Chapter 211: 091: to turn the tide and win so beautifully! 3

An unfilial descendant!

This unfilial descendant!

“Seeing these things, the little bit of guilt in old Mrs. Lin’s heart disappeared.”

It was better to chase Lin ze out now than to let him harm the Lin family in the future.

As long as she was here!

No one could harm the Lin family!

“The housekeeper was extremely anxious, he hurriedly explained, “Old Madam, you’ve really misunderstood the young master! This isn’t poisonous powder at all! This small bag is filled with powdered sugar, and these are flour! And this is refreshing chewing gum! Aren’t you going to celebrate your 80th birthday soon? That’s why the young master has been studying the birthday cake for the past few days. He said that you’ve worked so hard to raise him up, and he wants to be filial to you! “At your birthday banquet, he will give you the cake that he personally made! “That’s why he asked me to secretly buy an oven and send it over ”

“”In order to give you a surprise, he has been secretly studying the birthday cake in his room for the past few days! In order to make the cake, he doesn’t even rush to write his homework. Every night, he is busy until the middle of the night, and he needs to rely on chewing gum to refresh himself ”

“The young master is doing this for you! Why do you think that the young master is smoking du?”

“”Old Lady, you are too muddle-headed!” ”

“Hearing this, Old Lady Lin was immediately stunned. Her face was pale. ”

“How, how could this be? ”

Could it be that she misunderstood Lin Ze?

““Old Lady, if you don’t believe me, you can take a look and see if this is poisonous powder!”The housekeeper took a bag and handed it to Old Lady Lin. ”

“Old Lady Lin took the bag with trembling hands, dipped her hand in it, and tasted it. ”

It was sweet.

It was sweet.

It was powdered sugar.

It really was powdered sugar.

So this child really wanted to celebrate her birthday.

What should she do?

What should she do now?

“Old Lady Lin instantly panicked, and her heart was filled with regret. ”

It was all her fault!

She had wronged a good child!

What should she do now?

Old Mrs. Lin was on the verge of tears. She wished she could slap herself to death just now.

How could she have hit the child just now!

And she had even said such hurtful words.

“Lin Ze was so filial, but he was wronged by her. The child must have felt terrible. ”

Old Mrs. Lin was as angry as she was now.

She should not have hit the child so indiscriminately!

““Housekeeper!” Old Mrs. Lin grabbed the housekeeper’s hand and said in a trembling voice, “Go and Chase Ah Ze! Go! Ah Ze’s temper is like Jin city. He’s very impulsive! You mustn’t let anything happen to him!” ”

If something happened to Lin Ze because of this.

“Then even if she died, she wouldn’t feel at ease! ”

““Okay, old Mrs. Lin, I’ll go now!” ”

Old Lady Lin looked at the butler’s back and anxiously wiped away her tears.

Feng Qianhua and Feng Xianxian were dumbfounded.

They thought that they could completely chase Lin ze out of the Lin family this time.

They did not expect to be tricked by Lin Ze!

Good!

Very good!

“Feng Qianhua was so angry that her face turned pale, but she had to hold it in.”

Lin Ze was indeed the son of that b * Tch ye Shu!

Feng Qianhua reached out and pushed Feng Qianqian.

“Feng Qianqian immediately understood and walked in front of Old Mrs. Lin with red eyes. “Grandma Lin, I’m sorry. It’s all my fault. I didn’t know brother Ah Ze was making a birthday cake for you... I’m sorry... Please Scold Me...” ”

“Old Mrs. Lin Sighed and said with tears in her eyes, “This is mainly my fault! I didn’t ask clearly. I’m sorry to Ah Ze! I’m sorry to Jin City...” ”

Although Old Mrs. Lin didn’t explicitly point out that Feng Xianxian was to blame for this matter.

But today’s matter did indeed start because of Feng Xianxian.

“If it wasn’t for Feng Xianxian, Old Mrs. Lin definitely wouldn’t have wronged Lin Ze for no reason.”

“Thinking back to what Lin Ze had said, Old Mrs. Lin only felt a mess in her heart.”

“Aunt Zhang hurriedly stood out and said, “Old Mrs. Lin, actually this matter is still my fault! When I passed by young master’s room and saw these things, I didn’t know that they were flour! I’m Sorry!” ”

“Actually, who could be blamed for this?”

It was all Old Lady Lin’s fault!

Who told her to listen to the wind and listen to the Rain? She didn’t even believe her own grandson.

“She didn’t even trust Lin ze, how could she expect outsiders to believe her?”

Aunt Zhang’s words had another meaning. Old Lady Lin wanted to find a problem with her.

This matter had nothing to do with anyone.

“Feng Qianhua saw the hesitation in Old Lady Lin’s eyes, she held Feng Xianxian’s hand and said, “Aunt Lin, I know that you like Xianxian, but what happened today was indeed Xianxian’s fault. She shouldn’t have been gossiping in front of you and made you misunderstand ah ze. I’ll bring Xianxian to Ah Ze now. Don’t worry, we’ll definitely find Ah Ze!” ”

Chapter 212: 091: A GREAT VICTORY! 4

“With that, Feng Qianhua turned and left with Feng Xianxian. ”

Feng Qianhua thought that Old Lady Lin would stop her.

But she didn’t.

“From the beginning to the end, Old Lady Lin didn’t say a word.”

Now it seemed that.

The mother and daughter weren’t as important as Lin Ze in this old woman’s heart.

Feng Qianhua’s lips curled into a cold smile.

So...

“All these years of hard work she had put in, in Old Lady Lin’s heart, was not even comparable to a teenage child like Old Lady Lin.”

How laughable!

How laughable!

The mother and daughter went outside.

“Feng Xianxian frowned. “Mom, are we really going out to look for her?” ”

“What else can we do?”

“But Beijing is so big. Where are we going to look for him?”

Feng Qianhua opened the car door. “Let’s get in the car first.”

The mother and daughter got in the car.

“Feng Qianhua said, “Xianxian, that old woman has a problem with us today. In order to dispel the resentment in her heart, we can only look for Lin Ze! Even if we can’t find him, we have to look for him!” ”

She had waited so long for Lin Jin city. She could not let Lin ze destroy it.

She had to take the position of the matriarch of the Lin family!

Feng Qianqian nodded.

