Chapter 2181: 453:10 years in prison! 2

“However, at that time, she and man Jiangshan rejected ye Zao.”

Ye Zao must have held a grudge against them since then.

“She wanted revenge, so she found someone to put on such a show.”

Ye Zao’s scheming was too deep!

“Hearing this, Ye Zao did not get angry. He just looked at Zhao Dan, “The law will always be in place. Who is the one who got angry out of humiliation, the real culprit behind the scenes? The witnesses and physical evidence I brought today will tell everyone the truth.” ”

Li Man was dead.

Li Man was dead!

“Zhao Dan comforted himself in his heart, telling himself not to be nervous. All of this was a trick used by Ye Zhuo to deceive others.”

“At this moment, Li man seemed to have read Zhao Dan’s mind. She turned slightly and said, “Madam, you must be very curious. Why Am I still alive?” ”

“Hearing Li Man’s voice again, Zhao Dan tried his best to calm himself down, he looked at Li man and said, “I don’t know you at all! I don’t know what you’re talking about! I’m warning you, perjury has a price to pay. You better think it through! Don’t regret it later!” ”

“Li Man looked at the judge. “Mr. Judge, I can guarantee with my personality that everything I said today is true. I can also bear any legal responsibility for my words and actions!” ”

“At this point., li man continued, “My Name Is Li Man. I’m from Manxing, and I’m 65 years old this year. “The video that Miss Ye played just now was all true because it was the Li Man in the video. Back then, I was the one who personally sent the full moon princess to the Eternal Glacier.” ”

“Shut up! You Shut Up! I don’t even know you!”Zhao Dan directly interrupted Li Man’s unfinished words.

She couldn’t continue!

Zhao Dan had a premonition that this Li man was very likely the Li Man from back then.

“Li Man turned her head, and the corners of her mouth curled up. “Since you said that you don’t know me, Why Are You So Guilty? Can’t you wait for me to finish speaking?”? ”

“”I just put the full moon princess in the Eternal Glacier when I was ambushed by assassins. Do you dare to say that those assassins weren’t sent by you and Sir?”Li Man had been indebted to Zhao Dan in her middle age, so she was very loyal to Zhao Dan, however, she never expected that the couple would send assassins to understand her. “The heavens are watching what you did back then. It’s time for retribution for what you did back then!” ”

“Man Xing looked at Zhao Dan and then at the entire country. He felt that something was very wrong. If things continued to develop like this, he would lose 3,000 men if he failed to kill the enemy. He got up from his seat, “Comrade judge, I have a question to ask this Ms. Long who calls herself Ms. Li Man.” ”

“”Please Ask.”The judge looked at Li Man again. “Li Man, you have the right to choose whether to answer or not.” ”

“Okay.”Li Man nodded.

“Man Xing looked at Li Man, he asked, “Excuse me, this lady. You said that my parents sent assassins to hunt you down. If that’s really the case, you are already a dead person who can’t speak. Why are you

standing here safe and sound?" Although man Xing's sentence was short, it also revealed another problem. "

"Manjiangshan and Zhao Dan were Manxing country's president and Madam President. If the two of them really sent assassins, how could a woman like Li Man Survive? "

It was obvious that Li man was lying.

There was no assassin at all.

"As soon as she said this, the audience began to discuss among themselves, questioning the authenticity of Li Man's words. "

"Li Man faced the crowd and continued to speak, "The reason why I was able to survive until now was because the leader of the assassins happened to be an old acquaintance of mine. He was also the one who told me not to show my face in public for the next ten years, or else I would definitely die. It was also because of this reason that I hid outside for nineteen years! Until today!" "

"She hid outside for nineteen years, and she had been worried for nineteen years. "

"During these nineteen years, she had been constantly repenting. "

That was a living being!

"Three days after throwing away the full moon, she had secretly gone to the Eternal Glacier to collect the corpse of the full moon. She had already killed a human life with her own hands, so she couldn't let her corpse be left in the wilderness. "

"But by the time she went to the Eternal Glacier, there was no longer any sign of the full moon there. "

"The conditions of the eternal glacier were harsh, and there were often fierce beasts going in and out. Without seeing the full moon, Li Man thought that the full moon had been eaten by the exotic beasts! "

“In the days that followed, she would often dream of the full moon covered in blood demanding her life. She would cry and ask her why she had been so heartless as to throw her away! ”

How could she not feel guilty after doing such a shameful thing?

Chapter 2182: 453:10 years in prison! 3

“All these years, Li Man, who never believed in ghosts and gods, began to believe in Buddhism and vegetarianism. But even so, the guilt in her heart did not diminish in the slightest. ”

Until three days ago.

“When Man Wen found her, she knew that the day of her liberation had come. ”

“She had hidden for so many years and felt guilty for so many years. Finally, the clouds had cleared and the Sun had come out. She did not have to suffer and spend every day in pain. ”

“Man Jiangshan and his wife were the biological parents of the full moon. She, an outsider, had suffered for so many years. Did the man Jiangshan and his wife not feel anything at all? ”

“Thinking of this, Li Man raised her head and looked at the man Jiangshan and his wife, “Sir, Madam, in so many years, have you not had a nightmare? That is a living life! Aren’t you afraid that the full moon princess will seek revenge on you by sacrificing your life? !” ”

“Slander!” Man Jiangshan, who had been silent all this time, opened his mouth, “Who the hell are you? ! Why did you team up with Ye Zao to frame us? ! The full moon is my most valued eldest daughter. Ever since she went missing, I have always wanted to find her. How could I deliberately lose her? ! Sir, please investigate this matter thoroughly and give me and my wife an explanation!” ”

“At this moment, although man Jiangshan looked extremely calm, he was actually very anxious in his heart. He was also very regretful now, regretting why he had brought this matter to the interstellar court.”

