Chapter 2281: 476: so she had a big tree behind her back! 2

“Chen Jinyan understood the logic, but he was afraid that Bai Jingshu only wanted Chen Yaosheng to go to jail.”

“Chen Yaojun saw through Chen Jinyan’s thoughts and continued, “Dad, don’t worry. Bai Jingshu took such a long detour to send Yaosheng to the detention center. It’s impossible for her to have no purpose at all.” ”

“What if there really is no purpose?”Chen Jinyan asked back.

“Chen Yaojun frowned. “If she didn’t have a motive, Yaosheng could only admit defeat. However, it’s almost impossible. No woman can resist the temptation of fame and fortune.”Bai Jingshu was naturally no exception.”

“After listening to Chen Yaojun’s words, Chen Jinyan felt much more at ease. He continued, “Has everything been settled on Zi Zhou Island?” ”

“There are no more problems.”Chen Yaojun shook his head. “You don’t have to worry. The most important thing now is yaosheng.”

“Chen Jinyan looked at Chen Yaojun and sighed. “If your brother was half as sensible as you, I wouldn’t have to worry so much!” ”

“Chen Yaojun said, “Dad, don’t be anxious. There will be a way to solve it.” ”

Chen Jinyan nodded. “It has already happened. It’s useless for me to be anxious.”

“”Yaojun, you said that Bai Jingshu has other motives and will come to our house in person. When will she come back?” ”

“Chen Yaojun continued, “It won’t take more than three days at most. If she doesn’t come in three days, we can only think of other ways.” ”

Three days later was the date of the trial.

“Under normal circumstances, Bai Jingshu would definitely come to the Chen family and make her final request.”

“Alright.”Madam Chen nodded.

“Just like Chen Jinyan, she trusted her eldest son very much.”

...

On the other side.

At the Bai family’s old residence.

“Old Master Bai invited a doctor over. Fortunately, Bai Jingshu was fine.”

“When he heard the doctor say that Bai Jingshu was fine as long as she paid attention to her nutrition in the later stages, old master Bai heaved a sigh of relief. “I’ve troubled you to make a trip, Doctor Wu.” ”

““Elder Bai, you’re too polite. This is what I should do,”doctor Wu said.”

Elder Bai stood up and sent Doctor Wu out of the door.

“Just as he sent Doctor Wu away, Bai Jingfei came over.”

“Grandfather!”

Elder Bai looked up at Bai Jingfei. "Your sister was just talking about you."

"Where is she?" Bai Jingfei asked.

"Elder bai said, "She's in the house." "

"I'll go in and take a look." Bai Jingfei walked in.

"Old Master Bai had seven granddaughters and ten grandchildren. His favorite granddaughter was Bai Jingshu, so other than Bai Jingshu, no one else in the Bai family's old mansion had their own bedroom. "

"When she was young, Bai Jingfei had always been very envious of Bai Jingshu. "

"Bai Jingshu's bedroom was decorated in a dreamy, pink and tender way, and it was still the same even now. "

"Favoritism!" Bai Jingshu muttered softly as soon as she entered the bedroom.

"Other People's grandfathers would always be secretive about favoritism, but Old Master Bai was doing it openly, as if he was afraid that his other grandchildren would not know that he was favoring Bai Jingshu. "

Bai Jingshu heard the commotion and looked outside. "Jingfei."

"Bai Jingshu, I saved you once. How are you going to repay me?" Bai Jingfei walked up to Bai Jingshu. "

"How do you want me to repay you?" Bai Jingshu asked.

"I need a boyfriend," Bai Jingfei said. "

Bai Jingshu raised her eyebrows slightly. "You want me to introduce you to a boyfriend?"

"Smart. As expected of my sister, Bai Jingfei!" Bai Jingfei would never hide her thoughts. "

"What kind of man are you looking for?" Bai Jingshu asked.

Bai Jingfei looked at Bai Jingshu. "I think you know very well."

"You're not interested in Manwen, are you?" Bai Jingshu retorted. "

"Bai Jingfei smiled and said, "Don't worry. I'm not Bai Mo. I know myself well enough to know that Manwen won't be interested in me!" "

"Bai Mo's heart was as high as the sky, but unfortunately, his life was as thin as paper. "

"Bai Jingshu knew how much she weighed, so she didn't think about all that nonsense. "

She just wanted to find someone she liked and have a decent background.

"As far as the eye could see, Zhou Yuanman, Bai Jingshu's primary school classmate, was the most suitable for her. "

"Most importantly, Zhou Yuanman's appearance was also more in line with her aesthetic standards! "

"After Bai Jingshu's incident, Bai Jingfei only wanted to find her Prince Charming as soon as possible. She didn't want to end up like Bai Jingshu, becoming a tool in her parents' hands. When the tool had its own ideas., they came up with a method to clone her. "

“Bai Jingfei was different from Bai Jingshu. Bai Jingshu had her grandfather’s support, while Bai Jingfei had nothing. If she was cloned, then she really was cloned!”

Chapter 2282: 476: so you have a big tree to back you up! 3

“Then who do you fancy next to me?” Bai Jingshu asked curiously.

“Bai jingfei continued, “Zhou Yuanman is not bad.” ”

“Zhou Yuanman was Bai Jingshu’s elementary school classmate. He had once chased after Bai Jingshu. When Bai Jingfei heard her words, Bai Jingshu frowned slightly. ”

It seemed a little inappropriate to introduce someone who had chased after her to her younger sister.

““I know that Zhou Yuanman has courted you before. Don’t worry, I don’t mind. Besides, I don’t need you to promise me anything as long as you introduce Zhou Yuanman to me.”As she said this, Bai Jingfei’s expression became serious, “I really like Zhou Yuanman. Help me and let us get to know each other. You Don’t have to worry about the rest.” ”

Bai Jingfei was confident that she could handle that otaku Zhou yuanman.

Bai Jingshu hesitated for a moment and nodded. “Okay.”

