Chapter 2211: 464: standing at the top without any help! 2

“”Alright.”Master Cao continued, “Then I’ll go do it now.” ”

“Thank you for your hard work.”The only person that Manxing could trust now was master Cao.

Master Cao turned around and left.

Manxing turned on the recording device and began to record the video.

“Soon, Manxing appeared on the other end of the video with tears in his eyes, “Hello, I’m full star... .. I’m really sorry, I’m a little out of shape today, and I didn’t expect to greet you like this, but first I’d like to apologize. I’m sorry For one thing, I didn’t expect my parents’ death to be a secret, and for another, I still can’t believe that the murderer is my own brother” ”

“Speaking up to this point, Manxing was already in tears. He vividly portrayed the image of a good daughter and good sister. ”

“”I’m Manwen’s biological sister. I watched Manwen grow up from a young age. Manwen was really cute when he was young. Although he was a little different from other people’s children, he never did anything out of the ordinary. I really didn’t expect that Manwen would do such a thing... .. I’m sorry, I’m really sorry. I didn’t do my duty as a sister, nor did I do my duty as a daughter. I’ve let down my parents, and I’ve let down Manwen” ”

“Manxing was full of sincerity, causing the eyes of the people watching the video to turn red. ”

“[Miss Manwen, this isn’t your fault!] ”

“[yes, this isn’t your fault at all!]! [Miss Man, you must not blame yourself. The reason why Manwen became like this has nothing to do with you. This is his nature. You and he are from the same mother. Why are you so outstanding and he so crazy?]? [even his biological parents can do it.] ”

"[sister is a good sister. Unfortunately, Brother is not a good brother. Sister has already done her best to be like Miss Manxing.] "

"Lady of Manxing, although you are the elder sister of Manwen, you are not much older than Manwen." "

"Although they are siblings, in fact, Lady of Manxing is only two years older than Manwen. The two of them are already about the same age. It is all his fault that Manwen has become like this. It has nothing to do with Lady of Manxing." "

"..."

"On this side, when ye Han saw the news on the starnet, his entire being was in a bad mood. He immediately rushed over to look for ye Zhuo. "

"Sis! Something happened!"

"Ye Zao was chatting with Shi Qingcheng. When he saw ye Han like this, he looked back in puzzlement. "What happened?" "

"Man Wen, something happened to man Wen!"Ye Han said. "

"Hearing this, ye Zao frowned slightly. "

"What happened?"Ye Zao asked.

Ye Han immediately opened the portable system. "Look at this."

"Looking at the situation on the starnet, ye Zao's expression did not change. She had long expected that man Xing would not let it go, but she did not expect that man Xing would move so quickly. "

It had only been a few days.

Man Xing could not sit still?

But this was also good.

It saved her from taking the initiative to make a move.

“Sister, what do we do now?” Ye Han said anxiously, “Man Wen has already been caught and thrown in!” ”

“Ye Zhuo continued, “You go to grandmother Fei’s house.” ”

“Go to Grandmother Fei’s house?” Ye Han was stunned for a moment and did not react.

“What time was it now, and Ye Zhuo still wanted him to go to Grandmother Fei’s house?”

“Ye Han even thought that he had misheard and continued, “Sister, you want me to go to Grandma Fei’s house?” ”

“Yes.” Ye Zao nodded slightly.

“Why are you going to Grandma Fei’s house?” Ye Han continued to ask.

“Ye Zao said, “After you go, Grandma Fei will tell you.” ”

“Okay.” Ye Han nodded. “Then I’ll go right away.”

“Go quickly.”

Ye Han turned around and walked out.

“Shi Qingcheng looked at ye Zao and continued, “Zao Zao, do you need help?” ”

“”No need,”ye Zao replied. ”

“Shi Qingcheng continued, “Man Wen should have been wronged, right?”Although she had only met man Wen once, she could tell that man Wen was definitely not the kind of person who was cold-blooded and heartless. ”

“En.”Ye Zao nodded slightly. “He was framed by someone.”

“Shi Qingcheng saw that ye Zao was dressed calmly and continued, “Zao Zao, did you already expect this?” ”

“Ye Zao did not hide it. “Yes. Ever since man Jiangshan and Zhao Dan’s couple got into trouble, I felt that something was not right, so I kept an eye out.” ”

“At that time, Ye Zao was only guessing. She did not expect that the person who attacked man Jiangshan and Zhao Dan’s couple was actually man Xing. ”

“Man Xing was the daughter that this couple loved the most. The two of them would never have dreamed that one day, they would die at man Xing’s hands. ”

“Shi Qingcheng Hugged ye Zao’s arm. “Zao, you’re still as powerful as when you were young.” ”

Chapter 2212: 464: standing at the top without any help! 3

She recalled the days when she roamed with ye Zao.

“At that time, Ye Zao was the same age as her, but he was like a big sister, protecting her from everything.”

“Ye Zao smiled and said, “Of course, if I’m not powerful, who is?” ”

“”So, who is the real culprit behind the scenes?”Shi Qingcheng asked curiously. ”

“Ye Zhuo narrowed his eyes and continued, “Who benefits the most from Manwen’s imprisonment?” ”

“Manxing?”Shi Qingcheng asked incredulously.

“It’s her.”Ye Zhuo nodded slightly.

Shi Qingcheng felt that her worldview had been refreshed. “But aren’t Manjiangshan and Zhao Dan her biological parents?”

She had never heard of such a thing in her entire life!

“”Man Xing is a very ambitious person. In order to achieve her goal, she will do anything.”Ye Zhuo continued, “The reason why man Wen has a reputation of being a hedonist is all thanks to her. If Man Wen’s will was a little weaker, he would really become a good-for-nothing hedonist!” ”

This was also one of the things that ye Zhuo admired about man Wen.

“A well-fed, pampered, well-fed life was really easy to cripple a person. ”

But Man Wen did not.

“Not only did he not, but he also learned how to hide and successfully deceived man Xing.”

““Oh my God!” Shi Qingcheng said in disbelief, “You mean, the reason why man Wen’s reputation is so bad is entirely because of man Xing?” ”

“Yes.” Ye Zao nodded slightly.

