

Almighty D 2371

Chapter 2371: 495: Mary Sue! 1

“No matter what, Bai Mo did not want to go to Earth. ”

“In Bai Mo’s eyes, Earth was a low-grade planet. ”

“Not only was the environment dirty and messy, but people were also low-grade people! ”

They were just a group of low-grade people. What right did they have to stand with her?

She looked down on the people of Earth from the bottom of her heart.

“If Lin Ze had not become the heir of the Shangguan family in one leap, she would not have sided with Lin Ze. ”

“Bai Mo continued, “Yuanyuan, there’s no need to go to Earth, right? I think Galaxy F is pretty good. Lin Ze will go to Galaxy F in the future anyway.” ”

“”No.” Bai Yuanyuan shook her head and said firmly, “You have to go to Earth First.” ”

“”Why?” Bai Mo looked at Bai Yuanyuan, puzzled. ”

What reason did she have to go to earth?

“Bai Yuanyuan narrowed her eyes and continued, “Earth is Lin Ze’s home planet. He has special feelings for Earth. Do you know why he could accept Bai Jingshu so quickly?” ”

“”Because Bai Jingshu is my substitute,” Bai Mo said. ”

Bai Mo was very confident about this.

“If Bai Jingshu was not her cousin, Lin Ze would not have taken over Bai Jingshu.”

Poor Bai Jingshu thought that Lin Ze loved her so much.

“Thinking of this, Bai Mo’s eyes were filled with ridicule.”

She would be able to let Bai Jingshu see the reality soon.

“Hearing this, Bai Yuanyuan shook her head. “No, it’s not just that.””

“Although Bai Jingshu was Bai Mo’s cousin, that was not the main reason.”

“Then what else is there?” Bai Mo asked curiously.

“Bai Yuanyuan analyzed, “Because Bai Jingshu likes Earth. Her love for Earth almost surpasses that of the S galaxy.””

“Bai Jingshu was a fanatic fan of earth. Not only did she like Earth, but she also loved Earth’s ancient culture.”

“Before Lin Ze, everyone in the S Galaxy had mocked Bai Jingshu for being mentally ill.”

“But now, who dared to mock Bai Jingshu like that?”

“If Bai Jingshu had not gone to earth, she would not have gotten to know Lin Ze, much less be together with him.”

“Momo, if you want to win Lin Ze back, you have to do what he wants! You’re the person he likes to begin with. As long as you take the initiative a little and let him see how good you are, you’ll make him really want you!” Relationships had to go both ways, Lin Ze had already taken the initiative. Now was the time for Bai Jingshu to take the initiative. ”

“Lin Ze was originally from Earth. Naturally, he did not like people to belittle his planet. ”

What he needed was praise. Someone could discover the beauty of Earth.

“It was at this moment that Bai Jingshu appeared. Not only did Bai Jingshu like Earth, but she also understood earth. Most importantly, she was Bai Mo’s cousin. They were both girls from the Bai family. There were many similarities between them. If not.., Lin Ze would definitely not have chosen Bai Jingshu. ”

“Hearing this, Bai Mo nodded. ”

She felt that what Bai Yuanyuan said made a lot of sense.

The reason why Bai Jingshu was so lucky to be Lin Ze’s wife was also because she had always liked Earth’s culture.

“So, Momo, you have to go to Earth this time,” Bai Yuanyuan looked at Bai Mo and said very seriously. ”

“Okay.” Bai Mo nodded. “I understand.”

“Bai Yuanyuan added, “Not only do you have to go, but you also have to understand Earth and love it. Let Lin Ze see that Bai Jingshu isn’t the only one who likes Earth in the S Galaxy.” ”

“In the current s galaxy, other than Bai Jingshu, there was no one else who loved Earth’s culture as much as Bai Jingshu. ”

Bai Jingshu needed a strong competitor.

Lin Ze also needed to see other girls who were more outstanding than Bai Jingshu.

“Bai Mo narrowed her eyes and continued, “Yuanyuan, you’re right! Then I’ll make some preparations. We’ll set off in the next few days.” ”

““Okay.” Bai Yuanyuan continued, “Momo, if you’re Rich, you mustn’t forget me.” ”

““Don’t worry.” Bai Mo smiled and said, “I won’t forget anyone.” ”

Bai Yuanyuan was simply a guiding light on her path in life.

“If she married Lin ze successfully, she would definitely pull Bai Yuanyuan up as well. There were so many powerful people in Galaxy F. if she were to introduce any one of them to Bai Yuanyuan, she would become a top-notch noblewoman in the future. ”

“With Bai Yuanyuan as a military advisor, they could support each other in Galaxy S and share the glory together! ”

“Thinking of this, Bai Mo was a little excited. It was as if she could already see the future. ”

“Hearing Bai Mo’s promise, Bai Yuanyuan smiled and said, “Mo Mo, thank you!” ”

““We are good sisters,” Bai Mo said. “You helped me. I will definitely not mistreat you.” ”

Chapter 2372: 495: Mary Sue! 2

“Hearing this, Bai Yuanyuan reached out and hugged Bai Mo.. ”

...

On the other side.

“After returning to Earth, Lin Ze and Bai Jingshu boarded the interstellar shuttle to return to Earth.”

“After the two of them left, Bai Mo followed.”

“However, she did not directly tell Lin Ze that she was also going to Earth.”

She wanted to give Lin Ze a surprise.

“After she completely understood Earth’s culture, she would definitely make Lin Ze’s eyes light up.”

“Bai Mo had made some strategies about Earth in advance, but when she walked out of the interstellar shuttle, she could not help but feel disgusted.”

The conditions on Earth were too terrible!

“There were hover trains and all kinds of top-notch flying machines everywhere in the s galaxy, but there was actually no trace of such high-tech on Earth.”

“Bai Mo was starting to wonder if Bai Jingshu really liked Earth, or if she just wanted to please Lin Ze.”

“Logically speaking, how could a person from a high-level galaxy like Bai Jingshu really like the culture of such a low-level planet?”

“Therefore, Bai Jingshu was definitely faking it.”

She didn't like the culture of Earth at all. She was just hunting.

Lin Ze was her prey!

Bai Mo narrowed her eyes. She was waiting. She had to let Lin Ze see Bai Jingshu's true colors.

"When the time came, the scene would be spectacular!"

"After walking out of the interstellar shuttle, Bai Mo covered her nose and followed the map to the other side."

After walking for about 15 minutes.

