

## Almighty D 2331

Chapter 2331: 486: a great victory! 4

“Before Mi Jiadi could say anything, ye Zhuo continued, “Dr. Mi Jiadi, do you still remember what you said on the international website? If you don’t remember, I can help you recall it.” ”

“As soon as he finished speaking, the big screen behind ye Zhuo immediately displayed mi Jiadi’s words on the international website that day.”

Mi Jiadi looked at the big screen and wished that she could find a hole to hide in.

Ruthless!

Ye Zao’s move was too ruthless!

“Mi Jiadi had never suffered any losses before, but this time, she had suffered such a loss.”

“Moreover, it was a loss that she would never be able to get up from. How could mi Jiadi accept this! ”

She was extremely unwilling!

“But now, in the face of his words that day, his words of denial were no different from slapping her own face, especially in front of so many people.”

“At this moment, Mi Jiadi could only bite the bullet and stand up, looking at Ye Zhuo. “Dr. YC, since we have signed a betting agreement with you, we will definitely abide by the spirit of the contract.” ”

“I knew Dr. Mi Jiadi was not a person who would go back on his words.” Ye Zhuo continued, “Captain Yu, bring the contract over.”

“Yes.” Yu Zifei immediately picked up the contract that he had prepared in advance, walked to Mi Jiadi, and said very politely, “Doctor, Please.”

“Mi Jiadi held the pen. At this moment, his hands were trembling.”

“If he signed this contract, in the future, country C would be completely unable to raise its head in front of the rest of the world. However, if he did not sign it, he would not be able to step down.”

Mi Jiadi was very regretful now.

“Yu Zifei continued at this time, “Professor, if you don’t like this pen, I can change it for you.”

“Then, Yu Zifei took out another pen from his suit pocket and handed it to Mi Jiadi.”

“At this moment, Mi Jiadi had no choice but to take the pen and sign the contract.”

He had let down C Nation!

He was a sinner!

“At this moment, Mi Jiadi even wanted to die to apologize.”

Kevin!

It was all Kevin’s fault!

“If it wasn’t for Kevin, he wouldn’t have done so much.”

Mi Jiadi clenched her fists tightly.

“In a moment, he handed the signed contract to Yu Zifei. ”

“Yu Zifei took it with both hands. “Thank you for your cooperation, Doctor.” ”

“Mi Jiadi said what she should do with a pale face. Then, she stood up and turned around to leave. ”

“Kevin watched the entire live broadcast, including Mi Jiadi signing the contract. ”

“He knew that when Mi Jiadi returned, he definitely wouldn’t have a good ending. Therefore, at this moment, he had already boarded the plane to M continent. ”

“Fortunately, Kevin was alone in C Nation. He only needed to take care of himself and did not need to worry about others. ”

“When Mi Jiadi came back, Kevin was already hidden in some corner of m continent. ”

Mi Jiadi was furious. She could only vent her anger on Wen Zhi’s family and take away all the security for Wen Zhi’s family.

“Property, real estate, work, and the schooling of her children. ”

“In just one night, Old Mrs. Wen, who was still talking about how her son had finally made it, was dumbfounded. ”

“She never expected that one day, she would turn from the old Mrs. Wen, who was flattered by everyone, into a poor old woman with no home. ”

“Old Mrs. Wen wanted to return to her country, but she was now a citizen of country C. even if she returned to China, there would be no place for her in China. ”

...

“After the oasis project was completed, Ye Zhuo began to carry out the plan to move to Mars. ”

Although Mars was not big.

It was not a problem for only Chinese people to live on Mars.

Seeing that Chinese people could move to Mars made the citizens of the surrounding countries very envious.

“In addition to moving to Mars, Ye Zhuo also set up a lot of attractions on Mars for foreign tourists to play and strive to let every citizen become a boss in their own home. ”

“After all, citizens all over the world were very eager to visit Mars. ”

Setting up attractions on Mars was definitely a win-win situation.

“[ I knew that humans would one day be able to create a second earth, but I didn’t expect that day to come so quickly! ] ”

[ Dr. YC is really amazing! ]

“[ although I can move to Mars, I still can’t bear to part with Earth. After all, earth is the birthplace of humans. ] ”

“[ miss ye said that if you want to return to Earth, you can return to Earth at any time. There are many spacecraft that fly to Earth every day. On average, it takes half an hour, so you can come and go freely. ] ”

[ I Love Miss Ye! ]

[ it feels so good to be slapped in the face. Where are all those people who once thought that Miss Ye was at her wit's End? Why Don't you come out and find a sense of existence? ]

Chapter 2332: 486: a great victory! 5

“[ Haha, From Now On, I'm a Martian. ] ”

“After half a year, ye Zhuo finally realized his plan to move everyone to Mars. ”

“Spring, summer, autumn, and winter came and went. ”

“In this half a year, the relationship between Lin Ze and Bai Jingshu had also improved. ”

Lin Ze had also successfully passed elder Bai's test.

Bai Jingshu brought Lin ze back to Galaxy S to visit elder Bai.

“When he learned that Bai Jingshu had brought Lin ze back to visit him, elder Bai was naturally very happy, especially since Lin Ze had passed his test so beautifully without any preparation. Elder Bai admired Lin ze very much. ”

Elder Bai woke up early in the morning and waited for Bai Jingshu and Lin Ze.

“Not long after, he heard footsteps coming from the door.”

“Then, he heard a servant’s voice. “Eldest miss is back.” ”

“”Mother Lin,”Bai Jingshu said with a smile. ”

Old Master Bai immediately went up to welcome her. “Jingshu is back!”

“Grandfather!”Bai Jingshu immediately ran over and gave old master Bai a big hug.

