

Almighty D 2101

Chapter 2101: 434: the results of the paternity test are out! 1

“This time, Cen Haifeng suddenly requested to bring back all his relatives on Earth, and his attitude was firm. ”

Even Duanmu Fengfei might not be able to stop him.

“Did you visit your Aunt Yesterday?”Duanmu fengyu continued to ask.

“I did.”Mrs. Duanmu nodded. “But your uncle hasn’t come back yet.”

“Duanmu fengyu frowned slightly and asked, “Isn’t there anything I Can Do?” ”

Mrs. Duanmu didn’t say anything.

“Duanmu fengyu continued, “I heard that uncle’s first wife on Earth is still alive. If he really brought that family over, what would she become? A concubine?” Duanmu Fengyu had nowhere to go. It was one thing that he didn’t have a child by his side, but now he wanted to have a first wife. wasn’t he deliberately making Duanmu Fengyu lose face? ”

“Duanmu Fengfei had followed Cen Haifeng for so many years. She had been his good wife, but in the end, she had become someone else’s bride. ”

“Duanmu Fengfei couldn’t stand this. If it were any other woman, she wouldn’t be able to stand it. ”

“Just like Duanmu Fengfei and the mistress on Earth, she couldn’t accept the fact that she was the heiress of the Duanmu family and the future wife of the Chief Alliance. However, she had to endure the fact that the person next to her had a child with another person. In the future.., she had to take care of someone else’s child? ”

Why?

This was unfair!

""Concubine?"Upon hearing this, Mrs. Duanmu's face was filled with anger, "If we're talking about concubines, the person who should be a concubine should be that woman! The daughter of our Duanmu family was born to be the noblest person. She will never be a concubine!" "

"After all, the first person to have an engagement with Cen Haifeng was Duanmu Fengfei. "

Duanmu Fengfei had been the most honorable fiancée of the General Alliance ever since she was born.

What was that woman on Earth?

"Duanmu fengyu glanced at Mrs. Duanmu and asked, "Is it useful for you to say that?" "

Mrs. Duanmu frowned.

"At this moment, a servant came in from outside. "Madam." "

"What's Wrong?"Mrs. Duanmu asked

"The servant continued, "The General Alliance mansion called and asked for you to come over." "

"Apart from Duanmu Huang Fei, no one from the headquarters would contact Mrs. Duanmu. "

"Upon hearing this, Mrs. Duanmu immediately said, "Okay, I'll go over right away." "

""Mom, I'll go with you."Duanmu Feng and Mrs. Duanmu held her hand. "

“Okay.” Mrs. Duanmu nodded.

The mother and daughter sat on the aircraft and flew toward the headquarters.

“About ten minutes later, the aircraft arrived at the headquarters.”

Duanmu Feng and Mrs. Duanmu held each other’s arms as the two of them got off the aircraft.

“A Butler was arranged to receive them at the entrance of the headquarters. When he saw the mother and daughter alighting from the aircraft, he immediately went up to them. “Mrs. Duanmu, eldest miss, you’re here. Madam has been waiting inside for a long time.” ”

“Mrs. Duanmu glanced at her and continued, “How is Sister’s Mood Now?” ”

The Butler shook his head and didn’t say anything.

“As servants, they weren’t qualified to comment on their master’s matters.”

“Seeing the butler like this, Mrs. Duanmu felt confident.”

“After walking for another five or six minutes, they finally arrived at the living room.”

Duanmu Fengfei stood there.

Duanmu Fengyu immediately ran over. “Aunt!”

“When she saw Duanmu Fengyu, Duanmu Fengyu was also very surprised. She smiled and said, “Fengyu!” ”

“Aunt!”

The aunt and nephew hugged each other.

“Mrs. Duanmu stood at the side and watched this warm scene. She thought of how Duanmu Fengfei had worked hard for Cen Haifeng all his life, but in the end, he didn’t even have a child that belonged to him. She couldn’t help but feel a little sad. ”

“With the good genes of the DUANMU and CEN families, Duanmu Feng and the child he gave birth to must be very outstanding. ”

What a pity.

“Thinking of this, Mrs. Duanmu sighed softly in her heart. ”

“A moment later, the aunt and niece let go of each other. ”

“Duanmu fengfei smiled and said, “Fengyu, you haven’t been here for a long time, right? Why are you free today?” ”

“”I’m here to visit aunt.”Duanmu fengyu held Duanmu Fengfei’s hand tightly. “Aunt, I haven’t seen you for a long time. I’ve missed you to death!” ”

“Duanmu Feng’s face was full of smiles as well. “It just so happens that I’ve recently obtained two pieces of jewelry that are suitable for young ladies like you to wear. It saves me the trouble of having someone send them over.”Duanmu Feng was 42 years old this year, and she took good care of herself, she looked like she was only in her thirties. As she did not have a son or daughter, she had always treated Duanmu Feng and her as her own daughter. ”

“In particular, Duanmu Feng and her daughter-in-law would become her daughter-in-law in the future. ”

“Hearing this, duanmu feng immediately said, “Aunt, you are not old at all. If you stand with me, people will think that we are sisters.” ”

Chapter 2102: 434: the results of the paternity test! 2

“Fengyu is right,” Mrs. Duanmu continued, “Sister, they say that time is cruel, but it hasn’t left anything on you. You are still the same as you were when you were young!” ”

Duanmu Fengyu and Duanmu Fenfei were both born beauties.

Each age had its own beauty.

This kind of beauty could not be seen from others.

“Otherwise, the Duanmu family’s young lady would not have become the Chief Alliance’s wife. ”

“Moreover, the Duanmu family had always had a very magical thing. ”

“If the Duanmu family’s daughter-in-law was pregnant, they would definitely have twins. ”

A son and a daughter.

Duanmu Feng and her brother went to military school.

Duanmu Huang Fei sighed softly. “What’s the use of being good-looking? It’s just skin.”

She was indeed pretty.

“However, Cen Haifeng’s mind was not on her. ”

“Sometimes, she would ask herself. ”

What was so good about being the wife of the Chief Alliance?

“She seemed to be in a glorious position, but in fact, she was well aware of all the hardships and sufferings. ”

“In fact, Cen Haifeng was fine when he first came back. ”

Later on.

