

## **Almighty D 2091**

Chapter 2091: 432: Free and unrestrained for the rest of her life

Mrs. Duanmu was determined not to let Duanmu Feng Go to Earth.

“And Duanmu Feng was determined to go to Earth. At such a time, Mrs. Duanmu could only say harsh words.”

“Duanmu Feng looked at Mrs. Duanmu. “Mom, do you have to do this?” ”

“I’m doing this for your own good.”Mrs. Duanmu looked at Duanmu Feng.

“You’re not doing this for my own good. You’re threatening me!”Duanmu Fengyu said.

“Mrs. Duanmu continued, “I don’t care how you understand what I’m saying. In short, I won’t allow you to go to Earth. Unless you don’t want to acknowledge me as your mother anymore!” ”

“After saying this, Mrs. Duanmu turned around and left. ”

Duanmu Fengyu stood behind her and looked at her mother’s back with a deep frown.

“Mrs. Duanmu was usually a very gentle person, but once she got angry, it was enough to make people shudder. ”

What should she do?

People said that wealth came from danger.

“It was dangerous to go to Earth, but if she didn’t go, it would directly affect her position in the s galaxy.  
”

“She couldn’t just watch that woman from Earth enter her home, could she? ”

“She couldn’t let go of her pride and self-respect, and she couldn’t bear to share a man with another woman. ”

Her mother’s thoughts were simply too terrifying.

She could not agree with her worldview.

“If it were not for what Mrs. Duanmu had said, Duanmu Fengyu would not have believed that her father had raised a woman outside. ”

She absolutely could not follow in her mother’s footsteps.

She could not.

“Duanmu Fengyu clenched her fists, her eyes filled with unwillingness. ”

It seemed that she had to think of another way.

“In a moment, Duanmu Fengyu turned around and returned to the study. ”

On the other side.

Manxing country.

Zhao Dan came to the study.

Manxing was practicing calligraphy to calm his heart.

“Although manxing country’s technological civilization was relatively advanced, the essence of their ancestors could not be lost. Calligraphy had always had a high status in the literary world of Manxing country. Students would also be tested on calligraphy during the college entrance examination.”

“Manxing’s calligraphy was very good, and many scholars and writers were full of praise.”

“Xing ‘er.” Zhao Dan walked into the house.

“Mom.” Man Xing raised his head to look at Zhao Dan.

“Zhao dan smiled and said, “You’ve worked hard. I’ve brewed some star-moon grass for you, so you can nourish your body.” ”

“”Thank you, Mom.” Man Xing took the bowl from Zhao Dan with both hands. “You’ve worked hard.” ”

“Looking at her sensible daughter, Zhao Dan’s eyes were filled with satisfaction.”

This was the difference between man Xing and man Wen.

“If it was man Wen, he would definitely say impatiently, “Why are you drinking star Moon Grass? isn’t there a nutrient solution?” ”

“”It’s not hard.” Zhao dan smiled and said, “Oh right, Xing ‘er, you said that you were watching the Duanmu family. How is it going?” ”

“Man Xing took a sip of the nutrient solution and said, “It’s not as simple as we thought.” ”

“The Duanmu family looked simple, but in reality, how was it simple? ”

Duanmu Huang Fei was the wife of the president.

Duanmu Feng was the fiancée of the new president.

“In the President’s country, besides the Cen family, the Duanmu family was the most powerful! ”

“Zhao Dan wanted to ask more questions, but man Xing continued, “Let’s not talk about this, Mom. I haven’t heard you talk about elder sister for a few days. Do We really have to give up on elder sister?” ”

“We didn’t give up on her. She clearly gave up on us first!”Zhao Dan’s eyes were filled with dissatisfaction.

“Back then, she had done something wrong to ye Zhuo. ”

But that was already back then.

So much time had passed. Why did ye Zhuo have to hold on to this matter?

“If it wasn’t for her, would there be Miss Ye who was now famous throughout Chang Yue? ”

“No matter how powerful ye Zhuo was, he still crawled out from her stomach. ”

She was ye Zhuo’s mother!

“But not only did ye Zhuo not know how to be grateful, he even treated her in such a manner, causing her to lose all face. ”

She deserved to have her position as the female monarch snatched away.

“If ye Zhuo had recognized them earlier, would the position of the female monarch have been snatched away by Ye Han?”

The reason why ye Zhuo had fallen to such a state today was entirely her retribution!

She had brought this upon herself.

She was not worthy of sympathy at all!

“Man Xing looked at Zhao Dan and continued, “Mom, actually, I’ve asked someone to look into elder sister’s news over the past few days. I’ve also thought of bringing her back...” ”

“Before man Xing could finish his sentence, Zhao Dan said anxiously, “Xing ‘er! You mustn’t do anything stupid!” ”

Bring ye Zao Back?

Why would he bring ye Zao Back?

Embarrass himself?

“Besides, ye Zhuo had not been filial to them for a day. As parents, why should they clean up ye Zhuo’s mess?”

“”Mother, please hear me out.”Man Xing’s voice was still gentle, “I did look for eldest sister and wanted to bring her back. But strangely, there was no trace of eldest sister in changyue. She seemed to have disappeared overnight.” ”

Chapter 2092: 432: Free and unrestrained for the rest of her life 2

Ye Zao's disappearance was very strange.

"Even if it was the Zen throne, it would not disappear without a trace."

"After saying this, man Xing added, "Ye Han also disappeared." "

"Hearing this, Zhao Dan also felt a little strange, but she did not take it to heart, she continued, "Xing 'er, remember what mom said. Ye Zao has nothing to do with you. You only have one younger brother, his name is man Wen. So, whether she was killed or disappeared has nothing to do with us." "

"In any case, her full moon had died nineteen years ago. "

Man Xing sighed and nodded.

