“Chapter 2351: 490: Green Tea, she regretted it”

“For a woman, there were two opportunities in life. One was to use knowledge to change her fate and improve her self-worth when she was young. ”

“Obviously, Bai Jingshu had missed the opportunity to use knowledge to change her fate and improve her self-worth. ”

The other time was to get married.

“As husband and wife, marrying the right person was equivalent to rebirth. ”

Bai Jingshu had already missed out on one chance. This was her last.

“Bai Sanfeng hoped that Bai Jingshu would wake up in time and not make the same mistake again and again, falling into the abyss of Hell. ”

“Moreover, Bai Jingshu was too naive. She could not win against those sinister and cunning earthlings. ”

“As long as Bai Jingshu spoke, Bai Sanfeng would reach out and pull her back. ”

Who asked her to be Bai Jingshu’s great-aunt!

“Bai Jingshu raised her head and looked at Bai Sanfeng with a determined gaze. She enunciated each word clearly, “Great-aunt, don’t worry. I will definitely not regret marrying Lin Ze.” ”

Yes.

She would definitely not regret it.

She would never regret it.

“Hearing this, the hope on Bai Sanfeng’s face gradually faded.”

She did not expect Bai Jingshu to be so stubborn.

“It was already so late, yet she was still so determined.”

“”Alright, since this is your choice, I won’t say anything more.” Bai Sanfeng looked at Bai Jingshu and tried to suppress the anger in her heart, “Jingshu, you should take care of yourself in the future. Even if you encounter any unfair treatment, don’t go back to your parents’ house and complain.” ”

Because this was Bai Jingshu’s own choice.

“As an adult, Bai Jingshu should be responsible for her own choices.”

“She had said all kinds of nice things, but Bai Jingshu just wouldn’t listen to her. What else could she do?  
”

“”Mm.” Bai Jingshu nodded. “Don’t worry, Great Aunt. I won’t cause you any trouble.” ”

Bai Sanfeng was a little angry when she saw Bai Jingshu acting like a dead pig that wasn’t afraid of boiling water.

“But at this moment, even if she was angry, she could only endure it.”

“Bai Mo stood at the side, his eyes full of sarcasm.”

“Bai Jingshu was really stupid. She actually wanted to marry that earthling, Lin Ze.”

Was it because Lin ze was ye Zao's older brother?

So what if he was ye Zao's older brother?

“Other Than Ye Han and Shi Qingcheng attending today's wedding banquet, no other big shots had come. This was enough to show Lin Ze's position in the S Galaxy, and it also meant that ye Zao did not treat Lin Ze as his older brother at all, if ye Zao really treated Lin Ze as a big brother, he would definitely invite his own friends.”

One had to know that ye Zao's friends were all big shots.

“He was not Bai Jingshu. Back then, he did not choose Lin Ze because of Lin Ze's looks.”

“Most importantly, Lin Ze did not like Bai Jingshu at all. Lin Ze chose Bai Jingshu purely because she was Bai Jingshu's sister.”

The poor Bai Jingshu thought that Lin Ze loved her very much.

“Little did she know that in Lin Ze's eyes, she was just a clown.”

“The more Bai Mo thought about it, the more pleased she became. She walked up to Bai Jingshu and acted like a good sister. She said gently, “SIS, I hope that you'll be happy and that you'll be with brother-in-law forever.” ”

Bai Jingshu raised her head slightly. “I also hope that you'll meet the right person soon.”

““Thank you.” Bai Mo's eyes were slightly red as he held Bai Jingshu's hand with both hands. “SIS, I really can't bear to part with you...” ”

“Bai Jingshu could see the acting on Bai Mo’s face. However, today was a big day for her and Lin Ze, so she did not want to expose Bai Mo directly. She smiled and said, “Momo, don’t be like this. I’ll come back to visit you often in the future.” ”

“Okay.” Bai Mo wiped his tears.

Bai Yuanyuan was naturally present at such occasions.

“The smile on Bai Yuanyuan’s face could not be hidden. She walked past the onlookers and arrived in front of Bai Jingshu, “Sister Jingshu, you’re going to Earth in the future. Don’t forget about us sisters. Remember what you said. Come back to visit us often.” ”

“Although she said that, Bai Yuanyuan secretly wished that Bai Jingshu would never come back. It would be best if she died on Earth. ”

“Okay.” Bai Jingshu nodded.

Bai Yuanyuan also imitated Bai Mo and hugged Bai Jingshu to express her reluctance to part with her.

The guests at the side were talking and laughing.

They only had one theme.

And that was that Bai Jingshu was too stupid.

“If she wasn’t stupid, who would marry a low-level earthling who had nothing. ”

“”Jingshu is so pretty. I thought she would marry some big shot, but it turns out she’s married to an Earthling.” ”

“The last time I introduced her to that kid from the Li family, she complained that she didn’t have anything in common with him. Everything was just an excuse. She just complained that that kid from the Li family wasn’t tall, but no matter how short he was, he was still better than an earthling! “I don’t know what she was thinking!” ”

Chapter 2352: 490: Green Tea. She regretted it

“Actually, this matter has a lot to do with the old man. If the old man had tried to persuade her, she wouldn’t have ended up like this.” ”

“Just wait and see. There will be a day when she regrets it!”

“The two sisters of the Bai family are interesting. Both of them have fallen in love with the same man!”

“What do you mean by both of them have fallen in love with the same man? Bai Mo didn’t fall in love with Lin Ze from the beginning to the end. I heard that when Mr. Ye introduced ye Han to Bai Mo, Bai Mo rejected Lin Ze!” ”

“In that case, Bai Mo is still smart and didn’t fall for the Scumbag’s trick.” ”

“...”

“The discussion rose and fell. Although it was deliberately suppressed, it could still be heard.”

“These voices entered elder Bai’s ears from every angle. Elder Bai didn’t get angry and just stood there, looking at Bai Jingshu who was sitting in front of the bed. His eyes were slightly red.”

Time seemed to have returned to 20 years ago in an instant.

“At that time, Bai Jingshu was still a palm-sized baby.”

Tiny.

“In the blink of an eye, that tiny baby from back then had already put on a pure white wedding dress and was about to enter the hall of marriage.”

“For a moment, old master Bai felt a myriad of emotions.”

Today was Bai Jingshu’s wedding day.

“She clearly had parents, but she was like an orphan without parents. Even on her wedding day, her parents didn’t come to send her off.”

“This child had never enjoyed the love of a father and mother since she was young. She was also very stubborn. If he had not protected her, she might have died a long time ago.”

