Chapter 2431: 509: as long as the leader is happy

“About two to three days,” Liu Chao said. ”

Bai Mo nodded. “Then I’ll wait for you at home.”

“Liu Chao looked at Bai mo. “During the time I’m not at home, if you dare to do anything to my son, Bai Mo, when I come back, I’ll definitely not let you off!” ”

“Don’t worry,” Bai Mo continued, “I’m already married to you now. I Can’t go back to the s galaxy either. I’ll give birth to this child properly.” ”

“Seeing Bai Mo like this, Liu Chao was slightly relieved. ”

“Bai Mo had already fallen to such a state, so it was unlikely that she would be able to find any flowers. ”

The next day.

“As expected, Liu Chao left the house early in the morning. ”

“Bai Mo watched Liu Chao’s car disappear outside the door. Then, she tidied up a little and prepared to leave as well. ”

There was only one person who could save Bai Mo now.

And that was Bai Jingshu.

“Bai Mo had been guarding Bai Jingshu’s daily route since early in the morning. When she saw Bai Jingshu’s figure, she immediately ran over. “Sis!” ”

Bai Jingshu turned around and saw Bai Mo..

“Bai Mo immediately knelt down. “SIS, I was wrong! I really know that I was wrong. Please forgive me!” ”

She endured for a moment before everything calmed down.

“Having reached this point in her life, Bai Mo could only lower her head. ”

“Bai Jingshu looked at Bai mo. “Bai Mo, we have nothing to do with each other anymore.” ”

““No, SIS, you’re my sister. We’re blood-related sisters,”Bai Mo cried. “SIS, I was wrong before. I shouldn’t have been wishful thinking, and I shouldn’t have been daydreaming. Everyone makes mistakes. SIS, please give me a chance to change! “I don’t want to stay here anymore. Do you know what kind of days I’ve been living these past few days? “I beg you to bring me back to the s galaxy? “I miss my parents, and I Miss Grandpa Too!” ”

Grandpa.

Bai Jingshu’s expression changed at the mention of Old Master Bai.

“Bai Mo noticed this detail and knew that she had her finger on Bai Jingshu’s sensitive spot, “Sister, Grandpa is already so old. You definitely don’t want him to worry, right? Just let me go back and Tell Grandpa that I’m Safe!” ”

Bai Jingshu looked at Bai Mo with an indescribable expression in her eyes.

She was a little unsure of what she should do.

“Just as Bai Jingshu was hesitating, ye Zao’s words suddenly rang in her ears. ”

“Bai Jingshu immediately calmed down and continued, “Bai Mo, some things happen just because they happen. It’s not like you can pretend that they didn’t happen just because you want to avoid them.” ”

“”Sis! I’m begging you!”Bai Mo cried very sadly and continued, “Liu Chao isn’t human at all. He beats me every day... you can’t just leave me to die...” ”

“Bai Jingshu lowered her head and looked at Bai mo. “If I knew this would happen, why did I do it in the first place?” ”

“If Bai Mo didn’t have the intention to kill her back then, how would he have ended up in this state? ”

“After saying this, Bai Jingshu turned around and left. ”

“This time, Bai Jingshu left with absolute determination. She did not hesitate at all. ”

“Sis! Don’t go!”Bai Mo screamed at the top of his lungs.

Bai Jingshu could not leave. What would she do if Bai Jingshu left?

“Sis!”

“Sis!”

“Bai Mo immediately chased after her and grabbed Bai Jingshu’s hand. “SIS, I’m begging you. As long as you can bring me back, I’ll do anything you want. SIS, it was all my fault in the past. I was wrong. Please forgive me...” ”

“She had thought that Bai Jingshu would forgive her this time, but to her surprise, Bai Jingshu actually shook her hand away. ”

“Bai Mo looked at Bai Jingshu’s determined back, her eyes filled with regret.”

She began to regret her actions back then.

She should not have killed Bai Jingshu.

“But there was no shortage of medicine in this world, only regret.”

What should she do?

What should she do now?

Was she really going to stay on Earth and live with Liu Chao for the rest of her life and give him a child?

No!

She couldn’t do it!

She really couldn’t do it!

“She was going to stay on Earth and give Liu Chao a child. From then on, she would become a lowly earthling. This was worse than killing her.”

Bai Mo knelt on the ground and cried loudly.

“After crying for a long time, Bai Mo came to the overpass where people came and went. She wanted to jump off the overpass, but when she looked down from the bridge, a sense of panic suddenly ignited in her heart.”

No.

She couldn't jump.

She was the favored daughter of the s galaxy. How could she die on earth?

She wanted to go back!

"No matter what price she had to pay, she wanted to go back. Even if she had to die, she wanted to die on Earth."

"Thinking of this, Bai Mo wiped her tears and walked back."

South China Sea.

"Ever since she came to the resort island, Ye Zhuo had been shopping, eating, eating, and shopping every day."

"Cen Shaoqing was responsible for following behind her, paying for her, and taking her things."

"Where are we going to play tomorrow?" Ye Zhuo lay on the bed and looked at Cen Shaoqing.

"Cen Shaoqing took out the itinerary and continued, "We're going to flower and Bird Island Tomorrow."  
"

"Flower and Bird Island?" Ye Zhuo's beautiful eyes narrowed. "Is it fun?"

"I saw that the score on the internet was very good. It's a must-go place for couples," Cen Shaoqing replied."

“Ye Zhuo nodded slightly. “Alright, then we’ll go and take a look tomorrow.” ”

“After saying that, ye Zhuo continued, “Let’s buy tickets and go by boat tomorrow, Shall We?” ”

“These few days, their trips would either be by helicopter or by private car. Ye Zhuo wanted to experience the feeling of queuing up to buy tickets. ”

“Okay.”Cen Shaoqing nodded slightly. “I’ll get someone to book the tickets.”

Ye Zhuo immediately stopped Cen Shaoqing. “We’ll buy the tickets on the spot tomorrow.”

“Hearing this, Cen Shaoqing subconsciously frowned, but in the end, he did not say anything. ”

As long as the leader was happy.

Chapter 2432: 510: apply to the leader! 1

“Cen Shaoqing liked quiet. He did not like noisy places, especially crowded places. ”

“Therefore, every time he went to a scenic spot, he would take a private car or a helicopter. ”

“However, since it was ordered by the leader, he naturally had to listen to the leader’s wishes. ”

“Then what Time Shall We Leave Tomorrow?”Cen Shaoqing continued to ask.

Ye Zhuo thought for a moment. “Let’s go early. How about going out at eight?”

“During the days of vacation, Ye Zhuo slept until he woke up naturally every day. It was already very early for him to set off at eight.”