Cen Haifeng refused to share a room with her and refused to talk to her...

“Until now, Cen Haifeng had actually proposed to bring all those people back from Earth. ”

Where did this leave her?

It was simply ridiculous!

“Mrs. Duanmu saw Duanmu Huangfei’s distress and continued, “Brother-in-law hasn’t returned yet?” ”

“Not yet.”Duanmu huangfei shook her head.

“Mrs. Duanmu continued, “Then let’s Go in and talk?” ”

“Okay.”Duanmu huangfei nodded.

The three of them walked inside.

In the inner room.

“Mrs. Duanmu put down the curtain and looked at Duanmu Huangfei. “Sister, what is brother-in-law thinking? He can’t keep running away from you.” ”

“”He’s not running away from me. He’s going to find a way to lift the ban,”Duanmu Huangfei said. ”

Mrs. Duanmu was stunned. “Does that mean brother-in-law already knows?”

“Duanmu Huang Fei sighed. “Although he doesn’t know all of it, he probably knows most of it.” ”

“After saying that, Duanmu Huang Fei continued, “This is all my fault! I brought this upon myself! I Don’t blame him for feeling sorry for him just because he has a headache! If it weren’t for my unnecessary actions, he would never have thought of all this! It’s all my fault!” ”

“Even now, Duanmu Huang Fei still blamed herself very much. ”

“If she wasn’t soft-hearted, how could all these things have happened? ”

It was her fault.

It was all her fault!

“Mrs. Duanmu narrowed her eyes. “So, brother-in-law still doesn’t know that those people on Earth are his wife and children?” ”

“Duanmu huangfei nodded, “I told him that those people on Earth were his brother’s widows and sons. “But this can only be hidden for a while, how can it be hidden forever? “Once he brings those people back, how could he not know? “Do you know how regretful I am right now?” ”

""Sister, since it has already happened, there's no use regretting it," Mrs. Duanmu continued, "What we need to do now is to look forward and move forward to think of a way to resolve this matter." "

Now was not the time to blame and regret.

"After saying that, Mrs. Duanmu continued, "Brother-in-law hasn't discovered anything yet, which means that he hasn't completely deactivated the chip in his body. By the way, does the great elder and the Imperial preceptor know about this?" "

""They don't." Duanmu Huangfei continued, "I haven't told them yet." "

""Sister, you're really too muddle-headed!" Mrs. Duanmu frowned. "How can you not tell the Great Elder and the Imperial preceptor about this!" "

Duanmu Huangfei also had his own difficulties.

"After all, this matter was caused by her mistake. "

"Mrs. Duanmu continued, "Sister, we have to tell the National Master and the great elder about this matter and ask them to think of a way. Don't worry, things have already developed to this stage. Moreover, you didn't do it on purpose. I believe that they will not blame you." "

""Aunt, I say that mother is right," Duanmu Fengyu continued, "Now is not the time to pursue the responsibility. We have to think of a way to stop uncle. Otherwise, when uncle really lifts the ban, everything will be too late!" "

"When the General Alliance was brought back to the General Alliance, they would be sealed by the ancient ban left behind by the General Alliance. "

"Under normal circumstances, they would not have their memories sealed by the prohibition until they died. "

The reason why CEN Haifeng remembered the fragments and knew that he came from Earth was because he could not bear the pain caused by the prohibition. That was why Duanmu Huangfei had removed a bit of it for him.

Chapter 2103: 434: the results of the paternity test! 3

“Who knew that once it was removed, Cen Haifeng would immediately remember many things. ”

“Helpless, Duanmu Phoenix Fei could only use those fragmented memories to deceive Cen Haifeng. Who knew that Cen Haifeng would actually insist on going to Earth to bring those people back. ”

This was something that Duanmu Phoenix Fei had never expected.

“En.”Duanmu Phoenix Fei nodded.

“She was glad that she still had a family that she could rely on. Otherwise, she really did not know who to look for after such a huge incident. ”

“Mrs. Duanmu continued to comfort her, “Sister, don’t be too anxious now. I believe that the Imperial preceptor and the great elder will definitely have a solution.” ”

“If she said that she was not anxious at all, it would definitely be a lie. ”

“Since things had come to this point, Duanmu Fenghuang Fei could not fall asleep for the entire night. ”

“After a while, Duanmu Fengfei grabbed Duanmu Fengyu’s hand tightly and said, “Fengyu, you must think of a way to have a child of your own in the future. Even if it’s a girl, it’s better than nothing.” ”

Duanmu Fengfei was very regretful that he did not have a child.

"If he had a child as a link, Cen Haifeng would not be so heartless. He would not stay away for more than half a month "

"Duanmu Huangfei's words were from the bottom of his heart. He continued, "Don't worry. When the time comes, I will help you too." "

"Duanmu fengyu nodded. "Thank you, aunt." "

"Fengyu, I don't have a child of my own. You are just like my biological daughter." At the same time, Duanmu Huangfei did not want to watch Duanmu fengyu repeat her old path. "

"Back then, it was because she didn't listen to Duanmu Tianxiang that she was reduced to this state. "

What Love.

It was all BULLSH * T!

"Thinking of this, Duanmu huangfei tightly gripped the armrest of the chair. Because she used too much strength, her knuckles had already turned slightly white. "

...

Lin family.

"After eating, Ye Zhuo sat in the courtyard and chatted with Ye Shu. "

"The mother and daughter lay on the rocking chair and looked at the stars in the sky. The summer wind was gentle, and it was really pleasant. "

“Zha Zha, is Xiao Han home now?”

“Not yet.” Ye Zha looked at the starry sky. “I think he will have to wait for another day or so.”

Ye Shu nodded and continued, “Oh Right, Zha Zha, your aunt Xiang’s birthday is in a few days. What do you plan to give her?”

“Which day is Aunt Xiang’s Birthday?” Ye Zha was stunned.

“If ye Shu did not mention it, she really would not know when Zhou Xiang’s birthday was.”

Ye Shu continued, “The 18th of July in the solar calendar is her birthday.” Ye Shu was a thoughtful person. She wrote down all the birthdays of her relatives in her notebook. If she did not have the time to personally come and wish them well., she would prepare some exquisite gifts for people to send over.”

