Chapter 2361: 492: so that's all there is to it! 3

He had really done something evil in his previous life. That was why he had such a son and daughter-in-law in this life!

“Zhou Ying looked at elder Bai, “Dad, it’s not right for you to talk like that. There are all parents in the world. which parent doesn’t want their children to be good? The reason why we are like that is for the sake of Jingshu! Isn’t it normal for parents to have a little bit of friction with their children? Why do you have to cling onto this point? Yes, it was our fault to sever our relationship with Jingshu back then, but we have now realized our mistake! Can’t we just admit our mistake and change? Killing people is just a nod of the head. What else do you want? Do you really want our children to be separated?” ”

Zhou Ying’s eyes turned red. She really looked like a good mother.

“If people saw her, they would think that Zhou Ying was a good mother who loved her daughter dearly. What kind of vicious husband was elder Bai to make things difficult for his daughter-in-law online! ”

“Elder Bai was angered by Zhou Ying’s actions and laughed. “Wrong? Now You Know You’re Wrong? If saying you know you’re wrong can solve the problem, then why do you need the Court?” ”

““Dad, then what do you want us to do?” Bai Jiacheng was a little angry, he stood up and said, “Jingshu is my daughter, and I’m her father. Even if we break the sky, she’s still my daughter! The father-daughter relationship between us is not something that you can change with just a word!” ”

“Sometimes, Bai Jiacheng even doubted if he was his biological son! ”

“Other fathers were eager for their sons to cross the line, but his old father had to become a stumbling block on his road to success! ”

And it was the kind of stumbling block that couldn’t be kicked away!

""Do you think that the letter of termination was signed for Nothing?"Elder bai continued, "Also, if outsiders were to find out that you have designs on cloning, do you think you would still be tied to Jingshu? If you don't believe me, you can try! Bai Jiacheng, I'm warning you, if I really provoke your father, I'll do anything!" "

"In the S Galaxy, cloning technology was already very mature, but cloning technology was strictly prohibited here. "

"Once it was discovered that cloning technology had been used for private purposes, the highest penalty could be death! "

"In short, elder Bai would definitely not let the couple, Bai Jiacheng and Zhou Ying, continue to cause trouble for Bai Jingshu! "

"Bai Jingshu had finally made it this far. In the days to come, elder Bai hoped that she would be happy and spend the rest of her life with Lin Ze. "

Bai Jiacheng was stunned when he heard that. He looked at elder Bai in disbelief. "Dad! Are you still my biological father?"

Bai Jiacheng was starting to doubt his life!

How could there be such a father in this world?

"Elder bai continued, "Think about it. Think about it. Do you deserve to be a father? And you, Zhou Ying! Jingshu is the daughter that you've been carrying for ten months. Even if you don't like her, you shouldn't be thinking about cloning!" "

"Zhou Ying didn't say anything. She lowered her head, her eyes filled with regret. "

"If she had known that Bai Jingshu would end up like this, she wouldn't have understood what cloning meant even if she was beaten to death! "

“But now, what was the use of regret? ”

“Zhou Ying looked up at elder Bai, she said sincerely, “Dad, please give us another chance! “I swear that I will be a good mother in the future and protect Jingshu well. I Won’t let her get hurt! “Besides, Jingshu’s in-laws should have a family to support her!” ”

“Bai Jiasheng quickly nodded in agreement. “Zhou Ying is right. Dad, please forgive us this time. I can promise you that there won’t be a next time!” ”

““Have you really regretted it?”Elder Bai looked at the two of them. “Touch your conscience and tell me, have you really not taken a liking to Lin Ze’s identity?” ”

“If it had been the day before Bai Jingshu’s wedding and the two of them had regretted it, he might have given them another chance, but now... ”

They wouldn’t!

The two of them were clearly here for Lin Ze’s identity.

“If Lin Ze was down and out one day, they would definitely be the first to abandon Bai Jingshu and Lin Ze. ”

““No, it really isn’t!”Zhou Ying smiled obsequiously, “Dad, we really know that we were wrong. We want to make it up to Jingshu. We know that we haven’t been good parents all these years. Now that Jingshu is married, please forgive us for once so that she won’t be looked down upon in-laws!” ”

“Get lost!”Old Master Bai pointed at the door.

Bai Jiacheng and Zhou Ying were unwilling to leave.

Chapter 2362: 492: so that’s all there is to it! 4

Elder Bai picked up his walking stick and knocked it hard on the ground. "Are you guys leaving or not? !"

"Dad!" Bai Jiacheng looked at elder Bai. "You're also a parent. Can't you understand our feelings?"

"Elder Bai's face was stern. "If you don't leave, Don't blame me for not remembering the last bit of father-son relationship!" "

"Seeing that old master Bai was about to make a big move, Bai Jiacheng had no choice but to leave with Zhou Ying. "

"If he really provoked old master Bai, he would really do anything. "

"Looking at the backs of Bai Jiacheng and Zhou Ying, Old Master Bai Sighed helplessly. "

"Right now, Bai Jiacheng and Zhou Ying were still a little afraid of him, but how long could he live? "

"Once he left, Bai Jiacheng and Zhou Ying would definitely go look for Bai Jingshu! "

It seemed that some things could be prepared early.

"Thinking of this, elder Bai narrowed his eyes. He absolutely couldn't let Bai Jiacheng and Zhou Ying Drag Bai Jingshu down! "

On the other side.

"Because the return trip from Galaxy S to Earth would take three days, this wedding would only be held in Galaxy S. "

“After three days, Lin Ze and Bai Jingshu would return to Earth and have a new wedding. ”

“After all, Lin Ze and Bai Jingshu had family and friends on Earth. ”

“However, because Old Mrs. Shangguan had just announced Lin Ze’s identity as the heir, the wedding would be held at the Shangguan family home. ”

Old Mrs. Shangguan made preparations in advance and specially brought Lin Jincheng and Ye Shu over.

Lin Ze was also a little surprised to see Lin Jincheng and ye Shu at the Shangguan residence. “Mom and Dad! When did you arrive?”

“Ye Shu smiled and said, “We arrived a long time ago, but your Grandma Shangguan said that she wanted to give you a surprise, so she hasn’t said anything.” ”

“Almost all the relatives of the Shangguan family had come, as well as all the bigwigs from the F galaxy. ”

The scene was very lively.

“First of all, everyone was curious about what the successor that Old Lady Shangguan had chosen looked like. ”

“Second, everyone wanted to see what was so different about this Lin Ze. He was just an earthling, yet he could make Old Lady Shangguan look at him in such a different light. ”

“However, when everyone saw Lin ze leading the bride out, they discussed animatedly and questioned Old Lady Shangguan’s taste. ”

There were many reasons.