““Jingshu,” Old Master Bai continued.”

“Grandfather.” Bai Jingshu raised her head to look at Old Master Bai.

“Old Master Bai said, “From now on, you will be someone else’s wife, daughter-in-law, and also the child’s mother. Your life will no longer be a single role. Grandfather Wishes You Happiness!” ”

““Thank you, grandfather.” Bai Jingshu’s eyes were also slightly red.”

The person she was most worried about was old master Bai.

“All these years, she had been traveling around the world, researching ancient cultures, and had neglected old master Bai. However, Old Master Bai’s health was not very good.”

“Silly child.” Old Master Bai placed his hand on Bai Jingshu’s head. “When you arrive at the in-laws’ house, remember to be filial to them. You must not let them find fault with our family...” ”

His mother should be the one to say these words to his daughter.

“Now, it could only be said by his grandfather. ”

“I know.” Bai Jingshu nodded.

Bai Sanfeng looked at the grandfather and granddaughter and shook her head helplessly.

She didn’t understand Old Master Bai’s decision.

“There were all kinds of medicine in this world, but there was no medicine for regret. ”

“Before long, hurried footsteps came from outside the door. ”

“Old Master! Old Master!”

Old Master Bai instantly reacted. He wiped his tears and looked up. “What’s Wrong?”

“Someone from the, the Shangguan family came!” The Butler looked at Old Master Bai and said. ”

Someone from the Shangguan family came?

This sentence stunned old master Bai.

Which Shangguan Family?

The guests who were watching the show were also stunned.

“In the s galaxy, there were no high-ranking nobles with the surname Shangguan. ”

The only one who could be called a noble was the Shangguan family of the F galaxy.

But would the Shangguan family of the F galaxy come to congratulate the Bai Family?

It was impossible!

“The Shangguan family was the number one family in the F galaxy, and people would flock to them. How could such a family condescend to congratulate the Bai family. ”

It was simply a fantasy.

“After a moment, master bai reacted, “Which Shangguan Family?” ”

“The butler wiped the sweat off his face and replied, “It’s the Shangguan family from the F Galaxy.” ”

The Shangguan family from the F Galaxy?

“This sentence was like a deep-water bomb, causing everyone to be at a loss. ”

The Shangguan family from the F Galaxy would come to congratulate the Bai Family?

Congratulate Bai Jingshu on marrying an Earthling?

How could this be possible!

It was simply impossible!

“Old Master Bai also felt that it was somewhat impossible. He looked up at the butler and said, “Quickly bring me to take a look.” ”

The housekeeper nodded. “She’s in the front hall. Old Lady Shangguan came personally.”

Old Lady Shangguan came personally?

That was even more impossible!

Who Was Old Lady Shangguan?

“She had lived in seclusion for many years, and the Bai family had nothing to do with her. How could she have come personally! ”

“Old Master Bai followed the Shangguan family’s footsteps, feeling a little puzzled and curious. ”

Who exactly was this old Lady Shangguan?

“It wasn’t just old master Bai who was curious, but also the guests who were watching the show. ”

Everyone followed Old Master Bai to the front hall.

“When they arrived at the front hall, they saw a white-haired, spirited old lady sitting on the sofa. ”

Chapter 2353: 490: Green Tea. She regretted it

The old lady was wearing a burgundy embroidered cheongsam and held a dragon-headed walking stick in her hand. She looked very dignified.

This scene stunned old master Bai and he rubbed his eyes in disbelief.

This...

This was really old lady Shangguan!

“Although Old Lady Shangguan had lived in seclusion for many years, the myths about her still circulated in the room.”

The story of the Shangguan family was similar to that of the female generals of the Yang family.

“Back then, there was a riot in the F galaxy. All the men of the Shangguan family had died on the battlefield and their bodies had been wrapped up in a coffin. However, the Shangguan family did not give up. When the men died in battle, the women would replace them.”

“If not for the Shangguan family back then, there would be no peace in the F Galaxy Now. Therefore, the Shangguan family had a supreme position in the F galaxy.”

Old Lady Shangguan had a grandson.

“Unfortunately, he died young...”

“Although he recognized that it was Old Lady Shangguan, Old Man Bai still couldn’t believe his eyes.”

Why did Old Lady Shangguan come?

The guests who were watching the show couldn't stay calm anymore and started to discuss.

"Bai Jingshu was beautiful. Perhaps a junior in the family had taken a liking to her, but he was too embarrassed to ask, so he begged Old Lady Shangguan to come."

"Before old master Bai could react, Old Lady Shangguan stood up from her chair and said, "Old Master Bai, it's too abrupt to pay a visit without permission!" "

"Old Master Bai immediately said, "You must be joking, Old Lady. It's my honor to have you come to my humble abode. Please take a seat!" "

"Old Lady Shangguan smiled and said, "I'm here today to give a betrothal gift to the heir of the Shangguan family." "

Betrothal gift?

The heir of the Shangguan Family?

Which granddaughter of the Bai family did Old Lady Shangguan Fancy?

"Also, who was the heir of the Shangguan Family?"

"During this period of time, there had indeed been rumors about the heir of the Shangguan family in the galaxy, but no one knew who the real heir of the Shangguan family was."

"When these words were said, everyone looked at each other, stunned. Even Old Master Bai was at a loss."

"In the crowd, Bai Mo's heart was beating fast."

Could it be that Old Lady Shangguan was here for her?

She had just met a young man with the surname Shangguan at a cocktail party a few days ago.

“Although the other party was just an ordinary waiter, Bai Mo subconsciously felt that the surname Shangguan was not simple, so she chatted with him a little more and even exchanged contact information.”

Could it be...

It really be her?

“After all, the Bai family only had a few granddaughters of marriageable age.”

“Her, Bai Yuanyuan, and Bai Jingshu.”

Bai Yuanyuan did not have much of a brain and looked just like that. It was impossible for her to be taken in by the heir of the Shangguan family.

“As for Bai Jingshu, it was even more impossible. After all, Bai Jingshu was already married.”

“Then, the only possibility was because of her.”

“The more Bai Mo thought about it, the more excited he became, and his heart beat faster and faster.”

One beat after another.

“That was the Shangguan family. If she could marry the future heir of the Shangguan family, she would be able to wake up from her dream with a smile.”

