Chapter 241: 094: Master Five is jealous. Check someone for me! 5

“God Ye, we’re about to graduate. I Can’t bear to part with you.” ”

“God Ye, you can’t Forget Us the moment you graduate.” ”

“...”

The scene gradually became emotional.

“Ye Zhuo stood up with a smile. “There is no banquet that doesn’t end. Don’t worry, I will always remember everyone. I will always remember grade 12 Class 7. I wish us all the best in our exams and get into the ideal school.” ”

“Then, ye Zao took a photo with everyone in the classroom.” ”

It wasn’t just the students from Class 7 who didn’t leave.

“The students from the other classes were also reluctant to leave and bid farewell to each other. After all, after today, it would be very difficult for the entire class to gather together.” ”

“After nearly an hour, everyone finally left the classroom.” ”

“An Lizi stood outside and waited for ye Zao and Zhao Pingting. When she saw the two of them coming over, an Lizi ran over excitedly. “Zao Zao, Pingting.” ”

“Ye Zhuo smiled and said, “Lizi, have you been waiting for a long time?” ”

“An Lizi shook her head. “No, our class just ended.” ”

The three of them walked and chatted along the way.

“As they chatted, the topic suddenly turned to the person they liked. ”

Zhao Pingting told an Lizi about the person she liked.

“An Lizi said, “I also have someone I like. I even made an agreement with him to go to the same university together.” ”

“Zhao pingting said in surprise, “Really? What’s going on between the two of you? who confessed to whom?” ”

“An Lizi shook her head, “Neither of us confessed. We’ve known each other since we were young. But when we were fifteen, his parents moved to Beijing because of work. On the day we left, we made an agreement to wait for each other at Beijing University!” ”

“”I’m so envious of you, Lizi! I’ve never heard you talk about this before,”Zhao Pingting said enviously. ”

“An Lizi said, “We’re like brothers. He doesn’t know that I like him at all. But, as long as I can get into Beijing University, I’ll definitely break that window!” ”

“At this moment, Zhao Pingting suddenly pointed at a few male students not far away and said, “Zhuoluo, Lizi, look, that’s song Anbei!” ”

“Which one? Which One? Why don’t I See Him? Isn’t he handsome?”An lizi curiously looked in the direction that Zhao Pingting was pointing at.

“Zhao pingting said embarrassedly, “It’s, it’s the tall and thin one, the one with fair skin.” ”

“Ye Zho narrowed his eyes. “I see that they’re all tall and thin, and they’re not black either...” ”

Zhao Pingting’s face was a little red. “The one with the glasses.”

“An lizi asked, “The boy standing between them?” ”

“Yes.”Zhao pingting nodded.

“An Lizi patted Zhao Pingting on the shoulder and said meaningfully, “Good for you! Pingting! You have good taste! I feel that he looks quite like my idol...” ”

“Which idol?”Zhao Pingting asked curiously.

“As far as she knew, an Lizi had a lot of idols. It was almost as if she fell in love with one idol after being a fan of a drama.”

“”It’s the idol who sang ‘between the mountains and rivers’!”As she said that, an Lizi hummed along and sang, “The rain of falling flowers, your swaying beauty. The fragrance of the flowers reminds me of my past love. I’m willing to turn into a duckweed and lie in the middle of the lake...” ”

“Hearing this, Ye Zao smiled and said, “I quite like him too.” ”

“An Lizi said excitedly, “This shows that we two heroes have the same thoughts! I’ve bought all of his albums. Zao Zao, have you bought them?” ”

Ye Zao nodded. “It’s about the same for me.”

“After saying that, an Lizi turned to look at Zhao Pingting. “Pingting, we’re going to the battlefield tomorrow. Don’t you want to confess to Him? I think the two of you are quite compatible!” ”

Zhao Pingting shook her head. "Forget it."

She did not have the courage to confess.

What if she was rejected?

It would be too embarrassing!

"If you're embarrassed, I can help you get wechat!" An Lizi said. "

"Zhao Pingting grabbed an Lizi's hand. "Lizi, don't do anything rash!" "

"Seeing her like this, an Lizi said speechlessly, "Pingting, you're usually quite brave. You're not even afraid of cockroaches. I'm just going to get wechat. What are you afraid of? Let's chat on wechat first. What if he falls in love with you after a long time?" "

"When she said the idiom 'love after a long time', an lizi winked meaningfully at Zhao pingting. "

"Zhao Pingting's already slightly red face turned even redder at this moment. She pinched an lizi and said, "Lizi..." "

"Ye Zhuo, who was beside her, was speechless. was there something wrong with falling in love after a long time? "

"Alright, Alright, I won't Tease You Anymore!" An Lizi patted Zhao Pingting's hand. "When you've thought it through, you can look for me anytime. I'll help you ask for his wechat!" "

Chapter 242: 094: Master Five is jealous. Check out a person for me! 6

“Thank you, Lizi.” ”

“What’s there to thank! We’re good friends after all! Oh right, we’re going to the battlefield tomorrow. Should we go eat something to celebrate tonight?” ”

“Ye Zhuo nodded. “Sure, let’s go to my place.” ”

“An Lizi said, “I won’t go to your place tonight. I’ll eat your food every day. I’ll have to change my taste occasionally. Let’s go eat at Qianji Barbecue, right? It’s my treat!” ”

“Although the ye family’s private dishes were very delicious, an Lizi was really embarrassed to eat there all the time and Ye Shu didn’t charge them for it. ”

“Zhao Pingting also felt that it made sense. “Right, right, right. Let’s Go Eat Barbecue. I haven’t eaten skewers in a long time.” ”

The three of them went to a roadside stall to eat barbecue.

“If they didn’t have to go to the Examination Hall Tomorrow, the three of them would have prepared to drink some wine. ”

“The three of them ate more than 300 yuan, and Zhao Pingting quietly paid for it. ”

“When an Lizi went to pay the bill, she realized that Zhao Pingting had quietly paid for it. “Pingting, we agreed that I would pay for it. Why did you pay for it?” ”

“Zhao pingting smiled and said, “You can just invite him back next time.” ”

“Then it’s settled!”An Lizi reached out and put her hand on Zhao Pingting’s shoulder.

