Chapter 2261: 472: Heartthrob 2

It was very similar to the superhuman he saw in sci-fi movies.

He wanted to kill Lin Ze with his own hands!

“Lin Ze also noticed the changes in Chen Yaosheng. He frowned slightly, tightened his grip on the drum stick, and prepared himself to defend against the enemy.”

Bang!

“At this moment, Chen Yaosheng threw a punch.”

Lin Ze dodged backward and avoided the punch just like that.

“Chen Yaosheng attacked again, pressing forward step by step. The steel armor had made his reaction speed much faster.”

Lin Ze countered every move.

“Seeing that Lin Ze was not a match for Chen Yaosheng, Bai Jingshu shouted, “Mr. Lin, run! Don’t worry about me!” ”

Lin Ze acted as if he did not hear her.

“Chen Yaosheng followed up with a flying kick and kicked Lin Ze in the stomach, sending him flying into the air.”

Bang!

Lin Ze was like a kite with a broken string. He was thrown onto the wall and spat out a mouthful of blood.

It looked a little tragic.

Bai Jingshu blamed herself and tears fell like rain. She had let Lin Ze down.

What should she do now?

There was only one way in front of Bai Jingshu.

That was to beg Chen Yaosheng not to hurt Lin Ze.

““Stop! Chen Yaosheng, Stop!” ”

“Who do you think you are?”Chen Yaosheng turned to look at Bai Jingshu.

“Bai Jingshu cried, “Chen Yaosheng, this is just a grudge between us. There’s no need to drag innocent people into this. I’ll agree to whatever you want! Please let him go!” ”

“Hearing this, the corners of Chen Yaosheng’s mouth curled up. His eyes were filled with disdain. “Only now do you want to admit defeat? I’m telling you, it’s Too Late!” ”

No one had ever dared to disfigure Chen Yaosheng.

Being injured by an ordinary person like Lin Ze was a humiliation to Chen Yaosheng.

“In the S Galaxy, no one had ever been disfigured by an earthling.”

“After saying this, Chen Yaosheng directly slapped Lin Ze’s head.”

This slap could be fatal.

“Mr. Lin!”

“Bai Jingshu cried out in pain, and her facial features lost control.”

Lin Ze narrowed his eyes as he looked at the falling palm.

Was he really going to lose his life just like that?

No.

Lin Ze tightened his grip on the drum stick in his hand and used the strength of a survivor!

“Even if it was really like hitting a rock with an egg, he still wanted to give it a try!”

Bang!

“After a loud bang, Chen Yaosheng fell to the ground.”

Lin Ze held the drum stick in his right hand and covered his chest with his left hand as he stood up from the ground.

Bai Jingshu slowly opened her eyes. This was what she saw.

Her eyes were filled with disbelief.

Nothing.

Lin Ze was actually fine.

“At this moment, there were only two words in Bai Jingshu’s mind.”

A desperate counterattack!

“Then, she saw that the person on the ground was actually Chen Yaosheng.”

Chen Yaosheng’s face was also filled with disbelief.

He had never dreamed that he would be defeated by a low-level earthling.

“Chen Yaosheng felt that the power of his steel armor was slowly dissipating until it disappeared without a trace. The steel armor disappeared, and soon, he returned to his original appearance.”

The only difference was that his body was covered in wounds.

“Lin Ze dragged his heavy steps and walked to Bai Jingshu. He reached out his hand and said, “Let’s go.””

“Looking at the hand in front of her, Bai Jingshu did not know what to feel.”

She was overwhelmed with emotion.

She had never felt so shocked by anyone before.

“He was standing right in front of her. Behind him was a boundless light, giving her hope. ”

“Seeing that Bai Jingshu did not move for a long time, Lin ze continued, “You can’t Move?” ”

““Yes,” Bai Jingshu replied. ”

She really could not move now. It was as if all her strength had been sucked out of her. She felt very uncomfortable.

Smack.

Lin Ze threw the drum stick on the ground and bent down slightly to pick Bai Jingshu up.

“Before Bai Jingshu could react, she had already been lifted into the air. From her angle, she could see Lin Ze’s lower jaw. ”

He was very thin.

“However, his arms and arms were firm and strong, giving her an endless sense of security. ”

Bai Jingshu could clearly hear his heartbeat.

“It was as if it was contagious. At this moment, Bai Jingshu’s heartbeat was also speeding up. ”

“Just as she was about to leave the house, Bai Jingshu suddenly thought of something and said, “Wait a moment.” ”

Lin Ze stopped in his tracks. "What's Wrong?"

"What about him?" Bai Jingshu asked.

He was naturally referring to Chen Yaosheng.

Lin Ze continued to walk out. "Someone will come and clear the area later."

"Okay." Bai Jingshu nodded.

Lin Ze carried Bai Jingshu and walked all the way out of the house.

His car was parked outside.

Chapter 2262: 472: Heartthrob 3

Lin Ze placed Bai Jingshu in the passenger seat. "You've been drugged. I'll take you to the hospital."

"It's useless," Bai Jingshu said. "

"Why?" Lin Ze frowned slightly.

"Bai Jingshu continued, "This medicine can only be cured in the S Galaxy." "

"Go to my sister's place," Lin ze said. "

"Miss Ye?" Bai Jingshu asked.

“Yes.”

“Only then did Bai Jingshu remember that ye Zao was also the famous Miracle Doctor Ye of the s galaxy. She continued, “Thank you, Mr. Lin.” ”

“We’re friends.”

These simple words warmed Bai Jingshu’s heart.

“After helping Bai Jingshu fasten her seatbelt, Lin Ze went around to the other side and sat in the driver’s seat. “My Sister is a little far from here. It might take about thirty minutes. Bear with it.” ”

““Okay,” Bai Jingshu said. ”

“Bai Jingshu looked calm, but in reality, she felt like thousands of ants were gnawing at her heart. It was hot and dry. ”

She had to bear with it.

She had to bear with it.

“Bai Jingshu’s hands were clenched into fists. Because she had used too much force, they had already turned slightly white. ”

Lin Ze knew that she was feeling very uncomfortable right now. He had been speeding the entire way. He held the steering wheel with one hand and put on his bluetooth earpiece with the other. “Are You Home?”

