Chapter 2271: 473: a critical moment! 2

“In the eyes of Bai Jiasheng, Bai Jingshu was a cornered beast. Even if she refused to admit it, it was only for the sake of temporary happiness. ”

“After Bai Jingshu married into the Chen family, she was already a person above everyone else. It would not be beneficial for them if Zhou Ying fell out with her at such a time. ”

“”Jingshu,” Bai Jiasheng carefully chose his words in his heart, he said earnestly, “You are the eldest daughter of the Bai family, and also the daughter that Father Dotes on the most. “There is no parent in the world who doesn’t love their children. You only saw that your mother and I wanted you to marry into the Chen family, but have you ever thought about why?” ”

“Bai Jingshu sneered. “Because you are blinded by your own interests!”For the sake of power, they were willing to sacrifice their own daughter. ”

“In fact, she should have understood long ago. ”

“In her parents’ hearts, she was just a chess piece. ”

“Unfortunately, she had a bad memory. She would always forget the pain after the scar was healed. ”

“Hearing this, Bai Jiacheng sighed, then he said, “Jingshu, how can you think about your mother and me? The reason why we want you to marry Chen Yaosheng is for your own good. If something like this happened to a girl like you, your reputation would definitely be damaged! “Even if nothing happened between you and Chen Yaosheng, it won’t sound good if it gets out! “You’re a single girl. How are you going to get married in the future? “Since Chen Yaosheng was the one who did this, we have to let him take responsibility!” ”

Bai Jingzhu’s eyes turned red.

What a ridiculous reason.

Did they think that she was only three years old?

“Bai Jingfei stood up in anger. “Bai Jingzhu, you can be proud of yourself! Just wait and see. One day, I’ll marry better than you! Isn’t it just the Chen Family? What’s so great about it? !” ”

“After saying that, Bai Jingfei left the restaurant. ”

“In Bai Jingfei’s opinion, Bai Jingshu’s actions were deliberately fake. ”

“She had obviously designed Chen Yaosheng herself, and now she had to pretend to be a pitiful white lotus. ”

It was simply disgusting.

“Bai Jingshu couldn’t be bothered with Bai jingfei and continued, “I’ve said what I wanted to say. Stop Daydreaming. I Won’t cancel the case, and I won’t marry either!” ”

“After saying that, Bai Jingshu turned around and left. ”

Bai Jiasheng was really angry when he saw Bai Jingshu’s figure. He shouted angrily.

“Stop right there!”

She was an ungrateful wretch.

Bai Jingshu didn’t stop and walked straight towards the door.

Bai Jiasheng was so angry that he was trembling when he saw that Bai Jingshu dared to ignore his words. He turned to look at the servants beside him. “Lock her up!”

“Soon, seven to eight servants appeared and surrounded Bai Jingshu. ”

“Bai Jingshu was a typical lady from a wealthy family. She did not know how to wield a knife or a spear. Soon, she was brought into the room by the servants. ”

“Bai Jiasheng continued, “No one is allowed to give her food these days! I want to see how hard her bones are!” ”

“Zhou Ying immediately stood up and placed her hands on Bai Jiasheng’s back. “Don’t be angry, don’t be angry. Don’t worry. She Won’t be able to hold on for more than a few days.” ”

“”What if big sister doesn’t agree?”Bai Liwen continued, “Then won’t our family have no star energy?” ”

“”She will definitely agree!”Zhou Ying patted Bai Liwen’s head. “Don’t worry, Mom will definitely not let her ruin your brothers’future.” ”

Bai Liwen and Bai Liwu were a bunch of twin brothers. They were 15 years old this year.

“Zhou Ying had already made a plan. When the Chen family sent star energy over, she would give each of them a box. ”

“Bai Liwu said worriedly, “What if big sister dies from hunger?” ”

“Zhou Ying laughed out loud. “Silly child, do you know how painful it is to starve? If she really can’t stand it anymore, she will naturally give in.” ”

“Okay.”Bai Liwu nodded.

“”Mom, three boxes of star energy. Do you and dad have to share one box with me?”Bai Jingfei walked out of nowhere and suddenly asked. ”

""If you don't have it, don't even think about it."Zhou Ying rejected her directly. "

"Bai Jingshu said in disbelief, "Why? Both of them have it. Why Don't I Have It?" "

This was too unfair!

""Just because they are brothers and you are the elder sister!"Zhou ying frowned and said, "As the elder sister, it's fine if you don't know how to give way to your younger brother, but now you want to snatch things from your younger brother! Do you have an elder sister like you?" "

"In Zhou Ying's opinion, when a girl grew up, she had to get married. After she got married, she would no longer be considered part of the family. "

Star energy was such a precious thing. How could it be given to an outsider?

Of course not!

""Isn't there a total of three boxes? Each of them has one box. Can't they give me one box?"Who wouldn't want something good? Bai Jingfei also wanted to use these things to increase her self-worth. She wanted to find an outstanding son of the rich and powerful. Just like Bai Jingshu, she wanted to become the second madam of the Chen family that everyone respected. "

Chapter 2272: 473: at the critical moment! 3

""The remaining box belongs to your father and me,"Zhou Ying continued, "Don't even think about it!" "

"Hearing this, Bai Jingfei was extremely disappointed. "

“Her parents usually said that their sons and daughters were the same, but when it came to the critical moment, the difference was obvious.”

“Star Energy’s two younger brothers had it, but she didn’t! ”

“This made Bai Jingfei very unwilling. She continued, “Mom, am I your biological child?” ”

“I picked you up!”Zhou Ying said.

“Bai Jingfei’s brows furrowed tightly. “I think so too. Otherwise, why would I be inferior to Liwen and Liwu everywhere!” ”

Zhou Ying poked Bai Jingfei’s head. “What are you thinking about! All Day Long!”

“I’m thinking about how you’re biased! You’re simply the most biased mother in the world!”Bai Jingfei was very angry. Why did she not have what her two younger brothers had?

She had always been like this since she was young. This was too much!

“Zhou Ying could not be bothered with Bai Jingfei. “Even if I’m biased, I’ve raised you up! Think about how you’re going to repay your father and me in the future!” ”

“Bai Jingfei turned around and left. Because she was too angry, she casually kicked a small robot away.”