“After Feng Qianhua and her daughter left, Old Mrs. Lin hurried downstairs and called the butler to ask about Lin Ze. ”

“”Old Mrs. Lin, we haven’t found the young master yet. But you don’t have to be anxious. We can definitely find the young master!” ”

Not Anxious?

How could she not be anxious?

Lin Ze was the only child in Lin Jin city.

“Moreover, this child was so filial! ”

“Whenever Old Lady Lin thought about how she had misunderstood such a good child, her heart would ache. ”

She almost couldn’t breathe!

“Ah Ze! You should be back soon! It’s Grandma’s fault! I’m Sorry!” Old Lady Lin cried anxiously.

...

On the other side.

Lin Ze carried his bag with one hand and walked to the crowded street.

He didn’t know where he should go either.

“At this moment, he was. ”

Alone and helpless.

Like a homeless orphan.

“Meow.”

“At some point, a dirty-looking cat followed Lin Ze. ”

“Lin Ze turned around to look at the cat, and a self-deprecating smile appeared on his face. “No one wants you either?” ”

“Meow.”

“No one wants me either.”

“Meow.”

“What’s Your Name?”

“Meow.”

“Lin Ze bent down and picked up the cat. He stroked its head. “Then, I’ll call you brother Meow from now on, Okay?” ”

“Meow.”

“Do you have a Mother?”

“This time, brother Meow did not meow anymore. His small head nudged Lin Ze’s chest. ”

“The corners of Lin Ze’s mouth curled into a wry smile. “You didn’t jump out of a rock. You definitely have a mother, right?” ”

“Meow.”

“I have a mother too.” Lin Ze carried the cat and walked aimlessly. “But she’s gone. I miss her so much.”

I miss her so much.

If he had a mother today.

Would grandma still treat him so indiscriminately?

“Lin Ze planned to start, but he didn’t expect the result. ”

“When Old Mrs. Lin’s slap landed, he was completely stunned. ”

He didn’t expect that old Mrs. Lin would slap him directly.

Just because of Feng Qianhua and her daughter’s words.

“When he passed by the small shop, Lin Ze bought a small bag of cat food and fed brother Meow. ”

Brother Meow looked extremely hungry.

He ate the cat food in two or three bites.

“Brother Ze.”

“At this moment, Li Wen’s voice sounded in the air. ”

“Mosquito?”

“Li Wen looked at Lin Ze and asked in surprise, “Brother Ze, what happened to your face?” ”

He saw that the right side of Lin Ze’s face was red and swollen.

“Lin Ze licked his back teeth and said in a flat tone, “I was beaten by my grandmother!” ”

“What?” Li Wen thought he was hearing things.

““Yes, you didn’t hear wrong.” ”

Only when he heard Lin Ze's voice again did Li Wen confirm that he wasn't hearing things.

"It... It really was your grandmother?"

"In Li Wen's impression, Old Lady Lin doted on Lin Ze very much. "

"Usually, she couldn't even bear to lift a finger. "

Who would have thought...

"Lin Ze continued, "My grandmother even chased me out of the house." "

"It can't be?" Li Wen was completely shocked.

Lin Ze nodded. "It's true."

"Li Wen knew that this wasn't the time to talk, so he continued, "Brother Ze, you can go to my house first! Dog Two and fat tiger are at my house!" "

"Okay." Lin Ze turned around and followed Li Wen's footsteps.

"Meow." Brother Meow sat on the ground and meowed pitifully.

"Li Wen turned around. "Brother Ze, is this your cat?" "

Lin Ze shook his head. "Why would I have such an ugly cat?"

Chapter 213: 091: a great victory! 5

““Since it’s not your cat, Let’s Go!”The two of them turned around and continued walking. ”

“Meow!” Brother Meow immediately followed Lin Ze.

““Brother Ze, is it really not your cat?”Li Wen asked suspiciously. ”

“No.”

“Li Wen scratched his head and said with a troubled expression, “But it has been following us.” ”

“Lin Ze turned to look at brother Meow. “Don’t follow me anymore! Even if you follow me, I Won’t take you!” ”

“Meow Meow!”

Brother Meow didn’t give up and continued to follow Lin ze.

Until the two of them got on the car.

Brother Meow was still following them.

Lin Ze hardened his heart and closed the car door. Brother Meow was locked outside.

The sound of a bicycle engine could be heard.

Lin Ze leaned against the back of the chair.

“F * ck! F * ck! That cat is almost flying!” Li Wen said in surprise.

Lin Ze turned around and looked.

He saw brother Meow running as fast as he could.

“Stop the car!” Lin Ze suddenly said.

The driver hurriedly stopped the car.

Lin Ze opened the car door and walked out.

“In a moment, when Lin Ze got into the car again, there was a dirty cat in his arms.”

“Li Wen asked curiously, “Brother Ze, you want to keep it?” ”

Lin Ze’s face was still expressionless. “I won’t keep such an ugly cat. I just want to throw it away somewhere else! So it won’t follow me all the time!”

“OH.” Li Wen nodded.

“Not long after, the car stopped in front of the Li family’s villa.”

“Lin Ze was a frequent visitor to the Li family, so he was familiar with the Li family. He carried brother Meow and went upstairs with Li Wen.”

“When dog two and fat tiger saw the two of them, they asked curiously, “Brother Ze, Mozzie, why are you here so quickly?” ”

“Li Wen said, “I happened to see brother Ze on the way.” ”

“Fat Tiger saw the cat in Lin Ze’s arms and asked curiously, “Brother Ze, when did you get a cat?” ”

“Lin Ze did not answer fat tiger directly. He threw the cat onto the balcony and warned, “Don’t run around! Otherwise, I’ll stew you for cat soup tonight!” ”

“Meow!”

Lin Ze closed the balcony door and turned to look at dog two and fat tiger. “That’s not my cat. That’s the Cat I want to throw away.”

““Brother Ze! You want to throw away such a cute cat! If you don’t want it, you can give it to me!”Fat Tiger said excitedly. ”

Lin Ze walked over. “This cat is too ugly. It’s best to throw it away.”

“Only when Lin Ze walked over did fat tiger see the injury on his face. He couldn’t care less about the cat. “D * MN! Brother Ze, what happened to your face?” ”

“Hearing this, dog two, who was feeding the fish, hurriedly ran over. ”

“What happened to brother Ze?”