"Suddenly, the scene in front of her eyes brightened up."

"There were tall buildings in front of them, and there was a lot of traffic. It was a scene of prosperity."

Bai Mo was stunned. This...

It seemed to be a little different from the earth that she had imagined.

Bai Mo even suspected that this was really earth?

How would Bai Mo know that the place she chose to land was the garbage center!

"The Garbage Center was built outside of the downtown area, and they had to pay attention to the environmental impact. Naturally, it wouldn't be good."

"Is that Miss Bai?" At this moment, a male voice sounded in the air."

Bai Mo turned around and looked at the man in front of her. "I am."

"Miss Bai, I am Liu Chao. Please follow me," the man said respectfully. "

Bai Mo followed Liu Chao's footsteps and arrived in front of a silver-gray van.

"Before they got into the van, they could smell the pungent smell of gasoline. "

"The S galaxy used energy, so they had never smelled gasoline before. At this moment, the smell was especially sensitive. "

"What's that smell?" Bai Mo covered her nose and asked.

"Liu Chao continued, "Miss Bai, this is a type of fuel. I'll send you to your place now." "

Bai Mo frowned. "Are there no other means of transportation?"

Of course there were other means of transportation.

But Liu Chao did not have one.

"After all, Liu Chao was just an ordinary person on Earth. His material life had not reached the peak yet. "

"Not yet." Liu Chao shook his head.

"Forget it, I'll walk over." Bai Mo turned around and left. "

“Miss Bai, please wait a moment.” Liu Chao followed up. ”

“Bai Mo said impatiently, “Is there anything else?” ”

“Liu Chao said, “This place is quite far from our destination. If we were to walk, it would take at least a few hours.” ”

“What?” Bai Mo widened her eyes in disbelief.

It would take several hours to walk?

What the hell was this place?

How did Bai Jingshu endure all these years?

“She didn’t know how Bai Jingshu endured it, but Bai Mo couldn’t. ”

“Miss Bai, do you... Do you still want to continue walking?” Liu Chao asked. ”

Bai Mo frowned and turned to walk towards the van.

Liu Chao immediately opened the door.

Bai Mo walked into the van.

“The weather in Beijing in June was already hot. The air conditioner in the van was not turned on, and the entire van was filled with the stench of shoddy sofas and pungent gasoline. In addition, the air in the van was already stuffy and hot, causing Bai Mo to almost vomit when she sat inside, she almost vomited in disgust. ”

This feeling was really too uncomfortable.

“Seeing Bai Mo’s ugly expression, Liu Chao quickly sat in the driver’s seat. “Miss Bai, please bear with it. I’ll turn on the air conditioner right away.” ”

“As Liu Chao spoke, he started the car. As the car started, the smell of gasoline became stronger. Bai Mo was not feeling well, and her small face turned pale. ”

“Liu Chao turned to look at Bai mo. “Miss Bai, let me buy you some motion sickness spray.” ”

““No need, drive quickly!”What kind of effective motion sickness spray could there be on earth? It was most likely a lie. Rather than hoping that motion sickness spray could alleviate the symptoms, it was better to let Liu Chao Drive to his destination earlier. ”

“Bai Mo did not let her go, so Liu Chao could only give up and continue driving. ”

Chapter 2373: 495: Mary Sue! 3

“The traffic in the capital was always stuck in a traffic jam. Bai Mo lay limply in her seat, her stomach churning and her head spinning. However, she could not spit it out. It was as if she was suffocating. ”

“How much longer until we arrive?”Bai Mo asked.

“If it were not for the General Alliance’s rule that the s galaxy civilization was not allowed to bring Earth, she would have brought the aircraft with her. ”

“Liu Chao looked at the navigation system. “There’s still 20 kilometers left. If there’s no traffic jam, it’ll only take half an hour.” ”

“What about the traffic jam?”Bai Mo asked.

“Liu Chao shook his head. “If there’s a traffic jam, I’m not sure either.” ”

The traffic conditions in the capital were too complicated. It was almost the same every day.

“Hearing this, Bai Mo frowned. She couldn’t take it anymore, not to mention the traffic jam! ”

“Liu Chao comforted her, “Miss Bai, don’t worry. I’ll try my best to speed up without the traffic jam.” ”

Bai Mo didn’t say anything.

Her head was too dizzy and she didn’t have the energy to answer. She never dreamed that she would one day be subjected to such torture.

Bai Mo didn’t say anything and Liu Chao didn’t say anything either. He held the steering wheel with both hands and looked ahead silently.

“After an unknown amount of time, Liu Chao Woke Bai Mo up from her dizziness. “Miss Bai, Miss Bai!” ”

Bai Mo opened her eyes.

““Miss Bai, we’re here,”Liu Chao continued. ”

“Hearing this, Bai Mo’s eyes immediately lit up and she immediately sat up. ”

Liu Chao held Bai Mo’s arm. “Let me help you down.”

“Bai Mo actually despised Liu Chao’s touch. After all, Liu Chao was only a criminal in the s galaxy. But now, she couldn’t muster up any strength, so she could only let Liu Chao help her up. ”

“Liu Chao helped Bai Mo out of the car and breathed in the fresh air. Bai Mo’s expression was better, but her face was still as pale as before.”

“Urgh!”

“Finally, Bai Mo could not hold it in any longer and directly vomited.”

“Because she usually only drank nutrient fluids and had no other food in her stomach, all Bai mo vomited was sour water.”

“It was bitter, astringent, and very disgusting.”

“Liu Chao held Bai Mo’s arm with one hand and patted her back with the other. He resisted the nausea and asked, “Miss Bai, are you alright?” ”

It turned out that beautiful women were also so disgusting when they vomited.

“Bai Mo vomited so badly that she wanted to throw up her stomach as well. She quickly looked up at Liu Chao and said, “Help me in to rest first.” ”

“Okay.”

Liu Chao nodded and helped Bai Mo into the house.

“Liu Chao had been on Earth for three years. He was an ordinary person in the s galaxy, so he could only be an ordinary person on Earth. For three years, he had been living on a black car, and the house he was living in now was rented.”

“It could already be considered good now. When he first came to Earth, Liu Chao once went to beg for a living.”

Not everyone was ye Zhuo.

“No matter where he was, he could do well and dominate a region.”