The next day.

June 7th.

The first day of the National College Entrance Examination.

“Ye Sen, who always liked to sleep late, got up early for a rare occasion. ”

He got up at six in the morning.

“Normally, he wouldn’t get up until seven thirty. ”

“He thought he was the first one to get up, but ye Shu got up earlier than her. When he got up, Ye Shu was already cooking porridge in the kitchen. ”

“Why are you up so early today?”Ye Shu looked at Ye Sen curiously.

“Ye Sen said, “Isn’t Zhuozhuo’s exam today? If I don’t get up early, who will send her to the exam hall later? Oh right, sister, what time is the first exam in the morning?” ”

““9-11:30,”ye Shu answered. ”

““There are still three hours left. The exam hall is an hour away from our house. plus the traffic jam and traffic lights, we have to leave at 7 o’clock. I’ll go call Zhuozhuo to have breakfast now.” ”

“As soon as he said this, the sound of footsteps came from the living room. ”

Ye Sen turned around to take a look.

It was Ye Zao who had come back from running.

“F * CK, my niece! You actually went for a run?”

Ye Zao nodded. “I run every morning.”

“Actually, Ye Zao also liked to sleep in.”

“Unfortunately, the host’s physical fitness was not very good. She was the kind of person who would pant after running two steps.”

“Under her training, she was much better now.”

“Ye Shu brought the breakfast that was prepared to the table. “It’s almost time to eat. After eating, we’ll go to the exam room. We can’t delay the exam.””

The breakfast was well-matched.

“Mung bean porridge, milk, meat buns, fried dough sticks, and a pile of spicy and sour radishes.”

“After eating, Ye Zao found out that Ye Shu and Ye Sen were going to send her to the exam room. Ye Zao refused with a smile, “Isn’t it just one exam? Mom, Uncle, you don’t have to make it so grand. If you delay work, I can go alone!””

“How can that be! What if you encounter some trouble on the way and delay the exam? The college entrance exam is a big event in life! Your mom and I have to send you there personally!”

Not taking the college entrance exam.

Not being able to get into university was the biggest regret in Ye Sen’s life.

That was why he placed more importance on ye Zao's College Entrance Examination than anything else.

"Ye Shu nodded. "Your uncle is right. It's fine if you go to school normally, but we have to send you over for the College Entrance Examination! By the way, have you brought all your things? You have to bring your admission ticket and Identity Card!" "

"I've brought everything. Don't worry."Ye Zao waved the transparent pen bag in his hand.

"It's good that you've brought everything."Ye Shu continued, "By the way, I heard that when you enter the exam room, there will be a metal detector. Zao Zao, you'd better not wear clothes with metal decorations." "

"Okay."Ye Zao nodded. "Then I'll change my jeans later."

"After eating, Ye Zao went back to his room and changed into a light blue long dress. "

"It was a very simple and elegant color. There was a string of white flowers embroidered on the waist line, as if they were wrapped around her waist. As she walked, the white flowers fluttered in the wind. "

It was very beautiful.

"Because she could not refuse ye Shu and Ye Sen, Ye Zhuo had to ask the two of them to send her to the exam hall. "

The first day of the college entrance examination.

There were more cars on the road.

"It had originally been an hour's journey, but it took an hour and a half to arrive. "

“At the entrance of the exam hall and school, there were a bunch of parents who had come to send her off.”

Chapter 243: 094: Master Five is jealous. Check someone for me! 7

“Ye Sen instructed ye Zao, “Zao Zao, take the exam well. Don’t be nervous if you encounter questions that you don’t know how to do. At most, we can do it again next year!” ”

Ye Shu nodded. “Your uncle is right. Don’t put too much pressure on yourself. There are plenty of repeaters these days.”

“”Mom, uncle, don’t worry. I will definitely take the exam seriously and not let you guys down.”Ye Zao continued, “Then I will go in first. Don’t Wait for me outside. Go back to work!” ”

“”Yes, we know. Go in quickly. When you go in, we’ll go back to work,”ye Shu said. ”

Ye Sen nodded. “Go in quickly.”

Ye Zhuo turned around and walked to the school gate.

Ye Sen and ye Shu stood at the gate and watched her back.

“At the same time, a slender figure stood among the group of parents who were watching the exam. Even though he tried hard to hide himself, he still stood out from the crowd. ”

“He wore an exquisite handmade suit and a pair of wide sunglasses on his high nose bridge, covering his good-looking eyes. All that was left was a thin chin and a beautiful curve of his lips. ”

A moment later.

He tore off a big white rabbit milk candy and put it into his mouth.

Little did he know.

A man who was parked in a black car across the road had been paying attention to this side for a long time.

“The man was wearing a long robe with knotted buttons. He slowly lowered the car window, and his hand that was holding the prayer beads was inadvertently placed on the car window. He looked over and slightly narrowed his eyes. His deep eyes could not see the end of the road.”

It was him again.

The man who sent ye Zhuo to the party that night.

Who was he?

“Inexplicably, Cen Shaoqing felt some hostility toward this unknown man.”

“A moment later, he picked up his phone and sent a message. [check a person for me.]”

“Ye Zhuo walked all the way to the Examination Hall. Unlike the nervous students, her face was always calm and indifferent. In addition, she was good-looking and had a good figure. Along the way, she had received countless attention.”

“DAMN! This is too good-looking!”

“I think I know her!”

“Bullsh * T!”

“I’m serious! She’s the school belle of North Bridge High School Class 7! She’s very famous in North Bridge!”

“No wonder she’s so beautiful. So she’s the school Belle...”

“Not long after, Ye Zao found the exam hall. ”

There were two teachers guarding the front and back doors.

“When entering the exam hall, not only did they have to search her body, but they also had to scan her with a metal detector. ”

“The one in the front row was a bespectacled boy. When the detector scanned him, it kept ringing on his back. The invigilator said with a strange expression, “Are you wearing something inside? Why does your back keep ringing?” ”

“Under normal circumstances, only a girl’s back would make a sound. ”

A big boy actually made a sound...