“Old Master Bai patted Bai Jingshu on the back and looked around. He asked in puzzlement, “Where’s Little Lin? Didn’t you say that you brought him back to see me together?” ”

“Bai Jingshu explained, “He’s at the hotel right now. He said he’d come to see you after adjusting his condition.” ”

“After staying in the interstellar shuttle for three days, he had to pay attention to the interstellar shuttle’s flight path. He was more or less in a bad state, and Lin Ze was a very ritualistic person. It was his first time meeting the female parent, of course, he had to be decent and leave the best impression on elder Bai. ”

“”This child is not an outsider. Why would he not stay in a hotel if he has a Family?”Old Master Bai looked at the butler, “Old Xiong, you go. You Go and fetch Xiao Lin from the hotel! Oh right, Jingshu, which hotel is Xiao Lin staying in? Why Don’t you go with Old Xiong? It just so happens that old Xiong doesn’t know Xiao Lin!” ”

“Bai Jingshu smiled and said, “Grandpa, why are you suddenly so nice to him?” ”

“”Look at what you’re saying. He’s my future grandson-in-law. If I’m not nice to him, who Am I nice to?”Elder Bai asked back. ”

“Bai Jingshu continued, “Grandfather, you like him so much right now. What if he treats me badly that day or cheats on me?” ”

“”He won’t,” elder Bai said very firmly. “I know Xiao Lin. Xiao Lin isn’t that kind of person! Hurry up and go with Old Xiong. Don’t make Xiao Lin Wait.” ”

“”There’s really no need.” Bai Jingshu held onto elder Bai’s arm and continued, “Lin Ze is a very particular person. He said that he wants to see you in his best condition. Even if I go, he won’t come with me.” ”

“Their conversation was overheard by Bai Mo, who had just entered the room. ”

Bai Mo’s eyes were filled with ridicule.

“She had thought that elder Bai would object to this matter. After all, Lin Ze was from Earth, and elder Bai’s favorite granddaughter was Bai Jingshu. ”

“However, she had never expected that not only did elder Bai not object to the two of them being together, but he also accepted Lin ze so quickly. ”

Elder Bai was really smart and muddled for a moment.

Did he really think that Lin Ze would benefit from being ye Zao’s brother in name?

This was ridiculous!

“Ye Zao was ye Zao, and Lin Ze was Lin Ze. The two of them were independent individuals. ”

“Bai Mo hid the sarcasm in her eyes and walked forward. “Grandpa, SIS.” ”

Elder Bai looked up. “Miss Mo is back.”

“Bai Mo smiled and said, “I heard that SIS is bringing her future brother-in-law to visit today, so I came back to take a look. By the way, where’s my future brother-in-law?”Although Bai Moyin heard the conversation between Bai Jingshu and elder Bai., she still pretended to look inside.”

“Bai Jingshu explained, “Lin Ze is still at the hotel. He will come tomorrow.” ”

““Oh, I see.”Bai Mo held Bai Jingshu’s hand and said with a smile, “Sister, I haven’t seen you for a long time. I’ve missed you!” ”

Bai Jingshu smiled and didn’t say anything.

“Bai Mo continued, “By the way, is my future brother-in-law going to stay here for a few more days? I’ll be the host then.” ”

“Lin Ze was ye Zhuo’s brother in name, so he was also ye Han’s brother in name.”

“When the time came, the two of them would definitely make an appointment to meet.”

Bai Mo lacked the opportunity to meet ye Han right now.

“It was not easy for Lin Ze to come to the s galaxy, so she would definitely not let go of this opportunity.”

““Mo Mo, we appreciate your kindness, but we shouldn’t be able to stay for long,”Bai Jingzhu tactfully rejected.”

“Bai Mo smiled and said, “It just so happens that I’m not busy during this period of time. SIS, you don’t come back often. I’ll spend more time with you and Grandpa these few days.” ”

“As long as she was with Bai Jingshu, she would have a chance to meet ye Han. ”

“In front of the old man, Bai Jingshu couldn’t say anything more. Just as she was about to decline tactfully, old master bai beside her spoke up, “Little girl Mo, you’re such a child. The young couple is in a passionate relationship, so why are you joining in on the fun? If you’re bored, go find one too.” ”

“Bai Mo immediately grabbed elder Bai’s other arm. “Grandfather, I haven’t seen my sister for a long time. I miss her!” ”

““Your sister isn’t alone now. You Child, why don’t You Know Your Limits?”Elder Bai retorted. ”

“Bai Mo continued, “Grandfather, please let me spend more time with my sister!” ”

“Bai Mo was all smiles, but in her heart, she had already cursed elder Bai a thousand times. ”

“In her opinion, Old Master Bai was biased and wanted to give Bai Jingshu the best of everything. What about her? She didn’t even have the right to accompany Bai Jingshu. ”

How could there be such a grandfather in this world?

“Old Master Bai ignored Bai Mo and turned to look at Bai Jingshu. He smiled and said, “Jingshu, you must be tired from the long journey. Go back and rest.” ”

““Yes, grandfather.”Bai Jingshu nodded and walked inside. ”

“Bai Mo had just caught up with Bai Jingshu when Old Master Bai spoke again. “Little girl Mo, Don’t Disturb your sister. Let her rest well.” ”

“OH.” Bai Mo nodded.

“After saying that, old master Bai looked at Bai Mo and continued, “By the way, what has your father been busy with recently?” ”

“Bai Mo continued, “My father has been doing light quantum research recently.” ”

“Hearing this, elder Bai frowned slightly. “Go back and make your father worry less. Don’t keep thinking about nonsense. He’s not a child anymore. He should know very well what age he should be at and what age he should be doing!” ”

“”Got it.” Bai Mo nodded, but she felt a little uncomfortable in her heart. ”

“It was elder Bai’s fault for being biased, but it was also his father’s fault for not living up to expectations. ”

“As long as her father could live up to expectations, he would not look down on her like this. ”

And she did not have to look at other people’s expressions everywhere.

“”Alright. You can go back first,” old master Bai said. ”

“Bai Mo had just arrived at the old residence. How could she be willing to go back so quickly?  
“Grandfather, I want to spend more time with my sister.” ”

“”Your sister is tired and needs to rest. You can come back tomorrow.” Old Master Bai continued,  
“Coincidentally, Xiao Lin is coming over tomorrow too.” ”

“Bai Mo frowned slightly. She was very unhappy, but she still had to put on a show. She smiled and said,  
“Okay, Grandpa.” ”

“Bai Mo felt that it was uninteresting, but she was chased away by Old Master Bai again. When she turned around, her face was full of resentment.”

