Chapter 2451: 514: Paranoid Beyond Redemption 4

“Looks like there’s nothing more to talk about between us.” Song Shiyu turned around and left.

“Chen Siyao stood up as well and shouted at Song Shiyu’s back, “Shiyu!” ”

Song Shiyu didn’t hear Chen Siyao’s shout and walked forward without looking back.

He didn’t even look back at Chen Siyao until Song Shiyu’s back disappeared in front of him.

“Chen Siyao was close to despair, tears falling like rain. ”

“At this moment, she finally understood those who died for love. ”

But she couldn’t die.

She had to live.

She had to love Song Shiyu well.

Only by living well could she see a miracle happen.

What if...

“What if one day, Song Shiyu suddenly saw her good and fell in love with her? ”

Yes.

There would definitely be such a day.

“Chen Siyao wiped away her tears, and the expression in her eyes slowly became more determined.”

“Just then, Chen Siyao seemed to have thought of something. She picked up her phone and sent a message.”

““Little Tian, if you’re free, let’s meet.””

Little Tian was song Shiyu’s special assistant.

“Chen Siyao wanted to know more about song Shiyu, so she just asked Little Tian.”

“Under normal circumstances, Xiao Tian would tell her everything.”

“Xiao Tian happened to be resting today. After receiving Chen Siyao’s message, he immediately replied, “Sister Yao, I’m Free Anytime.””

Chen Siyao sent the address of the meeting.

She couldn’t wait to get to know the person song Shiyu had set his heart on.

“She was very envious, but she wasn’t jealous.”

...

By the sea.

At night.

The scenery by the sea was very beautiful.

“In his twilight years, he had someone send over a barbecue grill and barbecue equipment. Then, he turned to look at CEN Shaoqing and said, “Zixu, I’ve just dug up a barbecue master who lives nearby. I’ll call him over immediately.” ”

“Find a master to Grill for us?”Ye Zhuo continued.

Yu twilight years nodded. “Yes.”

“Cen Shaoqing immediately understood what ye Zhuo meant. He twirled the Buddhist beads and continued, “Coming to the beach to grill it will definitely make it taste better if we do it ourselves. What kind of Chef is that?” ”

“AH? ? ?”Yu sunset looked at Cen Shaoqing in confusion. “You mean we do it ourselves?”

“Yes.”Cen Shaoqing nodded slightly.

“Xian ‘er, who was beside him, said excitedly, “Alright, Alright! I love DIY the most!” ”

“In desperation, Yu Shaoqing had no choice but to compromise. ”

He did not understand when Cen Shaoqing had become obsessed with doing things himself?

“After knowing Cen Shaoqing for so many years, Yu Shaoqing had never seen Cen Shaoqing do things himself. ”

It was too unbelievable.

“Today’s waves of disbelief came one after another, and Yu Shaoqing felt a little dizzy. ”

“After all the barbecue ingredients were served, the few of them began to prepare for the barbecue. ”

Yu Luonian and Xian ‘er were a couple.

Cen Shaoqing was naturally a couple with ye Zhuo.

“Very soon, the aroma of the barbecue could be heard in the air. ”

This was the first time Yu Luonian knew that Cen Shaoqing knew how to barbecue.

““Zixu, I didn’t realize that you were so secretive!”Yu Luonian looked at Cen Shaoqing and said. ”

Cen Shaoqing skillfully picked up a piece of chicken steak and began to roast it. “There are many things that you don’t know.”

Yu sunset looked at Ye Zhuo again.

She had thought that ye Zhuo would sit and wait for Cen Shaoqing to roast it for her to eat.

“After all, girls were very delicate, and Cen Shaoqing was willing to spoil her, so it was normal for her not to be willing to do it. ”

But she did not.

“Ye Zhuo had also been doing the barbecue. He did not say much. The sea breeze blew past, and a strand of hair fell from her ear, brushing past her picturesque facial features. It suddenly reminded Yu sunset of the scene she saw at the dashboard today.”

Yu sunset immediately looked away and took a bite of the chicken wing that Xian ‘er handed him.

“Is it good?” Xian ‘er asked.

“It’s very good,” Yu sunset answered. ”

“Xian ‘er smiled and said, “Of course. How can it not be good when I cook it with my own hands?” ”

Yu sunset did not know how to taste the food.

He did not know what was wrong with him.

He just suddenly felt that the kebab in his hand did not smell good anymore.

Chapter 2452: 515: Truly Pitiful Person 1

“Young Master Yu, have another bite.” Xian ‘er handed another skewer to Yu sunset. ”

Yu sunset opened his mouth and took it.

“Is it good?” Xian ‘er asked.

“Yu sunset said perfunctorily, “It’s alright.” ”

“Actually, he didn’t even taste the taste of the skewer before he swallowed it.”

“Having received Yu Sunset’s affirmation twice in a row, Xian ‘er was very excited and continued, “Then I’ll roast another skewer for you.” ”

“Mm.”Yu Shaoqing nodded.

“At this moment, Yu Shaoqing actually saw Cen Shaoqing eating a skewer of grilled squid when he raised his head. His eyes immediately widened.”

“Ever since he had known Cen Shaoqing, Cen Shaoqing had been a vegetarian.”

“Back then, he had even persuaded Cen Shaoqing to eat some meat dishes properly. After all, only with meat and vegetables could one have a balanced diet.”

How could a man eat grass all the time?

How could he endure it?

“However, Cen Shaoqing did not listen. He did not even take an egg, let alone meat dishes.”

“The strange thing was that although Cen Shaoqing had always been a vegetarian, his body did not suffer from malnutrition and he had always maintained a good figure.”

But now!