“Therefore, Ye Shu’s popularity was very good.”

She was good at handling interpersonal relationships.

Ye Zhuo counted with his fingers and then said, “That’s still a week away.”

“Yes.” Ye Shu nodded. “You and Shaoqing are boyfriend and girlfriend. This gift can’t be too light or too heavy. You must consider it carefully.”

The Cen family and the Lin family were not ordinary families. Many people were watching the gift-giving.

It had to be appropriate and thoughtful.

“Don’t worry, Mom. I know,” ye Zao said.

“Ye Shu said, “When Little Han left last time, did you tell him to come home more often?” ”

“Ye Zao smiled at Ye Shu and continued, “Mom, I’m not the only one who said that. Just you and dad held his hand and said it more than eight hundred times in front of him.” ”

“Ye Shu said, “I don’t know why, but I really like that Kid Little Han. I still feel empty in my heart when he suddenly left.” ”

“Ye Zao had a smile on his face. If ye Han heard this, he would definitely be very happy. ”

Ye Han was the same as her.

He had longed for a family since he was young.

“Unfortunately, this ordinary wish had never been realized. ”

““Ye Han also likes our family very much,”ye Zao said. ”

“Ye Shu sighed. “Unfortunately, Xiao Han still has more important things to do. Otherwise, I really want him to stay. In the future, I’ll let him take over my noodle shop and your father’s business.” ”

Other families were all siblings fighting over family assets.

“When they arrived at the Lin family, the siblings were not interested in accepting the family business. ”

It was not easy for ye Han to come. He had to leave after only staying at home for a few days.

““Don’t worry, he’ll come to see you often in the future,”ye Zhuo said. ”

“Ye Shu seemed to have thought of something and continued, “Oh right, Zhuo Zhuo, did anything special happen at Shaoqing’s house recently?” ”

“”No, why would you suddenly ask?”Ye burning asked. ”

Chapter 2104: 434: the results of the paternity test! 4

“Ye Shu continued, “That day, I went to Shaoqing’s house to play mahjong, and I Saw Your Aunt Xiang hiding in the bathroom crying.” ”

The Cen family was harmonious.

Old Lady Cen was also a good mother-in-law.

“All the problems in Zhou Xiang’s family had been resolved, so it shouldn’t be a family conflict. ”

“But if it wasn’t a family conflict, then what was the reason? ”

This made ye Shu a little puzzled.

“Crying?”Ye Zhuo frowned slightly.

“”Yes.”Zhou Xiang nodded. “She acted as if nothing had happened, so I didn’t point it out.” ”

“Could it be because of that matter?”Ye Zhuo’s beautiful eyes narrowed slightly.

“What matter?”Ye Shu asked curiously.

“Ye Zhuo continued, “Mom, you should know how uncle left, right?” ”

“You Mean Shaoqing’s father?”Zhou Xiang asked.

“Yes.”Ye Zao nodded.

“Zhou Xiang thought for a moment and then said, “If I remember correctly, the boat should be difficult to leave.” ”

This matter was not a secret in the CEN family.

“Ye Zao also said in a low voice, “Now I suspect that uncle is not dead at all. Moreover, he might have married and settled down somewhere else.” ”

“What?”Ye Shu said in surprise.

“Ye Zhuo raised his index finger in front of his lips and made a gesture of ‘silence’. Then, he said, “At the moment, it is only my guess. I Can’t be sure whether it is true or not.” ”

“”Then you can’t Let Your Aunt Xiang know,”ye Shu said. ”

“If Zhou Xiang knew about this matter that had not been confirmed, it would only make her more sad. ”

“Yes.”Ye Zhuo nodded slightly. “I know that. I’m just worried that Aunt Xiang might have discovered something!”

“Ye Shu frowned slightly. “If Shaoqing’s father is really still alive, then what about your Aunt Xiang?” ”

Then wouldn’t Zhou Xiang’s years of waiting become a joke?

Ye Zhuo didn't say anything.

"She didn't know the truth of the matter, so she naturally didn't have the right to speak."

"Then does young master know about this matter?" Ye Shu asked.

"Yes," Ye Zhuo continued, "He's currently investigating."

Zhou Xiang sighed. "It's also difficult for that child."

"Actually, Cen Shaoqing's journey had not been easy either."

"After Cen Haifeng's accident back then, the Cen family was old and young, with only a room full of women left. If Cen Shaoqing had not stepped forward, how could the CEN family be what it was now?"

If Cen Haifeng was really still alive...

Then he was not a good son.

Nor was he a good husband.

And he was not a good father!

"What are you two talking about?" Lin Jincheng walked over with food in his hands. "Are you hungry? Dinner will be ready in a while. You want to eat some snacks to fill your stomach."

Ye Zhuo was about to reach out to take the snacks when Ye Shu slapped away the snacks in his hands.

""Zao Zao! You Can't eat dessert anymore!"After saying that, she looked at Lin Jincheng. "You know that children can't eat too much sweet food, yet you still give this to her! After eating this, are you going to have dinner or not?" "

"Lin Jincheng said, "Isn't this what Zao likes to Eat?" "

""If she likes to eat it, then you let her eat it? Don't you know that eating this thing is not good for your body?"Ye Shu had been obsessed with maintaining her health recently. She had read a lot of books and attended a lot of classes, so she strictly forbade ye Zao from eating dessert again. "

"After all, eating too many desserts would lead to obesity, diabetes, high blood pressure, and other diseases. "

"Ye Zao said seriously, "Mom, I'm different from them. They will get diabetes and high blood pressure if they eat it, but I won't." "

"Different? How is it different? Look at your small body. Do you have one more arm than others? Or one more leg?"Ye Shu asked back.

Ye Zhuo:" ... "

"Ye Shu continued, "From now on, you can only eat three desserts a day. Today's three desserts have already been eaten, so you can't move any of these." "

"Upon hearing this, Yi Ling flew out of the house and said excitedly, "Wow! Then why are there so many desserts? Won't they all benefit me!" "

"Ye Shu smiled and said, "Take them and eat." "

"Yi Ling said excitedly, "Thank you, Mommy. Mommy Is So Nice!" "

Ye Shu could not help but laugh. "If Only Yi Ling could turn into a human."

