Chapter 2191: 460: support my younger brother! 2

"Alright." MAN XING stood up and sent master Cao Out.

On the other side.

"Fan Mu took the name list and found man Wen. He said excitedly, "Brother, you're really something! You actually made it onto the list!" "

He had thought that man Wen was bragging.

He did not expect that man Wen would really make it onto the list without anyone knowing.

"Man Wen's expression was indifferent. "This is just the beginning."The real drama was still to come. He had thought that the position of candidate should be very simple, but when he went to take a look, he realized that things were not that simple, he had also underestimated the net that Manxing had spread across Manxing. "

"How many votes did you pull?"Fan Mu asked.

"Man Wen was stunned for a moment. He raised his head and asked, "How many votes?" "

""Campaign votes!"Fan Mu continued, "Just being on the roll won't do! I still have to pull votes!" "

""I didn't pull votes,"man Wen said. "

"You didn't pull votes?"Fan Mu asked.

Man Wen nodded.

Man Wen had many interpersonal relationships and it was not suitable for him to expose it now.

Fan Mu frowned slightly. "Then what can you compare with your second sister?"

Man Wen did not speak.

""Why don't you go look for Miss Ye?" Fan Mu looked at man Wen, he said very seriously, "Even though the two of you aren't related by blood, you've helped her so much, sent people to protect her, and even helped find Aunt Man! "If it weren't for you, how could she have found aunt man so easily!" "

"Now That Man Wen had encountered a problem, ye Zhuo should not sit idly by. "

"Man Wen said, "I hope that she will never know about the things that I've done." "

""Brother, I know what you mean," fan mu continued, "You just don't want Miss Ye to know, but now is a crucial time for you. If you have Miss Ye's help, you will be able to achieve twice the result with half the effort." "

"Ye Zhuo was miss ye of the Changyue Kingdom, and Cen Shaoqing was the young master of the Allied Kingdom. "

"Although these two people did not have any backers, they were the backers of others. As long as ye Zhuo publicly supported man Wen, man Wen would definitely be able to do it! "

""There's no need," man Wen said. "

"Seeing Man Wen like this, fan mu shook her head helplessly. "

"In Fan Mu's heart, Man Wen was just a stupid and good person. He had clearly given so much for ye Zhuo, but he did not say anything. "

"Then what if you don't get elected?" Fan Mu continued to ask.

"There's still a long way to go." Man Wen pushed the door open and walked out. "I'll go out for a while."

"Silly." Fan Mu said somewhat helplessly.

"Brother Man Wen isn't willing to say it?" After Man Wen left, a young man about Fan Mu's age walked in from outside. "

"En." Fan Mu nodded. "Do you think he's lacking a brain?"

"The man nodded. "He is indeed a little, but I think there's something wrong with Miss Ye." "

"What's wrong with her?" Fan Mu asked.

"The man continued, "Could it be that if Brother Man Wen doesn't beg her, she won't come and help Brother Man Wen? Although they were no longer related by blood, they were still blood-related siblings after all. No matter what, Miss Ye shouldn't be so indifferent! Moreover, Brother Man Wen has helped her so much!" "

"Hearing this, fan mu said somewhat speechlessly, "What does this have to do with Miss Ye? Miss ye doesn't know that man Wen is his younger brother! Miss ye also doesn't know that man Wen helped him! Why are you making trouble for no reason!" "

"Aunt Man has been hiding outside for nineteen years. If it wasn't for Brother Man Wen, would miss ye have been able to find Aunt Man?" Miss Ye was a smart person. She should be able to guess that someone must have been helping in the middle to find Aunt Man! "With Miss Ye's methods, it shouldn't be difficult to find out who it is, right! "Perhaps miss ye already found out that Brother Man Wen helped her a long time ago. She just doesn't want to acknowledge Brother Man Wen!" "

"Speaking up to this point, the man said indignantly, "To think that Brother Man Wen treats her so well!" "

Fan Mu frowned. "It shouldn't be that bad. I don't think Miss Ye is that kind of person."

"If ye Zhuo knew about man Wen's matter, would she just stand by and watch?"

That was simply impossible!

""You can't tell a person's heart from their face," the man continued. "However, it's understandable for miss ye to be like this. After all, Brother Man Wen is the child of the entire family, and the entire family has done things to hurt her. She might be holding a grudge against Brother Man Wen!" "

""Holding a grudge against man Wen?" Fan Mu frowned slightly. "That shouldn't be the case! Man Wen has helped her so much, and the two of them are siblings. Wen Yang, don't make wild guesses! Miss Ye isn't the kind of person you're talking about!" "

""Why not?"? Think about it carefully. If Miss Ye really didn't hold a grudge against man Wen, why didn't she help man Wen? As the saying goes, accompanying a monarch is like accompanying a tiger. The thoughts of big shots like Miss Ye and the others are the hardest to guess! Who knows what they're thinking in their hearts!" "

Chapter 2192: 460: support my younger brother! 3

"With that said, Fan Mu, who originally believed in ye Zao, became very shaken. "

Could things really be like what Wen Yang said?

"If that was really the case, then what was the difference between Ye Zao and man Xing?"

"Although Man Wen did not ask for anything in return when he helped ye Zao, Ye Zao should not have treated man Wen this way. "

“Wen Yang looked at fan mu. “If you’re afraid that Miss Ye doesn’t know, why don’t you go and inform Miss Ye?” ”

“You want to Die!” Fan Mu said somewhat speechlessly. “Why don’t You Go Yourself?”

“Wen Yang scratched his head. “I’m just afraid that Brother Man Wen will get angry, right?” ”

“So what if you’re afraid of Me?” Fan Mu asked.

“Wen Yang continued, “What does that have to do with me? Anyway, when the time comes, it’s you who will be scolded, not me!” ”

Fan Mu:” ...”

“A moment later, fan mu continued, “If you want to go, go. I’m not going.” ”

“I’m not going either.” How would Wen Yang Dare to go?