“Seeing Bai Mo’s strange behavior, Bai Yuanyuan gently tugged on Bai Mo’s sleeve and swallowed. “Mo Mo, could it be that the person that Old Lady Shangguan is talking about is you?” ”

“Bai Mo did not directly answer Bai Yuanyuan’s question. Instead, he answered indirectly, “I have indeed met someone surnamed Shangguan recently.” ”

“Really?” Bai Yuanyuan asked excitedly.

“Yes.” Bai Mo nodded.

“Bai Yuanyuan asked again, “Where did you meet? When did this happen? How come I don’t know?” She was really too curious and envious. How could Bai Mo’s luck be so good that he could meet noblemen everywhere! ”

“Bai Mo lowered his voice and said, “I can’t explain the details in just a few words. Don’t worry, let’s take a look. What if Old Lady Shangguan isn’t here to find me?” ”

“How could she not be!” Bai Yuanyuan continued, “Besides you, who else here knows Shangguan? Old Lady Shangguan already said that she’s here to give the betrothal gifts to the heir! Old Lady Shangguan must have come for you! Mo Mo, why do you think your life is so good!” ”

Bai Mo tried hard to suppress the excitement in her heart. “Let’s take a look first.”

“Old Master Bai was stunned for a moment before he continued, “I wonder which of my granddaughters caught old lady’s eye?” ”

The guests at the side were also very excited. They wanted to know whether it was Bai Mo or Bai Yuanyuan.

Some people had even started to play the game.

“Most people chose Bai Mo. after all, compared to Bai Yuan Yuan, Bai Mo looked better. ”

Chapter 2354: 490: Green Tea

Bai Yuanyuan was like a foil to Bai Mo. .

“Are you so sure it’s Bai Mo? What if it’s Bai Jingshu?” Someone said in a low voice.

“Bai Jingshu? Are You Dreaming? Who in the S Galaxy doesn’t know that Bai Jingshu is marrying an Earthling?”

Master Bai was waiting for Old Lady Shangguan’s answer.

“Old Lady Shangguan smiled and said, “It’s your eldest granddaughter, Bai Jingshu.” ”

Bai Jingshu!

It was actually Bai Jingshu!

“As soon as she said this, the air instantly quieted down. ”

How could it be Bai Jingshu?

Bai Mo’s eyes widened as she stared at Old Lady Shangguan in disbelief.

She couldn’t figure out why this person was Bai Jingshu?

What right did she have to be Bai Jingshu?

“Bai Mo clenched his fists tightly. Because he had used too much strength, his knuckles had turned slightly white.”

Why was it always like this!

“Ever since she was young, no matter what happened, Bai Jingshu would always come and interfere.”

“It was like this in the past, and it was still like this now.”

Fortunately.

“Fortunately, Bai Jingshu had already met Lin Ze.”

“With Bai Jingshu’s personality, she would never compromise with Old Lady Shangguan. After all, in the eyes of this idiot, Bai Jingshu, only Lin Ze was her true love.”

“Otherwise, she wouldn’t have fallen out with the Zhou family back then.”

“Thinking of this, Bai Mo’s mood slightly improved.”

“Old Master Bai was also stunned. He turned to look at Old Lady Shangguan and said with some embarrassment, “Old lady, it’s really unfortunate. Jingshu has already been married to someone. Today is the day they get married...” ”

“Old Lady Shangguan smiled and interrupted old master Bai’s unfinished words. She continued, “May I ask if the person eldest Miss Bai is going to marry is Lin Ze?” ”

“Yes.” Old Master Bai nodded.

“Old Lady Shangguan continued, “That’s right. The heir of our Shangguan family is Lin Ze. “My betrothal gift is for Ah Ze, and so is Ah Ze’s child. He’s about to get married, but he didn’t inform me of such an important matter and neglected Miss Bai. I’m really sorry!” ”

The decision to appoint Lin Ze as the heir of the Shangguan family was not old lady Shangguan’s willful decision.

She thought about it for a long time.

“In the end, she felt that Lin Ze was the most suitable.”

“Although Lin Ze was born on Earth, his ability was not inferior to anyone born in the F Galaxy.”

“Most importantly, Lin Ze had saved her, and Lin Ze looked like her grandson.”

The old lady had always felt that Lin Ze was sent by God to save the Shangguan family.

“After thinking about it, the old lady announced the news within the family.”

Lin Ze was the heir of the Shangguan Family

What was going on?

“Hearing this, everyone was stunned.”

Especially Bai Mo..

Her hands and feet were cold and her face was pale.

She had not expected Lin Ze to be the heir of the Shangguan family.

How could Lin Ze be the heir of the Shangguan Family?

Wrong!

Wrong!

There must be a mistake!

“At this moment, Bai Mo’s hands were shaking and her body was cold.”

“Bai Yuanyuan also felt that it was a little unbelievable, holding Bai Mo’s hand, she said, “Mo Mo, don’t be anxious. I think they must have made a mistake. It’s just that they have the same name and surname. Lin Ze is an earthling. How can he be worthy of being the heir of the Shangguan Family?” ”

“In this world, there were many people with the same name and surname. After all, Old Lady Shangguan was old, so it was very normal to mix them up.”

“Old Master Bai also felt that Old Lady Shangguan had made a mistake. Just as he was about to say something, the sound of firecrackers suddenly came from outside the door.”

It was Lin Ze!

“Old Lady Shangguan smiled and said, “Is the groom here to pick up the bride?” ”

“I think so.” Old Master Bai nodded.

Old Lady Shangguan immediately walked out.

Old Master Bai followed Old Lady Shangguan’s footsteps.

“When the two of them came outside, it was indeed Lin Ze in wedding clothes. ”

“Ah Ze!” Old Lady Shangguan immediately went up to greet him.

“When he saw Old Lady Shangguan, Lin Ze was also stunned. “Grandma, Why are you here?” ”

“Old Lady Shangguan rebuked, “You Child, why didn’t you tell Grandma about such a big wedding?” ”

Lin Ze didn’t tell Old Lady Shangguan because he knew Old Lady Shangguan’s personality.

But he didn’t expect Old Lady Shangguan to still come.

“Seeing the interaction between the two, everyone, including Bai Mo, was completely dumbfounded. ”

No one had expected that the Lin Ze that Old Lady Shangguan was talking about was actually this Lin Ze.

What was going on?

How did Lin Ze suddenly become the heir of the Shangguan Family?

“Bai Mo’s face, which had finally calmed down, was now as white as a sheet of paper, and she was extremely uncomfortable. ”

What was this?

What was this?

Why had no one ever told her that Lin Ze was the heir to the Shangguan Family?

“If she had known this would happen, she would never have rejected Lin ze! ”

What should she do now?