““Thank you,” Bai Jingfei said with a smile. ”

“Bai Jingshu continued, “We have a class reunion the day after tomorrow. Come with me.” ”

““Okay.” Bai jingfei continued to ask, “What time is the day after tomorrow?” ”

“Ten o’clock in the morning the day after tomorrow.”

“”Okay, I’ll look for You Then.” Bai Jingfei stood up. “I’ll go to a beauty salon first. See You the day after tomorrow.” ”

“Go ahead.”

“Looking at Bai Jingfei’s back, Bai Jingshu sighed softly. ”

She didn’t know whether her decision was right or wrong.

“Soon, two days later. ”

Bai Jingfei arrived at the old residence as promised.

“Bai Jingshu was the class Belle when she was in school, so she was more popular among her classmates. ”

“Bai Jingfei looked a little like Bai Jingshu. After introducing Bai Jingfei., everyone said jokingly, “Jingshu, you actually have such a good-looking sister hiding in your house. If you had brought her out earlier, I wouldn’t have been single for so long.” ”

“Bai Jingshu smiled and said, “My sister is still single. If you want to pursue her, you have to work harder.” ”

“As soon as she said that, everyone immediately started to jeer. ”

“Bai Jingfei was a person who knew how to stir up trouble. In less than an hour, she had already gotten into a heated argument with everyone. ”

Bai Jingshu did not interfere too much between her and Zhou Yuanman.

“Around 5:30 pm, the party ended.”

Bai Jingfei went to sing with a few people while Bai Jingshu returned to the old mansion alone.

“Just like that, she accompanied her grandfather to stay in the old mansion for a few days before Bai Jingshu proposed to return to Earth.”

“Elder Bai naturally agreed. He then handed Bai Jingshu an extremely small chip and instructed, “A girl must protect herself no matter where she is. If she encounters any danger, activate this chip.” ”

“”Alright.”Bai Jingshu took the chip. “Sister, you must also take good care of yourself.” ”

“Elder bai chuckled and said, “Don’t worry about me. I’ll take good care of myself. It’s you, Lass, who isn’t as tactful as Jingfei in dealing with the world. That’s why I’m worried.” ”

Bai Jingshu’s personality was more Buddhist.

She wasn’t good at fighting.

She needed to be protected. Old Master Bai sincerely hoped that Bai Jingshu could find someone who could protect and love her as soon as possible.

“”Thank you, grandfather.”Bai Jingshu reached out and hugged old master Bai. ”

“Ever since she was young, it had always been her grandfather who protected her. ”

Her grandfather was her umbrella!

“Silly child.” Old Master Bai chuckled and said, “Hurry up and leave. Bring back a grandson-in-law for me as soon as possible.” ”

“Okay.” Bai Jingshu nodded.

“After bidding old master Bai Farewell, Bai Jingshu went to the interstellar shuttle and set off for Earth. ”

“Bai Jingshu, who was still waiting at the Chen family’s side, personally came to negotiate with them. ”

“However, after waiting for a long time, Bai Jingshu still did not come to their door. ”

“This time, Chen Yaojun was a little anxious. ”

“Logically speaking, his prediction should not be wrong. ”

But how could Bai Jingshu not act according to common sense?

“Whether it was Chen Yaojun or the rest of the Chen family, they were also very anxious. ”

“Madam Chen frowned and said, “What exactly is going on with Bai Jingshu! Could it be that she doesn’t want to marry into our Chen Family?” ”

Chen Jinyan sighed. “The thing that I was most worried about still happened.”

“Mom, what exactly happened that day? Was it Bai Jingshu who set yaosheng up, or yaosheng...”the rest was self-evident. ”

“Nonsense! It must be Bai Jingshu who set yaosheng up on purpose! Yaojun, don’t you know what kind of person your brother is? How could he do such a thing?” Madam Chen never believed that her son would do such a disgusting thing, then she said, “Besides, with your brother’s condition, what kind of girl could he not find? Why does he have to force himself on that Little B \* Tch, Bai Jingshu?” ”

Chapter 2283: 476: so she had her back against a big tree! 4

“Chen Yaojun massaged his temples and did not say anything. “Now that Bai Jingshu has not shown up, this matter is a little tricky.” ”

““You and your father, one is a deputy governor and the other is a detective. Is there nothing you can do?”Madam Chen asked. ”

“Chen Yaojun shook his head. “A new official has been appointed to the post three times. Now that the investigation is at its strictest, the slightest carelessness will bring disaster upon us! Mother, have you forgotten about the Zhao Family?” ”

“When the Zhao family was mentioned, Mrs. Chen’s expression changed. In the past, she had the best relationship with Mrs. Zhao. Ever since Zhao youguo was removed from power, she had never seen Mrs. Zhao again. ”

“What should we do now? Just watch Yao Sheng be locked up for ten years?”Mrs. Chen asked.

Chen Yaojun did not say anything.

“As his brother, he did not want to see such an outcome. However, there was nothing he could do now. ”

“Chen Jinyan continued, “He will learn from his mistakes. Let him suffer this time. Let’s see if he dares to do anything again!” ”

“Ten years! Are you going to watch Yaosheng suffer for ten years?”Madam Chen asked.

“Chen Jinyan said helplessly, “So what if I don’t have the heart? He is breaking the law now! A prince breaking the law is the same as a commoner!” ”

“”Dad, Mom, don’t worry.”Chen Yaojun continued, “The difficulty is only temporary. Let yaosheng perform well in there first. If he performs well, his sentence can be reduced.” ”

Madam Chen’s face turned pale.

“Chen Jinyan sighed again. These days, because of Chen Yaosheng’s matter, his hair was almost half done up, “When the news reaches the end of the bridge, everything will be fine. Our children and grandchildren will have their own blessings. We have done what needs to be done. I will go and take care of it so that he doesn’t feel so uncomfortable in there.” ”

“Upon hearing this, Madam Chen’s emotions completely collapsed. She hugged Chen Jinyan and burst into tears.”

Chen Jinyan could only Pat Madam Chen on the back to comfort her silently.

“Since things had come to this, they could only do this.”