“Lin Ze was too young. Other than being handsome, there seemed to be nothing special about him. ”

""This time, old lady has made a mistake. There are so many young and promising candidates in the family, but she chose this one instead!" "

"Aren't those stewards of the Shangguan family going to come out and say a word?"

""Old lady has her eyes on him, so what's the point of the stewards coming out and saying anything? No matter how powerful they are, how can they be more powerful than Old Lady?" "

"Did you notice that this Lin Ze looks a little like Shangguan Yue?"

Shangguan Yue was the grandson of the old lady.

"Hearing this, the crowd instantly exploded. Everyone stared at Lin Ze's face, as if they wanted to see a flower on his face. "

""Don't say it, Lin Ze really looks a little like Shangguan Yue! Sigh, what's the use of us working hard? In the end, we still can't compare to a bag of skin!" "

It was needless to say what made Lin ze the heir of Shangguan!

"In the crowd, a young man who looked about the same age as Lin Ze narrowed his eyes. "

"He had thought that Lin Ze was a powerful person, but it turned out that he was just so-so! "

Just wait and see.

"If Old Lady Shangguan could help Lin ze up with one hand, she could personally pull Lin ze down from his high position. "

“Although Old Mrs. Shangguan was already old, she was not muddle-headed. ”

“If Lin Ze did not do anything after he took over, old Mrs. Shangguan would definitely help him. ”

“At that time, old Mrs. Shangguan would naturally see his good side. ”

“Lin Ze’s appearance was not a bad thing for him, but a good thing. ”

“After all, only the inferior could bring out the superior. ”

It was precisely because of the existence of a person like Lin Ze that Old Lady Lin was able to discover his excellence.

He was now looking forward to Lin Ze taking over the Shangguan family’s matters in the future.

“A moment later, the man turned around and left with a faint smile on his face. ”

“Just as he walked out of the door, he was stopped by a young woman. “Brother Jun. .” ”

Shangguan Jun stopped in his tracks and turned around. “Lianxin.”

“Zhao Lianxin walked over and carefully chose his words, then he said, “Brother Jun, don’t be too sad. Although the position of the successor has been given to someone else by the matriarch, in my heart, you are still the most powerful one. No one can compare to you!” Shangguan Jun was an orphan that Old Lady Shangguan had picked up on the battlefield, he had been raised beside Old Lady Shangguan since he was a child. ”

“He was very outstanding, and because of this, the outside world had been speculating that Shangguan Jun was the heir to the Shangguan family. ”

Who would have thought that Lin Ze would suddenly appear from behind.

“Hearing this, Shangguan jun smiled and said, “Sister Lianxin, what are you saying? I’m not sad at all.” He was actually quite happy, happy that Old Lady Shangguan was finally going to discover his value. ”

“Ah?” Zhao Lianxin was stunned.

“Shangguan Jun patted Zhao Lianxin’s head and said, “What a silly girl! Let’s go and eat something delicious!” ”

“When it came to happy things, of course they had to celebrate. ”

“Zhao Lianxin was a little puzzled. “Brother Jun, what’s wrong with you?” He was clearly frowning in the morning, worried that Lin Ze would come over and target him. He was worried that there would be some internal strife. That was how it was in the afternoon! Was he pretending to be strong? ”

“Shangguan jun smiled and said, “Nothing, I’m just happy. Let’s Go!” ”

“After saying that, Shangguan Jun directly put his arm around Zhao Lianxin’s shoulder and the two of them strode out. ”

Chapter 2363: 493: kneel and beg for forgiveness

Shangguan Jun was quite happy now.

“At first, he was a little anxious. If Lin Ze was a scheming person, how could he continue to stay in the Shangguan family. ”

“Although his surname was Shangguan, he was not related to the Shangguan family in the end. ”

“Once the new heir took over, there were many reasons to kick him out. ”

“After all, he was the new heir’s most advantageous competitor. ”

“Since ancient times, any competitor who posed a threat to the monarch would be silenced. ”

“He did not have the blood of the Shangguan family on him. Even if he was silenced, no one would stand up for him. ”

“But now, he was not worried at all. ”

The most important thing for him now was to wait.

Wait for Lin Ze to officially take over the Shangguan family and wait for Lin Ze to make a mistake.

“At that time, even if he didn’t do anything, someone would naturally compare him to Lin Ze. ”

“When the time came, Lin Ze would naturally be chased out. ”

Lin Ze’s height today would determine how badly he would fall in the future.

“Zhao Lianxin looked at Shangguan Jun and said, “Brother Jun, have you seen Lin Ze?” ”

“Yes.”Shangguan jun nodded.

“How is Lin Ze?”Zhao Lianxin asked.

“She had just arrived and had not gone to the wedding scene to take a look. She had not seen Lin Ze, so she was quite curious about Lin Ze. ”

What kind of person would be selected by the old lady of Shangguan City.

The old lady of Shangguan city was old-fashioned and serious. Even the outstanding Shangguan Jun could hardly get any praise from the old lady.

""Very good," shangguan jun continued, "Otherwise, the old lady would not have taken a fancy to you."
"

"Lin Ze was definitely a good grandson, but he was definitely not a good successor. "

"Zhao Lianxin looked at Shangguan Jun, his eyes full of heartache. He wanted to say something, but he did not know how to say it. "

"Over the years, Shangguan Jun had done a lot for the Shangguan family. He was about to become the successor of the Shangguan family, but who knew... "

"Zhao Lianxin had grown up with Shangguan Jun since they were young. They were childhood sweethearts. Seeing Shangguan Jun like this, Zhao Lianxin's heart really ached. "

Especially when he heard Shangguan Jun say that Lin Ze was very good.

"Shangguan Jun saw through Zhao Lianxin's worries and said with a smile, "Lianxin, I'm really fine. You Don't have to do this. Not only do I feel nothing, I'm actually very happy." "

"Zhao lianxin sighed. "Brother Jun, if you want to cry, just cry. Don't worry, I won't laugh at you." "

"After saying that, Zhao lianxin continued, "Don't be embarrassed. Who's with whom?" "

"Shangguan Jun chuckled. "Lianxin, do you think I'm the kind of person who will force myself?" "

Never.

“Seeing him like this, Zhao Lianxin did not say anything more. He continued, “Brother Jun, are we really going out to eat?” ”

“Yes.” Shangguan jun nodded.

