

## **Almighty D 221**

Chapter 221: 092: he doesn't understand the world of big shots! Slapping faces too quickly is like a tornado! 6

"If they could work together for a long time, it would be a huge sum of money. "

It would be a lie to say that he wasn't jealous!

Xu Dadong only regretted that he didn't persist with Ye Sen.

"If he hadn't left at that time, this contract might have been his! "

Sigh!

It was useless to say anything now.

"Then congratulations!" Xu Dadong only managed to react after a long time.

""Thank you. I'll treat you to Dinner Tonight," ye Sen said. "

"Xu Dadong continued, "There's no need for dinner. I'm just curious, how did you guys manage to get the Toaeon Cooperation Case?" "

Ye Sen was a talented person!

"But with his ability, getting TOAEON's cooperation case was still a little risky. "

“Ye Sen smiled, “You know me. I only know a few simple sentences in English. This cooperation is mainly between my niece and Mr. Embert.” ”

“Your niece?” Xu Dadong was even more incredulous.

Ye Sen nodded.

“Xu Dadong was even more incredulous. He continued, “Your niece, that little girl. Is she an adult?” ”

“”She’s already 19!” The eldest niece was so amazing. As an uncle, Ye Sen was also honored. ”

Xu Dadong just looked at Ye Sen.

Both?

Shouldn’t they use ‘talent’?

She was only 19 years old!

A 19-year-old girl was actually so amazing!

“Actually, when Xu Dadong was talking to ye Zao, he realized that this little girl, ye Zao, was not simple. An ordinary little girl did not have her reaction and eloquence! ”

“However, he did not expect that ye Zao could actually win the cooperation case. ”

The younger generation was really formidable!

“This time, Xu Dadong was completely convinced! ”

“After saying that, Ye Sen continued, “President Xu, your daughter should be about the same age as my eldest nephew, right?” ”

“Xu Dadong’s daughter was indeed about the same age as ye Zao, but her strength was not just a little bit inferior. Thinking of his daughter who had been asking him for money all day, Xu Dadong silently shed sad tears.”

People could not be compared.

...

On the other side.

Beijing.

“It was not until dinner that old Mrs. Lin remembered Feng Qianhua, she quickly turned to aunt Zhang and said, “Qianhua and Xianxian must still be looking for Ah Ze! Quickly call her and tell her that Ah Ze has been found. Tell her not to worry!” ”

““Yes, Old Lady.”Although she did not say anything, Aunt Zhang was very angry in her heart. ”

She felt that it was not worth it for Feng Qianhua.

What the hell!

“Feng Qianhua was so good to her, asking about her well-being and making health soup for her every day, but she only thought of Feng Qianhua Now! ”

How heartless!

“After hanging up the phone, Aunt Zhang walked over with an ugly expression. “Not good, Madam...” ”

“Seeing her like this, Old Madam Lin was also shocked. “What’s wrong? Did something happen to Qianhua?” ”

Aunt Zhang shook her head. “Miss Qianhua is fine...”

“Hearing that Feng Qianhua was fine, old madam Lin heaved a sigh of relief. “It’s good that Qianhua is fine.” ”

“Aunt Zhang continued, “The person who was in trouble was Xianxian. Miss Qianhua said on the phone that Xianxian was accidentally hit by a car in order to find the young master!” ”

Hit by a car?

“Hearing this, Old Madam Lin turned pale with fright and immediately stood up from her chair. “What’s going on?” ”

“Aunt Zhang continued, “I’m not too sure about the specifics either. Miss Qianhua said on the phone that Xianxian is still being treated! She was afraid that you would be worried, so she specifically told me not to tell you! But if I don’t tell you about this, my conscience will be uneasy! After all, Xianxian is in trouble because of young master’s matter... “... “...” ”

“Old Mrs. Lin never expected Feng Xianxian to be in trouble. She continued, “Which hospital are they in now?” ”

““I think they’re at the city hospital,” answered Aunt Zhang. ”

“Old Mrs. Lin hurriedly said, “Hurry up and contact the driver, Xiao Zheng! I’m going to the city hospital right now!” ”

Lin Ze stood on the second floor.

He looked down at everything that was happening downstairs.

Feng Qianhua and her mother had put on a good show!

“However, no matter how the mother and daughter acted, he would never let Feng Qianhua marry into the family. ”

Never!

Old Madam Lin rushed to the city hospital.

Feng Qianxian was still in the emergency room.

“Feng Qianhua sat on the blue plastic chair outside and cried until she was in tears. “Qianxian, nothing can happen to you. If something happens to you, how Will Mother Live?” ”

“Qianhua!”

Old Madam Lin quickly walked over.

“When she saw Old Madam Lin, Feng Qianhua said in disbelief, “Aunt Lin! Why are you here! It’s not that I don’t want...” ”

“Old Madam Lin interrupted Feng Qianhua and scolded, “You Child! After such a big incident, you still want to hide it from me! Is Xianxian Alright?” ”

Chapter 222: 092: he doesn’t understand the world of big shots! Slapping faces too quickly is like a tornado! 7

This child is just too kind!

“Old Madam Lin Sighed in her heart, her eyes filled with heartache. ”

“”I was afraid that you would worry,”Feng Qianhua cried. ”

“At that moment, the door of the emergency room was opened, and the Doctor walked out. ”

“Feng Qianhua quickly went up to him. “Doctor, how is My Daughter?” ”

“Old Madam Lin continued, “Doctor, our family has a lot of money! No matter how much it costs, please treat my granddaughter well!” ”

“The Doctor took off his mask and smiled. “Fortunately, she was sent here in time, so the patient is not in any danger now.” ”

“Feng Qianhua continued, “My daughter is about to take her college entrance exam. Will it affect her college entrance exam?” ”

“The Doctor hesitated for a moment before continuing, “As long as she recuperates properly, it will not affect her college entrance examination.” ”

“Doctor! Thank you!”Feng Qianhua bowed to the doctor excitedly.

“When she heard that Feng Xianxian was fine, old madam Lin heaved a sigh of relief. ”

“The doctor continued, “The patient has already been pushed to the ward. You guys should quickly go and take a look.” ”

Feng Qianhua and Old Madam Lin came to the ward.

Feng Xianxian's head was injured. There was a bandage wrapped around her head and she looked very weak.

