### Chapter 2421: 408: Miss Ye is the Eternal God! 2

“Speaking up to this point, the old man paused, then he continued, “Furthermore, even if any accidents happen, with you young people around, there’s hope. What’s the use of keeping us old people around? We Can’t take care of our children, and we have to let others take care of us...” ”

“These words were very sad, making people cry. ”

“”Therefore, young people, the most important thing for you now is to take good care of yourselves! As long as you’re around, there’s still hope!” ”

These old people resolutely stood at the outermost point.

“They stood guard over the young people, with the children in the middle. ”

“In fact, the old people were the group that should be protected the most. ”

“When they were young, they had devoted their most precious time to their children and work. It wasn’t easy for them to reach the time of their retirement, yet they had to face this. ”

“Seeing this scene, Mario immediately burst into tears. Taking off his glasses, he wiped his tears, once again regretting why he had been so arrogant back then. If it wasn’t for him, the L continent wouldn’t have to face this. ”

“When everything was settled, he would definitely give everyone an explanation. ”

Another five minutes passed.

The central plaza was completely silent.

“At this time, it was already 15 minutes since they had gathered. ”

“However, they did not see ye Zao come over. William also did not receive any news from ye Zao. ”

“After all, it was a matter of life and death. It was inevitable that there would be suspicion in the crowd.  
”

“Is Dr. YC not coming?”

“There are only five minutes left.”

“Will we die here today?”

“Everyone held each other’s hands tightly, looking for comfort. ”

William was also a little anxious.

That was because he could not contact ye Zao.

Where had ye Zao Gone?

“William turned to look at Mario and continued, “I can’t contact Miss Ye. What should we do now?” ”

He was already beginning to suspect that ye Zao was lying to them.

“Thinking about it carefully, it was not surprising that ye Zao would lie to them. ”

“After all, they were the ones who had bitten Lu Dongbin back then and did not appreciate the kindness of the people. ”

“Therefore, ye Zao wanted to take revenge on them.”

“Thinking of this, William continued, “Let’s get everyone out of here quickly.” ”

“If ye Zao came, they had a 50% chance of surviving.”

“But if ye Zao did not come, they would be like sheep in the tiger’s mouth and would definitely die! ”

There were only three minutes left until the agreed time.

Ye Zao would definitely not appear.

“If ye Zao really came, he would have come long ago. He wouldn’t have waited until now.”

William had already given up.

“”No, that won’t happen.”Mario’s expression was resolute. “Miss Ye will definitely not lie to us!” ”

He believed in ye Zao.

Looks were born from the heart.

“If ye Zao was really lying to them, there was no need for him to talk so much nonsense with them.”

“”Mario!”Seeing Mario like this, William was a little anxious.”

Mario trusted ye Zao too much.

“If ye Zao was lying to them, it would cost over 100,000 lives! ”

It wasn't worth it!

“Mario looked at William. “I've already missed it once. This time, I definitely won't Be Wrong Again!” ”

William frowned slightly. “But Miss Ye...”

There were only two minutes left.

What About Ye Zao?

Ye Zao still hadn't appeared.

“It wasn't that he didn't believe ye Zao, but the truth was already laid out before his eyes. ”

“If ye Zao still hadn't come, there would only be one way to face them. ”

To be eaten.

It was very cruel.

But this was the truth.

““Miss Ye will definitely come,”Mario said. ”

William looked at his watch. “But there's only one minute left.”

“As William said this, he raised his head to look at the sky. ”

“The Blue Sky was as clear as jade. It didn’t seem to be any different from the usual sky, but it also seemed a little different. ”

It was always quiet before a storm.

This kind of sky seemed to be hiding something.

Dong Dong Dong.

“At this moment, a deafening sound suddenly rang in his ears. ”

It was the voice of a strange beast.

William’s expression changed.

It was coming.

They were coming.

But Ye Zao still did not appear.

What should they do now?

The people standing in the central square were also very nervous. Their palms were covered with layers and layers of cold sweat.

They looked at the sky expectantly.

“However, other than a few clouds, there was nothing else in the sky. ”

“There were no flying devices, nor was there the Miss ye that they were looking forward to. ”

Should they run?

“Right now, the exotic beast was still about a kilometer or two away from them. If they ran, there should still be time. ”

“Just as everyone was hesitating, Mario suddenly spoke, “There are still 30 seconds left before the agreed time. We have to believe in Miss Ye! We have to hold out until the very last moment!” ”

Chapter 2422: 408: Miss Ye is the Eternal God! 3

“Believe in Miss Ye!”

Someone in the crowd shouted out loud.

“”Mommy, I’m Scared.”The young child curled up in his mother’s arms and was so scared that his face turned white. ”

His mother hugged the child tightly. “Don’t be scared. Miss ye will come and save us.”

The child nodded. “Is Miss Ye more powerful than Superman?”

“”Yes, Miss Ye is more powerful than Superman!” ”

Superman was only a virtual character.

But Miss Ye was real.

“The child continued, “Then I won’t worship Superman in the future. I want to worship Miss Ye!” ”

The footsteps and roars of the exotic beasts were getting closer and closer.

The mother hugged the child tightly.

“William looked at the dense mass of exotic beasts, his face full of fear. ”

He had never seen so many exotic beasts gathered together.

It was too terrifying.

“Buddy...”William’s voice trembled as he looked at Mario. “What do we do now?”

There was no fear on Mario’s face as he looked straight ahead. “Wait for Miss Ye!”

Or wait for Miss Ye.

William felt that Mario was possessed.

What time was it? He was still waiting for Miss Ye.

It was very obvious that ye Zao wouldn’t come again.

““She won’t come.”William continued, “We’ve all been deceived by her.” ”

“William was extremely regretful now, regretting why he had brought everyone to the central plaza. ”

“If they hadn’t come to the central plaza, they might still have been saved. ”

“But now, they could only become food for the exotic beasts. ”

“”Miss Ye won’t lie.”Mario continued, “I believe in her.” ”

William didn’t know what to say either.

It was too difficult for Mario.

“When he should have believed in ye Zao, he didn’t believe in ye Zao. When he shouldn’t have believed in ye Zao, he firmly believed in ye Zao. ”

“”What if she lied to You?”William continued, “There are only five seconds left.” ”

“Mario didn’t say anything. He raised his head to look at the sky, hoping that ye Zao would appear. ”

“On the other hand, William was looking at the constantly approaching exotic beasts, hoping for a miracle to appear. ”

He was no longer looking forward to ye Zao.