Bang Bang Bang.

The small robot was kicked to the ground and rolled several times.

“On the other side, Bai Jingshu was locked in her room. The windows and doors were sealed. She could neither escape nor contact the outside world.”

What should she do now?

Was she going to sit and wait for death?

“Bai Jingshu was already beginning to regret it. If she had known this would happen, she would not have come back. ”

“However, it was better this way. Otherwise, she would never be able to recognize the faces of those people. ”

“The next day, the Chen family sent someone over to ask. ”

“Bai Jiasheng said to the person who came, “Butler Wang, please go back and tell Master Chen that it’s not easy for us parents to make decisions about the child’s matters. After all, this matter was caused by your second young master. I’m currently advising my daughter to trouble him to wait for a few more days!” ”

“Butler Wang also looked down on people like Bai Jiasheng, but he did not show it on his face. He still said politely, “Mr. Bai, may I ask how many more days we need to wait? If you can be more clear, it will be easier for me to answer when I go back.” ”

“Bai Jiacheng thought for a moment and then said, “Three days. Three days later, I will definitely give a reply to Patriarch Chen and Madam Chen.” ”

““Okay.”The butler nodded. “Then, I will go back and tell Patriarch.” ”

Butler Wang went all the way back to the Chen family.

“After listening to Butler Wang’s words, Chen Jinyan’s expression did not look good. ”

What a Bai Jiacheng!

He had actually stepped on his toes repeatedly.

“Madam Chen frowned and said, “Jinyan, must the Bai family take action on this matter? Is there no other way?” ”

She really could not stand the Bai family’s despicable attitude.

They had taken advantage of the situation and were still trying to be obedient!

“Chen Jinyan shook his head. “In this matter, other than the Bai family, there is another force that must be removed by Bai Jingzhu herself.” ”

Madam Chen snorted coldly. “This Bai Jingzhu is really good! Once she knows that we must beg her!”

Just you wait!

“After Chen Yaosheng married Bai Jingshu back, she would definitely teach her a lesson. ”

“”I’ll just wait for three more days!”Chen Jinyan had been quite tired these days because of this matter. He rubbed his temples, “I’ve said it before. Yaosheng is too arrogant. If he doesn’t restrain himself, he’ll get into big trouble sooner or later!” ”

“How can yaosheng be blamed for this? This is obviously Bai Jingshu’s little B \* Tch who set Yaosheng Up!”

“As the second son of the Chen family, Chen Yaosheng had all the women he wanted? Why did he have to rape a B \* tch? ”

“Being set up is also his problem! Why isn’t anyone else set up?”Chen Yaosheng looked at Mrs. Chen.

“Mrs. Chen didn’t say anything. She was furious. This time, she admitted defeat! ”

But this was not the end!

“What if they still do the same thing three days later?”Madam Chen was a little worried.

“”They won’t,”Chen Jinyan said. “The Bai family is a person who will stop at nothing to gain power. He will definitely not let go of this good opportunity to soar.” ”

“Yes.”Madam Chen nodded.

Bai Jingshu had already been locked up by the Bai family’s parents for a day and a half.

“During this time and a half, she had not eaten anything, not even a drop of water. Her face was already a little pale. ”

“At that moment, there was a knock on the door. ”

“Bai Jingshu leaned against the headboard of the bed, raised her eyelids, and did not say a word. ”

“Then, the voice of a servant came from outside the door. “Eldest miss, Madam asked me to say something to you. Don’t be stubborn. They are all doing this for your own good. If this continues, you will only be at a disadvantage.” ”

Chapter 2273: 473: a critical moment! 4

Bai Jingshu remained silent.

“Eldest miss?”The servant called out again.

“Unable to hear the response from inside, the servant sighed and continued, “Eldest miss, why are you doing this?” ”

“Perhaps it was because the situation was different, but from the servant’s point of view, it was a great honor for Bai Jingshu to be able to marry into the Chen family. ”

“As for this girl, the most important thing was to marry the right person! ”

“If her daughter could marry into the Chen family, she would definitely be able to wake up from her dream with a smile. ”

“Unfortunately, her daughter did not have such good fortune. ”

What about Bai Jingshu?

She did not know how to cherish such good fortune.

What a waste of heavenly gifts!

“The maid continued, “Eldest miss, I think Sir and Madam are getting serious this time...” ”

“No matter what the servant outside said, Bai Jingzhu remained silent inside. ”

The servant sighed again and turned to leave.

“Coming Downstairs, Zhou Ying asked, “How was upstairs?” ”

The servant shook her head. “Miss hasn’t spoken a word.”

“Bai Jingfei inserted the straw into the nutrient solution. “My sister isn’t really going to fight to the end, is she?” ”

“I think so.”The maid nodded.

“Bai Jingfei was a little speechless and said, “Some people don’t know how lucky they are. She doesn’t even like the Chen family. Does she still want to marry the President?” ”

“At this point, Bai Jingfei turned to look at Zhou Ying and said, “Mom, if she doesn’t give in, do you really plan to starve her to death?” ”

“Zhou Ying narrowed her eyes. “Don’t worry, she will give in! The feeling of hunger is very uncomfortable!” ”

“”I said in case,”said Bai Jingfei. ”

“There is no in case.”Zhou Ying’s eyes were full of ruthlessness. “Your sister must go to the police station personally to close the case.”

“This kind of Zhou Ying made Bai Jingfei panic inexplicably. She then said, “Mom, what do you think of Me?” ”

“”What do you mean, what do I think?”Zhou Ying asked. ”

Bai jingfei came up with a plan. “Let me marry into the Chen family on behalf of my sister!”This would solve Bai Jingzhu’s problem and fulfill her wish to marry into a rich family. It was killing two birds with one stone.

“Most importantly, she was no less beautiful than Bai Jingzhu. ”

""The key is, can the Bai family take a fancy to you?"Zhou Ying looked at Bai Jingfei. "Can you go to the police station on behalf of your sister to close the case?" "

"As soon as she said that, Bai Jingfei immediately turned into a frosty eggplant. "

Zhou Ying was right. She could not replace Bai Jingshu.

