Chapter 2291: 478: Smooth Confession 2

“Hearing this, Lin Ze was stunned. His heart was beating very fast. Thump, thump, thump...”

Should he tell Bai Jingshu right now that the person in his heart was her?

“At this moment, there seemed to be two little people fighting in Lin Ze’s heart.”

One said tell her!

The other said no.

Lin Ze did not speak for a long time. Bai Jingshu was a little nervous. She turned her head. “Do I know her?”

“Yes.” Lin Ze nodded.

Bai Jingshu didn’t know many people who knew Lin Ze.

“Could it be...” Bai Jingshu hesitated. “It’s...” Shi Qingcheng?

“But Shi Qingcheng was ye Han’s girlfriend now. If she said Shi Qingcheng’s name directly, would Lin Ze be embarrassed?”

“Bai Jingshu changed the way she said it and continued, “Is the name of the person you like Three Words?” ”

“Yes.” Lin Ze nodded.

“Is she very beautiful?” Bai Jingshu continued to ask.

“She’s very beautiful.” Lin Ze nodded.

Bai Jingshu knew someone who was also very beautiful. It seemed that there was no one else other than Shi Qingcheng.

It really was.

“Although she knew that Lin Ze did not like her, when she heard that the person in Lin Ze’s heart was actually Shi Qingcheng, Bai Jingshu’s heart felt as if it was weighed down by a thousand-pound stone. She could not breathe properly.”

The most beautiful thing in the world was that the person she liked also happened to like her.

But how could there be so many beautiful things?

Bai Jingshu let out a long sigh in her heart.

“Lin Ze then asked in return, “What About You? Do you have someone you like?” ”

“Yes.” Bai Jing nodded.

“It was a pity that there were trees and branches on the mountain, and the heart pleased the monarch but the monarch did not know.”

“Do I know the person you like?” Lin Ze asked.

“Bai Jingshu hesitated for a moment and did not say anything. After a moment, she continued, “I know him.” ”

Know Him?

“Lin Ze raised his eyebrows slightly and said with a smile, “We don’t know many people in common. You Don’t like me, do you?” ”

“Upon hearing this, Bai Jingshu was immediately stunned. She thought that she had heard wrongly. ”

What was Lin Ze saying?

How did he see through her?

What should she do now?

Should she admit it?

“If she did, how could they be friends in the future? ”

“Bai Jingshu’s face was very red. Fortunately, the lighting in the broadcast room was not very bright, which covered the redness on her face.”

““You’re admitting it by not saying anything?” Lin Ze smiled. “Miss Bai Jingshu, what a coincidence. The person I like is you too.” ”

“What?” Bai Jingshu looked up at Lin Ze in disbelief.

Lin Ze was a person who knew how to seize the moment. He knew that this was the best time for him to express his feelings. He pulled Bai Jingshu's wrist through his clothes. "Come out with me."

"Before Bai Jingshu could react, Lin Ze had already pulled her to her feet. "

"Bend down," Lin ze reminded her in a low voice. "

Bai Jingshu immediately bent down and followed Lin ze out of the theater.

Lin Ze pulled Bai Jingshu along and ran all the way out of the theater.

"The summer breeze blew gently. Compared to the stuffy theater, standing outside was more refreshing. "

"Lin Ze was still holding Bai Jingshu's hand. Their eyes met, and they were speechless. "

"Lin Ze looked at Bai Jingshu, and his heart was racing. "

Bai Jingshu wasn't feeling any better either. Her cheeks were slightly burning.

"Lin Ze's words in the broadcast hall were still ringing in her ears, but Bai Jingshu didn't know if they were true... Or if she was hearing things. "

"After a long while, Bai Jingshu finally composed herself and looked up at Lin Ze. "What... What do you want to tell me?" "

"Lin Ze was no longer nervous when he was at his most nervous. He looked down at Bai Jingshu and said, "Miss Bai Jingshu, I like you. What About You?" "

Like.

Lin Ze liked her?

“Bai Jingshu was stunned when she heard that. Her ears buzzed, and her heart felt like it was about to jump out of her chest at any moment.”

Perhaps only those who had experienced it before could understand this wonderful feeling. Words could not describe it at all.

Bai Jingshu even forgot how to react.

“At this moment, Lin Ze continued, “Miss Bai Jingshu?” ”

Bai Jingshu finally reacted. She raised her head and looked at Lin Ze. “You... you really like me?”

“”Yes.”Lin Ze nodded. “This is my first time liking someone. If I do something wrong, please advise me.”
”

Lin Ze wasn't sure if his actions had offended the beauty.

“After saying that, Lin ze paused and continued, “Miss Bai Jingshu, I really like you. Can you agree to Mr. Lin Ze's request?”After saying that, Lin Ze placed his hand in front of Bai Jingshu. ”

Chapter 2292: 478: Successful Confession 3

Bai Jingshu looked at Lin Ze's hand and was unable to react for a long time.

It was as if she was dreaming.

“One second, she was still worrying about her gains and losses, and the next second, she was confessed to by the person she liked.”

“Bai Jingshu raised her hand gently and placed it on Lin Ze’s hand. “Mr. Lin Ze, actually, I like you too.” ”

Lin Ze gently pulled Bai Jingshu into his embrace.

The scent of hormones that was exclusive to men wafted over. Bai Jingshu hugged Lin ze tightly with a smile on her face.

“Lin Ze continued, “Jingshu, from today onwards, we’ll be boyfriend and girlfriend.” ”

“Okay.” Bai Jingshu nodded.

The two of them foolishly hugged each other at the intersection where people came and went.

“After an unknown amount of time, they finally let go of each other. Like many couples, they held hands and began to walk on the road, chatting about life.”

“From ten o’clock in the evening until twelve o’clock, the two of them seemed to have a lot to talk about.”

“Unintentionally, Bai Jingshu saw the clock on the opposite building and was stunned. “It’s already half past twelve!” ”

“She felt that only a few minutes had passed, but two hours had already passed.”

