao’s daily necessities. She had to carry it with her at all times so that she could admire her beauty at any time.

“Chapter 2085: 432: The Secret has been revealed, Cen Haifeng is still alive! 5”

“Ye Zao looked at Cen Shaoqing and continued, “Where is the cover?” ”

“Here.” Cen Shaoqing pointed to the left.

“”Okay.” Ye Zao nodded slightly, walked to Cen Shaoqing’s side, lowered his eyebrows, and kissed him. ”

Bang Bang —

“The moment her red lips touched his, she felt a strong heartbeat. It was also at this moment that ye Zao reacted, and his heart was on the left. ”

“Just as ye Zao was about to move his red lips away, the back of his head was pressed down by a hand with a hard wristwatch. His red lips were pressed tightly against his shirt again. ”

“A deep voice sounded above his head. “You have to imprint it a little deeper, otherwise it won’t be obvious.” ”

“A moment later, Cen Shaoqing let go of her and walked to the mirror. He looked at the lipstick on his chest with satisfaction. He took a selfie on his phone and sent it to Song Ziyi. ”

“Seeing him like this, Ye Zhuo could not help but smile. Cen Shaoqing was usually calm and composed, but he did not expect him to have such a childish side. ”

“After sending the photo, Cen Shaoqing looked at Ye Zhuo. “Leader, let’s go.” ”

“Aren’t you going to change your clothes?”Ye Zhuo asked.

““There’s no need to change.”Cen Shaoqing’s thin lips curled up. “If I change, I won’t be able to achieve my goal.” ”

“What goal?”Ye Zhuo asked.

““I want everyone to know,”Cen Shaoqing said in a low voice, enunciating each word clearly. “I’ve been stamped by you.” ”

“Ye Zhuo’s face was a little hot. “Cen Shaoqing, I realize that you’re getting worse and worse!” ”

““It’s all thanks to the leadership’s good training,”Cen Shaoqing said. ”

“It was also the first time that the other people in the banquet hall saw Cen Shaoqing wearing a suit. They were all guessing which brand the suit on CEN Shaoqing was from, but they actually couldn’t find the same style! ”

“The next morning, Ye Zhuo received a message from the Changyue Kingdom. ”

“Seeing this message, she frowned slightly and immediately sent a message to CEN Shaoqing, asking him to meet her at the coffee shop.”

“When she arrived, Cen Shaoqing had already arrived.”

“”Zhuozhuo, what’s So Urgent?” ”

“Ye Zhuo sat down and continued, “It’s about your father.” ”

“My Father?”Cen Shaoqing asked.

“”Yes.”Ye Zao nodded slightly and continued, “Do you have any photos of your uncle when he was young?” ”

“Yes.”Cen Shaoqing nodded slightly.

Ye Zao took out a photo. “Take a look at this.”

The Man in the photo was dressed in luxurious clothes and was sitting at his desk. Beside him stood a graceful and elegant woman.

“Seeing this, Cen Shaoqing frowned. “This is a photo of my father.” ”

“However, why was Cen Haifeng standing together with an unfamiliar woman? ”

“Ye Zhuo continued, “Are you sure this is uncle?” ”

“Yes.”Cen Shaoqing nodded slightly. “I’m sure.”

Ye Zhuo thought for a moment. “Can you let me see Uncle’s photo?”

Cen Shaoqing took out his phone. He had always kept an electronic file of his father's photo.

Ye Zhuo took the phone and compared it carefully.

Both his facial features and figure were exactly the same.

Could it be that this was really the same person?

"After a moment, ye Zhuo continued to ask, "Do you know who the person in the photo is?" "

"Who is it?"

"This is the General Alliance of the General Alliance. The person beside him is his wife, Duanmu Fengfei." "

"What?" Cen Shaoqing frowned slightly.

He did not expect that the man in the photo was actually the General Alliance of the General Alliance of the S Galaxy!

"If that was really the case, then didn't that mean that Cen Haifeng was not dead at all? He had always been alive, but he had never appeared!"

"But if Cen Haifeng was still alive, then what was Zhou Xiang, who had been a widow for him for many years?"

