

Almighty D 2151

“Chapter 2151: 443: at the family recognition banquet, she will be the most beautiful existence! 1”

“At that time, those who will attend the family recognition banquet will all be people who support her.”

“Naturally, ye Zao will also become a clown!”

“Whenever Duanmu Feng thought of that scene, she would feel extremely excited. She wanted to immediately travel back to the day of the family recognition banquet and ruthlessly slap ye Zao in the face.”

Ye Zao was just an ugly duckling. How could he compare to her?

“She would let ye Zao know that the ugly duckling could only be an ugly duckling forever, and that the White Swan would never be an ugly duckling!”

“Mrs. Duanmu thought for a moment and continued, “I’m not too sure about the exact time. It’ll probably be in the next two days.” ”

“The Duanmu family’s position in front of the headquarters was no longer the same as before. As for the details of the family identification banquet, she wasn’t too sure either.”

“Ever since Duanmu Fenfei was locked up, those who were on good terms with the Duanmu family couldn’t help but avoid him.”

“At the thought of this, a heavy haze flashed across Mrs. Duanmu’s eyes.”

“However, this was a good thing.”

“If one didn’t experience some hardships, one would never know whether the person standing beside one was a ghost or a human.”

“After saying this, Mrs. Duanmu continued, “Fengyu, the most important thing for you now is to arrange the family recognition banquet. You must remember that on the day of the family recognition banquet, you will be the main character. As for the others, they will all be your foil!” ”

Success or failure depended on this one move. Duanmu Fengyu had to seize this opportunity to become a phoenix in one leap!

“If she missed the family identification banquet, Duanmu Fengyu really wouldn’t have the chance to soar to the sky.”

“As for jumping to her feet, it was naturally ye Zhuo.”

Only ye Zhuo’s inferiority could bring out Duanmu Fengyu’s excellence.

“Looking at it from another perspective, it was actually a good thing that ye Zhuo could come to the alliance with Cen Shaoqing. If it wasn’t for Ye Zhuo, Cen Haifeng and the others would never have seen Duanmu Fengyu’s excellence.”

“Yes.” Duanmu fengyu nodded. “I know.”

“Mrs. Duanmu continued, “Are you still in contact with Ye Han of the Chang Yue country and Leo of the insect race?” ”

““Yes.” Duanmu fengyu continued, “Don’t worry. As long as I say the word, they will definitely come over to support us.” ”

“Duanmu Feng had a wide social network and knew how to conduct herself. She had a good relationship with Ye Han and Leo. She had even met Miss ye of the Chang Yue country once. Unfortunately, that Miss Ye had a cold personality and did not smile, if not, she and Miss Ye would definitely become bosom friends!”

“That’s good.”Mrs. Duanmu nodded.

“Speaking up to this point, Mrs. Duanmu seemed to have thought of something. “Oh right, I heard that Ye Zhuo and miss ye of the Changyue Kingdom share the same name. Is that true?” ”

““Yes,”duanmu feng continued, “Not only do their names look similar, they also look similar.” ”

This was also the most disgusting part of Duanmu Fengyu and Ye Zhuo.

“Miss Ye was dazzling. It was fine if she overpowered her in every aspect. After all, Miss Ye really had strength. ”

“Although she envied Miss Ye, she was not jealous. ”

But what was Ye Zhuo?

She was just an extremely ordinary earthling. Why should she overpower her?

Based on her face?

“If not for Mrs. Duanmu telling her to endure it, Duanmu Fengyu would not have been able to endure it. ”

““You can make a fuss about this.”Mrs. Duanmu narrowed her eyes, then, she said, “Fengyu, think about it. Ye Han and Leo are both supporters of Miss Ye. What do you think they will do if they know that an imposter of Miss Ye has appeared in the Alliance?” ”

“If they wanted to overthrow ye Zao, they could not let Duanmu Feng make a move on them. ”

They had to borrow someone else's hands.

"For example, Leo and Ye Han."

"Of these two people, one was the master of Long Yue and the other was the master of the insect clan."

They could crush ye Zao to death with just a finger.

"Hearing this, Duanmu Feng You's lips curled up. "Mom, you're right." "

Ye Han was ye Zao's younger brother.

"If ye Han knew that someone was using ye Zhuo's face to swindle people in the Alliance, would ye Han let it go?"

There was also Leo.

"The bug race had always been brutal, and Leo was even more ruthless in killing people. Even duanmu Fengyu had spent a lot of effort to get Leo to look at her twice."

"Before he met Ye Zhuo, Leo and the Chang Yue country were sworn enemies. All he thought about was how to dominate the Chang Yue country."

Until ye Zhuo appeared.

The two of them could be considered to have known each other without fighting.

Leo had never submitted to anyone in his life. Ye Zhuo was the first and the only one.

"Therefore, Leo respected ye Zhuo a lot."

“Thinking of this, the curve on Duanmu Feng’s face became more and more intense. She then said, “Mom, I’ll go and contact Leo and Ye Han right now!” ”

“Chapter 2152: 443: at the family recognition banquet, she was an existence that surpassed all others!
2”

““Wait,” Mrs. Duanmu said. ”

“What’s Wrong?” Duanmu Fengyu asked curiously.

“Mrs. Duanmu continued, “You shouldn’t be the one to inform them of this matter.” ”

“Then what should I do?” Duanmu Fengyu asked.

“Mrs. Duanmu looked at Duanmu Fengyu and asked, “Do you think it’s better for Leo and Ye Han to come and support you uninvited, or do you think it’s better for you to invite them personally?” ”

“Of course it’s better for them to come uninvited!” Only then could her excellence be shown.

“Mrs. Duanmu nodded. “So, you can’t inform them about this matter.” ”

“Then what should I do?” Duanmu Fengyu asked.

“Come here.”

“Upon hearing this, Duanmu Fengyu immediately walked over and lowered her head to look at Mrs. Duanmu. ”

Mrs. Duanmu leaned into Duanmu Fengyu's ear and whispered to her.