This was the first time they had seen Lin ze injured after knowing each other for so long.

And it was on his face.

It was very obvious.

He had been beaten up.

“Brother Ze, did someone bully you? Tell me, I’ll help you take care of him!” Fat Tiger rolled up his sleeves and said angrily. ”

“And me!” Buttface picked up the nunchucks beside him!

“Lin Ze smiled and said, “No one bullied me. My grandmother beat me up.” His tone was so indifferent that it was as if he was talking about what he had eaten this morning. ”

“Ah?” Fat Tiger and buttface were surprised.

Old Mrs. Lin hit him?

What was going on?

They were best friends.

Lin Ze did not hide anything.

He told the three of them everything.

“Hearing this, the three of them were furious! ”

“Your grandmother is really too much!”

“Is she old and muddled? She even hit her own grandson so hard!”

““Brother Ze, didn’t you explain yourself?” ”

Lin Ze smiled and didn’t say anything.

Because Old Mrs. Lin never gave him a chance to explain himself.’

“At this moment, Li Wen’s mother, Chu Su, brought over a bottle of safflower oil. “AH ze, this safflower oil is very effective in reducing swelling. Try It.” ”

““Thank you, Auntie.”Lin Ze took the safflower oil from Chu Su’s hands with both hands. ”

“Chu Su sighed. Lin Ze usually looked very obedient and sensible, and his grades were very good. She did not know how old Mrs. Lin did it. ”

This motherless child did not have anyone to protect him.

How Pitiful!

““You’re welcome.”Chu Su continued, “At Aunty’s place, it’s just like your own home. You can eat and drink whatever you want. Just tell Aunty.” ”

Lin Ze’s eyes suddenly turned red.

His nose also felt a little sore.

“When Old Mrs. Lin slapped him, he did not cry. ”

“When Old Mrs. Lin wanted to chase him out of the house, he did not cry either. But now, he could not help it. ”

“Looking at Chu Su, he thought of his mother. ”

“Chapter 214: 091: a comeback, a great victory, a super beautiful victory! 6”

If only his mother was here.

Would it hurt to see him like this...

“”Auntie, can I Hug You?”Lin Ze asked with a stifled voice. ”

“Chu Su reached out to hug Lin Ze. “Child, do you Miss Your Mother?” ”

“Yes.”Lin Ze uttered a syllable from his nose.

“Being hugged by Chu Su like this, Lin Ze felt as if he was really being hugged by his own mother. ”

It would be great if he and Li Wen were really brothers.

“Then, he would have a mother. ”

“Thinking about how this child had never had a mother since he was young and how he had suffered so much today, Chu Su’s eyes turned red as well, “If you miss your mother in the future, come to Auntie’s house with Wenwen. All of you are good brothers and are of the same age. If you don’t mind, you can treat me as your mother.” ”

Lin Ze couldn’t help but cry.

Chu Su patted Lin Ze’s back gently.

The eyes of the other three people in the house were also red.

“In a moment, Lin Ze released Chu Su and bowed to her. “Auntie, thank you.” ”

“Chu Su wiped her tears and smiled. “You don’t have to be so polite to Auntie. You guys can chat upstairs. If you need anything, just let me know.” ”

“After saying that, Chu Su turned around and went downstairs. ”

She left the space for the children.

““Brother Ze, what do you plan to do now?”Li Wen asked. ”

“Lin Ze turned to look out the window. “I want to go to Yun Jing.”Since they had completely fallen out this time, he had nothing to worry about. ”

“Fat Tiger was anxious. “Then, will you come back in the future?” ”

Lin Ze shook his head.

He didn’t know.

“Right now, he only wanted to find his mother. He didn’t have the time to think about other things. ”

“Dog two continued, “Brother ZE, the college entrance exam is coming up soon. You should wait until after the college entrance exam to go to Yun Jing. During this period of time, you can stay at my house.” ”

“Li Wen said, “There’s no need to go to your house. It’s good enough for brother Ze to stay at my house.” ”

“Fat Tiger said, “You can also go to my house!” ”

“At that moment, there was a knock on the door. ”

Li Wen walked over to open the door.

It was none other than Chu Su.

“”Mom, is there something you need?” ”

“Chu Su looked up at the room and said in a low voice, “Ah Ze’s housekeeper is here. He said that the old lady already knows that she misunderstood ah ze. Now, he asked the housekeeper to invite him back.” ”

“After that., chu Su added, “The housekeeper said that the old lady is very regretful now. She shouldn’t have hit Ah Ze, and she shouldn’t have chased ah ze away without any reason. As long as Ah Ze is willing to go home, the old lady will apologize to Ah Ze.” ”

“Hearing that, Li Wen nodded. “Okay, Mom, I got it. I’ll tell brother Ze right away.” ”

Chu Su nodded. “Then I’ll go down first.”

“After Chu Su left, Li Wen returned to his room and told Lin ze everything that Chu Su had said. ”

“Lin Ze sat on the sofa with a laptop on his lap. He pressed the keyboard with one hand. When he heard this, his expression was indifferent, but there was no special expression on his face. ”

“Then, he pressed the Enter Key. ”

He clicked save.

He closed the document.

No one knew if he had actually heard it.

“Brother Ze?”

“Yes.” Lin Ze closed the computer.

“Li Wen asked, “Brother Ze, what do you plan to do?” ”

“Go back.”

““Go Back?” Li Wen, fat tiger, and dog two were stunned when they heard that. ”

“Lin Ze nodded. “We can’t let outsiders have the Lin family’s things! If I don’t go back, won’t I be in the heart of Feng Qianhua and her daughter?” They couldn’t wait for him to not go back! ”

He had to protect everything in the Lin family and protect the position that belonged to his mother.

Buttface nodded. “Brother Ze is right! We should go back! We can’t let that mother and daughter get away with it!”

The three of them sent Lin ze downstairs.

“When they arrived downstairs, they realized that old Mrs. Lin was here too. ”

“When she saw Lin Ze coming downstairs, old Mrs. Lin was so excited that she ran over and hugged Lin Ze, she cried, “Ah Ze, I’m sorry! Grandma wronged you. It’s Grandma’s fault! Grandma will never do this again! Can you forgive Grandma?” ”

Old Mrs. Lin was really regretful.

