

## **Almighty D 2341**

Chapter 2341: 488: Crush Green Tea 4

“At the end of her sentence, Bai Jingshu looked up at Lin ze and asked, “Will you favor boys over girls in the future?” ”

“I won’t.” Lin Ze shook his head. “I don’t care if it’s a boy or a girl. We only want one.”

“”But I like it lively. Let’s have two,” Bai Jingshu said. ”

Lin Ze smiled. “As long as you’re happy.”

“Bai Jingshu continued to ask, “What about your parents? Will they mind if we have two daughters?” ”

“”I can’t promise anyone else, but don’t worry. My parents won’t Do That!” Lin Ze said. ”

“”Really?” Perhaps it had something to do with the environment they grew up in, Bai Jingshu couldn’t believe what Lin Ze said. ”

“Lin Ze turned to look at Bai Jingshu. “If you don’t believe me, I can write you a guarantee.” ”

“Bai Jingshu chuckled. “There’s no need for a guarantee. However, I still find it hard to believe that there are parents in this world who don’t value boys over girls.” ”

“Did you notice a problem?” Lin Ze asked in return.

“What problem?” Bai Jingshu asked.

“Lin Ze continued, “In my generation, including my previous generation and the next generation, there are no girls other than searing and Lizi?” ”

“Bai Jingshu also reacted and said in surprise, “I think so!” ”

“Lin Ze said, “Actually, strictly speaking, the Lin family only had one girl, burning, in my generation. “Our family is very strange. Everyone only gives birth to boys and not girls. I hope you can break this balance!” ”

“Lin ze paused and continued, “So girls are very rare in our family. If you can give birth to a girl, you will definitely be treated like a panda!” ”

“Bai Jingshu smiled and said, “Really?” ”

““Of course it’s true.”Lin Ze continued, “If you don’t believe me, you’ll know when you marry into our family.” ”

“Bai Jingshu blushed and said, “Who wants to marry you!” ”

“Lin Ze put his arm around Bai Jingshu’s shoulder. “What should I do? If you don’t marry me, won’t I be single for the rest of my life?” ”

...

On the other side.

Elder Bai stood at the door and watched Bai Jingshu and Lin Ze leave. He didn’t leave for a long time.

“When Bai Jingshu didn’t have a boyfriend, elder Bai was in a hurry to get her to find a boyfriend. Now that she had a boyfriend, elder Bai was a little worried ”

He couldn't bear to part with her.

"After all, Bai Jingshu was his granddaughter from a young age. When he thought about how she was going to get married soon, elder Bai felt empty in his heart and very sad."

"Si Feng!" At this moment, a voice suddenly came from the air."

"Old Master Bai turned around and saw the person who had come. He smiled and asked, "When did you come back?" "

"The person who had come was about the same age as Old Master Bai. She had silver-white hair, and although she was already in her seventies or eighties, she looked very energetic."

"This was the elder sister of one of Old Master Bai's siblings, Bai Sanfeng."

"Bai Sanfeng rebuked, "You just came back! And now you don't even tell me what's going on at home!" "

"What didn't I tell you?" Old Master Bai was a little confused.

"What did you say?" Bai Sanfeng asked.

Old Master Bai seemed to have thought of something. "You mean about Jingshu and Lin Ze?"

"You didn't even tell me about my niece's major life event! What do you mean by that?" Bai Sanfeng questioned.

"Elder bai said unhurriedly, "I didn't inform you because I knew that you would definitely not approve of this! Furthermore, even if I didn't inform you, wouldn't you know by now?" "

“You also know that I don’t approve?” Just like elder Bai, Bai Sanfeng also liked Bai Jingshu very much. “Let me ask you, is Jingshu still your biological granddaughter? You actually want to harm her like this!”

“Lin Ze was just a very ordinary earthling. Even if he were to find a random person to marry in Galaxy S, it would still be better than marrying Lin Ze.”

Who knew what her younger brother was thinking!

“If Bai Jingshu really married Lin Ze, it would be no different from lowering her status. Bai Jingshu was beautiful and had many suitors in Galaxy S. in Bai Sanfeng’s opinion, Bai Jingshu deserved better!”

“Elder Bai knew what his sister meant and continued, “Actually, Lin Ze is a very good young man. Jingshu likes him very much. As his elders, we should give him our blessings.” ”

“Bai Sifeng! Look at what you’re saying! Is this what a grandfather should say?” Bai Sanfeng was so angry that her face was pale!

“Bai Sanfeng’s impression of Earth was very bad. She felt that Earth was a living hell. As Bai Jingshu’s great aunt, she would never let Bai Jingshu marry into earth!”

“Old Master Bai took a deep breath. “Elder sister, I know that you’re doing this for Jingshu’s good. Just like you, I also hope that Jingshu can live a happy life! Believe me, although Lin Ze is an earthling, he will never disappoint!” ”

It had been a long time since old master bai had called Bai Sanfeng “Elder sister”. The reason why he called her that was because he hoped that Bai Sanfeng could calm down.

“However, how could Bai Sanfeng calm down now? Whenever she thought about how Bai Jingshu was entangled with an earthling, she would feel extremely uncomfortable!”

“Bai Sanfeng pointed at old master bai and said, “I’m just asking you. He’s only an earthling. What right does he have to give Jingshu Happiness? Jingshu is still young. It’s fine if she’s not sensible, but aren’t you sensible as well?” ”

“”Calm down,”old master bai continued, “I’m Jingshu’s biological grandfather. I want her to be happy more than you do. You have to believe in my choice, and you have to believe in Jingshu’s choice even more.” ”

“Bai Sanfeng wished she could slap old master Bai Awake. “You’re not doing this for Jingshu’s own good. You’re harming Jingshu! If you’re really doing this for Jingshu’s own good, then make Jingshu break off from that Earthling immediately!” ”

“At this point, Bai Sanfeng paused for a moment before continuing, “I still have a few high-quality young men here, and they come from good families. They can help Jingshu look at each other. Jingshu is indeed old enough.” ”

“Bai Sanfeng had actually wanted to be a matchmaker for Bai Jingshu for a long time, but Bai Jingshu had always said that she was not in a hurry to find a boyfriend. Bai Sanfeng had really thought that Bai Jingshu did not want to find a boyfriend, but who would have thought that in the blink of an eye..., bai Jingshu had already started a conversation with an earthling! ”

“If she had known this would happen, she would have introduced a boyfriend to Bai Jingshu earlier. If she had introduced a boyfriend to Bai Jingshu earlier, Bai Jingshu wouldn’t have been delayed by an earthling. ”

“Old Master Bai looked at Bai sanfeng and continued, “SIS, you really don’t have to worry about this matter. Jingshu is doing very well now. Even if everyone opposes them, I support them!” ”

“Bai Sanfeng suppressed the anger in her heart. “If I’m not worried, who’s going to worry? I’m counting on you, and you’re going to hand Jingshu over to that kind of person?” ”

“The moment Bai Jingshu returned, she saw Bai Sanfeng and old master Bai arguing until their faces were red. ”

Bai Sanfeng was especially furious. She wanted to point at Old Master Bai's face and scold him.