This was because he knew that ye Zao wouldn’t appear anymore.

“Instead of looking forward to the people who wouldn’t appear, it would be better to look forward to a miracle. ”

Everyone’s faces were filled with terror.

“After all, this was an exotic beast that ate people without batting an eyelid. ”

“The elders stood at the outermost layer, their faces filled with determination. Faced with the constantly approaching exotic beasts, they didn’t have the slightest intention of retreating. ”

“They were old, so it didn’t matter if they died. ”

But the young people behind them couldn’t be harmed!

“As long as there were young people around.., ”

“after the exotic beasts appeared, they didn’t immediately launch an attack. Instead, they quickly surrounded the central plaza. ”

“Looking at it this way, it was extremely terrifying. ”

“William’s face broke out in cold sweat, and he was also increasingly regretful. He shouldn’t have brought everyone to the central plaza. ”

I’m sorry...

“Mario said softly, “William, old friend, do you believe in Miss Ye?” ”

“”I used to,”William said. ”

He no longer believed in her.

That was because they were already the prey of the exotic beasts.

“Mario continued, “Believe me, Miss Ye will definitely come.” ”

“Looking at Mario like this, William shook his head helplessly. ”

“At this point in time, Mario was still so stubborn. ”

Bang Bang Bang.

“At this moment, the exotic beasts that had surrounded everyone began to press on. ”

Everyone could only hold each other’s hands tightly as they retreated step by step.

“Seeing that the circle was getting smaller and smaller, and that the time that he had agreed with Ye Zhuo had reached the last second, the light in William’s eyes completely disappeared. ”

No one had noticed that the originally still white clouds in the sky had suddenly become infinitely large.

“They’re here!”

“Mario’s pupils dilated at this moment, his eyes filled with shock. ”

Perhaps no one had expected that the Chinese aircraft would disguise themselves as the white clouds in the sky.

He had known that ye Zao would definitely come!

He had not trusted the wrong person.

“At this moment, countless smoke bombs were thrown down from the aircraft. ”

William raised his head to take a look.

He saw that the originally calm and tranquil sky had suddenly been filled with countless aircraft.

They had really come!

“At this moment, William’s face was filled with disbelief. ”

He hadn’t expected ye Zao to appear on time.

As expected of ye Zao!

He was indeed worthy of People’s Trust.

“Seeing the smoke bombs suddenly thrown down from the aircraft, everyone was extremely alarmed. ”

“Mario immediately picked up the loudspeaker and continued, “Everyone, don’t worry. Miss ye said that these smoke bombs will not cause any harm to humans!” ”

“With these words, everyone felt much more at ease. ”

“After the smoke bombs came into contact with the ground, there wasn’t any particularly obvious smell.  
”

Chapter 2423: 408: Miss Ye is an eternal God! 4

“However, the exotic beasts all became extremely abnormal. ”

They roared and roared.

Bang Bang Bang —

“Following that, they all fell to the ground. ”

“Seeing the exotic beasts finally fall to the ground, everyone cheered excitedly. ”

This scene before them was something that they didn’t even dare to dream of.

“Mario and William looked at each other, their eyes filled with tears. ”

Not long after.

The aircraft no longer threw smoke bombs.

“The thick smoke in the air gradually disappeared, and the bodies of the beasts that had fallen to the ground gradually shrank. ”

“From the size of an elephant to the size of a horse, then to the size of a sparrow, and finally to a single-celled organism that was invisible to the naked eye. ”

“With the disappearance of the beasts, the peace of L continent returned to its former state. ”

“When everyone saw this scene, they cheered on the spot. ”

Rumble —

“It was also at this moment that the aircraft, which had been hovering in mid-air, landed. ”

“When everyone saw the aircraft, they immediately made way for it. ”

Mario and William went forward and stood in front of the aircraft.

“Before long, the door of the aircraft was opened. ”

Worker Xu walked out from inside.

“Mario immediately extended his hand towards worker Xu. “Hello, worker Xu. I’m Mario.” ”

“Hello.” Worker Xu shook hands with Mario.

“After saying that, worker Xu continued, “Mr. Mario, currently, all the exotic beasts in L continent have been destroyed. I’ll leave the rest of the work to you.” ”

“Thank you.” Mario bowed.

“William couldn’t wait to ask, “Where’s Miss Ye?” ”

He wanted to thank ye Zhuo in front of ye Zhuo.

Worker Xu looked at William. “Miss Ye has been working in the laboratory for more than 48 hours to research the virus that can conquer exotic beasts. She’s resting now.”

“A day was 24 hours, and 48 hours was two days. ”

“Hearing this, William felt very ashamed. ”

“Ye Zao had sacrificed so much for L continent, and he had even suspected that ye Zao was lying to him.  
”

He really shouldn't have done that.

“Worker Xu continued, “Miss Ye has another sentence for me to pass on to you.” ”

““Please say it quickly,” Mario said. ”

“Worker Xu turned to look at Mario and continued, “Miss ye said that no matter what happened in the past, the past is already in the past. A person should look forward. Whether L continent can return to its former glory will depend on the two of you.” ”

“After hearing these words, Mario felt a myriad of emotions in his heart. ”

“It had to be said that not only was ye Zao talented, he was also meticulous. ”

“If it was someone else, they might not be able to care so much. ”

“However, Ye Zao was different. ”

Ye Zao had thought of everything.

Regardless of whether it would happen or not.

““Alright.” Mario nodded. “Please rest assured, Miss Ye. We will definitely not disappoint her.” ”

““En.” Worker Xu took out a document. “And this, this is what Miss ye asked me to pass to you.” ”

Mario received the document from worker Xu with both hands.

“Worker Xu continued, “Then I’ll go back and hand in the task for Miss Ye.” ”

Mario sent worker Xu to the aircraft.

The people of L continent watched as the aircraft disappeared into the horizon. All of them spontaneously performed the highest etiquette of L continent.

“In this era, they should all remember that there was a heroine named Ye Zhuo.”

...

The news that the exotic beasts of L continent had been completely destroyed soon spread all over the world.

Who could believe that those exotic beasts without any weaknesses had actually been destroyed by Ye Zhuo!

“For a time, the headlines all over the world were all about the exotic beasts of L continent.”