Lin Ze also felt that time had passed a little too quickly. “I’ll send you home.”

“Okay.” Bai Jingshu nodded.

“Lin Ze wanted to go back and drive, but he realized that the car had stopped ten kilometers away.”

“Unknowingly, the two of them had already walked for such a long time.”

“It was definitely impossible to walk ten kilometers back directly, so Lin Ze could only call an online car-hailing service and return to where he was.”

Bai Jingshu was also taken aback. “We actually made it this far.”

““That’s right,” Lin ze said with a smile.”

“In the past, he still did not understand why couples would be so sweet. Wouldn’t two people who were already extremely familiar with each other get tired of spending all day together?”

It was only now that he realized that the two of them really had so much to talk about when they were together.

“At half past twelve, the car arrived at Bai Jingshu’s house on time.”

Lin Ze opened the door of the driver’s seat and went around to the passenger seat to open the door for Bai Jingshu.

““Thank you,” Bai Jingshu said.”

“What are you talking about!” Lin Ze patted Bai Jingshu’s head.

“Bai Jingshu was 1.6 meters tall. She was neither tall nor short among girls, but Lin Ze was much taller than her. It could be said that he was the cutest height difference in real life.”

“You’re So Tall!” Bai Jingshu looked up at her.

“Bai Jingshu hadn’t noticed it before, but now she realized that Lin Ze was actually so much taller than her.”

“Lin Ze nodded and gestured. “Yes, I’m just a little taller than you.” ”

““I suspect that you’re implying something about me, and I have evidence,” Bai Jingshu said. ”

“Do I look like the type of person who knows how to imply things?” Lin Ze looked at Bai Jingshu.

Bai Jingshu nodded seriously. “Of course.”

“When she didn’t know Lin Ze in the past, Bai Jingshu had thought that Lin ze was the type of person who was cold and aloof. Now, she realized that Lin Ze was not. ”

““Seriously, how tall are you?” Bai Jingshu asked. ”

““188,” Lin ze answered. ”

““No Wonder,” Bai Jingshu continued, “I feel like my dad is 180, much shorter than you!” ”

“Are you only 159?” Lin Ze asked with a smile.

““How is that possible!” Bai Jingshu retorted immediately. “I’m 160, okay?” ”

The two things that girls cared about the most were height and weight.

“Lin Ze continued, “It’s okay. I like your person, not your height.” ”

“It was a very simple sentence, but it made Bai Jingshu’s face turn red. ”

“”Alright, Hurry up and go in.”Lin Ze patted Bai Jingshu’s head. “I’ll text you when we get home.” ”

“”Okay, drive slowly on the road,”Bai Jingshu said. ”

Lin Ze nodded. “I will.”

“On the way back, Lin ze whistled softly, feeling extremely happy. ”

It was almost 1:10 pm when they returned to the Lin family manor.

“Ye Shu wasn’t asleep yet. When she heard footsteps, she immediately stood up from the sofa. “Ah Ze is back.” ”

“”Mom,”Lin Ze was stunned when he saw ye Shu. “Why aren’t you asleep yet?” ”

“”I saw that you weren’t back yet, so I waited for you,”ye Shu said. ”

“In the past, Lin Ze would always give her a heads-up when he came back late. This time, he didn’t come back at 1:30 pm. Ye Shu was really anxious. ”

“Hearing Ye Shu’s answer, Lin Ze felt a little guilty. He shouldn’t have let ye Shu wait for so long... ”

“Then why didn’t you call me?”Lin Ze continued to ask.

“Ye Shu continued, “I did, but your phone was turned off.” ”

“Turned off?” Hearing this, Lin Ze immediately took out his phone. Sure enough, his phone had automatically turned off. “Mom, I’m sorry. My phone turned off when it ran out of battery.” ”

Chapter 2293: 478: Smooth Confession 4

He was so engrossed in his conversation with Bai Jingshu that he did not realize that his phone had automatically turned off when it ran out of battery.

“It’s fine. Next time if you’re going home late, remember to let me know in advance.” Ye Shu yawned. ”

“Okay.” Lin Ze nodded. “Definitely.”

“At this moment, Lin Jincheng came down from upstairs. “Ah Ze is back?” ”

“Dad.” Lin Ze turned around to look.

“Lin Jincheng continued, “What’s wrong with you, child? You came back so late and your phone was switched off. You made your mother worry for so long!” ”

“Ye Shu had a deep sense of guilt towards Lin Ze. Hence, she paid extra attention to Lin Ze’s matters, even more so than her husband. ”

“My phone is out of battery.” Ye Shu looked at Lin Jincheng. “Alright, Alright. Go upstairs and sleep. Ah Ze didn’t do it on purpose!” ”

Lin Jincheng didn’t say anything and turned around to walk towards the bedroom.

“Ye Shu continued, “Ah Ze, you should also wash up and go to sleep. I’m going to sleep too.” ”

“After saying that, Ye Shu yawned as she walked towards the bedroom. ”

“”Mom, Goodnight.”Lin Ze looked at Ye Shu’s back and said. ”

“Goodnight.”Ye Shu waved at Lin ze without looking back.

“Lin Ze also went back to his room to wash up. Just as he walked to the stairs, he saw ye Zao leaning on the railing and looking at him with a smile. ”

“Brother.”

“Lin Ze looked up and said, “Zao Zao, why aren’t you going to bed?” ”

“Ye Zao didn’t answer Lin Ze directly. Instead, he said, “Brother, you’re in a good mood today.” ”

“”Yeah, it’s okay,”Lin ze answered. ”

“Just okay?”Ye Zao asked in return.

“”What do you think?”Ye Zao continued, “Isn’t it because people are in a good mood when they have a happy occasion?” ”

“”Nothing can escape your eyes,”Lin ze said with a helpless smile. ”

“”I knew it.”Ye Zao straightened his back and continued, “Brother, I wish you and your future sister-in-law a fruitful relationship as soon as possible and get the beauty back.” ”

Lin Ze’s face turned red at these words. “Thank you.”

