Chapter 2301: 279: Brother ZE's official announcement! 2

"Since he had already bought the items, he naturally had to give them to elder Bai. "

"Bai Jingshu smiled and said, "What if you don't pass the test? Won't these things be given away for Nothing?" "

"Do you really hope that I Won't pass the test?"Lin Ze turned to look at Bai Jingshu and asked with a smile.

"Of course not. I'm just making an analogy."As she said this, a worried expression appeared on Bai Jingshu's face. She continued, "But I don't know what Grandpa's test criteria are either. You'd better pay more attention in the near future." "

"Yes, I know that."Lin Ze nodded. "Don't worry. I'll definitely work hard to make Grandpa like you. Then, I'll marry you as soon as possible." "

Bai Jingshu's face was slightly red.

Lin Ze held Bai Jingshu's hand. "Let's go for a stroll by the beach."

"Okay."

The two of them went to the beach.

"Today was a rest day. There were a lot of people going for a stroll by the beach. In the air above the sea, all sorts of flying machines were circling around. It was very lively. "

“Bai Jingshu continued, “I’ve arranged to meet Manwen on Sunday. You’ll go with me.” ”

““So you’ve arranged to meet him,” Lin ze said with a smile. “No Wonder I asked him out last night. He said that he already has an appointment on Sunday.” ”

““Yes,” Bai Jingshu continued, “I’ve been friends with Manwen for life and death. We’ve been through thick and thin together. We’ve promised each other that if anyone has a partner first, we must tell each other.” ”

“At that time, Bai Jingshu thought that she would probably die alone. She did not expect that she would always be surprised.” ”

“How did you and Manwen Meet?” Lin Ze was a little curious.

“Bai Jingshu smiled and sank into her memories, she continued, “When I met him, he was twelve years old. At that time, I liked the culture of Earth. He was a profligate son and we did not have any friends. Then, it was as if we met another version of ourselves. Later on, the three of US became good friends who talked about everything and experienced many things together.” ”

““The three of you?” Lin Ze asked curiously, “Who else is there?” ”

““There’s someone called Fan Mu,” Bai Jingshu continued, “But fan mu is now an instructor at the Military Academy.” ”

“I see.” Lin Ze nodded.

...

On the other side.

Bai Mo arrived at the place where the Manwen Association would be held.

“Half an hour later, Manwen and his assistant appeared.”

“Bai Mo immediately took out a small mirror and tidied up her makeup. After confirming that there were no problems, she walked out and pretended to be surprised. “Brother Manwen, what a coincidence!” ”

“When he heard Bai Mo’s voice, Manwen furrowed his brows. Why was it Bai Mo again? ”

“These past few days, Bai Mo would always appear in front of him, unintentionally or unintentionally. She was like a fly that he couldn’t shake off. Manwen was also very helpless. If it wasn’t for the fact that she was Bai Jingshu’s younger sister.., man Wen would have asked her to leave long ago. ”

“Bai Mo jogged over. “Brother Man Wen, where are you going?” ”

““I’m here on official business,” man Wen said. ”

““OH.” Bai Mo nodded. “Brother Man Wen, have you been very busy these days?” ”

Man Wen couldn’t be bothered to deal with Bai Mo anymore. He just nodded.

“Bai Mo continued, “Brother Man Wen, my sister came back two days ago. Have you guys met?” ”

““Not yet.” Bai Jingshu had asked him out before, but Manwen had been quite busy these past few days, so she had pushed it back a few days. ”

“Bai Mo looked at manwen and continued, “Oh right, Brother Manwen, my sister has found a boyfriend.” ”

“Really?” Manwen asked.

“Bai Mo nodded and continued, “Of course it’s true. Can I still lie to you about my sister?” ”

“What a good Bai Jingshu. The reason why she hid it from man Wen was definitely because she wanted to be two-timing. Luckily, she had exposed it in time. She did not expect Bai Jingshu to be so shameless when she looked at how happy she was. ”

She even wanted to be two-timing.

“This time, man Wen should be able to see Bai Jingshu’s true colors. ”

“Bai Mo observed man Wen’s expression and continued, “Brother Man Wen, my sister is so close to you. Didn’t she tell you?” ”

“What are you trying to say?”Man Wen looked at Bai Mo..

“Bai Mo was stunned. “Brother Man Wen, i...” ”

“Before she could finish her sentence, man Wen had already planned to.., “Bai Mo, you don’t have to sow discord in front of me. I know what you’re trying to do. “The reason why I’ve been holding back and not falling out is because you’re sister Jingshu. I also hope that you have some self-awareness. Girls should try not to embarrass themselves and not embarrass themselves. Your eating style is really too ugly.” ”

Chapter 2302: 279: Brother ZE’s official announcement! 3

“These very straightforward words directly exposed Bai Mo’s darkest side. Bai Mo stood rooted to the ground, her face alternating between green and white. It was a bit like the color palette, very beautiful. ”

“If there was a crack in the ground, Bai Mo would immediately crawl into it. ”

“After saying this, man Wen turned around and walked. As he walked, he told his assistant, “Don’t reveal my schedule to those messy people in the future.” ”

Random.

“Upon hearing this, Bai Mo’s color turned even paler. It turned out that in man Wen’s heart, she could only be considered a random person.”

How could she be a random person! !

“The assistant was also slightly stunned. Under normal circumstances, they would definitely not reveal man Wen’s schedule, but Bai Mo was different. Bai Mo was Bai Jingshu’s sister, and Bai Mo was one of the few people who could speak to man Wen, after a while, the assistant thought that Bai Mo was a different person. Initially, she thought that Bai Mo would become a different person in Manwen’s heart, but she did not expect to be eliminated so quickly.”

“Looking at Manwen’s back view, Bai Mo felt very indignant. She had spent so much time on Manwen, but in the end, she had actually changed the label of ‘Messy Person’.”

It was all Bai Jingshu’s fault!

“It must have been Bai Jingshu who had spoken ill of her beside man Wen. Otherwise, man Wen would never have hated her so much!”

“At this moment, Bai Mo’s entire body was trembling.”

She had never been humiliated like this in her entire life. This was the first time.

“Damn it, Bai Jingshu!”

“If it weren’t for Bai Jingshu, she would never have become like this.”