“The rented house was not big. It had two rooms and one living room. Because he knew that Bai Mo was coming, Liu Chao prepared a room for her. “Miss Bai, this will be your room from now on.” ”

“Bai Mo lay on the bed and said in a daze, “You go out first. I need to rest.” ”

“This was her first time feeling carsick. It was not a good feeling. Although she had already gotten out of the car, she still felt like she was still sitting in the car. She just wanted to close her eyes and have a good sleep. ”

“Liu Chao continued, “Miss Bai, shall I get you a glass of water?” ”

““Yes,” Bai Mo replied. ”

Liu Chao turned around and went out to get some water.

“Very soon, he came in with some water. “Miss Bai, have some water. Drinking some water will make you feel better.” ”

“Bai Mo had just spat out some water and her mouth was dry. When she heard Liu Chao’s words, she immediately took the cup and took a sip. As soon as she took a sip, she immediately spat it out, she roared angrily, “What is this? Do you want to poison me to death?”Such disgusting water.., was it even worth letting her drink it! ”

This was no different from insulting her.

“Liu Chao could not dodge in time. Bai Mo spat out all the water onto his body. Coupled with the fact that it was summer, the thin layer of clothing stuck to his skin. It was really uncomfortable! ”

But Liu Chao could only endure it.

“Because Bai Mo owed him a favor. If Bai Mo had not helped him back then, he would have died long ago.”

“Although Earth was a low-grade planet, Liu Chao had already completely adapted to life on Earth.”

“Right now, he only wanted to buy a house, marry a wife, have a child, and live a warm life with a wife and child.”

“Liu Chao continued, “Miss Bai, this is the best pure water.” ”

Chapter 2374: 495: Mary Sue! 4

“In order to cater to Bai Mo, Liu Chao specially bought the best water he could.”

“Bai Mo frowned, her face full of disgust. “Get lost!” ”

Liu Chao could only turn around and leave.

“Actually, it wasn’t that there was something wrong with the water on Earth.”

It was just that Bai Mo had never drunk real pure water.

How could a person who had been drinking polluted water for a long time know that pure water was good?

“Although the S galaxy was a high-level civilization galaxy, the S Galaxy had been pursuing development and had long neglected the environment. Therefore, the things in the S galaxy looked very nice, but most of them were inedible.”

“This also corresponded to a sentence: the golden catkins were rotten on the outside, but inside.”

“Bai Mo looked at Liu Chao’s back, her eyes filled with envy and began to regret making the decision to come to Earth.”

“It was only the first day, and she was already like this. There were still so many days ahead of her. What should she do?”

“Lying on the bed, Bai Mo fell asleep. When she woke up again, it was already the next morning.”

Bai Mo sat up from the bed and looked at her surroundings with a frown.

“Because she had been carsick the day before, she had not been able to take a good look at the environment of the house. Now that she looked at it again, she felt disgusted everywhere.”

“The old walls, the old furniture, and the cheap bedding.”

How could these things match up to such a noble person like her?

Bai Mo endured the disgust and got down from the bed. She opened the door and walked out.

She pushed the door open and entered the living room.

“The price of a house in the capital was high. Although it was two bedrooms and one living room, the total area was only seventy square meters, so it looked a little crowded.”

“Seeing Bai Mo come out, Liu Chao immediately came over to welcome her. “Miss Bai, you’re awake. The toiletries have been prepared for you. They’re all new. You should go and wash up.” ”

“Bai Mo did not follow Liu Chao to the bathroom. Instead, she said, “I want to change places.” ”

The environment here was really too bad!

“Bai Mo said that she could stay here for a long time. Even if it was just for a day, Bai Mo would not be able to stay here. ”

“Liu Chao said awkwardly, “Miss Bai, I used to live in group rentals. It’s already my limit to let you stay here.”In the past, when Liu Chao was alone, he could live wherever he wanted, however, Bai Mo was different. Not only was she born in a high-level galaxy, she was also a rich young lady. She had never suffered since she was young. If not, Liu Chao would not have taken out his wife’s notebook. ”

Group rental housing?

“Bai Mo frowned. She had never been to Earth, nor had she experienced the life of the working people at the bottom. Naturally, she did not know the concept of group rental housing. ”

“Seeing her like this, Liu Chao immediately explained, “Group rental housing is a house that many people rent and live in together. For example, the one we are living in now can live in at least five families!” ”

It was not an exaggeration to say that there were five families.

Some second-hand landlords had even changed one room and one living room into three or four rooms in order to earn money.

“With that said, Bai Mo seemed to understand a little. She continued, “Then where does Bai Jingshu Live?” ”

“Bai Jingshu was a good-for-nothing. Needless to say, the place she lived in was definitely a group rentals.”

“Although she already knew the result, Bai Mo wanted to hear it from Liu Chao himself.”

“Liu Chao continued, “Miss Jingshu seems to be a great writer. Ordinary people usually can’t enter the place where she lives.” ”

“Writer?” Bai Mo’s eyes widened in disbelief.

Someone like Bai Jingshu could also be a writer?

Wasn’t this a joke?

“Liu Chao nodded. “Yes, you didn’t hear wrongly. Miss Jingshu is a great writer. Moreover, she’s a very famous celebrity writer on Earth.” ”

Bai Jingshu was a writer of historical stories.

“The books she wrote were not only changed into television dramas, but were also permanently stored in the National Library.”

Bai Mo was not happy to hear that.

What right did Bai Jingshu have?

“After a while, Bai Mo continued, “Do you know Lin Ze?” ”

“Liu Chao nodded. “A little. He’s the son of the Lin family’s head and the founder of an organization. He’s also someone I can’t get in touch with.”The circle was different, their connections were different. Liu Chao knew most of the black-cab drivers.”

Bai Mo's mood was very complicated at this moment.

She didn't know what to say.

"After a while, Liu Chao continued, "You should quickly go wash up. There's no nutrient solution on earth. You still need to eat breakfast." "

"Bai Mo originally wanted to refuse, but when she thought of Lin Ze, she swallowed her words. "

She came to Earth this time to be close to Lin Ze. They were going in both directions. How could she dislike the food on earth?

"From today onwards, she would be like Lin Ze. She would eat three meals a day, four seasons a year. "

"Bai Mo continued, "Where are the toiletries?" "

"Here." Liu Chao immediately took a step forward and brought Bai Mo to the bathroom.

"Although the toiletries were all new, Bai Mo had been frowning the entire time. "

"After dinner, she used a special communicator to contact Bai Yuanyuan. "

"Bai Yuanyuan heard about her experience and immediately said, "Mo Mo, are you stupid? You Don't have to Suffer Like This!" "

"Then what should I do?" Bai Mo asked.