“Lin Ze was the heir to the Shangguan family, so Bai Jingshu was the future mistress of the Shangguan Family? ”

What was she?

The position of mistress of the Shangguan family should belong to her!

No Way!

She was not willing. She was not willing to let her position be snatched away by Bai Jingshu!

Bai Mo’s eyes were filled with regret.

“Bai Jingshu, that B \* Tch! ”

“All of this was her scheme. She knew that Lin Ze’s identity was not ordinary, so she deliberately approached him and snatched him away from her! ”

How could there be such a shameless person in the world!

No wonder!

No wonder Bai Jingshu was determined to marry Lin Ze.

So that was the reason.

How could she be so foolish as to make Bai Jingshu's wedding dress.

"Bai Mo was so regretful that her intestines were turning green. She had always thought that she was smarter than Bai Jingshu, but it turned out that Bai Jingshu was the one who was the most scheming."

"Compared to Bai Jingshu, she was nothing?"

Bai Mo wished that he could kill Bai Jingshu right away.

"Bai Yuanyuan, who was beside her, also felt that everything was unbelievable. If Bai Mo had dated Lin Ze directly back then, wouldn't the person who married Lin Ze now be Bai Mo?"

Bai Mo had picked up a sesame seed and lost a watermelon!

"However, Bai Mo couldn't be blamed for this. Who would have thought that the heir of the Shangguan family, who had been spreading rumors, was actually Lin Ze."

"Mo Mo, don't worry," Bai Yuanyuan comforted her in a low voice. "Lin Ze doesn't really like Bai Jingshu at all. The first person he met was you, and the person he liked was also you. There are so many things happening in this world every day. Even if he gets married, he can still get a divorce! "Moreover, you two are a couple!" "

"In Bai Yuanyuan's opinion, Bai Mo and Lin Ze were originally a couple. If it weren't for Bai Jingshu's interference, the two of them would not have separated."

"In terms of a mistress, Bai Jingshu was the real mistress."

"Hearing Bai Yuanyuan's words, Bai Mo felt a little better."

That's right.

Lin Ze liked her. So what if Bai Jingshu married Lin ze now?

“As long as she said she was willing to marry him, Lin Ze would immediately turn back. By then, Bai Jingshu would be the next abandoned wife.”

Bai Mo puffed out her chest and walked forward. “Mr. Lin is here. Sister has been waiting inside for a long time.”

Lin Ze nodded and walked inside.

Bai Mo looked at Lin Ze's back in disbelief.

“How could Lin Ze's back be so calm? Logically speaking, Lin Ze should have noticed that she had changed her address.”

“Previously, she had been calling Lin ze brother-in-law to make him give up. Now, she was calling him Mr. Lin to let Lin Ze know that she had changed her mind.”

But Lin Ze did not seem to have any reaction.

Bai Mo narrowed her eyes. She did not feel good.

She should not have

Chapter 2355: 491: it's too late for the dregs to regret! 1

She shouldn't have been in such a passive position.

She and Lin Ze should be a couple!

"But now, Lin Ze directly ignored her."

That's right.

"From Lin Ze's point of view, what he did seemed right. After all, it was her fault, and Lin Ze should have blamed her. If she hadn't rejected Lin Ze in the beginning, Lin Ze wouldn't have become like this."

Lin Ze was taking revenge on her.

"Bai Mo bit her lip and didn't say anything. She just looked at Lin Ze's back, her eyes filled with regret. She regretted why she had rejected Lin Ze in the first place, and even more regretted pushing Bai Jingshu to Lin Ze's side."

The surrounding guests who were watching the show didn't expect that Lin Ze would actually be the chosen successor of Old Lady Shangguan.

The expression in their eyes became very complicated at this moment.

"Shock, disbelief..."

"Old Lady Shangguan smiled at Old Master Bai, then she said, "Old Master Bai, from now on, we are in-laws. Ah Ze is the successor of our Shangguan family, and Miss Bai is the future mistress of our Shangguan family. Don't worry, our Shangguan family will not let Miss Bai down in the future!" "

"Grandma?" Lin Ze looked at Old Lady Shangguan. He was about to say something, but was stopped by Old Lady Shangguan, "Ah Ze, I know what you want to tell me. I have made up my mind. You are definitely the heir! Our Shangguan family will depend on you from now on! "I also took advantage of today's Big Day to announce this news to everyone. Some snobs have clearly seen that Lin Ze is the

future head of our F galaxy's Shangguan family! "Anyone who makes things difficult for Lin Ze will be making things difficult for the entire Shangguan family!" "

"When these words were said, the crowd fell silent. "

The Wheel of fortune was really turning!

Who would have thought that a lowly person from Earth could suddenly become the unattainable heir of the Shangguan family.

It was like a dream.

"After saying this, Old Lady Shangguan looked at Cen Shaoqing and Ye Zhuo beside Lin Ze and smiled. "Oh right, this must be Mr. Cen and Miss Ye?" "

Cen Shaoqing nodded politely. "Old Mrs. Shangguan."

"Ye Zao nodded as well. "Hello, Old Mrs. Shangguan." "

"What Old Lady? We're all on the same side!" Old Mrs. Shangguan continued, "You're Ah Ze's sister, and you're Ah Ze's future brother-in-law. The two of you are like my granddaughter and future grandson-in-law. If you don't mind, you can just call me Grandma." "

"Grandma Shangguan," ye Zao said, "Then you don't have to be polite with me. You can just call me by my name." "

Old Lady Shangguan Liked Ye Zao's graciousness. "Then I'll call you Zao Zao just like Ah Ze."

"As soon as she said that, Old Lady Shangguan was about to ask ye Zao if he had a boyfriend. If he didn't, she would introduce one to ye Zao. At that moment, she suddenly remembered that Cen Shaoqing was ye Zao's boyfriend, she quickly stopped what she was about to say. "

“Bai Mo stood at the side with an envious look on her face. If she had not rejected Lin Ze, then she would be the one who came to give Lin ze the betrothal gifts.”

Things did not turn out as she had hoped.

“Okay.”Ye Zao nodded.

“Old Lady Shangguan’s personality was very similar to Old Lady Cen’s. Her good-looking skin was the same, and the interesting ones were one in a million. As long as she was the one she had set her eyes on, she would never change her mind.”

“Ah Ze, let’s not just stand there. Let’s go pick up the bride! The bride must be waiting anxiously!”Old Lady Shangguan continued.”

“Ye Zhuo smiled and said, “Yes, let’s hurry up and pick up sister-in-law.” ”

Only then did the onlookers remember that they were here to attend the wedding. They could not help but turn from watching the excitement to being envious.

