Chapter 2141: 341: Old Mrs. Cen online torturing scum! 1

Ye Zao.

The assistant repeated it again.

“Man Xing frowned slightly, the expression on his face was a little complicated.”

“If this person was really ye Zao, then the game of chess would be even bigger.”

“Do you have a clearer picture?” Man Xing asked.

““Wait a moment, I’ll look for it,” the assistant said.”

Man Xing nodded slightly.

“The assistant turned on the monitor, but it was very strange that the 360-degree surveillance camera did not capture a positive photo of ye Zao.”

Most of the photos were of his side profile or back.

“A moment later, the assistant looked up at man Xing. “Miss, I can’t find a positive photo.” ”

There was no positive photo?

That was even more strange!

Man Xing frowned. "Go and call madam over."

"Okay." The assistant went out to look for Zhao Dan.

Zhao Dan was originally sitting with a few noble ladies to discuss the details of the begging festival.

"Although the s galaxy was outside the Milky Way, the people of man Xing country still attached great importance to the traditional festivals left behind by their ancestors. "

"Furthermore, with the development of technology, the number of single men and women in man Xing country was also increasing day by day. Many men and women were waiting for this important day to get rid of their single status. "

"However, when she heard her assistant say that Manxing was looking for her, Zhao Dan immediately put down what she was doing and followed her assistant to Manxing's study. "

""Xing 'er, why are you looking for me?" "

"Manxing pointed at the transparent screen in the air and said, "Mom, who do you think this is?" "

"Upon hearing this, Zhao Dan's gaze immediately locked onto the figure on the screen. Immediately, her eyes narrowed slightly. "This, this is... Ye Zhuo?" "

""Mom, do you also think that she looks like her?" Man Xing asked. "

"Looks like her?" Zhao Dan frowned slightly. "Could it be that this isn't Ye Zhuo?"

"MAN XING said, "Her name is Ye Zhuo, but she isn't miss ye from Chang Yue. Mom, do you know who she is?" "

Zhao Dan shook his head. "Who is she?"

""She is the girlfriend that the young master of Dongli brought back from Earth," man Xing said. "

"What? !" Zhao Dan's expression changed.

How could this be?

This was obviously ye Zhuo!

"Although it was just a side profile, no one would mistake their own daughter! "

Zhao Dan was very sure that this was ye Zhuo.

"But if she was ye Zhuo, why would she become the girlfriend that young master Dongli brought back from Earth? "

What exactly happened?

"MAN XING continued, "Mom, why do you think sister suddenly took the throne?" "

"Because of Ye Han..."

""No," man Xing directly interrupted Zhao Dan's unfinished words, "Mom, we guessed wrong from the beginning. It's not that sister can't hold on to her position, but she doesn't need this position anymore!" "

"The main alliance country ruled the three countries, so what was a mere monarch of changyue? "

Ye Zhuo was really a good plan!

“This way, firstly, she could ditch Manxing country, and secondly, she could be the wife of the main alliance in Peace! ”

“Zhao Dan also thought of this, “Could it be that, could it be that she planned it in advance?” ”

“”Yes.”Manxing nodded and said gently, “However, we can’t completely blame sister. After all, we let sister down first. If it were anyone else, they would have an opinion about us.” ”

“This unfilial daughter! I’m her mother! She actually lied to me! She’s really good!”Zhao Dan was so angry that she turned green.

The reason why she gave up on recognizing ye Zhuo was that ye Zhuo had no value anymore.

But who knew that all of this was ye Zhuo’s plan!

UNFILIAL daughter!

“If other people’s daughters had benefits, they would definitely think of their family first. But Ye Zhuo was good. Not only did he not think of his family, but he was also busy trying to distance himself from his family. ”

How could she give birth to such a daughter!

“Such a person, not to mention Manxing, she could not even compare to Manxing. ”

“The more Zhao Dan thought about it, the angrier she got. ”

“”Mom, please don’t be angry.”Manxing continued, “All of this is just my guess. I believe that elder sister would definitely not do such a thing.” ”

""You are just too kind. You think of everyone so well!"Zhao dan continued, "Back then, she had already treated me like that, and you still said that you wanted to forgive her and be considerate of her. Now, look at you! She has soared and directly kicked us far away! She wants to break off relations with us! It's not that simple!" "

"The main alliance valued blood relations the most. Once she announced this news, even if ye Zhuo did not want to acknowledge her as his mother, he had to acknowledge her! "

Did she really think that it was so easy to repay the kindness of having a child?

""Mom, calm down first."Man Xing comforted Zhao Dan's emotions, then he said, "Mom, don't worry. I know you're in a hurry to introduce yourself to elder sister so that the five of us can reunite as soon as possible. But I heard that young master Dongli's girlfriend is a native of Earth, but elder sister is different. "I want to send someone to investigate her background." "

Chapter 2142: 341: Old Mrs. Cen is abusing trash online! 2

"Hearing Manxing's words, Zhao Dan's emotions slowly calmed down. He nodded and said, "Alright, then you can check first. Remember to tell me as soon as you're done." "

"Okay."Manxing nodded.

In another room.

Manwen heard the conversation coming from the earpiece and frowned slightly.

Could it be that young master Dongli's girlfriend was really ye Zhuo?

Then what should he do now?

He had to think of a way to inform ye Zhuo of this news so that she could make a perfect plan.

“But, how should he inform her? ”

Man Wen fell into deep thought.

“No matter what, he couldn’t let these people pester ye Zhuo. ”

The man family already owed her enough.

...

On the other side.

In the General Alliance.

“Mrs. Duanmu stood in the crowd and turned to look at Duanmu Fengyu. She said in a low voice, “It seems that your aunt and I have underestimated this Zhou Xiang.” ”

“”Mom, What’s Wrong?”Duanmu Fengyu was stunned. ”

“Mrs. Duanmu said, “Look at that move of hers. She is obviously trying to make your uncle pity her.” ”

“If Zhou Xiangzhen did not have any feelings for Cen Haifeng and only had resentment, she would not have come forward to plead for Cen Haifeng. ”

She was obviously trying to attract Cen Haifeng’s attention.

“”What about Auntie!”Duanmu fengyu continued, “We can’t let this woman take Auntie’s position!” ”

The thought of Zhou Xiang replacing Duanmu Fengyu disgusted Duanmu Fengyu.

How could Zhou Xiang compare to Duanmu Fengfei?

What right did she have to replace Duanmu Fengyu?

Only Duanmu Fengyu was the most honorable woman in the S Galaxy!

““If you can’t bear it, you’ll mess up big plans.”Mrs. Duanmu continued, “From now on, you have to be closer to Zhou Xiang than you are to your aunt.” ”

Only in this way could Duanmu Fengyu win Zhou Xiang’s favor.

