Chapter 2201: 462: this is capital! 2

“Master Cao said that Manwen was worthless, but even the worthless Manwen was supported by people, while the stunning man Xing was not. Didn’t this mean that the outstanding man Xing could not even compare to half of the Manwen? ”

“After saying that, the vice president continued, “Master Cao, do you have any objections?” ”

Any objections?

What other objections could he have?

“The biggest difference between man Xing and man Wen was that man Wen had someone backing him up, but man Xing did not! ”

What was going on!

Why were these people suddenly standing behind man Wen?

Could it be that man Wen had been hiding his strength all this time?

“If that was really the case, man Wen’s strength was too terrifying. ”

“All these years, man Wen had been loitering under his nose, and he did not notice the slightest abnormality. ”

“At this moment, Manxing stood up at the right time, he said gently, “Mr. Vice President, Manwen is my younger brother. As his sister, I’m happy for him that he can replace my father. I hope he can worry about the country and the people and be a good president.” ”

“After saying that, Manxing looked at master cao. “Master, didn’t you say that your head wasn’t feeling well when you came? Let’s go, I’ll take you to the hospital.” ”

“At this moment, master Cao could only walk down the stairs.”

Man Xing held master Cao’s arm and the two of them walked out.

“After turning around, man Xing’s expression immediately turned dark.”

Dark clouds covered the sky.

Master Cao raised his head to look at her and sighed.

“Originally, man Xing was determined to win this election.”

Who would have thought...

“”Xing ‘er, don’t worry.”Master Cao patted man Xing’s arm and continued, “It’s not too late for a gentleman to take revenge. One day, we will avenge ourselves.” ”

“Okay.”Manxing nodded with an inexplicable expression.

“Inside, although Manxing and master Cao had left, the election ceremony was still going on.”

“Manwen stood on the stage, read the President’s speech, and immediately accepted the interview from the reporters.”

“Looking at Manwen who was being interviewed, Fan Mu was very excited.”

He had never thought that Manwen would actually become the 189th President of Manxing.

“After accepting the interview from the reporters, Man Wen came to the audience. He wanted to find Shi Qingcheng, Ye Han, and the others to thank them and ask them what had happened. However, when he came to the audience, they had already left.”

“Where are they?” Man Wen looked at Fan Mu.

“Fan Mu asked, “Are you talking about officer Shi and chief ye?” ”

“Yes.” Man Wen nodded.

“Fan Mu said, “Not long after your second sister left, they left.” ”

“After saying that, fan mu continued, “You’re good, brother. You’re good. I originally thought that if it weren’t for Miss Ye, you definitely wouldn’t be able to turn things around. I didn’t expect that other than Miss Ye, you have other backers!” ”

““I didn’t find them,” man wen continued, “Furthermore, I’m not familiar with them.” ”

“What?”

“Hearing that, fan mu stared at man Wen with wide eyes. ”

“Man Wen said very seriously, “I’m not joking with you. I’m really not familiar with them.” ”

“Then why did they help you?” Fan Mu asked.

Man Wen shook his head.

“However, he already had a vague answer in his heart. ”

It should be related to ye Zhuo.

“Other than ye Zhuo, he could not think of anyone else. ”

“Fan Mu continued, “Could it be your eldest sister? Ye Han is your sister’s adopted younger brother. Mr. Leo, Mr. Feng, and Miss ye are also close friends. If they didn’t come because of you, it must be because of your eldest sister!” ”

“At this point, fan mu paused, “That’s not right! If I remember correctly, Shi Qingcheng should be your second sister’s teacher. I also haven’t heard of any relationship between Shi Qingcheng and your eldest sister. Why Is Shi Qingcheng Here? You Don’t even know. At first, I thought that Shi Qingcheng must have come to speak for your second sister!” ”

Man Wen didn’t say anything.

“After a moment, fan mu sighed and continued, “I think it’s mostly because of your eldest sister!” ”

“Other than ye Zhuo, no one else had the ability to gather all these famous big shots in one place. ”

“”Looks like I misunderstood miss ye previously. I’m here to apologize to Miss Ye!”After saying that, fan mu even bowed to the air as if it was a matter of fact. “Miss Ye, please forgive me.” ”

“Man Wen frowned slightly. He turned to look at fan mu and continued, “You really didn’t say anything to her?” ”

“”Say What?”Fan Mu was stunned. He didn’t understand what man Wen meant for a short time. After a while, he continued, “I didn’t say anything! If you don’t believe me, you can send someone to investigate!” ”

“What about Wen Yang?”Man Wen asked.

Chapter 2202: 462: this is capital! 3

“Fan Mu continued, “His guts are even smaller than mine. What would he dare to say?” ”

Man Wen narrowed his eyes and did not say anything else.

“If it was not fan mu or Wen Yang, then there would only be one result. ”

Ye Zhuo knew everything that he had done. She just had not said anything.

At the hospital.

Master Cao was really hospitalized.

He was furious.

He needed to stay in the hospital for three days for observation and recuperation.

“Man Xing stood in front of the floor-to-ceiling window, overlooking the scenery below the hospital. ”

“Compared to just now, she had already calmed down a lot. ”

“”Master, why do you think those people supported man Wen? Is it because of man Wen’s own strength, or is it because of other reasons?”Man Xing looked at Master Cao. ”

“Master Cao narrowed his eyes. “In the past, I always thought that man Wen was just a pile of mud that couldn’t be helped, but now it seems that I was blind.” ”

“A dog that could bite didn’t bark. Not only was Manwen not a dog, he was a wolf!”

“Xing ‘er,” master Cao continued, “Master has let you down.”

“If he had discovered Manwen’s abnormality in time, things wouldn’t have turned out this way.”

“It’s not your fault. If you want to blame someone, Blame Manwen for hiding it too well.” Not only master Cao, even her elder sister had been deceived by Manwen.

