Chapter 2381: 497: Start stirring up trouble! 3

Cen Shaoqing had something to do with honesty?

“I know who Shaoqing is.” Ye Shu put down her chopsticks and said with a smile, “By the way, are you busy recently, Zhuozhuo?”

“I’m okay. I’m not too busy,” ye Zhuozhuo said.

“Ye Shu continued, “If you’re not busy, accompany me to the mall tomorrow.”

“Okay.” Ye Zhuo nodded slightly.

On the other side.

At the CEN residence.

“Old Mrs. Cen was sitting on the sofa, holding half a watermelon in her hand. She turned to look at Cen Shaoqing. “Fifth girl!”

“Hearing this address, Cen Shaoqing rubbed his nose but did not say anything.”

“Old Mrs. Cen snorted lightly. “Brat! You even learned to look at people and make dishes. When Zhuo Zhuo called you fifth girl, you agreed more than anyone else. When it’s your grandmother’s turn, you must be deaf, right?”

“Old Mrs. Cen had observed that every time ye Zhuo called Cen Shaoqing like that, not only did Cen Shaoqing not get angry, but a flower almost blossomed on his face. ”

How could it be like this!

“Cen Shaoqing looked back slightly. “Zhongruo calling me that is the joy of the boudoir. Grandmother, when I was five years old, you could call me that. How Old Am I Now?” ”

“In fact, Cen Shaoqing had already been unable to accept such a nickname when he was five years old. ”

“However, he was too young at that time and did not have much authority. Hence, after he was in his teens, he resisted this nickname with all his might. Gradually, he gained control of the Cen family and no one dared to call him that anymore. ”

“Old Mrs. Cen snorted coldly and said, “I think you need to be taught a lesson!” ”

Cen Shaoqing took a sip of tea and did not say anything.

“Old Mrs. Cen continued, “Oh right, Zhuozhuo has graduated. When do you plan to propose?” ”

“As time passed, old Mrs. Cen was more anxious to hold her great-grandson. ”

Life was a matter of closing and opening one’s eyes.

She did not want to leave any regrets before closing her eyes.

“No Rush.”Cen Shaoqing’s expression was normal.

No Rush?

“Hearing this, Old Mrs. Cen’s face was full of disbelief. ”

Cen Shaoqing wouldn’t be in a rush?

How was that possible!

“”You Brat, why are you still pretending in front of your grandmother!”Old Mrs. Cen rolled her eyes at Cen Shaoqing. ”

“CEN shaoqing continued, “Searing has just graduated, I’m really not in a rush.” ”

“Cen Shaoqing changed the topic and continued, “But if you’re in a hurry, I can force myself to be in a hurry.” ”

Cen Shaoqing was serious. It was as if he was really not in a hurry.

“In fact, a certain someone’s heart was already scratching like a cat’s Paw. It could not be stopped. ”

“”Brat!”Old Madam Cen was a little speechless and said, “With you like this, you seem to be getting married. If it wasn’t for me, the Invincible and good grandmother of the universe, you’d be waiting to be a bachelor for the rest of Your Life!” ”

“Cen Shaoqing put down the cup in his hand. He still wore a serious look on his face. “Yes, yes, yes. Grandma, whatever you say is right.” ”

This made it seem like old Mrs. Cen was the one who was being unreasonable.

“Why are you such a child?”Old Mrs. Cen said with a frown.

“Cen Shaoqing stood up from the sofa. “Grandma, I still have something to take care of. I want to go upstairs.” ”

Old Mrs. Cen also stood up. "Wait a moment."

"Do you still have something to do?" Cen Shaoqing looked back slightly.

Old Mrs. Cen walked over. "Lower Your Head and hit me."

"Cen Shaoqing was 193 and old Mrs. Cen was 158. The distance between the two was 35 centimeters. Every time she spoke to Cen Shaoqing, Old Mrs. Cen would raise her head."

"Cen Shaoqing bent slightly. "Other than your head, you can hit me anywhere you want." "

""Why?" Old Mrs. Cen put her hands on her hips, looking like an old blackmailer that she couldn't afford to offend. "

"CEN Shaoqing continued, "Because my head can only be hit when it's burning." "

"Show!" Old Mrs. Cen gave Cen Shaoqing a thumbs up.

She had nothing to say to that.

"CEN Shaoqing continued, "Do you still want to hit me? If you don't, I'll go upstairs first." "

Old Mrs. Cen stood on the small stool and slapped Cen Shaoqing on the shoulder. "Kneel and be at peace!"

An elder in the family was like having a treasure. Cen Shaoqing smiled helplessly and turned to walk upstairs.

“Seeing that Cen Shaoqing’s figure was about to disappear upstairs, old Mrs. Cen continued, “Wait a minute.” ”

Cen Shaoqing looked back slightly. “What else do you want to tell me?”

“”About the matter between you and searing flame, when are you going to propose?”Old Mrs. Cen asked. ”

“CEN Shaoqing continued, “Since you’ve already said it, I’ll definitely do it as soon as possible.” ”

Chapter 2382: 497: Start stirring up trouble! 4

As soon as possible?

Old Mrs. Cen’s eyes lit up. “How long is as soon as possible?”

“Keep it a secret.”Cen Shaoqing’s thin lips parted.

Old Cen looked at Cen Shaoqing’s back the same day and shook his head helplessly. “This brat!”

“When he went upstairs, Cen Shaoqing closed the door of the study room, opened the computer’s drawing software, and began drawing. ”

“If there were people who knew what was going on, they would definitely recognize that this was a design of a venue. ”

Time passed by minute by minute.

“A few hours later, there was a knock on the door of the study room.”

“Cen Shaoqing clicked to save the design and said slowly, “Come in.” ”

His slightly cold tone was a little low.

“The next second, Zhou Xiang walked in from outside the door. “Shaoqing.” ”

“Mom.”Cen Shaoqing raised her head slightly.

Zhou Xiang held a bowl in her hand. “This is the bird’s nest that has just been cooked in the kitchen. Drink it while it’s hot.”