"Zhao dan continued, "Xing 'er, you are different from her. What did Master Yi Say? You are a born Lucky Star. You can bring fortune, but she can only bring disaster." "

""Mom, don't say that."Man Xing frowned slightly. "If elder sister hears what you said, she will be sad." "

"At this point, man Xing paused, then, he said, "No one is born a lucky star, and no one is born a jinx. These are all superstitions. Mom, our ancestor has moved away from Earth for so many years. Why do you and Dad still believe in this?" "

""It's not superstition, it's the truth!"Zhao Dan said, "Xing 'er, your father said that if you want to become a regional overlord, you must be ruthless enough. People like you can't Do That!" "

"Manxing was good at everything, but she was too soft-hearted. "

“If ye Zao was not a disaster star, why did Manxing country’s people have a hard time living after Ye Zao was born?”

These disasters were clearly brought about by her!

“Ever since ye Zao disappeared, Manxing country had been getting better and better. When Manxing was born, Manxing country had become more and more prosperous. If Manxing was not a lucky star, then what was it?”

“Manxing continued, “A few days ago, you and father were both in a rage. I didn’t say that elder sister was a powerful existence. How could she be easily plotted against? Moreover, Ye Han was raised by elder sister. How could he betray elder sister?” ”

“No matter how Manxing thought about it, she felt that something was not right. ”

“Otherwise, she would not have checked on ye Zao’s whereabouts. ”

Where did ye Zao and Ye Han Go?

“Zhao Dan said, “She is a jinx. Not only will she bring disaster to others, she will also bring disaster to herself. What’s so strange about that?” ”

“Manxing continued, “Mom, no matter what, eldest sister is your and Dad’s first daughter. I feel that you are being unfair to her.” ”

““If she was half as sensible as you, would I not like her?”Zhao Dan asked. ”

“Man Xing smiled and said in a very gentle voice, “No one is perfect. Besides, my eldest sister grew up in a different environment than me. Actually, these are all understandable.” ”

“From the beginning to the end, man Xing had always been the kind and understanding person. No matter how many mistakes she made, she would always be able to forgive and understand. ”

Zhao Dan looked at man Xing and felt both relieved and worried.

“As a person, it was better to be kind. ”

But she was also worried that someone would use Manxing’s kindness to do bad things in the future.

“Zhao Dan put away the empty bowl. “Xing ‘er, you go ahead and get busy. I Won’t disturb you anymore.” ”

Manxing stood up and walked Zhao Dan out of the door.

“Just as Zhao Dan went out, she saw Manwen walking in. Manwen was flustered, as if he had something urgent to do. When he saw Zhao Dan, he didn’t even greet her. ”

“Wen ‘er!”Zhao Dan called out to man Wen.

Man Wen acted as if he didn’t hear her.

Zhao Dan frowned. This child was getting more and more muddled!

“Looks like I really can’t count on him in the future!”Zhao Dan said.

“If man Wen treated her like this now, wouldn’t he treat her like air when he married and had children in the future? ”

Every family had their own difficulties.

Everyone said that she had both children and was the first lady of Manxing country. Little did they know that the first lady also had her own troubles.

“MAN XING continued, “Mom, don’t be anxious. Man Wen is still young. He will slowly mature in the future. You have to give him some time. You Can’t force him.” ”

“Zhao Dan smiled at man Xing. “You only know how to find excuses for him. He said that he is young, but in fact, he is only one year younger than you.” ”

“Man Xing was so outstanding, why couldn’t Man Wen learn from him? ”

“”Not to mention one year younger, even if it was one day younger, it would still be younger.”MAN XING continued, “Mom, don’t worry. Your and dad’s genes are so outstanding, man Wen is definitely not that bad.” ”

Zhao Dan smiled. “You’re the only one who knows how to comfort people.”

“Man Xing looked up at the sky and continued, “The weather today is pretty good. Let me accompany you in the garden to relax.” ”

“Chapter 2093: 432: The Rest of your life, unrestrained and unrestrained 3”

“Aren’t you busy?”Zhao Dan asked.

“MAN XING said, “How is being busy more important than accompanying you?” ”

Zhao Dan’s face was full of smiles.

“Although Man Wen was unreliable, as long as man Xing was sensible. ”

On the other side.

“After Man Wen returned to his bedroom, he immediately closed the door and took out a note.”

“After reading the note, he immediately took out his communicator. “What’s Going On?” ”

“It’s what you saw. Your eldest sister did indeed return to Earth with Ye Han.”Fan Mu’s voice came from the other side.

Return to Earth.

Man Wen frowned slightly.

Why did ye Zhuo return to earth?

“Fan Mu continued, “I now suspect that when your eldest sister disappeared, she was also on Earth.” ”

“After saying that, fan mu continued, “Old Wen, didn’t you dislike your eldest sister? It’s fine if you didn’t let her go home, but you even said such hurtful words in front of her. Now, why are you so concerned about her?” ”

“Thinking about it carefully, man Wen had indeed gone overboard at that time. ”

“Man Wen had said that he only had one sister, man Xing, in front of ye Zao, and he had even made ye Zao Give Up! ”

“It was also because ye Zao had a good temper. Ye Zao was not angry even when man Wen had shouted in front of him. If it was anyone else, they might not have such a good temper. ”

“Man Wen stood up and looked out of the window, lost in thought. After a long while, he slowly said, “The man family is not suitable for her.” ”

The man family seemed calm.

“In fact, the water in the house was very deep.”

“He was already deeply involved in it, and it was something that could not be salvaged. He could not disgust others anymore.”

Especially ye Zao.

Ye Zao had already suffered a lot in his early years. It was not easy for her to become famous in Chang Yue.

“For the rest of her life, she should live freely and unrestrainedly.”

She should not live in a life of scheming and scheming.

“In the man family, there were only interests and power. Everyone wore a mask of hypocrisy, so there was no such thing as kinship.”

The reason why he had said such words in front of ye Zhuo was just a diversion.

“On the other end of the communicator, Fan Mu sighed. “Since you care about her, why hurt her heart so much?” ”

“Man Wen continued, “I don’t regret it.” ”

Not at all.

“From the moment Zhao Dan and Man Jiangshan decided to give up on Ye Zhuo, Ye Zhuo had nothing to do with him.”