This biased person was always the most biased no matter what.

“Bai Jingshu had her own room in the old mansion. She also had her own personal servant, who was also her granddaughter, but she had nothing.”

“It was fine if she had nothing. It was not easy for her to come to the old mansion, but she was still chased away by Old Master Bai.”

Just you wait!

She had to become a superior person and make old master bai regret it.

So what if old master Bai liked Bai Jingshu?

“Bai Jingshu could only marry a lowly earthling for the rest of her life. She would follow the whims of the rooster and the whims of the dog. No matter what, she would always be superior to Bai Jingshu.”

Bai Mo had just stepped out of the Bai family’s old residence when Bai Yuanyuan arrived.

“When she saw Bai Mo, Bai Yuanyuan immediately trotted over. “Momo!” ”

Bai Mo raised his head. “Yuanyuan.”

“Bai Yuanyuan asked curiously, “Why did you come out? Bai Jingshu didn’t come back?” ”

““She’s back,” Bai Mo continued, “She’s resting inside!” ”

“Bai Yuanyuan continued, “Why are you...” ”

“Before Bai Yuanyuan could finish her sentence, Bai Mo cut her off. “She’s Grandpa’s precious granddaughter’s sweetheart. What am I? I’m not even a servant in the old mansion!” ”

“”Don’t be angry, Momo. It’s not worth it to be angry with such a person.”Bai Yuanyuan held onto Bai Mo’s arm and continued, “Bai Jingshu will never be as good as you!” ”

“After saying that, Bai Yuanyuan continued, “Lin Ze didn’t come?” ”

Could it be that elder Bai was unhappy with Lin Ze’s birth and chased him away?

“Thinking of this, Bai Yuanyuan’s brows twitched. ”

“If Bai Jingshu didn’t marry Lin ze, how would they be able to suppress Bai Jingshu in the future? ”

“Bai Mo continued, “Lin Ze is at the hotel and will come over tomorrow. Don’t worry, this old man really likes this future grandson-in-law!”At the end, Bai Mo’s eyes were filled with disdain. ”

Bai Yuanyuan also heaved a sigh of relief.

The two of them boarded the aircraft together.

When they returned home.

“Bai Mo’s mother, Liu Qing, immediately came forward to welcome them. “Mo Mo is back! What’s wrong? Did you see her?” ”

Chapter 2334: 487: A Showdown! 2

""I haven't seen him," Bai Mo said. "

"Liu Qing asked curiously, "The old man didn't agree?" "

"Bai Mo smiled and said, "The old man can't wait to let them get married on the spot, so how could he not agree?" "

"Then what's going on?" Liu Qing became more and more curious.

""Lin Ze is going to the old house tomorrow. Mom, Are You and Dad Going Tomorrow?" Bai Mo asked in return. "

"Liu Qing pursed her lips. "It's not like she married into a good family. She doesn't even care about her own biological parents. Why should your dad and I join in the fun? If it were up to me, you wouldn't go either!" Lin Ze was just a lowly earthling, in Liu Qing's opinion, if Bai Mo went tomorrow, it would be no different from lowering her status. "

The rumors outside were very unpleasant. Almost all of them were mocking Bai Jingshu.

"After all, Bai Jingshu was the first girl to marry an Earthling in the past thousand years. "

Bai Mo curled her lips. "I'm different from you. I have to go."

"As you wish." Liu Qing waved her hand. "As long as you mind your own business and don't bring back an Earthling for your father and me!"

"Hearing this, Bai Mo snorted coldly. "Mom, do you think I'm Bai Jingshu?" "

Earthling?

How could an earthling be worthy of her?

“At this moment, Liu Qing seemed to have thought of something and continued, “Mo Mo, I heard that Bai Jingshu’s boyfriend once chased after you, didn’t he?” ”

“Yes.” Bai Mo nodded.

“Although Lin Ze didn’t officially chase after her, Ye Han had introduced Lin Ze to her after all. It could be seen that Lin Ze had a very good impression of her at that time. If she didn’t reject Lin Ze., lin Ze would definitely be with her. ”

“Liu Qing continued, “Then you have to be careful! He definitely still likes you and Misses You! Otherwise, he wouldn’t be with Bai Jingshu! This kind of person is like a toad trying to eat a swan’s flesh. He’s overestimating himself!” ”

Lin Ze didn’t even look at himself in the mirror to see what kind of person he was!

A lowly earthling.

Was he worthy?

Bai Mo immediately reacted and narrowed her eyes

“She wondered why Bai Jingshu had gotten together with Lin Ze. It was obvious that Lin Ze couldn’t love her, so he found a substitute, and this substitute was Bai Jingshu. ”

“Bai Jingshu was her cousin, and they looked somewhat similar. ”

“Most importantly, Lin Ze could see Bai Jingshu from time to time after he got together with her! ”

Right.

Lin Ze must have had this idea in mind.

This was too shameless!

“Bai Mo felt a little disgusted, but seeing the relationship between Lin Ze and Ye Han, she endured it.”

“”Mom, don’t worry. I know what I’m doing. I definitely won’t get involved with that kind of person like Bai Jingshu,” Bai Mo said with a smile.”

Liu Qing nodded. “As long as you know what you’re doing.”

Bai Mo was a sensible child. She had never worried Liu Qing since she was young.

“”I’ll go back to my room first,” Bai Mo continued.”

“Go back.” Liu Qing lowered her head and tidied her clothes. “I should go out too.”

“Bai Mo looked at her mother’s figure and wanted to say something. She opened her mouth, but in the end, she didn’t say anything.”

“She was born into a family like hers. If she didn’t fight for herself, she would be stuck like this for the rest of her life. Therefore, she had to make a name for herself. She had to become someone everyone looked up to.”

“After Liu Qing left, Bai Mo turned around and returned to her room.”

“Soon, it was the second day.”

“After all, it was his first time visiting, so Lin Ze was very nervous. He had prepared a lot of gifts.”