“”Thank you, Mom.”Cen Shaoqing picked up the bird’s nest and drank it in one gulp. ”

“After drinking the bird’s nest, Zhou Xiang continued, “The day after tomorrow is Ah Ze’s wedding day. What gift do you think our family will bring?” ”

“CEN Shaoqing continued, “What do you think of the courtyard house in the city center?” ”

“Hearing this, Zhou Xiang thought for a while and then said, “That courtyard house is really not bad. I also heard that Ah Ze’s girlfriend likes ancient culture. Shaoqing, you’re really thoughtful.” ”

Zhou Xiang said it casually as if it was not a courtyard house. It was as simple as what to eat the next morning

Little did he know that the value of a courtyard house in the center of the city had already reached 10 digits.

Cen Shaoqing’s thin lips parted slightly. “Then send it to the courtyard house.”

""Alright."After saying that, Zhou Xiang continued, "Then you and Zhuluo, the two of you?" "

"CEN Shaoqing said without a trace, "Mom, are you in a hurry?" "

"Zhou xiang continued, "How can I not be in a hurry? For people my age, they already have several grandchildren! My daughter-in-law is still at someone else's home!" "

"Cen Shaoqing maintained his smile. "Since you and Grandma are in such a hurry, I'll try my best to put the wedding on the agenda." "

"Zhou Xiang was much more honest than old madam Cen. Before she realized that she had been tricked by Cen Shaoqing, she smiled and said, "Alright, when do you want to Get Married? I'll make some preparations." "

""You can prepare whatever you need to prepare. You'll have to get married sooner or later anyway,"Cen Shaoqing said. "

"Okay."Zhou Xiang nodded.

Time passed quickly.

"In the blink of an eye, it was the day of Lin Ze and Bai Jingshu's wedding. "

"It was different from the time they were in the s galaxy. This time, there were many people at the wedding. "

There were four bridesmaids and four bridesmaids.

"The bridesmaids were ye Zao, an Lizi, and two authors and friends that Bai Jingshu knew. "

“Both of them lived in sea city. In order to attend Bai Jingshu’s wedding, they had rushed over from sea city two days in advance to help Bai Jingshu decorate the wedding room.”

“The best man team consisted of Cen Shaoqing, dog two, Fat Tiger, and Mozzie.”

“Fat Tiger walked to Lin Ze’s side and whispered, “Are those two girls sister-in-law’s friends?” ”

“Yes.” Lin Ze nodded.

“They’re both authors?” Fat Tiger asked again.

“”Yes.” Lin Ze smiled and said, “Let me tell you another secret. Both of them are still single.” ”

“When he heard this, Li Wen immediately walked over. “F * ck! Is this for real? !” ”

“Lin Ze said, “Of course it’s for real. However, whether or not you can catch up to them is up to the both of you.” ”

“Li Wen laughed twice and placed his hand on fat tiger’s shoulder. “Brother, to be honest, I like the one who wears glasses.” ”

“Fat Tiger said a little excitedly, “What a coincidence! I like curly-haired girls!” ”

“If both of them liked the same bridesmaid, it would be a little awkward.”

“Fortunately, both of them had different aesthetic standards, and the girls they liked were also different.”

“Li Wen extended his hand to fat tiger, and fat tiger immediately high-fived Li Wen. “Good brother, you can do it!” ”

Li Wen raised his eyebrows. "You too. I hope that we can be like brother Ze and successfully get the beauty back."

"Of course!" Fat Tiger raised his eyebrows.

"At this moment, Li Wen seemed to have thought of something. He looked at Lin ze and asked, "Brother Ze, when we eat later, will there be a table full of bridesmaids and groomsmen?" "

"Lin Ze smiled and said, "Of course there will be a table full of bridesmaids." "

"That's Great!" Li Wen was already planning how to add the bridesmaids' wechat when they ate.

"Just as the few of them were whispering, the bridesmaids began to pose difficult questions to test the groom and the Sina team."

"In order to perform in front of the two bridesmaids, Li Wen and fat tiger stepped forward. "

Buttface saw that something was wrong!

How could he let these two people perform in front of him? He also had to perform well in front of an Lizi.

"Therefore, Cen Shaoqing had nothing to do. He stood there calmly and watched the show. He watched as Buttface, Li Wen, and fat tiger were completely disfigured by the four bridesmaids. "

"In the past, Cen Shaoqing rarely attended weddings. Even when his three sisters got married, he only went to the hotel to go through the formalities. Last time in the S galaxy, there were no such procedures. He had never known that., it turned out that getting married was so difficult. "

"It seemed that when he married ye Zhuo, he had to make two preparations. "

He had to leave the bridesmaids at a loss.

Bai Mo mingled among the guests and looked at the beautiful bride and handsome groom. She was extremely jealous.

On what basis?

On what basis did Bai Jingshu get everything?

“On the other hand, she had nothing. ”

Lin Ze should be hers!

Bai Mo narrowed her eyes.

She had to make Bai Jingshu pay the price and turn this wedding into a funeral.

““Sister, I wish you and brother-in-law a happy marriage and an early child.” Bai Mo walked out from the crowd with a blessing smile on her face. ”

“Seeing Bai Mo, Bai Jingshu was stunned. ”

“Bai Mo continued, “Why, you don’t Welcome Me?” ”

Chapter 2383: 498: Why did they ignore ye Zao? 1

Bai Jingshu was Bai Mo's cousin.

"Under normal circumstances, when a cousin got married, how could they not invite their cousin?"

"Moreover, when Bai Jingshu saw Bai Mo, she still had a stunned expression on her face."

This scene caused the other relatives and friends present to be a little dumbfounded.

They felt that there was something going on.

"Wu Mei quietly tugged on ye Shu's sleeve and asked in a low voice, "What's Going On?" "

Ye Shu shook her head slightly. "I don't know what's going on either."

"After saying that, ye Shu added, "But this girl has been on a blind date with Ah Ze before." "

'been on a blind date'?

"Upon catching these three words, Wu Mei's face was filled with gossip. At the wedding venue, her previous blind date came to congratulate her, and she even addressed the bride as her sister."

The amount of information was simply too much!

"Then, did ah ze have a relationship with her?" Wu Mei continued to ask. "

"If the two of them still had a relationship, then things might be a little tricky. "

"Wu Mei had attended a wedding banquet before. The boy's ex-girlfriend directly played the intimate video of them at the wedding, and the bride left in anger. "

“Today, Lin Ze’s wedding wouldn’t have the same farce, right? ”

“Ye Shu shook her head. “No, the two of them haven’t even started yet.” ”

“That’s good.”Wu Mei looked at Bai mo. “But why do I feel that this little girl has come with ill intentions? Are you sure there’s nothing going on between Ah Ze and her?”