“It was unknown what he had thought of, but the corners of Manxing’s mouth curled up. “Master, don’t worry. Manwen won’t be able to sit in the position of president for long.”

“Master Cao was stunned. “Xing ‘er, do you have a way?”

“Manxing narrowed her eyes and asked in return, “Do you think a person who won’t even let his own biological parents off has the qualifications to sit in the position of President?”

Filial piety was the first priority.

“No matter what man Jiangshan and Zhao Dan had done, as his son, Man Wen had no right to do anything to them.”

“Master Cao instantly understood the meaning of the slow sentence. He smiled and said, “Xing ‘er, you are right. Such a person is indeed not qualified to become the president.”

“After saying that, master Cao lifted the blanket and sat up from the bed. “Xing ‘er, I have to go back quickly. This matter can not be delayed.”

“Man Xing turned around and said, “Master, you should rest well. I will personally take care of this matter.”

“There had already been a mistake once. This time, man Xing would not allow any more mistakes.”

On the other side.

On the aircraft.

“Leo looked at Mr. Feng and asked curiously, “Mr. Feng, there is something that I have been curious about for a long time. Can I ask you?” ”

““You can ask,”Mr. Feng said. ”

“Leo continued, “What favor does my burning father owe you?” ”

“Although he had been following ye Zao for a long time, Leo really didn’t know about the relationship between ye Zao and Mr. Feng.”

He only heard that ye Zao owed Mr. Feng a favor.

Leo was really curious about what kind of favor could make Mr. Feng kneel every time he saw ye Zao.

“Hearing this, Mr. Feng’s expression became distant.”

“Leo immediately said, “Mr. Feng, if it’s not convenient for you to say it, then forget it. I’m just asking casually.”He was just curious, but it was not necessary for him to know. If this involved the secret of the Feng clan., that would be bad.”

““There’s nothing inconvenient to say.”Mr. Feng smiled and said, “It was about five years ago.” ”

Mr. Feng’s mind was suddenly pulled back to five years ago.

“Five years ago, the Feng family suffered a sudden disaster and was infected with a strange virus.”

“In the beginning, the virus only caused a slight dizziness and did not affect people’s lives, so people did not pay much attention to it. But later, the virus gradually invaded the nerves, and the infected people began to vomit blood. The worst thing was., as the virus mutated, it eventually became an infectious phenomenon. Without any special medicine, they could only watch the infected people die.”

“It became more and more intense. Later, the leader had no choice but to give up on the Feng clan.”

The entire Feng clan was abandoned on an abandoned asteroid. A total of more than 500 people could only resign themselves to fate.

“During the period when they were abandoned, people died almost every day.”

“In just ten days, less than half of the original 500 people were left.”

Dry bones and yellow sand.

It was a tragedy.

“As the clan leader of the Feng clan, Mr. Feng prayed for a miracle almost every day.”

Unfortunately.

God did not hear his prayers.

“Time passed, and people were still dying.”

“The virus did not disappear. Instead, it mutated more and more horribly. People who were infected by the virus began to act strangely. There was even cannibalism.”

Relatives and relatives killed each other.

Chapter 2203: 462: This is capital! 4

“In the end, out of the five hundred plus members of the Feng clan, there were less than a hundred left.”

“At this moment, the new leader took over. In order to save face, the new leader sent two doctors over to go through the motions so as not to attract any attention.”

“The two doctors were rookies. They did not know about the situation of the Feng clan before this, nor did they know that the virus was not only contagious, it had reached a point where it could not be salvaged. After one of the doctors learned about the situation of the Feng family, before he could even finish his sentence, he was so frightened that he flew away in the aircraft.”

The other doctor was forgotten on the asteroid.

“During the two days that he was forgotten, the doctor and the doctors of the Feng family treated everyone together.”

“Two days later, the Doctor Who ran away turned around and came back to pick her up. Just when everyone thought that she would leave with the aircraft, she made a decision that shocked everyone.”

“She decided to stay and face it together with everyone. At the risk of being infected, she searched for the source and nemesis of the virus, carefully treated everyone, and brought all kinds of supplies to everyone. For a time, she became the only hope and oasis in this pair of bones and yellow sand.”

“During that time, the most she said was that everything would be fine.”

Let’s go home together.

They encouraged each other and encouraged each other. Their days seemed to be getting better by the day.

“Unfortunately, the good times didn’t last long.”

“Just when everyone’s condition was getting better, this doctor was suddenly infected by the virus. For a moment, everyone was anxious.”

“However, although she was infected with the virus, she was not defeated by the virus. She continued to treat everyone every day.”

“Finally, the heavens did not disappoint those who were willing. With the efforts of the doctors, she developed a special medicine three months later and successfully conquered the virus. After that, the Feng family stood up again!”

“Hearing this, Leo continued to ask, “The one who stayed behind to treat the virus was Miss Ye?””

“Mr. Feng nodded. “Yes, it was Miss Ye.””

“After saying that, Mr. Feng sighed and continued, “I only found out later that Miss Ye’s virus infection was not an accident. She did it on purpose.””

“At the same time, this was also what Mr. Feng admired most about ye Zao.”

“Under such circumstances, it was already impossible for an ordinary person to keep ye Zao, but she still did something that an ordinary person did not even dare to think of.”

“If it was not ye Zao who came back then, there would not have been anything after that. ”

“”Why?”Shi Qingcheng continued to ask, “Why did Zao deliberately infect the virus?” ”

“Mr. Feng said, “If you want to destroy the enemy, you have to understand the enemy and get to the bottom of it.” ”

“Shi Qingcheng said in disbelief, “So searing flame is using himself as an experiment?” ”

“”En.”Mr. Feng nodded. Although five years had passed, he still could not forget it. “If it wasn’t for Miss Ye’s risk-taking, our Feng clan would not be where we are today.” ”

“Hence, the Feng clan had a rule from then on. ”

“No matter who it was, old or young, sick or disabled, they had to treat ye Zhuo with the highest etiquette. ”

Kneeling on one knee was the highest etiquette of the Feng clan.