““Okay, I’ll bring a friend over. I’ve already sent you a wechat message about the symptoms.” ”

Bai Jingshu could no longer hear anything.

“The air conditioner was on in the car, but she felt unusually hot. The delusions in her heart had gradually broken her calm. Bai Jingshu could only rely on the pain to stay awake.”

Her lower lip was bleeding from her bite.

Lin Ze looked at her through the rearview mirror and frowned slightly.

He had to be faster.

“Finally, the 30-minute journey ended in 16 minutes.”

“Lin Ze opened the car door and saw Ye Zhuo trotting over. “Brother, where are you?” ”

“In the car.”

“After saying that, Lin Ze went around to the passenger seat and opened the car door. “Miss Bai, we’re here.” ”

“With that, he bent down and carried Bai Jingshu out of the car.”

“To Bai Jingshu, Lin Ze was like a natural block of ice. It was as if a thirsty desert had encountered a pool of spring water.”

“After a long drought, there would always be rain.”

She subconsciously crawled into Lin Ze’s arms.

“Lin Ze did not go through this. He turned to look at Ye Zao. “Zao Zao, is there any way to calm her down?” ”

““Let’s go in first,”ye Zao said. ”

“Okay.”

Lin Ze immediately followed ye Zao’s footsteps.

“Although the road outside the house was not very far from the inside, Lin Ze felt as if he had walked for a century. Although he was calm, at the same time, he was also a hot-blooded youth. With such a beauty in his arms, if he did not react at all.., that would be abnormal. ”

“If the current Lin Ze was like a natural ice cube to Bai Jingshu, then she would be like a ticking time bomb to Lin Ze. ”

He walked to Ye Zao’s room.

“Ye Zao continued, “Put her on my bed.” ”

““Okay.”Lin Ze nodded and placed Bai Jingshu on the bed. Then, he said, “I’ll go out for a while.” ”

“Okay.”

“After saying that, Lin Ze fled from ye Zao’s room. If one looked closely, one could see his flushed cheeks. ”

Lin Ze walked all the way to the washroom. He stood in front of the sink and washed his face with cold water.

“The cold water splashed on his face, calming him down a little. ”

In the room.

“After Lin Ze left, ye Zao realized that the person lying on the bed was actually Bai Jingshu. ”

“Jingshu?”

Ye Zao checked Bai Jingshu’s pulse and called out to her.

Bai Jingshu had completely lost consciousness. Her entire body was drenched in sweat.

“Whitey!”Ye Zao called out.

“Whitey, who was charging, heard the voice and immediately glided over. “Scorch!” ”

“Go get my medical box,”ye Zao said. ”

“Okay.”

Whitey immediately went over to get the medical box.

“Soon, Yi Ling came over with the medical box. ”

Ye Zao raised his eyebrows slightly. “Where’s Whitey?”

“Yi Ling flapped her wings. “Little White said that men and women shouldn’t be intimate, so it didn’t come in.” ”

Ye Zao:” ...”

“A moment later, ye Zao took out the silver needles from the first aid kit and inserted them into Bai Jingshu’s acupuncture points. ”

“After the needles were inserted, the redness on Bai Jingshu’s face immediately disappeared. ”

“However, that was not enough. ”

Ye Zao took out another black pill and fed it to Bai Jingshu.

“Ten minutes later, Bai Jingshu calmed down completely. However, she was still not fully conscious. ”

“After doing all this, Ye Zhuo called his auntie over to scrub Bai Jingshu’s body. ”

At the same time.

Chapter 2263: 472: Heart palpitating 4

S galaxy.

“Bai Mo contacted Chen Yaosheng, wanting to ask him if he had succeeded. However, he realized that he could not contact Chen Yaosheng no matter what. ”

It was as if Chen Yaosheng had vanished from the face of the Earth.

Bai Mo frowned tightly.

That shouldn't be.

""Mo Mo!" At this moment, Bai Yuanyuan's voice sounded in the air. "

Bai Mo turned around. "What's Wrong?"

"Bai Yuanyuan continued, "I heard that man Wen is going to Lzhou today. Do you want to go over and take a look?" "

"How did you know?" Bai Mo asked.

""I bought the news with money. It's 50% true," Bai Yuanyuan told the truth. "

50% true...

"Hearing this, Bai Mo hesitated. "

""Momo, if you go, I'll go with you." "

"Okay." Bai Mo nodded.

"She could ask about Chen Yaosheng later, but she and Manwen's matter could not be delayed. "

The two of them took the aircraft and came to L continent.

Manwen was here to inspect the work.

"He had just taken office, so it was inevitable that he would deceive his superiors and subordinates. "

“No matter what, it was always the same. What he heard was false, and what he saw was true.”

Bai Mo stood where she was and looked at Manwen with narrowed eyes.

It seemed like the news was right.

Man Wen had indeed come.

Bai Mo turned to look at Bai Yuan Yuan. “You can go back first. There’s no need to wait for me.”

“Ah?” Bai Yuan Yuan was stunned.

“Bai Mo repeated, “You go back first.” ”

Bai Yuan Yuan was a little prettier than her.

“Men were all visual animals, and beauty and ugliness were all compared.”

She could not let herself be a threat.

“Therefore, Bai Yuanyuan couldn’t stay any longer.”

“OH.” Bai Yuanyuan nodded. She was more or less unwilling to accept this. She felt that Bai Mo was trying to burn the bridge after crossing it.

“Bai Mo adjusted her expression and smiled appropriately. She walked to man Wen’s side and said, “Brother Man Wen, what a coincidence! I really didn’t expect to meet you here!” ”

Man Wen was stunned when he saw Bai Mo. he was a little stunned.

Who Was She?

“Bai Mo saw the confusion in man Wen’s heart and continued, “I’m Bai Mo! Bai Jingshu is my cousin!” ”

It would be a lie to say that she didn’t mind.

“They had clearly known each other before, but man Wen didn’t remember who she was! ”

What was this?

“She was so much more outstanding than Bai Jingshu, so why didn’t Man Wen remember her? ”

This was an insult to her!