Cen Shaoqing had actually taken the initiative to eat meat dishes!

It was simply a wonder in the world.

“Zixu, you’ve changed.” Yu Niannian walked to Cen Shaoqing’s side and said. ”

Cen Shaoqing turned his eyes slightly. “How have you changed?”

“I’m not like you.” Yu Niannian continued, “You’ve never eaten meat dishes before.” ”

“Cen Shaoqing picked up a drumstick and said in a low voice, “Maybe this is the power of love!” ”

“After saying that, CEN Shaoqing added, “A person like you who is destined to be alone will never understand.” ”

Yu Niannian:” ...”

Was he showing off just like that?

“Yu Niannian continued, “Do you think there is love in this world?” ”

“Do you like to ask nonsense so much?” Cen Shaoqing asked back.

“Yu Niannian looked at Cen Shaoqing and said, “Won’t the two of you break up?” ”

“No matter how beautiful a love was, it would never be able to withstand the torment of time. ”

“Although Cen Shaoqing’s love for ye Zao was now flourishing, there would eventually come a day when it would dissipate. ”

“Cen Shaoqing twirled the Buddhist beads, his eyes filled with determination. “No.” ”

He and ye Zao would never be separated.

“That’s not necessarily true.” Yu Luonian shook his head and continued, “I never believe that there is any love in the world.”

“You are too pitiful.” Cen Shaoqing’s thin lips opened slightly.

“Pitiful?” Yu Niannian looked at Cen Shaoqing, his eyes filled with disbelief.

Who Did Cen Shaoqing say was pitiful?

He was pitiful?

How could he be pitiful?

“He could change four or five girls a day, how could Cen Shaoqing?”

“If they did not break up, Cen Shaoqing would only be able to stay by Ye Zhuo’s side until he was old.”

What was so good about staying by one woman for the rest of his life?

“If he had planted a hundred flowers, wouldn’t it smell good?”

“You say I’m Pitiful?” Yu twilight looked at Cen Shaoqing incredulously, his eyes filled with question marks.

“CEN shaoqing retorted, “People who don’t even want to believe in love naturally have never experienced love. Isn’t it pitiful?”

“It’s not that I’ve never experienced love, I just don’t believe in love! Do you understand if I don’t believe in it? You’re the one who’s truly pitiful! I can have the love of many girls at the same time, can you do it?” ”

“After saying that, Yu Shaoqing continued, “What About You? Can you do it?” ”

Cen Shaoqing smiled and shook his head. “It seems that you really don’t understand love.”

A person who truly understood love would never say such words.

Yu Shaoqing was so angry that he was about to die.

“Cen Shaoqing was the one who should be pitiful, yet cen Shaoqing treated him like this. ”

“Those who were involved were confused, but those who watched from the sidelines were clear! ”

“I...”

“Do you want to eat mushrooms?”At this moment, ye Zhuo walked over from the side and handed CEN Shaoqing a bunch of roasted mushrooms. ”

“Eat.”Cen Shaoqing took the roasted mushrooms from ye Zhuo’s hands.

“Mr. Yu, do you want to eat?”Ye Zhuo continued to ask. ”

“Yu Niannian originally wanted to say that he didn’t want to eat, but his words turned into “Thank you.” ”

“After taking the mushrooms from ye Zhuo, Yu Niannian took a bite. ”

“After he gently opened it, a fresh and sweet juice burst out from his mouth, followed by a faint cumin and chili flavor.”

“The combination of sweet and slightly spicy didn’t make people feel disgusted. On the contrary, it was exceptionally delicious, making people unable to stop eating it.”

Just three words.

It was very delicious.

“Yu Luonian looked at the roasted mushroom in his hand, and his expression was a little complicated.”

“Is the Mushroom Delicious?” Cen Shaoqing asked in a low voice.

“Yes.” Yu sunset nodded his head honestly.

“CEN Shaoqing continued, “My fiancée baked them.” ”

Yu Sunset:” ...”

When did Cen Shaoqing become a wife-flaunting maniac?

...

On the other side.

Chapter 2453: 515: Truly Pitiful 2

Xiao Tian arrived at the meeting place he had arranged with Chen Siyao.

Xiao Tian arrived half an hour early. He thought that Chen Siyao wouldn't be here by the time he arrived.

He didn't expect to see Chen Siyao waving at him as soon as he entered the cafe.

Xiao Tian thought he was hallucinating and immediately jogged over. "Sister Yao!"

Chen Siyao smiled. "I've already ordered some coffee for you."

"Thank you, sister Yao," Xiao Tian said. "

Chen Siyao picked up a silver spoon and stirred the coffee in her cup. "You're welcome."

"Xiao Tian took a sip of his coffee and asked, "By the way, May I know why you're Looking For me, Sister Yao?" "

"Under normal circumstances, Chen Siyao was looking for him because of Song Shiyu. "

This time was no exception.

"Chen Siyao continued, "I want to know if your boss song has been in contact with any girls recently?" "

She really guessed right.

"Girls?" Xiao Tian asked.

"Yes." Chen Siyao was eager to know what the person song Shiyu liked looked like.

“Chen Siyao wanted to get to know her, get close to her, and learn from her.”

Someone who could catch song Shiyu’s eye would definitely be very good-looking.

“Xiao Tian thought for a moment and then said, “No, the boss has always been very regular in his daily life. And as you know, he doesn’t like to interact with women.” ”

Song Shiyu’s personality was a little strange.

“Other bosses had red flags at home that didn’t fall down, colorful flags floating outside, and all sorts of mistresses, but Song Shiyu was different. The only woman by his side was Chen Siyao.”

“However, Little Tian also knew that song Shiyu didn’t like Chen Siyao.”