“When they met again, they could only be strangers!”

He did not have the right to call her sister.

“”But you were clearly doing it for her own good, yet you let her misunderstand you. For No Reason, you even got beaten up by that ye Han! Do you feel wronged? !”Fan Mu complained on behalf of her good friend.”

“Man Wen smiled and said, “I don’t feel wronged. I owe her this.” ”

He was willing to take this beating.

“”Fan Mu,” man Wen continued, “I was too naive in the past. I always thought that she was really dead, but unfortunately... I wasn’t able to find her when she needed warmth the most.” ”

“When Man Wen found out that his eldest sister was fine and might still be alive in the world, Ye Zhuo’s name was already well-known in Chang Yue.”

“Therefore, man Wen pretended not to know that ye Zao was the full moon.”

He had been keeping this secret.

He did not want to disturb her.

The first person to abandon her was the man family. Ye Zao’s success was her own ability and had nothing to do with the man family. He was not qualified to call ye Zao elder sister.

Nor was he worthy.

“Knowing that Ye Zao was the full moon that had been missing for many years, man Wen went to find out about ye Zao’s growth experience. ”

“That night, he cried so much that he could not help himself. ”

“Since he was young, he had been well-fed and had never experienced such a thing. ”

According to the information.

“When Ye Zao was at his most hungry, he once killed a level three armored beast with his bare hands and ate its flesh raw to survive. ”

“At that time, Ye Zao was only ten years old. ”

“Man Wen did not know what a level three armored beast tasted like, so he specially hunted one over. ”

“After just a small bite, man Wen vomited so much that he almost vomited out his bile. ”

It was disgusting.

That kind of indescribable disgusting taste was unforgettable to man Wen.

It was simply unimaginable how the ten-year-old ye Zhuo could bear it.

“After that, for several days, Man Wen was depressed. ”

“Especially when he saw his parents talking and laughing as if nothing had happened, he couldn’t control himself even more. ”

“Hearing his good friend blame himself, fan mude felt a little uncomfortable, he continued, “Old Wen, don’t blame yourself too much! How old were you at that time! You were still a child! Even if you really found her, what use would it be?” ”

Manwen was two years younger than ye Zao.

“When Ye Zao was wandering, how old was Manwen? ”

“I was too naive,”manwen continued, “I always thought that she was really kidnapped.”

Chapter 2094: 432: Free and unrestrained for the rest of his life

“If he had discovered the truth, things would not have turned out this way. ”

Unfortunately...

“Zhao Dan and Man Jiangshan, as the masters of Manxing country, naturally would not admit that they had abandoned their own daughter. Hence, they kept announcing that the full moon had disappeared. ”

“Until, man Wen overheard the conversation between his parents. ”

Only then did he start to investigate.

“When he found out ye Zhuo’s identity, man Wen was both excited and nervous. ”

“He wanted to call ye Zhuo his elder sister, but he was afraid that his appearance would bring unnecessary trouble to Ye Zhuo. ”

“Hence, he chose to remain calm. ”

““Old Wen, this matter is really not your responsibility,” fan mu continued, “I believe that Miss Ye will not blame you.” ”

“MAN WEN continued, “Can you confirm if she’s safe now?” ”

““Don’t worry, Ye Han’s character is still trustworthy. Although she and Miss ye aren’t blood-related siblings, he treats miss ye better than his own sister.” ”

“En.”Man Wen nodded.

“Fan Mu continued, “Old Wen, you’re different from your parents and that sister of yours. Why Don’t you go and explain everything to Miss Ye! Miss Ye won’t acknowledge those people from your family, why don’t she just acknowledge you directly?” ”

“After all, they were blood-related siblings. It wasn’t a big deal for man Wen to continue living in guilt. ”

““There’s no need.”Man Wen looked at fan mu, his eyes filled with determination. “Fan Mu, don’t say too much. Otherwise, this brother of ours will be done.” ”

“Seeing that he was so serious, fan mu hurriedly said, “No, no, no. Brother, don’t worry. I definitely won’t say too much in front of Miss Ye!” ”

““En.”Man Wen continued, “Help me listen over there for the time being.” ”

““Don’t worry, I know. I’ll arrange for people to watch over Miss Ye’s side. I definitely won’t let anyone hurt her!”Fan Mu said. ”

“Man Wen instructed, “She’s very vigilant. You guys be careful. Don’t be discovered.” ”

“En.”Fan Mu nodded.

“At this moment, the sound of light footsteps came from outside the door. Fan Mu immediately reacted from the other end and said with a cheeky smile, “Old Wen, are you going or not! Give me a straightforward answer!” ”

“I don’t know.” Man Wen also returned to his casual look. “Send me a few photos first!”

“”Okay, wait a moment.” ”

Du Du du —

“At this moment, there was a knock on the door. ”

“”Come in,” man Wen said. ”

Man Xing pushed the door open and came in.

Man Wen was so scared that he immediately cut off the communication device. “Sis.”

“What are you doing in the house? Are you panicking?” Man Xing asked.

“”It’s nothing,” man Xing asked. ”

“Really nothing?” Man Xing asked.

“”It’s really nothing,” man Wen forced himself to remain calm. ”

“MAN XING smiled and said, “Alright, Alright. I heard everything! “You’re already a grown man. You should just mind your own business and know your limits when you do things. I can help you hide it for a

while, but can I help you for the rest of your life? “You’re the only son of your parents. Your parents will have to rely on you in the future. You have to be a man!” ”

““Don’t We Still Have You?” Man Wen continued, “I’ll just set you off!” ”

“Man Wen!” Man Xing’s face turned stern. “You really can’t continue like this.”

Man Wen couldn’t be bothered with man Xing. He directly picked up the earplugs and covered his ears.

It was best not to listen.

“Seeing him like this, man Xing shook his head helplessly. ”

Man Wen had always been like this.

Ignorant and incompetent. Even Fan Mu was better than him. He was still fooling around all day and had no self-awareness at all.