“Leo could not help but exclaim, “My father is too good! No wonder Mr. Feng respects her so much!”In order to save people, he actually used himself as an experiment. There were not many people in this world who could do it. ”

Shi Qingcheng frowned. “This is too dangerous.”

“Even Shi Qingcheng, who had received professional training, would think carefully before doing something like this. ”

Do As you can.

“It is indeed very dangerous,” Mr. Feng continued, “Miss Ye is even prepared to die. “I asked Miss ye why she did this, and she said so. She said that her life was picked up from the ground. She knows how precious life is and can not watch so many people’s lives disappear. She has to do her best. As for the rest, it’s up to fate.” ”

Only by working hard would she not regret it.

“Ye Han continued, “My sister’s personality has always been like this. She’s very stubborn about certain things.” ”

“However, although ye Zao valued life, she did not save everyone. ”

She had her own bottom line.

“Leo said, “It reminds me of the first time I met Father Zao. At that time, she was only 18 years old. I thought, what kind of skills could an 18-year-old girl have? She didn’t put her in my eyes at all. Good guy, she almost died in that fight!” ”

Leo was subdued by Ye Zao.

“At the same time, Ye Zao was also his idol. ”

Chapter 2204: 462: this is capital! 5

“A member of the JY team said, “We’ve worked with Miss Ye once and feel that it’s really rare to have a partner like Miss Ye. I feel that she’s very different from others and very loyal. She’s clearly a girl, but at times, she’s even more straightforward than a man.” ”

“Miss Shi, how did you know burning father?” Leo asked. ”

“Shi Qingcheng did not hide anything and smiled. “I roamed around with her when I was young. She was about the same age as me, but she comforted me like a big sister.” ”

“Hearing this, everyone was stunned. No one had expected that Shi Qingcheng had roamed around. ”

“The life of a roamer was not easy. She often ate and ate, but no matter what ye Zhuo found, he would share it equally with her. ”

“Soon, the aircraft landed. ”

Ye Zao was already on the ground to welcome everyone. “Thank you for your hard work.”

“”Miss Ye, you’re being too polite! What hard work? If there’s anything in the future, just let us know directly. You’re welcome!” ”

“Because everyone still had matters to attend to, they did not stay in the alliance. ”

“Other Than Ye Han and Shi Qingcheng, the rest of the people had all returned in the aircraft. ”

“Shi Qingcheng looked at Ye Zao. “Zao Zao, I heard from Ye Xiaohan that you’re going back to Earth?” ”

“Yes.”Ye Zao nodded slightly.

“”What about here?”Shi Qingcheng asked, “Is your boyfriend going with you too?” ”

“Yes.”

“Shi Qingcheng asked with some doubt, “Can he give up the position of the General Alliance?” ”

Most men had great power and influence. How many people could give up their power and influence?

“The handover is almost done. He just needs to be a nominal general alliance.” Ye Zhuo continued, “Besides, we don’t belong here to begin with.” ”

“Although she was born in the s galaxy, she had a greater sense of belonging to Earth. ”

“Shi Qingcheng still could not believe it. “You’ve already discussed it? He won’t go back on his word, right?” ”

“No,” ye Zhuo said. ”

“Shi Qingcheng Glanced at ye Zao. “It’s said that the IQ of a woman in love is zero. Zao Zao, are you sure he won’t go back on his word? There are plenty of scumbags!” ”

“Don’t worry,” ye Zao smiled and said, “He’s not that kind of person.” ”

“Shi Qingcheng clicked her tongue and teased, “Zao Zao, I think you’ve really been poisoned by love.” ”

Ye Zao smiled but did not say anything.

“Shi Qingcheng continued, “When are you going to introduce brother-in-law to me?” ”

“Right now is fine,” ye Zao said. ”

“Really?” Shi Qingcheng asked.

“Yes.”

“When are you leaving?”

Ye Zao lowered his head and looked at his watch. "He'll be here soon."

"As soon as he said that, the sound of footsteps could be heard in the air. Shi Qingcheng turned around and saw a tall figure with a body as long as jade."

"Although she could not see his face clearly due to the backlight, she could sense his powerful aura. Even Shi Qingcheng, who had seen many important figures before, could not help but shudder."

"Leader." Cen Shaoqing walked to ye Zao's side.

"Shi Qingcheng could clearly feel that Cen Shaoqing's aura changed the moment he walked over. When he faced ye Zao, he was like the Spring Breeze in spring and March, without any coldness at all."

"You're here." Ye Zao slightly raised his eyes and continued, "Let me introduce you. This is my childhood friend, Shi Qingcheng. Qingcheng, this is my boyfriend, Cen Shaoqing."

"Cen Shaoqing politely nodded at Shi Qingcheng. "Hello, Cen Shaoqing."

"Hello, brother-in-law." Shi Qingcheng was a person who knew how to cause trouble. "No wonder when Zao Zao mentioned you, his eyes were full of light. You're indeed a dragon and Phoenix among individuals!"

"Thank you." Cen Shaoqing had always been a serious person. Other than being a little talkative in front of ye Zao, he did not have much to say in front of others."

"Shi Qingcheng continued, "Alright, I've already met you. I Won't be a third wheel anymore. Ye Xiaohan, I haven't been to the General Alliance for many years. Aren't you going to bring me around?"

"Ye Zao smiled and said, "Yes, yes, yes. Ye Han, bring Qingcheng around the area. Oh right, Qingcheng, do you have a boyfriend?"

"A single dog," Shi Qingcheng said."

“Ye Zhuo continued, “Our family’s Ye Han is passionate about matchmaking. We can ask him to introduce you.” ”

“Okay.”Shi Qingcheng looked at Ye Han. “How about it? Do you have a handsome guy to introduce me?”