Cen Shaoqing nodded slightly. “Sure.”

“After saying that, CEN Shaoqing continued, “What do you want to Eat Tonight? I’ll make some arrangements.” ”

“OH.”Ye Zhuo was eating dessert. “Anything is fine. I’m very easy to feed. I’m Not Picky.”

Cen Shaoqing picked up the Buddha beads on the table. “Then I’ll go to the kitchen to have a look.”

“Go ahead.”

The specialties of the South China Sea were seafood and coconut chicken.

“Thinking that ye Zao had not eaten authentic Sichuan cuisine for a few days, he ordered the kitchen to cook some boiled fish and other dishes in the evening.”

“After instructing the kitchen, Cen Shaoqing came to the room. Ye Zao was still lying on the bed reading a book.”

““You’re back,”ye Zao said.”

“Yes.”Cen Shaoqing nodded slightly. “I just received a call. I might not be able to accompany you to dinner tonight.”

““You go ahead.”Ye Zao continued, “Have you arranged dinner?” ”

““It’s all arranged.”Cen Shaoqing picked up the watch on the table and put it on. He also picked up the Buddha beads. The wine-red tassels circled around his fingers, looking indescribably beautiful.”

“In the blink of an eye, Ye Zao’s line of sight fell on his fingers. He continued, “Let me take a look at the Buddha bead.” ”

Cen Shaoqing handed the Buddha bead to ye Zao.

“Cen Shaoqing had been holding the Buddha bead of a suitable size in his hand. When he held it in ye Zao’s hand, it seemed to have grown in size in an instant. It made her hand look indescribably slender and fair, soft as if it had no bones. ”

The small leaf rosewood emitted a faint fragrance.

“Perhaps because it had been worn for a long time, the surface of the Buddha bead had been polished to a luster. ”

“Where did you buy this string of Buddha Beads?”Ye Zhuo asked.

“CEN Shaoqing said, “A master gave it to me.” ”

“”OH.”Ye Zhuo nodded slightly. “It must be a few years old, right?” ”

“”More than ten years,”Cen Shaoqing said. ”

“After saying that, CEN Shaoqing continued, “You Like It?” ”

“”If I like it, are you willing to give it to me?”Ye Zhuo raised his eyebrows slightly. ”

“”I won’t send you off,”Cen Shaoqing said in a low voice. ”

“Cen Shaoqing suddenly changed the topic. “After all, my entire being is yours.” ”

“Ye Zhuo chuckled. “Mr. Cen, you’re really getting better at talking.” ”

Cen Shaoqing’s thin lips parted slightly. “The leader has taught you well.”

“Stop being so naive. Let’s go.”Ye Zao returned the Buddha bead to Cen Shaoqing.

“Didn’t you like it?”Cen Shaoqing asked.

“Ye Zao stuffed the Buddha bead into Cen Shaoqing’s hands. “A gentleman doesn’t take away what others like. Besides, I don’t have the hobby of becoming a monk.” ”

Cen Shaoqing took the Buddha bead. “Then I’ll be leaving first.”

“Go ahead.”Ye Zao stood up and sent him out. “Can you come back tomorrow?”

“I can come back tonight.”

“Okay.”Ye Zao nodded slightly.

“As soon as he said that, ye Zao seemed to have thought of something. “Wait!” ”

“What’s Wrong?”Cen Shaoqing stopped in his tracks.

Ye Zao picked up a bottle of sunscreen. “The sun outside is very poisonous. I’ll put some sunscreen on you.”

“Could it be that the temperature was not high, but because it was too close to the equator, the sunlight was very harsh. Because of this, the temperature difference in the South China Sea region was very big sooner or later. ”

“Okay.” Cen Shaoqing nodded slightly.

“Sit down,” ye Zao said. ”

Cen Shaoqing immediately sat down on the chair.

Ye Zao Bent down slightly and applied sunscreen to Cen Shaoqing. “Close your eyes.”

“OH.” Cen Shaoqing immediately closed his eyes.

“His eyelashes were very long and thick. When he closed his eyes, they formed a very obvious curve. ”

It was not an exaggeration to describe him as an eyelash essence.

“As Ye Zhuo applied sunscreen on him, he sighed, “Say, you’re a man. Why do your eyelashes grow so long?” ”

“Your eyelashes aren’t short either,” Cen Shaoqing said. ”

“That’s different. You’re a man, and I’m a woman.” Ye Zhuo continued, “Tell me, did you secretly apply eyelash growth fluid?” ”

“Although ye Zao’s eyelashes were not short, every time he saw Cen Shaoqing’s eyelashes, ye Zao could not help but exclaim in surprise. ”

“If I say that it can make you feel better, then it is.” Cen Shaoqing twirled the Buddha beads and said, “Do you want me to recommend the brand of eyelash growth liquid to you? “After you use it, you can be like me, so you don’t have to envy me.” ”

Chapter 2433: 510: apply to the higher-ups! 2

“Why are you such a hypocrite!”

Cen Shaoqing chuckled. “You’re the one who insisted on asking.”

Ye Zhuo gently pinched Cen Shaoqing’s face.

“CEN Shaoqing continued, “It’s okay. My eyelashes are so long and I’m so handsome. I’m still your boyfriend!” ”

“”Mr. Cen, when did you become so narcissistic?”Ye Zhuo chuckled. ”

“”Because I trained my girlfriend well,”Cen Shaoqing said. ”

Ye Zao:”...”How did she manage to train such a boyfriend.

She did not know since when she could not beat Cen Shaoqing.

Cen Shaoqing was clearly not like this in the past.

“After a moment, ye Zao put down the sunscreen and continued, “It’s done.” ”

“Is it done?”Cen Shaoqing opened his eyes.

“Yes.”Ye Zhuo nodded slightly.

Cen Shaoqing stood up. "Then I'll be leaving first."

"Go."

Cen Shaoqing walked out of the house.

The driver was already waiting.

Cen Shaoqing walked straight into the back seat.

The car sped along and soon stopped in front of an ancient courtyard house.

The buildings in the South China Sea were more uniform and rarely had a courtyard house.

"However, this courtyard house was at least a hundred years old. "

"The car had just stopped when a middle-aged man, who looked like a butler, walked out of the car. He looked at Cen Shaoqing and bowed respectfully. "CEN Fifth Master." "

Cen Shaoqing nodded slightly.

"The butler continued, "Follow me." "

"Cen Shaoqing followed the butler's footsteps and passed through the hall, arriving at the tea room in the backyard. "

"The tea room was decorated very elegantly and quietly. The beaded curtains jingled, and the room was still filled with the faint fragrance of tea. "

Anyone who was proficient in the way of tea would definitely be able to smell it. This was the purple mountain tea from the peak of the Cloud Mountain.