“Before the court verdict was announced, Chen Jinyan found a time to meet Chen Yaosheng.”

“When he saw Chen Jinyan, Chen Yaosheng was extremely excited. “Dad, Dad! Are you here to bring me home? I can go home now, right?” ”

Chen Yaosheng had always been pampered. He had never suffered like this before. He could not wait to leave this place immediately.

“Seeing Chen Yaosheng like this, Chen Jinyan sighed. “Not yet.” ”

“Why?”Chen Yaosheng asked.

“Chen Jinyan continued, “Tell me honestly, what exactly is going on between you and Bai Jingshu?” ”

“Chen Yao was furious when he recalled what had happened that night, “Bai Jingshu, it was all because of that woman Bai Jingshu who set me up! If it wasn’t for her, I wouldn’t have ended up like this! and Lin Ze, that B \* Stard couple! Dad, you must avenge me!” ”

“Lin Ze?”Chen Jinyan frowned.

“Yes! It’s him!”Chen Yaosheng nodded hurriedly.

“Chen Jinyan continued, “Who is Lin Ze?” ”

“Chen yaosheng said, “Lin Ze is an earthling, but I don’t think he is an ordinary earthling...”how could an ordinary earthling have such explosive power that even his steel armor was cracked! ”

“Where is your memory chip?”Chen Jinyan asked.

“In the General Alliance, everyone had a memory chip when they were born. The memory chip was like a miniature monitor that could record every day of the past ten years. ”

“Speaking of this, it was a disgrace to Chen Yaosheng. His hands were clenched into fists. ”

“What happened?”Chen Jinyan asked.

“Chen yaosheng continued, “My memory chip was destroyed by Lin Ze during the fight!” ”

“What?”Chen Jinyan asked.

“Chen yaosheng said angrily, “I am sure that Lin Ze is not an ordinary person. Otherwise, he would not be able to beat me! Dad, you must avenge me!” ”

Chen Jinyan frowned slightly and did not say anything.

“Seeing his father like this, Chen Yaosheng asked again, “Dad, when can I go out?” ”

“Although Chen Jinyan had said that he could not take him back for the time being, based on Chen Jinyan’s position in the alliance, he would definitely be able to bail him out as soon as possible. ”

““Yaosheng, you have to be mentally prepared.”Chen Jinyan looked at Chen Yaosheng. ”

“Hearing this, Chen Yaosheng’s heart skipped a beat. “Dad, what do you mean?” ”

““The court will give you a minimum sentence of ten years,”Chen Jinyan continued. ”

““What?”Hearing this, Chen Yaosheng’s face instantly turned pale. ”

“Ten, ten years? ”

How could this be?

Chapter 2284: 476: so he had his back against a big tree! 5

““Dad! Dad! You’re not really going to let me go to jail for ten years, are you? You have to save me! Dad! You have to save me!”Chen Yaosheng almost burst into tears, just the few days in the detention center alone was already unbearable for him, let alone being locked up for another ten years? ”

What did ten years mean?

No.

He did not want to go to jail!

“Chen Jinyan continued, “If you knew this would happen, why did you do it in the first place! If you didn’t do such shameful things, how would trouble find its way to you?” ”

“”Dad, this is really not my fault. It’s all Bai Jingshu’s fault. That B \* Tch Bai Jingshu seduced me! If she didn’t seduce me on her own accord, why would I do this? What kind of woman do I usually want? Dad, I beg you, please save me. I Won’t dare to do this again in the future!” ”

Chen Jinyan’s face was cold and he didn’t say anything.

“Seeing that the visiting time was almost up, Chen yaosheng cried out, “Dad! Dad! I’m your biological son. You Can’t be so heartless to me! You have to save me!” ”

“Chen Jinyan continued, “During this period of time, you should properly reform inside. Don’t stir up trouble. I’ll think of a way over here.” ”

“Hearing this, Chen Yaosheng seemed to be grasping at the last straw. “Okay, Dad. Don’t worry. I’ll definitely listen to you. You must get me out of here as soon as possible.” ”

Ding!

“The visiting time was up. The transparent glass in front of Chen Yaosheng immediately turned gray, cutting off the sight of both parties. ”

“”01456, Time’s up. Hurry up and go back.”In the detention center, the suspect didn’t even have his own name. He only had a code name. ”

Chen Yaosheng was 01456.

“Hearing his code name, Chen Yaosheng stood up from his chair and walked back.”

“On the other side, Chen Jinyan walked out of the police station and said to his assistant, “Help me investigate an earthling.” ”

“Who?”The assistant asked.

““Lin Ze,”Chen Jinyan answered.”

“Since the culprit was Lin Ze, as long as they found Lin Ze and dealt with him, they would definitely be able to resolve this matter.”

“Lin Ze?”The assistant felt that this name was somewhat familiar and was stunned.

“Why do you know him?”Chen Jinyan asked.

The assistant shook his head. “I think I’ve heard of him.”

“Chen Jinyan continued, “After you find this person, immediately put him under my control.” ”

“At this point, he seemed to have thought of something and continued, “I heard that Lin Ze’s skills are pretty good. Arrange for a few more people and don’t let your guard down.” ”

“Hearing this, the assistant’s expression was a little complicated.”

He was just an earthling. How good could he be when he stretched out his hand?

“However, the assistant did not show it. He nodded and said, “Okay.” ”

“After giving these instructions, Chen Jinyan boarded the flying machine next to him.”

The assistant went to investigate Lin Ze.

“Lin Ze was an earthling. In the alliance, it was too easy to find information about an earthling.”

“Initially, he thought that Lin Ze was just an ordinary earthling. However, after seeing Lin Ze’s information, the assistant’s face turned pale.”

He immediately went to Chen Jinyan’s office. “Deputy Governor!”

““Why are you here? Didn’t I ask you to investigate Lin Ze?”Chen Jinyan frowned slightly and continued, “Have they arrested him?” ”

““Not yet, not yet.”The assistant gulped. ”

“Then why are you here?”

“The assistant continued, “Vice-captain, Lin Ze... may be untouchable.” ”

Untouchable?

