Chapter 2231: 467: give her a hand! 4

“OH.”There was no special expression on Bai Jingshu’s face.

“”Oh?”Young deer asked incredulously, “Aren’t you surprised at all?” ”

“Bai Jingshu asked, “Why should I be surprised?” ”

“”I heard that the big boss is handsome and rich. He’s a domineering CEO in real life! At the critical moment, he’s still single!”At the end of his sentence, young deer’s eyes were almost sparkling. ”

“Like Bai Jingshu, the big boss rarely showed his face, resulting in a lot of rumors about him. ”

“And then?”Bai Jingshu continued to ask.

“Little deer continued, “And then we can dream. What if the Big Boss takes a fancy to us?” ”

Bai Jingshu chuckled. “How can there be so many stories about Cinderella and domineering CEO in Real Life?”

“Young deer said, “Today, you’re a god in the industry, and you’re so beautiful. How can you say that you’re Cinderella? !” ”

“”Thank you for thinking highly of me.”However, in Bai Jingshu’s eyes, she was just an ordinary person. ”

Young deer continued to fantasize. “What if the Big Boss takes a fancy to you and you become the Lady Boss? Won’t you become the Lady Boss in the future?”

“Bai Jingshu picked up the coffee and took a sip. She smiled and said, “Then I wish your dream will come true soon.” ”

“Thank you.” Little Deer picked up the coffee cup and toasted her.

“After saying that, little deer continued, “Do you have a boyfriend today?” ”

“Not yet.” Bai Jingshu shook her head.

“Little Deer said in surprise, “Then you’re actually not interested in the Big Boss!” ”

“Bai Jingshu smiled and said, “Relationships need to be managed. If you have time to fall in love, you might as well study more about ancient history and write a few more books.” ”

“Right now, she did not have the slightest intention of falling in love. ”

“Firstly, she had not met anyone suitable. Secondly, she felt that she loved history more than her boyfriend. ”

“Little Deer immediately gave Bai Jingshu a thumbs up. “Not bad! Your ideological awareness is really high! It’s really high! No wonder your writing is so good. Sometimes, I even wonder if you came back from those dynasties!” ”

“Bai Jingshu took a sip of coffee. “Actually, it’s good to do more research.” ”

“More importantly, it was love. Because of love, one could devote one’s heart and soul to writing better things. ”

“Little deer continued, “If you don’t have a partner, will your family rush you?” ”

“Sometimes.” Bai Jingshu nodded. “All parents in the world have the same heart.”

“After saying that, Bai Jingshu asked, “What About You?” ”

“Little deer nodded, “Of course!”! “It was fine before, especially after I turned 30. My mom has been brainwashing me and I can just marry anyone!”! “But is it that easy to start a family?”? “If I don’t marry someone i like, I’d rather not marry and just stay single!” ”

“Bai Jingshu nodded and agreed with little deer, “You’re right. You Can’t get married just because you’re married. Marriage isn’t a mission. Since You’re married, you have to be responsible for your partner and the families on both sides. Of course, you also have to be responsible for your future children!” ”

Bai Jingshu’s worldview was the same as young deer’s.

“If she didn’t meet someone suitable, she would rather die alone. ”

“Young deer looked at Bai Jingshu and said regretfully, “It’s a pity that you’re not a man today. If you were a man, I would definitely marry you!” ”

“Bai Jingshu smiled and said, “Really?” ”

“Of course it’s true.”

“As the two of them chatted, Bai Jingshu suddenly received a message. ”

It was from the s galaxy.

Only then did Bai Jingshu remember that her grandfather’s 90th birthday was coming up.

“Bai Jingshu looked at little deer and continued, “Deer, are you in a hurry to get that autograph?” ”

“What’s the matter?” Little Deer asked.

Bai Jingshu nodded. "It's my grandfather's birthday. I have to go back to my hometown."

"Is your hometown far away?" Little Deer asked.

"It's very far. I need about three days to get home, and there's still no signal in the mountains." "

"Hearing this, little deer said in surprise, "Three days? is your family living in outer space today?" "

"Sort of," Bai Jingshu said. "

The S galaxy was indeed outer space for Earth.

Young deer nodded. "When are you going back?"

"Tonight," Bai Jingshu replied. "

"Okay," young deer continued, "Then you go back first. If there's anything, I'll leave a message for you. Sign it personally and I'll negotiate with the publishing company." "

"Thank you, young deer. I'll contact you as soon as I return." "

"Well, don't worry. Have Fun in your hometown." "

"Okay." Bai Jingshu nodded.

Chapter 2232: 467: give her a hand! 5

“After Bai Jingshu returned, she watered the plants in the house. Then, she instructed the housekeeper to come once a day to feed the kittens. Only then did she leave with peace of mind. ”

...

On the other side.

“After spending three days in Beijing, Shi Qingcheng could not bear to go back. ”

“Although the s galaxy was prosperous and technologically advanced, compared to Earth, the s galaxy still lacked a lot of resources. ”

“Sear Sear.” Shi Qingcheng hugged ye Sear’s arm. “Now I finally know why you didn’t return to the S Galaxy!”

Ye sear smiled faintly. “Why? You Can’t bear to go back?”

“Yes.” Shi Qingcheng nodded slightly. “I’ve decided that I want to set up a small home in the capital city in the future.”

“Hearing this, Ye Sear seemed to have thought of something. He pulled open the drawer of the desk, took out a bunch of keys, and handed them to Shi Qingcheng. ”

“What’s This?” Shi Qingcheng asked.

“Ye Zao said, “It’s a small courtyard house near the East Ring Road. It’s a dowry for you.” ”

“F \* ck! Is this for real?” Shi Qingcheng asked.

“It’s true.” Ye Zao smiled and said, “But no one has lived there for a long time. If you want to live there, you’ll have to find someone to design and renovate it.” ”

“No problem,” Shi Qingcheng said, “I like renovations the most! Zao Zao, I Love You!” ”

“After understanding the capital for the past few days, Shi Qingcheng also wanted to buy a house, but the houses here were too expensive, and the star currency of the S galaxy could not be exchanged here, so Shi Qingcheng had no choice but to give up on this idea. ”

Ye searing was simply a timely rain for her.

