Chapter 2171: 451: the parent-child relationship is not established! 2

“Thank you for your hard work.”

““What are you talking about, Father Zhuo! We are all on the same side!” ”

“Ye Zhuo smiled and said, “After this is done, I will definitely thank all of you.” ”

“After receiving ye Zhuo’s orders, the few of them went back to investigate Li Man. ”

On the other side.

Manxing country.

Fan Mu contacted Man Wen. “Your eldest sister seems to know something and is also looking for Aunt Man.”

“Have they found anything?”Man Wen asked.

“Fan Mu shook her head, “Even we don’t have any clues about Aunt Man, how could they possibly find anything! Also, did you see that your eldest sister and your mother are going to meet in court on Friday! It looks like your eldest sister will not be able to escape this time!” ”

“Before the paternity test report, Ye Zhuo did not admit that man Jiangshan and his wife were her parents, so it was understandable that she did not recognize them. ”

Once it was confirmed...

Ye Zao would definitely be at a disadvantage.

Man Wen frowned. "Where would aunt man go?"

"Fan Mu sighed. "Right now, we are in the open while Aunt Man is in the dark. It's easy for her to hide from us. She might change her name." "

"Have you been to Aunt Man's hometown?" Man Wen asked.

"Yes." Fan Mu nodded. "She doesn't have any relatives in her hometown anymore."

Man Wen touched his chin. "You must dare to find Aunt Man before Friday."

"I'll try my best," fan mu said. "

The S galaxy was so big. To find a person was like looking for a needle in a haystack.

"It's not trying." Man Wen raised his head to look at Fan Mu. "It's necessary. You must find Aunt Man."

"Fan Mu was stunned when he suddenly saw man Wen. He nodded and said, "Alright, Alright, Alright! Don't worry. I'll definitely find Aunt Man before the court starts on Friday." "

Fan Mu sighed after he said that. "I don't know why you're Doing This!"

"Fan Mu thought that man Wen would not answer such a question. However, at this moment, man Wen continued, "To feel at ease." "

He was hiding it from his family. This was what he should do.

Fan Mu shook his head helplessly.

“If he was man Wen, he would definitely not do such a nameless hero thing. ”

“At the very least, he had to let ye Zhuo know. ”

“In Ye Zhuo’s eyes, the current man Wen should be no different from the disgusting faces of the entire family. ”

He felt injustice for man Wen.

““Why don’t I Go and talk to your sister?”Fan Mu asked tentatively, “You’re brother and sister after all. The mistakes you made back then were all your parents’ fault. It has nothing to do with you. You’re treating her so well now. She shouldn’t hold a grudge against you.” ”

““You’re not allowed to go,”man Wen said. ”

“Why?”Fan Mu was a little speechless. “Don’t you feel that what you’re doing now is very silly?”

“Man Wen looked at fan mu and said very seriously, “What I’m doing now is not to move her, nor is it to make her remember me.” ”

He just wanted to make himself feel less guilty.

He wanted ye Zhuoyu to live more wantonly so that he would not be implicated by these people from the man family.

That was all.

“After saying that, man Wen continued, “Fan Mu, if you dare to say anything more, our friendship will end here.” ”

“Although it was a light sentence and did not carry much weight, it made fan mu stunned. ”

Fan Mu knew that man Wen was not joking with him. He meant what he said.

""Since you said so, can I say anything else?"Fan Mu looked at man Wen and said, "Don't worry, I definitely won't say anything else outside!" "

Man Wen did not say anything else.

"On this side, man Xing contacted Mr. Feng. "

"Mr. Feng."

"Miss Man Xing."Mr. Feng smiled and looked at man Xing on the other end of the screen.

"Manxing continued, "Mr. Feng, I'm really sorry. Please tell Miss ye that I'll definitely think of a way to persuade my parents. Tell her not to be anxious and not to be angry. I'll apologize to her on behalf of my parents." "

"Manxing's sudden apology stunned Mr. Feng for a moment. After a moment, Mr. Feng smiled and said, "Miss Manxing is too polite. You Don't owe miss ye anything. There's no need to apologize to her. I'll bring it to her for you." "

""Thank you, Mr. Feng." "

"Miss Manxing is too polite."

"After cutting off the connection, Leo immediately walked over. "It's said that there's no good person in the entire family. I think Manxing is an exception!" "

Mr. Feng smiled and did not say anything.

“Mo Gilan continued, “Clan leader Lei, do you think Manxing is a good person?” ”

“She’s not a good person?”Leo asked back.

“Mojiran continued, “Dogs that bite usually don’t bark. The real bad person would never write the word ‘bad person’ on his face.” ”

Chapter 2172: 451: the parent-child relationship is not established! 3

Take Man Xing for example.

“If man Xing really wanted to stop man Jiangshan and Zhao Dan, he would not have waited until now. ”

Leo looked at Mo Gilan in disbelief. “You mean that the little girl just now was all an Act?”

“What do you think?”Mo Gilan asked back.

Leo scratched his head. “Then she was too good at acting! I couldn’t tell!”

“He saw how sincere Manxing was and even apologized to ye Zhu, so he thought Manxing was the only good person in the family. ”

He didn’t expect...

“Leo couldn’t trust Mo Gilan. He turned to Mr. Feng and said, “Mr. Feng, tell me, is she pretending?” ”

He was afraid that Mo Gilan was trying to trick him.

“Mr. Feng Thought for a while and said, “Manxing is definitely not a simple person. Maybe everything that’s happening now has something to do with her.” ”

“Hearing that, Leo frowned. “No, it can’t be?” ”

“Mr. Feng continued, “Did she just say that she wants to persuade Manjiangshan and Zhao Dan?” ”

Leo nodded. “Yes.”

“Just wait.” Mr. Feng looked at Leo. “She will contact us tomorrow and say that she has tried her best and will apologize to miss ye again.”

“Is that true?” Leo expressed his doubt.

“Mr. Feng smiled and said, “Whether it’s true or not, you will know the answer tomorrow.” ”

“What if she really convinced man Jiangshan and Zhao Dan not to go to the Intergalactic Court?” Leo asked back.

