

Almighty D 2241

Chapter 2241: 469: the owner of 'Yuan Dynasty Records' is Lin Ze! 1

"Looking at the book in front of her, Bai Jingshu tactfully refused, "Since Mr. Chen also likes to study the ancient culture on Earth, how can I take away his interest. "

"No Merit, no reward. "

"Previously, Chen Yaosheng had expressed his feelings in front of her many times. If she accepted Chen Yaosheng's favorite thing at this time, it would be hard to say. "

Some people and some things still needed to draw a clear line.

"When she finished speaking, Bai Jingshu paused for a moment before continuing, "I appreciate Mr. Chen's feelings." "

"Chen Yaosheng looked at Bai Jingshu and did not have his usual glib tone, he said very seriously, "Although I like the ancient culture on Earth, my understanding is not as thorough as Miss Bai's. A treasured sword is given to a hero and articles are given to a sage. "Miss Bai, you are more suitable to have this book than I am. Don't worry, I don't have any other intentions." "

"Bai Jingshu maintained her smile and continued, "Mr. Chen, I really can't accept such a valuable thing." "

The Yuan dynasty record was already out of print.

"Moreover, from the words recorded by Chen Yaosheng, it could be seen that he was also a person who loved ancient culture very much. "

"Most importantly, Chen Yaosheng's understanding of Earth's ancient culture was no less than hers. "

What Chen Yaosheng said was just modesty.

“Seeing Bai Jingshu like this, Chen Yaosheng directly put the book on the ground, “Miss Bai, if you don’t believe me, I can leave immediately. I just want to make this book more valuable. At the same time, I also believe that Miss Bai will definitely let more people know about Earth’s ancient culture.” ”

“After saying that, he turned around and left. He did not give Bai Jingshu the chance to refuse. ”

“Mr. Chen!”

Chen Yaosheng did not stop. His figure quickly disappeared into the crowd.

“Looking at the book on the ground, Bai Jingshu bent down to pick it up. ”

It seemed that she had to find an opportunity to return the book to Chen Yaosheng.

“After turning around, a faint smile appeared on Chen Yaosheng’s face. ”

This was only the beginning.

“After understanding Bai Jingshu’s preferences, he would definitely be able to conquer her in a short period of time. ”

“He would completely conquer Bai Jingshu, this beautiful flower on a high mountain! ”

“When he thought of the future, the smile on Chen Yaosheng’s face became even more obvious. ”

He was looking forward to Bai Jingshu being conquered by him.

The scene would definitely be spectacular.

“Bai Jingshu flipped through the book. That’s right, it was the Yuan dynasty record that she had just borrowed.”

The handwriting on the post-it note was exactly the same.

It was said that one’s handwriting was like a person’s.

“Before this, Bai Jingshu had never known that Chen Yaosheng’s handwriting was so beautiful.”

“She had always thought that in the s galaxy, other than her, there were no other otherworldlings who loved Earth’s ancient culture.”

She did not expect that she was not the only one.

“Suddenly, she felt a little happy. It was as if Zi Qi, who no one could understand, had finally met Zi Ya.”

This feeling was a little strange.

She seemed to have gotten to know Chen Yaosheng again.

Bai Jingshu carefully put the book into her bag.

““Miss Bai!”At this moment, a figure ran toward Bai Jingshu not far away.”

Bai Jingshu was stunned for a moment before she reacted. “Miss Shi.”

““What a coincidence,”Shi Qingcheng said breathlessly. “Miss Bai is here to study Earth’s ancient culture again.” ”

""Miss Shi, you must be joking. I'm just here to have some fun. I'm not really here to study it."Compared to scholars who truly studied ancient culture, she was still far from it. "

"Shi Qingcheng continued, "Miss Bai, you don't have to be so polite. You Can Just Call Me Qingcheng. It's rare to meet people from the same race on Earth. Everyone, please be more casual." "

"It was obvious that Shi Qingcheng was also a person of character. Bai Jingshu smiled and said, "Then, Shi Xiao, Qingcheng, you can also call me by my name." "

""Jingshu!"Shi Qingcheng smiled and said, "Oh right, I'll introduce you to a good friend." "

"Who?"Bai Jingshu was stunned.

"Come with me."Shi Qingcheng held Bai Jingshu's wrist. "Let's go over there."

Bai Jingshu followed Shi Qingcheng's footsteps.

"She saw a slender figure standing in front of a stall selling candy paintings. "Boss, give me a Monkey King. And this Nezha isn't bad either." "

Her voice was pleasant to hear.

"Just by looking at her back, Bai Jingshu could tell that this girl was not an ordinary person. "

""Zha Zha,"Shi Qingcheng called out. "

"Ye Sear looked back slightly. "Qingcheng, where did you go just now? Tanghua, do you want one?"Speaking up to this point, Ye Sear realized that Bai Jingshu was standing beside Shi Qingcheng. He smiled and said, "This beauty is?" "

Chapter 2242: 469: the Master of 'Yuan Dynasty Records'is Lin Ze! 2

“Shi Qingcheng introduced, “Zhuzhuo, let me introduce you. This is Bai Jingshu. Jingshu, this is Lin Ze’s younger sister, Ye Zhuo.” ”

“Although Bai Jingshu did not often reside in the s galaxy, she still knew of Miss Ye’s name.”

After all.

This was a person who had created a miracle of an era.

“Without Miss Ye, there would not be the current Changyue Kingdom.”

“”Hello, Miss Ye.”Bai Jingshu extended her hand towards ye Zao. “I’m Bai Jingshu.” ”

“”Hello.”Ye Zao shook hands with Bai Jingshu. “Since we’re all friends, let’s call each other by their names.” ”

“”Yes, yes, yes.”Shi Qingcheng continued, “Jingshu, you’re just like me. Just Call Me Zao.” ”

Bai Jingshu nodded. “Okay.”

She had not expected that the almighty Miss Ye would be so approachable.

“Ye burning picked up a candy painting and handed it to Bai Jingshu. “Jingshu, how about a candy painting?” ”

“Thank you.”Bai Jingshu accepted it with both hands.

The three young girls held the candy painting in their hands and ate as they strolled.

Bai Jingshu had never experienced such an experience before.

“Although she had only known ye Zhuo and Shi Qingcheng for a short period of time, the two of them gave her the feeling that they were old friends who had known each other for a long time.”

Shi Qingcheng had originally rejected food from Earth.

Ever since she had eaten hotpot with ye Zhuo.