“Zhao Lianxin said hesitantly, “Then, will your grandmother be angry?” ”

“No matter what, today was Lin Ze’s Big Day. ”

And Lin Ze was the successor that Old Lady Shangguan had personally chosen.

“Shangguan jun smiled and said, “Don’t worry, my grandmother doesn’t have time to be angry with us today.” ”

“Old Lady Shangguan was currently busy with Lin Ze’s matters, and Lin Ze had just come to the Shangguan residence. The old lady naturally looked at Lin Ze in every way. ”

“Even if she knew, she would not be angry. ”

“Hearing Shangguan Jun’s words, Zhao Lianxin heaved a sigh of relief and said with a smile, “Alright.” ”

“Alright.”

Shangguan residence.

The wedding process was quickly completed.

Lin Ze held Bai Jingshu’s hand and toasted her from table to table.

“Bai Jingshu was dressed in a wine-red toasting outfit and had exquisite makeup on. Standing among the crowd, she looked especially outstanding and beautiful.”

“Looking at her, the two of them were a perfect couple.”

“Old Lady Shangguan turned to look at Ye Shu, her eyes filled with envy. “Mrs. Lin, you’ve given birth to a good pair of children.” ”

“Her daughter was Miss Ye, who was famous throughout the country of Yue.”

Her son was not inferior either. He was full of talent at such a young age.

Old Lady Shangguan was not a muddle-headed person. There were two reasons why she allowed Lin ze to become the heir of the Shangguan family.

“One was because Lin ze really looked like Shangguan Yue, and two was because Lin ze really had great talent.”

“Old Lady Shangguan believed that when the time came, Lin Ze would definitely be able to make everyone’s eyes light up.”

“If it was just because Lin ze looked like Shangguan Yue, then Lin ze would not be able to take this position. After all, the F galaxy was so big, and there were many people who looked like Shangguan Yue.”

“Ye Shu smiled and said, “Thanks for the old lady’s love. In fact, these two children mainly worked hard on their own. “Speaking of which, it’s also a shame. I only met Jiao Jiao when she was eighteen. As for Ah Ze, he was even later than Jiao Jiao. As a mother, I was a failure. I did not participate in their growth and did not play a guiding role.”Ye Shu had never thought of herself as a qualified mother.”

Chapter 2364: 493: Kneel and beg for forgiveness 2

She had not participated in the growth of Ye Zhuo and Lin Ze.

“Now that she thought about it, she could only feel pity.”

She had been too weak back then.

Old Lady Shangguan was stunned. “What’s going on?”

“Ye Shu continued, “Actually, it’s not a secret. If you want to hear it, I can tell you slowly.” ”

““Okay, then tell me,” Old Lady Shangguan said.”

“Ye Shu nodded. Looking at Lin Ze and Bai Jingshu’s figures, she talked about the past many years ago.”

“When she talked about those things again, there was no hatred in ye Shu’s eyes.”

“Other than regret, she didn’t hate anyone anymore.”

“Besides causing trouble for herself, what else could hate bring?”

“A man lived a lifetime, and the grass and trees grew in an autumn. He was but a white cloud and a gray dog, so there was no need to make things difficult for himself.”

The current ye Shu had already seen through many things and thought through many things.

“After hearing ye Shu’s words, Old Lady Shangguan was also filled with emotion.”

It turned out that everyone had a story hidden in them.

“Old Lady Shangguan continued, “Mother Ah Ze, I think you should have heard about me. I have a grandson, Shangguan Yue, who is the same size as Ah Ze. Coincidentally, he looks very similar to Ah Ze...” ”

“The Shangguan family was full of loyal and ardent people. Unfortunately, they did not even leave behind a descendant. ”

Loyal officials had no descendants!

“At the end of the sentence, Old Lady Shangguan’s eyes were already slightly red. ”

“There were a total of twenty-six people in the Shangguan family. In the end, only she, a lonely old lady, was left. ”

“Ye Shu quickly comforted her, “Old lady, don’t think too much. You Still Have Ah Ze in the future. If you don’t mind, you can treat Ah Ze as your own grandson.” ”

“”Thank you, thank you, mother Ah Ze.”Old Lady Shangguan held ye Shu’s hand tightly. She was so touched that she didn’t know what to say when the words were on the tip of her tongue. ”

“Cen Shaoqing stood beside ye Zao and looked enviously at Lin ze and Bai Jingshu, who were toasting among the guests. “Zao Zao.” ”

“Yes.”Ye Zao raised his eyes slightly.

“When can we be like Ah Ze and the others?”Cen Shaoqing’s thin lips opened slightly.

“It was too easy to be impulsive to attend a wedding. For example, Cen Shaoqing could not wait to drag ye Zao to a wedding right now. ”

"If ye Zao wore a wedding dress, she would definitely be the most beautiful bride in the world."

""Don't worry, there will be such a day."Ye Zao's voice was shallow."

"When will that be?"Cen Shaoqing reached out and hugged her waist. "It's been a month since you graduated!"

They had agreed to get married after graduation.

"Do you think it's that easy to get married? You can get married just because you want to?"Ye Zhuo raised his eyebrows slightly.

""What else do I have to do?"It was Cen Shaoqing's first time getting married and he did not have much experience. "Leader, as long as it's what you say, I'll do it!" "

""You have a lot of things to do, such as proposing. Have you proposed?"Ye Zhuo asked. "

Cen Shaoqing suddenly realized that he hadn't proposed yet. "I'll make the arrangements immediately."

"After saying that, CEN Shaoqing continued, "Will you be able to marry me after proposing?" "

""It depends."Ye Zhuo picked up a dessert and continued, "If you perform well, I'll reluctantly agree. If you perform average, you won't be able to get married in this lifetime." "

""Don't worry, leader. I will definitely give you an unforgettable proposal!" "

"I'll wait and see."Ye Zao raised his eyebrows slightly.

“Seeing ye Zao eat the next dessert, Cen Shaoqing immediately picked up the cup and handed it to Ye Zao’s lips.”

Ye Zao opened his mouth and drank a mouthful. The slightly sweet fruit juice in the acid went down his throat and eased the cloying taste in his mouth.

“Whether he should say it or not, the people in Galaxy F enjoyed it much more than those in Galaxy S.”

“Whether it was desserts or drinks, they were all very delicious.”

“Unlike the s galaxy, which only knew how to drink that kind of nutrient solution that was difficult to swallow all day long.”

“CEN Shaoqing continued, “Leader, shall we hold a western-style wedding or a chinese-style wedding in the future?” ”

“”A chinese-style wedding,”ye Zhuo said.”