“Mr. Feng said, “That means that she is indeed a good person. I was worried too much.” ”

“Then you must be worried too much. You must be worried too much! I think man Xing is definitely not as complicated as you think!” Leo had some friendship with man Xing. “I believe that man Xing will definitely be able to convince man Jiangshan and his wife!”

“Mogilan said at this time, “Why don’t we make a bet?” ”

“What Bet?” Leo asked.

“Mogilan smiled and said, “Let’s bet on this matter. If it is as Mr. Feng said, you will wear women’s clothing and walk around the Central Street.” ”

“What if Mr. Feng is thinking too much?”Leo asked back.

“Mogilan said, “Then I will wear women’s clothing!” ”

“Leo Thought for a moment and then said, “Just wearing women’s clothing is not enough. You also have to put on makeup.” ”

“”Yes.”Mo Gilan nodded. “If you lose, you also have to put on makeup. As for what kind of women’s clothing, it has to be decided by the person who wins.” ”

“Okay!”Leo nodded. “It’s a deal!”

“It’s a deal!”Mo Gilan and Leo high-fived as an oath.

The news of ye Zhuo agreeing to the paternity test soon spread to the country of changyue.

Man Jiangshan felt that it was a little strange. He thought that ye Zhuo would refuse.

“However, Ye Zhuo directly agreed and set a time.”

“”Zhao Dan, don’t you think that this is very strange?”Man Jiangshan turned to look at Zhao Dan.”

“Zhao Dan was taking care of his hands, “Strange? What’s Strange?” ”

“”It’s strange everywhere!”Man Jiangshan continued, “Why did ye Zao agree to the paternity test?” ”

""She's riding a tiger and can't back down. Other than agreeing, does she have any other choice?"Zhao Dan asked. "

"If ye Zao dared to refuse at this time, the people of s galaxy would not let him go either. "

"Man Jiangshan continued, "But if she agrees to the paternity test, how will she step down?" "

"If she directly refused, at least there was a reason to explain. "

Unless...

Ye Zao was really not related to them at all.

"Don't think about that nonsense. She's at her wit's end now."Zhao Dan applied the lotion evenly on the back of her hand. "I would never mistake my own daughter!"

"In fact, before ye Zao was ten years old, Zhao Dan had been quietly paying attention to ye Zao. "

"She knew that ye Zao was wandering around, and she also knew that ye Zao had eaten his last meal and had not eaten his next. "

"As a mother, seeing her daughter living such a miserable life, she was really very upset. "

"When Ye Zao was suffering, she even prayed to the heavens to give ye Zao a quick death, not to torture an innocent child anymore. "

But this child was like a cockroach that could not be beaten to death.

"No matter what she experienced, she always held her breath. "

“She remembered that one year, the weather in Changyue suddenly became abnormal. It was snowing in June, and this snowstorm had frozen countless homeless vagrants to death. ”

Ye Zao was also one of them.

“Just when Zhao Dan was glad that ye Zao was finally free from suffering, the little child actually crawled out from the snow. ”

“Wherever she crawled, there was a long trail of blood. ”

“Later, Zhao Dan could no longer endure such torture. She could not watch her daughter suffer, but she could not do anything. She was a mother. No matter what, a mother would always remember her child. Therefore, Zhao Dan was ruthless and directly destroyed the tracking device that was bound to ye Zao. She knew that only in this way., could she completely let go of this daughter. ”

Chapter 2173: 451: the parent-child relationship is not established! 4

“After that, Zhao Dan never saw ye Zao again. ”

It was not until she saw ye Zao in the state of Changyue that she recognized that this was her daughter who had been missing for many years.

“In addition to ye Zao’s previous experiences, she was even more certain that ye Zao was her full moon.
”

“Back then, the full moon was only a little big, but in the blink of an eye, she had become a tall and graceful lady. ”

“The moment she recognized ye Zhuo, Zhao Dan was ecstatic. For more than ten years, she had thought that her daughter had died a long time ago, but she did not expect that not only was her daughter alive,

but she was also the most honorable person in the country of Changyue. She could stand shoulder to shoulder with the entire country! ”

She could not wait to ask Ye Zhuo what had happened in the past few years.

She wanted to recognize Ye Zhuo and his mother even more.

“However, Ye Zao did not give her such a chance. When she went to the door and took the initiative to get in touch with Ye Zao, Ye Zao ridiculed her. ”

“Later, Ye Zao even set up the Zen position to make them think that she had been betrayed by Ye Han! ”

Everything that Ye Zao did made Zhao Danhan’s heart skip a beat.

They were supposed to be extremely close mother and daughter!

“Since Ye Zhuo did not treat her as a mother, there was no need for her to save face for Ye Zhuo. ”

“With this in mind, Zhao Dan continued, “There is only one path that Ye Zhuo has in front of her. She is quite smart, choosing the easiest path to take.” ”

“What do you mean?” Man Jiangshan asked in confusion.

“Zhao Dan explained, “When the paternity test is done, Ye Zhuo can be said to have mistaken her parents for her. She took the opportunity to apologize to us. After all, before the paternity test is done, no one knows who is lying.” To Ye Zhuo, the paternity test report was her way out. ”

“After all, these things had already happened. If Ye Zao stepped out to apologize at this time, would the people of Galaxy S pay the bill? ”

Of course not!

“Therefore, Ye Zao had to wait for the results of the paternity test to come out before he would apologize with tears streaming down his face. ”

“Hearing this, man Jiangshan nodded. It had to be said that Zhao Dan’s analysis was quite reasonable. ”

“”Dad, Mom.”At this moment, man Xing walked in from outside the door. ”

“”Xing ‘er.”Man Jiangshan raised his head. His eyes were full of love, and his attitude was completely different from when he saw man Wen. ”

“Man Xing walked in. “Dad, Mom, this is the nutrient solution that I just developed. Try It and see how it tastes.” ”

“After saying that, man Xing took out two bottles of beautifully packaged nutrient solution and handed them to man Jiangshan and Zhao Dan. ”

The couple took the nutrient solution and took a sip.