“Hearing this, Chen Siyao frowned slightly. “Little Tian, I hope you can tell me the truth.” ”

“With that, Chen siyao continued, “As long as you tell me the truth, I can give you anything you want.” ”

Chen Siyao didn’t believe what little Tian said. She thought that little tian was lying to her.

“Little Tian said, “Sister Yao, I really didn’t lie to you.” ”

He was song Shiyu’s personal assistant. He knew all the people song Shiyu met and the women he had met.

““You know boss’s personality, sister Yao.”At this point, little tian paused and continued, “There was a celebrity who wanted to marry boss, but boss rejected him.” ”

Chen Siyao also knew about that celebrity.

“She was a popular person in the industry and had countless suitors, but just like Chen Siyao, she couldn’t help but fall in love with song Shiyu. ”

“Really?” Chen Siyao continued to ask.

Xiao Tian nodded. “Really.”

“Chen Siyao thought about it and changed her approach. She continued to ask, “Then has your boss been paying special attention to any girls recently?” ”

“”No.” Xiao Tian shook his head. “If the boss is really paying attention to someone, there’s no way I wouldn’t know.” ”

“If song Shiyu really had someone that he was paying special attention to, the other party probably would have pounced on him before song Shiyu could say anything. ”

But he didn’t.

“”The boss’s schedule hasn’t been very full recently, and he hasn’t seen many partners,” Xiao Tian added. ”

“Hearing this, Chen Siyao narrowed her eyes. Her eyes were filled with confusion. After a moment, she looked up at little tian and asked, “Little Tian, did your boss ask you to look up any information about any girls?” ”

“After receiving this, Chen Siyao added, “Don’t deny it yet. I can guarantee you with my personality that I won’t say anything. You Don’t have to worry that your boss will find out.” ”

“”Sister Yao, I can promise you that I’m not lying. I really haven’t seen my boss pay attention to anyone of the opposite sex,” Xiao Tian said seriously. ”

“Of course, Chen Siyao didn’t believe him. ”

“After all, Xiao Tian was song Shiyu’s personal assistant. ”

“”Xiao Tian, we’ve known each other for so many years,”Chen Siyao continued. “I’m sure you know what I mean to your boss. I don’t have any other intentions. I just want to know what kind of girl your boss loves but can’t get her head around looks like.” ”

Perhaps she would give up after just meeting her.

“Otherwise, Chen Siyao would never give up. Not only would she never give up, she would also be very unwilling. ”

“Fall in love with her but not get her?”Xiaotian looked at Chen Siyao in shock. He couldn’t believe that song Shiyu had someone he couldn’t fall in love with.

How was that possible!

Who Was Song Shiyu?

The big shot of big shots. What kind of girl could reject song Shiyu?

It was too scary!

“Looking at Xiaotian’s reaction, Chen Siyao was stunned. ”

Chapter 2454: 515: a truly pitiful person 3

Could it be...

Xiaotian really didn't know about this.

"But Xiaotian was Song Shiyu's personal assistant after all. If even Xiaotian didn't know, then who knew?"

Who was the girl Song Shiyu loved but couldn't get?

"At this moment, Xiaotian seemed to suddenly remember something and continued, "Sister Yao, do you know that Boss has been looking for someone? I think it might have something to do with this person." "

"Who?" Chen Siyao asked.

"It seems to be a little girl. How should I put it? She's not a little girl anymore. I heard that it has something to do with Boss's childhood." Xiaotian continued, "Because of this matter, Boss had previously investigated the Mu family's daughter, Mu Yourong." "

Xiaotian didn't know much about this matter.

He only knew about this matter.

"Chen Siyao also seemed to suddenly remember something and continued, "Then what happened after that?" "

"Little Tian thought for a moment. "After that, the daughter of the Mu family was imprisoned for murder, and then she escaped from prison. In the end, I heard that she died on her way out." "

Chen Siyao nodded lightly.

Was It This Mu Yourong?

“Chen Siyao stood up and looked at Little Tian. “Little Tian, thank you for telling me this.” ”

““Sister Yao, you’re too polite.”Little Tian stood up as well. ”

“Chen Siyao smiled. “I’ve already bought the order. I still have something to do, so I’ll be leaving first.” ”

“After taking a few steps, Chen Siyao seemed to have thought of something. She continued, “I ordered some desserts for the waiter to take away. You can bring them back and give them to your family to try.” ”

““Thank you, sister Yao,”Xiao Tian immediately thanked her. ”

“The coffee shop that Chen Siyao chose was a high-end coffee shop. For ordinary people, it was an existence that was out of reach. ”

That was why they could only take a look at it.

It was very thoughtful of Chen Siyao to ask him to take the desserts home.

“You’re welcome.”Chen siyao walked out.

“Just as Chen Siyao left, the waiter brought the desserts over. ”

“Xiao Tian took the desserts and said politely, “Thank you.” ”

Old Master Chen also came to Nanhai to relax.

Chen Siyao immediately went to the hotel where Old Master Chen stayed and asked about the situation back then.

“Grandpa, was Shiyu saved by a little girl back then? What exactly happened back then? Can you tell me?” Chen Siyao looked at Old Master Chen and asked. ”

Old Master Chen was old and couldn't stand alone. He was sitting in a wheelchair.

“Yaoyao, do you still have fantasies about Shiyu?” Old Master Chen looked at his only granddaughter with a complicated look in his eyes. ”

“As an elder, he also liked song Shiyu very much and hoped that Chen Siyao could get together with song Shiyu. ”

“Because he had watched song Shiyu grow up, he knew that song Shiyu was a person who was worthy of being entrusted with his life. ”

“Unfortunately, falling flowers intentionally flowed without mercy. ”

There were some things that couldn't be forced.