"What was the Cen family's old lady, whom he had abandoned for many years?"

"These two people, one was his wife, and the other was his old mother."

Cen Shaoqing was somewhat unable to react.

He had never thought that his father would live on the other side of the world.

“He had also never thought that the tall, handsome, and responsible father in his impression would do such a thing. ”

“Ye Zhuo continued, “The world is so big, and there are all kinds of strange things. Perhaps it’s just that they look exactly the same. If you want to confirm whether he is an uncle, you have to do an appraisal. How about this, give me three hairs with hair follicles, and I’ll think of a way to get an appraisal.” ”

“Okay.”Cen Shaoqing pulled out three strands of hair from his head and gave them to Ye Zao.

“Ye Zao took out a self-sealing bag and put it away. He then said, “Don’t tell Grandma and Aunt Xiang about this first. Wait for my results.” ”

“When will the results be out?”

Chapter 2086: 433: Will he be influenced by a woman? 1

Cen Shaoqing could not remain indifferent when it came to Cen Haifeng.

“He hoped that Cen Haifeng would be safe, but he was also afraid that Cen Haifeng would be the one sitting on the summit of the General Alliance. ”

“”I can’t say the exact time. Let’s wait first,”ye Zhuo said. ”

Cen Shaoqing nodded slightly.

““Oh right, there’s one more thing.”Ye Zhuo seemed to have thought of something and continued to speak.”

“What is it?”Cen Shaoqing asked.

“Ye Zhuo took a sip of coffee. “The successive monarchs of the general alliance have implemented the system of succession. Cen is the surname of the General Alliance. Currently, the General Alliance of the General Alliance is called Cen Haifeng.” ”

Cen Haifeng?

“What did you say?”Cen Shaoqing frowned slightly.

“Ye Zhuo continued, “I said that the successive monarchs of the General Alliance have implemented the system of succession...” ”

““Not that sentence, it’s the last sentence!”Cen Shaoqing said. ”

The last sentence?

“Ye Zhuo thought for a moment and continued, “Currently, the General Alliance of the General Alliance is called Cen Haifeng.” ”

Cen Haifeng!

It was actually Cen Haifeng!

Cen Shaoqing’s fingers that were holding the coffee cup had already turned slightly white due to excessive force.

“Seeing that something was wrong with him, ye Zhuo asked tentatively, “Could it be that... Uncle is also called Cen Haifeng?” ”

“Yes.”Cen Shaoqing nodded slightly.

“It was fine if they looked the same, but their names were exactly the same. This was too much of a coincidence! ”

Could it be...

These two people were really the same person.

“Ye Zhuo frowned slightly and continued, “The Sea of the sea, the peak of the mountain?” ”

“Cen Shaoqing then nodded. His phoenix-like eyes were dark and heavy, almost bottomless, emitting a dangerous aura. ”

“Ye Zhuo raised his hand and pressed on his temple. “Cen Shaoqing, didn’t you tell me that your grandfather also died prematurely?” ”

“Yes.”

“What about your great-grandfather?”

“Same.”Cen Shaoqing’s thin lips opened slightly.

The men of the Cen family seemed to be unable to escape this fate.

“Cen Shaoqing’s father had suffered a shipwreck. His grandfather had also gone missing in an accident. His great-grandfather had also gone missing in an accident. Moreover, their bodies had never been found.”

“What if we continue searching?” Ye Zhuo asked.

“CEN Shaoqing said, “I heard from my grandmother that my great-grandfather’s father, who was also my great-grandfather, also died young.” ”

“Ye Zhuo’s beautiful eyes narrowed slightly as she asked, “When the core robot appeared in your life previously, did it do anything to hurt you?” ”

“Never.” Cen Shaoqing’s thin lips opened slightly.

“In other words, the core robot that appeared in Cen Shaoqing’s life previously only wanted to get close to Cen Shaoqing...”

“Under normal circumstances, the General Alliance would not pay attention to the people on Earth for no reason.”

Unless there was a purpose.

“For example, Cen Shaoqing had a special relationship with that person in the General Alliance.”