“Bai Yuanyuan continued, “Go and look for Bai Jingshu! She’s your sister after all. Can she just sit by and do nothing? It’s best if you can move to the Lin family. That way, you’ll have more chances to get in touch with Lin Ze!” If that happened, wouldn’t Lin Ze fall in love with Bai Mo? ”

“Hearing this, Bai Mo hesitated for a moment before continuing, “What if Bai Jingshu rejects me?” ”

“”Don’t worry, she won’t.”Bai Yuanyuan knew Bai Jingshu too well. “No matter what, you’re Bai Jingshu’s sister. You’re new here and have eaten so much crying. Bai Jingshu will definitely lend you a hand.” ”

Bai Jingshu was like the Holy Mother Mary Sue.

“What if...”Bai Mo was a little nervous.

“Bai Yuanyuan smiled and said, “If she really rejects you, you’ll be begging ye Shu! I believe that Ye Shu will definitely lend you a hand!” ”

Chapter 2375: 496: Miracle created by Miracle Doctor Ye! 1

Bai Yuanyuan had met ye Shu twice.

Their Hearts were born from each other.

“It could be seen that ye Shu was a soft-hearted person. As long as Bai Mo acted pitiful beside Ye Shu, Ye Shu would definitely help Bai Mo.. ”

Bai Mo was a proud daughter of the heavens. She had been pampered since young. How could she live such a miserable life on Earth.

“Hearing that, Bai Mo continued, “Are you serious?” ”

“Of course I’m serious!” Bai Yuanyuan continued, “Think about it. Ye Shu is Lin Ze’s mother. In the future, she will be your mother-in-law. “Of course you have to build a good relationship with her, especially before Bai Jingshu has any feelings for her. Since ancient times, the relationship between mother-in-law and daughter-in-law is the most difficult to handle. Just Treat Ye Shu as your mother!” ”

“Hearing this, Bai Mo’s face was filled with disgust. ”

Treat Ye Shu as her mother?

What Was Ye Shu?

She was just an earthling. What right did she have to be her mother?

“Bai Yuanyuan smiled and said, “Momo, no matter what, Ye Shu is Lin Ze’s biological mother. If you want to marry Lin ze successfully, you have to settle with Ye Shu first. “Not only do you have to treat ye Shu as your mother, you also have to make ye Shu treat you as her biological daughter.” ”

Bai Mo nodded. “Alright.”

“Bai Yuanyuan continued, “Mo Mo, I wish you every success.” ”

“Thank you.”

“After cutting off the connection, Bai Mo went outside. ”

“Liu Chao immediately walked over. “Miss Bai, I’m going to go out for a sports car now. You Can Rest at home now. Here’s some money. If you want to go out, you can use this money to take a taxi.” ”

“With that, Liu Chao handed the money in his hand to Bai Mo.. ”

Bai Mo took the money. "Send me to the Lin family."

She had already decided that she would go to the Lin family to look for ye Shu and build a good relationship with her.

"The Lin Family?" Liu Chao was stunned.

Bai Mo nodded.

"Liu Chao continued, "Is it the Lin family from the capital?" "

"In the capital, there were only a few families that could be called the Lin family. "

"Yes."

"Hearing this, Liu Chao said with some difficulty, "The Lin family manor is in the city center. The license plate is restricted at this time. Moreover, you have to make an appointment before going to the Lin family. If not, outsiders can not enter." "

Outsiders?

She was an outsider?

"Bai Mo's eyes flashed with ridicule as she continued, "I'm not an outsider. You can just send me there." "

"Liu Chao knew that she did not understand the meaning of the license plate restriction. "Miss Bai, My Car Can't enter the city right now. How about this, I'll call a car for you." "

“Okay.” Bai Mo nodded.

Liu Chao was originally a black car driver and knew many of his peers. It was very easy to call a car.

“Very soon, the car arrived. ”

It was still a van.

“When she saw the van, Bai Mo recalled the experience from yesterday. She had not even gotten into the car when she started to feel dizzy! ”

“Is there no other car?” Bai Mo asked.

“The city is restricted. It’s already good enough to find a car.” The driver walked out of the driver’s seat and looked Bai Mo up and down before turning to Liu Chao. “Is this your relative?”

Relative?

How could she be a relative of someone like Liu Chao?

Bai Mo’s face was filled with disgust.

“Liu Chao did not say anything. He walked to the driver and said in a low voice, “She’s a distant relative. Her mind is not very clear. If she says something wrong later, don’t hold it against her.” ”

“Hearing that, the driver turned to look at Bai Mo and nodded. “Okay.” ”

“Liu Chao looked up at Bai mo. “Miss Bai, Please.” ”

Bai Mo resisted the urge to vomit and got on the car.

“The moment she got on the car, her expression changed. The driver knew that Bai Mo might be carsick, so he picked up the car-sickness spray from the front seat and handed it to Bai Mo., “Miss, Carsick, right? Spray a little of this and you won’t faint!” Ever since Miracle Doctor Ye created this miraculous car-sickness spray.., there were no longer any carsick people in China! ”

“Car Sickness Spray was simply the good news for all Carsick people, and it was also China’s black technology! ”

Bai Mo disdained using things that belonged to Earthlings and turned a blind eye to the sunscreen spray that the driver handed over.

“Because in her opinion, an Earthling did not have the right to speak to her at all. ”

“Liu Chao immediately smiled apologetically and said, “Thank you, Brother Qiang!” ”

“Wu Qiang took back the car sickness spray and said, “It’s nothing.” Why did he have to be so calculative with a person who had a problem with his brain? ”

“She was a pretty young lady, but she did not expect that her brain was not good. ”

Bai Mo started to get Carsick again.

“Liu Chao handed the car sickness spray to Bai mo again and said, “Miss Bai, please give it a try. The effect is really good!” ”

Bai Mo did not say anything.

She could not be bothered to say anything more to a person like Liu Chao.

“White Jasmine did not answer, Liu Chao had to put the car-sick spray back in place. ”

Chapter 2376: 496: Miracle Doctor Ye's miracle! 2

“Wu Qiang began to talk to Liu Chao. “Chao Zi, do you know?” ”

“Know what?” Liu Chao asked curiously.

“Wu Qiang continued, “Li Peng is married!” ”

“Is that true?” Liu Chao asked incredulously.