This was a little unbelievable.

“When he said this, not only did the others look over, even the bespectacled boy’s face turned red. “I, I’m not wearing anything...” ”

“At this moment, a few girls standing beside the boy silently took a few steps back. ”

The metal detector that was ringing non-stop instantly stopped.

Only then did the invigilator understand what was going on. "Go in."

The boy quickly walked inside.

"As Ye Zao had long been prepared, she changed into pure cotton underwear, so when the metal detector swept over, it did not make a sound. "

She smoothly entered the examination room.

"She sat by the window. As long as she tilted her head slightly, she could see the lush summer color outside the window. "

A boy wearing a white shirt noticed her the moment ye Zhuo entered the room. His line of sight had been looking in ye Zhuo's direction.

He had never seen such a good-looking girl in all his years of study.

"Soon, it was nine o'clock. "

The invigilator explained some of the rules of the examination room and handed out the papers.

The first exam was Chinese.

"After ye Zhuo received the papers, she started to write her composition. "

Then she started to write from the first paper.

"Her writing speed was very fast, as if she did not need to think, but her handwriting was very good. "

“At 10:30, Ye Zhuo finished the papers. Because she could not leave the examination room easily even if she handed in the papers early, ye Zhuo carefully checked the papers twice and then laid on the table to sleep.”

1

Everyone in the examination venue was writing furiously. Ye Zhuo was the only one who was sleeping. The invigilators were all looking at her.

“They had been teachers for so many years, but this was the first time they had seen her sleeping in the examination venue of the college entrance examination. How bad was her result?”

“As long as she had a slight result, she would not have fallen asleep in the examination venue.”

“The other examinees felt that they did not have enough time, but she actually fell asleep.”

This child was really unteachable!

“Very soon, it was time to hand in the papers.”

“When the bell rang, everyone stopped writing, and the invigilator personally collected the papers.”

“When he received ye Zhuo’s papers, the invigilator took a special look at them.”

“If he did not look at them, he would not know, but when he saw them, he was shocked.”

The invigilator originally thought that ye Zhuo was a piece of scrap metal.

He did not think that she was actually a king.

Not to mention the content of the examination paper.

Just this beautiful handwriting alone was enough to make people gasp in amazement.

No wonder he would sleep in the examination room. It turned out that he had sufficient strength.

After handing in the examination paper.

Ye Zhuo left the examination room.

“At this moment, a male student ran over. “This student.” ”

“You’re calling for me?”Ye Zhuo looked back slightly.

“Facing Ye Zhuo, the male student’s face flushed red. Then, he nodded. “Yes.” ”

“What’s the matter?”Ye Zhuo continued to ask.

“The boy continued, “My surname is Yang Yue. I was in the same exam room as you just now. I was in the middle group and you were in the first group. Can you make friends? Which High School are you from?” ”

“”I’m from North Bridge High School,”ye Zhuo replied. ”

“”I’m from No. 12 High School, right next to your school.”Yang Yue continued, “Being in the same exam room is fate. Why don’t we add each other on wechat?” ”

“Chapter 244: 096: the strength of a scumbag, exciting! The top scorer of the college entrance exam! 1”

“Sorry, I didn’t bring my phone.” Ye Zao declined tactfully. ”

“When Yang Yue heard this, he knew that he had no chance. ”

His footsteps immediately slowed down.

“Ye Zao had just walked out of the exam hall when he saw the backs of Ye Sen and ye Shu among the group of parents who were escorting the exam. He hurriedly jogged over. “Mom, uncle, didn’t I tell you not to wait for me? Why didn’t you go back?” ”

It was June and the Sun was scorching hot. Ye Sen and Ye Shu were sweating profusely from the heat and their skin was red from the Sun.

“Ye Shu and Ye Sen were extremely happy to see ye Zao. They even forgot about the heat. “Zao Zao, how did you do?” ”

Ye Zao nodded. “I did well. The questions were quite simple.”

“At this moment, a microphone was passed to Ye Zao’s mouth. “Hello, this student. I’m a reporter from the Yun Jing television station. May I ask which high school you are from? Do you think the questions for this year’s exam are difficult?” ”

“Ye Zao smiled slightly and said politely, “I’m sorry, miss. . I don’t want to be on camera. You can interview the other students.” ”

““We can mosaic you,”the reporter replied. ”

Ye Sen directly blocked in front of ye Zao and dialed the microphone that the reporter handed over. “My eldest niece doesn’t want to be on camera. You can ask me any questions you want!”

Ye Sen could tell at a glance that he was not to be trifled with.

The reporter apologized and brought the cameraman to interview the other examinees.

“Then, Ye Sen brought the mother and daughter to eat. ”

“The restaurants around the examination venue were basically full, so ye Sen drove to a relatively high-end restaurant. ”

“After eating, it was 12:30 pm. ”

The Math exam started at 3 pm.

“Therefore, Ye Sen booked two more rooms in the nearby hotel and took a break at noon. ”

“Ye Zao said, “Mom and uncle, you really don’t have to wait for me here in the afternoon. You guys should go back quickly! This is too much of a waste of time.” ”

“Whether it was Ye Sen’s express delivery company or Ye Shu’s restaurant, they could not be away from people for even a moment. ”

“Ye Sen said very seriously, “Zao Zao, the college entrance exam is a major event in life. At this time, you must have your family by your side. which examinee doesn’t have their parents by their side? Otherwise, even if we all go back, we will be absent-minded when doing things!” ”

“Ye Shu nodded. “Your uncle is right! At this time, no matter how busy we are, we must be by your side!” ”

Looking at Ye Sen and Ye Shu.

Ye Zhongruo suddenly returned to her previous life.

“In her previous life, when she participated in the college entrance exam, she was 15 years old.”

“When she left the exam room, all that was waiting outside were the parents who sent her to take the exam. She was the only one who was alone.”

Hence.

She was also used to being alone and was used to being alone.

“Although she had not been in this world for a long time, she felt a warmth that she had never felt before.”

“”Mom, Uncle.”Ye Zhuo reached out and hugged the two of them. “Thank you.” ”

“Ye Sen and Ye Shu were a little at a loss from being hugged. They smiled and said, “This silly child.” ”

Math test at three in the afternoon.