""Good child, Are You Alright?"Old Mrs. Lin walked over and held Feng Xianxian's hand. "

"Feng Xianxian pretended to be strong and shook her head. "Grandma Lin, I'm Sorry! Not only did I not find brother Ah Ze, I even caused trouble for you and made you worry! By the way, have you found brother Ah Ze?" "

""Yes, I found him!"Old Mrs. Lin nodded hurriedly. "Don't worry, Qianqian. Ah Ze is fine now. You just need to take care of yourself." "

"Feng Qianqian sniffled and cried, "I'm sorry, Grandma Lin. It's all my fault. I made you misunderstand brother Ah Ze! I'm sorry..." "

"Seeing Feng Qianqian like this, Old Mrs. Lin's heart ached. "Silly child, it's not your fault. It's grandma who didn't understand! Grandma knows that you did something wrong out of kindness! Don't worry, Grandma didn't Blame You!" "

""Thank you, Grandma!" "

""Good child, everything's fine now!" "

"Feng Qianhua stood by the side and wiped her tears. She said in a hoarse voice, "Aunt Lin, it's indeed Xianxian's fault this time. Fortunately, Ah Ze has been found. If Ah Ze hasn't been found, then we, mother and daughter, will be sinners forever!" "

"Madam Lin stood up and hugged Feng Qianhua. "Qianhua, I know that you and Xianxian are doing this for Ah Ze's good, so I never meant to blame you!" "

Feng Qianhua sneered in her heart.

This old woman was too hypocritical!

“If she really didn’t blame them at all, she wouldn’t have waited until now to think of her and Feng Xianxian. ”

This was clearly a case of blame!

“Fortunately, she had already thought of a countermeasure! ”

Old Mrs. Lin stayed in the hospital until midnight before leaving.

“After Old Mrs. Lin left, Feng Xianxian looked at Feng Qianhua worriedly. “Mom, will our trick really work?” Because she had just experienced what had just happened, when Feng Xianxian looked at Feng Qianhua, her eyes were still filled with fear. ”

Feng Qianhua was really too terrifying.

Feng Qianqian’s car accident was not an accident.

It was Feng Qianhua who had personally driven the car to crash it.

She would really do anything to marry into the Lin family!

“Feng Qianhua sat on the edge of the hospital bed. “Don’t worry, that old lady has already let go of the grudge in her heart.” ”

She had known Old Lady Lin for so many years.

No one knew Old Lady Lin better than Feng Qianhua.

The reason why she was willing to take such a risk and make such a decision was because she knew Old Lady Lin well enough.

If nothing happened to Feng Xianxian today...

Then the incident with Lin Ze would always leave a knot in Old Lady Lin's heart.

The facts proved that Feng Qianhua's guess was right.

"After learning that Feng Xianxian had been in a car accident, not only did Old Lady Lin not blame Feng Xianxian, but she also felt a little sorry for Feng Xianxian. After returning to the Lin family, she ordered the kitchen to make a bunch of nutritional supplements for Feng Xianxian to be sent to the hospital."

...

It was already the fourth month of spring.

"The weather was gradually warming up. After coming to the capital for so long, Li Qiangdong had yet to show his face in the circle. Thus, he thought of holding a banquet in the most exclusive member-only hotel in the capital."

"Firstly, it was to gain connections."

"Secondly, the capital was a good place. The daughters of socialites did not look any worse than those in the capital."

Li Qiangdong first thought of mu yourong.

He naturally could not hold a banquet without mu yourong.

The current Li Qiandong had already regarded mu yourong as his confidante.

“Then, Li Qiandong thought of ye Zao. ”

Ye Zao was the person he idolized the most.

“If ye Zao could attend the banquet, that would be the best. ”

“Moreover, ye Zao and Mu Yourong were once sisters. Although there was some misunderstanding between the two of them, misunderstandings were something that had to be resolved sooner or later. ”

“The two of them were both very outstanding people. Li Qiandong wanted to create some opportunities for the two of them to resolve their misunderstandings, so that the two of them could reconcile as soon as possible. ”

“After setting the date of the banquet and the person to be invited, ”

Li Qiandong went to the CEN group to look for Cen Shaoqing.

The matter of the banquet was brought up.

“Cen Shaoqing had always been a person who did not like to be boisterous. Upon hearing this, he directly rejected, “I won’t go.” ”

““You won’t go?”Li Qiandong was a little disappointed. “Fifth brother, look at you now. You’re like a monk. If you don’t go, then you won’t go. Don’t tell me you’re really going to become a monk in the future?” ”

Cen Shaoqing did not say anything.

“Li Qiandong continued, “It’s fine if you don’t go. I’ll go ask the Great God and miss mu if they’re going.”  
”

“When he heard this, Cen Shaoqing suddenly raised his eyes. “When and where?” ”

Li Qiandong was stunned. “When and where?”

“”The time and place of the banquet,”Cen Shaoqing said. ”

“Hearing this, Cen Shaoqing looked at Li Qiandong in surprise. “Fifth brother, you’re going to attend the banquet?” ”

Cen Shaoqing’s tone was indifferent. “Tell me the time and place first.”

Li Qiandong told him the time and place.

Cen Shaoqing nodded slightly. “I understand.”

“Li Qiandong looked at Cen Shaoqing, somewhat curious as to why Cen Shaoqing would suddenly change his mind. ”

Could it be...

That it was because of Mu Yourong?

“After all, Cen Shaoqing only suddenly decided to go after he mentioned mu yourong! ”

Right!

That must be the case!

Chapter 223: 093: it feels good to keep slapping my face! 1

“The more Li Qiandong thought about it, the more excited he became. ”

“He did not expect Cen Shaoqing to have an ice-cold expression on his face. He did not care about Mu Yourong at all. In fact, he still attached great importance to Mu Yourong. Otherwise, with his personality, he would definitely not have attended the banquet! ”

“Therefore, Cen Shaoqing definitely decided to attend the banquet for Mu Yourong’s sake! ”

“After leaving the Cen Group, Li Qiandong personally invited mu yourong to attend the banquet. ”

“Upon receiving Li Qiandong’s invitation, Mu Yourong was extremely excited. ”

CEN fifth master was definitely present at the banquet organized by Li Qiandong.

“This time, she definitely had to recover all of the face she had lost at the Miao Yin annual gala. ”

“After all, the cloud capital was her world! ”

She had to make Fifth Master Cen Fall Madly in love with her and marry her!

Mu Yourong looked at herself in the mirror and the corners of her lips curled up in a determined smile.

“After contacting Mu Yourong, Li Qiandong went to contact ye Zao again. ”

“He did not have ye Zao’s wechat, so he could only contact ye Zao on the International Technology website. [ is the God Here? ] ”

[ what’s the matter? ] Ye Zao happened to be online doing a mission.

“[ I have a private party, and I want to invite the God to attend! ] ”

Ye Zao hesitated for a moment. She was not very interested in a party or anything like that.

