Chapter 2251: 369: Bai Jingshu knows the truth! 4

“Okay.” Bai Jingshu nodded.

“If he dares to bully you, just tell me. I’ll help you beat him up!” Man Wen looked at Bai Jingshu. ”

“Don’t just focus on talking about me. What About You?” Bai Jingshu continued to ask.

“Me? I’m still the same!” Man Wen smiled and said, “When I meet someone I like, I’ll definitely tell you immediately.” ”

“Oh right, Man Wen, I met Miss Ye on Earth,” Bai Jingshu said. ”

“When he heard the words ‘Miss Ye’, Man Wen’s expression clearly paused. “Is She Alright?” ”

“She’s fine,” Bai Jingshu continued. “Ye Han and Shi Qingcheng are also here. I feel that Miss Ye should be happier on Earth than in the S Galaxy.” ”

“As long as she’s fine.” Man Wen rarely confided in others, and Bai Jingshu was one of them. “I hope that she’ll always be happy and not be held back by the secular world. Oh right, how does Mr. Cen Treat Her?” ”

“Mr. Cen seems to really dote on Miss Ye. The two of them are very compatible together. By the way, I heard that after Miss Ye graduates from university, they will officially prepare for their wedding.” ”

Manwen’s lips curled up into a smile. “She has experienced all the hardships in the first half of her life. It’s time for her to experience happiness in the second half of her life.”

“Mm.” Bai Jingshu nodded. “Actually, I’ve always admired your eldest sister. I hope to be like your eldest sister and be a free and easy person. I like what I like, and I love what I love.” ”

“There was a popular saying on the internet: “If you let the Noise Go, you’ll be on your own. I’m very amorous, and I don’t compete with the world.”. ”

Bai Jingshu liked this saying very much.

She felt that ye Zhuo was a good example of the true meaning of this saying.

“If ye Zhuo cared about what others thought of him, he wouldn’t have achieved what he did today. ”

“You’re not bad yourself.”Man Wen looked at Bai Jingshu. “I feel that you and her personality are quite similar sometimes.”

“For the sake of what she loved, she could be dismissive. ”

“My Pleasure.”Bai Jingshu took a sip of her wine.

“Man Wen also took a sip of his wine and continued, “By the way, I heard that your family has arranged a blind date for you recently, right?” ”

“Yes.”Bai Jingshu was a little annoyed at the mention of this.

There was more or less the same reason why she considered accepting Chen Yaosheng.

“As long as she had a boyfriend, her parents would not think about such nonsense anymore. ”

“Man Wen smiled and said, “If you need help, just let me know. Don’t be shy to ask. Aren’t friends supposed to help each other?” ”

“Okay.”Bai Jingshu nodded.

Bai Mo followed Bai Jingshu all the way to their secret base.

“When he saw the two of them sitting together and talking about everything, it would be a lie to say that he did not feel anything at all.”

“She had just received Chen Yaosheng’s message saying that Bai Jingshu was already moved by his strategy, but what was Bai Jingshu doing now?”

Two-timing her?

She was not serious at all!

Bai Mo wanted to grit her teeth. It seemed like she still had to make Chen Yaosheng work harder. She had to win Bai Jingshu over so that Bai Jingshu would not be able to continue being a demon.

Man Wen and Bai Jingshu chatted for a long time before the two of them stood up and left.

“Seeing the two of them leave, Bai Mo immediately stood up and walked to the other side.”

“Man Wen and Bai Jingshu chatted as they walked. The two of them were good friends who shared similar interests. The more they talked, the more topics they talked about.”

““Man Wen, actually, I think you can find a girlfriend too. What Type Do you like? I’ll keep an eye out for you.” ”

“Manwen said, “I haven’t even sorted out my own matters yet. How can I be in the mood for a relationship?” ”

“He had just taken over Manxing Kingdom and was still in the process of getting used to the officials under him. He had to do a lot of things by himself, so he really didn’t have the mood to think about the love between children.”

“Then when you want a girlfriend, just let me know,” Bai Jingshu said. ”

“Okay.” Man Wen nodded. “Then remember to introduce me to a better-looking one.”

“No problem.”

“Sis!” At this moment, a surprised voice suddenly sounded in the air. ”

Bai Jingshu looked up and saw that it was Bai Mo..

“Momo,” Bai Jingshu said. ”

“SIS, why are you here?” Bai Mo walked over and asked warmly. ”

“Bai Jingshu smiled and said, “I’m out for a walk.” ”

“Bai Mo pretended not to know man Wen and continued, “Sis, is this your boyfriend?” She said this on purpose. She wanted to see what Bai Jingshu would say! Moreover, she was doing this to attract man Wen’s attention. After all, Man Wen was the president of Manxing Country. In the s galaxy, there were very few people who did not know man Wen. If she recognized man Wen directly.., wouldn’t she be no different from other common people? She had to be different from others in order to attract Manwen’s attention. ”

Chapter 2252: 369: Bai Jingshu found out the truth! 5

“Moreover, she took the initiative to question whether man Wen was Bai Jingshu’s boyfriend. This way, she would not expose her own thoughts. ”

What was this called?

“This was called walking one’s own path, leaving others with no path to walk.”

“Bai Jingshu immediately explained, “No, Momo, you misunderstood. I’m just a normal friend of man Wen. Oh right, Man Wen, let me introduce you. This is my cousin, Bai Momo.” ”

Manwen nodded at Bai Momo. “Hello.”

“”Hello.” Bai Momo looked at Manwen and unconsciously bit her index finger. She continued, “You, I, I seem to have seen you somewhere before! You look so familiar! SIS, have I seen brother Manwen before?” ”

Bai Jingshu was somewhat unable to react when Bai Momo suddenly became like this. The usual Bai Momo was also not like this.

“”Manwen is the president of Manxing Country,” Manxing explained. ”

“Hearing this., bai Mo said in surprise, “So Brother Manwen is the president of Manxing country. No wonder I look so familiar! “SIS, you’re really amazing. You can actually become good friends with brother Manwen. You’re practically the person I admire!” ”

“Bai Mo kept calling him brother Manwen, and it was very easy for her to call him that. ”

“After saying that, Bai Mo hugged Bai Jingshu’s arm and continued, “Sis, where are you guys going later? Can you bring me along?” ”

“Hearing this, Bai Jingshu could basically understand Bai Mo’s true motive. ”

She was not trying to get drunk.