The nutrient solution developed by man Xing was not as astringent as the previous nutrient solution. It had a refreshing taste and a faint floral fragrance.

“Without waiting for man Xing to speak, Zhao Dan said in surprise, “The taste is very good! Xing ‘er, you are too amazing!” ”

“MAN XING smiled and said, “Actually, my inspiration came from elder sister. Recently, a fruit-flavored nutrient solution was popular in changyue, but because it was too popular, it couldn’t be supplied to other planets for the time being. So, I wanted to try and see if I could develop a similar one. “But I didn’t want to overlap with elder sister’s fruit flavor, so I developed this kind of floral fragrance.” ”

“”Who does she think she is!”Zhao dan continued, “Xing ‘er, you’re so outstanding. I believe that even without her, you can still develop it!” ”

Man Xing was many times better than ye Zhuo.

“However, man Xing didn’t have ye Zhuo’s good luck. He caught the good opportunity to pacify Changyue and become the respected Miss Ye.”

“If it was man Xing, he would only be more outstanding by ye Zao!”

“MAN XING smiled and said, “Mom, you’re flattering me too much. By the way, I heard that you and eldest sister will have a court session on Friday, right?” ”

“Yes.” Zhao Dan nodded.

“MAN XING continued, “Mom, can we not have a court session? Once the court session starts, eldest sister will really have no way out.” ”

“Zhao Dan looked at man Xing, he said somewhat speechlessly, “What time is it now? Xing ‘er, you’re still speaking up for her. “Let me tell you, it’s useless no matter who tries to persuade her about this matter. Since she doesn’t acknowledge me, I’ll take out the weapon of the law and let her shoulder the responsibility!” ”

“MAN XING sighed, “Then you must promise me that when elder sister returns home, you and father must treat her well and make up for her. After all, she suffered so many years outside.” ”

“”Okay, okay, okay. Don’t worry.” Zhao dan smiled and said, “No matter how bad she is, she is still your father’s daughter and mine. We won’t give her any face.” ”

“Man Xing nodded. “Mom, thank you. I believe that elder sister will definitely understand you and dad.” ”

Chapter 2174: 451: the parent-child relationship is not established! 5

“Zhao Dan patted Manxing’s hand, “Xing ‘er, you must remember that not everyone in this world is as kind as you, even if they are sisters from the same mother. Therefore, even if ye Zhuo comes back in the future, you can not treat her sincerely! She is different from Manwen. You can treat Manwen as your biological brother, but you definitely can not treat her as your biological sister!” ”

“At the very least, Manwen sincerely treated Manxing as his older sister and protected Manxing in every way. ”

Ye Zhuo was probably only jealous of Manxing because of his scheming.

“After all, Manxing’s life since Young was a hundred times better than Manxing’s. ”

“Hearing this, Manxing smiled and nodded. “Mom, I know everything.” ”

“Zhao dan continued, “You must remember my words in your heart. You Can’t be schemed against by that unfilial daughter.” ”

“Okay.”

“Just as Mr. Feng had expected, he contacted him again the next day and apologized to him and ye Zao. He said that he had tried his best, but his parents insisted on going to the interstellar court. She couldn’t do anything about it. ”

“After cutting off the connection with Manxing, Mr. Feng looked at Leo. “What did I say?” ”

“Leo was completely convinced. He gave Mr. Feng a thumbs up. “Mr. Feng, you’re the best.” ”

“”It’s useless to say you’re the best.” Mo Gilan walked over with a pink dress. “Leader Leo, the women’s dress has been prepared for you. See if it fits you.” ”

Leo was stunned. “F * ck! You’re serious!”

“Mo Gilan Glanced at Leo. “Who’s joking with you? A gentleman never goes back on his word. Do you want to wear this dress yourself, or do you want me to help you wear it?” ”

“At this moment, Leo only wanted to slap his stupid self to death. ”

Why did he want to make a bet with Mogilan?

“To go to the Central Street to join in the fun dressed like this, was he shameless? ”

“If he was willing to make a bet, he had to admit defeat. It would be inappropriate if he didn’t wear it now! ”

“With no other choice, Leo could only take the dress and go to the changing room to change. ”

“Walking out of the changing room again, the group of men outside laughed until they cried. ”

“Seeing them laugh like this, Leo swore in his heart that he would never make wagers with others again. ”

“In the blink of an eye, it was Friday. ”

This was because the main characters of the incident were ye Zhuo and the leaders of the Manxing Kingdom.

“In addition, this lawsuit had caused such a sensation on the starnet previously and had attracted the attention of netizens. Therefore, it was going to be broadcasted live the entire time. ”

The Manjiangshan couple came very early.

Man Xing also attended.

“Looking at the defendant’s seat, Ye Zhuo did not even show his face. ”

“Seeing that the court was getting closer and closer, the bullet screen was very interesting. ”

“[ye Zhuo wouldn’t dare to come, right?] ”

“[it’s possible! After all, after the paternity test, she would have no excuses!] ”

[ye Zhuo really disappointed me!]

“[I see that Mr. and Mrs. Man’s eyes are so red. They must have cried. I really don’t know why ye Zhuo would do this! To have such parents, she should be happy! But Ye Zhuo doesn’t know how to cherish them!] ”

“”If I were Mr. and Mrs. Manman, even if ye Zao kneels on the ground and begs me after the appraisal report comes out, I wouldn’t forgive her!” ”

“”One look and I know that Mr. and Mrs. Manman wouldn’t do such a thing. As parents, no matter how ye Zao treats them, they will unconditionally forgive ye Zao.” ”

“”Yes, yes, yes. After all, Mr. and Mrs. Manman are very kind people.” ”

“”Ten minutes! It Can’t be that ye Zao really won’t come, right?” ”

Time passed by minute by minute.

“Seeing that there were only five minutes left before the court session, man Jiangshan and Zhao Dan were also a little anxious. ”

Could it be that ye Zao really won't come?