“Without waiting for ye Han to speak, Shi Qingcheng continued, “If you really don’t have one, you can make do with it!” ”

“After saying that, Ye Han’s face instantly turned red. ”

“Shi Qingcheng had a smile on her face as she raised her feet and walked forward. After taking a few steps, she turned around and looked at Ye Han. “What are you waiting for! Let’s Go!” ”

Ye Han responded and followed Shi Qingcheng’s footsteps.

“The two of them chatted as they walked. Suddenly, Shi Qingcheng changed the topic and continued, “Ye Xiaohan, have you found a girlfriend?”? ”

““No,”ye Han replied. ”

““Then, let me introduce you to one?”Shi Qingcheng continued. ”

Ye Han scratched his head and did not say anything.

“Shi Qingcheng continued, “Do you mind someone who is two or three years older than you?” ”

““No, no, I mind...”Ye Han said. ”

“Shi Qingcheng smiled and said, “Then, what do you think of Me?” ”

Chapter 2205: 463: sit steadily in that seat! 1

Ye Han was immediately stunned.

“His ears turned crimson, extending all the way to the depths of his cheeks.”

“Although he was a classmate of Shi Qingcheng and knew her personality clearly, Shi Qingcheng’s sudden words still caught him somewhat unprepared.”

It was... quite sudden.

Ye Han even wanted to find a hole to hide in.

““I say, you’re a man, why are you blushing?” Seeing ye Han like this, Shi Qingcheng teased with a smile, “Isn’t it just a sentence? What’s there to hesitate about!” ”

“It was fine if Shi Qingcheng did not say it, but when Shi Qingcheng said this, Ye Han’s ears turned even redder.”

Ye Han also did not know what was going on with him.

“He was obviously not like this normally, but in front of Shi Qingcheng, it was as if he was a whole lot shorter.”

This kind of him was very unlike him.

Shi Qingcheng just looked at Ye Han and pressed him step by step. “Say something!”

“Perhaps because she had lived in the military academy for too long, Shi Qingcheng’s personality was a little like a boy’s. ”

“In a hurry, she would not hide anything. ”

“Seeing that ye Han did not speak, Shi Qingcheng continued, “Could it be that you already have someone in your heart?” ”

“No!”Ye Han replied swiftly.

“Shi Qingcheng crossed her arms in front of her chest. “Then, can we do this thing between us or not? It’s said that women chasing men are separated by layers of gauze. Why are you like a wall?” ”

““I, I...”Ye Han began to stutter. ”

“Shi Qingcheng said speechlessly, “Why are you still stuttering? If it’s possible, we can just be boyfriend and girlfriend. If it’s not possible, we can just be good friends!”Shi Qingcheng did not think that once this matter was exposed, they would not be able to be good friends anymore, she was a very calm person. When she liked someone, her eyes were filled with him. If she did not like him, it meant that she did not like him anymore. If she broke it off completely, even if they were to be friends again, she would not have any other thoughts. ”

“Right now, she only needed one sentence from ye Han. ”

““You, I...”Ye Han tried his best to calm himself down. “Can you let me think about it?” ”

He did not know whether he liked Shi Qingcheng or not.

“It was just that occasionally in the dead of night, he would also spend that time in the military academy. ”

“If he were to directly reject Shi Qingcheng, he was afraid that he would regret it. ”

“However, if he were to hurriedly agree, it seemed to be too hasty. ”

“”Alright, then you should think about it carefully.”Shi Qingcheng continued, “Although I’m three years older than you, I’m beautiful and can speak well. Although I’m not as outstanding as searing, I’m not inferior to other girls either. You have to think about it carefully. If you miss this village, there won’t be this shop anymore!” ”

“Okay.”Ye Han nodded.

Shi Qingcheng turned around and left.

Ye Han stood in the same spot and watched her back.

“At this moment, Shi Qingcheng looked back slightly. “Ye Xiaohan, what are you doing?” ”

“What’s Wrong?”Ye Han asked.

“Shi Qingcheng continued, “You promised to take me around, why are you still standing there?” ”

“”Oh, I’m Coming.”Ye Han instantly reacted and jogged to catch up with Shi Qingcheng’s footsteps. ”

“Shi Qingcheng seemed to have forgotten the conversation just now. “The alliance has changed a lot over the years. By the way, where is the Central Plaza Now? Is It this way?” ”

Ye Han was stunned for a moment before he reacted. “It’s over here.”

Shi Qingcheng followed his footsteps. “I want to buy a chip. Bring me to the central plaza to take a look.”

“Okay.”

“The two of them chatted as they walked. In a short while, Ye Han had also forgotten about what had just happened. His expression and tone had become natural. However, for some reason, when he looked at Shi Qingcheng again, his heart would beat faster for a moment. ”

That feeling was like being electrocuted. It had never happened before.

...

“Man Wen successfully ascended to the presidency. Although there were many people who were not convinced, there was still a group of big shots standing behind him that he could not afford to offend. ”

“Mr. President.”The assistant walked in and said respectfully.

“What’s the matter?”Man Wen raised his head.

“The assistant continued, “Chairman Zhao is here.” ”

“Let him in.”Man Wen put down the document in his hand.

“Yes.”The assistant nodded and turned to leave.

“Soon, chairman Zhao came in. ”

“Mr. President.”

Chairman Zhao was 50 years old this year. He would retire in another 10 years. He was an old subordinate of man Jiangshan and a loyal fan of Man Xing.

“In his opinion, besides man Xing, no one else deserved to be the president. ”

“Therefore, director Zhao disliked man Wen in all kinds of ways. ”

“Even though man Wen was now the president, he still felt that man Wen was a waste. ”

Just wait.

Man Wen would be touched to the end one day.

Chapter 2206: 463: sit steadily in that position! 2

How could a good-for-nothing like him sit steadily in that position?

So what if he had a backer?

Nothing could compare to his own strength!

And man Xing really had strength.

How could man Wen Compare to man Xing?

“Chairman Zhao is here.”Man Wen raised his eyes slightly.