“He was the president of the Manxing Nation. No matter how capable he was, he could not reach the interstellar realm!”

What should he do now?

“At this point, man Jiangshan paused, then, he added, “Full moon, full star, Manwen, they are all my flesh and blood. If I really had the intention to kill my daughter, then how could Manwen and full star live in Peace Now?” ”

“After he said that, the people who were already discussing began to discuss again. ”

““Yeah, Mr. Man has no reason to hurt his own daughter.” ”

“I think this Li Man is definitely a bad person!”

““I think Mrs. Man is right. I guess it was ye Zhuo who wanted to pretend to be the full moon princess and killed the full moon princess in the end. Now, he wants to frame Mr. Man and Mrs. Man for this matter. It’s too vicious!”! “How can such a person exist in this world? !” ”

““Not necessarily. After all, in the video that Miss Ye showed, Mrs. Man is not a good person!” ”

“Silence!”

“At this moment, the judge tapped the small hammer in his hand. ”

The scene instantly became quiet.

“The judge stood there and said, “Mr. Man, don’t worry. The intergalactic court will handle this matter in a fair and open manner. We will not let a bad person go, and we will definitely not frame a good person.” ”

“After saying that, the judge looked at Li man and said, “Li Man, do you have any evidence to prove that you are Li Man, and Everything You Said is the truth?” ”

“Li Man took out a bag and walked to the judge. “This is my work card from 19 years ago. Also, to protect myself, this is the audio evidence I left behind.” ”

Recording!

Li Man had actually recorded the recording at that time.

Zhao Dan could not help but raise his hand to wipe the cold sweat off his forehead.

The judge took the work permit and the recording device.

“A moment later, the voice from the recording device came out. “Li Man! Send her away immediately, as far away as possible!” ”

““But, but she is your and Madam’s biological daughter.” ”

“ ... ”

““Shut up! Li Man, you shut up! From now on, there is no full moon princess in Manxing! The One in your arms is a dog! I have already done my best to spare her life!” ”

The voice coming from the recorder was almost exactly the same as the one in the video.

“Although nineteen years had passed, the quality of the sound was still very good.” ”

Zhao Dan and Manjiangshan did not expect that Li man would actually carry a recording device that had been kept until now.

“The judge handed the recorder to the staff and said, “Take it and examine it.” ”

“Okay.”The staff member took the recorder with both hands.

“Li man continued, “As for why Sir and Madam wanted to throw away the full moon princess, it was all because of that master Cao! “Master Cao misled the public with his lies. Ever since the birth of the full moon princess, he said that the full moon princess was a Jinx and would bring disaster to the entire family and the entire Manxing Kingdom!” ”

“Speaking up to this point, Li Man took out two more photos. “These are the divination images that master Cao gave the full moon princess. I secretly took them.” ”

“At this time Zhao Dan wanted to pounce on the stage, Li Man stabbed to death. ”

Chapter 2183: 453:10 years in prison! 4

This traitor!

“She was so good to Li Man, but today Li man bite back. ”

“The witnesses and physical evidence were conclusive. The first trial sentenced man Jiangshan and Zhao Dan to be removed as the president of Manxing Country for desertion, deprived of political rights for life, and sentenced to 10 years in prison. ”

“In addition, Li Man was also sentenced to five years for being an accomplice. ”

“However, Li Man did not regret it. Instead, her wrinkled face was relieved.”

“When she learned of this result, man Jiangshan’s face turned pale and he collapsed on the chair on the spot.”

Zhao Dan was no better than man Jiangshan.

She never dreamed that things would turn out like this.

“Ye Zhuo should have been forced to kneel down and apologize to them, saying that she was wrong.”

“But now, not only was ye Zao not a full moon, but they were also in prison.”

Who exactly was ye Zao?

How did she know so much?

“Also, how did ye Zao Find Li Man?”

They watched as man Jiangshan and Zhao Dan were finally brought to justice.

“The bullet screen was filled with cheers: “Good and evil will always be rewarded! From the moment you two threw away man Xing kingdom, you should have thought of today!” ”

“[ Miss Ye, I’m sorry. I misunderstood you previously! Therefore, Princess Full Moon, please rest in peace! Ten years in prison is really too easy for these two demons. ] ”

[ a human life is only ten years! Hehe! ]

“[ ten years is not a small amount. Zhao Dan is 42 this year, and the whole country is 48. Ten years later, they will be half-buried in the ground. If their lives are short, they might not be able to last until that day! ]”

“I think Manxing is not a good person either!”

“The Manjiang couple is the Manjiang couple. Please don’t bring Manxing into their lives. I believe that Princess Manxing is definitely not that kind of person!”

“”Right, right, right. Don’t kill everyone in one shot!” ”

“”Apologize to Miss Ye! Also, apologize to my own actions. I shouldn’t have misunderstood Miss Ye and smeared her name because of the one-sided news!”! ”

[ miss ye saved the entire country of changyue. How could she be such a disloyal and unfilial person? I should have thought of it long ago. The feeling of slapping myself in the face is very uncomfortable. I Won’t do it again in the future. ]

“For a moment, the bullet comments were all apologizing to ye Zhuo. ”

Those who had been indignant and supportive of the Manjiang couple from the start also felt very uncomfortable.

Who would have thought that the truly vicious people would end up being the Manjiang couple!

No one would have thought that the President and Madam President of the Manxing Nation would both go to jail for desertion!

“In an instant, the entire star network was flooded with this news. ”

Those who could not watch the live broadcast climbed up the wall to watch the recording.

“After watching the recording, there were even more people scolding the Manjiang couple.”

“Through a protective wall, ye Zhuo saw Li Man.”

“Although she was sentenced to five years in prison, there was no sadness on Li Man’s face. She looked at Ye Zhuo, “Miss Ye, please apologize to the full moon princess on my behalf. I shouldn’t have left that year, and I shouldn’t have left her there when she was young.” ”

There was no medicine for regret in life. Li Man knew that it was useless for her to say anything now.