What kind of Cousin was Bai Jingshu? !

How many cousins were like her?

“Momo! Momo!”

“Bai Yuanyuan’s voice suddenly sounded in the air, but Bai Momo could no longer hear anything. It was only when Bai Yuanyuan walked over and patted her shoulder that she asked, “Momo, what are you thinking about?” ”

Only then did Bai Momo react. She turned around and looked at Bai Yuanyuan. “Why are you here?”

““I’m here to take a look around and buy some star energy. By the way, have you seen Manwen?”Bai Yuanyuan asked. ”

“It would have been better if Bai Yuanyuan had not said that. However, when Bai Yuanyuan said that, Bai Mo was in a bad mood. “What do you mean? Are you looking at me as a joke?” ”

“Bai Yuanyuan was stunned. “Momo, what’s Wrong?” ”

“You didn’t see it?” Bai Mo narrowed his eyes.

“See what?” Bai Yuanyuan was a little confused. She was even more confused as to why Bai Mo was suddenly so angry. Could it be that something had happened between her and man Wen?

“Bai Mo calmed down a little. Since Bai Yuanyuan didn’t see that scene, she naturally wouldn’t reveal her scars. She continued, “Who do you think is more powerful, Ye Han or man Wen?” ”

“Bai Yuanyuan thought for a moment. “Ye Han is the monarch of Changyue Kingdom and also Miss Ye’s younger brother. If we have to compete, naturally, Ye Han is more powerful.” ”

Changyue kingdom was conquered by Ye Zhuo alone.

But Manxing kingdom was different.

Manxing kingdom was the inheritance system.

“Bai Mo narrowed her eyes and said, “From today onwards, Manwen and I can not live under the same sky!” Actually, she had been in the wrong direction from the beginning. She should not have tried to conquer Manwen. She had no foundation with Manwen, but Ye Han was different.., she and Ye Han were good friends to begin with.”

“”AH? What happened, Mo Mo?” Bai Yuanyuan asked in surprise. ”

“Bai Mo continued, “You don’t need to know the specific reason. You only need to know that I will be the first lady of changyue country in the future.” ”

Bai Mo was still very confident in conquering ye Han.

Bai Yuanyuan was stunned. “But... but ye Han already has a girlfriend.”

“Not long ago, Ye Han had officially announced to Shi Qingcheng that the two of them were really lovey-dovey. How could Bai Mo possibly get involved in such a crucial period. ”

“You can get a divorce even if you’re married. So what if you have a girlfriend?” Bai Mo retorted.

Shi Qingcheng had only known ye Han for a few days?

How could she compare to the relationship between her and Ye Han.

“Before Shi Qingcheng appeared, she and Ye Han were best friends. Otherwise, ye Han would not have introduced Lin Ze to her.”

“Ye Han must have already been interested in her at that time. He was too embarrassed to express his feelings for her, so he pushed Lin ze out.”

“Thinking of this, Bai Mo felt a little regretful.”

“She regretted that she did not seize the opportunity in time and said to Ye Han, “Just introduce yourself to me.”.”

“However, it was not too late. Perhaps ye Han was dating Shi Qingcheng to anger her and make her take the initiative to attack.”

Chapter 2303: 279: Brother ZE’s official announcement! 4

“”Momo, have you really thought it through?” Bai Yuanyuan asked.”

“”I’ve thought it through.” Bai Mo nodded. “I heard that Shi Qingcheng was together with Ye Han. It was Shi Qingcheng who took the initiative to confess to Ye Han, right?” ”

“”I think so.” Bai Yuanyuan’s gossip was very comprehensive, “Moreover, I also heard that Shi Qingcheng and Miss Ye were very good friends. The two of them even had a common experience. I even suspected that Ye Han was embarrassed to reject Shi Qingcheng because of this layer of relationship, so he agreed to be together with Shi Qingcheng! After all, Shi Qingcheng is two years older than ye Han!” ”

“In this world, how many men liked women who were older than them?”

“Otherwise, why would there be the term ‘Little Wife’ instead of ‘old wife’?”

“Shi Qingcheng is older than ye Han?” Bai Mo was a little shocked.

“Bai Yuanyuan nodded. “That’s right, Mo Mo, you still don’t know?” ”

Bai Mo did not say anything and narrowed her eyes.

“This way, her chances of winning would be even greater. ”

Shi Qingcheng was just waiting to be kicked!

“Thinking of this, the corners of Bai Mo’s lips curled up, her eyes filled with pride. ”

“”But,” Bai Yuan Yuan hesitated for a moment before continuing, “Isn’t this not too good?” ”

“Although the Bai family was not a top-notch noble family, they were still a reputable family in the galaxy. If the news of Bai Mo’s involvement spread, the reputation of the few unmarried sisters of the Bai family would also be damaged. ”

“It would be fine if the involvement was successful, but if it was not, they would end up in trouble. ”

“What’s wrong with that?” Bai Mo raised his head to look at Bai Yuanyuan. “Don’t you want to marry into the Xu Family?”

“With just one sentence, he directly pinched Bai Yuanyuan’s weak spot. ”

“Bai Yuanyuan was stunned for a moment. “Mo Mo, Shi Qingcheng came from the military academy. She’s definitely not someone to be trifled with. You have to be careful.” ”

“So what if she’s not someone to be trifled with?” Bai Mo narrowed her eyes.

“To put it bluntly, at this moment, Qingcheng was a tomboy who did not have the slightest bit of femininity. Ye Han would definitely not like such a person.”

“Bai Yuanyuan was a little worried, but when she thought about marrying into the Xu family, she was a little excited. She continued, “Momo, you and Ye Han were good friends before. Did Ye Han ever tell you what kind of girl he likes?” ”

“At first, Bai Momo only thought of ye Han as ye Zao’s younger brother. She never thought that one day, ye Han would be able to turn from ye Zao’s younger brother to the ruler of Changyue State.”

“After all, Ye Han was only two years younger than ye Zao. The ruler of Changyue state was not ye Han’s turn. In fact, the most important reason was that ye Han was not ye Zao’s younger brother. They were not blood-related.”

“Who would have thought that God would be able to predict ye Han’s fate? In the end, Ye Han actually became the ruler of Changyue!”

