Chapter 2121: 438: The Truth is exposed! 1

Duanmu Fengfei was dumbfounded.

What was Cen Haifeng talking about?

He said that Zhou Xiang was his wife.

What was going on?

Wasn't Cen Haifeng's forbidden technique strengthened?

How did he remember Zhou Xiang?

Auditory hallucination!

It must be auditory hallucination!

"Duanmu Fengfei tried his best to hold back the panic in his heart and looked at Cen Haifeng. "Haifeng, what are you talking about? What Zhou Xiang? I . . . I don't know..." "

""You don't know?"Cen Haifeng sneered. "Duanmu Fengfei, how can you not know?" "

""I really don't know!"Duanmu fengfei continued, "Haifeng! I'm your only wife! I don't know that Zhou Xiang!" "

"At this point, Duanmu Fengfei paused and suddenly thought of something. "Haifeng, Haifeng, you must have had a nightmare, right? The dreams are fake. There is no Zhou Xiang at all..." "

“Cen Haifeng looked at Duanmu Huangfei and said, “I remember everything.” ”

His very calm words made Duanmu Huangfei’s spine break out in a cold sweat and his entire body trembled.

How could it be?

It couldn’t be.

“Duanmu Huangfei clenched his fists. Because he had used too much strength, his knuckles had turned slightly white.”

“CEN Haifeng continued, “I remember that my name is Cen Haifeng. I’m from Earth and my wife’s name is Zhou Xiang. We have four daughters, one daughter is Cen Yuying, the second daughter is Cen Yueya, the third daughter is Cen Yueying, the fourth daughter is Cen Yuyan, and the youngest son is Cen Shaoqing.” ”

“Yes, Cen Haifeng remembered everything. He felt that he had let down Zhou Xiang, his mother, and the children.”

“At the time of his accident, the eldest daughter was twenty-one years old, and the youngest daughter and Cen Shaoqing were still underage.”

“So many years had passed, and the four daughters were probably already married and had children.”

“However, as a father, he did not personally hand his daughter’s hand to his son-in-law. He missed the most important part in the growth of his children.”

And his mother.

“Three days before the shipwreck, he had just celebrated the 72nd birthday of Old Mrs. Cen. Now, Old Mrs. Cen was already 92 years old. After so many years, he did not know if his mother was still alive.”

He remembered that his mother suffered from a very serious head disease. She often could not sleep through the night.

The person he felt the most sorry for was Zhou Xiang.

“He and Zhou Xiang were in a free relationship. The two of them loved each other deeply. Based on his understanding of Zhou Xiang, after so many years, Zhou Xiang definitely did not remarry.”

Cen Haifeng was in great pain when he thought of this.

Duanmu fenghuang was really panicking when she saw Cen Haifeng Like This.

Why?

Why did Cen Haifeng suddenly think of this?

Could it be that the great elder and the National Advisor did this?

“But they clearly said that they wanted to strengthen the forbidden technique on Cen Hai Feng’s body. Logically speaking, Cen Hai Feng should have forgotten everything. Why did Cen Hai suddenly think of this?”

What should they do now?

Cen Hai Feng had remembered everything now. Would she still have a position in the alliance in the future?

No.

She had to stabilize the situation.

“No! You’re not from Earth!” Duanmu Huang Fei looked at Cen Hai Feng. “All of this is your imagination!”

“At this point, Duanmu Huangfei’s voice changed and he continued, “Haifeng, I’ve been married to you for 20 years. Over the years, I’ve given you everything and even lost my fertility. Have you forgotten about it?” ”

“You know very well whether it’s a fantasy or not.” Cen Haifeng’s face was full of anger.

He had never thought that the world he lived in was constructed with lies.

Everyone was lying to him!

“He had a wife and children, but they said that his parents had passed away a long time ago. ”

“In the ancestral hall of the headquarters, there was a memorial tablet for his parents. ”

Only now did he know.

That his father was really his father.

As for his mother...

Duanmu Tianxiang was not worthy of being his mother!

His mother’s name was Bai Tang.

All of this was a ploy by the headquarters.

“The General Alliance of the General Alliance had to be born, grow up, get married, and have children on Earth. ”

“After getting married and having children, the General Alliance would bring him back and use a forbidden spell to make him forget everything on Earth and remarry and start a family. ”

“The families on Earth would not only have to suffer the pain of life and death, but they would also have to bear the responsibility of raising the next General Alliance. ”

“After the children got married and had children, they would be brought back to the General Alliance. The wounds that their families had painstakingly healed would be torn apart at this moment..! ... and so on and so forth! ”

This method was simply malicious to himself.

“Cen Haifeng’s hands were clenched into fists, and the veins on the back of his hands bulged out. He looked somewhat terrifying. ”

Chapter 2122: 438: The Truth is exposed! 2

“Cen Haifeng lowered his head and looked at Duanmu Fengfei. “Duanmu Fengfei, you know that I have a wife and children. Why did you lie to me? Why?” ”

Cen Haifeng felt disgusted when he saw Duanmu fengfei.

He did not understand why Duanmu Fengfei had to interfere in his relationship with Zhou Xiang!

“If Duanmu Fengfei had told him the truth earlier, things wouldn’t have turned out this way. ”

“Why?” Duanmu Fengfei decided to stop pretending. She raised her head and looked at Cen Haifeng with a sarcastic look in her eyes, “Do you think I have a choice? It’s the same for all the major alliances in the past dynasties. Even if I’m not the one who marries you, there will be someone else!”

She was merely following the arrangement of fate.

Who asked the daughter of the Duanmu family to be born as the most honorable woman in the world?

“If it were anyone else, they would have made the same choice as her.”

How did it become her fault when it came to Cen Haifeng?

“Duanmu Huangfei continued, “Cen Haifeng, Do You Think You’re Innocent? Am I not innocent? I am the only daughter of the Duanmu family, and my parents Dote on me. Not only did I marry you, a man who once had a family, but now, you are still treating me like this? If you weren’t willing to marry me, why didn’t you object twenty years ago? What is this now? False benevolence! If you really couldn’t forget Zhou Xiang, you wouldn’t have waited until now to remember all this! You’re both right and wrong! Cen Haifeng, you make me feel sick!”

Very sick!