S galaxy.

“Today was elder Bai’s 90th birthday, so many people were invited. ”

“Elder Bai didn’t lack anything, so Bai Jingshu wrote a birthday toast for him. ”

“She was an author, after all, so her handwriting was very beautiful, and she won everyone’s approval on the spot. ”

“The eldest daughter of the Bai family is really amazing! She has the heart of an orchid!”

“Bai Jingshu wore a red gown and stood in the middle of the crowd, thanking him politely. ”

“If it weren’t for the special circumstances, she definitely wouldn’t have been able to handle such a situation. ”

“If she had known that a single word would cause so many people to sigh, she would definitely have secretly gifted it to her grandfather. ”

As long as she had the intention.

“Momo, look at her! She’s acting all pretentious!” Bai Yuanyuan and Bai Jingshu had never gotten along well, at this moment, when she saw that Bai Jingshu was like a star worshipping the moon, she felt a little uncomfortable. “If it wasn’t for the injury on your hand, how could she be the one to present the treasure in front of grandfather!” ”

“Bai Mo glanced in that direction, but his expression didn’t change. “Why bother with her? It’s not easy for her to make a move.” ”

It wasn’t that Bai Mo looked down on Bai Jingshu.

It was that Bai Jingshu was too useless to help herself.

“As the eldest daughter of the Bai family’s eldest daughter, Bai Jingshu’s starting point wasn’t low. It was a pity that she had played a good hand of cards to a pulp. ”

“Bai Jingshu didn’t have the grace of a famous family’s eldest daughter. Not only did she not have any advantages, but she spent her days on a low-grade planet like Earth. Others avoided her as much as possible, but she.., two-thirds of her time was wasted on Earth. ”

She did not want to progress!

“Hearing this, Bai Yuanyuan smiled and said, “That’s true. Why bother with people like her?” ”

“After saying that, Bai Yuanyuan continued, “By the way, I heard that Ye Han and Shi Qingcheng are together. Do you know that?” ”

“Is that so?” Bai Mo asked.

“Bai Yuanyuan nodded. “If you ask me, other than the fact that Qingcheng is a little taller than you, she really doesn’t look like you. I wonder how ye Han fell in love with her!” ”

“Bai Mo said, “Everyone has their own favorites.” ”

Her current target was no longer ye Han.

That was because another celebrity was already rising.

“Does Manwen have a fiancée?” Bai Mo turned to look at Bai Yuanyuan.

Yes.

It was Manwen!

“After this incident, Bai Mo realized that Manwen was a talent that could be molded. ”

“In the future, Manwen’s achievements would be far more than that. ”

“Bai Yuanyuan shook her head. “I don’t think so. However, I feel that Manwen seems to have some interest in Bai Jingshu.” ”

Bai Mo frowned slightly. “Why do you say that?”

“”Didn’t Manwen have a bad reputation before? There weren’t many people in the s galaxy who were friends with him. Now, Bai Jingshu had picked up on his mistakes! If you ask me, she really is a fool who has luck! I heard that Manwen even invited Bai Jingshu to the presidential palace as a guest!” ”

“Hearing that, Bai Mo’s frown deepened. ”

“With that said, Bai Jingshu did indeed have some luck. ”

“I remember, wasn't there someone who had been chasing after Bai Jingshu?” Although Bai Jingshu did not have much of a presence in the Bai family, she was good-looking, so she did not lack suitors. ”

“There seems to be one,” Bai Yuanyuan said. ”

Bai Mo narrowed his eyes. “Then let's help him.”

“How?” Bai Yuanyuan asked.

A smile appeared on Bai Mo's face. “Help him get Bai Jingshu.”

Chapter 2233: 468: the icing on the cake! 1

Personally promoting a marriage was a good thing.

Bai Mo looked at Bai Jingshu not far away and smiled.

“Bai Yuanyuan continued, “Mo Mo, why do I not understand what you're saying?” ”

“You don't need to understand.” Bai Mo turned around and looked at Bai Yuanyuan. “Who is the person who is chasing after Bai Jingshu?”

“It's Du Yaosheng, the younger brother of the head of the Du family,” Bai Yuanyuan replied. ”

“The du family is a truly prestigious family. If my cousin could marry into the du family, it would be her fortune.” ”

“Bai Yuanyuan continued, “I don’t know what kind of dumb luck Bai Jingshu has. Manwen seems to be interested in her. Du Yaosheng is even more infatuated with her. He fell head over heels for her.” ”

“Du Yaosheng was not some good-for-nothing. Although he was not as outstanding as the head of the Du family, he was definitely one of the best among the children of the rich and powerful. ”

Even Bai Yuanyuan might not be able to marry a man like du Yaosheng in the future.

How could Bai Yuanyuan be convinced by this.

“Other than her looks, what else could Bai Jingshu be like? ”

Oh.

Bai Jingshu also knew how to write a few big words to make people happy.

“However, Bai Jingshu knew nothing about technology. She only knew how to study backward historical ideas in her notebook all day long. ”

“At this point, Bai Yuanyuan sighed, “It seems like what my mother said is true. Girls are really like canola seeds. It’s useless to be outstanding. We need to find a good place to grow roots and sprouts. Only then can we grow stronger and stronger in the future.” ”

“To put it simply, a girl could not be outstanding, but she had to marry an outstanding man. ”

Bai Mo also agreed with this view. “It’s not enough. It’s important to be outstanding.”

A truly outstanding man would not fall for a tacky woman.

“”Bai Jingshu is only lucky for the time being,” Bai Mo continued, “She has no inner self. Even if she really gets together with Manwen in the future, she will only be abandoned.” ”

“The beauty of a ruler was in decline, but love was in decline. The virtue of a ruler was in the long run.”

“Hearing this, Bai Yuanyuan felt much better.”

“Someone like Bai Jingshu, who was only beautiful on the outside, would be abandoned sooner or later.”