“No matter how she looked at it, it looked like she was here to pick a fight. ”

“It was also because of this reason that Bai Jingshu pretended that she had never known that Bai Mo had come to Earth, and she had not been invited to the wedding. ”

“Yet, Bai Mo still came. ”

“No matter how she looked at it, it did not seem right! ”

“Ye Shu nodded, “It’s really nothing! “This little girl is Jingshu’s cousin. She rejected ah ze previously because she thought that Ah Ze was born in an ordinary family. Later, she found out Ah Ze’s true identity and saw Jingshu marrying Ah Ze, so she felt uneasy!” ”

“”I see!”Wu Mei had been in the rich and powerful family for many years and had seen all kinds of women. However, this was the first time she had seen a woman like bai mo. “This little girl is quite capable!” ”

She had rejected Lin Ze and now regretted that she had come to the wedding uninvited. Ordinary people would not be so thick-skinned.

She wondered what this little girl was thinking!

“Bai Jingshu quickly reacted and said with a smile, “If sister is here to bless us, then as your elder sister, I will naturally welcome you.” ”

“However, if she was not here to bless them, she would naturally not give Bai Mo face. ”

“Bai Mo said, “It’s good that you’re welcoming me. I thought that sister would not welcome me.” ”

“”How can that be?”One would never hit a smiling person, let alone in front of so many guests. ”

“At this moment, Bai Jingshu could only accept Bai Mo’s blessings. ”

She had a premonition.

Bai Mo had definitely come here with a purpose.

“”Sister, this is a wedding gift that I specially prepared for you.”After saying that, Bai Mo handed over a red gift box with both hands. ”

“Just as Bai Jingshu was about to reach out to receive it, a pair of fair and slender hands took the gift box from BAI MO. “I’ll thank you on behalf of my sister-in-law, second Miss Bai.” ”

Bai Mo looked at the beautiful woman in front of her and was stunned.

“The person in front of her was wearing a nude pink bridesmaid’s dress. There was no makeup on her face, but her lips were red and her teeth were white. Her 3,000 strands of black hair were braided diagonally, and the nude pink ribbon on her head added to her charm, looking down, it was a beautiful collarbone. ”

“The strapless gown covered the boundless spring color, faintly revealing a bewitching charm. ”

This was...

Ye Zao.

“She had heard of many things about ye Zao. She had met ye Zao once before. Although they had never worked together, she knew that ye Zao was not someone to be trifled with.”

“After all, he was someone who could calm down the people of the Chang Yue country by himself.”

“If the Chang Yue country did not have ye Zao, they would be a pile of loose sand by now.”

“Bai Mo had thought of many ways to deal with it when she came, but she had only forgotten about ye Zao.”

What should she do now?

“If she asked him to give up just like that, she would definitely be unwilling.”

But if he did not give up...

It seemed that she could only wait and find a suitable opportunity to give Bai Jingshu a fatal blow.

“Thinking of this, Bai Mo narrowed his eyes.”

“Bai Mo secretly bit her lower lip and continued, “Miss Ye, you’re too polite. This is what a younger sister like me should do.” ”

“Ye Zhuo handed the gift box to the butler beside him and instructed, “Bring second Miss Bai to the VIP seats.” ”

““Okay.”The butler nodded and turned to look at Bai mo. “Second Miss Bai, please.” ”

Chapter 2384: 498: Why Did You Ignore Ye Zhuo? 2

“Bai Mo followed the Shangguan family’s footsteps and did not forget to turn to look at Bai Jingshu.
“Sister, I’ll go over first.” ”

“Okay.” Bai Jingshu nodded.

“Looking at Bai Mo’s back, a worried look flashed across her eyes. ”

“Ye Zhuo placed his hands on Bai Jingshu’s shoulders. “Sister-in-law, don’t worry.” ”

“With her around, she would not let Bai Mo Ruin Lin Ze and Bai Jingshu’s wedding. ”

“Okay.”

“Seeing that Bai Jingshu was still worried, ye Zhuo walked to Cen Shaoqing’s side. “Send someone to keep an eye on Bai Mo. I have a feeling that she will ruin things.” ”

“The one who just left?” Cen Shaoqing asked.

“Yes.” Ye Zhuo nodded slightly.

““Okay, I’ll arrange it right away.” CEN Shaoqing continued, “I’ll make sure that my future brother-in-law’s wedding goes smoothly!” ”

“Go.”

Cen Shaoqing turned around and walked out of the house.

“Bai Mo was Bai Jingshu’s cousin, so Cen Shaoqing naturally knew that Bai Mo was not an ordinary person. ”

“She was not an ordinary person, so she naturally could not use an ordinary person to spy on her. ”

Bai Mo sat in the VIP seat and vaguely felt that something was wrong.

Someone was spying on her.

And there was more than one.

What should she do now?

Should She Stop Now?

Bai Mo was naturally unwilling to let her stop now.

“But if she didn’t Stop Now, what if she was caught? ”

“While she was hesitating, Bai Mo peeled a piece of candy and stuffed it into her mouth. At that moment, she suddenly thought of something and a smug smile appeared on her face. ”

She wanted to make Bai Jingshu lose face unknowingly and be abandoned by Lin Ze in public!

Over here.

“Although there was a small interlude with Bai Mo, the wedding was still going on. ”

Dog Two walked over to an Lizi's side. "Has sister found a boyfriend yet?"

An Lizi glanced at him. "Who's your sister?"

"Dog two continued, "Brother Ze and I are good brothers, and we're older than you. Don't tell me you still want to be my sister?" "

An Lizi didn't say anything.

"Why didn't your boyfriend come with you?"

"What does it have to do with you?" An Lizi rolled her eyes at him.

"Buttface really deserved a beating. "I think you don't have a boyfriend at all, right?" "

""If you want to ask me if I have a boyfriend, just tell me directly. Why do you have to take such a big turn?" An Lizi said unhappily, "Yes, so what if I don't have a boyfriend? So what if I'm a single dog? Did I eat your food or drink your water? Aren't you a single dog?" "

"Although an Lizi wasn't old, Xia Xiaoman was already starting to urge her. "

"According to Xia Xiaoman, those who should be in a relationship should be in a relationship, and those who should be studying should study hard. "

The best time to be in a relationship in life was when one was 22-26 years old.

It would be even better if they could fall in love in college.