Very sick!

Duanmu Fengfei only felt that her 20 years of youth had been fed to the dogs.

“At the same time, she also felt very regretful.”

She regretted that she was merciful and didn’t kill those disgusting people on Earth in time.

“If those disgusting people all died, she wouldn’t have any future troubles.”

Especially that Zhou Xiang!

Duanmu Fengfei's eyes were filled with regret.

"Slap!"

A crisp and clear slap landed on Duanmu Fengfei's right face.

"This slap made Duanmu Fengfei's ears buzz, and her face burned."

Painful.

Very painful.

Good.

Very good.

"Duanmu fengfei raised her head and looked at Cen Haifeng, her face full of sarcasm."

Cen Haifeng actually hit her for that unrepresentable earthling.

Hot Tears rolled down her cheeks.

"One Drop, two drops."

"Cen Haifeng looked at duanmu Fengfei and said, "I'm going to cancel our marriage right now! From now on, we have nothing to do with each other!" "

“After saying that, Cen Haifeng turned around and left. ”

“Looking at Cen Haifeng’s back, Duanmu Fengfei’s eyes widened. In the next second, she directly pounced over and hugged Cen Haifeng’s calf, “No! No! Haifeng, you can’t do this to me! We have been married for more than 20 years. Don’t you have any feelings for me?” ”

“If her marriage with Cen Haifeng was annulled, what would she become? ”

A joke?

“She had been married to Cen Haifeng for more than 20 years, not to live as a joke! ”

“In short, she could not let Cen Haifeng cancel it! ”

““Haifeng, I Beg You,”Duanmu huangfei cried, “If you really cancel it, then I won’t be able to live. Do you want to watch me die? Haifeng!” ”

“Cen Haifeng looked down at Duanmu Huangfei, his eyes full of determination. ”

“This time, no matter what, he could not let Zhou Xiang down again! ”

He had to give Zhou Xiang an explanation.

“With this in mind, Cen Haifeng kicked Duanmu Huangfei away. ”

Duanmu Huangfei did not expect things to turn out like this. She was kicked to the ground and her heart was filled with sorrow.

What should she do?

What should she do?

“At this moment, Duanmu Huangfei suddenly thought of elder da Zhang and the National Master. ”

Yes.

There was still the great elder and the National Master.

They would definitely have a way to help her.

“With this in mind, Duanmu Huangfei’s eyes lit up. She immediately got up from the ground and contacted the Grand Elder and the Grand Elder. ”

“The Grand Elder and the grand elder had already rested when they received the news. After receiving the news, they immediately got up from their beds and rushed to the headquarters. ”

Annulment of marriage!

This was no joke.

“When the two of them arrived, Duanmu Huangfei had already sorted out his emotions. However, the scars on his face still looked very frightening. ”

“”Madam, did the Master of the Headquarters Attack You?”The National Master stood up and asked. ”

“Duanmu Huangfei nodded and continued, “The two of you, what exactly is going on? I invited the two of you here to reinforce the forbidden technique! Why would haifeng think of that?” ”

Chapter 2123: 438: the truth is exposed! 3

This...

The Great Elder and the National Master were also confused.

They still didn't know what had happened.

"They had strengthened CEN Haifeng's forbidden technique according to the forbidden technique method, but why could CEN Haifeng still remember those things?" "

"At this moment, the great elder seemed to remember something and turned to look at the National Master. "Could it be that someone from the forbidden technique clan disobeyed our order and took the initiative to lift the forbidden technique for the General Alliance?" "

"I don't think so," the national master replied. "

"Duanmu Huang Fei continued, "If not, how did the main alliance think of that? Could it be that there's a second clan in the northwestern region that can lift the Forbidden Arts? Or could it be that you two did something to it?" Duanmu Huang Fei's tone became heavier. "

"The National Master and the Great Elder immediately stood up. "Madam, please understand that we would never do such a thing!" "

"But now that it has happened," Duanmu Huangfei pressed his temples and said, "Please think about how to solve it." "

How to solve it?

"Since the founding of the General Alliance, there had never been such a situation. This was the first time!" "

They didn't know how to deal with it!

"After all, Cen Haifeng was the leader of the General Alliance. How could they stop him?"

"Madam! Madam!" The maid rushed in. "Something bad happened!"

"What's Wrong?" Duanmu Huangfei looked up and asked.

"The maid wiped the cold sweat off her face and said, "The General Alliance, the General Alliance, and the General Alliance fainted outside! They are being sent to the Central Hospital Now!" "

"Fainted?" Duanmu Huangfei heaved a sigh of relief when he heard that.

"Yes," the maid said. "The hospital sent someone to tell them." "

"The great elder continued, "Madam, let's go and take a look." "

"Okay." Duanmu Huangfei nodded.

The few of them rushed to the hospital together.

"Soon, they arrived at the Central Hospital. "

Cen Haifeng was lying on the hospital bed and wearing oxygen.

Duanmu Huangfei looked for the doctor to understand the situation.

“Madam, don’t worry. The chief alliance fainted suddenly. It might have been a temporary shock. It’s nothing serious. They’ll wake up after two days of rest.” ”

“Thank you.”

“You’re too kind.”

The National Master and the Great Elder were guarding the ward. Duanmu huangfei walked over and told the National Master and the Great Elder exactly what the Doctor had said.

“Please think of a way. I don’t want the old matter of the Chief Alliance to be brought up again in two days!” Duanmu huangfei said.

The only way to solve the problem now was to let Cen Haifeng forget about those things again.

They absolutely could not let Cen Haifeng annul their marriage.

They also could not let Cen Haifeng think of Zhou Xiang.

She could do a lot of things in two days.

“This time, she must get rid of the future trouble forever. She absolutely would not leave any threat to herself. ”

Absolutely Not!

“As she thought of this, a vicious look appeared in Duanmu Huang Fei’s eyes. ”

“Hearing this, the national advisor immediately said, “Madam, don’t worry. This matter was caused by the two of us. We will definitely resolve this matter and definitely won’t trouble madam!” ”

“Elder da Zhang nodded and echoed, “National Advisor is right. Madam, don’t worry. We will definitely find out the reason why the General Alliance recovered their memories and give madam an explanation.” ”

“I’m relieved to have the two of you saying that.” Duanmu Huangfei nodded.