“Man Xing sighed and said earnestly, “Man Wen, even if you don’t listen to me, you have to think about mom and dad. Mom and dad have worked hard to raise you. Is this how you repay them?” ”

Man Wen did not hear what man Xing said at all. He hummed a little song as he walked into the bedroom.

“Now, man Xing was completely helpless. ”

Man Wen was already an adult. He couldn’t just grab him and beat him up.

““Then I’ll go back first,” man Xing continued, “Think about whether what I said makes sense or not.” ”

“Not long after man Xing left, Zhao Dan walked out from the side. Looking at man Xing’s back, her eyes were a little red.”

She came from behind man Xing.

“She knew that man Xing was a responsible elder sister. Unfortunately, Man Wen, this child, did not know what was good for him. He saw good words as evil words and did not know what was good for him at all! He only knew how to fool around All Day! She really did not know how she could give birth to such a thing with man Jiangshan!”

It was a waste of man Xing’s good intentions.

“Thinking of this, Zhao Dan looked into the house and shook her head helplessly. After a moment, she turned around and walked back.”

“Chapter 2095: 432: The rest of my life, carefree and unrestrained 5”

“Man Wen in the room watched the back of the mother and daughter, one after the other, with a sarcastic smile on his face.”

“Sometimes, he would also ask himself why he was born into such a strange family.”

“He would rather be ordinary, even if he was just an ordinary person, living an ordinary life.”

Unfortunately.

Things did not turn out as he wished.

...

China.

“Ye Zhuo checked Cen Shaoqing’s pulse, and his expression did not look good.”

“How is it?”Cen Shaoqing asked.

“Ye Zhuo continued, “According to the pulse, there is nothing wrong with your body. Everything is normal.” ”

“It was even more normal than a normal person. It just so happened that it was normal, reflecting the abnormality.”

“Normal?”Cen Shaoqing asked.

“Ye Zhuo frowned slightly and continued, “How about this, I’ll go to Your House tomorrow. Now, I have to go back and make some preparations, and then ye Han will leave tonight.” ”

“Okay.”Cen Shaoqing nodded slightly. “He’ll Leave Tonight?”

“”Yes, there are still a lot of things waiting for him to deal with in changyue.” ”

“Cen Shaoqing stood up and said, “Then I’ll go back with you.” ”

“His future brother-in-law was leaving at night. As his brother-in-law, he naturally had to send him off.”

“Okay.”

The two of them drove back to the Lin family home together.

“Old Lady Lin looked at the two of them through the small garden, the corners of her mouth full of smiles.”

“What a perfect match. Back then, she was really blinded by a ghost, which was why she treated ye Zhuo like that. Now that she thought about it, other than regret, there was also regret.”

Lin Ze was taking ye Han to watch a movie in the home theater.

“Although ye Han was on a planet with a higher level of civilization, he didn’t know much about Earth before this. As for the movie, it had long been eliminated by them. The people of the s system pursued a higher level of enjoyment.”

But the so-called higher level of enjoyment was far less realistic than lying on the soft sofa and watching a movie.

“The higher the civilization of the planet, the more indifferent people became.”

“After spending a few days on Earth, Ye Han already had a perfect plan for governing the country in his heart.”

“It seems that burning is back.” At this moment, Lin Ze suddenly sat up from the sofa.

Ye Han asked curiously, “How did you know?”

Lin Ze glanced at him. “Didn’t you hear the voice?”

“No.” Ye Han shook his head. “Did you hear wrongly?”

“I definitely didn’t hear wrongly.” Lin Ze walked out. “I’ll go out and take a look.”

“I’ll go and take a look too.” Ye Han followed Lin Ze’s footsteps.

The two of them had just reached the hall when they saw ye Zhuo and Cen Shaoqing walking over together.

“Ye Han said in surprise, “Sis, you’re really back!” ”

“Yeah.”Ye Zhuo nodded slightly.

“Ye Han looked at Lin Ze. “Brother Ze, you’re really amazing!”He had practiced martial arts for many years and had never heard ye Zhuo’s voice, but Lin Ze had heard it. ”

“Lin Ze smiled and said, “It’s just that my hearing is a little better than an ordinary person’s.” ”

Ye Han walked over to the two of them. “Mr. Cen is here too.”.

“Ye Zhuo said, “He knows that you’re leaving today, so he came to see you off.” ”

“Ye Han looked at Cen Shaoqing and continued, “Actually, there’s no need to make a special trip. I’ll come visit my sister often in the future.” ”

“Actually, these words were also a warning. ”

“He was telling Cen Shaoqing not to bully ye Zao. If he found out, he would definitely not let Cen Shaoqing off. ”

Cen Shaoqing’s thin lips parted slightly. “Welcome Home Anytime.”

“Ye Zao took out the takeout box and continued, “Brother, I packed your favorite crab roe buns for you.” ”

“Thank you.” Lin Ze walked over, took the takeout, and looked at Ye Han. “Do you want to eat together?”

“Ye Han hesitated for a moment, then nodded. “Yes.” ”

“In fact, when he first came to Earth, Ye Han still somewhat resisted the food on Earth. ”

Until...

“Lin Ze took him to eat at a street stall. From then on, Ye Han fell in love with the delicacies on Earth. ”

He didn't even understand why the ancestors of the s galaxy wanted to eliminate the great invention of delicacies.

“Seeing that ye Han had changed so much, Ye Zhuo was also a little surprised. ”

“At night, after Lin Jincheng and Ye Shu returned, Ye Han bid them farewell and set off. ”

“Ye Zhuo looked at Lin Ze. “Brother, you should go too. Coincidentally, I have something to tell you.” ”

“Okay.” Lin Ze nodded.

Cen Shaoqing drove the group to the CEN family base.

“Lin Ze wasn't surprised to see ye Han's body shrink in front of the interstellar shuttle. Instead, he was exceptionally calm, as if she had expected it. ”

“The miniature ye Han stood inside the interstellar shuttle and greeted everyone. “SIS, brother Ze, Mr. Cen, Goodbye.” ”

Chapter 2096: 433: it's just an imitation! 1

“Goodbye.”