“Okay, Mom, I got it.” Duanmu Fengyu nodded. ”

“Mrs. Duanmu continued, “Fengyu, remember what I said. You are only responsible for spreading the news. Don't get involved in anything else.” ”

“Okay.” Duanmu Fengyu continued, “Then I'll do it now.” ”

“After saying that, Duanmu Fengyu turned around and left. ”

“Go.” Looking at Duanmu Fengyu's departing figure, Mrs. Duanmu narrowed her eyes. ”

Duanmu Feng and Ye Zao would definitely win this round!

“As for Ye Zao, he could only serve as a foil for Duanmu Feng and Ye Zao for the rest of his life! ”

“If Duanmu Feng and Ye Zao were kind-hearted, Ye Zao could still survive for a few days. If Duanmu Feng and Ye Zao were unhappy, Ye Zao could only be a ghost. ”

...

“Soon, the rumor that the girlfriend of the chief allied country's Dongli young master looked like Miss Ye spread out. ”

There were even people who said that Earth's plastic surgery technology was advanced. This person who looked like Ye Zhuo was made to look like Miss Ye.

It was absolutely disgusting.

“Hearing this news, Leo raised his hand and directly smashed the mahogany table under him.”

“Leo was 98 years old this year. To humans, he was already in his 80s. However, he was from the Zerg race. Although he had a face similar to humans, his DNA was very different from humans, his age could not be compared to humans on earth. Furthermore, the Zerg’s Planet W had a 12-hour day, which was only according to Earth. Therefore, Leo was still a man in his prime at 98 years old.”

“According to Earth’s age, he should be 45 years old.”

“Not only was his age different, the Zerg’s strength was also much greater than humans. In addition, Leo was a mutated Zerg, so his strength was much higher than the Zerg’s. Therefore, he often broke things because he could not control his temper.”

For example...

Now.

The sturdy mahogany table was directly split into two halves.

“Ye Zhuo had always been his idol, and was also the first person who had greater strength than him.”

“Back then, when he was young and frivolous, Leo had said that if anyone could beat him in terms of strength, he would kneel down and call him daddy. He had thought that no one would have the chance to make him call him daddy in this lifetime, but who knew..., in the end, he was actually defeated by an eighteen-year-old girl.”

That feeling... was quite uncomfortable.

“Although he had failed, Leo did not go back on his word.”

“From now on, whenever he saw ye Zhuo, Leo would respectfully call him father searing.”

“Clan, clan leader, Are You Alright?” When the adjutant saw him like this, his voice could not help but tremble. ”

His heart was very perturbed.

Could it be that the clan leader had fallen ill again?

“Contact Mr. Ye for me.” Leo’s face was full of anger. “I have something to discuss with him.”

“Hearing Leo’s rather normal voice, the assistant calmed down a little and continued, “Alright, Please Wait a moment.” ”

“Ye Han was coincidentally attending a very important meeting. The Adjutant had contacted him for a very long time, but the answer he received was always to wait a little longer. ”

“Leo was originally an impatient person. Seeing that the adjutant couldn’t contact anyone, he angrily shouted, “Trash! You even contacted quite a few people, what use is there for me to raise you guys!” ”

“The adjutant was so scared that his face was covered in cold sweat, “Patriarch, chief ye is in a meeting, I... I...” ”

“Ye Han was in a meeting, what could he do? ”

“Forget it, forget it!” Leo picked up the hat and put it on his head, buttoning the button on his uniform as he walked out, “Don’t contact me. I’m going to Changyue by myself. If I count on You Trash, I’m afraid I’ll have to wait until next year!” ”

“Seeing Leo’s figure disappear in front of him, the adjutant let out a sigh of relief. ”

It was too dangerous!

It was really too dangerous!

He thought he was going to become the mahogany table in Leo's hands.

Leo piloted the aircraft all the way to Changyue.

"Chapter 2153: 443: at the family recognition banquet, an existence that surpassed all others in beauty!
3"

Siyu Pavilion.

"Initially, he thought that he would be able to see Ye Han immediately after making a personal trip to the state of Changyue. Who knew that he would be informed by Ye Han's secretary that Ye Han was currently in a meeting and needed to wait a little longer."

"Damn it!" Leo took off his hat. "What a waste of time for a meeting to be held until now! It's a waste of time!"

"Leo had trained on Earth for a period of time, so his speaking style was very similar to that of a northern man."

The Secretary looked at Leo and didn't say anything.

Leo held the hat and spun around on the spot.

"The secretary checked Leo's information and found out that when everyone was actually the tribe leader of the Zerg, the cold sweat on his forehead had never disappeared. He hoped that Ye Han would come out sooner."

It was Leo who killed without batting an eye. He was naturally violent. What if Leo could not wait and took it out on her?

“As if he could read the secretary’s mind, Leo turned to the secretary and pulled out a big smile. “Don’t worry, little girl. Although I have a short temper, I’m not the kind of unreasonable person! I Won’t hit you!” ”

“For some reason, after hearing these words, the secretary trembled even more. ”

“In order to show that he was really not scary at all, Leo laughed even more exaggeratedly. ”

“The secretary really wanted to say that his smile was uglier than crying, but she didn’t dare! ”

“At this moment, she finally saw ye Han come out of the meeting room. ”

“The secretary immediately went up to him, “Chief, the Leo clan leader is looking for you!” After saying that, the secretary immediately hid behind ye Han. ”

“Ye Han looked up and saw Leo standing there, striding over, “The Leo clan leader.” ”

“Mr. Xiao Ye!”

“Leo finally didn’t have to keep smiling anymore. He went up to him and said, “Mr. Xiao Ye, I have something urgent to talk to you!” ”

““Let’s talk inside,” ye Han said. ”

“Okay.” Leo nodded and followed ye Han’s footsteps.

The two came to Ye Han's office.

Ye Han made Leo a cup of tea that he brought back from Earth.

"Just as he brought it over, Leo asked, "Is it da Hong Pao from Wuyi Mountain?" "

"You know about it too?" Ye Han was a little surprised.