""Great-aunt, you're here! Not long ago, grandfather was still talking about you!" Bai Jingshu walked over and held Bai Sanfeng's hand. "

Chapter 2342: 489: set a date for the wedding

"Bai Sanfeng's expression softened a little when she saw Bai Jingshu. She smiled and said, "If I don't come soon, that old fool of yours will sell you off." "

An old fool like Bai Sifeng would delay Bai Jingshu sooner or later!

"Bai Jingshu had a good figure, good looks, and a good background. No matter what, she was worthy of someone better! "

What was wrong with an Earthling?

"Bai Jingshu was stunned. "What's wrong, great-aunt?" "

"Bai Sanfeng held Bai Jingshu's hand and said, "Let me ask you, what's going on between you and that Earthling?" "

That Earthling?

""Great-aunt, are you talking about my boyfriend?" Bai Jingshu asked. "

""Tell me about this child of yours. Do you have no brains?" Bai Sanfeng held Bai Jingshu's hand, she said earnestly, "Jingshu, you're still young, and there are many things you don't understand. Love is not just a

spring in the sun and snow in the snow. There are also firewood, rice, oil, salt, soy sauce, vinegar, and tea! What can that Earthling give you?" "

"Many young girls yearned for love with all their hearts. For Love, they were willing to risk their lives. Only after they plunged headfirst into it did they realize that the so-called love was actually the grave that ended their lives! "

"The people outside wanted to go in, but the people inside could not come out. "

Bai Jingshu was in such a situation right now. She needed someone to wake her up.

""Great-aunt, I know that you're doing this for my own good, but Lin Ze and I are in true love." "

True Love?

"Upon hearing this term, Bai Sanfeng immediately burst into laughter. "

Men were all flirtatious big radishes. How could there be true love in this world! !

"What Bullsh \* T True Love? It's all used to deceive young girls like you!"

"Back then, Bai Sanfeng had also yearned for love. "

Now..

"If time could go back to the past, she only wanted to slap her previous foolish self to death. "

Love was not a matter of one person. It was a matter of two people or even two families.

“Bai Jingshu’s starting point was higher than Lin Ze’s, and her family background was better than Lin Ze’s. If Bai Jingshu really married Lin Ze, she would not be happy.”

“If she really married Lin Ze, Bai Jingshu’s days of regret were still ahead.”

“Elder bai continued, “Elder sister, you can’t deny the existence of true love just because you met someone unladylike.” ”

“Shut up!” Bai Sanfeng berated angrily.

“Elder Bai wanted to say something, but in the end, he did not say it.”

“Elder sister was like a mother. If Bai Sanfeng had not been there, he would not have been her younger brother.”

Bai Sanfeng looked at Bai Jingshu. “Listen to me. Break up with that Earthling right now!”

Only by breaking up right now could Bai Jingshu live a better life.

Bai Jingshu’s final destination was definitely not an earthling.

Bai Sanfeng would not let Bai Jingshu repeat her old path.

“Bai Jingshu looked up at Bai Sanfeng. “Great Aunt, I know that you’re doing this for my own good, but Lin Ze and I really love each other sincerely.” ”

“”Truly in love?” Bai Sanfeng sneered. “You’re Only a few years old this year, and you’re telling me that you’re truly in love? Do You Know What Love Is?” ”

“At the end of her sentence, Bai Sanfeng softened her stance, “Jingshu, great-aunt has also grown up at your age. I know that you yearn for love, but you absolutely don’t need such love. At your age, you

should stay awake and not blindly fantasize. Otherwise, when you reach my age, it'll be too late to regret." "

"As Bai Jingshu's great-aunt, Bai Sanfeng really did not want to see Bai Jingshu Regret. "

The path of regret was not an easy one.

The path was long and arduous.

"There was no turning back in the middle, especially when Bai Jingshu was facing an earthling. "

"There was an insurmountable gap between them, and they had no common language at all. "

"Bai Jingshu had never experienced love before. When Lin Ze suddenly appeared, she thought that this was the love she yearned for, but it wasn't the case. "

"Bai Jingshu looked at Bai sanfeng and said seriously, "Great-aunt, I can promise you that I will never regret it." "

Yes.

She would never regret it.

"Although she hadn't spent much time with Lin Ze, she knew very well that Lin Ze was the person she wanted to be with for the rest of her life. "

"No matter what she faced in the future, she would never regret it. "

Never.

“Looking at Bai Jingshu like this, Bai Sanfeng sighed helplessly. ”

“Bai Jingshu was a good child, but she was too innocent. ”

“”You have never experienced such a thing, nor have you ever tasted regret. That’s why you said such absolute words. It’ll be too late when you regret it.” ”

“Bai Sanfeng’s attitude was tough, but Bai Jingshu did not blame her. She knew that Bai Sanfeng was doing this for her own good. ”

Chapter 2343: 489: set a date for the wedding

“If it were anyone else, they would never say such things to her. ”

“Bai Jingshu continued, “Great-aunt, you’ve already said what you should say, but I still want to be with Lin Ze. If I really regret it in the future, I definitely won’t blame you.” ”

“Seeing Bai Jingshu like this, Bai Sanfeng’s eyes were filled with confusion. ”

Bai Jingshu had always been a very obedient child in her eyes since she was young.

“But now, Bai Jingshu had actually become so stubborn because of an earthling. ”

“Seeing that the mood of the grandfather and grandson was getting more and more abnormal, elder Bai said in a timely manner, “It’s hot outside, let’s talk inside.” ”

Bai Sanfeng glanced at elder Bai and turned to walk into the house.

Bai Jingshu followed them.

“When they entered the house, the temperature dropped a few degrees. ”

The maid brought them ice-cold water.