"If Yi Ling could turn into a human, she would not have to worry about no one taking over the Lin family business. "

"Yi Ling stuffed all the desserts into her chest pocket and flew into the house. She stood in front of Whitey and showed off. "Look, Mommy gave this to me! Mommy gave this to me too! Aren't you very envious?" "

"Whitey snorted, "Childish! She is the most powerful, the most adorable, and the most intelligent robot in the entire universe. She won't bother with you!" "

Chapter 2105: 434: the result of the paternity test! 5

""Hehe."The spirit continued, "With your silly appearance, you're still the number one in the universe! I think you're the number one in the universe, are you kidding me?" "

"Little White was furious. It placed its hands on its hips, "Get lost! Bite it!" "

Rollie immediately rushed out and made a plop towards the spirit.

"Only the heavens knew that the spirit was most afraid of dogs. It flew high up and said proudly, "I can't bite it, you can't bite it! hahahaha! Stupid Dog, stupid dog, if you have the ability, bite me! Slightly slightly slightly!"In the end, she even made a face at little white and Rollie. "

Little White was so angry that it wanted to bite someone. "This dog! It's even more dog than little white!"

This scene made ye Zao Smile.

"At this moment, she received a text message. "

“This was a text message from the s galaxy. They must have found something. Ye Zao immediately took out his phone and opened it. As expected, it was sent by ye Han via radio waves. ”

“Because there was a limit to the number of words, there were only seven words on the message ”

The sample had been successfully obtained.

Ye Zao narrowed his eyes. It seemed that the results would be seen soon.

“However, the current her was not as relaxed as she had imagined. ”

“Instead, her mood was a little heavy. ”

“The truth was getting closer and closer. If the one in the main alliance was really Cen Shaoqing’s father, how would Cen Shaoqing Face Him? ”

And Zhou Xiang.

“From the time she was in her prime until she was over 50 years old, she had kept the faithful love between them. ”

But now...

“Ye Zhuo’s heart was suddenly in a mess, but he still edited the text message and sent a message to CEN Shaoqing to inform him of this matter. ”

“After the message was sent, CEN Shaoqing did not reply immediately. ”

His current mood was also very complicated.

"A moment later, ye Zhuo's phone rang. "

It was Cen Shaoqing Calling.

"Ye Zhuo stood up from the rocking chair and said, "Dad, Mom, I'm going back to my room. Don't Wait for me when I eat later." "

""Then I'll get someone to send it to your room later,"Lin Jincheng said. "

""Okay."Ye Zhuo nodded slightly and picked up the phone. As he spoke, he walked into the room. "

He did not hang up the phone until half an hour later.

Ye Zao stood in front of the French window. "You haven't eaten yet? How about you?"

"I'm eating now."

"Just then, there was a knock on the door. "Miss, Sir asked me to bring you some food." "

"Ye Zao continued, "My dad asked someone to bring you some food." "

""Then let's video chat on wechat,"Cen Shaoqing said. "

""Okay."Ye Zhuo hung up the phone and said to the door, "Come in." "

The maid came in with the food.

"Ye Zhuo asked, "What are we eating tonight?" "

""It's hand-made ramen,"the maid replied. "

""OH."Ye Zhuo nodded slightly. Looking at the maid, a faint light flashed in his eyes. "Are you new to our family?" "

""Yes."The maid nodded. "Miss, it's my first day at work today." "

"What's Your Name?"Ye Zao asked.

"The maid continued, "You can call me Lan Fang." "

"Ye Zao nodded slightly and continued, "You can go down first." "

""Yes, miss."Lan Fang turned around and walked out of the door. "

"At this moment, ye Zao's beautiful eyes narrowed slightly. He picked up the silver needle on the table and flicked it out. "

Xiu.

The silver needle hit the back of Lan Fang's neck.

Bang —

"The next second, Lan Fang fell to the ground, unconscious. "

Ye Zao walked over and put his hand on Lan Fang's wrist. A beautiful smile appeared on his face. Her guess was right. This was a core robot.

“Originally, because of Man Wen, it was not strange for a core robot to appear beside ye Zao. ”

“However, the strange thing was that this interstellar person was not man Wen. ”

“Ye Zao took out a tool and tore the core robot into pieces. Finally, she found a chip in a pile of parts. ”

Wang.

“In the S Galaxy, the biggest core robot processing factory was the Wang family. ”

But why would the Wang family place a core robot beside her?

Ye Zao narrowed her eyes.

It seemed that she still had to investigate this matter clearly.

“After studying it for a while, ye Zao put the core robot back. ”

“After a few minutes, the core robot returned to its original state and walked out. ”

“In the blink of an eye, the next day arrived. ”

Ye Zhuo had just woken up when he received a message from ye Han.

It was a copy of the results of the paternity test.

“However, Ye Zhuo did not open the document immediately. Instead, he called Cen Shaoqing and told him that the results of the paternity test were out. She would arrive at the Cen House in fifteen minutes. ”

“After making the call, ye Zao went to wash up. ”

“Fifteen minutes later, a Land Rover rushed out of the manor’s garage. ”

“Twenty minutes later, the Land Rover stopped at the entrance of the CEN residence. ”

The car had just stopped when Cen Shaoqing walked forward and opened the car door. “What’s the result?”

“Ye Zao continued, “I haven’t read it yet.” ”

“Regardless of the result, Cen Shaoqing should have opened the report personally. ”

Cen Shaoqing nodded slightly. “There’s no rush. Let’s eat first.”

“Okay.”Ye Zhuo nodded slightly.

“After eating, the two of them went to the study room. ”

Ye Zhuo handed the phone to Cen Shaoqing. “Take a look.”

Cen Shaoqing took the phone and opened the information.

“The next second, his face turned slightly pale. ”

“Chapter 2106: 435: confirm biological child, come to S Galaxy! 1”

“Although he was mentally prepared, when Cen Shaoqing saw the results, he still couldn’t accept it. ”

No expression could be seen on his cold face.

Only the last column of the report said.

Support the relationship between father and son.