Leo nodded. "I spent some time on Earth in the past."

"I see." Ye Han handed the tea to him and continued, "What urgent matter do you have?" "

"It's like this..." Leo told Ye Han the complete version of the rumor he had heard.

"What? Young Master Dongli brought his girlfriend back to the main alliance?" Hearing this, Ye Han asked in surprise. "

"Yes." Leo nodded, "But did you get the main point wrong?" "

The main point should be that the person that young master Dongli brought back was ye Zhuo's fake!

"When did this happen?" Ye Han had just taken over Changyue and had many things to deal with. During this period of time, he had been busy and actually did not know about this matter. "

"Within a week," Leo said. "

Ye Han nodded.

"Seeing him like this..., Leo was very speechless and said, "Ye Han, what's wrong with you? My burning father is about to be impersonated by someone, yet you can still laugh! That imposter not only looked

like burning father, she even gave him a name that was exactly the same as burning father! A small earthling still dares to be so arrogant!" "

""She's not an imposter, clan leader Lei."Ye Han looked at Leo, "Listen to me and tell you slowly." "

""Tell me what?"Leo frowned slightly, very displeased with Ye Han, "What do I have to say to you! Ye Han, I didn't expect you to be such a person! The outside world is saying that you stole the position of burning father. In the past, I didn't believe it, but now I can see that you're a villain!" "

"Ye Han continued, "Young Master Dongli's girlfriend is my sister." "

""What did you say?"This time, it was Leo's turn to be surprised. His eyes were wide open. "

""That's right."Ye Han nodded. "She is my sister, Ye Zhuo." "

""Really?"Leo could not react in time. "If she is really father Zhuo, why does she have the identity of an Earthling?" "

""It can't be fake, it can't be real."Ye Han continued, "It's not like you don't know my sister's ability. As long as she wants to, what identity can't she get?" "

""That's true!"Leo said excitedly, "So, she's really burning father?" "

"Yes."

"Leo said, "That's great! The day after tomorrow is the family recognition banquet. At that time, I'll have to prepare more gifts to give my burning father enough face!" "

"Ye Han secretly remembered these words. In terms of gifts, he definitely couldn't lose to Leo. "

"Not long after, this news spread in the world of bigwigs. "

“Thus, the circle formed a strange wind.”

“Chapter 2154: 443: at the family recognition banquet, the presence of a beauty surpassing all others!
4”

It was a competition to see who gave the most extravagant gifts.

Guangxing also found ye Han at the first moment. “Mr. Xiao Ye! Mr. Xiao Ye!”

Ye Han looked up from a pile of documents. “What’s Wrong?”

““Is my grandmother really back?”Until now, Guangxing had always thought that ye Zhuo was his grandmother.”

“Yes.”Ye Han nodded.

““That’s great! Thank you, Mr. Little Ye!”Guangxing bowed to Ye Han and then left.”

“After ye Han left, the evil doctor rushed in again. “Chief Little Ye! Chief Little Ye!” ”

“Without waiting for the evil doctor to speak, ye Han directly said, “Yes, my sister is back. She is the girlfriend of the young master of Dongli!” ”

The evil doctor was just about to open his mouth.

“Ye Han beat him to it and said, “You’re welcome!” ”

The evil doctor simply did not say anything and turned around to run out.

“Following that, a lot of people came.”

“Ye Han recorded a holographic video and placed it at the door. As long as he entered the password, he could watch it while he himself closed the door to handle official business.”

1

...

Manxing country.

“Zhao Dan put on a coat for Manxing who was practicing his calligraphy. “Xing ‘er, do you want to go with your father to the Alliance’s family recognition banquet?” ”

““Yes,” said man Xing.”

“This was a rare occasion, so of course she wanted to go.”

“Zhao dan continued, “By the way, Xing ‘er, have you heard?” ”

“What?” Asked man Xing.

““It’s about the rumors about that Earthling,” said Zhao Dan. “Some people said that she did it according to ye Zao’s appearance, and some people said that Leo was so angry that he flew directly to Changyue!” ”

“Is that so?” Man Xing asked.

“Yes.” Zhao dan nodded and continued, “I heard from Merrill Lynch that the husband of a friend of Merrill Lynch’s is Leo’s adjutant. I heard that lightning struck and caused a great fire. The entire mahogany table was smashed into pieces!” ”

“Man Xing did not speak, and his hand that was practicing calligraphy did not stop. ”

“Then how did ye Han React?” Man Xing asked in a flash.

Zhao Dan shook his head. “I’m not too sure about that.”

It was still quite difficult to plant spies in changyue.

“After saying that, Zhao Dan continued to add, “Although ye Han’s position was snatched from ye Zao’s hands, in order to put on an act, he definitely had to show that he was very angry!” ”

“Man Xing did not directly answer Zhao Dan’s question. Instead, he said, “Mom, what do you think of my handwriting?” ”

Zhao Dan lowered his head and saw a beautiful big word written on the snow-white paper.

High.

“High?” Zhao Dan frowned slightly. “Xing ‘er, what does this word mean?” ”

“MAN XING smiled and said, “Isn’t Duanmu Feng’s move of killing without spilling blood high?” ”

“Killing without spilling blood?” Zhao Dan asked.

“Man Xing nodded and asked in return, “Mom, who do you think spread the rumors about ye Zhuo’s plastic surgery and the fake?” ”

“Zhao Dan shook his head at first, then quickly reacted. “Could it be Duanmu Feng and Ye Zhuo?” ”

““Yes,” man Xing continued, “Duanmu Feng and Ye Zhuo want to use ye Zhuo to stir up the anger of everyone. Elder sister holds a very important position in their hearts. When they learn that young master Dongli’s girlfriend is actually a replica of elder sister, when the General Alliance announces the relationship between Ye Zhuo and Young Master Dongli, Leo, Ye Han, and the others will unconsciously stand on Duanmu Feng’s side. At that time, Duanmu Feng and Ye Han can rightfully sit back and reap the benefits of the others.” ”

“From the moment Zhao Dan mentioned this matter, Manxing had already analyzed the reason behind it. ”

“If not, the alliance would definitely not have made such a statement for no reason ”

Zhao Dan narrowed his eyes. “I didn’t expect Duanmu Feng to be so scheming!”