“Bai Sanfeng sat down and drank a mouthful of water. The ice-cold water entered her throat, and she calmed down a little. ”

“She knew that she couldn’t push things too hard sometimes, especially since Bai Jingshu and Lin Ze were in a hot relationship right now, bai sanfeng continued, “Jingshu, there won’t be a result between you and that Earthling. Even if there is a result, it won’t be a good one. “You’re a smart child. I don’t want you to be confused about such things.” ”

““Great-aunt, we’ve only just started. How do you know that we won’t have a good result?” Bai Jingshu retorted. ”

“Bai Sanfeng looked at Bai Jingshu, “If you don’t know anything else, you should at least know the story of the Cowherd and the seven fairies, right? If it wasn’t for the cowherd’s selfishness and stealing the clothes of the seven fairies, would the seven fairies have gone from an unreachable wife to a farmer’s wife?” ”

“Everyone said that the story of the Cowherd and the seven fairies was beautiful and moving, but Bai Sanfeng could see the sadness in it. ”

“The seven fairies were the seventh daughter of the Jade Emperor and the Queen Mother. They were doted on and did not live in the mortal world. It was because the cowherd stole her clothes that she could not fly, so she stayed in the mortal world to give birth to children for the cowherd. ”

“The pure seven fairies had never come into contact with men before, so how could she know the Cowherd’s evil intentions. ”

“In fact, Liu Lang did not love the seven fairies at all. He just needed a wife to carry on the family line. If he had stolen the clothes of other fairies, he would have had children with other fairies as well. ”

“Therefore, the beautiful legends in fairy tales were all lies. Bai Sanfeng never believed in such ethereal things. ”

“”You’re like the seven fairies in fairy tales now. You’ve been deceived by Lin Ze!”Bai Sanfeng turned to look at Master Bai, “It’s one thing for Jingshu to be tricked at such a young age, but how old are you? You’re Jingshu’s grandfather. You have to be responsible for Jingshu!” ”

“Old Master Bai stood up and personally poured a cup of tea for Bai Sanfeng, “Elder sister, you know how I see people. Just Trust me this once. Although Xiao Lin is from Earth, he’s more reliable than anyone else in the s galaxy! There’s no mistake between Jingshu and him!” ”

“Bai Sanfeng looked at the stubborn old master Bai and an evil aura welled up in her heart. She wanted to say something, but in the end, she didn’t say anything. ”

“”Forget it, forget it.”Bai Sanfeng stood up from her chair. “No matter how good I am, I’m just a great-aunt. You two can do whatever you want! Anyway, I’ve already said what I need to say!” ”

“She had already said what she could, but Bai Jingshu did not listen. What else could she do? ”

She could not just force her head down!

That would be meaningless.

“”Great-aunt, please don’t be angry.”Bai Jingshu stood up and held Bai Sanfeng’s hand. “I definitely won’t regret it.” ”

Bai Sanfeng turned to look at Bai Jingshu. “As long as you don’t cry next to me and say that you regret it in the future!”

""Don't worry, I Promise I won't," Bai Jingshu said. "

"Bai Sanfeng was still angry, so she couldn't be bothered with Bai Jingshu. "That's it! I'm going back first." "

""Great-aunt, it's not easy for you to come here. Why are you going back so soon? Stay here for a few days, and I can accompany you more," Bai Jingshu said. "

"Bai Sanfeng withdrew her hand and said coldly, "There's no need. Anyway, if you marry to Earth in the future, we won't see each other anymore!" "

"After saying that, Bai Sanfeng turned around and left. "

"Bai Jingzhu wanted to catch up with Bai Sanfeng, but old master Bai waved his hand, indicating that she shouldn't chase after her. "

"It wasn't until Bai Sanfeng's figure disappeared in front of them that old master Bai lowered his voice and said, "Your great-aunt has such a temper. She's sharp-tongued but soft-hearted. She'll be fine after this period of time. Just let her be." "

Chapter 2344: 489: set a date for the wedding

Bai Jingshu was a little worried. "You really don't need to go after him?"

"No need."

Bai Jingshu didn't say anything else.

""Oh right, where's Xiao Lin? Did you send him back to the hotel?" Elder Bai asked in return. "

“Yes.” Bai Jingshu nodded.

“Elder bai continued, “You don’t have to take your great-aunt’s words to heart. Even if the entire world doesn’t support you and Xiao Lin, grandfather supports you. You guys should boldly move forward. If anything really happens, grandfather will be there to support you!” “Grandfather is the same as you. I believe that Xiao Lin won’t disappoint anyone.” ”

Elder Bai had already missed out on this once when he was young. He didn’t want Bai Jingshu to repeat the same mistake and follow in his footsteps.

There was only one life.

“If one missed out on the most beautiful and best person, there would be no turning back. ”

“After hearing elder Bai’s words, Bai Jingshu was a little touched. She held onto elder Bai’s arm and said, “Thank you, grandfather.” ”

It was hard to imagine how she would have walked this path without elder Bai’s support.

“What a silly child.” Elder Bai shook his head helplessly.

“Elder bai continued, “Jingshu, have you talked to Lin Ze about the future?” ”

““Yes, we have.” Bai Jingshu nodded. ”

“When do you plan to Get Married?” Elder Bai continued to ask.

He was old and didn’t have much time left. He had to see Bai Jingshu get married and escape the control of his crazy parents.

Get Married?

Bai Jingshu was stunned when elder Bai suddenly asked her about this topic.

“What? Lin Ze has never talked about marriage with you?” Elder Bai frowned. “Didn’t he want to get married with you?”

“If that was the case, then there was no need for Bai Jingshu and Lin Ze to continue.”

The great man once said that any relationship that did not aim to get married was a hooligan.

“”No, no.” Seeing that elder Bai had misunderstood, Bai Jingshu quickly explained, “He mentioned it, but I think we should get to know each other better for a while and not continue this topic.” ”

“”I see.” Elder Bai heaved a sigh of relief and nodded, then, he continued, “Jingshu, you’re not young anymore. There are quite a number of young ladies your age who have gotten married and had children. Lin Ze is a rare and good man. Although his birth is a little bad, this hinders his excellence. I feel that the two of you can discuss marriage next.” ”

“So Soon?” Bai Jingshu looked at elder Bai in surprise.

“”Isn’t that fast?” Elder Bai smiled and said, “Back then, your grandmother and I got married less than a month ago!” ”

“Although there was no love in this marriage, the two of them got along well in the days that followed. They treated each other with respect.”

“After that, elder Bai continued, “You two have known each other for more than a year, right?” ”

“Yes.” Bai Jingshu nodded.