“Ye Zhuo looked at Cen Shaoqing, then he said, “Although I don’t have enough evidence to prove that that person in the General Alliance is Uncle, you have to be mentally prepared. I think that that person is most likely uncle. If that person is an uncle, we will be able to find out the reason why they approached you previously. I heard that the one in the alliance has reached the age of abdication. They are looking for you... ..” ”

The following words were self-evident.

They must be looking for Cen Shaoqing because of the succession.

There was no expression on Cen Shaoqing's face.

Memories of his childhood appeared in his mind.

Cen Haifeng was a responsible and persistent father.

"In his impression, Cen Haifeng was a very artistic person who liked everything about the retro."

Cen Shaoqing first came into contact with the zither when he was three years old.

Cen Haifeng taught him hand-by-hand.

"The zither manual said, "The joy of the zither can be taught by observing the wind, it can control one's soul, it can distinguish between joy and anger, it can delight one's mind, it can calm one's mind, it can strengthen one's courage, it can cut off the secular world, it can block ghosts and gods, this zither is a good person." "

Cen Shaoqing still remembered the expression on Cen Haifeng's face when he read this paragraph to him.

... How did Cen Haifeng become a heartless man?

"After a while, Cen Shaoqing turned his eyes slightly and looked at Ye Zhuo. "Does the person from the main alliance have any descendants in the main alliance?" "

"Ye Zhuo nodded. "Yes, Dongli is that person's only descendant." "

Dongli.

People called him the young master of Dongli.

“How Old Are you this year?”Cen Shaoqing continued to ask.

“Ye Zhuo continued to say, “I’m not too sure about the exact age. No one has ever seen Dongli in the S Galaxy.” ”

This was also the reason why ye Zhuo suspected that the man in the alliance was Cen Shaoqing’s father.

Cen Shaoqing’s phoenix-like eyes narrowed slightly.

“”Don’t think too much first.”Ye Zhuo continued to say, “Perhaps my deduction is wrong. Everything will wait for the test report to come out.” ”

“Okay.”Cen Shaoqing nodded slightly.

“Have you had any core robots around you recently?”Ye Zhuo asked.

Chapter 2087: 433: would he be influenced by a woman? 2

“If ye Zao had not mentioned it, Cen Shaoqing would have almost forgotten about it. ”

“In a moment, CEN Shaoqing took out a small chip from his bag. ”

“When was this?”Ye Zao picked up the chip.

“CEN Shaoqing said, “On the day you came back.” ”

“What did you find in the chip?”Ye Zao asked.

Cen Shaoqing shook his head slightly.

These robots had very clean hands and feet. There was no trace of them at all.

“Cen Shaoqing twirled the Buddha beads and continued, “However, I feel that the core robots this time are different from the previous ones.” ”

“Ye Zao studied the chip and slowly said, “They are indeed different, but they are all from the General Alliance.” ”

“Can you tell where they’re from?”Cen Shaoqing asked.

“Ye Zao took out the device and installed the chip inside, then said, “If I’m not wrong, this core robot should be from the Wang family.” ”

“The Wang Family?”

“”Yes.”Ye Zao nodded slightly. “The Wang family is also a big family in the main alliance. How about this, I’ll sort out a set of information and send it to you later.” ”

“Cen Shaoqing said, “Okay.” ”

“Take my pulse.”Cen Shaoqing suddenly extended his hand that was holding the Buddha bead in front of ye Zao.

Ye Zao was stunned. “You’re not feeling well?”

“CEN Shaoqing said, “I suspect that there’s a chip in my body too.” ”

Cen Shaoqing had not noticed it before.

Until this time.

“He always felt that there was something in his body that was restricting his actions, especially when it came to technology and data. His mind could not get out of that circle. It was as if he had entered a dead end. ”

Ye Zhuoxiu frowned slightly and reached out to grab Cen Shaoqing’s wrist.

...

At the same time.

S galaxy.

The main alliance country.

“Seeing that time was passing bit by bit and there was still no movement from the young master of Dongli, Duanmu Feng couldn’t sit still any longer. ”

It was fine if it was someone else.

But she was different.

“After all, she was going to marry the young master of Dongli in the future and look at the World side by side. ”

“Although they were not bound by the marriage contract, the girls of the Duanmu family had always wanted to be the wife of the Chief Alliance. ”

This had nothing to do with the marriage contract.