““Then man Wen is not easy,” Shi Qingcheng sighed, “He had a parent who favored his sister since he was young, and he was deliberately raised and crippled... Zao Zao, do you have evidence now? You must not let man Xing succeed!” ”

““Don’t worry,” Ye Zao said. ”

“On this side, Ye Han ran all the way to Granny Fei’s residence. ”

“Hearing the footsteps, Granny Fei, who had been taking a nap, slowly opened her eyes. She turned her head to look at the source of the sound and said with a smile, “Han Han is here.” ”

“Granny Fei.”

“Granny Fei slowly stood up from her rocking chair. “It was Zao Zao who asked you to come, right?” ”

“Yes.” Ye Han nodded.

“Granny Fei smiled and said, “Follow me.” ”

Ye Han followed Granny Fei’s footsteps.

...

On the other side.

“Under the citizens’ Bloody Letters, man Xing was ‘forced’ to bring charges against man Wen, accusing him of hiring a murderer to kill.”

“Facing Man Wen were two lives. Once convicted, he would be immediately hanged.”

“Man Wen sat in the interrogation room, his face somewhat haggard.”

He had never thought that man Xing would use this matter as an excuse.

Who was the murderer who hurt his parents?

Why did the smuggler who surrendered want to frame him?

Could it be...

“Thinking of this, Man Wen’s heart skipped a beat.”

Could it be that man Xing had something to do with his parents’ death?

“Although Man Wen hated man Xing, he still couldn’t face this fact.”

“No matter how vicious man Xing was, he shouldn’t have made a move on man Jiangshan and Zhao Dan.”

“After all, man Jiangshan and Zhao Dan were their biological parents.”

“Man Wen knitted his brows tightly, and the expression on his face was a little unsightly.”

““Be lenient if you confess, but strict if you resist.” At this moment, the interrogator rudely picked up the lamp and shone it on man Wen’s face. “Yang Xiaowei has already confessed. You should confess earlier too! You Don’t have to suffer physical pain.” ”

The mood of the people was very high right now. They were all waiting for the police department to give an answer.

Man Wen’s thoughts were pulled back at this moment. He raised his head and looked at the interrogator. “I didn’t do those things.”

““Didn’t do them?” The interrogator continued, “If you didn’t do them, would Yang Xiaowei give you up? If you didn’t do them, you would be caught! Everyone who came here said that they were wronged!” ”

“At this point, the interrogator took out a piece of paper. “I advise you not to delay any longer. Sign It quickly!” ”

““If you didn’t do it, then you didn’t do it.” Man Wen waved the pen that the interrogator handed over. “Don’t you understand human language?” ”

Pa..

The pen fell to the ground with a crisp sound.

“The interrogator was furious. Just as he was about to punch man Wen, the door of the interrogation room was pushed open from outside. “Xiao Li.” ”

“What’s Wrong?” The interrogator looked up.

“Come here for a moment.”

The interrogator put down the light and walked over.

That person whispered a few words into the interrogator's ear.

"Hearing that, the interrogator nodded. "Got it." "

"After saying that, that person turned around and left. "

The interrogator returned to the room and looked at his two subordinates. "Send him to the small dark room first."

"Yes."

"Man Wen was lifted up from the left and right. The tip of his feet left the ground. In the next second, man Wen directly shook off the shackles of the two men. "

"Let Go! I can walk on my own."

"At this moment, Man Wen did not hide anything. His aura was fully unleashed, making people feel a little stunned. "

The two guards did not dare to Touch Man Wen anymore. They just followed behind man Wen.

"The small black room was a completely sealed room. It was pitch-black and isolated from all sound from the outside world. If one's mental endurance was not strong, one could make people surrender within an hour. "

"However, a small dark room of this level was nothing to man Wen. "

The things he had experienced when he was young were more than ten times darker than this one.

Man Wen squatted in a corner. The Darkness covered his expression.

...

On the other side.

In the office.

Man Xing turned to look at his assistant.

“How’s the matter going?”

“The assistant nodded and said, “Don’t worry, everything is ready.” ”

“Is there any movement on ye Zao’s side?”Man Xing asked.

The assistant shook his head. “Not yet.”

“Man Xing was stunned. Things had developed to this point, but there was no movement from ye Zao at all. ”

This was a little strange.

“Logically speaking, ye Zao should have reacted. ”

“”What About Man Wen?”MAN XING continued, “Has man Wen confessed yet?” ”

“Not yet.” The assistant continued, “But you don’t have to worry. With chief judge Li around, he has plenty of ways to get Manwen to confess.” ”

“Okay.” Man Xing nodded.

“She was not in a hurry about this matter. Now that all the evidence had been destroyed, could it be that ye Zao could still predict the future? ”

“Continue to keep an eye on ye Zao’s side. If there are any problems, remember to report to me immediately.” Man Xing looked at the assistant. ”

“Okay, don’t worry.” ”

Ye Zao must be very busy with the matter of man Wen. How could he be distracted to find the people she sent over?

This was only the beginning.

The fun was yet to come!

“She wanted ye Zao to watch in front of her. She, man Xing, could stand at the top without any help from anyone! ”

Chapter 2213: 465: Ye Zao makes his move! 1

“Whatever ye Zao could do, she could do it too! ”

What was ye Zao?

“Given time, she would definitely be more than ten times more dazzling than ye Zao.”

“Thinking of this, man Xing narrowed his eyes. His eyes were filled with a vicious light.”

Du Du du —

“At this moment, there was the sound of knocking on the door.”

Man Xing came back to his senses and brushed the hair on his forehead behind his ears. “Come in.”

“A moment later, master Cao walked in from outside the door.”

“Master.” Man Xing stood up.

“Master Cao nodded and said, “Zhao Shan Dong is here.” ”

“Please let him in.”

“Okay.”

“Soon, Zhao Shan Dong walked in from outside the door.”

“Although it had only been two or three days, Zhao Shan Dong seemed to have aged more than ten years under the mental pressure. He looked especially Haggard.”

“When he saw man Xing, Zhao Shan Dong dared to believe that the news he had heard was true. His eyes instantly lit up. “Miss Man Xing!” ”

“Chairman Zhao,” man Xing said. ”

“Zhao Shan Dong was so happy that he was about to cry. “Miss Man Xing, it’s great to see you! Don’t worry, I didn’t say anything!” ”

“If man Xing still didn’t find him, he wouldn’t be able to hold on any longer. ”

Fortunately.