Ye Shu and Ye Sen were still waiting for ye Zao outside the exam hall.

The weather in the afternoon was rather stuffy.

“Ye Sen turned on his phone and saw that the weather forecast said that there might be rain, so he went to the nearby 711 to buy an umbrella and also bought some water.”

“Not long after Ye Sen left, an aunt came to strike up a conversation with Ye Shu. “Big Sister, your child is also taking the test inside?” ”

“Ye Shu nodded and asked, “Yes, Big Sister.” ”

“The aunt asked, “Your son and Daughter?” ”

““Daughter,”ye Shu said. ”

The aunt nodded. “How many children do you have?”

““One,”ye Shu replied. ”

“Hearing this, the aunt widened her eyes in surprise. “Only one daughter?” ”

““Yes, that’s right.” ”

The aunt thought to herself.

Only one daughter. How could she inherit the incense in the future?

“But she was too embarrassed to say it directly. She said tactfully, “Big sister, you’re so young. You’ll probably have a second child, right?” ”

Ye Shu shook her head. “I’m not going to have another child.”

Hearing this.

The aunt was even more surprised.

Only one daughter and she wasn’t going to have a second child. wasn’t that going to be a death sentence?

No one knew what the youngsters of today were thinking!

All they wanted was to enjoy themselves!

They weren't even willing to have another child.

"In the future, who would take care of them when they were old?"

"The aunt continued, "Big sister, I think you're still young. Why Don't you want a second child? "Hurry up and get a second child while you're still young. Otherwise, when you're Old and have only one child, you'll definitely regret it." "

Ye Shu smiled politely. "Our daughter is very filial. I Won't regret it."

"Chapter 245: 096: the strength of a scumbag, exciting! The top scorer in the college entrance examination! 2"

"No matter how obedient and filial a daughter is, she will eventually get married!"The aunt continued, "Look at me, I have three children, two girls and a boy. This is the youngest son. I gave birth to him at the age of 36. Before I had a son, my mother-in-law looked down on me, men looked down on me, and they couldn't raise their heads in front of their relatives and friends! "Ever since my son was born, they all have to look at me! "Whoever dares to make me uncomfortable, I dare to make them uncomfortable!" "

"At this point, the aunt was extremely proud, she lowered her voice and said, "Big Sister, let me tell you something from the bottom of my heart. We women still have to have a son. Only with a son will we be able to stand tall! To tell you the truth, in order to have this son, I even gave away two daughters!" "

Although it was already the 20th century.

But many old people still retained their old ideas.

“Only Boys could carry on the family line, and girls could only be the foil to the icing on the cake.”

“If a woman could not give birth to a boy for her family, she would not be able to raise her head in front of others.”

“To put it nicely, she had sent her two daughters away.”

“In fact, she had lost them.”

“In that era, in order to give birth to a son, there were too many people who had thrown their daughters away...”

“Hearing this, Ye Shu looked at the aunt in surprise.”

“Seeing ye Shu like this, the aunt sighed and looked helpless. “Sigh, I have no choice! If I don’t send them away, there will be too many children at home and I won’t be able to feed them...””

Ye Shu felt a little uncomfortable.

She thought of herself.

“Back then, if it wasn’t for her grandmother’s kindness to adopt her, her parents would have given her away to someone else.”

“Unfortunately, her grandmother left early.”

She couldn’t let the old lady enjoy a day of happiness.

“At the mention of her son, the aunt’s face was full of pride. She continued, “Fortunately, my son is good! There are more than 30 classes and more than 1,600 people in their school’s third year. He can always get into the top 1,000 in his grade. This time, he will definitely get into a good university!” ”

Ye Shu maintained a polite but awkward smile on her face.

“”Oh right, how’s Your Daughter’s results?”The Aunty continued to ask. ”

“Ye Shu replied modestly, “Average.” ”

“The aunty smiled and said, “Girls are not as smart as boys! Your Daughter’s results are average as well. Anyway, it’s useless if a girl’s education is too high. Sooner or later, she will have to get married! “It’s already good enough to have a high school education! “It’s also because the times have changed. Girls can go to school. In our era, they didn’t even go to primary school. They’re still living well! “Those two girls in my house are the same as me. They haven’t even entered primary school!” ”

Ye Shu smiled and didn’t say anything.

“Because when you talk to someone with a different outlook, everything you say is wrong. ”

“Perhaps, this was not the aunt’s fault. ”

This was the tragedy of an era.

“”Sister, What’s Your Wechat number? Let’s add each other on wechat! When my son gets into university, I’ll treat you to a wedding banquet!” ”

“”Thank you for your kind intentions, but there’s no need.”Ye Shu declined politely. ”

“The aunt looked at ye Shu and continued, “You don’t want a second child, is your man not angry? Right, the person who was standing with you just now, is he your man?” ”

“He’s my younger brother.”

“The middle-aged woman nodded. “Oh, I see! I was wondering why he looks a little like you! What About Your Man?” ”

“Ye Shu didn’t want to answer the middle-aged woman, but she still said politely, “We’re not together anymore.” ”

“Divorced?”The middle-aged woman asked in surprise.

Ye Shu didn’t explain and nodded.

“So You’re alone now?”

“Yes.”

“The aunt’s eyes rolled around. “It’s too difficult for us women. Sister, you’re still young and so beautiful. You still have to find a man. Without a man by your side, you can’t live like this.” ”

Ye Shu’s expression was normal. “The times are different now. Men and women are equal. Women can live well without men.”

“The aunt shook her head, “These words are comforting! If there are no men, the world will be doomed! Oh right, sister, I have a suitable person here who can hook you up. Do you want to consider it?” ”

“The aunt had a divorced younger brother, but she had never found a suitable one. ”

“Although ye Shu had a burden, it was a good thing that the burden was a girl. ”

She was already in her third year of high school.

She could also get married now. She could take advantage of this opportunity to ask for a dowry.

This business was definitely profitable!

