

## **Almighty D 2161**

Chapter 2161: 445: This is what it means to be bold and unyielding! 1

“Actually, the s galaxy was the same as Earth, there was no kneeling ceremony.”

“However, ye Zao had done a great favor to the Feng clan, so Mr. Feng swore that all members of the Feng clan must kneel down on one knee to thank ye Zao for saving their lives.”

“Even though ye Zao had said many times that there was no need to kneel, they still maintained this rule until now.”

Seeing this scene.

The guests thought that they were hallucinating.

What did Mr. Feng Call Ye Zao?

Miss Ye?

What did Leo Call Ye Zao?

Father Zao?

“In the s galaxy, other than that Miss ye who could make Mr. Feng and Leo respect her so much, there was really no one else who could call her that.”

Could it be that the person on the stage was Miss Ye?

This was too shocking!

“Just a second ago, Ye Zao was still a fake.”

““Mr. Feng, get up quickly.”Ye Zao helped Mr. Feng Up with one hand.”

“Mr. Feng stood up from the ground. “Congratulations, Miss Ye.” ”

“Thank you.”

“Mr. Feng looked at Cen Shaoqing again. “Congratulations, Young Master Dongli.” ”

“Then, without waiting for Cen Shaoqing to speak, mr. Feng continued, “No matter what, Miss Ye will always be our Miss Ye. If Young Master Dongli treats miss ye badly, even if it’s the entire alliance, even if we have to risk our lives, we would still dare to provoke him.” ”

These words were a reminder and also a warning.

These people were ye Zao’s capital!

Whoever dared to go against ye Zao would be going against them!

“Once these words were said, the JY team, Leo, Ye Han, the elders of the eight great clans, as well as the big shots from all sides, all stood behind ye Zao.”

What was haughty.

This was haughty.

Cen Shaoqing had never been threatened by anyone in his entire life.

This was the first time.

“However, he admitted defeat. He was willing to drink as if it was his own. ”

“Cen Shaoqing turned around slightly and faced the crowd. He opened his thin lips and said, “Don’t worry, everyone. I will not let ye Zao Down in this life. If I break my oath, I will be at your disposal!” ”

“Today, he was not dressed in plain clothes. Instead, he was dressed in a suit and leather shoes. His imposing manner was like a rainbow. It was clearly a very simple sentence, but it was not something that could be interfered with. ”

It was powerful.

“Some people were born to be dragons and phoenixes among men. Even if they stood there and did nothing, they could still leave others in the dust. ”

“Mr. Feng nodded and continued, “With young master’s words, I’m relieved. Now, can young master please explain about Miss Duanmu’s matter? We Can’t let Miss ye be seriously injured by rumors for no reason!” ”

“Cen Shaoqing continued to speak, “The rumors about me and Duanmu Feng being engaged are just rumors. From the beginning to the end, Duanmu Feng and I are just strangers who have never met before. How can there be an engagement? “Whether in the past or in the future, my girlfriend and fiancée are only ye Zhuo.” ”

With that said.

The audience was silent.

No one expected Cen Shaoqing to give such an answer.

“Initially, everyone thought that Cen Shaoqing would say that he and Duanmu Fengyu had already broken off their engagement ”

“However, he directly denied the engagement with Duanmu Fengyu.”

“They also did not expect that the person standing beside Cen Shaoqing was actually Miss Ye, who was high and mighty and looked down on the world. ”

“Especially Duanmu Fengyu, she was completely dumbfounded. ”

She could not even react in time.

She had originally wanted to see ye Zao make a fool of himself.

She had never thought that ye Zao would slap her in the face.

What was going on?

How did ye Zao turn into Miss Ye?

“If ye Zao was Miss Ye, then what was she? ”

What was she?

“Ye Zao was clearly the mistress who had interfered in other people’s feelings, but now, she was the one who interfered in other people’s feelings. ”

She was unwilling.

She was really unwilling.

“But at this moment, no matter how unwilling she was, she could only endure it. ”

The person who should have been standing by Cen Shaoqing’s side tonight should have been her.

“Ye Han, Mr. Feng, Leo, JY team, and the others should have come to support her! ”

Why did ye Zao snatch them away!

How did ye Zao become the high and Mighty Miss Ye?

What exactly happened?

“”If I were Duanmu Fengyu, I would just find a hole in the ground and hide in it!” ”

“Others are still waiting to be the future wife of the Chief Alliance!”

“”She thinks that if her aunt can become the wife of the Chief Alliance, she can definitely do it! How Shameless!” ”

The sarcastic voice penetrated Duanmu Fengyu’s ears.

Humans.

They were too realistic.

“Even if they were separated from the hypocritical earth, they would never change. ”

“Before the banquet started, they were still flattering her, but in the blink of an eye, she had become that shameless person.”

Chapter 2162: 445: This is what it means to be bold and unyielding! 2

Who is the shameless one?

Laughable!

This is simply laughable!

“Feeling the gazes from all directions, duanmu Feng and Ru Feng lowered their heads and quickly walked out.”

Man Xing sat in the guest seats and looked at Ye Zao on the stage with narrowed eyes.

What happened today also exceeded her expectations.

She had also suspected ye Zao’s identity.

But she did not expect that ye Zao was really ye Zao.

“Most importantly, she had investigated ye Zao’s identity.”

Ye Zao was just an ordinary earthling from head to toe. How did she suddenly turn into Miss Ye?

What exactly happened in between.

She had wanted to watch a good show.

Who would have thought that it would end up like this.

“Man Xing turned the ring on his index finger, but no expression could be seen on his face.”

“In Man Xing’s plan, Duanmu Feng and Ye Zao would definitely ruin the family recognition banquet today, making it impossible for ye Zao to step down.”

“After all, Duanmu Feng and Ye Zao’s connections were not fake.”

“However, even if Duanmu Feng and ye Zao ruined the family recognition banquet, she would not be able to smoothly become the legitimate fiancée of Dongli’s young master.”

“Since the young master of Dongli had decided to announce ye Zao’s identity in a high-profile manner, it meant that ye Zao held a high enough position in his heart.”

Duanmu Feng’s actions would only result in a situation where both sides would suffer heavy losses.

This was a situation where both sides would suffer heavy losses. This was also what man Xing was most willing to see.

“When the Snipe and clam fought, the fisherman would always be the one who benefited.”

“However, in this way, she did not see anything other than a good show.”

Man Jiangshan was also extremely surprised.

“However, unlike man Xing, there was more surprise than surprise.”