“Duanmu Fengyu also felt that she would be able to bear it. However, after seeing Zhou Xiang, she realized that she couldn’t bear it at all.”

Not even for a minute.

“In her eyes, besides Duanmu Fengfei, no one else was worthy to stand shoulder to shoulder with Cen Haifeng.”

How could Duanmu Fengyu not be angry that her uncle had been snatched away?

““Fengyu, you have to bear with it now.”Mrs. Duanmu continued, “Even if it’s not for yourself, it’s for your aunt.” ”

Duanmu Fengyu bit her lip and nodded.

""Didn't you say that the young master of Dongli also came back with him?"Duanmu Liangchen walked over from the side. "Fengyu, have you seen the young master of Dongli?" "

Duanmu fengyu shook her head.

""He should still be at the back,"Mrs. Duanmu said. "

"The corridor leading to the headquarters was very long. Standing there, they could only see old Mrs. Cen walking in the front and not the people behind her. "

"At this moment, a burst of exclamations came from the crowd. "

"Then, there were discussions. "

""That's the young master of Dongli, right?" "

"He's so handsome!"

""Although the woman from Earth walking beside him is quite beautiful, she's still an earthling after all. It's more like an earthling giving birth to a child for the young master. However, it's a little whimsical for her to sit in the position of the wife of the Chief Alliance." "

"I'm just afraid that some people don't think that way. Would a person who has been a phoenix ever want to be a sparrow again?"

How could that be possible!

""If she doesn't leave after giving birth, what about Miss Duanmu?" "

"In the hearts of the people of the General Alliance, only the daughter of the Duanmu family was qualified to be the wife of the General Alliance. "

“As for the Earthling in front of her, other than her face, she couldn’t even compare to half of Duanmu Feng. ”

“Do you know the name of this earthling?”

“What’s her name?”

“Ye Zao.”

“Ye Zao? Just Her? She deserves it!”

The surrounding people immediately burst into laughter.

Duanmu Feng raised her head and saw a stunning face.

“The man was more than a head taller than the people around him. His body was like a jade tree, and his face was like a crown of jade. The old-fashioned long gown he wore made him look refined and refined. He exuded an incomparable powerful aura. ”

“At this moment, apart from the sound of her own heartbeat, Duanmu Fengyu could not hear any other sounds. ”

“In the past, Duanmu Fengyu had never known what it meant when a stranger was like Jade and the young master was unparalleled in the world. ”

It was only at this moment that she understood.

So there really was someone in the world who could reach this realm.

“In a blink of an eye, Duanmu Fengyu saw the side profile of Ye Zhuo, and her expression changed. ”

This Earthling’s appearance was somewhat out of her expectations.

She originally thought that her appearance was already outstanding enough.

Who knew...

“Her appearance was even worse than an Earthling’s. To Duanmu Fengyu, it was a humiliation. ”

“She was an outstanding earthling from the s galaxy. Logically speaking, she should be a hundred times more beautiful than this earthling. ”

“Thinking of this, Duanmu Fengyu clenched her fists. ”

Chapter 2143: 341: Old Mrs. Cen’s online abuse! 3

“Mrs. Duanmu held Duanmu Fengyu’s hand and said softly, “Fengyu, as long as you can successfully take that position and continue the glory of the Duanmu family, all of this is nothing.” ”

“At such a time, Duanmu Fengyu could do nothing but suck up to her. ”

“”Mom, I can’t take this lying down.” ”

Duanmu Fengyu was used to being number one at all times. She didn’t want anyone to overshadow her.

“Therefore, when she saw ye Zhuo’s face, she only thought of two words. ”

Destruction.

""Mom knows,"Mrs. Duanmu continued, "But now is not the time to make a move. Have you forgotten your aunt's warning? It's never too late for a gentleman to take revenge." "

"Duanmu Huangfei did not strike when it was time to strike, and he was too impulsive when it was not. That was why he was in this situation. "

""You can't follow in your aunt's footsteps,"Mrs. Duanmu added. "

"Upon hearing this, Duanmu Fengyu had no choice but to swallow her anger. "

"At this moment, Duanmu Liangchen continued, "I'll bring the two of you to greet the old lady." "

"Okay."Mrs. Duanmu nodded.

"The mother and daughter followed Duanmu Liangchen's footsteps. The three of them went up to the old lady. "Hello, Old Lady. I'm Duanmu Liangchen. This is my wife, Xu Jingzhi. This is my daughter, Duanmu Fengyu." "

"OH."The old lady glanced at him. "You're the brother of that Mistress."

Mistress!

Who Did she say was the mistress?

Who was the mistress!

Duanmu Fengyu's eyes were about to burst into flames.

What was this pious old woman saying?

“Seeing that Duanmu Fengyu was about to go berserk, Mrs. Duanmu pulled her back without batting an eyelid.”

“From the time Cen Haifeng had taken Old Mrs. Cen from Earth, one could tell how much he valued his mother, old Mrs. Cen.”

“If Duanmu Fengyu were to do anything out of the ordinary at this time, she would never be able to marry Cen Shaoqing again!”

“Duanmu Liangchen’s expression did not change. He smiled and said, “Old Lady, you misunderstand. My sister, she...” ”

““Oh, she’s your sister, right?” Old Lady Cen Interrupted Duanmu Liangchen, “To be able to raise such a daughter, it can be seen that your Duanmu family’s traditions are not that great! “Don’t tell me that your sister is innocent, your sister is also a victim! “I, this unfilial son of yours, was cast a forbidden spell by you and forgot everything. Could it be that your sister doesn’t know that he has a wife and children on earth? “It’s immoral to interfere even when you know that the other party has a family and children. Tell me, if your sister isn’t a mistress, then what is she?” ”

“Although Old Mrs. Cen was old, her thinking was not muddle-headed.”

Duanmu Liangchen wanted to trick her?

Difficult!

Duanmu Liangchen’s expression did not change.

“Old Mrs. Cen snorted and continued, “But she’s a mistress, and she still wants to clear her name in front of me? Do you really think I’m Old and muddle-headed? Let me tell you, in my heart, Zhou Xiang will always be the only daughter-in-law of the Cen Family!” ”

""You're right," Duanmu Liangchen continued, "But the national system is like this. My Sister is only following the path of her life." "

What was wrong with Duanmu Fenghuang Fei?

Which daughter of the Duanmu family did not walk down this path?

It was the same in all the dynasties. How could Duanmu Fenghuang Fei be blamed!

This old lady was too unreasonable!