“Fortunately, man Xing was back. ”

“Man Xing nodded. “Chairman Zhao, I know your performance these few days. Don’t worry, as long as I’m here, no one will dare to touch you.” ”

“Thank you, Miss Man Xing, thank you!” Zhao Shan Dong said excitedly. ”

“No need to thank me.” Man Xing looked down at Zhao Shan Dong and continued, “You should thank yourself properly.” ”

One sentence had two meanings.

“It was a threat, but it was also a blow. ”

“If Zhao Shan Dong had betrayed her, he would have gone to Hell long ago. ”

“Zhao Shan Dong was stunned for a moment, and cold sweat almost broke out in an instant. These two siblings of the man family were indeed not to be trifled with. Man Wen seemed to be a silkpants, but in fact, he was deeply hidden. Man Xing, on the other hand, was not a kind person from the beginning to the end., after that, Zhao Shan Dong quickly reacted. “Miss Man Xing, don’t worry. I, Zhao, will never betray you no matter what!” ”

“Yes.” Man Xing nodded. “I understand. Get Up First.”

“Upon receiving man Xing’s orders, Zhao Shan Dong immediately stood up from the ground. ”

“”Remember what you said today.” Man Xing gently folded a flower. “Otherwise, this flower will be your end.” ”

She used the most gentle voice to say the most vicious words.

“Zhao Shan Dong immediately said, “Miss Man Xing, don’t worry. I will do my best for You!” ”

“”Go,” man Xing continued. ”

“”Okay.” Zhao Shan Dong nodded. “Miss Man Xing, I’ll be leaving first.” ”

“Okay.” Man Xing nodded.

“Zhao Shan Dong walked out. At this moment, man Xing seemed to have thought of something and said, “Wait.” ”

“Zhao Shan Dong immediately stopped in his tracks. “Miss Man Xing, do you have any other instructions?” ”

Man Xing picked up a document from the table and threw it to Zhao Shan Dong. “Take care of this.”

“Zhao Shan Dong took the document. “Yes, Miss Man Xing.” ”

“Looking at Zhao Shan Dong’s back as he left, man Xing narrowed his eyes. ”

“After coming out of the office, Zhao Shan Dong let out a deep breath. ”

“Man Xing had not said a single harsh word from the beginning to the end, but it had scared him badly. His back was drenched in cold sweat. ”

“Soon, Zhao Shandong left the presidential palace. ”

On the other side.

“Man Wen was sitting in a corner of the small black room. At this moment, the door of the small black room was pushed open. ”

“Before Man Wen could react, a cold light flashed over. ”

Bang Bang Bang —

“Nothing could be heard in the darkness, only the sound of a few heavy objects falling to the ground. ”

“Are you going to confess?”

“”No.”Man Wen was pressed to the ground by the three strong men, wiping away the blood at the corner of his mouth. ”

“”Okay, you’re not going to confess, right? If not, you’re prepared to stay here for the rest of Your Life!”One of them stood up from the ground. “Let’s go.” ”

The other two immediately followed his footsteps.

“After closing the door of the small black room, the figures of the three people appeared under the light.
”

They were wearing uniforms and had tall and big figures.

“If there were anyone present, they would definitely be able to recognize that these three were the top guards of Manxing country.”

“Boss, are we going to let Manwen off just like that?” One of them caught up to the leading man’s footsteps.”

“The leader narrowed his eyes. “Don’t worry, Man Wen won’t be able to hold on much longer.” ”

He had placed a few pheasant necks in the small dark room just now.

“Seeing him like this, the man asked, “Boss, you released the Pheasant Necks?” ”

“Yes.”

“Pheasant necks were a very rare type of snake. In the entire S galaxy, only the Shangguan family could tame this type of snake.”

“Chicken head snake body, killing in the invisible.”

Chapter 2214: 465: Ye Zao makes his move! 2

“At that time, even if Manwen did not confess, he would not be able to save his life.”

“If he died in the dark room, he would be committing suicide without a crime!”

He believed that the people would be very satisfied with this result.

“After all, Manwen was now an existence that had to be executed ”

“Other than a few trusted aides, no one knew that the Shangguan family had tamed the neck of a pheasant, so no one could find out that Manwen had been bitten to death by the neck of a pheasant. ”

“The leading man continued, “You guys go first. I still have something to do.” ”

“Okay.”

“The leading man came all the way to the president’s office, Manxing’s office. ”

“Man Wen sat at his desk and poured him a cup of tea. “Mr. Shangguan, please take a seat.” ”

Shangguan Tengran leaned over and sat opposite Manxing.

“I heard that Mr. Shangguan likes tea. How do you like the taste of this tea?”

Man Xing handed the tea over.

“Shangguan Tengran took the Teacup, but his hand was placed on man Xing’s hand. The two of them were in a stalemate, “Miss Xing ‘er, I have taken care of everything. Even if man Wen doesn’t confess this time, he will only end up committing suicide.” ”

Man Xing was not angry. She let Shangguan Tengran hold her hand like this.

She wanted Manwen to be doomed forever.

And Shangguan Tengran wanted her promise.

“An equal exchange, which was very fair. ”

Manxing was a person who would do anything for the final result.

“No matter what the means, as long as the final goal could be achieved, it was the winner. ”

“The winner was the king, and the loser was the bandit. ”

“Can I believe the words of a man?”Manxing curled her lips.

“Shangguan Tengran clenched man Xing’s hand tightly, as if he could only contain man Xing in his eyes.
“Xing ‘er, if you don’t believe me, just wait and see the result.” ”

“Okay.”Man Xing nodded. “I’ll wait for Mr. Shangguan’s result.”

“As he finished speaking, man Xing gently pulled his hand out. ”

“Shangguan Tengran took a sip of tea, closed his eyes, and sighed. “Good tea.” ”

““Mr. Shangguan, if you like it, you can bring some back,”man Xing said. ”

“Shangguan Tengran smiled and said, “Compared to the ones I brought back, I prefer the ones made by Miss Man Xing herself.” ”

Man Xing smiled and said nothing.