“Before she found Lin Ze, she was afraid that something would happen to him. ”

“Now that she saw Lin Ze, she could finally put down the huge burden in her heart. ”

Lin Ze didn’t say anything.

Old Mrs. Lin knew that Lin Ze was angry.

“The child had suffered so much, so it was natural for him to be angry. ”

“If it were anyone else, who wouldn’t be angry? ”

““Ah Ze, I’m Sorry!”Old Mrs. Lin touched Lin Ze’s red and swollen face with trembling hands. “Does your face still hurt?” ”

Chapter 215: 091: You’ve turned the tables on me. What a great victory! 7

“It doesn’t hurt anymore.”Lin Ze shook his head.

“Seeing that Lin Ze was finally willing to speak, old Mrs. Lin was extremely excited. “Ah Ze, are you willing to forgive Grandma?” ”

“Lin Ze’s eyes were slightly red as he said, “Grandma, I’ve never been angry with you. I’m just sad. You’d rather believe in two outsiders than your own grandson. “In the past, I always thought that you were the person who understood me the best in the world!” ”

“Hearing this, Old Mrs. Lin’s heart ached again. ”

“This time, she had hurt the child too badly. ”

She had let the child down!

“Ah Ze! I’m sorry! I’m Sorry!”Old Mrs. Lin hugged Lin Ze in tears. “Grandma promises you that this will never happen again!”

““Grandma, I also want to say sorry to you,”Lin ze continued, “At that time, I shouldn’t have left so impulsively, causing you to worry for so long!” ”

Old Mrs. Lin liked to hear these flowery words.

“Feng Qianhua and her daughter relied on these words to coax Old Mrs. Lin so much that she could not differentiate between east, south, west, and north. ”

He would definitely make Feng Qianhua and her daughter completely lose their trust in front of Old Mrs. Lin!

Lin Ze secretly clenched his fists.

“Hearing this, Old Mrs. Lin felt even more guilty. ”

“She had misunderstood Lin Ze, but not only did Lin Ze not blame him, he even apologized to her. ”

““Good girl! I’m sorry! It’s Grandma who has let you down! Ah Ze, go home with Grandma...” ”

Lin Ze nodded.

“Seeing that old Mrs. Lin had personally apologized to Lin Ze, Li Wen, dog two, and fat tiger all heaved a sigh of relief. ”

“At least when Lin Ze went back, he didn’t have to suffer anymore. ”

Old Mrs. Lin said goodbye to Chu Su and left with Lin Ze.

“As soon as they got into the car, Lin Ze suddenly remembered something. “Grandpa Butler, Stop the car.” ”

“What’s Wrong?”

Old Mrs. Lin was also a little puzzled.

Lin Ze opened the car door and walked out. He quickly ran toward the Li family’s villa.

“Li Wen saw him return and asked curiously, “Brother Ze, why are you back?” ”

““To take the cat,”Lin ze answered. ”

“Fat Tiger said, “Didn’t you say that you don’t have a cat?” ”

““Take it and throw it away.”As he spoke, Lin Ze had already carried the cat. ”

““No way! Brother Ze, you’re not going to give it to me even if you want to throw it away?”Fat Tiger especially liked small animals. ”

“You and it are incompatible with each other. It’s better to throw it away.”

Fat Tiger:” ...”

“When Lin Ze got into the car again, there was a cat in his hand. ”

“Seeing that Lin Ze was actually carrying a dirty cat, Old Lady Lin frowned and was about to say something, but she swallowed her words. ”

Forget it!

“If the child likes it, then let him go. ”

“They had just gotten into a conflict today, so they couldn’t have any more grudges because of a cat. ”

Brother Meow was very obedient.

He lay in Lin Ze’s arms and didn’t move.

“After a while, the car arrived at the entrance of the Lin family manor. ”

“Lin Ze handed the CAT to the butler. “Grandpa Butler, please get someone to give it a bath. Buy some cat things and send them to my room.” ”

“Okay.”

“The Butler took the cat and asked, “Young master, do you want to keep it?” ”

Lin Ze frowned slightly and turned his head in disgust. “Who wants to keep such an ugly cat?”

“The housekeeper:”...“if you don’t raise it to bathe it and buy things for it, why do you have to send it to your room?”

“When Aunt Zhang saw that the housekeeper and old Mrs. Lin had brought Lin ze back, she immediately called Feng Qianhua and asked her to get ready. ”

“After Lin Ze returned to his room, Old Mrs. Lin personally delivered some medicine to reduce the swelling. ”

“”Thank you, Grandma.” ”

“Seeing that Lin Ze was really not angry with her, old Mrs. Lin smiled and said, “This silly child, there’s no need to be polite with Grandma!” ”

This child was indeed worthy of being raised by her.

“And now, she was still being intimate with her. ”

“After saying that, old Mrs. Lin continued, “Grandma really didn’t do it on purpose today. When I heard that you actually touched that thing, my heart went blank. I immediately thought of your dead aunt...” ”

“”Grandma, I know.”Lin Ze nodded. “I understand you.” ”

“”Good, good, good child. I have never doted on you for nothing.”Old Mrs. Lin’s eyes were filled with relief. ”

“When they came out of Lin Ze’s room, Old Mrs. Lin asked someone to prepare ginseng soup for Lin Ze. ”

She even specially instructed the kitchen to prepare many of Lin Ze’s favorite desserts.

...

Yun Jing.

The window in the room was open.

“The spring breeze blew past, blowing the white curtains into the wind. The bay window was covered with a thick carpet. On the carpet was a small white table. At this moment, there was a pile of parts on the table.”

Ye Zao sat cross-legged in front of the table and focused on fiddling with the parts in his hands.

“Zao Zao!”

“At this moment, Ye Sen ran in from outside.”

““Uncle, what’s Wrong?”Ye Zao raised his eyes slightly.”

“Ye Sen continued, “The company has a multinational contract to discuss in the afternoon. The other party is a foreigner. Zao Zao, can you go over and translate for Uncle?” ”

Because it involved company secrets.

Ye Sen was worried about finding a translator. He was also a dabbler.

It was also at this time that ye Sen deeply realized how important it was to learn English well.