...

On the other side.

At the CEN residence.

Today was the day that Cen Shaoqing returned.

Old Madam Cen specially instructed the chef to prepare a lot of food and waited for him to come back for dinner.

“Although she usually despised Cen Shaoqing, he had been gone for so long that old madam Cen still missed him.”

11:30 pm.

“Cen couldn’t sit still any longer, so she walked to the door and waited.”

“At this moment, the sound of a bicycle engine suddenly appeared in the air.”

Cen’s eyes lit up.

It must be Cen Shaoqing’s car.

“Sure enough, two minutes later, she saw the familiar Maybach.”

“A few seconds later, the Maybach stopped, the door opened, and a tall figure walked out.”

It was Cen Shaoqing.

“Old Mrs. Cen immediately went up to him and asked with a smile, “How was it? Did It go well?” ”

““It went quite well,”Cen Shaoqing said.”

Old Mrs. Cen held Cen Shaoqing’s hand and looked up and down. “Why do I feel like you’ve lost weight?”

““You’re mistaken,”Cen Shaoqing said.”

““Is that so?”Old Mrs. Cen rubbed her eyes and continued, “You sent the leaf back?” ”

“Yes.”Cen Shaoqing twirled the Buddhist beads and nodded slightly.

“Old Mrs. Cen smiled and said, “After so many days, your father-in-law and mother-in-law must have missed her too! Come, let’s go back and eat!” ”

Chapter 2124: 438: the truth is exposed! 4

Cen Shaoqing followed Old Mrs. Cen’s footsteps.

“She didn’t know if it was an illusion, but old Mrs. Cen looked at Cen Shaoqing beside her. She felt that Cen Shaoqing seemed to have something on his mind during this trip.”

“However, Cen Shaoqing didn’t want to talk about it, so old Mrs. Cen didn’t ask.”

The two walked all the way to the dining room.

“Old Mrs. Cen smiled and said, “Go Wash your hands. Hurry up and eat.” ”

“Okay.”Cen Shaoqing nodded slightly and walked to the bathroom.

“A moment later, Cen Shaoqing came out of the bathroom and sat in front of the dining table. “Where’s My Mother?” ”

“Today is your father’s birthday.”

“After so many years, when she mentioned her short-lived son again, old Mrs. Cen did not seem to have any special expression on her face.”

Birthday?

Cen Shaoqing suddenly realized that today was Cen Haifeng’s birthday.

“Every year on this day, Zhou Xiang would accompany him in front of Cen Haifeng’s portrait.”

He would not eat or drink.

“Thinking of this, Cen Shaoqing stood up from the table. “I’ll call her down to eat.” ”

“Old Mrs. Cen reached out and pressed Cen Shaoqing’s arm. “No need. Even if you call her, she won’t come.” ”

““I’ll go and try,”Cen Shaoqing said. ”

Old Mrs. Cen looked at Cen Shaoqing’s back and the confusion in her eyes became even more intense.

“What’s wrong with this brat? He feels weird.”

Cen Shaoqing came upstairs and knocked on the door.

“After a long time, there was no response from inside. ”

“CEN Shaoqing continued, “Mom, I know you’re inside. Please open the door. I have something important to tell you.” ”

There was still no response from inside.

“A few seconds later, the door opened. Zhou Xiang looked at Cen Shaoqing. “What is it?” ”

“Cen Shaoqing’s thin lips parted slightly. “Mom, Let’s go downstairs and eat first. I’ll tell you after we finish eating.” ”

““I don’t have an appetite right now.”Zhou Xiang’s face was pale and her expression was sorrowful. “If you have anything to say, just tell me directly.” ”

Zhou Xiang would always be like this on Cen Haifeng’s death anniversary and birthday.

“The next day, she would regain her usual vigor. ”

“Mom, let’s eat first.” ”

“If you don’t want to talk about it, then forget it,”Zhou Xiang said. ”

She really did not have the appetite to eat now.

“Mom, this news is very important to you. It’s about my dad. Can you eat first?” ”

“Hearing this, Zhou Xiang grabbed Cen Shaoqing’s sleeve. “Could it be that the sunken ship was salvaged?” ”

“You can go downstairs to eat first,”Cen Shaoqing said. ”

“Zhou Xiang knew Cen Shaoqing’s character and nodded. “Okay, okay, okay! I’ll go downstairs and eat!” ”

“Seeing his mother like this, Cen Shaoqing’s heart was filled with sorrow. ”

“If his mother knew that Cen Haifeng already had a new lover, would she be able to bear it? ”

“Seeing Zhou Xiang go downstairs, old Mrs. Cen was very surprised. ”

“She had advised Zhou Xiang for so many years, but Zhou Xiang was not moved. This time, she did not know what method Cen Shaoqing used to persuade Zhou Xiang to come down. ”

“Xiang Xiang has come down. Hurry up and eat,”old Mrs. Cen stood up and said. ”

“Okay.”Zhou Xiang nodded and sat down to eat.

“The Cen family was particular about food and silence. When they ate, other than the faint sound of chewing, there was no other sound.”

“After eating, Zhou Xiang immediately put down her chopsticks and looked at Cen Shaoqing. “Shaoqing, I’m done eating. Hurry up and say it.” ”

“Cen Shaoqing raised his head and looked at Zhou Xiang. “Mom, Grandma, Let’s go to the living room to sit down and talk properly.” ”

“What are you talking about?” Old Mrs. Cen asked curiously.

“Zhou xiang continued, “It’s about Haifeng! Mom, Shaoqing said that he found out about Haifeng!” ”

“Really?” Old Mrs. Cen turned to look at Cen Shaoqing, her eyes full of excitement. ”

“Yes.” Cen Shaoqing nodded slightly.

“Good! Good! Good!” Old Mrs. Cen’s eyes immediately turned red. “Let’s go to the living room! Let’s talk in the living room!”

The three of them came to the living room.

“Zhou Xiang could not wait to speak. “Shaoqing, hurry up and say it!” ”

“Old Mrs. Cen also looked at Cen Shaoqing with excitement, her eyes full of anticipation. ”

Her son had been gone for so many years.

She had not even seen a corpse...

