Chapter 2221: 266: Man Xing's retribution! 4

She had an irreconcilable feud with Ye Zhuo!

“At this point, man Xing looked at the judge and continued, “Judge, all this evidence is fake! I have never done it before!” ”

“The judge continued, “Since the plaintiff doubts the authenticity of the evidence, we can only invite the appraiser.” ”

“After saying that, the judge turned to look at his assistant. “Invite the appraiser.” ”

““Alright, wait a moment.” ”

The appraiser waited by the side and quickly walked up.

“After a round of appraisal, the appraiser came to a conclusion. “After the appraisal, the evidence is real, and the video file was not processed in the post-production stage!” ”

What did the evidence really mean?

It meant that Manxing was a murderer!

“Moreover, she had killed her biological parents! ”

“Manxing's face instantly turned pale. She collapsed on the chair, and the cold sweat on her back almost came out all of a sudden. She was like dead wood and ashes. There was no sense of vitality in her entire body. ”

She knew.

She was done for.

She was really done for.

What should she do now?

Was she really going to die?

“The judge knocked the small hammer again and pronounced Manxing’s crime. “I sentence Manxing to murder her biological parents. The circumstances are vile, and she shall be hanged!” ”

Hanging was a death sentence.

Manxing could no longer listen to anything. His ears buzzed as if he had just died.

Manwen was acquitted on the spot.

“Brother Manwen!”

“That’s Great!”

Fan Mu and Wen Yang ran to Manwen’s side.

The crowd beside them also cheered.

“Manxing looked at the crowd coldly, his eyes filled with malice. ”

She regretted not killing ye Zao right away.

“She thought her future was bright, but who knew that she would end up hanging. ”

“Other than regret, she was also very unconvinced. ”

Her life should not be like this.

“She and Ye Zao were originally from the same mother, and their bodies had the same blood. How could ye Zao control the fate of others with his superior attitude? And she became the victim? ”

“Before Manxing could resist, she was heavily handcuffed by the guards. ”

“Zhao Dan was right. Ye Zao was a jinx. Before ye Zao appeared, their family lived in harmony, and she was the future president of Manxing. ”

Everything changed after ye Zao appeared.

“First, Manwen changed into a different person, and then his parents died... ... ”

She had no one to rely on now.

“Manxing’s helpless tears were brought out by two guards. Before she left, she even turned around to look at Ye Zao, her eyes full of gloom. ”

Ye Zao seemed to have sensed her gaze. He turned around and happened to meet her gaze.

“Her gaze was faint, but it carried an infinite sense of intimidation. ”

“For some reason, man Xing suddenly felt a little guilty and hurriedly withdrew his gaze. ”

“Man Wen walked to ye Zao’s side. “Miss Ye, thank you.” ”

“If it wasn’t for ye Zao, perhaps no one would be able to prove his innocence this time. ”

He was really grateful to ye Zao.

“Other than gratitude, he couldn’t find any other words to use. ”

“Ye Zao raised his eyes slightly and said, “I also have to thank you.” ”

“Man Wen was stunned at first, then he said, “You, you already knew?” ”

Ye Zao did not hide it and nodded slightly.

Man Wen immediately turned his eyes to look at fan mu and Wen Yang.

Could it be that the two of them leaked it?

“Ye Zao smiled and said, “It has nothing to do with them. We can be considered to be even. In the future, neither of us will owe the other.” ”

“Okay.”Man Wen nodded.

“”I still have something to do. I’ll be leaving first.”After saying that, ye Zao turned around and left. ”

“Looking at her back, man Wen couldn’t tell what expression he had in his eyes. After a moment, he bent down and bowed deeply. ”

“When he looked up, he saw ye Zao waving at him without turning his head back. ”

His back was still as wanton as ever.

Everything was said without words.

Man Wen opened his mouth gently and said a single word.

“Sister...”

“Perhaps it was because his voice was too soft, even fan mu who was beside him did not hear him clearly. He only said in a somewhat strange manner, “What are you saying?” ”

“”Nothing much,”man Wen said. ”

“Fan Mu continued, “Miss Ye has left. Aren’t you going to chase after her?” ”

Man Wen shook his head.

The current situation between him and ye Zao was just right.

“Wen Yang continued, “Brother Man Wen, Miss Ye is your sister after all. You Don’t have any other relatives in the world now. Don’t you want to get to know Miss Ye?” ”

“Now that man Jiangshan and Zhao Dan were no longer around.., ”

“ye Zhuo didn’t have any burdens anymore. Logically speaking, the siblings could get to know each other, but neither of them had any intention of getting to know each other. This was a little strange. ”

Chapter 2222: 266: Full Star’s retribution! 5

“However, even though Wen Yang felt that it was strange, she did not ask about it.”

“Fan Mu was a little braver than Wen Yang. He looked at man Wen and continued to ask, “Don’t you plan to introduce yourself to Miss Ye?” ”

Man Wen shook his head.

“Why?” Fan Mu asked.

“MAN WEN continued, “The matter from before caused a storm in the city. If I were to introduce myself to her now, how would others view her?” ”

Fan Mu was stunned.

“If Man Wen did not say anything, he would have almost forgotten about this matter.”

“Ye Zhuo and the man family had previously fallen out with each other and even went to the Galactic Court. If Man Wen and Ye Zhuo were to introduce themselves now, they would definitely be discussed by the outside world.”

It was extremely cold at the top.

“Speaking up to this point, the corners of Man Wen’s mouth curled up and he continued, “Moreover, I think this is quite good.” ”

“They did not disturb each other, as long as they knew each other was safe and sound.”

“Fan Mu nodded. “That’s true, but this time, we really should thank miss ye properly. Actually, there was a small interlude that caused me to misunderstand Miss Ye.” ”

“What small interlude?” Man Wen asked curiously.

Fan Mu told man Wen the entire process of the matter.

“At that, fan Mu continued, “Actually, I feel that even if I don’t take the initiative to look for Miss Ye, Miss Ye will still lend a hand. Damn it! “I forgot to apologize to Miss Ye just now!” However, his attitude toward ye Zhuo at the presidential palace was not good. ”

““It’s fine,” man Wen said with a smile. “She won’t mind.” ”

“Fan Mu smiled and said, “That’s Good!” At that, he continued, “But we shouldn’t have much interaction with Miss Ye in the future, right?” ”

“Yes.” Man Wen nodded. “There won’t be any more.”