"Buttface smiled and said, "Since it's such a coincidence that you're a single dog and I'm also a single dog, why don't we make a pair?" "

“Who wants to make a pair with you?” An Lizi thought that buttface was joking.

“After all, this dog had often joked with her. ”

““I’m not joking with you. I’m serious.” Buttface looked at an Lizi and said very seriously, “Miss an, why don’t we give it a try?” ”

An Lizi was stunned by dog two’s sudden seriousness.

It seemed a little different from the dog two she knew.

Especially when dog two said ‘miss an.’

“You... are serious?” An Lizi asked.

“Dog two continued, “Do I look like I’m Not Serious?” ”

How should I put it.

“There were some things that had been hidden in his heart for a long time, but dog two had never found a chance to tell an Lizi. ”

Attending a wedding could make people feel an impulse.

Especially when they saw Lin Ze and Bai Jingshu loving each other.

Buttface also wanted to enter the hall of marriage with the person in his heart.

An Lizi looked up and down at Buttfac but didn't say anything. The expression on her face was especially complicated.

"Buttfac was a little nervous under an Lizi's gaze, and he swallowed helplessly. "

"After a while, Buttfac mustered up his courage and said, "What do you think? Have you made up your mind?" "

"An Lizi looked at buttfac and said, "Please, there's a limit to jokes! What if I take it seriously?" An Lizi didn't think that buttfac was sincere, after all, she had provoked buttfac many times. Unless buttfac was masochistic, otherwise, how could buttfac fall in love with her? "

Absolutely impossible!

""Of course I didn't..." just as buttfac was about to say something, another bridesmaid interrupted him. "

Chapter 2385: 498: Why Did You Ignore Ye Zao? 3

"Lizi! Come Here!"

"I'm Coming!" An Lizi immediately trotted over.

Dog two looked at an Lizi's back and scratched its head helplessly.

The weather really didn't make things better!

"Just as the confession was about to succeed, Cheng Yaojin suddenly appeared out of nowhere. "

"How's brother Dog? Did you catch him?" Fat Tiger walked over from the side and put his hand on dog two's shoulder.

"Buttface said, "He's just one step away from success." "

""And then?" Fat tiger asked curiously, "What happened?" "

"Then he was called away." Buttface looked at Fat Tiger. "That's right. He's the bridesmaid you like."

"Chen Chen?" Fat Tiger asked.

Buttface glanced at him. "Not bad. You even know his name so quickly."

""That's a must," fat tiger said proudly. "

"Buttface continued, "Is wechat coming?" "

""Not yet, but it's coming soon," fat tiger continued, "I just learned that Chen Chen and I have a lot of common interests." "

"Although Chen Chen was an author, she was not an otaku at all. She was also an outdoor sports fan. "

"Then I'll congratulate you in advance for bringing back a beauty!" Buttface said.

Fat Tiger laughed out loud. "You're too kind. I also wish that you can get together with your sister as soon as possible!"

"Scram!" Buttface slapped fat tiger directly. "Don't think that I don't know that you secretly took advantage of Me First!"

“What are you two talking about? Why Are You So Happy?”Li Wen walked over from not far away.

“Fat tiger continued, “Brother Dog has decided to confess his love to his sister. I’m congratulating him in advance!” ”

“Li Wen said, “Then I’ll also congratulate you on getting the beauty as soon as possible! Oh right, what do you think this is?”As he said that, Li Wen waved his phone. ”

“What?”Fat Tiger asked in confusion.

“Li Wen said somewhat proudly, “Jin Ling’s wechat.” ”

Jin ling was the name of the other bridesmaid.

“”F * ck! F * ck! Mosquito, when did you ask for it? Why didn’t I know about it at all?”Fat Tiger was about to die of jealousy. ”

“He was still thinking about how to get Chen Chen’s wechat, but Li Wen directly added Jin Ling’s wechat. This was too fast! ”

To say that he was not envious at all was a lie!

Li Wen raised his chin. “That’s why you can only live alone.”

“F * ck off! You’re the one who lives alone! Isn’t it just a crappy wechat? What’s so great about it!”Fat Tiger raised his leg and kicked Li Wen’s butt.

“Fortunately, Li Wen dodged quickly. Otherwise, this kick would have directly kicked Li Wen’s body. ”

“Li Wen laughed so much that he could not even straighten his back. “Looking at this guy, I was so embarrassed that I flew into a rage!” ”

“An Lizi hurriedly walked over with the other two bridesmaids. When she saw this scene, she smiled and said, “Fat Tiger, Mosquito, please hurry up and get together!” ”

“An Lizi had been indulging in a rotten drama recently and couldn’t get out of it. Seeing Li Wen and fat tiger like this, she had already imagined a beautiful scene. ”

“Li Wen hurriedly said, “I’m straight! I’m even straighter than steel!” ”

“Fat Tiger said, “I’m straight too! Sister, Don’t spout nonsense! You’re ruining my reputation!” ”

“Seeing that the two of them were so serious, an lizi smiled and said, “I was just joking. Oh right, the wedding ceremony in the front hall is about to begin. The four best men are going to open the door.” ”

“Is the auspicious time set at 12:08?”Buttface asked from the side.

An Lizi nodded.

Buttface looked at the other two. “Then let’s go over first. Don’t delay the proper business.”

Li Wen nodded as well and followed Buttface’s footsteps.

Fat Tiger realized that there was one less person and turned to look at an Lizi. “Where’s master five?”

“They had agreed that there would be four groomsmen, but Cen Shaoqing was like a master. Wherever he went, his left hand would be in his pocket. He looked as if he was a stranger. However, none of the three of them dared to say anything, they even took the initiative to ask if master five needed anything?”

“An Lizi said, “He’s already in the front hall. You guys can go first.” ”

“Okay.”Fat Tiger nodded and followed them.

Buttface deliberately slowed down his pace and walked with an Lizi.

“An Lizi felt a little uncomfortable when buttface suddenly acted like this. She asked vigilantly, “What do you want?” ”

“”Nothing.”Buttface lowered his voice and continued, “I just want to tell you that I was serious about what I said to you just now. I really want to be with you. It’s not the casual kind.” ”

Chapter 2386: 498: Why Did You Ignore Ye Zao? 4

“In his view of love, there was no such word. ”

“At this moment, an Lizi’s heart was beating a little fast. ”

It almost jumped out of her chest.

