Chapter 231: 093: shock the audience! Old Lady Cen shredding a trash woman with her bare hands! 2

How would she be able to establish herself in cloud capital in the future?

Cen Shaoqing stood not far away. His line of sight passed through the crowd and locked onto the two lines of words. His eyes narrowed slightly. "Concealing one's skills is better than using obscure and clear words; concealing one's skills is better than using obscure and clear words."

The meaning of these two sentences was: one would rather pretend to be clumsy than appear too smart. One would rather restrain one's skills and not reveal one's sharp edge. One would rather be easygoing and not be too conceited and aloof. One would rather retreat and not advance too aggressively.

"After a moment, CEN Shaoqing chuckled. "

These two sentences.

Weren't they referring to Ye Zhuo himself?

It turned out that she had been hiding her clumsiness all these years.

"Master, you're Too Amazing!" Li Qiandong walked up to Ye Zhuo and praised him from the bottom of his heart. "

"Ye Zhuo's tone was shallow. "I haven't practiced calligraphy for a long time, and I'm a Little Rusty." "

This sentence was not boasting.

“In Ye Zao’s world, even the big shots in the calligraphy world had to call her “Great aunt”when they saw her! ”

This was the first time she had used a brush since she came here.

Ye Zao’s casual sentence shocked Li Qiandong.

Even someone who was rusty could write so well.

“If she were to write seriously, wouldn’t those masters in the calligraphy world have to retire? ”

““Great God, you’re too modest.”Li Qiandong continued, “By the way, the desserts made by master Michelin tonight are still to your liking, right?” ”

Ye Zao nodded. “The taste is very good.”

Hearing this.

Mu Yourong’s expression became even uglier.

What did Li Qiandong just call ye Zao?

Great God?

How could ye Zao be a match for her?

“Li Qiandong clearly saw her as his confidante, so how could he please ye Zao? ”

Shameless!

Ye Zao was simply Shameless.

Mu Yourong suddenly thought of last year's wonderful sound's third anniversary party.

At that time.

"Ye Zao was just like today, snatching away the halo that originally belonged to her. "

A silent fear spread throughout Mu Yourong's entire body.

"At this moment, a man in a suit and tie walked forward and said, "My father likes calligraphy very much, so I want to buy these two sets of characters back for my father to copy. I wonder if Miss Ye will sell these two sets of characters?" "

As soon as these words were said.

Everyone at the side looked at Ye Zhuo in disbelief.

This was because the person who had come was not some ordinary noble.

"Instead, it was the most ancient family in the capital, the Bai family. "

"This person was the eldest son of the Bai family, Bai Huaijin. At such a young age, he had already accomplished something in the officialdom. "

The combination of officialdom and commerce had caused the Bai family's status in the capital to soar and leap to the top of the wealthy families in the capital.

No one had expected that Bai huaijin would actually take a fancy to ye Zhuo's work!

“As the saying went, it was easy to get things done in court.”

“Many people wanted to make use of tonight’s banquet to befriend Bai Huaijin, but unfortunately, they had never found the opportunity.”

“Who would have thought that in the end, it would benefit ye Zhuo.”

“Ye Zhuo smiled faintly. “The beauty of a gentleman coming of age is just two characters. If you like it, sir, I’ll give it to you.” ”

““Thank you for your generous gift, Miss Ye. My surname is Bai, and this is my business card. If there’s anything I can help you with in the future, Miss Ye, you can contact me at any time! I’ll definitely do my best!” Bai Huaijin handed over the business card with both hands.”

“Then I won’t stand on ceremony with Mr. Bai.”Ye Zao took the business card.

“Seeing this, Mu Yourong felt even more uncomfortable. She just looked at ye Zao like he was about to eat her up.”

“Her hands were tightly clenched into fists. Because she had used too much strength, her nails were deeply embedded in her skin, and she was completely unaware of it.”

“If ye Zao had not been there, then she would be the one giving Bai huaijin the words.”

2

She would also be the one being praised by everyone!

It was ye Zao who had stolen everything from her.

No!

She definitely could not let this little slut ye Zao climb onto her head!

She was the real Phoenix!

What was ye Zao to her?

She was only fit to be her stepping stone.

“Seeing that Mu Yourong’s expression was not right, Li Qiandong asked with concern, “Yourong, are you alright?” ”

“I’m fine.” Mu Yourong tried her best to put on a smile and pretended as if nothing had happened.

“Li Qiandong continued, “If you’re not feeling well, you can go to my lounge to rest.” ”

““Thank you, brother Li. I’m really fine.” ”

“After rolling up the words and sending them to Bai huaijin, ye Zao returned to the buffet table and continued eating dessert. ”

She was very satisfied with her food.

“As soon as a piece of dessert entered her mouth, she narrowed her eyes slightly. Her pair of exquisite Phoenix eyes narrowed into a beautiful crescent shape. ”

“This scene fell into the eyes of Cen Shaoqing, who was not far away. ”

His fingers that were twirling the Buddha beads paused for a moment and almost subconsciously walked over.

“Nice handwriting.” A deep and magnetic voice suddenly came to his ear.

Chapter 232: 093: shocking everyone! Old Lady Cen shredding a Trash Woman! 3

“Ye Zao slightly raised his eyes and saw a slender figure. His thin lips were tightly pursed, and his sharp and cold facial features were hidden under the crystal lights. He was different from the man in a suit and tie at the cocktail party.”

“He was wearing a plain white long gown with intricate patterns embroidered on the cuffs. In his hands was a string of polished red Buddha beads, which made his hands look fair and slender.”

“He looked cold and self-controlled, as if he could return with the wind at any time.”

It was Cen Shaoqing.

“Thank you for the compliment.” Ye Zhuo picked up a piece of exquisite dessert and handed it to him. “This Baklava is not bad. Do you want to try it?”

“Cen Shaoqing reached out to take it and tasted it, but his expression did not change.”

It was sweet and sweet.

His entire nasal cavity was filled with this sweet and greasy taste.

He did not know how she was eating so happily.

“How is the taste?”Ye Zhuo asked.

“”Yes, very good.”Cen Shaoqing nodded slightly. ”

“Ye Zhuo continued to recommend to CEN shaoqing, “Not bad, right! And this princess cake is also very good! Do you want to try it?” ”

“Cen Shaoqing was very resistant to these sweet desserts in his heart, but his hand still took it very honestly. ”

Cen Shaoqing did not reject any of the cakes that ye Zhuo recommended.