Especially when it came to relationships.

“Chen Siyao continued, “You know that I love Shiyu very much. I love him very much.” ”

Old Master Chen sighed. “But he's not suitable for you.”

“Chen Siyao's gaze dimmed for a moment before she continued, “Grandfather, all you have to do now is tell me about what happened back then.” ”

“Old Master Chen's memories instantly returned to the past as he slowly said, “Back then, Shiyu was kidnapped. Coincidentally, there was a little girl who was locked up with Shiyu that day. Later on, I found out that the little girl was the daughter of the Mu family.” ”

“After he said that, old master Chen continued, “I heard that this girl gave Shiyu a lot of warmth. If it wasn’t for him, Shiyu might not have been able to hold on.” ”

Chen Siyao listened carefully.

“According to what Old Master Chen said, the person in song Shiyu’s heart was most likely the deceased daughter of the Mu family.”

No wonder he couldn’t love her.

“In that instant, Chen Siyao saw hope.”

“Mu Yourong was already dead. Even if song Shiyu liked her, he could only keep her in his heart.”

“Chen Siyao squatted in front of old master Chen. “Grandfather, I want to ask you for something.” ”

Old Master Chen was stunned.

“Chen Siyao was his only granddaughter, and she had never spoken to him in such a tone before.”

“What is it?” Old Master Chen asked.

“Chen siyao continued, “Grandpa, I remember that you were kind to me when I met you.” ”

“What do you want?” Old Master Chen asked.

“Chen Siyao held old master Chen’s hands tightly, “Grandpa, do you know how much I love when I met you? I just want to marry him for the rest of my life! If I can’t marry him, I’d rather die alone! “You owe him a favor. If you speak to him personally, he definitely won’t reject you.” ”

Chapter 2455: 515: a truly pitiful person 4

“Just like Mu Yourong, the daughter of the Mu family.”

“Back then, Mu Yourong only did song Shiyu a favor.”

“If not, why would song Shiyu remember her for so long?”

“Unfortunately, Mu Yourong didn’t have that kind of luck.”

“Hearing this, Old Master Chen frowned. “Do you know what you’re saying?” ”

““I know. I’m very clear-headed.”Chen Siyao nodded. “Grandfather, I beg you!” ”

“Old Master Chen continued, “The favor I owed him back then was nothing. What’s more, he’s already paid back all these years. You Can’t ask for favors in return.” ”

“Although Old Master Chen was old, he was very clear-headed. He knew what he could and couldn’t do.  
”

““Grandpa, I’m Begging You!”Chen Siyao’s eyes were red, “We’re already at the marriageable age, and I love him so much. For him, I’ll do anything. In this world, no one is more suitable for him than me. Please help me talk to him!” ”

Old Master Chen still shook his head.

“He couldn’t say anything, nor could he throw away his old face.”

“Grandpa!” Chen Siyao immediately knelt down.

“Yaoyao, get up quickly!” Old Master Chen said with a frown. ”

“Chen Siyao just knelt on the ground. “Grandfather, I won’t get up if you don’t promise me.” ”

Old Master Chen sighed.

“The Chen family had never had an infatuated child, and Chen Siyao was the first. ”

No one knew who she followed.

“Chen siyao continued, “Grandfather, I beg you to grant me my wish!” ”

“What if Shiyu also rejects me?” Old Master Chen asked.

“Chen siyao said firmly, “No, he won’t! Shiyu won’t reject you!” ”

She knew song Shiyu too well.

“Song Shiyu was a person who knew how to repay kindness. As long as Old Master Chen asked, he would definitely not reject him. ”

“But there’s always an ‘if’.” Old Master Chen continued, “What if he rejects you? What do you plan to do?” ”

“Chen siyao continued, “Then I’ll Accept My Fate!” ”

The reason why she dared to say that was because Chen Siyao felt that song Shiyu would never reject old master Chen.

“Okay.” Old Master Chen nodded and continued, “Then I’ll throw away my old face tomorrow and give it a try for you.” ”

It was probably the first time in a wealthy family that a grandfather had personally come to talk to his granddaughter about the big event of her life.

“After all, people from the rich and powerful families valued their reputation. ”

This kind of behavior was directly delivered to their doorstep.

“Hearing this, Chen Siyao stood up excitedly and said with a smile, “Thank you, grandfather!” ”

“Old Master Chen said helplessly, “Don’t be happy too early.” ”

“If he didn’t have only one granddaughter, if song Shiyu wasn’t the grandson-in-law that he thought highly of, he definitely wouldn’t have agreed to such an absurd request. ”

“Chen siyao continued, “Grandfather, when are you going?” This kind of thing had to be struck while the iron was hot. It couldn’t be delayed. Who knew what would happen later. ”

“Are you in such a hurry?” Old Master Chen asked.

“Chen siyao smiled and said, “Grandfather, I’m going sooner or later anyway, so I might as well go tomorrow. Why Don’t You Go Tomorrow?” ”

“If it weren’t for the fact that it was already late and that it wasn’t appropriate to talk about this kind of thing in the afternoon, Chen Siyao would have wanted old master Chen to go now. ”

“Old Master Chen nodded. “Okay, okay, okay. I’ll go first thing in the morning tomorrow.” ”

“Sure enough, the next morning, Chen Siyao woke up to find that old master Chen had already set off. ”

“Chen Siyao had wanted to go with him to take a look, but it wasn’t good to have a girl at the scene, so she didn’t go with him. ”

Old Master Chen arrived at the place where Song Shi lived.