“She liked the traditional Phoenix Coronet and bridal gown, and the eight-carried sedan chair.”

“Cen Shaoqing seemed to have seen ye Zhuo wearing the phoenix coronet and bridal gown in front of his eyes. He continued, “I also like the traditional chinese-style wedding. Leader, we are simply a match made in heaven.” ”

“”Mr. Cen, when did your skin become so thick?”Ye Zao turned to look at Cen Shaoqing.”

“”It’s all because the leader is good at teaching,”Cen Shaoqing replied gently.”

“Ye Zao:” ...”good guy, now he has learned to infer three things from one example.”

Time passed very quickly.

“In the blink of an eye, it was time for Bai Jingshu to return home. ”

“After returning home this time, she would return to Earth with Lin Ze for a period of time and hold another wedding. ”

Chapter 2365: 493: Kneel and beg for forgiveness 3

“Although it had only been three short days, Old Master Bai’s heart was empty. It felt as if a century had passed. ”

“He knew that Bai Jingshu had returned home today, so he had been waiting at the door. ”

“At that moment, he heard footsteps outside the door. ”

Old Master Bai’s eyes lit up. He immediately stood up from his chair and walked out to welcome her.

“Grandfather.”

This voice didn’t belong to Bai Jingshu.

Elder Bai looked up and saw that it was Bai Mo..

“Miss Mo.” the smile on elder Bai’s face didn’t change when he saw Bai mo. “Why are you here so early?”

“Bai Mo held a gift in her hand. “I knew that my sister and brother-in-law were returning home today, so I came back early to see them. After my sister goes to Earth this time, I’m afraid she’ll have to wait for a long time before she can come back, right?” ”

Bai Mo’s heart ached as she smiled happily.

“If she hadn’t given Lin ze away, Lin Ze would be hers now, and she would be the one returning home with him. ”

Damn Bai Jingshu.

“What made Bai Mo the most upset was that she couldn’t express her anger directly yet. Instead, she had to smile at Bai Jingshu, the person who had stolen her boyfriend. ”

Elder Bai nodded. “Jingshu has a lot of things to do when she goes back this time. She probably won’t be back for at least half a month.”

““That’s why I have to find some time to spend with my sister,” Bai Mo said. ”

“Elder Bai had always known that Bai Mo had special feelings for Ye Han. He didn’t know that Bai Mo already had other thoughts for Lin Ze, so he didn’t think too much of her words. ”

“In fact, when one grew old, they were quite willing to see the younger generation live in harmony. ”

“Elder bai continued, “Alright! I reckon that your sister and brother-in-law will be arriving soon.” ”

“Okay.” Bai Mo nodded.

On the other side.

“Bai Jiacheng and Zhou Ying were also feeling very uncomfortable. Today was Bai Jingshu’s Day to return home. Under normal circumstances, Bai Jingshu would definitely bring Lin Ze directly to their house, but Bai Jingshu had already severed all ties with them, today, Lin Ze and Bai Jingshu would definitely return to the old mansion. ”

Zhou Ying felt that something was wrong. She turned to look at Bai Jiacheng. “Why don’t we...”

“Before she could finish her sentence, Bai Jiacheng saw through her thoughts. “You mean we should go and stop them on the way?” ”

“They definitely couldn’t go back to the old mansion. After all, the old master wasn’t someone to be trifled with. ”

“If they really angered the old man, he would do anything. ”

“Zhou Ying nodded, “Although your father is unkind, Jingshu is our biological daughter after all. We are their parents. Moreover, Jingshu’s personality is soft. If we sell ourselves out and cry a few times, she will definitely forgive us in front of our son-in-law!” ”

“As a mother, Zhou Ying knew Bai Jingshu too well. ”

“Bai Jingshu’s personality was as soft as mud, and she was especially gullible. When that time came, wouldn’t she be at their mercy? ”

“Hearing this, Bai Jiacheng narrowed his eyes. “Alright, that’s it!” ”

“Other than this method, there was nothing else they could do. ”

Zhou Ying immediately stood up. “I’ll arrange for the Flying Transport.”

“Okay.” Bai Jiacheng nodded. “I’ll go with you.”

“Looking at their backs, Bai Jingfei walked out and frowned slightly. ”

“Bai Jingshu was really unlucky. It was not easy for her to leave her family and marry a good husband. Now, she was being pestered by her parents. ”

No.

She had to send a message to Bai Jingshu. She could not let Bai Jingshu be deceived again.

“With this thought in mind, Bai Jingfei sent a message to Bai Jingshu to remind her to be careful. ”

“However, there was no response from the other end of the communication device. ”

Bai Jingfei was a little anxious. She didn’t know whether Bai Jingshu had received it or not.

“After Zhou Ying lined up the flying devices, she boarded the flying devices with Bai Jiacheng and waited on the way to Bai Jingshu and Lin Ze’s old residence. ”

“Not long after they arrived, they saw Lin Ze and Bai Jingshu’s flying devices. ”

Zhou Ying was very excited. “Look! That’s Jingshu and her son-in-law’s aircraft!”

“This couple was quite a weirdo. They had always treated Lin ze as a lowly person, but now that they knew that Lin Ze was the future heir of the Shangguan family, they called him their son-in-law. They were even closer than their own sons. ”

“Seeing that the aircraft was getting closer and closer, Bai Jiasheng immediately reached out to intercept it. ”

“Inside the aircraft, Lin Ze frowned slightly and turned to look at Bai Jingshu. “The one in front looks like your parents.” ”

“Bai Jingshu walked over, but there was no obvious change on her face.”

“Lin Ze continued, “Let’s just go around it.” ”

Chapter 2366: 493: begging for forgiveness 4

She had nothing to say to such unreasonable parents.

“Bai Jingshu looked at them and said, “Stop.” ”

It was time to clarify some things. Running away was not the way to solve the problem.

Lin Ze was stunned but did not say anything. He controlled the aircraft to stop.

“When they saw the aircraft stop, Bai Jiacheng and Zhou Ying were very excited. The reason the aircraft stopped meant that Bai Jingshu still had their parents in her eyes. If Bai Jingshu really did not want to acknowledge them, there was no need to stop.”

“Jingshu!”

Bai Jiacheng and Zhou Ying immediately trotted over and stopped in front of the aircraft.

Lin Ze opened the cabin door and walked out with Bai Jingshu in his hand.

Bai Jingshu had transformed from a young girl into a young woman. The changes in her body were not small.