“Bai Mo raised his hand to tidy up his hair and said, “Let’s go over there.””

“Where are we going?” Bai Yuanyuan was stunned.

Bai Mo smiled gently. “Let’s go and say hello to cousin.”

“OH.” Bai Yuanyuan immediately followed Bai Mo’s footsteps.

The two of them came to Bai Jingshu’s side.

“Bai Jingshu lived up to her name. She was quiet and didn’t have many twists and turns. She knew that she wasn’t the same as Bai Mo and Bai Yuanyuan, so she didn’t have much interaction with the two of them.”

“They rarely met each other, and even if they did, they would only nod at most.”

“But today, Bai Mo actually changed his usual behavior and walked up to greet her warmly. “Sister.””

“He called her ‘sister’ very warmly. If people didn’t know about it, they would think that Bai Mo was Bai Jingshu’s biological sister.”

“”Momo, Yuanyuan,” Bai Jingshu greeted politely as well.”

“Bai Yuanyuan had always been a person who would talk to anyone she met. Even if she did not like Bai Jingshu in her heart, she would not show it. ”

““Sister Jingshu, it’s been a long time since we last met. You’ve become more beautiful again.” ”

“Bai Jingshu smiled and said, “Thank you, but you’re even more beautiful.” ”

Bai Mo walked forward and held Bai Jingshu’s arm.

Bai Jingshu was stunned. She furrowed her brows without anyone noticing. She subconsciously felt that Bai Mo was a little abnormal today.

“She had a clear view of herself and knew that her interests and preferences were different from those of ordinary people. As a result, the sisters in her family were more or less displeased with her. ”

“Because of this, her parents had talked to her many times. ”

“However, she could not change the affection in her bones. ”

“Her parents had spoken and criticized her. As time passed, when they saw that she could not change it, they let her be. ”

“When children grew up, it was not up to their parents. ”

“Fortunately, Bai Jingshu was a girl. No matter what a girl did, she could still get married in the future. She was not like a boy. If she did not learn well, it would be difficult for her to get married and have children in the future. ”

It could also be understood as Bai Jingshu being abandoned by her parents.

“In large families, only boys were specially nurtured.”

Girls were the foil to the icing on the cake.

It was better than nothing.

“Since Bai Mo and Bai Yuanyuan were acting so strangely today, there must be something else going on.”

There must be something fishy going on.

Bai Jingshu maintained her smile and kept her composure.

“Bai Yuanyuan smiled and said, “How can I compete with you, Sister Jingshu?” ”

“As they spoke, Bai Yuanyuan and Bai Mo looked at each other and said, “Sister Jingshu, I heard that the second young master of the Du family is chasing you, right?” ”

Chapter 2234: 468: a foil to the icing on the cake! 2

So that was the real point.

“Bai Jingshu said, “I don’t have that much charm to be pursued by second young master Du. It’s just a rumor.” ”

A rumor?

“When she heard this, Bai Mo looked up at Bai Jingshu.”

She didn't expect Bai Jingshu to have such a big appetite that even du Yaosheng didn't like her.

Could it be that she really wanted to marry Manwen?

"Bai Mo smiled and said, "Sister, you're too modest. We all know about this! Don't hide it anymore!" "

"I really don't," Bai Jingshu said. "I can't reach the second young master of the Du family. The two of you should stop joking around." "

"Bai Mo continued, "Sister, don't be angry. We're just casually talking. You know that girls like to gossip, right?" "

Bai Jingshu hated awkward conversations the most in her life.

"Faced with two cousins who usually wanted nothing more than to be miles away from her, she really couldn't continue the conversation. She made an excuse and said, "I suddenly remembered that grandfather has something to talk to me about. I'll go over first." "

"Looking at Bai Jingshu's back, Bai Mo narrowed his eyes. "

"Bai Yuanyuan frowned and said, "This Bai Jingshu is really like a stone in the latrine!" She was smelly and hard! She tried to curry favor with Bai Mo in such a low manner, but Bai Jingshu turned a blind eye to it. "

She really knew what she was!

Wasn't she just a face?

"No matter how good-looking she is, how can she be as good-looking as Miss Ye?" Bai Yuanyuan said unhappily, "What's there to be proud of!" "

“With her looks, how could she still look down on Du Yaosheng?”

Little did she know that Du Yaosheng being able to take a fancy to her was already a blessing that she had cultivated for eight lifetimes.

“Bai Mo continued, “Bai Jingshu doesn’t seem to be fighting over anything. Time is peaceful, but she actually has a huge appetite.” ”

“In the entire Bai family, Bai Jingshu was the most ambitious. ”

It was a pity.

She lacked a mirror that could reflect her own reflection.

“She didn’t even know how much she weighed, yet she only knew how to fantasize. This kind of person was also disgusting. ”

“Bai Yuanyuan snorted coldly. Her tone was filled with disdain. “Mo Mo, you don’t know how many times better you are than her!” ”

Over here.

Bai Jingshu came to the back and chatted with the old man.

“Although the old man was in his nineties, he was still conscious. When he saw Bai Jingshu coming over, he smiled and said, “Jingshu, come here quickly. Grandpa has something for you.” ”

Bai Jingshu walked over. “Grandpa.”

“The Old Man took out a talisman paper tied with a red string and stuffed it into Bai Jingshu’s hand. He said kindly, “Jingshu, this is the marriage talisman that Grandpa specially asked for for you in the temple. I heard that it’s very effective. You must take it with you.” ”

This eldest granddaughter was the one that old master Bai was most worried about.

Bai Jingshu was different from the other granddaughters.

“She had a quiet personality and was not so scheming. She did not fight over anything, and even the things that she liked were so different from the rest. ”

It was not easy to meet someone who appreciated each other. Old Master Bai hoped that she could find someone who truly understood her as soon as possible.