“Seeing that ye Zao did not reply, Li Qiandong took out his trump card. [ God, I have also invited a Michelin three-star dessert master to make desserts on the spot! ] ”

“At the venue of the last wonderful sound anniversary party, Li Qiandong discovered that ye Zao loved to eat desserts. ”

“That was because that night, she ate more than ten pieces of desserts by herself! ”

Li Qiandong was stunned by what he saw.

It must be known that most girls who loved to look beautiful would avoid desserts in order to maintain their figure.

“Other than insensible children, ye Zao was probably the only one who dared to eat like that. ”

“Sure enough, after seeing this sentence, Ye Zao, who was a little hesitant, immediately operated the keyboard to reply: [ send me the time and place. ] ”

Three-star Michelin dessert master.

It must be very good!

“Ye Zao narrowed his eyes, as if he could already see Carrie, Chocolate Mousse, frost, and nut brownie waving at him.”

“Seeing ye Zao’s reply, Li Qiandong heaved a sigh of relief and hurriedly sent the time and place.”

“The venue of the party was a member-made hotel in yunjing, and the time was six o’clock on Saturday night.”

“Tomorrow was Wednesday, and Ye Zhuo still had to go to school.”

“As the college entrance examination approached, the atmosphere in the class became more and more tense. Everyone’s desks were piled high with study materials, the most conspicuous of which was the “Three-year college entrance examination five-year simulation.”.

On the blackboard at the back was the countdown to the college entrance examination.

Thirty-eight days.

“As the time for the college entrance examination approached, the voting posts on the forums became more and more popular.”

“Currently, there were more than 3,000 people supporting Mu Yourong.”

“And only a little over 1,000 people supported ye Zao.”

No one believed that ye Zao could obtain any outstanding results in the college entrance exam.

“North Bridge’s number one handsome: [ if ye Zao can surpass Mu Yourong in the college entrance exam, I’ll eat my phone live! ] ”

“Sily Su Nuannian: [ What’s eating a phone? There’s no way to plagiarize in the college entrance exam. I think she won’t even be able to get 100 points! If she can surpass mu yourong, I’ll eat SH \* t Live! ] ”

“An ugly person with a poor heart could not be happy: [ God of the top leaf! Our God of the leaf did not plagiarize, and she also disdains plagiarism! ] ”

Little Mood Triste: [ I just saw ye Zhuo’s previous results in teacher Qian’s office. The total score of the six subjects is only 52 points! Those people in the ordinary class are all brain-dead fans. They have been completely brainwashed by Ye Zhuo. ]

Young and frivolous people do not know that the winner is King I: [ who still doesn’t have a past? Can’t our god of the leaf work hard? ]

“I can cry, but I will never admit defeat I: [ total score 52, can you work hard to become the first in the grade? If working hard was that simple, then there wouldn’t be any bad students in our school! So be it if you plagiarize, but you still don’t dare to admit it. If you plagiarize a dog, your whole family will die. If you help plagiarize a dog, your whole family will die too! ] ”

“”Zhuozhuo, do you think there’s something wrong with these people? Can’t they stop? He’s the one who plagiarized! His whole family plagiarized! Shameless Lemon Sprite!” ”

Zhao Pingting held her phone in her hands. She was so angry that her face turned red.

“”I’m going to take screenshots of these people eating SH \* t and eating their phones. When the results of the college entrance exam are out, I’ll post them and let them eat SH \* t!” ”

“As Zhao Pingting spoke, she took screenshots and saved them all on her phone. ”

“Ye Zao’s expression was indifferent, as if she was not the main character of the incident. “Those who are innocent will be innocent. Anyway, the college entrance exam is coming soon. When that time comes, these rumors will naturally fall apart!” ”

Chapter 224: 093: it feels good to be slapped in the face all the time! 2

“After saying that, ye Zao took Zhao Pingting’s phone and placed “53” on the table in front of Zhao Pingting, “If you have time, watch less of your phone and do more of “53”. Pingting, do you still want to take the test to Beijing with me?” ”

“Zhao pingting whimpered, “Da Zao Zao Zao, it’s impossible for me to get into Beijing University. It’s already good enough for me to get into Beijing Normal University!” ”

Although Beijing Normal University was not as impressive as Beijing Normal University.

It was still an important book.

“Zhao Pingting’s results were average. With Ye Zhuo’s help, although her results had improved a lot, it was still a little difficult for her to get into Beijing Normal University. ”

““Do five or three more and you’ll get in.”Ye Zhuo took out a notebook from his desk and handed it to Zhao Pingting, “By the way, this is my summary of knowledge points and some college entrance exam questions. Take a look and it will help you.” ”

The Things Ye Zhuo gave her were 100 times more useful than the review materials. Zhao Pingting’s results were improved because of the notes ye Zhuo gave her.

““Zhuozhuo, I love you so much!”Zhao Pingting hugged ye Zhuo excitedly. ”

“Soon, it was Saturday. ”

Half past five.

Ye Zha left home on time.

She was wearing a simple green dress.

“Green was a very picky color. Even if her skin tone was slightly darker, it would not be able to suppress such a bright color.”

“Ye Zha’s skin tone was fair and her facial features were exquisite and flawless. When she wore this green dress, it was as if this color was made for her. It was obviously a very simple and low-key style, but it made her look like a big shot.”

“In an instant, everything in the world lost their color.”

Ye Zao had just walked out of the door.

A low-key Maybus suddenly stopped by the roadside.

The car window rolled down.

A face as gentle as jade was revealed.

“Ye Zao.”

“Song Shiyu?” Ye Zao raised his eyebrows slightly.

Song Shiyu nodded slightly. “Where are you going?”

““The Venus International Hotel,” ye Zao said.”

“Song Shiyu continued, “I just happen to have something to do over there. I’ll bring you there on the way.” ”

“Is it too much trouble?”Ye Zao was a little embarrassed.

“It’s just a matter of stepping on the accelerator.”

“Since he had already said that, ye Zao did not refuse. “Then thank you.” ”

“After saying that, he opened the car door and sat inside. ”

A Faint Mint fragrance lingered in the car.

It was a very fresh smell.

It smelled very good.

“However, Ye Zhuo did not like the airtight environment, so he lowered the car window by half and continued, “How is Grandma Song recently?” ”

“Song Shiyu said, “After taking your medicine, her mental state has improved a lot recently. She keeps saying that she needs to find an opportunity to thank you properly.” ”

“Ye Zhuo smiled and said, “Grandma song is too polite.” ”

Song Shiyu looked ahead. He held the keyboard with one hand and took out a beautiful small box from the shelf with the other.

“There are some candies in here. Do you want to try them?”