“In other words, he and CEN Haifeng of S Galaxy were really father and son. ”

It had been more than ten years.

“Cen Haifeng was like a stone sinking into the ocean, and Zhou Xiang kept her body as jade for him. ”

“However, he had a home on the other side of the world and a beautiful wife ”

“”How is it?”Seeing that he didn’t say anything, Ye Zhuo asked. ”

“Here.”Cen Shaoqing handed the phone to Ye Zhuo.

“Ye Zhuo reached out to take the phone. After seeing the result clearly, he looked up at Cen Shaoqing.

“Then what are you going to do now?” ”

Cen Shaoqing pursed his thin lips and said nothing.

“After a while, he continued, “Do you think I should tell my mother about this?” ”

Ye Zhuo hesitated.

“To Zhou Xiang, she was first a wife, then a daughter-in-law of the Cen family and the mother of her son.
”

“No matter what, a wife could not accept that her husband had a family outside. ”

“If she told Zhou Xiang, Zhou Xiang would definitely not be able to bear the blow. ”

“However, if she did not tell Zhou Xiang, it would be too unfair for Zhou Xiang ”

“After all, she had served Cen Haifeng and the Cen family for so many years, and in the end, she was actually kept in the dark. ”

“Not to mention Zhou Xiang, if it were anyone else, they would probably not be able to accept it. ”

He was caught between a rock and a hard place.

Ye Zhuo understood Cen Shaoqing’s current mood very well.

“After a moment, ye Zhuo raised his eyes slightly, then he said, “This matter must be told to Aunt Xiang and grandmother, but not now. The General Alliance must have other actions... let’s wait and see. Moreover, uncle may have some difficulties.” ”

“Speaking up to this point, ye Zhuo paused and continued, “Why don’t we go to the General Alliance?” ”

“Although ye Zhuo did not know much about Cen Haifeng, she could tell from Cen Shaoqing’s words that CEN Haifeng was not the kind of Chen Shimei who was fickle and lusted after the powerful. ”

There must be a reason for this.

""Let's go to the General Alliance and investigate everything thoroughly. Then, we'll come back and tell Aunt Xiang and Grandma about this news." "

"Cen Shaoqing nodded slightly. "Okay. Then, when do we leave?" "

"Not Now."Ye Zhuo thought for a moment. "I'll contact ye Han first and ask him to prepare everything in advance. Then we'll go over."

"Okay."

"Ye Zhuo held Cen Shaoqing's hand tightly, "Don't worry. I remember Grandma said that the CEN men are very affectionate. Moreover, uncle and Aunt Xiang are so in love. If it weren't for the force majeure factor, I believe uncle wouldn't be like this." "

Cen Shaoqing didn't want to believe it either.

"But now, the matter was right in front of him. "

He didn't know why Cen Haifeng didn't contact his family for so many years.

"According to Ye Zhuo, he was now the Supreme Leader of the General Alliance. Could it be that no one could stop him from doing anything? "

"Was it because he didn't want to contact his family, or did he really have some difficulties? "

Cen Shaoqing twirled the Buddhist beads and felt a headache. He recalled the time when his father had just been in an accident.

At that time.

The Cen family was like a falling wall that everyone pushed down on. Anyone could bully them.

Some people mocked Zhou Xiang for being a hypocrite.

“However, even after experiencing such a difficult time, Zhou Xiang still did not want to abandon her family. She gritted her teeth, took her five children, and relied on the old lady of the Cen family.”

“At this time, where was Cen Haifeng?”

“He was in his arms, and he was making out with Duanmu Huangfei...”

““Zha Zha, what do you think his difficulties are?”Cen Shaoqing looked at Ye Zha.”

“Ye Zha continued, “I did some research. There is an ancient forbidden spell in the General Alliance. People who are affected by the forbidden spell will forget the past. I think that uncle must have been affected by the forbidden spell.” ”

“What if he wasn’t affected by the Forbidden Spell?”Cen Shaoqing asked.

““He won’t be.”Ye Zhuo tiptoed to smooth the creases between his brows, he comforted him, “We have to think in a positive direction. We have to believe that uncle must have had his own difficulties. Look at how outstanding you are. As the saying goes, a tiger father does not have a dog son. How Bad Can Uncle Be?” ”

““Not Necessarily.”CEN Shaoqing continued, “Man Jiangshan and Zhao Dan are a couple of bad characters, but you and man Wen are different from them.” ”

“Ye Zhuo continued, “Don’t think so extreme. Situations like mine are rare after all. “Besides, haven’t we gone to the General Alliance Yet? “Only when we reach the General Alliance will we know what’s going on. Don’t be in a hurry to put a hat on uncle’s head.” ”

“Chapter 2107: 435: confirm biological child, come to S Galaxy! 2”

Cen Shaoqing pursed his lips and didn't say anything.

"Ye Zhuo held Cen Shaoqing's arm. "It's useless for you to think too much now. I've already asked ye Han to make the arrangements. Once everything is arranged, we'll go to the main alliance. At that time, we'll be able to see the truth." "

"En." Cen Shaoqing nodded slightly.

""Right, you haven't eaten yet, right? Let's go out for a meal?" Ye Zhuo looked at Cen Shaoqing. "

"Okay."

"Ye Zhuo continued, "We won't go to the cafeteria today. Let's go to the Snack Street near South University. I want to eat the stinky tofu there." "

"Okay."

"Then I'll go and change my clothes first."

""Where are the clothes?" Cen Shaoqing turned his eyes and said, "I'll go and get them for you." "

"They're in my office. Just take any one of them."

"Okay." Cen Shaoqing went out to get his clothes.

"Soon, Cen Shaoqing came back with his clothes. Ye Zhuo took the clothes and went inside to change. Then, he went out to eat with Cen Shaoqing. "

“Although it was hot outside, they were wearing clothes that could adjust the temperature. Not only did they not feel hot at all, but they were also very cool and comfortable. ”

“Today was Sunday, so there were a lot of students in the Snack Street. It was very lively with groups of two or three. ”

“Seeing such a lively scene with a beautiful woman by his side, even the sadness on Cen Shaoqing’s face disappeared a little. ”

“Because it was Sunday, the stinky tofu stall that ye Zao liked also had a long line. ”

“Just as the two of them were queuing up, Ye Zao’s phone rang. ”

“Ye Zao raised his head and looked at Cen Shaoqing. “I’m going to take a call. Help me line up. I want one original flavor, one perverted spicy, and also a spicy rice noodle.” ”

“If it were in the past, Cen Shaoqing would definitely question whether ye Zhuo could finish all the food he wanted. But now, he was completely used to it. ”

This person was really skinny and had a big appetite.