Ye Zhuo was Miss Ye.

That meant that ye Zhuo was man Xing!

“If ye Zhuo was man Xing, didn’t that mean that he was the father-in-law of Young Master Dongli? ”

“In the future, the Alliance and MAN XING would be linked. ”

“At that time, in the s galaxy, who would dare to look down on man Xing? ”

Good!

This was great!

“MAN Jiangshan never dreamed that this full moon, which he had once abandoned and which master Cao had determined to be a jinx, would one day become the fiancée of the young master of the eastern fence of the alliance. ”

“However, man Jiangshan did not reveal his worries. ”

He had to find a suitable opportunity to expose this matter.

“After the banquet ended, man Jiangshan stood at the door and waited for man Jiangshan. ”

“Not long after, he saw man Jiangshan and his friend walking out while chatting and laughing. ”

“Dad.” Man Xing immediately went up to greet them.

“Man Xing was wearing a champagne-colored gown. Standing under the night sky, he was like a bright star.”

“When his friend saw man Xing, he was stunned.”

“Man Jiangshan took the initiative to introduce him, “This is my daughter, man Xing. Xing ‘er, this is Uncle Zhou.” ”

“”Hello, Uncle Zhou.”Man Xing greeted him politely. ”

“Zhou weiguo smiled and said, “Miss Man is indeed as well-read and reasonable as the rumors say. She is beautiful and beautiful.” ”

But well-read and reasonable? Beautiful and beautiful?

“If he had not met Ye Zhuo, Zhou Weiguo would definitely have added that a woman was not inferior to a man. ”

It was a pity.

“With a gem in front of him, even an outstanding person would not be able to stir up any waves.”

“”Uncle Zhou, you flatter me. Actually, I’m just a very ordinary girl,”said man Xing. ”

“Zhou Weiguo said, “Miss Man is too modest. Mr. Man, I still have something to do. I’ll take my leave first. If there’s a chance to go to the W Galaxy, I’ll definitely treat you to tea.” ”

“”Okay, I’ll definitely go.”Man Jiangshan cupped his fists at him. ”

“After Zhou Weiguo left, man Xing continued, “Dad, this time, aren’t you going to acknowledge your eldest sister?” ”

“Of course, I have to acknowledge her!” Man Jiangshan continued, “Not only do I have to acknowledge her, but I also have to acknowledge her in a high-profile manner! I want to announce to the world that Ye Zhuo is my daughter!” ”

“Hearing this, Man Xing frowned slightly. “Dad, you’re thinking too simply.” ”

“Before Man Jiangshan could say anything.., MAN XING continued, “Actually, when I saw her picture before, I suspected that she was elder sister! I also investigated her information, but according to the information, Ye Zhuo was just an ordinary earthling. Do you know what it means?” ”

“If it was not for that information, Man Xing would not have been so careless. ”

This was the first time that Man Xing had been set up by someone.

And it was completely undetectable.

This made Man Xing unable to adapt to it.

“What does it mean?” Man Jiangshan asked.

“MAN XING continued, “It means that elder sister doesn’t want to recognize us at all! She tried every means to create these nihility data just to break away from us.” ”

“Hearing this, Man Jiangshan’s face was slowly turning black. ”

Break away from him?

Ye Zhuo was his daughter!

His blood flowed in his body.

1

He did not repay the kindness of raising her.

Chapter 2163: 445: This is what it means to be bold and unyielding! 3

Ye Zao wanted to leave him?

No Way!

“If it wasn’t for him, would ye Zao exist in this world? ”

“If he didn’t spare ye Zao’s life back then and directly killed ye Zao, would ye Zao exist in this world? ”

Ye Zao was able to become the famous Miss Ye of Chang Yue Country and now the First Lady of the General Alliance country because of him.

Because he gave life to ye Zhuo!

He was ye Zhuo’s father!

“Speaking up to this point, man Xing paused, then he said, “Dad, why don’t We Forget It? It’s not easy for elder sister to do so much. Moreover, we have let elder sister down, so let’s not disturb her life. As long as we know that elder sister is living well.” ”

""Xing 'er, don't interfere in this matter."Man Jiangshan continued, "Just leave it to me and your mother." "

Man Xing was still a child.

She did not know the benefits involved at all.

"Moreover, Ye Zhuo was the daughter that he and Zhao Dan had been searching for for so many years. "

"As a parent, wasn't it normal for them to recognize their own child? "

""Dad!"Man Xing sighed, "I really feel sorry for my eldest sister. It has been so many years, and it hasn't been easy for her. When I was young, I was the Apple of your and mom's eyes at home, but she had to live a vagrant life without a meal. Not to mention her, if it were me, I would also be very angry and try my best to disown us! "Please understand my eldest sister!" "

The anger in man Jiangshan's heart was very well stirred by the words 'disown relationship'.

""She wants to compete with you? How can she compete with you!"Man Jiangshan looked at man Xing, "You were born to be the Lucky Star of man Xing nation. I don't know how much auspicious aura you brought! The entire city has become rich because of you! What about her? What has she done? She deserves all the suffering she has suffered!" "

"The moment ye Zhuo was born, he had caused the people of Manxing kingdom to be in deep trouble. If it were not for this, he and Zhao Dan would not have chosen to throw ye Zhuo away. "

"To throw away their own child with their own hands, as parents, were their hearts really not hurting? "

They were more heartbroken than anyone else!

"Moreover, this kind of sadness could not be shared with outsiders. They could only hide it in their hearts. "

Especially Zhao Dan.

“As a mother, she often watched the videos of ye Zao’s wandering suffering and cried bitterly ”

But these were all things that ye Zao had to experience.

“Born as a human, only after experiencing pain and suffering could one see an incomparably brilliant rainbow after a storm. ”

“”Now, not only can she not blame me, she even has to thank me! If it wasn’t for the wandering days that tempered her mind, would she be able to achieve what she has today? Would she be able to stand shoulder to shoulder with young master Dongli?” ”

“At this moment, man Jiangshan could not wait to announce to everyone that ye Zhuo was his and Zhao Dan’s daughter! ”

“Hearing this, man Xing sighed, he then said, “Although that’s what you said, elder sister might not necessarily think so. “Although elder sister is older than me, she is still a child after all. She doesn’t have a comprehensive view when considering things. Although your actions towards her back then tempered her mind, all she saw was abandonment. If she really did not hate us, she would not have tried so hard to disown us. Dad, forget it, just let elder sister go... .. ”

“”Let Her Go?”Man Jiangshan looked at man Xing. “Xing ‘er, you have to figure out who is the one who won’t let anyone Go! Even a three-year-old child knows that she has to repay her parents for raising her. Does she know?” ”

Man Jiangshan’s angry roar immediately attracted the attention of others.