But it was better to say it than not saying anything at all.

“Ye Zhuo sat opposite her and said softly, “The matter is over. The Full Moon is dead, and you have received the punishment you deserve. Be a good person after you get out of prison.” ”

“Li Man stood up and bowed to ye Zhuo. “Then please apologize to the full moon princess on my behalf. If I could start over, I wouldn’t have done that!” ”

“Okay.”Ye Zao nodded slightly. “She will definitely receive your apology.”

“Actually, this matter was not Li Man’s fault.”

She was just following orders.

“Moreover, Zhao Dan had installed a surveillance camera on the full moon back then. Before Zhao Dan destroyed the surveillance camera, even if Li man turned around and secretly carried the full moon back, she wouldn’t be able to live.”

“After coming out of the prison, Ye Zao looked at the Blue Sky that was as clear as water, and the corners of his mouth curled up into a beautiful arc.”

“Father Zao!”

“Miss Ye!”

Mr. Feng and Leo came over from the side.

“Leo asked curiously, “Father Zao, what did that Li Man say to you?” ”

““She asked me to apologize to the full moon,”ye Zao said. ”

“Leo nodded and continued, “Right, Father Zao, guess how we found Li Man?” ”

“How?”Ye Zhuo asked.

“Leo continued, “It’s strange. We searched for Li Man for three days and three nights, but we couldn’t find her. Just when we were scratching our ears and cheeks, Li man appeared by herself!” ”

Chapter 2184: 453:10 years in prison! 5

““So, Li Man wasn’t found by Li Man?”Asked ye Zhuo. ”

Leo shook his head.

Li Man was too well-hidden. Leo had used a lot of connections but still couldn’t find her.

Ye Zhuo frowned slightly.

It was impossible for Li Man to come to him for no reason.

There must be a reason behind this.

“Seeing how she was, Leo continued, “Father, do you want to investigate the reason for Li Man’s sudden appearance? Do you think there might be an explosion in the middle?” ”

“Although man Jiangshan and Zhao Dan had been sentenced, they were still the leaders of Manxing country. As long as Manxing filed an appeal, the interstellar court would have to reconsider. ”

“”No need,”ye burning continued, “I think I know the reason.” ”

“Leo asked curiously, “Father Burning, do you know who made Li man appear?” ”

“Yes.”Ye burning nodded slightly.

“Leo continued, “Can you tell me?” ”

“No.”

“Leo immediately followed ye burning’s footsteps. “Father Burning, am I still your good eldest son?” ”

On the other side.

“Man Wen also watched the live broadcast. His expression turned from anger to a slight smile. The moment he saw his parents being handcuffed, the huge rock weighing down on his heart finally disappeared. ”

Nineteen years.

“After nineteen years, those who hurt his sister finally got their comeuppance. ”

“Fan Mu was sitting next to man Wen. When he saw this scene, he turned to look at man Wen, he said with a sigh, “I really didn’t expect your eldest sister to be so miserable when she was young. She was lucky to survive like this! “Oh right, your parents are locked up. Your second sister will definitely take action next. What do you plan to do?” ”

““Fair competition,”man Wen said. ”

“He had been lying low for so long, waiting for this day. ”

“No matter what, he definitely could not hand Manxing over to Manxing. ”

“Your second sister has connections and connections in Manxing. There are a lot of people who choose her. What do you have to compete with her fair competition?”Fan Mu asked.

“Man Wen continued, “She has a good plan, and I have a wall ladder.” ”

“Looking at man Wen like this, Fan Mu was a little speechless and said, “Brother, you still don’t know your current position, right? With your current reputation, it’s difficult for you to even make it onto the rankings. How are you going to compete fairly with her?” ”

“In order not to show off, Man Wen’s reputation in Manxing country had been extremely bad all these years. ”

“Man Wen continued, “Don’t worry, I’ll definitely make it onto the rankings.” ”

““Alright, even if you make it onto the list, what about the voting segment later?”Speaking up to this point, fan mu narrowed his eyes and continued, “Don’t tell me you have a way? Did you look for your eldest sister?” ”

“If he had ye Zhuo’s help, Man Wen would definitely be able to ascend to the presidency. ”

“No.” Man Wen shook his head. “Even the paternity test said that she has nothing to do with me. You should also stop calling her my sister in the future.”

Ye Zhuo had completely lost all ties with the man family.

And he did not want to become Ye Zhuo's burden.

What Man Wen could do now was to do his best and leave it to fate.

“Speaking of the paternity test,” Fan Mu narrowed her eyes. “What's going on? Why isn't the relationship between Miss Ye and Auntie established?”

“Man Wen said, “Because she's not my sister.””

“Brother, this is boring. Why are you still pretending to be me?” Fan Mu tapped Man Wen on the shoulder.

Man Wen did not say anything.

“Because of Man Jiangshan and Zhao Dan's sudden imprisonment, Manxing country was in an emergency crisis.”

“Fortunately, the vice president was there to support it.”

The country could not be without a ruler for one day. They had to choose a new ruler.

“The vice president could not become a full official for the rest of his life. As the president, he had to choose a successor from the man family.”

“Man Jiangshan had three nephews, one son and one daughter. ”

“Man Wen had a good reputation. Even if he made the list, no one would choose him. ”

“As for man Jiangshan’s other three nephews, they were even worse than man Wen! ”

“Therefore, man Xing did not have to worry about the issue of the election at all. ”

What man Xing was most worried about was his parents.

Were they really going to let his parents stay in prison for ten years?