“I know.”Cen Shaoqing nodded slightly.

“Then I’ll go first.”

“Go.”

“Ye Zhuo went to the bathroom, closed the cubicle door, and answered the phone. ”

“Her phone had been modified, and it was different from ordinary phones. It had 3D shadow technology. As soon as she opened the phone, she saw Ye Han sitting at the other end of the office. ”

“At present, the 3d Shadow technology was very mature. If it were not for the fact that they were separated by a galaxy, she would have thought that ye Han was standing right in front of her.”

“Seeing ye Zhuo, ye Han asked in a rather unwelcoming manner, “Sister, are you going to the General Alliance?” ”

“”Yes.”Ye Zhuo nodded and continued, “Your brother-in-law’s father has already been found.” ”

“Is he the one from the main alliance country?”Ye Han asked tentatively.

“Yes.”Ye Zhuo said.

“Hearing this, Ye Han’s face was full of surprise. He did not expect that Cen Shaoqing’s background was actually so big.”

“”If that’s the case, isn’t my brother-in-law the young master of Dongli?”Ye Han asked.”

“You can put it that way.”

“Ye Han suddenly understood and said, “No wonder they’ve been looking for Dongli, but they couldn’t find it no matter how hard they tried. So my brother-in-law is the young master of Dongli. Oh right, sister, what does brother-in-law plan to do now? Come to the allied country to meet father and Son?” ”

“Ye Zhuo was as calm as ever. “First go to the allied country to investigate the matter clearly. As for the other problems, we’ll talk about it later.” ”

“”Alright, I got it.”Ye Han continued, “I’ll do it right away. Once it’s done, I’ll send you a text message.” ”

“”EN, thank you for your hard work.”As if recalling something, ye Zhuo continued, “Don’t let anyone know about this matter. Don’t let anyone know.” ”

""I know about this."Ye Han added, "Sis, when you guys come over, be careful.". The situation in the main alliance might be more troublesome than you think. "But I will investigate everything in advance. When you come, come to Changyue first." "

"I know."Ye Zhuo nodded slightly.

"Because time was limited, ye Zhuo didn't chat with Ye Han much. After hanging up the phone, he returned to the Snack Street. "

"Cen Shaoqing had already bought stinky tofu and was sitting at an empty table, using boiling water to heat his chopsticks. "

"He had always had a serious mysophobia. Before he met ye Zao, he wouldn't even look at roadside stalls like this. After he met ye Zao, because ye Zao liked it, he also came over to eat, but every time before he ate, he habitually used boiling water to heat his cutlery or used his own cutlery. "

"So Fast?"Ye Zao walked over and sat down.

""Yes."Cen Shaoqing placed the tableware in front of ye Zhuo and continued, "I also ordered some skewers and chicken ribs. They will be sent over in a moment." "

"Chapter 2108: 435: confirm biological child, come to S Galaxy! 3"

"Didn't you buy dessert?"Ye Zhuo asked.

"Auntie said she would give up dessert for you."Cen Shaoqing's thin lips opened slightly. "You can't eat anymore today."

""Anyway, my mother isn't here right now."Ye Zhuo said. "

“Eating too much candy is indeed bad for your body. You have to learn to control yourself.” Cen Shaoqing reached out and rubbed Ye Zhuo’s head. “Why are you acting like a child?”

“”You’re the one acting like a child.” Ye Zhuo continued, “Cen Shaoqing, do you feel that you’re becoming more and more like a person?” ”

“Like who?” Cen Shaoqing raised his head and asked.

Ye Zhuo smiled slightly. “My Dad.”

Lin Jincheng often said the same thing.

Why are you acting like a child.

“Nonsense.” Cen Shaoqing pinched her face.

“”I’m serious,” Ye Zhuo continued, “Just from the manner and tone of your voice, you look exactly like my father.” ”

Cen Shaoqing was thirty-three this year.

He was not much older than Lin Jincheng.

“However, Cen Shaoqing took good care of himself. Perhaps it was because he was a vegetarian, but he looked like he was at most twenty-five or twenty-six.”

“At this moment, the stall owner brought the food over.”

Ye Zao’s gaze was instantly attracted by the delicious food and he began to eat heartily.

Cen Shaoqing also heaved a sigh of relief and lowered his head to eat.

“The smelly tofu that had just been fried was paired with a secret spicy ingredient. With one bite, it was crispy on the outside and tender on the inside. There was a hint of fragrance amidst the stench. The unique taste of the smelly tofu exploded in his mouth and it was almost irresistible. ”

Ye Zao ate a few pieces in one go.

“Cen Shaoqing did not like things with too strong a taste. He ordered a plain cloud tun. At this moment, Ye Zhuo handed over a piece of stinky tofu and said, “Have a taste?” ”

“The black stinky tofu had a layer of sauce wrapped around its surface. With coriander and green onions, it looked very tempting. ”

Cen Shaoqing hesitated for a moment.

“Ye Zhuo continued, “The stinky tofu and the snail powder are two things that can only be eaten 0 times or countless times. Believe me, as long as you eat this one bite, you will fall in love with it.” ”

“Hearing this, Cen Shaoqing opened his mouth to take it and gently bit it open. ”

How should I put it...

This was a taste that could not be described with words.

“At first, it might be a little unacceptable, but as he slowly chewed on it, he found that the taste was indeed very good, making him forget to return. ”

No wonder his leader liked to eat it so much.

“Do you want another one?” Ye Zhuo asked.

“Yes.” Cen Shaoqing nodded slightly.

Ye Zhuo handed another piece to Cen Shaoqing’s mouth.

The scene on this side was all seen by a group of couples at the next table.