“Man Xing held man Jiangshan’s arm and said without batting an eyelid, “Dad, you drank too much. Let’s talk when we get back.” ”

“As they spoke, he helped man Jiangshan onto the aircraft. ”

“Soon, the aircraft arrived at man Xing country. ”

“Zhao Dan saw that man Jiangshan’s expression was not very good. He looked at man Xing and asked with some doubt, “Who made your dad angry?” ”

“MAN XING said, “Mom, I have news for you. Don’t be shocked.” ”

“”Go Ahead,”Zhao Dan said. ”

“MAN XING continued, “We saw elder sister at the family identification banquet.” ”

“Ye Zhuo?”Zhao Dan asked.

“”Yes.”Man Xing nodded. “Mom, my previous guess was right. Young Master Dongli’s girlfriend is elder sister.” ”

“Hearing this, Zhao Dan asked incredulously, “You mean, that Earthling?” ”

“Yes.”

“After hearing this news, Zhao Dan found it difficult to digest it for a while. ”

She really didn’t understand how that Earthling could be ye Zhuo!

Chapter 2164: 445: This is what it means to be bold and unyielding! 4

“Did you guys get the wrong person?” Zhao Dan asked.

“”No.” Man Xing shook his head and continued, “Even if father and I got the wrong person, Ye Han, Leo, and Mr. Feng will not get the wrong person!” ”

“”Ye Han, Leo, and the others all went?” Zhao Dan asked. ”

“”Yes.” Man Xing nodded. “Not only them, many others went as well! Mom, you don’t know how glorious eldest sister was at the family recognition banquet today!” ”

Zhao Dan was in a bad mood when he heard that. “Does that mean that the matter between Ye Zhuo and Young Master Dongli didn’t Go South?”

“MAN XING said, “Mom, with these people around, which of the national advisor and the Great Elder of the General Alliance would dare to Say Anything?” ”

Who among them would dare to stand up against Ye Zhuo and Cen Shaoqing.

“If they went against Miss Ye, they would be going against the entire S galaxy! ”

“Besides, compared to Miss Ye, Duanmu Feng was nothing? ”

She wasn’t even a foil!

“Zhao dan continued, “W-what’s going on?” Why did that Earthling suddenly become ye Zhuo? ”

“If the matter between young master Dongli and Duanmu Feng didn’t go south, what would happen to man Xing? ”

“Man Xing helped Zhao Dan sit down. “Mom, don’t worry. Let me tell you slowly.” ”

“Okay.” Zhao Dan nodded.

Man Xing told Zhao Dan everything that had happened.

““So, Ye Zhuo’s position wasn’t taken at all. She was just using a trick!” Zhao Dan looked at man Xing. ”

“Man Xing nodded. “Actually, it wasn’t a trick. Elder sister just wanted to draw a clear line between us.” ”

Zhao Dan snorted. “What a little B \* Tch!”

“In front of outsiders, Zhao Dan would never say such disgraceful words. ”

She really hated ye Zao!

“Ye Zao was clearly her daughter, yet he did not share her heart. When she was deliberately trying to get close to him, ye Zao even ridiculed her! ”

He could not even compare to half of man Xing.

She really did not know how she gave birth to such a daughter!

““Mom, don’t be angry,” man Xing said understandingly. “Actually, I quite understand elder sister. After all, she has suffered so much since she was young...” ”

“Looking at man Xing like this, man Jiangshan was very touched, but at the same time, he was a little worried. ”

“Man Xing was too kind. Kind people often didn’t have any good karma. He was afraid that one day, if he wasn’t around, man Xing would be schemed against because of this kindness. ”

Not Angry?

How could Zhao Dan not be angry?

“Thinking that he was actually deceived by that cheap girl, Ye Zhuo, Zhao Dan was extremely angry. ”

“Man Jiangshan looked at man Xing and said, “Xing ‘er, you’ve been tired all day. Go back and rest. Your mother and I should rest too.” ”

“Man Xing nodded, “Father and mother, you should rest early.”. “As for elder sister, don’t be angry. I believe that elder sister didn’t do it on purpose. Although I also hope to be able to recognize elder sister, since elder sister doesn’t want to recognize us, then forget it.” ”

“Whether it was from the perspective of his daughter or his sister, Manxing’s words were watertight. From the beginning to the end, he was thinking about ye Zhuo and was extremely kind. ”

Manjiangshan waved at Manxing. “Your mother and I will handle this matter. Don’t think too much. Go back and rest.”

“Okay.”Manxing nodded and turned to leave.

“Zhao Dan knew that man Jiangshan had sent man Xing away because he had something to say to her. He asked directly, “How do you plan to handle this matter?” ”

“”I need you to handle this matter,”man Jiangshan said. ”

“Zhao dan asked, “Are we going to announce this news directly?” ”

“Yes.” Man Jiangshan nodded.

“They had to announce it directly. If ye Zhuo dared to disown them as his biological parents, he would definitely be despised by others.”

No matter how developed the human civilization was.

Filial piety would always be at the top of the list.

The people of the s galaxy placed great importance on filial piety!

“If ye Zao wanted to preserve his reputation, he had to acknowledge them!”

“Then when is the appropriate time to announce it?” Zhao Dan asked.

“Man Jiangshan thought for a moment and then said, “This kind of thing should be done sooner rather than later. Let’s do it tomorrow!” ”

“Okay.” Zhao Dan nodded.

“Man Jiangshan continued, “You don’t need me to teach you how to do it, right?” ”

“”No need.” Zhao dan smiled and said, “I know what to do.” ”

“The man family was not an ordinary family. Back then, Zhao Dan was able to stand out from a group of competitors and become the Lady of the man family. Naturally, her methods could not be underestimated.”

“However, she had been used to living a comfortable life these years. She did not have to do everything herself.

Chapter 2165: 445: This is what it means to be bold and unyielding! 5

“That’s good.” Man Jiangshan nodded. “Remember, no matter what, you have to let ye Zhuo acknowledge you.” ”

“Don’t worry.”

The next day.

An explosive piece of news spread throughout the entire S galaxy!

The Manxing Kingdom’s long-lost princess was actually Miss Ye.