""Then what should we do?"Bai jingfei grew up with Bai Jingshu. She knew Bai Jingshu's personality very well. From a young age, as long as it was something that Bai Jingshu had decided on, no one could change it. "

"Zhou Ying continued, "Why are you in such a hurry? I don't believe that she can last another two days! Just wait! Tomorrow, she will definitely give in!" "

Zhou Ying was not in a hurry at all.

It was not difficult to understand that young people all had their own arrogance.

She did not believe that Bai Jingshu could still turn the world upside down!

Bai jingfei frowned slightly.

Another Day had passed.

"From the moment Bai Mo found out that Chen Yaosheng was locked up in the detention center to the moment when she found out that Bai Jingshu was under house arrest, she gloated. "

"At this moment, Bai Mo suddenly received a message from man Wen. "

Manwen had sent her a message!

This was simply explosive news.

“Bai Mo opened the message excitedly. Soon, the smile on her face disappeared completely. ”

Because Manwen was asking her about Bai Jingshu.

“Bai Mo continued to reply, “Brother Manwen, I can’t explain this matter clearly. Why Don’t we meet up?”? ”

“Manwen quickly replied, “See you at Lanying cafe at 10 o’clock.”. ”

“After receiving Manwen’s message, Bai Mo sat in front of the mirror and started to dress up. ”

“Half an hour later, she appeared at the Lanying Cafe. ”

Manwen was already sitting at the agreed seat.

Bai Mo walked over. “Brother Manwen.”

Manwen nodded and went straight to the point. “Where’s your sister?”

“Bai Mo had already prepared a set of excuses, she continued, “After my sister went home, she had a fight with my uncle and aunt. Then, my aunt locked her interstellar shuttle so that she couldn’t go to Earth. However, I lent her my own shuttle. She should have arrived on Earth by now.” ”

“A fight?”Man Wen narrowed his eyes. “Why did they fight?”

“Bai Mo shook her head, “I’m not too sure about the specific reason. As a junior, I can’t say anything bad about first uncle and first aunt, but they do sometimes go overboard with my sister. Fortunately, my sister is more independent and mentally strong, or else... “... “...” ”

“At the end of his sentence, it was self-evident. ”

“Man Wen continued, “Are you sure your sister has gone back?” ”

Chapter 2274: 473: a critical moment! 5

“Yes.” Bai Mo nodded. “I’m sure.”

“After learning that Bai Jingshu had gone back, man Wen heaved a sigh of relief. After all, she was on Earth, so it was normal for him to not be able to contact her. He then said, “Thank you, I understand.” ”

“”Brother Man Wen, you don’t have to be so polite with me,” Bai Mo said with a smile. ”

“Man Wen said, “I still have some matters to attend to, so I’ll take my leave first. You can just charge me for the coffee.” ”

“”Brother Man Wen, you go ahead and don’t worry about me,” Bai Mo said understandingly. ”

“Looking at man Wen’s back, Bai Mo narrowed her eyes. ”

“Man Wen was much more difficult to navigate than she had imagined, but fortunately, she still had Bai Jingshu as a friend. ”

“Since Bai Jingshu could become friends with Man Wen, she could definitely do the same! ”

Didn't this couple start out as friends?

Bai Jingshu had been hungry for almost three days.

She had been sitting on the bed for the past three days and couldn't muster up any strength.

"She was very hungry, and her hunger for food had reached its peak. "

She even felt that she could eat up a mountain if she was given one.

"However, the smell of roasted chicken drumsticks drifted over from the door. "

"Then, the servant's voice rang out. "Eldest miss, this chicken drumstick is just right. It's sizzling with oil, and its mouth is full of oil. Add some chili powder and cumin powder, and the taste is simply superb. Don't you think you should have a bite?" "

"Bai Jingzhu looked in the direction of the door, her eyes full of desire. "

But she couldn't compromise.

Absolutely Not!

""Miss, if you don't like drumsticks, Mr. and Mrs. have also ordered other delicious dishes. There are steaming noodles and meat dumplings..." "

Bai Jingzhu couldn't help but swallow her throat.

"At this moment, Bai Jingfei walked over. "She still won't eat it?" "

“Yes.”The maid nodded.

“Bai Jingfei was a little speechless. “Bai Jingzhu, what’s wrong with you? I advise you to Stop Now! Be careful not to make things worse. You’ll really lose your life!” ”

“I’m not afraid.”Bai Jingzhu’s weak voice came from inside.

It seemed like she was starving!

“Bai jingfei continued, “I say, are you sick? Isn’t the Chen family pretty good? If I Were you, I would marry them directly. But you, you don’t know how Lucky You are and want to Die!” ”

Bai Jingzhu didn’t say anything else.

“”Bai Jingzhu, I have looked down on you since you were young. I still look down on you!”Bai jingfei continued, “What kind of sister do you think you are? ! Other People’s sisters would do their best to earn a good future for their younger sister. But you, you would rather starve to death than give your younger sister some face!” ”

Bai Jingfei was disappointed that her iron was not strong enough.

“If Bai Jingshu agreed to marry into the Chen family, although she would not be able to obtain star energy, the circle she would come into contact with in the future would change. ”

“But now, Bai Jingshu was actually like this. ”

“Bai jingfei continued, “Why am I so unlucky? I was born into such a family. My parents are biased, my older sister is selfish, and my younger brother, stop talking about it! “Bai Jingshu, can’t you think about our big family? “Why are you so selfish?” ”

There was still no response.

Bai Jingfei did not say anything more and turned around to go downstairs.

“In the blink of an eye, it was the fourth day. ”

Bai Jingshu still refused to give in.

“This time, even Bai Jiacheng and Zhou Ying were a little anxious. ”

“Bai Jiacheng said angrily, “An evil daughter! She’s simply an evil daughter!”The daughters of other families were here to repay their kindness, but Bai Jingshu was here to collect the debt. ”

“Zhou Ying continued, “Why don’t we stop forcing her? Today is already the fourth day. What if something happens due to hunger?” ”

“Then clone one!”Bai Jiasheng said.

“Nowadays, S star system’s technology was advanced, and cloning technology was already very advanced. However, due to certain reasons, cloning technology had been banned. ”

“Hearing this, Bai Jingfei, who was drinking water, frowned. ”

Clone One?

Zhou Ying narrowed her eyes. “You’ve found a way?”

Cloning a sensible and obedient daughter was indeed a good idea.