Plop Plop Plop —

Again and again.

“Before an Lizi could react, dog two had already quickened its pace and caught up with Li Wen and fat tiger. ”

“An Lizi raised her head to look at him, her cheeks slightly red. ”

“Seeing her like this, Jin Ling moved closer to an lizi and teased, “Lizi, are you having an affair with that little brother in front of you?” ”

“”Lingling, what nonsense are you spouting!” An lizi continued, “I would never have an affair with anyone!” ”

“Hearing this, Chen Chen immediately moved closer, “That’s not necessarily true. Some things can’t be said too confidently.” ”

“”Aiya, there really isn’t! How could I be with him!” An Lizi directly denied it. ”

“Firstly, she still felt that dog two was joking with her. Secondly, she felt that she wasn’t dog two’s type. ”

“Therefore, dog two must be joking with her again! ”

“This dog, how could such a thing be used as a joke? ”

On the other side.

Bai Mo also came to the front hall.

“On the wedding stage, the eloquent emcee had already started to liven up the atmosphere. ”

“Bai Mo looked at the Emcee and then at the guests around her, unable to put on any expression. ”

Lin Ze should have been hers.

This wedding should have been hers.

But it had been snatched away by Bai Jingshu just like that.

Who Was Bai Jingshu?

How could she have everything she had at ease?

Everything should belong to her.

Bai Jingshu was a slut!

“Bai Mo held onto the handle of the chair beside her. Because she had used too much strength, her knuckles had already turned slightly white. ”

“At this moment, a figure walked over at high speed. Because it was too fast, it directly bumped into Bai Mo, causing her to almost fall to the ground. ”

“Just as Bai Mo was about to lose her temper, she raised her head and saw that the person who bumped into her was one of the bridesmaids, Chen Chen. The anger in her eyes instantly disappeared completely. ”

“Chen Chen immediately apologized, “I’m sorry, I’m sorry. I didn’t see anyone just now. Pretty Lady, Are You Alright?” ”

Bai Mo smiled and raised her head. “I’m fine.”

Chen Chen heaved a sigh of relief. “It’s good that you’re fine. I’ve been too busy today...”

“Bai Mo continued, “Miss Bridesmaid, you should hurry up and get back to work. I’m really fine.” ”

""Alright. Thank you, Pretty Lady."" "

Bai Mo shook her head. "I'm fine."

"After confirming that Bai Mo was fine, Chen Chen left with a sigh of relief. "

"When he saw Jin Ling's voice in the crowd, Chen Chen shouted, "Lingling! Lingling! Quickly send some food to the dressing room. Jingshu said that she's hungry." "

"There was not much time left before the auspicious time. At this time, he could not let the bride starve.
"

""Alright, I'll go right away."Jin Ling made an OK gesture to Chen Chen across the crowd. "

"Hearing that,. "

Bai Mo released her hand and narrowed her eyes slightly.

Even God was helping her.

Just wait.

She was going to ruin Bai Jingshu's reputation at today's wedding.

"With that in mind, Bai Mo turned around and left. "

"When she turned around, she glanced at the crowd. "

Very good.

“The person who had followed her was no longer there, so she must have let down her guard.”

“She had really thought that ye Zhuo was very capable, but it turned out that he was only so-so.”

“Without the group of people who were watching her, Bai Mo’s movements were much more convenient. She went backstage and successfully found Jin Ling.”

“At that moment, Jin ling was preparing pastries for Bai Jingshu.”

“Bai Mo adjusted her expression and walked over to greet Jin Ling. “Hello, Miss Maid of Honor.” ”

Jin Ling raised her head to look at Bai mo. “Hello.”

“Bai Mo continued, “Let me introduce myself. I’m the bride’s cousin. My name is Bai Mo. . Um, I might have had a slight misunderstanding with my sister...” Bai Mo lowered her head. “It was all my fault in the past. I was too young and insensible, causing sister to be unhappy. But today, I’m here to bless sister. I hope that sister and brother-in-law can be happy for a long time.” ”

“Jin Ling was a kind-hearted female author. In addition, she did not know about the matter between Bai Jingshu and Bai Mo, so she only thought that the two of them were just normal sister conflicts. Hearing this, she felt that it was not easy for Bai Mo., she smiled and comforted her. “Miss Bai, don’t think too much. Jingshu is a very good person. I believe that she definitely won’t blame you anymore. There’s no overnight feud between sisters.” ”

“Bai Mo didn’t expect Jin Ling to be so gullible, she continued, “Thank you, Miss Bai. It’s said that birds of a feather flock together. I didn’t believe it in the past, but now I finally believe it. My Sister is as kind-hearted as you are. By the way, is all this food prepared for my sister?” ”

“Yes.” Jin Ling nodded.

“Bai Mo continued, “Then can I have a piece? These snacks look so tempting!” ”

“Sure.” Jin Ling picked up the pastries. “Take whatever you want. I’m going to send it over to Jingshu.”

“Bai Mo picked up a piece of pastries. “This will do. Little Missy, hurry up and send it over to my sister.” ”

“Jin Ling did not notice that when Bai Mo picked up the pastries, her ring finger and little finger accidentally swept across the pastries. ”

Bai Mo looked at Jin Ling with a mocking expression.

Stupid Earthling!

“Jin Ling took the pastries. “Miss Bai, I’ll go look for Jingshu then.” ”

“Hurry up.” Bai Mo nodded

Jin Ling turned around and left.

“Looking at Jin Ling’s back, Bai Mo’s lips curled up. ”

“She had smeared the pastries with an extremely rare aphrodisiac from the s galaxy. No matter who it was, as long as they fell for it, they would go from being obedient to being a slut. ”

“Today was Bai Jingshu and Lin Ze’s wedding. If Bai Jingshu went crazy on the spot, where would the Lin family and Lin Ze put their face? ”

“By then, Bai Jingshu would be a true abandoned woman! ”

“By then, Lin Ze would also realize how good she was. ”

Bai Mo took out the pastry from the pastry plate and placed it in her mouth to take a bite.

It had a very soft and sticky texture. It melted in her mouth and tasted very good.

Bai Mo ate the whole piece of pastry bit by bit.