“He was just an earthling, what was there to be untouchable about? ”

“How am I supposed to do my job?”Chen Jinyan raised his eyebrows slightly.

““I don’t dare. It’s true that Lin Ze’s identity is a little special...”the assistant continued, “He, he is...” ”

“Can he still be the Emperor?”Chen Jinyan asked.

“Even the Emperor had to pay a price for offending his son, not to mention that Lin Ze was just an earthling.”

“The assistant continued, “Lin Ze is Miss Ye’s older brother.” ”

““What Miss Ye? What’s wrong with Miss Ye? Even if it’s Ye...”at this point, Chen Jinyan’s unfinished words stopped abruptly. He turned to look at the assistant. “What did you say? Whose older brother is Lin Ze?” ”

““Miss Ye,”the assistant answered. ”

Chen Jinyan’s face turned pale.

No wonder!

No wonder!

No wonder the Bai family was so strong-willed. It turned out that they were backed by a big tree.

“Is the information reliable?”Chen Jinyan continued to ask.

Chapter 2285: 477: an ordinary friend! 1

“Absolutely reliable.”The assistant handed over the document with both hands. “Take a look at this.”

“Chen Jinyan took the document. After looking through it, his originally tightly furrowed brows looked more like a small hill.”

Lin Ze was indeed ye Zao's older brother.

"After confirming this news, Chen Jinyan rubbed his forehead with a slight headache."

"It would be easier if it was just ye Zao's words. After all, this was the General Alliance. Ye Zao was the legend of the Chang Yue country. No matter how long her hands were, they could not reach the general alliance."

"However, the bad thing was that ye Zao's fiancé was Cen Shaoqing."

"In this way, Lin Ze became CEN Shaoqing's brother-in-law."

"With such a backer, in the entire General Alliance, who would dare to provoke Lin Ze?"

No wonder.

No wonder an ordinary earthling like Lin Ze dared to provoke Chen Yaosheng.

Things were getting more and more troublesome!

"Chen Jinyan was at a loss. He said to his assistant, "You can leave first." "

"Yes."The assistant nodded and walked out.

"At this moment, Chen Jinyan seemed to have thought of something and said, "Wait a moment." "

"Do you have any other instructions?"The assistant turned to look at Chen Jinyan.

"Chen Jinyan continued, "Go and call Yaojun over." "

“Okay.”

“Very soon, Chen Yaojun arrived. ”

“”Dad, you’re looking for me.” ”

“Yes.”Chen Jinyan nodded.

“Chen yaosheng continued, “Is it because of Yaosheng’s matter?” ”

Chen Jinyan continued to nod.

“Chen Yaojun looked at Chen Jinyan and said, “Dad, don’t worry. I’m already thinking of a way. Even if I have to use all my connections, I have to bail yaosheng out in the shortest time possible.” ”

“”Don’t.”Chen Jinyan shook his head. “From now on, you don’t have to worry about Yaosheng’s matters.” ”

“”Why?”Chen Yaojun continued to ask, “Could it be that you’ve already...” ”

“Chen Yaojun had yet to speak when Chen Jinyan sighed and said, “There’s no way to bail yaosheng out. Do you know who sent him in?” ”

“I don’t know.”Chen Yaojun shook her head.

“Chen Jinyan continued, “It’s Miss Ye’s brother.” ”

Miss Ye’s brother?

Chen Yaojun was stunned. "Are you talking about Miss Ye Zhuo?"

"Yes." Chen Jinyan nodded.

"As a detective, Chen Yaojun naturally knew about the relationship between Ye Zhuo and Cen Shaoqing."  
"

"Now that Chen Yaosheng was personally sent to the detention center by Lin Ze, either Bai Jingshu would take the initiative to forgive him, or Lin Ze would let Chen Yaosheng off the hook once, or else..."

"Yaosheng has really kicked an iron plate this time!" Chen Jinyan continued, "We have to be careful from now on. We must not let anyone catch us." "

"At such a critical moment, if the Chen family was caught by someone, they would never be able to turn the tables. "

"Okay." Chen Yaojun nodded. "Don't worry, Dad. I know what to do." "

"Chen Jinyan continued, "In addition, go to the detention center and tell Yaosheng to keep his mouth shut. Don't offend anyone he shouldn't offend." "

"Okay."

...

"When she found out that Chen Jinyan had given up on Chen Yaosheng, Madam Chen was on the verge of breaking down. "

A tiger doesn't eat its own son.

Chen Jinyan was good. He even gave up on his own son.

“Before Chen Jinyan could return from work, Mrs. Chen came to Chen Jinyan’s office. ”

“What are you doing here?”Chen Jinyan frowned slightly when he saw Mrs. Chen.

He had always disliked Mrs. Chen coming to his place of work.

“Why can’t I Come? Are you feeling guilty?”Mrs. Chen asked.

“Chen Jinyan asked somewhat inexplicably, “What am I Feeling guilty about?” ”

“Madam Chen’s face was full of sarcasm, “Actually, I’ve long noticed that you’ve always disliked yaosheng. You feel that Yaosheng isn’t as outstanding as Yaojun. You even regret having a second child back then! But Yaosheng is your son after all. As a father, how can you be so biased! Although Yaosheng isn’t as outstanding as Yaojun, he has always respected you as a father! What About You! This is how you treat Yaosheng!” ”

“Ten years, that was a whole ten years! ”

“As a mother, Madam Chen really could not bear to see her son suffer like this. ”

“Madam Chen loved her two sons very much. Even though Chen Yaosheng was not as outstanding as Chen Yaojun, in Madam Chen’s heart, they were her treasures. ”

She really could not imagine how Chen Jinyan made this decision.

What right did he have to be a father?

“Although Madam Chen did not say it explicitly, Chen Jinyan could hear the hidden meaning in her words. There was no anger on his face. He only said, “You know about it?” ”

“You admit it?” Madam Chen looked at Chen Jinyan.

Chapter 2286: 477: a normal friend! 2

Chen Jinyan sighed. “What’s there to admit! You Don’t understand the situation at all!”