“What time in the afternoon?”Ye Zhuo asked.

“3:30.”

“Ye Zhuo nodded slightly. “Okay.” After saying that, ye Zhuo continued, “Uncle, you should also learn English well? If I have something to do in the afternoon, what will you do?” ”

“”Zao Zao, you’re right! From today onwards, I’ll definitely learn English well!” Ye Sen’s gaze fell on the table in front of ye Zao and asked curiously, “Zao Zao, what’s That?” ”

“It’s our house’s sweeping robot. Don’t you recognize it?” Ye Zao raised his eyebrows slightly.

Sweeping robot?

How did it still look like a sweeping robot?

It was scattered all over the place. It was even worse than being dismembered... It was more like a pile of discarded parts... ..

Ye Sen widened his eyes. “How did you dismantle it like this?”

“Ye Zhuo said calmly, “This robot has too many bugs and too few functions! It can’t do anything other than sweeping the floor, and it’s not even clean! So I took it apart and reassembled it, giving it a big transformation.” ”

“”It’s already been dismantled like this, and it can still be assembled?” Ye Sen suspected that his eldest niece was bragging, but he had no evidence. ”

Chapter 216: 092: he doesn’t understand the world of big shots! Slapping faces too quickly is like a tornado! 1

“It can definitely be put back. Otherwise, why would I dismantle it?” Ye Zao’s voice was shallow as she continued to move her hands. ”

“She lowered her eyes slightly and her fair fingers bypassed the cold and hard parts, forming a beautiful scenery. ”

“Ye Sen suddenly realized that if this niece of his were to be serious, she would seem to be quite serious. ”

“Of course, if she wasn’t bragging, she would look even more like a real person! ”

“Zhonghua, what are we having for lunch?” Ye Sen continued to ask. ”

“Ye Zhonghua thought for a moment and said, “Let’s order takeout. I want to eat cold noodles.” ”

“Okay, then we’ll have cold noodles for lunch! I’ll go and order takeout. After lunch, we’ll take a break and then return to the company.” ”

“Okay.”

“Ye Sen went to the living room and ordered takeout. After that, he went to the shopping website and prepared to buy a new cleaning robot. ”

“Although ye Zao said that she would reassemble the robot, Ye Sen did not believe that she could really reassemble the pile of junk into a cleaning robot! ”

“In order to prevent ye Zao from causing trouble to the newly bought robot, Ye Sen prepared to buy a better quality robot that was not easy to dismantle. ”

“Just as he selected the robot, there was a knock on the door. ”

Ye Sen walked over to open the door.

It was the delivery guy.

“Hello, is this Mr. Ye?”

“Yes, it’s me.” Ye Sen nodded.

The Delivery Guy handed the takeout to ye Sen. “This is the takeout you ordered.”

“Thank you.” Ye Sen took the takeout, closed the door, and placed the food on the dining table.

“Two servings of cold noodles, one fried chicken, and one fried peanut.”

“Sear, come out for dinner.”

“Coming.”

“Ye Zao responded, but she didn’t come out immediately. It was not until ten minutes later that she slowly walked out of the room.”

“Sear, do you want to drink orange juice or cola?”

“Ye Sen raised his head and was immediately stunned. He was so scared that he stuttered, “What... What is that thing?”

“A strange cylindrical object about half a meter tall followed behind ye Zao. It didn’t look good, and the top was emitting a blue light, making a slight biu-biu sound.”

“I’m not a thing! I’m Whitey, the cleaning robot! I’m happy to serve you!”The cylindrical object made a mechanical sound. ”

It could actually talk!

Ye Sen was shocked.

“Whitey continued, “Master, is there anything you can ask Whitey to help you with?” ”

Ye Sen looked at Whitey in shock. He could not believe that this ugly thing was actually a robot!

“He then said, “The kitchen is too dirty. Go clean it up.” ”

“Okay.”

Whitey received the Order and slid towards the kitchen.

“Looking at Whitey’s back, Ye Sen looked at ye Zao and said in disbelief, “Zao Zao, how did it know where our kitchen is?” ”

“Ye Zao drank a mouthful of coke. “When I was writing the code, I saved the layout of our house into it.” ”

Coding?

Saving the layout of the house?

“Ah?”Ye Sen did not understand what ye Zhuo was saying.

“At this moment, little white walked out of the kitchen and said, “Reporting to master, the kitchen has been cleaned and the trash has been thrown into the trash can. Is there anything else that needs to be cleaned?” ”

Holy shit!

It was cleaned up just like that?

“Ye Sen said in surprise, “You even know how to throw out trash? It’s so advanced!” ”

“Xiao Bai said proudly, “Yes, master! That’s how advanced he is! He is the smartest cleaning robot in the entire universe!” ”

The smartest cleaning robot in the entire universe?

Ye Sen raised his eyebrows. Why did this proud look and narcissistic tone sound so familiar?

““He can still understand me!”Ye Sen raised his head and looked at Ye Zao. “Zao Zao, where did you buy this robot?” ”

Ye Zao’s expression remained the same. “I assembled it with the one at home. Didn’t you see it just now?”

What?

Ye Sen thought he was hearing things.

““The one at home?”Ye Sen said in disbelief, “Are you sure?” ”

Ye Sen had also bought the robot from before.

“It cost 3,000 yuan. ”

“Although it was also intelligent, it only had the sensing function and the ability to clean repeatedly. It could not speak, could not take out the garbage, and could not understand human language. ”

“Yes.”Ye Zhuo nodded. “It’s the one you bought before.”

Ye Sen walked to Whitey in disbelief and looked it up and down.

“Obviously, this was not the cleaning robot he bought before. ”

“”The one at home didn’t seem that big, right?”Ye Sen asked. ”

“Ye Zhuo pulled out a drumstick from the fried chicken. “Yes, the one before was too short and didn’t exist, so I processed the paint bucket and iron sheet that I didn’t want at home.” ”

Chapter 217: 092: he doesn’t understand the world of big shots! Slapping faces too fast is like a tornado!
2

“Seeing the paint tag on Whitey’s back, Ye Sen finally believed that Ye Zao wasn’t joking with him. ”

Ye Zao really assembled this himself.

“Using the lowest-end configuration, he assembled the highest-level robot. ”

This niece of his was too amazing!