""I see that the eighth day of next month will be very good."The corners of Old Master Bai's mouth curled up into a smile. "How about this, you get Xiao Lin to come over tomorrow." "

The eighth day of next month?

""Grandfather, isn't it a little too fast?"Bai Jingshu asked. "

""Not too fast, not too fast."Old Master Bai waved his hand. "I don't want it to be too late." "

On the other side.

"Bai Sanfeng left the old residence in anger. No matter how she thought about it, she felt terrible. Bai Jingshu was her niece who she had watched grow up. She treated Bai Jingshu the same way she treated her own granddaughter. Now that Bai Jingshu was in such a predicament., bai Sanfeng felt both distressed and angry. "

""Great-aunt."At this moment, a pleasant female voice suddenly appeared in the air. "

"Bai Sanfeng raised her head and said with a smile, "It's Miss Mo!" "

"Bai Mo walked over and held Bai Sanfeng's hand intimately. "Great-aunt, did you come from grandfather's Place?" "

"Yes."Bai Sanfeng nodded.

"Bai Mo narrowed her eyes and continued, "You must be here for sister Jingshu's matter, right?" "

Bai Sanfeng didn't say anything.

"Bai Mo was like a shrewd person. Seeing Bai Sanfeng like this, she knew that she must have suffered a loss at Old Master Bai's place, she sighed and said, "Actually, I also feel that Lin Ze isn't good enough for

sister Jingshu. I've tried to persuade Sister Jingshu many times before, but sister Jingshu... .. sigh, I don't know how to put it. It seems that she has her eyes set on Lin Ze. No matter what I say, she won't listen."

"At this point, Bai Mo paused, she continued, "Great-aunt, there are some things that the person in the middle is confused, while the bystander is clear. No matter how clear we see it, it's useless if sister Jingshu can't see the true nature of it. Good advice is hard to hear. No matter how much we say now, it's not only futile, but to sister Jingshu, it's also bad! "So, there are some things that are better left unsaid. When she experiences it personally and regrets it, she will naturally understand your kindness."

Chapter 2345: 489: set a date for the wedding

Bai Mo's words had hit the nail on the head of Bai Sanfeng.

That was how she felt right now.

"She tried her best to persuade Bai Jingshu, but not only did she not appreciate her advice, she even felt that she was a bad person. "

""Mo Mo is still sensible." Bai Sanfeng patted Bai Mo's hand. She suddenly felt that she had neglected her niece in the past. "Mo Mo, when you have time, you must visit your great-aunt's house." "

""Okay." Bai Mo nodded. She held Bai Sanfeng's hand and said, "Great-aunt, you can go to my house tonight!" "

Bai Sanfeng's husband's house was not bad. She was also the old lady in charge of the Chen family. She had befriended many wealthy and influential people. Perhaps she could even help her with ye Han's matter.

"In fact, Bai Mo had wanted to curry favor with Bai Sanfeng for a long time, but she had never found a suitable opportunity. "

"That's fine." Bai Sanfeng nodded.

"Bai Mo held Bai Sanfeng's arm and smiled. "If my parents knew that great-aunt is coming, they would definitely be very happy!" "

Bai Sanfeng looked at Bai Mo and felt that Bai Mo was more pleasing to the eye than Bai Jingshu.

At least Bai Mo knew what was good and what was bad.

"The next day, Lin Ze came to the Bai family's old residence. "

The grandfather and grandson sat in the study.

"Elder Bai looked at Lin Ze. "Xiao Lin, Jingshu is my favorite granddaughter. She's also the granddaughter that I can't rest assured about. You know about her and her parents..." "

Lin Ze had been listening to elder Bai's words attentively.

"Elder bai continued, "My biggest dream in my lifetime is to see Jingshu find a reliable person who can protect her with her life. Can you do that?" "

"At the end of his sentence, elder Bai looked up at Lin Ze. "

""Grandpa, I can." Lin Ze looked into elder Bai's eyes. His gaze was firm, and his voice was equally firm. "

""Good! Good!" Elder Bai laughed out loud. "Grandpa, I didn't Misjudge You! How about this, you make the arrangements and see when your parents can meet with me. I'll tell your parents the details." "

“Please Wait a moment. I’ll contact them right away.” Lin Ze stood up.

“”Okay, go ahead.” Elder Bai nodded. ”

“After a while, Lin Ze came in from outside. “Grandpa, my parents said that they can come over anytime.” ”

“”Come over?” Elder Bai was stunned for a moment, then he waved his hand and said, “No, no, I’ll go over. Speaking of which, I haven’t been to Earth for a long time.” ”

“”That’s not good, is it?” Lin Ze said. ”

“After all, he was the one who asked to marry Bai Jingshu. It should be his parents who came to the Bai family on their own accord. How could he let elder Bai go to Earth personally? ”

It was impolite.

“Elder bai smiled and said, “As long as your intentions are there, it’s fine. We don’t have to care about those empty words. Then, we’ll leave now. Go and call Jingshu!” ”

“Leave Now?” Lin Ze was stunned.

“Yes.” Elder Bai nodded.

“Okay.” Lin Ze didn’t say anything else and immediately went to look for Bai Jingshu.

“After hearing Lin Ze’s words, Bai Jingshu wasn’t too surprised because elder Bai had already given her a warning. ”

“Lin Ze.” Bai Jingshu called out to Lin Ze.

“”Okay,” Lin ze replied. ”

“Bai Jingshu looked at Lin Ze and continued, “You should know what Grandpa Means, right?” ”

“I do.”

“Bai Jingshu continued, “Okay. If you think that things between us are progressing too quickly, I’ll go talk to Grandpa.” ”

“After all, they had only known each other for less than a year. Bai Jingshu could understand why Lin Ze couldn’t accept the fact that they had gotten married so quickly. ”

“”Then, can you accept it?” Lin Ze asked back. ”

“Bai Jingshu smiled and said, “I’m the one asking you now.” ”

“”I can accept it,” Lin Ze continued. “Even though we’ve only known each other for a year, I’m very sure that you’re the person I want to spend the rest of my life with. I don’t want anyone else but you.” ”

This was the most serious love speech Lin Ze had ever given Bai Jingshu.

“His personality was different from other boys. He was not good at expressing his feelings, and most of the time, it was more important than what he said. ”

“”Okay.” Bai Jingshu nodded. “With your words, my life will be worth it.” ”

Lin Ze reached out and pulled Bai Jingshu into his embrace.