“If ye Zao didn't come, how would they continue this scene? ”

“At this moment, the sound of footsteps came from the entrance. ”

Zhao Dan looked up and saw a group of people walking over. One of them was a slender figure that stood out from the crowd.

She wore black clothes and black pants. Her hair was tied up meticulously. Her black sunglasses almost covered her entire face. Only her crimson lips and thin chin were exposed.

She looked cold and capable. A powerful aura erupted from her.

“Seeing who it was, man Xing immediately stood up from his seat and greeted her gently, “Elder sister.” ”

“His voice was not loud, but it was heard by ye Zao. ”

“Ye Zao slowly took off his sunglasses and turned to look at man Xing. He said slowly, “Miss Man Xing, don't mess around with relatives. I only have one elder brother and one younger brother.” ”

Man Xing still maintained his polite smile.

“The onlookers were trying to defend man Xing. [why is she like this? Miss Man Xing greeted her with good intentions, but she has such an attitude! I really feel bad for Mr. and Mrs. Man!] ”

[miss man Xing is so wronged!]

“Ye Zao walked to the dock and sat down. Behind him sat Cen Shaoqing, Lin Jincheng, Ye Shu, Lin Ze, Ye Hanlei, and Mr. Ou Feng. ”

“After the judge said some official words, they began the paternity test. ”

The paternity test in the S galaxy was very advanced.

“As long as both parties pressed their palms on the device, the paternity test could be quickly determined. ”

Ye Zhuo walked forward and pressed his palm on it.

Pa..

The device lit up.

“Zhao Dan walked forward, with a hoarse voice, he said, “Yue’er, even without the device, I can still identify that you are my daughter! In this world, no mother would mistake her own child! I know that you have always hated me, but who are you?” ”

“Ye Zhuo looked up slightly. “Madam Man, whether it is true or not, you are right. It doesn’t matter if I say it.” ”

Zhao Dan sighed and imprinted his palm on the device helplessly.

“At this moment, everyone’s hearts were in their throats. ”

Beep Beep.

“At this moment, the sound of the device could be heard in the air. ”

“A mechanical voice could be heard from the device. “After verification, the relationship between Ye Zhuo and Zhao Dan is not valid.” ”

“Chapter 2175: 452: My Face Hurts. If I reveal the past, I will torture you! 1”

Is the parent-child relationship not established?

“Zhao Dan was stunned for a moment, and her face turned pale. ”

How could her personal relationship with Ye Zhuo not be established?

No.

Impossible!

“She was clearly ye Zhuo’s biological mother. Other than her, who else could give birth to such an outstanding daughter. ”

Ye Zhuo’s achievements today were inextricably linked to her as a mother.

Could she have heard wrong?

Yes.

She must have heard wrong!

“Thinking of this, Zhao Dan looked up at the device and saw a line of words on the large screen. ”

[the parent-child relationship is not established!]

Zhao Dan was not the only one who was stunned.

“The other people present, as well as the audience watching the live broadcast, were also stunned. ”

What was going on?

“Zhao Dan kept saying that ye Zhuo was her daughter, but now, after the verification, their parent-child relationship was actually not established? ”

Could it really be that Zhao Dan was mistaken?

Ye Zhuo had nothing to do with her!

“Seeing that the situation was not in her favor, Zhao Dan narrowed his eyes and turned to look at Ye Zhuo, he said in a hoarse voice, ““Yue’er, I know that you hate me and don’t want to have anything to do with me, but you shouldn’t... .. shouldn’t have tampered with the instrument ... Yue’er, your father and I don’t have any other thoughts. We just want to confirm whether you are Yue’er... .”” ”

“In the end, Zhao Dan directly sobbed. ”

Yezor must have done something to it!

“Otherwise, how could a parent-child relationship not work? ”

“There were many people in the audience of the court, and they were all talking about it. ”

""If that's the case, Yezao is too scary."" "

""I don't think it was tampered with, was it? Miss Ye and Lin Jincheng look alike to me."" "

""Now that you mention it, they do look a little alike, but nothing is absolute."" "

""I believe that a mother would never mistake her own child. Ye Zhuo must have tampered with the appraisal device in advance."" "

"" ... "" "

"Listening to the discussions around her, Zhao Dan heaved a sigh of relief. "

She was now the People's favorite.

So what if ye Zhuo had tampered with it? Could she appease the public's anger?

On the bullet screen.

[is the judge dead? Don't you know how to test the instrument?]

[I'm so angry! She actually tampered with the instrument. How disgusting!]

"[ye Zao is after all the fiancée of the young master of Dongli, the famous Miss Ye. It should be very easy for her to do something in the appraisal, right?] "

[what's the use of having a judge? The judge will definitely stand on ye Zao's side!]

[now it's time to fight for the backing. I guess the judge will definitely be indifferent.]

“[there are so many people watching. If the judge is biased and cheats, we will all protest together!] ”

“Ye Zhuo raised his eyes slightly and looked at Zhao Dan. His red lips parted slightly, “”I don’t know why Madam Man insists that I am the full moon princess. “”In fact, before the court session began, I had already investigated the cause of the incident back then. “”However, since everyone is questioning whether the equipment was tampered with, then before the truth is revealed, I’ll have to trouble the trial staff to check if the appraisal equipment was tampered with.”” ”

“Once these words were said, the discussion came to an abrupt end. ”

No one had expected that ye Zhuo would take the initiative to ask the trial staff to check the appraisal equipment.

A Gentleman is magnanimous.

Ye Zao used this idiom to its fullest.

“At this time, even Zhao Dan felt a little guilty. ”

What did ye Zao Mean?

She said that she had found out the truth. What Truth did she find?

“Also, at this time, ye Zao should have done everything possible to stop the trial staff from testing the instrument. ”

But Ye Zao took the initiative to invite him.

Zhao Dan turned to look at man Jiangshan.

“Like Zhao Dan, Man Jiangshan was also a little confused. ”

“Apart from confusion, he was also a little flustered. ”

The truth that ye Zao spoke of...