“However, once she was caught, the consequences would be unimaginable. ”

““Of course, I’m prepared for anything,”said Bai Jiasheng. ”

“If it weren’t for the fact that they had no choice, as parents, who would be willing to do this! ”

This was all because of Bai Jingzhu!

Bai Jingfei put down her cup and walked upstairs.

“The maid was still waiting at the door. When she saw Bai Jingfei walk over, she immediately greeted her. ”

“Bai jingfei continued, “I’ll go in and persuade her.” ”

“The maid said awkwardly, “Second miss, Mr. and Mrs. said that no one is allowed to go in and see the eldest miss.” ”

“”Did my parents say that even I’m not allowed to go in and take a look? You’re just a maid in our house. As long as I’m unhappy, you don’t have to come tomorrow!” ”

“Hearing this, the servant hesitated for a moment before continuing, “Then you can go in and take a look, but don’t stay too long.” ”

“Got it.” Bai jingfei nodded.

The servant opened the door and let Bai Jingfei in.

“Hearing the sound of the door opening, Bai Jingshu, who was on the bed, raised her eyelids. She wanted to say something, but she didn’t have much strength. ”

“Bai jingfei continued, “You’re Not Dead Yet? Not bad, you’re quite tenacious!” ”

“W-what are you doing here?” Bai Jingshu asked weakly.

“”I’m here to see if you’re dead or Not!” Bai Jingfei walked to the bed and sat down. She reached out and pinched Bai Jingshu’s chin, forcing her to open her mouth. Then, she threw a black pill into Bai Jingshu’s mouth. ”

Bai Jingshu no longer had the strength to struggle. She could only let the pill melt in her mouth.

“”Listen, you mustn’t Die! Otherwise, your trip to the mortal world will be in vain!” ”

“After saying this, Bai Jingfei left the room. ”

“Bai Jingshu looked at Bai Jingfei’s back. For some reason, after eating a pill, she felt her hunger lessen significantly. ”

“The maid paced back and forth in front of the door. When she saw Bai Jingfei finally come out, she breathed a sigh of relief. “Second miss!” ”

Bai Jingfei looked at the maid. “Have my parents been here?”

“No.”The maid shook her head.

Bai jingfei nodded and turned around to head downstairs.

“Bai jingfei came all the way to the old house. She searched the hall but could not find old master Bai, so she found the butler of the old house. “Where’s My Grandfather?” ”

“”Old Master is taking an afternoon nap,”the butler replied. ”

“I’ll go in and take a look.”

“The Butler stopped Bai Jingfei. “Miss Jingfei, you can’t go in!” ”

“Old Master Bai’s favorite granddaughter was Bai Jingzhu. Bai Jingfei had always been a snob since she was young, so she didn’t really like Old Master Bai. ”

“If she rushed in recklessly, she would definitely be scolded. ”

“Bai jingfei said, “I have something urgent to find grandfather!” ”

“After saying that, she waved the butler’s hand away and went straight into the bedroom. ”

“Grandfather!”

Old Master Bai was woken up by Bai Jingfei’s voice. “What’s Wrong?”

“Bai jingfei continued, “Grandpa, please go and save my sister! She’s going to starve to death by my parents!” ”

““What’s Going On!”Hearing this, elder Bai immediately woke up. ”

Chapter 2275: 374: cut the crap! 1

Bai Jingfei briefly explained the whole process.

“Hearing this, elder Bai immediately sat up from the bed. His face was frighteningly gloomy. He had long known that his eldest son and eldest daughter-in-law were like a nest of snakes and rats, but he did not expect that they would even kill his own daughter. ”

“Bai jingfei continued, “I also heard my father say that he wanted to clone another sister!” ”

The thing that frightened Bai jingfei the most was the cloning.

“Once Bai Jingshu was successfully cloned, she might very well become the one to give up in the future.  
”

“Therefore, she absolutely could not let her parents’ protection succeed. ”

“In the Bai family, the only person who could stop her parents was elder Bai. ”

“”Ridiculous! This is simply ridiculous!”Elder bai continued, “Where is your sister now?” ”

“Bai jingfei said, “My sister is still being held by my parents.” ”

“How many days have they held your sister?”Old Master Bai continued to ask.

“”Four, four days,”Bai Jingfei answered. ”

“”Four days?”Old Master Bai looked at Bai jingfei and said furiously, “Four days and you’re only telling me now? Do you know that people will really die if you do this!” ”

An ordinary person could at most last three days without knowing if they should drink.

“Bai jingfei lowered her head and felt a little guilty, then, she said, “I also wanted to tell you earlier, but I didn’t dare! “You know my parents’ temper. If they find out that I came to inform them, they will definitely not let me go! “Grandfather, you must help me keep this a secret. Please don’t say that I came to inform you!” ”

“In fact, if she hadn’t heard what her parents said, she might never have told her grandfather about this.”

“After all, Bai Jingshu marrying into the Chen family was beneficial to her.”

“Bai Jingshu was her elder sister. From now on, she would be Chen Yaosheng’s sister-in-law. With the Chen family’s status in the s galaxy, she would be able to climb up to a higher position in the future.”

Who knew that Bai Jingshu would actually be so stubborn!

“After saying that, bai jingfei continued, “Grandfather, you don’t have to worry. When I came here, I specially went to take a look at my sister. I even fed her a nutrition pill. She’s fine for the time being.” ”

“Hearing that, elder Bai sighed. This matter could not be entirely blamed on Bai Jingfei.”

“No matter what, Bai Jingfei still came to tell him in the end. At the very least, it could prove that Bai Jingfei was not completely heartless.”

The people who were truly heartless were Bai Jiacheng and Zhou Ying.

They actually disregarded their kinship and even thought of a way to clone her.

Did he think that his daughter was an item?

“Let’s go to your house now!” Elder Bai turned around and walked out of the door.

“Grandfather!” Bai jingfei called out to elder Bai.

“Is there anything else?” Elder Bai turned around and asked.

“Bai jingfei continued, “Aren’t you going to change your clothes?” ”

Old Master Bai was still wearing his home clothes.

“Your sister is going to die. Is it time to change your clothes?”