Zhou Ying was a little surprised.

“Bai Jingshu continued, “Mr. and Mrs. Bai, ever since we signed the severance agreement that day, there has been no relationship between us. Why are you looking for me today?” ”

Mr. and Mrs. Bai?

“Upon hearing this, Zhou Ying’s eyes instantly turned red. “Jingshu, I’m your biological mother. I was pregnant with you for ten months and brought you up. If it weren’t for me, you wouldn’t be here. Is this how you’re treating me now?” ”

“Bai Jiacheng followed suit, “You were only this little when you were born. It was your mother who raised you one mouthful at a time. You can have nothing but a conscience! “Jingshu, what’s wrong with you now? “Why have you become so cold-blooded and heartless?” ”

““Who is this cold-blooded and heartless person?” Lin Ze stood up and continued, “When you decided to starve Jingshu to death and create clones, didn’t you think of today?” ”

Elder Bai was the one who told Lin ze about the matter of clones.

“If he hadn’t heard it with his own ears, Lin Ze would never have believed that there were cruel parents like Bai Jiacheng and Zhou Ying in this world who could actually do this to their own daughter, they could even come up with such a cruel method like cloning! ”

““Son-in-law, you’ve misunderstood! You’ve really misunderstood!” Bai jiasheng immediately explained, “Things are not what you saw at all! I can explain it to you! All parents in the world have the same heart. Jingshu is our daughter. The two of US love her too much, so how could we push her into the fire pit! “I don’t know where you heard these words, but I can promise you that your mother and I will never do anything to hurt Jingshu! “All of our intentions are for Jingshu’s Good!” ”

“At times like this, of course, they had to clean themselves up. ”

Lin Ze was their son-in-law. The most important thing for them now was to please Lin Ze and get him to acknowledge them.

"After that.., bai jiasheng continued, "Today is the day that Jingshu returns home. How about this, son-in-law, let's take this opportunity to clear up this misunderstanding. I've already prepared tea at home and even prepared a room for you and Jingshu. You can just follow US home." "

"Lin Ze continued, "I know what's going on. Mr. Bai, don't spout nonsense here." "

Lin Ze was not a fool. He could be fooled by Bai Jiasheng's words.

"Seeing Lin ze like this, Bai Jiasheng was a little nervous. "

"Zhou Ying continued, "Jingshu, say something! "Even though mom and dad didn't treat you very well when you were young, do we still hope for you to become a dragon or a Phoenix? "We also love our daughter dearly! "As the saying goes, all parents are alike. You've made so many mistakes since you were young, and mom and dad can forgive you. Now, Mom and dad only made a small mistake. Can't you forgive Mom and Dad?" "

""If second sister hadn't informed grandfather in time, Jingshu wouldn't even be alive right now."Lin Ze hit the nail on the head. "

"The smile on Zhou Ying's face froze on the corner of her mouth, and she looked a little embarrassed. "

"Bai Jiacheng immediately said, "Son-in-law, didn't I already say that it was all a misunderstanding? ! "Actually, we were just joking back then. I didn't expect that this girl, Jingshu, would actually take it seriously! "Isn't it normal to joke around when a family is together?" Bai Jiacheng looked at Bai Jingshu. "Jingshu, say something!" "

""Mr. Bai, what do you want me to say? is all this fake?"Bai Jingshu's expression didn't change at all, "It's already happened. Stop lying to yourself! "I know very well why you've changed so much all of a sudden! "All you can see is that Lin Ze is different from before! "Don't you feel that you're being hypocritical?" "

“At this point.., bai Jingshu continued, “Since you’ve all come here, I might as well make things clear today. From the moment we signed the severance agreement, we have nothing to do with each other anymore! “Please leave some face for each other!” ”

Neither Bai Jiacheng nor Zhou Ying expected Bai Jingshu to have such a reaction. It was unknown when Bai Jingshu had become like this.

“”Jingshu,”Zhou Ying immediately cried out, “Jingshu, you are your father’s eldest daughter and mine. Do you think we can not have you in our hearts? Father and mother were wrong just once. Can’t You Forgive Me?” ”

Chapter 2367: 494: mixed feelings

“Bai Jingshu was the daughter that she carried for ten months. If it weren’t for her, there wouldn’t be Bai Jingshu. ”

“But now, Bai Jingshu was going to sever all ties with her over a small matter. ”

What kind of daughter was this?

Zhou Ying couldn’t accept it.

“If it were in the past, Bai Jingshu might have been moved by this sentence. After all, Zhou Ying was still her mother. But Now? ”

No.

“”Was it just a small mistake?”Bai Jingshu’s face was expressionless, she continued, “If grandfather hadn’t arrived in time, I would already be a clone! Ms. Zhou, I’ve already been very tolerant of you. Please have some self-respect and don’t make everyone look bad.” ”

“After saying this, Bai Jingshu turned to look at Lin Ze. “Let’s go.” ”

“Okay.” Lin Ze nodded slightly. He held Bai Jingshu’s arm and walked into the aircraft.

“Bai Jiacheng and Zhou Ying looked at their backs. For a moment, they did not know how to react. ”

“They thought that Bai Jingshu had a soft personality and was easy to manipulate. Lin Ze was also their new son-in-law, so the two of them would definitely forgive them.”

“However, they did not expect Bai Jingshu to turn out like this! ”

Ingrate!

Bai Jingshu was an ingrate who had no humanity. Even a crow knew how to reciprocate and repay the kindness of her upbringing. Bai Jingshu was simply worse than a crow.

“Bai Jiasheng wanted to curse, but he held back. ”

“Zhou Ying looked like she was about to cry. She turned to look at Bai Jiasheng. “Jiasheng, what should we do now?” ”

““Let’s go back first,” Bai Jiasheng said. ”

Zhou Ying nodded and followed Bai Jiasheng’s footsteps.

On the other side.

At the Bai family’s old residence.

Lin Ze and Bai Jingshu had just alighted from the aircraft when they saw Bai Mo and Old Master Bai standing at the door.

Lin Ze alighted from the aircraft first and held Bai Jingshu's hand as they walked down in a gentlemanly manner.

"When two people like these stood together, it was as if they were as compatible as they could be. Old Master Bai looked at the two of them and the corners of his mouth curled up slightly. His eyes were filled with kindness."

He was very happy that he could personally see Bai Jingshu find someone she could be with for the rest of her life.

"With that, he would be at ease even if he closed his eyes."

"Elder Bai looked down at Bai Mo and said with a smile, "Look at how compatible the two of them are!"