He ate them one by one.

He did not waste any of them.

“Seeing that Cen Shaoqing also loved desserts so much, ye Zhuo felt as if he had a thousand cups of wine but few confidants. “The best dessert I’ve eaten is in Aki...” ”

“At this point, Ye Zhuo finally realized that this was no longer the world that she lived in. He immediately changed his words and said, “It’s in a very, very far place.” ”

“”Let’s try it together if we have the chance?”Cen Shaoqing twirled the Buddhist beads, his expression unchanged. ”

“Ye Zao took a big bite of the mousse cake. “If we have the chance, we can try it together.”Unfortunately... .. She didn’t know if she could return to the previous world. ”

“Then it’s settled.”

“Okay.”Ye Zao nodded slightly and brought a piece of dessert for CEN Shaoqing.

Li Qiandong was dumbfounded when he saw this scene.

He raised his hand and rubbed his eyes.

“However, the scene in front of him did not change at all. The person who was eating the dessert was really Cen Shaoqing!”

“Moreover, if he remembered correctly, Cen Shaoqing was not only a vegetarian, but he also did not like to eat sweet things.”

“Li Qiandong had known cen Shaoqing for so long, but Cen Shaoqing had not even eaten a birthday cake!”

But today!

CEN Shaoqing was actually eating dessert.

Could it be that he had met a fake CEN Shaoqing in the past?

Mu Yourong also saw this scene.

She was so upset that she furrowed her brows.

What right did ye Zhuo have?

What right did he have to be so close to Fifth Master Cen?

The person standing next to fifth master Cen should be her!

“Big Brother Li, Sister Ye Zhuo seems to be very familiar with fifth master?” Mu Yourong, who was at the side, spoke as if it was unintentional. ”

“Afraid that Mu Yourong would misunderstand, Li Qiandong hurriedly explained, “Yourong, don’t misunderstand. I asked fifth brother before, he doesn’t have any romantic feelings towards the Great God! They are just very ordinary friends.” ”

No romantic feelings?

“Mu Yourong narrowed her eyes, and a faint light appeared in the depths of her eyes. ”

Why would Li Qiandong explain this to her all of a sudden?

Could it be... that fifth master Cen had already fallen in love with her?

“Fifth Master Cen was afraid that she would misunderstand, so he had Li Qiandong explain it to her. ”

“After all, Li Qiandong and fifth master cen were the best of brothers. There were no secrets between him and Fifth Master Cen. ”

So!

Fifth Master Cen had definitely fallen in love with her.

3

“It seemed that everything was developing according to her guess. At the family identification banquet that night, fifth master Cen had already noticed her. ”

“Otherwise, why would Li Qiandong explain all this to her for no reason?”

“If fifth master Cen did not care about her at all, why would Li Qiandong bother?”

It made sense when she thought about it!

How could a lowly person like ye Zhuo catch the eyes of Fifth Master Cen?

“The reason why Fifth Master Cen had gone to speak to ye Zhuo was probably to attract her attention. After all, Ye Zhuo had once occupied the magpie’s nest and replaced her position!”

“With this thought in mind, Mu Yourong felt that the grievances she had suffered before were nothing.”

“After all, fifth master Cen loved her.”

“Once she married Fifth Master Cen, in the entire Hua Nation, who would dare to look down on her?”

“Mu Yourong smiled slightly and said deliberately, “I was just asking out of curiosity. However, I think that fifth master and sister Ye Zhuo are quite compatible.” ”

She had said this on purpose.

She had to let Cen Shaoqing know through Li Qiandong that she was different from other coquettish bitches.

Only by doing the opposite could cen Shaoqing be unable to extricate himself from her!

“Li Qiandong said, “Although they look quite compatible, I feel that the Almighty and fifth brother are somewhat unsuitable to be together. The Almighty is so powerful, and fifth brother is also so powerful. Fifth Brother is more suitable for a little bird-doting girl like you.” ”

Chapter 233: 093: shocking everyone! Old Lady Cen tearing apart the scum! 4

Ye Zhuo and Cen Shaoqing were evenly matched existences.

The two experts were not suited to be together at all.

“Neither of them was inferior to the other. If they were forced to be together, there would definitely be conflicts in the future!”

Most importantly.

Cen Shaoqing was a vegetarian.

And Ye Zhuo was a vegetarian.

How could cen Shaoqing tolerate the person next to him eating meat?

“So, Mu Yourong was more suitable for CEN Shaoqing.”

Mu Yourong smiled a little embarrassedly. “How can someone like me be worthy of Fifth Master?”

Li Qiandong was stunned.

So Mu Yourong had voluntarily broken off the engagement because she felt that she was not worthy of Cen Shaoqing?

Then she was too kind!

“Li Qiandong continued, “Yourong, you’re very good. You must not belittle yourself.” ”

“Really?” Mu Yourong raised her head to look at Li Qiandong.

“Li Qiandong nodded very seriously, “You are the kindest and most simple girl I know. “Fifth brother is the same as you. He has always been a vegetarian all these years. You are simply a perfect match for him. “It’s just that fifth brother’s personality is sometimes a little stubborn. It’s very difficult to see the essence through appearances.” ”

“If Cen Shaoqing could see the essence through appearances, then he wouldn’t have such a deep misunderstanding of Mu Yourong. ”

“Now that Cen Shaoqing had such a deep misunderstanding of Mu Yourong, he couldn’t let mu yourong have any more misunderstandings of Cen Shaoqing. ”

As Cen Shaoqing’s best friend.

Li Qiandong couldn’t just watch as Cen Shaoqing missed Mu Yourong.

Misunderstandings would one day be resolved.

“If he missed out on his whole life because of this misunderstanding, it would not be worth it. ”

““Big Brother Li, thank you for thinking so highly of me.” ”

“With Li Qiandong’s words, Mu Yourong felt much more at ease. ”

What kind of person was fifth master Cen?

He either had a pure heart and few desires for his entire life.

“Once he fell in love with someone, he would give up everything and be willing to pay everything for her!”

“From Li Qiandong’s words, it was not difficult to deduce that the reason fifth master Cen had not come to confess his feelings to her was probably because he had not thought of how to face this matter.”

Because in Mu Yourong’s memories from her previous life.