The purple mountain tea was especially precious. It was so precious that it could be compared to the environment. It was sold in grams.

“Moreover, it was not something that could be bought with money.”

“Zixu.” Suddenly, a pleasant male voice came from inside. “You’re 15 minutes late.”

Cen Shaoqing lifted the pearl curtains and came to the tea room. He sat opposite the man. “Is that so?”

The man pointed at the clock hanging on the wall.

It was exactly 15 minutes from the appointed time.

Cen Shaoqing picked up a cup of tea and took a sip.

It tasted bitter and sweet. It was a good tea!

“When did you come back?” Cen Shaoqing put down the Teacup and asked.

“Half a month ago.” The man continued, “You were never late before.”

“That was before.” Cen Shaoqing’s thin lips parted.

“You’ve changed.” The man looked up at Cen Shaoqing.

Cen Shaoqing was noncommittal. “People change.”

The man frowned slightly. "Have you really found a girlfriend?"

"Not a girlfriend." Cen Shaoqing corrected him. "Fiancée."

A girlfriend and fiancée were two different concepts.

"Are you serious?" The man looked at Cen Shaoqing with disbelief in his eyes.

"Cen Shaoqing nodded slightly and continued, "It's time for you to find one." "

"Hearing this, the man frowned and said, "I will never get married." "

He did not need a woman

Cen Shaoqing shook his head gently.

The man sitting opposite him was called Yu Niannian.

He was Cen Shaoqing's good friend when he was listening to Buddhist music in the temple ten years ago.

"Just like Cen Shaoqing, Yu Niannian had seen through the secular world and wanted to become a monk."  
"

The only thing different from Cen Shaoqing was that Yu Niannian did not mind eating and there was no lack of women around him. He just felt that there was no woman in the world who was worthy of him.

Even less qualified to enter the hall of marriage with him.

“To him, a woman was just a piece of clothing and a pair of shoes.”

“When he felt that it was no longer interesting, he could throw it away and change into a new pair.”

His life should not be restricted by just one woman.

“In order to prevent himself from being blackmailed by women, he even went to have a vasectomy in his old age. However, every time he had sex with those women, he still pretended to use contraception.”

“Over the years, there were many women who made him like a father.”

“Therefore, he felt that women were not good things. They were all obstacles in the way of success for men.”

“Why are you shaking your head?” Yu sunset asked.

“CEN Shaoqing continued, “You will regret it.” ”

“Regret what?” Yu sunset asked.

“Regret what you said and did today.”

“After all, the former CEN Shaoqing was more confident than the current Yu sunset.”

“In the end, he still fell in love and could not extricate himself.”

“If time could be reversed, he would definitely not be so confident.”

“Hearing this, Yu sunset laughed out loud. “How is that possible!” ”

“Why is it impossible?” Cen Shaoqing asked back.

“Yu sunset continued, “Zixu, I have seen more women than you wear clothes. I know women better than you! Women are all trouble. Just play with them. Don’t get serious with them! If you’re nothing, they won’t even look at you.” ”

Chapter 2434: 510: apply to a leader! 3

“In his old age, Yu Shaoqing had also looked forward to love. ”

“At that time, he was 15 years old. ”

“But now, he was already 33 years old. ”

Cen Shaoqing looked at Yu Shaoqing. “That’s because you haven’t met the right person.”

“Do you think you’ve met the right person?” Yu Shaoqing asked.

“Yes.” Cen Shaoqing nodded slightly.

“Yu Shaoqing looked at Cen Shaoqing. “Zixu, you’re not like you anymore.” ”

Cen Shaoqing’s thin lips parted slightly. “I have always been me.”

Yu Luonian frowned slightly. He was a little curious about what Cen Shaoqing’s little girlfriend looked like.

“Your little girlfriend is very beautiful?” Yu Luonian continued to ask.

“Yes.” Cen Shaoqing nodded slightly.

“Yu Luonian reminded him, “Beautiful women can lie. They are like roses, with Thorns.” ”

““Your sister-in-law can’t,” Cen Shaoqing said. ”

“My sister-in-law?” Yu Luonian looked at Cen Shaoqing in surprise.

Cen Shaoqing twirled the Buddhist beads. “Isn’t my fiancée your sister-in-law?”

Yu Luonian was no longer calm. “Are you really serious?”

Cen Shaoqing nodded slightly.

Yu Luonian looked at Cen Shaoqing in disbelief.

He felt like he was dreaming.

When did Cen Shaoqing become like this?

“The Cen family’s fifth master was one of the most important figures in the Dao. Even in the world, he could be counted on one’s fingers. But now, he was actually defeated by a beauty. ”

““Beauty’s bed, hero’s tomb.” ”

Cen Shaoqing smiled faintly and picked up his teacup again. He did not speak.

“Yu Niannian sighed. “Zixu, have you really thought it through? Even master suspense said that your wisdom root is very good. In the future, you will definitely...” ”

“Before he could finish his sentence, Cen Shaoqing interrupted him. “That was in the past.” ”

“CEN Shaoqing added, “You will also have such a day.” ”

“I won’t!”Yu Xiannian’s expression was very firm. “Never!”

“At this point, Yu Xiannian turned to Cen Shaoqing. “Zixu, you have seen too few women, that’s why you are attracted to your little girlfriend!”In a world of fancy, what kind of woman did he not want? Cen Shaoqing had always abstained from sex in his early years and was not attracted to beauties. Yu sunset knew that sooner or later, Cen Shaoqing would be deceived by women. ”

He just did not expect that this day would come so quickly!

“Yu sunset stood up from his chair and continued, “There are all kinds of women in the South China Sea, each with their own merits. Why Don’t I take you out to play tonight?” ”

“I advise you to keep a clean body.”Cen Shaoqing glanced at him. “In case you regret it later.”

Keep yourself clean?

“Hearing this, Yu sunset laughed out loud. “Zixu, what are you talking about? You’re not still a virgin, are you?” ”

Cen Shaoqing did not answer. He picked up his cup and took a sip of tea.

His silence meant that he admitted it.

“Yu sunset continued, “So you haven’t touched her yet? Then what fiancée are you talking about?”He thought that everything that should have happened had already happened. ”

“”Do you think I’m like you, sowing seeds everywhere?”Cen Shaoqing retorted. ”

“If it weren’t for the surgery, Yu Luonian’s only son would have already formed a battalion. ”

“Yu Luonian said, “Zixu, you don’t understand the current society at all. With that little girlfriend of yours, she might not be a virgin anymore. You’ve been cheated and are still counting money!” ”

“According to Yu Niannian’s many years of experience, the probability of a virgin winning the five million grand prize was even lower. ”

“At least, in all the years that he had spent with women, he had never met one. ”

Cen Shaoqing frowned slightly and stood up immediately.