Now.

It was so fragrant!

“Jingshu, can you eat the food here?” Shi Qingcheng turned to look at Bai Jingshu.

Bai Jingshu nodded. “Yes.”

“Then let’s Go Eat Hotpot.” Shi Qingcheng had been poisoned by hotpot recently.

Eating cold dishes when she was alone.

“If there were two or more people, she definitely wanted to eat hotpot.”

“Okay.” Bai Jingshu didn’t have any objections.

Ye Zao naturally didn’t have any objections either.

“The bottom of the pot, which was steaming with red oil, reflected the smiling faces of the three young girls.”

“After eating a big mouthful of tripe, she took a sip of cold beer. It was simply wonderful.”

“Shi Qingcheng was extremely satisfied. She looked at Bai Jingshu and asked, “Jingshu, when did you come to Earth and fell in love with earth?” ”

“”Around the age of fifteen,”Bai Jingshu continued, “I’ve always liked to explore outdoors since I was young. “There was once when my spaceship had an accident on the Sahara. At that time, I thought that the entire earth was just like the Sahara. Later, when I walked out of the desert, I realized that this was a colorful planet full of charm and charm.” ”

“From then on, Bai Jingshu completely fell in love with earth and its ancient culture.”

“”Then you’re really amazing,”Shi Qingcheng continued, “To be able to persist in liking the things you like for so long under everyone’s strange gazes.” ”

“Bai Jingshu smiled and said, “Maybe it’s because I really like it. Just like how Miss Ye Can Live on Earth for the things she loves and likes.” ”

“Shi Qingcheng said, “Why are you still calling her Miss Ye? ! You’re too polite! It should be called burning.” ”

“Perhaps it was because of the deep respect in her bones, Bai Jingshu really could not change it in such a short period of time.”

“Ye burning had a smile on his face as he raised his glass. “Cheers to those we insist on, those we love, and those we like.” ”

The two of them immediately raised their glasses.

They drank heartily.

Ye Zao's alcohol tolerance was not bad.

"However, Shi Qingcheng did not have such a good alcohol tolerance. She had only drunk a bottle of beer and her face was already red, and her consciousness was also somewhat blurry. "

Ye Zao silently took out his phone and contacted Ye Han.

Ye Han arrived very quickly.

""You Three Little Girls, why are you still drinking!"Ye Han was somewhat speechless. "

"Shi Qingcheng pointed at ye Han and said, "What's wrong with girls? You look down on girls? Aren't you guys just one more leg than us girls? What's so great about it!" "

"As soon as she said that, the surrounding customers all turned around to look in their direction. "

Ye Han immediately reached out to cover Shi Qingcheng's mouth.

"Usually, he did not realize that Shi Qingcheng was actually so Valiant. "

It seemed that alcohol really allowed people to let go of themselves easily.

"Ye Zhuo sent Bai Jingshu out. "Jingshu, let me send you off." "

"Bai Jingshu had also drunk quite a lot, and Ye Zhuo was a little worried. "

"Bai Jingshu shook her head. "No need. Actually, I can hold my liquor quite well." "

“”Alright then,”ye Zhuo continued, “Send me a wechat message when you get home.” ”

“Okay.”Bai Jingshu nodded.

“Since she was drunk, she naturally could not drive. Ye Zhuo stood where he was and waited for the designated driver. ”

“At this moment, a Maybach stopped in front of her. ”

“The car window rolled down, revealing an exquisite profile that was as handsome as a knife. ”

“Holding the beads in one hand and the steering wheel in the other, he glanced back. “Do you need a ride, Beautiful?” ”

Chapter 2243: 469: the owner of “Yuan Dynasty Records”is Lin Ze! 3

“”How much does it cost to go to Wei Ya Garden, Master?”Ye Zao raised his eyebrows slightly, walked around to the other side, opened the door of the passenger seat, and leaned in. ”

Cen Shaoqing’s thin lips opened slightly. “It doesn’t cost much. You just have to give yourself to me.”

“TSK.”Ye Zao raised his eyebrows slightly. “Are you a human trafficker?”

“Only you.”Cen Shaoqing opened his mouth slowly and said in a low tone.

Ye Zhuo chuckled and took out his phone. He told the designated driver to drive the car back and the fee was transferred directly.

“Have you drunk?”Cen Shaoqing continued to ask.

“Yes.”Ye Zhuo gestured. “I drank just a little.”

“”Are you sure it’s just a little, not a hundred million?”Cen Shaoqing looked back and asked. ”

“It’s not that exaggerated.”Ye Zhuo leaned against the back of the chair and narrowed his eyes. “I only drank a few cocktails.”

“Perhaps the strength of the cocktails was a little too strong, so at this moment, ye Zhuo clearly felt a little dizzy. ”

Cen Shaoqing slowed down the car.

“Because the air conditioner was turned on in the car, the temperature was a little low. Cen Shaoqing took out a blanket and covered her with it. His movements were gentle, as if he was treating a rare treasure. ”

“After an unknown amount of time, the car stopped in front of the Cen family’s front door. ”

Ye Zhuo opened his eyes and saw Cen Shaoqing sitting in the driver’s seat reading a document.

“The sunlight shone through the window, leaving a faint layer of afterglow on his face, giving him a cold feeling. ”

It reminded ye Zhuo of a sentence.

“The sunlight was just right, and the years were stable. ”

“After a moment, Cen Shaoqing looked back slightly and opened his thin lips. “You’re Awake?” ”

“Yes.”Ye Zao nodded slightly.

Cen Shaoqing took out a can of iced mineral water from the fridge. “Drink some water to clear your mind.”

“Ye Zao took the mineral water and drank a mouthful. The clear water entered his throat, and he was indeed much more clear-headed. ”

Cen Shaoqing took away the blanket on her body. “Let’s get out of the car first.”

“Lie down for a while more.”

“Okay.”Cen Shaoqing covered ye Zao with the blanket again in silence.

“On the balcony on the third floor, Old Mrs. Cen looked at the car parked in the garden and fell into deep thought. She muttered, “These two children haven’t gotten out of the car. What are they doing inside?” ”

“Zhou Xiang walked over from the side and said meaningfully, “Are they doing bad things?” ”

Bad things that could be done between two adults could only be understood and not described.

“Impossible.”Old Madam Cen shook her head.