“Until her death, the legendary fifth master Cen did not have a family.”

“From the very beginning, he had wanted to be alone for the rest of his life. If he suddenly met someone he wanted to spend the rest of his life with, he would definitely be at a loss.”

Mu Yourong believed that it would not be long before fifth master Cen would take the initiative to look for her!

“The more Mu Yourong thought about it, the more excited she became, and her heartbeat quickened.”

...

“After the meeting was over, Cen Shaoqing suggested sending ye Zhuo back.”

Ye Zhuo did not refuse. “Then I’ll have to trouble you.”

“It’s on the way,” Cen Shaoqing said.

They got into the car.

“Ye Zhuo said, “Fifth brother, this gown must be worth quite a lot, right? Send me your account number, and I’ll transfer the money to you.” ”

She did not want to owe Cen Shaoqing a favor.

Cen Shaoqing held the prayer beads in one hand and controlled the steering wheel with one hand. “It’s just a dress. You Don’t have to take it to heart.”

“”If you don’t give me your account number, I’ll transfer the money to your company account.”Ye Zao’s tone was indifferent. ”

Cen Shaoqing had never given anything to the opposite sex before.

This was the first time.

He did not expect to be rejected.

“Cen Shaoqing pressed his temples helplessly and looked at Ye Zhuo. “The official website of our group’s branch company is currently being hacked. If you want to thank me, why don’t you help me take a look?” ”

“”Sure, no problem.”Ye Zhuo continued, “When you go back, send me an account number.” ”

“Okay.”

“After going home, Ye Zhuo had just taken a shower when he received the account number and password from Cen Shaoqing. ”

“After logging in, Ye Zhuo realized that this was the main account password of the company. ”

Ye Zhuo raised his eyebrows slightly.

Did he trust her that much?

Cen Shaoqing did not look like the kind of person who did not know the gravity of the situation.

Ye Zhuo wiped his hair with a towel while typing on the keyboard.

Countless English letters poured out from her fingertips and appeared on the computer screen.

“Line after line, it was dazzling.”

After two brief exchanges.

“Ye Zao realized that the other party was not one person, but a five-person team.”

And they cooperated very well.

It was also because the CEN Group’s firewall was more advanced.

“In addition, the crisis public relations team was very strong. Otherwise, under such an attack, they would not have been able to defend until today!”

“Ten minutes later, Ye Zhuo turned off his computer and sent a message to CEN Shaoqing. [the hacker problem has been solved. At the same time, the firewall has been strengthened. If there are any problems, you can contact me again.]”

[thank you.]

[you’re welcome.]

Cen Shaoqing unhurriedly edited the text and sent it over. [it's getting late. Rest early. Good night.]

Chapter 234: 093: shocking everyone! Old Lady Cen Shredding Trash! 5

Good night?

Ye Zao looked at the time on the top left corner of his phone.

It was only 10:30.

Ye Zao raised his eyebrows slightly. Could it be that old people sleep so early?

“[good night, old people.]”

Old People?

Cen Shaoqing frowned slightly when he saw the message from ye Zao? Did He look very old?

Cen Shaoqing frowned and went to the bathroom.

He started to wash up.

He had always been self-disciplined.

He went to bed at 11 o'clock every night.

He got up at 7 o'clock in the morning.

Ten years went by as one day.

No one had ever been able to break his biological clock and his work and rest time.

...

In a certain corner of the city.

“In a sealed room, there were five computers. Four men and one woman were controlling the computers. ”

At this moment.

The computer that was still in operation suddenly had a blue screen!

“Boss! My computer was hacked!”

“My computer was hacked Too!”

“F * ck! My computer was Hacked Too!”

“...”

“The man who had a tattoo on his arm with his legs crossed immediately lost his composure when he heard this. He said angrily, “What’s going on? Don’t you all claim to be top-notch experts?” ”

“One of the slightly plump young men stood up and said, “We were about to break through the other party’s firewall, but it seems that they suddenly changed people...” ”

“Is this the reason why you were hacked?”The Tattooed Man was furious.

“As a professional hacker, he was actually hacked by the other party. What would happen if word got out?”

The room was very quiet.

“After a while, the tattooed man continued, “Didn’t you say that the CEN Corporation’s Hacker W went overseas for a vacation recently? Other than W, who else could be a match for you guys?” ”

They specifically took advantage of W’s vacation to make their move.

They did not expect to still be tricked.

“We’ve fought w a few times before. This person’s style doesn’t seem like W’s.”

“”Indeed, it doesn’t! Although W is very powerful, under the combined efforts of the five of us, he can’t Hack our computers directly.” ”

“I think you guys are all trash!”

The Tattooed Man was furious and immediately got someone to send over a new computer.

The five of them were prepared to fight again.

“But this time, they couldn’t even log in to their own accounts. ”

“”Boss, my account has been stolen...” ”

“Mine has been stolen too!”

The tattooed man frowned. Only then did he realize that something was wrong. He quickly turned on his computer and realized that his account had been stolen too. The worst thing was that the date of his complaint was 100 years later!

“F * ck! This time I’ve Met a Thorn!”The tattooed man threw away the cigarette butt in his hand.

He had not participated in the attack just now.

This could only mean one thing.

The other party had traced their IP address and wiped them out!

Who was this person?

Since when did the hacker world have such a figure?

...

Today was the day that ye Shu returned from overseas.

“After breakfast, Ye Sen drove to the airport to pick ye Shu up. ”

“Ye Zhuo had to go to school today, so he naturally couldn’t go with her to pick ye Shu up. “Uncle, drive slowly on the road.” ”

“”Uncle, drive slowly on the road.”Little White imitated him. ”

“Got it.”Ye Sen patted Little White’s head.

Ye Shu's flight was at nine o'clock in the morning.

Ye Sen had only arrived for a short while when he saw ye Shu walking out from inside with a suitcase.

"Sister!" Ye Sen waved at ye Shu excitedly.

"Ye Sen." ye Shu ran over with the suitcase. "When did you come?"

"I just arrived." Ye Sen took the suitcase from ye Shu.

"Ye Shu continued, "Did you go to school?" "

"Yes." Ye Sen nodded and said, "Sister, how have you been these days?" "

"Very well!"

The two of them chatted as they walked.

"An hour later, they returned home. "

Ye Sen rang the doorbell.