Only then did Manwen remember. “Hello.”

“Bai Mo continued, “Brother Manwen, is my sister not with you today?” ”

““No,” Manwen said. ”

““OH.” Bai Mo nodded and said with some hesitation, “Brother Manwen, I... I... Can I ask you something?” ”

“What is it?” Manwen asked.

“Bai Mo continued, “My aircraft is broken. Can I trouble brother Manwen to give me a ride?” ”

“Is the flying machine broken?” Man Wen asked.

“Yes.” Bai Mo nodded.

“Man Wen continued, “Get Someone to fix it for you. I still have something to do.” ”

“”I don’t know anyone here.” Bai Mo looked delicate and weak. “Brother Man Wen, I only know you...” ”

“”I have the phone number of the repairman here. They are online all day long. I will ask the Secretary to give you the contact information in a while,” man Wen said. ”

“”I’m... I’m a little scared, Brother Man Wen. This is the first time I’ve traveled so far by myself!” ”

Man Wen rubbed the space between his eyebrows impatiently.

“He had been in the dungeon for a long time, so he naturally knew what Bai Mo was planning. ”

“However, since she was Bai Jingshu’s cousin, he couldn’t act out directly. ”

“At this moment, Bai Mo accidentally dropped the communicator in her hand on the ground and immediately bent down to pick it up. ”

“When she bent down, she accidentally exposed her ample bosom. ”

“Bai Mo immediately raised her hand to cover her chest, her face flushed red. ”

“Manwen must have seen it just now, right? ”

He must have seen it.

Weren't those the few things that men cared about?

Face and chest.

"Bai Mo raised her head with a red face and ears. She originally thought that she could see Manwen's similarly bashful face, but who knew that not only did Bai Mo not see Manwen's bashful face, she did not even see Manwen's figure."

Where was Manwen?

"Bai Mo frowned slightly, and her entire person instantly felt bad. She had thought that she could let Manwen see the fullness that she was so proud of."

Who knew that Manwen would actually leave!

Where did Manwen go?

"Bai Mo was so angry that she stomped her feet, but she could not find any outlet to vent her anger."

"At this moment, the sound of footsteps came from behind."

Manwen must have come!

"Bai Mo immediately returned to her gentle and generous appearance, turned around and looked back.
"Manwen..." "

"When she saw the person who had come, the rest of her words stopped abruptly."

"Because the person who had come was not man Wen at all, but someone else!"

“Excuse me, is this Miss Bai?”

“I am,” Bai Mo said.

Chapter 2264: 472: Heart palpitating 5

“This is the contact information our master asked me to give you.” One of them handed Bai Mo a piece of paper and continued, “Our Master also said that if you are afraid, you can call the police.”

“After saying that, the two of them turned around and left.”

Bai Mo stood where she was and looked at the contact information on the paper. She was so angry that her whole body was trembling.

She had never thought that Manwen would be so difficult to navigate.

“Fortunately, she had exchanged contact information with Manwen the last time, so she could contact Manwen on her own initiative.”

“Thinking of this, Bai Mo immediately connected to Manwen.”

“However, a prompt appeared on the other end of the screen, ‘you are not Manwen’s friend yet’.”

“They had clearly added each other as friends, so how could she not be Manwen’s friend!”

Did Manwen delete her?

No!

Impossible!

Manwen would never delete her for no reason.

“But now, other than Manwen deleting her, there was no other explanation.”

“Bai Mo looked in the direction where the two of them had left, wishing that she could break her silver teeth.”

On the other side.

“But when the first ray of sunlight shone through the window, Bai Jingshu slowly opened her eyes.”

What entered her eyes was a very unfamiliar scene.

“The window was open, and the beige curtains fluttered in the wind. A green leaf peeked in from the window, adding to the vivid color.”

Where was this place?

“At this moment, the sound of the door being pushed open came from behind her.”

Bai Jingshu immediately sat up from the bed.

““Jingshu, you’re awake.”Ye Zhuo walked in from outside.”

Bai Jingshu was stunned. “Miss Ye?”

“Ye Zao smiled faintly. “Like I said, you don’t have to be so formal with me. Just call me by my name.” ”

“Okay.” Bai Jingshu nodded. She didn’t quite understand what was going on.

Ye Zao placed the things in his hands on the table. “The land for toiletries here is brand new. The bathroom is inside. I also prepared the clothes inside for you.”

Only then did Bai Jingshu remember what happened last night.

“”Zhuo Zhuo, thank you.” Bai Jingshu looked at Ye Zhuo. ”

“You’re welcome.”

“Bai Jingshu continued, “Where’s Mr. Ye? Is He... Alright?” ”

“”He’s fine.” Ye Zhuo continued, “He’s waiting for you downstairs to eat.” ”

“Alright.” Bai Jingshu nodded. “I’ll go wash up now.”

“”Then I’ll go out first.” After saying that, ye Zao walked out and closed the door behind him. ”

Bai Jingshu took her toiletries and walked to the bathroom.

“Ye Zao had prepared a dress for her that had the elements of a traditional Chinese dress. It was very plain and elegant. Usually, Bai Jingshu would not challenge such a dress. Now that she was wearing it, she felt like a different person. ”

It was indescribably beautiful.

One had to admit that ye Zao’s judgment was really too sharp.

“After washing up and changing her clothes, Bai Jingshu went downstairs. ”

“As expected, Lin Ze was already sitting at the dining table. ”

“Mr. Lin.”

Lin Ze turned his head slightly. “Are You Alright?”

“”I’m fine.” Bai Jingshu looked at Lin Ze. “Mr. Lin, thank you for Last Night.” ”

“If Lin Ze had not arrived in time, Bai Jingshu would not have dared to imagine what would have happened. ”

“Don’t thank me yet. Sit Down and eat.”

“At this moment, ye Shu walked out from the kitchen with milk in her hands. She smiled and said, “This must be Miss Bai, right? I wonder what you like to drink. I prepared some milk, soy milk, and freshly squeezed fruit juice.” ”

“Lin Ze immediately followed behind and introduced, “This is my mother.” ”

“”Hello, Auntie.” Bai Jingshu continued, “My name is Bai Jingshu. You can call me Jingshu.” ”

“”Okay, okay, okay.” Ye Shu smiled and said, “Jingshu, quickly sit down and eat.” ”

“”Thank you, Auntie,” Bai Jingshu said. ”

It could be seen that the members of the Lin family were very hospitable.

