“Chapter 2111: 436: all these years, he has been living in a lie! 1”

Fiancée?

“As soon as these words were said, the air immediately fell silent. ”

Ye Zhuo turned to look at Cen Shaoqing.

Cen Shaoqing looked at Ye Han.

“Ye Han continued, “Actually, it’s not what you think. Mr. Cen, that fiancée doesn’t have a formal engagement with you. It’s just that the girls in their family have always been the wives of the Chief Alliance. “So, although you’re not really fiancées, you’re almost like fiancées.” ”

“When ye Han investigated this matter, he was also a little surprised. ”

“If Cen Shaoqing had a fiancée, then what was Ye Zhuo? ”

“Fortunately, this fiancée had nothing to do with Cen Shaoqing himself. ”

Those who did not know were innocent.

Ye Han was not the kind of unreasonable person.

“What exactly is going on?”Cen Shaoqing asked.

“The moment he opened his mouth, Ye Han felt an endless pressure. ”

“Cen Shaoqing was usually quite gentle. He did not expect that when this person frowned, he was actually so terrifying.”

“Ye Han gulped, then he said, “It’s like this. There’s a big family with the surname Duanmu in the General Alliance. “Almost every daughter of the Duanmu family has married into the General Alliance of the General Alliance. “The current wife of the General Alliance is Duanmu Fengfei. Her niece is called Duanmu Fengyu. In other words, the person who is engaged to you is Duanmu Fengyu.” ”

“Duanmu...”Ye Zhuo narrowed her beautiful eyes. “No Wonder.”

“No wonder what?”Ye Han asked.

“”Nothing.”Ye Zhuo looked at ye Han and asked, “Is the Duanmu family close to the Wang Family?” ”

“”Yes.”Ye Han thought of the information he had found. “The daughter of the Wang family, Wang Meilin, is now Duanmu Fengyu’s assistant.” ”

Ye Zhuo nodded slightly.

This could explain why the Wang family’s core robot appeared in the Lin family.

It must have been arranged by Duanmu Fengyu.

“Ye Zi smiled slightly. “By the way, what does that Duanmu Fengyu look like? Is he good-looking?” ”

“”I don’t know if she’s good-looking or not, but I know that she’s definitely not as good-looking as you, Sister!”Ye Han said. ”

“It was not that ye Han was trying to flatter ye Zao, but her looks were there. It would be a little difficult for her to surpass ye Zao. ”

Ye Zao chuckled and patted ye Han's head. "At least you know how to talk."

"After saying that, Ye Zao looked at Cen Shaoqing and raised his eyebrows slightly. "Mr. Cen, what do you think?" "

"Cen Shaoqing was stunned. "What do you mean, what do I think?" "

"What do you think about your fiancée's matter?"Ye Zhuo asked.

Cen Shaoqing's thin lips parted slightly. "Whoever decides will marry her. You're the only one in my life."

"His very faint voice was loud and powerful, bursting with a powerful aura. "

"Ye Han continued, "You'd better remember what you're saying now. If I find out that you've betrayed my sister, I Won't let you off!" "

"Don't worry."Cen Shaoqing's eyes were firm.

"No matter what, he would never betray ye Zhuo. "

"Ye Zhuo continued, "But what if uncle insists on you marrying him? He's your father after all." "

""I don't have a father like that,"Cen Shaoqing said. "

""You've done well."Ye Zhuo smiled and said, "I hope you're not a talker." "

"I'm the kind of person who's a talker?"Cen Shaoqing asked back.

Ye Zhuo looked at him with a smile. "What if you change your mind?"

Cen Shaoqing looked serious. "I will only change my mind when I see you."

""I don't think you dare." After saying that, Ye Zhuo turned to look at ye Han and continued, "Have you found any other information?" "

""There is one more, but I don't know if this information is important to you," ye Han said. "

Ye Zhuo narrowed her beautiful eyes. "Tell me about it."

""Mr. President had an argument with Duanmu Huang Fei. I don't know where he went, but he hasn't returned yet." "

"An Argument?" Ye Zhuo frowned slightly.

""Yes." Ye Han nodded, then, he said, "Actually, I also think it's quite strange. According to the data, the two of them are very loving. This argument came out of nowhere. Moreover, Mrs. Duanmu has been going out of the president's mansion frequently these few days. It seems that she's discussing something." "

"Can you find out where he went?" Ye Zhuo asked.

"Ye Han shook his head. "I've asked someone to check, but they haven't found anything." "

"Where's the Tracker?" Ye Zhuo asked.

""I'll go get it for you," ye Han said. "

Ye Zhuo nodded slightly. "Okay."

Ye Han turned around to get the tracker.

“Ye Han will be here in a while. I’ll bring you to my former residence for a walk.” Ye Zhuo turned to look at Cen Shaoqing.

“”Yes.” Cen Shaoqing slightly nodded, followed ye Zhuo’s footsteps. ”

“Chapter 2112: 436: all these years, he had been living in a lie! 2”

Ye Zhuo brought him to Siyu Pavilion.

Siyu Pavilion was very big.

“Ye Han lived on the first floor, and Ye Zhuo lived on the third floor. ”

“When Ye Han was still there, she lived on the second floor. ”

“Now That Ye Lan had betrayed him, her room had also become the study and guest room area. ”

“Ye Zhuo’s room was very big. In the 26-square-meter bedroom, a laboratory was isolated with nanomaterials. ”

“When he pushed open the door of the laboratory, he could smell a pungent smell. ”

Cen Shaoqing frowned slightly. “Why is there a laboratory in the bedroom?”

“Ye Zao said, “We have a lot of unexpected situations here. I often get woken up in the middle of the night. Sometimes, I can’t rush to the base in time, so I can only do experiments at home. “Not only my room, but also ye Han’s room.” ”

“OH.”Cen Shaoqing nodded slightly.

“”Right, there’s a garden behind here.”Ye Zao pushed open the door behind him. “This is the ladder. We can go down from the ladder.” ”

Cen Shaoqing followed ye Zao’s footsteps.

The ladder was much faster than the elevator.

“After a few seconds, it stopped at the garden on the first floor.”

“Different from the plants on Earth, a mushroom on earth could grow to the size of a palm at most. A mushroom in the s galaxy was comparable to a big tree. However, although the mushrooms here were not poisonous, no one used them because the nutrient content was too low, eating ten mushrooms was not even worth half a vial of nutrient solution.”

“Not only were there mushrooms, there were also roses that were bigger than an umbrella.”

“A gentle breeze blew, and one’s nose was filled with the strong smell of roses.”

It was especially nice.

“Walking here, one could not help but think of the stories in fairy tales.”