“If Bai Mo had known this would happen, he would have taken the initiative to attack long ago.”

“However, it was not too late.”

“The corner of Bai Mo’s mouth curled up slightly. He continued, “Actually, Ye Han has always had a crush on someone in his heart. He just didn’t say it out loud.” ”

“Who?” Bai Yuanyuan immediately asked.

“Bai Mo smiled and said, “You don’t need to know who it is. You just need to watch carefully.” ”

Watching who was the last person to smile.

“Bai Yuanyuan finally reacted and said in disbelief, “That... the person ye Han has a crush on isn’t you, right?” ”

Bai Mo didn't say anything or deny it.

"After all, according to all the signs, that was indeed the case. Otherwise, ye Han wouldn't have introduced Lin Ze to her."

"Bai Yuanyuan said in surprise, "Momo, you're too amazing! Then I'll support you! After all, you're the One Ye Han likes!" "

"In this way, Shi Qingcheng was the third party who interfered with other people's feelings."

"After Bai Momo redefined her goal, it was as if she had been resurrected."

"Over here, three days later, Lin Ze and Bai Jingshu set off for Earth."

"Two days later, the interstellar shuttle successfully landed on Earth."

"After Lin Ze sent Bai Jingshu home, he contacted Ye Sen and ye Langhua to stay at the Lin family manor tonight. He had something very important to tell everyone."

"Ye Sen had been quite busy these days, but when he heard that Lin Ze had something important to announce, he immediately pushed everything aside. He arrived at the Lin family manor at 3:30 in the afternoon. When he arrived, ye Langhua had just arrived."

"Godmother," Ye Sen greeted with a smile. "You're here too."

"Ye Langhua nodded. "I was planning to come back in the next few days, but Ah Ze happened to say that he had something to tell us, so I came back early."

"Ye Sen asked curiously, "Do you know what Big News Ah Ze is going to announce to us?" "

““I don’t know. I asked that kid over the phone, but he didn’t say anything,”ye Langhua said with a smile.”

Chapter 2304: 279: Brother ZE’s official announcement! 5

“Ye Sen rubbed his chin and narrowed his eyes. “I remember that the last time burning did this, it was because he found a boyfriend. Do you think that Ah Ze has found a girlfriend?” ”

““If that’s really the case, then it’s really big news.”After saying that, ye Langhua turned to look at Ye Sen, then, she said, “Don’t talk about Ah Ze all the time. I don’t know when you, as an uncle, will be able to solve your personal life-long problem.” ”

““Don’t worry, don’t worry.”Ye Sen smiled and said, “I promise to solve this problem within this year.” ”

“Ye Sen had just expressed his feelings to Gu dening not long ago, but the time had not come yet, so it was not suitable for him to announce it yet. ”

““That’s good. Ah Sen, it’s time for you to solve your life-long problem!”Ye Langhua said. ”

“Not long after, Ye Zhuo and Cen Shaoqing also returned. ”

“Ye Shu even went to the north wing to invite Old Lady Lin. No matter what happened in the past, Old Lady Lin was Lin Ze’s grandmother after all. Moreover, Old Lady Lin had received her due retribution for what happened to Lin Ze, old Lady Lin also had the right to know. ”

One must always look forward.

“At night, the Lin family sat at the dining table. ”

“Old Lady Lin looked at her family, and her eyes were slightly red. There was not a day that she did not regret her previous actions. Unfortunately, there were all kinds of medicine in this world, but there was no medicine for regret.”

She was really grateful to Ye Shu.

“Old Lady Lin raised her glass. “This glass of wine is for Ah Shu. Ah Shu, thank you. I Won’t say anymore. Everything is in this glass of wine.” ”

Ye Shu immediately stood up with the glass in her hand.

Old Lady Lin downed the wine in the glass in one gulp.

Ye Shu did not say anything and also drank the wine in one gulp.

“Just as Old Lady Lin said, everything was in the wine.”

“After ye Shu sat down, Lin Jincheng held her hand and said in a low voice, “Thank you, Ah Shu.” ”

““No need to thank me,”ye Shu continued, “If your mother hadn’t changed, the current situation wouldn’t have happened.” ”

“At this moment, Ye Sen looked at Lin Ze and continued, “AH ze, didn’t you say that you have something very important to announce to all of us? Why haven’t You Said Anything?” ”

““That’s right, Ah Ze. Quickly tell us what it is!”Ye Langhua followed up.”

“Lin Ze put down his chopsticks and said solemnly, “Father, mother, grandmother, grandmother, uncle, Zhuo Zhuo, fifth brother, I have a girlfriend.” ”

“Although Cen Shaoqing was ye Zhuo’s boyfriend now, Cen Shaoqing was still older than him, so Lin Ze had always called CEN Shaoqing fifth brother.”

Had a girlfriend?

The dining table was quiet for a few seconds before ye Sen’s laughter broke the silence. “So you really have a girlfriend! Your grandmother and I were discussing this in the afternoon! You two siblings are exactly the same!”

“Lin Ze smiled embarrassedly. Ye Shu immediately asked, “Ah Ze, whose girl is that? Do I know her? What’s her character like?” ”

“Lin Jincheng was also very concerned about these questions. He immediately listened carefully, afraid that he would miss a word.”

“Lin Ze maintained his mysteriousness. He looked up at ye Shu and said, “It’s a secret for now, but I’ll invite her to my house the day after tomorrow.” ”

“The day after tomorrow?”Ye Sen asked.

“Yes.”Lin Ze nodded.

“Ye Sen took out his phone and sent a voice message to his assistant. “Xiao Chen, cancel all my trips the day after tomorrow.” ”

“Lin Ze looked up at Ye Sen and smiled. “Uncle, if you’re too busy, you don’t have to come back. There will be plenty of opportunities for us to meet in the future anyway.” ”

“”That won’t do. The first time we meet is very important. We can’t let the woman feel that we’ve neglected her.”Although ye Sen had never been married, he still had a set of principles.”

“Because Lin ze was going to bring Bai Jingshu to meet the parents the day after tomorrow, Ye Langhua decided not to go back. She stayed over at the Lin family’s house for the night. ”

“Old Lady Lin held ye Langhua’s hand. “Langhua, can I Talk to You?” ”

“Ye Langhua was stunned for a moment, then said, “Okay. Where shall we go to talk?” ”

“”Let’s go to my north room,”said Old Lady Lin. ”

“Okay.”