“As soon as this piece of news appeared, the number of topics soared to 200 million. ”

[ oh my God! Miss Ye is actually the full moon princess of Manxing Country! ]

[ no wonder miss ye is so amazing. It turns out that she has outstanding genes in her bones. ]

[ I was wondering why Miss Ye’s shadow was in Princess Manxing’s eyes. So Miss Ye is actually Princess Manxing’s elder sister. ]

[ having such a good elder sister is really enviable. ]

“[ Wu Wu Wu Wu, Congratulations to Mr. and Mrs. Man for finally finding your biological daughter after searching for so many years. ] ”

“[ yes, Congratulations! ] ”

[ Miss Ye’s journey was really not easy. It was not easy to find her biological parents. I wish Miss Ye a safe and happy life for the rest of her life! ]

[ ... ]

“As long as one opened the international star network, the topic would always be related to miss ye and Manxing. ”

“The Manxing Nation sat in front of his desk and slowly browsed through the voices on the Internet, his lips curling up slightly. ”

This time.

Ye Zao was really in a difficult situation.

“Facing ye Zao, there were only two choices. ”

The first was to acknowledge his parents.

The second was to resolutely refuse to acknowledge them.

“If ye Zao chose to acknowledge the Manjiangshan and Zhao Dan couple, it would naturally be a good thing for everyone, allowing the people of the s galaxy to see the desired result. ”

But if ye Zao refused...

Ye Zao’s entire life would be destroyed!

“After all, man Jiangshan and Zhao Dan created the image of good parents in front of the public. ”

“Over the years, man Xing country had never stopped looking for news about the full moon princess. ”

“If ye Zao did not acknowledge man Jiangshan and Zhao Dan, then she was an unfilial daughter. ”

“She had an unrighteous outlook and did not have filial piety in her heart. No matter how capable she was, no matter how powerful she was, she would still be despised by the people. ”

“Although man Xing had never interacted with ye Zao before, they were still sisters from the same mother. Based on Ye Zao’s style of doing things, it could be seen that ye Zao was not the kind of person who would give in easily. ”

“If she had acknowledged her entire family, she would not have waited until now. ”

“Although ye Zao had made a name for himself at the family recognition banquet, what awaited her was a different outcome. ”

“No matter what ye Zao chose, whether he wanted to admit it or not, it was beneficial to Manxing. ”

Admit it.

“From now on, she would be ye Zao’s biological sister and Dongli would be her brother-in-law. ”

She would not admit it.

“Ye Zao fell from the altar, and she would return to everyone’s sight. ”

She did not have to do anything. She just had to wait for ye Zao to make a choice.

“Manwen also quickly learned of this news. He angrily found Manjiangshan and Zhao Dan, “I don’t care! In any case, I won’t acknowledge ye Zao! I only have one sister in my life! She is man Xing! I Won’t acknowledge anyone other than man Xing!” ”

Man Jiangshan pointed at man Wen. “Go Back! Don’t meddle in the affairs of Adults!”

“In Man Jiangshan’s eyes, Man Wen would always be an insensible child. He couldn’t even compare to man Xing’s hair. ”

“Fortunately, they still had man Xing. ”

“Otherwise, man Xing nation would be destroyed by man Wen sooner or later. ”

“Mom!”Man Wen looked at Zhao Dan.

“Zhao Dan said, “Listen to your father. Go back quickly! Don’t cause trouble here!” ”

Man Wen picked up a vase and threw it on the ground. “I just don’t recognize ye Zao! She doesn’t have the right to be my sister!”

Man Jiangshan raised his hand and gave man Wen a slap on the face.

Slap!

“This slap frightened Zhao Dan. By the time she reacted, blood had already seeped out from the corner of Man Wen’s mouth. ”

“”Wen ‘er, are you alright?”Zhao Dan immediately looked at man Wen and said, “Why did you hit the child! He did it for Xing ‘ER’s Good!” ”

"A piece of SH \* t that can't be helped!" Man Jiangshan ignored Zhao Dan and looked at man Wen angrily. "Get lost! Get Lost Right Now!"

Man Wen's face was full of tears as he ran away aggrievedly.

Zhao Dan subconsciously chased after him. "Wen 'er!"

"Stop right there!" Man Jiangshan shouted angrily. "A loving mother is a useless son. Look at how much you've spoiled him!"

Zhao Dan stopped and looked up at man Jiangshan. "Isn't Wen 'er doing this to protect Xing 'er? How can you hit the child directly!"

"You only know how to Pamper Him!" Man Jiangshan paused, then, he said, "Don't worry, he will be fine. Pay more attention to the situation on the STAR network and remember to interact with them on the Star Network." The most important thing for Zhao Dan now was to create a motherly image. "

"Got it." Zhao Dan nodded.

The situation on the star network was getting worse and worse. Everyone was waiting for Ye Zhuo to introduce himself to man Jiangshan and his wife.

Zhao Dan and Man Jiangshan were also preparing to head to the alliance country personally to bring ye Zhuo back.

"At this moment, Ye Zhuo also released a video statement. "

"I think the President and Madam of man Xing country have mistaken me for someone else. I've already found my biological parents not too long ago." As soon as he finished speaking, ye Zhuo pulled a middle-aged couple to appear on camera, "This is my father, Lin Jincheng. This is my mother, Ye Shu. This is my brother, Lin Ze." "

“After this statement was released, Zhao Dan also released a video statement, “Yue’er, Mom knows that you’ve been blaming Mom and dad until now. Why did you lose you. “But mom and dad really didn’t do it on purpose. After you lost you back then, your dad and I couldn’t sleep all day and all night... “All these years, we have never given up on looking for you ! Poor parents in this world. In this world, there are no parents who don’t love their children. All children are their parents’ hearts. Do you know how much pain your dad and I feel when you do this ? Apart from saying sorry, I don’t know how to say it. Yue Er, can you forgive Mom and Dad ? We really didn’t do it on purpose ! As long as you can forgive us, we can do anything. Yue Er, mom has knelt down for you!” ”

“In the video, Zhao Dan directly knelt on the ground. ”

It was also this kneeling that ignited the anger in the hearts of the netizens.

“They felt that ye Zhuo was not a good daughter. After all, it was true that the entire Xing nation had been searching for their daughter all these years, and it was also true that they had accidentally lost their daughter. ”

“They did not deliberately want to throw ye Zhuo away. Now that they had found ye Zhuo, everyone should be happy and have a family reunion. However, Ye Zhuo was unwilling to forgive them and even found a pair of fake parents to act. ”

A person did not even have the most basic filial piety. How could he have the right to be in that position?