""You mean, for the sake of the national system that you speak of, you don't even want etiquette, justice, and shame?" Old Mrs. Cen asked back. "

"Duanmu Liangchen wanted to say something else, Mrs. Duanmu continued, "Old Mrs. Duanmu, please calm down. If my husband has said anything wrong, I will apologize to you. All the mistakes are our fault. "As the old saying goes, if the monarch wants the subject to die, the subject has to die. Our Duanmu family has been loyal for generations. We are definitely not a crafty family. Please rest assured about this." "

"As soon as she finished speaking, Mrs. Duanmu looked at Duanmu Feng and said, "Feng and Yu, come over and greet the old madam." "

"Duanmu Feng and Yu'er smiled and greeted old Madam Cen. "Nice to meet you, Old Madam." "

"Old Madam Cen only wanted to close the door and settle the matter with Cen Hai Feng. In addition, she had just alighted from the aircraft, so she was a little dizzy. She couldn't be bothered to deal with these messy people, so she nodded casually. "

"For a moment, Duanmu Fengyu could not figure out what old Mrs. Cen meant. "

Mrs. Duanmu gestured for Duanmu Fengyu to call Zhou Xiang.

“Duanmu fengyu immediately understood and turned to look at Zhou Xiang. “Hello, Auntie.” ”

“Although Zhou Xiang did not know Duanmu Fengyu’s identity, she could vaguely guess it. She nodded and said, “Hello.” ”

Duanmu fengyu sized up Zhou Xiang and felt that Zhou Xiang was not as shrewd as Mrs. Duanmu had described.

Chapter 2144: 341: Old Mrs. Cen’s online abuse of SCUM! 4

What she saw in Zhou Xiang was weakness.

“Old Mrs. Cen knew that Zhou Xiang did not want to deal with this, so she directly took Zhou Xiang’s hand. “Xiang Xiang, let’s Go!” ”

“Okay.”Zhou Xiang nodded.

Duanmu Feng looked at Old Mrs. Cen and Zhou Xiang’s back and narrowed his eyes.

The group came to the headquarters.

Cen Haifeng dismissed all the servants.

“For a time, only the CEN family was left in the hall. ”

“Cen Haifeng knelt down in front of old Mrs. Cen. “Mom, I’m sorry.” ”

“Old Mrs. Cen sat on the chair and looked at Cen Haifeng. “Let me ask you, have you really forgotten about us?” ”

““It’s true,”Cen Haifeng continued. “One day, I suddenly woke up. I don’t know who I am, I don’t remember what happened in the past, and I don’t know where I am. It was the national advisor and the Great Elder who told me that my name was Cen Haifeng. I was born in the General Alliance, and everything that happened after that was according to their plan. One day, I suddenly felt a headache coming on, and fragments flashed through my mind. Only then did I realize that something was wrong. So, I set off for the northwestern region, wanting to remove the forbidden spell on my body, but the answer I got was that I wasn’t affected by the forbidden spell. At that time, I was disheartened. Fortunately, I met Shaoqing and Miss Ye... ∴ “...” ”

“Hearing his name from Cen Haifeng, Cen Shaoqing took a step forward and said slowly, “Grandma, he was indeed hit by a forbidden spell.” ”

Old Madam Cen looked at Ye Zhuo.

“Ye Zhuo said, “Yes, Grandma Cen. Everything Uncle told Shaoqing was true.” ”

Ye Zhuo was the one who had personally solved the forbidden spell. This matter could not be faked.

“After saying that, CEN Haifeng continued, “After learning the truth, the first thing I wanted to do was to apologize to you. However, I was afraid that you would not forgive me for not wanting to see me, so I found Miss Ye.” ”

“Cen Haifeng also did not wish for things to turn out like this. He felt like he had a dream. After waking up from the dream, the situation had turned into an uncontrollable situation. ”

He had never thought of letting Zhou Xiang down...

“However, no matter how unwilling he was, these things had already happened. ”

“”Mom, I’m sorry. Please give me a chance to change.” ”

Old Mrs. Cen closed her eyes and did not speak.

It was said that those who did not know were innocent.

“Although she knew that this was not entirely CEN Haifeng’s fault, she could not forgive Cen Haifeng. ”

“In the past twenty years, she had seen with her own eyes how much Zhou Xiang had suffered and how much the children had suffered. ”

“If Cen Shaoqing had not stood up in time, the fate of the Cen family would not have been too good! ”

“At that time, everyone would push down the wall. ”

Their Cen family was old and young...

Cen Haifeng’s words could not erase the pain.

“Cen Haifeng turned to look at Zhou Xiang, “Xiangxiang, I know it’s useless to say anything now, but please believe me, I have never betrayed our love. Whether in the past or now, my heart has always been only you, also do not know how things become like this... . ” ”

Zhou Xiang also did not know how to face Cen Haifeng.

“The broken mirror is difficult to reunite, 20 years passed, Cen Haifeng’s side also has other people, they can not go back to the past. ”

“”You get up,”Zhou Xiang continued. “We will still be family.” ”

They were only family.

“Xiang Xiang...” Cen Haifeng’s eyes were filled with pain.

“When he was young, his greatest wish was to be able to grow old together with Zhou Xiang.”

“He did not expect that after going through many twists and turns, they would actually become family in the end.”

“Old Mrs. Cen said, “Getting you up is already giving you face! From the looks of it, do you not understand human language?” ”

Cen Haifeng stood up from the ground.

“After figuring out the relationship between her and Cen Haifeng, Zhou Xiang felt much more relaxed. She continued, “Do you still know the children?” ”

Cen Haifeng looked at his three daughters at the side and walked over. “This is the eldest girl.”

Cen Yuying nodded. “Dad.”

“This is the second girl.” Cen Haifeng walked over to Cen Yueya.

“Dad.”

“This is the third girl.”

“Cen yueying found it hard to forgive Cen Haifeng, but when she thought about it, it wasn’t all Cen Haifeng’s fault. After all, he had lost all his memories before, so he felt better. “Dad.” ”

“Cen Haifeng’s eyes were very red. He continued, “Why don’t I see the fourth girl? Where did the fourth girl go?” ”

“”The fourth girl is abroad now,”Cen Yuying answered. ”

“Ever since Cen Yuyan left the capital, she had not contacted her family. ”

“Cen Haifeng nodded and asked, “Is she doing well abroad?” ”

Chapter 2145: 341: Old Mrs. Cen is abusing trash online! 5

“”It’s pretty good,”Cen Yuying said. ”

“That’s good.”

Cen Haifeng walked up to Cen Shaoqing again. “Shaoqing.”

Cen Shaoqing did not say a word and just looked at Cen Haifeng.