“About ten minutes later, Jin Ling ran out of the makeup artist in a panic. ”

“Bai Mo walked forward and asked with concern, “What’s wrong with Miss Ye?” ”

“Jin Ling said with some guilt, “N-nothing. That Miss Bai, if there’s nothing else, then... then don’t go to the makeup artist. Oh right, don’t let anyone else in! I’ll go look for Miss Ye!” ”

Bai Mo nodded. “Okay.”

Chapter 2387: 501: you’re not going back! 1

“”Miss Bai, I’ll have to Trouble You Then. I’m going to look for Miss Ye. I’ll be back soon!”After saying that, Jin Ling turned around and left. ”

“Looking at Jin Ling’s back, the corners of Bai Mo’s mouth curled up into a proud smile. ”

“Although Jin Ling did not say anything, looking at Jin Ling’s appearance, she could guess what had happened inside. ”

Bai Jingshu must have eaten the pastry.

Jin Ling wanted to look for Ye Zhuo?

Bai Jingshu must have done something ugly inside before she could find ye Zhuo.

But that was good.

She could let ye Zhuo see how Bai Jingshu would behave in front of others.

She wanted to see how Bai Jingshu would stand in the Lin family after such a scandal.

The Lin family was a big family in the capital. They couldn't tolerate such a wicked daughter-in-law.

"As for Lin Ze, as a man, how could he let Bai Jingshu put on a hat for him? "

Of course not

"Jin Ling took a few steps forward and seemed to have thought of something. She turned back to look at Bai Mo and instructed, "Miss Bai, please don't let anyone into the dressing room!" "

"Bai Mo nodded and continued, "Don't worry, Miss Bai. I Won't let anyone in." "

"Seeing that she kept calling her Missy, Jin ling continued, "My surname is Jin, Jin Ling. Jin of Jin, Ling of the Elves. Missy Bai, you can call me Jin Ling. I'll be right back!" "

""Okay." Bai Mo continued, "Missy Jin Ling, you should go now! I'll wait for you at the door!" "

"After confirming that Bai Mo would not leave or enter the dressing room, Jin Ling quickly ran to look for ye Zao. "

Bai Jingshu said that only ye Zao could resolve this matter.

“Although it was Jin Ling’s first time meeting ye Zao, and Bai Jingshu did not introduce ye Zao in detail, she could tell that ye Zao was not an ordinary person. ”

“Bai Mo stood at the door. When Jin Ling was far away, she pushed open the door to the dressing room and walked into the room. ”

The dressing room was very quiet.

“The bright crystal lights swayed above her head, making her feel dizzy. ”

“However, Bai Mo didn’t realize it at the moment. ”

She was too excited to realize it.

“On the other hand, she really wanted to see Bai Jingshu lose face. ”

“Whenever she thought about that scene, Bai Mo felt very excited. ”

“After waiting for so long, she finally waited for Bai Jingshu to get her retribution. ”

““Sis,” Bai Mo called out. ”

There was no response from Bai Jingshu in the room.

How could there be no response?

Bai Mo narrowed her eyes.

“Sis?”

There was still no response.

Bai Mo continued to walk a few more steps.

Where did Bai Jingshu go?

“At this moment, Bai Mo’s gaze was suddenly attracted to a curled up figure under the sofa. ”

It was Bai Jingshu.

Bai Mo smiled and walked over. “Sis.”

The curled-up figure under the sofa did not answer Bai Mo. .

“Bai Mo did not stop and continued to walk forward. Then, she squatted down in front of Bai Jingshu and said gently, “SIS, What’s wrong with you? Are you not feeling well?” ”

“Bai Jingshu squatted on the ground, her entire body trembling. ”

“Bai Mo looked at her, his eyes filled with sympathy. “SIS, do you need me to find a doctor for you?” ”

“”No, no need.”Bai Jingshu raised her head. “Why are you here?” ”

“Bai Mo asked incredulously when he saw that Bai Jingshu was sweating profusely. “SIS, What’s wrong? Why are you sweating so much?” ”

“Bai Jingshu took a deep breath. “It’s the latest aphrodisiac. Bai Mo, do you dare to say that you have nothing to do with this?” ”

This kind of drug was only available in the s galaxy.

She never dreamed that Bai Mo would do such a thing at her wedding.

Bai Mo wanted to ruin her.

""SIS, what are you talking about? I don't understand!" Bai Mo looked like she didn't understand anything. "

""Stop pretending. It's You, isn't it?" Bai Jingshu restrained the discomfort in her body. "You want me to make a fool of myself today!" "

Make a fool of myself?

How could it be as simple as making a fool of myself?

Bai Jingshu was really innocent and cute.

"Lin Ze was also blind. Otherwise, even if he found a replacement, he wouldn't have chosen a fool like Bai Jingshu. "

"Bai Mo snorted in her heart and smiled innocently. "SIS, you've misunderstood. We're sisters. Why would I do this to you?" "

""Bai Mo, I'm your sister! We share the same blood!" Bai Jingshu raised her head and looked at Bai mo. "Do you even have any humanity in you? !" "

"This sentence really provoked Bai Mo. Bai Mo looked at Bai Jingshu with a vicious look in his eyes and decided to stop pretending, he said angrily, "Bai Jingshu, do you know that we're biological sisters? But why didn't you think of that when you stole my boyfriend? Aren't you ashamed of yourself?" "

Chapter 2388: 501: you're not going back! 2

"As long as Bai Jingshu had her little sister in her heart, she would not snatch Lin ze away. "

What right did Bai Jingshu have to point her finger at her now!

"Not only did she make Bai Jingshu's wedding dress for nothing, she was also going to become the laughingstock of everyone! "

"In the S Galaxy, who would not laugh at Bai Mo for being blind and having Bai Jingshu make her wedding dress for nothing. "

""Who is Lin Ze? Lin Ze is your brother-in-law! Bai Jingshu, can you even do that to your own brother-in-law? Bai Jingshu! You Disgust Me! A person like you should go to Hell. You should be disgraced!"Bai Mo said hysterically. "

"If it wasn't for Bai Jingshu, would she have ended up like this? "

Bai Mo almost vented all of her dissatisfaction towards Bai Jingshu.

""Bai Mo, wake up. You and Lin Ze never started, so why would I steal him away?"Bai Jingshu said coldly. "

"If Bai Mo had really been with Lin Ze, Bai Jingshu would never have had anything to do with Lin Ze. "

But she hadn't.

They had never started.

Both Lin Ze and Bai Mo had never crossed paths from the start.

Bai Mo's logic was that of a robber!