“The two of them hugged each other for about a minute. Bai Jingshu pushed Lin ze away and said, “Alright, I’ll go get ready. Let’s go back to Earth.” ”

“Okay.” Lin Ze nodded.

“Two hours later, the three of them set foot on the interstellar shuttle back to Earth. ”

“Two days later, the interstellar shuttle landed on Earth as scheduled. ”

Chapter 2346: 489: set a date for the wedding

“Standing on the long street of the capital and looking at the bustling crowd, elder Bai’s eyes suddenly turned sour. ”

“He remembered the first time he set foot on this land. He was twenty years old. In the blink of an eye, sixty-three years had passed. ”

“Sixty-three years, more than twenty thousand days and nights. The earth had changed a lot. ”

“Is Chang ‘an street in front?” Elder Bai asked slowly.

“”Yes.” Lin ze nodded and continued, “Grandpa, have you been to the capital before?” ”

“”Yes.” Elder Bai did not deny it. He continued, “When I came here, the capital was not like this.” ”

“Looking at the familiar Chang ‘an street, he felt as if he had returned to the past. ”

“Bai Jingshu said in surprise, “Grandpa, you actually came to Earth. I’ve never heard you mention it before.” ”

““That was many years ago.” Elder Bai smiled with tears in his eyes. “If I hadn’t returned to Earth today, I would have forgotten about it.” ”

“Elder Bai seemed to have thought of something. He straightened his body and said, “Jingshu, let’s go to your place first.” ”

“There’s no need to go to Jingshu’s place. My parents have arranged a hotel for you. Please wait for a moment. They’re on their way.”

““No, no, no, this is too troublesome!” Elder Bai waved his hand. ”

““Jingshu, Ah Ze!” ”

“At this moment, Ye Shu’s voice sounded in the air. ”

Bai Jingshu looked up. “It’s uncle and Auntie! Auntie!”

“Elder Bai scrutinized the two figures walking over. From their looks, ye Shu and Lin Jincheng were very kind people. ”

“Ye Shu and Lin Jincheng walked over. “This is Jingshu’s grandfather, Old Master Bai, right?” ”

“I am.” Old Master Bai nodded.

“Lin Jincheng immediately stretched out his hand towards old master Bai. “Hello, Old Master. I Am Lin Ze’s father, Lin Jincheng. This is my wife, ye Shu!” ”

““Hello, Old Master.” Ye Shu followed behind. ”

""Mr. Lin, Mrs. Lin,"Old Master Bai said. "

"Lin Jincheng smiled and said, "Old Master, you're an elder. You can just call us by our names. We were supposed to visit you, but you came instead. I'm Sorry!" "

""It's the same for the children. It doesn't matter who comes,"old master Bai said with a smile. "

"Lin Jincheng continued, "Old Master, let's go to the hotel first. If you don't want to stay in a hotel, you can stay in our manor!" "

"Old Master Bai said, "It's fine for me to stay at Jingshu's place. Xiao Lin's parents, you don't have to do anything." "

"How can we do that! You came all the way here. We should let you stay at the best place!"Lin Jincheng said.

""There's really no need."Old Master Bai smiled and said, "We're all family. I Won't stand on ceremony with you. If I want to stay at a hotel, I'll just stay there." "

"Hearing elder Bai's words, Lin Jincheng no longer insisted. "

There was actually another reason why elder Bai insisted on staying at Bai Jingshu's place. He wanted to observe on the spot if Bai Jingshu's life on earth had been good.

Elder Bai stayed in the capital for three days.

"On the first day, he agreed with Lin Jincheng and Ye Shu on the wedding date for Lin Ze and Bai Jingshu."  
"

The date was set for the eighth day of the next month.

“Although the time was a little tight, it was enough to use the time to prepare for the wedding.”

“On the second and third day, elder Bai walked around the places he had walked around many years ago.”

“He was old, and Bai Jingshu wanted to follow him, but elder Bai didn’t let her.”

“The scenery and things were still the same, but the person from back then was long gone.”

“Looking at the peach blossom sticking out from the wall, a poem appeared in front of Old Master Bai’s eyes.”

“His face was nowhere to be seen, and the peach blossom was still smiling in the spring breeze.”

“Looking at the swaying peach blossom in the wind, Old Master Bai’s eyes instantly turned red.”

What was Life?

“If time could be repeated, he would definitely say goodbye to his past self and follow his heart.”

What a pity.

There was no longer any youth left in him. All that was left for him was endless regret.

“On the fourth day, Old Master Bai followed Bai Jingzhu back to the s galaxy.”

“After returning to the s galaxy, Bai Jingzhu was at the old residence preparing for the wedding.”

“When Bai Sanfeng found out about this, she was so angry that she shook her head. “This is crazy! Just wait and see. Sooner or later, the two of them will regret it!” ”

Chapter 2347: 490: Wedding Begins 1

“Bai Sanfeng was really angry. After all, she had watched Bai Jingshu grow up. ”

She had always felt that Bai Jingshu’s future was limitless. Bai Jingshu could marry a supreme person.

But Now?

Bai Jingshu had only married a low-level earthling!

What was an Earthling?

“”Grandma, who are you angry with?”Ma Yue walked out and asked curiously when she saw Bai Sanfeng like this. ”

“Do you know that your cousin is getting married?”Bai Sanfeng turned to look at her granddaughter.

“Although Ma Yue had several cousins, Bai Sanfeng only cared about Bai Jingshu. ”

“Firstly, it was because Bai Jingshu looked the most like Bai sanfeng, and secondly, it was because Bai Jingshu was the most obedient and sensible among her sisters. ”

“Although she was not outstanding, she never did anything out of the ordinary. ”

“Moreover, as a girl, she had to get married eventually, so it was fine as long as she was responsible for being pretty. In the future, if she married into a good family, she would still be able to shine in the family.”

“Therefore, Bai Sanfeng had always looked highly upon Bai Jingshu, and she had always vowed in her heart that she would not let Bai Jingshu follow in her footsteps.”

“She did not expect that Bai Jingshu, who had no heart, would end up like her in the end.”

“Hearing this, Ma Yue was stunned and said in surprise, “Cousin is getting married? To whom? The Sun family or the Wang Family? I heard that the second young master of the Wang family had a crush on cousin, but I didn’t expect that they would really succeed!” ”

“What second young master of the Wang Family!” Bai Sanfeng snorted. “You think too highly of her.”

“Who is that?” Ma Yue was a little surprised.