“Old Master Bai held Bai Jingshu’s hand tightly, he continued, “Jingshu, grandfather sincerely hopes that you can find someone who truly loves and understands you in the future. “After the two of you are together, you will be together for the rest of your life. Grandfather doesn’t want you to spend the rest of your life in disappointment and quarrels.” ”

“At this point, Old Master Bai paused. “Although grandfather hopes that you can start a family as soon as possible, grandfather doesn’t want you to start a family for the sake of starting a family. Marriage is not a mission, and you can’t make do with it. Grandfather hopes that you will be happy!” ”

Grandfather Bai’s words were spoken from the bottom of his heart.

Bai Jingshu was very touched by his words.

“In this family, the only person who truly cared about her was probably grandfather. ”

“Grandfather would care about whether she was happy or not, whether she was happy or not, and would make her refuse to make do with it. ”

“Her parents were more concerned about what kind of family she was going to marry into. It was as if she wasn’t marrying into a family, but married into a family instead.”

“Thank you, grandfather.”

Old Master Bai Chuckled. “What a silly child! I’m your grandfather. Why are you being so polite to me?”

“Bai Jingshu carefully put away the marriage talisman and continued, “Don’t worry, grandfather. I definitely won’t make do in the future. Find someone who understands me and understands me.””

“Okay.” Old Master Bai nodded and smiled. “If your parents dare to Nag, Come find me. I’ll make the decision for you.”

“Okay.” Bai Jingshu nodded and rested her head on old master Bai’s shoulder. “Grandpa, do you have any requests for your future grandson-in-law?”

Old Master Bai shook his head. “I only have one request.”

“What request?” Bai Jingshu asked.

Old Master Bai smiled. “To treat you well. What You Love also loves you.”

Chapter 2235: 468: a foil to the icing on the cake! 3

“What about family background?” Bai Jingshu asked.

“Elder bai said, “I don’t have any requirements for family background, as long as the boys have no problems with their character.””

“Yes, Grandpa, I understand.” Bai Jingshu nodded. ”

“Elder Bai’s gaze was a little distant as he continued, “Jingshu, you must remember what Grandpa said. A person’s life is only so long. You must not mistreat yourself and let the rest of your life be spent in regret.” ”

“There were some things that could be salvaged if one regretted it when one was young. Once one was old, one could only regret it. ”

“Yes.” Bai Jingshu continued to nod.

“If anyone dares to make things difficult for you, come and look for grandfather. As long as grandfather is around, no one can bully you!” Although Old Master Bai had already greeted his son and daughter-in-law, he was still a little worried, what if his son and daughter-in-law were making things difficult for Bai Jingshu behind her back? Bai Jingshu was the only junior that he had high hopes for. ”

“He hoped that Bai Jingshu would be able to fulfill his unfulfilled dream when he was young. No matter when or where, she would be able to live for him. ”

“Alright.” Bai Jingshu smiled and said, “With Grandpa Here, I’m not afraid of anything.” ”

“Good child.”

“As the grandfather and grandson were talking, Bai Mo and Bai Yuanyuan walked over. ”

“Grandfather.”

“Seeing Bai Mo and Bai Yuanyuan, old master bai smiled and said, “Mo Mo and Yuanyuan are here. Sit Down, sit down!” ”

Bai Mo and Bai Yuanyuan sat opposite Old Master Bai.

“Old Master Bai looked at Bai Jingshu and said, “Jingshu, I’ve prepared gifts for Mo Mo and Yuanyuan. Go and get them.” ”

“Okay.” Bai Jingshu nodded and got up to get the gifts.

Bai Mo looked at Bai Jingshu’s back with a hint of displeasure in his eyes.

“No matter what, Old Master Bai could only see Bai Jingshu in his eyes. It was as if his granddaughters were invisible. ”

“Bai Jingshu was inferior to her in everything, but in Old Master Bai’s eyes, Bai Jingshu was the most outstanding granddaughter. ”

“Old Master Bai looked at the two of them and said with a smile, “Both of you are my granddaughters. Grandfather has never favored one over the other. Mo Mo and Yuanyuan, have you resolved the issue of your marriage?” ”

““Grandfather, Yuanyuan and I are still single,” Bai Mo replied. ”

“Old Master Bai looked at Bai Mo., then, he said, “Mo Mo and Yuanyuan, life is only a short few decades. Listen to grandfather’s advice. Don’t be too picky when it comes to finding a boyfriend. The most important thing is your character. Family background is only secondary. When you look at others, others will also look at you.” ”

The most important thing in being a person was to know your own strength.

It would be a lie to say that she did not feel anything when she heard that.

What did old master Bai Mean by that?

Was he mocking her for not knowing her own limits?

He was really her biological grandfather!

“Although Bai Mo was angry, she did not show it on her face. She smiled and said, “Grandpa, I know. I also want to find a boyfriend as soon as possible. It’s just that I haven’t met a suitable one!” ”

“”Grandpa, Sister Jingshu is older than me and Momo. Why are you only urging me and Momo? is sister Jingshu not your biological granddaughter?” Bai Yuanyuan’s words were neither light nor heavy. It could be said that her words were harsh! ”

“Just then, Bai Jingshu walked over with the gift that old master Bai had prepared. “Grandpa.” ”

“Old Master Bai took the gift and said kindly, “Momo Yuanyuan, this is the blood stone of a level three armored beast. Grandpa had to rely on a lot of connections to get it. I hope that you two sisters can be happy in the future!” ”

The blood stone of a level three armored beast was indeed very valuable.

“However, the gift that old master Bai gave Bai Jingshu was definitely more valuable. ”

“After all, Bai Jingshu was the first to arrive. ”

It was really unfair!

Old Master Bai was not worthy of being a grandfather.

“To be a grandfather like him, it was also amazing! ”

“”Thank you, grandfather.” Bai Mo and Bai Yuanyuan thanked him one by one. ”

“Old Master Bai smiled and said, “Grandfather only has you three granddaughters. If there’s anything good, I’ll naturally keep it for you. Don’t even think about looking at those rascals.” ”

Keep it all for them?

They should be keeping it all for Bai Jingshu!

Even the things that were given to Bai Jingshu were given secretly.