“As a mother, she had never been able to feel at ease.”

“Grandma, Mom,” Cen Shaoqing continued, “Wait a little longer, eldest sister, second sister, and third sister are not back yet.”

“As soon as he said this, footsteps could be heard from outside.”

“CEN Yueya said, “Shaoqing, why did you call us back in such a hurry to announce something important?”

“CEN yueying teased, “Could it be that you have something important to do with burning?”

“This is indeed a big matter!”

“Cen Shaoqing raised his eyes slightly and continued, “It’s about Dad.”

“Hearing that, the smiles on the faces of the three sisters instantly disappeared.”

“Zhou Xiang continued, “Big Girl, second girl, and third girl, quickly sit down and listen to Shaoqing.”

Chapter 2125: 438: the truth is exposed! 5

The three sisters immediately sat down.

“CEN Shaoqing said slowly, “Grandma, Mom, Big Sister, second sister, and third sister, what I’m going to say next might be a little hard for you to accept. You must be mentally prepared.”

“Okay.” Cen Yuying nodded.

“CEN Shaoqing continued, “Dad is still alive. He wasn’t taken away from the shipwreck.” ”

“As soon as he said that, it was as if a pause button had been pressed in the air. ”

There was no sound around them.

“”What... What did you say?”Zhou Xiang held Cen Shaoqing’s hand tightly. Her face was full of disbelief as she widened her eyes and asked, “Shaoqing, what did you say? What happened to Your Dad?” ”

Old Mrs. Cen and the other three sisters also looked surprised.

“If they had not heard Zhou Xiang’s words, they would have thought that they were hearing things. ”

Cen Haifeng was not dead?

“If Cen Haifeng was not dead, then where was he now? ”

“So many years had passed, why had he never returned home? ”

“CEN Shaoqing continued, “He is not dead.” ”

Not Dead?

Cen Haifeng was not dead!

“”Shaoqing, are you kidding me?”Zhou Xiang looked at Cen Shaoqing. ”

“”I’m not joking with you,”Cen Shaoqing said. “He’s indeed not dead.” ”

“Hearing this, Zhou Xiang’s face was filled with both tears and laughter.”

Her long-cherished wish had finally come true!

“Then where is he now?” Old Mrs. Cen stood up from her chair. “Tell that unfilial son to get out! I want to ask him personally why he hasn’t returned home after so many years!”

“Thinking of Zhou Xiang’s suffering all these years and the tears she shed in the dead of night, Old Mrs. Cen was furious.”

“”Grandma, don’t be anxious. Let me tell you slowly,” Cen Shaoqing said.”

Old Mrs. Cen sat back down on the sofa. “Tell me.”

“CEN Shaoqing continued, “Outside the Milky Way, there is a galaxy called the S galaxy. There are a total of four countries in the S galaxy. They are Changyue, Manxing, the Bug Race, and the General Alliance. Among them, the General Alliance is the leader of the other three countries... ..” ”

“”Stop, Stop!” Old Mrs. Cen said impatiently, “I asked you to tell me about your father, why are you talking about this with me?” ”

She was not interested in listening to this now.

“Please listen to me.”

“”Okay.” Old Mrs. Cen nodded, “Continue.” ”

“Cen Shaoqing continued, “The General Alliance has always had an unwritten rule. The future leaders must be born and raised on Earth until they get married and have children before they are brought back by the General Alliance. After they are brought back by the General Alliance...” ”

“Hearing this, Cen Yu reacted and looked at Cen Shaoqing. “Shaoqing, you mean that our father is the leader of the General Alliance.” ”

“”Yes.”Cen Shaoqing nodded slightly and continued, “Not only our father, but also grandfather, great grandfather, great grandfather, great grandfather, great grandfather, great grandfather... They are all the leaders of the General Alliance.” ”

“Old Mrs. Cen’s face was slightly pale. “Then, then your grandfather didn’t leave by accident?” ”

“Yes.”

“Then why didn’t grandfather and Father Come Back?”Cen Yuying frowned.

“”In the main alliance, there is an ancient forbidden spell that has been passed down for many years. Those who are affected by the forbidden spell will forget about their future,”Cen Shaoqing said slowly, “They are affected by the forbidden spell and forget everything. After they return to the main alliance, they will get a new wife.” ”

Get a new wife?

“Hearing this, Zhou Xiang raised her head and looked at Cen Shaoqing. There was no expression in her eyes. ”

“After a long while, she raised her head to look at Cen Shaoqing. “What did you say?” ”

“”Mom, I don’t want to lie to you.”Cen Shaoqing looked at Zhou Xiang and continued, “He already has a wife in the General Alliance.” ”

He has a wife.

He has a wife.

“A smile appeared on Zhou Xiang’s lips. Then, her vision went dark and she fainted just like that. ”

“Mom!”

The three CEN sisters immediately pounced on her.

“Old Mrs. Cen sat on the sofa, unable to regain her senses for a long time. ”

“She never thought that one day, she would hear the news of CEN Haifeng in such a way. ”

Live.

Marry another.

Abandon their wives and children.

“No matter what kind of excuse they had, abandoning their wives and children to marry another, they were all full of scumbags. ”

Poor Zhou Xiang had actually stayed by his side for so long.

“Thinking of this, Old Mrs. Cen turned to look at Zhou Xiang. “Xiang Xiang, Xiang Xiang, are you okay?” ”

“Zhou xiang fainted on the sofa. No matter how the three CEN sisters performed first aid, she showed no signs of waking up. ”

Cen Shaoqing contacted the family doctor.

“Old Mrs. Cen walked up to Cen Shaoqing. “Shaoqing, what is going on?” ”

““It’s exactly what I told you.”CEN Shaoqing continued, “He lost his memory and married someone else.” ”

““How did you know? Could it be a mistake?”Old Mrs. Cen asked, “Your father died a long time ago! That person is definitely not your father!” ”

Old Mrs. Cen would rather believe that Cen Haifeng had died than face the fact that Cen Haifeng had lived and married someone else.

““No.”Cen Shaoqing shook his head. “To tell you the truth, I did not go out with burning to do experiments. Instead, we went to the General Alliance.” ”

““So, you saw that unfilial son?”Old Mrs. Cen asked. ”

“Yes.”Cen Shaoqing nodded slightly.