“Ye Shu said, “Everyone who comes is a guest. Miss Bai, don’t stand on ceremony with us. Just treat this place as your home.” ”

“”Jingshu, sit down quickly.”Ye Zhuo saw that Bai Jingshu was quite restrained, so he pulled her to sit down at the dining table. ”

“Not long after, Lin Jincheng also came down from upstairs. ”

“There’s a guest at home?”Lin Jincheng asked with a smile.

“Ye Zhuo introduced, “Dad, this is Bai Jingshu. She’s a good friend of my brother and I.” ”

“”Welcome, Welcome.”Lin Jincheng continued, “I didn’t expect Ah Ze to have a female friend. This is the first time a tree of steel has blossomed!” ”

Lin Ze’s neck turned red at these words.

Bai Jingshu was also a little embarrassed.

“Lin Jincheng realized that these words were somewhat inappropriate. After all, young people nowadays were relatively thin-skinned. He continued, “Miss Bai, visitors are guests. Just treat this place as your own home.” ”

As expected of a married couple. Lin Jincheng and ye Shu’s words were exactly the same.

“”Thank you, Uncle.” ”

“Lin Jincheng smiled and said, “At home, we rely on our parents. When we go out, we rely on our friends. What’s there to thank? Hurry up and eat!” ”

Rely on your parents at home and your friends when you go out.

“For some reason, Bai Jingshu suddenly felt a little sad when she heard this. ”

She couldn't rely on her parents anymore.

“Bai Jingshu looked up at the Lin family's parents, then at Lin Ze and ye Zao, the two siblings. She felt a little envious in her heart. ”

This was a real family.

Unlike their family.

Everyone had their own plot in their hearts.

“One day you schemed against me, and the next day I schemed against you. ”

“Even between biological sisters, there was no stopping the scheming. ”

This was also why Bai Jingshu liked Earth so much.

“Although there was mutual deception in every place, on Earth, relatives and relatives would at least not scheme against each other. ”

“”Jingshu, what are you waiting for? Is it because Auntie's breakfast doesn't suit your taste?”Seeing that Bai Jingshu didn't move her chopsticks for a long time.., ye Shu suddenly remembered that most people in the s galaxy drank nutrient fluids. For example, Shi Qingcheng had been on Earth for a week before

she could get used to eating. Thinking of this, Ye Shu immediately stood up and said, “I’m sorry, it’s my fault. I’ll go get you some nutrient fluids now!” ”

“The Lin family had prepared a lot of nutrient fluids. Sometimes, Ye Shu was too busy with work to eat, so she would drink a jar of nutrient fluids instead. ”

“Hearing Ye Shu’s voice, Bai Jingshu finally reacted. “Auntie, don’t be so busy. I actually don’t like drinking nutrient fluids. Your Breakfast is very good. It looks very appetizing!” ”

“”Then Jingshu, don’t stand on ceremony. The nutrient fluids are all ready-made at home,”ye Shu said. “If you’re not used to it, I’ll go get it for you.” ”

“”Auntie, I’m not standing on ceremony. I really don’t like nutrient solutions.”As she spoke, Bai Jingshu picked up a bun. ”

“She didn’t know what Bai Jingshu’s taste was, so ye Shu prepared a chinese-style breakfast and a western-style breakfast. ”

“The chinese-style breakfast consisted of soy milk buns, deep-fried dough sticks, and pickled vegetables. ”

“The western-style breakfast consisted of a sandwich, ham, fruit juice, and a vegetable salad. ”

“Bai Jingshu liked eating steamed buns very much. She took a bite and said in surprise, “This steamed bun is delicious. Did you make it, Auntie?” ”

“”Yes.”Ye Shu nodded. “I made it at home when I had nothing to do. Also, this Shumai is not bad. Take it and try it.” ”

“”Thank you, Auntie.”Bai Jingshu took the shumai that ye Shu handed over. ”

How should she put it.

Ye Shu had a good impression of Bai Jingshu.

She felt that this little girl did not put on any airs and was very amiable. She did not look like anyone else in the s galaxy at all.

“Most importantly, this was Lin Ze’s first female friend. ”

What if this little girl could become her daughter-in-law in the future?

It was said that mother-in-law and daughter-in-law relationships were the most difficult relationships in the world to handle. She had to build a good relationship with her future daughter-in-law in advance. She could not become a negative example.

“In order to not make Bai Jingshu feel awkward., lin Jincheng hurriedly finished his breakfast and said, “You guys eat. I’m going to work. Miss Bai, you can stay at home for a few more days. If there’s anything, you can look for Ah Ze to handle! Don’t stand on ceremony!” ”

““Okay. Take care, uncle.”Bai Jingshu stood up and said. ”

““Sit down, sit down. We’re not outsiders.”Lin Jincheng turned to look at Lin Ze. “Don’t neglect Miss Bai.” ”

“Okay.”Lin Ze nodded.

“With that, Lin Jincheng picked up his coat from the hanger and walked out while putting on his coat. ”

“Under ye Shu’s warm hospitality, Bai Jingshu ate twice as much breakfast as usual. ”

“In the end, Lin Ze stood up to help Bai Jingshu out. “Mom, she can’t eat that much.” ”

“Bai Jingshu continued, “Yes, Auntie. I’m too full.” ”

“”Okay.”Ye Shu put down the ham slices in her hand. “Jingshu, Aunty, I’ll say it again. Treat this place as your home. Don’t stand on ceremony.” ”

“Okay.”Bai Jing nodded.

“Ye Zhuo finished the last dessert and said with a smile, “Jingshu, I’m going to school. I hope you have a good time.” ”

“Go to school?”Bai Jingshu was stunned.

She didn’t expect ye Zhuo to still be in school.

“Yes.”Ye Zhuo nodded slightly. “I have an experiment today. I’ll be leaving first.”