“You’re welcome.” Ye Zhuo covered his mouth and yawned. “I’m going to sleep now. I’m a little sleepy.”

“Oh Right,” Lin Ze continued. ”

Ye Zhuo turned his head slightly. “What’s Wrong?”

“Lin Ze said, “Zhuo Zhuo, aren’t you curious about who she is?” ”

“Ye Zhuo smiled and said, “I’ll know who she is when you bring your future sister-in-law back to meet the parents.” ”

“That’s true.” Lin Ze nodded. “Then go to bed! Good Night!”

“Good night.”

“After the siblings said good night to each other, ye Zao returned to his room and took a rose bath before going to bed. ”

Lin Ze and Bai Jingshu’s relationship progressed very quickly and steadily.

“Three months later, Lin Ze suggested bringing Bai Jingshu home to meet the parents. ”

Bai Jingshu was stunned. “Isn’t that too fast?”

“Lin Ze looked at BAI Jingshu and said, “You’re the person I’ve decided on in this life. Bring her home early and bring her home late. You’ll be the only one. If you think it’s too early, we can wait a little longer.” ”

“Then let me think.” Bai Jingshu smiled and said, “What if uncle and Auntie Don’t Like Me?” ”

“Don’t worry, that’s impossible. Have you forgotten how my parents treated you the last time you were at my house?” After marrying Lin Ze, there was absolutely no need to worry about the relationship between mother and daughter-in-law. ”

That was because ye Shu was not the kind of unreasonable person.

Bai Jingshu recalled the treatment she received at the Lin family and could not help but smile.

“When are you going to bring me back to meet my parents?” Lin Ze continued to ask.

“Bai Jingshu considered it very seriously and continued, “I’ll go back tomorrow and tell grandfather about this first so that he can make some preparations.” ”

“Okay.” Lin Ze nodded. “I’ll go back with you.”

“You’re going too?” Bai Jingshu asked.

“I have something to take care of,” Lin ze said. ”

He was mainly going back to take care of the Shangguan family.

“Okay.” Bai Jingshu nodded.

“The next day, after Lin Ze talked to his parents, he went back to Galaxy S with Bai Jingshu. ”

“However, Lin Ze was going to take the interstellar shuttle to Galaxy F. ”

“Bai Jingshu didn’t go home. Instead, she went straight to the old house. ”

“As usual, elder Bai sat in the yard and basked in the sun. ”

“The Sun in Galaxy S was not the same planet as the Sun on Earth. However, like the sun, it would emit light and heat to provide energy. ”

“In order to commemorate Earth, the first batch of humans in Galaxy S named this planet that provided energy and heat as the sun. ”

“Grandpa.” Bai Jingshu jogged over.

“”Jingshu is back!” Hearing Bai Jingshu’s voice, elder Bai sat up abruptly, but he didn’t see Bai Jingshu’s figure. Was she dreaming? ”

Chapter 2294: 478: Successful Confession 5

“”You’re really old and muddle-headed!” Elder Bai patted his head. Just as he was about to lie down, Bai Jingshu stood up from the front. “Grandfather!” ”

Elder Bai widened his eyes and looked at Bai Jingshu in disbelief. “Jingshu! You’re back?”

“”Yes.” Bai Jingshu grabbed elder Bai’s hand. “Grandfather, I’m back.” ”

“”It’s good that you’re back, it’s good that you’re back.” Old Master Bai grabbed Bai Jingshu’s hand. “GRANDPA DREAMED ABOUT YOU LAST NIGHT.” ”

“Unfortunately, Bai Jingshu didn’t come back after waking up from the dream. Because of this, Old Master Bai was sad for a long time. ”

“Fortunately, Bai Jingshu was back now. ”

“Seeing old master Bai like this, Bai Jingshu felt a little guilty. She should have gone back to Earth to visit her grandfather often. ”

“The old man was getting on in years, and they would see each other less often. How much time would they have to spend together in the future? ”

“Grandfather...” Bai Jingshu looked at Old Master Bai with red eyes.

“Old Master Bai held Bai Jingshu’s hand tightly, he smiled and said, “Silly Child, why are you still crying? I’m already very happy that you can come back to visit grandfather! “Quick, come in with grandfather. Grandfather has left a lot of things for you these past few days!” Old Master Bai had always doted on his granddaughter, Bai Jingshu, when Bai Jingshu was very young, he had kept all the good things for her until she was an adult now. ”

“In Old Master Bai’s heart, Bai Jingshu had always been a child who couldn’t grow up. ”

“When they returned to the house, Old Master Bai grabbed a bunch of grade-1 armor stones for her. ”

“These stones were very beautiful when used as decorations, but they were rarely seen in high-quality goods, so they were very popular with girls. ”

“Every time old master Bai encountered high-quality items, he would think of Bai Jingshu immediately. ”

“Although Bai Jingshu did not like ornaments made of grade-1 armor stones, she would keep them whenever old master Bai gave them to her. She would make them into ornaments to make old master Bai Happy. For example, this time, she wore a red armor stone bracelet. ”

“Under the sunlight, the red bracelet emitted a dazzling light, looking especially beautiful. ”

“Bai Jingshu took the first-grade armor stone and said with a smile, “Thank you, grandfather. Look, I made this bracelet out of the armor stone you gave me last time. Doesn’t it look nice?” ”

“Yes, Jingshu looks good in anything!” Old Master Bai nodded. ”

“The grandfather and grandson chatted about their daily lives. After a while, Bai Jingshu looked at old master bai and said, “Grandfather, I’ve found a boyfriend.” ”

“Really?” Old Master Bai asked in surprise.

“Yes.” Bai Jingshu nodded and a smile appeared on her face.

“Old Master Bai continued, “Where are you from, young man? Do I Know You?” ”

“Old Master Bai’s greatest hope was to see Bai Jingshu get married with his own eyes. Otherwise, even if he closed his eyes, he wouldn’t feel at ease. ”

“Hearing this, Bai Jingshu was a little worried. After all, Lin Ze was from Earth. ”

What if...