“Then tell me! I want to see what kind of flowers you can come up with today!” Madam Chen said.

“Chen Jinyan continued, “Sit down and drink some water first to calm down.” ”

““I’m already very calm now,” Madam Chen said. ”

“She had been restraining herself. If she had not calmed down, she would have already started fighting with Chen Jinyan. ”

“Chen Jinyan pressed on Madam Chen’s shoulder and sat down. “Suzhi, let me explain it to you.” ”

Madam Chen sat down.

““Yaosheng offended a lot of people,” Chen Jinyan continued, “Not to mention me, even the captain could not bail him out.” ”

“Not only could he not save her, but he would also get himself into trouble. ”

““Chen Jinyan, don’t give me excuses! Isn’t it just the Bai Family? What’s so great about them? How could they scare you so much?” Mrs. Chen said coldly, her eyes full of sarcasm. ”

“He offended more than the Bai family. Do you know who is standing behind Bai Jingshu?” Chen Jinyan asked.

“Who is it?” Mrs. Chen asked.

“It’s Lin Ze,” Chen Jinyan answered. ”

“Lin Ze?” Mrs. Chen frowned slightly. She did not find Lin Ze’s name among the newly promoted nobles.

“Seeing Mrs. Chen like this, Chen Jinyan continued to explain, “Although Lin ze is just an ordinary earthling, he is Miss Ye’s brother, Cen Shaoqing’s future brother-in-law. Tell me, how can our family afford to offend such a person?” ”

“Hearing this, Mrs. Chen was immediately stunned.”

She had never thought that Bai Jingshu would be so capable.

“Then, then we can only watch Yaosheng go to jail?” Mrs. Chen turned to look at Chen Jinyan, her voice trembling. ”

Chen Jinyan nodded.

Tears almost burst out of Mrs. Chen’s eyes.

She could not accept the truth.

“Is there really no other way?” Mrs. Chen continued to ask.

“No,” Chen Jinyan continued, “Unless Bai Jingshu agrees to close the case.” ”

Agree to close the case?

“If Bai Jingshu was really willing to close the case, things wouldn’t have developed to this stage.”

“In the end, Mrs. Chen was helped out of the office by Chen Jinyan.”

One day later.

The trial announced that Chen Yaosheng was sentenced to ten years in prison and deprived of his political rights for life.

Chen Jinyan and Mrs. Chen were not present on the day of the sentencing.

“Ever since they found out that the person behind the scenes was Lin Ze, the couple had kept a low profile. They had to avoid any suspicion that they should avoid.”

They could not afford to offend the person behind Lin Ze.

Chen Yaosheng also received a warning from his father. He no longer made a fuss but confessed his mistake.

He really regretted it.

“If he had known that Lin Ze was ye Zao’s brother, he would not have fought with Lin Ze.”

But now...

“If he could travel through time and space, he would definitely beat that stupid self to death.”

“Although she was not present, Mrs. Chen was crying her heart out at home.”

Ten years.

“From now on, if she wanted to see Chen Yaosheng, she would have to go to prison... ..”

“When she thought of this, Mrs. Chen was in so much pain that she couldn’t breathe. ”

...

On the other side.

Bai Jingshu successfully landed on Earth with the interstellar shuttle.

“At the same time, she received the verdict of the court. ”

Ten years.

“When she saw this result, Bai Jingshu heaved a sigh of relief. ”

“After parking the interstellar shuttle, Bai Jingshu returned home to find that all the broken things in her house looked brand new. ”

It was as if nothing had happened.

Lin Ze must have done it.

“Thinking of Lin Ze, Bai Jingshu’s eyes curved. Not only Lin Ze, but everyone in the Lin family was very nice and warm. ”

“Unfortunately, she didn’t live in that kind of family. ”

Bai Jingshu took out her phone and called Lin Ze.

“Soon, the call went through. “Hello.” ”

““Lin Xian...” Bai Jingshu realized that something was wrong and immediately changed her words. “Lin Ze, I’m back.” ”

“Have you solved all the problems over there?” Lin Ze asked.

““Yes, everything has been solved.” Bai Jingshu continued, “Are you free tonight? If you’re free, let’s have dinner together.” ”

“Lin Ze hesitated for a moment on the other end of the phone before saying, “Okay.” ”

“What time are you free?” Bai Jingshu asked.

““I’m free anytime. Just send me the time when you decide,” Lin ze replied. ”

“How about six o’clock then?” Bai Jingshu suggested.

““Sure,” Lin ze replied. ”

“Bai Jingshu continued, “Then... we’ll meet at the rose at six o’clock?” ”

“Okay.”

“Bai Jingshu smiled and said, “Then you go ahead. I Won’t leave until I see you.” ”

“OK.” Lin Ze hung up the phone.

Chapter 2287: 477: a normal friend! 3

“As soon as they hung up the phone, buttface and fat tiger walked over with ill intentions. “Hehehe... Brother Ze, what’s the situation?” ”

“Lin ze said calmly, “What’s the situation?” ”

“I heard a voice. Why did it seem like a girl was talking to you just now?”Buttface said.

““You heard wrong,”Lin ze said. ”

“Did I really hear wrong?”Fat Tiger Laughed Evilly. “I also heard that girl ask you to meet her at the rose at six o’clock in the evening.”

““The Rose?”Hearing this, Li Wen immediately walked over from the side and said in surprise, “Who wants to meet who at the Rose?” ”

The Rose was obviously a sacred place for couples to date.

Fat Tiger and dog two had evil smiles on their faces.

Only Lin Ze looked at them seriously.

“Seeing the three of them like this, Li Wen was even more curious. “Who is it! Which one of you three secretly has a dog outside behind my back?” ”

“Lin Ze continued, “It’s nothing. Don’t listen to their nonsense.” ”

“Really?”

“Of course it’s fake!” Fat tiger continued, “I just heard someone ask brother Ze to have a meal at the date with the Rose.” ”

Fat Tiger emphasized the words ‘rose date’.