"Ye Shu said in puzzlement, "Didn't Zhuozhuo go to school? Is there someone at home?" "

"Yes." Ye Sen nodded.

"Who is it?" Ye Shu was very curious.

Ye Sen smiled mysteriously. "A new member."

“A new member?” Hearing this, Ye Shu became even more curious. ”

“Yes.”

“At that moment, the door opened. ”

“Master, Welcome Home.” ”

“Ye Shu covered her mouth and said in surprise, “What is this thing?” ”

“Little White looked up. “Master, I’m not a thing! I’m the most advanced robot in the universe! You can call me little white!” ”

“When did our family buy a robot?” Ye Shu turned to look at Ye Sen.

“Ye Sen smiled and said, “We didn’t buy it. It was assembled by searing with a sweeping robot.” ”

“Searing assembled it?” Ye Shu’s face was full of disbelief.

Chapter 235: 093: shock the audience! Old Lady Cen shredding a trash woman with her bare hands! 6

Robots involved high-tech and programming techniques.

“Ye Zhuo was only a third-year high school student, how could she be so amazing?”

“Ye Sen smiled and said, “Sister, don’t say that you don’t believe it. If I didn’t see it with my own eyes, I wouldn’t believe it either.” ”

“After saying that, ye sen continued, “Little White, tell my sister who your creator is.” ”

“Little White raised its cute little head. “Of course it’s the most beautiful thing in the entire universe, Great Burning!” ”

Ye Shu didn’t dare to believe it at first.

“But when she heard this, she immediately believed it. ”

This tone.

This attitude.

It was simply like a hair of ye burning.

“Ye Sen continued, “Sister, there’s mung bean porridge and pancakes in the pot. If you’re hungry, eat some. I don’t have time. I’ll go to the office first.” ”

““Okay.”Ye Shu nodded and urged ye sen, “Go and do your work quickly.” ”

““Master, let me heat up the porridge for you.”Little White suddenly said. ”

“Ye Shu said in surprise, “You can heat up porridge?” ”

““Of course!”Little White said proudly, “Not only can I heat up porridge, I can also clean up and take out the garbage. I know a lot of things!” ”

“Then you’re really amazing!”

“Of course! I’m Super Invincible in the Universe!”

Ye Shu:” ...”

Ye Sen rushed to the company.

He had just parked the car.

“When he got out of the car and left, he accidentally bumped into someone because he was too anxious. ”

“I’m really sorry. Are You Okay?”Ye Sen quickly helped her up.

“The other party was a young woman who was dressed fashionably. She was very beautiful and had exquisite facial features. She patted the dust off her body and said in a reasonable manner, “I’m fine. You didn’t do it on purpose!” ”

“After confirming that the other party was really fine, Ye Sen did not stay here any longer. He jogged into the company. ”

He still had a lot of things to deal with.

“After ye Sen left, the young woman quickly left as well. ”

He got off work at night.

“Ye Sen went to the convenience store to buy instant noodles. When he was checking out at the cashier counter, he found that he did not have any money in his pocket. “Can you pay with your phone?” ”

“Yes, sir.”The cashier pointed at the QR code on the counter. “Just scan this.” ”

Ye Sen took out his phone.

“Coincidentally, his phone was out of battery.”

“Just as he was feeling awkward, a pleasant voice sounded. “Pay for this gentleman’s things with mine.” ”

“Alright.”The cashier nodded. “A total of 126 yuan.”

The young woman handed the cashier two RMB notes.

Ye Sen looked at her in surprise.

He felt that this person was somewhat familiar.

“After a while, he remembered this person. “You, you are the lady that I accidentally bumped into this morning?” ”

“The young woman was stunned at first, then she reacted. “So it’s you.” ”

“Ye Sen smiled and said, “I’m really sorry this morning! Thank you for paying for me.” ”

“In the vast sea of people, meeting each other is also a kind of fate. You’ve already apologized for what happened this morning.” She continued, “I’m for everyone, and everyone is for me. I’m actually helping myself by helping you. Everyone has their own difficulties.” ”

Ye Sen looked at her in surprise.

He felt that this girl was very cultured.

“If everyone could think like her, then the world would be very harmonious and beautiful.”

“Ye Sen continued, “No matter what, I have to thank you. If you don’t mind, leave a wechat message. When I go back, I’ll transfer the money to you.”Ye Sen not only bought instant noodles, but also coffee and sports drinks.”

“In total, it was seventy to eighty yuan.”

““There’s no need.”The young woman continued, “If you really want to thank me, next time you meet someone who needs help, if you can lend a hand, it will be considered as returning the money.””

“Ye Sen continued, “My surname is Ye. I work at Shengdong Express. Don’t worry, I definitely have no other intentions.””

“The young woman smiled. “Mr. Ye, you misunderstood. I know you have no other intentions. I’m serious. Next time you meet someone who needs help, remember to lend a hand.””

“Ye Sen still felt a little guilty. “By the way, I drove here. Where do you live? Why Don’t I Send You Back?””

““No need,”the young woman continued, “I can go back myself.””

“With that, the young woman turned and left.”

Ye Sen looked at her back and inexplicably felt that he had a good impression of this girl.

“In today’s society, it was rare to see a girl like her.”

After school at night.

Ye Zhuo came to the Ye family's private restaurant immediately and saw ye Shu busy in the shop.

Ye Zhuo quietly walked over and hugged ye Shu. "Mom! I missed you so much!"

Chapter 236: 093: shock the whole place! Old Lady Cen tore the trash girl apart! 7

"These days, Ye Shu had been going out of town early and returning late."

"At night, she wanted to make a video call, but she was afraid that it would affect ye Zao's rest. After all, Ye Zao was about to take the college entrance examination. This was a good plan. The mother and daughter had not seen each other for more than twenty days."

"Hugging ye Zao, Ye Shu frowned slightly. "Zao Zao, you've lost weight again! Have you not eaten properly these few days? Didn't I tell your uncle to make a pig's Foot Soup for you every day?" "

"Ye Shu saw that ye Zao was too thin. When she was at home before, she would boil a bowl of Angelica pig's Foot Soup for ye Shu every night to nourish her body."

"Ye Zao smiled and said, "I drank it! I drank it every night. How have I lost weight? You must be hallucinating!" "

Ye Shu looked left and right at Ye Zao. She looked up and down and still felt that ye Zao had lost weight.

She decided to go back early tonight and make more delicious food.