““Xing ‘er, the most important thing for you now is to prepare for the election.”Master Cao walked to man Xing’s side. ”

“Man Xing turned around. “Man Wen is a good-for-nothing. Man Fei, man Qiang, and man Zang are not much better than man Wen. You Don’t have to worry about the election.” ”

““But you can’t let your guard down. What if something unexpected happens?”Master Cao continued, “Just like this time.” ”

Chapter 2185: 459: I will not make the wrong choice! 1

Master Cao’s words stunned Manxing.

She was silent for a moment.

Because even Manxing herself did not expect things to turn out like this.

“Manjiangshan and Zhao Dan’s plan was to use public opinion to recognize ye Zao back, and then smoothly establish a reasonable relationship with the General Alliance. ”

“Who would have thought that not only did their parents not recognize ye Zao back, but they also dragged themselves into it. ”

And it was a whole ten years.

“This sudden blow, outside of Manxing’s plan, also made it hard for her to accept. ”

“Master Cao patted Manxing’s shoulder, “Xing ‘er, I know you’re worried about Sir and madam, but now is not the time for you to be worried. Those people outside are eyeing you like a tiger watching its prey. If you’re not careful, your position might be snatched away!” ”

“At this moment, man Xing had to be on full alert. He could not afford to make any mistakes. ”

“Speaking up to this point, master Cao paused and continued, “Sir and Madam have lost their power. The only person who can help you now is yourself.” ”

“If Man Jiangshan and Zhao Dan had not been locked up, man Xing would naturally have been able to inherit the throne from man Jiangshan. ”

“But now, man Xing had to fight for it with strength ”

“”Master, I understand everything you said.”Man Xing looked at master Cao. “Don’t worry, I will not let you down. I will not let my parents down.” ”

Master Cao nodded.

He had placed his life’s Hope on man Xing. He wanted man Xing to succeed more than anyone else.

“Xing'er, a teacher for one day is a father for life.” Master Cao continued, “You should know that I expect more from you.”

What was Manxing Country?

“According to Manxing's talent, she should be standing at the top of the galaxy.”

“Yes.” Manxing nodded.

She knew Master Cao's wishes and was very willing to set off in the direction that master Cao hoped for.

“Master Cao looked out of the window. “When you were born, the sky was dyed with seven colors. That was the first time I saw an auspicious omen.” From then on, master Cao knew that Manxing was not an ordinary person. Later on.., man Xing did not disappoint him.”

“Man Xing only needed to watch a few times to learn. Her peers were still babbling, but she had already mastered a hundred calculations.”

“Hearing this, man Xing followed master Cao's line of sight and looked over. “Master, when my eldest sister was born, was there really a strange phenomenon?”

“Yes.” Master Cao nodded. “When the full moon was born, it rained the whole day.”

“When it rained, an umbrella was needed.”

“When the umbrella was homophonic, it meant that it was scattered.”

What did being scattered mean?

“The family was separated, the People’s hearts were scattered, and they were like a pile of loose sand... ”

“Seeing that the situation was not right, master Cao immediately made a divination. The divination showed that ye Zao was a fierce person, and he was the bane of his parents and siblings. ”

“As expected, since the birth of the full moon, Manxing Kingdom had fallen into all kinds of natural and man-made disasters! ”

“Master Cao continued, “Actually, when you told me that Ye Zao was your eldest sister, I was a little puzzled. How could such a fierce person have the ability to pacify Changyue Kingdom? But madam insisted that she would not mistake her daughter.”In addition, according to the situation at that time..., recognizing ye Zao would indeed be of great help to Manxing, so master Cao did not object. ”

“”So, Ye Zao is not my eldest sister at all,”Manxing said. “My eldest sister died a long time ago. This matter has been going in the wrong direction from the beginning!” ”

“If they had not provoked ye Zao, things would not have become like this. ”

Master Cao nodded.

“During that time, master Cao thought that there was something wrong with his divination. He even doubted his divination skills. According to the results, there was nothing wrong with his divination. ”

Ye Zao was ye Zao.

The full moon was the full moon.

“Even if a jinx coated her with a layer of gold, she could not become an existence that everyone respected. ”

“It was good that the Little Jinx died, so that she would not stay in the world to harm others. ”

“Xing ‘er, the past is already in the past. As a person, you can only look forward, you can not look back.” Master Cao looked at the full moon, then, he said, “Becoming the president is just the beginning of your success. The road to becoming the king is long and difficult. You must be mentally prepared. The first step must not go wrong.” ”

“If the first step went wrong, the rest of the road would be impossible. ”

“With Manxing’s talent, she would dominate the galaxy in the future. ”

“Manxing looked at master cao. “Master, I know what you said. What I’m most worried about now is my parents. I can’t really let them suffer ten years in prison.” ”

Chapter 2186: 459: I Won’t make the wrong choice! 2

“After ten years, man Jiangshan and Zhao Dan had grown old! ”

“Besides, they were both people who cared the most about their reputation. They were the top people in Manxing country. If they were to be locked up in prison for ten years, they wouldn’t be able to stand it. ”

“Master Cao frowned slightly, “Mister and madam have committed unforgivable mistakes. A prince who breaks the law is as guilty as a commoner. Xing ‘er, if you want to succeed, you can’t let this matter become your burden. “What you need to do now is not to think of a way to bail them out, but to face the people and apologize to them!” ”

Blindly whitewashing the manjiang-shan couple would only increase the disgust of the people.

“At this point, the Manjiang-shan couple could not whitewash it at all. ”

“Master, do you mean to let me watch them go to jail without doing anything?” Manxing looked at master Cao, his eyes full of disbelief. ”

Master Cao nodded.

“At this time, not only could man Xing not interfere with the affairs of man Jiangshan and Zhao Dan, but he also had to try his best to distance himself from them. He could not bring trouble upon himself. ”

“But they are my parents!” MAN XING continued, “Their only hope now is me, I...” ”

“Master Cao interrupted man Xing, “Xing ‘er, people who achieve great things have no feelings! After the founding of the Ming dynasty, how many heroes did Zhu Yuanzhang kill to serve him?” ”

“Master...”