“After walking for a while, Ye Zhuo received a message from ye Han. He turned to look at CEN Shaoqing and said, “Ye Han is here. Shall we go back?” ”

“Okay.” Cen Shaoqing nodded slightly.

The two of them took the aerial ladder back.

““Sister, here’s the Tracker.” Ye Han handed the tracker to Ye Zhuo. ”

This tracker was also invented by Ye Zhuo. It recorded all the road signs of the s galaxy as well as the planets with life. “...”

Ye Zhuo entered Cen Haifeng’s name and clicked on search.

“The next second, the screen displayed: ”

“Sorry, I can not provide you with this person’s address. ”

“Ye Zhuo narrowed his eyes slightly, clicked on the bottom left corner, logged into the administrator account, and entered Cen Haifeng’s name again. ”

It still did not work.

Cen Haifeng was after all the President of the General Alliance. It was normal that he could not easily track down his detailed address.

“Ye Zhuo narrowed his eyes slightly and turned his head to look at Cen Shaoqing, “Why don’t We Wait a little longer? Uncle has an anti-tracking device on him. We need to degaussing him from a distance before we can locate his exact address. In the next few days, I’ll first take you to understand the borders of Changyue and then to understand the general alliance on the spot.” ”

“Sure.” Cen Shaoqing nodded slightly.

Ye Zhuo made a script on the tracking device and started to operate it from a distance.

“Ye Han continued, “Sister, then I’ll go and arrange a guest room for Mr. Cen First.” ”

“”Okay.”Ye Zhuo thought for a moment, “Isn’t there an empty room in the room next to mine? Just arrange it there.” ”

“Okay.”

“After ye Han left, only ye Zhuo and Cen Shaoqing were left in the room. ”

Ye Zhuo set the tracker into an automatic program and took out an item from his backpack and handed it to CEN Shaoqing.

“What’s This?”Cen Shaoqing reached out to take it and asked curiously.

“”A human skin mask,”ye Zhuo explained. “Since the alliance has arranged for people to be by your side, they must know what you look like. “If you wear this, they won’t be able to discover you. “Then, this is our new identity in the S Galaxy.” ”

“Ye Zhuo had long announced her retirement. It was definitely not appropriate for her to appear in the public’s view at this time. Therefore, she had to wear the human skin mask. ”

“After saying this, Ye Zhuo handed a card to CEN Shaoqing. ”

“This is the ID card of the S Galaxy?”Cen Shaoqing took the card and asked.

“”Yes.”Ye Zhuo nodded slightly. “It doesn’t matter in Siyu Pavilion. Once you’re outside, you must put on the ID card and the human skin mask.” ”

“Okay.”

Ye Zhuo opened the human skin mask and taught Cen Shaoqing how to put it on his face.

“It was a very thin layer and did not feel strange at all when it stuck to his face. Most importantly, it was very natural. Not to mention human eyes, even a machine could not detect it. ”

“When Ye Han came back, the people who appeared in front of him were already two unfamiliar men and women. ”

“Although their appearances had become ordinary, the aura on their bodies was still there. ”

“”Sister, the room has been cleaned.” ”

“Ye Zhuo nodded slightly and continued, “From now on, Call Me Miss Zhuo outside. He is Mr. Shao.” ”

“Chapter 2113: 436: all these years, he had been living in a lie! 3”

“Okay.”Ye Han nodded.

...

“The next morning, while there was still time, ye Zao brought Cen Shaoqing to Grandma Fei’s house. ”

“Almost when ye Zao came over, Grandma Fei was sitting in a rocking chair on the balcony, basking in the sun. ”

In her arms was a cat that was also old.

""This is the Granny Fei that I told you about. "Granny Fei is old and her ears are not very good. The old lady doesn't want to wear a hearing aid,"ye Zao whispered, "When you talk to her later, be careful to speak louder." "

"Okay."

"Hearing the footsteps, the cat in Granny Fei's arms called Lazily. "

""Granny Fei."Even when ye Zao and Cen Shaoqing walked to the old lady's side, the old lady still did not wake up. "

"Helpless, Ye Zhuo had no choice but to increase the decibel. "

"Only then did Grandma Fei slowly wake up. When she opened her eyes, she saw two unfamiliar faces. "

"Grandma Fei was stunned for a moment before she reacted. She smiled and said, "Zhuo Zhuo is here!" "

""Grandma Fei, you recognized me." "

""Look at what you're saying. Even though Grandma is old, Ye has not reached the age where his eyes are dim."Grandma Fei continued, "The last time when you dressed up as Joey to call me, I recognized you." "

"However, she didn't dare to say it out loud because she was afraid that she would miss out on ye Zao's important matter. However, it was different this time. This time, ye Zao had settled everything. "

""Grandma Fei, you really know me too well."Ye Zao smiled. "

""You're the child that I've watched grow up. Other than your grandma, I know you the best."Whenever she talked about her sister who was suffering, Grandma Fei would always be very sad. "

If only her sister had not died.

She would definitely be very gratified.

She would be gratified that the child that she had raised by herself had finally grown up.

“Unfortunately, her sister would never be able to see him again.”

“After saying this, grandmother Fei looked at Ye Zhuo. “Zhuozhuo, who is this?” ”

“Ye Zhuo held onto Cen Shaoqing’s arm. “Grandmother Fei, let me introduce you. This is my boyfriend, Cen Shaoqing.” ”

“Cen Shaoqing took off the human skin mask on his face, revealing his handsome features. “Hello, Grandma Fei. I’m Cen Shaoqing, Zao Zao’s boyfriend. You can call me little CEN.” ”

“Grandma Fei stood up in surprise. First, she looked at Ye Zao, then she turned to look at Ye Zao. “Zao Zao, what did you say? Who Did you say this is?” ”

““Grandma, this is my boyfriend, Cen Shaoqing,” ye Zao repeated. ”

Boyfriend!

Ye Zao actually had a boyfriend.

“Grandma Fei was almost in tears. She held ye Zao’s hand and looked at the horizon. “Elder sister, elder sister, did you hear that! Our Zao Zao has a boyfriend!” ”

Happy.

Grandma Fei was really happy.

“She had watched ye Zao Grow Up, so she knew ye Zao’s character very well.”

“She had also introduced a boyfriend to ye Zao before, but ye Zao had rejected all of them.”

“Grandmother Fei had thought that she would not be able to see ye Zao find a boyfriend in her lifetime, but she did not expect... .. She did not expect that she would actually see it.”