“Thank you for your kindness, but I have never thought of getting married again.” Ye Shu directly refused. ”

“Chapter 246: 096: his strength is trash, exciting! Top scorer in the college entrance examination! 3”

“The Auntie looked at Ye Shu, then she said, “Big Sister, my surname is Lan. You can just call me big sister Lan. Don’t worry, I will definitely not harm you! “The person I introduced to you has a house, a car, and a pretty face. If you marry him, you don’t have to do anything in the future. You just have to bear his child and take care of him at home!” ”

Ye Shu rejected her. “I really don’t need it.”

Sister Lan felt that ye Shu was quite arrogant.

“Although she was pretty, she was already married. How could a married woman compare to an unmarried girl? ”

It was already good enough that her brother didn’t mind her being married for the second time!

What else could she be picky about!

No wonder her man didn’t want her!

She deserved to be a widow!

“Although sister Lan thought so in her heart, her face was still smiling, and her words and words were still trying to get close to Ye Shu.”

Her brother had been single for more than ten years.

“As an older sister, she had always felt guilty. If she could take this opportunity to talk to him about a wife, she could also fulfill her parents’ wish.”

711 convenience store.

“Because the examination venue was nearby, there were people everywhere in 711. They even had to queue up to pay.”

“Ye Sen picked up three umbrellas and three bottles of mineral water. Just as he was about to pay the bill, he suddenly saw a familiar person on the opposite shelf.”

It was the young woman he met last time.

“”Hello, we meet again.”Ye Sen walked directly in front of her.”

“The young woman was stunned for a moment before she reacted. “Oh, it’s you.” ”

The two of them walked to the cash register and lined up.

“Ye Sen smiled and said, “You paid for me last time. I’ll pay for you this time.” ”

“”No need, thank you.”The young woman declined politely.”

“Ye Sen continued, “Don’t worry. Even if I pay you, I’ll help you the next time I meet someone who needs help in the convenience store.” ”

“The young woman smiled and said, “In that case, I won’t stand on ceremony.” ”

“No need to stand on ceremony.”Ye Sen directly paid the money.

“Walking out of the convenience store, Ye Sen continued, “Are you also here to send your child off for the College Entrance Exam?” ”

The young woman was stunned for a moment. “AH? I don’t have children yet!”

“”I’m sorry, I said something wrong. You’re so young, you shouldn’t be married yet, right?”Ye Sen asked.
”

The young woman nodded. “Yes.”

“Ye Sen reached out his hand to her. “Hello, my name is ye Sen. I’m Mu Ye, from the forest. If you don’t mind, you can make friends with me.” ”

“My name is Bai Wei. I’m White and Rose.”Bai Wei reached out and held ye Sen’s hand.

“Ye Sen had a good first impression of Bai Wei, so he asked tentatively, “Why don’t you add me on wechat?” ”

“The young woman hesitated for a moment, then nodded. “Okay.” ”

The two of them added each other on wechat.

“According to the wechat information, Bai Wei was 29 years old this year. ”

“Ye Sen casually browsed through her wechat moments. From the looks of it, she was probably single. ”

“Ye Sen continued, “My niece is taking the college entrance exam over there. It’s almost over. I’ll go over first. I’ll treat you to a meal when I have time.” ”

Bai Wei smiled and nodded. “You go ahead.”

“After saying goodbye to Bai Wei, Ye Sen jogged over to the exam hall. However, as soon as he reached the exam hall, bean-sized raindrops fell from the sky. ”

“Sis! Here’s an umbrella.”Ye Sen handed an umbrella to Ye Shu.

“Ye Shu smiled and took the umbrella. “It’s a good thing that you bought this umbrella in time. Otherwise, we would have been caught in the rain.” ”

1

“Sister Lan, who was beside her, quickly came over. “I didn’t bring an umbrella. Sister, let’s squeeze in.” ”

“Ye Shu actually didn’t like sister Lan, but she couldn’t refuse her. She could only smile and say, “Sure, this umbrella is big enough!” ”

“At this moment, the bell suddenly rang. ”

The exam was over.

The parents who were originally very calm were no longer calm. All of them were looking forward to it.

Because it was raining.

“Therefore, the children were all running out. ”

Ye Sen saw ye Zao’s figure in the crowd at the first moment and hurriedly ran over. “Zao Zao!”

“Uncle.”

“”Quickly open the umbrella.”Ye Sen smiled and said, “You didn’t let your mother and I wait for you outside back then. If it weren’t for us, you would have been drenched in the rain now!” ”

“Big Sister Lan was also looking for her son in the crowd. When she saw ye Sen Pick Up Ye Zhuo, she asked curiously, “Big sister, is that Your Daughter?” ”

“Yes.”Ye Shu nodded.

“Big Sister Lan said in surprise, “My God! Your Daughter is so beautiful!” ”

No wonder her academic results were not good. She spent all her effort on dating!

1

“Chapter 247: 096: your strength is so terrible, it’s so exciting! Top scorer in the college entrance exam!
4”

“Ye Shu was very happy to hear that she was praised for her beauty. She said humbly, “Not bad.” ”

“Mom.”Ye Zhuo walked up to Ye Shu with an umbrella in hand.

Big Sister Lan sized up ye Zhuo carefully.

“She thought that ye Zhuo looked good from afar just now, but now that she was close to him, she was even more amazed.”

“Before this, sister Lan had never seen such a good-looking girl!”

She was really too beautiful!

There was not a single blemish on her face.

“Sister Lan felt that if her results were a little better, it would be more than enough to match her son.”

“Ye Shu introduced sister Lan to Ye Zao. “Zao Zao, this is your Aunt Lan.” ”

“”Hello, Aunt Lan.” ”

“”Good, good.”Sister Lan nodded and continued to ask, “I heard that you guys are taking the math exam this afternoon, right? is the exam difficult?” ”

“It’s not too difficult.”Ye Zao’s tone was shallow.

Math was her strong point. She only spent an hour to finish it.

“Sister Lan only thought that ye Zao was bragging, she smiled and said, “Little girl, you are so beautiful. It doesn’t matter even if you don’t do well in the exam! You still have a long way to go in life. Don’t be discouraged! My Son is also taking the exams inside. His results are very good. This time, he will definitely be able to get into a good university! When that time comes, he will be able to bring glory to our family!” ”

Ye Zhuo frowned slightly.