Chairman Zhao bowed. “Yes.”

“Have you brought the items?”Manwen asked.

“I have.” Chairman Zhao took out a document and handed it over to Manwen. “Please have a look.”

Chairman Zhao was in charge of the national treasury.

“Ever since Manjiangshan was in charge of the national treasury, there had been continuous problems with it. Manjiangshan had said several times that they wanted to check the accounts, but Manxing had quietly suppressed them. However, that was already in the past.”

“Now, as long as the accounts were refreshed and checked from top to bottom, no loopholes could be found.”

“As for man Wen, he could tell that there was something wrong with this account with trash like man Wen?”

It was simply ridiculous!

“Therefore, director Zhao did not take this matter to heart at all.”

“Man Wen took the document, but there was no special expression on his face.”

“After a long while, he put down the document and looked up at director Zhao. His tone was a little low. “Director Zhao, do you think there’s a problem with this bill?” ”

““Of course there’s no problem,” director Zhao continued, “Mr. President, don’t worry. In recent years, our Manxing country has been in good weather and the country has been peaceful. The National Treasury has always been very full.” ”

“Is there really no problem?” Man Wen raised his head to look at director Zhao.

“For some reason, when he heard this, director Zhao actually felt a little guilty.”

What did man Wen Mean?

Could it be that man Wen had discovered something?

No.

It wouldn't be.

What could a good-for-nothing like man Wen understand?

He was probably trying to scare him.

“Although Man Wen didn't have a brain, his brother who stood behind man Wen was a big shot. These words were definitely taught to man Wen by those people. ”

Trying to get information out of him?

How was that possible!

“Director Zhao looked at man Wen and said without feeling guilty, “If there was really a problem, wouldn't you be able to tell?” ”

Man Wen nodded.

“Seeing Man Wen like this, the corners of director Zhao's mouth curled up into a mocking smile. He knew that this trash man Wen was lying to him. ”

“Director Zhao continued, “Do you have any other orders?” ”

Man Wen didn't say anything.

"Man Wen couldn't even understand the bill, so director Zhao naturally didn't have to put him in his eyes. He continued, "Mr. President, if there's nothing else, I'll take my leave first." "

PA!

"At this moment, the document that was originally in man Wen's hand was smashed to the ground. "

""Zhao Shan Dong, do you really think I'm Dead?" "

Director Zhao's face broke out in cold sweat.

What was going on with Man Wen?

Could it be that he had really seen through something?

No.

No.

"Director Zhao took a deep breath and turned to look at man Wen. "Mr. President, I don't understand what you mean." "

"Man Wen took out another bill. "Come over and explain to me. Where did the deficit go? Do you really think that just by coming up with a new bill, you can hide it from the world? ! Embezzling public funds, Zhao Shan Dong, how dare you!" "

"Hearing this, director Zhao's blood flowed backwards, and his entire body was trembling. "

“How, how could this be!”

How did man Wen See Through It?

Plop!

“Director Zhao knelt on the ground, his face pale. “Mr. President... I admit, I admit it all. I was obsessed, please give me a new punishment!” ”

“”Tell me, who are your accomplices.” Man Wen sat down and loosened his tie. ”

“”No, I don’t have any accomplices.” Director Zhao wiped the cold sweat from his forehead and said, “I’m the only one from the beginning to the end.” ”

“Man Wen nodded. “Okay, you’re the only one, right?” ”

“Yes.” Director Zhao said firmly.

“Since things had come to this, he naturally couldn’t reveal his accomplices. ”

“If he revealed them, then he would be finished! ”

“”Good, very good.” Man Wen unbuttoned his cufflinks, “If I remember correctly, chairman Zhao, you should still have a daughter, right. “You’re already so old. It doesn’t matter to you if you live or die, but your daughter’s life has just begun. You wouldn’t want to see anything happen to her, right?” ”

“As soon as these words were said, chairman Zhao’s expression instantly changed. He raised his head and looked at man Wen. “What do you want to Do!” ”

“I don’t want to do anything,” man Wen continued. “You should know better than me what the crime of embezzling public funds is! If you’re willing to give up your accomplices and make up for it, at least it won’t affect your daughter!” ”

Chapter 2207: 463: sit steadily in that seat! 3

“Director Zhao knelt on the ground, his expression pained. ”

“Man Wen stood up from his chair and said, “Since there are no accomplices, I can only do things professionally. Men!” ”

“As soon as he said that, someone immediately walked in from outside. “Mr. President!” ”

“Man Wen continued, “Zhao Shan Dong embezzled...” ”

“Before he could finish, Zhao Shan Dong said, “I’ll tell you! I’ll tell you! I’ll tell you everything!” ”

“His daughter was Zhao Shan Dong’s lifeline. Everything he did was for his daughter. No matter what, he could not let his daughter get hurt. ”

“For his daughter, he would give up everything! ”

Man Wen lowered his eyes and glanced at Zhao Shan Dong before waving his hand.

The guards standing behind Zhao Shan Dong immediately retreated.

Man Wen threw a pen and a piece of paper to Zhao Shandong. “Write down everything you know on this.”

Zhao Shandong picked up the pen and paper.

On the other side.

Cen Shaoqing and ye Zhuo walked hand in hand on the Flowing Street.

“This was the main street of the main alliance. It was bustling with lights, wine, and traffic. It was especially bustling.”

“However, even such a bustling scene had become the backdrop for the two of them. It had become the most eye-catching scenery in the city without a sound.”

“I’ve already settled most of my matters here. I’ll be able to return in two days.” Cen Shaoqing’s thin lips parted slightly. “Do you think the day after tomorrow will do?”

“The day after tomorrow might not do. Let’s Wait a little longer,” ye Zao said.

CEN Shaoqing asked, “Have you not settled the matter with man Wen?”

“Yes.” Ye Zao nodded slightly.

“She did not want to interfere in the matters of the man family either. However, man Wen was her biological younger brother after all. Moreover, no matter which angle one looked at it from, Man Wen was a qualified younger brother.”