“Grandmother Fei took Cen Shaoqing’s hand again and placed it on Ye Zao’s hand, “Little Cen, our family’s Zao Zao is a very good and outstanding girl. I can tell that you are also a very outstanding boy. The two of you are lucky to have met each other and come together. Burning Flames was born bitter. She wasn’t even big enough to be a kitten when she started wandering. Although she met my older sister later, we were poor at that time and couldn’t give her a better life. In the rest of your life, please cherish burning flames... .. It wasn’t easy for her to get to where she is today. You Can’t bully her. When two people are together, they have to learn to tolerate each other, accommodate each other, and learn from each other’s strengths to make up for their weaknesses”

“At the end of her sentence, Granny Fei was already sobbing uncontrollably.”

“Actually, it was her elder sister who should be saying these words to Ye Zhuo.”

She was now enjoying her elder sister’s blessings.

“I will definitely remember your words. Treat Luoluo well and never let her down.”Cen Shaoqing looked at Granny Fei with a determined gaze.

“”Good, good, good.”Granny Fei nodded in satisfaction. “Child, with your words, I am relieved.” ”

“After saying that, Granny Fei continued, “Don’t stand outside. Come, come, come. Let’s sit in the house.” ”

“Granny Fei liked to be quiet. Unless it was a special day, she would be the only one in the house.”

There wasn’t even a servant.

“Granny Fei beckoned the two of them into the house. Looking at Cen Shaoqing, she asked in puzzlement, “Little Cen, have we met before?” ”

“Should not.” Cen Shaoqing said.

“Chapter 2114: 436: all these years, he has been living in a lie! 4”

“”No?” Grandma Fei frowned, “But why do I feel that you are so familiar...” ”

“Ye Zhuo continued, “Grandma Fei, you must be mistaken. This is the first time that Cen Shaoqing has come to our Chang Yue country.” ”

“First time?” Grandma Fei asked in surprise.

“Yes.” Ye Zhuo nodded slightly.

“Grandma Fei smiled and said, “Then I must have seen wrongly. Take a seat, I’ll go get you some water.” ”

“”Please take a seat.” Ye Zhuo pressed Grandma Fei to sit down and continued, “I’ll go get some water.” ”

Cen Shaoqing stood up. “I’ll go with you.”

Grandma Fei looked at the two of them as they went to get some water. Her eyes were filled with relief.

The two of them looked so compatible even from the back.

Ye Zhuo was very familiar with Grandma Fei's home. He used the flower tea he brought over to make a cup of tea for Grandma Cen.

"Then, he poured two cups of boiled water. "

"Soon, the water was ready. "

"Ye Zhuo handed the cup to Grandma Fei. "Grandma Fei, this is the flower tea i brought back from Earth. Try It and see how it tastes." "

""I brought it back from Earth. It must be very delicious."Grandma Fei smiled. "I heard from my great-grandmother that Earth is a very good place! Unfortunately, these people don't know how to cherish it. They think they are superior, but they are actually the most pitiful ones." "

"After saying that, Grandma Fei took a sip of the flower tea and looked up at Ye Zao. "The taste is really good! Zao Zao, who made this?" "

""My mom made it,"ye Zao said. "

"Grandma Fei continued, "Really? You Said You wanted to show me pictures of your family last time. Did you bring them today?" "

""I did."Ye Zao nodded slightly and took out his phone. He used the shadow technique to open the pictures and introduced them to Grandma Fei one by one, "Grandma Fei, this is my mom, this is my dad, and this is my uncle. This is my grandma, this is grandma... And this, this is my uncle, aunt... fourth uncle, fourth aunt..." "

“There were many relatives in the Lin family, and Grandma Fei did not find it troublesome. She recognized each and every one of them, and the smile on her face never disappeared. ”

“”Good, this is really good.”Grandma Fei was really happy for ye Zao. After so many years, this child had finally found a family that belonged to her. “Zao Zao, they must love you very much, right?” ”

“Yes.”Ye Zao nodded slightly.

Ye Zao also felt very lucky more than once.

“Although she was abandoned since she was young, she still met those family members who were filled with her. ”

“”Seeing you like this, I am relieved. I can also leave in peace in the future.”Grandma Fei patted ye Zao’s hand. “When I go underground, I will definitely tell your grandma this good news and let her be at ease.” ”

“”Grandma Fei, you’ll definitely live a long life,”ye Zao said. ”

“”Silly child. People will face death when they grow old. This is the law of nature.”Grandma Fei smiled and said, “Do you think your Grandma Fei is the kind of person who is afraid of Death?” ”

“She was not afraid of death, so naturally, she was not afraid of life, old age, illness, and death. ”

“In fact, sometimes, she actually looked forward to death. This way, she could reunite with her relatives who had been away for a long time. ”

“Ye Zhuo continued, “Grandma Fei, since you like Earth so much, you should come back with us this time. I will take care of you on Earth, taking care of you until you die!” ”

“”No need.”Grandma Fei shook her head, “Zhuo Zhuo, grandma is really happy that you have such intentions.”. “But when one is old, they are most afraid of suffering. Although this place is not as good as

I imagined, it is also the place where I was born and raised. I am afraid that if I die on Earth, what if your grandma and the others come to pick me up and can't find me?" "

"No matter what time it was, people had a special feeling towards their homeland, especially the elderly. "

""Then I'll take you to Earth to play for a few days, and then I'll send you back. What do you think?"Ye Zhuo continued to ask. "

Granny Fei still refused.

"As one gets older, the thing one fears the most is trouble. "

"After staying at Granny Fei's place for the whole afternoon, Ye Zhuo and Cen Shaoqing made Granny Fei Lunch on Earth together. "

"Grandma Fei was very happy. When the two of them left, Grandma Fei held their hands and said, "Zhuozhuo, Little Cen, you must be well." "

Ye Zhuo nodded.

"Cen Shaoqing looked at Grandma Fei and said, "Grandma Fei, don't worry. I will take good care of Zhuozhuo. If I go back on my words, the heavens will strike." "

"Grandma Fei nodded, "Luoluo suffered a lot when she was young. I only hope that she will be fine and happy every day in the future. Little Cen, remember what you said today. Otherwise, even if I die, I will not let you off even if I become a ghost." "

"Chapter 2115: 436: all these years, he has been living in a lie! 5"

“At this point, Granny Fei continued, “The two of you are doing well. In the future, I will bless you in heaven and give birth to a fat boy as soon as possible.” ”

“Cen Shaoqing took a step back and bowed to Granny Fei very seriously. “Thank you, Granny Fei.” ”

“Granny fei smiled and said, “It’s getting late. You should leave quickly.” ”

“”Grandma Fei, we’ll leave first,”ye Zao said. ”

“Let’s go.”Grandma Fei nodded.