...

Time passed quickly.

In the blink of an eye.

June had arrived.

The college entrance examination was eight days away.

Ye Zao did not feel anything. It was just that the students around him were getting more and more nervous.

Especially an Lizi and Zhao Pingting.

“In order to get good marks for the college entrance examination, the two of them would go back every night and brush through the questions until midnight. In the past few days, they had even started to have dark circles around their eyes.”

“After school at noon, ye Zao asked Zhao Pingting to have lunch together. Zhao Pingting waved her hand and said, “Zao, you can go and eat. I still have an apple in my cupboard. If you’re hungry, I’ll just eat an Apple.” ”

“Ye Zao frowned slightly. “Pingting, you haven’t gone to the canteen to eat for more than half a month.” ”

Zhao Pingting was stunned. She put down her pen and looked up at Ye Zao. “Has it been so long?”

“I’m hungry. Let’s go and have a meal together. Lizi is still waiting for us outside!”

“Zhao pingting said, “I’m really not hungry. Zao, you guys go and eat. My grades are worse than yours and Lizi’s. If I can’t go to the capital with you guys this time, Will I forgive myself?”She could only work hard, would there be no regrets.”

“Seeing this, Ye Zhuo shook his head helplessly and could only let Zhao Pingting go.”

“After ye Zhuo left, Zhao Pingting continued to brush the questions.”

“Seeing ye Zhuo walk out alone, an Lizi said in surprise, “Pingting isn’t eating today again?” ”

Ye Zhuo nodded.

“An Lizi said in admiration, “She’s really working hard!” ”

“Ye Zhuo smiled and said, “She wants to get into the capital Normal University. She scored 523 points in the mock exam last week and is still more than 80 points away from the Capital Normal University’s mark, so she wants to give it a shot.” ”

An Lizi nodded. “I see. It looks like I’ll have to work harder. The three of us will try our best to get into the schools that we like.”

“It’ll definitely work.”Ye Zhuo was full of confidence in his future.

“Knowing that ye Zhuo was about to take the college entrance exam, Old Mrs. Cen specially asked for a safety talisman from the temple to send it to Ye Zhuo.”

“After Zhou Xiang found out about this, she said, “Mom, I’ll go with You Too! I’ve never been to Searing Hot’s school before!” ”

Old Mrs. Cen nodded. “Then let’s go together.”

“When Old Mrs. Cen and Zhou Xiang arrived, the school had just ended.”

“Seeing so many youthful students walking out of the school gate, Old Mrs. Cen and Zhou Xiang both recalled their own student days.”

“In the blink of an eye, so many years had passed.”

“As they watched, old Mrs. Cen’s eyes suddenly lit up. “Xiang Xiang, look! That’s Yezi!” ”

“Ye Zao was beautiful. Even though she was wearing the same school uniform as everyone else, Old Mrs. Cen still recognized her at a glance.”

“It’s Yezi!” Zhou Xiang nodded.

“Old Mrs. Cen said proudly, “Yezi is indeed worthy of being the granddaughter-in-law that I personally chose. This image, this temperament, it’s simply an existence that stands out from the crowd! TSK TSK TSK! This is simply too much!” ”

This was really too good for that sand sculpture of her eldest grandson.

Zhou Xiang waved at ye Zao. “Zaozao! This way!”

Mu Yourong had just left the school gate when she saw Granny Cen and Zhou Xiang waving at her.

Mu Yourong frowned slightly.

Are these two people annoying?

Didn’t they already make it clear to them back then?

The marriage had already been annulled!

Yet they still came over to look for her.

A toad wants to eat swan meat!

They were simply Shameless!

“I say, are you done? ! The marriage has already been annulled! What else do you want to do? Is this interesting?” Mu Yourong directly walked in front of old Madam Cen and Zhou Xiang, her face full of impatience. ”

“Zhou Xiang was stunned for a moment. “You’re mistaken, we’re not here to look for you!” ”

“Old Madam Cen directly pushed Zhou Xiang away, her hands on her hips as she looked at Mu Yourong and directly cursed, “Are you sick! ! Who’s looking for you! ! Why Don’t you take a piss and see what kind of bird shit you look like! ! You can’t even compare to a single strand of my future granddaughter-in-law’s hair! You Don’t even have the right to bring her foot washing water! My granddaughter-in-law is a thousand times more outstanding than you! Ten Thousand Times!” ”

“Ever since she was reborn, when had Mu Yourong ever been scolded like this by someone pointing at her nose? ”

Mu Yourong was so angry that her entire body was trembling!

“Damn Old Woman! Say That Again!”

“Old Lady Cen said very arrogantly, “What’s wrong with saying it again! You are sick! Not only are you sick, but you are also narcissistic! You clearly look like a pig, yet you still think you are a Celestial Immortal! What a joke!” ”

“Seeing that Mu Yourong’s face was getting paler and paler, old lady cen added fuel to the fire, “If you have the ability, hit me! If you dare to touch me, I will dare to blame you! When the time comes, I will not be able to compensate you to death!” ”

Mu Yourong held back the anger in her heart.

“This was the school gate, and people were coming and going. If people were to find out that she had hit the old man, then she would not be able to clear her name even if she jumped into the Yellow River. ”

“”Grandma Cen! Aunt Xiang!”At this moment, ye Zao jogged out from inside. ”

“Mu Yourong looked at Ye Zao, then at Old Madam Cen and Zhou Xiang, and her eyes flashed with ridicule. It was really like birds of a feather flock together! A lowly person was only worthy of being together with a lowly person! ”

She did not need to waste time with such a person.

Mu Yourong turned and left.

Old Lady Cen spat at Mu Yourong’s back. “Bah! Scum!”

Chapter 237: 094: Fifth Master is jealous. Investigate a person for me! 1

Old Lady Cen’s voice was very loud.

“Mu Yourong, who was walking in front, clearly heard this ‘scumbag’and her brows fiercely furrowed. ”

Damned Old Woman!

She actually dared to treat her like this.

“If Old Lady Cen had acted a little pitiful and humble, perhaps she would have given something to her. ”

Now?

No!

This old lady was not worthy of her charity.

This kind of rundown household deserved to go bankrupt! Deserved to be a lowly person for the rest of her life.