“Wu Qiang nodded, “Of course it's true! Don't look at how quiet this kid usually is. He's actually quite shrewd! It was said that the woman was already three months pregnant! Not only did she not take a single cent of the betrothal gift money, but the woman even gave her a small car! “Don't you think it's Amazing?” ”

“It is indeed amazing! I really couldn't tell!”

“The more they talked, the more excited they became. Their voices were heard in the same car. Bai Mo frowned slightly, her eyes filled with impatience. She was already feeling carsick, and the noise in the car made her feel more and more dizzy. ”

“Shut up!” Bai Mo said impatiently.

Wu Qiang turned back to look at Bai Mo and frowned.

Was there something wrong with this woman?

It was not just a little bit wrong!

Liu Chao immediately made a gesture of putting his hands together in prayer.

Wu Qiang did not flare up because of Liu Chao's face.

"Otherwise, based on Wu Qiang's temper, he would have kicked her out long ago."

"Due to the traffic restrictions in the city, the speed of the car was not very slow. About an hour later, the car stopped beside a building."

"Wu Qiang then said, 'We're Here!'"

"Liu Chao immediately got out of the car and walked to the other side. He respectfully opened the car door for Bai Mo and said, 'Miss Bai, we're here.'"

Wu Qiang sat in the driver's seat and looked at Liu Chao through the rearview mirror. He frowned in confusion.

Liu Chao was a little too respectful towards this crazy woman.

She was just a person with a mental illness. Was there a need for him to do this?

Bai Mo opened her eyes and walked down while enduring her dizziness. "Is this the place?"

"Yes." Liu Chao nodded.

"The Lin family manor was a historical site with a history of more than 200 years. Hence, the construction was very impressive. It was not something that the high-tech buildings in the galaxy could compare to."

“Bai Mo looked at the majestic building in front of her and said, “Alright, you can go.” ”

Go?

Liu Chao was stunned.

“Seeing Liu Chao like this, Bai Mo frowned. “Why? Don’t you understand human language?”? ”

“Liu Chao continued, “Then can you go back alone later?” ”

“Although Earth was not as developed as the s galaxy, Bai Mo had just arrived and Liu Chao was a little worried.”

“Bai Mo said coldly, “This is not a problem that you should be concerned about.” ”

“Liu Chao immediately shut his mouth and continued, “Then if anything happens to you, Miss Bai, just remember to call me.” ”

He hoped that Bai Mo would not contact him for the rest of her life.

“Bai Mo had just arrived and he had already spent nearly half of his wife’s books. If this continued, when would he be able to get married and have children? ”

Bai Mo ignored Liu Chao. She tidied her hair and walked into the building.

“Liu Chao returned to the car, closed the door of the passenger seat, and fastened his seatbelt. “Let’s go.” ”

“Wu Qiang asked curiously, “Where’s that woman?” ”

“Liu Chao said, “She has other matters to attend to. There’s no need to wait for her.” ”

“Wu Qiang watched Bai Mo’s back disappear in front, then, he said, “I didn’t realize that this mentally ill woman was actually related to the Lin family! What kind of person is she from the Lin Family? How do you guys know each other?”Liu Chao did not seem like the kind of person who would know the upper class. ”

“Liu Chao continued, “It’s a little complicated. I’ll explain it to you in detail when I have the chance. Let’s go back first.” ”

“Alright.”Wu Qiang was not the kind of person who talked too much.

Over here.

“Bai Mo came all the way to the Lin family manor’s main entrance. If she really wanted to take another step forward, she was suddenly stopped by the security guards who walked out of the security booth. ”

“Stop.”

“Bai Mo stopped in her tracks and frowned slightly. She was only a low-level earthling, yet she dared to stop her? ”

What audacity!

“However, Bai Mo still endured and didn’t flare up. After all, this was the Lin family’s territory. She had to leave a good impression on ye Shu. ”

Bai Mo did not forget the purpose of this trip.

“”Hello, I’m here to look for someone.”Bai Mo smiled. ”

“The security guard continued, “Who are you looking for? Do you have an appointment?” ”

“Bai Mo said, “I’m a relative of the Lin family.” ”

A relative of the Lin Family?

“Hearing this, the security guard sized up Bai Mo.. ”

“It seemed that the Lin family did not have such a relative. Moreover, if a relative of the Lin family came over, the butler would come over in advance to inform them. ”

““Tell me your name. I need to verify it,”the security guard said. ”

Bai Mo nodded. “My name is Bai Mo. I’m Bai Jingshu’s cousin.”

The security guard then recalled that the Lin family did seem to be holding a wedding recently. Young Master Lin’s fiancée’s surname was Bai.

Chapter 2377: 496: Miracle created by Miracle Doctor Ye! 3

The little girl in front of him might really be a relative of the Bai family.

“Wait a moment.”The security guard returned to the security booth and called the Lin family to verify.

“The person who answered the call was the butler of the Lin family. Upon hearing that the other party’s surname was Bai and that she was Bai Jingshu’s cousin, the butler immediately called Ye Shu over. ”

“Upon hearing this, Ye Shu smiled and said, “Jingshu indeed has a younger sister named Bai Mo. . That Old Wang, quickly send someone in!” ”

“Okay.”The butler nodded.

“Bai Jingshu was also at the Lin residence. When she heard that something was wrong, she immediately walked out. “What’s Wrong?” ”

“Ye Shu raised her head and looked at Bai Jingshu. “Jingshu, your cousin is here. She’s right outside the door! Let’s go out together to welcome her.” ”

“After all, she was Bai Jingshu’s cousin. They couldn’t neglect her. ”

“Hearing this, Bai Jingshu furrowed her brows. “Cousin? Could it be Bai Mo?” ”

“The Butler immediately nodded. “Yes, the security said that the lady outside is called Bai Mo. .” ”

“It really was Bai Mo. hearing this, Bai Jingshu’s expression turned ugly. ”

“As Bai Mo’s cousin, Bai Jingshu understood Bai Mo better. Bai Mo was a little aloof and proud. She looked down on Earth. Why would she take the initiative to come to Earth? ”

Unless...

For Lin Ze.

“Thinking of this, Bai Jingshu’s eyes were filled with slight anger. ”

“”Auntie, wait.”Because there wasn’t a wedding on Earth yet, Bai Jingshu still addressed ye Shu as Auntie. ”

“HMM?”Ye Shu raised her head to look at Bai Jingshu.