“Thank you.” Ye Zhuo reached out and pinched a big white rabbit milk candy.

“In a short while, the car arrived at the Venus International Hotel. ”

Song Shiyu got out of the car and opened the door for her.

Ye Zao thanked her again.

Song Shiyu looked at ye Zao like this. The evening light cast a layer of light on his face. “You’ve been saying thank you ever since we got in the car. There’s no need to be so formal between friends.”

“Ye Zao smiled slightly. “Alright, drive carefully on the road then. I’ll treat you to a meal when I have time.” ”

“Okay.” Song Shiyu nodded slightly.

From Afar.

The two of them looked rather intimate.

“One was noble and beautiful, with an aura like an orchid. ”

“The other was gentle and jade-like, with an extraordinary bearing. ”

“Standing together, these two people attracted the attention of countless people. ”

This scene also stopped in front of the eyes of the man in the luxury car not far away.

“The man held a Buddhist bead in one hand, and the other hand was on the steering wheel. He was wearing a buttoned-up long gown, and his sharp facial features seemed to be covered with an impenetrable layer of thin ice. ”

It made people shudder.

“In a moment, he took out a cigarette from his pocket. The choking smell of tobacco filled his entire mouth. When the smoke in front of him dissipated, the Maybach in front of him had already disappeared. ”

She was still standing there in a green dress.

“After greeting song Shiyu, Ye Zao was just about to walk in when a gentle voice came from behind him, “Sister Ye Zao.” ”

Ye Zao turned his head slightly and saw Mu Yourong in a red evening gown.

“As the saying goes, you should never hit a smiling person. Ye Zao smiled faintly and said, “Miss Mu.” ”

Mu Yourong thought that she had seen wrongly.

She did not expect that this person was really ye Zao.

Li Qiandong had actually invited ye Zao as well.

Chapter 225: 093: it feels good to be slapped in the face all the time! 3

But this is also good.

“Tonight, tonight, she will let ye Zhuo know that a fake daughter should look like a fake daughter. ”

A fake daughter who occupies the magpie’s nest wants to compete with her?

She really overestimates herself!

“Shall we go in together?” Mu Yourong said.

“Okay.” Ye Zhuo nodded slightly.

The two of them walked side by side into the hotel.

“Originally, Mu Yourong was quite suitable to wear red. ”

“However, Ye Zao was standing beside her. ”

“The moment the two of them stepped into the hotel, they attracted everyone’s attention. ”

“Who is the person standing beside the eldest daughter of the Mu Family?”

“She’s so beautiful!”

“”She has a good figure, fair skin, and good facial features. My God, how can she be so beautiful?” ”

“”In the past, I thought Miss Mu was pretty good-looking, but now, it’s just a matter of looking at her!” ”

“This is called no harm without comparison.”

These words drilled into Mu Yourong's ears.

Mu Yourong frowned slightly.

Were these people blind?

They actually thought Ye Zhuo was good-looking!

She was clearly the Phoenix that roamed the nine heavens.

Who Did Ye Zhuo think he was?

"Just then, a petite girl walked over and asked curiously, "Sister Mu, you're here. By the way, who's this beauty beside you?" "

Her name was Xu Jiao.

"She was the daughter of the Xu family, and the Mu and Xu families were on friendly terms, so Mu Yourong had a good relationship with her."

"Mu Yourong held Xu Jiao's hand familiarly and said with a smile, "Jiao Jiao, this is Sister Ye Zao! Don't you know her?" "

Ye Zao?

"Xu Jiao was stunned for a moment, then covered her mouth in disbelief. "You mean, Mu Zao?" "

Mu Yourong nodded with a smile.

"Yes."

Holy shit!

Xu Jiao looked as if she had been struck by lightning.

Xu Jiao knew ye Zao very well.

“He wore strange clothes every day, and his face was covered with make-up like a ghost. He couldn’t read a few words and called her an idiot, which sullied the word ‘idiot’.”

“Although the Xu family had a good relationship with the Mu family in the past,.”

Xu Jiao didn’t like Ye Zao at all.

She didn’t expect ye Zao to become like this all of a sudden.

Xu Jiao wasn’t the only one who was stunned.

Even the others were stunned.

“When ye Zao was still Mu Zao, she was everyone’s entertainment.”

““I thought she was the daughter of some family, but it turns out she’s a fake idiot!” ”

“Wasn’t she chased out by the Mu Family? How could she still attend young master Li’s Party?”

““With just her, of course she doesn’t have the qualifications to attend young master Li’s Party. She must have followed Miss Mu. Miss Mu is also kind-hearted. If it were me, I wouldn’t bring that idiot over!” ”

Everyone's mocking voices were like knives.

But Ye Zhuo didn't care at all.

"His handsome face was still as calm as ever, so calm that it was as if the person being mocked was not her. "

"Mu Yourong curled her lips slightly, a smug look flashing in her eyes. "

"Just then, a middle-aged man with blonde hair and blue eyes walked over. "

"F \* ck! Toaeon's Mr. Embert is here too!"

Toaeon's company had a solid foothold internationally.

"In addition, Toaeon was a producer of high-end luxury goods, and the vice president, Mr. Embert, often appeared in financial newspapers, causing him to become a well-known celebrity. "

""As expected, young master Li still has a lot of face. He even invited Embert." "

"Mu Yourong puffed out her chest. Others might not be familiar with Embert, but she had indeed met him a few times. "

"Previously, she had submitted the jewelry design to TOAEON company. "

"So without thinking, she knew that Mr. Embert must have come to greet her and settle the matter of the design. "

"At that time, she would be the jewelry designer of TOAEON! "

“Seeing that Embert was getting closer and closer to her, Mu Yourong mentally prepared herself and took the initiative to extend her hand to Embert. “Hello...” ”

Seeing this.

Everyone revealed surprised expressions.

They did not expect that Embert was actually here to look for Mu Yourong.

A real daughter was a real daughter.

Who knew how many streets she would have to walk to surpass a fake daughter.

“But at this moment, Embert seemed to have not seen Mu Yourong at all. He directly walked past her and walked in front of ye Zao. “Miss Ye, I didn’t expect to see you here.” ”

“Ye Zao smiled slightly. “Mr. Embert, I also didn’t expect to see you here.” ”

“Beside him, Mu Yourong’s hand froze in mid-air. It was not right to take it back, nor was it right to not take it back. She was extremely embarrassed. ”

She hadn’t expected that Embert had actually come to look for ye Zao.

How did they meet?

Just what was going on?

Mu Yourong’s face was pale.

The others were also stunned!