The corners of Manxing’s mouth curled up slightly. “The Duanmu family is different from the past. They were born in troubled waters and want to occupy a high position. How can they not be scheming?”

“As long as it was related to power, there was no such thing as innocence. ”

Man Xing would not look down on anyone just because of their appearance.

“Zhao dan continued, “Then is Duanmu Feng going to win this time?” ”

““That depends on how much young master Dongli likes Ye Zhuo.”Man Xing turned to look at Zhao Dan. “Mom, how much do you think I look like elder sister?” ”

“Hearing this, Zhao Dan raised his head to look at man Xing. ”

“MAN XING had inherited the good genes of his family, so he was very beautiful. However, he did not have much in common with Ye Zhuo.”

“If one had to say that they were alike, there were times when man Xing’s demeanor and manner of speaking were indeed very similar to ye Zhuo.”

“”About twenty to thirty percent,”Zhao Dan continued, “My daughter is so beautiful that she is like nature itself. She is unique and not a copy of anyone else.” ”

“It was undeniable that ye Zhuo was indeed very beautiful, but the stars were not bad either.”

“Chapter 2155: 443: at the family recognition banquet, she was an existence that surpassed all others!
5”

“After all, the title of the first princess of Manxing Kingdom did not come for nothing.”

“Manxing smiled and continued, “Actually, I still hope that I can look like my eldest sister.” ”

Ye Zhuo was miss ye of Changyue Kingdom.

“Now, she had completely disappeared from the s galaxy.”

“If at this time, someone investigated and found out that she was ye Zhuo’s twin sister, it would not do her any harm.”

However...

The risk of doing so was a little high.

“If ye Zao suddenly returned, the loss would outweigh the gain.”

“After a while, man xing sighed and said, “Elder sister is my idol!” ”

““What kind of idol is she?”Zhao Dan said firmly, “Xing ‘er, believe me, one day, you will be a hundred times better than her.” ”

“Ye Zao, a jinx, could become like this.”

“Moreover, man Xing was a born lucky star.”

“MAN XING smiled and said, “I will be satisfied if I can live half as long as elder sister.” ”

How could ye Zhuo’s current achievements be achieved by her?

She had received the best education ever since she was young. She was well-fed and well-dressed.

“Ye Zhuo lived a homeless life. Logically speaking, she should be more outstanding than ye Zhuo.”

But she...

Pa..

Man Xing silently broke the brush in her hand.

“Zhao Dan said, “Xing ‘er, don’t belittle yourself so much. In My Heart, you are the most outstanding. That little disaster can’t compare to you at all.” ”

...

“Soon, it was the eve of the family recognition banquet.”

Old Lady Cen had someone send over a pile of beautiful gowns. She wanted to pick out the most beautiful one to give to Ye Zao.

“In Old Mrs. Cen’s view, Ye Zao was the main character of this family recognition banquet.”

Ye Zao had to make a high-profile appearance in order to put an end to those people’s messy thoughts.

““I can’t even see what I’m Looking For!” Old Mrs. Cen massaged her temples. “Big Girl, Come and help me take a look.””

““Grandma, what are you looking for?” Cen Yuying asked curiously.”

“Old Mrs. Cen said, “I’m looking for a gown for Yezi. Which one do you think looks good?””

Cen Yuying looked at the gown on the hanger and pointed at a blue one-shouldered gown. “This is not bad.”

““I feel that this dress doesn’t match Yezi’s temperament,” old Mrs. Cen said.”

“What about this one?” Cen Yuying pointed at another one.

Old Mrs. Cen shook her head. “This one doesn’t work either! This one is too old-fashioned! It’s suitable for someone your age. Yezi is only so old!”

Cen Yuying:” ...”it was heart-wrenching!

“Cen Yueya walked in from outside and smiled as she continued, “Grandma, don’t pick it. The searing beauty has a good temperament. It’s a natural hanger. Even if you wear a burlap sack, it’s the one that looks the best.” ”

“These words finally hit old Mrs. Cen’s heart. The old lady smiled and said, “Then this Red One!” ”

Ye Zao had never been picky.

“Moreover, she liked to challenge others. ”

She had turned some unpopular clothes into a trend.

“As it turned out, old Mrs. Cen’s judgment was very sharp. ”

“Red was originally a color that overtook the limelight, but when it was worn on ye Zao’s body, it was as if red was born for her. ”

“Cen Yueya smiled as she watched ye Zao walk out of the changing room. “Grandma, didn’t I tell you? Our Zao Zao looks good in everything!” ”

Old Lady Cen raised her head proudly. “It’s all because of my good taste in choosing a granddaughter-in-law.”

...

At the family identification banquet.

Duanmu Feng and Ye Han had just stepped into the hall when they were greeted with fawning flattery from all directions.

There were rumors that Leo and Ye Han were furious and would definitely support Duanmu Feng and Ye Han tonight.

“Although Duanmu Feng had fallen, her connections were still there.”

“As long as the duanmu family did not fall, Duanmu Feng and her family would forever be the future First Lady of the alliance.”

“Miss Duanmu is really beautiful tonight. She is simply stunning.”

“Duanmu Feng said humbly, “I don’t deserve to be called stunning. Miss ye is the one who is worthy of being called stunning.” ”

“Miss Ye? She is worthy of being called Miss Ye!”

“Just you wait! There will be a good show tonight!”

“At this moment, a strange movement came from the door.”

“Hearing that, everyone looked back.”

“They saw a tall figure walking over from there, followed by a few people carrying boxes.”