“Bai Jingshu didn’t hide anything and said directly, “My relationship with my cousin isn’t very good. It’s best not to let her in.” ”

“Bai Mo was a person with many tricks up his sleeve. If she was allowed to enter, then the Lin family’s future life would definitely change because of her. ”

“After all, from the look in Bai Mo’s eyes, he was a troublemaker. ”

“Ye Shu naturally knew about Bai Jingshu’s situation and continued, “Alright then. Butler, tell the security outside that Jingshu doesn’t have a cousin.” ”

“The Butler was also a shrewd person. He immediately understood what ye Shu meant and nodded.
“Yes, Madam, I understand.” ”

“After the Butler returned the call, Ye Shu looked at Bai Jingshu and continued, “Jingshu, we should be fine doing this, right?” ”

“Bai Mo was, after all, Bai Jingshu’s cousin. If news of this spread to the s galaxy, Ye Shu was a little worried that it would affect Bai Jingshu’s reputation. ”

““It’s fine, Auntie.”Bai Jingshu continued, “This cousin of mine has always had a lot of ideas since she was young. She’s also very thoughtful. This time, she must have secretly come to Earth as well.” ”

“Bai Jingshu’s words were a little tactful, but ye Shu could roughly guess what was going on. “Oh right, Jingshu, is this Bai Mo the one who went on a blind date with Ah Ze?” ”

““Yes.”Bai Jingshu nodded. “So, you probably already know why she came to Earth at this time, right? The planet she looked down on the most in the past was Earth.” ”

“If it was in the past, Bai Jingshu would have let Bai Mo in. After all, she and Bai Mo had an unceasing blood relationship. But now, after experiencing so many things, she would not.”

Because being merciful to others was cruel to herself.

“If she really let Bai Mo in, there would definitely be trouble.”

Bai Mo’s visit was not friendly to begin with.

“Hearing that, Ye Shu frowned slightly. “I didn’t expect this little girl to have such deep thoughts! Luckily, I didn’t let her in.” ”

Outside.

“Bai Mo stood outside the security room and waited for a long time. Finally, the security room door was opened again.”

Bai Mo immediately stood up and walked over. “May I enter now?”

The security guard shook his head. “I called and asked. The Lin family said that they don’t have any relatives like you.”

No relatives like her?

What kind of relatives was she?

“Bai Mo said impatiently, “Did you tell them who I am?” ”

“I did.”The security guard nodded.

“Bai Mo continued, “Then what did you say? Did you say that I’m Bai Jingshu’s cousin, Bai Mo?” ”

“”I’ve said it as well.”The security guard continued, “Madam, this is a private residential area. Please leave immediately!” ”

Bai Mo’s face was filled with disbelief. She had not expected that she would not even be able to enter the Lin family’s main entrance.

How could this be?

Bai Jingshu!

It must be Bai Jingshu!

“Bai Mo’s expression was especially ugly. Her hands were tightly clasped together. Because she had used too much force, her knuckles had already turned slightly white. ”

That damned Bai Jingshu had repeatedly ruined her plans!

“When the security guard saw that Bai Jingshu had not moved for a long time, he continued, “Madam, can you please leave immediately? Otherwise, I’ll call the Police!” ”

Chapter 2378: 496: Miracle created by Miracle Doctor Ye! 4

Only then did Bai Jingshu come to her senses. She snorted coldly and walked towards the exit.

“The security guard looked at Bai Mo’s back and shook his head helplessly. Nowadays, there were too many young girls who wanted to climb up the social ladder. He had been a security guard here for more

than ten years and had seen many young girls who wanted to climb up the social ladder and become a phoenix, in the end, all of them died without success. ”

“Bai Mo was very angry and unwilling to give up, so he contacted Bai Yuanyuan again. ”

“Hearing that, Bai Yuanyuan said speechlessly, “Why is Bai Jingshu like this? ! Momo, I think she did it on purpose! She’s sincerely trying to make things difficult for you!” ”

“Bai Mo also knew that Bai Jingshu did it on purpose, but now, what could she do? ”

““Yuanyuan, what should I do now?” Bai Mo asked. ”

Bai Yuanyuan narrowed her eyes. “There is a way.”

“Bai Mo immediately asked, “What Way?” ”

““Go directly to Lin Ze,” Bai Yuanyuan said. ”

Go directly to Lin Ze?

Bai Mo was stunned.

“Bai Yuanyuan continued, “The first person Lin Ze met was you, and the first person he liked was also you. Believe me, you must still be in his heart. Since you’re already on Earth, since ye Shu’s path doesn’t work, you can only look for Lin Ze.” ”

“Under normal circumstances, Lin Ze would definitely not ignore Bai Mo.. ”

“Bai Mo hesitated for a moment before saying, “Okay.” ”

““Oh right, Momo, don’t go just like that,” Bai Yuanyuan continued. ”

Don’t go just like that?

Bai Mo suddenly didn’t understand. “What do you mean?”

“Bai Yuanyuan continued, “What I mean is that you have to cry and find Lin Ze. Then, Lin Ze will feel sorry for you and take the initiative to stand on your side.” ”

“Bai Mo was a scheming person. When she heard this, she immediately understood what Bai Yuanyuan meant. She smiled and said, “I know what to do.” ”

Wasn’t it just acting?

She was the best at it.

“Bai Yuanyuan said, “Mo Mo, you can do it. Pay attention to our call time. It seems that we can only talk three times a month here. We’ve already used it twice a day.” ”

““Okay, I’ll pay attention. I Won’t be contacting you for a while.” ”

“After cutting off the connection, Bai Mo pulled up the information she had found before and located Lin Ze’s workplace. ”

“According to the location, Lin Ze’s workplace was 30 kilometers away from here. It was definitely not suitable to walk there. ”

“However, Bai Mo did not have any means of transportation, so she could only take out the cell phone that Liu Chao had prepared for her. She made a call and asked Liu Chao to send her over. ”

“She thought that Bai Mo would be able to calm down for a period of time this time, but Liu Chao never expected that before they had even left the city, Bai Mo’s call actually came in again.”

“Liu Chao was a little speechless, but he still picked up the call.”

“To Bai Mo, Liu Chao was just a servant. To a servant, there was naturally no need to be polite. “Come and pick me up. I want to go to the Lin Hang Building.” ”

“Now?” Liu Chao asked.

“Bai Mo asked back, “Is there a problem?” ”

Since when did dogs have the right to question their master’s orders?