“Master Cao Sighed, “I know this is very difficult for you, but you have to do this. “Xing ‘er, you have to get used to everything. This is just the beginning. You will face more choices in the future. One wrong step leads to another. Once you make a mistake, you will never be able to turn back!” ”

Man Xing felt very painful in her heart.

“Man Jiangshan and Zhao Dan were her biological parents. As a daughter, she could not watch her biological parents suffer and not care about them. ”

“However, what master Cao said made sense. ”

“If she made the wrong choice at this time, she would never be able to turn back. ”

“On one side was her parents, and on the other side was power. ”

How was she going to choose?

“Xing ‘er, you’ve been working hard for nineteen years. Are you going to give up at this critical moment?” Master Cao continued. ”

“Man Xing turned to look at master Cao. “Master, isn’t there a way to get the best of both worlds?” ”

Master Cao shook his head.

“A moment later, master Cao said, “Unless...” ”

“Unless what?” Man Xing immediately asked.

“Master Cao said, “Unless the full moon did not die, unless you can overthrow the previous evidence!” ”

“A person can not be resurrected after death. The evidence has been verified by an authority. How can it be easily overturned?” Man Xing asked back.

“Master Cao nodded, “It’s good that you understand this principle! So there is only one path in front of you.” ”

How could there be so many ways to get the best of both worlds?

Man Xing sighed.

“Seeing that the disciple that he had groomed was actually so indecisive and did not have the slightest bit of determination of a superior, a disappointed light flashed across master Cao’s eyes. “Think about it carefully and give me an answer once you’ve thought it through.” With that, master Cao turned around and left. ”

“Looking at Master Cao’s back view, man Xing hurriedly said, “Master, Wait!” ”

Master Cao stopped and looked back. "What's Wrong?"

"I've thought it through!"

A smile appeared on Master Cao's lips. "Have you really thought it through?"

"Yes." Man Xing nodded. "I'll listen to Master."

As for her parents...

Ten years was just a blink of an eye.

She would send someone to the prison to tell them not to be anxious.

"Master Cao nodded in satisfaction. "Xing 'er, that's right. After so many years, you will definitely thank yourself for who you are now." "

"The person I should be thanking more should be you, master," man Xing looked at master Cao and said. "

"The corners of master Cao's mouth curled up into a loving smile. He patted man Xing's head and said, "Master is very happy today. Xing 'er, you have finally grown up." "

"If one wanted to become a superior, there was one thing that one had to give up. "

Compassion.

There was no superior who did not climb up slowly by stepping on bones.

"There is one more thing," master Cao continued. "

““Master, please speak,” Manxing said. ”

“Master Cao said, “Come close to my ear.” ”

Manxing did as he was told.

Master Cao whispered in Manxing’s ear.

“After saying that, man Xing frowned slightly and said in a pale voice, “Master...” ”

“Master Cao shook his head and made a gesture of silence, “Xing ‘er, you have to do this now. Only when they are gone can you get out of the mud without getting dirty.” ”

“But...”

““Don’t worry, I will arrange it well. No one will find out anything.” Master Cao continued, “They are all extremely shameless people. What we are doing is a kind of relief for them.” ”

Chapter 2187: 459: I Won’t make the wrong choice! 3

Even an ordinary person wouldn’t be able to survive ten years in prison.

Not to mention a wealthy man and his wife.

“Master Cao looked at man Xing and said, “As parents, you can give up everything for your children. Even if Mr. and Mrs. Know About your decision, I think they will support you and not hold you back. By doing this, you are helping them and yourself.” ”

Master Cao understood Manjiang and Zhao Dan too well.

The two of them were willing to give up their lives for the sake of Manxing.

“Must we do this?” Manxing asked.

“Yes.” Master Cao nodded.

“Manxing took a deep breath and looked at master cao, “Alright, I’ll listen to you.” ”

“Master Cao said with great satisfaction, “Xing ‘er, you’re really sensible now!” ”

Man Xing lowered his head and did not say anything.

“Master Cao continued, “Now is not the time to make a move. Go and issue an apology statement first. I don’t need to teach you the specifics, right?” ”

““Yes, I know.” Man Xing nodded. ”

“Not long after, man Xing appeared in front of the camera with red eyes. ”

““Hello, everyone. I Am Man Xing. First of all, I would like to apologize to everyone here. I know that I no longer have the right to stand in front of everyone, but I must say this apology.” Man Xing tried his best to hold back his tears, then, he said, “I have always wanted to find my eldest sister. What I didn’t know was that the murderer was actually my parents, whom I have always respected and loved. When I heard this news, I suddenly felt as if the entire sky had collapsed. I couldn’t believe that it was true, and I couldn’t believe that my parents were executioners... “... It’s all my fault. If I had found out earlier that my eldest sister had been thrown away by them, I would definitely have gone to look for her. If I had found my eldest sister, she wouldn’t have suffered so much and died in the end.” ”

“Speaking up to this point, Manxing was already sobbing uncontrollably, causing others to cry as well. ”

“Finally, I want to apologize to Miss Ye. Miss Ye, I’m very sorry for causing you trouble!”Manxing bowed, “Since things have come to this, I no longer ask for your forgiveness. I only hope that your mood will not be affected by this matter. I’m Sorry!” ”

“[ Miss Manxing, actually, you don’t have to blame yourself so much. This isn’t your fault at all. ] ”

“[ you are you, your parents are your parents. Don’t worry, we won’t blame you. ] ”

“[ Miss Manxing is really too miserable. It’s one thing for her to have such excellent parents, but now she has to clean up their mess! ] ”

“[ sigh, seeing Princess Manxing cry, I can’t help it. ] ”

“[ don’t worry, Miss Ye is a busy person. She doesn’t have time to care about these things. ] ”

[ why do I feel that Manxing is acting a little? ]

“[ whoever says that Miss Manxing is acting, I’ll be angry with them! ] ”

“[ sisters, don’t be angry with this kind of person. Their eyes have grown to the anus. Otherwise, why would miss Manxing Cry Like This? They can’t even see! ] ”

[ ... ]

Manxing had always been a very good person in manxing country.