“After leaving Old Master Bai’s place, Bai Yuanyuan looked at Bai Mo and continued, “Momo, what do you think grandfather gave Bai Jingshu?” ”

“Bai Mo said, “What he gave us were all grade-3 Armored Beasts’ blood stones. What he gave Bai Jingshu was definitely a top-grade blood stone.” ”

“When she heard this, Bai Jingshu immediately frowned. “This! He’s too biased!” ”

They were both grandfather Bai’s biological granddaughters. What right did he have to treat them so differently?

Chapter 2236: 468: the icing on the cake! 4

“She would give them a grade-3 bloodstone, and she would give Bai Jingshu a top-grade Bloodstone! ”

“It’s not like he’s been biased for a day or two. He’s always been like this since he was young.” Bai Mo’s face was full of sarcasm. “Aren’t you used to it?”

“In any case, she was already used to it! ”

“Although she was a little used to it, Bai Mo still felt a little uncomfortable every time she saw elder Bai like this. ”

“This is too much! This is too much!” Bai Yuanyuan kicked the grass on the side of the road unhappily.

It was obvious that she had vented all her anger on the grass.

“At this moment, Bai Mo nudged Bai Yuanyuan with his elbow. ”

“What’s Wrong?” Bai Yuanyuan looked up.

“Bai Mo said, “Look.” ”

Bai Yuanyuan followed his line of sight and saw Bai Jingshu’s figure.

“Didn’t you want to know what Grandpa gave Bai Jingshu?” Bai Mo asked in a low voice.

“Yes.” Bai Yuanyuan nodded.

“Bai Mo continued, “Go and ask her now.” ”

“Bai Yuanyuan said in surprise, “Ask Her Face to face? Can she tell us?” ”

“”Go and ask her,” Bai Mo said. ”

Bai Yuanyuan nodded and walked to Bai Jingshu’s side.

“Sister Jingshu.”

“Hearing Bai Yuanyuan’s voice, Bai Jingshu stopped and looked back. “Yuanyuan, what’s the matter?” ”

“Nothing big.” Bai Yuanyuan ran over and held Bai Jingshu’s hand. “Nothing big. I just want to walk with you and talk for a while.”

Bai Jingshu was actually a little opposed to Bai Yuanyuan’s action for no other reason than that Bai Yuanyuan and Bai Mo were too abnormal!

She didn’t know what Bai Yuanyuan was trying to do.

“Bai Yuanyuan smiled and said, “Sister Jingshu, this outfit of yours looks pretty good. Where did you buy it?” ”

““On Earth,” Bai Jingshu said. ”

Bai Yuanyuan’s smile instantly froze on her face. What was up with Bai Jingshu?

Was she here to disgust her on purpose?

“As expected, anyone could only be matched with what they wore. ”

A trash like Bai Jingshu who knew nothing could only be matched with this kind of low-grade outfit!

Bai Yuanyuan put on a fake smile. “I didn’t expect to buy such good-looking clothes on Earth.”

““Yeah,” Bai Jingshu looked back and said, “Yuanyuan, I didn’t know that you like Earth’s clothing. If you like it, I’ll buy you a set when I have time to go to Earth.” ”

“Hearing that, Bai Yuanyuan’s face was full of disdain. She quickly waved her hand. “No, no, I don’t need it!” ”

She would never wear such low-class clothes!

“”Yuanyuan, please don’t stand on ceremony with me.” Bai Jingshu smiled and said, “Actually, the clothes on Earth are not only good-looking, but they also have many functions.” ”

“”Thank you for your kindness, sister Jingshu, but I really don’t need it,” Bai Yuanyuan said. ”

“Bai Jingshu nodded and said with a smile, “Then, when you need it, you can contact me again.” ”

“”Okay.” Bai Yuanyuan nodded. “Thank you, Sister Jingshu!” ”

“”You’re welcome. We’re sisters,” Bai Jingshu said. ”

“Bai Yuanyuan held Bai Jingshu’s arm tightly and said, “Sister Jingshu, why didn’t I see Grandpa Give You a present just now?” ”

“”Maybe I went in first, so Grandpa gave it to me first,” Bai Jingshu said. ”

“Then what did Grandpa Give You? Is it the same thing as ours?”

Bai Jingshu shook her head. “It’s not quite the same.”

“Hearing that it was different, Bai Yuanyuan instantly perked up and said, “How is it different? Can I take a look?” ”

“”Sure.” Bai Jingshu nodded. Then, she took out the marriage amulet from her pocket. “This is it.” ”

“Bai Jingshu didn’t want to show the marriage talisman to Bai Yuanyuan, but she was afraid that Bai Yuanyuan would misunderstand and think that old master Bai had given her something good.”

“What’s This?” Bai Yuanyuan frowned. “Talisman?”

Bai Jingshu nodded. “This is a marriage talisman. Grandpa wants me to find my home as soon as possible.”

“Grandpa gave you a marriage talisman?” Bai Yuanyuan didn’t believe it.

How was that possible!

Grandfather Bai gave them all level three Armored Beasts’ blood stones. How could it be a marriage charm for Bai Jingshu?

Absolutely impossible!

Especially since Bai Jingshu was grandfather Bai’s favorite granddaughter.

“Bai Jingshu nodded. “Just a marriage charm. Perhaps in grandfather’s eyes, nothing is more important than me finding a boyfriend.” ”

““Sister Jingshu, we’re sisters, so don’t hide it! Tell me! What else did Grandpa Give You? ! I swear, I won’t tell anyone else!” Bai Yuanyuan hugged Bai Jingshu’s arm, she began to act coquettishly.”

““It really is just a marriage charm,” Bai Jingshu said.”

Chapter 2237: 468: a foil to the icing on the cake! 5

Bai Yuanyuan looked at Bai Jingshu with doubt in her eyes.

This Bai Jingshu really thought she was a fool!

How could she be so gullible!