“Manwen continued, “Jingshu, bring your sister to play. I still have something to do, so I’ll head back first.” ”

““Brother Man Wen, let’s add our contact details!” Bai Mo continued, “There are many people around me who admire you. I want to show them that I am good friends with the most powerful person in Manxing Kingdom!” ”

“Man Wen furrowed his brows and wanted to reject Bai Mo’s request. However, as Bai Mo was Bai Jingshu’s younger sister, he was a little embarrassed to reject her. He could only nod and say, “Alright.” ”

“The two of them added each other’s contact details. Bai Mo was very excited. “Brother Man Wen, thank you!” ”

““You’re welcome.” Man Wen looked at Bai Jingshu. “Then I’ll take my leave first. If you have any questions, contact me.” ”

“Okay.” Bai Jingshu nodded. “You can go back first.”

Man Wen turned around and left.

“Bai Mo looked at man Wen’s back. Adding the contact details was only the first step. Just you wait. Sooner or later, she would make man Wen her subordinate. He had to be her. ”

“Where are you going to play?” Bai Jingshu turned to look at Bai Mo..

“At a time like this, Bai Mo naturally wouldn’t offend Bai Jingshu. After all, Bai Jingshu’s relationship with Manwen wasn’t ordinary. ”

“Bai Mo held Bai Jingshu’s arm. “SIS, you can go to my house. I have something to give you.” ”

““Mo Mo, I appreciate your kindness, but I still have to return to Earth in a while, so I won’t go to Your House,” Bai Jingshu said. ”

“Bai Momo looked at Bai Jingshu and continued, “SIS, you can’t go back to Earth now.” ”

“Why?” Bai Jingshu asked with a slight frown.

“Bai Momo explained, “When I came here just now, I found that first uncle and aunt locked your interstellar shuttle. I also heard from first aunt that this time, you have to marry or not, but you mustn’t run away.” ”

Bai Jingshu’s brows furrowed tightly when she heard this

“She didn’t expect her parents to be so dictatorial. In order to force her to agree, they actually restricted her travel. ”

What right did they have to do this!

“Furthermore, she had sneaked back this time. How did her parents find out? ”

Could it be that her parents were spying on her?

Bai Jingshu’s anger rose from the bottom of her heart. She wanted nothing more than to immediately go and argue with her parents.

“At that moment, Bai Mo held Bai Jingshu’s hand tightly. “Sis, don’t worry. I’ll help you. Come with me to my house.” ”

Bai Jingshu could only listen to Bai Mo and nodded. “Okay.”

Bai Mo’s lips curled into a sinister smile.

Bai Jingshu would never have dreamed that she was the one who had tipped them off.

She was the one who had told Zhou Ying.

“Moreover, she had even given Zhou Ying an idea.”

Her parents had ordered the matchmaker to use force to suppress Bai Jingshu’s interstellar shuttle if she did not listen to them.

“Zhou Ying had always been a soft-hearted person. She had no idea how vicious Bai Mo’s intentions were. Moreover, Bai Mo and Bai Jingshu were cousins. It was unlikely that the two sisters would harm each other.”

“Bai Mo continued, “Sister, uncle and Aunty have gone too far! Don’t worry, I’ll stand on your side!” ”

“For the first time in her life, Bai Jingshu felt the warmth of her younger sister. “Mo Mo, thank you.” ”

Chapter 2253: 369: Bai Jingshu found out the truth! 6

“Bai Mo smiled and said, “Sister, why are you saying thank you? We’re all family! “Actually, while I’m helping you, I’m also helping myself. A few days ago, I heard my parents discussing my marriage. I don’t want to marry someone I don’t like. Now that you’ve encountered such a situation, of course I can’t just sit idly by.” ”

“They shared the same fate, so Bai Jingshu had a better impression of Bai Mo. . ”

She felt that this sister of hers wasn’t as bad as she had imagined.

“Soon, they arrived at the residence of the second son of the Bai family.”

“Bai Mo looked at Bai Jingshu and continued, “Sis, don’t worry. My parents aren’t at home. No one will notice us.” ”

“Okay.” Bai Jingshu nodded.

“Bai Mo brought Bai Jingshu to the basement. “SIS, this is my interstellar shuttle. I’ll lend it to you now.” ”

“Bai Mo’s interstellar shuttle was a gift from her father. Because it was rarely used, it still looked like a new one. ”

“”Sis, this is the key.” Bai Mo handed the key to Bai Jingshu. ”

“Bai Jingshu reached out and took it. “Mo Mo, have you thought it through? Are you really going to lend me the Interstellar Shuttle?” ”

“Yes.” Bai Mo nodded in acknowledgment.

“Bai Jingshu continued, “I might need a long time to return to Earth this time. What if you suddenly need to use the interstellar shuttle?” ”

“”It’s okay, sis. If I want to use it, I’ll think of a way myself. Hurry up and leave! Otherwise, if uncle and aunt come looking for you, you won’t be able to leave!” ”

“”Alright.” Bai Jingshu nodded. “Then I’ll be leaving. Momo, take good care of yourself.” ”

“”SIS, have a safe journey.” ”

“Soon, the interstellar shuttle entered the quantum world. ”

“Bai Mo stood where she was, a triumphant smile on her face.”

“Through this time, Bai Jingshu would definitely trust her.”

“Man Wen and Bai Jingshu were very close friends. As long as she had Bai Jingshu in her grasp, man Wen’s impression of her would not be too bad.”

On the other side.

“After a few days of focused investigation, Lin Ze finally found some clues.”

The Yuan dynasty record was indeed taken by someone using high-tech means.

“Through layers of decryption, he finally caught the thief’s figure under the camera.”

It was a male.

He looked about 27 or 28 years old and looked ordinary.

“Although he did not know who the other party was, the only thing he could confirm was that the other party was from an alien planet.”

Lin Ze immediately locked onto his target and started to search for him.

“However, the Heavenly Eye didn’t cover the entire road. When he was on a small path, there was no trace of him at all.”

Lin Ze had no choice but to climb up the wall and attack the heavenly eye system in the s galaxy.

He searched for a long time.