Ye Langhua stood up and walked over to the servant. “Let me push it.”

The servant looked at Old Lady Lin with some embarrassment. “Old Lady?”

“Old Lady Lin smiled and said, “You can go home first.” ”

“Upon hearing that she could go home early, the servant said happily, “Thank you, Old Lady. I’ll be going home first!” ”

“Go home.”Old Lady Lin waved her hand.

Chapter 2305: 280: Old Lady Lin Dies 1

Ye Langhua pushed Old Lady Lin to the north wing room.

“It was different from the previous grand and magnificent room. Now, the north wing room was very clean. As soon as she walked in, she could smell a faint sandalwood scent. ”

Old Lady Lin was still worshipping Bodhisattva in the north wing room. What she did every day was to recite scriptures and pray for the Lin family. Next was to atone for her sins.

“Ye Langhua wanted to continue pushing Old Lady Lin into the house, but was interrupted by Old Lady Lin. “Let’s do it here, Langhua. The house is too stuffy.” ”

“Okay.”Ye Langhua nodded and stopped walking. He stopped his wheelchair beside the pavilion in the small courtyard.

“The Bright Moon Hung High in the sky like a white jade plate, draping a layer of white gauze over everything in the courtyard. ”

“A cool breeze blew, and the scent of sandalwood was even stronger. There was also a faint fragrance of flowers. ”

Old Lady Lin had someone make tea and bring it over.

“The bright moon and the clear tea. The scene was indeed beautiful, but unfortunately, the timing was not right. ”

Ye Langhua knew very clearly that Old Lady Lin had not invited her over for some hot spring and white snow topic.

“Old Lady Lin personally poured a cup of tea for ye Langhua. “Langhua, drink some tea.” ”

“Ye Langhua picked up the Teacup and took a sip before turning to look at Old Lady Lin. “Elder sister, if you have anything to say, just say it.”At their age and having experienced so many things, ye Langhua felt that.., anything between them could be said without reservation. ”

“Old Lady Lin smiled and said, “Actually, it’s nothing much. I just want to have a chat with someone before I leave.” ”

“Old Lady Lin’s words were light, and ye Langhua did not seem to understand what she meant. ”

“Leave? Where are you going? Are you going on a trip?”

“”In life, the grass and the trees fall. In the end, dust returns to dust.”When it came to matters of life and death, there was not much sadness on Old Lady Lin’s face. ”

“Her life had been full of ups and downs. After experiencing so many things, she had long since become indifferent to life and death. ”

“To Old Lady Lin, death was just a matter of closing one’s eyes. There was nothing to be afraid of. ”

It was just that there were some things that she could not let go of.

“Ye Langhua also understood the meaning behind Old Lady Lin’s words. She continued, “Elder sister, your body is fine now. Don’t think too much about it.” ”

Old Lady Lin shook her head. “I know my own body very well.”

She knew that her time was almost up and she did not have much time left.

“Putting Old Lady Lin in such a state., ye Langhua continued, “Elder sister, are you sick? ! Don’t worry. Nowadays, medicine is so advanced that even cancer can be cured, let alone other illnesses! Let’s go to the hospital! I’ll send you there right now!”If she was not sick., old Lady Lin would definitely not say these words for no reason. ”

“”There’s no need,”Old Lady Lin said with a smile. “I’m not suffering from any serious illness. I’m just at the end of my life.” ”

“At this point, Old Lady Lin grabbed ye Langhua’s hand and gently patted it, she sighed and said, “My life has been a failure. Before I left, I didn’t even think of finding someone to talk to. Fortunately, I still have you, Langhua. Thank you for not bothering me about what happened before.” ”

“For some reason, Ye Lang Hua’s heart sank when she saw Old Lady Lin like this. For a moment, she didn’t know what to say. ”

“Old Lady Lin continued, “I’ve done too many wrong things in my life. First, I almost caused fourth brother to be destroyed by Zhao Shuning’s hands. Then, I caused Jin city and Ah Shu to be destroyed... even burning...”at the end of her sentence, old Lady Lin was already sobbing uncontrollably. Her tears were like beads that had lost their thread. ”

“It’s all in the past.”Ye Langhua handed a tissue to Old Lady Lin.

“Old Lady Lin took the tissue and wiped her tears. She then said, “Langhua, you’ve given birth to a good daughter... Thank you, thank you for giving birth to such a good daughter!” ”

“Ye Langhua was also a little sad. “Elder sister, don’t say that. Jin city is also a good child.” ”

“”The child is a good child. Unfortunately, it was delayed by a mother like me.”Old Lady Lin blamed herself. “If it weren’t for me, the family of four would have been happier.” ”

Old Lady Lin regretted it.

“Especially recently, she always dreamed of the past. In her dreams, she looked at her ugly face and wanted to tear it up immediately. ”

“”Since the matter has already passed, don’t think too much about it,”ye langhua continued, “People have to learn to move on.” ”

Old Lady Lin nodded. “You’re right. People should move on. I just want to tell you everything before I leave.”

Chapter 2306: 280: Old Lady Lin passed away 2

“You’ll be fine!” Ye Langhua held Old Lady Lin’s hand. “Believe me, don’t think so much. You haven’t seen Ah Ze and Zao Zao form a family yet!” ”

“Although Old Lady Lin couldn’t walk now, she looked pretty good. She didn’t look like she was about to die.”

“Old Lady Lin continued, “I also want to see Ah Ze and Zao Zao form a family, but I know that I can’t wait until that day. Last night, I dreamt of his father in Jin city. He said that he would come and pick me up in a few days. He said that it would be very lively there.” ”

“Ye Langhua comforted her, “Dreams are reversed. You will definitely be fine.” ”

“Langhua, I’m not afraid of death now. Really.” Old Lady Lin looked at Ye Langhua and said very seriously, “Not only am I not afraid of death, I’m actually looking forward to the arrival of death. It’s just that...” ”

“At this point, Old Lady Lin’s emotions suddenly broke down. She cried, “It’s just that I don’t have the face to see the children’s father!” ”

She really didn’t have the face to see him.