“As a princess, she was neither arrogant nor impatient. She did not have the airs of a princess, especially when she was close to the people. Most importantly, not only was Manxing beautiful, she was also talented.”

“She was not like Manwen. As a prince, she did not even have the slightest bit of dignity that a prince should have.”

“Therefore, when the video of Manxing’s apology was released, everyone could express their understanding of her. A small number of people who doubted her were also criticized by others.”

“The moment she turned off the camera, full star’s expression instantly changed from sadness to impatience. She picked up a tissue and wiped her face.”

...

At the same time.

In the main ally country.

“It was the first time Lin Jincheng, Ye Shu, and Lin Ze had come to the s galaxy. Ye Zhuo planned to accompany them to take a good look around the main ally country.”

It was as if they were out on a vacation.

It was not easy for them to have a break when they were out.

There was a very beautiful scenic spot in the General Alliance.

“The sea water there was very blue, and the sky was also very blue. It was almost the same color as the water and the sky. There were all kinds of mushrooms that were bigger than umbrellas growing on the beach. The beach was golden, and the sunlight was very strong, but it would not burn the skin. There was no need to worry about getting sunburned, there was also a very rare seven-colored flower in the forest by the beach. It was like being in a fairytale world, making people forget to return.”

“Ye Zhuo sat on the sofa in the living room, playing with his phone while waiting for Lin Jincheng and ye Shu.”

Lin Ze came out after changing his clothes. "Mom and Dad haven't finished yet?"

"Not yet." Ye Zhuo continued, "Brother, get me a sorghum malt." "

Lin Ze grabbed a handful of sorghum malt and very considerately handed a glass of water to Ye Zhuo.

Chapter 2188: 459: I Won't make the wrong choice! 4

The sorghum was sweet and sticky. It could only be relieved by eating and drinking.

"Sister, brother Ze." Ye Han walked in from the door. "

Ye Zhuo looked back slightly and looked at Ye Han. "Cen Shaoqing didn't come with you?"

"No." Ye Han shook his head. "My brother-in-law is busy with something. Let me come over first."

"Cen Shaoqing did not plan to stay in the general alliance, so he naturally would not take over the position of General Alliance. Before he left, he had to arrange everything else. "

"OH." Ye Zao said, "It just so happens that father and mother aren't done yet either." "

"Ye Han sat beside Lin Ze. Although the two brothers were not blood-related, they chatted very happily. "

"During this period of time in the S Galaxy, Lin Ze had come into contact with a lot of high-tech and gained a lot of knowledge. "

“Ye Han looked at Lin Ze and seemed to have suddenly thought of something. He said somewhat excitedly, “Brother Ze, you don’t have a girlfriend yet, right?” ”

“What’s Wrong?” Lin Ze was stunned.

“Ye Han continued, “If you don’t have one, I can introduce you to one!” ”

“Speaking up to this point, Ye Han turned to look at Ye Zhuo. “SIS, do you still remember Bai Mo?” ”

““Bai Mo?” Ye Zhuo frowned slightly. For a moment, he couldn’t remember who this Bai Mo was. ”

“Ye Han continued, “Bai Mo is grandfather Bai’s granddaughter! The one who is extremely beautiful and has two dimples when she smiles!” ”

Bai Mo was a very caring girl.

They had known each other since ye Han was still a vagabond.

“Now that he said that, ye Zao seemed to have some impression of her. He continued, “She doesn’t have a boyfriend either?” ”

““Yes, Bai Mo doesn’t have a boyfriend either. When I met grandfather Bai a while ago, he was still worried about this matter!” Ye Han continued, “Sister, do you feel that Bai Mo and brother Ze are quite compatible?” ”

Ye Zhuo looked at Lin Ze and narrowed his eyes. “They are indeed compatible.”

“Lin Ze was a little speechless. “Since when did fourth uncle and fourth aunt possess you two?” In the Lin family, only Lin Qingxuan and Xia Xiaoman were the most enthusiastic matchmakers. In just two years, they had already managed to get several couples together. ”

“Brother Ze, I’m serious!” Ye Han continued, “Don’t look at how many people in the s galaxy have prejudice against the people on Earth, but I Promise You, Bai Mo will definitely not! “Look, my sister already has a boyfriend, and you’re older than her. You Can’t stay single forever, right?” ”

Lin Ze didn’t know how to face the sudden urge to get married

“Ye Zhuo didn’t mind watching the show. “Brother, why don’t we let ye Han set you up? People need to get married. It’s not good for you to stay single forever.” ”

“I’m not in a hurry,” Lin ze said. ”

“Ye Han said, “Brother Ze, let’s just meet. It’s not like we’ll lose anything. If we don’t like each other, we can still be friends! How about this? I’ll invite her over today. What do you think?” ”

“Lin Ze understood ye Han’s personality too well. If he said no, Ye Han would definitely not give up. ”

“After thinking for a while, Lin Ze nodded slightly. “That works too.” ”

“Seeing that there was a chance, ye Han immediately said, “Okay, I’ll go right away!” ”

“Not long after, Lin Jincheng and ye Shu came out of the room after changing their clothes. ”

Old Mrs. Cen and Zhou Xiang had also arrived.

The group of people boarded the aircraft and set off for the beach.

“After boarding the aircraft, old Mrs. Cen suddenly realized that Cen Shaoqing had not come. She asked, “Aren’t we waiting for Shaoqing?” ”

“Ye Zao smiled and replied, “He said that we will meet up with him after we go to the beach.” ”

“OH.” Old Mrs. Cen nodded. “I see! That works too!”