“However, since Bai Jingshu said so, Bai Yuanyuan couldn’t directly expose her, she smiled and said, “Then Grandpa is really unfair. He prepared a level three armored beast Bloodstone for US and gave you a marriage talisman. Don’t you feel anything at all?” ”

“”It’s nothing to be angry about,”Bai Jingshu said with a smile. ”

She didn’t lie. She really didn’t care about these things.

Bai Yuanyuan looked at Bai Jingshu with a sarcastic look in her eyes.

This Bai Jingshu was quite a hypocrite!

“If Old Master Bai really only gave her a marriage talisman, she would have exploded in anger long ago. How could Bai Jingshu still be so calm now? ”

It was obvious that old master Bai had given Bai Jingshu something even better.

“Bai Yuanyuan said in a strange tone, “Then sister Jingshu, you are really magnanimous. If it were me, I would definitely be angry. We are both granddaughters, why can’t grandfather be a little more fair?” ”

Bai Jingshu could hear the strange tone in Bai Yuanyuan’s words and did not explain further.

“Bai Yuanyuan was certain that old master Bai had secretly given her something good. At this moment, no matter how much she explained, it would be in vain.”

As long as she knew it clearly in her heart.

“I feel that grandfather has always been very fair. If you insist on thinking that grandfather is unfair, then there’s nothing I can do about it.” Bai Jingshu continued, “Yuanyuan, grandfather is already old. He has no obligation to treat us well and give us gifts. “Now is the time for us to show our respect to him!” ”

“Bai Yuanyuan smiled and said, “Sister Jingshu, am I not standing up for you? Why are you blaming me!” ”

“As long as you know what’s going on.” Bai Jingshu continued, “I have other matters to attend to. I have to make a trip to Qizhou Road. I’ll be leaving First!” ”

“Looking at Bai Jingshu’s back, Bai Yuanyuan snorted. “What’s so great about it! Grandfather likes you so much, but aren’t you still a useless vase?” ”

She even threw her a look.

It was simply disgusting.

Bai Mo walked over and looked at Bai Yuanyuan. “How is it? What did Bai Jingshu Say? What did grandfather give her?”

“Bai Yuanyuan turned to look at Bai Mo., she said somewhat speechlessly, “Bai Jingshu is treating me like a fool! She said that grandfather only gave her a marriage talisman. Do you believe that? “If grandfather really only gave her a marriage charm, I’ll cut off my head and let her kick it like a rubber ball!” ”

Bai Mo sneered. “I didn’t expect Bai Jingshu to be so good at pretending.”

“Exactly,” Bai Yuanyuan continued, “Otherwise, how could she attract so many men to like her!” ”

Bai Mo nodded. “What you said makes a lot of sense!”

“After saying that, Bai Mo continued, “Think of a way to ask du yaosheng out tomorrow. Tell him that we have a way to help him get Bai Jingshu.” ”

“Do we really want to take advantage of Du Yaosheng to Bai Jingshu?” Du Yaosheng was, after all, the bachelor that everyone wanted to marry. Bai Yuanyuan had secretly adored him before. Now, she suddenly pushed du Yaosheng to Bai Jingshu’s side, bai Yuanyuan was quite unwilling. ”

Why did she have to let Bai Jingshu take advantage of all good things?

How could she be worse than Bai Jingshu?

“Bai Mo knew what Bai Yuanyuan was thinking and smiled. “Don’t worry, I’ll find someone better in the future.” ”

“Really?” Hearing this, Bai Yuanyuan’s eyes instantly lit up. ”

“Of course it’s true,” Bai mo continued, “Who cares about du Yaosheng? Once my matter with Manwen is settled, I’ll set you up with the head of the Feng family. I heard that Manwen and the head of the Feng family have a very good relationship.” ”

“Hearing this, Bai Yuanyuan’s entire person became spirited. ”

She did not expect that Bai Mo would treat her so well!

He had even thought of a home for her.

The Feng family head!

Then wouldn't she be the Feng family head's mistress in the future?

"Bai Yuanyuan almost floated up, her heart bursting with joy. "

""Mo Mo, thank you." Bai Yuanyuan hugged Bai Mo excitedly. "You are practically my best sister." "

"Bai Mo smiled and said, "We are best sisters to begin with. I'm already eating meat, so naturally, I won't ask you to drink soup." "

""Momo, don't worry. In the future, as long as you need my help, I'll definitely go through fire and water," Bai Yuanyuan said. "

"Okay." Bai Mo nodded.

...

On the other side.

Bai Jingshu returned home.

"Bai Ying's mother, Zhou Ying, came up to her. "Why are you only back now? Your father and I have been back for quite a while!" "

Chapter 2238: 468: the icing on the cake! 6

""I was delayed by something on the way," Bai Jingshu said. "

“Come, come, come. Come in with Mom. Mom has something to tell you.” Zhou Ying held Bai Jingshu’s hand and walked inside. ”

Zhou Ying only let go of Bai Jingshu when they reached the bedroom.

“Bai Jingshu asked curiously, “Mom, What’s the matter? We Can’t talk about it outside, but we have to talk about it inside.” ”

“It’s a good thing.” Zhou Ying pressed the button on her watch, and a transparent screen immediately appeared in the air. On the screen was a man’s profile and a half-body photo. “Jingshu, what do you think of this man?” ”

“He’s alright.” Bai Jingshu nodded.

“Zhou Ying continued, “He’s the youngest son of the Cheng family. He graduated from a top-tier university and has two doctorates. I heard from your aunt that he’s very likely to take over the Cheng family in the future!” ”

“OH.”

“Zhou Ying smiled and said to Bai Jingshu, “Jingshu, you also think that this boy is not bad, right?” ”

“Bai Jingshu subconsciously felt that there was something wrong with this sentence. She frowned slightly and said, “Mom, what do you mean by this?” ”

“Zhou Ying continued, “If you think it is not bad, we will settle the matter. You are not young anymore! “Jingshu, you don’t know that we’ve shown the boy your photo. He’s very satisfied! “Not only does he not dislike your hobby, he even supports you! “Tell me, where in this world can I find such a good boy!” ”

“Mom, What’s settled? Do you think marriage is Child’s play? Besides, I haven’t even met him once!” Bai Jingshu was speechless. ”

“You’re already so old, why are you still picking on him? Take advantage of the fact that someone has taken a liking to you and quickly settle the matter! Let me tell you, the youngest son of the Cheng family is really in demand! You’re also lucky, yet he fell in love with you at first sight! Otherwise, how could it be your turn?” Although Zhou Ying was Bai Jingshu’s mother..., in her mother’s eyes, her children were the most outstanding. ”

“However, when faced with Bai Jingshu, Zhou Ying couldn’t bear to lie to herself. ”

Bai Jingshu was simply too different from ordinary people!