Could it be the truth that the full moon was lost back then?

It shouldn't be.

Only they and Li Man knew what happened back then.

“Now that Li Man had long disappeared, even he and Zhao Dan couldn't find her. ”

What could ye Zao find out?

Man Jiangshan tried his best to calm himself down.

“When she looked at man Xing again, she had never been nervous from the start. ”

“Even if she had determined that Zhao Dan and ye Zhuo were not biological mother and daughter, she would not be surprised. ”

“After all, Ye Zhuo was Miss Ye. ”

“For her to be able to sit in that position, it meant that her methods were brilliant. ”

Could the high and mighty miss ye be at the mercy of others?

“Therefore, it was within man Xing’s expectations that she had tampered with the apparatus. ”

“If ye Zhuo could deceive the world by doing this, this matter would end here. ”

“If she could not deceive the world, she would ask the court to come up and examine the machine and find that there was something wrong with it. As long as ye Zhuo refused to admit that she was the one who tampered with it, no one would be able to do anything to her. ”

“Chapter 2176: 452: My Face Hurts so much. If I reveal the past, I will torture you! 2”

“I have to say, Ye Zao used this move really well! ”

It was a pity.

A man’s plan was not as good as God’s.

Ye Zao still underestimated Zhao Dan and Man Jiangshan.

Ye Zao was destined to be a chess piece in the hands of Zhao Dan and Man Jiangshan. She could not break free no matter what.

“It would be fine if she quietly acknowledged Zhao Dan and Man Jiangshan. After going around in such a roundabout way, man Jiangshan and his wife would definitely squeeze the last bit of value out of ye Zao. ”

“As for restoring the truth, it was just ye Zao bluffing. ”

How could she restore the truth?

Did Ye Zao think that Zhao Dan and the man Jiangshan couple could be so easily scared?

Naive!

“The trial staff immediately walked up to the stage. After examining it, they faced everyone, they announced, “After testing, there is no problem with the equipment. If the plaintiff has any objections, you can re-examine it, or the plaintiff can go on stage to examine it.” ”

“Someone in the audience stood up. “Mr. Judge, my daughter and I are mother and daughter. May we go on stage to test it?” ”

“If there was really something wrong with the machine, then checking anyone would show that there was no parent-child relationship. ”

““No problem,”the judge said. ”

The mother and daughter in the audience stood up and walked onto the stage.

The two pressed their palms onto the instrument.

“At this moment, everyone held their breath and listened to the sound of the instrument. ”

“Three, two, one! ”

““After verification, Wu Ting and Zhou Ziyi’s parent-child relationship has been established.” ”

Established.

“In other words, there was nothing wrong with the instrument. ”

“Could it be that the lady really mistook the wrong person?”

“I’m dumbfounded!”

“Could it be that she slapped herself in the end?”

[what’s going on?]

[I’m a little confused!]

“Another person in the audience stood up and said, “Mr. Judge, we request to re-examine the instrument.” ”

Another pair of father and son-like people walked onto the stage and began to examine the instrument.

“Soon, a mechanical voice was heard. ”

“”After examination, Wu Zihao and Wu Zhicheng’s parent-child relationship is not established.” ”

Not established!

“This time, it was actually not valid. ”

“However, Wu Zihao and Wu Zhicheng were clearly biological father and son. ”

“Therefore, this machine must have been set by someone. Odd numbers were not valid, even numbers were valid! ”

“Ye Zhuo and Zhao Dan were the first to walk onto the stage to verify, so it was not valid. ”

“However, in reality, Ye Zhuo was Zhao Dan’s biological daughter. ”

She was the full moon.

“This time, Zhao Dan finally heaved a sigh of relief and turned to look at Ye Zhuo, “Yue’er, I’ve fulfilled my wish to see you today. If you don’t like me calling you Yue’er, I’ll be like them in the future and call you Miss Ye.” ”

“Man Xing stood up at the right time, “Elder sister, we’re originally a family. We shouldn’t have caused such a ruckus. “I know that the problem with the equipment has nothing to do with you. Father said that all the children in our family are naturally kind-hearted and would never do such a thing. All of this is just a misunderstanding.” ”

“The mother and daughter spoke one word at a time. It seemed like they were trying to justify ye Zhuo, but in reality, every word was evidence of ye Zhuo’s infidelity. ”

“As the former female monarch of Changyue and the future First Lady of the alliance, she was supposed to be a role model for the people of the s galaxy. However, she was a negative example for everyone.”

“If ye Zhuo did not acknowledge his parents and sister today, he would not have the right to establish a foothold in the s galaxy. ”

“For a moment, everyone’s anger was burning to the extreme. ”

The audience watching the live broadcast were also extremely angry.

“It’s already like this. Does Ye Zhuo still not want to acknowledge his parents?”

""I'm really angry!"! From Ye Zhuo's point of view, she had indeed suffered a lot when she was young. However, Mr. and Mrs. Man did not intentionally lose her! For so many years, the Manxing Kingdom had never stopped searching for the full moon. Now that they had finally found it, this was indeed the result! I really feel bad for Mr. and Mrs. Man "

"To be honest, although the Manxing princess was not as good-looking as ye Zao, she was kinder and more filial than ye Zao. Ye Zao was not qualified to be her sister at all "

""If ye Zao doesn't admit his mistake today, then get the hell out of S Galaxy!" "

""Mr. Man, Mrs. Man, the full star Princess. You may have misunderstood."At this moment, wu Zihao turned to the crowd and continued, "Zhicheng is the child I adopted many years ago. He is indeed not my biological child, so there is no problem with the device." "

What?

The audience exploded when they heard that.

Wu Zihao and Wu Zhicheng were actually not biological father and son.

"Wu zihao continued, "If you don't believe this, you can go to the deyou welfare institute to check the relevant information. "The reason why I hid this matter just now was to test whether the device was tampered with." "

"Chapter 2177: 452: My Face Hurts. If I reveal the past, I'll torture them! 3"

"Hearing this, the audience below the stage and those watching the live broadcast immediately went to the official website of the Welfare Institute to search for information. "

The results were found very quickly.