“Zhou xiang smiled and said, “How do you know that it’s impossible?” ”

“Old madam CEN continued, “Look at it for yourself. From just now until now, the car hasn’t moved at all. How could it possibly do something bad!” ”

Zhou Xiang nodded. "That's true."

...

On the other side.

"After Bai Jingshu returned home, she took out the Yuan dynasty official records and read the content that she had not read carefully before again."

She learned from the past.

"When she opened the book again, Bai Jingshu saw a different content in the middle."

It had to be said that Chen Yaosheng knew much more about Earth than she had imagined.

His words were elegant and his knowledge was rich. He was like a walking encyclopedia on Baidu.

"Even if it was just a sentence, he had his own opinions."

"Before she knew it, it was already dusk. Bai Jingshu closed the book and stood in front of the window to stretch. She began to think about how to return the book to Chen Yaosheng."

"After dinner, Bai Jingshu went to the teahouse near her house to sit."

"Today was different from the past. As soon as Bai Jingshu entered, she saw Chen Yaosheng sitting by the window."

Beside him was a pot of top-grade biluochun. He was reading a book with his eyes lowered.

It was a book that Bai Jingshu liked very much.

Bai Jingshu immediately turned around and went back to get the book.

“Because they were relatively close, Bai Jingshu returned with the book in less than ten minutes.”

“Mr. Chen.” Bai Jingshu walked to Chen Yaosheng’s side.

“Chen Yaosheng was engrossed in reading when he suddenly heard Bai Jingshu’s voice. He immediately looked up and saw that it was Bai Jingshu. He said in surprise, “Miss Bai!” ”

“”Okay.” Bai Jingshu placed the book on the table. “Mr. Chen, I’ll return the book to You.” ”

“Chen Yaosheng seemed to have suddenly realized something. “Miss Bai, it really is you. I thought I was mistaken!” ”

“After saying that, Chen yaosheng continued, “Miss Bai, since the book has been given to you, it is yours.” ”

“”Mr. Chen, I really can’t accept this book,” Bai Jingshu continued, “I won’t accept it without any merit.” ”

“Chen Yaosheng looked at Bai Jingshu, he said very frankly, “Miss Bai, I admit that I really like you very much. “But I can assure you that I didn’t mean anything by giving you this book. I just wanted it to show its value. Please don’t feel pressured. “If this behavior of mine puts pressure on you, then I apologize now! “Miss Bai, I’m Sorry!” ”

Chapter 2244: 469: the owner of ‘Yuan Dynasty Records’ is Lin Ze! 4

“At the end of his speech, Chen Yaosheng stood up from his chair and bowed to Bai Jingshu.”

His attitude was very sincere.

““Mr. Chen, you’re too kind.”Bai Jingshu suddenly felt a little guilty and continued, “I don’t have any other intentions. I just feel that it’s not good to accept such an expensive gift from you.” ”

““Just treat it as making friends.”Chen Yaosheng looked at Bai Jingshu and said, “Miss Bai, don’t worry. If you don’t like it, I will never express my feelings to you again.” ”

“Chen Yaosheng had already said so much. If she rejected him again, it would be too pretentious.”

“Bai Jingshu smiled and said, “If that’s the case, Mr. Chen, then I’ll accept it respectfully.” ”

“Okay.”Chen Yaosheng picked up the book and handed it to Bai Jingshu with both hands.

“Bai Jingshu took the book. “Thank you, Mr. Chen.” ”

““If Miss Bai really wants to thank me, then treat me to a cup of tea.”Chen Yaosheng picked up the Teacup. “After today, we won’t owe each other anything.” ”

“Okay.”Bai Jingshu sat opposite Chen Yaosheng.

“Before this, Chen Yaosheng had specially gone to get to know Bai Jingshu.”

“With the information Bai Mo had given him, he now knew Bai Jingshu like the back of his hand.”

“In a short while, the two of them had a heated conversation.”

“Two hours later, Bai Jingshu went to pay the bill.”

“Chen Yaosheng stood up from his chair and said, “Miss Bai, I still have something to do, so I won’t send you back.” ”

This was called retreating in order to advance.

It was also Bai Mo who told Bai Jingshu.

Bai Mo knew Bai Jingshu’s personality. Bai Jingshu did not like a man who would chase after her relentlessly.

Chen Yaosheng had to walk the right path in order to chase after Bai Jingshu.

“Bai Jingshu smiled and said, “There’s no need to send me off. My House is not far from here. If Mr. Chen is free, you can come to my house for tea.” ”

“”Alright, thank you, Miss Bai. I’ll definitely go when I’m free.”Chen Yaosheng watched Bai Jingshu leave with a smug smile on his face. It seemed like Bai Mo’s plan was right. He could clearly sense that., bai Jingshu’s attitude was gradually changing. ”

“In fact, Bai Jingshu’s opinion of Chen Yaosheng had indeed changed. ”

“She had always thought that Chen Yaosheng was no different from the others. Now, it seemed that he was not like that. ”

Chen Yaosheng was the same person as her. They had the same soul.

On the other side.

Lin Ze received a phone call.

It was a call from the person in charge of the library. The other party seemed to have something important to ask him over.

Lin Ze pushed aside the matter at hand and drove to the library.

The person-in-charge of the library had his hands behind his back as he paced back and forth in the office. His face was filled with anxiety.

What should he do.

What should he do now...

Why did that book just have to be lost!

“Not long after, the person-in-charge’s face was covered in cold sweat. ”

“At this moment, someone knocked on the office door. ”

“Who is it?”The person-in-charge asked.

“The secretary’s voice sounded in the air, “President Xia, it’s Mr. Lin.” ”

He arrived so quickly?

“Xia Shang immediately wiped the cold sweat off his forehead and turned his head, “Quickly invite Mr. Lin in.” ”

“The next second, the office door was pushed open. ”

A tall figure walked in from outside the door.

“The person who came was not old, about twenty-two years old. He wore a black hoodie and a black mask, leaving only a pair of beautiful and deep red phoenix eyes. ”

“”Hello, Are You Mr. Lin?”Xia Shang immediately went up to greet him. ”

He did not expect that the owner of the Yuan dynasty record book was so young.

It was... quite shocking.

“At the same time of shock, he was also very anxious. ”

“There was only one Yuan dynasty record book, and now that it was lost in their library, they must be fully responsible. ”

He did not know whether this little Mr. Lin was easy to talk to.

“I am.”Lin Ze took off his mask. “May I ask why you are looking for me?”