“If more people knew about this matter, it would have been fine. However, only he and fan mu knew. If the two of them leaked any information, Man Wen would definitely know that they were the ones who leaked it. ”

“After saying this, Wen Yang sighed, “Now we can only pray that Miss Ye hasn’t forgotten about Brother Man Wen.” ”

Fan Mu looked up at the sky and felt that this prayer was a little mysterious.

“If ye Zhuo really would help, he wouldn’t have waited until now. ”

Man Wen could only rely on himself now.

* * *

On the other side.

Ye Shu and Lin Jincheng were preparing to leave in a few days.

“Before they went back, the couple planned to buy some high-tech products to bring back. ”

“While they were shopping at the store, they saw Bai Mo shopping as well. ”

“Although they knew that Bai Mo and Lin Ze’s matter didn’t work out, Ye Shu had a good influence on Bai Mo, so they took the initiative to greet her. “Miss Bai.” ”

“Hearing this, Bai Mo looked up and smiled. “Auntie, are you here to buy something too?” ”

“Ye Shu nodded. “I’m preparing to go back in a few days, so I’m going out for a walk with your uncle.” ”

““Oh,” Bai Mo continued, “Uncle, Auntie, are you going back so soon?” ”

““Yeah, we’ve been out for quite a long time. There are still a lot of things waiting for us to deal with at home,” ye Shu continued, “Oh right, your uncle and I are going out for dinner. Do you want to go out for dinner?” ”

“Bai Mo tactfully refused, “Thank you, Auntie. I’ve already eaten.” ”

““Alright then,” ye Shu continued, “Your uncle and I will be leaving first.” ”

“Okay.”

Ye Shu and Lin Jincheng turned around and left.

“Li Wei looked at Bai Mo and asked curiously, “Who was that just now?” ”

““Lin Ze’s parents,” Bai Mo replied. ”

“Li Wei nodded. “No Wonder I asked if you had eaten! As I said, Lin Ze’s parents are indeed pretty good-looking. No Wonder Lin Ze is so handsome!” ”

“If it weren’t for Lin Ze’s low status, Li Wei would have wanted to marry him. ”

Unfortunately.

“In this world, there was no such thing as having the best of both worlds ”

“Bai Mo said, “Being handsome doesn’t mean you can eat.”It could be seen that ye Shu had a very good impression of her. Otherwise, she wouldn’t have greeted her so warmly. ”

“Not only that, Bai Mo also felt that ye Shu didn’t know her own limits. ”

“It was not that she did not know Lin Ze’s identity. She could not daydream just because her daughter had some abilities, right? ”

Ye Zhuoyou could not represent Lin Ze.

“You’re right.”Li Wei nodded.

Interstellar prison.

“Across a protective wall, man Xing met her parents. ”

“In just a short ten days or so, her parents seemed to have changed. ”

“Especially man Jiangshan, both of his sideburns’ hair had already turned white. ”

“Mom and Dad.”

“Xing ‘er.” Man Jiangshan was still calm.

“Zhao Dan pounced on her. If not for the protective wall, she would have jumped into Zhao Dan’s arms by now, “Xing ‘er, you’re finally here! Hurry up and think of a way to get mom out of this damn place! I really don’t want to stay here any longer! I want to go out, Xing ‘er!” ”

“” Mom, calm down.” Seeing his mother like this, man Xing’s eyes were a little red. “Things have already become like this. You and dad should properly reform inside. Don’t worry, I will take good care of Man Wen.” ”

“Man Jiangshan said, “Xing ‘er, what you’re doing is right! Ignore your mother! Now is the most critical moment for you. Don’t let us affect you! It’s only ten years? I can handle it!” Manjiangshan had been in that position for so many years, of course he knew what Manxing was facing! ”

Chapter 2193: 460: support my brother! 4

“Therefore, he understood man Xing. ”

“Hearing this, Zhao Dan looked at man Jiangshan in disbelief. “Do you know what you’re talking about? !” ”

Ten years! That was ten years!

Was she really going to stay in this godforsaken place for ten years?

She couldn't do it!

"Man Jiangshan looked at Zhao Dan. "I know what I'm talking about! If you don't want to hold back the star, then shut up!" "

Zhao Dan was a little confused by man Jiangshan's intentions. "What on Earth are you doing?"

"Man Jiangshan ignored Zhao Dan and turned to look at man Xing, "Xing 'er, you must not be influenced by your mother. Listen to your father and pass the election peacefully. Your mother and I will take good care of ourselves inside. You Don't have to worry about us!" "

"Man Xing looked at man Jiangshan, her eyes slightly red. She continued, "Father and mother, don't worry. I will think of a way to bring you out earlier." "

"No matter what, these were the parents who gave birth to her and raised her. Man Xing could not remain indifferent. "

""Xing 'er, you must not do anything stupid! Don't be influenced by your mother's words."Man Jiangshan continued, "Actually, the real situation is not as scary as your mother said. This is also a kind of growth!" "

"MAN XING continued, "Dad, don't worry. With master around, I know what to do. I will definitely save you and mom without affecting myself." "

""Mm."Man Jiangshan heaved a sigh of relief. "Xing 'er, you're right. If I'm not by your side, ask Master Cao about everything. Don't do anything stupid!" "

"I know."Man Xing nodded.

“Walking out of the prison, man Xing took a deep breath and wiped away her tears.”

“Seeing her come out, the special assistant immediately walked over. “Miss, do we still have to follow the plan?” ”

“Man Xing hesitated for a moment. Her parents’ faces appeared in front of her eyes, and then master Cao’s instructions rang out. After a moment, she finally nodded and said, “Follow the plan.” ”

One wrong step led to another.

“Master Cao was right. Ascending the throne was only her first step. If she had even taken the wrong step, how could she continue down this path? ”

“Man Jiangshan and Zhao Danrong had been rich for their entire lives, and they had already enjoyed the benefits they deserved. How many people in this world could live like them? ”

“They had lived their lives to this point, and they had not lost anything! ”

“Okay.”