No one had expected such a reversal of events.

Wu Zhicheng was indeed Wu Zihao's adopted child!

"After learning this result, Zhao Dan's face, which had improved after much difficulty, turned pale again. Could it be that the equipment had returned to normal? "

"Otherwise, how could others be able to measure accurately, but only her and Ye Zhuo's? "

Yes.

It had to be like this.

"Thinking of this, Zhao Dan continued, "Comrade Judge, I request for a new appraisal!" This time, there would definitely be no mistakes. "

"Sure." The judge continued, "Miss Ye, do you have any questions?" "

"No problem," ye Zhuo said. "

The two of them walked up to the stage at the same time and pressed their palms again.

Although the answer could be given in a few seconds.

"However, Zhao Dan felt that these few seconds were longer than a few days. "

She did not know why she was nervous.

She was clearly ye Zao's biological mother.

"Soon, the voice of the appraisal device sounded again in the air. "After the appraisal, the relationship between Zhao Dan and ye Zao's paternity test is not tenable." "

Not valid.

It was actually not valid again!

How could this be!

"This time, even man Xing's expression changed. "

Could it be that Zhao Dan had really mistaken him for someone else?

"Zhao Dan looked at Ye Zhuo, almost unable to maintain his kindness. "It's You? It Must Be You, right?" "

"The corners of Ye Zhuo's mouth curled up slightly. "I've never really understood what it means to judge a person by himself. Today, Mrs. Man has really brought this idiom to life. It's really an eye-opener." "

"After saying that, Ye Zhuo turned around slightly and faced the audience and the camera. "I think everyone here and the audience before the live broadcast must be very curious as to why Mr. Man and Madam Man have always thought that I'm a full moon, right?" "

Zhao Dan's heart skipped a beat. "What are you trying to do?"

"Ye Zhuo's red lips parted slightly. "If you don't do anything wrong, you won't be afraid of ghosts knocking on your door. Madam Man, don't be nervous. Now, let me tell you the truth of the whole matter." "

""Actually, a month ago, Mrs. Man came to Chang Yue to look for me. At that time, she came here as My 'mother.'. "The reason for her visit was probably because I was their long-lost daughter, the full moon. She wanted me to return to the full moon country with her and reunite with her family. "... "At that time, I didn't give a clear reply to Mrs. Man. "Until, a week later, I gave the throne to Ye Han. At this time, Mrs. Man came to me again. I saw that Mrs. Man wanted to reunite with her deceased daughter's family so much, so I wanted to help Mrs. Man realize her dream of reuniting with the family of the full moon princess "

""But when I promised to go back with Mrs. Man, do you know what Mrs. Man's answer was? The following is Mrs. Man's answer." "

"After saying that, Ye Zhuo sent out a video. "

This video was a video of Ye Han and Zhao Dan's conversation:

""Full moon? My Full Moon died long ago! Do you really think that any Tom, Dick, or Harry can pretend to be my full moon! Your Sister Is Ye Zhuo, right? She's the female monarch of Changyue! We can't reach her!" "

""Madam, it's not right for you to say that! Back then, you were the one who came looking for me and said that my sister was a full moon! And now you're not admitting it! What do you mean by that? Do you really think that we siblings are easy to bully?" "

""I don't mean anything, I just got the wrong person! Ye Zhuo has nothing to do with our Manxing Kingdom! Please tell your sister to stop Dreaming!" "

No one expected that ye Han had recorded the video.

Even Zhao Dan himself did not expect it.

"Seeing this, everyone looked at each other and saw the disbelief in each other's eyes."

The Zhao Dan in the video and the Zhao Dan at this moment were two completely different people!

“Ye Zhuo turned off the video and continued speaking, “When Mrs. Man told me not to indulge in wishful thinking, it happened to be after my meditation. At that time, I was neither the lady of Changyue nor Dongli’s fiancée. “I think everyone here is smart enough to guess why Mrs. Man’s attitude was so different from before. You should be able to guess it, right?” ”

“Of course, they could guess! ”

“If they felt that their daughter was useful, they would just take her back. If their daughter was no longer useful, they would just throw her away! ”

“In the eyes of the man and his wife, their daughter was just an item. If they wanted her, they could take her. If they didn’t want her, they could just throw her away. ”

“Oh my God! I really didn’t expect things to turn out this way. It seems that I’ve been scolding the wrong person all these days!”

[how could there be such parents?]

“[things are still very wrong. If Miss Ye isn’t Zhao Dan’s daughter, why did she agree to go back with Zhao Dan before? Does this mean that miss ye is actually a vain person?] ”

“Chapter 2178: 452: My Face Hurts. If I reveal the past, I’ll torture her! 4”

“[is there something wrong with the person above? If Miss Ye really loves vanity, then there’s no need for the Zen throne!] ”

“[but this is indeed a suspicious point! She’s obviously not the daughter of another person, yet she still wants to pretend! I feel that ye Zao is quite scheming!] ”

“After a moment, ye Zao continued speaking, “I think everyone must be very curious. Why did I pretend to be the daughter of Mr. and Mrs. Manman before this? “Because the real full moon princess is my best friend. We met when we were wandering. She had been waiting for her family to bring her back. Unfortunately, this wish was buried with her in that snowy day ”

“”At that time, we were twelve years old. Every day, she hoped that her parents could find her. “Until the day before her death, she still asked me to help her find her biological parents. All these years, I have never given up on finding her family... “Until recently, I finally found the long-forgotten truth. Now, let’s go back to nineteen years ago.” ”

“With that, Ye Zhuo pressed the button on his wristwatch. ”

“Soon, a transparent video appeared in the air. ”

“Hearing this, Zhao Dan already had an ominous premonition in her heart. She wanted to say something to stop ye Zhuo, but she couldn’t find any way. ”

What should she do!

“In an instant, Zhao Dan’s face was covered in layers of cold sweat. ”

“At this moment, images gradually appeared on the air screen. ”

“These people were man Jiangshan, Zhao Dan, and the woman holding the child. ”

The location was man family.