The two boarded the aircraft.

“Grandma Fei watched as the aircraft left. After a moment, she retracted her gaze and said with a smile, “Zao Zao, this child has finally found his home.” ”

“Although they didn’t talk much about Cen Shaoqing’s background, Grandma Fei could tell that Cen Shaoqing was born extraordinary. ”

On the other side.

“The aircraft had just landed in front of the door of Siyu Pavilion when Ye Han went up to welcome it. He said in surprise, “Sis! Sis!” ”

“What’s Wrong?”Ye Zhuo asked.

“Ye Han continued, “The tracker tracked the address of the Chief Alliance Master!” ”

“Where is it?”Ye Zhuo asked.

Ye Han immediately took out an electronic map. "It's right here."

"Northwest State?" Ye Zhuo frowned slightly.

"Seeing her like this, Cen Shaoqing continued to ask, "Is there anything wrong here?" "

"Ye Zhuo continued, "Other than the Eternal Glacier, northwestern region is the extremely cold land of the General Alliance. The most ancient forbidden clan lives there." "

"Ye Zhuo had originally suspected that Cen Haifeng had forgotten everything because he was under a forbidden spell. Now that Cen Haifeng had gone to Northwestern region alone, it further confirmed ye Zhuo's conjecture. "

Perhaps.

Cen Haifeng had been deceived all these years.

...

On the other side.

At the headquarters.

Duanmu Huangfei had hosted a grand banquet to entertain the first elder and Grand Elder.

The sudden gesture of goodwill left the first elder and the imperial preceptor somewhat dumbfounded.

"The first elder looked at duanmu huangfei and said, "Madam, if there's anything you want to say, just say it. There's no need to beat around the bush." "

“The national master nodded and said, “You are the mother of our main alliance. As long as it’s under your command, we will do our best.” ”

Duanmu Huang Fei looked at the Great Elder and the National Master and stood up. “I won’t hide it from you two. I do have something to discuss with you two.”

“Seeing Duanmu Huang Fei stand up, the Great Elder and the National Master immediately stood up as well. “Madam, you can say it.” ”

Duanmu Huang Fei did not beat around the bush and went straight to the point. “The main alliance has gone to the northwestern region.”

The northwestern region?

Why would he go there all of a sudden?

The Great Elder and the National Master looked at each other and saw doubt in each other’s eyes.

“Duanmu Huang Fei continued, “He’s going to undo the forbidden spell.” ”

“At this point, Duanmu Huang Fei knelt down on one knee. “I beg the two of you to think of a way to prevent this from happening! Otherwise, the consequences will be unimaginable!” ”

“No matter what, CEN Haifeng could not know the truth of the matter. ”

No!

“Seeing this, the great elder and the national master immediately stepped forward and helped Duanmu Huangfei up, “Madam, you are really killing us! “It is our responsibility and obligation to serve you and the General Alliance! “Don’t worry, we will go back and greet the forbidden spell families. No one is allowed to lift the forbidden spell of the General Alliance without our orders.” ”

“I’m relieved to hear that from you two.” Duanmu Huangfei heaved a sigh of relief, he continued, “Also, due to my momentary benevolence, the General Alliance remembered some of the things that happened on Earth. I told him that those people on Earth were the widows left behind by his national anthem. Can you two think of a way to make him forget this memory?” ”

“Duanmu Huangfei was very regretful now. If she didn’t have the heart to watch Cen Haifeng suffer from a headache and help alleviate his headache, Cen Haifeng wouldn’t have remembered anything. ”

Unfortunately.

There was everything in this world except for the medicine of regret.

“Hearing this, the great elder narrowed his eyes and continued, “Sure. When Sir Returns, we will activate the forbidden spell and seal his memory again.” ”

“Then I’ll have to trouble the two of you,” Duanmu Huang Fei said. ”

“Of course. Madam, you’re too polite,” the great elder said. ”

“After Duanmu Huang Fei returned, the Great Elder and the National Master immediately issued a notice to the northwest province, forbidding them from releasing Cen Haifeng’s forbidden technique. ”

“As long as the forbidden technique family didn’t release Cen Haifeng’s forbidden technique, Cen Haifeng wouldn’t be able to recover his memories. ”

“As for the Northwest Province’s forbidden family, they only listened to the great elder and the National Master, so there was no need to worry about this matter. ”

“Soon, the Northwest Province replied that Cen Haifeng had arrived, and they had almost released the seal. Fortunately, the great elder and the National Master had notified them in time. ”

“After receiving the Northwest Province’s reply, the Great Elder immediately went to the headquarters with the documents.”

“Seeing the reply from the northwestern region, Duanmu Huang Fei heaved a sigh of relief. “Sorry to trouble the two of you!” ”

“”This is what we should do,”the national master continued, “Madam, if we encounter any problems in the future, I hope that you can discuss it with us in time. If we are a little late this time, the consequences will be unimaginable.” ”

“Alright.”Duanmu Huang Fei nodded.

On the other side.

“After ye Zhuo and Cen Shaoqing were ready, they set off for the northwest state.”

The Northwest State was located in an extremely cold area. They needed to wear thermal down jackets with nanotechnology in order to withstand the severe cold.

“After the aircraft flew for two hours, ye Zhuo suddenly found a person in the snow. “Does that look like an uncle to you?” ”

“Cen Shaoqing looked down and saw a figure lying in the snow, almost melting into the snow. “Let’s go and take a look.” ”

Chapter 2116: 437: remove the Forbidden Spell and awaken your memories! 1

“Okay.”

“Ye Zao nodded slightly and changed the route of the aircraft. Soon, the aircraft landed on the snowy ground.”

They were about 200 meters away from the figure on the snowy ground.

“A gust of cold wind blew over, making people shiver involuntarily.”

The temperature here was as low as -28.0 degrees Celsius.

“Although she was wearing a winter suit, it still made people feel a bone-chilling cold.”

“Cen Shaoqing first walked out of the aircraft, then stretched out his hand towards ye Zao and helped her down. “Be careful.” ”

“Okay.” Ye Zao looked around. “It’s so cold.”

“Although she was a native of the S galaxy, she rarely came to the northwestern region. It would take a while for her to get used to the cold in the northwestern region.”

One had to know that the coldest South Pole on earth was minus 90 degrees Celsius.

It was three times colder than the south pole here.

“Perhaps the man was hot-tempered, but Cen Shaoqing did not feel too cold. He lowered his head and zipped up ye Zao’s winter coat. Then, he took off the big scarf around his neck and wrapped it around ye Zao.”

“Aren’t you cold?” Ye Zao asked.