“Finally, he found a piece of useful information. ”

“Chen Yaosheng, male, 26 years old. ”

“Chen Jinyan, second son of the Chen family. ”

Lin Ze looked at Chen Yaosheng’s information and frowned slightly. He did not understand why Chen Yaosheng was interested in this Yuan dynasty record.

“Since Chen Yaosheng had been to Earth, he would definitely appear on Earth again. ”

He must catch this book thief with his own hands!

Lin Ze narrowed his eyes.

“At this moment, Lin Ze received a message. ”

“After receiving this message, Lin Ze immediately went to the CEN base and boarded the interstellar shuttle. Destination: F Galaxy! ”

F galaxy.

Shangguan residence.

“Old Lady Shangguan lay on her bed and kept asking, “Is ah ze here?” ”

““Not yet, old lady. Please wait a little longer. I’m already contacting Mr. Lin,”the servant said. ”

“Ten years ago, Old Lady Shangguan’s only grandson passed away, taking away all of her expectations.”

“Last week, the old lady fainted on the way to her grandson’s grave. At this time, she was saved by a passing youth.”

“When the old lady woke up, she was surprised to find that the youth was somewhat similar to her deceased grandson. Furthermore, there was a small red mole on the same spot between their brows.”

“Although she knew that this youth could not be her deceased grandson, the old lady was still overjoyed and thought that her grandson had returned in another way.”

The Shangguan family was the number one family in Gardenia in Galaxy F.

It was equivalent to the presidents of other planets.

“All these years, Old Lady Shangguan had been managing gardenia.”

She thought that she would have no successor.

Until Lin Ze’s appearance.

“Lin Ze’s appearance gave Old Lady Shangguan Hope and light, and also gave her spirit a place to rest.”

Very soon.

Such rumors spread from all the major galaxies.

Old Lady Shangguan of the Yuan and Ming kingdoms actually wanted to pass on the position of heir to an unrelated outsider.

Chapter 2254: 369: Bai Jingshu found out the truth! 7

This caused the outside world to discuss fervently.

“Everyone thought that Old Lady Shangguan was muddle-headed due to old age, but Old Lady Shangguan was stubborn and would not listen to anyone’s words. ”

“When Bai Yuanyuan was gossiping about this matter with Bai Mo, Bai Mo did not take it to heart. The most important thing for her now was to gain the favor of Manwen so that Manwen would see her in a new light. ”

“”I don’t know who the future head of the Shangguan family is. If only I knew this person!”Bai Yuanyuan was very interested in this matter, then she said, “Mo Mo, I also heard that this successor is not from the F galaxy. Do you think he will be from our S Galaxy?” ”

“Bai Mo continued, “Not from the s galaxy? Are you sure?” ”

“As far as she knew, the people of the Yuan Ming kingdom were very xenophobic, especially old lady shangguan. ”

How could such an xenophobic person make a non-f galaxy heir?

This made Bai Mo quite curious.

But she was just curious.

“After all, the heir of the Shangguan family was not someone that she, a person from the s galaxy, could easily come into contact with. ”

The most important thing for her now was to firmly hold on to man Wen’s heart.

“That’s right! Otherwise, why would the people of the entire Yuan Ming kingdom oppose this matter! I heard that it was that person who happened to pass by and save Old Lady Shangguan. and coincidentally, his entire person actually looked like old lady Shangguan’s deceased grandson. Tell me, how could someone be so lucky!” Bai Yuanyuan sighed. “If only I had met Old Lady Shangguan who needed help at that time!” ”

“If that was the case, wouldn’t she be the future successor of the Yuan Ming Kingdom? ”

“Unfortunately, she didn’t have such good luck. ”

“Bai Mo smiled and said, “Instead of thinking about these impossible things, why don’t you pray to Manwen and me more? Once Manwen and I succeed, your matter will definitely be on me.” ”

“Okay!” Bai Yuanyuan nodded and continued, “Mo Mo, how are things with Manwen Now? Have you made any progress?” ”

“Not yet.” Bai Mo narrowed his eyes. “But don’t worry, he won’t be able to escape from me.” ”

“Bai Yuanyuan smiled and said, “Momo, then I’ll congratulate you in advance. Don’t forget about me when the time comes!” ”

“Okay.” Bai Mo nodded. “Don’t worry.”

...

“On the other side, after careful consideration, Bai Jingshu invited Chen Yaosheng out. ”

“Chen Yaosheng looked at Bai Jingshu and was a little nervous. “Jingshu, have you thought about it?” ”

“Bai Jingshu continued, “I’ve thought about it for a long time. I feel that I should be responsible for you and myself. Yaosheng, let’s start as friends, shall we?” ”

This answer was a little out of Chen Yaosheng's expectations.

He had thought that Bai Jingshu would definitely fall for him under his guidance.

But now...

Bai Jingshu actually said that she wanted to start as a friend.

What was this?

"However, although he was very unwilling, Chen Yaosheng did not show it, instead, he said with a smile, "Jingshu, I know my ability. To be honest, I know that you won't accept me so quickly. I'm already very touched that you can give me a chance to start as a friend. "At least, you won't reject me like you did in the past." "

"Bai Jingshu continued, "I just feel that we don't know each other well enough. Adults shouldn't only seek pleasure for a short period of time." "

"This was not responsible for Chen Yaosheng, but also for herself. "

""You're right." Chen yaosheng nodded and continued, "Then where should we go now?" "

Today.

He had to capture Bai Jingshu today.

"There's a wetland park nearby. Are You Going?" Bai Jingshu asked.

"Yes." Chen Yaosheng nodded.

The environment of the wetland park was very good.

The birds chirped and the flowers were fragrant.

It was very suitable for couples to date.

“After strolling for a while, Chen Yaosheng seemed to have suddenly thought of something. He suddenly stopped and said, “Jingshu, wait for me here. I’ll be right back.” ”

“Okay.” Bai Jingshu nodded.

“After Chen Yaosheng left, Bai Jingshu strolled around nearby. ”

On the other side.

Lin Ze followed the location and found the wetland park.

“However, when he arrived at the place, he did not see Chen Yaosheng. Instead, he saw another familiar face. ”

Bai Jingshu.

Bai Jingshu was wearing a straw hat. She was standing under a blooming skyscraping flower. She was lowering her head and smelling the fragrance of the flower.

It was hard to ruin the beauty of this moment.