"

Compatible?

Lin Ze and Bai Jingshu were very compatible?

"Hearing this, Bai Mo's heart was about to bleed."

Did elder Bai forget something.

She had met Lin Ze first.

"If Bai Jingshu had not interfered, she would be the one walking with Lin Ze now."

“But now, not only did elder Bai not care about her feelings, he even had to say such things in front of her. ”

“Bai Mo had mixed feelings, but she still nodded with a smile and echoed, “Yes, my sister and brother-in-law are a perfect match.” ”

“As they spoke, Bai Jingshu and Lin Ze had already walked up to elder Bai. ”

“For some reason, Bai Mo had never felt anything when she looked at Lin Ze in the past. But now, as Lin ze got closer and closer to her, her heart was beating faster and faster. ”

This feeling was very strange.

“Bai Mo gulped, and both sides of her face unconsciously turned red. She took a few steps forward and looked up at Lin Ze. ”

“The sunlight shone on the man’s eyes, and it was a little too cold. ”

“No matter which angle one looked at it from, it was a perfect existence. ”

“Bai Mo’s heart was beating faster and faster, and she could hardly breathe. She was very envious of Bai Jingshu. When she thought about how Bai Jingshu would be able to share a bed with Lin Ze in the future, she was extremely jealous. ”

She wished she could scratch Bai Jingshu’s face.

That Damned B * Tch!

Bai Jingshu walked up to elder Bai and smiled. “Grandfather.”

Lin Ze also greeted her. “Grandfather.”

“Elder Bai held their hands and nodded in satisfaction. “Good, good!” ”

“Bai Mo looked up at Bai Jingshu and Lin Ze. “SIS, brother-in-law.” ”

“”Momo.”Bai Jingshu turned to look at Bai Mo. she subconsciously felt that Bai Mo was a little strange today, so she turned to look at Lin Ze. ”

She suddenly remembered something.

Lin Ze had been Momo’s blind date in the beginning.

“Given Momo’s personality, it would definitely be awkward now. If Lin Ze wasn’t the heir of the Shangguan family, it would have been fine. But now, Lin Ze had gone from an ordinary person with nothing to the heir of the Shangguan family, how could Momo accept this? ”

“Elder bai continued, “Jingshu, Ah Ze, let’s go in first.” ”

“Before the marriage, elder Bai had always called Lin Ze Xiao Lin. Now that the two of them had successfully married, elder Bai’s address had changed from Xiao Lin to ah ze. ”

“Okay.”Bai Jingshu nodded.

The few of them walked into the old house.

Chapter 2368: 494: mixed feelings 2

“Although there was no food on Earth in Galaxy S, elder Bai had ordered people to prepare a lot of delicious food because Bai Jingshu liked it and Lin Ze was from Earth.”

“In the past, Bai Mo wouldn’t even look at such low-level food.”

“But now, it was different.”

“For Lin Ze’s sake, even if she didn’t like it, she had to endure the nausea and pretend that she liked it.”

She couldn’t let Lin Ze find out anything.

“She heard that ye Zao liked desserts. Lin Ze was ye Zao’s older brother, so his taste must be similar to ye Zao’s. With that thought in mind, Bai Mo picked up a piece of dessert and tasted it. Then, she looked at Bai Jingshu, “SIS, this piece of dessert tastes really good. Do you want to try it?” ”

Bai Mo knew that Bai Jingshu never ate anything that was too sweet. This sentence was also to create a distance between her and Lin Ze.

Bai Jingshu smiled and shook her head. “I have a fattening body. You Can Eat.”

“”Sister, you’re not afraid. What are you afraid of?” Bai Mo continued.”

Bai Jingshu still shook her head.

“Bai Mo’s eyes hid a smug look. She turned to look at Lin Ze. “Brother-in-law, do you want to try?” ”

“She had thought that Lin Ze would gladly accept it. Unexpectedly, Lin Ze directly rejected her. “Thank you. I don’t really like to eat anything that is too sweet.” ”

Bai Mo was stunned.

Was Lin Ze still holding a grudge against her for what happened in the past?

Bai Mo's eyes were filled with bitterness.

How could Lin Ze forgive her. It had been so long...

Bai Jingshu picked up a grape and handed it to Lin Ze. "Eat this."

"Okay." Lin Ze took the grape, tore off the skin, and passed the sparkling and translucent fruit to Bai Jingshu. "Try it and see if it's sweet." "

"It's very sweet."

"Seeing the two of them like this, Bai Mo felt extremely uncomfortable. "

He was taking revenge on her.

Lin Ze was definitely taking revenge on her!

"Otherwise, Lin Ze would never have been so intimate with Bai Jingshu in front of her. "

He and Bai Jingshu were not in love.

Bai Jingshu was just a substitute for her.

"If she were Bai Jingshu, she would have long found a hole to hide in. It was also because Bai Jingshu did not have good eyesight and could not even see through the act. She really thought that Lin Ze loved her!
"

What a joke!

“With that thought, Bai Mo felt a little better. He raised his head to look at the two of them, his eyes filled with determination.”

Inside the house.

Old Master Bai looked at Bai Jingshu and Lin Ze with a smile on his face. He felt that Bai Jingshu didn't marry the wrong person.

Bai Mo finished a dessert and walked outside. He took a deep breath.

She couldn't admit defeat.

She couldn't admit defeat!

She absolutely couldn't lose to Bai Jingshu.

She wanted to see Bai Jingshu cry with a smile.

“After standing outside for a while, Bai Mo walked back into the house. The sweet smile on her face was still the same as before, “SIS, let's go watch a movie after dinner. There's a new blockbuster movie that's very popular recently. I heard that the plot is pretty good too.” ”

The three of them were going to watch a movie?

Bai Jingshu raised her eyebrows without anyone noticing.

“Without waiting for her to speak, Lin Ze continued, “Your sister and I have already booked the tickets for the movie. If you want to watch it, you can ask third sister to accompany you.” ”

Bai Yuanyuan was the third eldest among the many sisters in the Bai family.

“Now that Lin Ze was together with Bai Jingshu, it was only natural that he and Bai Jingshu would address Bai Yuanyuan as third sister.”

What Lin Ze meant was to directly reject Bai Mo. .

Bai Mo was stunned when she heard this. She looked at Lin Ze with disbelief in her eyes.

She did not expect Lin Ze to reject her proposal.

She had already taken the initiative and regretted her actions. Was Lin Ze not satisfied?

What did Lin Ze want from her?