“Fat Tiger heard it with his own ears, and you still want to deny it?” Li Wen looked at Lin Ze. ”

“Lin Ze said, “It’s just a meal. Don’t think too much about it. She and I are just ordinary friends.” ”

“Ordinary friends for a meal at the rose date?” dog two continued, “Brother Ze, do we look like idiots?” ”

“After saying this, dog two held Li Wen’s hand. “Mozzie, let’s go to the rose after work for dinner.” ”

“Li Wen had goosebumps all over his body. He immediately shook off dog two’s hand. “Rephrasing words, disgusting! Who Wants to go to the rose with you for dinner!” ”

Fat Tiger was extremely amused by the two of them.

“Brother ZE, if you confess, we’ll be lenient. If you resist, we’ll be strict. What’s the relationship between that girl and you?” Li Wen turned to look at Lin Ze. ”

“We’re just friends,” Lin ze replied. ”

“Brother Ze, that’s not interesting. Are We Still Your Good Brothers?” Fat Tiger came over and hooked his arm around Lin Ze’s neck. ”

Dog two immediately walked over and hooked its arm around Lin Ze’s left neck.

“Li Wen stood in front of Lin Ze and stared into his eyes without blinking. “If you confess, we’ll be lenient. If you resist, we’ll be strict.” ”

Lin Ze:” ...”

““We’re really just ordinary friends,”Lin ze said helplessly. “Is it weird for ordinary friends to go to the rose date for dinner?” ”

“Then do you think it’s weird for a grown man to go shopping in a pink dress?”Li Wen asked.

Lin Ze touched his nose. “Of course it’s weird.”

“Then it’s also weird for you to go to the rose date with an ordinary friend!”Li Wen said.

Lin Ze frowned without a trace.

“However, he didn’t hate this feeling. ”

“Fat tiger smiled and said, “Brother ZE, just confess!” ”

““That’s right, that’s right,”dog two said. “Brother Ze, you’re already so old. It’s normal for you to have a girlfriend. However, I’m just a little curious. What does sister-in-law look like? She can actually conquer a straight man like you.” ”

“When he said “Sister-in-law,”Lin Ze’s ears turned red. ”

This feeling was almost subconscious.

It was... a little strange.

“TSK, TSK, tsk. Your ears are red, and you still say that you’re not a boyfriend and girlfriend.” dog two continued, “Brother Ze, I didn’t see it. Why are you still blushing like a big girl?” ”

“Don’t talk nonsense. We’re really just ordinary friends,” Lin ze said. ”

“Alright, Alright, Alright. We’re just ordinary friends, Alright!” Dog two looked at fat tiger and Li Wen. “Mozzie, Fat Tiger, listen up. Brother Ze and his girlfriend are just ordinary friends. You two are not allowed to joke around anymore, Alright?” ”

“Alright, Alright!” The two nodded perfunctorily. ”

“Lin Ze immediately felt a headache coming on. He wanted to explain something, but he was unable to. ”

“In the blink of an eye, it was 5:30 pm. ”

“Lin Ze had always been a punctual person. He checked and found that it would take about ten minutes to get to rose from the studio. With the traffic jam, half an hour was more than enough time. ”

“Therefore, after making arrangements for the rest of his work, Lin Ze went to the underground parking lot and drove away. ”

“Seeing Lin ze leave, buttface, fat tiger, and Li Wen immediately followed. ”

“Buttface, slow down. Don’t let brother Ze find you.” ”

“Don’t worry.” Buttface held the steering wheel with one hand and whistled. “I’m good.”

Chapter 2288: 477: an ordinary friend! 4

“Will you die if you don’t brag?” Fat Tiger was a little speechless. “There are no girls in this car!”

“Dog Two’s skills were indeed good. It followed Lin Ze neither too far nor too close, but Lin Ze didn’t notice anything unusual.”

“It wasn’t that they wanted to pry into Lin Ze’s privacy, but that they were too curious about what a girl who could catch Lin Ze’s eye looked like.”

She would definitely look good!

The three of them drove all the way to the rose date with Lin Ze.

“In order to prevent Lin Ze from discovering them, fat tiger rented a shared car.”

“Looking at Lin Ze’s back, dog two complained, “Look at how casual brother Ze is. He doesn’t even know how to change his clothes on a date! You guys are not allowed to learn from him in the future. They are all negative examples!” ”

““Yes, yes, yes.” Fat Tiger nodded. “Not only do I have to change my clothes, I also have to buy a bunch of flowers to wear. How can I not have a sense of ceremony when I meet girls!” ”

“Li Wen took out a pen and paper and silently wrote down these words. If he were to go on a date with his girlfriend in the future, he had to remember these words.”

“I think I need to buy another lipstick.” Dog two rubbed its chin.

Li Wen also noted down this sentence and looked up at dog two. “I heard that there are many colors to lipstick. which color would girls like better?”

“Of course it’s Pink!” Fat Tiger answered without thinking. “Pink is so cute!”

“That makes sense.” Dog two nodded.

“Li Wen continued, “Can’t we buy other colors?” ”

“Of course not.” Fat tiger continued, “It’s definitely not wrong to buy pink. If it’s too red, no girl will like it.” ”

“Why?” Li Wen asked.

“Fat Tiger looked very experienced. He cupped his fists and said, “If it’s too red, it’ll look like you ate a child. If you were a girl, would you like it?” ”

“Li Wen immediately shook his head. He felt that what fat tiger said made sense. He patted fat tiger on the shoulder and said with a smile, “I didn’t see it, brother. Although you’ve never been in a relationship, you’re very experienced!” ”

“Of course!” Fat Tiger raised his head proudly.

“Let’s go in first. Remember to keep a low profile,” buttface said. ”

“Okay.” Li Wen and fat tiger nodded.

Bai Jingshu’s jumping position was quite good. It was near the window and could be seen almost as soon as they entered.

“When she saw Lin Ze enter, she gently raised her hand. “Here.” ”

“Lin Ze jogged over. “Sorry, I’m late.” ”

“Bai Jingshu looked at her watch and smiled. “No, it’s six o’clock now.” ”

She was early.