“After standing there for a while, Lin Ze walked up to greet her. “Miss Bai.” ”

“Bai Jingshu looked up and said in surprise, “Mr. Lin.” ”

“Lin Ze smiled and said, “Miss Bai, are you going to the park alone?” ”

““I’m here with a friend,”Bai Jingshu replied. “What About You, Mr. Lin?” ”

“Lin Ze said, “I’m here to look for someone.” ”

“OH.”Bai Jingshu nodded.

“After a simple greeting, Lin ze proposed to leave. ”

“After Lin Ze left, Bai Jingshu found a chair and took out the Yuan dynasty true records. She read while waiting for Chen Yaosheng to come over. ”

“However, after waiting for a long time, Chen Yaosheng still didn’t come. ”

“When Lin Ze returned, he found that Bai Jingshu was still there. However, this time, Bai Jingshu was sitting on the bench reading a book. ”

“A gust of wind blew, bringing with it a faint rain of flowers. ”

“At this moment, Lin Ze suddenly felt that something was wrong. ”

That was because the book on Bai Jingshu’s leg was somewhat familiar.

It looked a little like the Yuan dynasty records.

“With this thought in mind, Lin Ze subconsciously moved closer to Bai Jingshu. ”

“The closer he got, the clearer his vision became. ”

That’s right.

It was the Yuan dynasty records.

Lin Ze frowned slightly. Why would Bai Jingshu have the Yuan dynasty record.

“”Miss Bai,”Lin ze said softly. ”

“Bai Jingshu’s thoughts were pulled back by Lin Ze’s voice. “Mr. Lin, is something the matter?” ”

Lin Ze had left and returned. There must be something the matter.

“”Miss Bai, if I may ask, where did you get this book from?”Lin Ze asked. ”

Bai Jingshu smiled and looked up. “Mr. Lin is also interested in this book. A friend gave it to me.”

A friend gave it to me?

Lin Ze already had some thoughts. He took out his phone and showed Chen Yaosheng’s photo. “May I ask if this friend gave it to you?”

“Hearing this, Bai Jingshu said in surprise, “How do you know? Do you two know each other?” ”

This world was really too small.

She did not expect that man Wen and Chen Yaosheng knew each other.

“Lin Ze shook his head and continued, “To be honest with you, Miss Bai, this Yuan dynasty record belongs to me. However, it was stolen from the library two weeks ago. It took me a long time to find the person who stole the book.” ”

“Hearing this, Bai Jingshu’s face turned pale and her ears buzzed. ”

What was Lin Ze saying?

Could it be...

That the book was stolen by Chen Yaosheng?

How was that possible!

“Based on his understanding of Chen Yaosheng over the past few days, Chen Yaosheng should not have done such a thing. ”

“Seeing Bai Jingshu like this., lin Ze continued, “If Miss Bai doesn’t believe me, we can go to the library to confront him right now. Ever since the book was lost, the person in charge of the library immediately filed a report at the police station. “By the way, I wrote all the annotations for the Yuan dynasty record book. I can clearly say every word and sentence recorded on it.” ”

Bai Jingshu didn’t know how to react.

She never thought that Chen Yaosheng would steal a book to please her.

It turned out that everything that had happened in the past few days was just an illusion.

“Bai Jingshu immediately returned the book to Lin Ze. “Mr. Lin, I’m really sorry. I really didn’t know that he stole this book!” ”

Chapter 2255: 471: never see each other again! 1

Bai Jingshu had always trusted Chen Yaosheng.

She had never thought that Chen Yaosheng would do such a thing.

“Although she was not the one who stole the book, standing in front of Lin Ze still made her feel embarrassed, embarrassed, and embarrassed. She wanted to find a hole to crawl into. The book in her hand seemed to weigh thousands of pounds, and her feelings were especially complicated.”

““Mr. Lin, I’m sorry. I know it’s useless to say anything now, but I really didn’t know that you were the original owner of this book. If I knew, I would have sent it to you immediately!” Bai Jingshu bowed to Lin Ze.”

It was the first time Bai Jingshu had experienced such an embarrassing thing in her life.

“Lin Ze took the book and said calmly, “Miss Bai, you don’t have to be like this. We’ve known each other for a long time. I know who you are. With your upbringing, you would never allow yourself to do such a thing.””

“If Bai Jingshu had really stolen the Yuan dynasty records, she definitely wouldn’t take it out and read it openly.”

“Moreover, Bai Jingshu was definitely not that kind of person.”

““Mr. Lin, thank you for your understanding.” Bai Jingshu looked at Lin Ze.”

“Although this matter had nothing to do with her, if it was someone else, they might not be as calm as Lin Ze.”

The Yuan dynasty records was the only copy.

“There was also such a copy on Earth, so Lin ze must be very anxious these days. ”

“But at this moment, other than saying thank you for Lin Ze’s understanding, Bai Jingshu could not find any other words to say. ”

““You’re welcome,”Lin ze continued, “However, you have to be careful when making friends. It’s best that you don’t contact that friend of yours again in the future.” ”

“In the long run, Bai Jingshu would definitely be at a disadvantage. ”

““Yes, I know.”Bai Jingshu nodded. “Don’t worry, I’ll immediately cut ties with him.” ”

““Okay.”Lin Ze took the book. “Since I’ve found the book, I’ll go back first. Oh, right, if you need help, you can contact me.” ”

“Bai Jingshu was from the s galaxy, so she probably didn’t have many friends on Earth. ”

“Chen Yaosheng wasn’t an ordinary person to begin with. If there was an argument, Bai Jingshu couldn’t possibly be Chen Yaosheng’s match. ”

“Thinking of this, Lin Ze continued, “Miss Bai, if you don’t mind, let’s add each other’s contact details.” ”

“Okay.”Bai Jingshu nodded and exchanged contact details with Lin Ze.

““If there’s anything, contact me anytime. I’ll be leaving first.”Lin Ze turned around and left. ”

““Take care, Mr. Lin.”Bai Jingshu watched Lin ze leave. ”

This was the second time Bai Jingshu had seen Lin Ze.

“Compared to the first time, she had to understand him more thoroughly this time.”

“Lin Ze looked cold, but he actually had a warm heart.”

“If not, he would have done things differently today.”

“Lin Ze did not go back directly. Instead, he went to the library.”