“Xia Shang did not know what to say. He continued, “Let’s sit down and talk. Mr. Lin, do you want tea or coffee?” ”

“”Nothing,”Lin ze said. ”

“Then let’s have tea.”Xia Shang called the secretary to make tea.

“Soon, the secretary brought the tea over. “Mr. Lin, please have tea.” ”

“Lin Ze thanked him and continued, “President Xia, can you say it now?” ”

“Xia Shang carefully chose his words in his heart and said with a troubled expression, “Mr. Lin, I really don’t know how to tell you...” ”

“”Just say it. There’s no need to have any misgivings,”Lin ze said. ”

Xia Shang took a deep breath. “Then you have to be mentally prepared.”

“Yes.”Lin Ze nodded.

“Xia Shang continued, “It’s... that... the Yuan dynasty records were lost.” ”

Chapter 2245: 469: the owner of “Yuan Dynasty Records”is Lin Ze! 5

Lin Ze frowned slightly.

He had spent a lot of effort to find the Yuan Chao Records. There were also some of his thoughts and information that he had found.

The reason why it was placed in the library was to let more people see the charm of ancient culture.

“But now, the person in charge of the library actually told him that the Yuan dynasty records were lost! ”

“Seeing Lin Ze’s expression turn from sunny to dark., xia Shang immediately said, “Mr. Lin, Mr. Lin, don’t be anxious. Don’t worry, we have already reported it to the police station and offered a reward of 100,000 yuan to find it. If we really can’t find it, we can compensate you at the original price.” ”

“Actually, Xia Shang didn’t want to inform Lin Ze so quickly. ”

The police didn't have any clues either.

The book seemed to have disappeared into thin air.

"There were a total of 328 cameras in the library, but they couldn't find the reason for the disappearance of the real records of the Yuan dynasty. "

"Lin Ze continued, "When was the book lost?" "

"The day before yesterday," Xia Shang said. "

"Where was it lost?" Lin Ze asked again.

"Xia Shang answered, "It was lost in the library. Speaking of which, it's strange. Our staff checked it the night before, but it disappeared when we woke up the next morning." "

"Can you show me the surveillance footage?" Lin Ze asked.

"Yes." Xia Shang nodded. "Mr. Lin, please follow me." "

Lin Ze followed Xia Shang and walked towards the surveillance room.

"Xia Shang continued, "Mr. Lin, look. These are all the surveillance footage from that night." "

"Can I make a copy?" Lin Ze asked.

"Of course!" Xia Shang nodded and personally helped Lin ze make a copy.

Lin Ze did not say much throughout the entire process.

“Although Lin Ze did not say anything, Xia Shang was very flustered.”

“If he did not die in silence, he would explode in silence.”

This Lin Ze was too terrifying.

“After copying the video, Lin Ze continued, “Bring me to the place where the books are placed.” ”

““Okay, this way please.”Xia Shang immediately led the way.”

“Because the Yuan dynasty recording was too precious, there were two or three cameras at the place where the book was placed. They were shooting from 365 degrees without any blind spots.”

“But even under such circumstances, it was still lost.”

Lin Ze frowned slightly. He subconsciously felt that it was not a simple matter.

Either there was a problem in the library.

“Or someone with incredible hacking skills had stolen the Yuan dynasty records without anyone noticing. Then, they erased the surveillance records.”

Lin Ze walked around the library and followed him down the mountain. He felt a great pressure and had been secretly wiping his sweat.

““Give me a copy of the borrowing records for the past week.”After thinking for a while, Lin ze continued, “It’ll take a month.” ”

““Okay, I’ll get someone to get it right away.”Xia Shang immediately contacted his assistant to look for the book. ”

“Soon, his assistant found the book. ”

“Lin Ze looked at Xia Shang and continued, “You’re also a person who loves literature. You should know what this Yuan dynasty record means to me. So, I won’t accept any compensation. I just want you to find the book.” ”

“Xia Shang immediately said, “Don’t worry, Mr. Lin. I know how you’re feeling right now. There’s no need for you to say anything. We’ll do our best to find the book!” ”

They also wanted to find the book immediately.

“After all, if they really had to pay compensation, it would be quite a large sum of money. ”

“After Lin Ze went back, he looked through the list of borrowed books. ”

“Suddenly, he saw a familiar name at the back. ”

Bai Jingshu.

Was it the Bai Jingshu he knew?

“According to Ye Han, Bai Jingshu really liked to learn about Earth’s ancient culture. ”

Bai Jingshu was the last person to borrow the Yuan dynasty records.

“Although Lin Ze and Bai Jingshu had not known each other for a long time and did not get along, he could tell that Bai Jingshu was not that kind of person. ”

“Lin Ze put down the list, turned on his computer, hacked into the library’s system, checked the membership list, and opened Bai Jingshu’s information. ”

It was Bai Jingshu.

That’s right.

“Lin Ze frowned slightly. Then, he studied the surveillance video again and found that there was no trace of change. ”

The Yuan dynasty record seemed to have disappeared into thin air.

This was a little strange.

He now suspected that the thief had used high-tech means to steal the book.

“Moreover, this high-tech was definitely higher than Earth’s civilization. ”

“Currently, the only galaxies known to be superior to Earth’s civilization were the S and F galaxies. ”

Could it really be Bai Jingshu?

No.

It shouldn’t be.

Bai Jingshu was an absolutely open and aboveboard person. She wouldn’t do such a thing.

Chapter 2246: 469: the owner of “Yuan Dynasty Records” is Lin Ze! 6

There are definitely other extraterrestrials on earth.

“If that’s really the case, then there’s no need to investigate.”

“Because even if they really found out who stole it, the other party would have long fled without leaving a trace.”

“Lin Ze sat in front of his desk, frowning.”

He loved the ancient culture of China very much.

“He also hoped that more people would know about the ancient culture. Otherwise, he wouldn’t have left the Yuan dynasty’s only copy in the library for people to read.”

“But now, the only copy was lost.”

“A moment later, Lin Ze took out his phone and dialed a number. “Check the surveillance footage around xiayue library on the 18th. Send it to my email after you’re done organizing it.” ”

“No matter what, Lin Ze was still unwilling to lose the only one he had.”

...

On the other side.

“Shi Qingcheng found ye Zao and hugged his arm. “Zao, what do you think of Bai Jingshu?” ”

"She's pretty good." Ye Zao nodded.