““No,” Cen Shaoqing said in a low voice. “This winter coat is very effective.” ”

“Then let’s go.”

“”Wait a minute,” Cen Shaoqing continued. ”

“What’s Wrong?” Ye Zhuo looked back and asked.

Cen Shaoqing half-squatted down. “Your shoelaces are untied.”

“As he spoke, he had already helped ye Zhuo tie his shoelaces. ”

“The two of them walked forward side by side. Ye Zhuo continued, “If that’s really uncle, remember to calm down. After all, we haven’t found the truth yet.” ”

“Okay.” Cen Shaoqing nodded slightly.

“Although two hundred meters was not far, the weather in the northwest region was too cruel. Not only was it very cold, but it was also accompanied by hurricanes. It took ye Zhuo and Cen Shaoqing three to four minutes to cover the distance that they could have covered in two minutes. ”

The man was lying on his side on the ground. He was wearing a white winter coat.

He looked to be in his forties or fifties.

“Although his eyes were closed, it was not difficult to tell that he was exactly the same as Cen Haifeng in the photo. ”

It was just that his facial features had some vicissitudes left behind by the passage of time.

Cen Shaoqing just stood there. No expression could be seen on his face.

He had once fantasized that one day he would be able to see his father again.

But he had never thought that this would be the scene when Father and son met.

“After so many years, things had changed.”

“Ye Zhuo immediately walked over to save him. “Wake up, please wake up.” ”

“After shaking for a long time, CEN Haifeng still did not wake up.”

Ye Zhuo turned to look at Cen Shaoqing. “Give me the water.”

Cen Shaoqing took out a cup of water.

Ye Zhuo took the cup and fed the hot water to Cen Haifeng.

The hot water entered his throat and CEN Haifeng slowly woke up. He slowly opened his eyes and the world in front of him became real. His five senses were also slowly recovering.

“Seeing that his condition had recovered a lot, ye zhuo fed him hot water again.”

Gulp Gulp.

“This time, Cen Haifeng gulped down large mouthfuls, as if a thirsty traveler who was walking in the desert had suddenly found a source of water.”

“After more than half of the hot water entered his stomach, Cen Haifeng’s vital signs gradually stabilized.”

"Are you okay?" Ye Zhuo asked.

"Cen Hai Feng shook his head and looked around before he finally reacted, "Little girl, thank you for saving me." "

"Cen Hai Feng had always had a serious headache. This time, he came to the northwest region to dispel the forbidden technique in his body. "

He kept feeling as if he had forgotten something very important.

"However, when he came to the northwest region, the patriarch of the ancient forbidden technique family told him that he did not have any forbidden technique on him. "

"Helpless, Cen Haifeng could only go back. "

"He came here secretly this time and didn't bring his bodyguards and assistants. He didn't expect that the weather in the northwest region was too harsh. In addition, he had a headache and fainted in the snow. "

"If no one found him in the desolate northwest region, the consequences would be unimaginable. "

""You're welcome." Ye Zhuo continued, "Let me help you up first." "

"Okay." Cen Haifeng nodded.

"Let me do it." Cen Shaoqing bent down slightly and helped CEN Haifeng up.

"Cen Haifeng's footsteps were still a little unsteady, perhaps because he had just woken up. He half-leaned on Cen Shaoqing's body and said, "Thank you." "

Cen Shaoqing pursed his lips and did not speak. His expression was cold.

“At this moment, although he was wearing a very ordinary human skin mask, his powerful aura was still there. ”

Cen Haifeng inexplicably felt that this young man by his side was very amiable.

“Even though he acted as if he was a thousand miles away from others, CEN Haifeng still felt very amiable. ”

“Ye Zhuo smiled and said, “It’s nothing. Our aircraft is nearby. Uncle, I don’t think you’re in a good condition right now. Why Don’t you come with us to the aircraft and rest for a while?” ”

Chapter 2117: 437: remove the Forbidden Spell and awaken your memories! 2

Cen Haifeng turned to look at Ye Zao. “Then I’ll have to trouble the two of you.”

““It’s no trouble,”ye Zao said. ”

Cen Haifeng followed the two of them to the aircraft.

“The warm aircraft made Cen Haifeng’s thoughts clear up a lot. “I don’t think the two of you are from the General Alliance, Right?” ”

“Ye Zao nodded. “My name is Zhuo Ye, and this is my boyfriend Shao Qing. We’re both from Changyue.” ”

“Cen Haifeng stood up. “Thank you so much for today, Miss Zhuo and Mr. Shao. My surname is Cen. You can call me uncle Cen. I’ll definitely repay both of you in the future!” ”

""Uncle Cen, you're too polite."Ye Zhuo continued, "But why did you faint in the snow by yourself?" "

"Speaking of this, Cen Haifeng's face was filled with a distant expression. "It's a long story." "

"Ye Zhuo did not ask further and continued, "By the way, Uncle Cen, do you know that there is an ancient forbidden clan living in the Northwest Region?" "

""Miss Zhuo, why are you asking about this?"CEN Haifeng continued, "Could it be..." "

Some of them were also affected by the forbidden clan?

"Ye Zhuo continued, "To tell you the truth, I am the descendant of the Forbidden Clan's fifth lunar month, but my ancestor has long passed away. I grew up in the state of Changyue and only know that the forbidden clan is in the northwest region. My boyfriend and I have searched this area for a long time, but we still haven't found them! I wonder if they have already moved away!" "

"At the end of his sentence, Ye Zhuo sighed. "

""Miss Zhuo! You, you are really the descendant of the fifth clan?"Hearing this, Cen Haifeng's eyes flashed with excitement. "

"Yes."Ye Zhuo nodded slightly.

"Then why do you have the surname Zhuo?"Cen Haifeng asked.

The descendant of the fifth clan should have the surname fifth.

""It's like this,"ye Zhuo explained. "When the ancestor was still alive, he violated the clan rules and was stripped of his surname. He was chased out of the northwest province and wandered all the way to the state of Changyue. Later on, he settled down in the state of Changyue." "

Cen Haifeng narrowed his eyes. He didn't know much about the Forbidden Arts clan.

"However, when ye Zhuo said this, he seemed to have recalled something. Sixty years ago, the sole heir of the fifth family, fifth lanyue, fell in love with a foreign man and violated the clan rules. He was chased out of the General Alliance. From then on, he took his husband's surname."