“”Okay, drive slowly on the road,”Bai Jingshu said. ”

“Ye Zhuo greeted ye Shu and Lin Ze before turning to leave. At this moment, ye Shu seemed to have thought of something and continued, “Have Yueyue come over for dinner tonight.” ”

“Okay.”Ye Zhuo nodded.

“After ye Zhuo left, Ye Shu also had to go to work. ”

“Before she left, Ye Shu repeatedly told Lin Ze to treat BAI Jingshu well. ”

Lin Ze nodded.

Ye Shu spoke to Bai Jingshu for a few more words before turning to leave.

Chapter 2266: 473: Nicely Done! 2

“Looking at Ye Shu’s back, Bai Jingshu exclaimed, “Auntie is so passionate!” ”

“At this moment, Bai Jingshu even felt that it would be great if this woman in front of her was her mother. ”

““Yes, my mother is a very nice person.”Lin Ze continued, “You don’t have to worry about Chen Yaosheng’s matter. I’ve already arranged for someone to send him back to the s galaxy.” ”

“Chen Yaosheng was suspected of attempted rape and attempted murder. The evidence was conclusive. With the two charges added together, it was enough for him to suffer quite a few grievances. ”

““Mr. Lin, thank you.”She had only met Lin Ze by chance, but Lin Ze had helped her so much. Bai Jingshu was really grateful in her heart. ”

“Lin Ze chuckled. “Since I woke up this morning, think about it. How many times have you said thank you to me?” ”

‘thank you’seemed to have become Bai Jingshu’s catchphrase.

“Bai Jingshu subconsciously bit her lip and continued, “Because other than thank you, I don’t know what else to say.” ”

The Lin siblings had been too kind to her.

She would definitely repay them properly.

“Other than thank you, you can also give yourself to me.” Even Lin Ze himself did not expect to say this out loud. After saying that, Lin Ze was stunned, and his expression was a little unnatural. ”

There were only two things in this world that could not be concealed.

Coughing and liking.

“Perhaps even Lin Ze himself did not expect that one day, he would fall in love with a girl so quickly. ”

“Although Lin Ze had never liked a girl before, he knew very well that this was liking. ”

“Hearing this, Bai Jingshu was also stunned. “What?” ”

She really did not hear him clearly. Perhaps she did not expect Lin Ze to say this.

“Because in Bai Jingshu’s eyes, Lin Ze had always been a serious person. ”

“It’s nothing.” Lin Ze pressed his fist against his lips and coughed lightly to cover up his awkwardness, then, he said, “I think that with our current friendship, you don’t have to call me Mr. Lin anymore. Just call me by my name. My name is Lin Ze, and this name is meant for people to call me.” ”

“Bai Jingshu nodded. “Okay, then you don’t have to call me Miss Bai. You can call me Bai Jingshu or Jingshu.” ”

“Okay.”

“Lin Ze continued, “Although Chen Yaosheng has already been sent back, I think it’s best if you go back.” ”

Only Bai Jingshu would keep an eye on this matter. She would not let anyone take advantage of it.

"I..." Bai Jingshu hesitated.

"What's Wrong?" Lin Ze continued to ask.

"Bai Jingshu said, "My interstellar shuttle is out of order." "

"After learning that Chen Yaosheng was lying to her, Bai Jingshu decided to go back. "

Who knew that the interstellar shuttle wouldn't start no matter what.

"Helpless, Bai Jingshu could only give up on going back. "

"I'll Lend You Mine." Lin Ze took out an electronic key from his pocket.

"What About You?" Bai Jingshu asked.

"Lin Ze said, "I won't use the interstellar shuttle for the time being. If I really need it, I can borrow my sister's." "

"Okay." Bai Jingshu nodded. "Thank..."

"Before she could finish her sentence, Lin ze smiled and said, "You have to thank me again?" "

Bai Jingshu chuckled. "You can see that."

"Although it hadn't been that long, the two of them got along more naturally. "

"A moment later, Lin Ze brought Bai Jingshu to the basement where the interstellar shuttle was stored. "

“Lin Ze continued, “If you encounter any difficulties in Galaxy S, you can contact me. Don’t find it troublesome!” ”

“”Okay.” Bai Jingshu wanted to say thank you, but she swallowed her words just in time. ”

There was no need to thank her.

“When ye Shu came back from work, Lin Ze was the only one left in the house. ”

“Ye Shu asked curiously, “Where’s Jingshu? Why Are You Alone?” ”

Lin Ze adjusted his glasses. “She’s going back.”

“Why don’t you let her stay for a few more days?” Ye Shu complained.

“”She has something to do when she goes back.” Lin Ze continued, “Do you like her a lot?” ”

“”Who wouldn’t like a beautiful and sensible girl?” Ye Shu continued, “Ah Ze, in the future, you can just look for a girlfriend according to Jingshu’s conditions.” ”

“Okay.” Lin Ze nodded with a smile.

Ye Shu was stunned. She subconsciously felt that Lin Ze was a little strange today.

“If it were any other time, Lin Ze would definitely say that he was not in a hurry right now. ”

“But today, Lin Ze actually nodded. ”

What did this mean?

It meant that Lin Ze didn't resist finding a girlfriend!

“Ze, tell mom honestly. What's going on between you and Jingshu?” Ye Shu looked at Lin Ze and asked with narrowed eyes. ”

Chapter 2267: 473: Nicely Done! 3

“We're just ordinary friends,” Lin ze replied. ”

“Ye Shu continued, “Ordinary friends. Will Jingshu find you the moment she's in Danger?” ”

“No matter how she thought about it, she felt that something was wrong. ”

Especially Lin Ze's reaction just now.

“Bai Jingshu doesn't have any other friends here,” Lin ze continued, “And I happen to have a grudge with that jerk.” ”

“What Grudge?” Ye Shu asked.

“Lin Ze said, “You don't need to know that.” ”

“Ye Shu seemed to have thought of something and lowered her voice. “By the way, Jingshu wasn't bullied, right?” ”

“No.” Lin Ze shook his head.