Shi Qingcheng smiled. "I want to set her up with your brother. What do you think?" Shi Qingcheng herself fell into the sweetness of love and couldn't wait to be a matchmaker. She wanted to make Bai Jingshu and Lin Ze fall in love too.

"Hearing this, Ye Zhuo smiled and said, "Go and ask my brother. It's not up to me." "

The most important thing in this kind of thing was that the two of them could look at each other.

"Otherwise, they would just be busying themselves. "

""I've asked him, and he actually said that he's not in a hurry now!" Shi Qingcheng continued, "I think that your brother is quite Buddhist! Just tell him unilaterally whether Bai Jingshu and your brother are compatible or not." "

"Lin Ze was handsome, and there were many girls chasing after him, "

""She's compatible with him. Bai Jingshu has a good personality, and she has the same hobbies as my brother." Speaking up to this point, Ye Zhuo paused and turned to look at Shi Qingcheng, "Qingcheng, don't worry about it. What if she has a boyfriend?" "

""Absolutely not!" Shi Qingcheng said resolutely, "I've already asked, she's still single." "

Ye Zao chuckled. "This matchmaker is really responsible."

""That's a must!" Shi Qingcheng said proudly, "I must set up your brother and Bai Jingshu. You Don't know that I like Bai Jingshu the moment I see her! If I were a man, I would have done it myself!" "

Bai Jingshu had a special charm about her.

She had a scholarly scent.

Ye Zhuo raised his eyebrows slightly. "Why don't I sponsor you to change your personality?"

""What are you talking about, Yaozhuo!" Shi Qingcheng said somewhat embarrassedly, "If I were to change my personality, what would ye Xiaohan do?" "

""SIS, what are you guys talking about?" Coincidentally, Ye Han walked over from the side. "

"When Ye Zhuo knew that the two of them were really like glue, he stood up and said, "Ask your girlfriend yourself. I still have something to do, so I'll leave first." "

"After saying that, Ye Zhuo turned around and walked out, leaving the space for the two of them. "

""What did you guys talk about just now?" Ye Han asked curiously, "Why did my sister want to leave the moment she saw me coming over?" "

"We were talking about the secrets between girls. Are you sure you still want to ask?" Shi Qingcheng said.

""Oh, I won't ask." Ye Han immediately changed his words. "

"That's a good girl." Shi Qingcheng patted ye Han's head.

"Ye Han continued, "Godmother asked me to come over and ask you what you want to eat tonight." "

"Shi Qingcheng Thought for a moment. "En, I want to try seafood." "

“Recently, she had been poisoned from eating sown seeds, so she suddenly wanted to try king crab and coconut shell.”

“”Okay, I’ll talk to godmother.”Ye Han nodded.”

“I’ll go with you.”Shi Qingcheng followed ye Han’s footsteps.

“Ye Han continued, “We’ve been on Earth for quite some time already. When are you planning to go back?” ”

“Hearing the word ‘go back’, Shi Qingcheng’s face immediately became sullen.”

“”I’ll play for a while more. Anyway, I have nothing to do when I go back now.”Shi Qingcheng said.”

“”You don’t have anything to do, but I have a lot of things to do.”Ye Han continued, “The great clan leader and the others have already urged me several times.” ”

“Shi Qingcheng frowned slightly, “Then why don’t you go back first, and wait for me to play for a few more days before going back.” ”

“”Alright.”Ye Han nodded, “I’m preparing to leave Tomorrow Night.” ”

“Hearing that Ye Han was going back tomorrow night, Shi Qingcheng was very reluctant to part with him.”

“After all, she and Ye Han had just started.”

“Between the choices, she continued, “Forget it, forget it, I’ll go back with you!” ”

“Really?”Ye Han looked back and said with some surprise.

""En."Shi Qingcheng nodded and said, "Ye Xiaohan, look at how much I've sacrificed for you. If you dare to disappoint me in the future, I'll definitely smash your head and kick your legs off!" "

Chapter 2247: 469: the owner of "Yuan Dynasty Records" is Lin Ze! 7

Shi Qingcheng learned this from Old Lady Cen.

"Although she was a bit far from Old Lady Cen, Shi Qingcheng liked old lady cen very much. "

""Don't worry, I don't think I'll let you have the chance to hit me,"ye Han said. "

"Shi Qingcheng smiled and said, "You better remember what you told me today, or else I'll make you suffer!" "

The two of them chatted and laughed as they walked towards the kitchen.

"After listening to what Shi Qingcheng wanted to eat, ye Shu smiled and said, "It's also a coincidence. This Morning, CEO Wang of the beneficiary group just sent over some seafood. Then, we'll have half of the garlic and half of the steamed seafood tonight. Qingcheng, do you think it's okay?" "

"Shi Qingcheng immediately nodded. "It's okay, no problem. Godmother, I can eat whatever I want." "

"Then it's decided."Ye Shu went to instruct the kitchen on how to handle the seafood.

""Yes, thank you, godmother."Shi Qingcheng said. "

""This child, why are you still saying thank you to godmother? You are not allowed to do this in the future."Ye Shu also quite liked Shi Qingcheng. Sometimes, it was her honor to have such an goddaughter like her. "

"Looking at Ye Shu's back view, Shi Qingcheng Sighed. "Godmother is really good! No wonder burning is unwilling to go back. If I had such a family, I wouldn't go back either." "

Shi Qingcheng had a stepmother.

"A stepmother couldn't be said to be good to her, nor could it be said to be bad. "

It was neither cold nor hot.

"If not, Shi Qingcheng wouldn't have entered the military academy so early. "

"You'll have me in the future."Ye Han hugged Shi Qingcheng tightly.

"At this moment, for some reason, Shi Qingcheng actually had the urge to cry. "

It had been a long time since someone gave her such a sense of security.

""Ye Xiaohan, will you fall in love with someone else in the future?"Shi Qingcheng continued to ask. "

""No,"ye Han said very seriously. "You're the first, and also the last." "

Shi Qingcheng had already taken the first step towards him. He would take the remaining 99 steps.

""Ye Xiaohan, if you fall in love with someone else in the future, you must not hide it from me. My heart can bear it very well, and I won't Pester you endlessly. But the prerequisite is that you must tell me,"Shi Qingcheng looked at Ye Han, she said very seriously. "

“Maybe it was because women in love were so worried about gains and losses, and Shi Qingcheng liked to think about such nonsense. ”

Or maybe it was because Shi Qingcheng heard a saying.

She heard people say that first love wouldn't last long.