“After Man Xing left, the special assistant immediately reported the situation to master Cao. ”

“Hearing this, the corners of master Cao’s mouth curled up. “Xing ‘er has really grown up.” ”

He was very pleased!

“Three days later, the news of Man Jiangshan and Zhao Danrong’s sudden deaths suddenly spread out from the interstellar prison. ”

“According to the reports, the sudden deaths of the husband and wife were not a coincidence. Instead, someone had maliciously poisoned them for revenge. ”

“After the sudden death of the two, the murderer went to the police station to surrender himself. ”

“For a moment, everyone on the starnet sighed. ”

“[oh my God! This is too sudden. Although these two people deserved it, I am not ready yet!] ”

[I can only say that evil has its own retribution.]

[I feel that things are not that simple! Is it really a malicious act of revenge? What grudge does the person who poisoned have with the entire family?]

“[I also feel that things aren’t that simple. No matter what, Man Jiangshan is the former president of Manxing country. They are different from ordinary criminals. If there wasn’t any secret operation, they wouldn’t have been poisoned to death so easily.] ”

[I’ve checked. The person who poisoned the entire family does indeed have a huge grudge. His motive is very strong! All of you are so good at talking. Even the superintendent’s side is fine. You guys have been possessed by a godly detective!]

“When Man Xing heard the news, he immediately fainted. His assistant immediately sent her to the hospital. ”

Man Wen was also a little surprised.

He never thought that his parents would be poisoned to death in prison.

Fan Mu frowned slightly and looked at man Wen. “Do you think it’s Miss Ye?”

“No!” Man Wen directly denied it. “It can’t be her!”

“Fan Mu continued, “Why not? Your parents have done so many things to let her down. It’s normal for it to be her! If we were her, I wouldn’t be able to swallow this!” If it was really Ye Zhuo who did it., fan Mu could understand. ”

““If she had the intention to kill, she wouldn’t have waited until now,” man Wen continued. ”

“Fan Mu felt that man Wen’s analysis was reasonable. After all, with Ye Zhuo’s methods, there was no need for her to hide it. ”

“Then who is it?” Fan Mu asked.

“At this moment, fan mu suddenly thought of something. “It can’t be elder Wu, right? I remember that elder Wu had a conflict with your father in the early years. Could it be that he hired someone to kill him?” ”

Chapter 2194: 460: support my younger brother! 5

“I don’t know.” Man Wen shook his head.

The current situation was very unclear.

Who would benefit the most if something happened to his parents?

Could it be...

“Not knowing what to think, Man Wen immediately patted his head. ”

It couldn't be.

It shouldn't be her.

"Even if she had some tricks up her sleeve, no matter how scheming and shrewd she was, she wouldn't make a move on her biological parents."

"Fan Mu continued, "Then what do you plan to do now?" "

"Man Wen asked, "What do you mean, what do I plan to do?" "

"It's just your parents," fan mu said."

"Don't you have my sister?" Man Wen asked.

Fan Mu nodded. "This kind of thing should really let your second sister shine in the limelight."

"As Man Jiangshan and Zhao Dan were still in the state of atonement, they had yet to complete their ten-year prison sentence. In addition, man Xing was at a special time, so the funeral was not suitable for a grand funeral. Everything could only be simplified."

"At the funeral, man Xing fainted more than once and was reported by many media outlets."

"Facing the camera, mAN XING said, "Of course, they were wrong, but the dead are already dead. From another perspective, they are my parents after all. If it was not for their upbringing, I would not be the person I am now. I'm sorry, everyone. As a daughter, I really can not remain indifferent! "Please forgive me!" "

"At this point, Manxing bowed to everyone."

“[Miss Manxing, you don’t have to worry. We all understand your current mood. The most important thing for you now is to take good care of your body and prepare for the upcoming election in your best condition! We will all support you!] ”

“[Miss Manxing, it’s really not easy. You’re afraid of being scolded even if you cry properly.] ”

“[the sun always shines after a storm. Miss Manxing, your life has just begun. Please feel sorry for your loss.] ”

“Master Cao flipped through everyone’s comments on Manxing, and the corners of his mouth curled up.
”

It seemed that he did not hold a high position in the hearts of everyone.

Manxing was so popular in Manxing!

It seemed that Manxing was determined to win the election.

“Soon, it was the day of the election. ”

Manxing and Manwen arrived as promised.

Together with them were Manfei and manzaibang.

“”First cousin, second cousin.”Manxing stood up and greeted them in a friendly manner. ”

“Manfei smiled and said, “Cousin Xing ‘er, if you sit in that position, you must remember to promote your cousin.” ”

“Thank you for second cousin’s favor. The situation is uncertain. The four of US might be able to do it.”Man Xing said very modestly.

“Man Fei looked around and continued, “I’ll pass. I’m just here to make up the numbers. As for man Wen, he’s not even as good as me! Now it’s up to you and eldest cousin!”Speaking up to this point., man Fei lowered his voice and continued, “Cousin Xing ‘er, pay attention to man zaibang. He’s not as simple as you think!” ”

“Mm.”Man Xing nodded and glanced at man zaibang without leaving a trace.

Could it be that man Zaibang was the one who was hiding his true strength?

“From the looks of it, man Zaibang was indeed different from before. ”

Man Xing frowned slightly.

“Master Cao walked over and said in a low voice, “Relax. Our efforts over the past few days were not in vain.” ”

“En.”Man Xing nodded.

“On this side, Fan Mu and Wen Yang also saw that man Zaibang was not right. “Does this kid have a backer? Look at that calm and composed look!” ”

“Wen Yang said, “Don’t tell me, he really does!” ”

“Fan Mu asked curiously, “Who?” ”

“”I heard that he has some relationship with Leo,”wen Yang continued, “His second brother-in-law seems to be related to Leo. Anyway, it’s not simple.” ”

“Fan Mu sighed. “Now, Manwen can only wait for Miss Ye to come and save the situation!” ”

“Do you think Miss Ye will come?”Wen Yang asked.