““Isn’t that Chief Ye’s assistant, Suiyue?” ”

““Yes, it’s her.” ”

“I heard that Chief Ye prepared a full 100 million star dollars as a congratulatory gift for Miss Duanmu! And that doesn’t include the rare Grade-3 Armored Beast Bloodstone...”

“It’s not just chief ye. I heard that the tribe leader of the Zerg, Leo, is also here!” ”

“There’s also the evil doctor!”

“I heard that there are also members of the JY team!”

“Duanmu fengyu listened from the side, and the curve of her lips became more and more obvious. ”

“She knew that she was quite popular, but she didn’t expect that so many people were willing to come and support her. ”

Chapter 2156: 444: a direct slap to the face! 1

“Ye Han, Leo, the evil doctor, and the members of the JY team. Which one of them wasn’t someone who could make the s galaxy tremble three times with a simple stomp of their feet? ”

“Perhaps, other than these people, there would be others who would come over to support her and support her. After all, her popularity wasn’t just for show. ”

How could an ordinary person form a relationship with Leo?

“The more Duanmu Feng thought about it, the more excited she became. Her heart was beating faster and faster, and her ears were filled with envious voices. ”

“Miss Duanmu, you’re really amazing! Other than some of the more important international conferences, I’ve never seen Chief Ye, Leo, the evil doctor, and the JY team appear together!” ”

“Yes, yes! I’ve never seen them either!” ”

“Did you guys see Chief Ye just now? He’s so handsome! If I can marry such a person, I’ll do anything!”

“Fengyou, I’m really envious of you! You actually let so many big shots come to support you! I heard that Leo and the others can’t even fit in the space compressor that they prepared!”

“Ever since Duanmu Huang flew in, the Duanmu family’s position in the main alliance was no longer the same as before. For Duanmu Fengyou to be able to let so many people attend the family recognition banquet at such a time was enough to prove Duanmu Fengyou’s status in the S Galaxy.”

“It was also because Duanmu Feng and her family were lucky enough to be born to be the fiancée of the young master of Dongli. After the Duanmu family lost power, she was still able to use her own strength to take root in the s galaxy.”

“With so many bigwigs standing behind Duanmu Feng and supporting her, even if Cen Haifeng intended to side with Ye Zao Tonight, he probably wouldn’t be able to!”

One had to admit that Duanmu Feng and her family were really amazing!

“Hearing this, Duanmu Fengyou turned her head slightly and said with some embarrassment, “Yucheng, don’t say that. Tonight, Miss Ye is the main character, and I’m just a supporting character. Maybe they’re all here for Miss Ye.””

“She was taking a step back to advance, dragging ye Zao into a dilemma so that everyone could make fun of ye Zao without restraint.”

For Ye Zao?

Wasn’t this a joke?

“Ye Han, Leo, and the JY team wished they could just kill ye Zao.”

They would come for ye Zao?

Liang Yucheng smiled and looked at Duanmu Fengyu. "Miss Ye? which miss ye are you talking about?"

"Yucheng, look at what you're saying. Is there a second miss ye here tonight?" Duanmu Fengyu asked back. "

"Liang Yucheng continued, "She's just a fake! What kind of Miss Ye is she? How could she be worthy of Chief Ye and Clan Leader Lei's personal congratulations? In your dreams!" "

None of the socialites attending the banquet were convinced by Ye Zao.

What was ye Zao?

He was just a low-level earthling.

How could she become the most Honorable First Lady of the General Alliance without doing anything?

Duanmu Feng was different!

The Duanmu family was an aristocrat of the Alliance!

"Furthermore, she was a low-level earthling. How could she let these big shots come for her? "

It was simply wishful thinking!

"Other than Duanmu Feng, who else could have such charisma? "

“If one thought about it with their toes, they should know that they were here for Duanmu Feng.”

“Hearing this, Duanmu Feng’s smile became even more pronounced.”

Liang Yucheng finally spoke her mind.

What right did ye Zhuo have?

She was just a clown.

“As soon as Liang Yucheng finished speaking, someone at the side immediately said in a strange tone,
“Yucheng, don’t underestimate her. Indeed, more than half of the people tonight are here for Miss Ye!”
”

“Ye Han, Leo, the evil doctor, the JY team, and the others were all ye Zao’s supporters.”

“Now that someone was fooling around with ye Zao’s face, they definitely had to clean up ye Zao’s House!”

It was obvious that ye Zao would die a horrible death tonight.

“Not only did he look like ye Zao, he even dared to use ye Zao’s name!”

Liang Yucheng’s eyes were filled with sarcasm. “You’re right. Some people are about to reveal their true colors!”

“Speaking up to this point, Liang Yucheng changed the topic and sighed. “It’s a pity that miss ye can’t be there personally. If miss ye could come, it would be even more exciting!” ”

Fake versus real. Let’s see how that fake can get off the stage!

She was afraid that she would have to find a hole to hide in on the spot.

“Su Mu said, “This matter is so big that it might have already spread to Miss Ye’s ears! The banquet hasn’t started yet. How do you know that Miss Ye isn’t coming?” ”

““So, Miss Ye is coming back?”Liang Yucheng asked. ”

““If you ask me, Miss Ye might come, or she might not come!” ”

Chapter 2157: 444: a direct slap to the face! 2

“At this moment, there was another commotion at the entrance. ”

Duanmu Feng looked up and saw a figure in a champagne-colored gown.

She had a pair of delicate eyebrows.

“She was a standard beauty, and there was an amiable look between her brows that made people want to get close to her. ”

“If the people surrounding Duanmu Feng and her only wanted to get close to her, please her, and flatter her, then the people standing beside this woman were all sincere. ”

Man Xing’s popularity was really good.

From 90-year-old people to 9-year-old children.

Anyone who had seen man Xing would be conquered by man Xing's charm.

Only Duanmu Feng and her did not understand what charm man Xing had.

"Looking at the person who came, Duanmu Feng and her brows furrowed slightly."

That Was...

Man Xing.

"Although man Xing had never offended her and she did not get along with man Xing, for some reason, Duanmu Feng and her did not like man Xing."