“After knowing old madam Cen for so many days, this was the first time ye Zhuo had seen old madam Cen swear. He asked curiously, “Grandma Cen, do you know her?” ”

“Upon hearing ye Zhuo’s voice, Old Madam Cen immediately seemed to have changed into a different person. Her face was filled with smiles, “Ye, you’re Out! Who knows such a disgusting person! Let’s not talk about her! Right, Ye, don’t you want to take the college entrance exam soon? This is the safety amulet that I begged for for you in the temple. If you carry it with you, you’ll definitely be ranked on the gold roll!” ”

“After saying that, old Mrs. Cen took out the safety amulet and handed it to Ye Zao. ”

It was a yellow safety amulet. The amulet was painted with cinnabar flower.

““Thank you, Grandma Cen.”Ye Zao took the safety amulet and carefully put it into the pocket of his school uniform. ”

Old Mrs. Cen was very happy to see that ye Zao valued the amulet she gave him so much.

“At first, she was worried that if she gave the safety amulet to Ye Zao, Ye Zao would dislike her for being too superstitious. ”

“After all, the young people nowadays no longer believed in the old ways. ”

Who would have thought that ye Zao did not mind at all!

As expected of her granddaughter-in-law!

A thousand times better than that Scum Mu Yourong! Ten Thousand Times Better!

“Seeing how ye Zao valued the safety talisman given by Old Lady Cen so much, Zhou Xiang did not want to be outdone. She immediately took out a thermos bucket. “Zao Zao, you must be hungry since you went to school, right? This is the sweet soup that I specially got someone to cook for you!” ”

“Upon hearing the sweet soup, ye Zao’s eyes lit up. “Do you have sweet soup? Thank you, Aunt Xiang!” ”

“Zao Zao! There’s no need to be so polite with me!” Zhou Xiang smiled and held ye Zao’s arm. “There’s a fried chicken shop in front. Let’s go in and have a seat. We can talk while eating.”

“Okay.”

Old Lady Cen immediately held ye Zao’s other arm.

The two of them hugged ye Zao and entered the fried chicken shop.

“As school was about to end, there were quite a number of students in the fried chicken shop.”

Ye Zao used his phone to order.

“Zhou Xiang scooped out the sweet soup and handed it to ye Zao. “Zao Zao, try it quickly. The old chef who cooked the dessert came from Hangzhou. This is their family’s ancestral skill. You Won’t be able to eat it outside.” ”

“Ye Zao took the sweet soup and tasted it. It was slightly sweet and had a hint of mint fragrance. There were also soft and sticky tangyuans in the sweet soup. When he gently sipped it, the juice inside was overflowing.”

“Zhou Xiang could not wait to ask, “How is it? Is Zao Zao Delicious?” ”

“Delicious!”Ye Zao nodded. “It’s very delicious!”

“Zhou Xiang scooped another bowl for ye Zao. “Zao Zao, it’s good that you like it. Eat more. There’s still a lot inside!” ”

“Old Mrs. Cen looked at ye Zao lovingly. “Yes, yes, yes! Eat More! If it’s not enough, I’ll call someone to send it over! Yezi, look at how thin you are! Are you nervous about the college entrance exam?” ”

“After saying that.., old Mrs. Cen continued, “Isn’t it just one college entrance exam? It doesn’t matter if you don’t do well! Yezi, I heard that you want to take the Beijing University Entrance Exam, right? If the score line is not enough, I’ll donate two teaching buildings to Beijing University. If two buildings are not enough, then three. If three buildings are not enough, then ten. Donate until Beijing University accepts you!” ”

“Zhou Xiang felt that what old Mrs. Cen said was very reasonable, so he echoed her: ”

““Yes, yes, yes! Zhuozhuo, your Grandma Cen is right. Isn’t it just a matter of a few teaching buildings? Don’t put too much pressure on yourself! It’s not worth it if you tire yourself out! We don’t need that bit of money!” ”

“Old Mrs. Cen and Zhou Xiang spoke very seriously, and there was not the slightest hint of a joke on their faces.”

They looked as if they were rich and did not lack money. It was as if donating a few teaching buildings was as simple as going to the supermarket to buy two catties of apples.

Ye Zao was shocked by their wealth. He choked on a mouthful of sweet soup and could not help but cough.

“Cough Cough Cough!”

“Zao Zao, are you okay? Eat Slowly!” Zhou Xiang was shocked and quickly stood up to Pat ye Zao’s back.

“Old Mrs. Cen immediately handed ye Zao a tissue and said nervously, “Yezi, are you okay?” ”

“I’m fine, I’m Fine! I just choked by accident.” Ye Zao took the tissue and wiped his mouth. ”

“Hearing ye Zao say that he was fine, both of them were relieved. ”

Chapter 238: 094: Master Five is jealous. Check someone for me! 2

“Zhou xiang continued, “That’s why, don’t give yourself any pressure! Isn’t it just a Beijing University? Even if you don’t take the college entrance exam, we have a way to get them to admit you...” ”

Old Madam Cen nodded as well.

“Ye Zhuo smiled and looked up. “Aunt Xiang, Grandma Cen, taking shortcuts is not good! It’s not fair to those who work hard for the college entrance exam. Don’t worry, I’m so smart. I’ll definitely be able to get into Beijing University on my own!” ”

Old Madam Cen looked at Ye Zao with satisfaction.

“No matter how she looked at it, she liked it. ”

“Her granddaughter-in-law was really amazing. She could have taken a shortcut, but she had to rely on her own strength! In this world, how many people could be like her granddaughter-in-law?”

Her granddaughter-in-law was simply the best granddaughter-in-law in the world.

“En! Yezi, you’re so smart and awesome. You’ll definitely get into Beijing University!”

Zhou Xiang nodded. “Zha Zha! I believe in You Too!”

...

At the same time.

Beijing.

“Although Feng Xianxian had been in a car accident before, she had recovered quite well during this period of time. She was no different from an ordinary person now.”

“The college entrance exam was about to begin. In the past few days, Feng Xianxian had been working exceptionally hard!”

“Although her results were already very good, she still could not relax.”

“Among the rich and powerful families, only a few of them had good results. Those who were able to get into a well-known university were mostly people who spent money!”

She had to get good results and be the one who stood out the most. She had to make everyone’s eyes light up and fight for Feng Qianhua!

“Feng Qianhua came over to give Feng Xianxian some snacks. “Xianxian, eat something before you study.” ”

“”Thank you, Mom.” ”

Feng Qianhua looked at Feng Xianxian with satisfaction.