“Before dealing with the matter of man Wen, even if she went back, Ye Zhuo wouldn’t be at ease.”

“Why don’t you go back first?” Ye Zhuo looked at Cen Shaoqing.

“I’m not in a hurry.” Cen Shaoqing held the Buddha bead in his left hand. “I’ll go back when you go back.”

“Okay.” Ye Zhuo nodded slightly.

In a 33-story building on the side.

“A young and beautiful woman was sitting by the window. She witnessed everything on the street, and her eyes were filled with viciousness.”

She was now very sure that Ye Zao was the full moon.

But she didn’t understand why Ye Zao and Zhao Dan’s personal relationship didn’t work out.

What exactly happened?

“If it was the result of the parent-child relationship, she would be standing by Cen Shaoqing’s side now.”

1

She would never be as selfish as Ye Zhuo and request Cen Shaoqing to return to Earth.

She would always be by Cen Shaoqing’s side.

Unfortunately.

She did not have the chance.

“The paternity test was done, man Jiangshan and Zhao Dan were no longer alive. There was no evidence to prove that Ye Zhuo was a full moon.”

“However, man Xing was not convinced.”

She and Ye Zhuo were sisters from the same mother. She was born noble and was respected by the world. Why did she become like this now?

She should have been more outstanding than ye Zao!

How could ye Zao enjoy all of this with peace of mind.

All of this should have been hers.

Ye Zao.

It was all ye Zao. It was ye Zao who took what belonged to her.

“Ye Zao, this Shameless B * TCH. If it was not for ye Zao’s interference, things would not have become like this.”

“If it was not for ye Zao, she would already be the president of Manxing Country. What would happen to Manwen?”

She was also ye Zao’s sister. Why did ye Zao Only Treat Manwen Well?

Did Ye Zao put her sister in his heart when he did this.

Why!

Why!

“No matter how Manxing thought about it, she could not figure out why?”

Why did ye Zao not help her even when he helped Manwen.

She was obviously much better than Manwen!

Manxing’s mind was completely filled with hatred.

Pa..

She smashed an antique vase.

The pieces scattered all over the ground.

“Xing ‘Er.” Master Cao pushed the door open and entered. He was shocked by the scene in front of him.

Manxing only reacted when she heard master Cao’s voice. She turned around and looked at master Cao.
“Master.”

“What happened to you?”

“”Nothing.” In just a moment, man Xing’s face did not look any different. “I just accidentally broke a vase.” ”

“Master Cao Glanced at man Xing and continued, “Xing ‘er, don’t think too much now. Everything will be done according to the plan. This time, there will be no mistakes.” ”

“”Master,” man Xing suddenly said. ”

“What’s Wrong?” Master Cao looked up.

“Man Xing continued, “Ye Zhuo is the full moon.” ”

“What did you say?” Master Cao was a little shocked.

Chapter 2208: 463: always sit firmly in that position! 4

“After the paternity test, master Cao thought that ye Zao was no longer a full moon and that this was just a mistake. ”

Who would have thought...

“Man Xing continued, “Ye Zao is my biological sister, and Man Wen is her biological brother. That’s why she helped man Wen. Otherwise, who else in the entire galaxy would have the qualifications to gather so many big shots?” ”

“Maybe it’s for other reasons?” Master Cao said.

Man Xing shook his head. “There’s no other reason. My intuition has always been very accurate.”

Ye Zao was definitely a full moon.

“After saying that, man Xing looked at Master Cao. “Master, other than the paternity test, what other way can you prove that she is a full moon?” ”

Master Cao shook his head.

“Even if he could prove that ye Zao was a full moon now, it would be useless. ”

“After all, man Jiangshan and Zhao Dan had abandoned ye Zao first. ”

“Man Xing seemed to have seen through master Cao’s eyes, then he said, “They did abandon her, but what does all this have to do with me? I didn’t abandon her! I’m still her biological sister, her biological sister. She can support man Wen, so why can’t she support me!” ”

“Man Xing understood ye Zao’s current power too well. Although she was no longer the monarch of changyue, as long as she spoke, the real power of Changyue was still in her hands. ”

“In fact, master Cao was also very curious as to why ye Zao would treat Man Wen so well. ”

“Logically speaking, if ye Zao was really a full moon, she should hate the entire family, but ye Zao treated man Wen... ”

“Man Xing was also right. She and man Wen were both ye Zao’s biological sister and younger brother. If ye Zao treated man Wen so well because of their blood relationship, he should not treat man Wen alone. ”

“As an elder sister, Ye Zao should be fair. ”

“Compared to man Xing, Man Wen was trash. ”

What qualifications did man Wen have?

“Thinking of this, master Cao narrowed his eyes. “Xing ‘er, I think this must be ye Zao’s conspiracy.” ”

“What Conspiracy?”Man Wen asked.

“Master Cao continued, “She deliberately treated man Wen so well because she wanted to raise a marionette that could work for her.” ”

Ye Zao would definitely not treat Manwen so well for no reason!

“I don’t think so.” Manxing shook his head and continued, “With Ye Zao’s current status in the s galaxy, she doesn’t need to do anything unnecessary.” ”

“Ye Zao was now Miss Ye, who had made her name in Chang Yue country. She was also the fiancée of the young master of the main alliance country. Did she want anything? Why did she need to spend so much effort to raise a marionette in Manxing Country? ”

“Hearing this, master Cao frowned.”... then, should we continue with our plan?” ”

“Continue,” said man Xing. ”

“If we continue, what about ye Zao’s side?” Master Cao was in a difficult position. ”

“Since ye Zao had taken action to protect man Wen, he would definitely continue to protect him. ”

“With ye Zao around.., ”

“man Xing narrowed his eyes. “No matter how powerful ye Zao is, the blood in his body is the blood of his entire family. I don’t believe that I won’t be able to defeat her this time!” ”

They were born from the same root. She did not believe that she could be worse than ye Zao.