“Shangguan Tengran continued, “If man Wen commits suicide because of guilt, can miss man Xing ‘er fulfill her promise?” ”

“Yes.”Man Xing ‘er nodded.

“Shangguan Tengran stood up from his chair, “Okay, then please wait and see Miss Xing ‘Er.” ”

“I’ll be waiting for your good news.”

“Goodbye.”Shangguan Tengran said to Manxing.

Manxing stood up to send Shangguan Tengran off.

“The goddess of the past was walking beside him, and Shangguan Tengran’s heart was beating fast. ”

“Thump, thump, thump, he almost jumped out of his chest. ”

He had always liked Manxing since he was young.

“Manxing was not only beautiful, but also extremely intelligent. In manxing country, as long as a Manxing was second, no one would dare to be second. ”

“Shangguan Tengran’s adolescence was full of stars, and the rest of his life was also full of stars. ”

He had never thought that one day he would be able to successfully hold the goddess’ hand.

“When he reached the door, Manxing stopped and said, “Mr. Shangguan, I’ll send you here.” ”

“”Okay.”Shangguan Tengran turned to look at man Xing and said, “Miss Xing ‘er, don’t worry. I won’t bother you again until this matter is settled.” ”

“Okay.”Man Xing nodded.

Shangguan Tengran turned around and left

Man Xing looked at Shangguan Tengran's back and smiled.

Shangguan Tengran was indeed capable.

Unfortunately.

He was not smart enough.

...

"After ye Han returned from Grandmother Fei's place, he made a trip to the civilian areas of Manxing Kingdom."

"There were three, six, and nine grades of people in Manxing Kingdom."

The rich areas were filled with black technology and flying planes.

"The civilian areas were relatively quieter, and the houses were somewhat crowded. There were almost no flying vehicles, and people relied on star-armored vehicles to travel."

"If the rich areas were said to be a peaceful nest on Earth, then the civilian areas were a well-off life, while the slums were hell on Earth, filled with blood and killing."

"After Man Wen took office, he had always wanted to change this situation."

"Unfortunately, before he could start to change, he was plotted against by man Xing."

Ye Han successfully found the address given to him by Grandma Fei and knocked on the door of a house.

“Soon, the door opened.”

The one who opened the door was a pregnant woman with a big belly.

““You, you are?”The pregnant woman was stunned when she saw man Wen.”

““I’m Grandmother Fei’s grandnephew,”ye Han continued, “She has something to tell you. Is it convenient for you to come in and take a seat?” ”

“The pregnant woman hesitated at first, then nodded. “You can come in.” ”

Ye Han followed the pregnant woman’s footsteps.

The two of them entered the house together.

“The pregnant woman looked back somewhat embarrassedly. “The house is a little messy, don’t mind it.” ”

Chapter 2215: 465: Ye Zao makes his move! 3

““I don’t mind,”ye Han said.”

The pregnant woman poured a glass of water for ye Han.

“Ye Han politely took a small sip and went straight to the point. “Ms. Zheng, Sun Xiaowen is your lover, right?” ”

“What did you say?”The pregnant woman was stunned. After a moment, she continued, “I don’t know him.” ”

“Ye Han smiled and said, “Ms. Zheng, don’t be nervous. I don’t mean any harm. “I just wanted to tell you that if Sun Xiaowen makes mistakes again and again, you and your unborn child won’t have a good ending.” ”

“What do you mean?”The pregnant woman stood up.

“Do you think Sun Xiaowen’s original wife will let you off?”

“Hearing this, the pregnant woman’s emotions were a little intense. She widened her eyes and said, “I’m not a mistress!” ”

She was the most disgusting mistress in her life.

“The funny thing was that in the end, she was actually forced to become a mistress.” ”

She and Sun Xiaowen were truly in love. It was Zhao meiting who interfered.

“Ye Han continued, “As long as you listen to me, I can fulfill your miserable fate as a couple. If Sun Xiaowen is wrong again, the two of you will become a desperate couple.” ”

“The pregnant woman looked at Ye Han. “You, you can really help me?” ”

Ye Han nodded.

“What right do you have to make me believe you?”The pregnant woman asked back.

“Ye Han smiled and said, “Do you think that other than believing me now, there is a second path that can be taken? I can at least give you a guarantee.” ”

“Speaking up to this point, ye Han paused and continued, “Even if you don’t think for yourself, you should think for the child in your stomach.” ”

“No matter what, a child was a mother’s greatest weakness.”

“As expected, when she heard this, the pregnant woman’s expression changed. After a moment, she raised her head and looked at Ye Han. “What do you want me to do?” ”

“Ye Han continued, “You’re Sun Xiaowen’s favorite woman. I know that you definitely have a way to contact Sun Xiaowen.” ”

The pregnant woman did not deny it.

“She indeed had a way to contact Sun Xiaowen, but was this person in front of her really worth trusting?”

“Ye Han looked at the pregnant woman and continued, “Don’t worry, I will never go back on my words. As long as you can convince Sun Xiaowen, I have a way to fulfill your wish.” ”

The pregnant woman hesitated for a moment. “What right do you have to make me trust you?”

“I’ll give you one day to think about it.”Ye Han stood up from his chair. “This is my contact information.”

“After saying that, he left his contact information behind and turned around to leave.”

The pregnant woman looked at Ye Han’s back and frowned slightly as she fell into deep thought.

In the small dark room.

Man Wen suddenly felt that something was wrong.

“In the darkness, he felt gusts of chilly wind accompanied by a slight hissing sound.”

Was there a snake?

“Realizing this problem, man Wen immediately stood up from the ground and prepared to defend against the enemy.”

Hiss!

“At this moment, an ice-cold snake wrapped around man Wen’s neck.”

“In the next second, Man Wen’s hand accurately grabbed the snake’s seven inches and fiercely pulled it down.”

The fierce pheasant’s neck instantly broke into two pieces.

The air immediately filled with the smell of blood.

“Man Wen could not see what the snake looked like, but he could smell that it was different from ordinary snakes.”

“In addition to the stench of blood, there was also a smell that ordinary snakes did not have.”

It was a little pungent.

It was something he had never smelled before.

It seemed that things were not as simple as he thought.