They were really envious.

They had thought that Bai Jingshu was a fool who could marry anyone but a lowly earthling.

But now...

Lin Ze had transformed from an ordinary earthling into the dazzling heir of the Shangguan family. The clown was actually them!

How could there be a heaven-chosen daughter like Bai Jingshu in the world? !

Lin Ze walked all the way to Bai Jingshu’s room.

The Bai family's wedding could be said to be extremely deserted.

Bai Jingshu didn't even get a bridesmaid.

That was because Bai Jingshu only married an earthling.

"In the S Galaxy, who would lower themselves to be a bridesmaid for an earthling?"

"She found two classmates in a row, but both of them rejected her."

"Because there were no bridesmaids blocking the way, Lin Ze walked straight into the room."

"Jingshu."

"Well." White Jingshu looked up at Linze, eyes seemed to be full of starlight."

Chapter 2356: 491: it's too late for the dregs to regret! 2

She was wearing a flawless white wedding dress and had exquisite makeup on her face. She smiled beautifully and her beautiful eyes were filled with anticipation. Her entire person was extremely beautiful.

"In a trance, Lin Ze seemed to have returned to the day he first met her."

"In a moment, Lin Ze knelt down on one knee and handed the bouquet to Bai Jingshu. "Jingshu, marry me." "

“As soon as he said this, the crowd immediately erupted in applause.”

“It was a blessing, but it was also awe-inspiring.”

“This awe was, of course, due to Lin Ze’s identity.”

“After all, Lin Ze would be the heir to the Shangguan family in the future.”

“If he did not have this identity, there would definitely not be such warm applause.”

“At this moment, Bai Jingshu was also a little puzzled. She did not understand why there was such a huge difference between the front and back.”

“After all, an hour ago, they were still laughing at her for marrying an earthling. However, in the blink of an eye, they were actually able to bless them and clap. This did not seem right.”

Did Something Happen?

“However, at this moment, there was no time for Bai Jingshu to think too much because words like ‘marry him’ and ‘marry him’ had already sounded in the air.”

“Bai Jingshu looked at Lin Ze, who was kneeling in front of her. She reached out to take the flowers and nodded. “Okay.””

The words ‘give me a kiss’ immediately rang in the air.

“No one knew who was leading the tempo, but in short, the atmosphere was controlled very well. Compared to the cold and cheerless scene just now, Bai Jingshu felt as if she was dreaming.”

What was going on?

She had been sitting in the room the whole time and didn't know that Lin Ze had become the heir of the Shangguan family.

"Just as Bai Jingshu was slightly stunned, Lin Ze lowered his head and kissed Bai Jingshu on the side of her face. "

Bai Jingshu's face instantly turned red.

It was impossible to say that she didn't feel anything in front of so many people.

"Seeing this scene, old master Bai couldn't put on any expression. "

"Bai Sanfeng walked to Old Master Bai's side and comforted him, "Jingshu just got married. It's not like she's not coming back. You Don't have to be so sad." Bai Sanfeng was also filled with emotions. She had never dreamed that.., bai Jingshu had actually met a dead rat by accident. "

"Not only did Bai Jingshu not marry the wrong person, she married the right person! "

"In the s galaxy, who else could marry the future heir of the Shangguan Family? "

"Hearing Bai Sanfeng's words, Bai Jingshu was even more surprised. "

What exactly happened?

Why did even Bai Sanfeng Change?

One had to know that Bai Sanfeng was the one who had just said those harsh words.

It was really too strange!

“The relatives at the side all walked over to comfort old master Bai, and there was even an envious tone in their words.”

“Jingshu really married into a good family! Why doesn’t our Huan Huan have such good fortune!”

““Fourth granduncle, Congratulations!” ”

“Looking at the people surrounding old master Bai and flattering him, Bai Jingshu almost doubted her life.”

Was she really not dreaming?

“At this moment, Old Lady Shangguan walked over, held Bai Jingshu’s hand, and placed it on Lin Ze’s hand. “Jingshu, from now on, you and Ah Ze will be husband and wife. Grandma hopes that the two of you will live in harmony and be together for the rest of your life, hugging each other for three years.” ”

Grandma?

Bai Jingshu was a little puzzled. Didn’t Old Lady Lin already pass away?

Then who was this person who claimed to be Grandma?

“Although she was puzzled, Bai Jingshu did not show it on her face. She smiled and said, “Thank you, Grandma.” ”

““Good Boy.” Old Lady Shangguan nodded in satisfaction and removed the blood bracelet from her wrist onto Bai Jingshu’s hand, “This is the Shangguan family’s heirloom jade bracelet. It has always been passed down to the future mistress of the Shangguan family. Today, I will pass it down to you.” ”

The Shangguan Family?

Could it be the Shangguan family of Galaxy F?

But how did she become the future mistress of the Shangguan Family?

Could she accept this bracelet?

“Thinking of this, Bai Jingshu looked up at Lin Ze. ”

“Lin Ze nodded slightly, indicating for Bai Jingshu to accept it. ”

“Receiving Lin Ze’s gaze, Bai Jingshu immediately thanked him. “Thank you, Grandmother.” ”

“Seeing the blood bracelet on Bai Jingshu’s wrist, everyone’s eyes widened in shock. ”

“Firstly, she had yet to recover from the fact that Lin Ze was the heir to the Shangguan family, and secondly, she could not believe that Bai Jingshu had actually won the favor of old Lady Shangguan just like that. ”

That was the blood bracelet!

It was the heirloom of the Shangguan family.

“Especially Bai Mo, her eyes almost spat fire. ”

That was her bracelet!

The blood bracelet was hers!

Who Was Bai Jingshu?

“If not for her, how could Bai Jingshu have bonded with Lin Ze?”

Chapter 2357: 491: it's too late for the scum to regret! 3

Why would Lin ze want to be with BAI Jingshu just to piss her off?

That damned Bai Jingshu!

Old Lady Shanguan was also an idiot. Couldn't she tell that the person Lin Ze really liked was her?

How could there be such an idiot in this world? !

“Bai Mo bit her lower lip tightly. Because she had used too much force, her lip was already bleeding from the bite.”

It was very painful.

“However, Bai Mo did not react at all, because the anger and regret in her heart had already overshadowed the pain.”

This kind of feeling could only be understood by those who had experienced it.