Ye Sen stared at Whitey and looked left and right.

“Sensing that Ye Sen was staring at it, little white glided back about half a meter.”

“Master, I know that I am the most beautiful person in the world, but if you keep staring at me like this, I will be shy!”

The most beautiful person in the world?

“Ye Sen:”...”he finally understood why he was familiar with little white before, because he saw the shadow of ye Zhuo in little white.”

Both of them were so narcissistic.

After dinner.

The two of them set off for the company.

“Take care, Masters. Be safe on the road. Whitey is waiting for you at home.”Whitey sent the two of them to the door.”

“Goodbye.”Ye Sen waved at Whitey.

“Goodbye.”Whitey closed the door.

“Looking at the closed door, Ye Sen said in shock, “This robot is too smart! Zhuozhuo, how did you assemble it?”

“It’s very simple! First, write a program, set up the program, and then set up the execution instructions, control instructions, storage instructions, and some other instructions...”

“If the equipment was not too simple, she would have assembled a more intelligent sweeping robot!”

The current Whitey could not be compared to the one-piece robot that she had developed in the past!

“Ye Zao said it simply, but ye Sen was dumbfounded when he heard it.”

““Great niece! You’re really amazing!”After a long while, Ye Sen finally managed to squeeze out this sentence.”

“Ye Zao’s tone was shallow. “It’s just so-so. I’ll make do with it first.”When he had the time, he would improve the equipment and study it in detail.”

Ye Sen:“ ...”

Make Do?

Such an intelligent cleaning robot was actually described as just so-so by ye Zao?

He didn’t understand the world of the Big Boss!

“As the two of them talked, the elevator reached the underground garage.”

Ye Sen took out the keys to unlock the car and opened the driver’s door.

“Ye Zao hadn’t touched the car for a long time, so her hands were itching.”

Unfortunately.

“She hadn’t taken the driver’s license yet, so she had to sit in the passenger seat. ”

“After the college entrance exam, she had to take the driver’s license exam. ”

Ye Sen’s driving skills were very good.

“Soon, the car stopped at the company headquarters. ”

Ye Zhuo followed behind ye Sen.

“Just as he walked into the company, it caused a heated discussion. ”

“”DAMN! That’s President Ye’s daughter, right? She’s So Pretty! She looks a little like President Ye!” ”

“”Are you stupid! President ye doesn’t even have a girlfriend, where did he get a Daughter?” ”

“I think so...”

“Then who is she?”

Until then.

The young girl who followed behind called him Uncle.

Everyone suddenly understood!

So she was CEO Ye’s niece.

No wonder she was so beautiful.

Ye Zao followed ye Sen all the way to the office on the third floor. The secretary was sorting out the documents needed for the afternoon meeting.

“Ye Sen introduced ye Zao to the Secretary. “Xiao Hu, this is my eldest niece, Ye Zao. In the afternoon, she will come with us to discuss the cooperation with the person-in-charge of TOAEON company. Go and bring the proposal over for Zao Zao to see.” ”

Xiao Hu was stunned.

How Old was ye Zao?

Eighteen years old?

She could understand the proposal?

Xiao Hu suspected that Ye Sen was teasing her...

“Seeing that Xiao Hu was stunned, ye Sen said again, “Xiao Hu, what are you stunned for? Quickly go and get the proposal!” ”

““Oh, okay, CEO Ye!”Xiao Hu finally reacted. ”

“Not long after, Xiao Hu came over with the proposal. “Miss Ye.” ”

““Thank you.”Ye Zao took the proposal with both hands and read through it. Then, she handed it back to Xiao Hu. “I’ve read it well.” ”

Xiao Hu was stunned.

She... she had read it well just like that?

Did she see what was written on the proposal clearly?

“Ye Sen continued, “Zao, do you think there’s anything else wrong with this proposal?” ”

Ye Zao shook his head slightly. “There’s basically no problem.”

“That’s good.”

Xiao Hu was stunned.

She felt that Ye Sen was a little silly.

“Ye Zhonghua was just a child, what did she know! ”

“One dared to ask, the other dared to believe! ”

It was like playing house!

“The agreed time with the other party was three in the afternoon. Ye Sen brought ye Zhonghua and Xiao Hu, and the three of them set off for Toaeon Company at two o’clock. ”

Toaeon was a foreign company.

It had been rooted in China for many years.

“Before this, they had been working with another international express delivery company. But recently, there had been too much negative news about that express delivery company, which affected its positive image. So, they were ready to change to another company. ”

“When Ye Sen and the others arrived, they realized that they were not the only company that came to talk about cooperation today!”

Chapter 218: 092: he doesn't understand the world of big shots! Slapping faces too fast is like a tornado!
3

There are more than 20 companies in total!

“Among them, there are two listed express delivery companies.”

“Ye Sen was dumbfounded when he saw them. He was originally full of confidence, but at this moment, it was as if someone had poured a bucket of cold water on him.”

It was cold from head to toe.

Even the listed companies had come. What Hope did a small company like him have.

Xiao Hu's eyes were full of disappointment.

“Let's go back.” Ye Sen said with a disappointed face.

“Why do we have to go?” Ye Zhuo raised his eyebrows slightly.

Ye Sen's gaze moved back and forth between the crowd. “We are not their competitors.”

“How do you know we are not their competitors if you don't try? Uncle, running away at the last minute is not your style!” Ye Zhuo continued.

“Xiao Hu stood out to explain, “Miss Ye, you may not know this, but these express delivery companies are bigger than us. You Should Know About Wind Express, right? Their group went public last year! Compared to them, we have no chance of winning at all.” ”

“Ye Zhuo smiled slightly, “Just because they are big and well-known doesn’t mean that their business capabilities are better than ours! “There isn’t a large group that hasn’t been developed from a small company! “How can you be so sure that we will lose to them without even trying? “If even we don’t have confidence in ourselves, then there is really no chance of winning!” ”

Xiao Hu felt that ye Zao was a fantasy.

It was just a theory on paper.

How could an arm win a thigh?

“If he continued to waste his time here, it would only be a waste of time. ”

“Ye Sen raised his head and looked at Ye Zao. “Zao Zao, what do you mean?” ”

“”What I mean is that we absolutely can not back down at the last minute! And we definitely can not look down on ourselves!”Her voice was very soft and faint, but it carried a magical power that could calm people’s hearts. ”

“Okay!”Ye Sen nodded. “Uncle will listen to you!”