“Ye Han said, “It won't. I will never fall in love with someone else.” ”

““I don't want your promise. I want you to promise me,”Shi Qingcheng said. ”

“Ye Han said helplessly, “Okay, I promise you.” ”

“After saying that, ye Han continued, “What About You?” ”

“What About Me?”Shi Qingcheng asked.

“Ye Han said, “You have to promise me too. If you meet someone better in the future and want to be with him, you have to tell me.” ”

““I won't fall in love with anyone else, not in this lifetime!”Shi Qingcheng blurted out. ”

“Ye Han smiled and said, “I want your answer, but it's not a guarantee.” ”

“Shi Qingcheng continued, “Alright, I'll definitely tell you.” ”

Lin Ze passed by and happened to hear the conversation between the two of them. His expression was a little complicated.

Could it be that people in love were all like this?

Saying such meaningless words.

1

“If he had not heard it with his own ears and seen it with his own eyes, he would definitely not believe that such a retarded conversation was said by Ye Han and Shi Qingcheng.”

Lin Ze suddenly felt a little afraid of love.

“After all, Love would cause one’s IQ to plummet.”

Time passed very quickly.

“In the blink of an eye, a week had passed.”

“During this week, Bai Jingshu and Chen Yaosheng interacted more frequently. The two of them even added each other’s social chat accounts.”

“Gradually, Bai Jingshu felt that she was starting to accept Chen Yaosheng.”

“Chen Yaosheng would send her good morning and goodnight messages every day, and he would also chat with her about all kinds of interesting things about the dynasty.”

Little did she know that Chen Yaosheng had learned these things on the spot.

Bai Mo invited Chen Yaosheng to meet her.

“How is it? How is the Progress?”

“Chen yaosheng smiled and said, “Thanks to Miss Bai, everything is going very smoothly. I can feel that Bai Jingshu is gradually getting closer to me.” ”

“”Congratulations, Mr. Chen,” Bai Mo said with a smile. ”

“”Thank you,” Chen Yaosheng continued, “Miss Bai invited me to meet you today. There should be something else, right?” ”

“As expected of Mr. Chen.” Bai Mo looked at Chen Yaosheng. “Nothing can be hidden from you.”

“Chen yaosheng continued, “If there is anything, Miss Bai, just say it. We are all on the same side. There is no need to be polite.” ”

“”Then I’ll say it directly.” Bai Mo did not hesitate and said generously, “Mr. Chen, I want to know the recent itinerary of Manwen.” ”

“If one wanted to conquer Manwen, one had to understand manwen, get close to Manwen, and create fate.”

“But now that she did not know anything, how could she talk about strategy?”

“Chen Yaosheng did have some friendship with Manwen, but he did not expect that Bai Mo had this idea.”

“However, there was nothing wrong with that.”

He was afraid that it would be abnormal if Bai Mo helped him for nothing.

“”Sure, I will send it to you when I go back.” ”

""Thank you, Mr. Chen," Bai Mo said. "

"Chen Yaosheng waved his hand. "It's no big deal. Miss Bai, you have helped me so much. I should thank you properly!" "

"Bai Mo smiled and said, "It's a pleasure to work with you. I wish Mr. Chen an early return with a beautiful woman." "

""Thank you." Chen yaosheng continued, "Miss Bai, based on your understanding of Bai Jingshu, when do you think is the best time for me to Confess My Love?" "

""Strike while the iron is hot." Bai Mo narrowed her eyes. "Before Bai Jingshu can react, say what needs to be said and do what needs to be done. Even if she can react in the future, she will only be a fish in the sea." "

His last words were meaningful.

"Chen Yaosheng nodded and smiled. "Okay, I got it." "

"With Bai Mo's words, Chen Yaosheng had a foundation in his heart. When he returned to Earth three days later, he began to prepare for his confession."

He arranged for Bai Jingshu to meet under an ancient building. The setting was especially romantic.

"Bai Jingshu did not expect Chen Yaosheng to suddenly make such a move. She stood rooted to the ground, not knowing how to react. "

"Before she could react, Chen Yaosheng had already begun to confess, "Jingshu, you know my feelings. The fleeting moment three years ago made me fall deeply in love with you. It has to be you. I don't know what kind of person you like, but I can work hard in the direction you like and try my best to become the person you like. Jingshu, be my girlfriend!" "

Bai Jingshu did not know how she felt about Chen Yaosheng.

Their relationship began with a Yuan dynasty record.

“When she did not know that Chen Yaosheng was the owner of this Yuan dynasty record, she was very curious about the original owner behind the scenes.”

“After meeting him, she was shocked!”

“She never knew that Chen Yaosheng had such a side. Later, this shock turned into admiration. Later on, she admired Chen Yaosheng more and more. Now... .. She did not know what kind of feelings she had for Chen Yaosheng.”

“However, the only thing she could be sure of was that she did not hate Chen Yaosheng, nor did she dislike being with him.”

“Chen Yaosheng held the flowers in his hands and continued, “Jingshu, if you can’t accept me, I can promise you that I will never appear in front of you again.” ”

“Bai Jingshu could not confirm her feelings at that moment. She continued, “Can you let me think about it?” ”

Chapter 2248: 369: Bai Jingshu knows the truth! 1

“Bai Jingshu did not want to agree to Chen Yaosheng in a hurry, but she was afraid that she would regret it if she missed him.”

She felt that she needed time to think about it.

“Chen Yaosheng nodded. “Alright, Jingshu, you must not give yourself any pressure. You can think about it for as long as you want. No matter what, I will stand behind you.” ”

Chen Yaosheng was quite excited now.

“Since Bai Jingshu actually mentioned that she wanted to think about it, it meant that this matter was not far off. ”

One had to know that the Bai Jingshu in the past did not even want to look at it.

“Okay.” Bai Jingshu nodded. “Get up first.”

Chen Yaosheng stood up from the ground and handed her the flowers. “Take the flowers first.”

Bai Jingshu hesitated for a moment.

Was it not good for her to take the flowers before she had promised Chen Yaosheng?

“Chen yaosheng smiled and said, “Jingshu, don’t worry. The thing that I dislike the most is pestering. I Won’t feel embarrassed to reject me after considering it just because you took my flowers. “This bouquet can also be a flower of friendship.” ”

“Thank you.” Bai Jingshu took the flowers with both hands. “The flowers are very beautiful.”

The flowers were indeed very beautiful. They were very artistic lilacs.