"I see." Cen Haifeng nodded and continued, "Then I wonder if Miss Zhuo's ancestor passed the method to unlock the forbidden technique to Miss Zhuo?" "

"Ye Zhuo did not directly answer him. Instead, he said, 'I came here just to fulfill a dying wish of my ancestor. I will kowtow in front of the ancestral hall on her behalf. Don't worry, I absolutely have no other thoughts!'" "

"Miss Zhuo, you have misunderstood me," Cen Haifeng said. "I have nothing to do with the forbidden clan. To be honest, I suspect that I have been affected by the forbidden technique, causing me to forget a lot of my memories. If Miss Zhuo knows how to lift the forbidden technique, could you please help me take a look?" "

"Although Cen Haifeng did not know ye Zao, he could feel that the couple in front of him were definitely not bad people."

He believed them.

"You were hit by a forbidden spell?" Ye Zao looked at Cen Haifeng.

"Cen Haifeng first nodded, then shook his head. 'I don't know either.'" "

"After saying that, he continued, 'I always feel like I've forgotten a lot of things. Miss Zhuo, can you help me take a look?'"

"For example, Duanmu Huangfei told him that those people on Earth were the widows of his good brothers."

He always felt that something was very wrong.

That was why he insisted on bringing them back to the s galaxy.

“Originally, during this trip to the northwest region, he thought that he would be able to recall those lost memories. ”

Who knew that he would actually make a trip for nothing.

“Although the clan leader clearly told him that he wasn’t bound by the forbidden spell, Cen Haifeng still felt that something was wrong. ”

The clan leader and the others definitely had something to hide from him.

“Ye Zhuo continued, “Then, in that case, you are also here to look for the forbidden spell clan?” ”

“Yes.”Cen Hai Feng nodded his head without hiding anything.

“Then they didn’t release you from the Forbidden Spell?”Ye Zhuo asked.

“Cen Hai Feng shook his head, “They said that I wasn’t affected by the forbidden spell. Miss Zhuo, please help me. To be honest, I always feel that my entire life has been a lie.”If he was busy, then forget it., in his spare time, those fragmented memories would always appear in his mind. ”

“But when he thought about it carefully, he couldn’t remember anything. ”

It was very strange.

“Cen Shaoqing’s thin lips opened slightly, “People always like to find excuses for their mistakes. Perhaps twenty years is just a snap of the fingers for some fickle lovers, but for those who value loyalty, it feels

like years."In these twenty years., zhou Xiang seemed to be living well, but in fact, she was living in torment every day."

Chapter 2118: 437: remove the Forbidden Spell and awaken the memories! 3

There was also old Mrs. Cen.

"In this world, there was nothing more painful than sending someone to their death. "

"However, there were some people who were not used to using wounds to show others. "

"Cen Haifeng had just said that he had forgotten, and he wanted to mention all the things that had happened in the past? "

How Fair was this to the people that he had hurt?

"Hearing this, Cen Haifeng was stunned. He raised his head and looked at Cen Shaoqing. "Mr. Shao, do we know each other before?" "

"No."Cen Shaoqing's voice was a little deep and cold.

No?

Cen Haifeng frowned slightly.

Did he really not know each other?

Why would a person he did not know say these words to him for no reason?

Could it be that Shao Qing knew something?

“Moreover, the twenty years that Shao Qing mentioned happened to be the twenty years that he had been on the throne for.”

Or could it be that.

Shao Qing knew someone who had been hurt by him in his forgotten memories?

“CEN Haifeng continued, “Mr. Shao, I think you’re right. Twenty Years is just a blink of an eye for a lover, but for someone who values relationships, it’s like a year. “That’s why I can’t wait to get my memories back. What happened has already happened. What we need to do now is how to make up for it.” ”

“Hopefully, there was still time.”

Cen Shaoqing did not say anything.

“For a moment, he did not know how to face Cen Haifeng.”

“Ye Zao smiled and said, “Uncle Cen, please don’t mind. My boyfriend always talks like this.” ”

“Cen Haifeng smiled and said, “I think what Mr. Shao said makes sense.” ”

“After he said that, Cen Haifeng turned to look at ye Zao and said, “Miss Zhuo, can you help me take a look? Two-thirds of my life has already passed. I want to use the rest of my time to find myself.” ”

“Did you only recently suspect that you were under a forbidden spell?”Ye Zhuo asked.

“Cen Haifeng nodded, “To tell you the truth, I’ve always had a headache. Half a month ago, after I ate the pill my wife gave me, I had a strange dream. From then on, the faces of some people in the capital would appear in my mind...” ”

Wife...

Who was he calling his wife?

“Although Cen Haifeng had forgotten about Zhou Xiang, Cen Shaoqing still felt very uncomfortable when he heard this title. ”

“If Duanmu Huangfei was the wife he was talking about, then what was Zhou Xiang? ”

What was Zhou Xiang’s years of waiting for him?

“Cen Shaoqing clenched his hand into a fist. Because he had used too much strength, his knuckles had turned slightly white until a soft hand was placed on his hand. ”

Only then did the nameless anger in Cen Shaoqing’s heart dissipate a little.

“Ye Zhuo turned to look at Cen Haifeng, he then said, “Alright, I understand. If you believe me, I can help you take a look. However, what I have learned is just a superficial skill. Whether or not I can successfully remove the restriction is still up to you.” ”

The forbidden technique differed from person to person.

“If the person who had been removed from the restriction could not wait to break free from the restriction of the forbidden technique, the forbidden technique could be removed. ”

“On the other hand, if the person who was unbound had an indifferent attitude, the forbidden spell would never be removed. ”

""Thank you, Miss Zhuo!" "

"Ye Zhuo took out a pill and handed it to Cen Haifeng. "If you believe me, you can eat this pill." "

""Miss Zhuo, I believe you."Cen Haifeng took the pill. "

"Ye Zhuo continued, "After you eat this pill, you will be in a coma for about two days. Please think carefully." "

""I've thought about it."Cen Haifeng took the pill. "I'll leave it to Miss Zhuo and Mr. Shao for the next two days. After this is done, I'll definitely reward the two of you handsomely!" "

"Just as ye Zhuo had said, after taking the pill, Cen Haifeng's head instantly became heavy and his legs became light. In the next second, Cen Haifeng directly lost consciousness. "

Ye Zhuo looked at Cen Shaoqing. "Help uncle to the bed inside."

Cen Shaoqing nodded slightly and helped CEN Haifeng inside.

Ye Zao went to get the medical kit.

"In the blink of an eye, Cen Shaoqing and Cen Haifeng were the only ones left in the room. "

Cen Shaoqing stood by the bed. His thin lips were tightly pursed. No expression could be seen on his face.

It would be a lie to say that he did not hate Cen Haifeng.