“Cen Haifeng also felt ashamed, he continued, “In the blink of an eye, all of you have grown up. It’s father who has let you down. Father did not participate in your growth and did not fulfill the responsibility of a father. I have left all of You When you needed me the most. I’m sorry... “...” . Although he knew that the words ‘sorry’were powerless., it was also very boring, but at this moment, other than being sorry, Cen Haifeng did not know what else to say. ”

“Cen Yuying sighed, she stood up and said, “Father, I know your difficulties, but all these years, grandmother and mother have suffered for real. When you left back then, all those people came to step on us. Do you know how difficult it was during that period of time? Mom was crying every day... .. ”

“Cen Haifeng was bitter, but Zhou Xiang was even more bitter than him. ”

“”Okay, young girl, the matter has passed. Let It Pass,”Zhou Xiang continued. ”

“The past went with the wind. In the days to come, she would live as before, not for anyone but herself.  
”

“Old Mrs. Cen sighed in her heart. She knew very well that there was no future for Zhou Xiang and Cen Haifeng. She turned to CEN Haifeng and said, “We are all tired. Make some arrangements. We need to rest.” ”

“”Okay.”Cen Haifeng nodded. “I’ve already arranged the rooms. Mom, come with me.” ”

“Old Mrs. Cen walked to Zhou Xiang’s side and held her hand. “Xiangxiang, no matter what choice you make, Mom will support you. From now on, you’ll Be Mom’s only daughter.” ”

“They had been mother-in-law and daughter-in-law for so many years. Even if they couldn’t be mother-in-law, they could still be mother and daughter. ”

“”Mom, thank you.” ”

“What nonsense are you saying?”

“After settling down in a place to rest, old Mrs. Cen went to Cen Haifeng. “Let me ask you, where is that sparrow? Why didn’t I see her?” ”

“Sparrow? What Sparrow?”Cen Haifeng was stunned.

“Old Mrs. Cen continued, “It’s that Duanmu Sparrow!” ”

“”You said it was Duanmu Fenghuang, right?”CEN Haifeng continued, “She was locked up.” ”

“Locked up? What’s going on?” Old Mrs. Cen asked.

Cen Haifeng did not hide the truth and told old Mrs. Cen about the whole process.

“Hearing this, old Mrs. Cen frowned and snorted coldly, “I knew this Duanmu Sparrow was not a good person! She actually wanted to harm Xiangxiang! This kind of person should be locked up in prison for life! What kind of thing is that? A mistress still wants to enter the house!” ”

“After saying that, old Mrs. Cen continued, “This is the only thing that you did well!” ”

“If Cen Haifeng allowed Duanmu Fenfei to do nothing, it would be extremely annoying! ”

“Old Mrs. Cen continued, “Let me tell you, there is no chance between you and Xiang Xiang in the future! Don’t think about it anymore. Xiang Xiang forgiving you is already a virtue of your past life. “In the future, you just have to take care of Xiang Xiang. Don’t let her get hurt again.” ”

“”Okay.” Cen Haifeng nodded. “Mom, I know.” ”

Old Mrs. Cen sighed. “Why didn’t you think of this earlier? But you’re better than your father. At least you remembered! What about him? I didn’t even get a chance to say sorry to him!”

“She was old, so she didn’t want to be too calculative. ”

“But when she thought of it again, she felt a little sad. ”

She thought that her love was great and that it was great that she had stayed by the Cen family’s old master’s side all her life without getting married. But it was all bullshit!

“CEN Haifeng continued, “When I came, father’s spirit was already not very good.” ”

“There had always been a very strange phenomenon in the General Alliance. In the past, the General Alliance had never lasted past the age of fifty-five.”

The reason why he was still fine until now was that the great elder and the National Master had found a panacea to hang on to. They were all waiting for Cen Shaoqing to get married and have children.

“However, the CEN family had a different Cen Shaoqing’s generation. Cen Shaoqing actually saw through the secular world and wanted to become a monk.”

“During that time, the ones who were anxious were not only old Mrs. Cen and Zhou Xiang, but also the great elder and the National Master of the General Alliance.”

“If not, with Cen Haifeng’s condition, how could he have lasted until now?”

“Old Mrs. Cen raised her hand. “I don’t want to hear about him now. Anyway, he died decades ago. I’m tired, I need to go back and rest. Remember what I said.” ”

“Okay.”Cen Haifeng nodded.

The next morning.

“Old Mrs. Cen woke up early in the morning. According to the servant’s guidance, she came to the backyard to dance with her sword.”

“The plants in the s galaxy were very different from those on Earth. Soon, old Mrs. Cen’s gaze was attracted by these strange plants.”

“At this moment, a pleasant voice sounded from behind her, “Old Mrs. Cen, You’re exercising.” ”

“Old Mrs. Cen raised her head, “Who are you?” ”

“Duanmu Fengyu said with a smile, “Old Mrs. Cen, I’m Duanmu Fengyu. Oh right, you haven’t had breakfast yet, right? I specially made the food on Earth for you. Have a taste.” ”

“In order to please Old Lady Cen, Duanmu Fengyu put in a lot of effort. Not only did he study the delicacies on Earth, but he also memorized Old Lady Cen’s preferences. ”

“Just like what Mrs. Duanmu said, Old Lady Cen was not a difficult old lady to get along with. ”

“Otherwise, she would not be so satisfied with ye Zhuo. ”

“Her status was many times more honorable than ye Zhuo’s. If she lowered her status to please this pious old lady, the old lady would definitely like her very much. ”

“What Did You Say Your Name Was?”

“Duanmu Fengyu.”

““What? Your Name Is Duanmu Sparrow?”Old Mrs. Cen scratched her head and said with a speechless expression, “Why is there another sparrow after a sparrow has just been locked up?” ”

“Duanmu Fengyu’s face turned green, but she had no choice but to maintain the smile on the corner of her mouth. “Old Mrs. Cen, you have misheard that my name is Duanmu Fengyu. I am the Phoenix’s Phoenix, and I share the concerns of the people.” ”

She was not a sparrow.

This old devout woman was simply too vicious.

“Old Madam Cen ignored Duanmu Fengyu and turned to look at the servant beside her. “Xiao Tao, let me ask you a question.” ”

“Old Madam, please ask.” ”

“Old madam CEN continued, “Do you know that sparrows turn into Phoenixes?” ”

“Hearing this, Xiao Tao nodded in embarrassment. ”

“Old Madam Cen turned to look at Duanmu Fengyu, “See, I told you it was a sparrow, but you still refused to admit it! It’s just that the names given by your Duanmu family are really funny. It’s not enough to have a sparrow that wants to fly on a branch and become a Phoenix, but you have to have another one!” ”

Chapter 2146: 432: this is going to be a good show. Duanmu Fengyu is furious! 1

Sparrow!

This damned old woman actually called her a sparrow.

Duanmu Fengyu was so angry that her face turned pale.

She was the eldest daughter of the Duanmu family and was born with the highest status. What was this old woman to her? She was just a lowly person on earth! What right did she have to treat her like this!