[ Miss Ye is still Miss Ye! ]

[ miss ye Yds! ]

[ miss ye can really ascend to godhood directly. ]

“[ as far as I know, Miss Ye has long been recorded in the world’s Hall of Fame, and she’s ranked first! Not to mention ancient times, in modern times, Miss Ye is also an existence that has ascended to godhood. ] ”

“[ looking at Miss ye every day, I often feel that I’m a waste! ] ”

“After finishing everything, Ye Zhuo planned to have a good rest for a period of time. ”

“During this period of time, her nerves were too tense. ”

“She stood in front of the experiment table and completed the last step. She turned to look at the person beside her and said, “Worker Xu, I’ll leave the rest to you.” ”

“Worker xu smiled and said, “Okay, Miss Ye.” ”

“”Then I’ll go out first,”ye Zhuo continued. ”

“Okay.”Worker Xu nodded. “You can go.”

“Ye Zhuo took off her lab coat and walked out of the door. As soon as she reached the door, Cen Shaoqing took her lab coat and said, “Shall we go on vacation?” ”

“Coincidentally, Ye Zhuo also wanted to relax. “Where are we going?” ”

“To the South China Sea?”Cen Shaoqing said.

Chapter 2424: 508: it doesn’t seem like a joke

The South China Sea was close to the equator.

“The temperature was extremely high, and the four seasons were like summer. It was a good place for a winter vacation. ”

Ye Zhuo had a special plot for the sea. It had to be said that Cen Shaoqing’s suggestion had hit the nail on the head.

“Okay.”Ye Zhuo nodded slightly. “When do we set off?”

“When do you want to set off?”Cen Shaoqing asked.

Ye Zao Thought for a moment. “Can you leave anytime?”

“Yes.”Cen Shaoqing nodded slightly.

“Then I’ll go back and tell my parents that we’re Leaving Tonight?”Ye Zao said.

“Okay.”Cen Shaoqing’s thin lips parted slightly. “Take me back and tell Grandma and the others.”

“It’s decided then.”

Cen Shaoqing drove ye Zao back first.

“Almost as soon as she got into the car, Ye Zao fell asleep in the seat. ”

“Her breathing was shallow, and the sunlight shone in through the car window, casting a layer of golden light on her face. ”

It was especially beautiful.

“Cen Shaoqing turned his eyes slightly and subconsciously slowed down the car, turning down the music in the car. ”

“After an unknown amount of time, when ye Zao woke up, the car had already stopped in front of the Lin family manor. ”

Ye Zao slowly opened his eyes. He was stunned for a moment before he turned to look at Cen Shaoqing.  
“You’re here?”

“”Yes.”Cen Shaoqing also took a nap. At this moment, his voice sounded a little lazy. ”

“Ye Zao continued, “When did you arrive? Why didn’t you call me?” ”

“”I just arrived for a while. I also slept for a while,”Cen Shaoqing said. ”

Ye Zao nodded slightly.

Cen Shaoqing went around to the other side and opened the car door for ye Zhuo. “I won’t go in.”

“After going to Nanhai for a while, he still had to return with some close-fitting clothes. ”

Cen Shaoqing had a strange habit. He didn’t like others touching his close-fitting clothes.

Even his biological mother couldn’t do it.

“Ye Zhuo said, “Well, you should go back quickly. It’s getting late.” ”

Cen Shaoqing nodded slightly.

“Ye Zao instructed, “Drive slowly on the road.” ”

“I know.”

“After the car disappeared in front of them, Ye Zao turned around and walked into the house. ”

Lin Ze and Bai Jingshu had been living in the Lin family manor ever since their marriage.

“When Bai Jingshu saw ye Zao return, she smiled and said, “Zao Zao is back.” ”

“Sister-in-law.”

“Bai Jingshu immediately walked over and took the bag from ye Zao’s hands. “I was just talking to mom about you. I thought you wouldn’t be back today. If I had known that you were back, I would have asked the kitchen to prepare more dishes.” ”

A very ordinary girl was different.

Ye Zao ate a lot.

“He especially loved desserts, so every time ye Zao ate at home, the kitchen would prepare a large table of dishes and also prepare a few desserts before and after the meal. ”

“Ye Zao said, “Sister-in-law, don’t trouble yourself. I still have to leave later.” ”

“You’re not eating at home?” Bai Jingshu asked.

“Ye Zao smiled and said, “Just eat something.” ”

""How can I just eat something? ! I just learned how to make a dessert recently. Wait here, I'll make it for you to try,"Bai Jingshu said. "

Bai Jingshu liked ye Zao very much.

That was because ye Zao was a very good sister-in-law.

"Since ancient times, the relationship between mother-in-law and daughter-in-law was the most difficult to handle. However, in the Lin family, there were no such difficult relationships. "

Ye Shu and Lin Jincheng treated her like their own daughter.

Ye Zhuo even treated her like his older sister.

"In the Lin family, she felt a long-lost affection for her family. This was something she had never experienced from her parents in the past twenty years. "

""Sister-in-law, there's really no need to go through so much trouble."Ye Zhuo held Bai Jingshu's arm. "Where's Mom?" "

"Bai Jingshu said, "I think she's upstairs! By the way, where are you going tonight? When are you coming back?" "

"Ye Zhuo continued, "I'm going to the South China Sea for a vacation. I'm too tired recently, and my nerves are very tense. I plan to have a good rest." "

Ye Zhuo was a person who did not easily say that he was tired.

"But this time, it really made her physically and mentally exhausted. "

""It's time for you to have a good rest." Bai Jingshu continued, "Use this time to give yourself a good vacation." "

""Yeah." Ye Zhuo seemed to have thought of something. "Sister-in-law, are you going to play with my brother too? I remember that you guys haven't gone out to play since you got married." "

"Bai Jingshu smiled and said, "We won't go. We'll go again when we have time." "

"It was obvious that Ye Zhuo wanted to go out to play with Cen Shaoqing. If the two of them were to follow him, wouldn't they become a third wheel? "

Bai Jingshu was not the kind of person who was insensible.

""Alright then." Ye Zhuo continued, "Has my brother been very busy recently?" "

""He's quite busy." Bai Jingshu nodded. "He leaves early and returns late every day. After we settle things here, we still have to make a trip to the s galaxy." "

Chapter 2425: 508: it doesn't look like a joke

"Bai Jingshu continued, "I heard that Old Lady Shangguan's health hasn't been very good recently. Your Brother is quite anxious." "

"What's the situation?" Ye Zhuo asked.