“When Xia Shang saw Lin Ze, he immediately felt a headache coming. He hurriedly went out to welcome him. “Mr. Lin Is Here!” ”

““President Xia,” Lin ze nodded and continued, “I came to look for you today because of the matter of the Yuan dynasty records...” ”

“Before he could finish his sentence, Xia Shang immediately said, “Mr. Lin, don’t worry. We are actively cooperating with the police department to try our best to find the book back!” ”

“If they really couldn’t get it back, they could only go and pay for it.”

““There’s no need to pay for it,” Lin ze said.”

“Just go and pay for it?” Xia Shang was already calculating how much money he would need to settle this matter.

“At least two houses, right?”

And they had to be within the third ring road.

Xia Shang's heart was bleeding.

"Seeing Xia Shang like this, Lin ze chuckled and said, "President Xia, you misunderstood. I've already found the book." "

"Hearing this, Xia Shang thought he was hearing things. "

The book was found? ? ?

So Fast!

""No, Mr. Lin."Xia Shang gulped. "What did you just say? Can you repeat it again? What did you find?" "

""I've already found the book."Lin Ze continued, "President Xia, you can go to the police station to close the case." "

"Really?"Xia Shang asked in disbelief.

"Yes."Lin Ze nodded.

""Mr. Lin, I don't dare to joke about this. Have you really found the book?"Xia Shang confirmed again, his face full of disbelief. "

""It's true. I'm not joking,"Lin ze said. "

"Xia Shang continued, "Then, where did you find it, Mr. Lin? Who stole the Yuan Dynasty Records?" "

Xia Shang was really too curious!

What kind of person could steal the Yuan dynasty records right under his nose? Even the more than 300 surveillance cameras did not manage to capture any powerful images.

Chapter 2256: 471: never see each other again! 2

Could it be that this person had three heads and six arms?

“I’ve already settled this matter in private.” Since this matter involved an alien planet, Lin Ze could not say much. “I’m not at liberty to reveal the details.” ”

“Okay, okay, okay.” Xia Shang did not ask any further. He was never the kind of person who would cause trouble for himself. “No matter what, Mr. Lin still has to thank you!” ”

“If it were someone else, even if they found it, they would say that they did not find it. At that time, the library would still have to compensate them. After all, this book was not a small sum of money.”

“However, Lin Ze did not do that. ”

It was enough to show Lin Ze’s character.

On the other side.

“Chen Yaosheng prepared everything and returned to the Wetland Park once again. However, Bai Jingshu was no longer there. ”

Where did Bai Jingshu go?

Was she strolling around nearby?

Chen Yaosheng frowned nearby and did not notice Bai Jingshu.

“This time, Chen Yaosheng frowned slightly and felt that something was not right. It did not seem like Bai Jingshu was simply strolling around. He immediately took out his phone and dialed Bai Jingshu’s number. ”

“However, he did hear the status of the call from the other end. ”

“After that, no matter how many times he dialed, the result would still be the same. ”

“Under normal circumstances, if this was the case, it meant that Bai Jingshu had blacklisted him. ”

What happened during the time he was away?

What was the reason for Bai Jingshu to blacklist him?

Chen Yaosheng really could not figure it out.

Or was it all a misunderstanding.

It seemed that he could only solve the mystery after he found Bai Jingshu.

Chen Yaosheng turned off his phone and went to Bai Jingshu’s residence.

The door was closed.

Chen Yaosheng went to open the door. The door that could be opened with a push usually could not be opened no matter how hard he tried.

The password of the fingerprint lock had been changed.

“Bai Jingshu trusted him very much, so she recorded his fingerprint on the door lock. But now, Bai Jingshu had even changed the password of the fingerprint lock.”

“This time, Chen Yaosheng was really anxious.”

“If it was just a misunderstanding, Bai Jingshu would not have changed the password.”

“Unable to enter, Chen Yaosheng could only stand outside and ring the doorbell.”

“Soon, the door opened.”

It was Bai Jingshu who opened the door.

“Seeing Bai Jingshu, Chen yaosheng immediately said, “Jingshu, what happened? Why did you suddenly leave? I went to the park to look for you just now and found that you were no longer there. And this door, why did you change the password?””

Chen Yaosheng asked a series of questions.

“What happened? Don’t you know?” Bai Jingshu asked back without any expression on her face.

No wonder Chen Yaosheng had changed so much. It turned out that Chen Yaosheng had been acting with her all these days.

He had actually given her the stolen book!

“Fortunately, Lin Ze was sensible and did not vent his anger on her. Otherwise, she would not be able to clear her name even if she jumped into the Yellow River.”

“Chen Yaosheng looked at Bai Jingshu and had a bad premonition in his heart. He continued, “Jingshu, what’s wrong with you? I really don’t know!” ”

“Bai Jingshu continued, “Let me ask you, is the Yuan Dynasty Recording Really Yours?” ”

“”It’s mine.”Although he was a little guilty, Chen Yaosheng still looked confident. ”

“As long as no one could prove that he stole the Yuan dynasty recording, then he was the real owner of the Yuan dynasty recording. ”

“On Earth, it was impossible to crack the password and successfully obtain the surveillance footage. ”

“Even Bai Jingshu, who came from the s galaxy, could not do it. ”

“”Jingshu, why are you suddenly asking me this question? If the Yuan dynasty records are not mine, who else could it be?”Chen Yaosheng asked in return. ”

Bai Jingshu did not expect Chen Yaosheng to be able to disguise himself so well.

Did he think that everyone else was a fool?

He actually felt so at ease after stealing someone else’s things.

How could there be such a disgusting person in the world?

“Fortunately, she had discovered Chen Yaosheng’s true colors in time. ”

“Otherwise, Bai Jingshu would have also disgusted herself. ”

“Is IT REALLY YOURS?” Bai Jingshu looked at Chen Yaosheng.

“Chen Yaosheng suspected that Bai Jingshu was playing a trick. He could not let Bai Jingshu find out anything. As long as he was calm, Bai Jingshu would not find out anything.”

“It’s Mine!” Chen yaosheng said firmly, “Jingshu, believe me. The Yuan dynasty records are really mine! I don’t know why you are asking this, but I can promise you that I can lie to anyone, but I will never lie to You!”

Chen Yaosheng’s face was full of sincerity.

“No one would have thought that he was lying. If Bai Jingshu had not discovered the truth in advance, she would not have thought of it either.”