Chapter 226: 093: it always feels good to keep slapping my face! 4

No one had expected that ye Zhuo and Embert knew each other.

Those who had been mocking ye Zhuo for being an idiot suddenly felt their faces hurt.

How could an idiot know Embert?

""Sister Mu, let's go and have a drink."At this moment, Xu Jiao walked over to Mu Yourong and held her hand. "

"With Xu Jiao's help, Mu Yourong's expression softened. "

""Sister Mu, how does that Idiot Know Embert?"Xu Jiao asked. "

"Mu yourong continued, "My dad and Mr. Embert are quite close..." "

"Xu Jiao frowned slightly and immediately understood what Mu Yourong meant, "So, Mr. Embert went to greet ye Zhu on account of Uncle Mu! "But it's so unfair to you! "You're the real Miss Mu! "How can ye Zao Swagger around with your identity? !" "

Ye Zao was so Shameless!

"Mu yourong hurriedly explained, "Jiao Jiao, I didn't mean that. Don't misunderstand! In fact, Sister Ye Zao is a very kind girl..." "

“Xu Jiao snorted. “Sister Mu! You’re the one who’s really kind! If she’s kind, she won’t be able to take over the family! Wait, I’ll teach her a lesson for you!” ”

“Jiao Jiao! Don’t do this!” Mu Yourong hurriedly tugged at Xu Jiao’s sleeve.

“Xu Jiao said, “Sister Mu, I know you’re a person who doesn’t even dare to step on an ant on the road, but I’m different from you. I’m a straightforward person and I don’t like to see good people being wronged! “Don’t worry! “I’ll definitely help you vent your anger!” ”

“With that, Xu Jiao picked up the goblet on the table and turned to walk toward Ye Zhuo. ”

Ye Zao was chatting with Mr. Embert.

““Miss Ye, I received the design draft you sent me last night! It’s very good! It’s in line with our corporate culture! I believe that once this single product is released, the demand will exceed the supply.” ”

Ye Zao picked up his goblet. “Thank you for your approval.”

Embert picked up his goblet as well.

Bang

“At this moment, a person suddenly walked over and directly bumped into ye Zhuo. ”

“Even though ye Zhuo was agile, some red wine was still spilled on his body. ”

““Don’t you watch where you’re Going?”Ye Zhuo frowned slightly. Even if she was an idiot, she should be able to tell that Xu Jiao did it on purpose. ”

It was because she was good at fighting.

If it were anyone else...

They would have fallen to the ground by now.

Embert was startled. "Are You Alright?"

Ye Zhuo shook his head slightly to show that he was fine.

"Xu Jiao said sarcastically, "I'm sorry. I didn't see clearly." "

""You didn't see clearly?"Ye Zhuo raised his eyebrows slightly. "If you didn't see Clearly, why didn't you bump into the Buffet Table?" "

As soon as he said this...

Everyone looked over.

So many people were looking at her.

"Xu Jiao's eyes immediately turned red and she said pitifully, "Miss Ye, I'm sorry. I really didn't see it clearly." "

"Mu Yourong walked over from the side and tried to smooth things over with a smile. "Sister Ye, everyone makes mistakes. Jiao Jiao has already apologized to you. She didn't even nod her head when she killed someone. Why do you have to be so unreasonable?" "

Hearing this.

Everyone nodded in agreement.

They felt that what Mu Yourong said was very reasonable.

A true daughter was a true daughter!

She was magnanimous!

“Hearing everyone’s praise, Mu Yourong felt extremely happy. She had finally regained her lost ground.”

Ye Zao’s expression didn’t change. He casually picked up the wine on the buffet table and poured it over Mu Yourong.

No one had expected ye Zao to suddenly do this!

Mu Yourong was stunned by this sudden scene!

She only felt that her chest was sticky.

It was obvious that she was in a terrible state.

“What are you doing!” Xu Jiao shouted.

“Ye Zao shrugged slightly. “Oh, sorry, my hand slipped. I didn’t mean it. Don’t be angry, Miss Mu!” ”

“What do you mean by ‘my hand slipped’? You did it on purpose!” Xu Jiao couldn’t contain her anger.

“Ye Zao looked down at Xu Jiao, his eyes sparkling, “Everyone makes mistakes. I’ve apologized to her and even killed her with my head on the ground. Miss Xu, Miss Mu, why do you have to be so unreasonable?” ”

She repeated what Mu Yourong had said to them.

“Xu Jiao stood where she was, her face alternately red and white. ”

She had never expected ye Zao to turn the tables on her!

She had never expected ye Zao to be so eloquent.

Chapter 227: 093: it feels good to be slapped in the face all the time! 5

Was this really the ye Zao that she knew in the past?

“Mu Yourong raised her head to look at ye Zao, her eyes filled with humiliation. “Sister Ye Zao, I wholeheartedly treat you as my sister. Don’t you think that this is a little too much?” ”

“Ye Zao crossed his arms across his chest. “Am I the one that’s too much, or are the two of you too much? Miss Mu, since your parents did not teach you what it meant to not persuade others to be kind without experiencing their hardships, then I can only do it for you today!”! ”

“After saying this, ye Zao lowered his eyes to look at mu yourong and continued, “The weather is getting hotter and hotter. Miss Mu, remember to drink less green tea and more boiled water.” ”

The other people at the side also reacted at this time.

“Why do I feel that what ye Zao said makes sense!”

“You are not alone!”

"It seems that Mu Yourong is not as simple as she appears on the surface!"

"I suddenly realized that ye Zao is quite cute."

Hearing everyone's words.

Mu Yourong was so angry that her face turned pale.

But she could not help but suppress the anger in her heart!

Little Slut!

"Ye Zao, this little slut! "

How would she dare?

"Ye Zao greeted Mr. Embert and went to the bathroom, preparing to clean up the wine stains on his dress. "

"Just as he walked to the bathroom door, he was stopped by a young woman. "Excuse me, is this Miss Ye?" "

"I am."Ye Zhuo nodded slightly.

"The young woman handed him an exquisite packaging bag. "Miss Ye, my name is Anna! This is the gown that master five specially asked me to prepare for you." "

"Cen Shaoqing?"Ye Zhuo raised his eyebrows.

“Yes.” Anna nodded.

Ye Zhuo took the bag. “Then I won’t stand on ceremony. Help me thank him.”

“Okay.”

Ye Zhuo walked to the bathroom to change his clothes.

“When he came out, Anna was still standing in front of the bathroom door. ”

“”Miss Ye, just give me the dress you changed into. I’ll get someone to clean it for you.” ”

“Ye Zhuo held the handbag. “There’s no need to go through so much trouble. I’ll bring it back and wash it myself. By the way, Where’s your fifth master? Take Me to see him.”After wearing other people’s clothes, he should thank her personally. ”

“Come with me.”