“President Ye?”Xiao Hu was stunned.

Ye Sen was too easy to fool!

He actually listened to such a fairy tale...

“Ye Sen turned to look at Xiao Hu, his face full of seriousness. “Listen to it.” ”

“Xiao Hu did not have any expression on his face and said, “OH.”. ”

“At this moment, someone came over to greet ye Sen. “Old Ye!” ”

““President Xu,”Ye Sen said politely. ”

“This president Xu was called Xu Dadong, and he also ran an express delivery company. ”

“Xu Dadong passed a cigarette to ye Sen and said, “Old Ye, do you also like this Bill?”? ”

“Ye Sen smiled and said, “People die for money and birds die for food. Aren’t we just trying to get higher and higher?” ”

““You’re right.”Xu Dadong blew out a smoke ring, “But looking at the situation today, small companies like us don’t have much hope! Instead of wasting time here, why don’t we go home early and develop other businesses! I’m preparing to go back. What About You?” ”

“In fact, Xu Dadong wasn’t the only one who was preparing to leave. Many small companies had already left early. ”

“Ye Sen told him the truth, “I plan to give it a try.” ”

““Give it a try?”Xu Dadong laughed out loud as if he had heard a good joke, he continued, “I’m not the one who said it! Old Ye! Look at those companies that are ranked ahead of us. Which one of them isn’t more capable than us? An egg can’t touch a rock, so why are you wasting your time here?” ”

“Hearing that, Ye Zao raised his eyes slightly. “It’s fine that uncle Xu looks down on himself, but now he wants to stop my uncle from looking down on himself?” ”

Xu Dadong was stunned.

What a pretty little girl!

“This is?”

“Ye Sen smiled apologetically. “President Xu, I’m sorry. This is my niece. A child doesn’t know his limits when he speaks. President Xu, don’t lower yourself to her level.” ”

“Xu Dadong waved his hand. “I’m already an adult, what’s the point of arguing with a little girl? Little girl, it’s good for young people to be confident, but don’t be blindly confident. Blindly confident is arrogant!” ”

“”The prerequisite for confidence is that you have the capital.”Ye Zhuo continued calmly. “You have a biased view of people. Even if I’m being modest, you’ll still think that I’m being arrogant.” ”

The little girl had such a powerful mouth!

Xu Dadong turned to look at Ye Zhuo. “So you’re saying that your uncle can win the cooperation case?”

“”There’s a 50% chance,”ye Zhuo replied. ”

“Xu Dadong’s eyes were filled with mockery. “Looking forward to this 50% chance, you might as well go buy a lottery ticket. Who knows, you might win the first prize!” ”

The Shengdong Express Company that Ye Sen ran was even smaller than his company.

“Even if one thought with their toes, they should know that Toaeon would not choose them. ”

Toaeon was not a fool!

“Ye Zao raised his eyebrows slightly. “Practice is the only criterion to test the truth. No matter how much you say, it’s useless. Uncle Xu, just wait and see.” ”

Chapter 219: 092: he doesn’t understand the world of big shots! Slapping faces too quickly is like a tornado! 4

Xu Dadong shook his head helplessly.

The little girl was indeed beautiful.

It was a pity.

Her brain was not very sharp.

No wonder there was a saying called a beauty with a bag of straw.

“Xu Dadong did not want to say anything more. He turned to look at Ye Sen and said in a tone that was close to mockery, “Old Ye, then I wish you success in taking down the cooperation case. When the cooperation talks come to an end, remember to treat me to a meal.” ”

“Ye Sen could hear the hidden meaning in these words. He smiled and said, “That’s easy to say.” ”

“Even Xiao Hu, who was by the side, could not hold back his expression. ”

Time passed by minute by minute.

“Soon, it was three o’clock.”

Toaeon gave each company five minutes.

“If they wanted to secure the cooperation case, they had to use these five minutes to the fullest.”

They could not waste a second.

Ye Sen and the others were ranked 20th.

“Ye Zhuo took the cooperation case. “Uncle, I’ll be in charge of telling them in a while. Now, tell me briefly about our advantages.” ”

Ye Sen nodded and told ye Zhuo about the professional knowledge related to the express delivery industry.

Xiao Hu’s heart was beating fast as he listened by the side.

“He heard that the employees of TOAEON company all spoke English. Could Ye Zhuo, a child, really do it? Don’t get chased out before you even open your mouth! ”

It was also ye Sen’s fault that he had a big heart!

He still let her mess around.

“”Please invite the person-in-charge of Shengdong Express Company in.”At this moment, the assistant of Toaeon Company opened the door of the meeting room. ”

“Although ye Sen did not know much English, he still knew simple everyday language. ”

“Zao Zao, let’s Go in.” ”

“Ye Zao looked back at ye Sen. “Uncle, don’t be nervous.” ”

“Okay.”Ye Sen pretended to be calm and nodded.

Xiao Hu followed behind the two of them.

“After the three of them entered, the door of the conference room was closed.”

“In front of the oval-shaped conference table sat a middle-aged man with blonde hair and blue eyes. He looked kind, but in fact, his eyes were shining with shrewdness.”

Such a person was the hardest to fool.

“The assistant took the initiative to introduce, “Hello, President Ye. This is Mr. Embert, the vice president of our Toaeon.” ”

“Hello, Mr. Embert! I’m Ye Sen, the person in charge of Shengdong Express delivery. This is my niece, Ye Zhuo. Next, she will represent me to discuss the cooperation with you.”Ye Sen finished the sentence in one breath.”

“He had practiced this sentence in front of the mirror for a few days. Fortunately, he did not make a mistake.”

Embert looked at his assistant.

“The assistant immediately understood and said, “Let’s begin.” ”

“Ye Zhuo stood up from the chair, inserted the USB flash drive that he had prepared beforehand into the computer, connected it to the big screen behind him, and began to explain the plan.”

Her voice was very pleasant to hear.

It was a very standard London accent.

“Emberrt, who was originally a little disinterested, suddenly looked up at Ye Zao and narrowed his eyes.”

Emberrt had already looked at the plans of more than a dozen companies.