“This daughter of hers had been very outstanding since she was young. She was proficient in all kinds of music, chess, calligraphy, and painting. When it was her day off, she would go to all kinds of training classes by herself. She had never bothered her at all. ”

“”Xianxian, how many marks do you think you can get in the college entrance examination this time?” ”

“Feng Xianxian said, “If I surpass Lin Ze, it shouldn’t be a problem for me to get into a key university.” ”

“Really?”Feng Qianhua asked in surprise.

Feng Qianqian nodded.

“Although Lin Ze’s results in class were not bad, they were not considered top-notch. Her results had always been in the top three in the class. ”

Lin Ze?

He could not be compared to her.

He could only be crushed by her.

Feng Qianhua knew Feng Qianqian very well.

“She knew that her daughter never boasted. Since she had said so, she must have a 90% chance of surpassing Lin Ze.”

What was Lin Ze?

“The son of a lowly person. Even if he grew up in a rich family, he would always have a lowly bloodline in his bones. He would never be able to compare to Feng Qianxian!”

“At that time, Old Lady Lin would understand that only the child born between her and Lin Jincheng was qualified to be the heir of the Lin family.”

The others were all defective!

“Feng Qianhua narrowed her eyes and continued, “Xianxian, study hard. I Won’t disturb you anymore.””

Feng Xianxian nodded.

“After leaving the room, Feng Qianhua took out the health soup that she had prepared long ago and brought it to Old Lady Lin.”

Just as she entered the Lin family’s door.

She heard Old Lady Lin’s laughter.

Feng Qianhua frowned slightly.

She was a little puzzled. Who else could make Old Lady Lin so happy?

“When she reached the back room, she realized that it was Lin Ze who was talking to Old Lady Lin.”

“Ever since that incident, the relationship between the two of them had been getting better and better.”

Feng Qianhua narrowed her eyes.

“Aunt Lin.”

“Qianhua is here.” Old Lady Lin smiled and looked up.

Feng Qianhua then greeted Lin Ze. “Ah Ze.”

“Lin Ze ignored Feng Qianhua and turned to look at Old Lady Lin. “Grandma, I have an appointment with a classmate to play ball. I’ll be leaving first.” ”

Play Ball?

Feng Qianhua’s eyes flashed with sarcasm.

Lin Ze still wanted to play at a time like this.

No wonder he couldn’t compare to Feng Xianxian.

He was a useless fool!

“Go.” Old Mrs. Lin nodded lovingly.

“Meow.” A cat suddenly came out of the corner and followed Lin Ze’s footsteps.

“You go back.” Lin Ze stopped.

“Not only did brother Meow not go back, but it ran over and rubbed Lin ze’s calf. ”

“Lin Ze frowned slightly, bent down slightly, picked up brother Meow with a look of disgust, and walked out. ”

The Butler at the side saw this scene and could not help but smile.

The little young master was a child.

Cold on the outside but kind on the inside.

“He looked like he despised the cat and kept saying that he wanted to throw it away, but in fact, he liked it very much in his heart. ”

Feng Qianhua smiled and scooped out the health soup for Old Lady Lin.

Chapter 239: 094: Fifth Master is jealous. Investigate someone for me! 3

“Old Mrs. Lin looked at Feng Qianhua apologetically. “Qianhua, Ah Ze has misunderstood you. Don’t blame him.” ”

“”Aunt Lin, look at what you’re saying. I’ve always treated Ah Ze as my own child. How can I blame him?”After saying that, Feng Qianhua continued, “Besides, that incident was my responsibility to begin with...” ”

Feng Qianhua looked guilty.

“It’s not your fault!” Old Mrs. Lin patted Feng Qianhua’s hand. “How Can It Be Your Fault? You mean well! Don’t say that again!”

“Feng Qianhua took out a beautiful gift box, “Oh right, Aunt Lin, the college entrance exam is coming up soon. This is a gift I specially prepared for Ah Ze. “As you know, Ah Ze doesn’t like me very much right now, so please pass it to him. Please don’t tell him that I bought this.” ”

“Old Madam Lin patted Feng Qianhua’s hand. “Qianhua, it’s been hard on you.” ”

““Of course,” Feng Qianhua said with a smile. ”

““By the way, why didn’t Xianxian come with you?” Old Madam Lin asked. ”

“Feng Qianhua smiled and said, “Isn’t the college entrance exam coming soon? That child is not as smart as Ah Ze. It’s said that stupid birds fly first, and she wants to get into a better school. Well, she’s studying at home now.” ”

““Who said that Xianxian is not smart! If she’s not smart, can she get back first place?” Old Mrs. Lin continued, “But ah ZE, the college entrance exam is coming soon, and he didn’t even read a book! Sigh! This child!” ”

“Speaking up to this point, old Mrs. Lin Sighed. ”

“As the saying goes, without comparison, there’s no harm. ”

“Originally, she also thought that Lin Ze had been doing quite well recently, but when she heard Feng Qianhua say that Feng Xianxian was reading at home, Old Mrs. Lin’s heart became uneasy again. ”

“It was near the college entrance exam, and Feng Xianxian knew that she was reading at home, while Lin Ze went out to play ball! ”

“Feng Qianhua smiled and said, “AH ZE is gifted and intelligent. Even if he doesn’t read, he can still get good results!” ”

“”This child is smart, but he doesn’t put his mind on his studies,”old Mrs. Lin continued, “He definitely can’t beat Xianxian!” ”

“Of course, Lin Ze couldn’t beat Feng Xianxian! ”

“Feng Qianhua sneered in her heart, but she didn’t show it on her face. ”

“”Aunt Lin, studying isn’t the only way out now. Besides, Ah Ze is going to take over brother Jin Cheng’s position in the future. Whether he has a degree or not is no longer important to him. So, you don’t have to worry about this at all.” ”

“Old Madam Lin was even more upset. “In the past, when Jin Cheng went to school, his grades were very good. He always came first in his age. I wonder who this child looks like!” ”

Who does he look like?

Who else could he look like?

Feng Qianhua narrowed her eyes.

Of course he looks like ye Shu!

“If Lin Ze was born between her and Lin Jin Cheng, he definitely wouldn’t be like this! ”

What a pity.

Lin Ze had the bloodline of a lower class.