They even disliked him!

And they disliked him very much.

"For example, she was the most dazzling one in the entire family recognition banquet. After Man Xing appeared, everyone's attention was immediately attracted to him."

Man Xing was like a magnet.

"Miss Duanmu." While Duanmu Feng and man Xing were deep in thought, the noble man Xing walked to her side and extended his right hand to her. "Hello, I'm man Xing."

"Hello." Even though Duanmu Feng didn't like man Xing very much, she wouldn't show all of her emotions on her face. Therefore, she still shook hands with man Xing in a friendly manner."

"MAN XING continued, "Congratulations, Miss Duanmu. I hope you can help me in the future." "

“Thank you.” Duanmu feng smiled and said, “It’s my honor to have you here, Miss Man.” ”

“I don’t deserve to be called miss.” MAN XING paused and continued, “I have an elder sister called Full Moon.” ”

“I’m sorry.” Duanmu fengyu immediately realized that she had made a slip of the tongue.

“MAN XING smiled and said, “It’s fine. I Won’t hide it from Miss Duanmu. Actually, I’ve already found some clues about my elder sister.” ”

“Upon hearing this news, everyone was very happy for man Xing. Su Mu immediately asked, “Really?” ”

Man Xing nodded.

“Su Mu then asked, “Then where is Miss Full Moon Now?” ”

The others also looked at man Xing impatiently.

Man Xing was a good person.

Man Jiangshan and Zhao Dan had spent a lot of effort all these years to find the missing full moon. Everyone hoped that they could find the full moon and have a family reunion.

“Man Xing looked at Su Mu and said apologetically, “I’m sorry. Some details are still being verified. It’s not convenient for me to reveal too much...” ”

“Hearing this, everyone nodded to show their understanding. ”

“MAN XING continued, “Don’t worry. Once we confirm that it’s elder sister, I’ll immediately announce this good news to everyone.” ”

“”Alright. Miss Man Xing, we’ll be waiting for your good news.” ”

“Duanmu Feng and man Xing looked at each other, and a glimmer of light flashed in their eyes. ”

What did man Xing mean by this?

Didn’t she feel that she was being pretentious?

“At this moment, man Xing turned to look at duanmu Feng and said, “Miss Duanmu, can we talk in private?” ”

“In front of so many people, she naturally couldn’t reject man Xing. ”

Duanmu Feng and he nodded. “Sure.”

The two of them came to the lounge.

“Man Xing took the initiative to speak, “Miss Duanmu, I know that you’ve never liked me very much. If I’ve done anything wrong, please forgive me. I really didn’t do it on purpose. At home, my mother often told me that I have a bad temper and often offend people.” ”

“At the end of her sentence, man Xing bowed deeply. ”

Duanmu Fengyu was stunned.

She did not expect man Xing to come to apologize to her.

“MAN XING continued, “Miss Duanmu, from now on, you will be the First Lady of the General Alliance. You will be the leader of the women in our S galaxy. I’m afraid that even the commander of the Yue

Nation, Miss Ye, will lose her face in front of you. Don't worry, our man Xing nation will always be loyal to the General Alliance and to You!" "

"Looking at the obedient Manxing in front of her, Duanmu Feng felt extremely happy. "

"The Princess of the Manxing Kingdom, who was high and mighty in front of everyone, still had to bow down before her. "

"At this moment, all of Duanmu Feng's displeasure towards Manxing disappeared. She smiled and said, "Miss Manxing, you've misunderstood. I'm actually a very easy person to get along with. It's just that I don't talk much in front of people I don't know well." "

"Since Manxing was so humble, she had to put on airs all the time. "

Manxing was the legitimate Princess of the full moon kingdom. She would inherit Manxing Kingdom in the future. It wouldn't do her any harm to have a good relationship with Manxing.

Chapter 2158: 444: face smacking! 3

""Thank you, Miss Duanmu."MAN XING continued, "Miss DUANMU, you can just call me by my name from now on." "

""Okay."At this moment, Duanmu Feng had completely let down her guard. She continued, "Then you can also call me by my name." "

""I don't dare."Man Xing said gently, "Father taught me since I was young that there is an order between seniority and respect. Miss DUANMU, you are the most honorable woman in the S Galaxy. How can I call you by your name without distinguishing between seniority and respect? This is not proper etiquette." "

This sentence pleased Duanmu fengyu very much.

Duanmu Fengyu was also very satisfied with man Xing.

“She had thought that man Xing was a scheming woman, but it seemed that she was overthinking it. Man Xing was not a threat to her.”

“Man Xing looked at Duanmu Fengyu and curled his lips slightly. “Miss Duanmu, in fact, I always thought that you were a very cold and aloof person, so I didn’t dare to speak much in front of you. I didn’t expect you to be so amiable.” ”

““Is that so?”Duanmu feng smiled and said, “Actually, I’m just like you. I only know how to be cold and aloof in front of people I don’t know.” ”

The two young girls soon got along well.

“Not long after, Cen Haifeng and the Cen family appeared at the family identification banquet.”

“Looking at the old Mrs. Cen with her gorgeous hair, man Xing’s eyes narrowed slightly.”

“Perhaps in the eyes of others, she was just an old lady from Earth who was useless, but man Xing didn’t think so. She respected the elderly and liked to be with them.”

“Man Xing lifted his skirt, but at this time, he accidentally broke the ornament on his wrist.”

Clatter.

Emerald Green beads fell on the ground.

“However, this slight movement did not attract the attention of others in the banquet hall. Even man Xing himself did not notice it.”

“Old Lady Cen hated to attend such boring banquets, but she had to clear ye Zao’s name. She could only brace herself and turn around to see when ye Zao would come. Suddenly, she stepped on something and almost fell, at the most critical moment, a pair of hands firmly supported her.”

“A caring and gentle voice sounded above her head, “Are you okay, Old Lady?” ”

Old Mrs. Cen raised her head and saw an extremely beautiful face.