“I don’t know.”Fan Mu shook his head.

“Wen Yang continued, “I don’t think she will come!” ”

“Fan Mu looked in the direction of the door, his eyes filled with anticipation. ”

“Whether it was for public or private reasons, he hoped that ye Zhuo could come. ”

“Wen Yang was right. Li Man’s sudden appearance meant that as long as ye Zao investigated, he would definitely be able to find man Wen. ”

“Although Man Wen said that he did not want to know ye Zao, he actually cared very much about his sister, Ye Zao. ”

“Otherwise, he would not have done so much for ye Zao. ”

“However, ye Zao seemed to be really like what Wen Yang said. He did not care about man Wen at all. ”

On the other side.

Ye Zao contacted Leo and Ye Han. “You guys will go out with me.”

“Where to?”Leo asked curiously.

Ye Zao looked back slightly. “Come with me to support people.”

Chapter 2195: 461: All the stars were stunned! 1

Support Him?

Ye Zhuo actually said that he was going to support him.

This made Leo stunned.

What kind of person would be able to make ye Zhuo support him?

“Leo asked curiously, “Father Zhuo, who are we going to support?” ”

Ye Zhuo looked up slightly. “Guess.”

““I can’t guess,”Leo said. ”

“You’ll know when you get there.”

“After saying that, ye Zao continued, “See you in the square in ten minutes.” ”

“Okay.”

“After cutting off the communicator, ye Zao changed his clothes and flew the aircraft to the square. ”

“As soon as the aircraft landed, Leo welcomed it. ”

“Father Zao!”

“Ye Zao put his hands on the railing of the aircraft and jumped lightly, landing on the ground just like that. His posture was a little handsome, and people could not help but want to whistle. ”

“Are you alone? Where’s Ye Han?”

“Leo looked at his watch. “He asked me to come over first, but it should be almost time.” ”

“Okay.”Ye Zhuo nodded slightly.

“Leo continued, “Father Zhuo, have you called Mr. Feng?” ”

“”No,”ye Zhuo continued, “Mr. Feng has been quite busy recently.” ”

“As they were talking, the sound of the aircraft came from the sky again. ”

“It must be ye Han.”Leo looked at the sky.

The aircraft was getting closer and closer.

“Leo narrowed his eyes, “It looks a bit like Mr. Feng’s aircraft.” ”

“It’s him.”Ye Zao raised his eyes slightly.

“Soon, the aircraft landed. ”

“Mr. Feng got down from the aircraft. As usual, he first knelt on one knee before standing up. ”

“Leo immediately walked over and asked curiously, “Old Feng, why are you here?” ”

""All of you are here. How can I Not Be Here?"Mr. Feng turned to look at Ye Zao, then, he said, "Miss Ye, I've said before that as long as miss ye needs me, no matter where I am, I will definitely be unimpeded. In the future, if Miss Ye needs help, please let me know." "

""Actually, it's just a small matter."Ye Zhuo continued, "There's no need to trouble you to make a trip." "

""Miss Ye, if you say that, then you're treating me as an outsider!"Mr. Feng continued, "You don't have to thank me either. If you say thank you to me, then how many times do I have to thank you?" "

"If it wasn't for the Ye Zhuo from back then, how would he be the current him? "

That debt of gratitude would be unforgettable even in death.

"Leo patted Mr. Feng's shoulder and said with a smile, "At least you, this old kid, are loyal! Miss Ye didn't help the wrong person back then." "

"Ye Zhuo raised his eyes slightly and continued, "Mr. Feng, the matter back then is already in the past. You Don't have to keep it in mind. Over these years, you've already helped me a lot." "

"Speaking up to this point, Leo was a little curious. "

He had never known what had happened between Ye Zhuo and the Feng clan back then.

"Not long after, Ye Han also came. "

Ye Han did not come alone. Guangxing and the great clan leader also came.

"Grandma!"Guangxing saw ye Zhuo and rushed over happily.

"Guangxing."Ye Zhuo looked back slightly.

“Leo and Mr. Feng looked at each other, not quite understanding what was going on.”

When did ye Zao have such a grandson?

And guangxing called him so affectionately.

The most depressed person should be the head of the clan.

He was the same generation as Guangxing’s father. If guangxing called ye Zao Grandma.

Then what should he call ye Zao?

Mom?

“Thinking of this, the head of the clan was even more depressed.”

Guang Xing was usually very normal. Why did he become a child when he came to Ye Zhuo’s place?

“What the head chief could not understand was that the two of them were clearly not that different, but Guang Xing called ye Zhuo grandmother without any sense of dissonance.”

“Guang Xing took out a pile of glittering glass beads from his pocket. “Grandmother, do you think these beads look good?” ”

“Under the sunlight, the colorful glass beads emitted a dazzling light.”

It was especially beautiful.

“They’re okay.” Ye Zhuo nodded slightly.

“Guangxing stuffed all the glass beads into ye Zhuo’s hands. “Grandma, these beads are for you.” ”

“Thank you.” Ye Zhuo did not decline and just took it as coaxing the child to be happy.

“Sure enough, after ye Zhuo took the beads, the smile on Guangxing’s face became even more intense. ”

He was just like a child who had done something that his parents had approved of. He was very happy.

“Guangxing continued, “My grandfather didn’t come?” ”

““Grandfather?” Ye Zao was stunned for a moment before he reacted, “Are you referring to Cen Shaoqing?” ”

“Yes.” Guangxing nodded.

The mouth of the head chief standing behind the two twitched slightly. Guangxing this kid really knew how to recognize relatives. He was not afraid that the coffin of the Guang family’s ancestor would not be able to cover it.