“Are you angry?”Yu Niannian immediately caught up with Cen Shaoqing’s back view.

Cen Shaoqing looked back slightly. “Your sister-in-law is not the kind of person you’re talking about.”

“Yu sunset knew Cen Shaoqing’s temper and continued, “I was wrong. I apologize to you. I am your brother and I am afraid that you will suffer. After all, you have never been in a relationship before.” ”

“Also, this world was always like this. ”

“Cen Shaoqing looked at Yu sunset and continued, “Your sister-in-law and I are each other’s first love.” ”

Each Other’s first love?

“Yu sunset said, “Did she also see through the secular world before?” ”

“No.”Cen Shaoqing twirled the Buddhist beads.

“Yu Niannian deliberated the words in his heart and continued, “When are you going to take me to see sister-in-law?” ”

He wanted to see what kind of person was able to charm Cen Shaoqing to this extent.

“After all, Cen Shaoqing had always been a calm and wise person. ”

“No matter what kind of person it was, it could not escape his eyes! ”

“You want to see her?”Cen Shaoqing asked.

“Yes.”Yu Niannian nodded.

“CEN Shaoqing continued, “I have to apply.” ”

“Apply for what?”Yu Niannian was stunned. He did not understand what Cen Shaoqing meant.

Chapter 2435: 510: apply to the leader! 4

“”Apply whether she wants to see you,”Cen Shaoqing said. ”

“Yu Niannian was a little speechless and said, “Is there a need to apply?” ”

Why did it sound like Cen Shaoqing had to coax her?

“Under such circumstances, shouldn’t the woman coax Cen Shaoqing?”

“Of course!” Cen Shaoqing said as if it was a matter of course.

“Yu Niannian continued, “Zixu, where’s your manliness?” ”

When did Cen Shaoqing become like this?

“”In front of the person you like, there’s no need for any manliness,” Cen Shaoqing replied. ”

Yu Niannian:” ...” Cen Shaoqing had really changed.

Cen Shaoqing in the past could not say such words.

“Yu Niannian suppressed the shock in his heart and continued, “Alright, go back and apply. Let’s go out for a walk now.” ”

“Okay.” Cen Shaoqing nodded slightly and followed Yu Luonian’s footsteps.

“After a few steps, Cen Shaoqing stopped and continued, “Bring an umbrella.” ”

“Why?” Yu Luonian asked.

“CEN Shaoqing explained, “The sun is too strong outside, it will burn the skin.” ”

“Yu Luonian thought it made sense, so he asked the butler to bring two umbrellas. ”

But Cen Shaoqing refused. "I don't need umbrellas."

"Why don't You Want Them?" Yu Niannian asked curiously.

"We're different," Cen Shaoqing said concisely. "

Yu Niannian said somewhat speechlessly, "We're both men, so how are we different!" "

Cen Shaoqing looked into the distance. "After all, I have a girlfriend who personally applied sunscreen on me, and you..." at this point, Cen Shaoqing turned to look at Yu Niannian. "You're still single." "

Yu senility: "..."

"With that, Cen Shaoqing walked forward. "

Yu senility decided not to use an umbrella and immediately trotted to follow Cen Shaoqing's footsteps.

"Zixu, I'm a little flustered by you." "

"What are you flustered about?" Cen Shaoqing asked.

Yu senility continued, "I'm worried that you, a ten-thousand-year-old monk, will be deceived." "

Cen Shaoqing had never been in contact with the opposite sex, nor had he ever been in a relationship. It was too easy to deceive such a person. "

Although Yu Niannian had never met Cen Shaoqing's little girlfriend, her first impression of her was not very good. "

Because CEN Shaoqing was too protective of her.

“He had never gotten to know her in depth, yet Cen Shaoqing was so protective of her. Did he really understand her?”

Yu Niannian had always believed in one sentence.

The best way to understand a woman was in bed.

“No one can lie to me.” Cen Shaoqing looked back slightly. “Unless I’m willing to be lied to.”

“Yu Niannian was stunned, “So were you lied to?” ”

“No.”

“Yu Niannian continued, “If your little girlfriend really didn’t lie to you, why did you treat her so well and trust her so much?” ”

““Because she’s worth it,” Cen Shaoqing said word by word. ”

“Yu Niannian did not know what to say, “From the looks of it, you’ve never been lied to by a woman before! Zixu, calm down. Let’s date first and don’t be in a hurry to get married!” ”

“I came here to propose.” Cen Shaoqing twirled the Buddhist beads.

“Propose? !” Yu sunset widened his eyes.

Cen Shaoqing nodded slightly.

““Then you have to think carefully.” Yu sunset continued, “Can you wait for me to finish seeing your little girlfriend before proposing?” ”

“I said, I want to apply,” Cen Shaoqing said. ”

Yu sunset didn't know what to say.

How did the high-spirited CEN fifth master become like this?

He was indeed a femme fatale!

“Then when can you apply?” Yu Luonian continued to ask.

“It depends on the mood of the leader,” Cen Shaoqing's thin lips lightly opened. ”

“Leader?” Yu Luonian narrowed his eyes and looked at Cen Shaoqing. “Your little girlfriend?”

“Yes.”

Yu Luonian didn't know how to describe Cen Shaoqing.

...

On the other side.

“Although there was only one person, Ye Zao was still having a very happy dinner. ”

“After eating light dishes for several days in a row, Ye Zao's mood became better when the dishes suddenly became hot and spicy. ”

He turned his head and looked out of the window.

The Sun was setting and the sea breeze was blowing gently. There were many people who came to the beach to take a walk in the evening.

Ye Zao became interested and immediately put down his chopsticks. He went to the bathroom to change his clothes and planned to go for a walk by the beach to get some fresh air.

“A few minutes later, ye Zao walked out of the bathroom.”

“He had changed his white home clothes into a light blue dress with a suspenders. His long black hair had turned into a fishbone braid and was placed diagonally in front of his chest. Although it was almost evening, the Sun by the beach was still very bright. Ye Zao took out a straw hat and put it on his head, only then did he leave the house.”

The beach was undulating with waves. Many shellfish and corals rushed over.

“Ye Zao took off his sandals, picked up the shells, and used his phone to take photos.”

“Soon, the sky darkened.”

A bright moon rose from Hai Ming.

“Ye Zao stood there and looked at the Bright Moon. The sea breeze blew, and the wide hem of his skirt fluttered in the wind, as if he could ride the wind and return at any time.”

The beautiful scenery here was all taken by a tall figure with a camera.