"Bai Jingshu said, "It's said to be an old problem. I'm not too sure about the exact situation. I guess we'll have to wait until we get there to find out." "

"Ye Zhuo nodded slightly. "Sister-in-law, wait for me here for a moment." "

“After saying that, ye Zao turned around and walked upstairs. ”

“Before Bai Jingshu could react, ye Zao’s figure had already disappeared in the direction of the spiral staircase. ”

“Ye Zao came upstairs and fiddled around in the pharmacy for a while. Finally, he took out a small porcelain bottle and walked downstairs. ”

“Sister-in-law.”Ye Zao handed the small porcelain bottle to Bai Jingshu. “Take this with you when you go to see Old Lady Shangguan.”

“Bai Jingshu took the small porcelain bottle and was stunned for a moment. She asked, “What is this?” ”

“”This is a medicine that can save Old Lady Shangguan’s life at a critical moment,”ye Zhuo continued. “There’s only one pill in it. Let my brother use it in an emergency.” ”

“Okay.”Bai Jingshu nodded.

“Just then, ye Shu walked in from behind. When she saw Ye Zhuo, she asked in surprise, “When did ye Zhuo come back?” ”

“Ever since the incident in I continent, Ye Zao had not returned for nearly a month. ”

“”I just got home,”ye Zao said. ”

“Ye Shu smiled and said, “It’s good that you’re back. Your father said last night that he had not seen you for a long time.” ”

“”Mom, I have to leave after eating.” ”

“Hearing this, Ye Shu frowned slightly and said with some heartache, “Working overtime again?” ”

She saw that ye Zhuo had lost weight during this period of time!

It was impossible for him to work overtime like this.

“Ye Zhuo explained, “It’s not overtime. I have an appointment with Cen Shaoqing to go to the South China Sea for a vacation.” ”

“Hearing that it was a vacation, ye Shu’s brows immediately relaxed. She smiled and said, “You young people should go out more. The South China Sea is not bad, the environment is good, and it’s warm. You guys should play for a while longer.” ”

“Okay.”Ye Zhuo nodded.

“Then should we set off tonight?”Ye Shu continued to ask and answer.

“Yes.”Ye Zhuo continued to nod.

“Ye Shu said, “Then I’ll go and pack your luggage for you.” ”

Ye Zhuo was really tired from working overtime during this period of time. Ye Shu wanted her to rest more.

“Ye Zhuo said, “Mom, I can do it myself. You Don’t know what I’m going to bring.” ”

“”Just tell me what to bring,”ye Shu said. ”

“”Mom, there’s really no need. If I have the time to tell you, I might as well clean it up myself,”ye Zao said with a smile. ”

“Ye Shu nodded helplessly. “Okay, okay, okay. Then I’ll go to the kitchen to take a look.” ”

“”Okay, you can go.” ”

“Bai Jingshu followed ye Zao’s footsteps. “Zao Zao, I’ll go with you to clean up.” ”

“Sure.”Ye Zao nodded slightly.

“When they arrived at ye Zao’s room, Bai Jingshu helped him pack his things. ”

“The aunt and sister-in-law chatted as they packed their things. “Zao Zao, let me ask you a question.” ”

“”Okay,”ye Zao said. ”

“Bai Jingshu hesitated for a moment. She considered the words in her heart before continuing, “Zao Zao, you said that your brother and I have been married for so long. Why... why... Why hasn’t there been any news?” ”

Although ye Shu and Lin Jincheng didn’t urge anyone.

Bai Jingshu was still quite anxious.

“After all, they didn’t do anything after they got married. ”

She suspected that there was something wrong with her.

“Ye Zhuozhuo smiled and said, “Sister-in-law, don’t be anxious. Children also pay attention to fate. When fate arrives, there will naturally be something.” ”

""Zhuzhuo, why don't you take a look at me? Is there something wrong with me?" Bai Jingshu asked. "

"As an excellent Chinese medicine practitioner, ye Zao could tell that there was nothing wrong with Bai Jingshu at a glance. However, in order to reassure Bai Jingshu, ye Zao still extended his hand to check Bai Jingshu's pulse, then, he said, "Sister-in-law, there's nothing wrong with you. Let nature take its course."

"Hearing that there was nothing wrong with her, Bai Jingshu heaved a sigh of relief. "Luoluo, thank you."

"Ye zhuzhuo smiled and said, "We're all family. What are you talking about?" "

Bai Jingshu smiled as well.

"Ye Zhuzhuo asked, "Sister-in-law, did mom and the others rush you?" "

"Otherwise, why would Bai Jingshu be in such a hurry. "

"Bai Jingshu shook her head. "Neither of them rushed me. I just felt that it was a little strange. After all, it's been so long." "

""Don't worry," ye Zao said. "

"Okay."

"With Ye Zao's words, Bai Jingshu was indeed relieved. After all, Ye Zao also had the identity of the famous Miracle Doctor Ye. "

"Since ye Zao said it was fine, it was definitely fine. "

“At this moment, Bai Jingshu seemed to have thought of something. She looked at ye Zao and asked, “Zao, you didn’t hide it from me, did you?” ”

Chapter 2426: 508: it doesn’t look like a joke

“Ye Zao chuckled, “Sister-in-law, what are you thinking about! ! Why would I hide it from you? If it’s nothing, it means it’s nothing! Besides, if there’s a problem with the needle, the patient will definitely have to think of a way to treat it. How can i solve the problem by hiding it from you? “Don’t worry, sister-in-law, you’re really fine!” ”

Bai Jingshu put the spray into ye Zao’s suitcase. “As long as you’re not lying to me.”

On the other side.

At the CEN residence.

“Old Mrs. Cen was sitting on the sofa listening to the Huangmei Opera, occasionally humming a few words to the rhythm. ”

“When she heard that Cen Shaoqing was going to the South China Sea, Old Mrs. Cen was a little speechless. “Why are you going to the South China Sea? It’s not like you’ve never been to the South China Sea before!” ”

“CEN Shaoqing said, “I’m going on vacation.” ”

Vacation?

Old Mrs. Cen immediately perked up. Her eyes lit up when she looked at Cen Shaoqing. “Who are you going on vacation with? Is It Yezi?”

“No.” Cen Shaoqing’s thin lips parted. It didn’t seem like he was joking.