“Liu Chao immediately said, “No problem. We’ll be there right away.” ”

“After hanging up the phone, Liu Chao looked at Wu Qiang. “Qiangzi, please...” ”

“Before Liu Chao could finish his sentence, Wu Qiang waved his hand. “Got it.” ”

“After saying that, Wu Qiang continued, “But I’m really curious. who exactly is that woman to you? Why do you listen to her so much?” ”

“Liu Chao said somewhat bitterly, “She can be considered my Savior.” ”

“If it wasn’t for Bai Mo back then, she wouldn’t be the person she is now.”

He definitely had to repay this favor.

Wu Qiang nodded. “So that’s how it is! No wonder you’re so tolerant in front of her!”

She was simply a Ninja Turtle!

Liu Chao sighed helplessly.

“Soon, the car arrived at the location Bai Mo mentioned. Liu Chao immediately got out of the car and went to Bai Mo’s side, respectfully opening the car door for her. ”

“Bai Mo did not even glance at Liu Chao, as if everything was as it should be. ”

Liu Chao sat in the passenger seat and told Wu Qiang the address.

Lin Hang Building.

The places that Bai Mo mentioned were not places that ordinary people could go to. It seemed that this woman was definitely not as simple as she looked.

“Lin Hang Building was also located in the city center. Fortunately, the traffic was still okay at this moment, and they arrived at their destination not long after. ”

Bai Mo lifted her foot and got out of the car. “You can go back first. There’s no need to follow.”

“Liu Chao was afraid that Bai Mo’s plan would change again, so he said, “Miss, why don’t I continue to follow you?” ”

““If I tell you to go back, then you can go back. Why do you have to talk so much nonsense!” Bai Mo continued, “You’re not fit to bargain with me!” ”

It was just a dog.

“Liu Chao held back the anger in his heart and said, “Alright, then I’ll go back first. Miss Bai, if you have any problems, you can contact me.” ”

“Back in the car, Wu Qiang smiled and said, “Brother, this is the first time I’ve seen you get beaten up! This little girl is really asking for a beating!” ”

Liu Chao shook his head helplessly. “Let’s go back.”

Wu Qiang started the engine and went back.

“Bai Mo looked at her watch. There was still about half an hour before Lin Ze’s off-duty time. As long as she stood guard at the place where Lin Ze had to pass, she would definitely be able to reach Lin Ze. ”

“Although it was only half an hour, Bai Mo felt that it was even more difficult than a year. ”

“Half an hour was about to pass when she finally saw a familiar figure, ”

it was Lin Ze!

Bai Mo’s eyes lit up. She gathered her emotions and walked towards Lin Ze.

“Brother-in-law.”

“Hearing Bai Mo’s voice, Lin Ze looked up and saw Bai Mo’s face. ”

Lin Ze frowned. “What’s the matter?”

“Bai Mo’s eyes turned red. “Brother-in-law, I just came to Earth and have nowhere to go. I can’t contact my sister... I . . . ” ”

“Lin Ze looked at his watch. “My Time is limited. If you have something to say, say it quickly.” ”

Bai Mo was stunned.

Her words were already so obvious. Didn't Lin Ze understand what she meant?

She was already homeless. Shouldn't Lin Ze's next words be to give her a place to stay or take her home?

Chapter 2379: 497: start causing trouble! 1

Lin Ze's attitude was really too cold.

This was a little out of Bai Mo's expectations.

“Logically speaking, Lin Ze's attitude towards her shouldn't be so cold. ”

““Brother-in-law, I...” Bai Mo considered her words in her heart. She looked pitiful and helpless. “I, I haven't been able to contact my sister yet. Can you help me contact her?” ”

She wanted to see how Bai Jingshu was going to explain to Lin Ze how she was going to chase her back from the Lin family.

“Lin Ze continued, “Because of this?” ”

“Yes.” Bai Mo nodded.

“I can’t contact your sister because she’s too busy. An adult should be responsible for their own actions,” Lin Ze continued. “Jingshu is only one year older than you. She doesn’t have to be responsible for you.” ”

“The other meaning behind his words was that even Bai Jingshu could do well on earth, so why couldn’t Bai Mo?”

Bai Jingshu didn’t have the responsibility to take care of Bai Mo..

“Hearing this, Bai Mo’s expression was a little complicated.”

She had never expected Lin Ze to answer her like this.

He... was still angry.

Bai Mo bit her lip. She was already humble enough in front of Lin Ze. She didn’t hesitate to personally come to Earth for Lin Ze to be with these lowly people.

But what about Lin Ze?

Lin Ze actually treated her like this.

Wasn’t love a two-way street?

“Bai Mo couldn’t stand such grievances. She looked up at Lin Ze and continued, “Lin Ze, I know you’re still angry with me, but I’ve already realized my mistake. I even came to Earth to look for you personally. You...” ”

“Lin Ze frowned slightly and interrupted Bai Mo., “Bai Mo, I think you might have misunderstood something. “That’s right. You were indeed the one who went on a blind date with me in the beginning, but neither of us took a liking to each other. In My Eyes, you’re Jingshu’s cousin. The person I love the most is Jingshu. “Please put on a proper posture. Everyone should know their place.” ”

Bai Mo's face turned pale immediately. Her face was filled with disbelief.

What did Lin ze say?

Did he mean that he had never loved her?

Impossible!

This was impossible!

"If Lin Ze did not love her, how could he have found Bai Jingshu. "

Bai Jingshu was clearly her substitute.

"You're lying to yourself!" Bai Mo continued, "I know you like me!" "

"Lin Ze frowned impatiently and continued, "You shouldn't be called Bai Mo. You should be called Daydreaming." "

His words were emotionless.

"I'm not daydreaming!" Bai Mo looked at Lin ze and said, "If you don't like me, why did you look for Bai Jingshu? Lin Ze, why can't You Face Your Feelings! "I didn't mean to reject you in the past. I just wanted to test your sincerity towards me. Now that I've seen it, I know that you love me!" "

"Lin Ze was most afraid of this kind of person pestering him. He lowered his head to look at his watch and spoke again, "I'll say it again. Please stop daydreaming. "I've never liked you. The person in my heart has always been Jingshu. "As for you, you're not even comparable to Jingshu's little finger in my heart. Do you understand?" "

“After saying this, Lin Ze turned around and left without any hesitation.”

Bai Mo was stunned and didn't know how to react.

How could it be...

How did things suddenly turn out like this?