Chapter 2257: 471: never see each other again! 3

This person was really too terrifying.

“Bai Jingshu looked at Chen Yaosheng and said word by word, “Chen Yaosheng, your appearance really makes me sick.””

Very sick.

Very sick!

Sick?

Chen Yaosheng was stunned.

What did Bai Jingshu discover?

“Jingshu! You really misunderstood me!” Chen Yaosheng continued, “Did someone say something in front of you?” ”

“Stop pretending.” Bai Jingshu looked at Chen Yaosheng, “I know everything. You stole the Yuan dynasty records from the library, and you didn’t write the transcript on it! Chen Yaosheng, you’re a hypocrite! From now on, we’ll never speak to each other again!” ”

“At the end of her sentence, Bai Jingshu closed the door. ”

Bang!

“Chen Yaosheng was isolated outside the door. Without any chance to explain, he frowned. ”

How did this happen?

How did Bai Jingshu know about all this?

Who was the one who told Bai Jingshu?

“Also, how did he leak the truth about taking out the Yuan dynasty records from the library?”

“Logically speaking, all of this should have happened without anyone knowing. ”

What exactly happened to Bai Jingshu during the time he was away?

“Chen Yaosheng was not willing to let everything he had worked so hard for be broken just like that. He stood at the door and shouted, “Jingshu! Listen to my explanation. Things are not what you think! Can you open the door? Let’s talk it out in person!” ”

“Bai Jingshu was about to be conquered by him, but now, the cooked duck had flown away. ”

Bai Jingshu wore earphones and sat in the study to sign autographs. She isolated herself from all the noise from the outside world.

“Chen Yaosheng stood at the door for more than two hours. There was no movement in the room, so he had to leave temporarily. ”

“As soon as Chen Yaosheng left, he received a call from Bai MO. . ”

Bai Mo appeared on the transparent screen in the air and smiled at Chen Yaosheng. “How was Mr. Chen’s confession today?”

“Based on the current progress, Bai Jingshu should have already been taken by Chen Yaosheng. ”

“Next, Bai Mo just needed to focus on conquering man Wen. ”

“Don’t mention it!” Chen Yaosheng’s face was full of unhappiness. “I don’t know what’s wrong with Bai Jingshu. She actually wants to stay away from me forever!”

“Seeing Chen Yaosheng like this, Bai Mo frowned slightly. “What’s going on? You’re not joking with me, right?” ”

“Logically speaking, things shouldn’t have progressed to this stage. ”

Chen Yaosheng explained the whole process.

“Hearing that, Bai Mo continued, “How did this happen?” ”

“I don’t know either.” Chen Yaosheng was still very confused. He didn’t know what was going on. “Who’s the one who’s so nosy!”

“Bai Mo continued, “Don’t be anxious. You’re both on Earth anyway. If the soft approach isn’t enough, we can still use the hard approach.” ”

“Use the hard approach?” Chen Yaosheng asked.

“”Yes.” Bai Mo nodded and continued, “According to my understanding of Bai Jingshu, she’s a more traditional woman. She places more importance on her chastity. If you can... That’s not a bad idea.” ”

Bai Jingshu was old-fashioned and didn’t know how to be flexible.

“Because of this, Bai Jingshu suffered quite a lot when she was a child. ”

“Hearing this, Chen Yaosheng narrowed his eyes. ”

“Actually, compared to his body, he hoped to obtain Bai Jingshu’s heart. ”

“But if he could not obtain Bai Jingshu’s heart, he could only... ”

“”Okay, I understand.” Chen Yaosheng nodded. ”

“Bai Mo continued, “Mr. Chen, don’t be too anxious. Some things need to be done step by step.” ”

“Okay.”

“After hanging up the phone, Chen Yaosheng was indeed not as anxious as before. In any case, he had other ways.”

The most important thing for him now was to find out what Bai Jingshu saw during the time he was away.

On the other side.

Shi Qingcheng and Ye Han set off for home.

Ye Shu prepared a lot of delicious food for them to bring along.

“”Godmother, thank you!”Shi Qingcheng hugged ye Shu and said reluctantly, “Godmother, although I’ve only lived with you for less than half a month, I feel that you’re even closer to me than my own mother! I really can’t bear to part with you!” ”

Shi Qingcheng had never experienced motherly love before.

“In the past, she did not even understand what motherly love was, but through this period of time together, she completely understood it.”

“Ye Shu smiled and said, “If you can’t bear to part with me, you can always come back to visit godmother. The door of the house will always be open for you.” ”

“Okay.”

“Lin Jincheng smiled and replied, “You can’t bear to part with your godmother, right? Godfather is just a tool.” ”

“”No, no, of course not!”Shi Qingcheng smiled and said, “Godfather is the best godfather in the world.” ”

Chapter 2258: 471: never see each other again! 4

“Just like Ye Shu, Lin Jincheng also regarded Shi Qingcheng as his daughter. ”

Ye Han looked at the crowd and said goodbye to them one by one.

“Ye Zhuo continued, “Ye Han, if you encounter anything that you can’t handle on your own, remember to contact me. No matter when, as long as you turn around, I’ll be there.” ”

“”En.”Ye Han nodded, his eyes slightly red. ”

“From the age of eleven to twenty, Ye Zhuo had practically run through his entire life. ”

“Although he called Ye Zhuo sister, to her, Ye Zhuo was a figure like a mother. ”

“”Alright.”Ye Zhuo patted ye Han’s shoulder. “It’s getting late, let’s quickly set off.” ”

“Ye Han continued, “Sister, then we’ll be leaving first.” ”

“Let’s go.”

The two of them walked into the interstellar shuttle.

“Very soon, the interstellar shuttle rapidly shrunk until they entered the quantum world. ”

“Inside the interstellar shuttle, Shi Qingcheng opened the interstellar news page, intending to take a look at the major events that had happened in Galaxy S during their absence. One wouldn’t know if one

didn't take a look, but one would be shocked if one did, she immediately turned to look at Ye Han. "Ye Xiao Han, something big has happened!" "

"What big thing?" Ye Han asked.