“Bai Jingfei immediately shut her mouth and followed Old Master Bai’s footsteps. She continued, “Grandpa, I Can’t go back with you. If I go back with you, my parents will definitely find out and tell you.” ”

“”Then you should go somewhere else to hide first,”old master Bai said. ”

“Okay.”Bai jingfei nodded.

“Soon, Old Master Bai arrived at the Bai family home. ”

“Old Master Bai rarely came to visit. Zhou ying asked in surprise, “Father, why are you here?” ”

“I can’t Come?”Old Master Bai asked back.

“Zhou ying smiled and said, “Father, don’t misunderstand. That’s not what I meant!” ”

“Where’s Jingshu?”Old Master Bai continued to ask.

Bai Jingshu?

Zhou Ying already had a bad premonition in her heart.

“Old Master Bai’s favorite granddaughter was Bai Jingshu. If old master Bai knew that Bai Jingshu was locked up by them, Old Master Bai would definitely ruin things. ”

“Zhou Ying said without batting an eyelid, “Who knows where that wretched girl went! She’s not home all day! Maybe she went to Earth again!” ”

“Is that so?” Elder Bai looked at Zhou Ying.

His eyes were filled with scrutiny.

““Yeah.” Zhou ying nodded and continued, “Dad, why are you suddenly looking for Jingzhu?” ”

““I heard that Jingzhu came back, so I came to take a look. Does that mean that Jingzhu is not at home?” Elder Bai asked. ”

““Yes, she’s not at home.” Zhou ying smiled and said, “If you miss her, I’ll ask someone to send a message to her, asking her to come back and see you! “This child is really insensible. You Say You’re already so old, but you still keep thinking about her all day long.” ”

““Is it the adults who are insensible, or the child who is insensible?” Elder Bai asked back. ”

“The smile on Zhou Ying’s face did not change. “Dad, why do I not understand what you’re saying?” ”

Chapter 2276: 374: cut the crap! 2

“Elder bai continued, “Let me ask you one more question. Where is Jingshu?” ”

“Zhou Ying’s heart trembled, but she still pretended as if nothing had happened. She continued, “Dad, didn’t I tell you before? Jingshu might have gone to Earth. I’m not too sure either.” ”

““Good! Good! Very good!”Elder Bai pointed at Zhou Ying and said, “Zhou Ying, you’re too good! Where is Bai Jiacheng? Tell that unfilial son to get the hell out!” ”

““Dad, What’s going on? Sit down and have a drink. Let’s talk about it slowly! Who exactly made you unhappy?”Zhou Ying looked like she was submissive to her daughter-in-law. ”

“If outsiders saw it, they would really think that elder Bai was being unreasonable. ”

“Elder bai continued, “Tell Bai Jiacheng to get out!” ”

““Jiacheng isn’t at home either,”Zhou Ying answered. ”

“Where the hell is he?”Old Master Bai suppressed the anger in his heart.

“Zhou Ying was also a little unhappy and continued, “Dad, I know you have always looked down on Jiasheng, but Jiasheng is your eldest son after all...” ”

“Cut the crap!”Old Master Bai slammed the table and stood up. “Hurry up and tell Bai Jiasheng to get his ass back here!”

“Zhou Ying was shocked and stood up from her chair. “Dad, Dad, don’t worry. I’ll contact him right away.” ”

“After receiving Zhou Ying’s call, Bai Jiasheng immediately rushed back. ”

Zhou Ying stood at the door and waited for Bai Jiasheng.

“After about ten minutes, they finally saw Bai Jiasheng’s flying machine. ”

Zhou Ying immediately went up to him. “You’re finally back! Your Dad Is Like Crazy!”

“What’s Going On?” Bai Jiasheng frowned.

Zhou Ying shook her head. “How would I know what’s going on? He’s mad at me as soon as he gets home!”

“Hearing that, Bai Jiasheng frowned. According to his understanding of the old man, the old man was never a person who would get angry at random unless something really happened.”

“”Apart from getting angry, did my dad say anything else?” Bai Jiasheng continued to ask.”

“Zhou Ying continued, “He asked me if Jingshu was at home the moment he arrived...” ”

Zhou Ying’s expression changed when she said this. “Do you think your dad knows something?”

“It’s possible!” Bai Jiasheng said.

“Zhou Ying continued, “Then what should we do?” ”

Bai Jiasheng walked in. “Let’s take it one step at a time. Old Master might not be here for this. Let’s not scare ourselves.”

“Okay.” Zhou Ying nodded.

The two walked to the hall.

Old Master Bai sat on the chair in the head seat.

“Bai Jiacheng walked over with a smile. “Dad, you’re here! I heard from Zhou Ying that you’re looking for me. I wonder what it is?” ”

“Don’t you know what you’ve done?” Old Master Bai asked.

“Bai Jiacheng said, “Dad, don’t joke with me. Just tell me what it is.” ”

Old Master Bai looked at Bai Jiacheng and suddenly felt a little sad. He didn’t know when Bai Jiacheng had become like this.

How could he even do this to his own daughter?

“Where’s Jingshu?” Bai Jiacheng asked.

“Because he had just spoken to Zhou Ying, Bai Jiacheng wasn’t in a hurry, he continued, “Jingshu is your granddaughter who you’ve watched grow up with your own eyes. You should know her personality better than I do. If you want to find her, you shouldn’t come home. You should go to Earth. That place is almost her second home!” ”

“Is that so?” Elder Bai asked.

““Of course!” Bai Jiacheng nodded. “Dad, I heard that you haven’t been feeling well recently. Look, I specially asked someone to buy this special medicine for you in Galaxy F. You can try it.” ”

Elder Bai looked at Bai Jiacheng. “I’ll ask you one last time. Where is Jingshu?”

““Dad, I already said that she’s not at home.” ”

““Since you won’t tell me, I’ll have to find her myself!” With that, grandfather Bai stood up from his seat and walked upstairs. ”

“Bai Jiasheng’s heart skipped a beat, and he immediately followed in grandfather Bai’s footsteps. ”

“He absolutely couldn’t let grandfather Bai find out that he had locked Bai Jingshu up. Otherwise, this matter wouldn’t be so easy to resolve. ”

“”Dad, What are you doing?”Bai Jiasheng grabbed old master Bai’s arm. “As parents, would we harm our children?” ”

“Do you know what’s going on? !”Old Master Bai glared at Bai Jiasheng and then fiercely shook off Bai Jiasheng’s hand.