Why did she feel that this Auntie Lan's way of speaking was strange?

"Mom!"

"At this moment, another voice sounded from the side. "

""Baby!"Big Sister Lan quickly turned around. "Baby, you must have had a hard time taking the exam for so long, right? Give me the pencil case and I'll hold it for you!" "

"This was big sister Lan's son, Wang Xiaobao. "

"Wang Xiaobao was thin and not tall. Standing beside Ye Zao, he was a lot shorter than big sister Lan. "

"After saying that, big sister Lan introduced her baby son to Ye Shu. "This is my son, Wang Xiaobao. His nickname is Baby." "

"Ye Shu nodded because she really had no words to praise him. She could only say, "Sister Lan, your son looks so spirited!" "

"Sister Lan said happily, "This child has been spirited since he was young. He's also smart. People say that he's a literary star that descended from heaven..." "

Wang Xiaobao looked at sister Lan impatiently. "Why are you talking so much nonsense? I want to go home! I want to eat! I'm Hungry!"

""Oh, baby is hungry! I'm so sorry! Look, Mom forgot. Let's go, Let's go home quickly!"As he said that, he squatted down. "

“Just when ye Shu didn’t know why Big Sister Lan squatted down, at this time, Wang Xiaobao actually leaned on big sister Lan!”

“Then, Big Sister Lan stood up with Wang Xiaobao on her back.”

Carry?

“Such a big child, he actually had to carry it?”

Ye Shu was stunned!

“Not only was ye Shu stunned, even ye Sen and Ye Zhuo were dumbfounded.”

What kind of trick was this? !

“Ye Sen walked to Ye Shu’s side and said in puzzlement, “Sister, is that child sick? His legs aren’t Good? I think his mental state is quite good!” ”

“Ye Shu shook her head. “I’m not sure, but he shouldn’t be sick. Sister Lan has four daughters and only one son. He’s probably spoilt.” ”

“Ye Zhuo frowned slightly. “No wonder I felt that Auntie Lan’s way of speaking was a little weird. It turns out that she prioritizes boys over girls! If she spoilt her son like this, he won’t have a good ending in the future.” ”

““Who says so?”Ye Shu was not a talkative person, but she could not help but say a few words. “In order to raise this son, big sister Lan even gave away two daughters!” ”

Ye Zao sighed endlessly.

He really could not understand that there was actually someone who valued sons over daughters to such an extent.

He was even willing to throw away his own daughter.

“Ye Shu continued, “Oh Right, Zao Zao, how did your math test go?” ”

“It was alright.”Ye Zao nodded.

“The family of three talked as they walked. Not long after, they arrived at the parking spot. ”

“When they passed by a black car, ye Zao raised his eyebrows slightly. He subconsciously felt that this car was quite familiar. ”

“However, she did not recognize the license plate number. She looked back and took another look. Unfortunately, the window was closed and she could not see if there was anyone in the car. ”

She could not see the car from the outside.

“However, the person sitting in the car could clearly see the outside of the car. ”

The moment she looked back.

Everything in the world became quiet.

She held a white umbrella.

She wore a blue dress.

It was as if she had become one with the curtain of rain.

“Through the layers of raindrops, her face could still be seen clearly. ”

“The sky was blue, waiting for the Misty Rain. ”

And I was waiting for you.

Song Shiyu stopped tearing the candy wrapper in his hand.

Their eyes met.

“His heart, which had already festered to the depths of darkness, seemed to have a warm sun shining in.
”

“Chapter 248: 096: Strength Crushing Trash, exciting! College entrance examination champion! 5”

“Many years later, song Shiyu still remembered this scene. ”

““Zao Zao, get in the car,”ye Sen called out. ”

“Coming.”Ye Zao put away his umbrella and sat in the car.

Ye Sen started the engine and left.

The black car slowly left after the car left for ten minutes.

“An hour later, Ye Sen and the rest arrived home. ”

“It was already past six o’clock when they arrived home, so ye Zao ordered takeout. ”

“While eating, Ye Sen had been holding his phone and giggling foolishly. ”

“Ye Zao asked curiously, “Uncle, what game are you playing? Why is it so funny?” ”

“Did I Laugh?”Ye Sen raised his head in surprise.

Ye Zao nodded. “Yes.”

Ye Sen touched the corner of his mouth. “Then you must have laughed.”

He was chatting with Bai Wei.

“He didn’t expect that Bai Wei, who looked like a very gentle girl, would be so funny when chatting. ”

Ye Sen had a good impression of her to begin with.

“After chatting with her tonight, his impression was even better. ”

Ye Sen continued to chat with Bai Wei.

“Ye Zao turned to look at Ye Shu and said in a low voice, “Mom, do you think that uncle is a little weird tonight?” ”

“It seems a little weird.”Ye Shu nodded.

The next day was still the college entrance exam.

“Because he had chatted with Bai Wei for most of the night last night, when Ye Sen woke up this morning, there were two dark circles around his eyes.”

“Ye Zhuo said, “Uncle, you didn’t have a good rest last night. You can rest at home today. Today, my mom and I will take a taxi to the exam venue.” ”

“”No!”! “How can I Do That!”Ye Sen said, “Today is the last day of the exam. I have to personally send you there. It’s just that I didn’t sleep well for one night. It’s nothing. When uncle was young, he used to play games all night. The next day, he would go to work as if nothing happened.” ”

“Ye Zao couldn’t persuade Ye Sen, so he just let him go.”

9:30 A.M.-11:30 a.m. for the Science exam.

3:00 pm-5:00 pm English exam.

“In order to avoid meeting sister Lan, Ye Shu specially changed a place to wait for ye Zao today.”

After finishing the last class.

It meant that the third year of high school was really over.

“The moment the examinees walked out of the exam room, their faces were relaxed, but they were not relaxed either.”

“The third year of high school was gone, which meant that their youth was also over.”

“”Mom, Uncle!” ”

Ye Zao jogged out of the Examination Hall.

“Zao Zao!”