“Man Xing had not only attacked man Jiangshan and Zhao Dan, but also had the intention to kill him.”

Man Wen stood in the darkness.

A memory from many years ago appeared in his mind.

“At that time, man Xing was also a sensible and kind daughter.”

It was unknown when man Xing had become like this.

...

On the other side.

“After fan mu found out about man Wen’s matter, he was so anxious that he went around looking for connections.”

“However, man Wen had offended the public.”

Who would be willing to get into trouble in this kind of situation?

“At this moment, Wen Yang looked at fan mu. “Why don’t we go and look for Miss Manxing?” ”

“Manxing?” Fan Mu looked at Wen Yang.

“Wen Yang nodded. “Yes, no matter what, Miss Manxing is Manwen’s elder sister. I believe that she will definitely not sit idly by.” ”

“Although Manxing and Manwen had fought for the presidency, they were siblings after all.”

“Fan Mu shook his head. “If man Xing would save man Wen, he wouldn’t have waited for us to speak.” ”

“Moreover, he suspected that man Xing had something to do with this.”

““Let’s give it a try. What if it works?”Wen Yang continued, “It’s better to give it a try than to wait for Death!” ”

““It’s useless.”Fan Mu looked at Wen Yang. “They are blood-related siblings. From a blood-related point of view, their relationship is closer than ours. Going to man Xing at this time is not only unnecessary, it’s also asking for trouble.” ”

Chapter 2216: 465: Ye Zao’s move! 4

““Then what do we do now?”Wen Yang frowned. “We can’t Just Watch Man Wen go to jail, can we?” ”

“At this point, Wen Yang seemed to have suddenly thought of something. His eyes lit up and he continued, “Let’s go find Miss Ye?” ”

“When he heard the words ‘Miss Ye’, Fan Mu’s eyes lit up as well. “That’s not a bad idea.” ”

Half of the reason why man Wen could become the president was due to Ye Zao.

“If it were not for ye Zao’s assistance, Man Wen might not have been able to sit in that position smoothly.”

“Moreover, Ye Zao was man Wen’s elder sister.”

Ye Zao was different from man Xing.

There was no blood in man Xing's eyes.

"Wait here." Fan Mu stood up. "I'll go find Miss Ye."

"I'll go with you." Wen Yang also stood up.

Fan Mu turned around. "I'll go alone. You stay here and wait for the news."

"Alright then." Wen Yang continued, "You go early and come back early." "

"En." Fan Mu nodded.

"After packing up, fan mu set off to the main alliance country. "

Ye Zhuo was currently living in the main alliance country. It was not easy to meet him.

Fan Mu had also spent a lot of effort to meet ye Zao.

It was very different from what he had seen in the video before.

"The Ye Zao in reality had a more imposing aura, and his facial features were more exquisite. "

"In the past, he had only felt that Manxing was worthy of the title of beauty in Manxing. "

"But now, he only wanted to say one thing. "

“After meeting ye Zao, there was no longer any beauty. ”

“Why are you looking for me?”

Ye Zao’s voice pulled fan mu back to reality.

“Fan Mu immediately reacted and continued, “Miss Ye, I’m a good friend of Man Wen. My name is Fan Mu. I’m here to tell you that man Wen is in trouble. Please save him!” ”

“Why should I save him?”Ye Zao asked back.

Fan Mu was stunned.

This was not quite what he had imagined.

“He had thought that after he found ye Zao, Ye Zao would definitely nod in agreement. ”

But Ye Zao actually asked why?

Could it be that he had misunderstood before?

Ye Zao was not man Wen’s sister at all!

It had nothing to do with ye Zao That Man Wen could sit on the presidency?

“After a moment, fan mu looked up at ye Zao and continued, “Miss Ye, based on my understanding of Man Wen, he would never do such a heartless thing! Now, only you can help him!” ”

“Whether man Wen lives or dies has nothing to do with me. I don’t know what gave you the illusion that I would help man Wen.” Ye Zao’s expression looked a little cold, “I Hate Man Wen to the bone. Man Wen can only blame himself for being stupid for being arrested!” ”

“Miss Ye!” Fan Mu looked at Ye Zao in disbelief.

Man Wen treated ye Zao so well. How could ye Zao be so cold-blooded and heartless.

He was really blind to think that ye Zao was a good person.

“Now, it seemed that ye Zao was no different from man Xing. ”

They were birds of a feather!

“Miss Ye,” fan mu said bitterly, “You, how can you be so cold-blooded and heartless! Man Wen, he...” ”

“Men.” Before he could finish his sentence, he was directly interrupted by Ye Zao. “Get him out.” ”

“Yes, Miss Ye.” A piece of tape was pasted on fan MU’s mouth. ”

Fan Mu was extremely angry.

He was really standing up for man Wen.

“Man Wen treated ye Zao so well, even pouring out his heart and lungs. ”

But what about ye Zao?

Ye Zao was actually so cold-blooded!

He was simply an ingrate.

“The daughters of the man family, every good thing!”

Fan Mu was directly thrown out of the door by the guards of the headquarters.

...

On the other side.

The spies that man Xing had planted by ye Zao’s side quickly reported this situation to man Xing.

“Hearing this, man Xing’s lips curled slightly.”

It seemed that her guess was right.

“To Ye Zao, Man Wen was a dispensable doll.”

He could throw it away at any time.

“After knowing that ye Zao would no longer interfere in man Wen’s matters, man Xing felt much more at ease.”

Ye Zao was ye Zao after all. It would be a lie to say that she did not have any fear in the past.

“But now, she did not need to have any scruples at all.”

Wen Yang had been waiting for fan mu the entire time.

“Seeing that Fan Mu had returned, Wen Yang immediately went up to him. “How was it? What did Miss Ye Say?” ”

Fan Mu was so angry that she was red. “Don’t mention it! I’m Blind! To actually think that she’s a good person!”

“Seeing fan mu like this, Wen Yang frowned. “What’s going on?” ”

Fan Mu sighed and told Wen Yang the whole story.