“Old Mrs. Cen continued, “Then why didn’t you beat him to death!” ”

““Grandma, now is not the time to joke,”Cen Shaoqing said. ”

“Who joked with you?”Old Mrs. Cen looked at Cen Shaoqing.

Chapter 2126: 438: the plot was killed before it had even begun

Old Mrs. Cen was not joking with Cen Shaoqing.

“Cen Haifeng had abandoned his wife and son, causing Zhou Xiang to wait for him for so many years in vain. Yet, in the blink of an eye, he had another lover in the alliance.”

Was he worthy of Zhou Xiang?

“Although she was Cen Haifeng’s mother, she would not help her family. Moreover, she was also in the game.”

“According to Cen Shaoqing, Cen Shaoqing’s grandfather was just like Cen Haifeng...”

“When she thought of this, the anger in Old Mrs. Cen’s heart was greater than her sadness.”

“Although she was old and the Cen family’s old man had passed away for so many years, she had always thought that she and the Cen family’s Old Man were true love.”

She had never thought...

It was simply laughable.

“Old Mrs. Cen continued, “You should have killed him! This kind of person doesn’t deserve to live in this world!” ”

“At this point, old Mrs. Cen seemed to have suddenly thought of something. She turned to look at Cen Shaoqing and narrowed her eyes. “You won’t be like your father in the future, will you?” ”

“What are you talking about!”Cen Shaoqing frowned slightly. “How can I Be Like Him?”

“Old Mrs. Cen raised her walking stick. “If you dare to be like that unfilial son, I will break your legs and beat your dog head!” ”

“Don't worry, I will never be a heartless person.” Cen Shaoqing's tone was indifferent, but it was sonorous and forceful. ”

“Old Mrs. Cen snorted coldly, “You men, your words are better than your singing! Your grandfather said that he would give up everything for me, and your father also treated your mother as a treasure in his hands. But in the end? I can finally see that men are all heartless dogs!” ”

“Cen Shaoqing could not refute her words. After all, his grandfather and father had indeed done such things. ”

“The most disgusting thing is the General Alliance! This kind of broken country should not exist!” Old Mrs. Cen used her walking stick to knock the ground loudly. “These women of the CEN family have been ruined by them!”

“Old Mrs. Cen's mother-in-law was widowed at the age of 30, and her mother-in-law was widowed at the age of 26. She had been widowed at a young age for several years. She had thought that this was fate, but who would have thought that it was all man-made? ”

“At this moment, a servant came in with the family doctor. “Old Mrs. Cen, Doctor Qiu is here.” ”

“Old Mrs. Cen immediately put away the anger on her face and immediately went up to him. “Doctor Qiu, Please Check on my daughter-in-law. Is She Alright?” ”

““Okay, old Mrs. Cen, don't be anxious.” ”

“Doctor Qiu nodded, put down the medical box, and took out the stethoscope to diagnose Zhou Xiang. ”

The three CEN sisters stood anxiously at the side.

“After a moment, doctor Qiu put down the stethoscope. ”

“CEN yuying immediately asked, “Doctor Qiu, is My Mother Alright?” ”

“It’s nothing serious.” Doctor Qiu shook his head and continued, “Mrs. Cen is mainly anxious. I’ll prescribe a prescription for her to recuperate. She’ll be fine in a few days.” ”

“Hearing this, Cen Yuying was relieved. She smiled and said, “Thank you, Doctor Qiu.” ”

“You’re too kind. This is what I should do.” Doctor Qiu put away the medical kit.

Old Mrs. Cen personally sent Doctor Qiu out.

“Inside the room, Cen Yuying walked to Cen Shaoqing’s side and asked in a low voice, “Shaoqing, what’s going on? Look at how scared you are of Mom! is our dad really still alive?” ”

Cen Yuying felt that this matter was a little mysterious.

Cen Haifeng had been missing for twenty years. Could it be that he was really brought back by someone outside the Milky Way?

“It’s true.” Cen Shaoqing continued.

“Cen Yuying frowned slightly. “But don’t you think this matter is very incredible? Could it be that they just happen to look alike? The world is so big that there are all kinds of strange things...” just like Old Lady Cen., cen Yuying now hoped that Cen Haifeng had really passed away. How would things end up like this in the future? ”

“Besides, this wasn’t fair to Zhou Xiang! ”

Cen Shaoqing didn’t say anything. He took out a photo and handed it to Cen Yuying. “Look at this.”

Cen Yuying took the photo.

The Man in the photo was elegant and handsome. The woman was gentle and careful. The man was talented and the woman was beautiful.

This...

“Young...”

“Cen Yuying was about to speak when CEN Shaoqing continued, “I went to do a paternity test.”The rest of his words were self-evident. ”

CEN yuying frowned tightly.

Cen Yueya and Cen Yueying walked over from the side. The two sisters also had worried looks on their faces.

“”Shaoqing, you are the pillar of the family. Give us an idea. What should we do now?”Cen Yueying said.  
”

Cen Yueya nodded.

“”Give the choice to Mom,”Cen Shaoqing said slowly. ”

“CEN yuying continued, “You mean, no matter what mom chooses, we all support mom unconditionally?” ”

“Yes.”Cen Shaoqing nodded slightly.

Chapter 2127: 438: the plot hasn't even started yet and it's already been snuffed out

“CEN yuying said, “That’s good too.”After all, Zhou Xiang was the biggest victim in this matter. She had the right to make a choice more than anyone else. ”

“Before long, Old Mrs. Cen sent Doctor Qiu back from outside. “What did you siblings discuss?” ”

“”Grandma,”cen yuying continued, “No matter what choice my mother makes, the four of us will support her.” ”

Old Mrs. Cen glanced at them and didn’t say anything.

...

On the other side.

The DUANMU family was in a mess.

Especially Duanmu Feng and the others.

“Seeing that the great elder and the others were about to bring back the young master of Dongli and that she was going to marry into the general alliance mansion, Cen Haifeng suddenly remembered everything at this critical moment. ”

“Since the founding of the General Alliance, such a ridiculous thing had never happened! ”

“”Mom, what should we do? has there been any letter from my aunt?”Duanmu feng frowned and paced back and forth. ”

“Not yet.”Mrs. Duanmu was also very anxious.