Anna guided ye Zhuo to the high-class member area of the hotel.

It was different from the noisy first floor.

“With the carpet under his feet, it was so quiet that not a single sound could be heard. ”

“After turning a corner, he saw Cen Shaoqing standing at the handrail on the third floor. From his angle, he could see everything that happened in the banquet hall on the first floor. ”

He just stood there with his hands on the handrail.

Overlooking the first floor.

“There was clearly no expression on the exquisite side of his face, but he was like a God who ruled over all things. Everything was under his control. ”

“Thank you for your clothes.”Ye Zhuo walked directly to his side.

“Hearing this, Cen Shaoqing looked back slightly. ”

He saw ye Zhuo who had changed his clothes standing beside him.

It was a white one-shouldered gown.

The design of the one-shouldered gown just revealed the beautiful collarbone.

The design of the pinching waist made the already slender waist look even more beautiful.

It made people want to stretch out their hands to measure it.

“The hem of the skirt was decorated with tiny diamonds. At this moment, under the illumination of the lights, these diamonds were emitting a dazzling light. ”

Under normal circumstances.

“With so many diamonds on the dress, an ordinary person would not be able to suppress it. After all, diamonds were too dazzling. It was easy for them to steal the halo of others. ”

“However, she was more dazzling than diamonds! ”

“In contrast to her, the diamonds seemed to have lost their luster. ”

This dress was more suitable for her than CEN Shaoqing had imagined.

“It’s just a dress. You’re welcome.” Cen Shaoqing’s tone was indifferent.

He had witnessed the entire process from the top.

He had originally thought that ye Zhuo would definitely suffer a loss.

“After all, public opinion was overwhelming!”

“But no one had expected that not only did she not suffer a loss, she had even caused mu yourong to suffer a loss.”

Her style of handling matters was not at all like that of a nineteen-year-old girl. Damn

Ye Zhuo placed both hands on the railing and looked at the first floor. “The scenery here is not bad. You sure know how to find a place.”

“Fifth brother! So You’re really here? Why Don’t you go down and take a look? Mu...”

Li Qiandong ran over while panting.

“When he saw ye Zhuo standing beside Li Qiandong, he was stunned. “M-god?” ”

“Mr. Li.” Ye Zhuo nodded slightly.

It was really ye Zhuo!

Li Qiandong was astonished.

Why was Ye Zhuo with Cen Shaoqing?

Moreover...

Li Qiandong's expression was very complicated.

"He could tell that Li Qiandong and Cen Shaoqing had something to say, so ye Zhuo did not stay here any longer. He continued, "Fifth brother, I'll go to the first floor first then." "

Chapter 228: 093: it feels good to keep slapping my face! 6

Hearing this.

Cen Shaoqing nodded slightly.

Li Qiandong was stunned.

What did he hear?

He heard ye Zhuo call Cen Shaoqing fifth brother!

You have to know.

No one else could call Cen Shaoqing fifth brother other than him.

Outsiders had to respectfully call him fifth master.

And he also gained Cen Shaoqing's trust because he sacrificed himself to save Cen Shaoqing in the war-torn region of the Middle East eight years ago...

But how many days had ye Zhuo known Cen Shaoqing?

"Moreover, in Li Qiandong's eyes, Cen Shaoqing had never been a person who loved talent. "

"Even if ye Zhuo had technological talent, he should not have treated her so differently. "

"Moreover, Ye Zhuo had just been wearing that gown. "

"Fifth brother, the gown that the almighty wore just now was brought over from the capital, right?" Li Qiandong asked. "

"Yes." Cen Shaoqing nodded slightly without any special expression on his face.

"Hearing this, Li Qiandong's face was full of surprise! "

It really was!

"Li Qiandong swallowed his throat and asked the question in his heart, "Fifth brother, do you, do you like the Almighty?" "

The gown that ye Zao was wearing just now was not as simple as the one he brought from the capital!

"It had been personally designed by Cen Shaoqing's second sister, Cen Yueya, for her future brother and sister. "

Just the diamonds on the gown alone had cost tens of millions.

The fabric used for the gown had been imported from country L.

The reason why it had been brought to the capital was originally to allow Mu Yourong to wear it at the engagement ceremony.

Unexpectedly.

The two had broken off the engagement due to a misunderstanding.

But today!

They were wearing it on ye Zao.

Could it be that he had misunderstood?

“Cen Shaoqing did not come tonight because of Mu Yourong at all, but because of ye Zao?”

Li Qiandong felt a little confused.

How could Cen Shaoqing Like Ye Zao?

“Although ye Zao was very powerful, if Cen Shaoqing fell in love with ye Zao, what would Mu Yourong do?”

Ye Zao did not need to rely on a man to live well.

But Mu Yourong was different.

Mu Yourong needed Cen Shaoqing.

“You’re thinking too much. I only have admiration for ye Zao.” Cen Shaoqing twirled the Buddhist beads.

“Admiration?” Li Qiandong frowned. “Fifth brother, if it was just admiration, would you let her wear the gown that sister Yueya personally designed? This was designed by Sister Yueya for the future fifth sister-in-law.”

“Cen Shaoqing turned to look at Li Qiandong. “It’s just a gown. If she wears it, she’ll wear it. How can there be so many twists and turns? Besides, I won’t marry, and you won’t have a fifth sister-in-law.”

“Fifth brother, do you really not like the Almighty?” Li Qiandong asked.

“I don’t.” Cen Shaoqing shook his head.

“Li Qiandong continued, “Since you don’t like the Almighty, then consider Miss Mu! After all, Miss Mu was once your fiancée! Moreover, she’s a good person and has a kind heart!”

“Cen Shaoqing turned his eyes slightly and looked at Li Qiandong. “Since she’s so good, why don’t you marry her! I’ll Be Your Matchmaker.”

“Li Qiandong was stunned for a moment and said somewhat embarrassedly, “How can I be worthy of Miss Mu!”

Li Qiandong truly felt that he was not worthy of such an outstanding Mu Yourong.

“Cen Shaoqing’s thin lips parted slightly. “Between the two of you, one is a foolish playboy, while the other is a scheming green tea. It’s simply a match made in heaven.”

The term green tea.

Cen Shaoqing had just learned it from ye Zhuo.

It could also be considered to be using what he had learned.

“Hearing this, Li Qiandong was extremely anxious and hurriedly explained for Mu Yourong: ”

“”Fifth brother! You’ve really misunderstood Miss Mu! Miss Mu isn’t the kind of person you think she is. She’s really very kind! She has helped many people before, and she didn’t even dare to kill cockroaches!” ”

He didn’t understand why CEN Shaoqing had such a deep prejudice against MU yourong.