It was just a pity that the next chief alliance could not be born from her stomach.

“Thinking of this, Duanmu Fengyu narrowed her eyes and a cold glint flashed across her eyes. ”

No.

She had to break this rule and give birth to an heir.

Duanmu Fengyu could not bear to have a child who was not related to her by blood call her mother.

She could not stand to watch another child climb to the top.

She was different from Duanmu Fengfei.

Duanmu Fengfei was willing to sink to the bottom. She could actually tolerate an earthling taking a dump on her head.

She could not!

“Therefore, she had to set it up in advance before everything happened. ”

“With this in mind, a determined look flashed across Duanmu Fengyu’s eyes. She picked up the microphone on the table and dialed the assistant’s number. “Mei Lin, come in for a moment.” ”

“Yes, miss. .”The assistant’s voice came from the microphone. ”

“Soon, Wang Mei Lin came in. ”

“Miss. . Do you have any orders?”Wang Mei Lin looked respectfully at Duanmu Fengyu.

In her heart.

Duanmu Fengyu was probably the only person in the entire s galaxy who could stand shoulder to shoulder with young Miss Ye.

“Although Duanmu Fengyu was a woman, she never felt inferior to men, nor did she feel inferior to her peers. At the same time, she was especially ruthless towards herself. ”

“Ten years ago, in order to successfully enter the upper string academy, she didn’t hesitate to cut off her own flesh. ”

“The only difference was that Duanmu Feng and Ye Zho had grown up rich, so they were born more noble than others. ”

“Ye Zho, on the other hand, had walked step by step. ”

It hadn’t been easy for her to change from a lonely and helpless vagrant girl to miss ye who was famous throughout Chang Yue!

“Therefore, Duanmu Feng and Miss Ye were the people whom Wang Mei Lin admired the most in her heart. ”

“If they had to choose who was better, then ye Zho would definitely be ranked first. ”

Duanmu Fengyu looked at Wang Meilin. "Did you arrange for the core robots that I asked you to send to Earth?"

"I did." Wang Meilin nodded.

"How is it? Have you found young master?" Duanmu Fengyu asked impatiently.

"Wang Meilin continued, "I did find him, but young master found him very quickly. The core robots that were sent over have already self-destructed." "

"After saying that, Wang Mei Lin was initially worried that Duanmu Feng would blame her for not doing her job properly. Unexpectedly, Duanmu Feng laughed out loud instead. "

Laugh?

"Wang Mei Lin almost thought that she was hallucinating. She widened her eyes to take a look, but the scene in front of her did not change. "

Chapter 2088: 433: would he be influenced by a woman? 3

She was just laughing.

"Duanmu feng continued, "It's normal to be discovered. Why Don't you take a look at young master's identity? What's Your Identity!" "

Duanmu Feng was a woman who was unwilling to be ordinary.

"If the young master of the eastern fence on Earth was an idiot, would she consider marrying him? "

“The person who was worthy of her, Duanmu Feng, would definitely be someone who had absolute power and stood at the top of the world. ”

“Hearing this, Wang Meilin instantly understood what she meant and immediately nodded. “You’re right.” ”

“Duanmu feng asked again, “You didn’t find anything on this trip?” ”

“”Not really.”Wang Meilin continued, “This core robot stayed with young master’s mother and grandmother for a day, so it knows them well...” ”

“Hearing this, Duanmu Fengyu’s face was full of disdain. “I only want to hear about young master.” ”

“As long as Zhou Xiang and Bai Tang were two low-level Earthlings, Duanmu Fengyu didn’t want to waste a minute on them. ”

“So what if they were Cen Shaoqing’s mother and grandmother? In the end, they were still abandoned by others! ”

“In Duanmu Fengyu’s eyes, Zhou Xiang and Old Lady Cen were tools to give birth! ”

“Pitiful, pathetic. ”

“Therefore, she had to give birth to a child that belonged to her. She did not want to devote her entire life to someone else’s child. ”

“Wang Meilin said, “There’s no news on young master’s side for the time being.” ”

Duanmu Feng narrowed her eyes. “Do you know anything about that Earthling?”