“After a while, he put away his camera and ran over.”

“Ye Zhuo.”

“Hearing a familiar voice, ye Zhuo looked up and said in surprise, “Brother Song.” ”

It was song Shiyu.

““Long time no see,”ye Zhuo continued. ”

It had been a long time since they last saw each other.

“If song Shiyu remembered correctly, the last time they spoke was a year ago. ”

““Long time no see,”song Shiyu continued, “Did you come alone?” ”

““With my boyfriend,”ye Zhuo answered. ”

“Song Shiyu smiled and said, “When are you going to do something? I’ll definitely give you a big gift.” ”

“Really?”Ye Zhuo said.

“A gentleman’s word.”

“Ye Zhuo thought he was joking and said, “Okay, I’ll definitely inform you when we get married.” ”

““It’s a deal,”song Shiyu said. ”

Ye Zhuo looked at song Shiyu. “What About You?”

“Me?”Song Shiyu asked.

Ye Zhuo nodded slightly. “That’s right. When are you planning to Get Married?”

“Song Shiyu looked in the direction of the sea and said calmly, “There’s no rush.” ”

The bottom of the sea was the moon in the sky.

The person in front of him was his sweetheart.

“His heart had always been a spectator’s heart, but unfortunately, he was a character in a drama. ”

Chapter 2436: 511: How Humble Can a person be for love? 1

“During this one year, song Shiyu tried many ways to forget her. ”

But none of them worked.

“In this world, there were only two things that could not be hidden. ”

Cough and love.

“Since he could not forget her, he would love her forever. ”

“Then, he would turn this love into protection. ”

“”Brother Song, you haven’t Met Your Lover Yet?”Ye Zhuo looked at song Shiyu. ”

“Song Shiyu nodded. “Love is something that can only be found by chance, not by request. Let nature take its course.” ”

It was not that he had not met his lover.

It was that his lover was not his lover.

“Ye Zhuo nodded slightly. “You’re right. You Can’t force it. At most, you can just live alone for the rest of your life.” ”

Ye Zhuo’s love philosophy was that he would rather live alone for the rest of his life than make do with it.

“In fact, being financially independent and without the love of his life, it was quite good to be single for his whole life. ”

Life was a process of gain and loss.

“A single noble could not enjoy the happiness of family. Similarly, people with many children and grandchildren would never be able to experience the happiness of being single. ”

Song Shiyu smiled and raised the camera in his hand. “Let me take a picture of you? I’ve practiced.”

Practiced?

Ye Zhuo raised his head to look at Song Shiyu. “You’ve studied photography before?”

“Yes.” Song Shiyu nodded slightly.

“” Alright then, I’ll leave it to master song,” Ye Zhuo said with a smile. ”

“Song Shiyu’s light blue dress fluttered in the wind. His photography skills were very good, and the photos he took were almost 365 degrees with no blind spots.”

“Is it done?”Ye Zhuo asked.

“Yes.”Song Shiyu nodded slightly and ran to ye Zhuo’s side. “I’ll send the photos to you after I develop them.”

“”There’s no need to develop them. You can just send them to my wechat directly,”ye Zhuo said. ”

“”Okay,”song Shiyu said. ”

“Ye Zhuo continued, “Brother song, have you eaten? If you haven’t eaten, there’s a food street over there that we can try.” ”

“Although ye Zhuo had already eaten, she could still eat some of the food in the Food Street. ”

“Song Shiyu helped her take photos, so she should treat him to some food. ”

“Hearing this, song Shiyu nodded. “Okay, let’s go together. It just so happens that I need to find a place to eat.” ”

“Then let’s go.”Ye Zhuo stepped forward.

The two of them walked in the direction of the Food Street one after the other.

“Compared to the seaside, the food street was a little crowded. It was crowded and noisy. ”

“Song Shiyu walked to a stinky tofu stall. “I like to eat stinky tofu. Ye Zhuo, can you give me two pieces?” ”

“Ye Zhuo smiled and said, “I like it too.” ”

Song Shiyu looked at the boss. “Two pieces.”

““Okay, please wait a moment.”The boss fried two pieces of tofu and asked, “Can you two eat spicy food?” ”

Song Shiyu nodded. “I’m fine with it. What About You?”

The last sentence was directed at Ye Zhuo.

“Ye Zhuo said, “I’m fine with it too.”. ”

“Song Shiyu said, “Then have some more chili.” ”

“Very soon, the boss handed two servings of stinky tofu to song Shiyu. ”

Song Shiyu took the stinky tofu and handed one to ye Zhuo.

“Ye Zhuo tasted one piece. It was stinky and smelly when it entered his mouth. After he gently bit it open, the juice was overflowing. ”

“The taste is very good. You should try it too.”Ye Zhuo turned to look at song Shiyu.

Song Shiyu also tasted a piece. “It’s really good.”

This was probably the best smelly tofu he had ever eaten.

“Then, the two of them went to the stall that sold cold noodles and ordered two servings of cold noodles.”

“Time passed very quickly. In the blink of an eye, it was nine o’clock.”

“Ye Zhuo looked at the time and then said, “Brother song, I’ll go back first.” ”

“I’ll send you back.”Song Shiyu stood up.

“Ye Zhuo smiled and said, “No need. I live near the seaside.” ”

“Song Shiyu asked, “Is it Chaohai Residence?” ”

“”Yes.”Ye Zhuo smiled and said, “You live there too?” ”

“Song Shiyu said, “I live in Building 02.” ”

“”What a coincidence. I live in Building 01,”ye Zhuo said. ”

Song Shiyu stepped forward. “We can go back together.”

“Okay.”

“The two of them chatted as they walked. Soon, they reached Chaohai residence. ”

“At the fork in the road, Song Shiyu stopped. “Then I won’t send you off.” ”

“”Okay, no need. It’s just a few steps away,”ye Zao continued, “Come over for tea when you have time.” ”

“Okay.”

Song Shiyu saw ye Zao to the corner and turned back. He watched ye Zao’s back with an indescribable expression in his eyes.

It was a little sad.

He didn’t turn back until he saw ye Zhuo’s figure disappear into the night.

“The assistant had been waiting in the room for a long time. When he saw song Shiyu return, he immediately stood up. “Boss, you’re back.” ”

““Okay.” Under the Crystal Light, song Shiyu’s face was a little pale. “Go and call doctor Liu over.” ”

Chapter 2437: 511: How Humble Can a person be for the sake of love? 2

“The assistant immediately nodded. “Alright, I’ll go now.” ”

“Very soon, the assistant brought doctor Liu over. ”

“Doctor Liu was in his early thirties this year and had a good relationship with song Shiyu. When he saw song Shiyu like this, he frowned and said, “What’s Wrong?”? ”

““My stomach feels a little uncomfortable,” song Shiyu said. ”

“Doctor Liu had known song Shiyu for a long time. He knew song Shiyu’s personality and knew that song Shiyu must be extremely uncomfortable. Otherwise, he would never have said these words. ”

“When he heard this, doctor Liu quickly took out the stethoscope and checked song Shiyu’s pulse.”