Cen Shaoqing usually looked like a smart person.

Good and evil were distinct.

Why was he so muddle-headed now?

Cen Shaoqing couldn’t be bothered to listen to Li Qiandong’s nonsense. He turned around and walked downstairs.

Li Qiandong sighed helplessly.

He had missed out on such a kind-hearted girl like Mu Yourong.

Cen Shaoqing would regret it one day.

“At that time, it would be useless even if he regretted it. ”

“Even if Cen Shaoqing had taken a liking to Mu Yourong, based on Mu Yourong’s personality, it was unlikely that she would take a liking to Cen Shaoqing.”

“After all, Mu Yourong was not the type of money-grubber who clung to the powerful.”

Li Qiangdong did not want Cen Shaoqing to regret it.

On the first floor.

“Ye Zhuo began his journey to taste the desserts. He ate over ten plates in one go. The Michelin Master in charge of making desserts was stunned. “Miss, aren’t you afraid of gaining weight?” ”

Chapter 229: 093: it feels good to be slapped in the face all the time! 7

“Ye Zao raised his eyes slightly and said with a smile, “You made the dessert so delicious. What does it matter even if you are a little fat?” ”

There was no dessert master who did not like to be praised for his culinary skills.

“Hearing this, the master’s face was full of smiles. “Since you like to eat so much, I will show you my specialty, Dessert Mont-blanc!” ”

This dessert was usually served in a limited edition Michelin restaurant.

Only three servings were made every day.

Today's reservation was already scheduled for next year.

Ye Zhuo's eyes lit up. "Great! I'm looking forward to it!"

The master began to make dessert on the spot. Ye Zhuo waited for the dessert while chatting with him.

"Through chatting, Ye Zhuo learned that the master's surname was Wu."

He was Chinese.

"Not long after, the legendary Dessert Mont-blanc was ready."

Master Wu brought it to Ye Zhuo.

"Try it."

"It had an exquisite appearance, and it looked very delicious!"

"Ye Zhuo picked up a spoon and took a bite. The taste was slightly sweet, and the mellowness of the chocolate instantly spread on the tip of his tongue. It was sweet but not greasy. "Delicious! Too Delicious! Master Wu, your craftsmanship is superb!" "

Master Wu was very happy to be praised.

Cen Shaoqing had just come down from upstairs when he saw ye Zhuo sitting there eating dessert.

"Moreover, she was chatting with the dessert maker while eating."

She seemed to be quite happy chatting with him.

“In her memory, she seemed to be able to chat with anyone. ”

“First, she had an old friend with old Mrs. Cen. ”

“Then, she addressed Zhou Xiang as a sister. ”

“Now, she was actually chatting so happily with a dessert maker. ”

“If this was any other person, they probably wouldn’t be as easy-going as she was. ”

“After all, when old madam Cen knew her at that time. ”

She was just a beggar who didn’t have anything

“Cen Shaoqing just stood there, holding a string of Buddhist beads in his hand. There was a trace of coldness in his abstinence, and his entire body emitted a domineering aura that caused people to be unable to catch up to him. ”

“This caused everyone to turn around and look at the Prime Minister, and they all guessed who this was. ”

Mu Yourong discovered Cen Shaoqing at the first moment.

“Moreover, she discovered that Cen Shaoqing was looking in her direction. ”

Cen Shaoqing was looking at her!

“When she realized this, Mu Yourong was ecstatic. Her heart was so excited that it was beating non-stop. ”

She was thinking.

“If Cen Shaoqing took the initiative to talk to her, how should she reject him? ”

Yes!

Mu Yourong wanted to reject him!

“After all, a man like Cen Shaoqing would definitely be surrounded by a bunch of coquettish bitches who wanted to throw themselves at him! ”

And she was different from those coquettish bitches.

She would be the first person to reject CEN Shaoqing!

Only in this way would she be able to deeply attract CEN Shaoqing’s gaze.

Make Cen Shaoqing marry only her!

He would only love her for the rest of his life.

““Yourong, when did you arrive? Why didn’t you let anyone tell me?”A pleasant male voice sounded in the air.”

“Mu Yourong turned around and saw that it was Li Qiandong. She said gently, “The people who came to the banquet today all have a higher status than me, so I thought that it was best not to disturb Big Brother Li!” ”

Mu Yourong was too understanding!

Li Qiandong sighed in his heart.

“Unfortunately, Cen Shaoqing could never see it. ”

“At this moment, a fat man carrying a gorgeous brocade box walked over to offer his hospitality. ”

“”Young master Li, these are the four treasures of the study that I bought at the auction house not long ago. It is said that they were left behind by master song. I know that senior Li is a scholar, so I believe that he will definitely be interested in these things. This is just a small token of my appreciation. Young Master Li, please accept it.” ”

Li Qiandong’s gaze fell on the brocade box as his thoughts spun.

“He asked his assistant to accept the items and turned to Mu Yourong. “Yourong, I heard that your calligraphy is not bad. There was a master calligrapher in the past. Why Don’t you give it a try? What is this thing that master song left behind?” ”

He wanted Mu Yourong to perform her calligraphy in public.

It was said that a person’s handwriting was like a person’s.

A person’s handwriting represented her appearance and recuperation.

“It just so happened that Cen Shaoqing was also a fan of calligraphy. Who knows, it might be able to gradually attract Cen Shaoqing to Mu Yourong and change his opinion of Mu Yourong. ”

“Once these words were said, everyone looked at each other and began to discuss in low voices. ”

Everyone wanted to see if Mu Yourong’s handwriting was that good.

Mu Yourong was naturally willing to perform a calligraphy show in front of everyone.

“Although the system had not been upgraded to level 10 yet, it was still not a problem to use it to display calligraphy once.”

“With the system in hand, she was a master calligrapher.”

“Then I’ll make a fool of myself!”

Li Qiangdong got someone to arrange the four treasures of the study.

“Mu Yourong walked over, picked up a brush, and began to write on the hanging rice paper.”

Everyone stared at Mu Yourong without blinking.

“Mu Yourong worked hard and wrote two lines on the rice paper: The Sea admits all rivers, and tolerance is great!”

“The brush was flowing like water, with a silkworm head and a swallow’s tail!”

It was very beautiful!

“It’s really well written!”

“The MU family is indeed a scholarly family!”

The onlookers praised sincerely.