Fan Mu felt a little regretful.

“Ye Zhuo was a good elder sister, and Man Wen was also a good younger brother. ”

“But Man Wen felt unprecedentedly relaxed. He continued, “Let’s go back.” ”

“Okay.” Fan Mu followed Man Wen’s footsteps.

“Man Wen continued, “Did anything happen during the days when I wasn’t around?” ”

““Nothing happened. It’s just that Zhao Shan Dong was bailed out by Manxing. But don’t worry, we’ve already sent people to keep an eye on him! Even if he receives the news now, it’s too late for him to escape!” ”

Man Wen nodded slightly. "That's good."

...

At the headquarters on the other side.

"Seeing that she had returned, CEN Shaoqing immediately went up to her. "Has everything been taken care of?" "

"Yes." Ye Zhuo reached out and hugged him. His expression was unusually tired. "Everything has been taken care of. We can go back now."

"There's no rush. You can rest for another two days." Cen Shaoqing's tone was low.

"As soon as he finished speaking, Cen Shaoqing tightened his arms and lifted her into the air. "

"Ye Zhuo did not expect him to do this. He subconsciously wrapped his arms around his neck. His heartbeat also accelerated at this moment. From her angle, she could just see the man's thin chin and his high nose bridge. "

"Cen Shaoqing," ye Zhuo said softly. "

"Yes?" Cen Shaoqing answered.

"Ye Zhuo asked, "Am I heavy? Do I need to lose weight?" "

"You haven't lost weight yet. Why would you need to lose weight?" Cen Shaoqing opened his thin lips. "Are all girls like this?"

Cen Shaoqing remembered that the four sisters at home were also like this. They kept saying that they needed to lose weight.

“Rollie was the husky that ye Shu raised. The little guy was already two years old, and he was especially gluttonous. He looked fat and strong. ”

“How could I not be heavier than Rollie!”Ye Zao was somewhat unconvinced.

1

“Cen Shaoqing laughed softly, and his lowered eyes hid a doting expression. “Why don’t we go back and compete?” ”

“”I can’t be bothered with you.”Ye Zao yawned, and his expression was slightly tired. ”

“It was a little distance from the front yard to the bedroom, so ye Zhuo continued, “Put me down, I’ll go by myself.” ”

“No need.”Cen Shaoqing said concisely.

“Then can you carry me?”Ye Zhuo asked.

“Yes.”

“Then can your waist withstand it?”

Cen Shaoqing’s footsteps paused. “Are you doubting my... waist?”

There was a hint of danger in his deep voice.

“After spending so much time with Cen Shaoqing, how could ye Zao not know the hidden meaning behind his words? ”

“I’m sorry, I was wrong. I shouldn’t have doubted your waist. You’re good, you’re very good! Let’s go, I’m tired, I want to go back and rest.” Ye Zao used a yawn to hide his awkwardness. ”

Cen Shaoqing did not point it out. The corners of his mouth curled into a faint smile.

“Zao Zao! Zao Zao!” At this moment, Shi Qingcheng ran over from the other side. When she saw this scene, she immediately covered her eyes with her hands and muttered, “Don’t look if it’s an indecent thing! Don’t look if it’s an indecent thing!” ”

“Ye Zao immediately jumped down from Cen Shaoqing’s embrace. “Qingcheng, why are you looking for me?” ”

“Chapter 2223: 466: Return to Earth, origin”

Shi Qingcheng nodded and looked at Cen Shaoqing.

Cen Shaoqing immediately understood and looked at ye Zao. “I’ll go to the study first.”

“Okay.” Ye Zao nodded slightly.

Cen Shaoqing turned around and left.

“Shi Qingcheng immediately held onto ye Zao’s arm. “Zao Zao, that person from your family is quite perceptive! He’s trained quite well!” ”

“That’s right, why don’t you take a look at who I am?” Ye Zao raised his chin slightly and said somewhat arrogantly. ”

“You’re the best! You’re still the same as when you were young!” Shi Qingcheng said.

“Ye Zao smiled slightly and continued, “Right, what do you want to tell me?” ”

““Let’s Find a quiet place to talk,” Shi Qingcheng said. ”

“Okay.” Ye Zao followed Shi Qingcheng’s footsteps.

The two of them went to the pavilion in the garden and sat down.

“Shi Qingcheng raised her head and looked at Ye Zhuo. “Zhuo Zhuo, I asked ye Xiaohan to reply to me as soon as possible, but he seems to have forgotten about this matter now. Can you help me ask him?” ”

“Reply to what?” Ye Zhuo asked.

“Although Shi Qingcheng was usually carefree, she did not know why, but when she heard ye Zhuo’s words, her face blushed. She did not know how to answer ye Zhuo. She only said, “Zhuo Zhuo Zhuo, help me ask him. He knows.” ”

“Seeing Shi Qingcheng like this, Ye Zhuo immediately understood what she meant. He smiled and said, “Okay, I understand. I will ask him for you.” ”

“Then when will you ask?” Shi Qingcheng continued to ask.

“Ye Zhuo said, “I will ask him later.” ”

““No,” Shi Qingcheng continued, “Zhuo Zhuo, help me ask him now.” ”

“Why are you in such a hurry?” Ye Zhuo teased.

“Aiya, go and ask for me now!” Shi Qingcheng hugged Ye Zao’s arm and started to act coquettishly. ”

“Ye Zao couldn’t stand people acting coquettishly to her, just like how she couldn’t resist the temptation of desserts. She smiled and said, “Okay, okay, okay, I’ll go now!” ”

“Then go quickly!”

Ye Zao came to Ye Han’s office.

The door was closed.

Ye Zao stretched out his hand and knocked on the door.

Ye Han’s voice came from inside. “Come in!”

Ye Zhuo pushed the door open and entered.

“Ye Han was reading a document. When he saw Ye Zhuo enter, Ye Han immediately stood up from his chair. “Sis!” ”

“Are you free now?” Ye Zhuo asked.

Ye Han nodded. “Yes.”

Ye Zhuo leaned over and sat opposite Ye Han.