“The Butler respectfully welcomed Old Master Chen in and said, “Our boss will be here soon. Please wait a moment.” ”

“Old Master Chen chuckled and said, “There’s no rush. I’ll be fine in a while.” ”

Chapter 2456: 516: of course it’s true! 1

“Old Master Chen came here to ask for help, so he naturally couldn’t act like he was superior. ”

““Then please wait a moment.”The butler continued, “I’ll go and pour you some tea.” ”

“Okay.”Old Master Chen nodded.

The Butler went to pour tea for Old Master Chen personally.

“Song Shiyu’s routine was to get up at six in the morning, run for a while, then take a shower and eat. ”

“At that moment, he was running back. ”

“Boss.” Seeing him come over, his assistant immediately went over to greet him. ”

“Song Shiyu lowered his head and tidied his collar, then said, “What’s the matter?” ”

“The assistant continued, “Old Master Chen is here.” ”

Old Master Chen?

Song Shiyu frowned slightly. What was Old Master Chen doing here at such a time?

“Did he say what it is?” Song Shiyu continued to ask.

The assistant shook his head. “He didn’t say. But he mentioned that he had something important to discuss with you.”

“Okay, I got it.” ”

Song Shiyu stepped into the room and turned his head. “Tell Old Master Chen that I’ll be right there.”

The assistant nodded. “Okay.”

“After song Shiyu entered the room, he began to wash up. ”

“About ten minutes later, song Shiyu arrived at the hall. ”

“Shiyu!” Seeing song Shiyu, Old Master Chen was a little excited. ”

“Firstly, he really thought highly of this young man. ”

“Secondly, after all, Song Shiyu was about to become his grandson-in-law.”

“On the way here, Old Master Chen thought a lot.”

He felt that Chen Siyao was right.

“After all, he owed Song Shiyu a favor. Although Song Shiyu had been supporting the Chen family for so many years, if it weren’t for him back then, Song Shiyu wouldn’t be the current Song Shiyu.”

A drop of kindness should be repaid with a gushing spring.

“Moreover, Song Shiyu was a person who knew how to repay kindness.”

“He and Chen Siyao were both people who had reached their age. Song Shiyu could marry anyone, so he might as well marry Chen Siyao.”

“Chen Siyao wasn’t bad looking, and she was the only child of the Chen family. She had received the best education since she was young.”

The combination of these two people was definitely the existence of a golden couple.

“In short, Old Master Chen was very optimistic about the two of them.”

““Old Chen.” Song Shiyu walked over, ”

“old Master Chen continued, “Shiyu, are you busy recently?” ”

““I’m Alright.” Song Shiyu continued, “It’s more or less the same as usual.” ”

“Old Master Chen drank a mouthful of tea, he then said, “I see that you’ve lost a lot of weight recently. Shiyu, listen to me. Money isn’t something that can be earned. You should also pay attention to rest and combine work and rest. You Can’t just think about earning money.” ”

Song Shiyu was a person who didn’t have any hobbies. If one had to say that he had any hobbies...

That would be earning money!

“Usually, song Shiyu was either earning money or on the way to earning money. ”

Song Shiyu sat opposite Old Master Chen. “Thank you for your concern. I will.”

“Old Master Chen stroked his beard and thought about the words he wanted to say. He then said, “Shiyu, how are your aunts and the others recently?” ”

““They’re fine,” song Shiyu replied. ”

The aunt that old master Chen was talking about was not really related to song Shiyu. They were not even close.

Song Shiyu was a little confused. Why would old master Chen suddenly mention this ‘aunt’

“Old Master Chen continued, “When I saw her a while ago, she was still worried about your marriage. She said that when your grandmother left, you were the one she was worried about the most.” ”

“At this point, Old Master Chen paused. “Your aunt even said that she wanted to introduce you to someone. Did she do it in the end?” ”

“Song Shiyu actually did not like such a topic, but he still shook his head politely. “No.” ”

“Old Master Chen instantly had an idea. He continued, “Then have you found a girlfriend now?” ”

Old Master Chen's sudden concern for him made him a little puzzled.

""Not yet," song Shiyu said. "

"Old Master Chen continued, "I remember that you're about thirty years younger this year, right?" "

"En." Song Shiyu nodded.

"Old Master Chen smiled and said, "I remember that Yaoyao is two years younger than you. Sigh, that child is just like you! Up until now, she's still alone. Not being able to see that child get married in her lifetime, I really feel uncomfortable." "

"At this point., old Master Chen continued, "Especially you, Shiyu. Although you're not my biological grandson, in My Eyes, you're no different from my biological grandson. When a man reaches the age of thirty, he should still be able to consider the important matters of his life." "

"Mm." Song Shiyu nodded.

"Then when are you going to consider finding one?" Old Master Chen asked immediately.

""No Rush," song Shiyu answered. "

""No Rush?" Grandpa Chen looked at Song Shiyu. "You're already so old, why aren't you in a Rush?" "

Chapter 2457: 516: of course it's true! 2

Song Shiyu smiled but didn't say anything.

“Old Master Chen continued, “You and Yaoyao are really worrying me.” ”

“After saying that, old master Chen sighed softly. “Time really flies! I remember when I first met you, you were still a child! How Old Were You Then? Seven, right?” ”

““Nine,” old master Chen said. ”

“Nine?” Old Master Chen asked in surprise.

“In fact, Old Master Chen clearly remembered that song Shiyu was nine when he first met him. ”

He asked this on purpose to find out if song Shiyu still remembered what happened that year.