"But looking at him now, there seemed to be some unspeakable reasons..." "

“Very soon, ye Zao came over. ”

“Cen Shaoqing turned to look at ye Zao. “Zao Zao, what should we do now?” ”

“Ye Zao said, “Lift uncle’s ban.” ”

“Lift the ban?”Cen Shaoqing was stunned. “Do you really know how to do that?”

“Ye Zao nodded slightly and continued, “Although I’m not a descendant of the fifth family, I’m a good friend of the fifth lunar month’s descendant, Diulan. Alan had no children in his life, so before he died, he gave me the method to lift the ban.” ”

“She and diulan were old friends, so they called each other by their names. ”

Chapter 2119: 437: remove the Forbidden Spell and awaken your memories! 4

““I see,”Cen Shaoqing said. ”

Ye Zhuo took out the tool to remove the forbidden spell. “Did you hear what uncle said just now? I feel that all of this can not be blamed on uncle...”

“Indeed, Cen Haifeng could not be entirely blamed for this matter. ”

“The technology of the Allied countries was much more advanced than that of Earth to begin with. Their civilization was also several levels higher than Earth’s. When Cen Haifeng was brought to the Allied countries, he had already been placed under the forbidden spell. He did not intend to forget about them. ”

“Of course, she was not Cen Old Lady, nor was she Zhou Xiang, nor was she Cen Shaoqing and his four sisters. Therefore, her words could only be used as a reference.”

The choice of what to do next was still in the Cen family.

Cen Shaoqing did not say anything.

“Although all of this was not entirely Cen Haifeng’s fault, he still could not forgive Cen Haifeng.”

““Zhuozhuo, what do you think I should do now?” Cen Shaoqing looked at Ye Zhuo and asked.”

“Ye Zhonghua thought for a moment and then said, “I think you should give this choice to Aunt Xiang. No matter when and what choice she makes, you will stand behind her and become her biggest reliance.” ”

““Okay.” Cen Shaoqing nodded slightly. “Zhonghua, thank you.” ”

“Ye Zhonghua smiled and said, “Why are you thanking me?” ”

““If it wasn’t for you, I probably wouldn’t know what to do.” Cen Shaoqing sighed softly, then, he said, “All these years, I have never given up on searching for the ship that caused the accident. I always believe that no news is the best news.” ”

“However, what he did not expect was that Cen Haifeng was on the other side of the world while the Cen family was heartbroken. His beautiful wife was in his arms.”

“Ye Zhuo walked over, shook Cen Shaoqing’s hand, and said with a smile, “Oh right, you are the future Mr. Chief Alliance. If there are rules that require you to marry Duanmu Feng to ascend to the throne, what will you do?” ”

“What do you think?” Cen Shaoqing turned to look at Ye Zhuo.

“Ye Zhuo said, “I’m asking you.” ”

“CEN Shaoqing continued, “I said that I will never let you down in this life!” ”

He did not care about the position of the General Alliance at all.

“Ye Zao chuckled. He hooked his arms around his neck and tiptoed, planting a kiss on his thin lips. ”

It was like a dragonfly skimming the water.

“It’s for you.”

“After saying that, he left. ”

“Cen Shaoqing suddenly reached out and hooked his arm around her waist. “Since you’ve already been rewarded, why can’t you give me a little more?” ”

“Stop fooling around!”Ye Zhuo reached out and pressed his lips against hers. “Uncle is still here!”

Cen Shaoqing planted a hot kiss on her palm and then released her.

“Ye Zhuo continued, “Go and bring me the pot of purple snow grass outside.” ”

“Is it the Purple Pot?”Cen Shaoqing asked.

“Yes.”Ye Zhuo nodded slightly.

“Cen Shaoqing turned around and walked outside. Very soon, he brought the purple snow grass.”

Time passed very quickly.

“In the blink of an eye, two days had passed.”

“When Cen Haifeng opened his eyes again, he saw a vast expanse of white.”

Where was this?

“Cen Haifeng reached out and pressed his temples. Then, he remembered what had happened.”

“At this moment, ye Zhuo walked over with the nutrient solution. “Uncle Cen is awake.” ”

“Cen Haifeng nodded and asked, “Miss Zhuo, I slept for two days?” ”

“Yes.” Ye Zao nodded slightly and handed the grape-flavored nutrient solution to CEN Haifeng.

Cen Haifeng took the nutrient solution. “Thank you.”

“You’re welcome.”

“CEN Haifeng continued, “I wonder if Miss Zhuo has found the forbidden clan?” ”

““Yes,” ye Zao smiled and said, “I’ve also kowtowed on behalf of my ancestors.” ”

““That’s good.” Cen Haifeng looked at ye Zao and asked, “By the way, Miss Ye, has my forbidden technique been solved?” ”

“Solved.”

Solved?

“Hearing this, Cen Haifeng looked at Ye Zao in disbelief and said, “Since the forbidden spell has been solved, why can’t I remember anything?” ”

His mind was blank.

““Don’t worry,”ye Zao explained, “Although the forbidden spell has been solved, you have been stuck in the forbidden spell for too long. In the process, you need a buffer.” It would not immediately return to normal after the forbidden spell was removed. ”

““Then, when will I be able to remember those things?”Cen Haifeng asked. “How long will it take to buffer?” ”

““This varies from person to person.”Ye Zhuo placed the flowers picked in the morning in a vase. “At least three to five days, at most three to five years.” ”

She could not tell the exact time.

“CEN Haifeng said, “Thank You, Miss Zhuo. By the way, where is Mr. Shao?” ”

“Ye Zhuo continued, “He has something to do outside. By the way, Uncle Cen, we are now in the state of Changyue. Where do you live? I can send you back.” ”

Chapter 2120: 437: remove the Forbidden Spell and awaken your memories! 5

““Thank you for your kind intentions, Miss Zhuo.”Cen Haifeng declined politely. “I won’t trouble you anymore, Miss Zhuo. I can go back by myself.” ”

“That’s fine too.”Ye Zhuo nodded slightly.

“Just then, Cen Shaoqing returned from outside. ”

Cen Haifeng went up to greet him. “Mr. Shao is back.”

Cen Shaoqing nodded slightly and did not say anything.

“Cen Haifeng cupped his hands at CEN Shaoqing and continued, “Mr. Shao, I’ve Troubled You and Miss Zhuo for the past few days. After you return on my behalf, I’ll definitely come and visit the two of You Again!” ”

“Ye Zhuo continued, “Uncle Cen, you don’t have to be so polite.” ”

“”This is what I should do.”If he could successfully remove the forbidden spell and restore his mind, then ye Zhuo and Cen Shaoqing would be his big benefactors. ”

“After saying that, CEN Haifeng continued, “Benefactors, I’ll be going back first.” ”

Ye Zhuo sent Cen Haifeng out.