How could she be worse than ye Zao?

“She wanted to prove to ye Zao that even without ye Zao’s help, she could still drag man Wen down from the highest point and crush him into pieces! ”

“Master Cao also trusted man Xing very much. He nodded and said, “Xing ‘er, no matter what you do, I will support you!” ”

“Man Xing was right. She and Ye Zao were sisters from the same mother. The same blood flowed in their bodies, so man Xing was not necessarily inferior to ye Zao. ”

“Everyone needed explosive power. MAN XING had already been defeated by Ye Zao once, and he would definitely not be defeated a second time! ”

...

“When he returned to thoughtful rain pavilion, Ye Han’s heartbeat was still somewhat out of control. When he raised his head, he just happened to see ye Zao and Cen Shaoqing passing by the corridor side by side. ”

“Ye Han immediately stood up and walked out, stopping the two of them. “SIS, Mr. Cen.” ”

“What’s Wrong?”Ye Zhuo turned his head slightly.

“”Nothing.”Ye Han touched his nose and continued, “I, I want to talk to Mr. Cen. Mr. Cen, are you free?” ”

Cen Shaoqing turned his head to look at Ye Zhuo.

Ye Zhuo nodded slightly. “You go ahead.”

“Then I’ll go first.”Cen Shaoqing followed ye Han’s footsteps.

The two of them had just left when Shi Qingcheng put her arm around ye Zao’s shoulder from behind.
“Zao Zao!”

“Oh?”Ye Zao glanced sideways slightly. “What’s Wrong?”

“Shi Qingcheng continued, “What do you think of me and Ye Xiaohan?” ”

Ye Zao was stunned.

“Shi Qingcheng explained, “That’s right. If I were to be together with Ye Xiaohan, would you object?” ”

Chapter 2209: 463: sit steadily in that seat! 5

“I will object.”Ye Zhuo nodded. “You are not suitable for him!”

“Shi Qingcheng was stunned, and the smile on her face froze. ”

“Although she was mentally prepared, Shi Qingcheng still could not accept it. But on the other hand, it was normal for ye Zhuo to object. After all, she was a few years older than ye Han. ”

“Ye Han listened to ye Zao the most. Even if ye Zao objected, then even if ye Han liked her, he would not be together with her. ”

“Seeing Shi Qingcheng like this, Ye Zao chuckled. “I’m just teasing you! You guys, Ye Han, and your lovers will eventually become tendrils. I’m more than happy. Why should I object?” ”

“Shi Qingcheng was ecstatic. “Zao, you really don’t object?” ”

““I don’t object,”ye Zao said. ”

“Then you don’t mind that I’m older than Ye Xiaohan?”Shi Qingcheng asked.

“Ye Han himself doesn’t mind, so why should I mind?”Ye Zao continued, “Do I look like such a busybody sister?” ”

“No, no, of course not!”Shi Qingcheng Hugged ye Zao and said happily, “Zao Zao, thank you!” ”

“Idiot! I should be the one thanking you.”Ye Zao patted Shi Qingcheng’s hand. “Ye Han is not good at expressing his feelings. If you don’t take a step forward, he will never take the initiative to take a step forward.” ”

...

“Coming into the house, ye Han closed the doors and windows. ”

Cen Shaoqing looked at his actions and twirled the Buddhist beads in his hand. He had some unclear intentions of Manchu.

“After a while, ye Han closed all the doors and windows and walked over. “Mr. Cen, please take a seat first. I have a question to ask you.” ”

Cen Shaoqing leaned over and sat opposite ye Han. “What question? You ASK.”

“Ye Han continued, “At that time, between you and my sister, who was the one who pursued who?” ”

“I pursued her,”Cen Shaoqing said frankly. ”

“Ye Han said, “I heard that before you met my sister, you had the idea of becoming a monk, right?” ”

“Yes.”Cen Shaoqing nodded slightly.

“Then how did you find out that you like my sister? In other words, what does it feel like to like someone?” Ye Han was really too curious about his feelings towards Shi Qingcheng. ”

Did he like her?

“Shi Qingcheng had given him a deadline, so he had to make a choice before tomorrow. ”

“Cen Shaoqing’s image of ye Zao appeared in front of his eyes as he slowly opened his mouth to speak, “I don’t know what it’s like to like her. It’s because when I see her, my heart will beat faster, and when I miss her, my heart will also beat faster. When I’m with her, I can’t help but smile. Nothing in the world can compare to her smile... “ ” ”

“At that time, Cen Shaoqing had fallen into a misunderstanding. He felt that his heart was racing because he had contracted some kind of disease. ”

“Of course, such a thing was not easy to say out loud. ”

What If ye Han laughed at him?

“Does a racing heart mean that you like him?” Ye Han did not know what he had thought of, but he fell into a short period of contemplation. ”

“To me, that’s the case.” Cen Shaoqing’s thin lips parted slightly, and he continued, “Are you curious about your feelings for Shi Qingcheng?” ”

“Mr. Cen, how do you know?” Ye Han asked curiously. ”

Cen Shaoqing’s thin lips curled up slightly. “Your worries are written all over your face.”

“Ye Han continued, “Then how do you think I feel about Qingcheng? Do I like her? She asked me to give her an answer tomorrow.” ”

“This kind of thing can only be asked of yourself. If you like her, then promise her. If you don't like her, don't delay her.” ”

“Hearing this, Ye Han seemed to have thought of something. He moved closer to Cen Shaoqing's ear and whispered a few words. After a moment, he continued, “Mr. Cen, will such a situation also happen to you?” ”

“Originally, such a private matter was not something that could be directly said, but now, he could not care about it anymore.” ”

“Cen Shaoqing was a little embarrassed. He coughed lightly and said, “You must never say such things in front of your sister.” ”

“I know, I know. Although she is my sister, there are differences between men and women after all!”Ye Han could not wait to say, “So, Mr. Cen, have you ever done it?” ”

“Cen Shaoqing did not answer him directly. Instead, he said, “Your situation is very normal. If that person is Shi Qingcheng, then I am very sure that you have her in your heart.” ”

“Really?”Ye Han asked.