“Where’s My Dad? Why didn’t he come back to see him when such a big thing happened?” Duanmu Feng continued, “Mom, have you informed my dad?” ”

Mrs. Duanmu nodded. “He has some urgent matters and can’t come back for the time being.”

“Duanmu Liangchen’s son had suddenly contracted an urgent illness and was in a life-and-death situation, so Duanmu Liangchen wouldn’t be able to return for the time being.”

“If it were in the past, Mrs. Duanmu would definitely cause a ruckus.”

“What urgent matter could be more urgent than this?” Duanmu fengyu frowned. “Soon, aunt will be kicked out of the house!” ”

“Mrs. Duanmu continued, “Fengyu, don’t be anxious. Your aunt is so smart, so she will definitely be fine! “Besides, she has been with Cen Haifeng for so many years. I believe that Cen Haifeng will not really chase her out!” ”

“At this moment, the Butler walked in from the door. “Madam.” ”

“Mrs. Duanmu asked directly, “How is the headquarters?” ”

“The Butler looked around and said in a low voice, “Good news! Madam...” ”

“When she heard the housekeeper say that Cen Haifeng had fainted, Mrs. Duanmu said excitedly, “Really?” ”

“Yes.” The housekeeper nodded. “It was madam president who personally sent someone over to say it!”

“That’s good, that’s Good!” Mrs. Duanmu patted her chest. ”

“Duanmu fengyu continued, “Mom, why don’t we go to the Central Hospital?” ”

“Otherwise, she would feel a little worried.”

Duanmu Huangfei was a person who never reported bad news.

“Okay.” Mrs. Duanmu nodded. “Let’s go and visit your uncle.”

“After making some preparations, the mother and daughter arrived at the Central Hospital.”

“Cen Haifeng stayed in the top VIP ward, so he had to make an appointment in advance.”

“After receiving a call from the front desk, Duanmu Huangfei immediately went downstairs.”

“Auntie.”

Duanmu Fengfei walked up to Duanmu Fengfei.

“Duanmu fengfei continued, “It’s so late. Why are you two still here?” ”

“When Mrs. Duanmu raised her head and saw a palm print on Duanmu Fengfei’s face, she was shocked.  
“Sister, what happened to you?” ”

“Nothing.” Duanmu fengfei shook her head.

“He...” Mrs. Duanmu looked inside the ward. “Did he attack you?”

“Seeing her family, Duanmu Fengfei finally couldn’t hold back her tears and nodded.”

Even Duanmu Fengfei herself didn’t expect Cen Haifeng to attack her.

“After all, she and Cen Haifeng were husband and wife for twenty years.”

What was the relationship between them for these twenty years?

“Mrs. Duanmu grabbed Duanmu Fengfei’s hand and said with a frown, “I knew you wouldn’t report the bad news, but I didn’t expect him to attack you! How could he do this? You’ve given so much for him...”

“It’s nothing.” Duanmu Fengfei took a deep breath. “Isn’t it just a Slap?”

“A slap was nothing, but what was worse was to come.”

She was so close...

She was so close to being kicked out by Cen Haifeng!

“Mrs. Duanmu’s eyes were full of heartache. Duanmu Fengfei had always been a competitive person. Cen Haifeng had really gone too far this time. If others saw this, how would Duanmu Fengfei Behave?”

“Where’s Liangchen?” Duanmu Fengyu asked.

““My dad didn’t come back,” Duanmu Fengyu answered.”

Didn’t come back?

“Hearing this answer, Duanmu Fengyu’s eyes flashed with displeasure. With her understanding of Duanmu Liangchen, she knew what he was up to!”

“How long has it been since he came back?” Duanmu Fengyu asked

“My father hasn’t come back for more than a month!” Duanmu Fengyu said.

Chapter 2128: 438: the plot was killed before it even started

“Upon hearing this, Mrs. Duanmu immediately said, “Fengyu!” ”

“”He didn’t come back for more than a month!” Duanmu Fengyu said angrily, “He didn’t come back even after such a big thing happened to my aunt. I think he doesn’t want this family anymore!” ”

“He didn’t come back for more than a month! This is ridiculous!” Duanmu Fengyu frowned deeply. “Why didn’t you tell me about this?”

Mrs. Duanmu smiled. “He’s busy.”

“Busy?” Duanmu Fengyu’s eyes were full of sarcasm. “What would he be busy with?”

Busy playing with women?

“Mrs. Duanmu continued, “Don’t talk about him. Sister, brother-in-law’s coma is only temporary. What do you plan to do if he wakes up later?” This was the most important matter. ”

“I’ve already invited the National Master and the great elder over. They will find a way.”

“The National Master and the Great Elder were already contacting the forbidden spell clan. As long as they re-sealed the forbidden spell in Cen Hai Feng’s body, he would forget everything that he had thought of previously. ”

He would no longer have to worry about Cen Hai Feng remembering them in the future!

“Apart from that, Duanmu Huang Fei did not plan to leave any threats for herself this time.”

She wanted all of them to die!

“When she thought of this, Duanmu Huang Fei’s eyes were filled with malice and terror.”

“When she heard this, Mrs. Duanmu nodded. “That’s good.” ”

The Imperial preceptor and the great elder had already contacted the Forbidden Arts clan.

“After hearing about Cen Hai Feng’s matter, the most senior patriarch of the Forbidden Arts clan brought two outstanding juniors and rushed to the central hospital overnight.”

“After saying that, Mrs. Duanmu continued, “Let’s go up and see brother-in-law.” ”

“Okay.” Duanmu Huangfei nodded.

The few of them went to Cen Haifeng’s ward together.

Cen Haifeng was lying on the bed and had yet to wake up.

“Duanmu Huangfei held Duanmu Fengyu’s hand and said, “Fengyu, remember aunt’s words. No matter what, you have to think of yourself. When you have to be ruthless, you have to be ruthless. Don’t follow in Aunt’s footsteps.” ”

“She had thought too much for others, which was why she had fallen to this state.”

She was probably the most embarrassed wife of the General Alliance in history.

Ridiculous.

It was simply ridiculous.

Duanmu fengyu nodded. "I understand."