“Hearing that, Wen Yang said incredulously, “How did things turn out like this? Why did miss ye turn hostile just like that?” ”

Chapter 2217: 465: Ye Zao makes his move! 5

“”Blame it on us for seeing the wrong person! I used to think that she was a good person! She is worse than man Xing!” Fan Mu was angry at the thought of ye Zao’s attitude, “Man Wen has done so much for her. I don’t believe that she doesn’t know anything. As long as she has some conscience, she shouldn’t be like that!” ”

“Man Wen sincerely treated ye Zao as his sister, so he always thought of ye Zao. ”

But what about ye Zao?

“Ye Zao was a vicious snake, cold-blooded and merciless! ”

“Then what should we do now?” Wen Yang asked.

Fan Mu was at a loss. How would he know what to do! !

“After a moment, fan mu continued, “Let’s not panic for now. The law will always be in place. Man Wen has never done those things. I don’t believe that they can lock him up for Life!” ”

“Wen Yang sighed. “Unless Sun Xiaowen can tell the truth, otherwise...” ”

The crux of the problem now was Sun Xiaowen.

“Upon hearing Sun Xiaowen, fan mu continued to ask, “Who are the people in Sun Xiaowen’s Family?” ”

“Wen Yang said, “Sun Xiaowen is a son-in-law. He has been married to his wife, Zhao meiting, for three months. He doesn’t seem to have any relatives on his side. It was said that Zhao meiting’s parents didn’t like Sun Xiaowen very much. However, Sun Xiaowen had no choice but to marry him. Under the circumstances, his parents had no choice but to agree to this matter.” ”

Fan Mu narrowed his eyes. “Can we start from Zhao Meiting’s side?”

““It might not be possible,” wen yang continued, “Ever since Sun Xiaowen was arrested, the Zhao family has been imprisoned.” ”

Wen Yang and fan mu sighed.

It didn’t work this way or that. Could it be that man Wen could only wait for death?

In the small dark room.

Man Wen was sitting on the ground resting. Little did he know that an ice-cold snake had already crawled into his pants.

“In the next second, a piercing pain spread throughout his entire body. ”

“The piercing pain gradually turned into numbness. Then, man Wen closed his eyes and fainted just like that.”

On the day of the trial.

The news of Man Wen committing suicide due to guilt had spread throughout the entire star network.

“When she heard the news, man Xing was not surprised at all. However, she still pretended to be surprised and stood in front of the camera with red eyes, “Wen ‘er, I don’t know why you are doing this! Don’t you even want to defend yourself?” ”

“The people of Manxing expressed that although man Wen was already dead, the trial still had to continue.”

Even if they had to carry Manwen’s body up.

“The trial was broadcasted live on the Internet. In less than an hour, the online audience had already reached 100,000 people! ”

“Moreover, the number of people was still increasing.”

There were also quite a number of people who came.

The judge stood on the stage and tapped the small hammer in his hand. “Silence.”

The originally noisy environment instantly quieted down.

“Although Manwen was no longer conscious, the judge still went through all the procedures and pronounced Manwen’s crime on the spot.”

“This court sentences Manwen to have murdered his biological parents. His modus operandi is extremely vile. Although he committed suicide because he was afraid of his crime, in order to appease the anger of the people, he is to be beaten to death!”

“Wait!” At this moment, a clear voice suddenly came from the entrance.

Everyone looked up and saw a slender figure slowly walking over.

White clothes and black pants.

It was a little cold to look at.

“Miss Ye?” The judge looked at Ye Zhuo. “Miss Ye, do you have any questions?”

“Who said that man Wen committed suicide out of guilt?” Ye Zhuo raised his eyebrows slightly. “I have evidence to prove that man Wen did not commit suicide out of guilt. Furthermore, he is innocent!”

The judge continued, “Miss Ye, man Wen is already dead. His body is over there.”

Ye Zao walked over and stretched out his hand to check his breath.

Man Wen had indeed lost his breath.

“However, because ye Zao had been prepared in the past, man Wen did not die. He had only entered a state of suspended animation.”

“A moment later, ye Zao poured out a black pill from the small bottle that he carried with him.”

“Holding the pill in his left hand, he opened man Wen’s mouth with his right hand and fed the pill into his mouth.”

“In less than three seconds, man Wen frowned and opened his eyes.”

““M-miss ye?” Seeing ye Zao, man Wen thought he was hallucinating.”

He didn't expect that the first thing he saw when he opened his eyes after he fainted was actually Miss Ye.

“Do you feel any discomfort now?” Ye Zhuo asked.

“No.” Man Wen shook his head.

““That's good.” Ye Zhuo continued, “Get up first.” ”

““Miss Ye, I, I didn't do those things!” Man Wen said.”

Ye Zhuo nodded slightly. “I know. Don't worry. I came here today to clear your name.”

Chapter 2218: 266: Full Star's retribution! 1

“Hearing this, man Wen heaved a sigh of relief in his heart.”

They didn't misunderstand him.

It was good that ye Zhuo didn't misunderstand him.

“Even if everyone could misunderstand him, it was fine as long as ye Zhuo didn't misunderstand him.”

When he saw ye Zhuo.

“Fan Mu cried out in surprise, “Miss Ye!” ”

“Wen Yang, who was at the side, was similarly surprised. “Didn’t you say that Miss Ye wouldn’t be coming?” ”

“Fan Mu said, “That’s what Miss Ye told me previously!” ”

“Speaking up to this point, fan mu seemed to have understood something and instantly reacted. “So Miss Ye is putting on an act for Manwen to see! Otherwise, why would manwen let down his guard! Absolute, really too absolute! As expected of Miss Ye!” ”

“After learning that ye Zao was not that kind of cold-blooded and heartless person, Fan Mu was even happier than Manwen himself. ”

“Whether or not ye Zao could help man Wen to clear his name, it would at least prove that man Wen’s kindness towards ye Zao had not been let down by Ye Zao. ”

“Man Xing did not expect this at all. At this moment, she was at a loss. ”

“Not only did she not expect ye Zao to come, she also did not expect man Wen to come back to life. ”

The neck of the pheasant domesticated by the Shangguan family was incurable. How did man Wen Come Back to life?

And Ye Zao.

“According to the information provided by the informant, ye Zao had obviously chased fan mu and the others out. Why did ye Zao Come Back Now? ”

“Thinking of this, man Xing suddenly realized something! ”

They had been tricked by Ye Zao.