“Seeing Bai Mo like this, Bai Yuanyuan could not help but say, “Mo Mo, don't worry. The blood bracelet will belong to you sooner or later. Bai Jingshu is nothing. She has no right to snatch it from you!” ”

“Do you think Lin Ze has fallen in love with her already?” At this moment, Bai Mo was also a little worried. After all, Lin Ze had already begun to ignore her. ”

“Bai Jingshu was very good-looking. She had a face, a body, and a figure. Very few men could resist such a woman. ”

“If Lin Ze fell in love with someone else, wouldn’t she be too wronged? ”

“He won’t!” Bai Yuanyuan said firmly. “After all, you were the one who first met Lin Ze. In Lin Ze’s heart, Bai Jingshu is your substitute! How could a substitute like her replace you? Dream On! So, Momo. “You don’t have to worry at all now. Wait until Lin Ze marries Bai Jingshu back and then kick her! “Nothing is more painful than losing her after you get her!” ”

“Love was a very strange existence, and the Order of appearance was also very important. The first to arrive always occupied the most important position, and the second to arrive could only be a substitute! ”

“For example, the current Bai Jingshu. ”

“Despite Bai Jingshu’s current glory, once Lin Ze found out about Bai Mo’s intentions, Bai Jingshu would immediately be dumped by Lin Ze. ”

“But Lin Ze doesn’t even look at me now.” Although Bai Mo didn’t want to admit this, this was reality after all. ”

“Bai Yuanyuan continued, “Mo Mo, are you stupid? ! If you were in Lin Ze’s shoes, would you show reluctance to part with a girl who once rejected you? “Moreover, today is Lin Ze and Bai Jingshu’s wedding. No matter how much he likes you, he will restrain himself!” ”

“Really?” Bai Mo seemed to see Light and hope.

Bai Yuanyuan nodded. “Of course! What you can’t have will always be in turmoil. All men are like that. Don’t Worry!”

“To Lin Ze, Bai Mo was the one who couldn’t get what she wanted.”

“Bai Yuanyuan continued, “Mo Mo, if you become the mistress of the Shangguan family in the future, don’t Forget Me!” ”

“Don’t worry.” Bai Mo nodded.

Bai Yuanyuan hugged Bai Mo’s hand excitedly.

“Sister.”

“At this moment, Bai Jingfei’s voice suddenly appeared in the air.”

Bai Jingshu looked up and saw Bai jingfei panting.

“Jingfei.”

“Bai jingfei wiped the sweat off her forehead and said, “SIS, can I Talk to you alone for a Moment?” ”

Bai Jingshu looked at Lin Ze and nodded. “Okay.”

“After receiving Bai Jingshu’s approval, Bai Jingfei immediately pulled Bai Jingshu to a side room. ”

“In the quiet room, there were only the two sisters. ”

“Bai Jingfei looked at Bai Jingshu. “Sis, you’re really beautiful today.” ”

“”Thank you,” Bai Jingshu said with a smile. ”

“Bai jingfei continued, “SIS, I know that you’ve never liked me as your little sister. Indeed, I’m not a good little sister at all. When I was young, I was always jealous of you. I was jealous that you were prettier than me, smarter than me, and more likable than me... “... “...”thinking back to when she was young., bai Jingfei’s eyes were slightly red. ”

The two sisters fought and laughed along the way.

“Although she wasn’t a very good sister, Bai Jingshu had always been a good sister. ”

“”Sister, I’m sorry.” Bai Jingfei said these three words with some sobs, “You’re going to get married today. Although the brother-in-law you chose isn’t the brother-in-law I like and my ideal brother-in-law, I still want to give you my blessings. I wish the two of you a good marriage for a hundred years and an early child. If he dares to bully you, Tell Me! “If others don’t stand up for you, I, your sister, Will Stand Up for you!” ”

“As a sister, Bai Jingfei knew Bai Jingshu’s personality very well. She also knew that once Bai Jingshu made a decision, she would never go back. ”

It was useless to persuade her.

She could only wish him well.

“Although in the eyes of others, Bai Jingshu was asking for trouble by marrying Lin Ze and lowering her status, Bai Jingfei saw something different. ”

Chapter 2358: 491: it’s too late for regrets! 4

“If Earth was really that bad, Bai Jingshu wouldn’t have liked Earth’s culture so much. If Lin Ze was really that bad, Bai Jingshu wouldn’t have fallen in love with him at all costs. ”

Happiness was something like a fish drinking cold water and knowing its own temperature. It wasn't a symbol of happiness to live in a high-end galaxy.

"Many times, the people of S Galaxy were not as happy as the people on Earth. "

"Thank you, Jingfei." Bai Jingzhu reached out and hugged Bai Jingfei. "The things in the past are all in the past. Moreover, if it weren't for you, I would be a clone now." "

"Although Bai Jingfei was a little willful in the past, she did not do anything unforgivable in the end. "

"From a certain perspective, Bai Jingfei could be considered a qualified younger sister. "

"A moment later, Bai Jingfei released Bai Jingshu and took out a red packet from her bag. She handed it to Bai Jingshu. "I heard that everyone on Earth is interested in this. SIS, take this as my blessing to you." "

The red packet was so thin that it was impossible to tell what was inside.

"Bai Jingshu knew that Bai Jingfei's life in the Bai family was not easy, so she did not want to accept it. She said, "Jingfei, your sister received your wish..." "

"Before Bai Jingshu could finish, Bai Jingfei stuffed the red packet into Bai Jingshu's hand. "This is a blessing. Don't reject it." "

"Bai Jingfei wiped away her tears. "Alright, I should go back! I snuck out today. If they find out, I'll be finished!" "

The Bai family's parents had long severed their ties with Bai Jingshu. They would never allow their children to attend an Earthling's wedding banquet.

"Then you should hurry back!" Bai Jingshu immediately said.

““Okay, I’ll go back first.” Bai Jingfei nodded and turned to walk out of the door. ”

Bai Jingshu followed her footsteps.

“When she arrived at the bedroom, Bai Jingfei did not forget to warn Lin Ze. “Lin Ze, I’m warning you. Don’t bully my sister in the future. Otherwise, I’ll teach you a lesson! The eldest sister of our Bai family is not to be trifled with!” ”

Lin Ze turned to look at Bai Jingshu.

“Bai Jingshu immediately introduced, “This is my second sister, Bai Jingfei.” ”

“Lin Ze nodded and looked at Bai Jingfei. “Don’t worry, second sister. I definitely won’t bully your sister.” ”

““You’d better remember what you said today.” After saying that, Bai Jingfei greeted old master Bai and Bai Sanfeng, then immediately turned around and left. ”

“After Bai Jingfei turned around and left, she realized that something was definitely not right. who was that old lady that she saw in Bai Jingshu’s room just now? ”

Why didn’t she remember that the Bai family had such a relative?