“She loved Lin Ze, and Lin Ze loved her. Why couldn't two people who loved each other be together and torture each other?”

No..

She couldn't give up like this.

Lin Ze was hers.

The position of the mistress of the Shangguan family was also hers.

No one could take it away from her.

Bai Mo watched Lin Ze's back. She didn't know where she got the courage to chase after him.

She wanted to hug Lin ze tightly and tell him that she couldn't live without him.

“Lin Ze!”

“Just as Bai Mo was about to hug Lin ze from behind, Lin Ze suddenly dodged.”

Bang.

Bai Mo missed and fell to the ground.

“Lin Ze looked at Bai Mo and continued, “Bai Mo, since you’re Jingshu’s cousin, I won’t argue with you today. I Won’t argue with you if you know your place. You must have a sense of shame, especially when it comes to girls.” ”

His words were cold and merciless.

Bai Mo fell to the ground and looked at Lin Ze. Tears almost came out of her eyes.

“”Lin Ze, I know I’m wrong! “I shouldn’t have treated you like that in the past. Can You Forgive me for once? “I don’t mind if you marry Bai Jingshu. I can even give up my status. For You, I’m willing to do anything. I just want you to forgive me.” ”

Chapter 2380: 497: start causing trouble! 2

Yes.

“As long as Lin Ze could forgive her, she could abandon everything. ”

“Facing a person like Bai Mo, Lin Ze was speechless. “I’ve said what I needed to say. Since you’re Shameless, there’s nothing I can do about it.” ”

A person who was shameless was invincible in the world.

Lin Ze really had no way of dealing with such a person.

“Bai Mo looked at Lin Ze and said, “You’re not saying what you mean. You clearly have me in your heart!
“Lin Ze, I regret it now. I regret it very much. I regret why I rejected you in the first place. If I hadn’t rejected you, would I be the one with you now?” ”

It was all because of Bai Jingshu.

Bai Mo’s hatred for Bai Jingshu had reached its peak.

He wished he could kill Bai Jingshu right away.

“Lin Ze was about to leave, but when he heard Bai Mo’s words, he couldn’t help but turn around and continue, “Even if you didn’t reject me back then, I would have rejected you as well. You were the one who thought too highly of yourself. I was with Jingshu because I loved her and had nothing to do with anyone else, especially you!” ”

“After saying this, Lin Ze walked straight to the front of the car, opened the driver’s seat door, and sat inside. ”

Dust rose in the air.

“Soon, the silver-gray car disappeared in front of them. ”

“Bai Mo watched as the car disappeared in front of them. Her eyes were filled with sorrow, and her heart was filled with pain. ”

The silver-gray car soon arrived at the Lin family manor.

Lin Ze took off his suit jacket and handed it to the maid. “Where’s Miss Bai?”

“The maid took the jacket and said respectfully, “Miss Bai has already left.” ”

Lin Ze nodded.

“His wedding with Bai Jingshu on Earth was scheduled for the 26th. Everything that needed to be prepared was almost ready. Now, he just needed to wait quietly for the wedding to arrive.”

“Ah Ze!” Just then, Ye Shu walked in from outside. ”

“Mom.” Lin Ze looked up at Ye Shu.

“Ye Shu continued, “Ah Ze, cousin Jingshu is here today.” ”

Lin Ze frowned slightly. “It’s Bai Mo. .”

“Ye Shu nodded. “Yes, it’s called Bai Mo. . But Jingshu said that this Bai Mo doesn’t have any good intentions. She even went on a blind date with you before, right?” ”

“Yes.” Lin Ze nodded.

“Ye Shu continued, “You have to be careful. I heard from Jingshu that Bai Mo isn’t a good person. You Can’t be fooled by her.” ”

“Ever since the incident with Zhang Qingqing, Ye Shu felt that Lin Ze was easier to fool. ”

She was a little worried about Lin Ze.

“Don’t worry, I know,” Lin ze said. ”

Ye Shu nodded and smiled. “Hurry up and wash your hands. It’s time to eat.”

“Did Jingshu go back?” Lin Ze asked.

“”She went back. She said that the publishing company had something to talk to her about,” ye Shu replied. ”

“OH.” Lin Ze turned around to wash his hands.

Ye Zao was also at home today.

It was very rare for her to play with her phone while eating. The corners of her mouth were slightly curved.

“Ye Shu asked curiously, “Zao, what are you smiling about? Why Are You So Happy?” ”

Ye Zao put down his phone. “It’s a funny video.”

“Lin Ze continued, “It’s from fifth brother, right?” ”

“Smart.” Ye Zao raised his eyebrows slightly.

“Lin Ze ate a mouthful of vegetables and asked curiously, “When are you two going to do something?” ”

“No Rush.” Ye Zao’s tone was indifferent.

“Lin Ze smiled and said, “Even a certain someone is not in a rush?” ”

“As a man, he knew Cen Shaoqing too well. ”

“Although he could not bear to part with his sister, Lin Ze still felt a little sympathy for Cen Shaoqing. ”

A man in his thirties who was still a vegetarian was indeed a little miserable.

“Hmm...”ye Zhuo hesitated for a moment. “He shouldn’t be in a hurry either.”

Lin Ze chuckled and ate a mouthful of vegetables. He did not say anything else.

“Ye Shu said, “Zhuo Zhuo, Shaoqing is not young anymore. Don’t be too considerate.” ”

“”Mom,”ye Zhuo turned to look at Ye Shu. “Am I your biological daughter or is he your biological son?” ”

“Ye Shu smiled and said, “He’s my biological son-in-law.” ”

“After saying that, ye Shu continued, “Zhuo Zhuo, I’m serious. You Can’t make things too difficult for Shaoqing. Shaoqing is an honest child and doesn’t talk much. Don’t bully him all the time.” ”

“Hearing that, Ye Zhuo looked at ye Shu in disbelief, “Mom, who are you calling honest? Cen Shaoqing?” ”

“As expected, when a mother-in-law looked at her son-in-law, the more she looked at him, the more she liked him. Ye Zhuo didn’t expect that Cen Shaoqing would leave ye Shu with an honest image. ”

“”That’s right. Is Shaoqing not honest?”Ye Shu continued, “You see, every time he hits you, he doesn’t fight back. He doesn’t even return the scolding. If it wasn’t because he likes you, who could do this?” ”

“Ye Zao took a bite of the pudding. “Mom, then you really don’t know that Mr. Cen.” ”