Chapter 2196: 461: All the stars were stunned! 2

“Ye Zao continued, “We can go. He won’t be coming today.” ”

Cen Shaoqing had a lot of things to do these days.

“OH.” Guangxing nodded.

“Ye Han walked to ye Zao’s side. “Sister, almost everyone is here. Are We leaving or not?” ”

“Let’s go.”Ye Zao nodded slightly.

Rumble.

“At this moment, the sound of an aircraft sounded above their heads. ”

Ye Han raised his head slightly. “It’s the JY team.”

Leo took out his binoculars. “There’s an F system aquamarine country aircraft following behind.”

Aquamarine Country?

“Hearing this, Ye Zao’s eyes flashed. ”

“Could it be Qingcheng?”

“As soon as he said this, the aircraft stopped in the square. ”

“The JY team member walked out of the aircraft. “Miss Ye, Mr. Xiao Ye, clan leader Lei, Mr. Feng...” ”

The members of the team greeted them in an orderly manner.

“At this moment, a young and beautiful girl ran out from the aircraft behind them. “Sear Sear!” ”

The girl was about 1.65 meters tall. She wore a black uniform and a pair of leather boots. Her hair was meticulously tied up behind her head. She looked very capable and valiant.

Ye Zao's pupils slowly dilated when he saw who it was. He could not believe his eyes.

"Qingcheng!"

"Zao Zao."

The girl quickly ran over and hugged ye Zao.

"Qingcheng, it's really you!" Ye Zao was still unable to react. "

"It's me." Shi Qingcheng was the same as her. Her eyes were slightly red.

Shi Qingcheng was a playmate who roamed with ye Zao when they were young.

"However, unlike ye Zao, Shi Qingcheng had accidentally gotten lost. "

And Ye Zao had been deliberately abandoned.

"After wandering with ye Zao for half a year, Shi Qingcheng was found by her family. When they were separated, the two children cried their eyes out. At that time, the Shi family's parents even suggested taking ye Zao as their goddaughter and bringing her back to the Indigo Kingdom together. "

"However, ye Zao rejected them. "

"At that time, ye Zao really thought that her family would come looking for her. "

What if she left and her family could not find her?

“Not long after Shi Qingcheng was brought back, her family sent her to a closed military academy to study. It had been many years since they last saw each other. ”

Ye Zao also did not expect to see Shi Qingcheng at this time.

“Shi Qingcheng smiled and said, “I heard from ye Xiaohan that you needed someone to support you, so I rushed over! Zao Zao, after so many years, I feel that my name is becoming more and more suitable for you!” ”

“When she was young, she was very surprised by ye Zao’s looks. Everyone said that a beautiful child would definitely become ugly when they grew up. She did not expect that ye Zao would become more and more beautiful. ”

“When she thought of how she and Ye Zao had warmed up and comforted each other when they were young, Shi Qingcheng’s eyes were filled with warmth. ”

“During that dark period of time, she and ye Zao comforted each other to get through it. ”

“”No, you’re too modest.”Ye Zhuo smiled and said, “If I’m number one in the universe, you’re number two in the universe.” ”

“”Then when we merge, we’ll be invincible in the Universe?”Shi Qingcheng said. ”

“”Yeah, that’s right.”Although the two of them had not seen each other for a long time, so long that they had almost forgotten each other, when they met again, they could still be like before, talking about everything, not at all unfamiliar. ”

“Shi Qingcheng Hugged ye Zao again. “Zao Zao, I’m really happy to be able to meet you again.” ”

“”Me too,”ye Zao said. ”

“After the small talk, Ye Zao introduced Shi Qingcheng to everyone. ”

“When they learned that Shi Qingcheng was actually the successor of the Indigo Kingdom, everyone sighed with emotion. The person who appeared beside ye Zao, even if she was just a little girl, was very outstanding.”

Take Shi Qingcheng for example.

The outstanding here did not refer to Shi Qingcheng’s identity.

It referred to Shi Qingcheng’s own outstanding qualities.

Shi Qingcheng attended a military academy that only men could withstand.

There were even many grown men who dropped out of school halfway because they could not accept the Devil’s training.

“However, Shi Qingcheng persisted for over ten years and even became a senior instructor.”

“In a military academy that only had men, a petite girl like Shi Qingcheng actually became a senior instructor. One could imagine Shi Qingcheng’s own strength.”

“Shi Qingcheng continued, “Oh right, where’s Ye Xiaohan? Why haven’t I seen him?” ”

“”He was just here. He must have gone for something.”Speaking up to this point, ye Zhuo seemed to have suddenly thought of something and turned to look at Shi Qingcheng. “Qingcheng, you know ye Han Too?” ”

“Yes.”Shi Qingcheng nodded. “We know each other from the military academy. Didn’t Ye Xiaohan tell you?”

“Speaking of ye Qiao, when she was in the Military Academy, she was still in the same class as ye Han.”

Chapter 2197: 461: All Stars were stunned! 3

“However, Ye Han had graduated early, and because she had to carry out some missions, she continued to stay in the school as an instructor. She had only recently returned to the country.”

“No.” Ye Zhuo shook her head slightly.

“At this moment, ye Han jogged over from the side.”

“Seeing ye Han come over, Shi Qingcheng immediately walked over and asked, “Why didn’t you tell burning when we were classmates?” ”

“Ye Han said naturally, “What’s there to talk about? Didn’t you also not tell my sister?” ”

Shi Qingcheng rolled her eyes at him. “I didn’t tell her because I thought you would.”

“Besides, she had been busy getting stronger all these years. She was so busy that she didn’t even have time to see ye Zao, so how would she have the opportunity to tell ye Zao All This?”

“Then you didn’t tell me that you didn’t tell her. How would I know if you told her or not?” Ye Han said.

Shi Qingcheng raised her leg and kicked ye Han.

“Ye Han dodged and accurately dodged the attack. He turned to look at Ye Zhuo. “Sister, are you leaving now?” ”

“Yes.” Ye Zhuo nodded slightly.