The few of them waved at the miniature ye Han.

“After saying goodbye, ye Han closed the door of the interstellar shuttle and activated the button.”

“The interstellar shuttle instantly shrunk and finally disappeared into the air, soaring in the quantum world.”

“Ye Zhuo turned to look at Lin Ze. “Brother, I have something to tell you.” ”

“CEN Shaoqing said slowly, “I’ll go get some snacks for the both of you. You can chat while you eat.” ”

“Although he said that he was going to get snacks, he actually wanted to leave both time and space for the siblings.”

Ye Zhuo nodded. “Okay.”

“Cen Shaoqing turned around and walked out, closing the door.”

Ye Zhuo and Lin Ze came to the office.

The two of them sat opposite each other.

“Ye Zhuo poured a cup of tea for Lin Ze. “Brother, this story might be a little long.” ”

“Lin Ze raised his eyes slightly. “It’s Alright, I’m not busy in the afternoon.” ”

“Ye Zhuo picked up his cup and sipped his tea, then, he said, “Brother, I think you should have guessed it. I’m not the Real Ye Zhuo. “I’m not from Earth either. Ye Han and I come from the s galaxy outside the Milky Way. The country I grew up in is called Changyue Country... “An accident caused me to die in an experiment. When I woke up, I became Ye Zhuo “... “You saw what happened next.” ”

“Ye Zao spoke calmly, and so did Lin Ze. ”

“A moment later, he continued, “Zao Zao, no matter what happened, where you came from, who you are, in my heart, you will always be my only biological sister. I will always be your brother!” ”

“”Brother, thank you.” ”

“Lin Ze patted her head like he was patting a big cat. “What are you talking about? We are all family. Oh right, are Ye Han and you biological siblings?” ”

“”No.”Ye Zao shook his head. “When I met Ye Han, he was only ten years old. From then on, we called each other brother and sister. Ye Han is a very responsible younger brother.” Ye Zao was very relieved to leave the Changyue kingdom to him.”

“Lin Ze continued, “Then do you have any other relatives in the Changyue Kingdom?” ”

“No.”Ye Zao said.

“Then you...”

“Ye Zao’s expression was the same as usual. He smiled and said, “I was an orphan since I was young. But I’m not anymore.”She had parents, an older brother, and a bunch of people she loved, as well as people who loved her. ”

“Zao Zao.” Lin Ze looked at ye Zao.

He wanted to ask her if she had been through a lot during that period of time.

But he could not say a word.

His eyes were a little sour.

““Brother, that’s all in the past.” Ye Zao smiled. “I’m very satisfied now, really.” ”

“She had never thought that one day, she would be able to live in such a happy family. ”

Lin Ze stood up and hugged ye Zao.

““Zao Zao, you’ll have us in the future.” ”

“Okay.” Ye Zao nodded slightly.

“The atmosphere turned from relaxed to heavy, then from heavy to relaxed. Ye Zao continued, “Brother, do you want to go to the s galaxy to take a look?” ”

“I do.” Lin Ze nodded.

He wanted to see what the place where ye Zao grew up looked like.

He also wanted to see what kind of environment could create such a girl.

““If there’s a chance, I’ll definitely bring you there to take a look,” ye Zao said. ”

““Yes,” Lin ze continued, “By the way, how long will it take for the interstellar shuttle to reach the s Galaxy?” ”

““It used to be about three days,” ye Zao continued, “But now it only takes two days.” ”

“After returning to the country of changyue, ye Zao had changed the equipment of the shuttle. ”

He had also used the resources in the S Galaxy to split the entire plain jade into five pieces.

“Although ye Han had returned with the shuttle, Ye Zao still had four permanent energy sources. As long as she wanted to, she could go back at any time. ”

“However, she was now a Zen master in the country of Changyue. In addition, the Manxing country was uncomfortable, so ye Zao did not really want to go back. ”

“Lin Ze nodded. “Right, Zao Zao, I want to study the interstellar shuttle.” ”

“Okay.”Ye Zao took off the bracelet on his wrist and gave it to him. “This is the controller. Press this and your body will shrink.”

The interstellar shuttle looked like it was only the size of a toy car. It had to shrink before it could be controlled to enter the quantum world.

Lin Ze took the controller and went to the second interstellar shuttle.

Ye Zao told Lin Ze some things to take note of.

“After Lin Ze heard them all, he activated the controller. ”

In the next second.

“He felt his body shrink in an instant. Everything around him became huge, even if it was just an ordinary mosquito. ”

“Lin Ze followed the steps ye Zao told him and opened the door of the interstellar shuttle. Then, he jumped in. ”

Chapter 2097: 433: it's just an imitation! 2

“After entering, he realized that the seemingly ordinary shuttle actually had a different world inside. ”

The small space was actually infinitely large.

There was a cockpit inside.

“The lounge, bedroom, living room, movie hall, and most importantly, a swimming pool. ”

Ye Zhuo came outside.

“At this moment, he received a wechat message from CEN Shaoqing. ”

“[ leader, is it over? ] ”

Ye Zao replied: [ it's over. ]

“After receiving ye Zao's reply, Cen Shaoqing came over with snacks. ”

“You really went to get snacks?”Ye Zao asked in surprise.

“Of course.”Cen Shaoqing held the Buddha beads in his right hand and handed the snacks to ye Zao with his left hand. “There’s your favorite flowing heart crisps inside.”

“When she heard the words flowing heart crisps, ye Zao’s eyes lit up. ”

“In her opinion, nothing in this world was more important than tasting delicious desserts. ”

“If she encountered something unhappy, then she would eat some desserts. If one meal was not enough, then she would eat two meals. ”

“Cen Shaoqing looked around the room and continued, “Where’s Ah Ze?” ”

“”He’s researching the interstellar shuttle,”ye Zao said. ”

Cen Shaoqing nodded slightly.