“That’s good.” After saying that, ye Shu continued, “There are too many bad guys nowadays! You have to tell burning. Be careful in everything.” ”

“Lin Ze smiled and said, “I’m afraid even I can’t beat burning.” ”

The meaning of being blind was that no one would be able to beat ye burning.

“Ye Shu said, “There are even stronger ones. You Can’t beat them. It doesn’t mean that you can’t beat them.” ”

“You’re right.”

“Ye Shu continued, “Did Jingshu tell you when she’ll be back?” ”

“She didn’t say that.” Lin Ze shook his head.

“You’re such a stupid child,” ye Shu complained. “No wonder you’ve always been single. You were almost cheated by someone!” ”

Lin Ze:” ...”

On the other side.

S galaxy.

Chen Yaosheng was sent to the police station by the core robot arranged by Lin Ze.

“With all kinds of evidence, the police station quickly detained Chen Yaosheng. ”

“When Chen Yaosheng woke up from his coma, he was already lying in the detention center.”

“When the Chen family received the news from the detention center, they immediately sent a lawyer to pick him up. No matter what, Chen Yaosheng was the second young master of the Chen family. No matter what, they had to do their best to bail Chen Yaosheng out.”

They could not let the name of the Chen family leave a stain.

The Chen family hired the best lawyer to defend Chen Yaosheng.

“However, because the evidence was conclusive, unless the victim agreed to a settlement in court, Chen Yaosheng would be locked up for life!”

“In desperation, the head of the Chen family had no choice but to personally make a trip to the Bai family.”

“The status of the Chen family in the s galaxy was higher than that of the Bai family by several ranks. When they saw Chen Jinyan and his wife coming over, Zhou Ying and Bai Jiasheng immediately went out to welcome them.”

“The head of the Chen family and Madam Chen have graced us with their presence. We are honored to have you here!” Bai Jiasheng said.

“Chen Jinyan looked at Bai Jiasheng and his wife and said, “Mr. Bai is too humble.””

“Madam Chen did not say anything, but her eyes were full of anger.”

“If it were not for Bai Jingzhu, her son would not have been sent to prison.”

The minimum sentence in the court was ten years.

“Every inch of time was worth an inch of gold. If Chen Yaosheng was really sent to prison for ten years, his life would be ruined.”

The Bai family really raised a good daughter.

“The Bai couple weren’t good people either. They clearly knew everything, but they pretended to know nothing.”

Disgusting!

“Thank you for your high opinion of us, master Chen. Quick, please come in.” Bai Jiasheng immediately made a ‘please’ gesture.”

Chen Jinyan and Madam Chen raised their feet and walked in.

Bai Jiasheng and Zhou Ying followed behind. The husband and wife looked at each other. No one could tell why Chen Jinyan and his wife would suddenly come to the Bai family.

Could it be because of old master Bai?

“After all, Old Master Bai was young and had some friendship with Chen Jinyan.”

Bai Jiasheng immediately got someone to serve the best tea.

“Chen Jinyan sat in the seat of honor and raised his hand. “There’s no need for tea. Mr. Bai, I think you should know why I’m here today, right?” ”

“Bai Jiasheng looked at Chen Jinyan. “Family head Chen, please speak clearly.” ”

How could he guess Chen Jinyan’s thoughts.

“To be honest, we are here for the matter of our son.” Chen Jinyan raised his hand lightly. ”

A few core robot men carrying boxes immediately appeared outside the door.

“The core robot men carried the boxes to the hall, placed the boxes on the ground, and opened the lid. ”

The box was full of level three star energy.

“In the S Galaxy, star energy was more precious than star currency. Star energy represented the rise and fall of a family. With this star energy, the Bai family could at least rise from AA to SS. ”

“Seeing this, Bai Jiasheng’s eyes lit up. ”

Zhou Ying had the same expression.

They were really two common people!

The disgust in Mrs. Chen’s eyes was almost undisguised.

“Mr. Bai, Mrs. Bai, this is our sincerity,” Chen Jinyan continued. ”

Chapter 2268: 473: Nicely Done! 4

“Madam Chen continued, “Of course, if you think it’s too little, we can add more.” ”

“You can add more?” Zhou Ying asked incredulously.

“Yes.” Madam Chen nodded.

“Bai family Sheng was calmer than Zhou Ying. He continued, “Family head Chen, how can we help you? As long as we can help, we will do our best!” ”

The prerequisite was that they could help.

“The Chen family was much more powerful than the Bai family. If even the Chen family could not solve the problem, the Bai family would not even think about it. ”

““Don’t worry. Mr. Bai will definitely be able to help you with this,” Chen Jinyan said. ”

“What kind of help?” Bai Jiacheng asked.

“Zhou Ying said impatiently, “Master Chen, don’t keep us in suspense! Tell US quickly!” ”

“Mrs. Chen smiled and looked at the two of them. “Mr. and Mrs. Bai, why do you have to pretend to understand?” ”

“From Chen Jinyan and Mrs. Chen’s point of view, Bai Jiasheng and Zhou Ying were pretending to understand. ”

Retreat to advance!

No wonder they had a vixen daughter.

Pretending to understand?

This stunned Bai Jiasheng and Zhou Ying.

“We really don’t know,” Zhou Ying continued, “Mrs. Chen, don’t play charades with US and just say it!”

Bai Jiasheng nodded. “Just say it.”

“Just as Mrs. Chen was about to lose her temper, Chen Jinyan said without batting an eyelid, “Since you really don’t know, then I’ll explain it to you. It’s like this...” ”

Chen Jinyan explained the entire process in a concise and comprehensive manner.

“When they heard this, Bai Jiacheng and Zhou Ying’s expressions were somewhat interesting. ”

“They did not expect that Bai Jingshu, who usually appeared to be quiet, would be more capable than anyone when it came to playing tricks! ”

No wonder they looked down on the person they had introduced to her. It turned out that she had secretly hooked up with the Chen family and even caused the Chen family to suffer such a loss.

“Although Bai Jiasheng was quite happy, he did not show it on his face, he continued, “Mr. Chen, Mrs. Chen, my wife and I really did not know about this! If we had known, we definitely would not have allowed my daughter to do this...” The Bai family paused for a moment before continuing, “However, this matter is not just my daughter’s problem. If your son does not have that intention...” ”

“Before he could finish his sentence, Mrs. Chen interrupted him. “Don’t try to be nice when you’ve gotten a bargain! Do you really think I don’t know what you’re Thinking?” ”

It was intolerable!