""Bai Jingshu, why do you think you can be together with Lin Ze?" Bai Mo stared at Bai Jingshu with her eyes wide open, "Because of me! If it weren't for me, you wouldn't even be able to touch Lin Ze's side! Do you really think you're something? You're just a substitute for me!" "

"Up until now, Bai Mo had always thought that Bai Jingshu was her substitute. "

Even though Lin ze had already denied it.

Lin Ze was lying to himself.

"If Lin Ze really didn't like her, he wouldn't have chosen Bai Jingshu. "

It was just that Bai Jingshu couldn't see reality clearly.

""Bai Mo, this is just your imagination!" Bai Jingshu looked at Bai mo. "Lin Ze never liked you! Stop lying to yourself." "

A mocking smile appeared on Bai Mo's lips. "Who is the one who is making this up? Who is the one who is lying to himself?"

Bai Jingshu looked at Bai Mo without any expression in her eyes.

She thought that Bai Mo was just unwilling and regretful. She never expected that Bai Mo would make up so much nonsense in his mind.

“In the next second, Bai Mo stood up from the ground. “Bai Jingshu, today, I will make you pay for stealing someone else’s Man!” ”

“”It’s really you,” Bai Jingshu said. ”

“At that moment, Bai Mo had completely lost her mind, “That’s right, it’s me! So what if it’s me? Bai Jingshu, let me tell you, what I Can’t get, You Lowly woman, can forget about getting it as well! Didn’t you think that you were Lin Ze’s most beloved person? I’d like to see if you can still get what you want after that shameful incident!” ”

Bai Mo was so obsessed with revenge that she had lost her mind. She even ignored the discomfort in her body.

“As soon as she finished speaking, Bai Mo clapped her hands. In the next second, the sound of the door opening came from outside. ”

A few burly men walked in from outside.

“”What do you want?” Bai Jingshu looked at Bai mo. even though she was mentally prepared, she still couldn’t believe it. ”

“They were originally from the same root, so why were they so anxious to fight each other? ”

They were blood-related sisters.

How ruthless was Bai Mo to be able to get to where she was today?

“In the end, it was all because she valued blood-related relationships too much. ”

“Even her biological parents could give up on her completely, not to mention that she and Bai Mo were only cousins. ”

““What do I want to Do? Guess what I want to Do?” Bai Mo looked at Bai Jingshu like she was poisoned.
“Bai Jingshu, do you know how much I hate you? I want to cut you into a thousand pieces!” ”

Bai Jingshu looked at Bai Mo and stood up from the ground.

“At that moment, she seemed to have changed into a different person. She looked down at Bai mo.
“Unfortunately, you don’t have a chance.” ”

“What do you mean?” Bai Mo suddenly felt that something was wrong.

“Bai Jingshu’s face curved slightly. “Bai Mo, haven’t you realized it yet?” ”

“Bai Mo took a few steps back, his face slightly pale. “What did you do to me?” ”

It was also at this moment that Bai Mo suddenly felt a strange heat burning in his body.

It was very strange.

That feeling almost made one’s body turn cold.

“He wanted something, but he also wanted to resist something. It was a very scary and eerie feeling. ”

The energy around Bai Mo was also sucked away at this moment. He looked at Bai Jingshu. “What did you do to me? !”

Bai Jingshu’s gaze was very calm. “Don’t you feel that this feeling is very familiar?”

Chapter 2389: 501: you’re not going back! 3

“As soon as she said this, it was as if she had thrown a stone into a calm lake. Instantly, ripples spread in all directions. ”

“Bai Jingshu!”

“Bai Mo wanted to stand up, but she couldn’t muster the strength to do so. ”

“Bai Jingshu continued, “I’ve never done anything to you. This is all your own doing.” ”

““You set me up?” Realizing this, Bai Mo’s eyes were filled with fear. ”

Bai Mo had never expected that she would hit herself in the foot.

“Although she did not want to admit it, her current symptoms were like she had been drugged. ”

“At this moment, Bai Mo was extremely flustered. ”

“Bai Jingshu continued, “Bai Mo, haven’t you realized your mistake yet? There’s no end to the suffering!” ”

“In fact, Bai Jingshu still hoped that Bai Mo would turn back in time. ”

She was still so young. There were endless possibilities for her future.

“In the next second, the door to the dressing room was pushed open again. ”

Bang.

A slender figure walked in from outside.

“Sister-in-law, why are you being so polite to this kind of person?” A very clear voice asked. ”

“It was clearly a pleasant voice, but in Bai Mo’s ears, there was only endless panic. ”

It was ye Zao.

Bai Mo took a few steps back.

“In the end, she had underestimated ye Zao and Cen Shaoqing. ”

What should she do now?

“According to Ye Zao’s methods, she would probably end up in a miserable state, right? ”

Bai Mo’s body was trembling.

Bai Jingshu looked at Ye Zao. “Zao...”

“Ye Zao curled his lips slightly, but no expression could be seen on his face. He only said, “Sister-in-law, leave this person to me. You can go to the front hall!” ”

“To Bai Jingshu, Bai Mo was a scourge. ”

“If Bai Jingshu did not clean up Bai Mo, she would not be able to live a peaceful life in the future. ”

“Since she had interfered, she would definitely not leave any trouble for Bai Jingshu and Lin Ze. ”

“Bai Jingshu nodded. “Zao, then...” ”

“Bai Jingshu originally wanted to plead for Bai Mo, but on second thought, she felt that she did not know what was good for her. Bai Mo had already treated her like this, so there was no need for her to show mercy to Bai Mo.. ”

“”Zhuzhuo, I’ll have to Trouble You Then,”Bai Jingshu said. ”

Ye Zhuzhuo looked back slightly. “It’s nothing.”

“Soon, only ye Zhuzhuo and Bai Mo were left in the small makeup room. ”

The air was so oppressive that it was hard to breathe.

Bai Jingshu was feeling empty and afraid at the same time.

“”What... What do you want?”Bai Mo looked at Ye Zhuzhuo, his eyes filled with fear. ”

She did not understand why.

“Bai Jingshu was the one who had done something wrong, but everyone wanted to make things difficult for her. ”

She was only pursuing her own happiness. What was wrong with her?

But everyone was blaming her.

Including Lin Ze.

“Lin Ze liked her so much, but he refused to admit it. ”

Ye Zao reached out and snapped his fingers in front of Bai Mo..