“Who?” Wang Meilin was slightly stunned.

“Duanmu feng continued, “She wants a woman who can soar to the heavens in one go!” ”

Wang Meilin immediately realized that Duanmu Fengyu was referring to the girlfriend of the young master of Dongli.

“Upon hearing this, Wang Meilin asked, “Miss, do you want to check?” ”

“Yes.” Duanmu fengyu nodded.

She originally didn’t want to bother with that cannon fodder.

“However, it was very likely that the cannon fodder would give birth to a future young master in the future. ”

“Therefore, she needed to know the other party’s identity in advance. ”

“That way, it would be easier for her to act. ”

“” Alright.” Wang Meilin seemed to have thought of something, then, she said, “Oh right, Miss, I heard that the woman from Earth seems to be very powerful. Before the young master knew her, he had been eating vegetarian and chanting Buddhism. Even the Grand Tutor was worried that he might really become a monk until... ..” ”

Duanmu fengyu also knew a little about this matter.

But she never took it to heart.

“After all, not everyone could be compared to her. ”

“The reason why the young master of Dongli did not fall in love and wanted to become a monk was because he wanted to. Now, he suddenly did not want to believe in Buddhism. Coincidentally, at the most critical moment, that woman appeared.”

Everyone thought that it was that woman who changed the young master of Dongli.

“In fact, they were thinking too much.”

The young master of Dongli was a dragon among men. How could he be influenced by a woman?

““Don’t worry about that.” Duanmu fengyu continued, “Find out who that woman is and place a few core robots by her side. I’ll tell you what happens next.” ”

“In fact, what happened next was very simple.”

Make that woman infertile!

““Miss, this...” Wang Meilin said with some difficulty, “The grand tutor is very secretive. He might not be able to find out for a while.” ”

It was probably to prevent someone from making things difficult for her.

“Therefore, the grand tutor ”

“Duanmu Feng narrowed her eyes. “As long as you put your heart into it, there’s nothing in this world that you can’t do!” ”

“Yes!” Wang Meilin immediately stood up straight.

“Duanmu fengyu immediately said, “I don’t want to hear any explanations. I just want to see the results.” ”

Duanmu Fengyu was so determined that Wang Meilin could only bite the bullet and nod.

Who asked her to have such a Master?

It seemed that she could only slowly think of a way.

“Duanmu Fengyu closed her eyes and said, “Alright. You can go out first.” ”

““Okay, call me if you need anything. I’ll go out first.”Wang Meilin bent her back and walked out.” ”

“After Wang Meilin left, Duanmu Fengyu also went outside and coincidentally bumped into Mrs. Duanmu who was returning from her trip. ”

“Duanmu Fengyu immediately went up to greet her. “Mom, where did you go?” ”

“Mrs. Duanmu left very early in the morning. She yawned and said, “I went to your aunt’s place.” ”

“After all, Duanmu Fengfei was the wife of the Chief Alliance. She had a lot of things to deal with, so she couldn’t meet her whenever she wanted to. ”

Even Mrs. Duanmu’s sister-in-law had to meet her on the appointed day.

Today was not the day to meet Duanmu Fengfei.

“Why are you going to my aunt’s Place?”Duanmu Fengyu asked.

Chapter 2089: 433: Will he be influenced by a woman? 4

“When the reason was mentioned, Mrs. Duanmu’s expression turned a little ugly. “I don’t know what your uncle is up to! He suddenly decided to bring all the family members on Earth!” ”

“What?”

“Upon hearing this, Duanmu Fengyu immediately lost her composure. ”

What was Cen Haifeng doing?

Was he still asleep?

“If he really brought the whole family here, then what was Duanmu Fengfei? ”

“Not to mention Duanmu fengfei, even she was very angry when she heard this! ”

“Besides, what else did those low-level earthlings do besides being used as fertility tools? ”

What qualifications did they have to come to the General Alliance?

What qualifications did they have to live with Duanmu Fengfei?

Weren’t they deliberately trying to disgust people?