“For some reason, when he saw Ye Zhuo and Ye Han, he felt a little nervous. He gulped and continued, “Sis, why are you looking for me?” ”

“Yes.” Ye Zao nodded slightly. “I was asked by someone to ask you something.”

“Asked by someone?” Ye Han was stunned. “Who?”

“Ye Zao looked at ye Han and said, “Guess.” ”

Ye Han thought about it seriously and then shook his head.

““Qingcheng.” Ye Zao continued, “She asked me to ask you when you can reply to her!” ”

“Hearing this, ye Han immediately remembered, “I forgot! where is she now?” ”

““In the back garden,” ye Zhuo said. ”

“I’ll go right away!” Ye Han stood up and was about to walk out of the door.

“Ye Zhuo said at this moment, “Wait a moment.” ”

““What’s wrong, Sister?” Ye Han turned around and asked. ”

Ye Zhuo’s red lips parted slightly. “Do you have the answer in your heart?”

Ye Han nodded.

“Ye Zhuo continued, “Qingcheng is a very good girl. Of course, you’re also very outstanding. “If you decide to accept her, you must shoulder the responsibility of being a man. Don’t do anything that will make her sad. “If you can’t accept her, you must reject her cleanly. Don’t drag your feet and influence her. Do you understand what I mean?” ”

““SIS, what do you think of me and her?” Ye Han asked in return. ”

Ye Zhuo smiled faintly. "You have to ask yourself that. Others can't give you an answer."

"I understand." Ye Han nodded. "Don't worry, I will definitely not let her be sad." "

Ye Han felt that there were times in his heart when he was feeling Qingcheng.

He did not mind that girls were older than her.

"En." Ye Zao's eyes were indifferent. "Qingcheng is my good friend. If you dare to bully her and make her sad, I will not help her out." "

Ye Han nodded. "En."

"After saying that, ye Han continued, "Then what if she bullied me?" "

"Ye Zao smiled and said, "Then you can only blame yourself for not being capable enough. You Can't even beat a girl." "

"Ye Han also laughed out loud. "Sister, then I'll be leaving first." "

"Go."

Ye Han jogged all the way towards the garden.

"Shi Qingcheng was sitting on the stone bench, her hands resting on her cheeks as she looked ahead. No one knew what she was thinking, but even when ye Han walked to her side, she did not react in time. "

It was not until ye Han coughed lightly that Shi Qingcheng finally reacted and turned around to look at Ye Han. Her eyes instantly lit up. "You're here!"

“Chapter 2224: 466: Return to Earth, origin! 2”

“Yes.” Ye Han nodded.

“Shi Qingcheng continued, “Did Zhuozhu tell you everything?” ”

“Ye Han nodded again, his face slightly red, and his heart beating a little fast. ”

““I asked you to reply the next day, why did you wait until now?” Shi Qingcheng continued, “If your sister didn’t ask you, you wouldn’t remember this matter?” ”

“Ye Han explained, “Didn’t I just happen to come across the matter of man Wen? I wanted to reply you later, but who knew that things would go on one after another...” ”

“Shi Qingcheng immediately raised her hand to stop ye Han from finishing his sentence. “Stop, stop, I’m not here to listen to your nonsense. I want to know your answer. As long as it’s okay, if it’s not okay, I should go back!” ”

“She had been out for so many days, and her family was already urging her to go back. ”

“Ye Han’s heart was beating faster and faster. He took a deep breath and looked at Shi Qingcheng. “Sister Qingcheng, I... I...” ”

Shi Qingcheng patiently waited for Ye Han’s answer.

“At times like this, the more nervous she was, the more she stuttered. The words that were on the tip of her tongue were harder to say. Ye Han had never felt so embarrassed before. ”

“Ye Han tried his best to calm himself down. He looked at Shi Qingcheng and said, “I, let’s Be Together!” ”

“After saying that, Ye Han felt much more relaxed in his heart. Even his breathing became smoother. ”

A beautiful flower instantly bloomed at the corner of Shi Qingcheng’s mouth. “Have you thought it through?”

“Yes.”Ye Han nodded.

“You don’t mind that I’m older than you?”Shi Qingcheng continued to ask.

“I don’t mind.”Ye Han’s words became more and more crisp. “A third-year girl hugging a golden brick.”

“Shi Qingcheng smiled and said, “Then what do you call me now?” ”

“Sister Qingcheng.”

Shi Qingcheng crossed her arms in front of her chest. “I’ll give you another chance.”

Ye Han was stunned.

“If he didn’t call her sister Qingcheng, what should he call her? ”

“Because Shi Qingcheng was older than him and Shi Qingcheng was good friends with Ye Zhuo, ye Han kept calling her sister Qingcheng. ”

“Seeing ye Han’s silly look, Shi Qingcheng was a little speechless and said, “Ye Xiaohan, are you stupid? which couple calls each other brother and sister?” ”

He was really not enlightened.

No wonder he was still single at such an old age!

She was also blind to have taken a liking to Ye Han.

“Ye Han also reacted in an instant. He subconsciously pulled Shi Qingcheng into his embrace and held her tightly. “Qingcheng, Shi Qingcheng.” ”

“His voice was very faint, but every word hit Shi Qingcheng’s heart. ”

“One moment, then another. ”

It made her feel hot and dry.

“Shi Qingcheng’s face instantly turned red. Her hands wrapped tightly around ye Han’s waist. “Ye Xiaohan, you’ve finally understood.” ”

“Ye Zhuo stood not far away from the two of them. When he saw the two of them hugging each other, the corners of his mouth curled up into an old mother’s kind smile. ”

She was three years older than ye Han.

“However, when she brought ye Han back, Ye Han was only thirteen years old. ”

“Boys were late to learn, but the thirteen-year-old ye Han was much more mature than his peers. In the blink of an eye, the child from back then had grown up so much. ”

“In a moment, ye Zhuo turned around slightly and walked to the other side. ”

She came to Cen Shaoqing's office.

"You're back." Cen Shaoqing put down the Buddha beads and looked up at Ye Zhuo.

"Yes." Ye Zao nodded slightly. "Something very happy happened. I want to share it with you."

"Cen Shaoqing reached out and grabbed her wrist, pulling it gently."

"After a moment of dizziness, ye Zao was pulled into his arms."