The Way Bai Jiasheng and Zhou Ying ate was really too ugly!

“Shut up!” Chen Jinyan looked at Mrs. Chen.

Mrs. Chen did not continue.

“Chen Jinyan looked at Bai Jiasheng and smiled apologetically. “It’s my opinion. Mr. Bai, please don’t take it to heart.” ”

“Bai Jiasheng also knew the meaning of these words. If they really angered the Chen family, they probably would not get anything. ”

““Family head Chen, you’re too kind. My wife was wrong just now!”After saying that, Bai Jiasheng looked at Zhou Ying. “Hurry up and apologize to Madam Chen.” ”

“Zhou Ying turned to look at Madam Chen, “Madam Chen, I know you’re angry, but as parents, we all feel the same way! Your Heart Aches for your son, and My Heart Aches for my daughter! Taking a step back, what if your son succeeds? Then wouldn’t my daughter be the one injured now?” ”

“Madam Chen was about to explode from anger, but she had no choice but to hold it in. ”

She had no choice.

She had no choice but to lower her head.

“After all, Chen Yaosheng’s future was now in the hands of the Bai family. ”

““Mrs. Bai, you’re right.”Madam Chen turned to look at Zhou Ying. ”

“Zhou Ying curled the corners of her lips and continued, “Master Chen, Mr. Chen, if you want to resolve the matter between the two juniors, this box of star energy is probably not enough, right? After all, our Jingshu has two younger brothers!” ”

What she meant was three boxes of star energy.

“You mean three boxes?” Mrs. Chen asked incredulously.

“Mrs. Chen is indeed like the rumors said,” Zhou Ying said. ”

Bai Jiasheng did not interrupt.

“Mrs. Chen was about to say something when Chen Jinyan continued, “I can fulfill Mrs. Bai’s request.” ”

“Since things had developed to this point, Chen Jinyan could only bite the bullet and swallow it. ”

“Really?” Zhou Ying asked.

“Bai Jiasheng immediately replied, “That’s my opinion! The head of the Chen family will not go back on his words!” ”

“Chen Jinyan smiled and said, “Mr. Bai, you flatter me too much. However, although I am not a big shot, I know that a promise is worth more than anything. “Since both of you can accept the proposal, let’s make it a date. Let’s settle the marriage between the two children today.” ”

Chapter 2269: 473: do it beautifully! 5

“Although the Cheng family looked down on the Bai family’s daughter, under the current circumstances, they could only let Bai Jingshu marry Chen Yaosheng! ”

“Bai Jiacheng smiled and said, “Master Chen is a straightforward person. However, marriage is a big matter. As parents, we have to ask for the child’s opinion. We can not easily promise.” ”

Bai Jiacheng had never been a father who respected his daughter. The reason he said that was to make things difficult for the Chen family.

“After all, the Bai family had always been the ones who lowered themselves in front of the Chen family. Now, it was finally the Bai family’s turn to be proud!”

“As long as he did not nod his head, Chen Yaosheng would not be able to stand out for the rest of his life.”

“Madam Chen was really angry. She clenched her fists tightly, and because she had used too much strength, they had already turned slightly white.”

The Bai family was really a nest of snakes and rats!

“The old and the old had taken advantage of the situation, while the young had no sense of shame at all. Apart from seducing men, they were completely useless!”

“If Chen Yaosheng had not been set up by Bai Jingshu, how would he have become like this?”

“As a mother, no one knew her child better than she did. Chen Yaosheng was a very sensible son. He would never do something that did not know his limits.”

Not to mention attempted rape and attempted murder!

It was obvious that Bai Jingshu had set Chen Yaosheng up.

Just wait.

“When Bai Jingshu married into the Chen family, she would definitely make Bai Jingshu regret it!”

“Chen jinyan nodded and continued, “Mr. Bai is right. We still need to ask for the child’s opinion on such a big matter. Then I’ll wait for the good news and wait for Mr. Bai’s Good News!” ”

“At the end of his speech, Chen Jinyan stood up from his chair and said, “Mr. Bai, we’ll take our leave first.” ”

Bai Jiasheng also stood up to send Chen Jinyan off.

“After sending Chen Jinyan and his wife out of the door, Zhou Ying looked at Bai Jiasheng and said in disbelief, “I really didn’t expect our Jingshu to have such a great ability!” ”

That was a whole three boxes of star energy!

“With those three boxes of star energy, the Bai family would be rich. ”

““I didn’t expect that girl to be so quiet that she would be so aggressive!” Bai jiasheng continued, “Quickly contact her and tell her to come back for dinner tonight.” ”

“Okay.”

“When Bai Jingshu received Zhou Ying’s call, she didn’t want to go back, but Zhou Ying lowered her voice and apologized to Bai Jingshu, saying that she was wrong last time. ”

“No matter what, Zhou Ying was still her mother, so after much thought, Bai Jingshu still came back. ”

The Bai family’s brothers and sisters were all gathered tonight.

“Bai Jingshu had two younger brothers named Bai Liwen and Bai Liwu, and one younger sister named Bai Jingfei. ”

“Bai Jingfei had already learned about Bai Jingshu from her mother. As soon as Bai Jingshu returned, she said in a somewhat sarcastic tone, “Some people might look like they don’t fight over anything, but in fact, they have more tricks up their sleeves than anyone else!” ”

“In the Bai family, who was more Buddhist than Bai Jingzhu? ”

“Bai Jingfei had always thought that she would be more promising than Bai Jingzhu in the future, but she didn’t expect that she would still lose to Bai Jingzhu. ”

“Bai Jingzhu frowned slightly and was about to speak when Zhou Ying came from the back room and scolded her angrily, “Bai Jingfei, you’re going to die! How dare you talk to your sister? Apologize to your sister quickly!” ”

“Why should I apologize to her?” Bai jingfei snorted coldly.