“But at that moment, other than enduring, she could only endure. ”

Wasn’t she just an old woman?

Just wait and see!

“She would definitely have a way to make this old woman acknowledge her and treat her as a treasure in her hands, making the old woman regret her actions today. ”

“”Old Lady, you really know how to joke.”Duanmu Feng forced out a smile. “However, both Phoenixes and sparrows are birds. It’s not wrong for you to say so.” ”

Are Phoenixes and birds alike?

This is hilarious!

“Cen old lady did not hesitate to say: “Sure enough, sparrows are sparrows, even if fly on the branches, also can not reach the height of the Phoenix!” ”

What the hell does that mean?

Is she being sarcastic about her lack of experience?

“Duanmu Feng had never been wronged like this since she was a child. She endured the sourness in her eyes, tried hard to maintain the curvature of her mouth, and spoke softly, “Old Lady, you must be hungry after talking for so long. Eat something first. These pastries are made by me personally. Try it and see if it suits your appetite. If it doesn’t suit your appetite, I’ll make it again.” ”

“She put a mysterious seasoning in the pastries. It was extracted from a rare plant. Not only was it harmless to the body, but it also had a nourishing effect. As long as one took a bite, one would fall in love with it. ”

“This way, no one would notice anything and the old lady would be pleased. In the future, she would have to be her granddaughter-in-law. It was killing two birds with one stone. ”

“Thinking of this, Duanmu Feng’s eyes lit up. ”

Just wait. The day when the dead old lady would regret it was not far away!

“Duanmu sparrow, listen carefully,” old lady cen looked at Duanmu Feng and said, she continued, “As for me, although I’m old, I know very well what you’re thinking. “I advise you not to waste your time on me. There’s no need to put on an act in front of me. If you don’t feel embarrassed, I’ll feel embarrassed for you! “I don’t think you’re old. Can’t you be a good person? “Do you have to embarrass yourself?” ”

Old Mrs. Cen understood Duanmu Fengyu’s thoughts very well. She just wanted to take a shortcut to please her and get in the middle of the relationship between Cen Shaoqing and Ye Zhuo.

“Old Mrs. Cen, you, you misunderstood me...”Duanmu Fengyu looked pitiful. “I’m not what you think I am.” ”

“Misunderstanding? I misunderstood you?”Old Mrs. Cen straightened her expression, “Young lady, I’ve walked more bridges in my life than you have. Stop pretending in front of me! “Let me tell you, my eldest grandson already has a girlfriend. Your actions are immoral. Your aunt has already embarked on a path of no return. As her niece, you should be even more chaste! “I don’t think you’re ugly. Why do you have to think of ways to be a mistress?” ”

Mistress?

She was a mistress?

Did this damn old woman figure out the issue at hand?

Who was the real mistress!

“She was the legitimate fiancée of Cen Shaoqing, but now she was the mistress! ”

Ridiculous!

This was ridiculous!

“Duanmu Feng looked up at Old Mrs. Cen and said, “Old lady, Dongli and I are engaged.” ”

She was reminding old Mrs. Cen that she was not a mistress. Ye Zhuo was the real mistress.

“”Dongli? Who Is Dongli? My eldest grandson is called Cen Shaoqing!” Old Mrs. Cen continued, “Duanmu Sparrow, I’m telling you, don’t be so Shameless!” ”

“Duanmu Fengyu tried not to get angry. “Old Madam, I know that you might not be able to accept me for a while, but even if you are unwilling to accept me, the truth is the truth.” ”

Old Madam Cen was angry.

“She felt that she had already given Duanmu Feng Face, but this woman did not seem to understand human language. ”

“”My old madam has lived for so long, but this is the first time I’ve seen a woman come knocking on my door.” Old madam CEN continued, “Duanmu sparrow, even if your whole family kneels on the ground and begs me, I won’t allow you to marry into our Cen family, let alone come knocking on My Door!” ”

“At this point, Old Lady Cen paused, she said somewhat speechlessly, “A sparrow is a sparrow! Something that can’t be put on the table! Why Don’t you look at yourself in the mirror and See What You Are! You’re simply polluting the environment! No wonder the environment of Your Alliance is so bad! It’s because of the existence of people like you!” ”

Chapter 2147: 432: There’s going to be a good show. Duanmu Fengyu is furious! 2

“After being insulted repeatedly, Duanmu Fengyu almost lost her balance. ”

“Fortunately, she didn’t have a heart attack! ”

“After saying this, old Mrs. Cen looked at Xiao Tao. “Xiao Tao Tao, let’s go.” ”

“OH.”Xiao Tao immediately followed Old Mrs. Cen’s footsteps.

“Looking at Old Mrs. Cen’s back, Duanmu Fengyu stomped his feet in anger. ”

“Old Lady Cen had a smile on her lips. “Xiao Tao Tao, do you believe that Little Que’er is already hopping mad?” ”

“Little Que’er?”Xiao Tao looked at Old Lady Cen in confusion.

“Old Lady Cen explained, “In our hometown, the Sparrow is little Que’er.” ”

“Xiao Tao could not help but laugh. She had thought that old lady cen was an eccentric old lady from Earth, but she did not expect Old Lady Cen to be so kind and amiable. ”

“”Quickly turn around and see if she’s stomping her feet,”old Mrs. Cen continued. ”

“Xiao Tao turned around and saw that Duanmu Fengyu was stomping her feet in anger, and her facial features were almost twisted together. ”

“”You really are a mastermind,”Xiao Tao said. ”

“Old Mrs. Cen smiled and said, “That’s a must! I’ve seen many small family birds like her who have no status!” ”

This was the first time Xiao Tao had seen Duanmu Feng lose his composure like that. She couldn’t help but look back.

“Old Mrs. Cen continued to ask, “By the way, let me ask you a question.” ”

""Old Mrs. Cen, please ask,"Xiao Tao said respectfully. "

"You must answer truthfully."

"Don't worry."Xiao Tao nodded.

"Old Mrs. Cen said, "Let me ask you, how is the relationship between your master of the General Alliance and that little aunt Que'er?" "

"Xiao Tao recalled every detail of Cen Haifeng's relationship with Duanmu Feng and continued, "Well, it's not too good, but it's not too bad either. It's the kind that treats each other like guests." "

"Then do they have children?"Old Mrs. Cen continued to ask.

"No."Xiao Tao shook her head.

Old Mrs. Cen narrowed her eyes. "Doesn't the General Union of the General Union have any other children?"

""Yes."Xiao Tao continued, "The national system is like this. The young master who is qualified to inherit the position of the General Alliance can only be of Earth's bloodline. Therefore, the General Alliance must get married and have children on Earth, and then the National Master and the Great Elder will bring them back." "

"I see."