“Mu yourong said humbly, “It’s not well written. I’m sorry for making a fool of myself!” ”

“Xu Jiao suddenly said, “If sister mu can write so well, then Miss Ye, who grew up in the MU family, must be able to write even better, right?” ”

“That Little B \* tch, Ye Zhuo, would make her suffer so much! ”

“Now, of course, she couldn’t let go of this opportunity to embarrass ye Zhuo. ”

“Mu Yourong followed her words and said, “I think sister Ye Zhuo is also very outstanding.” ”

“Xu Jiao said, “Then why don’t we invite Miss Ye to come up and compete with sister Mu to see who is better?” ”

“As soon as she said this, everyone turned their eyes to Ye Zhuo, who was eating dessert. ”

“Ye Zao, who was suddenly hit by Cue, frowned slightly. ”

Who would be in the mood to write in front of such delicious food?

““If my handwriting isn’t good, then I won’t embarrass myself.” ”

“Hearing this, everyone revealed an expression of understanding. ”

Ye Zao was originally a good-for-nothing.

“He actually said that he couldn’t even recognize it, so how could he know calligraphy? ”

No wonder he didn’t dare to come up and compete with Mu Yourong!

“So, this was true. A fake could never become real! ”

“Even if she became beautiful now, she would not be able to stand out in public. ”

“Mu Yourong tried to explain for ye Zao, “Although Sister Ye Zao grew up in my family, she is not of the Mu family’s bloodline after all. Therefore, it is understandable that her handwriting is not good.” ”

“Ye Zao raised his eyebrows slightly and put down the dessert in his hand. “Since everyone is in such high spirits and wants to see me embarrass myself, then I won’t spoil everyone’s elegance.” ”

Chapter 230: 093: shock the audience! Old Lady Cen shredding a trash woman with her bare hands! 1

Ye Zao was not someone who liked to be in the limelight.

“Unfortunately, Mu Yourong refused to let go, making her the target of public criticism. Then she would accompany Mu Yourong and have fun! ”

Let her know what a true expert was!

Ye Zao really did not take Mu Yourong’s tender handwriting seriously.

“Hearing this, Mu Yourong was stunned. ”

She did not expect ye Zao to suddenly agree.

“Ye Zao was struggling on the brink of death, right? ”

“After all, Ye Zao grew up in the Mu family from a young age. He received the best education, but he became a trash that everyone knew. ”

“And she lived in the lowest level of the slums, but she was still outstanding! Who knew how many streets she had surpassed ye Zao! ”

1

“Thinking of this, the corners of Mu Yourong’s lips curled up, and her heart was extremely happy. ”

“With the contrast of the green leaves, the red flowers would become even more beautiful. ”

At this moment.

She was the king of the flowers!

“Xu Jiao looked at Ye Zao with a smile, her eyes full of ridicule, “Everyone in Yun Jing knows about Miss Ye’s reputation. Since you don’t have the ability, Miss Ye, you’d better not force yourself and save everyone’s time.”What a disgrace! ”

A trash who couldn’t even hold a brush properly actually dared to compete in calligraphy with Mu Yourong.

He really overestimated himself!

““Hearing is believing, seeing is believing. Miss Xu comes from a prestigious family, how could she not understand such a simple principle?”Ye Zhuo slightly raised his eyes to look at Li Qiandong. “I’ll have to trouble Mister Li to get someone to bring me another brush.” ”

Li Qiandong nodded and immediately got someone to prepare the brush.

“Very soon, the servant came over with the brush. ”

Ye Zhuo took the brush and came to the table. He picked up another brush with his left hand and held a brush in each hand. He leaned slightly and began to dip the brush in ink.

“A wisp of black hair drooped down from the side of his face mischievously, adding a bit of liveliness and beauty to it. ”

“Seeing this action of Ye Zhuo, everyone was a little surprised. ”

“Holy Sh \* t! What does she want to Do?”

“Use both hands? Write with both hands at the same time?”

“”If she’s really using both hands, then she’s Too Amazing!” ”

“She’s faking it! She’s definitely faking it! She’s just stalling for time!”

“Ye Zao was just a trash who couldn’t even read properly, so how could he use both hands at the same time. ”

Not to mention ye Zao.

Even a famous calligrapher was unable to use both hands at the same time.

Mu Yourong just looked at ye Zao.

Her eyes were full of pride.

“Like everyone else, she didn’t believe that ye Zao could do this. ”

She wanted to see how ye Zao would end up.

“However, Ye Zao’s reputation was bad enough, so she probably didn’t care if it was even worse. ”

“A stepping stone was a stepping stone. No matter how hard she tried, she could only become a stepping stone. ”

It wasn’t just Mu Yourong and Xu Jiao. The others present were also waiting to see ye Zao make a fool of himself.

“Some people even turned on their phones, ready to post ye Zao’s embarrassing situation on their wechat moments. ”

It was also at this moment that ye Zao dipped his pen in ink and slightly straightened his back. He raised his pen with both hands and pressed the tip of the pen on the rice paper.

His movements were very fluid.

“From a distance, he could even see the graceful beauty of martial arts. ”

“Very quickly, two lines of words appeared on the Xuan paper on the left and right sides: concealing cleverness while being clumsy, using obscurity while being clear; concealing clarity while being muddled, using bending as an extension. ”

“The Strokes formed the wind, the strokes were horizontal, vigorous and powerful! ”

The words on the left and right sides each had their own style.

One stroke and one stroke were both extremely shocking.

It had the power to Swallow Mountains and rivers!

“This calligraphy could not be written by a master without several decades of cultivation, not to mention that she was drawing from both sides.”

“Originally, Mu Yourong’s calligraphy could still be read. However, with the contrast between these two characters, the calligraphy on the side was like that of a primary school student.”

There was no contrast at all!

“This round, Ye Zao won extremely beautifully!”

At this moment.

The entire room was silent.

No one had expected that Ye Zao actually had this ability.

She had actually accomplished something that even the calligraphy masters had not done!

Was this really that good-for-nothing?

Everyone had different expressions on their faces.

Those who had originally wanted to laugh at Ye Zao were all dumbfounded.

“This, this was just too amazing!”

Layer after layer of cold sweat broke out on Mu Yourong’s back.

Just what was going on with ye Zao?

“She was clearly a good-for-nothing who did not even know a few big words, so how could she have written such a beautiful calligraphy? ”

“Clap Clap Clap!”

Deafening applause rang out from the surroundings.

How intense the applause at this moment was.

Mu Yourong’s expression was extremely unsightly.

“She was the legitimate eldest daughter of the Mu family, but today, she actually lost to a fake daughter who was occupying the magpie’s nest. ”

“Moreover, this fake daughter was a trash that everyone knew about. ”