“Bai Jiacheng’s voice suddenly sounded in the air. “Eldest sister is like a mother, don’t you know?” ”

Bai Jingshu frowned without leaving a trace. She subconsciously felt that something was not right.

Why had her parents changed so much out of the blue?

“Before Bai Jingshu could react, Bai Jiacheng squeezed out a smile and turned to look at Bai Jingshu, “Jingshu, you’re back. Come in quickly. I know that you like to eat food from Earth, so your mother prepared a big table of food for you tonight.” ”

Bai Jingshu nodded and followed Bai Jiacheng in.

“Only Bai Jingshu had a bowl and chopsticks in front of her, and the rest of the people had nutrient fluids in front of them. ”

“Bai Jiacheng looked at Bai Jingshu with a smile. “Jingshu, it’s all Daddy’s fault for misunderstanding you in the past. Daddy doesn’t know your aspirations, so Daddy is here to apologize to you!” ”

“Dad, if you have anything to say, just say it. Don’t beat around the bush,” Bai Jingshu said. ”

“Jingshu, master Chen and Madam Chen have already been here. You did the right thing in doing this! You should have left the Chen family with nowhere to run and come to us on your own initiative!” Bai Jiacheng said with a face full of praise. ”

Bai Jingshu furrowed her brows without leaving a trace. She felt that Bai Jiacheng was implying something.

“Bai Jiasheng continued, “How about this, you go to the police station tomorrow and dismiss the case. Leave the rest to your mother and me. Don’t worry, we’ll definitely make your wedding beautiful.” ”

Chapter 2270: 473: a critical moment! 1

Cancel?

Hold a wedding?

“Bai Jingshu was stunned. She thought she was hearing things. After a while, she looked at Bai Jiasheng and asked, “Dad, what do you mean?” ”

“Bai Jiasheng smiled and said, “Don’t tell me you want to keep the Chen family in suspense? That’s enough! It’s counterproductive. It’s not a good thing to provoke Chen Jinyan!” The Chen family had already agreed to three boxes of Star Energy’s betrothal gift. One couldn’t be too greedy! ”

“At the end, Bai Jiacheng sighed and said, “Jingshu, you have a brain! It was mom and Dad who misunderstood you in the past. It was mom and Dad’s fault!” ”

Bai Jiacheng was a little regretful now. He regretted that he didn't care about his eldest daughter in the past.

What if Bai Jingshu married into the Chen family and stopped giving them gifts?

"Right now, Bai Jiasheng desperately wanted Bai Jingshu to forgive him."

"No matter what, he was still Bai Jingshu's father."

"No matter which angle she looked at it from, Bai Jingshu should properly honor them."

"Bai Jingshu sorted out her thoughts, looked up at Bai Jiasheng, and said, "Dad, are you saying that I should settle the matter peacefully and go to the police station to withdraw the case, and marry Chen Yaosheng?" "

"At this moment, Bai Jingshu felt a chill all over her body. She was clearly in the middle of summer, but it was as if she was in the middle of winter."

She was the victim and had almost been raped by Chen Yaosheng.

"However, her father did not care about her at the first moment. Instead, he put his interests first and asked her to withdraw the case and marry a criminal."

Ridiculous.

Truly ridiculous.

"If she had not experienced it herself, Bai Jingshu would never have believed that there was such a father in the world."

“Although she already knew Bai Jiasheng’s answer, she still hoped that Bai Jiasheng would reply that she was not like this.”

Bai Jiasheng nodded. “That’s right. Don’t you think so?”

“You’ve already done it. Why are you still pretending?” Bai Jingfei snorted coldly.

“From Bai Jingfei’s point of view, Bai Jingshu had spared such a big circle in order to smoothly marry Chen Yaosheng.”

The Chen family’s threshold was too high for an ordinary person to climb up to?

“If Bai Jingshu did not use some tricks, would the Chen couple come personally?”

It was impossible!

Bai Jingfei was dying of jealousy.

“She had always thought that she was prettier and smarter than Bai Jingshu, and that she would be more promising than Bai Jingshu in the future.”

But Now?

“In terms of getting married, she was much shorter than Bai Jingshu.”

“In the future, no matter how successful she was, she would never surpass Bai Jingshu!”

Bai Jingfei could not wait to grit her teeth.

“Bai Jingshu stood up from her chair. “Dad, I never thought of that! Chen Yaosheng is a demon who tried to rape me! How could i marry a demon who tried to hurt me?” ”

The atmosphere at the dining table became strange.

Bai Jiasheng had a complicated expression on his face.

Zhou Ying frowned. “Then what do you mean? Do you really want Chen Yaosheng to stay in prison for ten years?”

“This is a matter for the court. The sentence will be as long as the court sentences him!” Bai Jingshu said.

“Bai Jiasheng looked up at Bai Jingshu. “That’s enough! Don’t look for trouble. The Chen family has already come to us to beg us. What else do you want?” To Bai Jiasheng., since the Chen family had come to beg them on their own accord and had proposed to marry Bai Jingshu, it was already a huge pie for Bai Jingshu. ”

“Otherwise, how could the Bai family take a liking to someone like Bai Jingshu? ”

“Speaking up to this point, Bai jiasheng continued, “Go to the police station tomorrow and close the case! Your mother and I will handle the rest!” ”

“”What if I don’t go?” Bai Jingshu’s expression was unclear. “Forcing your daughter to marry a devil. Dad, are you really my biological father?” ”

It would be a lie to say that she wasn’t sad.

“As a daughter, Bai Jingshu also hoped that her father would stand up for her when she was injured. ”

“Even if he didn’t stand up for her, it would be good to comfort her. ”

But what about Bai Jiacheng?

“For the sake of fame and fortune, Bai Jiacheng wanted to push her into the fire pit.”

“You have to go!” Bai Jiacheng said firmly.

“I won’t go,” Bai Jingshu said.

“Zhou Ying was furious when she heard this. “Damn girl, what did you say?” ”

“Bai Jingshu looked at Zhou Ying and said word by word, “I said, I won’t go. Chen Yaosheng deserved it!” ”

“Zhou Ying stood up from her chair and glared at Bai Jingshu. She raised her hand and was about to slap her, but was stopped by Bai family Sheng.”