The beach was located at the southernmost end of the s galaxy.

The weather was very good. It was neither hot nor cold.

“Compared to Earth, the beaches here had their own merits. However, in Ye Zao’s opinion, the beaches here were not even half as good as Earth’s.”

“The Golden Beach was beautiful and soulless. Other than the beautiful plants, the animals in the sea were inedible and only suitable for viewing.”

“Not only did ye Zao like to eat desserts, he also liked to eat seafood.”

“While ye Zao was enjoying the scenery along the coastline, a piece of gauze draped over ye Zao’s shoulder.”

Ye Zao looked back slightly and saw an overly handsome side profile. “When did you arrive?”

“Just now.” Cen Shaoqing lowered his eyes and carefully tied the light muslin around ye Zao’s shoulder. “Why are you wearing so little?”

“Why are you like an old antique?” Ye Zao looked at Cen Shaoqing. “Do you see anyone on the beach wearing more than me?”

“Ye Zao was wearing a beach skirt with a sling. Other than his shoulder and collarbone, everything else was wrapped in fabric.”

Chapter 2189: 459: I Won’t make the wrong choice! 5

“I’m not looking at them.” Cen Shaoqing stuffed the prayer beads into his pocket. “They can’t look at you either.”

“As he finished speaking, Cen Shaoqing continued, “Ye Han called a little girl over and said that he wants Lin Ze to introduce him to someone. Do you want to go take a look?” ”

“Are we there yet?” Ye Zhuo asked.

“Yes.” Cen Shaoqing nodded slightly.

“Let’s go.” Ye Zhuo held Cen Shaoqing’s hand. “Let’s go and take a look.”

The two of them walked over together.

Ye Han was introducing Bai Mo to everyone.

“Bai Mo was 1.59 meters tall and looked cute. When she smiled, she had two small dimples and a pair of standard almond-shaped eyes. ”

“At 1.59 meters, she stood in front of Lin Ze, who was 1.85 meters tall. She looked even more petite. ”

“Seeing ye Zhuo and Cen Shaoqing come over, ye Han immediately said, “Bai Mo, this is my sister, Ye Zhuo. You should have met her before. This is my sister’s boyfriend, Cen Shaoqing.” ”

“Bai Mo naturally knew the identities of ye Zhuo and Cen Shaoqing, but she wasn’t embarrassed and said in a graceful manner, “Miss Ye, Mr. Cen.” ”

Ye Zhuo nodded slightly.

“Ye Han continued to display the ‘matchmaker’ specialty, he then said, “Bai Mo, why don’t you exchange contact information with brother Ze! We can hang out together in the future. If I remember correctly, didn’t you like going to Earth previously? If you go to Earth in the future, you can let brother Ze BE YOUR TOUR GUIDE!” ”

“Sure.” Bai Mo nodded with a smile.

The two of them exchanged contact information.

“Ye Zao was not involved in this matter. After greeting each other, he went for a walk with Cen Shaoqing on the other side. ”

“What do you think about that little girl and Lin Ze?” Cen Shaoqing asked.

Ye Zao shook his head slightly. “I feel that she’s not suitable for my brother.”

“Why?” Cen Shaoqing asked.

“Ye Zao smiled and said, “Do you believe it or not? Bai Mo doesn’t even like my brother.” ”

Cen Shaoqing twirled the Buddhist beads. “You’re so sure?”

He only took a casual glance and didn’t observe carefully.

“Of course, why don’t you take a look at who I am?” ”

“After the beach trip ended, ye Han called Bai Mo to the side and asked, “How is it? Brother Ze isn’t bad, right? Tall and handsome! Haven’t you always wanted to find someone with long legs?” ”

“Handsome is quite handsome, but it’s just not suitable for me,” Bai Mo said tactfully. ”

“Why?” Ye Han asked in surprise.

“There’s no reason,” Bai Mo continued, “It’s just that he gave me the feeling at first glance, and didn’t have the urge to grow old together.” ”

“This was the first time ye Han had heard this sentence as a matchmaker, and he couldn’t help but feel a little defeated. “Love grows over time. Why Don’t you guys start as friends first?” ”

“Bai Mo shook her head. “Since we’ve already become matchmaking partners, how can we really become friends?” ”

“Alright,” ye Han continued, “If you can’t, then forget it. Relationships really can’t be forced.” ”

“Okay.” Bai Mo nodded. “But I still have to thank you.”

“You’re welcome. Who’s with whom?” Ye Han patted Bai Mo’s shoulder. “If I meet a handsome guy in the future, I’ll introduce him to you.” ”

“Okay.”

“After ye Han left, Bai Mo’s good friend Li Wei asked, “Mo Mo, why did you reject ye Han? I think that Lin Ze is indeed very outstanding in all aspects!” ”

“He’s from Earth,” Bai Mo said. ”

“When it came to marriage, it was very important to be of equal status.”

“If she married an earthling, her children and grandchildren would be earthlings for generations to come, and she would never be able to make it.”

“No matter how good Lin Ze’s external conditions were, she would not let herself be wronged by marrying an earthling. ”

“Li Wei was a little speechless as she said, “So what! His sister is Miss Ye! His brother-in-law is the young master of Dongli. He will definitely have a limitless future in the future!” ”

“”He is him, and Miss Ye is Miss Ye!” Bai Mo continued, “You don’t understand at all.” ”

Could it be that ye Zao could bring Lin Ze along and soar to great heights?

The reason why ye Zao was so outstanding was because she was Miss Ye.

The reason why Cen Shaoqing could become the young master of Dongli was because his surname was Cen.

What did Lin Ze have? His entire life could be seen at a glance.