“Did you eat something outside?” Doctor Liu asked.

“Yes.” Song Shiyu nodded.

“Doctor Liu frowned slightly, then he said, “Why don’t you know how to cherish your body! How many times have I told you that you can’t eat anything from the outside in your current condition! Why Don’t you listen to me!” ”

“Due to his experience in his early years, song Shiyu’s spleen and stomach had always been bad. In recent years, his illness had been aggravated by some dietary habits. Therefore, the food that song Shiyu usually ate was matched by a professional dietitian.”

“What did you eat?” Dr. Liu continued to ask.

“Song Shiyu answered, “I ate some cold noodles as my main food.” ”

“What else?” Dr. Liu asked.

“Song Shiyu continued, “Guan Dong cooked some stinky tofu.” ”

“Do you want to die? !” Dr. Liu raised his voice and asked.

Song Shiyu was silent for a moment and did not say anything.

“Dr. Liu continued, “Go and do some vomiting control.” ”

“Although it was not good to do vomiting, song Shiyu’s current condition meant that he had no other choice but to vomit.”

“Can’t you not vomit?” Song Shiyu looked at Doctor Liu.

Doctor Liu subconsciously felt that something was not right. “Why aren’t you vomiting? Did Something Happen?”

“There’s no reason. I just don’t want to vomit.” Song Shiyu drank a mouthful of warm water. “Actually, it’s not that uncomfortable.”

Doctor Liu looked at song Shiyu. “Are you sure you don’t want to induce vomiting?”

“Yes.” Song Shiyu nodded.

Doctor Liu massaged the space between his brows. “Let me prescribe some medicine for you first.”

“Sorry to trouble you.”

“Doctor Liu gave him a prescription. “Take this. If you don’t induce vomiting, you might feel a little uncomfortable at night. Bear with it.”

Song Shiyu continued to nod.

“Doctor Liu continued, “Boss song, your body is yours. No matter what others say, it’s useless. You have to be careful.”

Song Shiyu didn’t say anything.

Song Shiyu was a stranger.

“Doctor Liu frowned slightly. He saw an inexplicable sadness in Song Shiyu. He couldn’t help but ask, “Boss Song, did something happen?” ”

“”No.” Song Shiyu put down the glass of water. “Doctor Liu, sorry to trouble you.” ”

“After saying goodbye to Song Shiyu, Ye Zao returned to the villa. ”

The lights in the villa were turned off.

Cen Shaoqing was not back yet.

Ye Zao turned on the lights on his phone.

The room quickly became bright.

“Ye Zao hummed a tune and went to the bathroom, ready to take a bath. ”

“There were red rose petals prepared by the housekeeper in the bathroom. The air was emitting a faint flower fragrance, which was very nice. ”

“Just as the water was put in, footsteps came from outside the living room. ”

Is Cen Shaoqing back?

“Ye Zao raised her eyebrows slightly, put the towel back to its original place, and went to the living room. ”

“As soon as she came to the living room, she saw a tall figure walking in from outside. ”

It was Cen Shaoqing.

““You’re back,”ye Zao said. ”

““Yes.”Cen Shaoqing nodded slightly. He also brought back a bag of fresh lychees. “Concubine Xiao, do you want some?” ”

“Lychees were a specialty of the South China Sea. In this season, they couldn’t be eaten anywhere else. ”

““Peel them well. I’ll come back to eat after I take a shower,”ye Zao said ”

Cen Shaoqing put the Buddha beads on the table. “Okay.”

Ye Zao turned around and went back to take a shower.

“Cen Shaoqing went to the bathroom to wash his hands carefully and disinfected them. Then, he came back and began to peel the lychees. ”

He peeled them very seriously and removed all the cores from the inside.

“Soon, he peeled a whole bowl of lychee meat. ”

“The snow-white lychee meat emitted a faint fragrance, which made people’s taste buds open. ”

“After peeling the lychee meat, Cen Shaoqing went to the kitchen and washed some fruits. He made a fruit scoop with yogurt. ”

“When Ye Zhuo came out of the bathroom, Cen Shaoqing was already sitting on the sofa eating the fruit scoop. ”

“Did you eat it tonight?”Ye Zhuo asked while drying his hair.

“”Just eat this.”Cen Shaoqing immediately put down the bowl in his hand, stood up, and walked to ye Zhuo’s side. “Let me blow-dry your hair.” ”

Chapter 2438: 511: How Humble Can a person be for love? 3

“”Okay, I’ll give you a chance to show off.”Ye Zhuo sat on the sofa. ”

Cen Shaoqing started to blow her hair.

“Ye Zhuo’s hair was thick, long, and soft. It looked like top-grade silk. Cen Shaoqing held the hair dryer in one hand, and his other hand weaved through her black hair. ”

The scene was very harmonious.

“Ye Zao continued, “I saw song Shiyu today.” ”

Song Shiyu.

“Upon hearing this name, Cen Shaoqing furrowed his brows without anyone noticing. ”

“Where did you see him?”Cen Shaoqing opened his thin lips and asked.

“Ye Zao said, “He lives right next door to us. We even had supper together tonight.” ”

They had supper together.

A man and a woman were actually having supper together.

“Hearing this, Cen Shaoqing felt a little depressed.”

That feeling was a little strange.

“A second ago, the sky was clear, but in the next second, dark clouds covered the sky.”

“What did you eat together?” Cen Shaoqing asked.

“Ye Zao said, “We ate stinky tofu and cold noodles. Don’t mention it, the cold noodles here are quite delicious. Let’s try it tomorrow.” ”

“”Okay.” Cen Shaoqing nodded slightly and said unintentionally, “Does song Shiyu have a girlfriend?” ”

“”I don’t think so,” ye Zao said. ”

He doesn’t have a girlfriend?

“It’s been so long, and song Shiyu still hasn’t given up? ”

“Cen Shaoqing was thinking about something. The strength in his hand was not precise, and his index finger wrapped around her hair. ”

“Hiss.” Ye Zao looked back at Cen Shaoqing. “What are you thinking about?”

“Did I hurt you?” Cen Shaoqing instantly reacted

Ye Zhuo nodded.