“After eating a piece of dessert, ye Zao seemed to suddenly remember something. He took out a small porcelain bottle from his pocket and handed it to Cen Shaoqing. “By the way, eat this.” ”

“What’s This?”Cen Shaoqing took the porcelain bottle.

“Without waiting for ye Zao to speak, Cen Shaoqing continued, “It can’t be poison, right? You want to... Murder your husband?” ”

Ye Zao curled his lips slightly. “Have you heard of the story of Da Lang taking medicine?”

“”As long as it’s given by the leader, even if it’s arsenic, it can still be eaten.”As soon as he finished speaking, Cen Shaoqing poured out a pill from the small porcelain bottle and swallowed it. ”

“After swallowing it, CEN Shaoqing continued, “When does this medicine take effect?” ”

“Ye Zao smiled and said, “Don’t you feel anything now?” ”

Cen Shaoqing immediately cooperated with Ye Zhuo’s act and fell onto the sofa.

“Before ye Zhuo could react, his wrist was grabbed by someone and he fell onto Cen Shaoqing’s body. ”

The atmosphere became delicate.

Cen Shaoqing hooked his arm tightly around her slender waist. “Will brother-in-law suddenly appear?”

“Who is your brother-in-law?”

“You’re asking even though you already know.”

Ye Zhuo raised his eyebrows slightly. “Have you obtained my brother’s approval?”

“When he said that, Cen Shaoqing’s face revealed a slightly uneasy expression. ”

“These days, he had been dreaming about that scene. ”

“Back then, Lin Ze was three years old. ”

He did not expect that a three-year-old child would have such a good memory.

“If he had known that Lin Ze would become his big brother-in-law, Cen Shaoqing would definitely have found an incense table to worship little Lin Ze. Moreover, he would burn three incense sticks every day.”

Cen Shaoqing replaced the anxiety in his heart with a light kiss on ye Zao’s cheek.

“It was clearly just a kiss, but it stirred up waves in his heart.”

Even his fingers became extremely hot.

Cen Shaoqing immediately stood up and coughed lightly. “I’m going to the washroom.”

“Go ahead,” ye Zao said. ”

“About half an hour later, Cen Shaoqing came out of the washroom.”

“Ye Zao asked casually, “Why have you been gone for so long?” ”

Cen Shaoqing’s expression did not change. “My stomach hurts.”

“Constipation?” Ye Zao asked.

“Cen Shaoqing could only nod his head. Recalling that half an hour, his ears turned slightly red.”

“Ye Zao said somewhat speechlessly, “If you’re constipated, so be it. No one will laugh at you. Why are you blushing?” ”

Cen Shaoqing pursed her thin lips and did not speak.

“Ye Zao patted Cen Shaoqing’s shoulder and continued, “Don’t worry. I’ll write you a little prescription for constipation later.” ”

“Cen Shaoqing did not directly answer her question. Instead, she said, “What did you just give me to eat?” ”

““To check the chip in your body.”Ye Zao ate the last piece of snack, then he said, “I suspect that the chip in your body has been implanted into your body when I was pregnant.”Otherwise, it wouldn’t have been discovered so many years ago. ”

“So early?”Cen Shaoqing frowned slightly.

“Ye Zao nodded. “If the one in the General Alliance is really an uncle, then you are the future ruler of the General Alliance. It’s normal for them to be more cautious.” ”

“Cen Shaoqing’s deep eyes were pitch black, and he could not see the end of it. ”

““If that person in the main alliance is really an uncle, what do you plan to do?”Ye Zhuo looked at Cen Shaoqing. ”

Cen Shaoqing’s face was expressionless. “I want to ask him why he abandoned Grandma and my mother.”

“Back then, the Cen family was old, old, and young. How could Cen Haifeng Bear to part with them? ”

Is fame and status so important?

Chapter 2098: 433: he’s just trying to imitate her! 3

“For the so-called position of the General Alliance, he would even give up his blood relatives and loved ones?”

“In Cen Shaoqing’s memory, his father loved his mother very much.”

He had always been puzzled as to why Cen Haifeng would do this.

“Ye Zhuo continued, “Don’t think too much. The test results are not out yet. What if he’s not an uncle?””

“Actually, Ye Zhuo was also conflicted.”

She hoped that old Mrs. Cen and Zhou Xiang could see their son and husband and reunite as a family soon.

But she was also afraid that they would see the truth.

“After all, the truth was too cruel.”

No matter what had happened in between.

“It was true that Cen Haifeng had abandoned his wife and children, and it was also true that he had married someone else in another country.”

“Cen Shaoqing nodded slightly. “If the test results are out, don’t hide it from me.””

“Ye Zhuo looked at Cen Shaoqing. “Don’t worry, it won’t happen. As soon as there’s a result, Ye Han will immediately inform me.””

“They used a special wireless communication device and could also contact ye Han, who was in the S Galaxy, on Earth. However, the number of times they could contact him was limited.”

They could only contact him once a month.

“Every time, it would take five minutes.”

Cen Shaoqing nodded slightly. “Okay.”

“After saying that, ye Zhuo continued, “By the way, do you want to take out the chip from your body immediately?” ”

“Cen Shaoqing pursed his thin lips slightly. After a moment, he said, “What do you think?”? ”

“The alliance had implanted the chip in his body for a reason. If they forcefully took it, there would definitely be an abnormality. ”

“However, if he did not take it, Cen Shaoqing felt that the chip was restricting his ability to think. ”

“For a moment, he actually fell into a dilemma. ”

“Ye Zhuo thought for a moment and then said, “I think that in order to avoid alerting the enemy, you should not take it for the time being. Wait and see.” ”

“After all, this chip did not have much of an impact on CEN Shaoqing. ”

“Cen Shaoqing had been through this for so many years, so he did not need to care about such a short period of time. ”

“I’ll listen to you.”Cen Shaoqing nodded slightly.

“At this moment, there was a knock on the door. “Miss Ye.” ”

“Come in,” Ye Zhuo said softly. ”

“The new assistant walked in. “Miss Ye, this is the information you requested.” ”

“Put it there.”