Ye Zao was creating a diversion. She had intentionally let down her guard.

“Thinking of this, man Xing frowned slightly. Also, now that man Wen had come back to life, wouldn’t the crime of committing suicide be disqualified? ”

What should she do now?

She couldn’t Panic!

She couldn’t panic now.

Man Xing took a deep breath.

So What If ye Zao Came?

“As long as Sun Xiaowen insisted that it was man Wen who ordered him to do it, man Wen wouldn’t be able to escape suspicion. ”

“Moreover, Sun Xiaowen was already dead. Before Sun Xiaowen died, he had already drawn a seal on the document. His final testimony identified man Wen as the real murderer. ”

“Now, there was no way to prove it. ”

“Not to mention ye Zao, even if another ye Zao came, Manwen would only end up dead. ”

“As long as Manwen was dead, then she would win. ”

“Manxing tried his best to calm himself down. Both of his hands gripped the armrest of the chair tightly. Because he had used too much strength, his knuckles had already turned slightly white. His gaze was fixed on ye Zao. This trial was broadcasted live on the entire Internet. In addition, the situation of the case was terrible, killing one’s biological parents. Not only man Xing country, but even the people of Galaxy F had climbed over the wall to watch the live broadcast. ”

“Under the watchful eyes of the public, if ye Zao did not bring out strong evidence, he wanted to bail out man Wen? ”

Difficult!

“Even if ye Zao really had the ability to bail out man Wen, it would still be difficult to appease the public’s anger! ”

“Thinking of this, man Xing narrowed his eyes. ”

“At this time, the judge said, “Miss Ye, please present your evidence.” ”

“Ye Zhuo nodded slightly and turned to look at Leo, who was not far away. ”

Leo immediately understood and brought someone over.

“When they saw who it was, the people in the audience started to discuss. ”

This case was really too interesting!

“First, the main culprit had risen from the dead, and now the accomplice had also risen from the dead! ”

“Sun Xiaowen! That’s Sun Xiaowen!”

“When he saw Sun Xiaowen, Manxing’s face turned slightly pale.”

Sun Xiaowen?

“She had obviously gotten someone to quietly deal with Sun Xiaowen, so why was Sun Xiaowen still alive?”

“At this moment, Manxing’s hands were trembling, and she couldn’t control her fear.”

She couldn’t imagine what kind of criticism she would receive if Sun Xiaowen revealed everything.

Her life had just begun.

No.

No.

“But at this moment, other than being afraid, she could do nothing else.”

The always aloof and omnipotent man xing tasted fear for the first time.

She could only pray that Sun Xiaowen could continue with his previous plan and not give her up.

““Comrade judge, I am Sun Xiaowen. I am also one of the suspects in this case. First of all, I want to apologize to Mr. Man Wen,” said Sun Xiaowen, sun Xiaowen looked at man Wen and bowed deeply, “Previously, I perjured myself. Mr. Man Wen did not hire a murderer and he is not the real murderer behind the scenes. I have no contact with Mr. Man Wen before this. Mr. Man Wen, I am sorry...” ”

Man Wen just stood there and looked at Sun Xiaowen. “Why did you do this?”

““Because of her.”Sun Xiaowen turned to look at man Xing. “Your sister, man Xing.” ”

“As soon as he said this, the noise in the air instantly disappeared. ”

Oh My God!

What did they hear?

The person who really paid for the murder was actually man Xing!

Chapter 2219: 266: Full Star’s retribution! 2

“Full star was very good at self-regulation. At this moment, there was no guilty conscience on her face. Instead, it was the anger of being wronged and the sadness of having both her parents dead, “Sun Xiaowen! I don’t know why you suddenly turned on me, but I have never done such a thing!” ”

“If she were to panic at this moment, she would really be done for. ”

She had to stay calm!

Sun Xiaowen was the only one alive now. They did not have any actual evidence to prove that she was the real culprit behind the scenes.

The judge could not be convicted with just words.

“Manxing could not control her tears, “No Child would do such a heinous thing! Sun Xiaowen, why did you first accuse my brother, and now accuse me? Who is the person behind you! Why did you do this!” ”

She could only protect herself if she wanted to drag man Wen out of this matter!

She couldn't drop the character of a good sister.

“”Miss Manxing, stop pretending.”Sun Xiaowen looked at Manxing. “I wouldn't have betrayed you, but I didn't expect you to kill me! You Are Really Vicious!” ”

“Until the moment she closed her eyes, Sun Xiaowen didn't expect that Manxing would really lay a hand on him! ”

“Speaking up to this point, Sun Xiaowen laughed softly. “But thinking about it, it's normal. A person who could even lay a hand on his biological parents and younger brother, how could he show mercy to an unrelated person like me?” ”

But fortunately.

“Fortunately, Zhao meiting contacted him in time. ”

They had joined forces from the inside and the outside and used fake death to deceive Manxing.

“”Don't you dare slander me!”Manxing stood up, he looked at Sun Xiaowen and said, “Who is the real culprit behind this? It's not something that you can convict with just one mouth! Sun Xiaowen, what have we, the man siblings, done to you? We let you frame US again and again!” ”

“Speaking up to this point, man Xing looked at the judge and continued, “I now suspect that there is no so-called real culprit behind this. You are the biggest culprit! Wen 'er, I'm sorry. Sister has wronged you...” ”

Man Wen did not pay the bill and directly ignored man Xing.

“As soon as he said this, discussions broke out in the audience. ”

“This Sun Xiaowen is indeed very suspicious!”

“”Miss Man Xing is too pitiful. First, her parents were poisoned to death, then her own brother was framed, and now she is being framed!” ”

“”F * ck, I knew that there would be a twist in this matter!” ”

“”See, I’ve wronged Manwen Again!” ”

“”I actually think that Sun Xiaowen isn’t lying. Manxing might really be the real culprit behind this.” . After all, when they were running for president, Manxing had the greatest chance of becoming president, and Manjiangshan and Zhao Dan were killed the day before the election! If Manxing became president, Manjiangshan and Zhao Dan would definitely be a burden in the future. If Manxing didn’t become president, she could use this to frame manwen! It was killing two birds with one stone! After all, before Miss Ye appeared, Manxing’s plan had already succeeded in half ”

“The analysis above is very reasonable. If that’s the case, Manxing is indeed a match for the real murderer behind the scenes ”

“If Manxing is the murderer, that would be too scary. She was so good at disguising herself before. In front of others, she was a good daughter, a good sister ”

[don’t jump to conclusions yet. She was led by someone with intentions. I don’t think that Miss Manxing is that kind of person.]