“No?” Old Mrs. Cen looked at Bai Jingshu. Her expression was one of disgust. “What do you want to do if you’re not going on vacation with searing flames? Why are you going on vacation alone? I think you’re Stupid!”

“Can’t you go on vacation alone?” Cen Shaoqing asked.

“Old Mrs. Cen said, “I think there’s something wrong with your brain.” ”

Go On a vacation alone!

Cen Shaoqing did not say anything. He turned around and walked upstairs.

“Old Mrs. Cen continued, “Where are you going?” ”

“”To pack my luggage,” Cen Shaoqing said concisely. ”

“Old Mrs. Cen was speechless. “You’re a sand sculpture. You’re not really going on a vacation alone, are you?” ”

“Yes.”

“I forbid you to go!” Old Mrs. Cen said.

Cen Shaoqing turned a deaf ear.

“Unlucky Thing!” Old Mrs. Cen was so angry that she shook her head. “You should be a single dog for the rest of your life!”

Not long after.

The sound of footsteps came from outside the door.

“Grandma Cen.” Ye Zao’s voice came from the air.

“Old Mrs. Cen was stunned for a moment. She thought she was hearing things. When she opened her eyes, she saw Ye Zao standing in front of the sofa.”

““Yezi!” Old Mrs. Cen stood up in surprise and hugged Ye Zao. “Yezi, it’s really you! I thought I was hearing things!” ”

“Ye Zao smiled and said, “It’s not an illusion to be human.” ”

“After saying that, Ye Zao continued, “Where’s Cen Shaoqing?” ”

“At the mention of Cen Shaoqing, old Mrs. Cen said unhappily, “Don’t mention that unlucky thing.” ”

““How did he make you angry? Tell me, I’ll help you beat him up!” Ye Zao said. ”

“Old Mrs. Cen said angrily, “Ye, do you know that he’s going to the South China Sea?” ”

“Ye Zao nodded slightly. “Yes, I know. I’ll go with him.” ”

Old Mrs. Cen finally realized that she had been deceived by Cen Shaoqing.

““This sand sculpture knows how to deceive people now!” Old Mrs. Cen said angrily, “He just said that he would go by himself! After all this, it turns out that he is lying to me, an unarmed, weak, and kind-hearted old man!” ”

Old Mrs. Cen said a whole bunch of words in one breath without even taking a breath. It could be seen how good her lungs were!

“Ye Zhuo smiled and said, “Don’t worry, I will help you beat him up later. One slap on the wall won’t even be able to button it.” ”

“Old Mrs. Cen held ye Zao’s hand and said with a smile, “My granddaughter-in-law is still the best!” ”

“Ye Zao continued, “Oh Right, Grandma Cen, why don’t I see Aunt Xiang?” ”

“They had been here for quite a while, but they still didn’t see Zhou Xiang. ”

“Old Mrs. Cen said, “Your Aunt Xiang recently signed up for an interest class. She’s going to class now.” ”

The rich and powerful wives had a very rich entertainment life every day.

“Today she was going on a trip, tomorrow she was going to play mahjong, and the day after tomorrow she was going to listen to a concert...” ”

“OH.”Ye Zhuo nodded slightly.

“Old Mrs. Cen looked upstairs and continued, “I don’t know what that Brat is doing, but he hasn’t come down. Ye, go upstairs and take a look.” ”

“Okay.”Ye Zhuo nodded slightly.

Ye Zhuo walked upstairs.

The entire third floor was CEN Shaoqing’s activity area.

“On the left was the gym, in the middle was the study, and on the far right was the bedroom. ”

“On the third floor, besides the cleaning time, there was no one else. ”

Ye Zhuo came to Cen Shaoqing’s bedroom with ease.

The bedroom door was open.

“Ye Zhuo reached out to knock on the door, but there was no response. ”

“Cen Shaoqing?”

There was still no response from inside.

Ye Zao frowned without leaving a trace. was he not inside?

“Thinking of this, Ye Zao walked inside. ”

The room was very quiet.

One could see that there was a suitcase in front of the cabinet that had already been packed.

Bang!

“At this moment, the bathroom door that was originally closed was pushed open. ”

Chapter 2427: 508: it doesn’t look like a joke

“The next second, Cen Shaoqing walked out from inside. ”

It was almost without any warning.

He had just finished showering. His hair was wet and his body was wet. He was holding a white towel in his hand and drying his hair.

This was not the most important thing. The most important thing was that he was not wearing anything.

He was not even wearing a towel.

“This time, he had seen everything that he should have seen and everything that he should not have seen. ”

“Ye Zao’s face instantly turned red. He immediately turned his head. “I, I didn’t see anything.” ”

Cen Shaoqing was stunned for a moment before he reacted instantly. There was no expression on his cold face. He remained serious. “It doesn’t matter even if you saw it.”

He would definitely see it in the future anyway.

“”I really didn’t see it,”ye Zao said. ”

“For some reason, there was a hint of guilt in his words. ”

“Cen Shaoqing curled his lips slightly. “Yes, I believe that you didn’t see anything.” ”

“It was clearly a very serious sentence, but ye Zao could hear a teasing tone in it. ”

“However, when Cen Shaoqing said this, the scene that he had just seen appeared faintly in front of ye Zao’s eyes. ”

“His face, which had already returned to normal, gradually turned red again. ”

“Cen Shaoqing took out a scarf from the towel rack and wrapped it around his waist. He walked to ye Zao and said, “Alright, don’t be shy. You’ll have to face it in the future.” ”

“What are you saying?”Ye Zao looked up at him.

“Cen Shaoqing said in a low voice, “Am I Wrong?” ”

“After saying that, he leaned slightly and whispered something into ye Zao’s ear with his thin lips. ”

His voice was so soft that only ye Zao could hear it.

Ye Zao’s face instantly turned red.”... I already said that I didn’t see it!”

“As long as she kept denying it, Cen Shaoqing couldn’t do anything to her. ”

“You really didn’t see it?”Cen Shaoqing asked again.

“No!”Ye Zao said righteously.

“Cen Shaoqing chuckled and his thin lips fell on her ear. His low voice was slightly hoarse. “Okay, then I’ll find an opportunity to let you take a good look at it.” ”

“After saying that, Cen Shaoqing reached out and hooked his arm around her waist, pulling her into his embrace. ”

“In an instant, ye Zao’s body was tightly pressed against his body. ”

“The two of them were not wearing much, especially Cen Shaoqing, who only had a towel around his waist. ”

Ye Zao almost could not catch his breath. His heart was beating rapidly.