Zhou Ying found it hard to accept that she only knew how to run to Earth all day long?

What was Earth full of?

Low-class people!

Low-class civilizations!

Abandoned civilizations!

“However, Bai Jingshu treated Earth as her second home. Not only that, she was also infatuated with Earth’s development history. ”

“Mom, haven’t you heard? All Love at first sight is based on lust!” Bai Jingshu said. ”

“So what if it’s based on lust? Have you looked in the mirror? Other than this face, what else can you see? You Can’t compete with Bai Mo, and you can’t compete with Bai Yuanyuan. Who Do you think you can compete with?” Zhou Ying said angrily, “Bai Jingshu! Can you take a good look at yourself! Take a good look at yourself?” ”

Zhou Ying was very satisfied with her family.

“Not only was the young man promising, but his character was also good. ”

“Most importantly, the family also promised to give her a large betrothal gift. ”

Zhou Ying had recently invested in a business deal and lost all her money. It was the time when she was in need of money.

There were not many families like the Cheng family who were rushing to give away money.

“”I know very well how I am.” Bai Jingshu naturally became numb after hearing so many cold and heartless words. She continued, “Mom, if you want to order it, go ahead and order it. I will never agree to it!” ”

Zhou Ying was so angry that she almost couldn't breathe.

“At this moment, Bai Jiasheng walked in from outside and just happened to hear this sentence. He directly slapped Bai Jingshu's face. ”

Slap.

It was crisp and clear.

“”You UNFILIAL Thing, is this how you talk to Your Mother? Who Is She? She's your mother! If your mother hadn't raised you since you were young, would you be here now?” ”

“Bai Jingshu's head was knocked to the side, and blood trickled down the corner of her mouth. ”

Was she disappointed?

She wasn't disappointed.

Because she had been too disappointed a long time ago.

She had always been like this since she was young.

This was also the reason why Bai Jingshu liked Earth so much.

“Hurry up and apologize to your mother,” Bai Jiacheng continued. ”

Bai Jingshu did not say anything.

Bai Jiacheng raised his palm again. “Do you understand?”

“Beat me to death.” Bai Jingshu raised her head to look at Bai Jiacheng. Her expression was very calm.  
“You don’t have to worry about beating me to death.”

“The Bai family was furious. If Zhou Ying had not held him back, he might not have been able to control himself. ”

Bai Jingshu had been like this since she was young.

Rebellious.

“Even though her grades were excellent, her mind had never been on the right path. ”

Chapter 2239: 468: a foil to the icing on the cake! 7

“While other families’ children had their hands full with all sorts of trophies, Bai Jingshu liked to research into some strange things.”

“”Bai Jingshu, let me tell you! Don’t think that just because you have your grandfather backing you up that you can be so unruly! The old man is already ninety years old this year. He can protect you for a while, but he can’t protect you for the rest of your life!”Bai Jiasheng continued, “Let me tell you, this marriage has to be arranged, or it has to be arranged!” ”

“This was a notification, not a negotiation.”

Bai Jingshu looked at Bai Jiasheng. “Then go ahead and arrange it. It has nothing to do with me anyway.”

“After saying that, she turned around and left.”

“Looking at Bai Jingshu’s back, the Bai family was so angry that their liver hurt.”

“Stop right there!”The Bai family was so angry that they roared.

Bai Jingshu didn’t seem to hear Bai Jiasheng’s voice.

“Bai Jiasheng turned to look at Zhou Ying and was so angry that he cursed, “Look at the good daughter you gave birth to! She’s disrespecting her elders! She’s getting more and more lawless!” ”

“He thought that marrying into a family would be a good marriage, but he didn’t expect Bai Jingshu to reject him directly.”

UNFILIAL thing!

“Zhou Ying was a little speechless and said, “You say that as if she’s my only life!” ”

“Bai Jiasheng wanted to say something more, but when the words reached his mouth, they turned into a sigh.”

Bai Jingshu went upstairs and looked up the information as if nothing had happened. She studied the outline and laid the foundation for the next novel.

She was a very responsible writer.

She never made up historical facts and was realistic. She restored the dust-covered history word by word.

“The next morning, Bai Jingshu went to Old Master Bai’s residence and said goodbye to him.”

““Grandpa, I’m going on a long trip again. I may not be able to visit you for some time.” Bai Jingshu squatted in front of old master Bai and massaged his legs.”

““Go ahead.” Old Master Bai smiled and said, “Young people should pursue their dreams at the best time.” ”

““Grandpa, if I say that I’m going to Earth, will you still support me?” Bai Jingshu continued to ask.”

“Old Master Bai looked at Bai Jingshu, “Silly Child, Grandpa already knows about your little matter. Isn’t it just earth? Everyone says that Earth is the lowest grade planet, but Grandpa doesn’t think so. Earth has Green Mountains and rivers, beautiful scenery, and beautiful people. It’s a very spiritual place! “It’s unlike this place. Although technology is advanced, it has long lost its humanity.” ”

““Go, Jingshu, go chase your dreams! No matter what, Grandpa will support you.” At this point, elder Bai paused and continued, “As for your parents, you don’t have to worry about me. Leave everything to Grandpa.” ”

““Thank you, grandfather.” ”

“Silly child.” Elder Bai looked out of the window, his gaze distant and profound. ”

“After bidding farewell to elder Bai, Bai Jingshu came to Earth. ”

Over here.

Bai Yuanyuan successfully made an appointment with Chen Yaosheng.