“Ye Langhua comforted old lady lin softly, “You’ve already made a change now. I believe that brother-in-law will definitely forgive you.” ”

“But even I can’t forgive myself. I’ve committed so many mistakes!”

Ye Langhua sighed.

“After crying for a while, Old Lady Lin’s emotions slowly improved. She looked at ye Langhua, then, she said, “Langhua, after I leave, please say something to Jiaojiao on my behalf. Say that I’ve let her down. I’m not a good grandmother. If there’s a next life, I’ll definitely make it up to her! And Ah Ze...” ”

Ye Langhua patted Old Lady Lin’s shoulder. “Didn’t I say it just now? Let bygones be bygones.”

“Old Lady Lin took out another small box. “Langhua, I left this small box for burning. After I leave, you must hand it over to burning.” ”

“Ye Langhua did not reach out to take it. “Elder sister, you’ll be fine. Besides, it’s best that you hand it over to burning.” ”

““No, it’s best that you hand it over to her.” Old Lady Lin stuffed the box into ye Langhua’s hand. “Langhua, I’ll only be at ease if you hand it over to burning.” ”

“Speaking up to this point, old lady lin continued, “Langhua, how good would it be if I could start over in this life!” ”

“If she could start over in this life, she would definitely make up for all her previous mistakes.”

“Ye Langhua did not say anything. How could she not want to start over in this life? If she could start over, she would definitely not lose her daughter and would not let ye Shu suffer so much.”

It was a pity.

Life would never start over.

She chatted with Old Lady Lin until midnight before she got up and went back.

“Ye Shu saw that ye Langhua did not come back and was a little anxious, so she came over to look for her. The mother and daughter just happened to meet at the door of the north wing.”

“Mother.”

“Ah Shu.”Ye Langhua raised her head to look at Ye Shu. She thought of Old Lady Lin’s words and felt a lot.

“Ye Shu held ye Langhua’s hand and said with concern, “Mom, why did you stay until now? Is it Grandma Ah Ze...”she was afraid that Old Lady Lin would make things difficult for ye Langhua. ”

“Ye langhua smiled and said, “Don’t worry, she didn’t make things difficult for me. She just told me some things from the bottom of her heart.” ”

“That’s good.”Ye Shu nodded. “I see that Grandma Ah Ze has also changed a lot in the past two years.”

“Ye langhua continued, “Ah Shu, the past is already in the past. I see that Grandma Ah Ze doesn’t have many days left, especially after what she said to me tonight. try to visit her more often in the future. “Life is actually just a dream. After waking up from a dream, there is nothing. Take advantage of the fact that she is now a child. Try to treat her as well as you can.” ”

There was only one life. One was born to be a person. The most important thing was not to leave any regrets in life.

One had to forgive and forget.

““Yes.”Ye Shu said, “I was indeed a little unhappy two years ago, but now I can’t be bothered with those things in the past. Now, as long as there is a family meeting or other festivals, I will invite her over.” ”

““Yes, that’s how a person should be.”Ye Langhua was very supportive of Ye Shu’s actions. ”

“In the blink of an eye, the third day arrived. ”

Today was the day Lin Ze brought his girlfriend home.

“Early in the morning, Ye Shu got up and got busy. She cleaned the house and instructed the kitchen to prepare some dishes.”

Lin Jincheng also changed into a new set of clothes.

“After all, today was the day to welcome the new members of the family.”

“As a father, Lin Jincheng knew Lin ze very well. He knew that Lin Ze was sincere. Otherwise, Lin Ze would never bring his wife home in such a big way.”

Chapter 2307: 280: Old Lady Lin Dies 3

“At 8:30 am, Lin Ze arrived at Bai Jingshu’s residence.”

Bai Jingshu had already freshened up and was looking at Lin Ze nervously. “Do you think uncle and Auntie will like me?”

“Haven’t you felt it the last time?” Lin Ze asked.

“Bai Jingshu continued, “The last time was the last time.” This time, she had changed from being a guest to being Lin Ze’s girlfriend.”

“Although she had met Lin Ze’s parents and knew that Ye Shu and Lin Jincheng weren’t harsh parents, Bai Jingshu was still very nervous.”

“What if uncle and Auntie don’t agree to us being together?” Bai Jingshu looked at Lin Ze.

“Lin Ze smiled and said, “They won’t.” ”

“Did you tell uncle and Auntie That Your Girlfriend Is Me?” Bai Jingshu asked.

Lin Ze shook his head. “Not yet. I want to give them a surprise.”

“Don’t turn it into a shock,” Bai Jingshu said worriedly. ”

“It definitely won’t turn into a shock.” Lin Ze held Bai Jingshu’s hand. “You’re so good-looking and have a good temper. How can my parents not like you?”

“Bai Jingshu asked unconfidently, “Really?” ”

“Of course.” Lin Ze helped Bai Jingshu tidy up her clothes and continued, “Let’s go. My mom called me just now to ask if I’m here.” ”

“Okay.” Bai Jingshu nodded.

She followed Lin ze into the car and got into it. Bai Jingshu was still a little nervous.

“The closer the car was to the Lin residence, the more nervous Bai Jingshu became. She turned to look at Lin Ze. “Who’s at home today?” ”

“Lin Ze wanted to say that there weren’t many people, but he was afraid that Bai Jingshu wouldn’t be prepared. When she saw that there were so many people at home, he became even more nervous, he said, “My parents, grandma, Uncle, fourth uncle, and fourth aunt, as well as Zhuozhuo and her boyfriend.” ”

Lin Qingxuan and Xia Xiaoman lived in Beijing. They wouldn’t miss out on such an important event like Lin Ze bringing his girlfriend back.

“Xia Xiaoman smiled and said, “Searing has a boyfriend. Ah Ze has a girlfriend too. Now, only our Lizi is left!” ”

“Seeing that an Lizi had reached the age to fall in love, Xia Xiaoman was a little anxious.”

“Lizi’s fate hasn’t arrived yet. You Don’t have to be anxious,” ye Shu said with a smile. “To be honest, I didn’t expect our ah ze to bring his girlfriend back so quickly.” ”

“Lin Ze was the kind of child who was slow to warm up. He didn’t seem to be interested in anything. Usually, he wasn’t very popular with girls. Ye Shu had even made up her mind that Lin Ze wouldn’t find a partner even at the age of thirty, but she didn’t expect Lin Ze to give them such a surprise.”