““This time, Miss ye is really too much! Mrs. Man has already knelt down for her. What else does she want?” ”

““I truly feel that Mr. and Mrs. Man did not have it easy. Unfortunately, they did not meet a good daughter.” ”

“Chapter 2166: 446: Intergalactic Court, Paternity Test! 1”

“Oh, even though Miss Ye had suffered a lot in the past, this was not something that everyone wanted to see. Mr. and Mrs. Man had already done so much, what else could miss ye not be satisfied with ”

“This time, I stand by Mr. and Mrs. Man ”

I advise Mr. and Mrs. Man to give up on Ye Zao. She has no heart anymore

[ I feel that man Xing is many times better than ye Zao. I remember that man Xing said that he missed his elder sister during an event. ]

[ ... ]

“All of a sudden, the comments on the Star Network were all directed at Ye Zao. ”

Ye Zao had gone from the famous Miss Ye in changyue to an unfilial and unfilial daughter.

“Filial piety was the priority. As an important figure in the s galaxy, Ye Zao should set a good example for everyone and become a role model for everyone in the world. ”

What was Ye Zhuo doing?

“Looking at the comments on the starnet and the video of Zhao Dan kneeling down, Ye Han was furious. “This whole family is really vicious. They actually used this trick to force you to recognize them! Sister, what should we do now?” ”

Ye Zhuo took a bite of the dessert and looked a little relaxed. “Don’t be anxious. There will always be a way to solve the problem.”

“”Sister, what time is it now? You still have the mood to eat!”Ye Han looked at ye Zhuo who was still eating and said somewhat speechlessly. ”

“Ye Zao smiled and said, “You can solve the problem just by being anxious? Look at you, you’ve been anxious since then until now, but you still haven’t been able to solve the problem. Come, sit down. This passion fruit-flavored cake is not bad, try it.” ”

“”I can’t eat it,”ye Han said. ”

Ye Zao Shrugged. “Then I can only enjoy the delicacies by myself.”

“Looking at Ye Zao, Ye Han helplessly took a breath and anxiously paced around ye Zao. However, Ye Zao was not anxious, as if the main character of the incident was not her. Instead, she looked at Ye Han, “Can you stop circling around? You’re Making Me Dizzy!” ”

“”SIS, it’s really urgent now!”Ye Han said. ”

“After ye Zao finished the last dessert, she looked up at ye Han and continued, “What’s the situation on the Star Network Now?” ”

“Take a look for yourself.”

“Ye Han pressed the button beside him, and a transparent screen immediately appeared in the air. The screen displayed the latest situation on the star network. ”

[ could you please get her out of the S Galaxy? ]

“[ looking at Mrs. Man’s statement, she’s already on her knees. What is Ye Zao still unhappy about? ]? Just because she’s Ye Zao, does she think she’s amazing? I really didn’t expect that the Miss ye that we’ve always looked up to is actually this kind of person! ] ”

[ forcing your own biological mother to kneel. You’re really a good daughter! ]

[ I can’t take it anymore! How can there be such a daughter in this world! ]

“[ ye Zhuo, please respond immediately! ] ”

[ I’m angry! ]

“[ Ten Thousand People’s blood letter, Ye Zhuo, get the hell out of the S Galaxy! ] ”

“[ it’s too scary, Mr. and Mrs. Man are so nice, how could they give birth to such a daughter? ] ”

“[ things have turned out this way, but the person involved has no reaction at all. Not only does he not understand his parents, he even denies his parents! ] ”

“”The moment I saw Mrs. Man kneel down, I really cried! As a parent, I really can’t stand this kind of news. For the sake of our next generation, please get out of the s galaxy, Ye Zhuo!” ”

“ ... ”

“Ye Zhuo flipped through the comments on the starnet one by one, but no expression could be seen on his clear and handsome face. ”

“On the other side, man Xing was also reading the comments. His slender fingers flipped through the netizens’anger, and the corners of his mouth curled up slightly. ”

This result was exactly what she had imagined.

“However, Ye Zhuo’s choice was a little out of her expectations. ”

She had originally thought that ye Zhuo would either acknowledge his parents or resolutely refuse to acknowledge them.

She had not expected that ye Zhuo would actually create a pair of fake parents.

It seemed that ye Zhuo was not as wise as she had imagined.

“Creating fake parents that had nothing to do with her would not only not appease the anger of the people, but instead, it would make their anger even more intense.”

Like now.

Man Xing straightened her back and dialed the burning sandalwood incense on the incense burner on her desk.

“It was a very fresh smell, but it was still a lot different from the one she smelled in the headquarters.”

Reality proved that some things could only be owned by those who had reached a certain status.

“As for equality for everyone, that was all empty talk.”

“At this moment, Man Wen ran in from outside and said indignantly, “Sister, don’t worry. No matter what, I will stand on your side. I will definitely not let ye Zhuo come back and snatch your position!” ”

“Man Xing raised his head and looked at man Wen. He said earnestly, “Man Wen, don’t be like this. Miss ye is our eldest sister.” ”

“Chapter 2167: 446: Intergalactic Court, Paternity Test! 2”

“Man Wen said angrily, “She is not my sister!” ”

“”Man Wen,”man xing sighed, “You are not a child anymore, when will you be sensible!” ”

““I don’t care! I don’t have her as my sister!”After saying this, man Wen ran away while panting. ”

“Looking at man Wen’s back, man Xing shook his head helplessly. ”

Not long after.

Another video was posted on the Star Network.

Man Wen stood in front of the camera and expressed his dissatisfaction with Ye Zhuo.