Snap.

“The next second, Bai Mo closed her eyes and fell asleep. ”

“Today was the day of Lin Ze and Bai Jingshu’s wedding. Ye Zao did not want Bai Mo to ruin the good omen, so if there were things that could be handled outside, he would try his best to handle them outside. ”

“At this moment, ye Zao seemed to have thought of something. He straightened Bai Mo’s body and unbuttoned the first button on her shirt. Then, he took out a small dagger and gently slid it down Bai Mo’s neck and collarbone. ”

“In an instant, bright red blood oozed out from her skin. ”

“A moment later, she took out a transparent chip from Bai Mo’s wound. ”

“This chip was equivalent to an identity card in the S Galaxy. With it, one could freely enter and exit all parts of the s galaxy. At the same time, it also had the function of automatically connecting to the signal station in the s galaxy. ”

This was also the reason why Bai Mo could still communicate with Bai Yuanyuan in the s galaxy even when she was on Earth.

...

“When Bai Mo woke up again, she was surrounded by an unfamiliar environment. ”

She lay on a bed and stared at the surroundings for a long time before she realized that this was Liu Chao's home.

Why was she at Liu Chao's Home?

"Also, why couldn't she move? "

"Although she couldn't move, she could feel that at this moment, she wasn't naked. "

What was wrong with her?

"Thinking about her experience at the wedding, Bai Mo broke out in a cold sweat. "

She...

She wouldn't...

Bai Mo didn't even dare to think about the rest.

Creak.

"The next second, the door opened. "

Liu Chao walked in from outside. "You're awake."

"Scram!" Bai Mo said angrily.

How could such a lowly person like Liu Chao see such a noble body of hers?

It was impossible.

“Liu Chao stood by the bed, his eyes full of ridicule. “Bai Mo, do you think you are still that high and mighty second miss of the Bai Family?” ”

Chapter 2390: 501: You’re not going back! 4

“”Liu Chao! You lowly human, are you crazy?”Although Bai Mo could not move, she still had the habit of looking down on others. ”

“No matter what time it was, a dog could only be a dog. ”

And a human would always be a human.

Lowly human?

“Hearing this, Liu Chao laughed. “Is Bai Mo in your eyes? I’ll always be a lowly human! I, a lowly human, deserve to be trampled on by you!” ”

“Liu Chao had always thought that Bai Mo was his savior, which was why she was so loyal to Bai Mo.. ”

But he did not expect that.

His loyalty had been fed to the dogs.

“In Bai Mo’s eyes, he was even worse than a dog. The reason why he had ended up in this movie was all because of Bai Mo.. ”

“Looking at Liu Chao’s expression of wanting to eat people, Bai Mo was a little flustered. She gulped. “Liu Chao, what are you trying to do? Don’t forget, I Am Your Savior. What do you want? Don’t come over!” ”

“Liu Chao continued, “What’s supposed to happen has already happened. Bai Mo, don’t Tell Me You Still Think You’re a Virgin?” ”

“What do you mean?” Bai Mo’s expression suddenly turned extremely terrified.

Could it be that she had been taken over by a lowly person like Liu Chao?

How could this be?

No!

She didn’t accept it!

“What do you think?” Liu Chao asked back.

“”How dare you! How dare you!” Bai Mo was so angry that her face turned red. “Do you know who I am? Liu Chao! I’m telling you, you will die! You will die a horrible death!” ”

“Bai Mo was the daughter of the Bai family after all. Once the Bai family knew that something had happened to her on Earth, Liu Chao would be finished! ”

“With the power of the Bai family, crushing Liu Chao was as easy as crushing an ant. ”

“If Bai Mo had not been immobilized, she would have been able to take care of Liu Chao herself! ”

Liu Chao looked at Bai Mo with a sarcastic expression. “Do you think the Bai family can still take care of you?”

“What do you mean?” Bai Mo asked.

“Liu Chao continued, “Do you think you can still go back?” ”

“Hearing this, Bai Mo became even more flustered. “What do you mean?” ”

Liu Chao reached out and lifted Bai Mo’s chin. “The person you offended is Miss Ye.”

“Hearing this, Bai Mo almost choked. ”

“With Ye Zhuo’s methods, she would definitely not have a good ending. ”

“Seeing Bai Mo like this, Liu Chao released Bai Mo’s chin in satisfaction. “From today onwards, you will be like me. You will be an ordinary earthling. This is your identity card.” ”

“After saying this, Liu Chao threw an ID card at Bai Mo.. ”

An ordinary person?

An Earthling?

“Before Bai Mo could react, Liu Chao turned around and left the bedroom. ”

Bai Mo lay on the bed and looked at the ceiling. Her entire being sank into endless fear.

What should she do now?

She couldn’t be trapped on earth forever.

She didn't want to be an inferior person!

"She was born superior. Even in the s galaxy, she was an existence that people looked up to. "

"Bai Jingshu was, after all, the eldest daughter of the Bai family. Ye Zhuo would definitely not kill the Bai family. "

She had to go back!

She had to make Liu Chao pay the price.

Did Liu Chao really think that a lowly person like him could control her?

Dream On!

"At this moment, Bai Mo actually felt that her physical strength was recovering bit by bit until she could move completely. "

Bai Mo was overjoyed and immediately sat up from the bed. She picked up her clothes and randomly put them on.

"After putting on her clothes, she recalled the experience of being raped by Liu Chao when she was unconscious. Bai Mo's face was filled with humiliation. "

"She must make Liu Chao, this lowly trash, pay the price! "

Especially Bai Jingshu!

Bai Mo bit her lip. Her eyes were filled with determination and viciousness.

“A moment later, Bai Mo pushed the door open and walked outside. ”

Liu Chao wasn't there.

It looked like he had gone out on a sports car.

He probably didn't expect Bai Mo to recover so quickly.

Bai Mo couldn't come and look for Liu Chao either. The most important thing now was to immediately return to the s galaxy and deal with Liu Chao later!

Bai Mo rushed to the place where the interstellar shuttle was stored.

“But after searching for a long time, he still couldn't find the interstellar shuttle that was stored back then. ”

What was going on?

Bai Mo frowned tightly.

Could it be that she remembered the wrong place?

“Just as Bai Mo was wondering if there was a problem with her memory, a figure appeared behind her.
“Bai Mo, you can't go back.” ”