"What Happy Thing?" Cen Shaoqing played with her hand and said in a low voice.

"Her hands were very beautiful. Her fingers were as delicate as jade and as exquisite as sculptures. rows of crystal-clear fingernails were like beautiful little shells, white and pink, like an exquisite work of art."

"Ye Han and Qingcheng are together," ye Zao said."

"Really?" Cen Shaoqing was also a little surprised.

"In a moment, he remembered the question that ye Han had asked him alone."

So there was a reason for everything.

"Yes." Ye Zao nodded. "I really didn't expect that Qingcheng would one day be together with Ye Han."

"They are a good match." Cen Shaoqing's attention was completely not on Ye Han and Shi Qingcheng.

"If he could still be distracted by other people's matters, how could he still be a man?"

“Ye Zao smiled and said, “They are indeed a good match.” ”

“After saying that, ye Zao continued, “Right now, only my brother and Lizi are still single.” ”

“OH.”Cen Shaoqing said.

“Can you not move around!”Ye Zao slapped Cen Shaoqing’s hand away.

“Cen Shaoqing immediately put his hand back and continued, “Don’t you still have a friend?” ”

“Do you mean Yueyue or Pingting?”Ye Zhuo asked.

“Chapter 2225: 466: Return to Earth, origin! 3”

“”Yes, it’s the two of them.”CEN Shaoqing continued, “You can introduce them to Ah Ze.” ”

“Ye Zhuo shook his head slightly. “Maybe not. They know my brother. If it could be done, it would have been done long ago.” ”

“Cen Shaoqing seemed to have thought of something and continued, “What about the jasmine flower?” ”

“What Jasmine Flower?”Ye Zhuo asked in confusion.

“”It’s the jasmine flower that ye Han introduced to Ah Ze,”CEN Shaoqing said. ”

“Ye zhuo chuckled, “What jasmine flower? Her name is Bai Mo. but she doesn’t like my brother.” ”

“Her taste is quite high,” Cen Shaoqing said. ”

“Ye Zhuo continued, “Everyone has their own type of love. Maybe my brother isn’t her type.” ”

“Don’t move!” Cen Shaoqing suddenly straightened his expression.

“What’s Wrong?” Ye Zao looked back slightly.

“Cen Shaoqing spoke slowly, word by word, and said very seriously, “Let me give you a kiss.” ”

“As soon as he said that, he lowered his head and pressed his lips against hers. ”

The atmosphere instantly changed.

“After tossing and turning, no one knew who had lost the city first. ”

“After a few minutes, Cen Shaoqing finally let go of Ye Zao. ”

His expression was normal. Ye Zao’s breathing was unstable and he was panting.

Cen Shaoqing did not know what he was thinking. His eyes were deep and he could not see the end of it.

“What are you thinking about?” Ye Zao asked.

“Cen Shaoqing slowly opened his mouth and said in a low voice, “I’m thinking about when you will graduate.” ”

“Yeah, about two more months,” ye Zhuo said. ”

Cen Shaoqing's lips curled up. "Soon."

"For some reason, ye Zhuo suddenly felt that Cen Shaoqing was a little dangerous."

"He was like a ferocious beast that lurked in the darkness, ready to give a fatal blow at any time."

"What are you thinking about?" Ye Zhuo asked lightly.

"Cen Shaoqing glanced at her, and his voice was low and husky, full of magnetism. "I'm thinking about something that is only suitable to be done in a room." "

"Ye Zhuo did not want to be a girl who understood instantly, but she instantly understood the meaning behind CEN Shaoqing's words. She immediately got down from his body. "I still have something to do. I'll be leaving first." "

"After saying that, she left as if she was escaping."

Cen Shaoqing looked at her back and the corners of his mouth curled up slightly.

The little girl's face was getting thinner and thinner.

"After ye Zhuo left Cen Shaoqing's office, he stood at the railing in the corridor and took a deep breath. Only then did he feel that the heat on his face had decreased a little."

"It was precisely when Shi Qingcheng and ye Han walked over from the opposite side hand in hand. "Sister, why is your face so Red?" "

Ye Han asked curiously.

“Shi Qingcheng also sized up ye Zhuo from head to toe. She clicked her tongue and continued, “Did you do something inappropriate for children?” ”

Ye Zhuo looked at Shi Qingcheng. “It’s broad daylight. What are you thinking about?”

“Shi Qingcheng smiled and said, “We’re both adults, what’s there to be embarrassed about?” ”

“Ye Zhuo changed the topic and his gaze fell on the hand that the two of them were holding. Knowing the answer, he asked, “What’s going on between the two of you?” ”

“Shi Qingcheng was just about to let go of Ye Han’s hand, but was tightly held by Ye Han. “Sister, Qingcheng and I are together!” ”

“Shi Qingcheng, who had always been carefree, blushed at this moment and buried her face behind ye Han’s shoulder in embarrassment. ”

Her heartbeat quickened.

“Ye Zao and the other two pushed each other and teased, “We’re all adults, what’s there to be embarrassed about! But if the two of you succeed, Qingcheng, what should you call me?” ”

“Shi Qingcheng raised her head to look at Ye Zao. “Zao Zao, you’re Bullying Me!” ”

“Ye Han shielded Shi Qingcheng behind him and continued, “Sister, she’s thin-skinned, don’t tease her.” ”

“Ye Zhuo chuckled, “You’re protecting her already? Qingcheng, why didn’t I notice that you’re thin-skinned before?” ”

“Zha Zha!” Shi Qingcheng raised her head to look at Ye Zhuo. “Why are you like this!”

“Ye Zhuo smiled and said, “Alright, Alright. If you don’t tease me, Can I tease you?” ”

“I was just saying it casually!”It was rare for Shi Qingcheng to act like a little girl.

“Ye Zhuo said, “I was just making a casual remark. By the way, are you looking for me?” ”

“Ye Han nodded. “Sister, are you guys going back?” ”

“”Yes,”ye Zhuo said. “We’re preparing to leave tomorrow.” ”

“So Soon?”Ye Han was stunned.

“Ye Zhuo explained, “There are still a lot of things waiting for us to deal with on Earth.” ”

There was also the OASIS Project on Mars...

“Ye Han held Shi Qingcheng’s hand tightly and continued, “Sis, Qingcheng and I are planning to go back with you guys.” ”

“You guys are going too?”Ye Zhuo asked.