“As he expected, song Shiyu was a very grateful person. ”

“Although many years had passed, he still remembered what had happened. ”

“Song Shiyu nodded. “Yes, he was nine years old.” ”

“When the nine-year-old song Shiyu first saw Old Master Chen, he had already treated old master Chen as his own grandfather. ”

“Therefore, for so many years, no matter what request Chen Ai Sheng made, as long as it was not excessive, song Shiyu would agree to it for old master Chen’s sake. ”

“Old Master Chen’s face was filled with emotion as he continued, “So many years have passed in the blink of an eye!” ”

“That’s right.” Song Shiyu’s expression was a little heavy when he recalled the past.

“Old Master Chen turned to look at song Shiyu at this time. “Shiyu, thank you for helping our Chen family all these years!” ”

““You don’t have to stand on ceremony with me,”song Shiyu said. ”

“Old Master Chen had a rough idea in his mind, then, he said, “Shiyu, I’m already in my twilight years. I might leave that day. To tell you the truth, I still have something on my mind that I don’t have anymore. Before that, I won’t feel at ease even if I close my eyes.” ”

Old Master Chen was very clear about song Shiyu’s character. He knew that some things had to be done step by step. He couldn’t just get straight to the point.

“Hearing that, song Shiyu continued, “There are always some regrets in life. Actually, Old Master Chen, you don’t have to think so much. The most important thing for you now is to take care of your body.” ”

“If it were any other time, song Shiyu would definitely ask him what his regrets were, but today, song Shiyu actually did not ask! ”

This was a little strange!

“Old Master Chen was stunned for a moment. “Actually, I don’t have any regrets. If you are willing to help, Shiyu, you can still complete it.” ”

“Since song Shiyu did not reply, he could only complete his sentence once and for all. It was not the same to keep it a secret. ”

“Song Shiyu said, “Old Master Chen, you think too highly of me. There are nine out of ten things that go wrong in life. I can’t handle everything.” ”

“Although he did not know what Old Master Chen’s ultimate goal was, song Shiyu could feel that the matter that old master Chen needed his help with was definitely not a small matter. ”

“Old Master Chen put down his Teacup. “Shiyu, let me tell you something from the bottom of my heart. Only you can accomplish this matter.” ”

“Having said that, song shiyu could only continue, “Please speak.” ”

“Old Master Chen sighed. “Shiyu, can you promise grandfather first?” ”

“Song Shiyu furrowed his brows without leaving a trace. “Old Master Chen, I’ll do my best.” ”

“Hearing that, elder Chen smiled and said, “I’m relieved to hear that from you. Actually, this matter might be a good thing for you.” ”

This was a good thing in the first place.

“Now that the ratio of men and women was seriously out of balance, it was very difficult for an ordinary family to marry a daughter-in-law. ”

“He was now taking the initiative to tell song Shiyu about his granddaughter. If it was successful, it would be a blessing from heaven. ”

“If song Shiyu had any brains, he would know that this was not a bad thing. ”

“Song Shiyu did not answer old master Chen directly. Instead, he said, “Please go ahead.” ”

“Old Master Chen hesitated for a moment. “Shiyu, you’re thirty years old this year, and Yaoyao is twenty-eight years old. You’ve known each other since you were young. You were childhood sweethearts, and the two of you are innocent. That Girl Yaoyao really likes you very much...” ”

“At this point, grandfather Chen paused, then, he continued, “I’m Yaoyao’s grandfather. I’ve watched you grow up since you were young. I’m absolutely assured of your character! “Why don’t I, as your grandfather, pull some strings? Let’s Find a date and settle your Yaoyao’s marriage! “Actually, I’ve

already looked at the almanac for those who are here. The 28th of next month is not bad. Why Don't you two get engaged on the 28th?" "

"After saying that, Old Master Chen looked at Song Shiyu with anticipation. "

"Song Shiyu's expression did not change much. After a while, he continued, "Old Master Chen, thank you for thinking so highly of me, but I really can't match up to Miss Chen." "

Chapter 2458: 516: of course it's true! 3

He didn't even call Chen Siyao by her name anymore.

"If it wasn't for their past relationship, he would have already thrown her out! "

"But Old Master Chen didn't see Song Shiyu's emotions. He continued, "Shiyu, a man should have a family. Getting married early or late means getting married!" "

"You and Yaoyao grew up together. You know each other very well. There's nothing out of the ordinary about you."

Song Shiyu was just being polite and giving Old Master Chen a way out.

"After all, Chen Siyao was a girl, and Old Master Chen was an elder. "

"Old Master Chen, I'm really sorry," Song Shiyu said slowly. "Miss Chen and I are really not suitable for each other." "

"Not suitable? What do you think is wrong with the two of you?" Old Master Chen continued, "I think the two of you are very suitable!" "

“They understood each other, and Chen Siyao liked him so much that she would even kneel down to him for song Shiyu. There was no other girl in this world who was so infatuated with him. ”

“”I believe that Miss Chen will definitely be able to find her ideal husband,”song Shiyu continued. ”

“This time, Old Master Chen finally understood what song Shiyu meant. ”

So it was song Shiyu who didn't like Chen Siyao.

“Thinking of this, Old Master Chen's eyes turned slightly red, he continued, “Shiyu, you know me. I didn't want to put on this old face, but Yaoyao is my only granddaughter. That Child Yaoyao really likes you. For You, she's willing to do anything! Just take it as me begging you once, okay?” ”

Old Master Chen was really going all out if he could do it to the extent that it was worth it!

It had always been a family where there were hundreds of families begging for a daughter.

Who would need a grandfather like him to beg for a daughter like him!

But what could he do?

“After all, he was Chen Siyao's only grandfather. ”

“”Old Master Chen.”Song Shiyu never expected old master Chen to say something like this after he rejected old master Chen, “Marriage is not a game. Since I have decided who I want to marry, I must be responsible for her for the rest of my life. However, Miss Chen is not the person I want to be responsible for.” ”

Elder Chen did not expect song Shiyu to say such a thing.