“According to Bai Jingshu’s market, she would only marry better than the Wang family. However, from Bai Sanfeng’s appearance, why did it feel like Bai Jingshu didn’t marry into a good family?”

Bai Sanfeng looked at Ma Yue. “You really don’t know?”

Ma Yue shook her head. “You also know about my cousin. She only wants to study Earth’s culture. I don’t have anything in common with her. The last time we talked was a year ago.”

Bai Jingshu was indeed a freak.

Earth’s culture had always been a mess.

But she had always been absorbing the mess.

“At this point, Ma Yue seemed to have thought of something. She widened her eyes and said in disbelief, “My cousin didn’t find an Earthling, did she?” ”

“Bai Jingshu had always been very fond of Earth’s culture. She was infatuated with it, so it was not surprising that such a situation had really happened. ”

“That’s right. She just found a low-level earthling!” Bai Sanfeng said.

Bai Sanfeng was very regretful now.

“She used to think that life was so short. As long as a girl lived a happy life, her interests and hobbies could develop freely. ”

“Now it seemed that she could not let it develop at all. As long as she realized that something was wrong, she had to stop it immediately. ”

“For example, Bai Jingshu. ”

“If she had stopped Bai Jingshu from studying Earth’s culture in time, Bai Jingshu would not have ended up like this. ”

“Although she was mentally prepared, when she heard Bai Sanfeng say this, Ma Yue was still very shocked. “Really? My cousin really found an Earthling?” ”

“Although Bai Jingshu did not have much brain, she would not go so far as to find an earthling. ”

“Compared to the s galaxy, what was an Earthling? ”

What was the difference between what Bai Jingshu did and what she was willing to do?

“People go higher, but water flows lower. Was Bai Jingshu crazy? ”

“We’re about to get married. Do you think it’s true or not?” Bai Sanfeng said.

“Ma Yue clicked her tongue and continued, “Then can my cousin and the others agree?” ”

““They’ve already severed their ties,” Bai Sanfeng replied. ”

“Normally, Bai Sanfeng wouldn’t have taken a fancy to her eldest nephew and his wife, but she felt that they were doing the right thing in this matter. ”

“Bai Jingshu’s decision was wrong in the first place. No matter what, she shouldn’t marry an earthling. ”

“If it were her, she would also sever her ties with Bai Jingshu. ”

““Then what did my great-uncle say?” Ma Yue continued, “Doesn’t my cousin listen to her great-uncle the most?” ”

Bai Sanfeng sighed. “Your great-uncle is already old and muddled!”

Old and muddled?

“When Ma Yue heard this, she felt that something was amiss. She continued, “Could it be that my great-uncle has agreed to my cousin being together with that Earthling?” ”

““If it wasn’t for your uncle-grandfather, things wouldn’t have turned out this way!” This was all because of Bai Sifeng’s indulgence. ”

Ma Yue frowned slightly. “Uncle-grandfather doesn’t look like such an unreasonable person! Could it be that he’s really old?”

Bai Sanfeng sighed again.

“Ma Yue continued, “Grandmother, don’t be anxious. has this matter really reached the point of no return?” ”

Chapter 2348: 490: Wedding Begins 2

Ma Yue felt that this matter was a mystery.

“After all, the other party was only an earthling. ”

Old Master Bai was famous throughout his life. How could he allow his favorite granddaughter to marry an Earthling?

It was absolutely impossible!

“Bai sanfeng continued, “I heard from Miss Mo that the wedding date was set for the eighth day of next month.” ”

“Ever since she returned from the old mansion, Bai Sanfeng had been keeping in touch with Bai Mo. . ”

Bai Mo was especially good at coming to visit. She would greet Bai Sanfeng almost every day.

“So Soon?” Ma Yue asked in surprise.

“Bai sanfeng frowned and said, “The mottled toad has finally eaten the swan meat. Of course, that Earthling hopes for the best as soon as possible!” ”

“Ma Yue poured Bai Sanfeng a glass of water, “Grandma, don’t worry. I think there must be something else going on in this matter. Although cousin is older than me, she’s still just a child. Why Don’t you tell Uncle About It?” ”

“Although Ma Yue and Bai Jingshu didn’t have a very close relationship, as a cousin, she didn’t want Bai Jingshu to marry an earthling. ”

“Firstly, it was because she and Bai Jingshu were cousins. ”

“Secondly, she was afraid that others would gossip about them. ”

Having an earthling relative was not a good reputation.

“Bai Sanfeng did not want to interfere in Bai Jingzhu’s matters, but she still could not bear to see Bai Jingzhu marry an earthling. ”

“Then you wait at home. I’ll go to your uncle’s house.” Bai Sanfeng stood up from the chair.

“Ma Yue also stood up and held Bai Sanfeng’s arm. “I’ll go with you. Coincidentally, my cousin and I are of the same age. I can persuade her.” ”

“That’s fine.” Bai Sanfeng nodded.

The grandfather and grandson flew together to the Bai family’s old residence.

“These days, the news that Bai Jingshu was going to marry an earthling and that she had already set a wedding date had spread throughout the entire s galaxy. The servants of the Bai family were also talking about it. ”

“They felt that there was something wrong with Bai Jingshu’s brain, and they also felt that old master Bai had become muddle-headed due to his old age. ”

"The moment Bai Sanfeng got off the aircraft, the Butler walked over respectfully. "Third aunt, Miss Cousin." "

Bai Sanfeng glanced at the butler. "Is your old master at Home?"

"Yes." The Butler knew that this third aunt was not someone to be trifled with, so he continued, "Please Wait a moment, I'll go look for old master right away." "

"No need." Bai Sanfeng raised her hand. "I'll go look for him myself."

"Ma Yue continued, "Then I'll go look for cousin." "

"Mm." Bai Sanfeng nodded.

The grandfather and grandson split into two groups.

"Very soon, Bai Sanfeng arrived at Old Master Bai's study. "

"Old Master Bai was practicing calligraphy in the room when he suddenly heard a cold voice. "What time is it now, and you still have the mood to practice calligraphy! Do you still see Jingshu as your biological granddaughter? !" "

Elder Bai immediately put down his pen and looked up at Bai Sanfeng. "Sis."

Bai Sanfen's face was stern. "I heard that Jingshu's wedding date has already been decided?"

"Yes." Elder Bai nodded.

"Bai sanfeng continued, "What if I don't agree?" "

“Elder Bai put away the words he had written and looked at Bai Sanfeng. “Elder SIS, please believe me this once. Jingshu will definitely not be wronged by marrying Lin Ze.” ”

Elder Bai did not look down on Lin Ze’s identity as an Earthling at all.