“The man said, “Look at other people’s girlfriends. They even feed their boyfriends. What About You?” ”

“The woman rolled her eyes at him and continued, “From their looks, I can tell that the man is richer than the woman, so the woman is trying to please him! What about you? What do you have?” ”

“If the man was not better than the woman, the woman would never feed the man herself. ”

“Hearing this, the man immediately shut up. ”

Who asked him to be poor!

“When he was rich, he would hug both sides and immediately get rid of this ugly woman. ”

Cen Shaoqing ate three pieces of stinky tofu in a row.

“Soon, the stall owner came over with a plate of fried skewers. ”

“Inside were fried golden crabs, mantis shrimps, chicken wings, beef and mutton skewers. ”

“Cen Shaoqing put on his disposable gloves and took advantage of the time when ye Zhuo was eating stinky tofu to peel off the shells of the crabs and mantis shrimps. Because ye Zhuo liked to eat these

things, he specially developed a set of rapid peeling methods, in less than a few minutes, he peeled a plate of beautiful crab meat and shrimp meat. ”

“After peeling the shells, Cen Shaoqing picked up the chicken wing and split the two bones inside. ”

“In the blink of an eye, a plate of roasted chicken wings turned into boneless chicken wings. ”

Ye Zao ate them one by one happily.

“When the woman at the next table saw this scene, she looked at the man opposite her who was poor, poor, and did not know how to feel sorry for his girlfriend. She felt extremely depressed. ”

“She originally thought that the gap between them was too big, so the woman had been trying to curry favor with the man. Who would have thought that the man was even more attentive than the woman. ”

She had never seen a man who could pick out the bones of the chicken wings in his girlfriend’s bowl when they ate together.

It was simply infuriating to compare people.

What kind of Immortal Love was this?

“After eating all the food, Ceng Shaoqing handed the coke to Ye Zao. ”

“Barbecue and Coke, it was a perfect match. ”

“After eating, the two walked around the university town for a while before driving back. ”

Back home.

“Chapter 2109: 435: confirm biological child, come to S Galaxy! 4”

Ye Zhuo told his parents about this matter.

Lin Jincheng and ye Shu were quite surprised when they heard it.

No one expected that Cen Shaoqing’s father was still alive.

“Ye Shu sighed, “The most pitiful one is your aunt Xiang. She gave the Cen family the best years of a woman’s life, but Shaoqing’s father treated her like this.” ”

At least Lin Jincheng didn’t marry another woman back then.

But Cen Haifeng...

“No matter how one looked at it, he had already betrayed Zhou Xiang ”

“Lin Jincheng had some friendship with Cen Haifeng. He continued, “Zhonghua, are you sure that’s Shaoqing’s father?” ”

““Yes.”Ye Zhonghua nodded slightly, “The results of the appraisal are out, but the specific reason is still uncertain. Cen Shaoqing and I have decided to make a trip there in the near future. After we’ve investigated everything, we’ll tell Aunt Xiang and grandmother Cen about this news.” ”

““Yes,”Lin Jincheng continued, “We really have to figure out what happened first. When are you going to leave?” ”

““The exact time hasn’t been decided yet, but it should be within these few days.” ”

“Ye Shu asked, “Will you be able to see Xiao Han on this trip?” ”

““Yes,” ye Zao said. ”

“Ye Shu continued, “Tell Xiao Han to come back more often when he has time. By the way, he likes to eat my dried fruits. When I make more dried fruits in the evening, you can bring them to him.” ”

“Okay.”

“Lin Jincheng continued to ask, “By the way, how long will it take for you to come back?” ”

““At least three days, at most three to five months.” ”

““That long?”Ye Zhuo had just come back, and now he had to leave for so long. As a father, he naturally couldn’t bear to part with his child. ”

Ye Zhuo nodded slightly.

“Ye Shu said, “Then I’ll prepare more things for you to bring. Little Han said that there’s nothing to eat in their country of Changyue!” ”

“Ye Zao smiled and said, “Alright, I’ll bring everything along then.” ”

On the other side.

At the CEN residence.

“When she saw Cen Shaoqing return, old Mrs. Cen smiled and said, “Why are you back so early today?” ”

“CEN Shaoqing said, “I didn’t have anything to do in the afternoon, so I accompanied Zao to go out for a stroll.” ”

“Old Mrs. Cen smiled and said, “You should go out for a stroll more often. Otherwise, with your boring character, sooner or later, Ye Zi will be swindled away by other big pig trotters!” ”

“Where’s My Mother?”Cen Shaoqing asked.

““She went to the eldest servant girl’s place,”Old Mrs. Cen answered. ”

Cen Shaoqing nodded slightly.

“Old Mrs. Cen looked at Cen Shaoqing and then said, “Fifth, Shaoqing, why do I feel that you seem strange today? Did Something Happen?” ”

““No,”Cen Shaoqing said. ”

“Really?”Old Mrs. Cen narrowed her eyes.

““Really.”Cen Shaoqing twirled the Buddhist beads and continued, “I’m going back upstairs.” ”

“Old Mrs. Cen looked at Cen Shaoqing’s back and muttered, “Did you have a fight with Yezi?” ”

She thought about it and felt a little worried. Old Mrs. Cen picked up her phone and sent a video to Ye Zao.

Ye Zao quickly picked up. “Grandma Cen.”

““Yezi, have you eaten?”Old Mrs. Cen asked. ”

Ye Zao nodded slightly. "I've eaten with Shaoqing outside. What About You?"

""I've eaten too."Old madam CEN continued, "Yezi, let me tell you. If that brat fifth lass dares to bully you, you must tell Grandma that Grandma will back you up! If it really doesn't work out, I'll dump him! "Yezi, you're so good-looking. What kind of handsome guy can't you find? You Don't have to hang yourself on a crooked tree like him!" "

"Ye Zao chuckled. "Grandma Cen, did you misunderstand something? Shaoqing and I are very good. He didn't bully me. Besides, I have you to support me! How would he dare to Bully Me!" "

""It's good that he didn't bully me."Old Mrs. Cen continued, "I saw that he didn't look right when he came back today. I thought something happened." "

""Nothing happened. Grandma Cen, you don't have to worry. Don't you understand fifth girl? She's always wearing an icy face. It's like someone owes him millions!"Ye Zao said with a smile. "

"Hearing this, Old Mrs. Cen nodded. "That's true." "

"After chatting with ye Zao for a while, she cut to the video. "

"Although ye Zao said nothing happened, old Mrs. Cen felt that the two of them were hiding something from her. However, she couldn't think of anything, so she simply stopped thinking about it. "

In the gym on the third floor.