“What do you want to eat?” Bai Jingshu handed him the menu.

“Lin Ze did not take the menu. He smiled and said, “You order first.” ”

““I’ve already ordered,” Bai Jingshu said. ”

Lin Ze took the menu and began to order.

“His taste was relatively bland at first. Later, due to ye Zhuo’s influence, he gradually became more diversified. Now, he preferred Sichuan cuisine and even liked dessert after dinner. ”

“After ordering all the dishes, Lin Ze looked at Bai Jingshu. “Do you want dessert?” ”

Bai Jingshu shook her head and smiled. “I don’t eat sweet things at night. I’ll gain weight.”

Girls who loved to look beautiful valued their bodies more.

Bai Jingshu never hid anything in front of others.

“After saying that, Bai Jingshu continued, “I didn’t expect you guys to like desserts too.” ”

“Under normal circumstances, only girls would like to eat such sweet food. ”

“Lin Ze smiled and said, “My sister likes to eat, so I ate with her later.” ”

“Bai Jingshu said, “Right, right, right. I remember now. The last time we ate together, searing had ordered a lot of desserts.” ”

“As the two of them chatted and laughed, dog two, Li Wen, and fat tiger also arrived at the restaurant. ”

“The three of them looked around for Lin Ze’s figure. At this moment, Fat Tiger locked onto Lin Ze’s figure and immediately nudged dog two and Li Wen with his elbow. “Look, Look! Brother ZE is over there!” ”

“Where?” Li Wen immediately asked.

““Over there, by the window,” fat tiger said. ”

Li Wen and dog two immediately looked over and indeed saw Lin Ze’s back.

Sitting opposite Lin Ze was a girl in a white Chinese dress.

“Her hair was tied up with a jade hairpin, revealing her fair neck. She gave off a strong vintage beauty. ”

She was gentle and elegant.

““TSK TSK tsk, brother Ze’s taste is not bad!” ”

“He matches brother Ze very well!”

““Brother Ze is still the best. If he doesn’t make a sound, he’ll be fine. But if he makes a sound, he’ll shock everyone!” ”

The three of them found a secret seat and began to discuss their future.

Chapter 2289: 477: a normal friend! 5

“Fat tiger said, “Even brother ZE has found a partner. What should we do?” ”

“Dog two flipped a page of the menu and continued, “Remove the ‘we’, thank you.” ”

Fat Tiger was stunned. “Remove the ‘we’? What does that mean?”

“Li Wen mercilessly mocked, “It means that you’re the only single dog here.” ”

Fat Tiger was so frightened that he stood up from his chair. “You guys have dogs outside too?”

Li Wen didn’t say anything.

Buttface calmly looked at the menu.

Fat Tiger was so anxious that he was red. “Hurry up and say it! Hurry up and say it! Why am I the only single dog here! When did you guys start dating?”

“Li Wen took a sip of his tea and looked up with a smile. “I haven’t even started dating yet. Buttface, you should know! Cousin Ze!” ”

““An Lizi?”Fat tiger asked, “Did buttface really have a secret relationship with an Lizi?” ”

“What secret relationship? Can you be more civilized? We are unmarried men and women. How could we have a secret relationship?”Buttface turned to look at Fat Tiger.

Fat Tiger was on the verge of tears. "When did this happen? Why didn't I Know About It? You guys are so bad. You actually went behind my back and fell in love!"

"I'm going to confess my love next week," buttface replied. "

"He and an Lizi had already formed a relationship. Both of them had each other in their hearts. They would say goodnight to each other, but they lacked a sense of ceremony. "

"Upon hearing this, fat tiger heaved a sigh of relief and said with a smile, "So you haven't confessed your love yet! I was scared to death!" "

"After saying this, fat tiger continued, "You haven't even confessed your love yet. You're also a single dog." "

"I won't be next week." There was a smug look on dog two's face.

"Fat Tiger said unwillingly, "I want to fall in love too. I want to Chase Girls Too!" "

Dog two looked at him. "Who are you chasing?"

"Hearing that, dog two immediately wilted. "

That's right.

Who was he chasing?

He had never met anyone that he particularly liked in his entire life.

"Besides, he was too close to his friends, so there was nothing he could do. "

Fat Tiger was so angry that he sat down. "I'll go home and ask my mom to arrange a blind date for me!"

"That's a good idea." Dog two nodded.

Li Wen nodded in agreement.

"Before long, Lin Ze and Bai Jingshu had almost finished eating."

"Bai Jingshu suggested, "Let's go watch a movie?" "

This was the first time Bai Jingshu had made such a request to a boy.

She felt a little uneasy.

"Okay." Lin Ze nodded. "What movie do you want to watch? I'll book the tickets."

Bai Jingshu took out her phone. "You were the one who paid for the meal just now. I'll buy the movie tickets."

"That's fine too." Lin Ze nodded.

Bai Jingshu opened the booking app and looked up at Lin Ze. "Can I watch a horror movie?"

"No problem," Lin ze said. "

"Bai Jingshu continued, "I think there's a new horror movie that's not bad. Why don't we watch a horror movie?" "

"Okay." Lin Ze did not have any objections.

The two of them stood up and set off for the cinema.

The cinema was just in the dining hall. It was just a few steps away.

“On Sunday, there were many people coming to watch the movie, and they were all couples who were in and out.”

“Bai Jingshu went to get the tickets, and the two of them went to the theater.”

“Soon, the movie began to play.”

“The atmosphere in a horror movie was very intense and suspicious. It was a little exciting. Bai Jingshu was very brave, or else she wouldn’t have chosen a horror movie.”

“However, there were often young couples around who were scared out of their wits.”

“The couple sitting on Bai Jingshu’s left side, the girl, got into the boy’s arms. Looking at Lin Ze’s side, the two of them could actually see each other kissing while watching a horror movie.”

“At this moment, Lin Ze suddenly turned around and met Bai Jingshu’s gaze.”

“Under the not-so-dim lighting, the two of them could clearly see each other’s faces.”