What if grandfather was biased against Earthlings?

“After all, in the s galaxy, it was normal to be biased against Earthlings. ”

“Grandfather, he, he might be a little different from what you think,” Bai Jingshu said tactfully. ”

“How is he different?” Elder bai continued, “Is his body not good? Or is he... crippled?” ”

Bai Jingzhu’s words made elder Bai worried.

“As a grandfather, he would never allow his granddaughter to marry someone with a crippled body.”

“Seeing that elder Bai might have misunderstood something, Bai jingzhu immediately explained, “It’s not that he’s crippled, it’s just that his identity is different from ours.” ”

Elder bai heaved a sigh of relief and smiled. “Your grandfather has never been the kind of person to have opinions about family status. Don’t worry.”

“Bai jingzhu continued, “He’s not from S Galaxy.” ”

“F Galaxy?”Elder Bai asked.

Bai Jingzhu continued to shake her head.

“Elder bai asked curiously, “Then where is he from? could he be from another galaxy?” ”

“”He’s from Earth,”Bai jingzhu continued, “But I love him very much. Grandfather, can you help us?” ”

“From Earth?”Elder Bai asked.

Bai Jingshu nodded.

“Elder Bai did not speak for a long time. He then asked, “Where is he from?” ”

“”Earth,”Bai Jingshu replied. ”

“Elder bai explained, “What I mean is where is he from on Earth?” ”

“The capital.”

Chapter 2295: 479: low-class people matched with idiots

“The capital?” Elder Bai asked.

“Yes.” Bai Jingshu nodded.

“She was very nervous right now. If her grandfather didn’t support her being with Lin Ze, perhaps no one would. ”

“After saying that, elder Bai didn’t say anything for a long time. He looked into the distance with a meaningful gaze. ”

“Grandfather?” Bai Jingshu called out.

Old Master Bai finally reacted and turned to look at Bai Jingshu. “What’s Wrong?”

“Bai Jingshu continued, “Grandfather, he and I are truly in love. I hope that you can help us.” ”

“Hearing that, Old Master Bai laughed out loud. “When did grandfather say that we can’t Help You?” ”

“Does that mean that grandfather has agreed to let us be together?” Bai Jingshu’s face was full of surprise.

“Elder Bai did not directly answer Bai Jingshu’s question. Instead, he asked, “What’s your character like, young man?” ”

“”There’s no problem with your character. Don’t worry about that,” Bai Jingshu said. ”

“Elder Bai turned to look at Bai Jingshu. “As long as it’s not the second Chen Yaosheng, grandfather will give you his blessing.”. ”

“”Grandfather, thank you!” Bai Jingshu was very excited. She did not expect her grandfather to agree to her and Lin Ze’s matter so quickly. ”

“After saying that, Bai Jingshu continued, “It just so happens that he’s in the S Galaxy Now. Shall I bring him to meet you?” ”

“”No need.” Elder Bai waved his hand. He had his own thoughts. “Just tell me his name and his family background.” As for his character, he wanted to personally take the test. ”

“No matter what, he could not let Bai Jingshu meet a second Chen Yaosheng. ”

Bai Jingshu nodded and started talking about Lin Ze’s family environment.

“Hearing this, elder Bai looked up in surprise. “You said he’s Miss Ye’s brother?” ”

“Yes.”

“Elder bai continued, “Why do I remember someone introducing him to Bai Mo before?” ”

“If it was someone else, it would be fine. Bai Jingshu and Bai Mo were cousins after all. If the two of them got entangled, it was inevitable that people would gossip about them. ”

“Furthermore, elder Bai did not want Bai Jingshu to be deceived. ”

“There was such a thing.” Bai Jingshu did not hide it. “They just got to know each other and did not actually develop.”

“Bai Mo and Lin Ze had not started, so Bai Jingshu felt that she did not need to bother about such things.”

““Did Lin Ze tell you this, or did you ask him yourself?”Elder Bai asked. ”

“Bai Jingshu said, “He told me himself.” ”

“On the night of his successful confession, Lin Ze had told her about his personal situation, including the few girls he had met in his life and the time he had been tricked. ”

“Although it was only the first day they had met, Lin Ze felt that the most important thing for them to do when they were together was to be honest. ”

Elder Bai nodded. “How long have you been with him?”

““More than three months,”Bai Jingshu replied. ”

““Three months isn’t enough to get to know a person completely.”Elder Bai stroked his beard, then, he said, “Jingshu, you should be with him first. Girls need to learn how to protect themselves. If he makes excessive demands, you have to reconsider whether he’s the person you should entrust your life to.” ”

Girls were always at a disadvantage when it came to matters between men and women.

“As the elder of the provincial party committee, grandfather Bai, who was Bai Jingshu’s grandfather, naturally did not want to see Bai Jingshu suffer. ”

“After he finished speaking, grandfather Bai continued, “Take Chen Yaosheng as an example. Before he revealed his true colors, do you also think that he’s the person you should entrust your life to?” ”

“Yes.”

“That’s why, Jingshu, a girl should never trust anyone so easily. This world is definitely much crueler than you can imagine.” Elder Bai had experienced many things that no one had ever experienced before, he hoped that Bai Jingshu would be able to have a smooth life for the rest of her life. It was fine to be deceived once, but it must not happen again. ”

“Bai Jingshu nodded, she continued, “Grandfather, I will definitely keep an eye out, but please believe in Lin Ze. By the way, didn’t I tell you last time that someone came to save me in time for Chen Yaosheng’s incident? If it wasn’t for that person, I might have... “ ... “...”the rest of her words., went without saying. ”

“Based on the situation at that time, if Lin Ze had not come in time, how could she still be the person she was now? ”

“Elder Bai was stunned and asked, “That person is Lin Ze?” ”

“Yes.” Bai Jingshu nodded. “It’s him.”