“Early in the morning, elder Bai was waiting at the door.”

The reason why he had waited for Lin Ze in advance was because he felt that Lin Ze was worth it.

“Not long after, he finally saw Lin Ze’s figure.”

Along with Lin Ze was ye Han.

“Ye Han was also filled with emotions. He did not expect that after going around in circles, Lin Ze would actually end up with Bai Jingshu.”

“”Xiao Lin!”Seeing Lin Ze, elder Bai immediately went up to greet him.”

“Elder Bai.”Lin Ze raised his head to look at elder Bai.

“Elder bai chuckled and said, “We’re all on the same side. Xiao Lin, you don’t have to be so reserved. Just Call Me Grandpa like Jingshu!” ”

“”Grandpa.”Beside him, ye Han called him intimately.”

“Elder Bai looked up and said in surprise, “Mr. Ye is here too!” ”

“Ye Han said, “Brother Ze and I are of the same generation. You’re an elder. Just call me Xiao Ye.” ”

“”Please come in, please come in.”Elder Bai made a ‘please’gesture.”

Lin Ze and ye Han went in.

“Lin Ze looked inside, but he did not see Bai Jingshu. He felt that it was a little strange. Just as he was about to ask, elder Bai continued, “Jingshu is in the back room!” ”

Chapter 2335: 487: compete! 3

“Okay.” Lin Ze nodded.

Bai Jingshu was preparing tea and snacks in the back room because Lin Ze had informed her last night that Ye Han and Shi Qingcheng would be coming with them today.

“In front of elder Bai, Lin Ze was too embarrassed to call for help directly. Ye Han could see the awkwardness between the two of them and broke the silence with a smile. “Sister Jingshu.” ”

Bai Jingshu raised her head slightly. “You’re here! Where’s Qingcheng? Why didn’t she come with you?”

“Ye Han said, “She was delayed by something. She’ll be here soon.” ”

““Oh, I see.” Bai Jingshu nodded. “Take a seat first and have some tea.” ”

Lin Ze walked over to Bai Jingshu’s side and took the Teacup from her hand. “Let me do it.”

“This small detail caught elder Bai’s eye, and he felt even more certain that he had not misjudged Lin Ze. Lin Ze was a good child and a person worthy of being entrusted with his life. ”

“After sitting down, elder Bai looked at Lin Ze and continued, “Xiao Lin, does your family know about your relationship with Jingshu?” ”

""Grandpa," Lin Ze looked up at elder Bai, "I've already brought Jingshu back to visit her parents. They're very satisfied with her." "

""That's good." Elder Bai nodded with a smile. "I don't want to brag, but this granddaughter of mine hasn't had any other good qualities since she was young. She's just very likable and she's not too good-looking." "

To say that her looks were just so-so was definitely self-deprecating. Bai Jingshu had been the school's most beautiful goddess since she was young.

"Otherwise, she wouldn't have been pursued by so many people. "

""Jingshu is very outstanding. You're too modest," Lin ze said. "

"Elder Bai took a sip of tea and continued, "Xiao Lin, how many people are there in your family? How many parents and brothers are there?" "

"Although he had long understood Lin Ze's family background, he still had to go through the necessary formalities. "

""I have a younger sister, my father has four older brothers, and my mother is an only child. My grandparents have already left, and only my grandmother is still alive." "

Lin Ze answered in detail.

"Elder Bai nodded. "Then, your father is the fifth son at Home?" "

"Yes." Lin Ze nodded.

"Elder Bai had a total of three sons. Unfortunately, these three sons were not great generals and could only be blessed by their ancestors. Otherwise, the three of them could only be ordinary civilians. "

“In the early years, the three brothers fought each other for the inheritance. It was comparable to a palace war blockbuster. On average, they could put on a big show every three days. ”

“But now, it was much better. ”

“Therefore, elder Bai had never liked families with many brothers and sisters. ”

There were many things that troubled brothers.

Especially when Lin Ze’s father actually had five brothers.

“After a while, elder Bai continued to ask, “Then, how are the uncles of your father’s generation getting along with each other?” ”

“Although Old Master Bai admired Lin Ze, he did not want Bai Jingshu to be embroiled in intrigue the moment she married into the Lin family. ”

Bai Jingshu had been innocent since she was young and could not handle such intrigue.

“Hearing this, Bai Jingshu smiled and raised her head to answer this question for Lin Ze. “Grandfather, the uncles in his family are all very nice. I went to his house on the mid-autumn Festival and met a few uncles and aunts.” ”

“It wasn’t just the mid-autumn Festival. When Old Lady Lin passed away, Bai Jingshu had interacted with the Lin family’s relatives. ”

“The Lin family was very amiable. Whether it was the elders, peers, or the younger generation, they all treated her very well. ”

“Is that so?” Old Master Bai raised his head to look at Bai Jingshu.

“Bai Jingshu nodded. “Yes. If you don’t believe me, you can ask Ye Han.” ”

“Ye Han immediately nodded, “It’s like this, grandfather. Don’t worry. My uncles are all very kind. Although they’re not usually in the capital, when the time comes, or if they run into any big issues, they’ll gather together!” ”

“Ye Han also said whatever he wanted to say. He had been an orphan since he was young. If it weren’t for ye Zhuo bringing him back, he wouldn’t even have a proper home. Therefore, he was very envious of the Lin family’s way of getting along. ”

“Hearing this, elder Bai narrowed his eyes. So, this meant that not only were the brothers of the Lin family not scheming against each other, they were actually very harmonious? ”

This was really strange!

“At this time, Lin ze said, “Grandfather, don’t worry. I definitely won’t mistreat Jingshu. If you don’t believe me, you can come to my house anytime to investigate.” ”

“Elder Bai chuckled, “Xiao Lin, look at what you’re saying. I’m just asking casually. As you know, Jingshu is my favorite granddaughter. As for me, I want her to marry into a good family. I don’t want her to be mistreated.” ”

Chapter 2336: 487: To See who’s better! 4

“Elder Bai sighed. “Jingshu has a tough life and hasn’t met any good parents. As her grandfather, I naturally can’t mistreat her anymore.” ”

“Under normal circumstances, elder Bai wouldn’t easily say this to anyone, but Lin Ze was different. It could be seen that Lin Ze was a good child. ”

Lin Ze was worthy of his honesty.