Cen Shaoqing was wearing boxing gloves and boxing with a robot.

Every move was fatal.

Bang Bang Bang!

The professional boxing robot was knocked to the ground again and again.

“The man’s upper body was naked, revealing his fair skin and well-defined muscles. Every time he punched, he was full of strength, and his whole body was emitting the scent of hormones that belonged exclusively to men.”

“Chapter 2110: 435: confirm biological child, come to S Galaxy! 5”

“After a long time, the sky outside the window had gradually darkened, and he did not know that he was tired.”

Until the sound of a phone rang in the air.

Cen Shaoqing unhurriedly removed the trap and walked over to answer the phone.

The phone call was from ye Zhuo.

Ye Zhuo told him that he could set off to S Galaxy Tomorrow afternoon.

“After hanging up the phone, Cen Shaoqing did not continue to practice boxing. Instead, he went to take a shower.”

“When he arrived downstairs, Zhou Xiang had already returned.”

“Cen Yueying’s youngest son, Tong Tong, followed Zhou Xiang back.”

“Uncle!”

Cen Shaoqing walked over and patted Tong Tong's head. "Why are you here?"

"Tong tong smiled and said, "I miss grandma and Great-grandma!" "

"Old Madam Cen chuckled and said, "Come, come, come. Let Great-grandma take a look!" "

Tong Tong skipped over. "Great-grandma!"

"Old Madam Cen continued, "You've grown a lot taller! Where's Your Mother? Why didn't the Third Girl Come With You?" "

"The third girl went on a business trip! So I came with Grandma!"

"Old Madam Cen smiled and said, "If you dare call your mother the third girl, be careful that she'll beat you up!" "

Tong Tong immediately covered his mouth with his hand.

"Old Mrs. Cen looked at CEN Shaoqing and said, "Look at how Cute Tong Tong is. When can you give birth to a great-grandson for me to play with?" "

"CEN Shaoqing said, "Zhongruo is still young." "

""At least you are sensible."Old Mrs. Cen continued, "Although I hope to have a great-grandson, zhongruo is still young. You must not bully her. If I find out that you are bullying her, be careful of your lackeys!" "

""Don't worry, I know what to do."Cen Shaoqing's tone was low. "

"It'd better be like that." Old Mrs. Cen snorted.

"Zhou Xiang smiled and said, "Mom, don't worry. Shaoqing is the same as his father. He will never do anything out of the ordinary when it comes to dating." "

""Who knows if he has inherited Haifeng's excellent genes," old Mrs. Cen said. "

"Hearing these words, Cen Shaoqing felt a little upset. "

Zhou Xiang and old Mrs. Cen both trusted Cen Haifeng very much.

"If they knew that Cen Haifeng had actually done such a thing, how would they collapse? "

Especially Old Mrs. Cen.

"What she faced was not only the problem of her son, but also the betrayal of the Cen family's old master. "

"The old man was already so old, how could she bear these things? "

""Shaoqing, what are you thinking about?" Zhou Xiang patted Cen Shaoqing's arm. "

"Cen Shaoqing smiled slightly, "It's nothing. By the way, Mom, Grandma, I'm going on a long trip with Zao Zao Tomorrow afternoon. "I might need some time to come back. I might not be able to keep in touch with you during this period of time. You guys stay at home and take good care of yourselves." "

"Where can we not keep in touch?" Old Mrs. Cen asked curiously.

"CEN Shaoqing said, "It's a very confidential experiment." "

"Is it on Mars?"Zhou Xiang asked.

"Yes."Cen Shaoqing nodded slightly.

"Zhou xiang continued, "Don't worry. We will take good care of ourselves at home. But you, you must take good care of Luoluo." "

""Your mother is right."Old Mrs. Cen continued, "Luoluo is a girl after all. When she goes out, she must protect Luoluo!" "

"I know."

""Then when will you come back?"Zhou xiang asked, "Will the experiment end on that day?" "

""I'm not too sure about the exact time. It may take one to three months,"Cen Shaoqing said. "

"That long?"Old Mrs. Cen frowned.

"Yes."Cen Shaoqing nodded slightly. "This experiment is more important."

""I still say the same thing. Take good care of my granddaughter-in-law. If I come back and find that Ye Zi is missing a single hair, I will hold you responsible!" "

""Don't worry,"Cen Shaoqing said. "

"After repeatedly explaining a lot, old Mrs. Cen finally felt at ease. "

The next afternoon.

Ye Zhuo and Cen Shaoqing set off for the s galaxy.

Ye Shu prepared a lot of things for ye Zhuo to bring along.

“It was almost a day and a half’s journey. With these food and Cen Shaoqing around, Ye Zhuo was not bored.”

A Day and a half quickly arrived.

Ye Han had been waiting at the interstellar shuttle’s landing spot for a long time.

“As soon as the interstellar shuttle arrived, he walked forward. “Sister! Mr. Cen!” ”

“Although he had always called Cen Shaoqing brother-in-law in front of ye Zhuo, in front of Cen Shaoqing, he had always called him Mr. Cen.”

He could not let Cen Shaoqing see that he had already acknowledged him as his brother-in-law.

“As a man, no one understood men better than him.”

Those that were too easy to obtain were basically not cherished.

“If he acknowledged Cen Shaoqing so easily, what if Cen Shaoqing did not cherish ye Zao in the future?”

“Ye Zao walked down from the shuttle. “Ye Han, Mom brought a lot of things for you. They’re inside. Go get them yourself.” ”

“Okay.”Ye Han nodded and went in to get the things.

Ye Zhuo brought Cen Shaoqing to her previous residence and briefly introduced her to him.

“Not long after, Ye Han also walked in and took out a document to pass to Cen Shaoqing. “Mr. Cen, this is the Cen family’s information in the main alliance. Oh right, you have a fiancée in the main alliance.” ”