“[right, right, right. Miss Manxing is not that kind of person at all.] ”

“For a moment, everyone fell into a discussion. ”

“At this moment, the judge tapped the small hammer in his hand. ”

“Silence!”

The audience immediately returned to silence.

“The judge looked at Sun Xiaowen. “Sun Xiaowen, you said that Manxing was the real murderer behind the scenes. May I ask what evidence do you have to prove that she did all these things?” ”

Words have no basis.

All of this required evidence.

The judge could not convict someone just because of one sentence.

“Hearing this, Sun Xiaowen was stunned. ”

“Seeing Sun Xiaowen like this, Manxing heaved a sigh of relief. ”

She knew that Sun Xiaowen definitely did not have any evidence.

“Without evidence, no one could touch her at all. ”

“Although she might have to return Manwen’s position to Manwen, there was still plenty of time in the future. She still had plenty of opportunities in the future. ”

She heard that ye Zao was going to return to Earth soon.

“Without ye Zao as a stumbling block, she could easily get rid of Manwen! ”

“Manxing adjusted her sitting posture and looked at the judge calmly. She continued, “Without evidence, this kind of behavior is called framing. Comrade judge, may I ask how one should be convicted of framing?” ”

“She wanted to let Sun Xiaowen know that she, Manxing, was not so easy to bully. ”

Chapter 2220: 266: Manxing’s retribution! 3

Want to bite back?

What a fantasy!

“The judge looked at Manxing and continued, “According to Article 215 of the s galaxy criminal law, those who frame someone with a bad plot shall be sentenced to three to ten years in prison.” ”

““I didn’t frame Manxing!”Sun Xiaowen heard this and said emotionally, “Comrade judge, everything I said is true! I can swear to the heavens!” ”

““If swearing to the heavens is useful, why do you need the Court?”Manxing continued, “Sun Xiaowen, don’t put up a desperate struggle!” ”

““Sun Xiaowen, please show me strong evidence.”The judge continued, “If there is no evidence, you are suspected of framing. Miss Manxing has the right to sue you...” ”

“Before the judge could finish his sentence, a clear voice sounded in the air, “Who said he has no evidence?” ”

This voice...

Was a little cold and familiar.

Everyone looked up and saw that the person who spoke was none other than ye Zao.

Ye Zao had evidence?

She could directly prove that the murderer was man Xing?

Man Xing narrowed his eyes.

Impossible.

All the evidence had been destroyed by her. It was impossible for ye Zao to have evidence!

Man Xing looked at Ye Zao.

She wanted to see what evidence ye Zao could produce.

Ye Zao looked at Leo. "Bring the things over."

"Okay." Leo nodded and handed the prepared evidence to the judge.

These evidence were all evidence that full star had destroyed personally.

Every single one of them could cause full star to sink into eternal damnation.

There was also an audio file.

"In the video, full star's ugliness and evilness were clearly seen."

“Looking at full star who did not hide anything on camera, the crowd could not help but sigh.”

“If they had not seen this scene, who would have believed that full star could actually do such a thing?”

“After all, in front of the public, full star had always displayed his gentle and kind side.”

“In the video, full star was like a poisonous snake spitting out its tongue.”

It was especially terrifying.

“How did man Xing do it?”

“How can there be such a vicious woman in the world!”

“Man Xing could not sit still anymore. He stood up from his chair and said hysterically, “It’s fake! I didn’t do this at all. You want to harm me! All of you want to harm me!” ”

“”Who exactly wants to harm who?”Ye Zhuo looked back slightly, “Man Xing, although you have never treated man Wen as a younger brother and even deliberately raised him to become a well-known profligate, he has never had the intention to harm you, but what about you? “Not only can you not tolerate him as a younger brother, you even won’t let go of your biological parents. Man Xing, you are presumptuous as a woman, and even more presumptuous as a sister!” ”

“Hearing these words, the people who were already in a heated discussion became even more heated.”

“I was wondering why man Wen was such a good-for-nothing. It turns out that man Xing did it on purpose!”

“This kind of woman is too scary!”

“Man family is really unlucky to have such a daughter.”

“I’ve always been very curious about why man Xing indulged man Wen so much. It turns out that he deliberately wanted to raise man Wen to be a cripple!”

“”Actually, I’ve also noticed it long ago, but I didn’t think too much about it. I thought it was just a simple elder sister’s love for her younger brother.” ”

“...”

“”I didn’t! I didn’t!” Seeing her plot being exposed one by one by Ye Zao, man Xing looked at ye Zao and said angrily, “Ye Zao, do you have to ruin my reputation to be happy?” ”

Man Xing was very unwilling.

“Man Wen was ye Zao’s younger brother, but she was also ye Zao’s younger sister. Why did ye Zao always stand on Man Wen’s side?”

“It was fine if ye Zao did not help her, but now he wanted to frame her! ”

“If it were not for ye Zao’s sudden intervention, she would definitely not be in this state. ”

“If it were not for ye Zao, she would already be the president of Manxing Country, and man Wen would still be the same man Wen from before. ”

It was ye Zao who broke all of this.

“Yet, Ye Zao was still standing at the moral high ground to criticize her. ”

What right did ye Zao have?

What right did they have?

“Ye Zao looked at man Xing and said slowly, “I have never deliberately targeted anyone. Man Xing, you brought this on yourself.” ”

“From the beginning to the end, ye Zao had never thought of taking revenge on anyone. Man Xing had brought this on himself. ”

“If man Xing had not taken the initiative to harm others, he would not have gotten to this point. ”

“However, Manxing still did not know what he had done wrong. ”

How pathetic!

““You did not harm me?” Manxing’s mouth was full of self-mocking laughter, “If you did not harm me, would I have become like this? If you did not harm me, would you be standing here today? It is all thanks to you that I have become like this! Ye Zhuo, I will not let you off!”