The assistant placed the information on the side of Ye Zhuo and turned to leave.

“Cen Shaoqing frowned slightly. He keenly sensed that something was wrong. Just as he was about to stand up, Ye Zhuo casually held his hand and signaled her with his eyes not to act rashly. ”

“When the assistant had completely disappeared outside the door, Cen Shaoqing looked at Ye Zhuo. “What’s Going On?” ”

“I’ve already discovered that Core Robot.” Ye Zhuo’s tone was indifferent.

Cen Shaoqing frowned slightly. “Then you’re still keeping it.”

“Ye Zhuo smiled and said, “Don’t worry. She doesn’t have any ill intentions. It’s not a big deal if she stays.” ”

“Do you know who sent it?” Cen Shaoqing asked.

“I know.” Ye Zhuo nodded slightly.

“Who?”

Ye Zhuo took a sip of tea. “Man Wen.”

Ye Zhuo was a very intelligent person. She had long seen through man Wen's disguise in the man family.

"In fact, the matter between her and the man family had nothing to do with Man Wen."

"From a certain perspective, man Wen was a very good younger brother."

The reason why he cooperated with Ye Han to beat up man Wen was to put on a show.

"He didn't chase away the core robots that man Wen had arranged for him, in order to make man Wen feel at ease."

"Man Wen was treading on thin ice in the man family. If she got too close to man Wen, she would definitely bring trouble to man Wen."

He couldn't let man Wen's efforts all these years go down the drain.

"Who is man Wen?" Cen Shaoqing narrowed his phoenix-like eyes.

"Subconsciously, he felt that this name was a little like a man's."

"A man or a woman?" Cen Shaoqing continued to ask.

"A man," ye Zhuo replied.

"Hearing this, Cen Shaoqing turned to look at Ye Zhuo."

"Ye Zhuo smiled and said, "Don't worry, listen to me.""

"Man Wen might be my younger brother in Chang Yue Country," ye Zhuo continued to tell Cen Shaoqing about what he had done in the s galaxy."

“Hearing this, Cen Shaoqing frowned. “How can such a person be a parent?” ”

How could a parent give up on their own daughter twice?

“Hearing this, other than man Wen, the rest of the family were not good people. ”

“”Zhonghua, you were right not to recognize them.” ”

“Ye Zhonghua smiled and said, “I am ye Zhonghua now. I have nothing to do with them to begin with.” ”

“Ye Zhonghua, who was related to them by blood, had long disappeared. ”

Cen Shaoqing had never heard ye Zhuo talk about her childhood. She only knew that she was raised by a grandmother who was not related by blood. She did not know that so many things had happened in between.

Chapter 2099: 433: it was just an imitation! 4

“How old were you when you were thrown away?”Cen Shaoqing asked.

“”Not even three years old.”Now that she recalled the past, Ye Zhuo no longer felt anything. There was no expression on her face either, she continued, “One day, when I woke up, I suddenly found myself in a very strange place. My body was dirty... I don’t remember who I am or what my name is...” ”

“Later, after verification, it was not that she did not remember, but that man Jiangshan and Zhao Dan had drugged her, causing her to lose her memory. ”

“However, all of this was no longer important. ”

“Now, she had a new life. ”

“”At that time, did you ever think of looking for your parents?”Cen Shaoqing asked. ”

“Ye Zhuo nodded slightly, “Of course I did. After all, other children have their own parents. When I slowly grew up, I didn’t want to look for them anymore. Later, Grandma told me that perhaps they had no other choice but to abandon me, so I started to investigate in secret.” ”

“Who knew that in the end, it would end up like this. ”

“”Later on, I buried this secret in my heart forever.” ”

“Ye Zhuo said it lightly, but Cen Shaoqing’s eyes were full of pity. ”

A child who was not even three years old had been wandering the streets all the way to become the famous miss ye of Chang Yue. No one knew how difficult the process was.

Behind this glory was a path paved with blood and tears.

Cen Shaoqing walked over and gently hugged ye Zhuo.

“”Leader, you’ll have me in the future.” ”

“En.”Ye Zhuo nodded slightly.

...

On the other side.

In the General Alliance.

Wang Meilin came to Duanmu Fengyu's office.

"Miss."

Duanmu Fengyu raised her head. "How are things going?"

"Wang Meilin continued, "The core robot has been arranged. But it hasn't arrived on Earth yet." "

"How long will it take?" Duanmu Fengyu asked.

"About five days," Wang Meilin answered. "

"Five days?" Duanmu Fengyu frowned.

"Wang Meilin explained, "The galaxy is too far from the Milky Way. Currently, the fastest speed of our interstellar shuttle is five days." "

"Hearing this, Duanmu Fengyu narrowed his eyes and continued, "I remember miss ye from the state of Changyue once invented a shuttle that could travel to various planets in less than three days." For the current Duanmu Fengyu., time was life. Every inch of time was worth an inch of gold. This was because no one knew what would happen in the next second on Earth! "

What if that woman on Earth had already plotted to have Dongli's child and was about to give birth?

"Once the future ruler-in-waiting was born, she really wouldn't have a chance. "

She wanted to nip all the dangers in the bud.

“Wang Meilin shook her head. “I’m not too sure about that either. Miss, I’ll go check it out.” ”

“Go ahead.”Duanmu Fengyu waved her hand.

Wang Meilin left the office.

Duanmu Fengyu sat in front of her desk. A sinister light flashed in her beautiful eyes.

“Soon, Wang Meilin returned. ”

“Miss.”

“How is it?”Duanmu Fengyu looked up at Wang Meilin.

“Wang Meilin continued, “Miss Ye did invent an interstellar shuttle that could travel to any planet within three days...” ”

“And then?”Duanmu Fengyu asked.

“Wang Meilin continued, “But after Miss Ye took her place, Miss Ye took the shuttle away. Now, Miss Ye has lost contact with everyone.” ”

“Hearing this, Duanmu Fengyu frowned. ”

She didn’t expect ye Zhuo to be taken away by the interstellar shuttle.