"However, there are some things that you are not suitable to do right now," Duanmu Huangfei continued, "Wait until you take my position, then you can take action and eliminate the future trouble forever!" "

"The two of them were aunts and nephews, and they had the same blood flowing through their bodies. How could Duanmu Fengyu not know what Duanmu Huangfei meant by this sentence? He nodded and said, "Okay, Aunt, I understand." "

Duanmu Huangfei nodded.

"The next day, the Patriarch of the Forbidden Arts clan brought his juniors to the Central Hospital. "

The Imperial preceptor and the great elder stood at the entrance of the hospital to welcome them.

"Clan leader Qing, long time no see!" "

The Imperial preceptor and the great elder cupped their fists at the newcomer.

"Clan leader Qing returned the greeting and said, "Hello, these are my two disciples, Qing man and Qing Yi." "

Qing man and Qing Yi immediately greeted the imperial preceptor and the great elder.

“The imperial preceptor nodded, “As expected of the disciples of clan leader Qing. They are all good seedlings! Come, Let’s talk upstairs!” ”

The few of them walked upstairs together.

“When they arrived at the ward, clan leader Qing looked at Cen Haifeng who was lying on the bed and said, “Please rest assured. I will definitely re-seal the forbidden technique on Mr. Zong Meng’s body.” ”

“Then I’ll have to trouble clan leader Qing.”

“Of course.”

“When Duanmu Huang Fei arrived at the hospital, clan leader Qing had already sealed his two disciples inside. ”

Duanmu Huang Fei was a little anxious as she paced back and forth outside the ward.

“Seeing her like this, the great elder came over and comforted her, “Madam, don’t be anxious. Chief Qing is the most experienced elder in the Forbidden Arts clan. With him around, there will definitely be no problems!” ”

“I remember what you and the Imperial Preceptor told me last time! But what happened in the end?” Duanmu Huang Fei looked at the Great Elder.

“Hearing this, the great elder looked embarrassed. “It was an accident last time. Madam, I promise you that nothing like that will happen again!” ”

“”What guarantee do you have?” Duanmu Huang Fei looked at the Great Elder. “In short, I don’t want that to happen again!” ”

“The great elder nodded. “Yes, yes, yes. Don’t worry.” ”

Duanmu Huang Fei glanced at him and didn't say anything else.

"Soon, clan leader Qing walked out of the ward."

Duanmu Huang Fei immediately went up to him. "How was it?"

"Clan leader Qing said, "It went very smoothly. Don't worry. Mr. Chief won't think about those terrible things in the future." "

"Okay." Duanmu Huang Fei nodded. "Thank you for your hard work."

Chapter 2129: 438: the plot hasn't even begun and it's already been killed

"It's no trouble. It's my duty to serve Madam," clan leader Qing said. "

"Duanmu Huang Fei continued to ask, "Clan leader Qing, will the chief really not think about those things in the future?" "

"Duanmu Huang Fei, you really have a good plan!" "

"At this moment, a dignified voice suddenly appeared in the air. "

"Hearing this, everyone was stunned. "

This voice...

Was It Cen Haifeng's?

“Looking Up, it was indeed Cen Haifeng.”

“Duanmu Huangfei smiled and pretended that nothing had happened. “Haifeng, you’re awake.” ”

“Cen Haifeng did not look at Duanmu Huangfei and continued, “Ouyang Li, Zhao Guoshi, how dare you use forbidden techniques on me!” ”

Ouyang Li and Zhao Guoshi were the names of the great elder and the National Master.

““Mr. , Mr. Chief Alliance...”the great elder’s legs were shaking. ”

The National Master was also a little flustered.

“Cen Haifeng looked like he had not forgotten anything, right? ”

Clan leader Qing was also a little confused. It shouldn’t be!

“The whole process was so smooth, how could Cen Haifeng Not Forget Anything? ”

Clan leader Qing really couldn’t figure out what went wrong.

“At this moment, Cen Hai Feng turned to clan leader Qing and said, “From today onwards, the forbidden clan will forever ban the use of forbidden techniques. Those who violate this will be expelled from their nationality and exiled to the insect clan!” ”

The insect clan was the most terrifying planet.

“The criminals of Chang Yue, man Xing and the Allied countries were mostly imprisoned to the insect clan.”

“Being locked up in the insect clan, under normal circumstances, there were only two outcomes.”

Waiting to die and being eaten.

“Hearing this, clan leader Qing’s back was covered in layers of cold sweat.”

“Their forbidden clan relied on this to survive. If they were not allowed to use forbidden techniques, how would they live in the future?”

“Cen Haifeng seemed to have seen through his thoughts and continued, “As ordinary people live, you will live as YOU LIVE!” ”

“At this moment, chief Qing had no choice but to lower his head. “Yes.” ”

“Cen Hai Feng continued, “The two of you go back and wait for the notice.” ”

The National Master and the Great Elder were the leaders of the alliance. They could not touch them casually for the time being. They had to think of a foolproof plan.

“Hearing this, the Great Elder and the National Master looked at each other and saw doubt in each other’s eyes.”

Wait for the notice?

Waiting for what notice?

Had Cen Haifeng Forgotten Everything?

“Cen Haifeng pressed his temples and said, “Let’s go back first. I’m tired.” ”

“Yes.”The National Master and the Grand Elder turned around and left.

“Duanmu fenghuang immediately walked forward. “Haifeng, let me help you in to rest.” ”

Cen Haifeng avoided Duanmu Fenghuang’s hand.

“Duanmu Fenghuang’s expression was a little stiff at this moment, but she quickly recovered and followed Cen Haifeng’s footsteps. ”

She couldn’t figure out what Cen Haifeng was thinking.

““You should go back too,”Cen Haifeng said. ”

““I’ll stay with you,”Duanmu Fengfei said. “The Doctor said that you’ll have to stay in the hospital for two days.” ”

““Duanmu Fengfei, you don’t have to act in front of me anymore. I’ve thought of everything. You should go back and clean up. I’ve already asked someone to cancel our marriage.” ”

“From then on, Duanmu Fengfei had nothing to do with him. ”

“Hearing this, Duanmu Fengfei’s face instantly turned pale. “W-what did you say?” ”

“I’ve already said it clearly enough.”Cen Haifeng turned to look at her. “Do you want me to repeat it again?”