He also did not expect Song Shiyu to reject him!

Could it be that Song Shiyu had forgotten about what happened back then?

Or did Song Shiyu think that he was not important enough to come personally to propose a marriage?

“After all, Song Shiyu used to always give him whatever he wanted.”

“Shiyu, I’ve watched you grow up. I trust your character, so I can trust you with Yaoyao!” Grandfather Chen said.

Song Shiyu massaged his temples with a headache.

He realized that the Chen family had a unique characteristic.

They liked to pester.

“He had repeated the same sentence many times, but Grandfather Chen and Chen Siyao just couldn’t understand it.”

“Old Master Chen, I already have someone I like.” Song Shiyu went straight to the point.

Someone I like?

“Old Master Chen nodded. “I know that. Yaoyao told me, and she also said that she doesn’t mind this matter.” ”

“After saying that.., old Master Chen smiled and said, “We’re all men. I know what you’re thinking. Who Didn’t have a crush on someone when they were young? “To be honest, before I got together with your grandmother, there was a girl that I liked very much.” ”

“As a man, who didn’t have a past?”

This was very normal!

Grandfather Chen understood song Shiyu very well.

“As long as you treat Yaoyao well after marriage and don’t bully her, I can pretend that I never knew about this.”

“Grandfather Chen was a very open-minded parent. If Chen Siyao didn’t mind that song Shiyu had a girl that he liked, why would he care so much?”

“Song Shiyu turned to look at old master Chen and continued, “Old Master Chen, Miss Chen and I aren’t suitable for each other.”

“Yes, we are! I’ve found someone to look at the eight characters. The two of you are very suitable for each other!” Old Master Chen said with a smile.

Song Shiyu furrowed his brows without a trace.

“Seeing song Shiyu like this., old Master Chen continued, “Shiyu, do you still remember the first time you saw me? “You mistook me for your grandfather. It snowed heavily that night. When your father came to look for you the next day, he thought that something had happened to you in the snow!”

“It was a snowy night with a temperature OF-10 degrees Celsius. If Old Master Chen had not brought little song Shiyu back, Song Shiyu would have frozen to death long ago!”

“But now, he had made such a small request, and song Shiyu could not even agree to it!”

This was a little too much!

“Moreover, this matter didn’t do song Shiyu any harm at all!”

“At the mention of that year, a complicated expression flashed across song Shiyu’s face. All these years, if the Chen Corporation needed help with anything, Old Master Chen would always say the same thing!”

Chapter 2459: 516: of course it’s true! 4

“It was to remind song Shiyu that if it wasn’t for him back then, song Shiyu wouldn’t exist!”

“In the past, song Shiyu would still pay for Old Master Chen’s words.”

“But today, song Shiyu didn’t feel anything at all.”

“”Shiyu?” Seeing that song Shiyu didn’t speak for a long time, Old Master Chen asked.”

“Song Shiyu then continued, “Old Chen, thank you for your love. I really can’t afford it. To tell you the truth, if I can’t marry the person I want to marry, I’d rather be single for the rest of my life than suffer myself!” ”

The last sentence was a little too harsh.

“Song Shiyu had intended to say that. After all, Old Master Chen had already said it to such an extent.”

“”Shiyu,” Old Master Chen also knew what song Shiyu meant. “Can you help me this one time! For the last time! It’s because I brought you back to spend the night when you were nine years old.” ”

“Song Shiyu had a bad temper to begin with, and Old Master Chen kept talking about it, so the anger in his eyes suddenly rose, he continued, “I took over the song family when I was twenty years old. I’ve helped the Chen Group many times over the years. I believe you should know that without me saying it!” ”

“Song Shiyu had never used such a tone to say anything. At this moment, Old Master Chen was a little confused. ”

What did song Shiyu Mean?

He didn’t agree?

Could it be that song Shiyu had already forgotten about his childhood? He had also forgotten that he had to repay the kindness of others?

““Shiyu, I don’t quite understand what you mean,”Old Master Chen continued. ”

““What you mean is that I no longer owe the Chen clan anything,”song Shiyu said straightforwardly. ”

He had already helped the Chen clan for eleven whole years!

“Old Master Chen looked at song Shiyu. At that moment, he felt that this young man was a stranger to him. ”

He was the child that he had watched grow up. How did he become like this after he grew up?

“If it had been the song Shiyu of the past, he would definitely not have rejected him! ”

He could even forget about saving his life. Song Shiyu was really capable!

Song Shiyu turned to look at the butler. “Go and get old Chen a cup of tea.”

“Although it sounded like he was getting a cup of tea, he was actually chasing him away!”

Old Master Chen’s expression changed. His face was filled with self-mockery. “The threshold of the song family is getting higher and higher now. I have overestimated myself! Yaoyao is even more delusional!”

“After saying that, old master Chen turned to look at his assistant behind him. He gritted his teeth and said, “Let’s Go!” ”

“Yes.”The assistant immediately pushed Old Master Chen into his wheelchair.

“Song Shiyu said, “Butler Wu, send Old Master Chen Off.” ”

Butler Wu raised his feet and followed Old Master Chen and the others.

On the other side.

Chen Siyao was still at home waiting for good news from Old Master Chen.

Old Master Chen had already discussed the date of the engagement with her last night. It would be the 28th day of the next month.

The next day was the day of the wedding.

Chen Siyao looked at the almanac and felt that two months was a very suitable time.

She wanted to marry song Shiyu as soon as possible so that she wouldn’t have to wait too long.