“If she did not know ye Zao, Old Mrs. Cen would definitely be shocked. However, after knowing ye Zao, even a beautiful person would not be able to excite her.”

“If one were to describe it in one sentence, it would be that after ye Zao, there would be no more beautiful women.”

““Thank you.”Old Mrs. Cen continued, “I’m fine.” ”

““You’re too polite, old lady,”man Xing continued.”

“Old Mrs. Cen Glanced at man Xing and continued, “Young Lady, what is your name?” ”

““My Name is man Xing,”man Xing said, “Man of Gold and Jade, the Sun, Moon, and stars.” ”

Old Mrs. Cen nodded. “Your name is very nice. I think you must be the apple of your eye in the family.”

“Man Xing shook his head. “No, I have an elder sister called man Yue.” ”

“The Sun, Moon, and stars, of course, were in front of the Moon.”

This sentence also indirectly told old Mrs. Cen that she was not a spoiled little princess. She was just a daughter of an ordinary family.

“Then your sister must be as beautiful as you.” Old Mrs. Cen raised her head.

“MAN XING said humbly, “My sister is much more beautiful than me. I can’t even compare to half of her.” ”

Old Mrs. Cen was a little curious when she heard this.

Not even half.

Then how beautiful would the full moon be

“After saying this, man Xing continued, “Speaking of which, Miss Ye and my eldest sister have some sort of relationship.” ”

“Yezi?” Old Mrs. Cen asked.

“Old Mrs. Cen continued asking, “What kind of relationship?” ”

“MAN XING said, “Although I’ve never seen eldest sister before, I still feel that she looks very similar to eldest sister. When I see her, it’s as if I see eldest sister.” ”

“As he spoke, he saw that old Mrs. Cen was holding a piece of dessert in her hand. MAN XING also picked up the dessert on the table and said with a smile, “I like to eat dessert the most. Unfortunately, it’s very hard to get these in the S Galaxy.” ”

“You like to eat this?” A look of surprise flashed across the old lady’s face.

These desserts were specially added by Cen Hai Feng.

“In the S Galaxy, these were all meaningless food. No one would eat them. ”

“Just the composition of a drop of nutrient solution was higher than that of an entire cake. Moreover, the nutrient solution contained various energy elements. ”

“”Yes.”MAN XING smiled and said, “I may have been a freak since I was born. “I like to eat things that others don’t like. Although they all think that this kind of food is redundant, I don’t think so. In ancient times, if it weren’t for this kind of food, there wouldn’t have been our ancestors. “Food doesn’t have three, six, or nine grades. We should have a heart of reverence for food, not to spoil it, and not to abandon it.” ”

Chapter 2159: 444: a direct slap in the face! 4

“At this point, man xing sighed and continued, “It’s a pity that my words are too light.” ”

“Among the people who despised Earth and its culture, man Xing appeared fresh and refined. ”

Cherish food.

Old Mrs. Cen had experienced famine on Earth. No one knew the value of food better than her.

“In that era where food was scarce, how many people were starved to death? ”

Manxing’s words hit the old lady’s heart.

It had to be said that Manxing’s EQ was really high.

“Not only could he become friends with Duanmu Feng, but he could also curry favor with old Mrs. Cen. ”

Old Mrs. Cen nodded and looked at Manxing with a smile. "You're the first person I've met in the s galaxy who's so enlightened."

"Manxing smiled and said, "Thank you for your praise. Actually, there are many people who are more outstanding than me. It's just that the s galaxy is too big and you didn't notice it." "

"No, no, no." Old Mrs. Cen shook her head. "You're definitely the most outstanding girl I've ever met!" "

"It was rare for CEN yueying to see a young man who took the initiative to talk to Old Mrs. Cen. She smiled and walked over. "Grandma, who is this?" "

"Old Mrs. Cen smiled and introduced Cen Yueying. "This is Manxing. Little girl has her own ideas. Little Girl, this is my third granddaughter, Cen Yueying." "

"Manxing raised his head gracefully and looked at CEN yueying. "Hello, third Miss Cen. I'm Manxing." "

"Hello." Cen yueying shook hands with Manxing.

All of this fell into Duanmu Fengyu's eyes.

Duanmu fengyu frowned slightly. It would be a lie if she said that she did not feel anything.

"After all, she had been trying to curry favor with old lady cen for so long without any effect. Yet, man Xing only spent a few minutes talking and laughing with Old Lady Cen. "

What method did man Xing use.

She was curious and unconsciously moved her feet to the side.

“Man Xing’s Back was facing Duanmu Fengyu, so she did not see Duanmu Fengyu.”

“Old Lady Cen held man Xing’s hand and said, “Man Xing, I really like you! Unlike some little sparrows who don’t even look in the mirror when they go out, someone like her still wants to stick to her door. It’s disgusting!” ”

“Man Xing said gently, “Old lady, there are good people and bad people in this world. There are people who overestimate themselves. You Don’t have to bother with them. “Actually, sometimes, they don’t mean it. They’re just used to living like this.” ”

Duanmu Feng and her anger rose from the bottom of their hearts.

What a man Xing!

“He was a person in front of her, but behind her was a ghost. ”

She had thought that man Xing was a good person!

“If man Xing was really a good person, he wouldn’t have fawned on Old Lady Cen! ”

Duanmu Feng and her clenched her fists and turned to leave.

“Man Xing looked at Old Madam Cen and felt that it was about time. If he continued to stay by her side, it would be counterproductive, “Old Madam, I’ll go over there first. If you have time, you’re welcome to visit man Xing country as a guest.” ”

““Okay, okay, okay.”Old Madam Cen nodded. ”

“Looking at man Xing’s back, cen yueying sighed, “Such a girl is really rare! She’s as calm as a lotus and speaks elegantly. It’s a pity that I only have one younger brother. Otherwise, I really want her to be my second brother’s wife!” ”

It was the first time she had met such a friendly person in the alliance.