“”Yes.”Ye Han nodded. “Qingcheng has always been very curious about what Earth is like. Coincidentally, we don’t have much to do during this period of time, so we can go to Earth to have some fun.” ”

“Chapter 2226: 466: Return to Earth, origin! 4”

“”Alright then,”ye Zhuo continued, “Get ready. We’ll set off tomorrow morning.” ”

“Alright.”

“Lin Ze had made quite a number of friends in Galaxy S over the past few days. If he was going back, he would definitely greet his friends. ”

“On the way back, he bumped into Bai Mo.. ”

“Out of courtesy, Lin ze greeted her politely, “Miss Bai.” ”

Bai Mo nodded. “Mr. Lin hasn’t returned yet?”

“Lin Ze continued, “I’m preparing to return tomorrow.” ”

““Have a safe journey,”Bai Mo said. ”

“Thank you.”

“After Lin Ze left, Bai Yuanyuan, the female companion beside him, asked curiously, “Is this the Lin Ze you were telling me about?” ”

“Yes.”Bai Mo nodded slightly.

“He’s Miss Ye’s younger brother?”Bai Yuanyuan continued to ask.

“Yes.”Bai Mo continued to nod.

“Bai Yuanyuan continued, “He’s actually not bad-looking! He’s tall, handsome, and has a good temperament at critical moments! It’s hard to find such a man in the S Galaxy Now, right?” ”

“Lin Ze’s appearance was hard to describe. He had inherited the good genes of the Lin family. He was tall and had long legs. Otherwise, he wouldn’t be the campus belle of Beijing University.”

He would only be able to blow up the streets if he walked out.

“He’s not bad-looking.” A regretful look appeared in Bai Mo’s eyes. “It’s a pity that his background is a little bad.”

Saying that it was a little bad was just a euphemism.

“Actually, it was not a little bad at all!”

“Apart from his good appearance, Lin Ze was completely useless.”

Just the fact that he was an earthling was something that he could not compare to people from the s galaxy.

“If Lin Ze was the same as ye Han, Bai Mo would definitely agree.”

Unfortunately.

No.

“Bai Yuanyuan continued, “But his sister is Miss Ye! Mo Mo, why don’t you consider it? I think he has a pretty good impression of you. Otherwise, he wouldn’t have come all the way here to greet you! “Miss Ye’s birth wasn’t good either. She even roamed around before, but she still became someone superior!”

“”He can’t be compared to Miss Ye.” Bai Mo shook her head, she continued, “The reason why Miss Ye was able to succeed was because Miss Ye was born in the s galaxy. Lin Ze was different. Lin Ze was just an ordinary person from the beginning to the end.” ”

“Lin Ze was the same age as ye Zao, and Ye Zao was already a well-known miss ye in changyue. ”

What was Lin Ze?

“When Ye Han introduced Lin Ze to her, he always started with ye Zao’s younger brother. ”

“Ye Zao was indeed powerful, but his sister was his sister. ”

Lin Ze couldn’t rely on ye Zao for his entire life.

“Hearing this, Bai Yuanyuan nodded. “That’s true.” ”

Different people would have different circumstances if they were born different.

The ugly duckling could become a white swan because it was a white swan.

An ordinary duck could transform into a white swan?

““I just feel that it’s quite a pity,” Bai Yuanyuan continued, “It’s such a waste to be so handsome!” ”

“Although Bai Mo felt a little regretful, he was not at Bai Yuanyuan’s level. He smiled and said, “The s galaxy is so big. There are many men who are more outstanding than Lin Ze. It’s just that you didn’t notice.” ”

“Is that so?” Bai Yuanyuan asked back.

““Of course it is,” Bai Mo continued, “You have to know that appearance is the most useless thing in this world!” ”

“Compared to Bai Yuanyuan, who had a love brain, Bai Mo was simply clear-headed. ”

She knew very well what she wanted.

“Right now, power was the most important thing to her!”

Lin Ze could not give her what she wanted.

“Bai Yuanyuan continued, “What you said makes a little sense.””

““You’ll find out in the future,” Bai Mo continued, “Love without power is just like loose sand on the side.””

Lin Ze only greeted Bai mo out of courtesy. He didn’t expect Bai Mo to make so much up in her head.

“Because he had other things to do in the afternoon, he couldn’t help but hurry up. At this moment, he suddenly bumped into someone.”

Bang!

The other party’s book was knocked to the ground.

“I’m Sorry!” Lin Ze immediately squatted down to pick up the book.

““It’s okay,” a very gentle female voice said. The other party also squatted down to pick up the book.”

Lin Ze picked up the last book and handed it to her.

““Thank you.” The girl took the book with both hands. Not only did she not feel angry because of the bump, but she was also very well-educated and neither angry nor angry.”

“After saying that, the girl picked up the book and left. ”

“At this moment, Lin Ze found a brooch on the ground. ”

Lin Ze immediately chased after her. “Please Wait.”

“When the girl heard the sound, she stopped and looked back. “What’s Wrong?”?”

Lin Ze jogged after her. “You dropped something.”

The girl looked down and realized that she had dropped her brooch. “Thank you.”

“”I should be the one apologizing. If I hadn’t been so Careless, your brooch wouldn’t have dropped.”Lin Ze returned the brooch to her. ”

“Chapter 2227: 466: Return to Earth, origin! 5”

“”It’s not just your fault, I’m also responsible.”The girl took the brooch with both hands. ”

...

“In the blink of an eye, the next day arrived. ”

The group split into two groups and boarded the interstellar shuttle to set off for Earth.

“Man Wen stood in front of the French window and looked into the distance. After a moment, he slowly said, “Sister, have a safe journey.” ”

1

“After today’s farewell, no one knew when they would be able to meet again. ”

“Three days later, the interstellar shuttle successfully arrived on Earth. ”

“Have we arrived?” Shi Qingcheng was a little excited.

“We’ve arrived.” Ye Han nodded.

Shi Qingcheng immediately came to the door and urged ye Han to open it.

Ye Han opened the cabin door.

Their landing location was the Cen family base.