“Man Jiangshan said, “Li Man! Send her away immediately, as far away as possible!” ”

“The woman holding the child was a little hesitant. She raised her head and looked at man Jiangshan.
“But, but she is your and Madam’s biological daughter.” ”

“Moreover, the child was still so young. If she really wanted to throw it away, she would not be able to do it.”

“However, man Jiangshan’s attitude was extremely cold.”

“Zhao dan cried and said, “She is only two years old! If something happens to the full moon, what will we say to the public?” ”

“Just say that she is missing!”Man Jiangshan said.

It was just a child that was lost. No one would suspect anything.

“Zhao dan continued, “But she is our child!” ”

“Man Jiangshan looked at Zhao Dan and said angrily, “A woman’s benevolence! From now on, this vile spawn has nothing to do with our man family! Unless you want us all to be killed by her!” ”

Zhao Dan did not speak anymore. He only cried silently. His eyes were extremely red and swollen.

“Li Man raised her head to look at man Jiangshan and asked carefully, “Sir, then, then where are you sending the Little Princess?” ”

““Shut up! Li Man, give me the pig! From now on, there is no full moon princess in man Xing Kingdom! The One in your arms is a dog! I have already done my best to spare her life!” ”

“If it were anyone else, they would have crushed this little disaster to death.”

“The child in Li Man’s arms did not know that she was about to be abandoned, nor did she know what she was dreaming about. She laughed out sweetly.”

“As soon as she finished speaking, man Jiangshan continued, “Send him to the eternal glacier in the state of Changyue.” ”

What kind of place was the Eternal Glacier?

It was comparable to Hell on Earth!

Sending the child to such a place was a dead end.

“However, man Jiangshan and Zhao Dan had given a death order. Li Man was only a nanny, so she could only listen to them. Thus, she sent the child to the eternal glacier overnight.”

“Through the surveillance camera, Zhao Dan saw the full moon abandoned in the ice and snow, isolated and helpless.”

“As a mother, how could she accept such a scene?”

She cried until she fainted.

“She thought that after one night, the child, who was less than two years old, would definitely die. Who knew that the next day, Zhao Dan turned on the surveillance camera again, but the child did not die!”

“However, although she did not die, half of her life was gone.”

“She stumbled from the Eternal Glacier to the downtown area. From a princess who lived in luxury, she became a street urchin. She ate her fill, used the sky as her blanket, and used the earth as her bed.”

“After all, she was her own daughter. Zhao Dan looked at her daughter who was living on the street through the monitor, crying all day long.”

“Until one day, Zhao Dan was diagnosed to be pregnant again.”

“The doctor warned, “Madam, this fetus is unstable. You must pay attention to rest and maintain a happy mood. Otherwise, it will increase the risk of miscarriage!” ”

“She had just lost a daughter, and now there was a child. ”

“Zhao Dan felt that this was a gift from God. No matter what, she must give birth to this child properly and not let her suffer anymore. ”

“At night, Zhao Dan turned on the monitor again. ”

At that time.

The state of Changyue was experiencing a once-in-a-century snowstorm.

“Chapter 2179: 452: My Face Hurts so much. If I reveal the past, I will torture you! 5”

“The two-year-old child was wrapped in a thin piece of clothing. She was curled up with a stray dog to keep each other warm. She looked at the bustling streets and the child in her parents’ arms. Her eyes were filled with envy, “Little Sweetie, they all have a home. We definitely have a home too. It’s just that mom and dad can’t find us for the time being. I believe that one day, Mom and dad will find us.” ”

““When that time comes, I’ll take you to treat your illness. Little Rascal, you have to be strong!” ”

“Woof!”

“The dog in her arms barked, seemingly responding to her. ”

"The girl smiled happily. "Little Rascal, you also think that our parents will definitely be able to find me, right?" "

"Woof!"

"Then let's wait for our parents to come and fetch us back together, Alright?" "

"On the other end of the screen, Zhao Dan cried her heart out again. Just when everyone thought that she was going to bring the child back, she actually directly destroyed the monitor that was originally bound to the child. "

"Zhao Dan said with a heart-wrenching voice, "Don't Blame Mom. If you want to blame someone, you can only blame your own bad luck. Mom didn't want this either. Don't worry, I will take good care of your sister in the future..." "

"She couldn't watch her young daughter suffer in the state of changyue, but she couldn't do anything. "

"Zhao Dan hardened her heart and directly cut off the surveillance camera on Little Full Moon, as well as her connection to the full moon. "

She also cut off all of the little girl's fantasies.

"The little girl carried the puppy just like that and survived the snowstorm. She also survived the spring, summer, autumn, and winter, but she couldn't wait for her family to come and pick her up. "

She waited and waited.

"The four seasons alternated, and the sun and moon rotated. "

"One day, the puppy's illness suddenly worsened, and his soul returned to his hometown. The Little Girl's last hope was gone. "

“She knelt in front of the puppy’s corpse and cried uncontrollably. “I’m sorry, Little Girl. Daddy and Mommy didn’t come to pick me up...” ”

“Seeing this, the people in front of the screen burst into tears. ”

“How can there be parents like you in the world!”

“You don’t deserve to be parents at all!”

The audience couldn’t help but feel angry in their hearts. They stood up and blamed Zhao Dan and the whole country.

“If it weren’t for the security personnel maintaining order, the angry people would have lost control long ago. ”

““Fake! This video is fake!”Zhao Dan turned to look at Ye Zhuo, he said painfully, “Miss Ye! Even if we mistook her for a child, you wouldn’t have wronged me like this, right? ! “I’m Yue’er’s biological mother, and Yue’er is the child I carried for ten months. Ever since she disappeared, there hasn’t been a day that I didn’t want to find her! “What do you mean by being like this now? ! “Losing my daughter has already made me very sad. Miss Ye, do you really have to rub salt into people’s wounds?” ”

“It had been so many years since the incident, and the video from that year had long been destroyed. ”

As for why the video appeared now...