“Shi Qingcheng asked curiously, “By the way, who are you going to support?” ”

“My younger brother.”Ye Zhuo did not want to hide anything from Shi Qingcheng.

Shi Qingcheng widened her eyes. “Are you talking about man Wen?”

“Yes.”Ye Zhuo nodded slightly.

“Shi Qingcheng continued, “Zhuo Zhuo, what are you doing? Are You Stupid? The entire family treated you so badly, yet you’re still going to support man Wen!” ”

“Ye Zhuo smiled and said, “Man Wen is different from what you imagined.” ”

“No matter which angle one looked at it from, Man Wen was a qualified younger brother. ”

“Shi Qingcheng seemed to have suddenly thought of something. “Then, are you going to help Manwen fight for the position of President?” ”

““Yes.”Ye Zhuo nodded slightly and continued, “However, in order not to cause unnecessary misunderstandings, I won’t appear. I’ll leave everything to You!” ”

““Miss Ye, don’t worry. Just hold onto us!”Mr. Feng stood up and said. ”

“Ye Zhuo continued, “Also, if Manwen asks, don’t mention me.” ”

““Why?”Leo was a little puzzled. “It’s fine if you don’t want others to know, but you don’t want Manwen to know?” ”

“Ye Zhuo continued, “I don’t want him to have a psychological burden.” ”

Just like Manwen did all those things for her and didn't want her to know.

"Leo nodded. "Alright, Miss Ye, I understand. Don't worry. Since you said that you want to hide it from Manwen, then our mouths will definitely be tightly shut." "

"En."Ye Zhuo nodded slightly.

"Not long after, the aircraft stopped in front of the election hall. "

"Hearing the sound of the aircraft, everyone in the hall couldn't sit still anymore. They stood up and looked out of the window. "

"Seeing the scene outside, the people started to discuss. "

"I think I saw leader Leo's Flying Machine!"

""Is that Shi Qingcheng, the successor of the Aquamarine Country?" "

"DAMN! JY squad!"

"Mr. Feng!"

""The last time we saw such a big group, it was at the family recognition banquet of the main alliance, Right?" "

""Right, right, right! are our eyes playing tricks on us? Why would these big shots suddenly appear here?" "

"Don't tell me they're here to support someone?"

“ ... ”

“Hearing the discussions, man Xing also looked out of the window. ”

“Seeing Shi Qingcheng, man Xing’s eyes lit up. ”

“Shi Qingcheng was her teacher in school. Could it be that Shi Qingcheng knew that she was participating in the election today, so she had specially come over to help her? ”

“There was also Leo, the JY team, Mr. Feng... ”

“Manzabang, who was at the side, had all his emotions written on his face. He turned around and looked at his father, “Dad! Dad! Look, chief Leo is Here! He must be here to support me!” ”

“Hearing this, a mocking expression flashed across Manxing’s face. ”

She had thought that Manzabang was different from before.

A Fool was a fool.

Would Leo come for a piece of trash like him who could not be helped?

What a joke!

Did he think that he was some big shot in front of Leo?

Wasn’t he being too arrogant.

""Xing 'er, do you want to go out and welcome them?" Master Cao asked man Xing in a low voice. "

Man Xing shook his head. "No need."

"These people came voluntarily. Even if she didn't go out to welcome them, they would support her. "

"If she went out to welcome them at this time, it would lower her status. "

"She was sitting here right now, waiting for them to come and support her. "

It wasn't that Manxing was narcissistic.

It was that she was very sure that these people were coming for her.

"After all, there were only her, Manwen, Manzai Bang, and Manfei sitting here. "

"Manzai Bang was like a pot of water that didn't make a sound, half a pot of water that jingled. "

Chapter 2198: 461: Man Xing was dumbfounded! 4

"As for Man Fei, he was on par with man Wen. In fact, he was even worse than man Wen. "

"If those people outside had not come for her, would they have come for one of the three of them? "

That was impossible!

“After all, Shi Qingcheng was her teacher, and she was on good terms with Leo and Mr. Feng. What did the three of them have to do with those big shots outside? ”

“Master Cao immediately understood what Manxing meant. He nodded and said, “That’s fine too.” ”

It was indeed better to have them take the initiative to support Manxing than for Manxing to take the initiative to flatter him.

“At this moment, the sound of footsteps came from outside the hall. ”

A group of people entered from the outside.

They sat quietly at the side.

“The discussion was a little quieter, but it still existed. ”

“I heard that Miss Shi from the Blue Ocean nation was Miss Manxing’s teacher in school.”

““If that’s the case, could it be that Miss Shi is here for Miss Manxing?” ”

““Miss Manxing is so outstanding, it’s normal for Miss Shi to support her. In this world, how many teachers don’t want their students to be outstanding?” ”

“You’re right.”

“Then what about clan leader Leo? Who is clan leader Leo here for?”

“Hearing this, Manzaibang sat up straight and coughed lightly. ”

Nonsense.

“Of course, clan leader Leo was here for him. ”

Did these people have any discerning eyes?

“Man Zai Bang stood up from his chair and walked towards Leo. “Hello, clan leader Leo. I’m flattered that you can participate in my election despite being so busy!” ”

“Leo looked at man Zai Bang in front of him and couldn’t remember who he was. At this moment, he suddenly thought of someone. “You, you are Shen Dali’s brother-in-law?” ”

“Hearing this, man Zai Bang hurriedly nodded. “Yes, yes, yes. I Am Shen Dali’s brother-in-law. My name is man Zai Bang.” ”

Leo indeed had some friendship with Shen Dali. He smiled and greeted him. “Hello.”

“Seeing Leo smile at him, man Zai Bang became even more confident. ”

Leo was definitely here to help him.

“MAN XING only had one helper, Shi Qingcheng, and he had a group. After all, Leo, Mr. Feng, Ye Han, and the JY team were all good friends, so these people were all brought over by Leo to support him.”