"According to Xiao Tao's words, it could not be analyzed that if CEN Shaoqing had not seen through the secular world, he would have been brought back to the General Alliance long ago. "

""Yes, Old Lady, do you have anything else to ask?"Xiao Tao continued to ask. "

""No," old lady cen continued, "Let's go eat first." "

""Eat?" Xiao Tao asked curiously, "Old Lady, didn't you drink the nutrient solution when you woke up this morning?" "

"Nutrient solution?" Old Lady Cen frowned. "That bottle of green stuff?"

""Yes." Xiao Tao smiled and explained, "That's nutrient solution. After drinking a bottle, you won't feel hungry for a day." "

""That stuff can be drunk?" Old Mrs. Cen continued, "On our earth, that stuff is used to grow flowers." "

"When she got up in the morning, she opened the lid and smelled it. That thing smelled even better than the nutrient solution used to grow flowers! "

"Xiao Tao continued, "Actually, the Changyue Kingdom already has a variety of nutrient solutions with different flavors, but they haven't been circulated to the General Alliance for the time being. Old Madam, if you're not used to drinking the original flavor nutrient solution, I can get someone to buy other flavors." "

""No need, no need." Old Madam Cen waved her hand. "Just take me to my granddaughter-in-law's Place! She'll definitely have delicious food there!" "

Ye Zhuo was never a person who would let himself down.

""Your granddaughter-in-law?" Xiao Tao was stunned. Could Old Mrs. Cen be referring to Duanmu Fengyu? After all, when Duanmu Fengyu came, he indeed had delicious food from Earth in his hands. "

""Don't you know about my granddaughter-in-law?" Old Mrs. Cen continued, "She's the most beautiful one who came with US yesterday!" "

“Xiao Tao finally reacted. She smiled and said, “Is it miss ye Zao?” ”

“”Yes, yes, yes.”Old Mrs. Cen nodded repeatedly. ”

“Xiao Tao continued, “Speaking of Miss Ye Zao, she has the same name as Miss ye from our s galaxy. I heard that they look very similar.” ”

“Old Mrs. Cen said, “Then she’s definitely not as powerful as my granddaughter-in-law!”! Xiao Tao, let me tell you, don’t look at how my granddaughter-in-law doesn’t show off, she is keeping a low profile! She is the most powerful person in the universe! There is no problem that she can’t solve!” ”

The most powerful person in the universe?

“No matter how powerful ye Zhuo was, he only came from Earth. Compared to the famous miss ye of Chang Yue, he was not just a little bit inferior. ”

Chapter 2148: 432: there will be a good show to watch. Duanmu Feng and Xiao Tao are furious! 3

Miss ye is the person Xiao Tao worships the most!

“However, such words could not be said directly in front of old Madam Cen. Xiao Tao smiled and said perfunctorily, “Then your granddaughter-in-law is really amazing!” ”

“Old Madam Cen saw the perfunctory look on Xiao Tao’s face and continued, “You’ll know in the future.” ”

...

“On the other side, Duanmu Feng and her eyes were red as they ran all the way back to the Duanmu family. ”

“Mrs. Duanmu was standing at the door. Seeing her like this, she immediately went up to her and asked with concern, “What happened? Did you hit a wall?” ”

Duanmu Feng didn’t say anything. She just hugged Mrs. Duanmu and cried bitterly.

She was really too sad and wronged!

“She had never been scolded by anyone in her entire life. Today, she was actually scolded by a lowly person from Earth! ”

“Most importantly, she could only endure and not resist! ”

“Did the old lady suffer because of you?”Mrs. Duanmu asked calmly.

“In her opinion, this was extremely normal. ”

“Today was the day that Duanmu Feng and the old lady met for the first time. The old lady was used to seeing that earthling, so she could not accept Duanmu Feng and the old lady for a moment. This was also human nature. ”

“What Old Lady? I think she is clearly an old devout woman! An old witch...”

“Duanmu Feng and old Madam Cen wanted to continue, but Mrs. Duanmu covered her mouth and continued, “Alright, Alright. The curse comes from the mouth.” ”

“”Mom!”Duanmu Feng and old madam CEN continued, “You don’t even know how that old devout woman insulted me today! I was kind enough to make her some snacks, but not only did she not appreciate my kindness, she even scolded me for dreaming of becoming a Phoenix! She said that I was a mistress! Who is the real mistress? !” ”

Duanmu Fengyu was so angry that tears streamed down her face. Only in front of her mother did she dare to cry so recklessly.

“Let’s talk inside.” Mrs. Duanmu pulled Duanmu Fengyu into the house.

“After entering the house, Mrs. Duanmu continued, “Fengyu, you are someone who wants to achieve great things! How Big of a deal is this? are your tears so worthless?” ”

Mrs. Duanmu didn’t expect that Duanmu Fengyu’s ability to withstand pressure was so small.

“”Mom, you weren’t there. You Can’t even empathize with what I’m going through!” Duanmu fengyu cried. “I’m not a mistress. Why should I be wronged like this!” ”

This made Duanmu fengyu think of a sentence. The master was wandering while the clown was in the hall.

Who Was Ye Zhuo?

What right did she have to stand by Cen Shaoqing’s side.

She was the most qualified person to stand by Cen Shaoqing’s side and look down on the world with him.

“Mrs. Duanmu continued, “Mom knows that you’ve been wronged, but this is the path you must take. During this period of time, even if the old lady hits you and scolds you, you can only endure it, not to mention being wronged!” If one wanted to achieve great things., in order to achieve great things, the first thing they learned was the word ‘endure’. ”

“”But how long do I have to endure?” Duanmu fengyu said aggrievedly, “That old witch has no humanity at all. She’s unreasonable!” ”

“Fengyu, don’t tell me that with your ability, you can’t even subdue an old lady who came from Earth?” Mrs. Duanmu countered with a question.”

Even ye Zhuo was able to win the old lady’s favor. Could it be that Duanmu Fengyu was inferior to Ye Zhuo?

“Mom, do you know? That old lady is completely impervious!” Duanmu Feng said, “In front of her, no matter what I say or do, it’s all wrong! Moreover, her words are especially unpleasant!” ”

“Upon hearing this, Mrs. Duanmu narrowed her eyes. “She’s not the one who is impervious.” ”

“What do you mean?” Duanmu Feng asked.

“Mrs. Duanmu continued, “Feng You, you must remember that other than ye Zao being your enemy, everyone else is your ally. You must rope them all in! Do you know why the old lady used harsh words to heavily injure you?” ”

“I don’t know.” Duanmu fengyu shook her head.