“You’re right. There’s no way to be anxious about this kind of thing.”

“At that moment, the originally quiet Lin Zhi suddenly started babbling and laughing at Ye Shu. ”

“Ye Shu reached out to shake Lin Zhi’s hand and teased, “Does our little zhizhi also want to find a girlfriend?” ”

“Xia Xiaoman followed up, “Zhizhi asked your auntie to introduce you to someone.” ”

“Little Lin Zhizhi couldn’t speak clearly. He could only say a few simple words. He didn’t know what a girlfriend meant, but he knew that it was definitely a good thing for the adults to laugh. He nodded and said, “Okay, okay...” ”

“Seeing him like this, Ye Shu was amused. “With this kid of yours, who knows how many little girls he will lie to when he grows up!” ”

“Xia Xiaoman smiled and said, “No, no, our little Lin Zhi is very monogamous, right, Baby?” ”

“As she finished speaking, Xia Xiaoman seemed to have thought of something. She raised her head to look at ye Shu and continued, “Right, whose family is ah ze looking for that girl from? Did he have any dealings with our family before?” ”

“Ah Ze didn’t say. That kid covered his mouth like he was hiding something. I didn’t hear a single word from him,”ye Shu said. ”

“Xia Xiaoman continued, “I didn’t expect Ah Ze to look like a straight man. I didn’t expect him to be so good at protecting his girlfriend! Did he tell burning?” ”

“I guess burning knows about it, but they’re siblings. If Ah Ze doesn’t say it, then burning won’t be able to say a single word,”ye Shu said. ”

“Xia Xiaoman placed Xiao Lin on the ground and let him play by himself. Then, she said, “Don’t worry. Aren’t we going to see him today? We have to trust ah ZE’s judgment.” ”

“Okay.”After saying that, Ye Shu looked at her watch. “It’s about ten o’clock. It’s about time. I’ll go outside and take a look.” ”

“I’ll go with you.”Xia Xiaoman followed ye Shu’s footsteps and turned around to call Lin Qingxuan. “Take a look at the baby.”

Chapter 2308: 280: Old Lady Lin passed away

“Okay.”Lin Qingxuan immediately ran to Xiao Lin and picked him up.

Ye Shu and Xia Xiaoman came to the door and found Lin Jincheng already standing outside.

“Xia Xiaoman smiled and said, “Look, Jincheng is more anxious than you!” ”

“Ye Shu said, “He’s the most anxious person in the family, so giving birth to a son is completely different from giving birth to a daughter.” ”

“However, when ye Zhuo brought Cen Shaoqing back to meet the parents, Lin Jincheng was also very anxious. However, he was not this anxious. He was worried that ye Zhuo might have been deceived...”

“You’re right.” Xia Xiaoman nodded.

“She also had a deep understanding of this point. Although an Lizi was not Lin Qingxuan’s biological child, Lin Qingxuan was more dedicated than his biological father. If an Lizi came home late one day, Lin Qingxuan would start to be extremely anxious, she remembered that an Lizi had missed a call from Lin Qingxuan the last time. Lin Qingxuan immediately found out the contact information of all of an Lizi’s classmates and called them to ask them one by one.”

“Boys at least did not have to worry about being bullied outside, but girls were different.”

“At this moment, a car slowly drove over from not far away.”

“Outside the car, Ye Shu and the others immediately noticed Lin Ze’s car. In the car, Bai Jingshu also saw the people standing in front of the door. Her already calm heart suddenly became a little nervous.”

“First, she lowered her head to look at her clothes. Then, she took out a small mirror to look at her makeup.”

“Clearly, everything was fine, but Bai Jingshu was just nervous and nervous...”

The car slowed down and slowly drove into the parking lot. Lin Ze turned to look at Bai Jingshu. “Don’t be nervous. It’s fine as long as you maintain your usual appearance.”

“Okay.” Bai Jingshu nodded.

“Lin Ze continued, “Our relatives are very easy to talk to. Just follow behind me and call for help later.””

“Okay.” Bai Jingshu tried her best to calm herself down.

Lin Ze unbuckled his seatbelt and walked to the other side. He helped Bai Jingshu out of the car.

The two of them got closer and closer. Ye Shu felt that the girl beside Lin Ze was more and more familiar. She turned to look at Lin Jincheng. "Do you think the girl beside Ah Ze looks like a person?"

"Yes." Lin Jincheng nodded.

"Ye Shu continued to ask, "Who do you think she looks like?" "

"Bai Jingshu," Lin Jincheng answered. "

"Yes, yes, yes, it's Jingshu!" Ye Shu did not expect that Lin Ze would actually be able to get together with Bai Jingshu. She said a little excitedly, "No wonder this kid has been hiding it all this time!" "

"Xia Xiaoman asked curiously, "What kind of riddles are you two playing? Do you know this girl in private?" "

Ye Shu nodded. "We do."

"That's fate! I think the little girl and Ah Ze are a good match!"

"Soon, Lin Ze brought Bai Jingshu to them. "Dad, Mom, fourth aunt, let me introduce you. This is my girlfriend, Bai Jingshu. Jingshu, you've met my parents before. This is fourth aunt." "

"Hello, uncle, Auntie." Bai Jingshu greeted Lin Jincheng and Ye Shu first before turning to look at Xia Xiaoman, "Hello, fourth aunt. I'm Bai Jingshu, the white one. Jingshu, the white one. You can just call me by my name." "

"Okay, okay, okay." Xia Xiaoman held Bai Jingshu's hand and smiled. "The little girl is really beautiful and has a good temperament. She's a perfect match for Ah Ze!" "

“Bai Jingshu was a little embarrassed by her praise. Just as Lin Ze had said, the Lin family’s relatives were more amiable.”

“Ye Shu continued, “Jingshu, come in and sit down. Don’t stand outside anymore.” ”

“Okay.” Bai Jingshu nodded and followed ye Shu’s footsteps.

“After entering the house, Bai Jingshu followed behind Lin Ze and got to know the others. “Jingshu, this is uncle. This is fourth uncle.” ”

“”Hello, Uncle.” ”

“Ye Sen nudged Lin Ze with his elbow. “Ah Ze, you can do it!” ”

“”Thank you, uncle,” Lin ze said in a low voice. ”

Ye Sen gave Lin ze a thumbs up.