“Cen Shaoqing immediately apologized. “I’m sorry, I’m sorry. I’ll be more careful.” ”

“Ye Zhuo looked at him curiously. “Cen Shaoqing, what are you thinking about?” ”

“CEN Shaoqing continued, “I went to see a friend today. He wants to meet you. Do you want to meet him?” ”

“What friend?”Ye Zhuo asked

“CEN Shaoqing said, “We met at the temple.” ”

“”Sure.”Ye Zhuo nodded slightly and continued, “Boys and girls?” ”

Cen Shaoqing put down the hairdryer. “I don’t have any female friends.”

“After saying that, CEN Shaoqing continued, “Would you object to me having female friends?” ”

Ye Zhuo looked back slightly. “Why would I object? You have the right to make friends.”

Ye Zao was not an unreasonable person.

There was also a pure friendship between men and women.

“Cen Shaoqing suddenly did not know how to continue. He continued, “The lychee has been peeled.” ”

Ye Zao raised his head and looked at Cen Shaoqing. “Why do I feel that you are a little strange today?”

“You feel wrong.”Cen Shaoqing handed the lychee to Ye Zao. “Eat the Lychee.”

“Ye Zhuo picked up a lychee and said, “Are you really okay?” ”

“I’m really okay.”Cen Shaoqing smiled. “What could be wrong with me?”

Ye Zhuo raised his head and looked at Cen Shaoqing. “Mr. Cen.”

“Yes.”

Ye Zhuo’s eyes curved. “Are you jealous?”

“No.”Cen Shaoqing directly denied it.

How could he be jealous!

“Really?”Ye Zhuo asked.

“Really.”Cen Shaoqing looked serious.

“Ye Zhuo nodded slightly. “Oh, then I’m going out with song Shiyu Tomorrow.” ”

Going out together?

“You’re going out together?”Cen Shaoqing’s expression instantly changed.

““Yeah.”Ye Zhuo continued, “Don’t go. Coincidentally, you’re not familiar with song Shiyu either.” ”

Cen Shaoqing didn’t know what to say.

“I...”

“”What’s Wrong With You?”Ye Zhuo continued, “By the way, not only do I want to go out with him, I might not be back tomorrow night.” ”

“Why?”Cen Shaoqing asked.

“Ye Zhuo’s red lips parted slightly, and he asked, “What do you mean, why?” ”

“Why aren’t You Back?”Cen Shaoqing was very depressed.

“It was fine if he went out to play with song Shiyu, but he wasn’t coming back yet! ”

He wasn’t going home for the Night!

“He suspected that song Shiyu was going to give him a hat, but he didn’t dare to tell ye Zhuo directly. ”

Ye Zhuo smiled faintly. “Don’t meddle in the matters of beauties.”

“Cen Shaoqing took a deep breath and tried his best to calm himself down. He looked at ye Zhuo and continued, “Leader, are you really not coming back tomorrow night?” ”

“Do I look like I’m Joking?”Ye Zao asked back.

It really didn’t look like he was joking.

“CEN Shaoqing said, “No, you can’t spend the night outside with song Shiyu.” ”

“Why?”Ye Zao asked.

Cen Shaoqing twirled the Buddhist beads. "Because song Shiyu doesn't look like a good person."

"I've known him for a long time," ye Zao said. "At that time, you weren't my boyfriend. I knew him better than you."

Chapter 2439: 511: How Humble Can a person be for the sake of love? 4

"CEN Shaoqing said, "But I knew you before he did." "

Ye Zhuo was noncommittal. "I know that you're concerned about me. Don't worry. Song Shiyu is a gentleman. He will never bully me."

"You can't judge a book by its cover," Cen Shaoqing said. "In any case, you're not allowed to spend the night with him." "

"You're restricting my personal freedom," ye Zao said. "

"CEN Shaoqing said, "I'm concerned about you." "

Ye Zao looked at Cen Shaoqing. "Thank you for your concern. I don't need it."

"You're not allowed to go." Cen Shaoqing pulled on Ye Zao's lapel. "Please, don't go." "

"Ye Zao chuckled. "Mr. Cen, if you admit that you're jealous, I Won't go." "

"Really?" Cen Shaoqing's eyes lit up as he asked.

Ye Zao nodded slightly. "Of course it's true!"

“CEN shaoqing immediately said, “I admit that I was jealous just now. You’re not allowed to go out with song Shiyu alone in the future.” ”

“Okay.”

“Really?”Cen Shaoqing asked.

“Yes.”Ye Zao continued eating the lychees.

“”Leader, eat more. If it’s not enough, I’ll Peel it for you.”CEN Shaoqing continued, “Let’s Go See My Friend Tomorrow?” ”

“Okay.”Ye Zhuo nodded.

The next day.

Ye Zhuo got up early in the morning.

Cen Shaoqing had already gotten someone to prepare breakfast.

“Ye Zhuo went to the gym for a walk, then came to the restaurant to eat. He looked up at Cen Shaoqing, who was sitting there reading the newspaper. “Where did you meet your friend?” ”

“”Penglai Island,”Cen Shaoqing said. ”

“What Time?”Ye Zhuo continued to ask.

“”We’re all friends. It doesn’t matter if we go a little later,”Cen Shaoqing replied. ”

Ye Zhuo nodded slightly.

“After dinner, the two of them left the house at around 8:30 pm.”

It only took more than half an hour to go to Penglai Island by helicopter.

“Half an hour later, the helicopter landed on a golf course.”

“To have a private golf course on Penglai Island, one could imagine that Cen Shaoqing’s friend from the temple was not simple.”

Yu Luonian was a little anxious.

He paced back and forth in the hall.

It had been half an hour since he had agreed to meet Cen Shaoqing.

Cen Shaoqing had not arrived yet.

Could it be that Cen Shaoqing did not want to come?

Yu Luonian frowned slightly.

“Just then, the butler jogged over. “Sir! Sir!” ”

“What’s Wrong?”Yu Luonian asked.

“The butler said somewhat excitedly, “CEN fifth master is here.” ”

“Yu Mumu hurriedly asked, “Did he come alone, or did he bring his little girlfriend?” ”

““CEN fifth master brought a young girl with him,”the housekeeper said. ”

“Yu Mumu was too curious and asked, “What does she look like?” ”

The housekeeper shook his head. “She’s too far away. I couldn’t see clearly.”

Yu Mumu simply didn’t ask anymore and immediately walked towards the hall.

“As soon as he arrived at the hall, he heard footsteps. ”

Yu Luonian took a deep breath and regained his usual calm appearance. He raised his feet and walked out.

“Zixu.”

Cen Shaoqing nodded slightly. “Luonian.”