But none of them could arouse his interest.

They were all the same.

“But in Ye Zao’s plan, he saw something different.”

Other companies focused on the future.

But ye Zao focused on benefits.

What did businessmen value the most?

Benefits!

“Moreover, not only did ye Zao talk about benefits, he also reasonably analyzed the future situation of Shengdong Company.”

“Ye Sen and Xiao Hu looked at ye Zao, who was standing there talking with confidence, and were stunned.”

“Originally, Xiao Hu was still worried that ye Zao could speak English.”

“He did not expect that not only did ye Zao speak English so well, but his professional knowledge was also amazing.”

Such temperament!

Such conversation!

How was he like a child!

Xiao Hu was really shocked.

He did not believe ye Zao before.

“Now, he wished he could kneel on the ground and call him daddy!”

“Your Shengdong Company is just a small and unknown company. Wind Speed Company, Mingde company, their scale is bigger than yours!” Mr. Embert suddenly said, “What reason do you have for me to choose your company?”

“Ye Zao smiled slightly, he said slowly, “Because I believe that Mr. Embert is not a person who only cares about appearance. If you really think that wind speed and mingde are worthy of cooperation, then there would not be today’s tender meeting.”

“After saying that., ye Zao continued, “Moreover, all the big companies came from small companies. Just like your company, your company only had six employees at one time during the most difficult time. It has only been twelve years, and your company has already developed into one of the few big companies. This shows that size is not equal to strength! Your company values strength, and will certainly leave the opportunity to those who are prepared!”

Ye Zhuo’s words were too beautiful.

It also directly spoke to Embert's heart.

Chapter 220: 092: he doesn't understand the world of big shots! Slapping faces too fast is like a tornado!
5

He didn't expect that an eastern girl who looked so young would be so powerful!

“I'm sorry, I know it's not polite, but I still want to ask, What's Your Name?” Mr. Embert saw that Ye Zhuo was so young, so he didn't take Ye Zhuo seriously at all. ”

“Naturally, he did not pay attention to her name. ”

“My Name Is Ye Zhuo.”

“Mr. Embert stood up and walked in front of Ye Zhuo. He reached out his hand to her and said in fluent mandarin, “Hello, Miss Ye. Nice to meet you.” ”

Ye Sen and Xiao Hu were stunned as they did not expect Mr. Embert to suddenly speak Mandarin.

Their eyes were filled with disbelief!

Ye Zhuo calmly shook hands with Embert. “It's my honor to know you.”

Embert turned to look at his assistant. “Go out and tell them that we've found a partner. Tell them not to wait in line anymore.”

The assistant nodded. “Okay.”

The assistant went out and told him about this matter. The various companies that had been waiting in line were instantly enraged.

Which Company was working with Toaeon?

“After all, the most competitive wind speed company and Mingde company had yet to go on stage!”

“In fact, wind speed company and Mingde company were also very confused!”

“Just a moment ago, they had thought of each other as their competitors.”

“Unexpectedly, they had lost before this had even begun!”

“Other than them, could it be that there were other companies that were more powerful than them?”

This was too strange!

“Because Mr. Embert was speaking Mandarin throughout the entire process, upon hearing this, Ye Sen and Xiao Hu looked at each other and saw the disbelief in each other’s eyes!”

No one had expected that ye Zao had actually won the cooperation.

This was too amazing!

Ye Sen even pinched his thigh hard.

Hiss —

It really hurt!

It wasn't a dream.

It was real!

It was already six o'clock in the evening when the cooperation was discussed.

“Mr. Embert admired ye Zao very much. He even wanted to Poach ye Zao to Toaeon Company. When he found out that ye Zao was still a senior in high school, he was even more shocked. He gave ye Zao a thumbs up and said, “Your China is really full of talents!” ”

“In the past, Embert always had a prejudice against China. ”

“He thought that there were no particularly powerful people in China, and they were not as powerful as country P in all aspects. After seeing ye Zao today, he finally understood the foundation of a big country!
”

This kind of foundation of a big country would not disappear no matter how many wars it had gone through!

It was worthy of respect!

“Until he walked out of Toaeon with the contract, Ye Sen still felt that it was especially unreal. ”

They had actually gotten the cooperation case of TOAEON!

“At this time, the news of Shengdong Express getting the cooperation case of Toaeon was also spread among the major express delivery companies. ”

“No one had expected that TOAEON would choose such a small, unknown company. ”

“Hearing this news, Xu Dadong, who was talking to his friend, was stunned. “Which Company do you think Toaeon signed with? Wind speed or Mingde?” ”

“”Neither!”His friend shook his head. “Speaking of which, you know the person in charge of this company! It’s Ye Sen from Shengdong Express!” ”

Pah —

The cigarette butt between Xu Dadong’s fingers fell on the table. He looked at his friend in disbelief. “You’re not mistaken?”

“”Don’t worry, I’m not mistaken! My sister works at the top level of wind speed. is what she said true?” ”

Xu Dadong felt a throbbing pain in his head.

“Because a few hours ago, he had mocked ye Zao for daydreaming. ”

He did not expect to be slapped in the face!

Xu Dadong stood up and walked out the door.

“Hey! Where are you going?”

“Xu Dadong said without turning his head, “To find Ye Sen!”He still did not believe it if he did not ask about this matter personally. ”

He really couldn’t understand why TOAEON would work with Sheng Dong?

It must be a mistake!

“Soon, Xu Dadong arrived at Ye Sen’s company. ”

“The front desk knew Xu Dadong, so they let him in directly. ”

Xu Dadong came all the way to Ye Sen’s office.

“Ye Sen saw Xu Dadong, who was sweating profusely, and was stunned at first. Then he said, “Why is President Xu Here? Is there something urgent?” ”

“Xu Dadong smiled and said, “Old Ye, I heard that you’ve taken down the Toaeon Company’s cooperation case! Congratulations!” ”

Ye Sen asked Xiao Hu to pour Xu Dadong a glass of water. “CEO Xu’s news is fast enough!”

Hearing that.

Xu Dadong was immediately stunned.

His expression was unclear.

“He had originally thought that this was a misunderstanding, and saying these words would make Ye Sen embarrassed. ”

He didn’t expect...

He didn’t expect to get it.

Toaeon’s list was worth at least seven figures!