"Shi Qingcheng continued, "I just read in the interstellar report that the Shangguan family of the Yuan Ming kingdom is passing the position of heir to an outsider." "

"Although ye Han didn't know much about the Yuan Ming kingdom, he had heard of the Shangguan family, he continued, "The Shangguan family has no successor. Old Mistress is already old and will abdicate sooner or later. It is understandable to pass on the position of successor to an outsider." "

"No, that is not what I meant!" Shi Qingcheng explained, "The outsider that I am talking about is not an ordinary outsider! The successor that old mistress Shangguan chose is not from the Yuan Ming kingdom, and is not even from our F Galaxy!" "

"What?" Ye Han frowned slightly.

"Shi Qingcheng continued, "You also think that this matter is inconceivable, don't you?" "

"It is indeed a little." Ye Han nodded.

"Shi Qingcheng browsed through the news again and continued, "Right now, there are people who are guessing whether the successor that Old Lady Shangguan chose is from the s galaxy." "

Ye Han narrowed his eyes slightly. "Then wouldn't our S Galaxy be on the rise?"

"It's just a guess," Shi Qingcheng said. "Stop Dreaming." "

Ye Han smiled and didn't say anything else.

“Shi Qingcheng continued, “Ye Xiaohan, aren’t you at all curious about the successor that Old Lady Shangguan chose?” ”

“”I’m not,”ye Han said. ”

“You’re too boring!”Shi Qingcheng was a little speechless. “No wonder you’ve always been single! It would be strange if a girl liked someone like you!”

“Aren’t you a girl?”Lin Ze asked.

Shi Qingcheng:”...”

Over here.

Chen Yaosheng found the surveillance camera of the wetland park.

“It turned out that after he left, a young man appeared. ”

“The surveillance camera did not record all the sounds, but from the lip movements between the two, this young man was the real owner of the Yuan dynasty recording. ”

“Seeing this, Chen Yaosheng narrowed his eyes. ”

So it was this person who ruined his plans!

Wait!

He would definitely make this man pay the price.

Chen Yaosheng immediately investigated Lin Ze’s information

“To humans on Earth, Lin Ze was indeed born noble.”

“But to Chen Yaosheng, Lin Ze was just trash. He only needed one hand to crush Lin Ze.”

It was easier than crushing an ant.

“At this moment, Chen Yaosheng suddenly realized that Lin ze looked familiar. It was as if he had seen him somewhere before.”

It was a little strange.

Why did he look familiar to an earthling?

It was an illusion.

It must be an illusion.

Chen Yaosheng was too lazy to think further. An Earthling was not worth his time. He could just kill him directly.

Even though the s galaxy forbade all actions that harmed Earthlings.

Lin Ze was only an earthling.

There were so many accidents in the world every day. Who would know that Lin Ze’s death was related to him?

“Chen Yaosheng was a person who thought highly of himself. He would never dirty his hands because of an earthling. Hence, he sent two core robots.”

“After arranging the core robots, Chen Yaosheng waited for good news.”

Over here.

Lin Ze came out of the studio and felt that something was not right.

Someone was following him.

Lin Ze did not stop. He took out his phone and pretended to take a selfie while locking on to the suspect who was following him.

There was indeed someone following him.

Chapter 2259: 471: never see each other again! 5

And there was more than one.

“Lin Ze calmly put his phone into his pocket, turned the corner in front, and went straight to a dead end.”

“Lin Ze leaned against the wall, looked at his watch, and began to count down in his heart.”

“3,2,1!”

Now.

Lin Ze swept his leg over.

When the air did not have the expected sound of a heavy object landing on the ground.

Something was not right.

Lin Ze took action while carefully observing the opponent's weaknesses.

"Soon, Lin Ze realized that something was not right. "

They should not be ordinary humans.

"Although they had a human skin, they were very similar to the core robots he met in the s galaxy. "

"At this moment, one of the core robots pulled out a laser gun from his waist. "

A Blue Line shot over.

"If he didn't Dodge in time, his entire body would be cut in half. "

Lin Ze narrowed his eyes and easily avoided the blue line. He used a camouflage technique and disappeared from the spot.

The two core robots looked at each other and saw the confusion in each other's eyes.

Where is he?

Lin Ze was clearly here just now.

Lin Ze had appeared behind the core robots at some point in time. He took out an electric defibrillator and controlled the two core robots.

The core robots realized that something was wrong and immediately activated self-destruction mode.

Lin Ze was one step ahead of him and stopped them.

Lin Ze had stayed in the s galaxy for a period of time. He was very familiar with the laws of the s galaxy.

Anyone who dared to kill humans on Earth could be sentenced to death.

“These two core robots were the best evidence, so they could not be allowed to enter self-destruction mode.”

“Lin Ze had some understanding of programming, so he quickly took control of the two core robots.”

Chen Yaosheng was not worried that the interstellar people he sent out would fail. He changed his clothes and started to go out.

Bai Jingshu had the habit of eating takeout every night.

“However, tonight, for some reason, after eating a takeout, she suddenly felt dizzy and a wave of heat rose in her heart.”

Bai Jingshu pressed her temples and stood up from the chair. She was about to take a bath.

“However, at this moment.”

The living room door suddenly opened.

Click.

Bai Jingshu frowned slightly.

“She did not have any other family on earth, and no one could open the door.”

Could it be a thief?

Bai Jingshu picked up her phone and walked into the living room while enduring the strong dizziness.

“As soon as she entered the living room, she saw a figure that made Bai Jingshu feel disgusted.”

It was Chen Yaosheng!

“Without waiting for Bai Jingshu to speak, Chen yaosheng smiled and said, “Jingshu.” ”

“Get Out!” Bai Jingshu placed one hand on the door handle. “You are not welcome here.”

“Chen yaosheng smiled and said, “But why do I feel that you really need my comfort now?” ”

“What do you mean?” Bai Jingshu asked.

“What do you think?” Chen Yaosheng said as he walked over.

Bai Jingshu suddenly reacted. “You drugged me!”

“It seems that you are not too stupid.”

“Bai Jingshu took a few steps back without batting an eyelid. Then, she walked into the study and slammed the door.”

Chen Yaosheng was such a despicable person!

Bai Jingshu had never expected that he would use such an underhanded method!

What should she do now?

Bai Jingshu’s entire body was burning up and she felt extremely uncomfortable.

“Although she was locked outside the door, Chen Yaosheng was not worried at all.”

Bai Jingshu had been drugged. She would not be able to hold on for long and he would play with her.