Chapter 2296: 479: low-class people matched with Idiots 2

“Elder bai smiled and said, “From the looks of it, Lin Ze is indeed a good young man.” ”

“Of course.” Bai Jingshu held elder Bai’s hand. “But don’t worry, grandfather. He will definitely not let you down.” ”

“Elder bai continued, “People change. Jingshu, you can’t Lower Your guard against Lin Ze just because he saved you.” ”

“Elder Bai’s every word was good advice. Bai Jingshu listened to him carefully. “I understand, grandfather.” ”

Elder Bai patted Bai Jingshu's hand. The servant beside him heard their conversation.

"This servant was related to Bai Yuanyuan's servant. When she heard the news, she immediately contacted Bai Yuanyuan and told her about it."

"When she heard the news, Bai Yuanyuan was very excited."

"She grabbed the servant's shoulder and asked, "Are you sure this is true?" "

"The servant nodded. "Third miss, don't worry. I heard these words with my own ears. There's no mistake." "

"That's great! That's Great!" Bai Yuanyuan's eyes were shining.

She wanted to immediately tell Bai Mo about this explosive news.

"Thinking so, she did it. Bai Yuanyuan immediately went to Bai Mo's house and couldn't help but shout, "Mo Mo, Mo Mo! Something Big has happened!" "

"Bai Mo had been in a very bad mood these few days. She had been studying Manwen for a very long time, but Manwen had no reaction at all."

It couldn't go on like this.

She didn't have that much time to waste with Manwen.

"When she heard Bai Yuanyuan's voice, she said impatiently, "What's wrong? What happened? What are you shouting for?" "

"When she saw Bai Mo like this, the excitement on Bai Yuanyuan's face faded a little. She continued, "Momo, what's wrong? Are You in a bad mood?" "

“What’s the matter? Tell me quickly.” Bai Mo did not want to waste time with Bai Yuanyuan.

“It’s a big matter!” Bai Yuanyuan said.

“Bai Mo said, “Tell me.” ”

“Bai Yuanyuan knew that she couldn’t waste her breath on Bai Mo anymore, so she went straight to the point. “Bai Jingshu has found a boyfriend.” ”

“Really?” Bai Mo was a little interested when Bai Jingshu was mentioned.

“After all, Bai Jingshu was the biggest stumbling block in her relationship. ”

“Yes!” Bai Yuanyuan nodded. “It’s true!”

“At this moment, Bai Mo seemed to realize something. He narrowed his eyes and said, “Bai Jingshu’s boyfriend can’t Be Manwen, right?” ”

“Bai Mo subconsciously clenched his fists, and his knuckles were already slightly white. ”

“If Bai Jingshu really got together with Manwen, then what was she? ”

A joke?

Why did that B * Tch Bai Jingshu take all the advantages.

And all she met were leftovers.

“However, when Ye Han proposed to introduce Bai Mo to someone, Bai Mo was very excited. After all, with Ye Han’s status and status, the person he was going to introduce would definitely not be too bad.”

Who knew...

“Who knew that in the end, he would actually introduce her to Lin Ze.”

Just thinking about that matter made Bai Mo very angry.

Ye Han was simply insulting her.

“Of course not! What are you thinking about! How can someone like her be worthy of Manwen! In My Heart, besides you, no one else is worthy of Manwen!” One sentence.., both trampling on Bai Jingshu and flattering Bai Mo, Bai Mo’s face was filled with smiles when he heard that.”

“Bai Yuanyuan was right. Apart from her, no one else was worthy of Manwen.”

Who Was Bai Jingshu?

“Bai Mo asked, “Then who is Bai Jingshu’s boyfriend?” ”

“You definitely won’t be able to guess this person!” Bai Yuanyuan looked very mysterious. “If you know who it is, you’ll definitely be shocked!” ”

“Bai Mo continued, “So you’re saying that I know this person?” ”

“Of course!” Bai Yuanyuan nodded. “Not only do I know him, but I’m also a little familiar with him!” ”

“Hearing that, Bai Mo narrowed his eyes.”

She knew a lot of people.

“What kind of boyfriend could Bai Jingshu find that could possibly give her a fright. Most importantly, he was a little familiar with the other party...”

“The Zhou Family?” Bai Mo asked.

“Bai Mo had previously talked to the eldest son of the Zhou family. At that time, the two of them had already reached the stage of discussing marriage. However, they broke up later due to some reasons. Other than the Zhou family, no one else should be able to give her a fright.”

“If it really was the Zhou family, then Bai Jingzhu’s luck was truly exceptional.”

“Every time she met a man, it was always a top-notch good man.”

“It’s not the Zhou family.” Bai Yuanyuan shook her head.

It’s not the Zhou family?

“Bai Mo was stunned. Other than the Zhou family, who else could it be?”

“The Sun Family?”

Bai Yuanyuan shook her head.

Chapter 2297: 479: low-class people matched with Idiots 3

“Zheng Ziqiao?” Bai Mo asked again.

“Not yet. Guess again.” Bai Yuanyuan shook her head again.

“I don’t want to guess anymore. Tell me yourself.” Bai Mo couldn’t be bothered to play word games with Bai Yuanyuan.

“Bai Yuanyuan continued, “It’s Lin Ze.” ”

“What?” Bai Mo was very surprised. He thought he heard wrong.

She had thought that Bai Jingshu had found an excellent boyfriend. She had not expected that it would be Lin Ze.

This was the biggest joke in the world!

“Bai Yuanyuan smiled and said, “How is it? Are You in disbelief now? “In the beginning, I was also in disbelief. Look at how cold and aloof Bai Jingshu is usually. She even looks like she doesn’t like anyone. In the end, she actually chose such a boyfriend. This is really hilarious!” ”

An Earthling?

Bai Jingshu was probably the first person in the history of the s galaxy to marry an earthling.

“If this news were to spread, how would the Bai family lose face? ”

Bai Mo looked at Bai Yuanyuan. “Is this news reliable? is Bai Jingshu’s boyfriend really Lin Ze?”