“After he said that, CEN Shaoqing continued, “This is my fiancée, Ye Zao. Zao Zao, this is the good friend I told you about, Yu Luonian.” ”

“Ye Zao looked at Yu Luonian and took the initiative to extend his hand. “Hello, Mr. Yu. I Am Ye Zao. The leaves of the leaves are burning brightly.” ”

Yu sunset raised his head to look at Ye Zao.

He was a flower lover. What kind of beauty had he not seen before?

“However, it was the first time Yu sunset had seen someone like ye Zao. ”

Her features were picturesque and could topple countries and cities.

She was indeed not bad-looking.

“However, her appearance was just a skin bag. Who knew what her heart was like?”

The Roses were very beautiful.

With thorns.

“Yu sunset put away the surprise in his heart and narrowed his eyes without a trace. He reached out to hold ye Zao’s hand. “Yu sunset. Thus, Yu Sunset Day and night, years and years.” ”

“Mr. Yu.”

“Yu Luonian continued, “Please come in.” ”

Cen Shaoqing put his arm around ye Zao’s waist and the two of them walked into the inner room.

Yu Luonian asked someone to serve tea and exquisite snacks.

““Miss Ye, Zixu and I have been good friends for many years. It’s like our own home here. Miss Ye, please don’t stand on ceremony.” ”

Zixu?

This address seemed a little strange.

Ye Zhuo turned to look at Cen Shaoqing.

“Cen Shaoqing saw her confusion and explained, “Zixu is my word.” ”

It was given to him by a abbot.

Ye Zhuo nodded slightly. “I see.”

“Yu Muannian continued, “I heard from Zixu that Miss Ye is a few years younger than him?” ”

“Yes.”

“Yu Muannian smiled and said, “Young girls nowadays like uncles. If there’s a suitable girl by Miss Ye’s side, introduce her to me.” ”

“Mr. Yu Single?”Ye Zhuo asked.

Chapter 2440: 512: Ye Zao is Miss Ye! 1

Yu Luonian’s intention was very simple.

He wanted to understand ye Zao through ye Zao’s friends.

“Although it was only the first time he met ye Zao, he felt that this girl was even more profound than the sea.”

It was impossible to see the bottom.

“As Cen Shaoqing’s good brother, Yu Luonian did not want to see Cen Shaoqing being cheated. When that time came, he would lose everything. ”

“Although CEN Shaoqing was experienced and invincible in the business world, in terms of love, Cen Shaoqing was still a young boy who did not know anything. ”

“Yu Luonian nodded. “Yes, I have been single for a long time.” ”

““Mr. Yu, do you plan to get married and start a Family?”Ye Zhuo continued to ask. ”

“Yu Luonian shook his head and said very frankly, “Life is a lifetime, and the grass and trees will fall in one autumn. I don’t want to be tied down by marriage. I just want to be in love with the person I love. Why do I have to Get Married?” ”

Different views of love led to different understandings of love.

“Ye Zhuo looked at Yu Luonian. “I’m sorry, Mr. Yu, but I don’t have any friends who are suitable for you.” ”

Yu Luonian was stunned. “AH? Why?”

““Because a great man once said that all relationships that are not for the purpose of marriage are hooligans,”ye Zhuo said. ”

Either be beautiful alone.

Or make a promise to a girl.

Ye Zao did not quite agree with Yu’s view of love in his old age.

People like Yu’s old age obviously just wanted to play around.

“The smile on Yu’s Old Age’s face did not diminish. He continued, “Actually, people who love each other do not have to get married.” ”

“”That is why the friends around me are not suitable for you,”ye Zao said slowly. “They hope to be plain and simple happiness. Three meals a day, four seasons a year. I hope Mr. Yu can find someone who understands you as soon as possible.” ”

“Yu Luonian picked up his cup and took a sip of tea. Then he said, “What about Miss Ye? Does Miss ye not agree with my view of Love?” ”

“”Benevolence is different from benevolence, wisdom is different from wisdom. I respect Mr. Yu’s choice,”ye Zao said faintly. ”

What a good four to two to push a thousand catties.

“Yu Luonian looked at ye Zao, and there were some ripples in his eyes. ”

“In the end, he still underestimated ye Zao. ”

“This girl was not only beautiful, but her temperament and IQ were also on the line. ”

It was completely different from what he had imagined.

Cen Shaoqing picked up a dessert and handed it to Ye Zao. “This tastes pretty good. Try It.”

“Okay.”Ye Zao took the dessert and started to lower his head to taste it.

Yu Shaoqing was slightly stunned.

Cen Shaoqing's reaction was also unexpected.

Cen Shaoqing had never eaten dessert before.

"But now, for the sake of a girl, he actually started to eat sweets."

"Zixu," Yu Muannian continued.

"Yes." Cen Shaoqing raised his eyes slightly.

"Yu Muannian continued, "I was afraid that Miss Ye would be bored, so I invited some girls of the same age as Miss ye today. Let's go play golf later?" "

"Are you going?" Cen Shaoqing did not directly answer Yu Muannian's words, but turned his head to look at Ye Zhuo."

Look at him.

How was this like the CEN fifth master who was a man of his word?

Yu Mumu lowered his head. No one knew what he was thinking about?

Ye Zhuo nodded slightly. "I'm fine with anything." It just so happened that he had not played golf for a long time.

Proper exercise could exercise one's body.

"Yu Mumu immediately said, "Since Miss Ye has no problem with it, then let's go." "

Cen Shaoqing stood up and held ye Zhuo's hand.

The three of them walked towards the golf course.

Yu Mumu looked sideways at the two of them. His eyes were suddenly filled with envy. He was very envious that Cen Shaoqing always had someone to accompany him wherever he went.

“However, when he thought that it would never be someone else in the future, he was no longer envious.”

He was still the best.

He could hug this one today and that one the next.

No one could control him.

The golf course was very big.

“The three of them had just arrived when the butler walked to Yu Muqing’s side. “Sir, Miss Linda and the others have arrived.” ”

“Yu Muqing said, “Please come over quickly.” ”

“Okay.”The butler nodded.

“Yu Muqing walked to Cen Shaoqing’s side. “Zixu, they will be here soon.” ”

“Okay.”

Yu Muqing glanced at Cen Shaoqing.

“At this moment, CEN Shaoqing was no different from the CEN Shaoqing he knew.”

He was a man of few words.

He was a man of few smiles.

“But after being together with Ye Zao, he instantly became another person.”

It was... very strange.

“Not long after, the butler brought five or six young women who were dressed gorgeously and walked over.”

“We’re Here!” Yu Sunset’s eyes suddenly lit up. “This way.”

“Young Master Yu!”

““Young Master Yu, long time no see! I’ve missed you to death!””

“...”

Yu was instantly surrounded by a group of women in his old age.

Was this the happiness of the rich?