What was wrong with an Earthling?

“Although the s galaxy was technologically advanced, it was not half as humane as Earth. ”

“What kind of grandfather are you!” Bai Sanfeng looked at elder Bai. “Do you really want Jingshu to follow your old path?”

The Bai family seemed to have an unbreakable curse on them.

It was that their descendants would definitely fall in love with the Earthlings.

“Old Master Bai was like this, she was like this, and now Bai Jingshu was like this. ”

“However, she and Old Master Bai were lucky enough to not be doubted by the Earthlings. ”

Bai Jingshu was a little incredulous. She could actually make the decision to marry an earthling!

““Sifeng, you’ve experienced this kind of thing before. Think about it. If you hadn’t stopped at the precipice in time, would you still have the life you have now?” wasn’t it good to find a person of equal status and treat them with respect for the rest of their lives? ”

“Hearing this, Old Master Bai turned to look at Bai San Feng and said seriously, “Third sister, do you know that all these years, I’ve been regretting it?” He regretted why he had to compromise. ”

He regretted why he hadn’t been bolder back then.

"If he had resisted back then, he definitely wouldn't have ended up like this. "

"What do you regret?" Bai San Feng's face was full of disbelief. "I think you're Crazy!"

Chapter 2349: 490: Wedding Begins 3

"Old Master Bai did not directly answer Bai Sanfeng. Instead, he raised his head and said, "Third sister, don't you regret it? Not at all?" "

"Upon hearing this, Bai Sanfeng paused. "

She did not know how to answer.

"After a moment, Bai Sanfeng looked at Old Master Bai and said firmly, "I don't regret it. I will never regret it." "

""But I regret it." Old Master Bai did not directly expose Bai Sanfeng's words. "So I will not let my granddaughter regret it again. This is the only time in life. When it's time to love, you have to love. When it's time to rush, you have to rush." "

Bai Sanfeng frowned slightly. "Don't you feel that you are being very childish now?"

How Old was she?

"She should have learned to see through appearances long ago, but her younger brother still yearned for love. "

It was even a little ridiculous.

Old Master Bai looked at Bai Sanfeng. "It's just that you don't dare to face reality."

"I'll ask you one thing now. Are you going to cancel the wedding between Jing Shu and that Earthling?" Bai Sanfeng continued to ask.

"No," elder Bai rejected her outright. "

Bai Sanfeng nodded. "Then you won't cancel my relationship with you even if I break off from now on?"

"Yes." Elder Bai remained firm.

"All these years, elder Bai had always treated Bai Sanfeng with great respect. This was the first time he had refuted Bai Sanfeng. "

He did not feel that he was at fault.

True Love was not at fault.

Bai Jingshu and Lin Ze were even more at fault.

"Looking at Old Master Bai like this, Bai Sanfeng knew that she did not need to say anything else. "

Old Master Bai was her younger brother. No one knew old master Bai better than she did.

"Alright, I understand." Bai sanfeng nodded and continued, "As long as you don't regret it in the future." "

It was the same for Ma Yue.

“She had said a lot to Bai Jingshu, but Bai Jingshu refused to listen and insisted on marrying Lin Ze.”

“Helpless, Ma Yue had no choice but to give up trying to persuade Bai Jingshu. She sat by the bed and held Bai Jingshu’s hands. “Cousin, I hope you’ll be happy no matter what.” ”

““Thank you,” Bai Jingshu said with a smile. ”

“At that moment, Ma Yue’s Communicator Rang. She looked down and said, “Cousin, my grandmother contacted me. I’ll be leaving first.” ”

“I’ll send you off.” Bai Jingshu stood up as well.

Ma Yue nodded.

The two of them went outside and saw Bai Sanfeng already waiting at the door.

“Bai Jingshu greeted politely, “Great-aunt.” ”

“Bai Sanfeng’s face no longer had the usual benevolence. She nodded indifferently and said to Ma Yue, “Let’s go to Miss Mo’s Place! I brought her quite a number of top-grade blood stones!” ”

“These words were deliberately said for Bai Jingzhu to hear. After all, the blood stones usually belonged to Bai Jingzhu. ”

“Okay.” Ma Yue nodded.

Bai Jingzhu watched as Bai Sanfeng and Ma Yue’s figures disappeared outside the main door before she turned around and returned to her room.

“Ma Yue smiled and said, “Grandma, aren’t you going to ask cousin if she changed her mind after I persuaded her?” ”

“”Is there a need to ask?” Bai sanfeng continued, “Whether or not she changes her mind now has nothing to do with me. I didn’t notice before that Miss Mo is actually not bad. Remember to come into contact with miss mo more in the future.” ”

“Okay.” Ma Yue nodded.

On the other side.

Beijing.

The wedding date was getting closer and closer.

The Lin family manor was also very busy during this period of time.

“Lin Ze was, after all, the eldest son of Lin Jin city. ”

The wedding of the eldest son naturally had to be held in a grand manner.

“Even Cen Shaoqing got busy with it, preparing all kinds of things needed for the wedding banquet. ”

“In fact, Cen Shaoqing had a little plan in mind. After helping Lin Ze prepare this time, he had experience. When he and Ye Zhuo got married, he would not be as blind as a headless fly. ”

“Ye Zhuo sat on the sofa and smiled as he watched Cen Shaoqing busy himself. He teased, “Why are you more proactive than the person involved in my brother’s marriage?” ”

“Cen Shaoqing turned his eyes slightly and lowered his voice. “Ah Ze is, after all, my child’s future uncle. How can I not be proactive when my brother-in-law is getting married?” ”

“Although Cen Shaoqing was a little older than Lin Ze, he was not ambiguous when it came to calling himself his brother-in-law. ”

“”Who is your child’s future uncle?”Ye Zhuo raised his eyebrows slightly. “Mr. Cen, can you please have some face?” ”

“”Facts speak louder than words.”Cen Shaoqing’s gaze fell on Ye Zhuo’s abdomen. “Leader, when are we going to settle this matter?” ”

He suddenly looked forward to having a child.

It would be best if it was a girl who looked like Ye Zhuo.

Be Good.

“Based on Ye Zao’s looks, Cen Shaoqing could almost imagine what his daughter would look like. ”

Chapter 2350: 490: wedding begins 4

It must be very beautiful.