“Elder bai smiled and said, “Miss Mo, your sister and your brother-in-law just got married. It is indeed inappropriate for you to go with them. How about this? Call Yuanyuan over and ask Yuanyuan to go with you.” ”

Bai Mo nodded. “Okay.”

“Although she was smiling, she had already cursed elder Bai more than a hundred times in her heart. ”

That damned old man!

“Did he even know what first come, first served. ”

She was clearly the one who knew Lin ze first.

“Just because Bai Jingshu stole Lin Ze and married him, elder Bai had always been on Bai Jingshu’s side?”

Bai Mo’s reaction was reflected in Bai Jingshu’s eyes.

It was impossible to say that she didn’t feel uncomfortable at all!

“After all, Bai Mo was her cousin. ”

“Fortunately, Lin Ze knew what was going on. Otherwise, she would have felt uncomfortable to death. ”

It was also fortunate that they would leave Galaxy S after their marriage.

Lin Ze also knew what was on Bai Mo’s mind. He turned to look at Bai Jingshu. “It’s a little stuffy in here. Shall we go out and get some air?”

“Yes.” White Jingshu nodded.

Chapter 2369: 494: mixed emotions

Lin Ze held Bai Jingshu’s hand and the two of them walked out.

“Looking at their backs, Bai Mo’s eyes were terrifyingly vicious, as if they were poisoned. ”

“Regret, anger, jealousy, disgust, all sorts of emotions mixed together, and Bai Mo almost suffocated. ”

No one could understand this feeling!

“Bai Jingshu and Lin Ze went outside together. After taking a few breaths of fresh air, the knot in Bai Jingshu’s heart dissipated quite a bit. ”

“Ah Ze.”

“Mm.” Lin Ze lowered his head to look at Bai Jingshu.

“Bai Jingshu considered her choice of words in her heart before continuing, “Let me ask you a question.” ”

““You ask,” Lin ze said. ”

“Bai Jingshu continued, “You have to answer me seriously. I Won’t lie to You.” ”

“Alright.” Lin Ze nodded.

““If Bai Mo hadn’t rejected you back then, would you have gotten together with her?” Bai Jingshu asked. ”

The reason why she asked this was because she could see the unwillingness in Bai Mo’s eyes.

““No,” Lin ze said without hesitation. “Even if Bai Mo didn’t reject me, I wouldn’t have had any follow-up relationship with her.” ”

This was because Lin ze didn’t have a good impression of Bai Mo from the first time he saw her.

“Eye contact was really important, but even though he didn’t know much about Bai Mo, Lin Ze still didn’t like her. ”

“Why?” Bai Jingshu asked.

“Lin Ze Thought for a moment. “Maybe it’s because of my sixth sense. When I first saw Bai Mo, I felt that she wasn’t suitable for me.” ”

“What about the first time you saw me?” Bai Jingshu looked at Lin Ze. “What was your impression of me then?”

“They had never discussed this question before, so Bai Jingshu was curious. ”

“Lin Ze thought back to their first meeting and smiled. “Yes, I feel that you’re very quiet. You’re very different from others. You’re like a plum tree that doesn’t get stained by the secular world.” ”

“Although his words were a little artistic, these were Lin Ze’s real thoughts. ”

Bai Jingshu was indeed very different from others.

“She was born in the s galaxy, but she loved Earth’s culture. She even had a writer’s vest on Earth, and she was a god who wrote historical facts. ”

“This made Lin ze admire her a lot, because even he, a native of Earth, did not understand Earth’s ancient culture as well as Bai Jingshu did. ”

“Bai Jingshu was like a walking history, using words to recreate the miracle of the past. ”

“Really?” Bai Jingshu was in disbelief.

She did not expect that she would leave such a good impression on Lin Ze.

“Really.” Lin Ze nodded seriously. “What about me? What was your first impression of me?”

“Um...” Bai Jingshu thought about it. “I feel that you’re quite serious and serious. You’re also very handsome, which is in line with my aesthetic standards...” ”

Lin Ze happened to be good at Bai Jingshu’s aesthetic standards.

“No matter how she looked at it, Lin Ze was the best. ”

“Lin Ze’s eyes curved into crescents as he reached out to hold Bai Jingshu’s hand. “Jingshu, thank you.” ”

“A long time ago, Lin Ze had always thought that he would get married later than ye Zao. After all, when ye Zao was dating, he was still single. ”

He had never expected that he would enter the marriage hall so quickly.

This feeling was very wonderful and also very blissful.

“Thank me for what?” Bai Jingshu wrapped her left hand around his waist. “I should be the one thanking you. You’ve made me believe again that love exists in this world.”

“Bai Jingshu was almost fooled by the scumbag. Fortunately, Lin Ze had appeared in time. Moreover, Lin Ze and she shared a common interest. ”

“When the two of them were together, the most important thing was that they shared the same values, interests, and topics. ”

She and Lin Ze were just like that.

“Unknowingly, the two of them had already spoken a lot of heartfelt words. ”

“Bai Mo stood on the other side of the door and looked at the two of them. She held onto the door frame with her left hand. Because she had used too much strength, her nails were deeply embedded in the door frame, and her fingertips were slightly white.”

She felt terrible!

Why?

Why did she have to treat her like this?

“She had never been as good as Bai Jingshu since she was young. It was not easy for her to win against Bai Jingshu in marriage, but now...”

She was still snatched away by Bai Jingshu.

Why was Bai Jingshu so fond of snatching other people’s things?

Why didn’t she feel the slightest bit of shame?

“A moment later, Bai Mo picked up the communicator and sent a message to Bai Yuanyuan.”

Bai Yuanyuan quickly rushed over after receiving the message.

Bai Mo felt a little better when she saw Bai Yuanyuan.

“Bai Yuanyuan called Old Master Bai and walked to Bai Mo’s side. She gently patted Bai Mo’s hand and said in a low voice, “Momo, don’t worry.” ”

“Yes.” Bai Mo nodded.

Chapter 2370: 494: mixed feelings

“At a time like this, what could she do even if she was anxious?”

“Bai Mo looked around and continued, “Where are Lin Ze and the others?” ”

“Over there.”

“Bai Yuanyuan looked in the direction Bai Mo had looked and continued, “Bai Jingshu is really shameless. It’s one thing for her to steal a man, but now she’s openly flaunting her affection in front of you!” ”

How did Lin Ze get together with Bai Jingshu? Did Bai Jingshu not know?

Bai Mo sighed. “It’s my own fault. I shouldn’t have rejected Lin ze back then.”