“Bai Jingshu’s face turned hot and she suddenly felt a little awkward, especially in such an environment.”

The atmosphere was subtle.

Lin Ze immediately reacted and coughed lightly. “Are you coughing?”

“I’m fine.” Bai Jingshu felt that her voice had changed.

Lin Ze bent his back and stood up. “I’ll go buy some drinks. What do you like to drink?”

“Anything,” Bai Jingshu said. ”

Lin Ze bent his back and walked out of the broadcast hall.

“Compared to the stuffy broadcast hall, the air inside was much fresher. Lin Ze took a deep breath and walked towards the vending machine that sold milk tea. He chose two cups of pearl milk tea that were more acceptable to girls. ”

“Brother!”

“At this moment, a surprised voice suddenly appeared in the air. ”

Lin Ze turned his head and saw Ye Zhuo and Cen Shaoqing walking over.

“Zhuozhuo.”

“Ye Zhuo walked over with a smile. “Brother, you’re here to watch a movie too?” ”

“Yes.” Lin Ze nodded. “I’m here with, with an ordinary friend.” ”

Chapter 2290: 478: Smooth Confession 1

A normal friend?

“As soon as he said this, even Lin Ze felt that something was wrong.”

Why did he have to explain to Ye Zhuo that he was just a normal friend?

Ye Zhuo raised his eyebrows slightly. “Oh? Just a normal friend?”

“Since he had already said it, he naturally couldn’t take it back. Lin Ze nodded and said seriously, “Yes, just a normal friend.” ”

“Ye Zao did not point it out. He smiled and said, “Then I wish you and your ordinary friend a good time. We’ll be leaving first.” ”

“Okay.” Lin Ze nodded.

Ye Zao held Cen Shaoqing’s hand and walked to the other side.

“CEN Shaoqing said, “I feel that Ah Ze is a little strange today.” ”

“He is indeed a little strange.” Ye Zao’s eyes were filled with a smile. “He even said something like an ordinary friend.”

Wasn’t this a place without any silver?

“Aren’t they just ordinary friends?” Cen Shaoqing looked back at Lin Ze.

“Ye Zao smiled and said, “If you were watching a movie with your friends, would you emphasize ‘ordinary friends’ in private?” ”

Cen Shaoqing instantly reacted. "Could it be that Ah Ze has found a girlfriend?"

"Take a guess." Ye Zao raised his eyebrows slightly.

"Do you want to take a Guess?" Cen Shaoqing had already learned the essence of Ye Zhuo.

Ye Zhuo rolled his eyes at him and walked forward. "I can't be bothered with you."

Cen Shaoqing immediately jogged to catch up with Ye Zhuo and held her hand. "What are we going to eat later?"

Ye Zhuo thought for a moment. "Let's Go Eat Hotpot?"

She had not eaten hotpot for a long time.

"Yes." Cen Shaoqing nodded slightly. He had always been picky when it came to food.

In the broadcasting hall.

"Lin Ze walked in with his back hunched and said in a low voice, "I didn't know your taste, so I bought you a cup of pearl milk tea." "

"Thank you." Bai Jingshu reached out and took the cup of milk tea. "I like drinking pearl milk tea very much."

"Actually, Bai Jingshu rarely drank milk tea. "

She always felt that adding milk to the tea would ruin the original fragrance of the tea.

"However, Lin Ze was the one who bought the milk tea, so she naturally wouldn't reject it. "

“On a hot day, Lin Ze followed the principle that girls couldn’t have ice with them, so he ordered a cup of hot milk tea for Bai Jingshu. ”

“Bai Jingshu arched her eyebrows slightly, and for some reason, she felt that Lin Ze was a little cute. ”

“When the warm milk tea entered her mouth, although it was a little warm, her heart warmed up as well. ”

“At this moment, Bai Jingshu could hear her own heartbeat very clearly. ”

She felt that she had probably met the most important person in her life.

“Watching a horror movie while thinking of spring and snow in her heart, Bai Jingshu felt that she was probably the most important person in history. ”

“After drinking more than half a cup of milk tea, Bai Jingshu turned her head slightly and looked at Lin Ze. She lowered her voice and said, “Lin Ze?” ”

“Lin Ze was not focused on the movie at the moment, as there were many young couples around him. Hence, he reacted the moment Bai Jingshu called out to him. “Yes.” ”

“Bai Jingshu asked, “Do you have a girlfriend?” ”

“No.”Lin Ze shook his head.

“”Then...”Bai Jingshu chose her words carefully and continued, “What about the person you like?” ”

“Maybe.”Lin Ze hesitated for a moment. “I think... I already have one.”

He felt that he should like Bai Jingshu.

From that night onwards.

It was a very wonderful experience.

He could feel his heart racing at any moment.

It was as if his heart had been struck by an elk and it was beating wildly.

“Although he had never liked anyone before, he knew very clearly that this was the feeling of liking someone.”

Was there someone he liked?

Bai Jingshu’s gaze darkened for a moment.

Perhaps she had made the wrong decision by taking the initiative to have dinner with Lin Ze and watch a movie today?

Did she look like a clown in particular?

“The more Bai Jingshu thought about it, the more confused she became. Her heart was also in a mess, and she regretted her actions today even more.”

She recalled the words that her grandmother had told her when she was young.

“Run away to be a concubine, and get engaged to be a wife.”

A girl should be more reserved. She shouldn’t be so proactive.

“The more Bai Jingshu thought about it, the more uncomfortable she felt.”

“But then, she thought of another sentence.”

Relationships needed to go both ways. One person couldn't be the only one who could give.

“If Lin Ze was the same person as her and wasn't good at expressing his feelings, then they would never be able to move forward.”

Bai Jingshu was a little nervous now. She didn't know what Lin Ze would think of her.

“Bai Jingshu tried her best to calm herself down. Since she had already asked the question, she might as well ask all the questions at once. “Then... do I know her?” ”

“Know what?” Lin Ze asked.

“Bai Jingshu said, “Do I know the person you like?” ”