“Old Madam Lin also thought of ye Shu at this time. She waved her hand and said, “Forget it, forget it! Let’s not talk about this anymore!” ”

Talking about it would only cause more trouble!

...

Today was the 6th of June.

The day before the college entrance examination.

The atmosphere of study in the class had obviously changed.

“Everyone began to crazily add wechat, leave their contact details, take group photos, and write blessings...”

Zhao Pingting quickly flipped through the answers to 53 and wrote three words on the last page.

Song ANBEI.

This was the name of the person she had always liked.

“The first time she saw him was at the military training ground. He was wearing an ugly camouflage uniform, but it caught her attention.”

He was going to take the exam tomorrow.

He turned around in two different directions.

She didn't know if she could meet him again in the future.

"Zhao pingting stared at the name for a long time before she suddenly looked up at Ye Zao. "Zao Zao, do you like anyone in school?" Zhao Pingting was suddenly very curious. Ye Zao was so beautiful.., which boy could catch her eye. "

"Ah?" Ye Zao was stunned at first, then shook her head. "

"She had always been single in her previous life. In this life, she had never considered this question. "

Perhaps she had experienced too much in her previous life.

Ye Zhuo was not particularly looking forward to love.

Zhao Pingting was not surprised to see this answer from ye Zhuo.

Because she really could not imagine who would be worthy of Ye Zhuo.

"You Do?" Ye Zhuo asked.

Zhao pingting nodded.

"Ye Zhuo asked curiously, "Who?" "

"Zhao Pingting hesitated for a moment before continuing, "Song Anbei from the Rocket Class 3." "

Song Anbei?

She didn't seem to have any impression of this person.

Ye Zhuo rubbed his chin. "Is he handsome?"

Chapter 240: 094: Master Five is jealous. Check up on someone for me! 4

"Handsome!" Zhao pingting nodded.

How could her 'First Love' Not Be Handsome?

"Bring me to take a look after school?" Ye Zhuo continued, "And confess your love." "

Zhao Pingting shook her head. "Forget it..."

"Why do you want to forget it?" Ye Zhuo said, "If you like it, then confess! You're about to graduate. Who knows if we'll see each other again in the future!" "

"Zhao Pingting was a very reserved girl. When she heard this, her face blushed. "I, I don't dare..." "

"What's there to be afraid of?" Ye Zao raised his eyebrows slightly.

"Zhao pingting continued, "Zao, if it's someone you like, will you take the initiative to Confess?" "

"Yes." Ye Zao nodded with certainty, "Life is short. No one knows what will happen in the next second. Since You Have Love in Your Heart, why don't you dare to say it out loud? Even if he really rejected you, what can you do? You Won't lose anything! "It's hard to find two-legged toads, but there are plenty of two-legged men!" "

"After saying that, Ye Zhuo patted Zhao Pingting's shoulder. "Don't leave regrets for your youth." "

“Zhuo Zhuo, if I were you, it would be great.” Zhao Pingting looked at ye Zhuo enviously. ”

Ye Zao patted Zhao Pingting on the shoulder. “You can decide for yourself.”

Zhao pingting nodded.

“Not long after, the bell rang. ”

“The homeroom teacher, Jiang Wenhui, walked up to the podium with the lesson plan in his hands. As usual, he reviewed the key points for everyone. Just as the class was about to end, he suddenly cleared his throat. For once, he did not say anything serious. ”

“Alright! I want to say a few words. You are about to graduate soon...”

“As he spoke, his voice choked up. Looking at the familiar faces below the stage, his eyes suddenly turned slightly red. He could not say what he wanted to say next. ”

This batch of students was brought up by him from the first year of high school to the third year of high school.

He had personally witnessed the transformation and growth of the children.

In the three years of ups and downs.

There were tears and laughter.

There were sadness and joy.

“They had once received the common honor, and they had also received the doubts from the outside world.”

“Those past events were like a movie playing out in front of his eyes. Jiang Wenhui could not control his emotions. He turned around, took off his glasses, and pinched the bridge of his nose, “Alright, I won’t say anymore. I wish everyone a smooth exam!” ”

“After saying that, he walked out of the classroom in a hurry. ”

The students below the stage weren’t in a good state either. Their eyes were all red.

Even the most mischievous and mischievous students were now snot and tears.

“After Jiang Wenhui left Class 7’s classroom, he couldn’t help but squat on the ground and SOB softly. ”

“After a long while, his emotions gradually stabilized. He stood up and walked towards the office. ”

“Just as he walked into the office, he heard Qian Dabao’s voice, “Teacher Jiang, tomorrow will be the exam venue. I wish your class’s Ye Zao the best on the Honor Roll!” ”

“Ever since ye Zao entered the honor roll last time, Qian Dabao had always felt that ye Zao had plagiarized. ”

The college entrance examination was about to begin.

Ye Zao was about to reveal his true form. Qian Dabao was naturally happy!

The first place went to their class.

“The top scorer in the college entrance exam was also from their class, and Ye Zhuo was just a clown. ”

“Hearing the mockery in Qian Dabao’s words, Jiang Wenhui smiled and said, “Don’t worry. Even without your blessing, our class’s God Ye will still be able to get the top spot on the gold roll! And he’ll definitely do better than your class’s student Han Lei!” ”

“Qian Dabao was not angry. Instead, he smiled and picked up a cup of tea. “Then I’ll wait and see.” ”

“With tears in his eyes, he was the number one student in the entire grade. How could ye Zao compare to him without plagiarizing? ”

It was simply a fantasy!

“I’ll wait and see.”Jiang Wenhui wasn’t afraid of Qian Dabao.

Qian Dabao put down the textbook in his hands. “I only hope that teacher Jiang won’t find it embarrassing and hide at home!”

“Whoever doesn’t come out will be a grandson!”

Qian Dabao nodded. “It’s good that you said that.”

“Jiang Wenhui was feeling smug now. Once the college entrance examination results were out, let’s see how he would have the face to meet him! ”

Qian Dabao narrowed his eyes.

“At night, after school. ”

“After school, no one was willing to leave. ”

“All of them spontaneously stayed in the classroom, and one by one, they walked up to Ye Zhuo and thanked him.”

“Although ye Zao had spent a semester with them, her position in the students’ hearts was absolutely no less than that of Jiang Wenhui, the class teacher.”

“This semester, Ye Zao had helped them too much.”