“The two elders were sitting in the inner hall. Lin Ze brought Bai Jingshu to the inner court and introduced her. “Grandma, Grandma, this is my girlfriend, Bai Jingshu!” ”

“Bai Jingshu immediately said politely, “Hello, Grandma!” ”

“”Hello, Hello!” Old Madam Lin and ye Langhua grabbed Bai Jingshu’s hands from both sides, their eyes filled with kindness. ”

“Old Madam Lin took the opportunity to pass the jade bracelet on her hand to Bai Jingshu. “Jingshu, right? This is Grandma’s gift to you. From now on, we’ll be a family.” Although this was the first time they had met., old Lady Lin knew that the Bai Jingshu in front of her would definitely become Lin Ze’s wife in the future. ”

“Old Lady Lin also wanted to wait until Lin Ze’s wedding day to personally give the jade bracelet to Bai Jingshu, but she knew that she wouldn’t be able to wait until that day.”

“Bai Jingshu didn’t expect Old Lady Lin to suddenly make such a move, so she quickly refused.
“Grandma, you’re too polite. I can’t afford such a precious thing!” ”

“Old Lady Lin pressed down on Bai Jingshu’s hand. “I can! I Can! Jingshu, if Ah Ze dares to bully you in the future, tell Grandma that I’ll help you vent your anger!” ”

““Thank you, Grandma.” ”

“Through Old Lady Lin, Bai Jingshu seemed to see her own grandma. If the old lady was still around, she would be the same age as Old Lady Lin now. ”

““Silly child, you don’t have to stand on ceremony with your grandmother.” Old Lady Lin looked at Bai Jingshu, her eyes filled with satisfaction. ”

“That night, the Lin family sat together and had a reunion dinner. ”

“Old Lady Lin looked at the whole family, young and old, and the corners of her mouth curled up into a faint smile. ”

“The whole process of meeting the parents was much easier than Bai Jingshu had imagined. The Lin family was very easy to get along with. It had only been less than a day, but they seemed to have become one with each other. ”

The next morning.

“Ye Shu was about to ask the kitchen to send some food to Old Lady Lin, but at that moment, the housekeeper’s panicked voice sounded, “Madam is in trouble!” ”

“What’s Wrong?” Ye Shu asked.

“The housekeeper continued, “Something happened to old lady, Old Lady!” ”

Chapter 2309: 281: Miss Ye can directly ascend to godhood! 1

Something happened to the old madam.

“Hearing this, Ye Shu’s heart skipped a beat. She immediately put down what she was doing and turned to look at the butler. “What happened to the old Madam?” ”

“The Butler looked at Ye Shu and didn’t know how to speak. He continued, “The old madam, the old madam didn’t seem to be breathing.” ”

“What!”Ye Shu’s face turned pale. “Did you make a mistake?”

Not Breathing?

How could she not be breathing!

She was clearly fine last night!

“The housekeeper explained, “In the morning, sister-in-law Wang went to knock on the old madam’s door. She knocked for a long time, but no one answered. Sister-in-law Wang opened the door and entered. Then, she saw the old madam lying on the bed. She thought that the old madam was sleeping too deeply, but when sister-in-law Wang reached out her hand, the old madam had already stopped breathing.” ”

“Ye Shu never expected that something would happen to Old Lady Lin. She calmed herself down and asked, “Have you contacted Doctor Jiang?” ”

Doctor Jiang was the doctor in charge of Old Lady Lin's body. No one knew more about Old Lady Lin's condition than he did.

The housekeeper nodded. "I've contacted him. Doctor Jiang will be here soon."

"Okay." Ye Shu couldn't care about anything else. As she walked out, she said, "By the way, Uncle Zhou, have you informed Jin City?" "

Lin Jin city had gone to the office early in the morning and was not at home now.

"Since Old Lady Lin was in trouble and she was staying with Lin Jin city, she naturally had to inform Lin Jin city immediately about this matter. "

"I forgot in a moment of panic." The butler continued, "I'll go and inform Sir Now." "

"Yes! Tell him to come back immediately!"

Ye Shu walked out a few steps and suddenly thought of something. She turned back and walked upstairs. She raised her voice and said, "Ah Ze! Ah Ze!" "

Hearing Ye Shu's anxious voice, Lin Ze immediately opened the door. "Mom, what happened? !" "

"Something happened to your grandmother! Hurry and Follow Me!" Ye Shu said.

Hearing this, Lin Ze immediately followed Ye Shu's footsteps. He didn't even have time to change into his pajamas. "

"After all, Old Mrs. Lin was already old. She was in her 90s. The slightest problem could be fatal. "

“Where’s zhongruo?” Ye Shu continued, “Hasn’t he returned yet?” ”

“Not yet,” Lin ze replied. ”

Ye zhongruo had gone to Mars last night and had not returned until now.

“Lin Ze continued, “I’ll contact fifth brother.” ”

“Once he contacted Cen Shaoqing, he could contact ye Zhongruo. ”

“Alright.” Ye Shu said, “Then contact Shaoqing and have Shaoqing tell Zhongruo to come back immediately.” ”

“After saying that, ye Shu added, “Ah Ze, you have to be mentally prepared. Your grandmother, she, she may not be able to make it.” ”

“Lin Ze was raised by Old Lady Lin. At times like this, the person who suffered the most was definitely Lin Ze. ”

“Although a lot of things happened in between, Old Lady Lin’s love for Lin Ze was real. ”

“Upon hearing this, Lin Ze’s face turned pale. “Grandmother ate a lot yesterday, why...” ”

Why couldn’t she make it today?

This news came too suddenly.

The scenes from yesterday still surfaced in Lin Ze’s mind.

Old Mrs. Lin had been holding Bai Jingshu's hand and smiling so kindly. She still wanted to see her great-grandson being born with her own eyes...

"All the way back, Bai Jingshu had been telling Lin ze about old Mrs. Lin. "

"In order not to ruin old Mrs. Lin's image in Bai Jingshu's heart, Lin Ze did not tell her about the past. "

But today...