“At the same time, elder Bai hoped that Lin Ze would not let him down.”

“Grandfather, don’t worry. I Can’t guarantee anything else, but I can promise you that I will never bully Jingshu.” Lin Ze looked at elder Bai with a serious expression.”

“Elder Bai nodded and smiled. “Xiao Lin, I will remember your words today. I hope that you will remember them forever.” ”

“Grandpa, I will definitely remember them forever.” ”

“Okay.” Old Master Bai nodded in satisfaction.

“At this moment, footsteps came from outside the door.”

“Who’s Here?” Old Master Bai looked up at the door.

“Grandpa, it’s me.” Bai Mo’s voice came from outside the door.”

“Old Master Bai smiled and said, “So it’s the little girl Mo. .” ”

“Bai Yuanyuan continued, “Grandpa, you saw Mo. . Why didn’t you see me?” ”

“The Lass Yuan is here too!” Old Master Bai stood up from his chair. “It’s better to come at the right time than early. We have a guest at home today.”

“Bai Mo smiled and said, “It’s future brother-in-law, right?” ”

Lin Ze nodded politely. “Hello.”

“Bai Yuanyuan continued, “Hello, future brother-in-law. I’m Bai Yuanyuan, Sister Jingshu’s third cousin. We’ll be a family from now on.” ”

“Bai Yuanyuan’s words were very affectionate, but there was a hint of mockery in her eyes. ”

Bai Jingshu was also willing to go all out. She actually brought her back to the old residence.

Wasn’t she ashamed of herself? !

“If it wasn’t for the fact that she was here to see Bai Jingshu make a fool of herself, she wouldn’t have wanted to come over, much less call an earthling brother-in-law. ”

“”Hello, I’m Lin Ze,”Lin Ze continued. ”

“At this moment, Bai Mo suddenly noticed ye Han sitting beside her and asked in surprise, “Ye Han, you’re here too?” ”

“”Bai Mo,”ye Han said with a smile. ”

Bai Mo?

“Upon hearing this, Bai Mo’s gaze dimmed for a moment. ”

“One had to know that before this, Ye Han had always addressed her as Mo Mo. . ”

“It had only been a short while, but she and Ye Han had already become so unfamiliar with each other. ”

“Bai Mo’s expression quickly returned to normal. She smiled and said, “This person in a relationship is indeed different from us. Ye Xiaohan, are we already so unfamiliar with each other now?” ”

“Hearing this, Ye Han touched his nose. “I’m sorry, the family members are more strict.” ”

“Ever since he got together with Shi Qingcheng, Ye Han had voluntarily kept his distance from the girls. ”

“After all, he and Shi Qingcheng were in a long-distance relationship. ”

“Long-distance relationships were not easy to begin with, so he could not let Shi Qingcheng feel threatened. ”

Family member?

Who was the family member?

Shi Qingcheng?

“Realizing this problem, Bai Mo was so jealous that she almost died. Her heart was filled with mixed feelings, and she felt very uncomfortable. ”

She Knew Ye Han before Shi Qingcheng did.

But she still let Shi Qingcheng Snatch Lin ze away.

On what basis did Shi Qingcheng have?

“At the same time, Bai Mo was very regretful. She regretted that she did not develop a relationship with ye Han back then. ”

““By the way, why isn’t your girlfriend here today?”Bai Mo continued to ask. ”

“Ye Han replied, “She should be here soon.” ”

“”OH.” Bai Mo nodded and said with a smile, “I’ve long heard that Miss Shi looks like there’s no such thing as heaven and earth. Today, I can finally see her in person!” ”

“”An ordinary person,” ye Han said modestly. ”

“Bai Mo continued, “Oh right, I sent you a message earlier to invite you out for coffee. Why didn’t you reply to me?” ”

“Did you send me a message?” Ye Han asked in surprise.

Bai Mo nodded. “You didn’t see it?”

“”No,” ye Han continued, “Sometimes, my account is posted by Qingcheng. Maybe she received the message and forgot to tell me.” ”

“Bai Mo wanted to spit out a mouthful of blood, but she had no choice but to hold it in. ”

She did not know that Ye Han and Shi Qingcheng’s relationship had already reached this stage.

It did not matter.

It did not matter.

Her favorite thing was a challenge.

She did not believe that she would lose to Shi Qingcheng.

“Bai Mo smiled and said, “I did not expect Miss Shi to be so controlling.” ”

“Any man would not like a woman who was too controlling, let alone a successful man like Ye Han.”

“Elder Bai furrowed his brows and interrupted the conversation. He smiled and said, “Let’s not sit in the front hall anymore. Let’s go to the back garden for a walk.” ”

Chapter 2337: 487: compete! 5

“Okay.”

The few of them stood up as well.

Bai Mo could only interrupt this topic.

“Not long after, Ye Han received a message from Shi Qingcheng. He raised his head to look at grandfather Bai. “Grandfather, my girlfriend has arrived. I’ll go pick her up.” ”

““Hurry up and go. Don’t make Miss Shi wait so anxiously,”grandfather Bai said.”

“Okay.”Ye Han nodded and turned to leave.

“Bai Mo narrowed her eyes and looked up at Ye Han. She smiled and said, “Ye Xiaohan, I’ll go with you.” ”

She wanted Shi Qingcheng to see the sense of danger.

“At the same time, she wanted Shi Qingcheng to know that she knew ye Han before she did.”

“Elder bai continued, “Little Girl Mo, Mr. Ye is going to pick up his girlfriend. Why are you joining in the fun? What if Miss Shi misunderstood?” ”

“Bai Mo had already cursed Old Master Bai a thousand times in her heart. She smiled and raised her head. “I don’t think Miss Shi is that stingy, right? Don’t you think so, Ye Xiaohan?” ”

““You should call me ye Han.”Ye Han turned around and said, “Our Qingcheng really doesn’t like me to get too close to other girls.” ”

Bai Mo’s face turned pale.