“”Miss! Miss!”At that moment, the nanny’s voice sounded in the air. ”

“What’s Wrong?” Chen Siyao turned around.

“The nanny said excitedly, “Old master is back!” ”

Chen Siyao’s eyes lit up. “Really?”

“Of course it’s true!”

“Chen Siyao immediately ran downstairs. As expected, Old Master Chen was back. ”

“Chen Siyao was so excited that she ignored old master Chen’s expression. She ran over and said excitedly, “Grandpa, what did Shiyu Say?” ”

“Old Master Chen had personally come out. Song Shiyu had to repay the favor, so he would definitely be embarrassed to refuse. ”

Chapter 2460: 517: I Don’t want it to be my loss! 1

Chen Siyao looked at Old Master Chen expectantly.

“Looking at Chen Siyao like this, Old Master Chen didn’t know what to say for a moment. ”

“Chen Siyao was full of anticipation, but he was going to disappoint Chen Siyao. ”

No.

It seemed like he still had to discuss with Song Shiyu.

“Grandpa, why aren't you saying anything?” Chen Siyao continued, “Is it Shiyu...” ”

“At the end of her sentence, Chen Siyao suddenly lowered her voice. ”

She was extremely disappointed.

It didn't make sense.

It didn't make sense.

“It didn't make sense that old master Chen would personally make a move, and song Shiyu wouldn't agree. ”

Song Shiyu was never someone who didn't know how to be grateful.

“If he wasn't grateful, the Chen family wouldn't be what they are now. ”

“Old Master Chen looked up at Chen Siyao and smiled. “No, you're thinking too much. Shiyu wasn't at home when I went over this morning.” ”

“So you didn't see Shiyu?” Chen Siyao asked.

“Yes.” Old Master Chen nodded.

Chen Siyao smiled. “I knew you would go in person. Shiyu wouldn't refuse.”

“Yes,” Old Master Chen said. ”

“Chen siyao continued to ask, “Grandfather, did you ask when Shiyu was at home?” ”

““Yes, I did. We made an appointment to meet. You Don’t have to worry.”Old Master Chen pretended that nothing had happened, then he said, “You’re a big girl. Just wait for the good news in peace. It’s not appropriate to ask so many questions.” ”

““Okay, okay, okay. I Won’t ask,”Chen Siyao said with a smile. ”

“Old Master Chen continued, “Then I’ll go back and rest first.” ”

“I’ll push you back.”Chen Siyao walked behind Old Master Chen.

Old Master Chen’s feelings were a little complicated.

“After pushing Old Master Chen back to his room, Chen Siyao said, “Grandfather, then you should rest well.” ”

“Okay.”Old Master Chen nodded.

Chen siyao walked out.

Old Master Chen looked at Chen Siyao’s back and frowned slightly.

How should he resolve this matter?

“After a moment, old master Chen called his assistant and asked his assistant to contact Bai Jiayu. ”

Bai Jiayu was one of Song Shiyu’s few good friends.

Bai Jiayu knew a lot of things that outsiders did not know.

It was definitely not a problem for him to ask Bai Jiayu for help.

“Bai Jiayu happened to be in Nanhai as well. After receiving Grandpa Chen’s call, he immediately rushed over.”

““Grandpa Chen, why are you looking for me?”Bai Jiayu rushed over.”

“Old Master Chen chuckled and said, “Jiayu is here. Please have a seat.” ”

Bai Jiayu sat opposite Old Master Chen.

“Old Master Chen continued, “Jiayu, I actually asked you to come over this time because I have a favor to ask of you.” ”

““What is it? Please tell me,”Bai Jiayu said.”

“Old Master Chen sighed. “Speaking of which, I really have nowhere to put my old face.” ”

“Bai Jiayu continued, “Old Chen, we are not outsiders. If you have something to say, just say it. As long as it’s something I can do, I, Bai Jiayu, will definitely not say anything else!” ”

The reason why Bai Jiayu was so certain was entirely because of Song Shiyu.

“After all, Song Shiyu had always been very good to the Chen family.”

It was all thanks to Song Shiyu that the Chen family had managed to survive the crisis.

“If it weren’t for song Shiyu, Bai Jiayu might not even know who the Chen family was.”

“Jiayu, since you’ve put it that way, I won’t stand on ceremony.” Grandfather Chen stroked his beard and started talking about himself, “I don’t know what that child Shiyu is thinking. Why Don’t you help me persuade him?” ”

“He sighed. “If Yaoyao hadn’t been so loyal to Shiyu, I wouldn’t have thrown away my old face.” ”

“Hearing this, Bai Jiayu frowned slightly. ”

What did old master Chen Mean by this?

It sounded more or less like he was forcing the marriage.

“Seeing that Bai Jiayu hadn’t said anything, Old Master Chen continued, “Jiayu, you’re not an outsider. To tell you the truth, if I were to hand Yaoyao over to an outsider, as a grandfather, I wouldn’t be at ease. But Shiyu is different. I watched Shiyu grow up. He has the ability and responsibility! “I know that he will definitely not let yaoyao down in the future.” ”

“These words were also indirectly telling Bai Jiayu that Chen Siyao wasn’t bad either. She was the daughter of a prestigious family. Even if she didn’t marry song Shiyu, she could still marry someone else. ”

It was song Shiyu’s loss that song Shiyu didn’t like Chen Siyao.

“Old Chen, actually, I think that we should respect individual wishes in this matter. After all, it’s not sweet to force things,” Bai Jiayu continued. “You’ve watched Shiyu grow up. I don’t think anyone knows Shiyu’s personality better than you. As long as it’s something he doesn’t want, no one can force him!” ”