““Now that things have happened, don’t say things that can’t change reality,” Bai Yuanyuan continued. “You can’t back down now. You’ve already missed out once. This time, you must seize the opportunity!” ”

“Okay.” Bai Mo nodded.

“After that, Bai Mo continued, “I’m afraid that Lin Ze’s heart has been broken.” ”

“After all, she had hurt Lin ze too deeply! ”

“Judging from Lin Ze’s behavior, he was very concerned about what had happened before. ”

“Don’t be afraid.” Bai Yuanyuan patted Bai Mo’s hand. “True love will not be forgotten so easily. Lin Ze is angry with you and giving you a hard time because he still has you in his heart!”

“Really?” Bai Mo’s eyes lit up when he heard Bai Yuanyuan’s words.

“Bai Yuanyuan nodded. “Of course it’s true! Haven’t you heard of a saying? It only takes three minutes to fall in love with someone, but it takes a lifetime to forget someone.” ”

How long had Bai Mo and Lin Ze been together?

How could Lin Ze Forget Bai Mo so quickly?

It was impossible!

“Bai Mo felt that what Bai Yuanyuan said made a lot of sense, and her gloomy mood instantly brightened up. ”

“After all, the reason why Lin Ze ignored her and didn’t give her face was because he liked her and was angry with her. ”

“As long as Lin Ze loved her deeply, he still had a chance. ”

“Bai Yuanyuan looked at Bai Mo., then, she said, “Mo Mo, if I Were You, I wouldn’t be in a hurry to be sad! The one who should be in a hurry should be Bai Jingshu! Who the hell is Bai Jingshu? If I were her, I would quit on my own. Why do I have to be a third wheel here to annoy people?” ”

This person who didn’t have a discerning eye would never have a discerning eye no matter what.

“”Mm.” Bai Momo nodded. “Yuanyuan, you’re absolutely right.” ”

“Bai Yuanyuan continued, “Are we still going to watch the movie?” ”

""I don't think so," Bai Mo said. "

She wasn't interested in the movies. She just wanted to go with Lin Ze.

"Why not?" Bai Yuanyuan asked.

Bai Mo sighed. "Isn't it a little inappropriate?"

""What's inappropriate about it?" Bai Yuanyuan continued, "Mo Mo, let me tell you. Not only are we going, we have to pick the same scenes as Bai Jingshu and the others! "You want Bai Jingshu to feel a sense of danger. It's best if you can make her quit on her own." "

"Bai Mo continued, "It should be impossible for her to quit on her own." "

"As long as Bai Jingshu had some discerning eyes, she would not have tangled with Lin Ze until now. After all, she was the one who knew Lin ze first. "

"Right now, she could only snatch Lin ze back from Bai Jingshu! "

She wanted to let Bai Jingshu know what it felt like to be interfered with.

"Thinking of this, Bai Mo's eyes were filled with joy. "

It was as if she had already seen Lin ze snatched back by her.

"Not long after, Lin Ze and Bai Jingshu walked in from outside. "

"Hearing the footsteps, Bai Yuanyuan and Bai Mo immediately pretended to be chatting and laughing. "

“Bai Yuanyuan walked forward and said with a smile, “Sister, brother-in-law, I wish you both a happy marriage and a fruitful child.” ”

“”Thank you,” Bai Jingshu continued, “I also wish you a happy life as soon as possible.” ”

“Bai Yuanyuan said, “I’m still young and not in a hurry, but Momo...” Bai Yuanyuan changed the topic and continued, “Brother-in-law, you know many people and are well-informed. If you have a suitable young man by your side, you must introduce him to Momo.” ”

“Because she was certain that Lin Ze still had Momo in his heart, her words were deliberately said for Lin Ze to hear. ”

“She had thought that Lin Ze would decline tactfully. After all, no man was willing to hand over the woman he loved. ”

“However, Lin ze nodded and said, “Okay, I will definitely keep an eye out for second sister.” ”

“Bai Yuanyuan was stunned. Beside her, Momo was also stunned. ”

Could it be that their relationship could only end here?

“Bai Yuanyuan quickly reacted and smiled. “Then, brother-in-law, you must remember this. You Can’t be perfunctory.” ”

“Alright.” Lin Ze nodded.

“At this moment, elder Bai walked out from inside. “It’s time to eat. Ah Ze Jingshu, Mo Mo Yuanyuan, come in and eat.” ”

“”Coming,” Bai Jingshu said loudly. ”

“She walked in front with Lin Ze, while Bai Mo and Bai Yuanyuan followed behind. ”

Bai Mo was still a little bothered by what Lin Ze said just now.

“Bai Yuanyuan comforted her in a low voice, “Momo, Lin Ze just wanted to scare you. Don’t worry, he won’t really introduce you to someone.” ”

“Really?” Bai Mo asked.

“Of course!” Bai Yuanyuan nodded.

“Soon, they arrived at the dining hall. ”

Elder Bai asked the kitchen to prepare a large table of dishes. The air was filled with a seductive fragrance.

Bai Mo and Bai Yuanyuan were not used to eating such things.

“However, Lin Ze was present today. In order to leave a good impression on Lin Ze, the two of them could only grit their teeth and eat. ”

“After dinner, Lin Ze and Bai Jingshu went to watch a movie. ”

“Bai Yuanyuan pulled Bai mo and said, “Brother-in-law, can you give us a ride?” ”

“”It might not be convenient,” Lin ze directly refused. ”

“When elder Bai heard this, he chuckled and said, “Momo, Yuanyuan, I’ll get old Zhang to send the two of you.” ”

Elder Bai had yet to see Bai Mo and Bai Yuanyuan's intentions.

"Bai Mo smiled and nodded. "Thank you, grandfather." "

"When they arrived at the cinema, Bai Mo wanted to buy tickets for the same movie as Bai Jingshu, but she was told that the cinema had been booked. "

Who else could have booked the cinema?

It was obvious that it was Lin Ze.

Bai Mo was really sad and very sad.

"Bai Yuanyuan patted her shoulder and asked, "Are Bai Jing and Lin Ze going back to Earth soon?" "

"I think so," Bai Mo said. "

"Bai Yuanyuan narrowed her eyes and said, "You're going too." "

"Me?" Bai Mo pointed at herself in surprise.

"Yeah." Bai Yuanyuan nodded. "You must go with them at such a critical time. You mustn't make any mistakes."

"Whenever Bai Mo thought of Earth, she would frown in disgust. "

"Lin Ze is going to take over the Shangguan family anyway. Why Don't I go to Galaxy F directly?" Bai Mo said.