“Don’t worry.” Bai Yuanyuan patted her chest. “It’s guaranteed to be reliable!”

“How did you know?” Bai Mo asked.

“Bai Yuanyuan continued, “Bai Jingshu came back today. She told Grandpa herself. Sister-in-law Wang, who takes care of Grandpa, told me all this.” ”

“Sister-in-law Wang?” Bai Mo asked.

“Bai Yuanyuan explained, “Sister-in-law Wang is from the same hometown as our sister-in-law’s sanitary aunt. I greeted her and asked her to keep a close eye on Grandpa and Bai Jingshu. So she came to tell me the news as soon as she heard it! “Then, I came to tell you!” ”

“”I see,” Bai Mo continued, “Then what did Grandpa Say?” ”

“Bai Mo knew that Bai Jingshu listened to Grandpa Bai the most. If Grandpa Bai objected to her being with Lin Ze, Bai Jingshu would definitely listen to him obediently. ”

They couldn’t let Grandpa Bai Ruin Things Now.

“”Grandpa didn’t object, but he told Bai Jingshu to be careful and not let Lin Ze cheat her,” Bai Yuanyuan said. ”

Bai Mo heaved a sigh of relief when he heard this.

This was great!

“She had thought that elder Bai would object, but he did not. ”

Bai Jingshu had always been on top of Bai Mo. she had finally lost in the marriage!

Although Lin Ze was ye Zhuo’s brother in name.

He did not have any real power at all.

“All women married their chickens and dogs. From now on, Bai Jingshu could only be a lowly earthling.”

“When she thought of this, Bai Mo felt extremely happy.”

He did not expect Bai Jingshu to have such a day.

“Come to think of it, this was the so-called saying that extreme intelligence was bound to hurt, right?”

Anyone with a bit of brains would not marry an earthling.

So what if Bai Jingshu was more beautiful than her?

“No matter how beautiful she was, she would only be like this for the rest of her life.”

“If I had to say, Bai Jingshu is also stupid and shallow. She must have taken a fancy to Lin Ze’s identity as Miss Ye’s older brother!” Bai Yuanyuan continued, “But she’s only worthy of picking up your broken shoes.”

“Ye Han had introduced Bai Mo to Lin Ze before, but Bai Mo did not take a liking to Lin Ze. Wasn’t this just a broken shoe?”

Bai Jingshu was also brainless. No wonder she lost to Bai Mo..

Bai Mo’s face was full of smiles. “Who else knows about this news now?”

“I only told you,” Bai Yuanyuan said.

Bai Mo narrowed his eyes. "Good news naturally has to be shared with the world. How can I know it by myself?"

Bai Yuanyuan immediately understood what Bai Mo meant. "I think the most important thing is to let Manwen know."

"Under Bai Yuanyuan's intentional manipulation, soon, everyone knew that Bai Jingshu had found an earthling as her boyfriend."

"In the s galaxy, this was considered big news."

"For thousands of years, there had never been a girl from the s galaxy who had married down to Earth."

"For a moment, everyone was discussing and speculating whether Bai Jingshu had gone mad."

"When the Bai family's parents found out about this, they were even more shocked and immediately went to the old mansion."

"Old Master Bai stood in the main hall and said angrily, "What did I say last time? Jingshu has nothing to do with you two bastards in the future! How can you still have the face to come here!" "

"In the Bai family, Old Master Bai never said anything in anger. The last time he said that he wanted Bai Jiasheng and Zhou Ying to break off their relationship with Jingshu, he was not joking."

"If she followed such parents, sooner or later, she would be dragged down."

"Dad, what are you talking about! ! "No matter what, we are Jingshu's biological parents. No matter what, we can't just watch Jingshu dating an Earthling," Bai Jiasheng continued. "Dad, do you know that Bai Mo picked Lin Ze to be left behind! ! "How can you give us Jingshu trash that even Bai Mo doesn't want! "Are you Jingshu's biological grandfather or not? !" "

How could Lin Ze match up to Bai Jingshu?

An earthling who didn't even have a household registration in the S Galaxy!

This kind of person didn't even have the right to sweep trash in the S Galaxy!

"Zhou Ying continued, "Dad, do you know how the public is laughing at us now? Aren't you bringing shame to the entire Bai Family?" "

"The public was laughing at the short-sightedness of the Bai family. Because Lin ze was ye Zao's older brother, they couldn't wait to marry their daughter over. Little did they know that Lin Ze was a low-class person."

"It would have been fine if they could benefit from it, but the problem now was that not only were their parents unable to benefit from it, they were also humiliated. Who could bear it?" "

"In short, Bai Jiacheng and Zhou Ying would never allow Bai Jingshu to be with Lin Ze!" "

"Jingshu has nothing to do with you guys anymore. You Don't have the right to point fingers here!"Elder Bai said.

"Dad, blood ties are as thick as water. Isn't That What You Said?"Bai Jiacheng looked at elder Bai, "Dad, can you think about us! Think for the reputation of our Bai family! It's one thing for you to Pamper Jingshu, but what time is it now? What kind of place is earth? I really don't know if you love Jingshu or are harming her!" "

"In Bai Jiasheng's opinion, Old Master Bai was just old and muddle-headed."

Bai Jingshu was well-off and beautiful. She could marry anyone she wanted?

Why did she have to marry an earthling?

“Get lost! Get lost right now! I’ll say it again. Jingshu is only my granddaughter. She has nothing to do with you!”

“Bai Jiacheng was a little angry when he heard this, he looked at elder Bai and said, “Dad, you don’t have to scare me with these words! Do you think we want to have a daughter like this! If you really say so, then let’s completely cut ties! “From now on, we won’t have a daughter like Bai Jingshu anymore!” ”

A daughter who had brought shame to the family!

Zhou Ying stepped forward at the right time. “Jiacheng is right! We won’t have a daughter like that in the future!”