Could it be a relative of the Lin Family?

“Also, when she entered the Bai family, she didn’t hear any jeers from the guests. ”

This was very wrong!

Bai Jingfei was puzzled as she boarded the aircraft.

“As soon as she returned to the Bai family, she saw her parents walking out of the door. They looked a little excited.”

“”Jingfei!”When they saw Bai Jingfei, the Bai family’s parents became even more excited.”

“Especially the Bai family’s mother, Zhou Ying.”

“”What’s wrong, Mom?”Bai Jingfei asked.”

“Zhou Ying continued, “Jingfei, did you just go to your grandfather’s house to visit your sister?” ”

“No!”Bai Jingfei immediately denied it.

“If her parents knew that she secretly went to visit Bai Jingzhu, it would be over!”

“Really?”Zhou Ying asked with a smile.

“Although Zhou Ying was smiling, Bai Jingfei felt a little scared.”

This kind of smile was too abnormal!

“I really didn’t!”Bai Jingfei answered.

“”Look at you, child. If you went, so be it. After all, she is your biological sister and our biological daughter. Do you think we can stop you from visiting her?”Zhou Ying continued, “By the way, when you went, your sister wasn’t angry, right? Did she give you a hard time?” ”

Bai Jingfei looked at Zhou Ying and suddenly couldn’t react.

Why did her mother suddenly become like this?

Something was wrong!

“Your mother is asking you a question! Are You Mute?” Father Bai continued to speak.

“Bai jingfei continued to deny, “Father and mother, I really didn’t go to visit my sister! You have misunderstood!” ”

“Zhou Ying still maintained her smile and continued, “I know you went. Jingfei, don’t worry. Your father and I have already forgiven your sister. Tell us, is your sister angry with you?” ”

“Looking at Zhou Ying like this, Bai Jingfei was a little hesitant. “Dad, Mom, are you really not angry with my sister?” ”

“We’re really not angry! Your father and I are going to send your sister off to her wedding!”

Bai Jingfei’s face was full of confusion. What exactly happened?

Why did her parents suddenly have such a big change?

“Before Bai Jingfei could react, Zhou Ying continued, “Jingfei, quickly tell me, was there a lot of people at the wedding today? Was Old Lady Shangguan also there?” ”

“Who is Old Lady Shangguan?” Bai Jingfei asked.

“”Old Lady Shangguan is of course the head of the Shangguan Family!” Zhou Ying continued, “Did you encounter any unfamiliar faces at your grandfather’s House?” ”

Yes.

The Bai family's parents had already heard about Old Lady Shangguan!

But they were also worried that it was all a lie.

"If Lin Ze really became the heir of the Shangguan family, then their family would be rich!"

"Bai Jingfei thought for a moment. "I don't know, but there is indeed an unfamiliar face." "

"Hearing this, Father Bai was very excited. "Is it an old lady?" "

"Yes." Bai jingfei nodded. "She looks about seventy or eighty years old and is in good spirits. She is holding a walking stick with a dragon head in her hand! She looks somewhat familiar!"

"Then she must be Old Lady Shangguan!" Zhou Ying continued, "Then let's go to the old house!" "

Father Bai nodded. "Let's Go!"

They could not miss Bai Jingzhu's wedding.

Lin Ze's status was different now. They had to suck up to this son-in-law.

Chapter 2359: 492: so that's all there is to it! 1

Zhou Ying and Bai Jiasheng only regret that they didn't curry favor with Lin Ze back then.

“If they had known that Lin Ze would end up like this, they definitely wouldn’t have objected to Bai Jingshu being with Lin Ze.”

“Hopefully, it wasn’t too late.”

“After all, they were still Bai Jingshu’s parents.”

Zhou Ying and Bai Jiasheng immediately rushed to the Bai family’s old residence.

Bai Jingfei looked at the backs of her parents and found it very strange.

What was going on with Bai Jiasheng and Zhou Ying?

Why were they suddenly so concerned about Bai Jingshu’s matter?

Something didn’t seem right!

“At this moment, an excited female voice sounded in the air.”

“Jingfei! Jingfei!”

Bai Jingfei looked up and saw her good friend Zheng Zhizhi running over.

“Zhizhi.”

“Zheng Zhizhi ran all the way to Bai Jingfei’s side. “Jingfei, Congratulations!” ”

“What’s there to congratulate?” Bai Jingfei was confused.

“Stop pretending! The rumors are going crazy!” Zheng Zhizhi held Bai Jingfei’s hand. “I really didn’t expect your sister to be so lucky!”

Bai Jingfei looked at Zheng Zhizhi with a puzzled look. “What exactly happened? Tell me more clearly.”

“You really don’t know?” Zheng Zhizhi looked at Bai Jingfei.

“I don’t know.” Bai Jingfei shook her head.

She was very puzzled now. Why were her parents and Zheng Zhizhi like this.

“It was as if the whole world knew about a piece of news, and she was the only one who didn’t know. ”

“Bai jingfei continued, “Quickly tell me. Just now, my parents were like you. It was strange. They even said that they were going to attend my sister’s wedding and wanted to bless my sister.” ”

““Since you don’t know, then let me tell you!” Zheng zhizhi continued, “Jingfei, your sister is rich! Do you know who she married?” ”

““Earthling, Lin Ze!” Bai Jingfei replied. ”

Zheng Zhizhi shook his head. “Wrong!”

Bai jingfei frowned slightly. “What do you mean? Just tell me directly. Stop guessing riddles with me!”

“Zheng zhizhi continued, “Although Lin Ze looks like an ordinary, plain earthling, he has another identity!” ”

“What identity?” Bai Jingfei was very curious. He was just an earthling. What other identity could he have?

“Zheng Zhizhi narrowed his eyes. “You should know about the matter of the heir of the Shangguan family that caused a commotion a while ago, right?” ”

“Old Lady Shangguan had no children and her only grandchild had passed away unexpectedly. Therefore, she had chosen an heir. ”

“However, what everyone didn’t understand was that she wasn’t from the F galaxy. ”

“Therefore, everyone was guessing if this mysterious heir was from the s galaxy. ”

It was also why Bai Mo was so concerned about an ordinary person with the Shangguan surname in the s galaxy and even exchanged contact information.