"Ye Shu patted Lin Ze on the shoulder, then, she said, "Ah Ze, I'm not too sure about the specific situation. Let's go over and take a look first. Don't think that the situation is too bad. Your grandmother was fine yesterday. It's impossible for her to not be fine today." "

"Okay." Lin Ze nodded.

The mother and son talked as they ran towards the north courtyard.

"Soon, they arrived at the north courtyard. "

"The servants looked a little nervous. Seeing ye Shu and Lin Ze come over, Auntie Wang, who was usually responsible for taking care of Old Lady Lin, immediately came up to them. "Madam, you're Here!" "

"How is my mother?" Ye Shu asked.

"Auntie Wang shook her head. "It's strange. Last night, I talked to old lady for a while. She even told me that we would go to Jinghu Park Tomorrow to take a look. Why today..."the last sentence., it turned into a deep sigh, and her eyes were slightly red. "

"Jinghu Park had not been visited yet, so why was the old lady gone? "

Auntie Wang had been in the Lin family for less than two years. She had always thought that Old Lady Lin was a very kind old lady. She really could not bear to part with this old lady's sudden departure.

"Of course, she was more concerned about her work. Her main task every day was to take care of Old Lady Lin. The Lin family was generous and gave her a lot every month. She did not want to lose this job."
"

Chapter 2310: 281: Miss Ye can directly ascend to godhood! 2

"She was sad for Old Lady Lin's death, but also for her own work. "

Ye Shu immediately went into the room.

"Old Lady Lin was lying on the bed with her eyes closed, as if she was asleep. Her expression was serene."
"

"Mother!"Ye Shu called out.

Old Lady Lin on the bed did not react at all.

"Grandma!"

"Lin Ze looked at Old Mrs. Lin, his eyes full of disbelief. "

"Old Mrs. Lin had indeed done many wrong things in the past, but she was also a good grandma. "

"Although there were mistakes, the credit was also there. "

“No matter what, Old Mrs. Lin was the one who raised Lin Ze.”

“In Lin Ze’s memory, there were many memories of Old Mrs. Lin.”

“Almost in an instant, tears welled up in Lin Ze’s eyes.”

Tears poured down like rain.

“”Grandma!” Lin Ze knelt by the bed, crying uncontrollably.”

Ye Shu walked to Old Mrs. Lin’s side and reached out to check her breathing.

“Just as sister-in-law Wang had said, Old Mrs. Lin was no longer breathing.”

“Facing Old Mrs. Lin like this, Ye Shu couldn’t help but cry out, “Mom! Mom, Please Wake Up!” ”

“No one had expected that Old Lady Lin, who had been talking and laughing yesterday, would become like this today.”

The world was unpredictable.

“”Madam! Doctor Jiang is here!” At this moment, the housekeeper walked in with Doctor Jiang.”

“Ye Shu stood up, “Doctor Jiang, I’m sorry to trouble you. Although my mom’s legs are inconvenient, her health has been pretty good these years. Please help me see what’s Going On!” ”

“Okay.” Doctor Jiang put down the medical kit and walked to the bedside to check.

“A moment later, he raised his head to look at Ye Shu. “Mrs. Lin, the old lady is already over ninety years old and has passed away. It’s normal for her to be born, grow old, get sick, and die. I’m sorry for your loss.” ”

This was the first time ye Shu had faced life and death so directly.

“Although the old lady had done many things that she hated to the bone in the past, she was no longer alive. The deceased was more important. ”

“Hearing the Doctor’s announcement, the surrounding servants began to quietly wipe away their tears. ”

The atmosphere became sorrowful.

“Not long after, Lin Jincheng rushed back. ”

“Ah Shu! What happened to Mother?”

Ye Shu looked at Lin Jincheng. “Mother has already left. Doctor Jiang said that she will die at the end of her life...”

Lin Jincheng’s eyes also turned red in an instant.

““Mr. Lin, I’m sorry for your loss,” doctor Jiang continued, “The old madam passed away in peace.” ”

People in their nineties were also celebrating and mourning according to the customs of the capital.

“Lin Jincheng turned his head to look at Old Lady Lin who was lying on the bed. His expression was a little sorrowful, but there was not much sadness. ”

“The ups and downs in his life, the separation of his family and his wife, including the loss of a leg, were all the work of Old Lady Lin.”

Some wounds could not be forgotten just like that.

“If it were not for ye Zao’s intervention later, he and ye Shu might not have seen each other again in this lifetime.”

“Although he was Old Lady Lin’s biological son, he still had some hatred for her.”

“However, she had already left. No matter how great the hatred was, it should be let go.”

“Old Lady Lin’s legs were already inconvenient. Now that she had passed away, it was also a relief for her.”

“Lin Jincheng quickly calmed down. He turned to look at ye Shu and said, “I’ll go and inform eldest brother, third brother, and fourth brother. Ah Shu, you follow the housekeeper to take care of the rest of the matters.” ”

“Okay.”Ye Shu nodded.

Lin Jincheng quickly informed the four brothers of the Lin family.

“Other than Lin Qingxuan, the other three brothers were in the east, south, and west directions. Even if they took a plane, it would take them two to three hours to get here.”

“After hearing this news, everyone was very shocked. No one expected that Old Lady Lin would suddenly pass away.”

The four brothers of the Lin family immediately rushed back with their families.

The first one to return was Lin Qingxuan.

“Why is mom gone just like that? Wasn’t she very energetic yesterday?” Lin Qingxuan asked.

“Like everyone else, Lin Qingxuan was also very surprised. ”

The first thing that came to his mind was Old Lady Lin Yesterday.

“Yesterday, Old Lady Lin had told him that she would bring little Lin Zhi abroad to play during the New Year. ”

Why was it today...

Lin Jincheng sighed. “Doctor Jiang said that he would die of old age.”

“Lin Qingxuan was the same as Lin Jincheng. His feelings for Old Lady Lin were especially complicated. Back then, Old Lady Lin had forced him to marry Zhao shuning. After Zhao shuning left, she had stopped him from being with Xia Xiaoman, even though she had realized it in time, but Old Lady Lin had indeed delayed him for more than half of his life. ”

“But now that she had left, as the son of a man, he should put on mourning clothes for his mother and send her off. ”

Let bygones be bygones.