“Because the surroundings were protected, it looked a little empty. ”

“Shi Qingcheng got off the aircraft and frowned slightly. “Didn’t you say that Earth is beautiful? I think it’s just like that! It’s not even as good as our desert region!” In Galaxy F, there were also desert regions., however, the desert in Galaxy F was not so barren, only slightly worse than the downtown area. ”

“Ye Han explained, “This is my brother-in-law’s base, and we haven’t reached the real outside yet.” ”

“As soon as he finished speaking, Cen Hai ran over from the side. “Mr. Xiao Ye.” ”

“”Cen Hai Ge.” Ye Han greeted with a smile. “Let me introduce you. This is my girlfriend, Shi Qingcheng.” ”

“Hello, Miss Shi. I’m Cen Hai. Shanjin Cen, Hai of the sea.”Cen Hai took the initiative to shake hands with Shi Qingcheng.”

“Hello.”Shi Qingcheng shook hands with Cen Hai.

“Cen Hai continued, “Mr. Xiao Ye, Miss Ye and the others have already arrived. Please follow me quickly.” ”

“Okay.”Ye Han nodded and followed Cen Hai’s footsteps.

The three of them walked towards the inner part of the base.

“The deeper they walked, the greater the change in Shi Qingcheng’s expression. Gradually, her eyes were filled with shock. ”

“So the technology on Earth has also developed so much!”

“Previously, Shi Qingcheng’s impression of earth had always been that it was poor and backward, with rotten long braids. She had never thought that Earth would have such high technology. ”

This was very different from what she had imagined.

“Ye Han smiled and said, “Actually, when I first came here, I was the same as you. Actually, sometimes I feel that Earth is more suitable for living.” ”

“The Aura of life on Earth was more abundant, and so was the human nature. ”

“Is this all your brother-in-law’s Home?”Shi Qingcheng looked at Ye Han.

Ye Han nodded.

“Shi Qingcheng continued, “It seems that your brother-in-law is not only very powerful in the s galaxy, but also very powerful on Earth!” ”

“”Indeed,”ye Han said. ”

“Soon, they arrived at the CEN family base. ”

Ye Zhuo and Cen Shaoqing were already eating.

“Seeing Shi Qingcheng and ye Han come over, Ye Zhuo stood up and said, “You guys come over and eat something.” ”

“Shi Qingcheng was like Ye Han who had come to Earth for the first time. When she saw the food, she immediately waved her hand and said, “No, no, I just ate.” ”

“Ye Han picked up a piece of cake and said with a smile, “Try it, it’s really delicious! If you don’t eat it, you’ll definitely regret it!” ”

“I won’t regret it.”Shi Qingcheng covered her mouth.

“It was Shi Qingcheng’s first time on Earth, so ye Han planned to show her around. ”

“However, Ye Han was not very familiar with the capital, and Ye Zhuo was very busy, so ye Han could only ask Lin Ze to be his tour guide. ”

“There were many scenic spots in the capital. Walking along the white walls and small paths, it was as if one had traveled back to that era. ”

“Shi Qingcheng had never seen such a building before. For a moment, she took pictures everywhere. ”

“Brother Ze, help us take a picture.” ”

Shi Qingcheng held ye Han’s hand and made various poses.

Lin Ze was in charge of taking pictures for them.

“At this moment, his back bumped into another person who was holding a camera and taking pictures everywhere.”

Pa..

The camera fell to the ground.

“Both hands covered the camera at the same time. When they looked up, they saw each other’s faces. Almost at the same time, they asked, “It’s You?” ”

“That day, they received the camera on the street of the alliance.”

“At that time, it was Lin Ze who had accidentally knocked the book on the ground.”

“Are You Alright?” Shi Qingcheng and ye Han jogged over. When they saw who it was, Ye Han said in surprise, “Miss Bai!” ”

“Bai Jingshu did not expect ye Han to appear here either. She smiled and said, “Mr. Ye.” ”

“Shi Qingcheng asked curiously, “Do you know each other?” ”

“Ye Han nodded and continued, “Miss Bai, let me introduce you. This is my girlfriend, Shi Qingcheng. This is my brother, Lin Ze.” ”

Chapter 2228: 467: give her a hand! 1

Bai Jingshu was stunned.

“As if she did not expect that everyone was familiar with each other, she smiled and nodded. “Miss Shi, Mr. Lin. I am Bai Jingshu, white in color. I Am Jingshu, who is waiting for me in the corner of the city.” ”

“Shi Qingcheng shook hands with Bai Jingshu. “Shi Qingcheng, time is of the essence.” ”

“Then, Lin Ze extended his hand to Bai Jingshu. “Lin Ze, the Twin Woods Forest, the one who has helped each other.” ”

Bai Jingshu reached out her hand to hold Lin Ze’s hand.

“Lin Ze was about 1.8 meters tall. Standing in front of Bai Jingshu, he looked like a tall ancient tree. He stood alone and his aura was like an orchid, blocking out the sunlight above Bai Jingshu’s head. ”

Bai Jingshu had to raise her head to see his face.

“After a while, ye Han continued, “Miss Bai, are you here to do archeology again?” ”

Bai Jingshu nodded and smiled. “The capital city is a very charming city. I really like it here.”

““Do you need us to come along?”Ye Han continued, “Today, My Brother is a tour guide. He grew up in the capital city and is very familiar with it.” ”

“Bai Jingshu continued, “Thank you. I still have to go to other places in a while, so I won’t trouble you guys.” ”

“”Alright then. My girlfriend and I will be in the capital during this period of time. If you need anything, you can contact me,”ye Han said. ”

“”Alright, thank you.”Bai Jingshu continued, “Then I’ll go over there first. Goodbye, everyone.” ”

“Take care.”

“Looking at Bai Jingshu’s back view, Shi Qingcheng said, “What’s the relationship between Bai Jingshu and Bai Mo?” ”

“The Bai family members had good genes. Although Bai Mo was petite, her facial features were really exquisite. This Bai Jingshu was even more exquisite than Bai Mo.. ”

“She smiled sweetly, her beautiful eyes filled with anticipation. ”

“”They’re cousins,”ye Han replied. ”

“Shi Qingcheng asked curiously, “Bai Mo is the older sister?” ”

“Ye Han shook his head. “No, Bai Mo is the younger sister.” ”

“Shi Qingcheng continued, “Then why didn’t you introduce Bai Jingshu to brother Ze? I think Bai Jingshu is much easier to get along with than Bai Mo. .” ”

Although Bai Mo looked at everyone with a smile on her face...