“”Jingshu, no matter what, my love for You is real. Open the door and I will definitely leave you an unforgettable night.” ”

“Bai Jingshu’s back was pressed against the door, and she bit her lips tightly.”

What should she do?

What should she do now?

“At this moment, she suddenly thought of someone.”

Lin Ze.

“With this thought in mind, Bai Jingshu immediately took action. She immediately sent Lin ze a location and message: [ Bai Jiayuan, Block 6, Block 106, come quickly! ] ”

“After receiving Bai Jingshu’s message, Lin Ze immediately dropped what he was doing and rushed over to Bai Jiayuan.”

“However, Lin Ze was about 30 minutes away from Bai Jiayuan.”

“Even if he sped crazily, it would still take him about 15 minutes.”

“Gradually, Chen Yaosheng became a little impatient and kicked open the door of the study.”

“Bai Jingshu sat on the ground and saw Chen Yaosheng come in. “Chen Yaosheng, don’t come over!” ”

“Look at what you’ve become. Why are you still pretending?”Chen Yaosheng’s lips curled into a wretched smile.

“Bai Jingshu could not help but take a few steps back. “Chen Yaosheng, you’ll regret this!” ”

Bai Jingshu naturally could not resist Chen Yaosheng.

“At the most critical moment, the sound of someone kicking open the door came from outside.”

“Instantly, countless lights shone in from outside.”

It also illuminated Bai Jingshu’s heart.

Bai Jingshu looked up and saw a tall figure.

It was Lin Ze.

Chapter 2260: 472: palpitating Heartbeat 1

“When she saw Lin Ze, the light in Bai Jingshu’s eyes lit up almost immediately. ”

This feeling was difficult to describe with boring words.

She was... very excited.

“Mr. Lin!” Bai Jingshu shouted.

Bai Jingshu brought reinforcements?

Chen Yaosheng frowned slightly. He had an ominous feeling in his heart. He turned around and looked.

He saw Lin Ze.

“Immediately, Chen Yaosheng’s face was filled with disdain. ”

He thought that Bai Jingshu was very capable and that she had invited some big shot. It turned out that she was just an ordinary earthling.

She was just a low-level earthling. He could crush her to death with a single finger.

“Chen Yaosheng turned around and looked at Lin Ze. He continued, “I’m in a good mood today and I don’t want to fight. If you don’t want to die, then get lost! Otherwise, don’t blame me for being Rude!” ”

“At this moment, Chen Yaosheng had no time to think about why Lin Ze would appear here. ”

“After all, he had only sent two core robots to deal with Lin Ze.”

“Lin Ze didn’t say anything. When Bai Jingshu called him, he was in a meeting, so he was still wearing a formal suit with a white shirt and black suit pants that were pressed straight. It was somewhat inconvenient for everyone to wear a formal suit. Lin Ze raised his hand slightly, just like that, he unbuttoned the first or second button on his shirt. Then, he rolled up his sleeves, revealing a section of his strong arm.”

“Seeing Lin Ze’s intention, Chen Yaosheng snorted. “Trying to hit a rock with an egg? You’re overestimating yourself!” ”

“Later, this lowly person would not even know how he died.”

“It was also at this moment that Bai Jingshu realized that in front of Chen Yaosheng, Lin Ze was just an ordinary human being.”

She should not have dragged Lin ze into this!

“Mr. Lin! Run! Run!” Bai Jingshu shouted.

Lin Ze did not say anything.

“Since he was here, he would not sit idly by.”

“He wanted to save Bai Jingshu, and he wanted to beat up the scum!”

“However, before the fight, he seemed to lack a handy tool.”

He swept his gaze around and saw a drumstick at the corner of the room.

It was a tool used to beat drums.

Lin Ze turned around and walked to the side.

“Looking at Lin Ze’s back, Chen Yaosheng smiled. “Only thinking of leaving now. Is it too late?” ”

“After saying that, Chen Yaosheng pulled out the laser gun at his waist and shot at the back of Lin Ze’s head.”

“As a person from the s galaxy, no one understood the power of the laser gun better than Bai Jingzhu.”

“Once he was hit by the Laser Gun, Lin Ze would definitely die! ”

“No!” Bai Jingzhu widened her eyes and shouted.

Chen yaosheng naturally ignored Bai Jingzhu. He pulled the trigger and fired.

“”Mr. Lin, run!” Bai Jingzhu wanted to run over and block the laser beam, but she could not move at all. It was as if there were millions of pounds of rock pressing on her body. It was very difficult for her to even breathe.”

“Bai Jingshu’s eyes widened at that moment, as if they were about to pop out.”

This was a reaction that only a person would have when they were in extreme danger.

“Although it was only for a moment, Bai Jingshu was filled with regret. She regretted her recklessness. She shouldn’t have sent Lin ze a message.”

“If something happened to Lin Ze, she would first kill Chen Yaosheng, this scumbag, and then pay with Lin Ze’s life.”

“At this moment, Lin Ze’s figure flashed, and he accurately avoided the red laser beam.”

No one expected Lin ze to avoid the laser beam.

Especially Chen Yaosheng.

“His eyes were filled with disbelief. After all, Lin Ze was just an ordinary human.”

How could an ordinary human have such an agile reaction?

“In the next second, before Chen Yaosheng could react, a drumstick was swung over.”

A severe warning!

Bang!

Chen Yaosheng’s vision went black. There was an explosive pain coming from his temple. He reached out and touched it. There was a sticky feeling. Chen Yaosheng placed his finger in front of his eyes. It was red and shocking.

He was bleeding.

“Chen Yaosheng was shocked and embarrassed. He had grown up, but no one dared to treat him like this.”

This was also the first time Chen Yaosheng was bleeding.

This reckless earthling actually dared to hurt him!

Bai Jingshu also felt a little cold.

“After a while, she remembered something.”

Lin Ze was ye Zao’s older brother.

“Ye Zao was so powerful. As his older brother, Lin Ze’s backing would definitely not be too bad.”

“Thinking of this, Bai Jingshu felt a lot better.”

She thought that Lin Ze would definitely die this time.

Fortunately.

“Fortunately, there was always a way out.”

“However, Chen Yaosheng was not someone to be trifled with. After all, he grew up in the s galaxy and had learned a lot of self-defense skills. He immediately clenched his fists and activated the Level-2 equipment on his body. instantly., his body was wrapped in a piece of steel armor.”