“Seeing this scene, man Xing frowned slightly. ”

Could it be that Leo was really here to help man zaibang?

“If that was really the case, things would be a little troublesome. ”

“But fortunately, she was sometimes Qingcheng. ”

“If it wasn’t for Shi Qingcheng Coming, man Zaibang’s two-and-a-half-hundred-and-a-half might really be a bit of a threat. ”

“Seeing the people who suddenly appeared in the hall, Fan Mu said with some envy, “Man Wen, look, your sister and man Zaibang’s backer are all here! What are you going to do? The election is about to start.” ”

Man Wen did not say anything and just looked at the election platform.

“Wen Yang continued, “It’s impossible for Miss Ye to come!” ”

“Speaking up to this point, Wen Yang sighed. ”

He felt that ye Zhuo was quite heartless. He could clearly find out what man Wen had done for her.

But Ye Zhuo did not show any reaction at all.

“The man family owed ye Zhuo a lot of things, but man Wen did not owe ye Zhuo anything. ”

These things were not what man Wen should have done for ye Zao.

Man Wen was a good brother.

But Ye Zao’s attitude was a little disappointing.

“No matter what, she should not sit idly by. ”

Soon.

The auspicious time for the election arrived.

The host came to the stage to deliver a speech.

“The person who held the position of Supporter was the vice president of the General Alliance. After saying some opening words, it was time for the online voting.”

The voting was open and fair.

The numbers on the screen kept rolling.

“Watching the changing numbers, the atmosphere gradually became tense.”

The Manchu star had always been in the lead.

The Manchu star was at the bottom.

“1,123,2,256,7,789...”

“In just a few seconds, the Manchu star had directly surpassed the Manchu Star by ten times.”

“At this moment, Manwen was still at 5,520, while Manxing was already at 55,220.”

Manxing sat on the chair without any expression on her face.

This was just the beginning.

“Just as master Cao had said, her glory would never stop at Manxing.”

“If she started to get excited now, what would she do in the future? ”

“But at this moment, Manwen, who was originally in last place, seemed to be on steroids as her votes continued to rise. ”

“22,569,54,896,77,586,2036,111... ”

“In the end, he was only one vote behind the 400,000 votes of the full stars. When the counter stopped, the two of them were tied. ”

“Thus, the situation became like this. The full stars were tied for first place, second place in the full stars, and third place in the full stars. ”

No one expected Manwen’s votes to suddenly rise!

“Even fan mu had not expected it. He looked at Manwen in disbelief. “Brother, what did you do?” ”

Chapter 2199: 461: Man Xing was stunned! 5

“Man Wen said calmly, “There are still discussions.” ”

The issue of online voting was very easy to solve.

The problem now was what to do about the live voting later.

“If nothing unexpected happened, in a normal game, the winner would be man Xing. ”

“If it was just now, he still had hope to fight against man Xing, but now, there were so many people standing behind man Xing.”

He really could not compete with man Xing Bo.

“Thinking of this, man Wen pinched his fingers.”

“MAN XING also did not expect that man Wen, this good-for-nothing younger brother’s ranking, could actually be on par with his. He looked at man Wen thoughtfully.”

It was also this glance that made man Xing see a sense of crisis.

It was very strange.

“Could it be that man Wen had really been pretending and hiding his strength all these years, just as she had thought?”

“If that was really the case, man Wen was too terrifying!”

How did he do it!

“Master Cao seemed to have seen through man Xing’s thoughts, he said in a low voice, “Xing ‘er, I’ve checked. The person who colluded with Man Wen is upper left Cheng. Those tickets must have been obtained by upper left Cheng’s Help!” Upper left Cheng was an old subordinate that man Jiangshan had placed great importance on, he had more prestige in man Xing country.”

“However, he was an old subordinate after all. That prestige was only enough to get the tickets. If he wanted to compete with man Xing, he was still far from it!”

“Hearing this, man Xing narrowed his eyes. “So it’s him.” ”

“Zuo Shangcheng was a very strange person. When he had not abdicated, he had valued man Wen. No matter what man Wen did wrong, he would defend man Wen in front of man Jiangshan. As for a truly outstanding person like her., zuo Shangcheng did not seem to see it. ”

“Therefore, Manxing did not have a good impression of Zuo Shangcheng. ”

“Master Cao continued, “Therefore, Xing ‘er, don’t be anxious. Sometimes when miss is around, you will definitely be able to successfully ascend to that position.” ”

“Yes.”Manxing nodded. The sense of crisis in her heart dissipated a little.

“Soon, it was time for the live voting. ”

Almost all the important ministers of the Manxing Nation voted for man Xing.

“I support Miss Man Xing.”

“Miss Man Xing.”

“Man Xing...”

“Man Xing stood in front of the stage and bowed politely to everyone. “Thank you, thank you everyone. Please rest assured, I will definitely not disappoint everyone’s expectations.” ”

“There were many people who supported man Wen, but compared to man Xing, they were still far behind. ”

Manxing glanced at Manwen.

“When she took the throne, she would only Test Manwen. ”

To be merciful to the enemy was to be cruel to herself.

She must not give Manwen any chance to turn the tables.

“At this moment, some people who were close to upper left Cheng suddenly voted for Manwen.”

“With this turn of events, Manwen would soon surpass Manxing.”

“However, man Xing was not worried at all.”

She still had Shi Qingcheng’s help.

“Shi Qingcheng was the successor of the Indigo Kingdom. With just one vote, she could throw off a few other people’s votes.”

“At this moment, Shi Qingcheng stood up from her seat.”

“Seeing Shi Qingcheng Stand Up, a faint smile appeared on man Xing’s face.”

“Shi Qingcheng took out the voting device and entered the person’s name. Soon, a mechanical voice sounded, “Indigo Kingdom, Shi Qingcheng Votes for man Wen.” ”

Manwen?

Shi Qingcheng was actually here to support Manwen.