“He even said that a month ago, he had warned ye Zhuo not to dream of returning to the man family and becoming her sister. ”

“Once this statement was made, the netizens’opinions changed instantly. ”

[ it turns out that Mr. and Mrs. Man already knew that ye Zao was their biological daughter a month ago. Then why didn’t they announce this news in time? Why did they have to wait until now? ]

“[ now, I still want to understand Miss Ye. I have a younger brother who doesn’t welcome me at home. If it were me, I wouldn’t be willing to come back either. ] ”

“[ compared to Manxing, this Manwen is much worse! ] ”

“[ Princess Manxing was born to be a little lucky star. I don’t know how much fortune she brought to Manxing. Of course, Manwen can’t compare to her! ] ”

[ I’d better not express my stance. It doesn’t feel good to slap my own face. ]

[ what’s going on with this Manxing Family? ]

“[ miss ye has been wandering outside for so many years. It wasn’t easy for her to find her biological parents. Her family even threatened her and refused to acknowledge her as her sister. It’s normal for her to be angry in her heart! ]! No matter how powerful ye Zhuo was, she was only a human being. A human being would have emotions! Therefore, everyone should stop blaming Miss Ye. I feel that I can completely understand Miss Ye! ] ”

“[ yes, yes, yes. The facts have proven that Miss Ye’s choice is also forgivable. ] ”

“Seeing that the public opinion on the Starnet was slowly turning towards ye Zao, man Jiangshan wished that he could slap man Wen to death. ”

“”It’s more than enough to ruin things. I, Man Jiangshan, have always been a hero. How could I give birth to such a thing!” Man Jiangshan shouted towards the door. “Men!” ”

“Mr. President!” The assistant walked in from outside.

Man Jiangshan was furious. “Call man Wen in.”

“”Okay, please wait a moment.” The assistant went to call man Wen. ”

“”Wait a moment.” Just then, Zhao Dan walked in from outside and called for the assistant. ”

“The assistant stopped and man Jiangshan looked at Zhao Dan in disbelief. “It’s already so late, do you still want to protect that useless thing?” ”

A loving mother is a loser!

“Zhao Dan sighed. “I know you blame Wen ‘Er! But Wen ‘er didn’t do it on purpose! He did it for Xing ‘er, his sister!” ”

“No matter what consequences man Wen’s words had caused on the star network, his starting point was for Manxing.”

“At the very least, he did not side with outsiders. Such consequences were not what man Wen wanted to see.”

“”Zhao Dan, you played a big part in making Manwen into what it is today!”Man Jiangshan pointed at Zhao Dan.”

“”Yes, I played a big part in it. What About You?”Zhao Dan looked at man Jiangshan and asked, “Man Jiangshan! Did you fulfill your responsibility as a father? So, Wen ‘er is my son, right?” ”

Man Jiangshan did not say anything when he heard this. He seemed to have thought of something and the anger on his face dissipated a little.

“Zhao dan continued, “Jiangshan, I know you’re angry, but Wen Er is also our son! “Don’t worry, I’ll think of a way to resolve this matter. I’ll also go and Tell Wen Er to not show his face on the star network and make any comments in the near future.” ”

Man Jiangshan pressed his temples. “Go and make the arrangements.”

Zhao Dan nodded.

“After leaving man Jiangshan’s office, Zhao Dan went to man Wen’s bedroom.”

“Man Wen had been slapped by man Jiangshan previously. Because he had not applied the medicine, the scars on his face were still clearly visible.”

“Zhao Dan was very distressed. “Wen ‘er, does it still hurt? Your father really doesn’t know how to handle things.” ”

““It doesn’t hurt.”Man Wen looked at Zhao Dan. “Mom, are you and Dad really going to bring ye Zhuo back?” ”

“Zhao dan continued, “Wen ‘er, listen to Mom. Mom isn’t really going to bring her back. She is now the fiancée of the main ally, the young master of Dongli. In the future, she will be the most honorable woman in our S Galaxy. Bringing her back won’t do any harm to our family. You and Xing ‘er, you can both follow behind and bask in the light... .. Moreover, she is your older sister after all. She has the blood of our entire family flowing through her ... ..” ”

“Chapter 2168: 446: Interstellar Court, Paternity Test! 3”

“I don’t care. I Won’t admit her!”Man Wen interrupted Zhao Dan.

“Zhao Dan frowned and said helplessly, “Wen er!” ”

“Go!”Man Wen stood up and pushed Zhao Dan out.

Zhao Dan had no choice but to turn and leave.

“When he reached the door, Zhao Dan turned to his assistant and ordered, “Block the young master’s starnet account during this period of time. Don’t allow him to spout nonsense on social media.” ”

““Yes, Madam.”The assistant nodded. ”

Inside the room.

“In the blink of an eye, Man Wen seemed to have changed into a different person. He came to the small room and contacted fan mu. “Have you found Auntie Man from back then?” ”

Fan Mu shook her head. "Not yet."

"After saying that, fan mu continued to ask, "Are you sure you want to do this?" "

""Yes." Man Wen nodded. "So, we must find Auntie Man and restore the truth of the incident back then." "

Only in this way could ye Zhuo get out of his current predicament.

""They are your parents after all." Fan Mu looked at man Wen. "Moreover, it won't do you any harm to recognize your eldest sister back." "

"Once the truth of the incident was restored, how would man Jiangshan and Zhao Dan deal with themselves? "

"Most importantly, in Ye Zhuo's eyes, Man Wen was still a bad younger brother. "

What man Wen did was not beneficial to himself.

"In Fan Mu's opinion, Man Wen should not have interfered in such a thankless task. "

""Man Wen, why don't you stay out of this matter? Once the truth is revealed, what will happen to your parents? How will they face the people of Manxing?" "

"As the highest leader of Manxing, they had actually abandoned their daughter and left her to fend for herself. After knowing that their daughter had achieved success and fame, they wanted to acknowledge their daughter back. This was more or less disgusting. "

"At that time, just the spittle could drown people. "

“Man Wen narrowed his eyes slightly. “Since they can do such a thing, they should be able to bear the consequences!” ”

“Right now, he only wanted to restore the truth of the matter and clear ye Zhuo’s name. He did not want to think about anything else. ”

Regardless of whether ye Zhuo had misunderstood him or not.

“Fan Mu shook his head, he sighed and said, “Your parents’ actions were indeed a little too extreme! Aren’t they forcing your eldest sister into a corner? By the way, what did your second sister say? According to her image as the Holy Mother of Mary, there shouldn’t be no reaction at all.” ”

“She is the biggest mastermind behind the scenes.”Man Wen hit the nail on the head.

“If it weren’t for man Xing’s encouragement, the situation wouldn’t have developed to this point. ”

Manxing was good at killing people without being noticed!

““It’s not easy for your second sister to plan for so many years,”fan mu sighed. “But you’re quite ruthless, treating your biological parents like this...” ”

“Before he could finish his sentence, he was interrupted by Fan Mu. “Fan Mu! Cut the crap and go find Aunt Man. I want to get to the truth as soon as possible.” ”

“If the current situation continued to develop, it would definitely be disadvantageous to ye Zhuo! ”

It had to be resolved as soon as possible.

“Got it.” Fan Mu nodded.