It must have been made by Ye Zao in the later stages!

She had to remain calm now and not let anyone notice anything.

““Miss Ye,”man Xing stood up, looked at ye Zao, and said gently, “I can make ten of these videos in one go. May I ask, what does it represent?” ”

“Ye Zao looked at man Xing and continued, “The video was indeed made by me in the later stages, but I restored it one-to-one according to the truth of that year.” ”

“Hearing that ye Zao did not deny that the video was fake, man Xing heaved a sigh of relief and continued, “May I ask if Miss Ye was at the scene back then? Does Miss Ye have any evidence to prove that this video was restored one-to-one?” ”

At the scene?

How could ye Zao be at the scene!

How Old was ye Zao back then?

“As long as ye Zao did not have any evidence, man Jiangshan and Zhao Dan could counter-sue ye Zao for a false accusation. ”

“Once these words were said, everyone quieted down again. They all looked at ye Zao, wanting to hear her explanation. ”

“”I am the evidence.”At this moment, a white-haired old man walked in from outside the door. ”

“”My Name Is Li Man. I am the nanny who personally sent the full moon princess to the Eternal Glacier. I can prove that Miss Ye’s videos are all true.”Li Man walked to ye Zao’s side and stopped, bowing to ye Zao, “Miss Ye, please apologize to the full moon princess on my behalf. I have let her down! I am willing to accept any punishment!” ”

Chapter 2180: 453:10 years in prison! 1

Li Man.

“After so many years, Li man actually appeared. ”

“Looking at the white-haired old man on the stage, Zhao Dan, who was in the plaintiff’s seat, was a little unsteady, and his breathing was a little hurried. ”

“Wasn’t Li Man already dead? Even they couldn’t find Li Man, so why would li man suddenly appear in the Intergalactic Court? ”

No.

This wasn’t the real Li Man.

“Back then, after Li Man sent the full moon away, the whole country sent people to silence her. They couldn’t reveal their dirty laundry. In order to prevent Li Man from trying to escape, they sent people to guard Li Man’s hometown for more than three months, in the following years, they had been paying close attention to Li Man, but there had been no news of Li Man. ”

“At this point, they were completely relieved. ”

“But now, she had actually become a witness on the stage, which Zhao Dan could not accept. ”

“Not only Zhao Dan, but even Man Jiangshan, who had always been calm, could not accept it. ”

“If this person was really Li Man, then everything would become a reality, and the charge of abandoning them would be established! ”

“For a moment, cold sweat broke out on man Jiangshan’s forehead. ”

The bullet screen was also somewhat interesting.

“My God, if this woman is really Li Man, then this couple is too terrifying. A tiger does not eat its own son, but they even harmed their own daughter, so what qualifications do they have to be the parents of the people?” ”

“I think everyone should not randomly pick sides for the time being. Just a second ago, we thought that Miss Ye was an unfilial daughter, but in the blink of an eye, things have turned out this way. Who knows if there will be other reversals later on?” ”

“[yes, the analysis above is very reasonable. Perhaps this is a trap. From the perspective of parents, no parent would lay their hands on their own flesh and blood.] ”

“[from now on, I will stand by Miss Ye.]. Regardless of whether the full moon princess was thrown away by man Jiangshan and Zhao Dan, the two different faces of the husband and wife were real. When they learned that miss ye was the female monarch of changyue, they shamelessly went to her door to acknowledge their daughter. They immediately changed their faces when Miss Ye had just taken the throne. Now that Miss Ye had become the future First Lady of the alliance, they had the same face again! Publicly announcing their relationship with Miss Ye on the Star Network. Looking at it from another perspective, if the full moon princess had not died, the person who would be blamed here would be the full moon Princess ”

“Damn! Thinking about it this way, man Jiangshan and his wife are indeed very scary ”

Maybe it was ye Zao who was scheming from the beginning to the end

“For a time, the internet was endlessly debating. ”

“Zhao Dan naturally knew that the current situation was very unfavorable for him. He raised his head and looked at the stage, then he said, “No! You’re Not Li Man! Comrade judge, she’s lying! This woman and ye Zao are working together to harm us! Since ye Zao can make a fake video, he can find a fake witness!” ”

Li Man was already dead.

“Even if ye Zao found someone who looked like Li Man, he would not be able to hide the truth. ”

“Ye Zao looked up slightly. “Mrs. Man kept saying that I wanted to harm you. May I ask, why would I want to harm you? If you had not come to me again and again, I would not have dug up such an old story.” ”

“In the beginning, Ye Zao also wanted to be able to recognize his biological parents and reunite with his family. ”

“However, ever since she found out that she was intentionally thrown away by the man Jiangshan couple, she had never thought about it again. ”

“The Man family had given her life. The Ye Zhuo from before was already dead, and they were even. ”

She was alone and beautiful.

“However, at this moment, the man family came after her. For the first time, Ye Zhuo’s design made the man family give up on this idea. However, when they found out that their daughter was still useful, they shamelessly chased after her, ye Zhuo had never seen such a shameless person.”

“She knew very well that if the decision was made continuously, it would lead to chaos. If the entire family came after her again, there would only be more and more trouble in the future.”

She had to cut the Gordian knot in one go and cut off all the trouble in the future.

Zhao Dan was also very regretful now.

“If she had known earlier, she would not have provoked such a trouble. ”

“But now, instead of eating the pork, he had provoked a whole lot of trouble. ”

“Zhao Dan narrowed his eyes, and a plan came to his mind, “It was you! It was you who caused the death of the full moon! You wanted to replace the full moon but couldn’t, so you were so ashamed that

you killed her! In the end, you were afraid that your plot would be exposed, so you conspired with this woman to frame us! Ye Zao, you are really too vicious!” ”

Yes.

It must be like this.

“Ye Zao was about the same age as the full moon. After learning the true identity of the full moon, she plotted to kill the full moon. She wanted to replace the full moon to enjoy wealth and glory in the full star country. Therefore, after ye Zao took the throne, she wanted to go to the full star country. ”