“They were not as enchanting as roses, nor were they as bright as platycodon flowers. ”

Bai Jingshu really liked them very much.

""It's good that you like them," Chen Yaosheng said. "

Bai Jingshu lowered her head and sniffed the fragrance of the flowers. It was the smell that she liked.

"Chen yaosheng continued, "Although I didn't succeed in confessing my love today, I still have to eat. Shall we go and have a meal?" "

"Okay." Bai Jingshu nodded and followed Chen Yaosheng's footsteps.

The two of them arrived at an elegant hotel.

"Actually, Chen Yaosheng did not like this kind of food from Earth at all. However, since Bai Jingshu liked it, he could only pretend to like it. "

He endured it.

He endured until he had Bai Jingshu firmly wrapped around him.

Bai Jingshu held the plate of dishes and looked up at Chen Yaosheng. "What do you like to eat?"

""I'm a very easy person to feed. I'm not picky about food. I'll eat whatever you order," Chen Yaosheng said. "

"How can that be?" Bai Jingshu smiled and handed the tablet to Chen Yaosheng. "Take a look at the menu."

""There's really no need," Chen Yaosheng said. "

"Bai Jingshu continued, "I've already said that we're friends. Why are you being so polite with your friends, Mr. Chen?" "

“Chen yaosheng smiled and said, “Since that’s the case, I’ll accept your request.” ”

“After saying that, he took the tablet with both hands. ”

“Because he had done his homework beforehand, Chen Yaosheng was very clear about Bai Jingshu’s taste. He ordered two dishes and returned the tablet to Bai Jingshu. “I’ve ordered it. You can do it.” ”

Bai Jingshu took the tablet and was a little surprised.

Because the two dishes that Chen Yaosheng ordered were both her favorite dishes.

She didn’t expect that their interests were the same. Even their tastes were the same now.

“Perhaps, it was really fate. ”

1

The corners of Bai Jingshu’s mouth curved slightly.

Chen Yaosheng saw all of this.

It was not far from what he wanted to see.

Bai Jingshu added three more dishes and then returned the tablet to Chen Yaosheng. “How about this?”

“Chen Yaosheng took the tablet and said in surprise, “I actually like the dishes you ordered!” ”

“Really?” Bai Jingshu asked.

“Yes.” Chen Yaosheng nodded. “It’s been a long time since I’ve met someone with the same taste. You should know how difficult it is to find someone with the same taste in the S Galaxy.”

“Speaking up to this point, Chen yaosheng said in puzzlement, “I really don’t know why they like nutrient fluids so much.” ”

“Bai Jingshu smiled. “Perhaps everyone has a different ability to accept things. In fact, the two dishes you ordered were also dishes that I often ordered.” ”

“What a coincidence?” Chen Yaosheng’s face was full of disbelief.

“Yeah.” Bai Jingshu nodded. “I also think it’s quite a coincidence.”

The world was so big. It was really not easy to meet a person who shared the same interests.

“Chen Yaosheng was a person who was especially good at finding topics to talk about. Especially after he understood Bai Jingshu in all aspects, he almost never got cold feet.”

“Bai Jingshu was originally a person who did not talk much. However, under the influence of Chen Yaosheng, she gradually became more talkative.”

The meal was very enjoyable.

“Before he left, Chen Yaosheng looked at Bai Jingshu and continued, “Jingshu, you look very good when you smile. You can smile more in the future.” ”

“Okay.” Bai Jingshu nodded.

Chen Yaosheng walked Bai Jingshu to her door.

Bai Jingshu took the initiative to invite him. "Do you want to go in and have a cup of tea?"

""No." Chen Yaosheng shook his head and said, "I have something to do when I go back today." "

Chapter 2249: 369: Bai Jingshu found out the truth! 2

""Then take care on the road," Bai Jingshu instructed. "

""Okay, I will." "

Bai Jingshu stood at the door and watched Chen Yaosheng leave.

"At this moment, Chen Yaosheng seemed to have remembered something. He stopped and looked back at Bai Jingshu, "Oh right, Jingshu, don't feel pressured by my words today. It's hard to find a good friend. In fact, I think that even if we can't be a couple, it's still not bad to be good friends." "

"Chen Yaosheng acted gentlemanly and generous. In addition, he had a good appearance and had a common language with Bai Jingshu. "

Very few girls could reject such a man.

"At this moment, Bai Jingshu even thought of directly agreeing to Chen Yaosheng. "

"Coincidentally, her parents were also urging her. "

"However, she still managed to suppress this impulsive thought in time. "

Impulsiveness was the devil.

She still had to think about it carefully

“Bai Jingshu smiled and nodded. “Yes, don’t worry. I will definitely think about it carefully.” ”

““Okay, I’ll wait for you.”Chen yaosheng continued, “After you’ve thought about it, just contact me directly. In order to prevent it from affecting your thoughts, I won’t be chatting with you during this period of time.” ”

“Okay.”

“Then I’ll be leaving first. You should rest early tonight.”

“You too.”

“After saying goodbye to each other, Chen Yaosheng turned around and left. Very quickly, his back disappeared from the line of sight in front of him. ”

Bai Jingshu stood there for quite a while before she turned around and left.

On the other side.

Bai Mo had successfully obtained the itinerary for Manwen.

It was different from the image of a silkpants from before.

“Manwen no longer went to any romantic places, nor did it have any romantic news. ”

Bai Jingshu returned to the s galaxy and arrived at the Bai family’s old residence.

“Old Master Bai was sitting on a recliner in the courtyard, basking in the sun. ”

“Grandfather!”

“Hearing Bai Jingshu’s voice, Old Master Bai immediately stood up from the recliner. “Jingshu is here!” ”

“Bai Jingshu walked over to Old Master Bai’s side and held his arm. “Grandfather, why are you basking in the sun alone? Where’s Auntie Zhou?” ”

“Old Master Bai had a terminal case of indirect dizziness. He couldn’t be without people around him, otherwise, it would be very dangerous. ”

“”It’s fine, it’s fine. I know my own body very well.”Old Master Bai waved his hand and continued, “Jingshu, why did you suddenly come back?” ”

“”I missed Grandpa, so I came back to see him,”Bai Jingshu said. ”

“Old Master Bai smiled and said, “You Really Miss Grandpa?” ”

He could tell at a glance that his granddaughter had something on her mind.