“Go and dream.”Ye Zao walked over and pinched Cen Shaoqing’s waist. “There’s everything in the dream.”

“Don’t pinch your waist all the time.”Cen Shaoqing pulled him into his arms and his tone became low.

Ye Zao raised his eyes slightly and met his eyes. “Why?”

“Cen Shaoqing lowered his head and his thin lips touched ye Zao’s ear. He said slowly, “Because...” other than the word ‘because,’ he lowered the last word very, very low. ”

“The warm breath sprayed into ye Zao’s ears. Ye Zao, who had already gotten used to CEN Shaoqing’s closeness, immediately blushed. ”

Men were indeed not to be provoked.

“If they were provoked, they would be able to say anything. ”

“Ye Zao, who had regained his senses, immediately pushed Cen Shaoqing away. “Quickly go back and listen to the heart cleansing mantra a few more times!” ”

Cen Shaoqing nodded very seriously. “I think so too. What should I do! When do you think I can end the days of listening to the heart cleansing mantra?”

Ye Zao:” ...”

A certain someone’s face was getting thicker and thicker.

He couldn’t afford to offend her.

“At this moment, the sound of footsteps came from outside. ”

“”Shaoqing, Zao Zao, it’s time to eat!” It was ye Shu’s voice. ”

“Cen Shaoqing looked back slightly and opened his thin lips. “Yes, Aunty. I’ll be right there.” ”

“”Okay.” Ye Shu continued, “Hurry up and come over. The food will be cold soon.” ”

“After saying that, Ye Shu turned around and left. ”

“Cen Shaoqing put down the things in his hands and walked over to put his arm around ye Zao’s shoulder. “Let’s Go Eat, leader.” ”

“Ye Zao followed Cen Shaoqing’s footsteps and continued, “Cen Shaoqing, when did you become like this?” ”

“Like what?”Cen Shaoqing asked in a low tone.

“Ye Zao said, “I remember that you used to be a very serious and serious person. How Come You Can Say Anything Now?”Just... .. It didn’t seem like Cen Shaoqing. ”

“Cen Shaoqing turned to look at ye Zao and said word by word, “Haven’t you heard of a saying?” ”

“What saying?”Ye Zao asked.

“CEN Shaoqing continued, “Love makes people improve.” ”

“In the past, he was indeed pure-hearted and didn’t want to think about anything. When he saw the lovers hugging each other on the street, he still didn’t understand. ”

He even questioned the existence of love.

But now...

He wished he could just put ye Zao directly into his pocket.

“Perhaps, this was the power of love. ”

“Ye Zao smiled and said, “You’ve also become quite glib. I didn’t expect you to be like this, Mr. Cen.” ”

“”I also didn’t expect you to be like this, Miss Ye,”Cen Shaoqing said. ”

“What’s wrong with me?”Ye Zao asked with some confusion.

“Cen Shaoqing lowered his voice and said, “Before I became your boyfriend, I didn’t expect you to be so soft and sweet.” ”

Perhaps the single dog who was not in a relationship could not understand Cen Shaoqing’s words.

Some things had to be experienced personally before they could be empathized.

“Ye Zhuo raised his eyebrows slightly and continued, “Of course, why don’t you take a look at who I am, Father?” ”

“Why do you always want to be my father?”This made CEN Shaoqing somewhat unable to understand.

“Ye Zhuo continued, “I have a secret that I’ve been hiding from you for a long time. Call Me ‘father’and I’ll tell you.” ”

“What secret?”Cen Shaoqing asked.

“”Call me ‘father’first,”ye Zhuo said. ”

Cen Shaoqing hesitated for a moment.

“Ye Zhuo began to count down to three. “There’s no time to lose. Mr. Cen, you have to consider it carefully.” ”

“Just as ye Zao was about to count down to one, Cen Shaoqing broke through the barrier in his heart and called out, “Father.” ”

Ye Zao chuckled softly.

“CEN Shaoqing continued, “Can you tell me now?” ”

He was a little curious as to what secret ye Zao had kept from him for a long time.

““Come closer,”ye Zao said. ”

Cen Shaoqing leaned forward slightly.

“Ye Zao said calmly, “You’re not my biological son.” ”

? ? ? ?

“Cen Shaoqing was stunned for a moment. When he saw that ye Zao was laughing so hard that he could not straighten his back, he finally realized that this person was trying to trick him. ”

Cen Shaoqing reached out his hand to grab ye Zao’s wrist. Ye Zao lifted his leg and ran away.

The noon sun shone on the two of them.

It was peaceful and quiet.

“Time passed very quickly. In the blink of an eye, it was the third day of the Lunar New Year. ”

“Thinking that Earth was too far away from the s galaxy, Lin Ze had to make some preparations after bringing his destination, so he prepared to set off on the third day of the Lunar New Year. ”

Accompanying him were ye Zhuo and Cen Shaoqing.

“Originally, ye Zhuo had planned to invite some good friends to attend Lin Ze’s wedding. Otherwise, the wedding would be too quiet. ”

“However, Lin Ze rejected such a proposal. He didn’t want to use his sister’s connections to support him. ”

“On the seventh day of the Lunar New Year, the interstellar shuttle successfully arrived at the s galaxy. ”

The eighth day of the Lunar New Year was the day of the wedding.

“Lin Ze did not have many friends in the s galaxy, so not many people came to attend his wedding. ”

Other Than Ye Han and Shi Qingcheng.

“However, Lin Ze did not care about these things. He wore a festive bridegroom’s robe and accompanied by ye Zhuo and Cen Shaoqing, he came to the Bai family to pick up the bride. ”

There were quite a number of relatives in the Bai family.

“However, they were all here to watch the show. ”

Grandfather Bai’s favorite granddaughter had married an earthling. Wouldn’t this be the biggest joke?

Bai Jingshu wore a pure white wedding dress and sat in front of the bed. The corners of her lips curled up slightly as she waited for Lin Ze to come and pick her up.

Bai Mo stood opposite Bai Jingshu. The corners of his lips also curled up slightly. He had finally let her see this day.

“From today onwards, Bai Jingshu would be like Lin Ze. From now on, she would only be a lowly earthling.”

“Bai Sanfeng also came to attend the wedding. She had imagined sending Bai Jingshu off to get married countless times, but she had never imagined that it would be this scene.”

“”Jingshu.” Bai Sanfeng walked in front of Bai Jingshu. “From the moment a woman is born, she only has two chances to change her appearance. Getting married is the last time. If you regret it now, I can make the decision for you.” ”