“It’s because of ye Zao.” Mrs. Duanmu analyzed, “Older people have soft ears. In addition, Dongli and ye Zao have known each other for a long time, so they have preconceived ideas. In the old lady’s eyes, Ye Zao is her granddaughter-in-law. So, no matter what ye Zao says, the old lady thinks that she’s right!” ”

A faint light flashed in Duanmu Fengyu’s eyes. “Are you saying that ye Zao spoke ill of me in front of the old devout woman?”

“This is inevitable.” Mrs. Duanmu continued, “After all, you are now ye Zao’s only competitor. As long as she can make you quit, she will be in charge of the General Alliance in the future!” ”

“At this point, the corners of Mrs. Duanmu’s mouth curled up into a faint smile, “But ye Zhuo is still thinking too simply. Perhaps she can pass the Cen family’s test, but can she pass the state preceptor and the Great Elder’s Test? After so many years, when has it ever been the turn of an Earthling to make the decision in the General Alliance?” ”

Chapter 2149: 432: this is going to be a good show! Duanmu Fengyu is furious! 4

“Although CEN Shaoqing grew up on Earth, he still had the blood of the General Alliance. ”

What About Ye Zao?

Ye Zao was just an ordinary human with no backing. She couldn't be compared to Duanmu Fengyu.

“After saying that, Mrs. Duanmu looked at Duanmu Fengyu, then, she said, “Fengyu, as long as you make sure that the old lady's ears are soft, everything will be easy to handle. The first time is new, the second time is familiar. Just because she scolded you today doesn't mean that she will scold you tomorrow.” ”

“Do you mean that I have to kiss her ass tomorrow?”Duanmu Fengyu looked at Mrs. Duanmu.

“Mrs. Duanmu said, “I know that doing this might be a little unfair to you! But fengyu, you can only do this now! Unless you want to hand over that position to someone else!” ”

“Hearing this, Duanmu fengyu immediately said, “Mom, I'll listen to you.” ”

“Okay.”

On the other side.

Old Mrs. Cen came to Ye Zao's room.

“Yezi! Yezi!”

“Hearing the voice, ye Zao immediately walked out to open the door. “Grandma Cen, I was just about to call you over for breakfast.” ”

“He expected that old Mrs. Cen would not be used to the food of the Allied countries, so ye Zao prepared a lot of delicious food on this trip.”

““Yezi, you understand me!” Old Mrs. Cen held ye Zao’s arm.”

“When they walked into the house, they found that the three sisters of the Cen family were already sitting on the sofa and chatting. When they saw old Mrs. Cen enter, they all stood up to call for her.”

“Old Mrs. Cen smiled and said, “You guys really know how to enjoy life. You came to Yezi’s place early in the morning to freeload and drink!” ”

“CEN Yueya said, “That nutrient fluid is really terrible. I don’t know how the people here persevered through it!” ”

“Old Mrs. Cen looked around and then asked, “Where is Shaoqing?” ”

““He should still be in the house,” ye Zhuo answered.”

“I’ll go take a look.” Old Mrs. Cen walked out.

“Cen Yueya stood up. “Grandma, I’ll go with you.” ”

“No need.” Old Mrs. Cen waved her hand. “I’ll go alone. None of you need to follow me.”

“Alright.” Cen Yueya sat back on the sofa.

Old Mrs. Cen came to Cen Shaoqing's room and knocked on the door.

"Soon, the door opened. "

The person who opened the door was Cen Shaoqing.

"Grandma."

Old Mrs. Cen looked up at him. "Aren't you going to Yezi's for breakfast?"

"I'll go there later," Cen Shaoqing said. "

"Old Mrs. Cen said as she walked in, "I have something to tell you." "

"Go ahead."

Old Mrs. Cen walked to the sofa and sat down. "Have you read the few famous books that I gave you before?"

"What famous books?" Cen Shaoqing was stunned.

"It's something like president ba chasing his wife's 365 styles!" Old Mrs. Cen continued, "Didn't I give you a stack of them before? So you haven't read any of them?" "

"I have." Cen Shaoqing opened his thin lips.

"Before Old Mrs. Cen gave him the book, he didn't think that he would be able to read such a book. "

"Old Mrs. Cen said, "It's good that you read it. Brat, I'm telling you, you're at a critical juncture now! According to the plot of President Ba's novel, at a time like this, it's easiest for you to have a

misunderstanding with the female lead and then have some melodramatic plot! I'm telling you, you can't! You have to put an end to all misunderstandings and melodramatic plot!" "

"Yes." Cen Shaoqing nodded slightly.

"Old Mrs. Cen said again, "From now on, you can't be alone with that little house sparrow, and you can't talk to her either! You have to Remember, your girlfriend, the future daughter-in-law of our Cen family, can only be Yezi forever! If you dare to do something that causes Yezi to misunderstand, I'll teach you a lesson! Did you hear that? !" "

"I heard it," Cen Shaoqing said. "

"Old Mrs. Cen was still a little worried, "I usually hate reading those novels that are full of melodrama. So, Brat, you better watch out! Not only can you not let ye Zao Misunderstand You, you also can't let ye Zao Suffer! Not even a little bit!" "

Cen Shaoqing continued to nod his head.

Old Mrs. Cen gave Cen Shaoqing a lot of questions before she finally gave up. She returned to Ye Zao's room and began to eat breakfast.

On the other side.

Manxing country.

The Information Manxing had asked people to look up had already been found.

"Manxing immediately opened the document and quickly flipped through it. When he found out that ye Zao was just an ordinary human from Earth, his eyes were filled with disappointment. "

He wasn't.

But how could there be people in the world who looked so alike?

“But thinking about it carefully, there were so many planets in the universe that had life forms. It was normal for one to occasionally look alike. ”

Chapter 2150: 432: There’s a good show to watch. Duanmu Fengyu is furious! 5

“How is it? Is It?”Zhao Dan asked impatiently. “Is she a full moon?”

Man Xing shook his head. “She’s not the eldest sister.”

“No?”The disappointment in Zhao Dan’s eyes was even more intense than man Xing’s. “Then who is she?”

“Man Xing looked at Zhao Dan. “Mom, I know that you’re eager to find the eldest sister and reunite our family, but this person is indeed not the eldest sister. She’s just a very ordinary earthling.” ”

“Hearing this, Zhao Dan frowned. “Have you investigated everything?” ”

“Yes.”Man Xing nodded. “The information that Feihu handed over shouldn’t be a problem.”

Feihu was man Xing’s most capable assistant.

The person that man Xing trusted the most was him.

“Why Not!”Zhao Dan sighed.

He originally thought that ye Zhuo had found a good backer for them.

"If ye Zhuo was young master Dongli's girlfriend, then their entire family would have a say in the alliance. "

Who would have thought that it was not ye Zhuo himself at all!