“Old Mrs. Cen smiled and said, “Some People’s scheming is written on their faces, while some people’s scheming is hidden in their hearts.” ”

“At this point, old Mrs. Cen looked at CEN yueying and said, “You, in the end, are still too inexperienced!” ”

“Cen Yueying scratched her head and asked, “What do you mean?” ”

“Old Mrs. Cen looked in the direction where Manxing had disappeared and said, “That Manxing is obviously an extremely shrewd person. She’s the same as Duanmu Fengyu, but Duanmu Fengyu’s status is not as high as hers.” ”

“Compared to Manxing, Duanmu Feng’s acting skills were not even enough. ”

““Then why are you chatting with her so happily!”CEN yueying continued, “I almost thought that you were going to treat her as your own granddaughter!” ”

“Old Mrs. Cen rolled her eyes at Cen Yueying. “What do you know! That’s called throwing bricks to attract jade, causing them to have internal strife.” ”

Only when these two women fought would no one bother ye Zhuo.

“Cen yueying understood what old Mrs. Cen meant. She smiled and said, “But, grandma, are you sure that this is how you use throwing bricks to attract jade?” ”

“I said it myself. I’ll use it however I want!”Old Mrs. Cen said with a proud face.

“Cen yueying followed Old Mrs. Cen’s footsteps and continued, “But how did you see through the Stars?” ”

Chapter 2160: 444: straight to the face! 5

“Anyway, she didn’t see anything wrong with full stars.”

Could it be that old Mrs. Cen had keen eyes?

Old Mrs. Cen picked up a small bead from the ground. “Look at this.”

““What is this?” Cen Yueying was puzzled for a moment, then she continued, “Whose bracelet broke?” ”

“Old Mrs. Cen continued, “It was the culprit that almost made me fall.” ”

“This is Manxing’s?” Cen Yueying asked.

“Old Mrs. Cen smiled and said, “You finally got it!” ”

“From the moment Manxing had supported Old Mrs. Cen in time, Old Mrs. Cen knew that things were definitely not simple.”

“Sure enough, Manxing’s next move was to deliberately curry favor with her.”

“Old Mrs. Cen was so old, she had seen everyone.”

“No matter how good Manxing’s disguise was, she could tell at a glance.”

“CEN yueying took the bead. “Oh my God, this is too scary! I looked at her peaceful appearance and thought she was a good girl! I was almost fooled!” ”

“So, you should be more careful in the future! Don’t be fooled!” Old Mrs. Cen continued, “Let’s Get Ready, the banquet is about to begin.” ”

“Okay.”

The auspicious time that was set soon began.

“Cen Haifeng stood on the stage and formally introduced Old Mrs. Cen, Zhou Xiang, and the three CEN sisters, followed by Cen Shaoqing and Ye Zao. ”

“When Cen Haifeng introduced ye Zao as Cen Shaoqing’s fiancée, the atmosphere below the stage suddenly became quiet. ”

It was even a little strange.

Fiancée?

What qualifications did ye Zao have to become the eastern fence young master’s fiancée?

Wasn’t she just an Earthling?

“In contrast to everyone’s angry faces and gnashing of teeth, Manxing was not angry at all. She sat on the chair and gently shook the fan in her hand. ”

It had to be said that this ye Zao really looked like ye Zao.

“Duanmu Fengyu looked at ye Zao’s figure on the stage, her eyes filled with jealousy. ”

Just wait.

“Soon, ye Zao would lose his balance.”

“Duanmu Feng and the others prayed in their hearts, praying that Ye Han and the others would come quickly.”

“Seeing that the family recognition banquet was about to end, Ye Han and the others still hadn’t come.”

Could it be that they weren’t coming?

“Duanmu Feng and the others gulped, feeling somewhat anxious. If Ye Han and the others didn’t come, then what would she become?”

A joke?

No.

They would definitely come.

“After all, Suiyue and the others had sent their congratulatory gifts.”

Duanmu Feng and the others tried their best to calm themselves down.

They couldn’t be anxious.

“At this time, she had to be extremely calm.”

“At this moment, the door to the entrance was pushed open, and the sound of footsteps could be heard.”

“It’s Chief Ye!”

Exclamations could be heard from the crowd.

“And chief Leo!”

“Evil doctor!”

“Oh my God! The JY team is really here!”

“Is that someone from the eight great clans?”

“Why is Mr. Feng here as well?”

“Hearing these voices, Duanmu Feng and the anxiety in their hearts finally disappeared. When they looked back, they saw that with Ye Han, Leo, and the others as the leaders, they were indeed here. ”

Great!

“At this moment, Duanmu Feng’s heart was beating extremely fast. ”

“Duanmu Feng lifted the hem of her dress, and the corners of her mouth curled up into a beautiful arc as she walked forward step by step to welcome them. ”

“After all, these people had come for her. ”

“As the host, she naturally had to do her part as a host. ”

“Duanmu Feng and her best posture walked onto the red carpet until she walked in front of Ye Han.

“Chief Ye, thank you for being able to...” ”

“Before Duanmu Feng and her words could finish, ye Han acted as if he did not see her. He directly ignored duanmu Feng and walked toward the stage. ”

“At this moment, Duanmu Feng and Ye Han were stunned. ”

The curve on their faces froze at the corners of their mouths.

How could ye Han and Ye Han ignore her?

Could it be that ye Han wanted to make ye Zao embarrassed?

Yes

That must be the case.

Duanmu Feng and Ye Han took a deep breath and tried not to lose their composure. They turned their heads to look at Ye Zao on the stage.

Just wait.

Ye Zao would die very miserably soon.

“According to Leo’s personality, he would probably beat ye Zao until ye Zao didn’t even recognize his mother, right? ”

“As expected, Leo directly rushed over. ”

Duanmu Feng and the corner of their lips curled up.

“But in the next second, Duanmu Feng and the others were dumbfounded. ”

“Leo shouted in surprise, “Father Zao! It’s really you!” ”

“Mr. Feng and the others immediately knelt down on one knee. “Miss Ye, Welcome Back!” ”