““Uncle...”Duanmu Feng narrowed her eyes and continued, “Is uncle just saying that, or is he serious?” ”

“Mrs. Duanmu looked around and said, “Let’s talk inside.” ”

“There were so many people outside, so how could they talk about this?”

“Okay.” Duanmu Feng nodded and followed Mrs. Duanmu into the house.

The two of them walked into the house together.

“Duanmu Fengyu closed the doors and windows and continued, “Mom, what’s going on with uncle? He can’t be serious, right?” ”

“Mrs. Duanmu said, “He seems serious. Otherwise, your aunt wouldn’t have called me over.” ”

“Hearing this, Duanmu Fengyu frowned.”

She didn’t expect things to turn out this way.

She didn’t expect Cen Hai Feng to make such a request.

“What did your Aunt Say?” Duanmu Feng and Mrs. Duanmu asked.

““Of course, your aunt is unwilling,” Mrs. Duanmu continued, “But you should know your aunt’s character. In the past two years, she has become increasingly unable to control your uncle. Sigh...” ”

“At the end of her sentence, Mrs. Duanmu sighed.”

Duanmu fengyu frowned.

“At this moment, Mrs. Duanmu seemed to have thought of something. She looked at Duanmu Fengyu and said, “And did you know that your uncle also requested to bring back that woman from Earth!” ”

“Zhou Xiang?” Duanmu Fengyu asked.

“”Yes.” Mrs. Duanmu nodded and continued, “Not only her, but also Dongli’s current girlfriend.” ”

“”What?” This time, Duanmu Fengyu was completely unable to remain calm! ”

“Now, it was not only Duanmu Fenfei’s problem, but also her problem. ”

If she really brought back that woman from Earth.

Then what would she do?

Duanmu fenfei would not allow her man to have other women when he had him!

Even if he did not have a status.

Her pride and self-esteem would not allow her to commit to such a marriage!

“At this moment, Duanmu Fengyu’s face turned pale. ”

She felt as if she had eaten a fly.

“”But Fengyu, don’t be too anxious.” Mrs. Duanmu patted Duanmu Fengyu’s shoulder. “With your aunt around, she won’t allow such a thing to happen.” ”

“Duanmu fengyu continued, “Mom, have you seen Uncle Today?” ”

“No.” Mrs. Duanmu shook her head. “But your aunt still has an appointment with me tomorrow. I’ll go over tomorrow.”

“Can I go with you?” Duanmu Fengyu asked.

“Upon hearing this, Mrs. Duanmu shook her head and continued, “I’m afraid that’s not appropriate, right? After all, this is a matter between elders.” ”

“Mrs. Duanmu’s words were reasonable. Duanmu Fengyu thought for a moment and said, “Mom, please tell aunt properly. Don’t let her agree to this!” ”

“”I know.” Mrs. Duanmu nodded. “Actually, your aunt isn’t willing either. When I went over today, her eyes were red. She must have quarreled with your uncle...” ”

“Duanmu Fengfei had been Cen Haifeng’s wife for the rest of his life, and now he was suddenly going to be his first wife. No one could stand it!” ”

“”Mom,” Duanmu Fengfei looked at Mrs. Duanmu and said, “I still want to go to Earth.” ”

“Just as Duanmu Fengfei gave up the idea of going to Earth, this thought appeared again ”

“”No.” Mrs. Duanmu held Duanmu Fengyu’s hand. “No, you can’t take such a risk now! If someone finds out, you’ll be finished!” ”

“”Mom, I won’t tell. If you don’t tell, I won’t be found out,” Duanmu Fengyu said. ”

“”No.” Mrs. Duanmu’s attitude was very firm, “Fengyu, your bright future has just begun. Your future will be bright. If you make a mistake now, not only will you be unlucky, but the entire Duanmu family will also be unlucky!” ”

Chapter 2090: 433: Will he be influenced by a woman? 5

“Mrs. Duanmu was not the type of person to be muddle-headed. Naturally, she would not allow Duanmu Feng to do such a thing. ”

“Mom! I beg you! I promise that I will not let the Great Elder and the Imperial preceptor discover me.”Duanmu feng tugged at Mrs. Duanmu’s sleeve and began to act coquettishly.