“Yes.”Cen Shaoqing nodded slightly.

“Ye Han smiled and said, “Mr. Cen, so you have had one too?” ”

“No.”Cen Shaoqing twirled the Buddha bead.

“It meant that this person in front of him was his future brother-in-law. Otherwise, he would have already gotten someone to throw him out.” ”

His future brother-in-law could only endure it.

Ye Han glanced at Cen Shaoqing. "You really didn't?"

"I really didn't." Cen Shaoqing continued, "If there's nothing else, I'll leave first. Your sister is still waiting for me outside."

"En, you can go." Ye Han nodded.

"Looking at Cen Shaoqing's back view, Ye Han's lips curled into a smile. He thought that he should have the answer in his heart."

"At the same time, a piece of news broke out on the starnet."

"Previously, everyone suspected that the death of the man Jiangshan couple was not an accident, but it was true!"

"Because the real murderer who hired the murderer was man Wen, the person who poisoned him had already confessed to man Wen."

"Man Wen had just gone through the general election, and now such a thing had happened. For a moment, everyone was discussing animatedly, and man Wen was also facing charges."

Chapter 2210: 464: Standing at the top without any help! 1

"Man Jiangshan and his wife were at fault, but as the son of Man Wen, he couldn't do anything to his biological parents."

It was simply treason!

"Not long after, the police station posted a video of the poisoner giving up man Wen on the starnet."

“It’s Man Wen, Man Wen threatened me. I really didn’t mean to harm Mr. and Mrs. Man...”the poisoner cried in front of the camera, begging for a lighter sentence. ”

“For a time, the STAR network was full of complaints about Manwen. ”

“My God, I never thought that the real culprit behind the scenes was Manwen!” ”

“Why did Manwen do this? He doesn’t seem to have any motive, right? I feel like there’s a twist in this matter.” ”

“Who said he doesn’t have a motive?”? “I think he’s trying to protect his position!”! Man Jiangshan and Zhao Dan had many misdeeds. They even threw away their own daughter. Such parents were a great shame to man Wen. Although man Jiangshan and Zhao Dan were sentenced to 10 years, what about 10 years later? Man Wen was now the president of Manxing Country. He would definitely be the same in 10 years! How would man Jiangshan and Zhao Dan face them when they were released after 10 years?] ”

“Based on this analysis, man Wen is indeed very suspicious! However, there is one thing that is very strange. Why didn’t that poisoner expose man Wen before? Why did he have to wait until now?” ”

“Everyone, calm down. Don’t be in a hurry to take sides. I feel that this matter is not that simple. Just like what happened to miss ye before, you have already hurt Miss Ye once. This time, you must be careful.” ”

“[like father, like son. Man Jiangshan and Zhao Dan abandoned their own daughter. When it was man Wen’s turn, he actually silenced his parents. This father and son are both ruthless people.] ”

“[the law is long and thorough. It seems that the sunlight of the masses is bright. Previously, I saw someone speculate that the death of man Jiangshan and his wife was abnormal. It definitely wasn’t as simple as a vendetta. I didn’t expect that they would actually guess correctly!] ”

[the Prince committed the same crime as the commoners. I will definitely watch the live broadcast of the trial!]

[one more! Remember to poke me when the trial starts!]

[justice will never be absent!]

[...]

“As the president of the Manxing Nation, not only did man Wen not lead by example, but he also tried to break the law. He knew that he had committed the crime, so it was normal for people to be angry.”

“Under the circumstances of the People’s blood letter, Man Wen was officially arrested by the police department.”

“At this time, it had been less than three days since he became president. ”

He was probably the president who had been in office for the shortest time in history.

“With Manman’s arrest, the task of supervising the country naturally fell to Manxing. ”

“After all, Manxing had done well in the election and was ranked second. ”

“If Manman was convicted, Manxing would naturally become the 190th president of Manxing. ”

Manxing sat in the President’s office with a smile on her face.

“Before implementing the plan, she had already taken care of everything and destroyed all the evidence. As long as the person who poisoned him insisted that Manwen was the one who ordered him to do it, Manwen’s life would be over. ”

“Not only that, Manwen would also be sentenced to death! ”

“Thinking that Manwen was about to be sentenced to death, Manxing’s lips curled up.”

She wanted to see how ye Zhuo would protect man Wen this time.

“Xing ‘er,” master Cao walked in from outside. “The people on the star network are very angry. As the acting president, you should speak up. I have already drafted the manuscript for you.”

Master Cao handed the manuscript to man Xing.

“Man Xing took the manuscript and nodded. “Yes, master, I understand.”

“Man Wen was his biological younger brother, and man Jiangshan and Zhao Dan were her biological mothers. If something like this happened, others would definitely avoid it.”

But Man Xing would not.

She was the best at using retreat to advance.

“Oh right, master,” man Xing continued, “I heard that Zhao Shan Dong was locked up by man Wen?”

“Yes.” Master Cao nodded.

Man Xing narrowed his eyes. “Man Wen read the books?”

“Yes.” Master Cao continued, “Zhao Shan Dong’s appetite isn’t small either. He actually swallowed two billion behind our backs!”

“I didn’t expect that Trash Man Wen to have this ability.” Man Xing frowned slightly. “There’s still a use for me to keep him. I need to think of a way to bail him out.”

“The national treasury deficit was not a matter of Zhao Shan Dong alone. If the investigation continued, it would sooner or later implicate her!”

“Man Xing originally thought that she would quietly settle this matter once she became the president. However, Man Wen interfered midway. What was even more unexpected was that man Wen was actually able to find out that the bill was abnormal, fortunately, she was still sitting at the top of the Manxing nation.”