So what happened now?

“At this moment, Wang Meilin suddenly thought of something and said, “Oh right, Miss, I found something else.” ”

“What is it?” Duanmu Fengyu asked.

“Wang Meilin continued, “According to the Great Elder, Young Master Dongli’s girlfriend on Earth has the surname Ye. I think... She’s also called Ye Zhuo.” ”

Also called ye Zao?

Duanmu Fengyu’s lips curled into a disdainful smile. “So What? Could that low-level woman from Earth become Miss Ye?”

““I also heard...” at this point, Wang Meilin’s voice became hesitant. ”

“Heard what?” Duanmu Fengyu asked.

“Wang Meilin continued, “I heard that young master Dongli’s girlfriend also looks a little similar to miss ye. Coincidentally, Miss Ye took the throne at this critical moment. Do you think they happen to be the same person?” ”

The same person?

“Hearing this, Duanmu Fengyu laughed out loud. “Even if she looks like Miss Ye, it’s just an imitation.” ”

Chapter 2100: 433: she’s just trying to imitate her! 5

How could a lowly person who grew up on Earth have the qualifications to compete with her? Compete with Miss Ye?

It was simply a huge joke.

“After saying that, Duanmu fengyu continued, “After the core robot successfully lands, remember to arrange everything properly and don’t let the cat out of the bag. If those stupid people discover anything, we’ll all be finished!” ”

Wang Meilin nodded. “Don’t worry about that. Just leave it to me.”

The Wang family’s strength was not just for show.

“”Alright, you can leave first. I’ll call you if there’s anything,”Duanmu Fengyu said. ”

“Okay.”Wang Meilin nodded and turned to walk out.

“Duanmu Fengyu watched Wang Meilin’s back as she left. She narrowed her eyes. Suddenly, an idea flashed through her mind. ”

Her mother had been preventing her from going to Earth.

What if... ? ... she asked Wang Meilin to pretend to be her and she pretended to be Wang Meilin?

“Thinking of this, the corners of Duanmu Fengyu’s mouth curled up. She stood up and walked toward her mother’s courtyard. ”

Mrs. Duanmu was admiring the flowers in the back garden.

“Duanmu Fengyu walked forward with a smile, “Mom, are you admiring the flowers? I’m sorry, I was wrong before. I shouldn’t have contradicted you, and I shouldn’t have gone against your wishes. Don’t worry, I know I was wrong. I don’t want to go to Earth anymore.” ”

“You’d better put away your flowery tricks.” Mrs. Duanmu turned to look at Duanmu fengyu with a cold gaze, “Don’t think I don’t know what you’re thinking! Are you trying to replace the dead with the dead? Let me tell you, I’m your mother! I know you better than anyone else in this world! Duanmu fengyu, if you dare to play tricks in front of me, don’t blame me for being ruthless as a mother!” ”

“If Mrs. Duanmu didn’t have any tricks up her sleeves, she would have long been angered to death by Duanmu Liangchen. Why would she sit firmly on Mrs. Duanmu’s seat for so long? ”

She had thought of doing something extreme in the beginning.

“Then, she thought about why she had to give up her seat to someone else? ”

“Her daughter would be the wife of the Chief Alliance in the future, and she would still have unlimited glory in the future. ”

She wanted her to give up her seat to them?

In their dreams!

“Since Duanmu Liangchen had let her down, there was no need for her to keep Duanmu Liangchen as a virgin! ”

“Mrs. Duanmu had already said this, and Duanmu Feng frowned. “Mom! Why! Why Can’t I go to Earth? Why Can’t everyone else go?” ”

“In the s galaxy, ordinary people could freely enter and leave the various planets. ”

“However, the normal order of the planet must not be disrupted. ”

Earth was the object of absolute protection.

“However, Earth’s civilization was too low-level, and few people were willing to go to Earth.”

“Mrs. Duanmu looked at Duanmu Feng and said, “Because you are different from them! You Are Duanmu Feng and! You must abide by this rule! Do you know how many pairs of eyes are watching us right now? They are all waiting for you to make a mistake! Do you believe that as soon as you step out of the General Alliance, the Great Elder and the others will discover you? If you don’t believe me, you can try! However, there is no turning back!” ”

It was extremely cold at the top. It was not easy for the Duanmu family to reach this stage. There were too many people waiting outside for their family to make a fool of themselves.

“Hearing this, Duanmu Fengyu was immediately stunned.”

Mrs. Duanmu’s words woke her up from her dream.

“All this while, she had neglected this matter.”

She had forgotten that she was the daughter of the Duanmu family.

““I won’t go.”Duanmu fengyu wiped away the unwillingness on her face. “Mom, don’t worry. I won’t cause any more trouble for the family.” ”

“Mrs. Duanmu sighed and held Duanmu Fengyu’s hand. She said earnestly, “Fengyu, Mom knows that you’re unwilling and that you’re ambitious. However, the daughter of the Duanmu family doesn’t need to be ambitious.” The daughter of the Duanmu family was born at the peak of her life.”

Duanmu fengyu only needed to be content with the current situation.

“After saying that, Mrs. Duanmu said, “Fengyu, you only need to wait patiently. When the eastern fence is back, you will be the most honorable woman in the S Galaxy.” ”

“Duanmu nodded. “Mom, I understand.” ”

Mrs. Duanmu patted Duanmu Fengyu's shoulder.

“By the way, Mom,” Duanmu Feng suddenly thought of something and continued, “How's the situation with my uncle-in-law?” ”

Mrs. Duanmu shook her head. “It's not very good.”

Duanmu fengyu frowned. “Are we really going to bring those low-level earthlings up?”

“Whenever she thought about how she had to deal with those Earthlings and acknowledge them as her relatives, Duanmu Fengyu felt disgusted.”

“With your aunt around, I don't think so.” In fact, Mrs. Duanmu was quite uncertain. ”