“Ye Sen asked an old question, “How did Zao Zao Do Today?” ”

“Ye Zao smiled and said, “He did pretty well in the exam. It shouldn’t be a problem for him to get first place in the city.” ”

“Really?”Ye Sen was a little in disbelief.

First place in the city!

Top scorer!

Did that mean that he could get it just because he could?

It seemed a little strange!

Ye Zhuo nodded. “I think it shouldn’t be a big problem.”

“Ye Shu smiled and said, “Alright, Alright, let’s go back quickly! In order to celebrate the successful completion of the searing test, let’s have a big meal tonight!” ”

“As Ye Shu and ye Sen had never eaten a French meal before, Ye Zhuo found a French restaurant on the Internet that had a very high score and a very good environment. ”

“After finishing the French food, Ye Sen smiled and said, “The taste is quite good, but the portion is a little small. There are 21 dishes in total. I haven’t tasted them yet, and they are gone.” ”

“Ye Shu nodded. “The portion is indeed a little small, but in a restaurant like this, it’s all about the service and atmosphere. The portion and taste of the dishes are secondary.” ”

“”My mother is right,”ye Zao said. “Country F is famous for being romantic. This place is most suitable for couples to eat, so uncle, you have to work hard!” ”

“Ye Sen smiled and cooperated. “Wait, I’ll bring an aunt back for you at the end of the year.” ”

“Ye Zao waved his phone. “Uncle, I recorded just now. I’m waiting for you to bring an aunt back at the end of the year.” ”

It was already past nine o’clock when he returned home after eating his French meal.

“After taking a shower, ye Zao opened the live broadcast room and started the live broadcast.” ”

“After not seeing ye Zao for two days, the fans were all very excited. ”

[Ah Ah Ah! Ye Zao is back!]

[how did ye Zao do in the exam?]

“”Don’t worry, I Won’t let you guys down.” ”

“[user: Purple Gold Hammer 1225, giving out a sports car!] ”

“[user: that dog, giving out a sports car!] ”

“Then, there was a pile of firecrackers and fireworks to give out gifts. ”

“Ye Zao unhurriedly logged into the game account and said, “Tonight, I’ll livestream chess for you guys first. After playing a game of chess, I’ll Livestream King.” ”

“As soon as he said this, Ye Zhuo saw a message pop up from the system. ”

[layman scholar has sent you an invitation.]

“Before ye Zhuo could say anything, the bullet screen became lively. ”

[he’s Here! He’s Here! The unlucky guy is coming with his head!]

“Chapter 249: 096: his strength is terrible, exciting! Top scorer in the college entrance examination! 6”

[this unlucky guy is really persistent.]

“[actually, I quite like watching the unlucky guy and Ye Zi play chess. This should be the only person who can really fight with the streamer.] ”

[I also feel that the streamer has a connection with this person.]

[I have to kowtow to this couple!]

“On the other end of the screen, Cen Shaoqing was playing chess. From time to time, he would look down at the phone in front of the computer desk. ”

On the screen of the phone was ye Zhuo’s live broadcast.

“Because the bullet screen blocked his view too much, he turned off the bullet screen. ”

“Therefore, he did not know that he already had a new nickname. He also did not know that someone had already played the match between him and Ye Zhuo. ”

15 minutes later.

The game ended.

There was no doubt.

He lost.

“Cen Shaoqing narrowed his eyes. After playing chess with this person for so long, he still had not figured out her chess style. ”

Even if there was only one pawn left in the end.

She could still turn defeat into victory.

“Every time she played chess with her, it would bring a brand new feeling to people. ”

Cen Shaoqing picked up his phone and sent a gift out.

[user: miaoyin user 202106080126 sends out a peerless beauty * 50!]

“A fairy wearing a rainbow feather coat stepped on a rainbow auspicious cloud and slowly flew past the screen. Moreover, because of the high price, this gift was promoted on the entire platform. ”

“As long as it was a live stream at this time, anyone could see this gift no matter which room they were in. ”

“The price was 50,000 yuan each. ”

“As soon as this gift was sent out, the bullet screen exploded. “F * ck! F * ck! Big Boss! I worship Big Boss!” ”

“This is really rich!”

““Big Boss, please keep her!” ”

“1 million?”

“Are you stupid? That’s 2.5 million!”

“Before the bullet comments could finish, another wave of gifts came. ”

[user: Wonderful Sound User 202106080126 presents a peerless beauty * 50!]

[this is a real boss!]

[I came from the next room to watch the boss.]

[plus one! I also came from the next room!]

“[I came to watch 5,000,000.] ”

“[what a coincidence, Me Too!] ”

“The number of people in the live broadcast room instantly went from 120,000 to 130,000,140,000, and finally 150,000. ”

“Because he could not see the bullet screen, Cen Shaoqing did not know that because the two gifts that he casually gave shocked everyone on the platform. Even his account had gained a wave of fans. ”

There were even many female live streamers who sent him private messages.

They all wanted to get close to this rich person.

“Just as he had given out this wave of gifts, Cen Shaoqing’s phone rang. ”

“Hello.”

“Master Five.”The Secretary’s voice came from the other end of the screen.

“Speak.”Cen Shaoqing leaned slightly against the back of his chair and slowly stroked the Buddha beads.

“The secretary continued, “Master Five, the person you asked me to check has been found. The information has been sent to your email.” ”

“Okay.”

After hanging up the phone.

Cen Shaoqing logged into his email using his computer and opened the attachment sent by his secretary.

Song Shiyu.

Male.

Unmarried.

28 years old.

The eldest son of the song family.

The head of the song group...

Song Shiyu?

What kind of person was this?

How did ye Zhuo Know Him?

“Cen Shaoqing frowned slightly. His heart seemed to be covered by a layer of dark clouds, and he couldn’t breathe. ”

He felt extremely uncomfortable.

On the other side.

“When ye Zhuo received these two waves of gifts worth five million yuan, he was also stunned. ”

“After broadcasting for such a long time, she met the richest fan, who gave her five hundred thousand Yuan in one go. ”

These five million yuan...

This was the first time he had seen it.

“Moreover, this person seemed to be a new account, and he did not even change his account name.”