Duanmu Feng was a person who could not sit still and wait for death.

“Rather than being threatened, it was better to take the initiative to attack! ”

“Especially under such circumstances, she could not sit still and wait for death. ”

“”No!”Mrs. Duanmu frowned tightly, “Feng You! You have to understand your current status. How can you go to Earth so easily! Is Earth where you go? Besides, who are the Great Elder and the imperial preceptor? They don’t even give your aunt face!” ”

“Mom!”

Mrs. Duanmu refused to let go.

Duanmu Fengyu was very anxious.

“”Are you going to watch as my position is snatched away?”Duanmu fengyu continued, “Once that woman from Earth is brought up, what will I do?” ”

“Mrs. Duanmu smiled and said, “Silly Child! Do you think that the Imperial preceptor and the great elder are all vegetarians? How can a low-level earthling be worthy of the young master?” ”

“Not to mention the great elder and the Imperial preceptor, even the woman from Earth would be scared to death before she officially arrived in the S Galaxy! ”

“Speaking up to this point, Mrs. Duanmu paused and continued, “If she’s Lucky and really makes it to the s galaxy, she won’t be able to become a proper wife and enter the family! By then, the position of the Chief Alliance’s wife will still be yours!” ”

“But isn’t that annoying?” Duanmu fengyu frowned and asked.

“Mrs. Duanmu smiled and said, “Since ancient times, which successful man hasn’t embraced both sides? Fengyu, you’re indeed more powerful than an ordinary girl, but you’re Only a girl after all. “You, on the other hand, have too little experience. You’ll understand in the future!” ”

“In this world, there was no cat that didn’t cheat. ”

“Rather than guarding the east and guarding the west, it was better to let a man eat it openly. This way, he could gain a good reputation. ”

“Is my father like this?” Duanmu Feng turned to look at Mrs. Duanmu.

“Hearing that., mrs. Duanmu said, “Since you’ve asked, I Won’t hide it anymore. Your father is also a man. As a man, he will have ambitions and needs. “I don’t care what they do outside as long as it doesn’t affect my position as Mrs. Duanmu!” ”

“Hearing this, Duanmu Fengyu’s worldview completely collapsed. ”

How could she have imagined that her honest father would be like this.

“”Mom, are you lying to me?” Duanmu Fengyu looked at Mrs. Duanmu with pleading eyes. ”

She prayed that Mrs. Duanmu was lying to her.

Her father was not that kind of person.

“Besides, her parents were so loving. Her father would always remember her mother’s birthday. During all kinds of festivals, he would prepare small surprises and gifts for her parents. ”

How could a father who loved his mother so much betray his mother?

No.

No.

It must be fake.

“Mrs. Duanmu looked at Duanmu Fengyu, she sighed and said, “Fengyu, you’re 21 this year, not 11 or 12. I’m telling you this because I want you to know that the world of adults is much more complicated than you think.” ”

All love and splendor were superficial. Only those who had experienced it personally would understand the reasons behind it.

“However, Mrs. Duanmu did not blame Duanmu Liangchen. After all, Duanmu Liangchen had given her everything she wanted. ”

Duanmu Fengyu was stunned and could not react for a long time.

How could this be?

“Mrs. Duanmu reached out and patted Duanmu Fengyu’s shoulder, “Fengyu, you’re right to listen to me. At such a critical moment, don’t go to Earth and get involved. Leave the rest to the great elder and the Imperial preceptor. They will go through the necessary procedures.” ”

“The daughter of the Duanmu family had to become the wife of the General Alliance, which was the necessary procedure. ”

“Mom, I want to take a gamble,” said Duanmu Fengyu. ”

She didn't want to live a life of self-deception like Mrs. Duanmu. She wanted her husband to only have her in his heart.

In addition.

She had never met the young master of Dongli.

“She wanted to see if he was worthy of her in terms of looks, apart from his intelligence. ”

“Of course, the most important thing was to make Dongli fall in love with her and forget about that lowly Earth woman. ”

“Their love had no result to begin with, so there was no need to waste time. ”

“Mrs. Duanmu's face darkened. “If you dare to go, Don't blame me for not recognizing you as my daughter!” ”