“In fact, the main purpose of the couple’s visit was to stop Bai Jingshu and Lin Ze from getting together. Since they couldn’t stop them now, they could only cut ties with Bai Jingshu. ”

“”Okay, okay, okay!”Elder Bai nodded. “That’s for the best!” ”

“After saying that, elder Bai turned to look at the butler beside him. “Go get a letter of termination!” ”

“After signing the letter of termination, Bai Jingshu had no relationship with Bai Jiacheng and Zhou Ying anymore. ”

Filial piety was the most important thing in the s galaxy.

“If Bai Jingshu had taken the initiative to bring it up, she would definitely have been criticized. However, the situation was different now. This matter was brought up by elder Bai, Bai Jiacheng, and Zhou Ying. ”

“Although Bai Jiacheng and Zhou Ying were Bai Jingshu’s parents, Old Master Bai was also Bai Jiacheng and Zhou Ying’s father-in-law. ”

It was most appropriate for old master bai to handle this matter.

He would not be talked about in the future.

Bai Jiacheng and Zhou Ying looked at each other and saw a satisfied look in each other's eyes.

"Based on the current situation, it was better to cut ties with Bai Jingshu as soon as possible so that Bai Jingshu would not drag down their parents in the future."

"They had raised Bai Jingshu up so well, and they were not going to let her drag them down."

"Soon, the Butler brought the letter of termination over, and Bai Jingshu followed."

"As the person involved in signing the letter of termination with her parents, she naturally could not be absent."

"Ever since she found out that her parents were going to clone her, Bai Jingshu had lost all hope of her parents, even when she found out that their parents were going to sign the letter of termination with her."

"Just like Zhou Ying, Bai Jiacheng pretended that he had lost his daughter a long time ago. He picked up the letter of divorce and signed it immediately."

"After Bai Jiacheng and Zhou Ying signed it, Bai Jingshu also signed the letter of divorce very quickly."

"Seeing how determined Bai Jingshu was, Zhou Ying's eyes turned red. After all, she was Bai Jingshu's biological mother. If it weren't for her, there wouldn't have been Bai Jingshu. But now.., bai Jingshu actually had no attachment to her mother at all."

What a waste of time!

“Old Master Bai put away the letter of termination. “Let’s Go! From now on, you won’t have anything to do with Jingshu anymore!”This could be considered as putting an end to old master Bai’s worries. ”

“Zhou Ying turned to look at Bai Jingshu, trying to see the reluctance on her face. ”

“Unfortunately, there wasn’t any. ”

“From the beginning to the end, there was not a hint of reluctance on Bai Jingshu’s face. She looked at them as if they were strangers. ”

Zhou Ying did not understand why Bai Jingshu would be so heartless.

Chapter 2299: 479: low-class people matched with idiots

“Even if they had done something wrong before, they were still parents after all. How could a junior like Bai Jingshu argue with her parents? ”

An unfilial daughter! She was simply an unfilial daughter!

“”Alright, stop looking.”Bai Jiacheng pulled Zhou Ying away. “Just think of it as us raising an ingrate!” ”

Bai Jingshu looked at the two of them with an indescribable expression on her face.

“Old Master Bai walked over to Bai Jingshu’s side, he sighed and said, “Jingshu, don’t think too much. This is a good thing for you. In the future, you’ll meet other family members.”Thinking about this child’s fate, after all, they were her biological parents. ”

“Grandfather, thank you.” Bai Jingshu couldn’t control her emotions and reached out to hug Old Master Bai. ”

“Grandfather Bai patted Bai Jingshu on the back. “If you want to cry, then cry.” ”

“Bai Jingshu smiled and said, “I won’t cry.” ”

“If she cried, then she would lose. Tears should not exist in an adult’s world. ”

“After experiencing what happened to Chen Yaosheng, Bai Jingshu told herself that she must never cry in the future. ”

“This was because sometimes, not only could tears not solve problems, they could also become a burden, a manifestation of negative emotions. ”

...

Lin Ze returned to Galaxy S after settling the matter in Galaxy F.

“He prepared some gifts and decided to visit elder Bai and the Bai family’s parents. However, he was stopped by Bai Jingshu. ”

“Lin Ze asked in confusion, “Why?” ”

“My situation with my parents is complicated. I broke off my relationship with them three days ago.” Bai Jingshu looked at Lin Ze.

Lin Ze was stunned.

“Bai Jingshu continued, “Do you think I’m very unfilial?” ”

“I believe you’re not that kind of unfilial daughter. Something must have happened that made you very sad, right?” Although he had only known Bai Jingshu for a few months, Lin Ze could tell, Bai Jingshu was a very loving and kind-hearted girl. ”

“Thank you.” Bai Jingshu looked up at Lin Ze.

“What are you talking about?” Lin Ze raised his hand and tucked Bai Jingshu’s hair behind his ear. “Let’s Go See Grandpa then?”

“Bai Jingshu said, “Grandpa said that he doesn’t want to see you now.” ”

“Why?” Lin Ze asked.

“Bai Jingshu continued, “He said that he wants to test you again. When you pass the test and when you can see him.” ”

“I didn’t know it was so difficult to marry you!” Lin Ze reached out and hugged Bai Jingshu.

“What do you think?” Bai Jingshu raised her eyebrows and asked, “Oh right, don’t you care at all about what happened between me and my parents?” ”

“Lin Ze said very seriously, “Yes, I think couples should respect each other. If you’re willing to talk to me, just tell me directly. If you’re not willing to talk to me, even if I ask you, you have a hundred reasons not to tell me.” ”

“Bai Jingshu agreed with Lin Ze. She smiled and said, “Since you’ve already said that, I’ll definitely tell you!” ”

Lin Ze held Bai Jingshu’s hand. “Let’s Find a quiet place to talk.”

“Okay.” Bai Jingshu nodded.

This scene happened to fall into Bai Mo's eyes not far away.

"It had to be said that from a bystander's point of view, Lin Ze and Bai Jingshu were a perfect match!"

They were a match made in heaven.

"Most importantly, Lin Ze was really the type of handsome guy that could be deeply remembered with just one look."