“However, Ye Zhuo did not think too much about it. After the money was received, she donated the money anonymously in batches to poor areas and orphanages.”

“Ever since ye Zao started broadcasting, she did not keep any of the money from the broadcast and donated it all ”

The next day.

Ye Zao went to Lin Shasha’s house to tutor her.

“After a long period of hard work, Lin Shasha’s grades had gradually stabilized. If the situation continued to develop like this, she should have no problem getting into a university next year.”

Time passed quickly.

“In the blink of an eye, it was time for the college entrance examination results to be released.”

“She, an Lizi, and Zhao Pingting were having a video chat to check their scores together.”

“”D * MN! My Luck has exploded! I actually got 658 points! Looks like there won’t be any problems in filling in for the Beijing Normal University! Zhuozhuo, Lizi, have you guys found it?” ”

“An Lizi said excitedly, “We found it! We found it! I got 718 points!” ”

“”Congratulations, Lizi!” ”

“What About You?”

Ye Zhuo frowned slightly. “I don’t think my score is out yet.”

“You can’t find it?” Zhao pingting asked curiously, “Could it be that the system is delayed?” ”

“Chapter 250: 096: your strength is trash, it’s exciting! College entrance examination champion! 7”

“An Lizi said, “I heard that the College Entrance Examination Champion’s score will be released a little later than ours. Zhuozhuo, did you get into the College Entrance Examination Champion?” ”

“D * MN! Our School has a champion!” Zhao Pingting was even happier than if she had gotten into the college entrance examination champion.

“Ye Zhuozhuo shook his head. “I don’t know what’s going on either! But congratulations to all of you, Pingting and Lizi. All of you will be able to fulfill your dreams for Your School.” ”

“Zhao pingting said, “Zao Zao, when your results are out, the three of us should find some time to get together.” ”

“Sure.”

“The three of them chatted for more than 40 minutes. Just as they hung up the video call, Ye Sen and ye Shu walked over and asked, “Zao Zao, did you get the results? How was the exam?” ”

“Ye Zao said, “The system seems to have made a mistake. I didn’t get the results.” ”

“How could this be?” Ye Sen looked puzzled.

“Ye Shu smiled and said, “It’s fine, it’s fine. Just Wait a little longer. It’s fine even if the results aren’t ideal. At most, we can make up for another year.” ”

“”Right, right, right. Your mother is right. Zao Zao, don’t be anxious.” ”

“After comforting ye Zao, Ye Shu and Ye Sen went out to work. ”

“Actually, Ye Zao wasn’t the only one who was puzzled. ”

“There was also ye Zao’s form teacher, Jiang Wenhui. ”

“Ever since the results of the college entrance examination came out, he had been staring at the computer screen. However, when he entered ye Zao’s admission card number and ID card number, there was no reaction on the computer. ”

What was going on?

How could there be no reaction?

“Logically speaking, the scores should have been out by now! ”

Qian Dabao also turned on his computer and checked Han Lei’s score.

Han Lei had a high score of 743 points!

He was only seven points away from full score.

He was ranked second in the city.

“Seeing this result, Qian Dabao was very happy. ”

Even though Han Lei did not get first place in the city.

But second place in the city was not bad either!

“Qian Dabao stood up with a smile and looked at Jiang Wenhui, who was sitting not far from him. “How is it, teacher Jiang? Have you checked the results of your classmate, Ye Zhuo? She must have gotten a very high score, right?” ”

Jiang Wenhui’s expression was a little ugly. “The results of our classmate ye Zao haven’t been released yet.”

““They haven’t been released yet?”Qian Dabao’s eyes revealed a hint of sarcasm, “Teacher Jiang, don’t struggle on your deathbed! Under normal circumstances, only the results of the top scorer would be delayed. Even the results of our classmate Han Lei can be found out, but the results of your classmate ye Zao can’t be found out? Do you know how many points our classmate Han Lei scored? Second in the city!” ”

““If you can’t find it, then you can’t find it! Why do you talk so much nonsense!”Jiang Wenhui said as he clicked the mouse to search. ”

At this moment.

The computer page suddenly refreshed.

Jiang Wenhui looked at the form on the computer and was so excited that he let out a groundhog-like scream.

“Ah!”

“Teacher Jiang, what’s wrong? Are you scared by your students’ results?” Qian Dabao smiled and said, “Actually, we already know that your classmate Ye Zao plagiarized, so don’t think that you have no face! Which poor student doesn’t want to plagiarize? You can’t control this! The teachers in our office can understand you!”

“Hearing this, the other teachers in the office all looked at Jiang Wenhui with different expressions.”

Plagiarism!

It would be disgraceful if word got out!

“In the next second, Jiang Wenhui jumped up excitedly!”

“First! Our class’s God Ye got first place! She’s the city’s top scorer! Our class has a city’s top scorer!”

“City’s top scorer?” Qian Dabao’s face was full of sarcasm. “Teacher Jiang, what time is it now! Stop Daydreaming!”

“At this moment, the principal ran in excitedly from outside the door and grabbed Jiang Wenhui’s hand, “Teacher Jiang! Congratulations! The higher-ups called to say that your classmate Ye Zao has obtained a high score of 749 points! He is the top scorer in our Yunjing City! Hurry up and get ready, there will be a television station coming to interview you in a while!”

749 points?

Top Scorer?

“Hearing this, Qian Dabao was stunned.”

The other teachers in the office were also stunned and came to Jiang Wenhui’s desk.

Ye Zhuo's results were displayed on the computer screen.

Chinese: 149 points.

Mathematics: 150 points.

Foreign Language: 150 points.

Synthesis: 300 points.

National Policy Bonus Points: 0

Local policy bonus points: 0

Total score: 749 points.

“Both of the bonus points were 0. In other words, Ye Zhuo scored 749 points in the naked exam!”

Even the students who scored the bonus points did not score as high as her.

The office was filled with congratulations.

“Jiang Wenhui was in high spirits. “Everyone, don't leave after school tonight. It's my treat! It's my treat!” ”

Qian Dabao sat in front of his desk with a defeated look on his face.