“Old Master Bai’s face also didn’t look too good. He had lived for so long, so he could tell at a glance what those people wanted to do. ”

“Although Bai Mo was his granddaughter, he still felt that Bai Mo’s eating style was a little ugly. ”

“After all, Ye Han already had a girlfriend! ”

What was Bai Mo doing now?

Poaching someone else?

The descendants of the Bai family definitely couldn’t do such a shameful thing.

““Little girl Mo, go to the study and bring over my walking stick,”Old Master Bai continued. ”

“Okay.”Bai Mo nodded.

“Looking at Bai Mo’s back, Old Master Bai shook his head helplessly and said to Bai Jingshu, “Your little sister really worries me to death.” ”

Bai Yuanyuan curled her lips. This old man was really biased.

“Bai Mo didn’t do anything wrong, so what right did he have to say that about Bai Mo.. ”

“In his heart, the granddaughter he liked was always right no matter what she did. ”

Everything she and Bai Mo did was wrong.

The mistake was that she did not have Bai Jingshu’s ability to please others.

“Bai Jingshu said, “Mo Mo is still young, so it’s inevitable that she won’t be able to consider many things properly. Don’t worry.” ”

Elder Bai sighed.

“Over the years, the Bai family had really been getting worse with each generation. ”

“On the other side, Ye Han successfully received Shi Qingcheng. ”

“Shi Qingcheng smiled and asked, “How was it? Did brother Ze meet his parents smoothly?” ”

Ye Han nodded. “It went quite smoothly. Elder Bai really likes brother Ze.”

““It’s really rare that elder Bai doesn’t have a sense of family status,”Shi Qingcheng Sighed. ”

“One had to know that in the s galaxy, everyone had a deep-rooted sense of family status. ”

It was really rare for elder Bai to not mind that Lin Ze was an earthling.

“Ye Han said, “Elder Bai looks like a sensible grandpa. Oh right, I have something to tell you.” ”

“What is it?” Shi Qingcheng asked.

“Ye Han continued, “Well, Bai Mo is here today.” ”

Bai Mo?

Shi Qingcheng narrowed her eyes and thought for a moment. “The girl who asked you out last time?”

Ye Han nodded.

“Shi Qingcheng continued, “That girl looks like a green tea! Remember to stay away from her in the future!” ”

“Although Shi Qingcheng had never seen Bai Mo before, after seeing the message Bai Mo sent to Ye Han, she could basically confirm that Bai Mo was a small green tea. ”

A normal girl would not use that tone to send a message to a male friend.

““Got it,” ye Han said. ”

The two of them talked as they walked and soon arrived at the Bai family’s old mansion.

“Shi Qingcheng stood at the entrance of the Bai family’s old mansion and sighed, “The Bai family has quite a deep background.” ”

Ye Han nodded. “The upper three generations of the Bai family are all scholars.”

“No Wonder.”

The two of them walked to the back garden.

“Ye Han led Shi Qingcheng and said, “Grandpa Bai, this is my girlfriend, Shi Qingcheng. Qingcheng, this is Grandpa Bai. These are sister Jingshu’s two cousins, Bai Mo and Bai Yuanyuan.” ”

“Grandpa Bai nodded kindly. “Hello, Miss Shi.” ”

“”Grandfather Bai.”subconsciously, Shi Qingcheng had a good impression of grandfather Bai. ”

Bai Mo sized Shi Qingcheng up.

Shi Qingcheng was born in a military academy. She had a slender figure and exuded a heroic aura. She did not have a feminine scent. She did not know how ye Han had taken a liking to such a woman.

Chapter 2338: 488: Crush Green Tea 1

“Bai Mo was really regretting it now. If she had known that ye Han would have today’s fortune, she would not have given Shi Qingcheng this opportunity. ”

“At that time, her relationship with Ye Han was very good. As long as she worked a little harder, Ye Han’s girlfriend would not have been Shi Qingcheng. ”

Who would have thought that the throne of the Chang Yue Kingdom would benefit ye Han?

“This person was really like a river flowing in the east for thirty years, and the river flowing in the west for thirty years. ”

“After all, Ye Han was just a homeless child who did not have a home in the past. ”

“If he had not met Ye Zhuo, would he be where he is now? ”

“Even now, there were many times when Bai Mo did not dare to believe that ye Han had actually become the ruler of the Chang Yue country. ”

“Bai Mo’s eyes were filled with unwillingness. She was also dissatisfied with Shi Qingcheng everywhere. However, she did not show it. Instead, she smiled at Shi Qingcheng and said, “Miss Shi is indeed as the rumors say, country-toppling, city-toppling, and beautiful.” ”

“”Just So-so,”Shi Qingcheng continued, “Fourth in the world.” ”

Fourth in the world?

“Bai Jingshu felt a little strange when she heard this. She continued, “Isn’t she third in the world?” ”

“Shi Qingcheng explained, “Because burning is third.” ”

The biggest similarity between Shi Qingcheng and ye burning was narcissism.

Bai Mo snorted coldly in her heart. Even someone like Shi Qingcheng had the nerve to say that she was fourth in the world.

Did she think that all the women in the world were dead?

“There was no femininity in her, nor did she know how to be reserved. Bai Mo looked at Ye Han and was very curious as to why ye Han would take a fancy to such a weirdo. ”

Bai Jingshu laughed softly. "So that's how it is."

"Bai Mo smiled and said, "Miss Shi is completely worthy of the title of fourth most beautiful woman in the world." "

""Thank you." Shi Qingcheng turned her head and looked at Bai Mo, thanking her without any modesty. "

"With such a little green tea, there was no need to put on an act, putting on a show of sisterly love. "

"Bai Mo suddenly felt that Shi Qingcheng was not easy to deal with. She originally thought that girls who came from military schools would be like boys, a little crazy, but Shi Qingcheng was not like that. "

"Although the conversation between them did not exceed ten sentences, Shi Qingcheng gave her a feeling that she was not someone to be trifled with. "

Bai Mo narrowed her eyes.

She could not panic.