...

Cen Haifeng had not returned for nearly a month.

“Now that he had finally returned, Duanmu Phoenix Fei was very excited. She immediately went up to him and said, “Haifeng, you’re back.” ”

“For some reason, when Cen Haifeng saw Duanmu Phoenix Fei again, he felt very disgusted. He turned his head away and acknowledged her. ”

“Duanmu fengfei felt uncomfortable when she felt his coldness. Cen Haifeng hadn’t thought of anything yet, but his attitude toward her was like this. If Cen Haifeng thought of anything, would she still have a place in the headquarters?”

She had accompanied Cen Haifeng for twenty years.

“In these twenty years, she didn’t even want her own child for Cen Haifeng.”

She had given up too much for Cen Haifeng.

But what about Cen Haifeng?

Did Cen Haifeng Treat Her as a wife?

“Fortunately, she had found the great elder and the National Master in advance.”

“Duanmu Huang Fei continued, “Haifeng, sister-in-law and Fengyu are here. They’re in the back hall. Do you want to go take a look?” ”

Cen Haifeng was not in the mood to deal with the Duanmu family. “I have a headache.”

“If it were any other time, Duanmu Fenghuang Fei would have been heartbroken to hear Cen Haifeng say that he had a headache.”

But now...

He wouldn’t.

Because CEN Haifeng had asked for it.

""Then you go and sleep for a while."Duanmu Fenghuang Fei continued, "I'll go to the back hall and come over to see you later." "

"Okay."

"Duanmu Fenghuang flew to the back hall. Hearing that Cen Haifeng had a headache, Duanmu fenghuang immediately stood up. "Aunt, is Uncle Alright? Why don't we go and See Him?" "

"Mrs. Duanmu said, "Fengyu is right. is brother-in-law alright?" "

""It's not a big deal,"Duanmu Huang Fei continued, "It's probably because of the forbidden technique. I've already contacted the Great Elder and the National Master. They will come over to reinforce him soon and completely seal his memory." "

"Mrs. duanmu nodded and said, "Sister, you should have done this a long time ago." "

"Duanmu Huang Fei smiled and said, "I was the one who was in the middle of this."He wouldn't do it again in the future. "

""Sister, since you have other matters to attend to, Feng Yu and I will leave first."Mrs. Duanmu stood up and said. "

"I'll send you off."

"After sending Mrs. Duanmu and Duanmu Feng Yu back, the Great Elder and the Imperial preceptor arrived. "

"Mrs. Duanmu brought the two of them to the bedroom and knocked on the door. "Hai Feng, the Great Elder and the imperial preceptor are here." "

There was no response from inside.

“Duanmu Feng and the national master turned to look at the two of them and said, “They might have fallen asleep. Let’s go in.” ”

“Okay.”The great elder nodded.

Duanmu Feng pushed the door open and entered. The Great Elder and the National Master followed.

“As expected, Cen Haifeng fell asleep on the bed. ”

“Should we wake him up?”Duanmu Huangfei looked up at the great elder and the National Master.

“No need.”The National Master waved his hand.

“Mrs. Duanmu nodded and took a few steps back, leaving the space and time to the great elder and the National Master. ”

“The Great Elder and the National Master took out the tools needed to strengthen the forbidden spell, put down the curtain in the bedroom, and began to strengthen the forbidden spell. ”

Duanmu Huangfei sat outside the curtain and couldn’t see anything clearly. He was a little anxious.

Time passed by minute by minute.

“Half an hour later, the curtain was finally lifted. ”

“Duanmu Huangfei immediately went up and asked, “How is it?” ”

“The great elder smiled and said, “Madam, don’t worry. From now on, the main alliance will never think of anything.” ”

“Really?” Duanmu Huangfei was overjoyed.

“Of course it’s true.” The great elder nodded.

They were still very confident in themselves.

“Duanmu Huang Fei bowed to them. “Great Elder, Imperial preceptor, thank you very much.” ”

“”Madam, this is what we should do.” The imperial preceptor continued, “Then we’ll take our leave first.” ”

Duanmu Huang Fei raised his leg to send them off.

“The Imperial preceptor stopped them. “Madam, please wait. The main alliance really needs someone to take care of it now.” ”

“Okay.” Duanmu Huang Fei nodded and stopped walking to the bedside.

Cen Haifeng lay on the bed with his eyes closed and his face drenched in cold sweat. It was as if he had fallen into a nightmare.

Duanmu fengfei took a tissue to wipe Cen Haifeng’s sweat.

She did not understand why CEN Haifeng still could not forget those people on Earth after so many years.

What was so good about those low-level Earthlings?

“And that mistress called Zhou Xiang, what qualifications did she have to stand shoulder to shoulder with her? ”

“Only she was Cen Haifeng’s official wife. Even if Zhou Xiang had a child with Cen Haifeng, she could only be a mistress for the rest of her life! ”

A mistress that could not be seen in the light.

“If Cen Haifeng had not insisted on bringing them back, she would not have invited the national master and the Great Elder to reinforce the forbidden technique. ”

“Xiang Xiang! Xiang Xiang! Xiang Xiang!”

“At this moment, Cen Haifeng suddenly shouted. Although he was dreaming, one could still hear the urgency in his voice. ”

“Don’t Leave Me!”

“Hearing this, Duanmu Fengyu’s expression instantly turned cold. ”

Just wait.

She would get someone to kill that mistress immediately!

“Just as Duanmu Huang flew up, someone suddenly grabbed her wrist. “Xiangxiang!” ”

Cen Haifeng suddenly sat up from the bed.

“Duanmu Huang flew back and looked at Cen Haifeng. She tried her best to hide the resentment in her heart and said with a smile, “Haifeng, you’re awake.” ”

Cen Haifeng looked at Duanmu Phoenix and narrowed his eyes.

“Seeing Cen Haifeng like this, Duanmu Phoenix felt a little scared. ”

“In an instant, it was as if Cen Haifeng had suddenly changed into a different person. ”

“”Hai, Haifeng?” ”

“Get lost!”

“Hearing this, Duanmu Phoenix looked at Cen Haifeng in disbelief. ”

“In the past, no matter how much Cen Haifeng hated her, he would never say this word to her. ”

“”Haifeng, What’s Wrong? Are you not feeling well?”Duanmu huangfei walked over and touched his forehead. “We’re husband and wife. Can’t you tell me what you want to say?” ”

“Cen Haifeng Waved Duanmu Huangfei’s hand away. “Only Zhou Xiang is my wife! Duanmu huangfei, how long are you going to lie to me? !” ”