Bang Bang Bang.

“One after another, as if he could not stop. ”

“Do you want to see? HMM?”The last part of the sentence was slightly raised with a sense of oppression.

“Ye Zao’s face was already very red. At this moment, how could he endure such words to provoke him? His breathing also became rapid. ”

How could this person be like this!

He simply opened his mouth and said lewd words.

“Hooligan!”Ye Zao cursed in a low voice. He pushed Cen Shaoqing away and ran out of the door.

He was simply a big hooligan.

Cen Shaoqing looked at her back view as she ran away in a panic. His eyes were filled with a faint smile.

She was indeed still a little girl who could not be teased.

“After a moment, CEN Shaoqing retracted his gaze and turned around to walk to the bathroom. ”

Teasing a little girl made him want to take a shower again.

Was It Worth It?

Cen Shaoqing raised his eyebrows slightly.

“After running to the entrance of the second floor in one breath, ye Zao stopped and took a deep breath. However, in the blink of an eye, he returned to his calm and composed appearance.”

Old Mrs. Cen was still sitting on the sofa downstairs listening to the Huangmei Opera.

“When she heard the footsteps, she immediately turned around. “Zao Zao, why are you the only one coming down? Where’s the other one?” ”

““That one is still upstairs,”ye Zao said.”

“Old Mrs. Cen nodded and did not think much about it. She continued, “What Time Are you preparing to leave tonight?” ”

““It depends on Cen Shaoqing,”ye Zao answered.”

“Old Mrs. Cen continued, “Then when will you be back?” ”

Ye Zhuo thought for a moment. “About ten days to half a month.”

““Let’s play for a month,”old Mrs. Cen said. “When you’re busy, you don’t even have time to sleep. It’s not easy for you to decide to go out and play. It’s not fun to play for only ten days or so!” ”

“Ye Zhuo smiled and said, “It depends on the situation. If the conditions allow, we’ll play for a few more days.” ”

“Okay.” Old Mrs. Cen nodded.

“About half an hour later, Cen Shaoqing came down from upstairs. ”

“At this time, he was already dressed neatly. ”

“He wore a plain-colored long gown, cloth shoes, and held a string of Buddhist beads in his hand. No matter how one looked at him, he looked like a gentle and handsome young master. No one would have thought that he would be able to press down on ye Zao’s ear and say those extremely erotic words. ”

“Thinking of the scene just now, Ye Zao’s face turned slightly red. He cursed in a low voice, “You Dog!” ”

Cen Shaoqing seemed to have heard her curse in a low voice. He raised his eyes and looked in this direction. His eyes were filled with ridicule.

Ye Zao immediately glared back.

You Can’t Lose Your Aura when you lose!

“Cen Shaoqing’s eyes were filled with a faint smile. He walked over and said, “Are you ready?” ”

““Yes,” ye Zao said. ”

“Shall we set off now?” Cen Shaoqing asked.

“Ye Zao continued, “Aren’t you going to eat?” ”

""We can eat on the plane,"Cen Shaoqing said. "

""That's fine."Ye Zao nodded slightly and turned to look at Old Mrs. Cen. "Then, Grandma Cen, we'll be leaving first." "

""Okay."Old Mrs. Cen's face was full of a kind smile. "Okay, let's go back." "

"CEN Shaoqing continued, "Grandma, you take good care of yourself at home. We're leaving." "

"Get lost!"Old Mrs. Cen's face instantly changed.

"One in front of the other, the other in the back, they were two completely different people. "

"Looking at his biological grandmother who had turned hostile faster than flipping through a book, Cen Shaoqing:"..."he also suspected that today was the day he was picked up. "

Old Mrs. Cen smiled and looked at Ye Zhuo. "Remember to call me when Yezi arrives."

"Okay."

"Cen Shaoqing twirled the Buddhist beads and said in a low voice, "I suspect that you are Grandma's biological granddaughter." "

Ye Zao raised his eyebrows slightly. "Do you still need to suspect that?"

Chapter 2428: 509: as long as the leader is happy

Cen Shaoqing:"..."why did he ask such a question.

“Ye Zhuo continued, “Let me ask you a question.” ”

“Okay.”Cen Shaoqing held the handle of the suitcase with one hand and caught up with Ye Zhuo. He reached out and grabbed ye Zhuo’s wrist.

Ye Zhuo looked at Cen Shaoqing. “Who was your goddess when you first fell in love?”

““You,”Cen Shaoqing said. ”

“Ye Zhuo continued, “What I mean is, when you were in school during puberty, did you have a crush on anyone in Your Class?” ”

“No.”Cen Shaoqing’s expression was calm. “I remember you asking this question before.”

“Really?”Ye Zhuo raised his eyebrows slightly.

“CEN Shaoqing said, “I really didn’t. Didn’t Grandma Tell You? When other people first fell in love during puberty, I saw through the secular world.” ”

This was Cen Shaoqing’s true experience.

He saw through the secular world when he was 14 or 15 years old. He felt that life was too simple and meaningless.

“Day after day, year after year. ”

“This persistence lasted for more than 10 years. When he said this, Cen Shaoqing turned to look at Ye Zhuo. “Then I met you.” ”

“Up until now, Cen Shaoqing still remembered the scene at that time. ”

“At that time, he mistook his heartbeat for an illness and even looked for ye Zhuo to feel his pulse. ”

“Thinking of this, the corners of Cen Shaoqing’s mouth curled slightly. ”

“”What are you smiling about?”CEN Shaoqing continued, “I remembered the scene when I looked for your pulse. Actually, I had already fallen in love with you at that time, but I didn’t realize it myself.” ”

This sentence also evoked ye Zhuo’s memories.

“At that time, it was also the first time she had fallen in love with someone. Just like Cen Shaoqing, she thought that she had some rare illness. ”

“Am I the first person you fell in love with?”Cen Shaoqing looked at Ye Zao.

“Ye Zao was a little speechless and said, “I remember that you asked this question too.” ”

“”I want to ask again,”Cen Shaoqing said. ”

Ye Zao nodded. “Yes.”

Cen Shaoqing did not say anything. He just held ye Zhuo’s hand tightly.

The two of them quickly arrived outside.