She could not panic now.

What was Shi Qingcheng?

"She had been good friends with Ye Han for so many years, and no one knew ye Han better than she did. Could she lose to Shi Qingcheng? "

"Moreover, Ye Han and Shi Qingcheng were in different places. "

"Thinking of this, Bai Mo felt much better. "

She would definitely become the first lady of Changyue!

“Shi Qingcheng turned to look at ye Han and continued, “Why aren’t you wearing the clothes I bought for you last time?” ”

““What size did Miss Shi Buy?” Bai Mo continued, “Ye Xiaohan wears XXL clothes. He likes blue and white the most, and he hates gray the most. If you accidentally step on his minefield, he won’t wear it.” ”

“It was a very simple sentence. If it had been between ordinary friends, it would have been fine. ”

But it had to be in front of Ye Han’s girlfriend.

“As soon as she finished speaking, the scene fell silent. ”

Shi Qingcheng was not embarrassed. She looked at Ye Han with a smile. “Do you like Gray the most?”

“Ye Han said, “As long as it’s something you bought, I Like It!” ”

“Then why aren’t you wearing the clothes I bought for you today?” Shi Qingcheng asked.

“Ye Han continued, “I’ve been wearing that shirt for seven days in a row, and it’s starting to smell.” ”

“OH.” Shi Qingcheng nodded.

Ye Han looked at Shi Qingcheng. “Why don’t you buy me another one? I’ll go back and change into it so that others won’t misunderstand anything.”

“Bai Mo’s expression was a little ugly. She originally thought that ye Han would listen to her words, but in the end, not only did he not, the two of them started to show off their love in front of her instead. What was this? ”

What was she?

“Bai Mo was almost dying of curiosity, but she had no way to vent, so she could only endure it. ”

“Bai Jingshu felt that the situation was a little awkward. In order to break the situation in front of her, Bai Jingshu smiled and said, “The sun is too bright outside today. Why Don’t we go in? I’m not White to begin with. If I continue to bask in the Sun, I’ll turn into charcoal!” ”

““Okay.”Elder bai nodded and continued, “You young people can do whatever you want. I’m Old and don’t have as much energy as you guys. Let’s go back and rest first.” ”

“At the end of his sentence, elder Bai turned to look at Bai mo. “Lass Mo, come with me for a moment.” ”

“Bai Mo’s heart skipped a beat when she heard that. She subconsciously felt that there was nothing good about it, but she still followed elder Bai’s footsteps. ”

Elder Bai did not say anything along the way.

The atmosphere was a little oppressive.

“When they reached the study, elder Bai said, “Close the door.” ”

Chapter 2339: 488: Crush Green Tea 2

“Okay.” Bai Mo nodded and closed the door.

“Old Master Bai sat on the chair with a serious expression. He looked up at Bai Mo and said, “Little Girl Mo, do you know what is the most important thing in being a person?” ”

““Grandfather, if you have something to say, just say it,” Bai Mo said. ”

“Old Master Bai continued, “Answer Me First.” ”

“Bai Mo thought seriously for a moment before continuing, “Grandfather, you’ve taught us since we were young that the most important thing in life is to be honest.” ”

“Then I’ll tell you one more thing now.” Elder Bai looked up at Bai mo. “One has to know one’s place in life. One has to know one’s place in life!”

One has to know one’s place in life?

What did elder Bai mean by saying that she didn’t know her place?

“She was Old Master Bai’s biological granddaughter, yet old master Bai was talking about her in such a manner! ”

“Bai Mo was instantly enraged, followed by an overwhelming sense of humiliation. ”

““Grandfather, I don’t understand what you mean.” Bai Mo raised her head to look at Old Master Bai, “I know that you’ve always liked sister Jingshu, and you’ve never placed the rest of us sisters in your eyes. I accept that you are biased. After all, you are our elder and you are our grandfather. It is your right to like whoever you want! But you wouldn’t say that about me just because you like sister Jing Shu, right? Grandfather, I am also your granddaughter!” ”

Bai Mo felt very wronged.

She had always been like this since she was young.

“No matter how well she did, Old Master Bai would never take a fancy to her.”

And Now?

Elder Bai was actually still attacking her personally.

“Don’t you know what you’ve done wrong?” Elder Bai looked at Bai Mo..

Bai Mo didn’t say anything.

Because she didn’t feel that she was wrong.

She wasn’t wrong at all!

“Elder bai continued, “You’ve always been looking for reasons with others. Haven’t you ever thought about your own reasons? Why Don’t I Like You? Is it really because I’m biased?” ”

“As an elder, Old Master Bai had never been biased.”

The reason why he treated Bai Jingshu well was because Bai Jingshu was not as scheming as the other sisters.

“In this somewhat turbid environment, Bai Jingshu gave him a different view.”

“In a trance, he returned to the past.”

“Bai Mo and Bai Yuanyuan were sisters. Each of them was more scheming than the other. If Bai Jingshu did not have his protection, she would have been schemed against by them long ago! ”

""Grandfather, you're an elder. No matter what you do, I Won't Blame You," Bai Mo continued, "I just hope that you'll be more fair in the future." "

""Lass Mo, I still say the same thing. A person should know their place." Old Master Bai took a deep breath, he continued, "I'm already so old, and I've walked more bridges than you've walked. What are you thinking about? My heart is as clear as a mirror. It's not just me who knows. Mr. Ye and Miss Shi also know that the reason they didn't embarrass you in front of everyone is because of Jingshu!" "

Bai Mo bit her lips tightly and didn't say a word.

"Old Master Bai continued, "No matter who it is, you have to know your place. Especially girls, Lass Mo. I don't want the descendants of the Bai family to make a joke that everyone knows. Do you understand what I'm saying?" "

There were some things that were not appropriate to say out loud.

Bai Mo was also an adult. There was some logic that she should understand.

"Bai Mo's little thoughts were put on the table by Old Master Bai, which made her very embarrassed. "Grandfather, I don't understand what you mean. Ye Han and I have been good friends for four to five years. Between Us..." "

"Did you really not realize that ye Han was keeping a distance from you?" Old Master Bai asked in return.