“Cen Haifeng’s face was gentle, and there was not even a hint of anger in his eyes. He was so calm that it seemed as if he was discussing with Duanmu fengfei what to eat the next morning. ”

PA —

“Duanmu Fengfei could not stay calm anymore. She swept the vase on the table away and looked at Cen Haifeng with tears in her eyes. “Cen Haifeng, I have accompanied you for twenty years, twenty years! What have I been in your heart for these twenty years?” ”

“Twenty years of marriage and companionship, and in the end, this was the result. ”

“”My marriage with you has always been a lie,”cen haifeng continued, “If my forbidden spell was lifted, do you think I would be with you?” ”

Absolutely Not!

But Duanmu Huangfei did not think so.

“She was more beautiful than Zhou Xiang on Earth, and she was born better than her. No matter who it was, they would choose her instead of Zhou Xiang! ”

“”Excuses, these are all your excuses! You just see me as Old and yellow, and my youth is gone! Cen Haifeng, Why Can’t you have a little bit of conscience?” ”

“”You can go.”Cen Haifeng’s voice was very calm. Compared to the angry Duanmu huangfei, he was so calm that it was as if nothing had happened. “I don’t want to argue with you.” ”

He also didn’t have the energy to argue.

Chapter 2130: 438: the plot was killed before it even started 5

“Looking at the heartless Cen Haifeng, duanmu huangfei continued, “You let me go, have you ever thought about my situation! I said, marrying you was not my own will! I once had a young man I liked, but it was because of your appearance that I became like this! For You, for your son on Earth, I didn’t even have my own child! I’ve given everything for you, but now, you actually want me to leave! Tell me, where do you want me to go? You’re not asking me to leave! You’re asking me to Die!” ”

“If she was really chased away by Cen Haifeng, she might as well die. ”

“Now that she had nothing, if she was really chased away, what face would she have to be a slut? ”

The once glorious wife of the chief alliance had actually become a concubine!

“Hearing this, Cen Haifeng’s expression changed. ”

“Indeed, he could not completely remove himself from this matter. ”

“He was at fault. The system of the Chief Alliance was at fault, but Duanmu Huangfei was not without the slightest fault. ”

““Don’t worry, I will properly arrange the matters later,”cen Haifeng continued, “I won’t let you suffer!” ”

“Duanmu huangfei turned to look at Cen Haifeng, his eyes full of sarcasm, “Arrangement? How are you going to arrange it? The best arrangement you can make now is to forget about the people and matters on earth and wait patiently for the Great Elder and the National Master to take over the eastern fence. You just have to follow the ancestral teachings!” ”

Follow the ancestral teachings?

Impossible!

“Cen Haifeng’s face was filled with anger. “Duanmu Huangfei, I’ll give you a way out. If you don’t, then don’t blame me for not remembering our past friendship!” ”

“After saying this, Cen Haifeng turned around and left! ”

Duanmu Fengfei looked at Cen Haifeng’s determined back with a vicious look in her eyes.

Wait.

She would definitely make Cen Haifeng pay the price!

It was definitely not that simple for CEN Haifeng to kick her out!

Duanmu fengfei immediately took out her communicator and sent a message to her assistant.

Duanmu Fengfei had been the wife of the General Alliance for so many years and had also cultivated some forces.

The assistant replied very quickly.

“After contacting the assistant, Duanmu Huangfei returned to the Chief Alliance Mansion. ”

The first thing Cen Haifeng had to do was to go to the Chang Yue country to thank Shao Qing and Zhuo Ye.

“If it weren’t for these two young men, he wouldn’t have remembered everything so quickly. ”

“However, after going to the Chang Yue country, he found out that there were no people named Shao Qing and Zhuo Ye in the Chang Yue country. ”

Shao Qing.

“At this moment, Cen Haifeng suddenly thought of something.”

Could it be...

Shao Qing was Shao Qing?

Cen Haifeng’s face turned slightly pale when he thought of this.

““Mr. Chief Alliance.”At this moment, the special assistant walked to Cen Haifeng’s side.”

“What’s the matter?”

The special assistant lowered his voice and whispered a few words into CEN Haifeng’s ear.

Cen Haifeng’s expression immediately changed when he heard this. He immediately went to Duanmu Fengfei’s room.

Duanmu Fengfei sat in front of the table to make tea. She was in good spirits and was not as dispirited as she had imagined.

It was as if this matter had not changed anything for her.

“When she heard the commotion, she did not raise her head and did not say anything.”

Cen Haifeng walked over and directly lifted Duanmu Fengfei’s tea set.

Bang.

The top-quality tea set shattered on the ground.

“What’s wrong with you now?” Duanmu Fengfei looked at Cen Haifeng.

“Cen Haifeng grabbed Duanmu Fengfei’s hair and said angrily, “Duanmu Fengfei! I really misjudged you! You Vicious Woman!” ”

Duanmu Fengfei’s heart skipped a beat.

Could it be that the people she sent to Earth were discovered by Cen Haifeng?

No.

It couldn’t be.

““You still have the face to ask me what’s Wrong?” CEN Haifeng continued, “Tell Me! Why did you harm them?” ”

“If he hadn’t been worried and sent people to keep an eye on Duanmu Huangfei, he would have made a huge mistake! ”

“Duanmu Huangfei’s face turned pale. “Haifeng, I didn’t do anything. I didn’t do anything. Someone must be trying to frame me. Believe me, believe me...” ”

“I only believe what I see and hear!” Cen Haifeng turned to look at his assistant. “Send it to the police station.”

““Yes, Mr. President.” ”

“Duanmu Fengfei wanted to say something else, but Cen Haifeng directly cut her with his hand. Duanmu fengfei blacked out and fainted.”

“When she woke up again, she was already locked up in the police station.”

...

At the CEN residence.

Zhou Xiang woke up very quickly.

But she still did not dare to face reality.

“Old Mrs. Cen sat in front of the bed. “Xiangxiang, you should eat something. Don’t worry, Mom is here. Mom will definitely support you. They want to bully my daughter-in-law! No Way!” ”

“Looking at Old Mrs. Cen, Zhou Xiang suddenly cried out, “Mom!” ”