Chen Yaosheng really liked Bai Jingshu.

It was a pity.

“In Chen Yaosheng’s opinion, Bai Jingshu was too cold and aloof. He simply couldn’t get her. ”

“When he found out that Bai Yuanyuan and Bai Mo wanted to help her, Chen Yaosheng was very excited. He immediately said, “If this matter can really be successful, I will definitely thank you both very much. I will go through fire and water without hesitation!” ”

“Bai Mo smiled and said, “Mr. Chen, you are too polite. We sisters don’t ask for anything in return for helping you. We just want sister Jingshu to find her own happiness as soon as possible since she is not young anymore.” ”

“Yes, yes, yes,” Bai Yuanyuan said. ”

“Chen yaosheng said, “I still have to thank the two of you.” ”

“Bai Mo looked at Chen Yaosheng and continued, “Let’s Skip the pleasantries. Next, let’s get straight to the point.” ”

“Okay.” Chen Yaosheng was also a little impatient.

“Bai Mo continued, “Sister Jingshu has always liked Earth. You should know that.” ”

““Yes.” Chen Yaosheng nodded. After all, Bai Jingshu was the person he liked. How could he not know that! ”

“Then do you know why sister Jingshu likes Earth?” Bai Mo continued to ask.

Chen Yaosheng shook his head. They really did not know about this question.

““Because she likes Earth’s culture.” In order to let Chen Yaosheng better guide Bai Jingshu, Bai Mo specially went to investigate, he continued, “Sister Jingshu not only likes the culture of Earth, but she also likes to study the history of humanity on Earth. Oh right, she’s also a rather famous writer on Earth.” ”

“Hearing this, Chen Yaosheng frowned slightly. He did not understand why Bai Jingshu, who was such a nice girl, would like such things. ”

“People were all studying advanced things, but Bai Jingshu specifically picked them up and threw them away for research. If it was not because he liked Bai Jingshu, he really could not stand it! ”

Chapter 2240: 468: a foil to the icing on the cake! 8

“Noticing the change in Chen Yaosheng’s expression, Bai Mo said again, “Mr. Chen should know the principle of loving the house and the Crow, right?” ”

“If he wanted to successfully pursue Bai Jingshu, he had to like what Bai Jingshu liked. ”

Chen Yaosheng frowned. Could it be that Bai Mo wanted him to directly pursue her to Earth for Bai Jingshu’s sake?

How was this possible? !

“It was as if he could read Chen Yaosheng’s mind, he smiled and said, “How is this impossible? You can at least chase after Sister Jingshu with this method. Once you have her, won’t you be able to do whatever you want then?” His last sentence was very tempting. No man could resist such temptation. ”

“Can you really chase after your sister like this?”Chen Yaosheng asked incredulously.

“Bai Mo smiled and said, “If you don’t do anything, then there’s even less hope. Mr. Chen, a man must be flexible.” ”

“What Miss Bai said makes sense.”Chen Yaosheng nodded.

“If he didn’t even try, then he really wouldn’t have a chance. ”

“Bai Mo handed Chen Yaosheng a document bag. “Mr. Chen, I wish you success.” ”

“Thank you.”Chen Yaosheng took the document bag.

“After Chen Yaosheng left, Bai Yuanyuan asked curiously, “Mo Mo, Can Chen Yaosheng really catch up to Bai Jingshu?” ”

“”I think so.”Bai Jingshu was just a newbie in love. As long as Chen Yaosheng handled it well, he would definitely be able to catch her. “Don’t worry, we’ll just wait and watch the show.” ”

“Okay.”Bai Yuanyuan nodded.

“After receiving Bai Mo’s guidance, Chen Yaosheng rejected all the matters at hand and rode the interstellar shuttle to Earth. ”

“In the interstellar shuttle, Chen Yaosheng opened the file and realized that this file recorded Bai Jingshu’s daily interests and hobbies, as well as her address on earth and the places she often liked to visit... .. Very carefully.”

“Looking at the file, Chen Yaosheng was full of fighting spirit.”

He would definitely be able to successfully woo Bai Jingshu.

...

The library.

Bai Jingshu often came to the library to borrow books.

“Because some books were already out of print, other than the ones that could be borrowed from the library, they could not be bought or borrowed from other places.”

“For example, this was a true record of the Yuan dynasty.”

“It was said that a member had kept this book for himself, so in order to let more people see the local customs of the Yuan dynasty, he put it in the library for people to read.”

“Bai Jingshu waited in line for a long time, but only managed to borrow it for two days.”

“As she flipped through it, Bai Jingshu realized that the original owner really cherished this book. He made a lot of notes beside it, but he was afraid of damaging the book, so he wrote it on a note.”

“From the lines, Bai Jingshu could tell that the owner of the book also loved history and culture very much.”

Looking for a good friend.

It had been a long time since Bai Jingshu had seen someone who loved history so much.

It felt like Boya had met Zhong Ziqi.

“Unfortunately, the book could only be read for two days.”

“On the third day, Bai Jingshu returned the book to the library on time.”

This scene was witnessed by Chen Yaosheng.

“To Chen Yaosheng, it was not difficult for him to steal a book from the library.”

“The next day, Chen Yaosheng appeared in front of Bai Jingshu with a gift box in his hand.”

“Bai Jingshu did not have a good impression of Chen Yaosheng, but she still asked politely, “Mr. Chen, what’s the matter?” A person like Chen Yaosheng, who was famous in the s galaxy, should disdain coming to Earth.”

“Chen yaosheng smiled and said, “I have a gift for you.” ”

“After saying that, he brought the book in front of Bai Jingshu.”

“When she saw the book, Bai Jingshu was a little surprised. “This book is Yours?” ”

“Chen Yaosheng nodded. “Yes, just like you, I also like the ancient culture of Earth very much.” ”

“You want to give it to me?” Bai Jingshu asked.

“Yes.” Chen yaosheng continued, “It’s difficult to find a good friend. Compared to me, you’re more suitable to be the owner of this book.” ”