“After all, he was the heir of the Shangguan family. If anyone could marry the future heir of the Shangguan family in advance, their future would be limitless! ”

“If Bai Mo could marry the future heir, she might even become the future mistress of the Shangguan family. ”

Bai jingfei nodded. “I know.”

Of course she knew about this.

But what did this have to do with Lin Ze?

“Bai Jingfei was a little speechless and said, “Don’t tell me that this heir is Lin Ze?” ”

Wasn’t this a fantasy?

“Unless Old Lady Shangguan was blind, she wouldn’t choose an Earthling as her heir!”

“Hearing this, zheng zhizhi said excitedly, “You really guessed it right! That brother-in-law of yours is the future heir of the Shangguan Family!” ”

“”Stop joking, this joke isn’t funny at all.” Bai Jingfei didn’t take these words to heart, nor did she take them seriously. ”

Lin Ze was the heir?

How was that possible!

“”It’s true, I’m serious! I’m really not joking with you! Your brother-in-law is really the future heir of the Shangguan family. This was personally said by Old Lady Shangguan at the wedding!” Zheng Zhizhi pulled up the video of the wedding scene, “Look, this is a video recorded by the guests at the scene! Old Lady Shangguan even gave the family heirloom blood bracelet to your sister!” ”

Zheng Zhizhi’s words were filled with envy.

To be able to marry the future heir of the Shangguan family meant that one would have a bright future ahead of them. Who wouldn’t be envious of such a good thing?

Bai Jingfei looked at the wedding video taken at the scene and was stunned.

No wonder!

No wonder her parents had such a huge change. It was because of this.

“However, they had just signed a disconnection agreement with Bai Jingshu. At this moment, would Bai Jingshu still care about them?”

Bai Jingshu's luck was too good. Such a thing could happen to her.

Chapter 2360: 492: so that's all there is to it! 2

"As a younger sister, Bai Jingfei was also very envious of Bai Jingshu."

"Zheng zhizhi continued, "Such a good thing can only happen to your sister. Back then, Ye Han was the first to introduce Lin Ze to Bai Mo, and Bai Mo had a shallow eye for Lin Ze. However, it's not Bai Mo's fault. If I were Bai Mo, I would also look down on Lin Ze, who was only an Earthling back then! Therefore, such things couldn't be envied at all! "There's always something in life, but there's always something in life that can't be forced!" "

"Bai Jingfei was also filled with emotions. "Who says so! Back then, my parents and the others even wanted to sever ties with my sister because of this matter. Now, they must be regretting it to death!" "

The matter of severing ties with Bai Jingzhu back then had caused quite a stir. It could be said that everyone in the galaxy knew about it.

"Zheng zhizhi continued, "I think Bai Mo should be the one who regrets it the most. After all, she was so close to becoming the future mistress of the Shangguan Family!" "

"Without even thinking, it was obvious that Bai Mo must be extremely regretful right now. "

"Bai jingfei nodded. "That's true, but it's useless even if she regrets it now. It's her fault for not cherishing Lin ze properly back then. Lin Ze is now my sister's!" "

"Zheng Zhizhi held Bai Jingfei's arm and continued, "Jingfei, I really admire your sister now. She's practically the chosen one! If I had half her luck, I wouldn't have ended up like this!" "

Bai Jingshu was really lucky!

Everyone was waiting to see her make a fool of herself. They didn't expect that those who were waiting to see her make a fool of themselves would turn into a joke.

“Actually, I still feel that it's quite unreal,” Bai jingfei continued, “Tell me, how did my sister become the future mistress of the Shangguan Family?” ”

“Yes, it was very unreal! ”

“However, Bai Jingfei was also happy for Bai Jingzhu from the bottom of her heart. ”

“Zheng zhizhi continued, “Then from now on, you'll be the sister-in-law of the Shangguan family! Jingfei, I have to hug your thigh properly! I Can't let you run away. You have to bring me to show off and bring me to fly!” ”

“The social circle was different now, and their interactions would also be upgraded. ”

“In the future, the people Bai Jingfei met would be a few levels higher than her. If Zheng Zhizhi continued to follow Bai Jingfei, their interactions would also be upgraded. ”

“Bai jingfei smiled and said, “It's not like you don't know my relationship with my sister. It's as cold as ice.” ”

She did not expect Bai Jingshu's marriage to change her fate.

“After experiencing some things, Bai Jingfei understood many things. ”

“Some things did not belong to you, and you could not snatch them away. It was better to leave it to fate and let nature take its course. ”

“Zheng zhizhi continued, “But she's your sister after all! Between you two sisters, she has to support you.” ”

“Bai Jingfei smiled. “Let nature take its course. Oh right, did you come here to tell me about this?” ”

“Yes.”

On the other side.

Bai Jiacheng and Zhou Ying rushed to the Bai family’s old mansion.

“The door of the old mansion was pasted with the bright word ‘double happiness’, and red ribbons were scattered on the ground. Obviously, the bride had been taken away. ”

“Seeing this scene, Bai Jiacheng was extremely anxious. He immediately ran into the house. “Dad! Dad!” ”

Zhou Ying followed Bai Jiacheng’s footsteps.

“Most of the guests from the Bai family had left, leaving elder Bai alone in the living room. He was sitting there alone, smoking his cigarette. ”

“Bai Jiasheng immediately ran over. “Dad, why are you alone? Where’s Jingshu? Where are the others?” Most importantly, where was his good son-in-law? Where was Lin Ze! ”

Why was Lin Ze gone!

Where did Lin ze go?

Elder Bai looked up at Bai Jiasheng with a mocking look in his eyes. “Does Jingshu still have anything to do with you two? Didn’t you guys disown this daughter a long time ago?”

“Elder Bai had a good reputation throughout his life. He had never done anything wrong in his life, but how did he give birth to such a son? !”

It was his son’s fault for not teaching his father.

It was his fault!

It was all his fault!

“When he heard this, Bai Jiacheng was extremely agitated. “Dad, you can’t say that! No matter what, Jingshu is my daughter! Even if we break her bones, we’re still connected! As long as Jingshu is my daughter, then Lin Ze is my son-in-law!” ”

““That’s right!” Zhou Ying followed up. “Jingshu was born to me after ten months of hard work. We’re mother and daughter, how can we just break up like that?” ”

“Elder Bai slammed the table and stood up, “You were the ones who wanted to break up with Jingshu in the beginning, and now, you’re the ones who shamelessly begged her! Do you think Jingshu is an item? You can throw her away if you want to, and pick her up when you want to! Ask Yourself, do you deserve to be a parent?” ”