“”As expected, you can’t hide anything from Grandpa.”Bai Jingshu held Old Master Bai’s arm. “Grandpa, someone is wooing me. Do you think I should agree to it?” ”

“”Judging from your appearance, you should have a good impression of him, right?”Old Master Bai asked back. ”

“Bai Jingshu thought for a moment, then, she said, “I don’t know how to describe our relationship. I don’t hate him, but I don’t seem to like him that much either. However, we have many hobbies in common. For example, we like the same books, and our tastes are very similar. He likes what I like, and I like what he likes. “But right now, I don’t know what to choose.” ”

Elder Bai looked at Bai Jingshu. "How long have you two known each other?"

""Yes, if you've known each other, you've known each other for a long time, but we officially met half a month ago," Bai Jingshu continued. "I had a deep misunderstanding about him before. I felt that he wasn't from the same world as me, but after getting along with him, I realized that he was quite a nice person. "He's very different from what I imagined." "

"Bai Jingshu had never been in a relationship before, nor had she ever liked anyone. She didn't know what she wanted or liked. "

"You can tell in ten days that he's from the same world as you?" Old Master Bai asked.

Bai Jingshu hesitated for a moment but didn't say anything.

"Old Master Bai continued, "Men and women think differently. "They like to conquer, and conquering will give them a sense of accomplishment. For this sense of accomplishment, they will do anything. "Jingshu, I feel that the time you've known each other is still too short. "You should get to know each other better." "

""Okay." Bai Jingshu nodded. "Grandpa, I understand." "

"Old Master Bai smiled and said, "Jingshu, don't put too much pressure on yourself. My words can only guide you, not help you choose. "If you feel that the time is right and you understand the other party's character very well, then you don't have to worry so much and can openly start a relationship." "

"Mm."

"As he said this, elder Bai seemed to have suddenly thought of something and continued, "Where are you from, young man?" "

Chapter 2250: 369: Bai Jingshu knows the truth! 3

""His name is Chen Yaosheng,"Bai Jingshu said. "

Old Master Bai narrowed his eyes. "Chen Jinyan's son?"

"Yes."Bai Jingshu nodded.

""The people in the Chen family are all very scheming. Be careful when you get along with him,"Old Master Bai instructed. "

"After that, old master Chen added, "However, Chen Jinyan's descendant should be stronger than Chen Jinyan. Jingshu, don't think too much about it. It's best to follow your heart." "

"After all, this was the first time Bai Jingshu had a good impression of a boy. Old Master Bai did not dare to say too much. "

"If Chen Yaosheng was a good man, wouldn't he be a hindrance? "

"After leaving Old Master Bai's side, Bai Jingshu arranged to meet man Wen at the same place. "

"When Bai Jingshu arrived, Man Wen was already waiting. "

"The Sun was setting in the west. The sunlight shone on his body, making his back look a little lonely. "

It was as if he had suddenly grown up overnight.

"Manwen!"Bai Jingshu said softly.

""Sister Jingshu."Seeing Bai Jingshu, Manwen immediately stood up. "

“Bai Jingshu smiled and said, “Why are you here so early? I thought I would wait for you for a while, but I didn’t expect you to wait for me.” ”

“”I just happened to have nothing to do, so I came,”Manwen continued. “I can’t let a Girl like you wait for me. Do you understand gentlemanly manners?” ”

“You’re right.”Bai Jingshu sat down next to man Wen. “How have you been?”

“”I guess.”Man Wen said, “What About You? Aren’t you supposed to be on Earth at this time? Why did you come back all of a sudden?” ”

“”I ran into something,”Bai Jingshu said. ”

“”What is it? Tell me.”Man Wen opened a bottle of wine and handed it to Bai Jingshu. Then, he opened another bottle himself. “Let me see if I can help you with your doubts.” ”

Bai Jingshu took a sip of the wine. “Someone confessed to me. I don’t know if I want to be with him.”

“Man Wen was stunned at first, but then he asked curiously, “Really? Who Is It?” ”

He and Bai Jingshu were life-and-death friends.

“Although they were not blood-related siblings, they both regarded each other as very important. They were like family, and they talked about everything. ”

“In Manwen’s eyes, Bai Jingshu had always been a girl who had her own independent thoughts and would not be influenced by others. ”

“Moreover, in all these years, Manwen had never seen Bai Jingshu develop a good impression of any boy. Now that he heard that Bai Jingshu was actually considering whether to accept a certain boy, Manwen was quite surprised. ”

The reason why Bai Jingshu was considering it was definitely because this boy had also moved her heart.

“Otherwise, Bai Jingshu would never have told him this. ”

“”His name is Chen Yaosheng,”Bai Jingshu replied. ”

Chen Yaosheng?

“Hearing this, Man Wen Thought for a moment and continued, “Chen Yaosheng seemed to have chased after you before, right?” ”

“Actually, there were quite a number of people who chased after Bai Jingshu. The reason why man Wen had an impression of Chen Yaosheng was because Chen Yaosheng had some friendship with man Wen before. ”

“Yes.”Bai Jingshu nodded. “He did chase after me before.”

“So you only realized it now?”Man Wen continued to ask.

“Bai Jingshu smiled and said, “It’s not that I only realized it now. It’s only until today that I’ve gotten to know him again. It turns out that he’s very different from what I imagined.” ”

“How is he different?”Man Wen asked.

“Bai Jingshu continued, “He likes the ancient culture of Earth and likes to eat the same things as me. Most importantly, our three views are very appropriate.” ”

Different paths lead to different strategies.

“The most important thing between couples was their three views. If their three views were different, then there would be no more topics to talk about.”

“Without topics, how could there be tacit understanding?”

“Then what are you thinking now?” Man Wen asked.

Bai Jingshu shook her head. “I don’t know what I’m thinking either...”

She was a little confused and at a loss.

She didn’t know if she should accept Chen Yaosheng.

It was as if there were two little people fighting in her heart.

One said she accepted.

The other said she didn’t accept.

It was hard to choose.

“”Man Wen, have you ever liked someone?” Bai Jingshu continued to ask.”

“”No.” Manwen was also an idiot in love, so he couldn’t give Bai Jingshu a better opinion, he continued, “I’ve dealt with Chen Yaosheng before, and I feel that he’s quite scheming. He’s the type who will do anything to achieve his goals. “If you’re with him, you must be very careful. Don’t be impulsive.” ”

“At this point, manman paused and continued, “And I also heard that girls have an IQ of 0 in the process of falling in love. You have to be careful. Don’t be fooled by those who have intentions.”