"Thinking about how Lin Ze was her blind date before, Bai Mo couldn't help but feel a little emotional. If she hadn't let him go back then, she would be the one by Lin Ze's side now."

"But when she thought about how Lin Ze was just an ordinary earthling, all these thoughts disappeared in an instant."

"No matter how handsome Lin Ze was, he was just an earthling."

Earthlings just weren't good enough for her.

"Bai Mo walked to the two of them and smiled. "SIS, Mr. Lin, what a coincidence to meet you here." "

"Mo Mo." Bai Jingshu had long known that Bai Mo was involved in Chen Yaosheng's matter. Now that she saw Bai Mo, she would try to stay as far away as possible."

"Bai Mo looked at the two of them holding hands and pretended to be surprised. "SIS, you're not really together with Mr. Lin, are you?" "

"Yes." Bai Jingshu did not deny it.

“Bai Mo continued, “Sis, you and Mr. Lin are really a good match!” ”

Wasn't it a good match for a low-class person and an idiot?

Chapter 2300: 279: Brother ZE's official announcement! 1

Bai Mo looked at Bai Jingshu with a smile on her face. She felt extremely happy in her heart.

“When she thought about how Bai Jingshu could only be a lowly earthling, she would always have to suppress Bai Jingshu. Bai Mo felt even more happy.”

“Bai Jingshu smiled and said, “Thank you.” ”

““Sister, you're too polite.” Bai Mo continued, “As your sister, I hope that you can be happy more than anyone else. Now that I see you with Mr. Lin, I'm relieved. I believe that Mr. Lin will definitely make you happy.” ”

Bai Jingshu looked at Bai mo. “I also hope that you can find your own happiness as soon as possible.”

“Bai Mo lowered her head and said a little embarrassedly, “Then I'll give you my blessing.” ”

“After saying that, Bai Mo seemed to have thought of something and continued, “In the future, when Mr. Lin is with my sister, won't he be my brother-in-law? Brother-in-law, you have to treat my sister well. Otherwise, I won't let you off!” ”

“Lin Ze nodded. “Don't worry, I definitely won't bully her.” ”

“That’s good.” Bai Mo saw with her own eyes that Bai Jingshu and Lin Ze’s relationship was indeed good, so she heaved a sigh of relief. “Sister, brother-in-law, I still have other things to do, so I’ll be leaving first.” ”

“Okay.” Bai Jingshu nodded. “Take care on the road.”

“I know.” Bai Mo turned to leave.

“Lin Ze looked at Bai Mo’s back and said, “This sister of yours has bad intentions. Try to keep a distance from her in the future. Otherwise, you won’t even know that she has set you up one day.” ”

“How did you tell?” Bai Jingshu looked at Lin Ze.

“Lin Ze continued, “From the first time we met, I felt that she was different from other girls.” Lin Ze seemed to have the ability to judge girls, just like how he disliked Feng Qianhua and Feng Xianxian from a very young age. ”

“If he could not differentiate between good and bad, he would definitely treat Feng Qianhua as his own mother. After all, Feng Qianhua had watched him grow up. ”

“When he was very young, old Mrs. Lin had even asked Feng Qianhua to feed Lin Ze milk. However, Lin Ze seemed to know something and would rather drink milk powder than Feng Qianhua’s. ”

Bai Jingshu nodded. “Your feeling is correct. Bai Mo was involved in Chen Yaosheng’s matter last time.”

“Otherwise, would Chen Yaosheng know about her hobbies? ”

It was obvious that Bai Mo had given all her personal information to Chen Yaosheng.

“However, Bai Jingshu only found out about this after the incident. ”

“Hearing this, Lin Ze frowned slightly. “Did you tell her about this?” ”

“”No.” Bai Jingshu shook her head, then, she said, “I don’t want to see Grandpa in a dilemma. Bai Mo has been reminding Grandpa that he is biased in front of him. If I bring this up, Grandpa will definitely stand up for me. By then, second uncle and second aunt’s family might not be able to handle it. “It’s better to avoid trouble. It’s worth it to see a person clearly through this matter. I’ll just stay away from her in the future.” ”

“Bai Jingshu had a gentle personality. She tried her best to avoid trouble, especially if she didn’t want to make things difficult for the old man. ”

The Old Man’s greatest wish in his life was to see the younger generation as amiable and amiable.

“If Bai Mo really provoked her, she wouldn’t sit still and wait for death. ”

“Lin Ze continued, “In the future, if Bai Mo dares to make things difficult for you again, just tell me that when dealing with people like Bai Mo, you must never repay a grudge with kindness.” ”

“When dealing with Bai Mo, one must repay a grudge with kindness. ”

“Okay.” Bai Jingshu nodded.

“Lin Ze continued, “When do you plan to return to Earth?” ”

Bai Jingshu thought for a moment. “I want to accompany grandfather for a few more days.”

“Okay.”

“What About You?” Bai Jingshu asked.

“”I’ll wait for you to go back together,” Lin ze said. ”

“Bai Jingshu continued, “If you’re busy, you can go back first. I can do it alone.” ”

“”I’m not busy.”Lin Ze reached out and put his arm around Bai Jingshu’s shoulder. “If I don’t even have time to spend with my girlfriend, how can I be considered a boyfriend?” ”

Bai Jingshu chuckled. “I didn’t realize you were so sweet in the past.”

“In Bai Jingshu’s impression, Lin Ze had always been cold and indifferent. He didn’t say much to anyone.
”

“”I’m telling the truth,”Lin ze said. ”

“Bai Jingshu continued, “I’m serious too. If you’re busy, go back first. I can really do it alone. Don’t let me delay your work.” ”

“It’s nothing serious. I know what I’m doing.”

“Okay.”Bai Jingshu nodded. “I’ll accompany Grandpa for another three days.”

“”Okay.”Lin Ze put the gifts into Bai Jingshu’s aircraft. “When you go back later, bring these things to Grandpa. Although I can’t go over, it’s a token of my appreciation.” ”