“Man Xing also saw the statement that man Wen had made on the starnet. He frowned slightly and said, “It’s really not enough to do anything but ruin everything!” ”

“At such a critical time, to make such a statement, did man Wen not have a brain? ”

He really was a hopeless fool.

“Thinking of this, man Xing snorted coldly. ”

“Fortunately, Zhao Dan turned the tide and issued a statement in time, explaining the whole situation. ”

“”Yue’er, Wen ‘er was also in a moment of anger. Don’t be calculative with him. If you want to blame someone, blame mom. It’s mom who didn’t fulfill her responsibility as a mother and didn’t teach your brother well. “Mom was a very bad mother. Since she didn’t find you in time, let’s reunite as a family. Not only did she waste more than ten years of time, she also didn’t teach your brother well... “...” . “...” ”

“Zhao Dan gave a long speech and cried in front of the camera. From her appearance, she was definitely a good mother. ”

Her words were extremely harsh.

“The reason why man Wen became like this was because she had spent all these years looking for ye Zao. Because she was focused on looking for ye Zao, she didn’t have the time to educate man Wen. ”

“Zhao Dan claimed that she was to blame for not teaching the child well, but in reality, she had quietly pushed the blame onto ye Zao, making him the target of everyone’s criticism. ”

“However, in the blink of an eye, Ye Zao became the target of everyone’s attacks. ”

“After making the statement, Zhao Dan wiped the tears off her face and came to Manshan’s office. “I’ve already taken care of it. Don’t blame Wen ‘Er. No matter what, he’s still our son!” ”

“Chapter 2169: 446: Intergalactic Court, Paternity Test! 4”

“Got it.” Man Jiangshan nodded.

“Zhao dan continued, “Oh right, I’ve already thought about it. After i recognize ye Zao, I’ll think of a way to get her to give up the position of young master Dongli’s fiancée! “I can finally see that she’s not the least bit malleable, and she doesn’t have the bearing of a mother! “If she really takes that position, I’m afraid that she won’t be able to see us in the future!” ”

“If ye Zhuo dared to ignore his family now, what would happen in the future? In order to prevent future trouble and for the future of Manxing, in Zhao Dan’s opinion, there was no one else who was qualified to take that position other than Manxing. ”

“Man Jiangshan turned to look at Zhao Dan. “I’m afraid this matter isn’t that simple, is it?” ”

“After all, there were so many people behind ye Zhuo who supported her. ”

It was really not easy to snatch the thing from ye Zhuo’s hands.

“Zhao Dan said, “Xing ‘er is her closest sister. Why should the two sisters be separated from each other? Besides, what do you think Xing ‘Er is worse than her?” ”

“Not only was man Xing not worse than Ye Zhuo, he was also many times better than her. ”

“Speaking up to this point, Zhao Dan continued, “When the time comes, you just have to cooperate with me.” ”

“”Okay.” Seeing that Zhao Dan knew what to do, man Jiangshan did not ask further. ”

“After all, he did not have any feelings for his daughter, Ye Zhuo. ”

He just had to make the best use of everything.

“On the Xing Net, everyone was waiting for Ye Zhuo’s reply and statement. ”

“However, ye Zao’s side was calm and peaceful, and there was no reply at all. ”

“Zhao Dan took this opportunity to post a video of an apology, putting pressure on Ye Zao. ”

“Just when everyone thought that ye Zao would not reply, Ye Zao had his assistant post this message on the star network: ”

“[ regarding the recent family identification incident on the Star Network, Miss Ye entrusted me to make an explanation on the star network: 1, she has nothing to do with Manxing country. 2. She has biological parents and an older brother. The four of them live very happily together and do not wish for anyone to disturb them. 3. Please, Mr. and Mrs. Manman of Manxing, do not do any more slander or damage miss ye’s reputation. Otherwise, see you in the Intergalactic Court. ] ”

“Once this statement was made, it undoubtedly increased the anger of the crowd. ”

See You in the Intergalactic Court?

Who was he trying to scare?

“When Zhao Dan saw this statement, he immediately laughed out loud. “See you in the intergalactic court. Jiangshan, what do you think?” ”

“Jiangshan turned around and looked at Zhao Dan. “Of course, I’ll accompany you at any time. We still have to do another paternity test.” ”

"You're right." Zhao Dan nodded.

"Originally, there was no need to do the paternity test. "

"After all, they would never mistake their own daughter. "

"But now that things had developed to this extent, the paternity test had to be done. "

"Zhao dan continued, "Then I'll make a statement?" "

"Yes." Man Jiangshan nodded.

"Zhao Dan immediately made a statement, "Since things have developed to this extent, we can only respect Miss Ye's wishes. We'll see you in the intergalactic court. If Miss Ye doesn't believe that she's our daughter, we can do the paternity test." "

"Before the paternity test, how does leaf burn still deny? "

"Tears streamed down Zhao Dan's face, "In fact, this is what neither of us want to see. Yueh-erh, we are family, and you are our daughter. What is it that we can not say when we sit together as a family? If you don't want to admit us, we just want answers, we just want you to have a better life than we thought...  
... .. "

[ sob sob... Mrs. Man is really too kind! ]

"[ as a parent, to be able to do this, Mr. and Mrs. Man really have nothing to say. I hope ye Zao can wake up in time. ] "

[ does ye Zao Dare to go to the Galactic Court to accept the paternity test? ]

[ I guess she definitely doesn't dare to go! ]

“However, Zhao Dan was not worried at all that ye Zao would not go. ”

“If ye Zao did not go, he would be tacitly admitting that she was their daughter. ”

“If ye Zao went, there would only be one outcome. ”

Face reality.

“At this moment, there was a knock on the door. ”

Zhao Dan put away his thoughts. “Come in.”

Man Xing walked in from outside. “Mom.”

“Why is Xing ‘er here?”Zhao Dan stood up.

“MAN XING continued, “Mom, I saw the statement on the starnet. Aren’t you forcing elder sister into a corner by doing this? In my opinion, why don’t we just forget about it? You should quickly make a statement and say that you’ve got the wrong person. Miss Ye isn’t elder sister. She has nothing to do with elder sister.” ”

“Zhao Dan was a little speechless as he said, “My silly daughter. You’re so good to her. has she ever thanked you in the slightest? You Don’t have to care about this matter. Just leave it to me.” ”

“But...”