But her smile hid the sharpest blade.

“Ye Han explained, “I’m not that close to Bai Jingshu. We just know each other.” ”

He and Bai Mo could be considered good friends.

“I see.” Shi Qingcheng nodded. She looked at Lin Ze and continued, “Brother Ze, what do you think of Bai Jingshu? If you like her, I can become good friends with her and then set you two up.”

“Just Like Ye Han, Shi Qingcheng also had the heart of a matchmaker.”

“Lin Ze chuckled. “Thank you, but there’s no need for that. I’m not thinking about personal matters for the time being.”

“Really, there’s no need for that?” Shi Qingcheng continued, “Brother Ze, we’re all on the same side. Don’t stand on ceremony.”

“There’s really no need,” Lin ze said.

“Shi Qingcheng turned to look at ye Han and asked, “What’s Bai Jingshu like? I heard from you that she’s coming to Earth for archeology. Could it be that she comes here often?”

“Yes.” Ye Han nodded and continued, “Bai Jingshu is different from the others. She likes to study the ancient cultures on Earth. She spends two-thirds of her time on Earth every year.”

“In the S Galaxy, earth was the lowest civilization and the people on Earth were also the lowest class of people. Bai Jingshu did the opposite. She liked to study the culture on Earth, so she naturally became the outlier in everyone’s eyes.”

“I really couldn’t tell that Bai Jingshu actually liked Earth so much,” Shi Qingcheng Sighed.

“After saying that, Shi Qingcheng asked, “Then what’s her personality like?”

“Ye Han shook his head. “I’m not too sure. She’s different from Bai Mo and doesn’t like to interact with people. In any case, she’s quite isolated. I rarely hear Bai Mo talk about Bai Jingshu.” Bai Jingshu’s

parents didn't have a high status in the Bai family, in addition, Bai Jingshu was not a particularly outstanding junior, so Bai Jingshu was a dispensable person in the Bai family. ”

“After saying that, ye Han continued, “I see that you're quite interested in her?” ”

“Shi Qingcheng said, “Am I not concerned about brother Ze? Actually, I really think that Bai Jingshu is quite good.” ”

“Lin Ze rubbed his nose. “Thank you, but I really don't want to think about this right now.” ”

““This kind of thing isn't something that you can just think about and not think about.”Shi Qingcheng continued, “When fate comes, even if you don't want to think about it, you'll have to kneel down and sing ‘conquer’.” ”

““I won't,”Lin ze said very calmly. ”

““This isn't something that you can just say you won't.”Shi Qingcheng narrowed her eyes and turned to look at Lin Ze. “Brother Ze, you haven't been in a relationship before, right?” ”

Chapter 2229: 467: help her out! 2

“No.”

“Shi Qingcheng smiled and said, “No wonder you're as straight as a steel pipe. It turns out that you haven't experienced the ravages of love.” ”

Ye Han laughed out loud

“What Are You Laughing At?” Shi Qingcheng looked at Ye Han. “Do you think you’re better than him or something?”

Ye Han immediately shut up.

Lin Ze picked up the camera. “Are you guys still taking photos?”

“Take a picture!” Shi Qingcheng’s gaze was immediately attracted by the camera. “Let’s go over there and take a picture! What kind of clothes are they wearing? They look too good!”

““That’s a palace dress,” Lin Ze explained. “It was worn by the empress during the Qing dynasty. If you want to wear it, you can ask ye Han to rent one.” ”

““Yes, yes!” Shi Qingcheng hurriedly nodded and urged ye Han. “Hurry up and rent a set for me!” ”

Ye Han jogged over.

“Soon, he ran back again. “Come and pick out the style yourself. You also need to do your hair up.” ”

Shi Qingcheng followed ye Han’s footsteps.

“It took a long time for a woman to do her hair up and pick out clothes. Lin Ze looked at the two of them and continued, “Call me when you’re done. I’ll go over there and take a look.” ”

“Okay.” Ye Han nodded.

Lin Ze went to take a look around.

“He had liked to be quiet since he was young and rarely went out to play. If it weren’t for the fact that he was going to be Ye Han’s tour guide, he wouldn’t have come out no matter what. ”

Especially during the crowded holiday season.

Lin Ze went to a small teahouse on the side and chose a seat by the window.

“Outside the window was the red walls and tiles, giving people the illusion that they had traveled through time and space.”

“Lin Ze picked up a cup of tea and took a sip. When he turned around, he saw a familiar figure outside the window. When he looked closely, he realized that it was Bai Jingshu.”

“Bai Jingshu stood in the middle of the crowd, holding her camera and taking pictures from left to right.”

“She was about 1.6 meters tall and stood in the middle of the crowd, looking even more petite.”

“After taking pictures for a while, Bai Jingshu seemed to have discovered something. She walked to a palace wall and stopped before it. Then, she took out a small notebook and began to take notes. Her expression was serious, and as people came and went, it formed a beautiful scenery.”

This Bai Jingshu seemed to be different from the rest of the people in the galaxy.

“On Bai Jingshu, Lin Ze actually saw a peaceful and peaceful look.”

“No matter how others looked at her, she still loved what she loved and did not waver in the slightest.”

““Here’s your dessert.” Just then, the waiter brought the dessert to Lin Ze.”

““Thank you.” Lin Ze picked up a piece and tasted it. It tasted good and called out to the waiter, “Wait a moment.””

“Do you need anything else?”The waiter turned to look at Lin Ze.

“Lin Ze continued, “What’s the name of this dessert?” ”

““Liuxin Crisp,”the waiter replied. ”

Lin Ze nodded. “Help me pack a serving.”

“Okay.”

“After thinking about it, one serving might not be enough for Ye Zhuo. Besides, Ye Han also liked desserts. Lin Ze continued, “Four servings!” ”

“Please wait a moment.”

“Okay.”

“After the waiter left, Lin Ze raised his head again. Bai Jingshu was no longer outside the window. ”

“For some reason, Lin Ze’s heart was empty. ”

She was clearly just a girl he had met once before.