“Old Master Bai had practiced martial arts when he was young. Although he was old and his body was not in good shape, his skills were still there when it came to fighting. ”

Chapter 2277: 374: cut the crap! 3

“Although Bai Jiacheng was younger than Old Master Bai, he was still no match for Old Master Bai. ”

They arrived at the door of Bai Jingshu’s room.

The maid was still standing at the door.

Bai Jiacheng kept winking at the maid.

The maid immediately stood up. “Old Master.”

“Old Master Bai snorted and turned to look at Bai Jiacheng. “Tell me, what’s Going On?” ”

“Bai jiasheng pretended not to understand. “What do you mean, what’s going on?” ”

“Why are you sending people here to keep watch? Could it be that some criminals are locked up in Jingshu’s room?” Grandfather Bai asked.

“”No.” Bai Jiasheng wiped the cold sweat off his forehead. “Dad, What are you thinking about? !” ”

“You should ask yourself what you’ve Done!” Grandfather Bai shouted angrily. “Open the door for me!”

“Bai Jiasheng continued, “The door was broken a few days ago, so I can’t open it for the time being! Dad, Jingshu is really not inside. Please believe me!” ”

“”Okay, you won’t open it, right?” Elder Bai nodded. “I’ll open it myself!” ”

“Dad!” Bai Jiasheng had no choice but to hug elder Bai’s arm.

“Inside, Bai Jingshu felt as if she had heard her grandfather’s voice. ”

“However, she couldn’t hear him clearly. ”

It was as if she was hallucinating.

“Bai Jingshu looked in the direction of the door, her eyes filled with longing. ”

How she longed for her grandfather to descend from the sky and bring her out.

“Outside, Old Master Bai rolled up his sleeves and prepared to forcefully break down the door. ”

“Bai Jiacheng was very anxious. “Dad, calm down. There’s really nothing inside! If You Miss Jingshu, I can bring you to Earth to find her.” ”

“Get the hell out of my way!” Old Master Bai Flung Bai Jiacheng away.

Zhou Ying was also very anxious.

Old Master Bai walked to the door and began to open it violently.

Only when she heard the sound of the door being kicked open did Bai Jingshu dare to believe that her grandfather had really come.

Her grandfather had come to save her.

That's great!

"Grandfather!" Bai Jingshu regained some of her strength after taking the nutrition pills and shouted with all her might.

"Hearing the voice inside, grandfather Bai's eyes turned red. He turned to Bai Jiacheng and said, "Didn't you say that there was no one inside? Then whose voice is that? !" "

Bai Jiacheng didn't know how to answer.

""You unfilial thing, are you even human? !" Grandfather Bai raised his foot and kicked at Bai Jiacheng. "

Bai Jiacheng was caught off guard and was directly kicked to the ground by grandfather Bai.

"Zhou Ying immediately knelt down and stood in front of Old Master Bai, "Dad! Aren't we out of options as well? Do you know how much trouble that wretched girl has caused? We're doing this for her own good! Everyone says that we pity the world's parents. would our biological parents harm her?" "

"Then tell me what happened!" Old Master Bai said.

“Bai jingfei only told Old Master Bai about Bai Jingshu being locked up. She didn’t know what happened, but he wanted to see what the couple would say. ”

“Zhou Ying continued, “This girl offended the second young master of the Chen family, Chen Yaosheng, and even locked her up in the detention center...” ”

“After hearing that, Old Master Bai was so angry that his whole body was trembling. ”

He really couldn’t imagine what kind of grievances Bai Jingshu had suffered these past few days.

““You two B \* stards! You are simply not fit to be parents!”Old Master Bai was furious, “The one who is suffering now is Jingshu. She was almost bullied! As her parents, it’s fine if you don’t stand up for her, but you even locked her up to make her compromise! Are you still human?” ”

Master Bai hated himself for not knowing about this earlier and causing Bai Jingshu to be bullied.

Bai Jiacheng and Zhou Ying were worse than animals!

““Do you think we want to lock her up? What kind of family is the Chen Family? “Master Chen personally came to apologize and even said that he wanted to marry Jingshu. From now on, Jingshu will be the second young mistress of the Chen Family!”Zhou Ying Cried. “If we didn’t want Jingshu to marry better, we wouldn’t have to do this!” ”

“Master Bai was really angry. The couple was clearly trying to squeeze Bai Jingshu, but they had to act like they were doing Bai Jingshu a favor! ”

““Shut up!”Master Bai continued, “Do you think I don’t Know What You’re Thinking? “Let me tell you two, if there’s nothing serious with Jingshu today, it’s fine. But if she’s missing a hair, I’ll make you pay!” ”

“After saying this, Old Master Bai exerted force with his hand and kicked open the door. ”

It was as if a beam of light had suddenly shone into the dark and boundless space.

Chapter 2278: 374: Cut The crap! 4

It was extremely dazzling.

Bai Jingshu raised her head and looked up. Her eyes were filled with hope. "Grandpa!"

It was grandpa.

Grandpa had come to save her.

""Good child, I've made you suffer!"Old Master Bai walked to Bai Jingshu's side. "

""Grandpa, I'm Fine,"Bai Jingshu said. "

Old Master Bai Sighed and handed Bai Jingshu a bottle of nutrient solution. "Eat this first."

"Okay."Bai Jingshu took the nutrient solution.

"After drinking the nutrient solution, she felt much better. "

"Old Master Bai held Bai Jingshu's hand. "Good girl, come home with Grandpa." "

""Dad! If you take her away just like that, how are we going to explain this to the Bai Family? !"Bai Jiacheng stood in front of the grandparents. "

""What? Do you really want to starve my eldest granddaughter to death and then clone another one?" Old Master Bai glared at Bai Jiacheng, "Unfilial son, I'm telling you, if you dare to do this, Don't blame me for turning hostile!" "

Clone?

"Hearing this, Bai Jiacheng's heart skipped a beat. How did elder Bai Know About This? "

Could there be a mole in the family?

"Bai Jiacheng immediately retorted, "No, Dad, where did you hear such words! Jingshu is my biological daughter, how could I possibly do this!" "

"No? Really?" Elder Bai looked at Bai Jiacheng.