“The driver had already parked the car outside the door. When he saw the two of them walking over, the driver immediately opened the door and got out of the car. He went forward to receive the suitcase in Cen Shaoqing’s hand and said respectfully, “Fifth master, Miss Ye.” ”

Cen Shaoqing opened the back door and carefully placed his hand on the roof of the car. He held ye Zhuo's waist. "Slow down."

"Okay." Ye Zao nodded slightly and walked into the back seat.

Cen Shaoqing also got into the car and sat beside ye Zao.

The speed of the car was neither fast nor slow.

"The Cen family had their own parking space in the airport and their own VIP access, so there was no need to line up in the hall. "

The two of them arrived at the boarding gate without any obstruction.

"Nanhai was more than 3,000 kilometers away from the capital city, and it took about four hours by plane. "

"The Cen family's private plane was especially luxurious. There were movie theaters, game rooms, gyms, and everything. "

"Because Cen Shaoqing did not eat dinner, the captain also prepared an exquisite dinner. "

"After eating, Ye Zao put on his blindfold and began to rest. "

"He was too tired during this period of time, so ye Zao quickly fell asleep. "

"Cen Shaoqing sat next to Ye Zao. As long as he tilted his head slightly, he could see ye Zao's sleeping face. "

There were thousands of stars outside the window.

The person beside him was the one he loved the most.

This was the best thing in life.

Cen Shaoqing picked up the thin blanket and gently covered ye Zao's body.

"She was a light sleeper, but she was completely immune to CEN Shaoqing. "

"After covering her with the thin blanket, Cen Shaoqing leaned over slightly and planted a light kiss on her red lips. "

"Just as Cen Shaoqing was about to raise his head, ye Zao suddenly stretched out his hand and hooked it around his neck, pulling it gently. "

"Cen Shaoqing was stunned. Just as he was about to say something, his thin lips were blocked by someone. All his words were swallowed into his stomach at that moment. "

His heart was racing.

One moment after another.

The atmosphere became delicate.

"After an unknown amount of time, Cen Shaoqing finally let go of her. He was slightly panting as he turned around and walked to the other side. "

"Where are you going?"Ye Zao opened his mouth at this moment.

Ye Zao was also stunned when he opened his mouth.

“Her voice seemed to have changed a little, but it didn’t seem to have changed at all. ”

“I...”Cen Shaoqing cleared his throat. “I’m going...”

“Before he could finish his sentence, he was interrupted by Ye Zao. “Are you going to the bathroom?” ”

“It was a very plain sentence, but it made Cen Shaoqing’s pupils widen in an instant. ”

It was as if ye Zao had said something fierce.

“Ye Zao smiled and said, “Mr. Cen, if I Were you, I might as well not bear it.” ”

“After saying that, ye Zao paused and continued, “Do You Dare?” ”

“How could a man’s dignity tolerate such a provocation? Cen Shaoqing directly stepped forward and pressed on her body. His phoenix-like eyes were dark and heavy, and his voice was extremely dangerous. “What do I not dare?” ”

Chapter 2429: 509: As Long as the leader is happy

“Ye Zao was not a pushover. He looked at him and said, “Then come!” ”

“There were thousands of stars in her eyes. She blinked and blinked, as if she could charm people’s hearts. ”

Cen Shaoqing only felt that the giant beast that was locked in his heart had suddenly broken free from its cage and soared into the sky. It was unstoppable.

“Although the arrow was already on the bow, Cen Shaoqing’s calmness was still there. He let go of Ye Zao and stood up straight. Forget it, he really did not dare.”

Cen Shaoqing turned around and left in a hurry.

Ye Zao looked at his voice and chuckled.

““Mr. Cen, I thought you were very capable, but it turns out that you’re just so-so.” ”

Cen Shaoqing stopped in his tracks and looked back slightly. He looked at ye Zao and opened his thin lips. “I’ll write this down in my notebook.”

“When the time came, he would definitely get it back.”

“Ye Zhuo chuckled. “Alright, I’ll wait.” ”

Cen Shaoqing turned around and walked towards the bathroom.

“After a while, Cen Shaoqing walked out of the bathroom.”

He came to the lounge once again. Ye Zhuo was already asleep.

“Her sleeping face was peaceful, and it made people want to take a few more glances at her.”

Cen Shaoqing sat beside her. He supported his chin with one hand and looked at her.

Four hours passed very quickly.

“The moment they landed, Ye Zhuo opened his eyes. “Are we here?” ”

“Yes.”Cen Shaoqing nodded slightly. “We’re here.”

Ye Zhuo turned to look at the direction of the clock.

“They had boarded the plane at nine o’clock in the evening, and it was one o’clock in the morning. ”

Cen Shaoqing picked up a thin coat and draped it over ye Zhuo. “The temperature difference in the South China Sea is quite large in the morning and evening. Drape your coat over your shoulders.”

“Okay.”Ye Zao nodded.

The two of them walked towards the exit together.

Cen Shaoqing took the suitcase from the pilot. He held the suitcase with one hand and held ye Zao’s hand with the other.

“Have you found a place to stay?”Ye Zao continued to ask.

Cen Shaoqing nodded slightly. “Can we temporarily stay at the Seaside Villa Tonight?”

“He happened to have a villa at the seaside, which was not far from here. ”

“”Yes,”ye Zhuo continued to ask, “Then where are we going tomorrow?” ”

“”To the island tomorrow,”Cen Shaoqing answered. ”

“Yes.”

“Every time he went out with Cen Shaoqing, Ye Zhuo did not need to think because Cen Shaoqing could arrange everything properly. ”

...

On the other side.

Bai Mo had not been doing well recently.

She was looking forward to her parents finding her every day.

But there was no news.

Even Bai Yuanyuan had not received any news.

““Is the meal ready? What are you waiting for?”At that moment, Liu Chao’s voice came from the living room. ”

Bai Mo’s thoughts were pulled back at that moment. “It’ll be ready soon.”

“In less than three months, Bai Mo had gone from a high and mighty heiress to a housewife who washed her hands and made soup. ”

Bai Mo had always thought that she was dreaming.

“Her life was supposed to be bright, but how did it become like this. ”

“When will it be ready?”Liu Chao’s dissatisfied voice sounded again.

Bai Mo immediately lifted the lid of the pot and began to fill it with soup. "It'll be ready soon."

"Not long after, Bai Mo brought the soup to the dining room."

Liu Chao looked at Bai Mo and frowned slightly. "What's wrong with you today?"

"Bai Mo smiled and explained, "I have to cook the Soup for a while longer today." "

Liu Chao did not say anything else and began to eat.