“Lin Ze smiled faintly, shook his head, and continued eating the dessert. ”

“Perhaps it was because it was very sweet, but he felt a little tired after eating the second piece. Lin Ze picked up his cup and drank some tea. Only then did he feel much better. ”

“Just as Lin Ze finished his dessert and was about to pay the bill and leave, he received a call from ye Han. ”

Lin Ze picked up ye Han's call. "I'll be right there."

"After hanging up, Lin Ze called the waiter over and was about to pay the bill. "

"Just as Lin Ze was walking towards the door, he saw Bai Jingshu's figure by the window. "

Bai Jingshu was wearing a pale white retro qipao. She was pouring tea and drinking by herself. In front of her was a plate of beautiful flowing heart crisps.

She was so demure that she did not look like a visitor from outer space.

Lin Ze took note of the table number and walked to the cashier. "Help me pay for Table 6."

"Okay, please wait a moment." The cashier looked at the computer and continued, "It's a total of 716 yuan. Is it cash or Alipay?" "

"Cash." Lin Ze took out his wallet and counted eight bills. "You can keep the rest."

"Thank you."

"You're welcome." Lin Ze carried the packed snacks and walked out of the door.

"When they reached the place, Shi Qingcheng had already put on her makeup and changed her clothes.  
"

Shi Qingcheng had a good foundation. She changed into her palace attire and had her hair coiled up. She looked quite similar.

Lin Ze handed the packed snacks to Ye Han. "The snacks here are not bad. Have a taste."

“Ye Han took the snacks and looked at Lin Ze. “Brother Ze, I’ll leave the photos to you!” ”

Chapter 2230: 467: give her a hand! 3

“Okay.”Lin Ze nodded.

“Lin Ze’s photography skills were not bad, comparable to a first-class photographer. ”

“The Shi Qingcheng on camera was much more beautiful than usual. It was as if the empress of the Qing dynasty, Wulanara, had really walked out of the deep palace walls. ”

“By the time ye Han finished eating his dessert, Lin Ze’s international blockbuster had already been completed. ”

“Lin Ze continued, “Are you guys still going to climb the Great Wall?” ”

“The Great Wall? I want to Go!”Shi Qingcheng said excitedly.

Ye Han nodded. “Then let’s Go! Is there still time?”

“Lin Ze looked at his watch. “It’s Alright, we can make it in time.” ”

Over here.

“Bai Jingshu finished her tea, packed her things, and was about to pay the bill when she realized that the bill had already been settled. ”

“May I ask who settled the bill for me?” Bai Jingshu looked around, but she didn’t find any acquaintances.”

“She had been on Earth for so long, but she hadn’t made any friends.”

The cashier shook his head. “It was a tall and thin gentleman who settled the bill for you.”

“Sir?” Bai Jingshu asked.

“Yes.”

Bai Jingshu frowned slightly. Who Was It?

“Bai Jingshu took out eight RMB bills from her wallet and said, “If you can see that Sir Again, please help me return the money to him. Then, tell him thank you on my behalf.” ”

“What if you can’t See It?”The cashier asked.

“Bai Jingshu said, “If you can’t see it, I’ll come again next time.” ”

Bai Jingshu had real estate in the capital.

“However, because the coins in the s galaxy were not common to Earth and the real estate prices in the capital city were too high, her house was not too big. ”

The cashier nodded and took out a pen and paper. “Please leave your contact information.”

“Okay.” Bai Jingshu left her name and contact information.

Bai Jingshu left the money and was about to leave when she received a message from the chief editor asking her to meet her at a coffee shop not far away.

“Bai Jingshu replied: [ alright, I’ll be there soon. ] ”

“When she arrived at the coffee shop, she saw that the editor-in-chief was already waiting for her. ”

“When she saw Bai Jingshu, the editor-in-chief immediately waved at her. “Present day! Present day, over here!” ”

She even thought that present day was Bai Jingshu’s pen name.

That’s right.

Bai Jingshu was a historical novel author.

“Her published novels, such as “Records of the Great Song dynasty” and “Before the Qing dynasty”, had already reached a million sales. ”

This was also the reason why Bai Jingshu was able to buy a house in the capital.

“Lu Lu.” Bai Jingshu walked over and sat down.

“The chief editor, Little Lu, was a 30-year-old woman who had yet to settle down. Although she was already 30 years old, her face still retained the youthful vibrancy of a young girl and her face was full of collagen. ”

“Little Lu said excitedly, “Today, did you know? Your copy of the Great Tang of the prosperous times has been sold out in advance! The publishing house is preparing to print another 100,000 copies. Go back and prepare more autographs.” ”

“Bai Jingshu was stunned. She did not expect that the prosperous era’s great Tang would have such good sales. She smiled and said, “Okay, how many do you need?” ”

“”About 10,000 copies.” ”

Bai Jingshu nodded. “Okay.”

“Young deer hugged Bai Jingshu excitedly. “My dear, I love you so much! Give me a kiss, Kiss!” ”

Young deer was 23 years old and worked in the editing industry. He had been an editor since he was young and had met many authors along the way.

“However, it was the first time he had met an author who was so dedicated to her work and did not have a temper. ”

“Bai Jingshu was also a god-level figure in the industry, but she did not put on any airs and was very cooperative with the editing work. ”

She never delayed the manuscript and even completed the mailing on time by signing it in person.

“Bai Jingshu smiled and said, “I should be the one thanking you. Actually, you could have just told me over the phone about such a small matter. There was no need for you to come all the way here.” ”

“”There’s one more thing,”young deer said. ”

“What is it?”Bai Jingshu asked.

“Young deer continued, “When are you going to release your new book?” ”

“Bai Jingshu shook her head. “I’m not ready for the time being. Next, I plan to take a walk around.” ”

“Mm, you should really take a good rest.” Young deer continued, “Then, are you coming to the annual party this year?”

“Ever since Bai Jingshu started writing, she had never attended the annual party.”

Many people were curious to see what she looked like today.

“Because she did not introduce herself and did not open a social media app, the fans did not even know Bai Jingshu’s gender.”

“I’m not too sure either.” Bai Jingshu shook her head. “We’ll see.”

“Alright then.” Young deer nodded. “I’ll contact you when the time comes!”

“OK.”

“Deer seemed to remember something and said, “By the way, the big boss of this year’s annual party will also come!””