""I really didn't." Bai Jiacheng immediately raised three fingers. "Dad, I swear to God, I really didn't do such a thing!" "

"Elder Bai said, "You know very well whether I did it or not! Jingshu won't have parents like you in the future!" "

"After saying that, elder Bai angrily dragged Bai Jingshu out. "Jingshu, let's Go!" "

"Just as Zhou Ying was about to pull the two of them back, Bai Jiasheng stopped her. "

"Elder Bai already knew about the cloning. If Zhou Ying were to do anything now, it would only add fuel to the fire. As elder Bai's son, Bai Jiasheng understood elder Bai's personality very well. "

"If he was angered, he would really do anything. "

Bai Jingshu was brought to the aircraft by elder Bai.

""Grandfather, did you really mean what you said about cloning?"Bai Jingshu asked. "

Cloning.

Bai Jingshu never dreamed that her parents would have this idea.

Ridiculous!

How ridiculous!

"Yes."Elder Bai nodded. "Don't go back to that home if you can!"

"Bai Jingshu's expression was unclear. She continued, "How did you know that I was locked up at home by them?" "

""Jingfei, that Lass, came to tell me,"Old Master Bai said. "You too, Lass. How did you end up locked up by them? Don't tell me that you pretended to give in and then took the opportunity to escape?" "

"Bai Jingshu asked in surprise, "Jingfei?" "

Bai Jingfei had been at loggerheads with her since she was young. Bai Jingshu had never expected that the person who saved her life in the end would be her younger sister.

""Mm."Elder Bai nodded. "To be honest, that child is also somewhat beyond my expectations." "

"Bai jingfei usually appeared to be heartless, but she did not expect that she would be able to play such a role at such a critical moment. "

“After saying that, elder Bai continued, “You don’t have to worry about jingfei. That Girl is the most shrewd and smart! The reason she came to inform us was probably because she was frightened by the clone!” If there was really an example of a clone., by then, Bai Jingfei would also be unable to protect herself. It had to be said that Bai Jingfei was a very clear-minded person. ”

“Bai Jingshu continued, “No matter what, this matter is all thanks to her! If it wasn’t for her, I might have really become a failure and been destroyed.” ”

“Elder Bai sighed. “Grandpa is here. Jingshu, don’t worry. I have plenty of ways to deal with your parents!” ”

“”Okay.” Bai Jingshu nodded. “Grandpa, thank you.” ”

Grandpa was her salvation in the Bai family.

“”You Silly Child, you’re not an outsider with Grandpa.” Old Master Bai looked at Bai Jingshu with a gaze filled with heartache. ”

On the other side.

The Bai family.

“Bai Jingshu was taken away by Old Master Bai, leaving Bai Jiacheng and Zhou Ying staring at each other at home. ”

“Zhou ying frowned and said, “Quick, think of a way! The Chen family is going to send someone soon! How are we going to explain this to them?” ”

Bai Jiacheng was also very anxious now. He had thought that this matter was almost certain.

“He did not expect that in the end, all his efforts would be for naught. ”

Three boxes of Star Energy were gone!

Glory was gone too!

There was nothing left!

Bai Jiacheng sighed. "What else can we do now? We can only go against the Chen Family!"

There was no other way out in front of them.

Chapter 2279: 374: cut the crap! 5

"Zhou Ying was very upset. She gritted her teeth and said, "I don't know who was the one who secretly informed the old man! If I find out, I will skin him alive!" "

"Bai Jingfei walked in from the door and heard this sentence. She was so scared that her heart skipped a beat. However, she quickly adjusted her emotions and walked in. She asked in confusion, "What happened to mom and Dad? Why are you guys so sad?" "

"Where did you go just now?" Zhou Ying looked up at Bai Jingfei and narrowed her eyes. "Were you the one who tipped off your grandfather?"

Only the Bai family knew about this.

Who else could it be other than Bai Jingfei?

""What tipped off? Mom, why can't I understand what you're saying?" "

Zhou Ying raised her hand and was about to hit Bai Jingfei. "You traitorous B \* tch..."

Bai Jiasheng held her hand. "Jingfei has nothing to do with this. Why are you venting your anger on her?"

"Bai Jingfei had been at odds with Bai Jingshu since she was a child. She often mocked Bai Jingshu, so how could Bai Jingfei inform Old Master Bai? "

"A glimmer flashed in Bai Jingfei's eyes. "Father, grandfather came?" "

""Yes." Bai jiasheng nodded and continued, "There's nothing for you to do here. You can go back to your room!" "

"Bai Jingfei's face immediately fell, "Does that mean that Chen Yaosheng can't become my brother-in-law?"? "What is this idiot Bai Jingshu thinking! ?"! "Father, mother, don't worry. I will never learn from her in the future! "I will listen to your words and glorify the Bai Family!" "

"When he heard this, a smile appeared on Bai Jiasheng's face. "Good Boy!" "

"At this moment, a servant came in from outside. "Sir and Madam, the Chen family has sent someone over." "

"If it was any other day, Bai Jiasheng would definitely be very happy. However, today, he could not be happy. "Tell him to wait for me in the main hall." "

"Alright."The servant nodded and walked out.

"Soon, Bai Jiasheng came to the main hall. "

"Butler Wang immediately stood up from his chair. "Mr. Bai, the three days are up. I wonder what you mean now?" "

“Bai Jiasheng hesitated, then he said, “Butler Wang, please apologize to master Chen on my behalf. My Daughter’s temper is too fierce. I starved her for three days, but she refused. She is my biological daughter. I can never starve her to death!” ”

“Upon hearing this, Butler Wang was unhappy. “Mr. Bai, do you mean that you don’t agree with our master’s plan?” ”

“Bai jiasheng said, “It’s not that I don’t agree. I also want to marry the Cheng family into the Qin and Jin dynasties. We can turn hostility into amity. But on my daughter’s side...” ”

“At the end of his speech, Bai Jiasheng sighed. His face was full of distress. ”

“He was truly troubled now. The Chen family was already the little fat duck in his mouth, but now, the little fat duck had flown away! ”

“Butler Wang looked at Bai Jiasheng. “Mr. Bai, our family head said that as long as he can bail out our second young master, he will agree to whatever conditions you put forward!” ”

“”It’s not a matter of conditions now. Butler Wang, I’m also very helpless.”Bai jiasheng continued, “I’ll have to trouble you to tell Patriarch Chen the truth! I really have no other choice!” ”

Butler Wang frowned. “Is there no room for discussion?”