Bai Mo came over from the kitchen with some food and sat down at the dining table to eat.

The air was a little quiet and there was only the sound of each other chewing.

"If Liu Chao looked up at Bai Mo at this moment, he would definitely realize that Bai Mo's eyes were filled with monstrous hatred. "

"Ever since she was trapped on Earth, Bai Mo had never stopped wanting to kill Liu Chao. "

Liu Chao was such a lowly person!

"After eating, Liu Chao placed the empty bowl on the table. "

Bai Mo immediately put down her bowl and went to serve Liu Chao Rice.

"Looking at Bai Mo like this, Liu Chao's eyes were filled with satisfaction. "

"Very soon, Bai Mo served the rice. "

“Liu Chao continued, “We’ll go to the hospital in the afternoon.” ”

Bai Mo was stunned. “What for?”

“”To find out why you haven’t been able to get pregnant,” Liu Chao said. ”

Liu Chao’s biggest dream was to have a wife and children to heat up the bed.

Although Bai Mo was not his ideal type.

But the current Bai Mo was a qualified wife.

“Moreover, the Bai family’s genes were not bad, and their children would definitely be very outstanding in the future. ”

“Hearing this, Bai Mo’s heart was like a raging sea. She wished she could pick up the kitchen knife in the kitchen and directly Chop Liu Chao’s head. ”

“At this moment, Bai Mo could no longer hide the worries in her eyes. ”

Liu Chao threw down his chopsticks and directly slammed the table and stood up. “Why? Are you not happy giving birth to my child?”

Chapter 2430: 509: as long as the leader is happy

“She looked a little scary, as if she would strangle Bai Mo in the next second. ”

“Bai Mo had been beaten up quite a lot these past few days. When she saw Liu Chao like this, she was so scared that her face turned pale.”

“”No, no, you misunderstood,” Bai Mo immediately explained. “Liu Chao, I didn’t mean that. I just heard that childbirth is very painful, so I’m a little afraid...” ”

“Liu Chao said, “Which woman doesn’t give birth? Bai Mo, do you think you’re still in the S Galaxy? You’re no longer the second miss of the Bai Family!” ”

“Bai Mo lowered her eyes, the expression in her eyes was very complicated. ”

“She was originally a phoenix in the sky, but in the end, she had actually fallen to such a state. ”

How ridiculous.

“After a moment, Bai Mo finally reacted. “Alright, I’ll go over with you after eating.” ”

Only then was Liu Chao satisfied.

“After dinner, Bai Mo followed Liu Chao to the hospital. ”

“No matter what time it was, there were many people in the hospital. ”

“Liu Chao knew a doctor in the hospital, so he did not need to queue up. He just needed to go for a checkup. ”

Bai Mo and Liu Chao went for a checkup.

“After taking the report, Liu Chao brought Bai Mo to the Doctor’s office. ”

“The Doctor was a young woman in her thirties. She looked at Liu Chao and said, “Is this your wife?” ”

“Yes.” Liu Chao nodded.

“The doctor smiled and said, “She’s very lucky in love.” ”

“However, from the looks of it, Bai Mo was definitely a beauty. ”

She was more than enough to match up to an ordinary person like Liu Chao.

Liu Chao’s vanity exploded at this moment. “It’s alright. Quickly show us what’s going on.”

“Where’s the report?”The doctor reached out his hand to Liu Chao.

Liu Chao immediately handed the report to the Doctor.

“The Doctor took the report. The next second, he smiled at Liu Chao. “Do you still need to do a check-up?” ”

Liu Chao was stunned. “What do you mean?”

“The doctor continued, “Your wife is pregnant.” ”

Pregnant!

“Liu Chao’s face was filled with disbelief. He turned to look at the doctor and asked, “You mean that she’s pregnant?” ”

“”Yes.”The doctor nodded. “From the examination results, it’s been a month.” ”

A month?

She's been pregnant for a month?

Bai Mo's face instantly turned pale.

What was going on?

When did she get pregnant?

How could she be pregnant with a lowly person like Liu Chao?

No.

She couldn't.

She couldn't get pregnant!

"At this point, the Doctor raised his head to look at Bai mo. "Have you had any special reactions recently?" "

Bai Mo's heart was filled with humiliation. How could she still hear the doctor's words clearly.

"Seeing Bai Mo like this, the doctor smiled and looked at Liu Chao. "Look, your wife is so happy that she's going crazy." "

Liu Chao knew that Bai Mo was not happy at all. It was because she could not accept it. He reached out and pushed Bai mo. "The Doctor is asking you a question!"

Only then did Bai Mo react. "AH? What?"

"The doctor smiled and repeated what he had just said. "I said, did you have any special reactions during this period of time, such as dizziness or Nausea?" "

"No." Bai Mo shook her head.

"The doctor continued, "Everyone's pregnancy reaction is different. During the first three months, you must pay attention to rest and not do heavy work. Liu Chao, you must pay more attention. Your wife is thin to begin with. Take advantage of the pregnancy to nourish her!" "

Bai Mo could not describe the feeling in her heart.

"She only had one thought now, and that was to kill Liu Chao! "

"On the way back from the hospital, Bai Mo was absent-minded. "

"Liu Chao originally wanted to teach Bai Mo a good lesson, but seeing that Bai Mo was already pregnant, he did not make a move, he said, "Bai Mo, you already have my flesh and blood now. Just Live Well with me. Don't think about all that nonsense anymore! No matter how much you think about it, it will only be a futile effort." "

Bai Mo nodded. "Okay."

"Although she nodded, she did not want to compromise with fate. "

She had to think of a way to go back.

"She absolutely could not become a lowly earthling, much less give birth to a child for Liu Chao. "

She could not!

“Bai Mo held onto the car seat tightly. Because she had used too much strength, her knuckles were already slightly white. ”

“Liu Chao was supposed to go out in the afternoon, but because Bai Mo was pregnant, he did not go out in the afternoon. He stayed at home to accompany Bai Mo.. ”

“In the evening, he personally cooked a lot of food that was suitable for pregnant women. ”

Bai Mo ate everything like wax.

She just wanted to go back.

Back to where she belonged.

Liu Chao scooped a bowl of soup for Bai mo. “I have to make a long trip tomorrow. You take good care of yourself at home.”

Liu Chao was not at home tomorrow?

“Bai Mo narrowed her eyes and continued, “When will you be back?” ”