“At this moment, man Xing thought that he was hearing things, and his face turned pale.”

How did things turn out like this?

Cold Sweat broke out on his back at this moment.

“Before man Xing could react, Leo stood up from his seat. “Zerg, Leo votes for Manwen.” ”

“Seeing Leo vote for Manwen, Manzai Bang was also stunned. ”

Wasn’t Leo here to support him?

Why did he vote for Manwen.

“After Leo stood up, Ye Han also stood up from his seat. ”

“”Changyue country, ye Han votes for Manwen.” ”

“”F galaxy, all members of JY team vote for Manwen.” ”

“”W Galaxy, the Wind Clan votes for Manwen.” ”

“ ... ”

More and more people stood up and voted for Manwen.

“This time, not only Manxing was stunned, but everyone else was also stunned. ”

“No one expected that Shi Qingcheng, Leo, Ye Han, and the others were here to support manwen. ”

Manwen...

It was actually Manwen.

“Even Manwen himself did not expect that until now, he was still in a daze and felt that it was very unreal.”

“The vice president walked to the front of the stage and said with a smile, “Mr. Manwen’s vote is 588 votes higher than Miss Manxing’s! I now announce that Mr. Manxing will be the 189th President of Manxing Nation.” ”

Chapter 2200: 462: this is the capital! 1

“Hearing the Vice President’s voice, Man Wen was stunned.”

He felt like he was in a dream.

He originally thought that these people were here to support man Xing and man Zai Bang.

Who would have thought that there would be such a reversal.

“Not only did they not support man Xing and man Zai Bang, they were here to support him instead.”

“For a moment, man Wen was unable to react.”

“Seeing that he did not move for a long time, fan mu reached out and pushed Manwen. “Manwen! Go quickly! What are you waiting for!” ”

“Okay.”Only then did Manwen react and walk up to the stage.

“The vice president passed the Manxing country’s presidential seal to him. “Mr. Manwen, Congratulations.” ”

Manwen took the seal with both hands. “Thank you.”

“At the same time, the audience broke out into an earth-shattering applause. ”

“The manxing country’s election was absolutely fair and just. The fact that man Wen could win the support of Shi Qingcheng, Ye Han, Leo, Mr. Feng, and other big shots was enough to prove his strength. ”

“Man Xing looked at man Wen’s figure, and her eyes almost spat fire. ”

She had never expected that she would lose to man Wen.

What exactly did man Wen have?

“Although she was very angry, man Xing did not show it. ”

The etiquette she had received since she was young told her that she could not do anything embarrassing in public.

Hold it in.

She had to hold it in now.

It was never too late for a gentleman to take revenge!

“Therefore, if she looked at man Xing like this, she would not be able to tell anything. ”

“At this moment, master Cao suddenly spoke. ”

“Wait!”

“If man Xing could swallow this, he could not swallow it. ”

He had made a mistake.

“In master Cao’s opinion, Shi Qingcheng and the others must have made a mistake. ”

Man Xing was better than man Wen in every way. Why did he let man Wen take away what should belong to man Xing?

They should have come to support man Xing. It was just that they had voted wrongly.

“Man Xing was his disciple whom he had raised. Just like his own daughter, master Cao’s greatest wish was to see man Xing achieve great things. ”

“Now, Manwen had suddenly snatched the things that belonged to Manxing. How could master Cao Bear It? ”

“The vice president looked at Master Cao. “Master Cao, is there anything else?” ”

Master Cao stood up from his seat. “Everyone here has witnessed Miss Manxing’s abilities. May I ask what Mr. Manwen has achieved?”

“The moment he said this, the entire place fell silent. ”

“Leo stood up and continued, “Then may I ask master Cao to give an example of Miss Manxing’s achievements. Did she pacify the war, or did she have first-class military merits in the Military Academy?” ”

“This time, it was master Cao’s turn to be stunned. ”

Manxing was indeed very outstanding.

“However, Manxing did not have any of these achievements. ”

Manxing’s excellence lay in her usual excellence.

“However, master Cao was not flustered. He continued, “Although Miss Manxing did not have any outstanding achievements, she is extremely talented and well-versed in all kinds of military books. She is more qualified than the other three successors to the position of President.” ”

“Shi Qingcheng stood up and continued, “The position of president is the aspiration of the people. Manxing was my student previously. Her talent can not be denied. However, the position of president is an unconquerable mountain to her.” ”

The position of President was an unconquerable mountain to her?

Manxing was so angry that she was about to laugh!

“If she was unable to conquer the position of president, then what did manwen have? ”

Manwen could not even be compared to one of her little fingers!

“However, these words came from Shi Qingcheng’s mouth. ”

“Shi Qingcheng was her teacher. In this world, there was no one who understood her students better than a teacher.”

What did man Wen Do to make Shi Qingcheng favor her so much.

To make Shi Qingcheng even say such a lie!

“Master Cao laughed and fought back, “If even Man Xing isn’t qualified, then what right does man Wen have? How many military books has man Wen Read? Officer Shi, you don’t Understand Man Wen at all. If the position of the President in man Xing is an unconquerable mountain, then to man Wen, it’s like a drop in the ocean.” ”

“Talking about war on paper is far from being as strong as actual connections. Mr. Manwen has the support of US people. We are Mr. Manwen’s capital.”Ye Han and Mr. Feng stood up from their chairs.

“”If they are not enough, there’s still us.”Shi Qingcheng, Leo, and the members of the JY team stood up as well. ”

“When man Xing saw this scene, he couldn’t help but feel angry in his heart. ”

Are these people crazy? !

They actually supported man Wen.

What the Hell was Man Wen.

“Man Xing’s hands were clenched into fists. Because he had used too much strength, his knuckles had already turned slightly white. ”

“The vice president looked at master Cao and continued, “Master Cao said that Miss Man Xing is extremely talented. Why isn’t there anyone who supports man Xing?” ”