"Elder bai continued, "Bai Mo, I'll put it here today. You better listen carefully. If you do anything embarrassing, don't blame me for acknowledging you as my granddaughter!" "

These words were heavy and ruthless!

"Although Bai Mo was indignant, she still pretended to be docile and said, "I understand." "

“You can go.” Elder Bai waved his hand.

Bai Mo turned around and left.

She was sneering in her heart. She was just waiting.

“She was waiting for her to take the position of the first lady of the Chang Yue country. Even if the old man knelt down and begged for her forgiveness, she would not look at the old man again!”

“Looking at Bai Mo’s back, elder Bai shook his head helplessly.”

He hoped that Bai Mo would really listen to his words and not just listen.

“With the knock of Master Bai’s words, when Bai Mo returned to the hall, she had indeed restrained herself quite a bit.”

“However, although she had restrained herself somewhat, she still intentionally or unintentionally targeted Shi Qingcheng.”

Chapter 2340: 488: Crush Green Tea 3

“Shi Qingcheng was not someone to be trifled with. She knew that Bai Mo had deliberately tripped her, so she stomped down on Bai Mo’s foot.”

It hurt so much that Bai Mo’s expression changed.

“However, Shi Qingcheng pretended not to know anything, “I’m sorry, Bai Mo. I accidentally stepped on your foot. Does it hurt? I really didn’t do it on purpose. I didn’t expect that you don’t look very tall. Your legs are quite long. You can even stretch from that side to this side!” ”

The last sentence was very meaningful.

“Bai Mo was furious. She wanted to show Shi Qingcheng a lesson, but she did not expect to be tricked by Shi Qingcheng.”

“”Miss Shi, I’m fine. You Don’t have to blame yourself.”Bai Mo stood up. “I’m going to the washroom.” ”

“Not long after Bai Mo left, Shi Qingcheng stood up as well. “I’m going to the washroom too.” ”

Shi Qingcheng was standing at the entrance of the washroom.

“The moment Bai Mo came out, she saw the slender Shi Qingcheng.”

“”Miss Shi, you came to the washroom too?”Bai Mo took the initiative to greet her.”

“Seeing Bai Mo come out, Shi Qingcheng stood up straight. “I’m here to look for you.” ”

“”Look for me?”Bai Mo frowned slightly. “Miss Shi, is there something you need me for?” ”

“Shi Qingcheng curled the corners of her lips. “Bai Mo, there’s no one else here besides us. You Don’t have to pretend anymore! Aren’t you tired?” ”

“”I don’t understand what you mean, Miss Shi,”Bai Mo said.”

“Shi Qingcheng looked at Bai Mo with a smile, she said condescendingly, “Bai Mo, I’m very clear about your thoughts. To be honest, I’m quite disgusted with people like you. However, you’re still Jingshu’s cousin after all. That’s why I tried my best not to shed all pretense with you. “If you like Ye Han, feel free to make a move. If ye Han has the slightest bit of wavering in his heart, I, Shi Qingcheng, will immediately break up with him!” ”

“If ye Han could be seduced by Bai Mo so easily, then it was because Ye Han was not worthy of her!”

“For Shi Qingcheng, it was not a bad thing for Bai Mo to suddenly appear out of nowhere. On the contrary, it was a good thing.”

She also wanted to see how serious ye Han was about this relationship.

“Don’t you think you’re too confident in yourself?” Bai Mo looked at Shi Qingcheng.

Shi Qingcheng curled her lips. “Stop pretending?”

“Bai Mo did not answer directly. Instead, she said, “Miss Shi, I hope that you can remember what you said today. If you continue to bicker and cry, it won’t look good!” ”

“Shi Qingcheng looked at Bai Mo and said, “I, Shi Qingcheng, am a straightforward person. I will never do anything that goes back on my words!” ”

“After saying that, Shi Qingcheng turned around and left. ”

“Looking at Shi Qingcheng’s back, Bai Mo snorted coldly. ”

What was so great about Shi Qingcheng?

Just wait and see!

“Very soon, Shi Qingcheng would regret her decision today. ”

“After returning to the front hall, Bai Mo remained as polite as before to Shi Qingcheng. No one would have thought that the two of them had already shed all pretense of cordiality. ”

Lin Ze did not return to the hotel until evening.

“On the way, Lin Ze looked at BAI Jingshu and said, “Your grandfather is really nice.” ”

Bai Jingshu raised her eyebrows slightly. “He’s Just My Grandfather?”

“”He’s our grandfather,”Lin Ze corrected himself. ”

“Bai Jingshu smiled and said, “Where’s your grandfather? How is he?” ”

“Lin Ze narrowed his eyes. “My impression of my grandfather is very vague. In my impression, he should have a better temper than my grandmother...”elder Lin had left earlier, before Lin Ze could remember everything, he had already left. ”

“If elder Lin could make decisions in the Lin family, Lin Jincheng and ye Shu would not end up like that either. ”

Elder Lin was a person who respected the younger generation very much. He did not have any opinions about his family background.

“He had a free relationship with Old Lady Lin, and it was the kind of relationship where he had to be intimate with her. Therefore, elder Lin respected old lady Lin very much. ”

“”Your grandmother is also very nice,”Bai Jingshu continued. “She’s the grandmother I imagined.” ”

Lin Ze nodded. “My grandmother’s temper did improve a lot in the end.”

“Wasn’t she nice in the past?”Bai Jingshu asked.

Lin Ze continued to nod. “Not really.”

“Now that old Mrs. Lin had left, the deceased was the most important. Bai Jingshu couldn’t continue asking, she continued, “Actually, my grandmother’s temper isn’t that good either. My grandfather used to Dote on me very much, so she said, ‘what’s there to like about a little girl? If you like her, you’ll have to marry someone else in the end!’”! “But my grandfather doesn’t think that way. My grandfather is willing to dote on me!” ”

“Bai Jingshu’s grandmother was a very traditional grandmother. She always had the idea of throwing away the water that was thrown out by her daughter after she married off, so she did not treat her granddaughters very well.”