It was really convenient for that earthling to actually become young master Dongli's girlfriend!

"After saying that, Zhao Dan continued, "I knew that she was unlucky! If she really could become young master Dongli's girlfriend, she wouldn't have begged to return to the country with me back then!" "

"MAN XING continued, "Mom, don't worry. I'm already thinking of ways to find elder sister." "

""What are you looking for!" Zhao Dan said, "Finding her to drag you down? Xing 'er, Wen 'er is already disappointing enough. If there's another jinx, how are we going to live our days in the future?" "

"In Zhao Dan's eyes, Ye Zhuo was a jinx. "

"If ye Zhuo had really climbed onto the eastern fence's young master, then he should have openly acknowledged her back. But now, Ye Zhuo had nothing, so why did he acknowledge her back? "

"Man Wen's life would be like this. If ye Zhuo came to drag man Xing down again, then man Xing's life would be ruined! "

"Her daughter should stand in the most dazzling place in her life, and not be dragged down by others. "

""Eldest sister is already very pitiful after losing us once. Mom, can you bear to see her lose us a second time?" Man Xing asked. "

"Zhao Dan patted man Xing's hand. "That is her fate. She Can't blame anyone. If you want to blame someone, blame it on her bad fate." If ye Zao could be like man Xing, an existence blessed at birth, they would not throw her away! "

But Ye Zao was not!

Ye Zao was born to be a debt collector and a jinx. He brought endless disasters to Manxing country when he was just born.

"If Manxing had not been born in time, how could the current Manxing country exist?"

"Xing'er, Mom knows that you are a good sister and a good sister." Zhao Dan looked at Manxing and said earnestly, "But some people are really not worthy of our sympathy!"

Man Xing sighed.

"Zhao Dan continued, "Since she's gone, let her disappear from this world forever. In the future, just pretend that she's not here! Take it as for the sake of our Manxing Nation! "You don't want to put the entire Manxing nation in danger just because of her, right?"

"Having said that, Man Xing could only nod in agreement."

...

"Although they had suffered a setback at the hands of Old Mrs. Cen, under the guidance of Mrs. Duanmu, Duanmu Fengyu had no intention of giving up on trying to please the CEN family."

"At this moment, Duanmu Fengyu came to Zhou Xiang's room."

"Hello, Auntie. I'm Duanmu Fengyu." Duanmu Fengyu walked over with a plate of snacks. "I don't know what you like to eat. This is the snack I made for you. Please try it."

"Zhou Xiang looked at Duanmu Fengyu and said, "Take it away." "

“Aunty...”

“Zhou Xiang continued, “Your behavior will be despised on Earth. I hope you can turn back in time.” ”

“She thought that Zhou Xiang had a weak personality and was the easiest to deal with. Unexpectedly, Zhou Xiang was also impervious! ”

“Duanmu fengyu remembered what her mother had said to her, and tears immediately fell, she cried, “Auntie, I know you don’t like me and you despise me, but what’s wrong with me? I was born to be the fiancée of the young master of Dongli. My fate has been arranged from the moment I was born! If you don’t accept me, how can I live in the future? Auntie, I’m begging you. You’re also a woman. Please pity me... .” ”

The fault lies with Ye Zao.

“If it was not ye Zhuo intervention, she would not cry in front of Zhou Xiang sell miserable. ”

“Zhou Xiang slightly frowned, “Don’t you think you’re being shameless? Forcibly twist melon not sweet, I see your Duanmu family is also extremely face-saving people, why you a girl home can not self-respect? Shau-ching already has a girlfriend, they are very loving! “What you actually love is only power! “If Shaoqing wasn’t the young master of Dongli, would you still be like this? “You are a person. You are an independent individual. Why Can’t you live on your own and rely on a man?” ”

“Zhou Xiang’s voice wasn’t loud, but each word was like a sharp sword, directly exposing Duanmu Fengyu’s thoughts under the sunlight. ”

““I can see that you’re not bad. You’re just stuck in your own circle for a while.”Zhou Xiang paused. “Aili, see the guest out!” ”

“Aili was a bodyguard-type robot. When he heard Zhou Xiang’s command, he immediately walked to Duanmu Fengyu’s side. ”

“When Duanmu Fengyu saw Aili come over, she immediately stood up and walked out. ”

“They ran into a wall one after another, causing Duanmu Feng and Ai Li to completely lose confidence. They went to look for Mrs. Duanmu again ”

“Mrs. Duanmu smiled and said, “Don’t worry, I just heard good news.” ”

“What Good News?”Duanmu Feng and Ai Li asked.

“Mrs. Duanmu continued, “Your uncle-in-law is going to hold a grand family recognition banquet soon. During the family recognition banquet, he is going to clear dongli and that Earthling’s name on the spot.” ”

“That Earthling is going to enter the family hall soon. Is this good news?”Duanmu Fengyu asked incredulously.

Mrs. Duanmu shook her head. Duanmu Fengyu was still young after all. She couldn’t think straight when it came to matters.

“Seeing that Mrs. Duanmu remained silent, Duanmu Fengyu became anxious. She shook Mrs. Duanmu’s arm and said, “Mom, what are you trying to do? !” ”

“Mrs. Duanmu smiled and looked at Duanmu Fengyu, “You are the heiress of the Duanmu family in the alliance. There are so many people who support you. What is Ye Zhuo? She is just an ordinary person from Earth. Just wait and see. There will be a good show at this family recognition banquet!” ”

Ye Zhuo wanted to take that position?

Dream On!

“Hearing this, Duanmu Fengyu’s eyes lit up. ”

That’s right.

“She had been Dongli’s fiancée since birth, and there were many people who supported her. Cen Haifeng was holding a high-profile family recognition banquet, and those who would be present would definitely be people who supported her. ”

Duanmu Feng had a wide social circle.

“The monarch of changyue, Ye Han, and the tribe leader of the insect clan, Leo, were both good friends of hers. Just these two people alone were enough to make the family recognition banquet shake three times. ”

1

What About Ye Zao?

Ye Zao had no one to rely on in the s galaxy. Could it be that she still wanted to rely on that old woman from the Cen family to support her?

This was simply ridiculous!

“When that time came, even if Cen Haifeng wanted to Clear Ye Zao’s name, he probably wouldn’t be able to stop the People’s hearts. ”

“After all, she was a natural phoenix. ”

“”So, Fengyu,” Mrs. Duanmu patted Duanmu Fengyu’s hand and said with a smile, “You don’t have to worry about other problems now. You just need to wait for the family recognition banquet to arrive.” ”

“Duanmu fengyu forgot all her unhappiness and immediately asked, “Mom, when is the family recognition banquet scheduled?” ”

She couldn’t wait to see ye Zhuo make a fool of himself!