“Zhao dan directly interrupted manxing, “Don’t be a ‘but’. Xing ‘er, let me tell you, a kind person will be bullied by others! If a person is too kind, he or she will be ridden to the top by others!”For example, the current Manxing., although Manxing had been so good to Ye Zhuo, Ye Zhuo had never been grateful, much less remembered that she had a younger sister. As long as ye Zhuo had a younger sister like Manxing in his heart, he would not turn a blind eye to Manxing. ”

“Seeing Zhao Dan like this, man Xing sighed helplessly. “Mom, are we really going to fight with elder sister in the Intergalactic Court?” ”

“Once the intergalactic court met, what faced ye Zao would be the law and obligations. ”

“At that time, even if she did not recognize man Jiangshan and Zhao Dan, the law would not allow it. Ye Zao might even be imprisoned because of it. ”

“Xing ‘er, don’t say anymore. Mom knows that you are a good sister and does not want to see your elder sister punished. However, filial piety is the first priority. Our S galaxy is the galaxy that values filial piety the most. If she, Ye Zao, dares to disown her parents and younger sister, she should be punished for this!” ”

“On the other side, in the General Alliance. ”

The assistant immediately told ye Zao about this news.

Ye Zao looked up slightly. “Paternity test?”

“Looking at the entire galaxy, it seemed like they wanted to use the paternity test to tie her up. ”

Unfortunately.

They had miscalculated.

“Yes.”The assistant nodded.

Ye Zao drank a mouthful of black tea. “How’s the investigation on Li Man coming along?”

““We haven’t found anything yet,”the assistant continued. “After that incident, Li Man completely disappeared from Galaxy S...” ”

“Ye Zhuo nodded slightly. “Help me contact lawyer Shangguan. Also, inform Manxing Country that we’ll meet at the interstellar court at 8 am on Friday.” ”

Chapter 2170: 451: the parent-child relationship is not established! 1

“Hearing this, the assistant nodded. “Alright, I’ll immediately contact lawyer Shangguan.” ”

“With that, the assistant asked hesitantly, “Miss Ye, do you really want to go to the intergalactic court to do a paternity test on the spot?” ”

“Based on the current situation, if ye Zhuo really went to do a paternity test, it would confirm the fact that she was unfilial.”

The S galaxy also emphasized filial piety.

“If things continued to develop at this pace, the situation would be very unfavorable for ye Zao.”

“Yes.”Ye Zao nodded slightly.

“The assistant continued, “But if we really do this, once the paternity test relationship is established, Miss Ye, you...” ”

“Once the personal relationship was confirmed, then Manxing country would definitely exploit ye Zao to the end.”

“At that time, ye Zao would not even be able to justify himself.”

“Ye Zao put down his Teacup and said with a smile, “I know what I’m doing.” ”

“Hearing what ye Zao said, the assistant did not say anything more. ”

“Since ye Zao was so powerful, she should have a corresponding countermeasure in her heart. Otherwise, she would not be so confident. ”

“At this moment, footsteps came from outside the door. ”

“Father Zao!”

“Miss Ye!”

“The footsteps were getting closer and closer. Before long, JY team members, Leo, Mr. Feng, and others walked in from outside the door. ”

““Father Zao, we already know about the matter in Manxing Country.” Leo threw the AX on the desk, he said angrily, “Leave this matter to us brothers. Father Zao, you don’t have to worry! I guarantee that Manxing country won’t even dare to Fart!” ”

“With just Manxing Kingdom, he still wanted to bully ye Zhuo! ”

He simply couldn’t stand it.

“Ye Zhuo looked up slightly. “Everyone, I appreciate your kindness, but I want to resolve this matter myself.” ”

The matter between her and Manxing kingdom had to be resolved in the end.

“However, it wasn’t by relying on force or backing. ”

He could convince people with reason.

“Under such circumstances, only reason could convince the masses. ”

“If she wanted to resolve it through other methods, CEN Shaoqing would have long been unable to restrain himself. ”

“The reason why CEN Shaoqing was able to remain calm was because of her words, which was why he did not cause trouble for the Manxing Kingdom. ”

“Leo saw through Ye Zhuo’s thoughts and continued, “Burning Father! Why are you trying to reason with people like the Manxing Kingdom! Besides, you don’t even need to personally handle such a small matter! You have so many things to attend to every day, how would you have the time to deal with such a matter?” ”

Leo spoke quickly and could not hide the matter in his heart. The first thing he thought of when he encountered a problem was to use force to suppress it.

A small country like Manxing could be solved with a single finger of his!

“Mr. Feng smiled and said, “Since Miss ye knows what’s going on, we’d better not interfere.” ”

“After saying that, Mr. Feng raised his head to look at Ye Zao. “Miss Ye, if there’s anything you need from us, you must speak up in time.” ”

“Ye Zao nodded slightly. “Yes, I will.” ”

“Leo continued, “Father Zao, do you really not need our help?” ”

"I really don't."

"One of the members of the JY team, MO jiran, said, "Miss Ye, I heard that Zhao Dan wants to go to the galactic court to do a paternity test in person. What if the paternity test is established?" "

""Don't worry, it won't be established,"ye Zao said. "

"Really?" Mo Gilan asked.

Ye Zao nodded slightly.

"She was ye Zao now, and her biological mother was ye Shu. How could the paternity test be established? "

"Leo was a little puzzled, "Since the paternity test is not established, why are you still wasting so much time with them, Father Zao? Why Don't you just issue a paternity test?" "

""I still have other things to deal with,"ye Zao said. "

"She originally did not want to care about Manxing anymore. After the matter was over, so be it. Who knew that they would actually shamelessly come looking for her. "

"Since that was the case, she naturally had to pay them back several times over. "

Didn't Manjiangshan and Zhao Dan like to tarnish their parents' image?

Then she would let their true colors be exposed under the sun.

""Oh right,"ye Zhuo seemed to have remembered something and continued, "There is one thing that I might really need your help with." "

““What is it, Miss Ye? Feel free to tell me,”Mr. Feng said. ”

“Ye Zao continued, “Help me investigate someone.” ”

“Who?”Leo asked.

“Ye Zao said, “Li Man.” ”

“Who is Li Man?”Leo was a little puzzled.

“Ye Zao explained, “Li Man is a nutritionist for the full moon. After the full moon disappeared, Li Man also disappeared.” ”

“As the person involved, Li Man definitely knew the whole story clearly. ”

“Mr. Feng seemed to know something and nodded. “Okay, Miss Ye. Don’t worry. We will definitely help you find this person in the shortest time possible.” ”