“Li Wei continued, “In that case, are you really going to give up on such a handsome man?” ”

“”If you like him, Go and chase after him,” Bai Mo said. ”

“Li Wei smiled and said, “You don’t even like him, yet you still want me to chase after him. What do you have in mind?” ”

“Bai Mo asked back, “Then why are you still trying to persuade me? What do you have in mind?” ”

“After ye Han went back, he told Lin ze about this matter. ”

“Hearing this, Lin Ze was not surprised at all. He took a sip of water and said, “I can see that. So, don’t worry about my matters in the future.” ”

“Ye Han was not discouraged. “Brother Ze, don’t worry. I will definitely find a better one for you.” ”

Lin Ze:”...”

\* \*

“Soon, it was the day of the election. ”

Man Xing sat in front of his desk and looked at the list of candidates. A strange light flashed in his eyes.

“What’s Wrong?”Master Cao asked.

Man Xing looked at Master Cao. “Man Wen is also on the list.”

“Man Wen?”Master Cao was also surprised.

Man Xing nodded and handed the list to master Cao. “Take a look.”

Master Cao took the list and frowned slightly.

Man Wen didn’t have the strength or reputation in man Xing country. It was really hard to understand how he got on the list.

“After a while, master Cao put down the list and said, “Xing ‘er, don’t take this matter to heart. I have arranged everything for you. Even if man Wen is really on the list, it’s just to get a head!” ”

Man Xing had performed very well recently. He would definitely stand out among the three heirs.

Chapter 2190: 460: support my younger brother! 1

Master Cao did not feel that man Wen was a threat at all.

“In this world, there were only the upper class and the lower class. There were also trash and geniuses.”

“To man Xing, not only was man Wen not a threat, but he was also a stepping stone.”

“With a person like man Wen who had a bad record compared to him, man Xing’s excellence would be even more apparent.”

“Man Xing frowned slightly and turned to look at Master Cao. “Master, don’t you think it’s a little strange?” ”

“How is it strange?” Master Cao asked.

“MAN XING continued, “How do you think man Wen got on the list?” Based on Man Wen’s usual performance, how could he be qualified to get on the list and compete with her on a fair basis? If Man Wen could get on the list, did it mean that he had such ambitions? Thinking of this, man Xing’s eyebrows twitched, and she suddenly felt a sense of threat that she had never felt before.”

It was very strange!

“Master Cao smiled and said, “Xing ‘er, your focus shouldn’t be on this good-for-nothing now.” ”

Master Cao had watched man Wen grow up.

Master Cao knew very well what kind of person he was.

How could he have such ambition for a useless person like man Wen?

It was a fantasy!

“But I feel that this matter is a little strange,” man Xing continued. “Based on my understanding of Man Wen, he shouldn’t have such ambitions.” ”

It was because of this that man Xing had never taken man Wen seriously.

But now...

“Man Wen, who had always been like a salted fish, suddenly had the idea of coveting the presidency. ”

What on Earth had happened?

Could it be that man Wen had been pretending all these years?

“When this idea came into his mind, cold sweat broke out on man Xing’s back, and he was a little flustered. ”

“What’s so strange about this?” Master Cao narrowed his eyes slightly. “I think this must have something to do with your father’s old subordinates.”

“Many old subordinates of Man Jiang and Shan had watched man Wen grow up, and there were many people who valued boys over girls. ”

“Some people valued men over women. No matter how strong a woman was, they would not think she was that strong.”

“Perhaps, the person who helped man Wen get on the list was someone who valued men over women!”

Man Xing looked at master Cao. “Then who do you think this person is?”

“Master Cao shook his head. “I can’t tell you who he is. How about this, I’ll go back and investigate.” ”

“”En.”Man Xing nodded and said uneasily, “Master, I suspect now...” ”

“Suspect what?”Master Cao asked.

“MAN XING continued, “I suspect that man Wen has been hiding his clumsiness all these years.” ”

“Hearing this, master Cao laughed out loud. ”

Hiding his clumsiness?

How was that possible!

How could a trash like man Wen think of hiding his clumsiness?

“”Xing ‘er, you’re thinking too much,”master Cao said. ”

“Seeing master Cao Like This, man Xing also began to doubt his own thoughts. He continued, “But if he wasn’t hiding his true self, how could he be on the list?” ”

““Didn’t I just say that it must be because of your father’s old subordinates?” Master Cao continued, “If man Wen knew to hide his true self, he wouldn’t have become like this.” ”

Man Xing frowned slightly.

“Master Cao smiled, “Xing ‘er, just relax. Man Wen’s name on the list is just a head count. He won’t do much. Now that so many people are supporting you, what are you worried about!” What About Man Wen? How many people could support man Wen? ”

“The people behind the scenes who helped man Wen had a way to get man Wen on the list, but they couldn’t help man Wen canvass votes. ”

““If Manwen wants to get that position, unless...” at this point, master Cao paused. ”

“Manxing immediately asked, “Unless what?” ”

“Master Cao continued, “Unless there’s a big force behind him!” ”

Big Force?

Was there a big force in Manwen?

Those who were together with Manwen were all people of all walks of life!

““So, Xing ‘er, you don’t have to worry at all,” master Cao continued, “Oh right, you can start preparing for that matter.” ”

Man Xing was stunned for a moment before she nodded.

““Keep your hands and feet clean,” master Cao instructed. ”

“Mm.” A strange look flashed across man Xing’s eyes. “Oh right, master, Can I go and say goodbye to them?” ”

“Upon hearing this, master Cao Glanced at man Xing. He wanted to reject her, but he swallowed the words that were on the tip of his tongue. ”

“No matter what, Man Jiangshan and his wife were her parents. As children, man Xing should not be so heartless. ”

“If you want to go, go and take a look,” master Cao said, “But don’t let anyone see anything strange.” ”

“Yes, I know.” Man Xing nodded. ”

“Master Cao stood up, “Then I’ll go back first. After you go to prison, prepare for the election.”