Bai Jiasheng shook his head.

Butler Wang returned to the Chen family with the news.

Chen Jinyan did not think much of it when he heard the news. Madam Chen had casually smashed an antique vase.

The Bai family was really too much!

Chen Jinyan looked at Butler Wang. "Did he really say that? Is there no room for negotiation?"

Butler Wang shook his head.

"Madam Chen's eyes were red as she said, "Are we really going to let Yaosheng go to jail?" "

Chen Jinyan did not say anything.

"That's ten years! Quickly think of a way!"

"Ten years later, Chen Yaosheng would really be a cripple! "

"Chen Jinyan continued, "A new official is always in trouble. Unless Bai Jingshu takes the initiative to go to the police station to close the case, Yaosheng will not be able to come out." "

"Cen Haifeng abdicated. Although CEN Shaoqing did not officially take over the General Alliance, the person in charge of the general alliance was CEN Shaoqing's trusted aide. "

""What about Yaosheng? He is your biological son!"Madam Chen cursed again. "That little B \* Tch Bai Jingshu will die a horrible death! What does she want? ! Isn't she just thinking of marrying into our Chen Family? I've already promised her, what else does she want?" "

"Chen Jinyan had a headache. He rubbed his temples and said, "Let me be quiet for a while." "

Chapter 2280: 476: so she had her back against a big tree! 1

"At this moment, Madam Chen was already burning with anger. How could she remain calm? "

The greatest glory of her life was to have two outstanding sons!

“But now, her youngest son was locked up in the detention center. In the future, he would be imprisoned for another ten years. This was simply the biggest stain in her life. ”

“Moreover, as a mother, who could watch her son being locked up in prison? ”

“”Quiet down for a moment? Don’t tell me that you can think of a solution just by being quiet for a moment?”Madam Chen said furiously, “You, the deputy governor, are just a decoration! You Can’t even save your own son! Tell me, what have I gained after following you for so many years!” ”

“Madam Chen kept on chattering, almost making one’s head spin. ”

“Chen Jinyan was already very angry, but when he heard Madam Chen’s words, he became even angrier, he said angrily, “Enough! A loving mother is a waste of a son! Can’t you look for the reason on yourself? Didn’t your son do anything wrong in this matter? A fly won’t bite a seamless egg!” ”

“As a father, Chen Jinyan also hoped that his son would be outstanding. However, Chen Jinyan was also very clear about Chen Yaosheng’s character. ”

He liked to play.

“It was fine under normal circumstances. If he was crazy, he would really be able to do anything. ”

“But Chen Jinyan never thought that one day, Chen Yaosheng would be sent to prison. ”

“”My Son?”Mrs. Chen pointed at Chen Jinyan and said, “Is yaosheng my son! It’s my fault for not teaching the father! Yaosheng has become like this. Can you, as a father, escape unscathed? Chen Jinyan, I have given my life to your Chen family and even gave birth to two sons for you. In the end, I am the source of evil, right?” ”

Mrs. Chen was really a little sad.

She never thought that Chen Jinyan would say such words.

“She married Chen Jinyan at the age of 23. From then on, she became a standard housewife. She treated her husband as her god and her son as her earth. She gave up what she loved and liked and gradually turned herself into a person that she hated. ”

Now?

“Not only did Chen Jinyan not appreciate her, he even pointed at her nose and criticized her! ”

He blamed her for not teaching her son well!

It was a huge joke!

“The more Mrs. Chen thought about it, the sadder she became. Tears almost burst out of her eyes, “Chen Jinyan, I gave up so much for you. Do you think that I don’t want to live a life that I like? I’m willing to stay at home all day and work hard for you and your son. In the end, I’ll still be despised by you... .. Now that Yaosheng is locked up, as a mother, can’t I even talk about it ? Chen Jinyan, in your heart, what am I ? Am I your Chen family’s nanny?” ”

“Hearing this, Chen Jinyan also felt a little guilty, he sighed and said, “Don’t think too much. I was just saying it casually. I’m also anxious about Yaosheng’s matter! I’m just like you. I Can’t wait to get Yaosheng back immediately. However, the situation is special now. I Can’t do anything about it!” ”

“At this point, Chen Jinyan paused and pulled Madam Chen into his embrace. “Don’t worry, Suzhi. I’ll do everything I can to get yaosheng back.” ”

“Hearing this, Madam Chen calmed down a little and nodded. “Okay.” ”

“At this moment, the sound of footsteps came from outside the door. ”

Madam Chen immediately wiped the tears off her face. "Who is it?"

"Mom." Chen Yaojun walked in from outside the door.

"Chen Yaojun was Chen Yaosheng's older brother. He was five years older than Chen Yaosheng, and he was also much more mature and steady than Chen Yaosheng."

"Compared to Chen Yaosheng, Chen Yaojun rarely caused his parents to worry."

"Sometimes, in comparison, Chen Jinyan regretted having a second child back then."

"If it weren't for Chen Yaosheng, there wouldn't have been so much trouble?"

Madam Chen immediately smiled. "Yaojun is back."

"Yes." Chen Yaojun nodded. Seeing that his parents didn't look too good, he continued, "Is there a new problem with Yaosheng?" "

"Madam Chen nodded. "The Bai family had already promised that they would let Bai Jingzhu close the case personally, but now, they have gone back on their word!" "

"Have they brought up new conditions?" Chen Yaojun asked.

"Chen Jinyan sighed. "If they really brought up new conditions, your mother and I wouldn't be in such a hurry! They just didn't bring up any conditions and told us that there's no room for negotiation." "

Chen Yaojun frowned.

They didn't bring up any conditions?

Then what did the Bai family want?

""The reason why Bai Jingshu set a trap for Yaosheng was to trap our family. Now that their goal has been achieved, it shouldn't be like this!" At this point, Chen Yaojun paused, then, he said, "Unless they have other demands! Dad, Mom, don't be anxious now. If the enemy doesn't move, I Won't move. The Bai family will definitely take the initiative to look for us." "
